PART 1—PRELIMINARY

1 Short title

This regulation may be cited as the *Health Services Regulation 2002*.

2 Definitions

The dictionary in schedule 3 defines particular words used in this regulation.

3 Meaning of “residential care facility”

(1) A “**residential care facility**” is a nursing home, hostel or other facility operated by the State at which accommodation, and nursing or personal care, is provided to persons who, because of disability, disease, illness, incapacity or infirmity, have a continuing need for nursing or personal care.

(2) However, a residential care facility does not include a public sector hospital.

4 Meaning of “day” for calculating daily fees

(1) For calculating the number of days for which, or after which, a daily fee is payable by a person under part 2 division 1, part 3 or part 4, “**day**” means—

- (a) the day on which the person is admitted to a relevant facility; or
- (b) the day on which the person returns to a relevant facility from leave; or
- (c) each full day the person is accommodated in a relevant facility.

(2) However, “**day**” does not include—

- (a) the day on which the person goes on leave from a relevant facility; and
- (b) for a person who is not a same day patient—the day on which the person is discharged from a relevant facility.

(3) For subsection (1)(c), a person is accommodated in a relevant facility for a full day even if the person is absent, otherwise than on leave, from the relevant facility for any part of the day.

(4) In this section—

“**full day**” means the 24 hour period between midnight on one day and midnight on the next day.

5 Meaning of “leave”

(1) “**Leave**”, in relation to a person in a relevant facility, means a temporary absence—

- (a) that is approved by, and does not involve the person’s discharge from, the relevant facility; and
- (b) from which the person does not return to the relevant facility until at least the day after the absence begins.

(2) However, for a resident occupying a hostel place in a residential care facility, a temporary absence is not leave.
