	<i>plan area</i> , for an area management plan, means the area to which the plan relates.	20 21
	<i>proposed area</i> —	22
	(a) for a draft plan—see section 20O(2)(a); or	23
	(b) for an existing planning document—see section 20O(3)(a).	24 25
	<i>restricted (fodder harvesting) land</i> see section 20L.	26

‘20J	What is an <i>area management plan</i>	1
‘(1)	An <i>area management plan</i> is—	2
	(a) a draft area management plan that is approved as an area management plan under section 20O(1)(a); or	3 4
	(b) an existing planning document that is accredited as an area management plan under section 20O(3)(a).	5 6
‘(2)	However, if an area management plan is amended by the chief executive under section 20ZB, the <i>area management plan</i> is the plan as amended.	7 8 9
‘(3)	Also, if an amendment of an area management plan is approved under section 20ZC, the <i>area management plan</i> is the amended plan as approved under that section.	10 11 12
‘20K	What is an <i>existing planning document</i>	13
	‘An <i>existing planning document</i> is any of the following—	14
	(a) a conservation agreement under the Nature Conservation Act;	15 16
	(b) an accredited environmental risk management plan under the <i>Environmental Protection Act 1994</i> , chapter 4A;	17 18 19
	(c) a plan for managing declared pests on State-controlled land under the <i>Land Protection (Pest and Stock Route Management) Act 2002</i> , chapter 2, part 3;	20 21 22
	(d) a local government’s pest management plan under the <i>Land Protection (Pest and Stock Route Management) Act 2002</i> , chapter 2, part 4 or stock route network management plan under chapter 3, part 3 of that Act;	23 24 25 26
	(e) a land management agreement under the <i>Land Act 1994</i> ;	27
	(f) another document that provides for clearing vegetation and is prescribed under a regulation.	28 29

[s 47]

‘20L	What is <i>restricted (fodder harvesting) land</i>	1
‘(1)	<i>Restricted (fodder harvesting) land</i> is—	2
	(a) a State-controlled road under the <i>Transport Infrastructure Act 1994</i> ; or	3 4
	(b) a road controlled by a local government under the <i>Local Government Act 2009</i> ; or	5 6
	(c) trust land under the <i>Land Act 1994</i> .	7
‘(2)	However, <i>restricted (fodder harvesting) land</i> does not include indigenous land.	8 9
‘Subdivision 2	Approval of plans and accreditation of planning documents	10 11
‘20M	Application for approval of draft plan or accreditation of planning document	12 13
‘(1)	An entity or a group of entities may apply to the chief executive to approve a draft area management plan or accredit an existing planning document for an area.	14 15 16
	<i>Examples of entities who may apply—</i>	17
	• an owner, or a group of owners, of land in the area	18
	• an organisation whose main function involves managing land in the area	19 20
‘(2)	The application must—	21
	(a) be in the approved form; and	22
	(b) be signed by—	23
	(i) the applicant; or	24
	(ii) if there are 2 or more applicants, at least 1 applicant; and	25 26
	(c) relate only to a single or contiguous area; and	27

-
- (d) show that the applicant has given, or taken reasonable steps to give, notice of the application to each owner of land in the area. 1
2
3
- ‘(3) The application must also be accompanied by— 4
- (a) either— 5
- (i) the draft area management plan (the *draft plan*); or 6
- (ii) a copy of the existing planning document; and 7
- (b) the fee prescribed under a regulation. 8
- ‘(4) However, the chief executive may waive the fee if the chief executive considers the waiver is in the interest of the State. 9
10
- ‘20N Further information or documents for application 11**
- ‘(1) Before deciding the application, the chief executive may ask the applicant for further information or a document the chief executive reasonably requires to decide the application. 12
13
14
- ‘(2) If the chief executive asks for information or a document under subsection (1)— 15
16
- (a) the applicant must give the chief executive the information or document within— 17
18
- (i) 30 business days after the request is made; or 19
- (ii) a longer period, if agreed to by the chief executive; 20
and 21
- (b) the chief executive may stop considering the application until the information or document is given. 22
23
- ‘200 Deciding applications 24**
- ‘(1) The chief executive must decide an application for approval of a draft plan by— 25
26
- (a) approving the draft plan as an area management plan; or 27
- (b) refusing to approve the draft plan. 28
- ‘(2) For approving the draft plan, the chief executive may— 29

[s 47]

- (a) approve the draft plan as the area management plan for the area (the *proposed area*) to which the draft plan relates; or
 - (b) approve the draft plan as the area management plan for part of the proposed area; or
 - (c) approve the draft plan under paragraph (a) or (b) and impose an additional condition on the area management plan.
- ‘(3) The chief executive must decide an application for accreditation of an existing planning document by—
- (a) accrediting the document as an area management plan for the area (also the *proposed area*) to which the document relates; or
 - (b) refusing to accredit the document.
- ‘20P Criteria for approving draft plan or accrediting planning document**
- ‘The chief executive may approve a draft plan or accredit an existing planning document only if the chief executive is satisfied—
- (a) the application for approval of the plan or accreditation of the document is properly made under section 20M; and
 - (b) the plan or document includes enough information to allow the chief executive to map the boundary of—
 - (i) the proposed area; and
 - (ii) if the conditions for clearing vegetation relate to different zones within the proposed area—each of the zones; and
 - (c) the plan or document states—
 - (i) the management intent and management outcomes for vegetation management in the proposed area; and

-
- (ii) the conditions for clearing vegetation in the proposed area to achieve the management outcomes; and 1 2 3
- (d) the plan or document provides for, or allows, clearing of vegetation for 1 or more of the following purposes only— 4 5 6
- (i) to control non-native plants or declared pests; 7
- (ii) to ensure public safety; 8
- (iii) to establish a necessary fence, firebreak, road or vehicular track; 9 10
- (iv) to clear an encroachment; 11
- (v) for thinning; 12
- (vi) for fodder harvesting, other than on a part of the proposed area that is restricted (fodder harvesting) land; and 13 14 15
- (e) the plan or document is not inconsistent with the following— 16 17
- (i) the State policy; 18
- (ii) the regional vegetation management code for the proposed area. 19 20
- ‘20Q Mandatory condition on approval of draft plan or accreditation of planning document 21 22**
- ‘(1) The chief executive may only approve a draft plan or accredit an existing planning document as an area management plan subject to the conditions (each a *mandatory condition*) under subsections (2) and (3). 23 24 25 26
- ‘(2) If the draft plan or existing planning document provides for, or allows, clearing of vegetation to establish a fence, firebreak, road or vehicular track (each *prescribed infrastructure*), the conditions are— 27 28 29 30
- (a) the establishment of the prescribed infrastructure must be necessary; and 31 32

[s 47]

(b) the clearing can not reasonably be avoided or minimised.	1 2
‘(3) If the plan area includes restricted (fodder harvesting) land, the condition is that vegetation on the land can not be cleared for fodder harvesting.	3 4 5
‘20R Imposing additional condition on approval of draft plan	6 7
‘(1) This section applies to the chief executive for approving a draft plan as an area management plan.	8 9
‘(2) The chief executive may impose an additional condition on the area management plan if the chief executive considers the condition is necessary or appropriate—	10 11 12
(a) to manage vegetation in a way that achieves the purposes of the Act; or	13 14
(b) to avoid inconsistency with—	15
(i) the State policy; or	16
(ii) the regional vegetation management code for the plan area.	17 18
‘(3) In this section—	19
<i>condition</i> , for an area management plan, includes a condition about any of the following—	20 21
(a) the management intent of the plan;	22
(b) a management outcome of the plan;	23
(c) clearing vegetation or restricting the clearing of vegetation under the plan.	24 25
‘20S Other requirements for approving draft plan	26
‘(1) If the chief executive approves a draft plan as an area management plan, the chief executive must—	27 28

-
- (a) decide the period, of no longer than 10 years, for which the area management plan will be in force (the *plan period*); and
- (b) ensure the following is stated on the area management plan—
- (i) the plan period;
- (ii) each relevant mandatory condition; and
- (c) give the applicant—
- (i) a copy of the area management plan; and
- (ii) if the plan period is not 10 years—an information notice about the decision under paragraph (a).
- ‘(2) If the chief executive decides to approve the draft plan for only part of the proposed area, the chief executive must also—
- (a) ensure the part of the area is accurately shown in the area management plan; and
- (b) give the applicant an information notice about the decision.
- ‘(3) If the chief executive decides to impose an additional condition on the area management plan under section 20R, the chief executive must also—
- (a) ensure the condition is stated on or reflected in the plan; and
- (b) give the applicant an information notice about the decision.
- ‘20T Other requirements for accrediting existing planning document**
- ‘(1) If the chief executive accredits an existing planning document as an area management plan, the chief executive must—
- (a) give the applicant written notice of the accreditation (the *accreditation notice*); and
-

[s 47]

(b)	ensure the accreditation notice states each relevant mandatory condition.	1 2
‘(2)	The accreditation notice forms part of the area management plan.	3 4
‘20U	Refusing to approve draft plan or accredit planning document	5 6
‘(1)	Without limiting section 20O(1)(b) or (3)(b), the chief executive may refuse to approve a draft plan or accredit an existing planning document if—	7 8 9
(a)	the chief executive has asked the applicant for information or a document under section 20N(1) and the applicant has not given the chief executive the information or document within the period mentioned in section 20N(2)(a); or	10 11 12 13 14
(b)	the chief executive considers that approving the draft plan or accrediting the existing planning document is not in the interests of the State, having regard to the public interest.	15 16 17 18
‘(2)	If the chief executive decides to refuse to approve a draft plan or accredit an existing planning document, the chief executive must give the applicant an information notice about the decision.	19 20 21 22
‘Subdivision 3	Keeping plans	23
‘20V	Register of area management plans	24
‘(1)	The chief executive must—	25
(a)	give each area management plan a unique identifying number (the <i>identifying number</i>); and	26 27
(b)	keep a register of area management plans.	28
‘(2)	The register must include, for each area management plan—	29
(a)	the type of the plan; and	30

-
- (b) the identifying number for the plan; and 1
 - (c) the name of the applicant for approval of the draft plan 2
or accreditation of the existing planning document to 3
which the area management plan relates; and 4
 - (d) the location and extent of the plan area; and 5
 - (e) a record of any amendments of the plan under 6
subdivision 6. 7
- ‘(3) The chief executive may also keep in the register other 8
information about an area management plan the chief 9
executive considers appropriate. 10
- ‘(4) A person’s name under subsection (2)(c) must not be 11
contained in the publicly available part of the register. 12
- ‘(5) The chief executive must publish the register, other than a 13
person’s name under subsection (2)(c), on the department’s 14
website. 15

‘Subdivision 4 Notifying clearing under plans 16

‘20W Requirement to give clearing notification 17

- ‘(1) This section applies to an owner of land if— 18
- (a) there is an area management plan in force for the area in 19
which the land is situated; and 20
 - (b) the owner proposes to clear vegetation on the land under 21
the plan. 22
- ‘(2) The owner must give the chief executive a notice in the 23
approved form (an *area management clearing notification*) 24
stating— 25
- (a) the identifying number for the area management plan; 26
and 27
 - (b) the real property description of the land; and 28
 - (c) the location and extent of the area proposed to be 29
cleared (the *clearing area*); and 30

[s 47]

(d)	the purpose of clearing the vegetation.	1
'20X	Offence to clear vegetation under plan without clearing notification	2 3
'(1)	This section applies to clearing vegetation on land in an area for which an area management plan is in force.	4 5
'(2)	The owner of the land must not clear the vegetation or allow the vegetation to be cleared under the area management plan unless the owner has given the chief executive an area management clearing notification for the clearing.	6 7 8 9
	Maximum penalty—50 penalty units.	10
'20Y	Register of area management clearing notifications	11
'(1)	The chief executive must keep a register of area management clearing notifications.	12 13
'(2)	The register must include, for each area management clearing notification—	14 15
(a)	the type of the area management plan to which the notification relates; and	16 17
(b)	the identifying number for the plan; and	18
(c)	the name of the person who gave the notification; and	19
(d)	the real property description of the land the subject of the notification; and	20 21
(e)	the location and extent of the clearing area; and	22
(f)	the purpose of clearing the vegetation to which the notification relates; and	23 24
(g)	the day the chief executive received the notification.	25
'(3)	The chief executive may also keep in the register other information about an area management clearing notification.	26 27
'(4)	A person's name under subsection (2)(c) must not be contained in the publicly available part of the register.	28 29

‘(5) The chief executive must publish the register, other than a person’s name under subsection (2)(c), on the department’s website.	1 2 3
‘Subdivision 5 Duration of plans	4
‘20Z When area management plan ends	5
‘(1) An area management plan consisting of an approved draft plan remains in force until the end of the plan period for the plan.	6 7 8
‘(2) An area management plan consisting of an accredited existing planning document remains in force until the first of the following happens—	9 10 11
(a) the end of 10 years after the accreditation;	12
(b) the existing planning document stops being in force.	13
‘Subdivision 6 Amending plans	14
‘20ZA Definition for sdiv 6	15
‘In this subdivision—	16
<i>applicant</i> means—	17
(a) for an area management plan consisting of an approved draft plan—the person who applied for the approval; or	18 19
(b) for an area management plan consisting of an accredited existing planning document—the person who applied for the accreditation.	20 21 22
‘20ZB Amendment by chief executive	23
‘(1) The chief executive may amend an area management plan if—	24

[s 47]

- (a) the amendment is only to correct a minor error in the plan, or make another change that is not a change of substance; or
 - (b) the chief executive considers it is necessary or appropriate to amend the plan because the plan—
 - (i) has become inconsistent with the State policy or the regional vegetation management code for the plan area; or
 - (ii) will become inconsistent with the State policy or relevant regional vegetation management code if it is not amended; or
- Examples—*
- 1 An area management plan becomes inconsistent with the relevant regional vegetation management code because of a change to the code.
 - 2 An area management plan consisting of an accredited existing planning document becomes inconsistent with the relevant regional vegetation management code because of an amendment of the document.
- (c) for an area management plan consisting of an accredited existing planning document—
 - (i) the document has been, or is expected to be, amended; and
 - (ii) the chief executive considers that, because of the amendment, the document no longer satisfies or will no longer satisfy a criterion under section 20P(b) to (d).
- ‘(2) However, the amendment of an area management plan consisting of an accredited existing planning document may relate only to a criterion under section 20P(b) to (e) for vegetation management or clearing vegetation under the plan.
- ‘(3) If the chief executive amends an area management plan under subsection (1), the chief executive must ensure the amendment is clearly shown on—

-
- (a) for an area management plan consisting of an approved draft plan—the area management plan; or
 - (b) for an area management plan consisting of an accredited existing planning document—the accreditation notice for the plan.
- ‘(4) If the chief executive amends an area management plan under subsection (1)(a), the chief executive must give the applicant written notice of the amendment.
- ‘(5) If the chief executive decides to amend an area management plan under subsection (1)(b) or (c), the chief executive must give the applicant—
- (a) a copy of the amended area management plan or amended accreditation notice; and
 - (b) an information notice about the decision.

‘20ZC Amendment application for particular plans

- ‘(1) This section applies to an area management plan consisting of an approved draft plan if a change in circumstances significantly affects, or could significantly affect, the operation of the plan.
- Example—*
- The applicant for an area management plan wants to use a new and improved method for clearing vegetation that has become available since the plan was approved but is not provided for, or allowed, under the plan.
- ‘(2) The applicant may apply to the chief executive to approve an amendment of the area management plan.
- ‘(3) However, the applicant can not apply for an approval of an amendment of—
- (a) the plan period for the plan; or
 - (b) a mandatory condition.
- ‘(4) The application (the *amendment application*) must be accompanied by—

[s 48]

- (a) a draft amended management plan (the *draft amended plan*) that clearly shows the amendment; and 1
2
- (b) the fee prescribed under a regulation. 3
- ‘(5) However, the chief executive may waive the fee if the chief 4
executive considers the waiver is in the interest of the State. 5
- ‘(6) Sections 20M(2), 20N, 20O(1) and (2), 20P, 20Q, 20R, 6
20S(1)(c)(i), (2) and (3) and 20U (the *applied provisions*) 7
apply to the amendment application and draft amended plan 8
as if— 9
 - (a) a reference in the applied provisions to the application 10
were a reference to the amendment application; and 11
 - (b) a reference in the applied provisions to the applicant 12
were a reference to the applicant for the amendment 13
application; and 14
 - (c) a reference in the applied provisions to the draft plan 15
were a reference to the draft amended plan. 16
- ‘(7) However, the chief executive may approve the amendment of 17
the area management plan only if— 18
 - (a) subject to paragraph (c), the chief executive considers 19
the draft amended plan is consistent with the 20
management intent and management outcomes stated in 21
the area management plan (the *original plan*) to which 22
the amendment application relates; and 23
 - (b) the draft amended plan does not remove or further 24
restrict a condition on clearing vegetation stated in the 25
original plan; and 26
 - (c) for a draft amended plan that amends the original plan 27
by enlarging the plan area, the enlargement is no more 28
than 10% of the plan area.’ 29

- ‘992I Continuation of authority and grant of water licence 4
to replace authority 5**
- ‘(1) The authority to take or interfere with the water continues 6
under the special agreement Act until a water licence is 7
granted under this section to replace the authority. 8
- ‘(2) However, the relevant company may take or interfere with the 9
water after the commencement of this section only under a 10
water licence granted under this section to replace all or a part 11
of the authority. 12
- ‘(3) The relevant company may give the chief executive a notice 13
stating the company proposes to— 14
- (a) take or interfere with the water in relation to all or a part 15
of the authority; and 16
- (b) obtain a water licence under this section to replace all or 17

- ‘(4) Subsections (1) and (2) apply despite section 1037A(3) and 19
(4) and anything to the contrary in the special agreement Act. 20
- ‘(5) If a relevant company gives the chief executive a notice under 21
subsection (3), the chief executive must, within 30 business 22
days after receiving the notice, grant the company a water 23
licence to replace all or the part of the authority to which the 24
notice relates. 25
- ‘(6) The water licence may be granted— 26
- (a) with or without conditions; and 27
- (b) without the need for an application under section 206. 28
- ‘(7) A condition of the water licence must not be inconsistent 29
with— 30
- (a) the specified conditions for the special agreement Act; 31
or 32

[s 54]

- (b) information about the threshold limit mentioned in the Wenlock Basin Wild River Declaration, section 11, to the extent the information is not inconsistent with the specified conditions mentioned in paragraph (a); or
 - (c) an environmental impact statement, or any report or study prepared in support of the environmental impact statement, that deals with the taking or interfering with water in the Wenlock Basin wild river area, to the extent the environmental impact statement, report or study is not inconsistent with—
 - (i) the specified conditions mentioned in paragraph (a); or
 - (ii) the information mentioned in paragraph (b).
- ‘(8) If the chief executive grants a water licence under this section, the chief executive must, within 30 business days, give the relevant company—
- (a) the water licence in the approved form; and
 - (b) an information notice about the grant.
- ‘(9) A water licence granted under this section is taken to be a water licence for this Act.

‘992J Amendment of water licence that replaces authority

- ‘(1) The chief executive may, under section 217 or 218, amend a water licence granted under section 992I.
- ‘(2) However, the conditions of the amended water licence must not be inconsistent with—
- (a) the specified conditions for the special agreement Act to which it relates; or
 - (b) information about the threshold limit mentioned in the Wenlock Basin Wild River Declaration, section 11, to the extent the information is not inconsistent with the specified conditions mentioned in paragraph (a); or

-
- (c) an environmental impact statement, or any report or study prepared in support of the environmental impact statement, that deals with the taking or interfering with water in the Wenlock Basin wild river area, to the extent the environmental impact statement, report or study is not inconsistent with—
- (i) the specified conditions mentioned in paragraph (a); or
 - (ii) the information mentioned in paragraph (b).
- ‘(3) Subsection (2) applies despite section 217.
- ‘(4) A relevant company may, by notice given to the chief executive, propose an amendment to its water licence granted under section 992I.
- ‘(5) The notice mentioned in subsection (4) must state the proposed amendment.
- ‘(6) If the chief executive is satisfied the proposed amended licence would not be inconsistent with a matter mentioned in subsection (2), the chief executive must, within 30 business days after receiving the notice —
- (a) amend the licence; and
 - (b) give the licensee—
 - (i) an amended licence in the approved form; and
 - (ii) an information notice about the amendment.
- ‘(7) The chief executive may amend the water licence under subsection (6) without the need for an application under section 216.’.
