Queensland

North Stradbroke Island Protection and Sustainability Act 2011

Act No. 11 of 2011

**An Act to provide for the ending of mining in the North Stradbroke Island
Region, and to amend particular other Acts to provide for indigenous joint
management of particular land in the region**

[Assented to 14 April 2011]

[s 1]

The Parliament of Queensland enacts—

Part 1 Preliminary

Division 1 Introduction and object of Act

1 Short title

This Act may be cited as the *North Stradbroke Island Protection and Sustainability Act 2011*.

2 Object of Act

The object of this Act is to substantially end mining interests over land in the North Stradbroke Island Region by the end of 2019, and end mining in the region in 2025—

- (a) to protect and restore environmental values of the region; and
- (b) to facilitate, under other Acts, the staged creation of areas to be jointly managed by the State and the traditional owners of the region.

3 Act binds all persons

This Act binds all persons including the State and, to the extent the legislative power of the Parliament permits, the Commonwealth and the other States.

Division 2 Interpretation

4 Dictionary

The dictionary in schedule 3 defines particular words used in this Act.

5 Meaning of *North Stradbroke Island Region*

- (1) The *North Stradbroke Island Region* is the part of the State shown as 'Area A' and 'Area B' on the map titled 'NSI 1' approved by the chief executive on 18 March 2011 and held by the department.

Editor's note—

The map titled 'NSI 1' may be viewed on the department's website at <www.derm.qld.gov.au>.

- (2) The exact location of the boundary of the North Stradbroke Island Region is held in digital electronic form by the department.
- (3) The information held in digital electronic form can be reduced or enlarged to show the details of the boundary.

Part 2 Dealing with mining interests in the North Stradbroke Island Region

Division 1 General provision

6 No compensation

No amount, whether as compensation, reimbursement or otherwise, is payable by the State to any person for or in connection with the enactment or operation of this part.

[s 7]

Division 2 Provisions about mining interests

7 Application of pt 2

This part applies—

- (a) in relation to an NSI mining interest, including the granting of an NSI mining interest; and
- (b) despite the Mineral Resources Act or any other Act or law.

8 Termination of particular NSI mining interests

- (1) This section applies to an NSI mining interest if, under the Mineral Resources Act, the term of the mining interest would, apart from this section, and unless ended sooner for any reason, end after 31 December 2019.
- (2) This section does not apply to the following mining leases—
 - (a) 1105;
 - (b) 1108;
 - (c) 1109;
 - (d) 1124;
 - (e) 7064.
- (3) The term of the NSI mining interest, unless ended sooner for any reason, ends at the end of 31 December 2019, and the mining interest can not at any time be renewed.
- (4) The holder of the NSI mining interest may not at any time apply for a renewal of the mining interest under the Mineral Resources Act after the commencement.

9 Termination of mining lease 1109

- (1) The term of mining lease 1109, unless ended sooner for any reason, ends at the end of 31 December 2015, and the lease can not at any time be renewed.

-
- (2) The holder of mining lease 1109 may not at any time apply for a renewal of the mining lease under the Mineral Resources Act after the commencement.

10 Particular NSI mining interests not to be renewed

- (1) An application for renewal of a relevant NSI mining interest made under the Mineral Resources Act but not decided before the commencement—
- (a) can not be further dealt with under that Act; and
 - (b) is taken to have been withdrawn by the applicant on the commencement.
- (2) The holder of a relevant NSI mining interest may not apply for a renewal of the mining interest under the Mineral Resources Act after the commencement.
- (3) A renewal of a relevant NSI mining interest can not be granted under the Mineral Resources Act.
- (4) In this section—

holder, of a relevant NSI mining interest, means the holder of the mining interest under the Mineral Resources Act.

relevant NSI mining interest means an NSI mining interest in force on the commencement other than the following—

- (a) an NSI mining interest mentioned in schedule 1, column 1;
- (b) an NSI mining interest mentioned in schedule 2, column 1;
- (b) a mining interest to which section 8 or 9 applies.

11 Renewal of particular NSI mining leases

- (1) On the commencement, each mining lease mentioned in schedule 1, column 1 is taken to have been renewed under the Mineral Resources Act.
- (2) The mining lease is renewed—

[s 12]

- (a) for the term stated opposite the mining lease in schedule 1, column 2; and
- (b) subject to—
 - (i) each condition stated opposite the mining lease in schedule 1, column 3; and
 - (ii) any condition to which the mining lease was subject immediately before the renewal.
- (3) The renewals have effect as if they were granted by the Governor in Council under the Mineral Resources Act.
- (4) If there is an inconsistency between a condition mentioned in subsection (2)(b)(i) and a condition mentioned in subsection (2)(b)(ii), the condition mentioned in subsection (2)(b)(i) prevails to the extent of the inconsistency.
- (5) A mining lease mentioned in schedule 1, column 1 can not at any time be renewed after the end of the term stated opposite the mining lease in schedule 1, column 2.
- (6) The holder of a mining lease mentioned in schedule 1, column 1 may not at any time apply for a renewal of the mining lease under the Mineral Resources Act after the commencement.
- (7) This section does not limit the application of any provisions of the Mineral Resources Act to the renewed mining lease including, for example, provisions about cancelling a mining lease or reducing its area.
- (8) The renewal of each lease does not create any rights in addition to the rights created in the initial granting of the relevant lease.

12 Variation of conditions for particular NSI mining leases

- (1) On the commencement, the conditions of each mining lease mentioned in schedule 2, column 1 are varied as follows—
 - (a) the term of the mining lease is varied to be the term stated opposite the mining lease in schedule 2, column 2;

-
- (b) from the day the mining lease would have expired apart from this section, the conditions of the mining lease are varied to include each condition stated opposite the mining lease in schedule 2, column 3.
 - (2) The variations of the conditions of the mining leases have effect as if they were made by the Governor in Council under the Mineral Resources Act, section 294.
 - (3) If there is an inconsistency between a condition mentioned in subsection (1)(b) and a condition to which the mining lease was subject immediately before the variation of the term of the mining lease, the condition mentioned in subsection (1)(b) prevails to the extent of the inconsistency.
 - (4) A mining lease mentioned in schedule 2, column 1 can not at any time be renewed after the end of the term stated opposite the mining lease in schedule 2, column 2.
 - (5) The holder of a mining lease mentioned in schedule 2, column 1 may not at any time apply for a renewal of the mining lease under the Mineral Resources Act after the commencement.
 - (6) This section does not limit the application of any provisions of the Mineral Resources Act to the mining lease as varied by this section including, for example, provisions about cancelling a mining lease or reducing its area.
 - (7) The variation of the conditions of each lease does not create any rights in addition to the rights created in the initial granting of the relevant lease.

13 Dealing with applications for grant of NSI mining interest

- (1) An application for the grant under the Mineral Resources Act of an NSI mining interest made but not decided before the commencement—
 - (a) can not be further dealt with under that Act; and
 - (b) is taken to have been withdrawn by the applicant on the commencement.

[s 14]

- (2) A person can not apply under the Mineral Resources Act, the *Petroleum Act 1923* or the *Petroleum and Gas (Production and Safety) Act 2004* for a grant of an NSI mining interest after the commencement.

14 Prohibition on grant of NSI mining interest

An NSI mining interest can not be granted.

Division 3 Provisions about particular environmental authority

15 Purpose of div 3

The purpose of this division is to provide for the amendment of a particular environmental authority for mining activities on North Stradbroke Island.

16 Definitions for div 3

In this division—

amendment application see the Environmental Protection Act, section 238(1).

Enterprise Mine lease means mining lease 1105 or mining lease 1117 under the Mineral Resources Act.

restricted mine path, for an Enterprise Mine lease, means the area shown on the map titled ‘NSI 2’ approved by the chief executive on 18 March 2011 and held by the department.

Editor’s note—

The map titled ‘NSI 2’ may be viewed on the department’s website at <www.derm.qld.gov.au>.

17 Statutory conditions of the environmental authority for Enterprise Mine

Environmental authority MIN100971509 is taken to include the following conditions—

- (a) mining activities that are the winning of a mineral from the place where it occurs may be conducted only within the restricted mine path for an Enterprise Mine lease; and
- (b) mining activities that are the winning of a mineral from the place where it occurs within the restricted mine path for an Enterprise Mine lease may only be conducted until the end of 31 December 2019.

18 Application by Enterprise Mine lease holder to amend restricted mine path

- (1) A holder of an Enterprise Mine lease may apply, within 2 months after commencement, to the Minister to amend the restricted mine path of an Enterprise Mine lease to add an area of land to the restricted mine path.
- (2) The application must be—
 - (a) made in the approved form for an amendment application; and
 - (b) supported by enough information to allow the Minister to decide the application.

19 Minister to decide application

- (1) The Minister must, within the period prescribed under the *Environmental Protection Regulation 2008* for an amendment application, decide either to grant or refuse the application.
- (2) However, the Minister may amend the restricted mine path of an Enterprise Mine lease to add an area of land to the restricted mine path only if—

[s 20]

- (a) the area proposed to be added to the mine path (the **added area**) is not, or does not include, a threatened ecosystem; and
- (b) the Minister is satisfied that the addition of the added area is reasonably necessary to facilitate mining at the same rate of production, until 31 December 2019, as the average rate for the Enterprise Mine lease over the two years immediately before commencement; and
- (c) the mine path, after addition of the added area, is consistent with the conditions applying under environmental authority MIN100971509.

(3) In this section—

threatened ecosystem means an ecosystem identified in the database known as the ‘Regional ecosystem description database’ kept by the department as one of the following—

- (a) an endangered dominant ecosystem;
- (b) an endangered sub-dominant ecosystem;
- (c) an of concern dominant ecosystem;
- (d) an of concern sub-dominant ecosystem.

Editor’s note—

The Regional ecosystem description database is available for inspection—

- (a) during office hours, at the Queensland Herbarium, Brisbane Botanic Gardens, Mt Coot-tha Road, Toowong and each regional office of the department; and
- (b) on the department’s website.

20 Steps after making decision

- (1) If the Minister decides to grant the application, the Minister must, within 10 business days after the decision is made—
 - (a) amend the environmental authority to give effect to the amendment; and

-
- (b) record particulars of the amendment in the appropriate register as if the authority had been amended under the Environmental Protection Act; and
 - (c) give the applicant a copy of the amended environmental authority.
- (2) The amendment takes effect on the day of the amendment or a later day stated in the amended environmental authority.
 - (3) If the Minister decides to refuse the application, the Minister must, within 10 business days after the decision is made, give the applicant a written notice about the decision.

21 Applications to amend restricted mine path of Enterprise Mine lease under the Environmental Protection Act

- (1) Sections 17 and 18 do not stop the holder of environmental authority MIN100971509, whether or not amended under section 19, from applying to amend the environmental authority under the Environmental Protection Act, chapter 5, part 8.
- (2) However, an amendment of the environmental authority under the Environmental Protection Act, chapter 5, part 8 can not be made if the amendment would—
 - (a) result in the total area of the restricted mine path being increased in size—
 - (i) if the restricted mine path is amended under section 19—to an area more than 5% larger than the restricted mine path as amended under the section; or
 - (ii) otherwise—to an area more than 5% larger than the restricted mine path as defined in section 16; or
 - (b) amend the condition of the environmental authority stated in section 17(b).
- (3) This section applies despite any provision of the Environmental Protection Act or any other Act or law.

- (vi) Lot 119 on SP228365;
- (vii) Lot 1 on SP228366;
- (viii) Lot 2 on SP228367;
- (ix) Lot 1951 on SP228368;
- (x) Lot 90 on CP816530;
- (xi) Lot 147 on SL7542;
- (xii) Lot 300 on SP104019.’.

‘Subdivision 3 Indigenous joint management areas

‘42AG Purpose of sdiv 3

‘The purpose of this subdivision is to provide for the declaration of prescribed protected areas situated in the North Stradbroke Island Region as indigenous joint management areas.

‘42AH Declaration of a prescribed protected area as indigenous joint management area

- ‘(1) This section applies to a prescribed protected area, or part of a prescribed protected area, (the *protected area land*) if—
- (a) the protected area land is in the North Stradbroke Island Region and becomes Aboriginal land; and
 - (b) the Minister is satisfied an indigenous management agreement about the management of the Aboriginal land has been entered into.
- ‘(2) On the land becoming Aboriginal land, the Minister must recommend to the Governor in Council the making of a regulation declaring the protected area land as an indigenous joint management area.
- ‘(3) Despite any other Act, the declaration under the regulation is taken to have effect on the delivery of the deed of grant over the protected area land to the indigenous landholder for the land.

‘42AI Declaration of Aboriginal land as indigenous joint management area

- ‘(1) This section applies to Aboriginal land in the North Stradbroke Island Region that is not a prescribed protected area or included in a prescribed protected area if—

-
- (a) the indigenous landholder for the land has entered into an indigenous management agreement for it; and
 - (b) the Minister and the indigenous landholder agree that the land is to be managed as an indigenous joint management area.
- ‘(2) The Minister must recommend to the Governor in Council the making of a regulation—
- (a) dedicating the land as a prescribed protected area; and
 - (b) declaring the land as an indigenous joint management area.
- ‘(3) The regulation may define the extent of the land by reference to—
- (a) a stated depth below the surface of the land; or
 - (b) a stated height above the surface of the land.

‘42AJ Declaration of other land as an indigenous joint management area

- ‘(1) This section applies to land in the North Stradbroke Island Region, other than land to which section 42AI applies, that is not a prescribed protected area or included in a prescribed protected area if—
- (a) under the *Aboriginal Land Act 1991*, an entity has entered into an indigenous management agreement for the land; and
 - (b) the Minister and the entity agree that the land is to be managed as an indigenous joint management area.
- ‘(2) If the land becomes Aboriginal land—
- (a) the grant of the land as Aboriginal land is subject to a condition that the land must become—
 - (i) a prescribed protected area; and
 - (ii) an indigenous joint management area; and

[s 44]

- (b) the Minister must recommend to the Governor in Council the making of a regulation—
 - (i) dedicating the land as a prescribed protected area; and
 - (ii) declaring the land as an indigenous joint management area.
- ‘(3) The regulation may define the extent of the land by reference to—
 - (a) a stated depth below the surface of the land; or
 - (b) a stated height above the surface of the land.

‘42AK Revocation of dedication of protected area or declaration of indigenous joint management areas

- ‘(1) A regulation may—
 - (a) revoke the dedication of a protected area, or part of a protected area, that is an indigenous joint management area; or
 - (b) revoke the declaration of all or a part of an indigenous joint management area;only if the land the subject of the revocation has been surrendered to the State.
- ‘(2) A regulation under subsection (1)(a) may be made only if the Legislative Assembly has, on a motion of which at least 28 days notice has been given, passed a resolution requesting the Governor in Council to make the revocation.

‘42AL Amalgamation etc. of protected areas that are indigenous joint management areas

- ‘(1) This section applies only to protected areas that are indigenous joint management areas.
- ‘(2) The Governor in Council may, by regulation—

-
- (a) amalgamate protected areas of the same class, and assign a name to the amalgamated area; or
 - (b) change the class of a protected area by dedicating the area as another class of protected area; or
 - (c) change the boundaries of a protected area.
- ‘(3) If, because of the change in the class of a protected area, the area will be given less protection under this Act, the regulation may be made—
- (a) only with the consent of the indigenous landholder for the land; and
 - (b) only if the Legislative Assembly has, on a motion of which at least 28 days notice has been given, passed a resolution requesting the Governor in Council to make the revocation.
- ‘(4) If, because of the change in the boundaries of a protected area, land will be removed from the area (other than for the purpose of dedicating the removed land as land with the same or a higher level of protection under this Act), the regulation may be made only if—
- (a) the land to be removed has been surrendered to the State; and
 - (b) the Legislative Assembly has, on a motion of which at least 28 days notice has been given, passed a resolution requesting the Governor in Council to make the revocation.
- ‘(5) This section applies despite section 42AK.

‘42AM Effect of revocation of prescribed protected area on indigenous joint management area

- ‘(1) This section applies if—
- (a) the dedication of a prescribed protected area, or part of a prescribed protected area, that is an indigenous joint management area is revoked under this Act; or

[s 44]

- (b) a prescribed protected area, or part of a prescribed protected area, that is an indigenous joint management area is removed under section 42AL(2).
- ‘(2) On the revocation of the dedication of, or the removal of, the prescribed protected area or part—
- (a) if the area or part is dedicated as another class of prescribed protected area—the declaration of the indigenous joint management area continues in force; or
 - (b) otherwise—the declaration of the indigenous joint management area for the protected area or part is taken to have been revoked.

‘42AN Leases etc. over land in indigenous joint management area

- ‘(1) A lease, agreement, licence, permit or other authority over, or in relation to, land in an indigenous joint management area, other than an agreement or a licence, permit or other authority issued or given under a regulation, may be granted, made, issued or given only—
- (a) by the chief executive with the consent of the indigenous landholder for the land; or
 - (b) by the indigenous landholder for the land with the consent of the chief executive.
- ‘(2) A lease, agreement, licence, permit or other authority mentioned in subsection (1) must be consistent with—
- (a) the management principles and management plan for the indigenous joint management area; and
 - (b) any indigenous land use agreement for the land; and
 - (c) the indigenous management agreement for the land.

‘42AO Particular powers about permitted uses on land in particular indigenous joint management areas

- ‘(1) The chief executive and the indigenous landholder for land in a national park or national park (recovery), or part of a national park or national park (recovery), that is an indigenous joint management area, may grant, make, issue or give a lease, agreement, licence, permit or other authority over, or in relation to, the land if—
- (a) the use under the authority is only for a service facility; and
 - (b) if the land is in a national park—the cardinal principle for the management of national parks will be observed to the greatest extent possible; and
 - (c) if the land is in a national park (recovery)—the management principle under section 19A(1)(a) will be observed to the greatest extent possible; and
 - (d) the chief executive and the indigenous landholder are satisfied—
 - (i) the use will be in the public interest; and
 - (ii) the use is ecologically sustainable; and
 - (iii) there is no reasonably practicable alternative to the use; and
 - (e) the use under the authority is prescribed under a regulation made for this section to be a permitted use for the indigenous joint management area.
- ‘(2) Subsection (1) has effect despite sections 15 and 42AN(2).

‘42AP Authorities for new national park or national park (recovery) that is an indigenous joint management area

- ‘(1) This section applies if—
- (a) land is, or is part of, an indigenous joint management area; and

[s 44]

- (b) the land is dedicated as a national park or national park (recovery); and
 - (c) immediately before the dedication, the land was being used (the *previous use*) in a way that is inconsistent with the management principles of the park.
- ‘(2) The chief executive and the indigenous landholder for land in the national park or national park (recovery), or a part of the national park or national park (recovery), that is an indigenous joint management area, may grant an authority (a *previous use authority*) over, or in relation to, the land to allow the previous use to continue for no more than the allowable term after the dedication.
- ‘(3) However, a previous use authority must not be granted for a national park if the previous use was under a sales permit under the *Forestry Act 1959*, section 56.
- ‘(4) A previous use authority must not be renewed.
- ‘(5) This section applies despite sections 15 and 42AN(2).
- ‘(6) In this section—
- allowable term*, in relation to a previous use authority, means a term no longer than—
- (a) if the previous use was under a permit or lease as follows, the term that is the unexpired term of the permit or lease—
 - (i) an occupation permit under the *Forestry Act 1959*, section 35(1)(a) under which the right of occupation is only for a service facility;
 - (ii) a stock grazing permit under the *Forestry Act 1959*, section 35(1)(c);
 - (iii) an apiary permit under the *Forestry Act 1959*, section 35(1)(d);
 - (iv) a sales permit under the *Forestry Act 1959*, section 56, for the taking of plant parts if it does not authorise cutting or pruning of plants so severely that the plant is likely to die;

- (v) a lease under the *Land Act 1994*; or
- (b) otherwise—3 years after the dedication.

authority means an agreement or a lease, licence, permit or other authority.

plant parts means the flowers, foliage, seeds or stems of the plant.’.
