Information about this reprint

This regulation is reprinted as at 3 September 2004. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

Minor editorial changes allowed under the provisions of the Reprints Act 1992 have also been made to use aspects of format and printing style consistent with current drafting practice (s 35).

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

 - (b) a stock route mentioned in section 9; and
 - (c) the rabbit district.

¹² Agforce's registration number under the *Business Names Act 1962* is BN 6960236.

*Land Protection (Pest and Stock Route Management)
Regulation 2003*

- (2) The exact location of the building line, stock route and boundary of the rabbit district is also held in digital electronic form by the department.
- (3) The information held in digital electronic form can be reduced or enlarged to show details of the building line, stock route or boundary of the rabbit district in relation to the boundaries of parcels of land intersected by the building line, stock route or boundary of the rabbit district.
- (4) A person may—
 - (a) inspect a map mentioned in section 6, 9 or 12, or the information held in digital electronic form, free of charge, at the department's head office when the office is open to the public;¹³ and
 - (b) on payment of the fee that is reasonable, but not more than the actual cost to the department of providing the copy, obtain a copy of details of the map or the information.

17 Fees

- (1) The fees payable under the Act are stated in schedule 5.
- (2) The fee payable for a stock route agistment permit is the reasonable amount—
 - (a) of not less than the minimum, or more than the maximum, amount stated in the schedule; and
 - (b) decided by the issuing entity having regard to the following—
 - (i) the type of country and the stock being agisted under the permit;
 - (ii) the quality of pasture available for the agistment;
 - (iii) the accessibility of water for the agistment;
 - (iv) the proposed use of travelling stock facilities under the permit;

¹³ The department's head office is at Mineral House, 41 George Street, Brisbane.

*Land Protection (Pest and Stock Route Management)
Regulation 2003*

- (v) comparable agistment rates in the area.
- (3) If, after a stock route travel permit is replaced under section 141¹⁴ of the Act because of a change of particulars in it the permit fee payable under the replacement permit is more than the amount paid by the permit holder, the permit holder must pay the additional amount to the issuing entity.
- (4) If, after a stock route travel permit is replaced under section 141 of the Act because of a change of particulars in it the permit fee payable under the replacement permit is less than the amount paid by the permit holder, the issuing entity must refund the additional amount paid.
- (5) A permit fee is not payable for—
- (a) unweaned stock of less than 6 months travelling with their mothers under a stock route travel permit; or
 - (b) stock travelling to a gymkhana or rodeo; or
 - (c) horses used for droving stock under a stock route travel permit.
