Water Infrastructure Development (Burnett Basin) Act 2001

Act No. 32 of 2001

An Act to facilitate investigations into the feasibility of developing water infrastructure in the Burnett Basin

[Assented to 7 June 2001]

The Parliament of Queensland enacts—

PART 1—PRELIMINARY

1 Short title

This Act may be cited as the *Water Infrastructure Development (Burnett Basin) Act 2001*.

2 Definitions

The dictionary in the schedule defines particular words used in this Act.

3 Act binds all persons

This Act binds all persons, including the State, and, in so far as the legislative power of the State permits, the Commonwealth and the other States.

PART 2—THE PROJECT, PRINCIPAL COMPONENT AND EIS

4 Meaning of “the project”

“**The project**” is the investigation into the feasibility of carrying out the following works—

- (a) the principal component;
- (b) upgrading the existing Jones weir;
- (c) new weirs at Barlil and Eidsvold.

5 Meaning of “principal component”

The “**principal component**” is significant new and upgraded water storage and distribution infrastructure for cane irrigation in the Burnett Basin.

6 Principal component a significant project

The principal component is a significant project under the *State Development and Public Works Organisation Act 1971*, section 29B.

7 Proponent must prepare an EIS for the principal component

The proponent is, for the principal component, the proponent required to prepare an EIS under the *State Development and Public Works Organisation Act 1971*.

8 Terms of reference for the EIS

(1) The aspects of the B2K terms of reference that deal with the principal component are—

- (a) the terms of reference for the EIS to be prepared by the proponent under the *State Development and Public Works Organisation Act 1971* for the principal component; and
- (b) taken to no longer be part of the B2K terms of reference.

(2) The *State Development and Public Works Organisation Act 1971*, sections 29E and 29F—

- (a) were complied with in preparing the B2K terms of reference; and
- (b) do not apply for the principal component.

PART 3—ACCESS FOR INVESTIGATIONS

9 Application of pt 3

This part applies only to an application by the proponent under the *State Development and Public Works Organisation Act 1971*, section 91C, in relation to the project.

10 Relationship with State Development and Public Works Organisation Act 1971

(1) Entry to land by the proponent for investigations in relation to the application is taken to be entry under the *State Development and Public Works Organisation Act 1971*, part 6, division 6.

(2) The *State Development and Public Works Organisation Act 1971*, section 91C(1) and (3), and any guidelines relating to the subsections, do not apply to the application.¹

PART 4—GENERAL PROVISIONS

11 Expiry

This Act expires on 31 December 2004.

¹ For guidelines, see the *State Development and Public Works Organisation Act 1971*, section 121A.

SCHEDULE

DICTIONARY

section 2

“B2K terms of reference” means the terms of reference for an EIS for the Bundaberg 2000+ Project finalised by the Coordinator-General in May 2000 and publicly released in June 2000.²

“EIS” means an environmental impact statement.

“principal component” see section 5.

“proponent” means a company—

- (a) all the shares in which are wholly owned by the State; and
- (b) registered under the Corporations Law.

“the project” see section 4.
