# Powers of Attorney Act 1998

**An Act consolidating, amending and reforming the law about general powers of attorney and enduring powers of attorney and providing for advance health directives, and for other purposes**

## Chapter 1 Preliminary

### 1 Short title

This Act may be cited as the *Powers of Attorney Act 1998*.

### 2 Commencement

This Act commences on a day to be fixed by proclamation.

### 3 Dictionary

The dictionary in schedule 3 defines particular words used in this Act.

### 4 Act binds all persons

This Act binds all persons, including the State, and, so far as the legislative power of the Parliament permits, the Commonwealth and the other States.

### 5 General overview

- (1) An *attorney* is a person who is authorised to make particular decisions and do particular other things for another person (the *principal*).

- (2) After the commencement of this Act, principals may authorise attorneys by—
  - (a) general powers of attorney, enduring powers of attorney or advance health directives; or
  - (b) powers of attorney under the common law.
- (3) In addition to replacing the statutory provisions for powers of attorney and enduring powers of attorney, this Act introduces advance health directives and statutory health attorneys.

*Note—*

The *Property Law Act 1974*, part 9 (Powers of attorney) was repealed by section 182.

However, see section 163 (Powers of attorney under Property Law Act 1974) for a transitional provision.

- (4) An advance health directive is a document containing directions for a principal's future health care and special health care and may authorise an attorney to do particular things for the principal in relation to health care.

*Note—*

Advance health directives are dealt with in chapter 3.

- (5) A statutory health attorney is the person authorised by this Act to do particular things for a principal in particular circumstances in relation to health care.

*Note—*

See section 62 (Statutory health attorney).

Also, see the *Guardianship and Administration Act 2000*, section 66(5) (Adult with impaired capacity—order of priority in dealing with health matter).

## 6 Scope of Act

Except where otherwise provided, this Act applies only to documents made, whether under this Act or otherwise, after the commencement of this Act.

*Note—*

A general power of attorney, or enduring power of attorney, made under the *Property Law Act 1974* and of force and effect before the

---

commencement of section 163 is taken to be a general power of attorney, or enduring power of attorney, made under this Act—section 163.

## **6A Relationship with Guardianship and Administration Act 2000**

(1) This Act is to be read in conjunction with the *Guardianship and Administration Act 2000* which provides a scheme by which—

- (a) the tribunal may appoint a guardian for an adult with impaired capacity for personal matters to make particular decisions and do particular other things for the adult in relation to the matters; and

*Note—*

Personal matters do not include special personal matters or special health matters—schedule 2, section 2.

- (b) the tribunal may appoint an administrator for an adult with impaired capacity for financial matters to make particular decisions and do particular other things for the adult in relation to the matters; and

- (c) the tribunal may consent to the withholding or withdrawal of a life-sustaining measure and to particular special health care.

*Note—*

However, the tribunal may not consent to electroconvulsive therapy or a non-ablative neurosurgical procedure—*Guardianship and Administration Act 2000*, section 68(1).

(2) The *Guardianship and Administration Act 2000* also provides a scheme for health care and special health care for adults with impaired capacity for the matter concerned, including an order of priority for dealing with health care and special health care.

*Note—*

See the *Guardianship and Administration Act 2000*, sections 65 and 66.

- (3) The *Guardianship and Administration Act 2000* also provides for the public advocate.
- (4) If there is an inconsistency between this Act and the *Guardianship and Administration Act 2000*, the *Guardianship and Administration Act 2000* prevails.

## **6B Relationship with Public Guardian Act 2014**

This Act is to be read in conjunction with the *Public Guardian Act 2014* which provides for the public guardian and the community visitor (adult) program.

# **Chapter 2 Powers of attorney other than enduring powers of attorney**

## **Part 1 Introduction**

### **7 Application of ch 2**

- (1) This chapter does not apply to enduring powers of attorney.
- (2) Except where otherwise provided, this chapter applies to all other powers of attorney made, whether under this Act or otherwise, after the commencement of this Act.

*Note—*

A general power of attorney made under the *Property Law Act 1974* and of force and effect before the commencement of section 163 is taken to be a general power of attorney made under this Act—section 163.

For provisions applying to attorneys, see chapter 5 (Exercising power for a principal), part 1 (Provisions applying to attorneys).

---

## 8 Powers of attorney

By a *general power of attorney made under this Act*, a person (*principal*) may—

- (a) authorise 1 or more other persons (*attorneys*) to do for the principal anything (other than exercise power for a personal matter) that the principal can lawfully do by an attorney; and

*Note—*

Only an attorney under an enduring power of attorney may exercise power for a personal matter for a principal.

- (b) provide terms or information about exercising the power.

## 9 When attorney's power exercisable

- (1) A principal may specify in a power of attorney a time when, circumstance in which, or occasion on which, the power is exercisable.
- (2) However, if the power of attorney does not specify a time when, circumstance in which, or occasion on which, the power is exercisable, the power becomes exercisable once the power of attorney is made.

## 10 Powers of attorney given as security

- (1) A *power of attorney given as security* is a power of attorney (other than an enduring power of attorney)—
  - (a) whether made under this Act or otherwise and whether made before or after the commencement of this Act; and
  - (b) given by a principal as security for a proprietary interest of the attorney or the performance of an obligation owed to the attorney; and
  - (c) that states it is irrevocable.

- (2) Despite chapter 2, part 3, a power of attorney given as security is incapable of revocation except with the consent of the attorney while—
- (a) the attorney has the proprietary interest, or persons deriving title to the interest under the attorney have the proprietary interest, secured by the power of attorney; or
  - (b) the obligation, the performance of which is secured by the power of attorney, remains undischarged.

*Note—*

Also, revocation by attorney provisions dealing with revocation because of impaired capacity, bankruptcy or insolvency or death of an attorney (sections 22 to 24) do not apply to powers of attorney given as security.

- (3) A power of attorney given as security for a proprietary interest may be given to—
- (a) the person entitled to the interest and the persons deriving title under the person to the interest; or
  - (b) a representative of a person mentioned in paragraph (a) who may be a specified officer, or the holder of a specified office, by reference to the title of the office concerned.

*Note—*

*office* includes position—see the *Acts Interpretation Act 1954*, schedule 1.

- (4) The persons deriving title are taken to be attorneys of the power of attorney for all purposes.
- (5) Subsection (4) does not affect a right in the power of attorney to appoint substitute attorneys.
- (6) The power of a registered proprietor under the *Land Title Act 1994* to revoke a power of attorney is subject to this section.

---

## **Part 2**

# **Making a power of attorney other than an enduring power of attorney**

### **11 Form of general power of attorney made under Act**

A general power of attorney made under this Act must be in the approved form.

*Note—*

An approved form is a form approved by the chief executive under section 161—schedule 3 (Dictionary). Strict compliance with the form is not necessary and substantial compliance is sufficient—*Acts Interpretation Act 1954*, section 48A (Compliance with forms).

### **12 Execution of powers of attorney**

- (1) This section does not apply to a power of attorney created by and contained in another instrument, for example, a mortgage or lease, that is signed by, or by direction of, the principal.
- (2) An instrument creating a power of attorney must be signed by, or by direction and in the presence of, the principal.
- (3) This section does not affect—
  - (a) a requirement in or having effect under another Act about witnessing of instruments creating powers of attorney; or
  - (b) the rules about the execution of instruments by corporations.

### **13 Appointment of 1 or more attorneys**

- (1) By a general power of attorney made under this Act, a principal may—
  - (a) appoint 1 attorney, or more than 1 attorney, being joint or several, or joint and several, attorneys; and
  - (b) appoint as attorney—

[s 14]

---

- (i) a person by name; or
- (ii) a specified officer, or the holder of a specified office, by reference to the title of the office concerned.

*Note—*

*office* includes position—see the *Acts Interpretation Act 1954*, schedule 1.

- (2) If a specified officer or the holder of a specified office is appointed as an attorney—
  - (a) the appointment does not cease to have effect merely because the person who was the specified officer or the holder of the specified office when the appointment was made ceases to be the officer or the holder of the office; and
  - (b) the power may be exercised by the person for the time being occupying or acting in the office concerned.

## **14 Proof of power of attorney**

- (1) A power of attorney may be proved by a copy of the power of attorney certified under this section.
- (2) Each page, other than the last page, of the copy must be certified to the effect that the copy is a true and complete copy of the corresponding page of the original.
- (3) The last page of the copy must be certified to the effect that the copy is a true and complete copy of the original.
- (4) Certification must be by 1 of the following persons—
  - (a) the principal;
  - (b) a justice;

*Note—*

*justice* means a justice of the peace—see the *Acts Interpretation Act 1954*, schedule 1.

- (c) a commissioner for declarations;
- (d) a notary public;

- (e) a lawyer;

*Note—*

*lawyer* means an Australian lawyer within the meaning of the *Legal Profession Act 2007*—see the *Acts Interpretation Act 1954*, schedule 1.

- (f) a trustee company under the *Trustee Companies Act 1968*;

- (g) a stockbroker.

- (5) If a copy of a power of attorney has been certified under this section, the power of attorney may also be proved by a copy, certified under this section, of the certified copy.
- (6) This section does not prevent a power of attorney being proved in another way.
- (7) This section also applies to a power of attorney made before the commencement of this Act.

*Note—*

See also section 7 (Application of ch 2).

## **Part 3                      Revoking a power of attorney                                     other than an enduring power                                     of attorney**

### **Division 1                Introduction**

#### **15            Relationship with other law**

This part does not limit the events by which, or circumstances in which, a power of attorney is revoked orally or in another way or terminated by implication or operation of law.

## **Division 2                      Revocation by principal**

### **16            Advice of revocation**

If a power of attorney is revoked under this division, the principal must take reasonable steps—

- (a) to advise all attorneys affected by the revocation; and
- (b) for a power of attorney registered in the power of attorney register—to deregister it.

### **17            Written revocation**

- (1) If a power of attorney is or becomes revocable, it may be revoked by an instrument in the approved form executed in the same way as the power of attorney.
- (2) Subsection (1) does not affect the rules about the execution of instruments by corporations.
- (3) This section also applies to a power of attorney made before the commencement of this Act.

*Note—*

See also section 7 (Application of ch 2).

### **18            Impaired capacity**

- (1) If a principal becomes a person who has impaired capacity, the power of attorney is revoked.

*Note—*

However, for a power of attorney given as security, see section 10.

- (2) However, if a principal becomes incommunicate, the court may by order confirm that, from the date of the order, all or part of the power of attorney remains in full force and effect if the court is satisfied that the confirmation is for the benefit of the principal.

- (3) For this section, a person becomes *incommunicate* if the person becomes incapable of communicating decisions about the person's financial, property or legal affairs in some way.

## 19 Death

When a principal dies, the power of attorney is revoked.

## Division 3 Revocation according to terms

### 20 According to terms

A power of attorney is revoked according to its terms.

*Examples—*

- 1 If a power of attorney is expressed to operate for or during a specified period, it is revoked at the end of the period.
- 2 If a power of attorney is expressed to operate for a specific purpose, it is revoked when the purpose is achieved.

## Division 4 Revocation by attorney

### 21 Resignation

If an attorney resigns, the power of attorney is revoked to the extent it gives power to the attorney.

*Note—*

An attorney may resign by signed notice to the principal—section 72(1).

### 22 Impaired capacity

If an attorney becomes a person who has impaired capacity, the power of attorney is revoked to the extent it gives power to the attorney.

*Note—*

However, for a power of attorney given as security, see section 10.

## 23 Bankruptcy or insolvency

- (1) If an individual attorney becomes bankrupt or insolvent or takes advantage of the laws of bankruptcy as a debtor under the *Bankruptcy Act 1966* (Cwlth) or a similar law of a foreign jurisdiction, the power of attorney is revoked to the extent it gives power to the attorney.

*Note—*

However, for a power of attorney given as security, see section 10.

- (2) If a corporate attorney is wound up or dissolved or a receiver (other than a receiver for a limited purpose) or administrator is appointed of the attorney, the power of attorney is revoked to the extent it gives power to the attorney.

*Example—*

X is an attorney under a power of attorney that is not given as security. X becomes bankrupt. Therefore, the power of attorney is revoked to the extent it gives power to X.

If X was a joint and several attorney with Y, the power of attorney is only revoked to the extent it gives power to X. Y can continue to exercise the power.

The same applies if X was a joint attorney with Y because of section 59A.

If X was not a joint and several attorney and the power of attorney gives power to an alternative or successive attorney, the alternative or next attorney may then exercise power.

If none of these apply, no-one is able to exercise power under the power of attorney.

## 24 Death

When an attorney dies, the power of attorney is revoked to the extent it gives power to the attorney.

*Note—*

See section 59A (Effect of power ending).

---

## Part 4 Other provisions

### 25 Registration of powers of attorney and instruments revoking powers

- (1) A power of attorney may be registered.
- (2) An instrument revoking a power of attorney may be registered.
- (3) Subject to another Act or a contrary intention in the power of attorney, if the power of attorney has been registered under an Act, it does not cease to authorise the attorney to do for the principal anything relevant to the purpose for which it was registered until an instrument revoking the power of attorney has been registered.
- (4) This section also applies to a power of attorney made before the commencement of this Act.

*Note—*

See also section 7 (Application of ch 2).

### 26 Offence to dishonestly induce the making or revocation of power of attorney

- (1) A person must not dishonestly induce a person to make or revoke a power of attorney.  
Maximum penalty—200 penalty units.
- (2) This section also applies to a power of attorney made before the commencement of this Act.

*Note—*

See also section 7 (Application of ch 2).

## Chapter 3 Enduring documents

### Part 1 Application and interpretation

#### 27 Application of ch 3

Except where otherwise provided, this chapter applies only to enduring documents.

#### 28 Meaning of *enduring document*

An *enduring document* is an enduring power of attorney or an advance health directive.

*Note—*

An enduring power of attorney made under the *Property Law Act 1974* and of force and effect before the commencement of section 163 is taken to be an enduring power of attorney made under this Act—section 163.

#### 29 Meaning of *eligible attorney*

(1) An *eligible attorney*, for a matter under an enduring power of attorney, means—

- (1) By an *enduring power of attorney*, an adult (*principal*) may—
  - (a) authorise 1 or more other persons who are eligible attorneys (*attorneys*) to do anything in relation to 1 or more financial matters or personal matters for the principal that the principal could lawfully do by an attorney if the adult had capacity for the matter when the power is exercised; and
- (2) An enduring power of attorney giving power for a matter is not revoked by the principal becoming a person with impaired capacity for the matter.

*Note—*

*personal matters* includes health matters but does not include special personal matters or special health matters—schedule 2, section 2.

- (b) provide terms or information about exercising the power.

*Note—*

An enduring power of attorney made under the *Property Law Act 1974* and of force and effect before the commencement of section 163 is taken to be an enduring power of attorney made under this Act—section 163.

### **33 When attorney's power exercisable**

- (1) A principal may specify in an enduring power of attorney a time when, circumstance in which, or occasion on which, a power for a financial matter is exercisable.
- (2) However, if the enduring power of attorney does not specify a time when, circumstance in which, or occasion on which, power for a financial matter becomes exercisable, the power becomes exercisable once the enduring power of attorney is made.
- (3) Also, if—
  - (a) a time when, circumstance in which, or occasion on which, power for a financial matter is exercisable is specified; and
  - (b) before the specified time, circumstance or occasion, the principal has impaired capacity for the matter;  
power for the matter is exercisable during any or every period the principal has the impaired capacity.
- (4) Power for a personal matter under the enduring power of attorney is exercisable during any or every period the principal has impaired capacity for the matter and not otherwise.

*Note—*

However, the priority of an attorney's power for a health matter is decided by the *Guardianship and Administration Act 2000*, section 66 (Adult with impaired capacity—order of priority in dealing with health matter). See, in particular, section 66(4).

- (5) If an attorney's power for a matter depends on the principal having impaired capacity for a matter, a person dealing with the attorney may ask for evidence, for example, a medical certificate, to establish that the principal has the impaired capacity.

### **34 Recognition of enduring power of attorney made in other States**

If an enduring power of attorney is made in another State and complies with the requirements in the other State, then, to the

---

extent the powers it gives could validly have been given by an enduring power of attorney made under this Act, the enduring power of attorney must be treated as if it were an enduring power of attorney made under, and in compliance with, this Act.

## Part 3                      **Advance health directive provisions**

### 35      **Advance health directives**

- (1) By an *advance health directive*, an adult principal may—
- (a) give directions, about health matters and special health matters, for his or her future health care; and
  - (b) give information about his or her directions; and
  - (c) appoint 1 or more persons who are eligible attorneys to exercise power for a health matter for the principal in the event the directions prove inadequate; and

*Note—*

Note this does not include a special health matter.

- (d) provide terms or information about exercising the power.
- (2) Without limiting subsection (1), by an advance health directive the principal may give a direction—
- (a) consenting, in the circumstances specified, to particular future health care of the principal when necessary and despite objection by the principal when the health care is provided; and
  - (b) requiring, in the circumstances specified, a life-sustaining measure to be withheld or withdrawn; and
  - (c) authorising an attorney to physically restrain, move or manage the principal, or have the principal physically restrained, moved or managed, for the purpose of health

[s 36]

---

care when necessary and despite objection by the principal when the restraint, movement or management is provided.

- (3) A direction in an advance health directive has priority over a general or specific power for health matters given to any attorney.
- (4) An advance health directive is not revoked by the principal becoming a person with impaired capacity.

### **36 Operation of advance health directive**

- (1) A direction in an advance health directive—
  - (a) operates only while the principal has impaired capacity for the matter covered by the direction; and
  - (b) is as effective as if—
    - (i) the principal gave the direction when decisions about the matter needed to be made; and
    - (ii) the principal then had capacity for the matter.

*Note—*

See also section 101 (No less protection than if adult gave health consent).

- (2) A direction to withhold or withdraw a life-sustaining measure can not operate unless—
  - (a) 1 of the following applies—
    - (i) the principal has a terminal illness or condition that is incurable or irreversible and as a result of which, in the opinion of a doctor treating the principal and another doctor, the principal may reasonably be expected to die within 1 year;
    - (ii) the principal is in a persistent vegetative state, that is, the principal has a condition involving severe and irreversible brain damage which, however, allows some or all of the principal's vital bodily functions to continue, including, for example, heart beat or breathing;

- 
- (iii) the principal is permanently unconscious, that is, the principal has a condition involving brain damage so severe that there is no reasonable prospect of the principal regaining consciousness;

*Note—*

This is sometimes referred to as ‘a coma’.

- (iv) the principal has an illness or injury of such severity that there is no reasonable prospect that the principal will recover to the extent that the principal’s life can be sustained without the continued application of life-sustaining measures; and
- (b) for a direction to withhold or withdraw artificial nutrition or artificial hydration—the commencement or continuation of the measure would be inconsistent with good medical practice; and
- (c) the principal has no reasonable prospect of regaining capacity for health matters.

*Note—*

*life-sustaining measure* is defined in schedule 2, section 5A.

- (3) An attorney’s power for a health matter under an advance health directive is exercisable during any or every period the principal has impaired capacity for the matter and not otherwise.

*Note—*

However, the priority of an attorney’s power for a health matter is decided by the *Guardianship and Administration Act 2000*, section 66 (Adult with impaired capacity—order of priority in dealing with health matter). See, in particular, section 66(4).

- (4) While power for a health matter is exercisable under an advance health directive, the directive gives the attorney for the matter power to do, for the principal, anything in relation to the matter the principal could lawfully do if the principal had capacity for the matter.
- (5) However, the power given is subject to the terms of the advance health directive and this Act.

- (6) A person dealing with the attorney may ask for evidence, for example, a medical certificate, to establish that the principal has impaired capacity for the matter.

### **37 Act does not authorise euthanasia or affect particular provisions of Criminal Code**

To avoid any doubt, it is declared that nothing in this Act—

- (a) authorises, justifies or excuses killing a person; or
- (b) affects the Criminal Code, section 284 or chapter 28.

*Note—*

Criminal Code—

#### **284 Consent to death immaterial**

- (2) However, the *Mental Health Act 2016* prevails in the case of inconsistency.

### **39 Common law not affected**

This Act does not affect common law recognition of instructions about health care given by an adult that are not given in an advance health directive.

### **40 Recognition of enduring health care document made in other States**

If a document prescribed by regulation is made in another State and complies with the requirements for the document in the other State, then, to the extent the document's provisions could have been validly included in an advance health directive made under this Act, the document must be treated as if it were an advance health directive made under, and in compliance with, this Act.

- (2) Understanding the nature and effect of the enduring power of attorney includes understanding the following matters—

See section 41 (Principal's capacity to make an enduring power of attorney).

## 43 Appointment of 1 or more eligible attorneys

- (1) Only a person who is an eligible attorney may be appointed as an attorney by an enduring document.

## Part 5                      **Revoking an enduring document**

### Division 1                **Revocation by principal**

#### 46      **Advice of revocation**

If an enduring document is revoked under this division, the principal must take reasonable steps—

- (a) to advise all attorneys under the enduring document of its revocation; and
- (b) for an enduring power of attorney registered under the *Land Title Act 1994*—to deregister it.

*Note—*

An enduring power of attorney made under the *Property Law Act 1974* and of force and effect before the commencement of section 163 is taken to be an enduring power of attorney made under this Act—section 163.

#### 47      **Principal's capacity for written revocation of power of attorney**

- (1) A principal may revoke an enduring power of attorney in writing only if the principal has the capacity necessary to make an enduring power of attorney giving the same power.

*Note—*

See section 41 (Principal's capacity to make an enduring power of attorney).

- (2) However, a principal may revoke an enduring power of attorney in writing, to the extent it gives power for a health matter, if the principal has the capacity necessary to make an enduring power of attorney giving the same power for the health matter.

#### **48 Principal's capacity for written revocation of advance health directive**

- (1) A principal may revoke an advance health directive in writing, to the extent it includes a direction about a health matter or special health matter, only if the principal has capacity for the matter.
- (2) A principal may revoke an advance health directive in writing, to the extent it gives power to an attorney, only if the principal has the capacity necessary to make an advance health directive giving the same power.

#### **49 Formal requirements for written revocation of enduring document**

- (1) A written revocation of an enduring power of attorney must be in the approved form.
- (2) However, a written revocation of an enduring power of attorney, to the extent it gives power for a health matter, or a written revocation of an advance health directive need not be in the approved form.
- (3) The revocation of an enduring power of attorney must—
  - (a) be signed—
    - (i) by the principal; or
    - (ii) if the principal revoking it instructs—for the principal and in the principal's presence, by an eligible signer; and

*Note—*

See section 30 (Meaning of *eligible signer*).

- (b) be signed and dated by an eligible witness.

*Note—*

See section 31 (Meaning of *eligible witness*).

*Example—*

If a principal gives—

- (a) power for a matter to an attorney by an enduring power of attorney; and
- (b) either—
  - (i) power for the matter to a different attorney by a later enduring power of attorney; or
  - (ii) a direction about the matter in a later advance health directive;

[s 51]

---

the earlier enduring power of attorney is revoked to the extent it gives power for the matter.

- (2) A principal's advance health directive is revoked, to the extent of an inconsistency, by a later advance health directive.

*Note—*

If there is a direction about a health matter in an advance health directive and a later enduring power of attorney giving an attorney power for the health matter, the direction prevails. See the *Guardianship and Administration Act 2000*, section 66 (Adult with impaired capacity—order of priority in dealing with health matter).

## **51 Death**

When a principal dies, the enduring document is revoked.

## **52 Marriage**

Unless there is a contrary intention expressed in the enduring document, if a principal marries after making an enduring document, the enduring document is revoked to the extent it gives power to someone other than the principal's husband or wife.

## **52A Civil partnership**

Unless there is a contrary intention expressed in the enduring document, if a principal enters into a civil partnership after making an enduring document, the enduring document is revoked to the extent it gives power to someone other than the principal's civil partner.

## **53 Divorce**

If a principal divorces after making an enduring document, the enduring document is revoked to the extent it gives power to the divorced spouse.

---

## **53A Termination of civil partnership**

- (1) This section applies if—
  - (a) a principal makes an enduring document; and
  - (b) after making the enduring document, the principal's civil partnership is terminated under the *Civil Partnerships Act 2011*, section 18.
- (2) The enduring document is revoked to the extent it gives power to the principal's previous civil partner.

## **Division 2 Revocation according to terms**

### **54 According to terms**

An enduring document is revoked according to its terms.

*Examples—*

- 1 If an enduring power of attorney is expressed to operate for or during a specified period, it is revoked at the end of the period.
- 2 If an enduring power of attorney is expressed to operate for a specific purpose, it is revoked when the purpose is achieved.

## **Division 3 Revocation by attorney**

### **55 Resignation**

If an attorney resigns as attorney for a matter, the enduring document is revoked to the extent it gives power to the attorney for the matter.

*Note—*

An attorney may resign by signed notice to the principal if the principal has capacity for the matter (section 72 (Resignation of attorney)) or otherwise with the court's leave (section 82 (Resignation of attorney while principal has impaired capacity)).

## 56 Impaired capacity

If an attorney for a matter becomes a person who has impaired capacity for the matter, the enduring document is revoked to the extent it gives power to the attorney for the matter.

## 57 Bankruptcy or insolvency

- (1) This section applies only to enduring powers of attorney.
- (2) If an individual attorney for a financial matter becomes bankrupt or insolvent or takes advantage of the laws of bankruptcy as a debtor under the *Bankruptcy Act 1966* (Cwlth) or a similar law of a foreign jurisdiction, the power of attorney is revoked to the extent it gives power for financial matters to the attorney.
- (3) If a corporate attorney is wound up or dissolved or a receiver (other than a receiver for a limited purpose) or administrator is appointed of the attorney, the power of attorney is revoked to the extent it gives power to the attorney.

### *Example—*

Under an enduring power of attorney, X, an individual, exercises power for financial matters generally. X becomes bankrupt. Therefore, the enduring power of attorney is revoked to the extent it gives power for financial matters to X.

If X was a joint and several attorney with Y, the enduring power of attorney is only revoked to the extent it gives power to X. Y can continue to exercise the power.

The same applies if X was a joint attorney with Y because of section 59A.

If X was not a joint and several attorney and the enduring power of attorney gives an alternative or successive attorney power for financial matters, the alternative or next attorney then has power for financial matters.

If none of these apply, no-one is able to exercise power for financial matters under the enduring power of attorney.

### *Note—*

Section 59A (Effect of power ending) allows the remaining joint attorney to exercise a power another joint attorney is unable to exercise.

## **58 Death**

When an attorney dies, the enduring document is revoked to the extent it gives power to the attorney.

## **59 Paid carer or health provider**

If an attorney becomes a paid carer, or health provider, for the principal, the enduring document is revoked to the extent it gives power for a personal matter to the attorney.

## **59AA Service provider**

If the attorney becomes the service provider for a residential service where the principal is a resident, the enduring document is revoked to the extent it gives power to the attorney.

## **59A Effect of power ending**

If an attorney's power for a matter ends and the attorney was a joint attorney for the matter—

- (a) if, of the joint attorneys, there is 1 remaining attorney, the remaining attorney may exercise power for the matter; and
- (b) if, of the joint attorneys, there are 2 or more remaining attorneys, the remaining attorneys may exercise power for the matter and, if exercising power, must exercise power jointly.

# **Part 6 Other provisions**

## **60 Registration of powers of attorney and instruments revoking powers**

- (1) An enduring power of attorney may be registered.

*Note—*

An enduring power of attorney made under the *Property Law Act 1974* and of force and effect before the commencement of section 163 is taken to be an enduring power of attorney made under this Act—section 163.

- (2) An instrument revoking an enduring power of attorney may be registered.
- (3) Subject to another Act, if an enduring power of attorney has been registered, it may not, unless a different intention appears from the enduring power of attorney, cease to authorise the attorney to deal with land for the principal until an instrument revoking the enduring power of attorney has been registered.

## **61 Offence to dishonestly induce the making or revocation of enduring document**

A person must not dishonestly induce a person to make or revoke an enduring document.

Maximum penalty—200 penalty units.

# **Chapter 4 Statutory health attorneys**

## **62 Statutory health attorney**

- (1) This Act authorises a statutory health attorney for an adult's health matter to make any decision about the health matter that the adult could lawfully make if the adult had capacity for the matter.

*Note—*

Note this does not include a special health matter.

- (2) A statutory health attorney's power for a health matter is exercisable during any or every period the adult has impaired capacity for the matter.

*Note—*

However, the priority of an attorney's power is decided by the *Guardianship and Administration Act 2000*, section 66 (Adult with impaired capacity—order of priority in dealing with health matter). See, in particular, section 66(5).

### 63 Who is the statutory health attorney

- (1) For a health matter, an adult's *statutory health attorney* is the first, in listed order, of the following people who is readily available and culturally appropriate to exercise power for the matter—
  - (a) a spouse of the adult if the relationship between the adult and the spouse is close and continuing;
  - (b) a person who is 18 years or more and who has the care of the adult and is not a paid carer for the adult;
  - (c) a person who is 18 years or more and who is a close friend or relation of the adult and is not a paid carer for the adult.

*Note—*

If there is a disagreement about which of 2 or more eligible people should be the statutory health attorney or how the power should be exercised, see the *Guardianship and Administration Act 2000*, section 42 (Disagreement about health matter).

- (2) If no-one listed in subsection (1) is readily available and culturally appropriate to exercise power for a matter, the public guardian is the adult's *statutory health attorney* for the matter.
- (3) Without limiting who is a *person who has the care of the adult*, for this section, a person has the care of an adult if the person—
  - (a) provides domestic services and support to the adult; or
  - (b) arranges for the adult to be provided with domestic services and support.

- (4) If an adult resides in an institution (for example, a hospital, nursing home, group home, boarding-house or hostel) at which the adult is cared for by another person, the adult—
- (a) is not, merely because of this fact, to be regarded as being in the care of the other person; and
  - (b) remains in the care of the person in whose care the adult was immediately before residing in the institution.

## **Chapter 5      Exercising power for a principal**

### **Part 1            Provisions applying to attorneys**

#### **65      Application of pt 1**

Except where otherwise provided, this part applies to an attorney under—

- (a) a general power of attorney made under this Act; or

*Note—*

A general power of attorney, or enduring power of attorney, made under the *Property Law Act 1974* and of force and effect before the commencement of section 163 is taken to be a general power of attorney, or enduring power of attorney, made under this Act—section 163.

- (b) an enduring document; or
- (c) a power of attorney made otherwise than under this Act, whether before or after its commencement.

---

**66 Act honestly and with reasonable diligence**

- (1) An attorney must exercise power honestly and with reasonable diligence to protect the principal's interests.

Maximum penalty—200 penalty units.

- (2) In addition to any other liability the attorney may incur, the court may order the attorney to compensate the principal for a loss caused by the attorney's failure to comply with subsection (1).

**67 Subject to terms of document**

An attorney who may exercise a power under a document must, when exercising the power, exercise it subject to the terms of the document.

**69 Execution of instrument etc.**

- (1) If necessary or convenient for the exercise of power given to an attorney, the attorney may—
- (a) execute an instrument with the attorney's own signature and, despite the fact that the power of attorney was given under hand, if sealing is required or used, with the attorney's own seal; and
  - (b) do any other thing in the attorney's own name.
- (2) An instrument executed by an attorney must be executed in a way showing that the attorney executes it as attorney for the principal.
- (3) An instrument executed, or thing done, in the way specified in this section is as effective as if executed or done by the principal—
- (a) with the principal's signature; or
  - (b) with the principal's signature and seal; or
  - (c) in the principal's name.

[s 70]

---

- (4) This section applies subject to the *Property Law Act 1974*, section 46.

*Note—*

This section deals with the execution of documents by corporations.

## **70 Subject to guardian or administrator**

- (1) If a person is appointed under the *Guardianship and Administration Act 2000* as guardian or administrator for a principal, an attorney for the principal may exercise power only to the extent authorised by the tribunal.
- (2) In this section—  
*attorney* includes a statutory health attorney.

## **71 Not exercise revoked power**

An attorney, who knows a power given to the attorney has been revoked, must not exercise, or purport to exercise, the power.

Maximum penalty—200 penalty units.

## **72 Resignation of attorney**

- (1) An attorney may resign as attorney for a matter by signed notice given to the principal.

*Note—*

However, for an enduring document, see also section 82 (Resignation of attorney while principal has impaired capacity).

- (2) This section does not affect another way an attorney may resign allowed by law.

*Note—*

For example, an attorney under a power of attorney made under the common law or the *Property Law Act 1974*, may resign orally.

---

## 73 Avoid conflict transaction

- (1) An attorney for a financial matter may enter into a conflict transaction only if the principal authorises the transaction, conflict transactions of that type or conflict transactions generally.

*Note—*

However, see section 105 (Relief from personal liability).

- (2) A **conflict transaction** is a transaction in which there may be conflict, or which results in conflict, between—
- (a) the duty of an attorney towards the principal; and
  - (b) either—
    - (i) the interests of the attorney, or a relation, business associate or close friend of the attorney; or
    - (ii) another duty of the attorney.

*Examples—*

- 1 A conflict transaction happens if an attorney for a financial matter buys the principal's car.
  - 2 A conflict transaction does not happen if an attorney for a financial matter is acting under section 89 to maintain the principal's dependants.
- (3) However, a transaction is not a conflict transaction merely because by the transaction the attorney in the attorney's own right and on behalf of the principal—
- (a) deals with an interest in property jointly held; or
  - (b) acquires a joint interest in property; or
  - (c) obtains a loan or gives a guarantee or indemnity in relation to a transaction mentioned in paragraph (a) or (b).
- (4) In this section—
- joint interest** includes an interest as a joint tenant or tenant in common.

## 74 Protected use of confidential information

- (1) Despite section 74A, an attorney, including a statutory health attorney, may disclose confidential information that relates only to a particular person to the particular person.
- (2) If an attorney, including a statutory health attorney, gains confidential information because of being an attorney, or because of an opportunity given by being an attorney, the person may use the information for the purposes of this Act or as provided under subsection (3).
- (3) Confidential information may be used—
  - (a) if authorised or required under a regulation or another law; or
  - (b) for a proceeding arising out of or in connection with this Act; or
  - (c) if authorised by the person to whom the information relates; or
  - (d) if authorised by the court or the tribunal in the interests of justice; or
  - (e) if necessary to prevent a serious risk to a person's life, health or safety; or
  - (f) for the purpose of obtaining legal or financial advice; or
  - (g) if reasonably necessary to obtain counselling, advice or other treatment; or
  - (h) in reporting a suspected offence to a police officer or assisting a police officer in the investigation of a suspected offence; or
  - (i) in assisting the public guardian, the public advocate or a public service officer in the performance of functions under this Act, the *Guardianship and Administration Act 2000* or the *Public Guardian Act 2014*.
- (4) In this section—

**confidential information** includes information about a person's affairs but does not include—

- 
- (a) information within the public domain unless further disclosure of the information is prohibited by law; or
  - (b) statistical or other information that could not reasonably be expected to result in the identification of the person to whom the information relates; or
  - (c) information about a guardianship proceeding.

*guardianship proceeding* see *Guardianship and Administration Act 2000*, schedule 4.

*use*, confidential information, includes disclose or publish.

#### **74A Prohibited use of confidential information**

- (1) An attorney, including a statutory health attorney, must not use confidential information gained because of being an attorney, or because of an opportunity given by being an attorney, other than as provided under section 74, unless the person has a reasonable excuse.

Maximum penalty—200 penalty units.

- (2) In this section—

*confidential information* see section 74.

*use*, confidential information, see section 74.

## **Part 2 Provisions applying to attorneys under enduring documents and statutory health attorneys**

### **75 Application of pt 2**

Except where otherwise provided, this part applies to—

- (a) an attorney under an enduring document; and
- (b) a statutory health attorney.

## 76 General principles for adults with impaired capacity

The principles set out in schedule 1 (the *general principles* and, for a health matter, the *health care principle*) must be complied with by a person or other entity who performs a function or exercises a power under this Act, or an enduring document, for a matter in relation to an adult who has impaired capacity.

*Example—*

If a principal of an enduring power of attorney or advance health directive has impaired capacity for a matter, an attorney who may exercise power for the matter must—

- (a) comply with the general principles; and
- (b) if the matter is a health matter, also comply with the health care principle.

*Note—*

*function* includes duty—see the *Acts Interpretation Act 1954*, schedule 1.

*power* includes authority—see the *Acts Interpretation Act 1954*, schedule 1.

## 77 Attorney has maximum power if not otherwise stated

To the extent an enduring document does not state otherwise, an attorney is taken to have the maximum power that could be given to the attorney by the enduring document.

*Example—*

If an adult's enduring power of attorney merely states that 'I appoint [full name] as my attorney', the appointee is taken to have power for all financial matters and all personal matters for the adult.

## 78 Multiple attorneys are joint if not otherwise stated

Two or more attorneys for a matter are appointed as joint attorneys for the matter if the enduring document does not state how they are to share the power given to them.

---

## **79 Consult with principal's other appointees or attorneys**

- (1) If there are 2 or more persons who are guardian, administrator or attorney for a principal, the persons must consult with one another on a regular basis to ensure the principal's interests are not prejudiced by a breakdown in communication between them.

*Note—*

Note the *Guardianship and Administration Act 2000*, sections 41 (Disagreement about matter other than health matter), 42 (Disagreement about health matter) and 43 (Acting contrary to health care principle).

- (2) However, failure to comply with subsection (1) does not affect the validity of an exercise of power by a guardian, administrator or attorney.

## **80 Act together with joint attorneys**

- (1) Attorneys for a principal who may exercise power for a matter jointly must exercise the power unanimously unless the enduring document concerned provides otherwise.
- (2) If it is impracticable or impossible to exercise the power unanimously, 1 or more of the attorneys, or another interested person for the adult, may apply for directions to the court.

## **81 Right of attorney to information**

- (1) An attorney has a right to all the information that the principal would have been entitled to if the principal had capacity and that is necessary to make, for the principal, informed decisions about anything the attorney is authorised to do.
- (2) A person who has custody or control of the information must disclose the information to the attorney on request.
- (3) This section overrides—
  - (a) any restriction, in an Act or the common law, about the disclosure or confidentiality of information; and

[s 82]

---

- (b) for an attorney under an enduring power of attorney—any claim of confidentiality or privilege, including a claim based on legal professional privilege; and
- (c) for another attorney—any claim of confidentiality or privilege, excluding a claim based on legal professional privilege.

## **82 Resignation of attorney while principal has impaired capacity**

- (1) Despite section 72, while a principal has impaired capacity for a matter, an attorney under an enduring document may only resign as attorney for the matter with the court's leave.
- (2) If the court gives leave for an attorney to resign for a matter, the court may appoint a new attorney to replace the attorney for the matter.

*Note—*

The court is not limited to appointing an *eligible attorney* (defined in section 29) as the new attorney.

## **Part 3 Provisions about financial matters**

### **83 Application**

Except where otherwise provided, this part applies only to enduring powers of attorney.

*Note—*

An enduring power of attorney made under the *Property Law Act 1974* and of force and effect before the commencement of section 163 is taken to be an enduring power of attorney made under this Act—section 163.

---

## 84 Power to invest

- (1) This section does not apply to an enduring power of attorney made under the *Property Law Act 1974*.
- (2) An attorney for financial matters may invest only in authorised investments.
- (3) However, if, when the power became exercisable, the principal had investments that were not authorised investments, an attorney for financial matters may continue the investments, including by taking rights to issues of new shares, or options for new shares, to which the principal becomes entitled by the principal's existing shareholding.
- (4) In this section—  
*authorised investment* means—
  - (a) an investment which, if the investment were of trust funds by a trustee, would be an investment by the trustee exercising a power of investment under the *Trusts Act 1973*, part 3; or
  - (b) an investment approved by the tribunal.

## 85 Keep records

An attorney for a financial matter must keep and preserve accurate records and accounts of all dealings and transactions made under the power.

*Note—*

Under the *Public Guardian Act 2014*, section 21, the public guardian may have the accounts audited.

## 86 Keep property separate

- (1) An attorney for a financial matter must keep the attorney's property separate from the principal's property.  
Maximum penalty—300 penalty units.
- (2) Subsection (1) does not apply to—

[s 87]

---

- (a) property owned jointly by the principal and attorney; or
  - (b) property acquired jointly by the principal and attorney in place of property owned jointly by the principal and attorney.
- (3) Subsection (1) does not affect another obligation imposed by law.

## **87 Presumption of undue influence**

The fact that a transaction is between a principal and 1 or more of the following—

- (a) an attorney under an enduring power of attorney or advance health directive;
- (b) a relation, business associate or close friend of the attorney;

gives rise to a presumption in the principal's favour that the principal was induced to enter the transaction by the attorney's undue influence.

## **88 Gifts**

- (1) Unless there is a contrary intention expressed in the enduring power of attorney, an attorney for financial matters for an individual may give away the principal's property only if—
- (a) the gift is—
    - (i) to a relation or close friend of the principal; and
    - (ii) of a seasonal nature or because of a special event (including, for example, a birth or marriage); or
  - (b) the gift is a donation of the nature that the principal made when the principal had capacity or that the principal might reasonably be expected to make;

and the gift's value is not more than what is reasonable having regard to all the circumstances and, in particular, the principal's financial circumstances.

- 
- (2) The attorney or a charity with which the attorney has a connection is not precluded from receiving a gift under subsection (1).

## 89 Maintain principal's dependants

- (1) An attorney for financial matters for an individual may provide from the principal's estate for the needs of a dependant of the principal.
- (2) However, unless there is a contrary intention expressed in the enduring power of attorney, what is provided must not be more than what is reasonable having regard to all the circumstances and, in particular, the principal's financial circumstances.

## Part 5 Protection and relief from liability

### 96 Interpretation

In this part—

*invalidity*, of a power under a document, means invalidity because—

- (a) the document was made in another State and does not comply with the other State's requirements; or
- (b) the power is not exercisable at the time it is purportedly exercised; or
- (c) the document has been revoked.

*know*, of a power's invalidity, includes—

- (a) know of the happening of an event that invalidates the power; or

*Note*—

For example, a principal's enduring power of attorney is revoked if the principal dies (section 24) or, to the extent an attorney was

given power, if the attorney becomes a health provider for the principal (section 59).

- (b) have reason to believe the power is invalid.

## **97 Protection if court advice, directions or recommendations**

An attorney who acts in compliance with the court's advice, directions or recommendations is taken to have complied with this Act unless the attorney knowingly gave the court false or misleading information relevant to the court's advice, directions or recommendations.

## **98 Protection for attorney if unaware of invalidity**

- (1) This section applies to an attorney under—
  - (a) a general power of attorney made under this Act; or
  - (b) an enduring document; or
  - (c) a power of attorney made otherwise than under this Act, whether before or after its commencement.
- (2) An attorney who, without knowing a power is invalid, purports to exercise the power does not incur any liability, either to the principal or anyone else, because of the invalidity.

*Note—*

See section 113 (Declaration about validity).

## **99 Protection for person dealing with attorney and next person if unaware of invalidity**

- (1) A person who—
  - (a) deals with an attorney under a general power of attorney made under this Act, or an enduring document, (the *document*); and

*Note—*

A general power of attorney, or enduring power of attorney, made under the *Property Law Act 1974* and of force and effect

---

before the commencement of section 163 is taken to be a general power of attorney, or enduring power of attorney, made under this Act—section 163.

- (b) does not know, or have reason to believe, the principal did not have capacity to make the document;

is entitled to rely on the certificate of the witness to the document as evidence of the principal's capacity to make the document.

- (2) A transaction between—

- (a) an attorney purporting to use a power that is invalid; and  
(b) someone else (the *third person*) who does not know of the invalidity;

is, in favour of the third person, as valid as if the power were not invalid.

- (3) If the interest of a purchaser depends on whether a transaction between an attorney and a third person was valid because of subsection (2), it is conclusively presumed in favour of the purchaser that the third person did not at the material time know of the invalidity of the attorney's power if—

- (a) the third person makes a statutory declaration before or within 3 months after the completion of the purchase that the third person did not at the material time know of the invalidity of the attorney's power; or  
(b) the transaction between the attorney and the third person was completed within 1 year after the power of attorney was made.

- (4) In subsections (2) and (3)—

*attorney* means an attorney under—

- (a) a general power of attorney made under this Act; or  
(b) an enduring document; or  
(c) a power of attorney made otherwise than under this Act, whether before or after its commencement.

**100 Additional protection if unaware of invalidity in health context**

A person, other than an attorney, who, without knowing an advance health directive or a power for a health matter under an enduring document is invalid, acts in reliance on the directive or purported exercise of the power, does not incur any liability, either to the adult or anyone else, because of the invalidity.

**101 No less protection than if adult gave health consent**

A person, other than an attorney, acting in accordance with a direction in an advance health directive, or a decision of an attorney for a health matter, is not liable for an act or omission to any greater extent than if the act or omission happened with the principal's consent and the principal had capacity to consent.

**102 Protection of health provider unaware of advance health directive**

A health provider is not affected by an adult's advance health directive to the extent the health provider does not know the adult has an advance health directive.

**103 Protection of health provider for non-compliance with advance health directive**

- (1) This section applies if a health provider has reasonable grounds to believe that a direction in an advance health directive is uncertain or inconsistent with good medical practice or that circumstances, including advances in medical science, have changed to the extent that the terms of the direction are inappropriate.
- (2) The health provider does not incur any liability, either to the adult or anyone else, if the health provider does not act in accordance with the direction.

- (3) However, if an attorney is appointed under the advance health directive, the health provider has reasonable grounds to believe that a direction in the advance health directive is uncertain only if, among other things, the health provider has consulted the attorney about the direction.

#### **104 Protection for person carrying out forensic examination with consent**

- (1) A person carrying out a forensic examination of a principal to which an attorney for the principal has consented is not liable for an act or omission to any greater extent than if the act or omission happened with the principal's consent and the principal had capacity to consent.
- (2) A forensic examination, to which the attorney has consented, is not unlawful.

#### **105 Relief from personal liability**

- (1) If the court considers—
- (a) an attorney is, or may be, personally liable for a breach of this Act; and
  - (b) the attorney has acted honestly and reasonably and ought fairly to be excused for the breach;
- the court may relieve the attorney from all or part of the attorney's personal liability for the breach.
- (2) In this section—
- attorney* means—
- (a) an attorney under a general power of attorney made under this Act; or
  - (b) an attorney under an enduring document; or
  - (c) an attorney under a power of attorney made otherwise than under this Act, whether before or after its commencement; or
  - (d) a statutory health attorney.

## Part 6 Compensation

### 106 Compensation for failure to comply

- (1) An attorney may be ordered by a court to compensate the principal (or, if the principal has died, the principal's estate) for a loss caused by the attorney's failure to comply with this Act in the exercise of a power.
- (2) Subsection (1) applies even if the attorney is convicted of an offence in relation to the attorney's failure.
- (3) If the principal or attorney has died, the application for compensation must be made to a court within 6 months after the death.
- (4) If the principal and attorney have died, the application for compensation must be made to a court within 6 months after the first death.
- (5) A court may extend the application time.
- (6) Compensation paid under a court order must be taken into account in assessing damages in a later civil proceeding in relation to the attorney's exercise of the power.
- (7) In this section—  
*attorney* means an attorney under—
  - (a) a general power of attorney made under this Act; or
  - (b) an enduring document; or
  - (c) a power of attorney made otherwise than under this Act, whether before or after its commencement.

*court* means any court.

### 107 Power to apply to court for compensation for loss of benefit in estate

- (1) This section applies if a person's benefit in a principal's estate under the principal's will, on intestacy, or by another disposition taking effect on the principal's death, is lost

because of a sale or other dealing with the principal's property by an attorney of the principal.

- (1A) This section applies even if the person whose benefit is lost is the attorney by whose dealing the benefit is lost.
- (2) The person, or the person's personal representative, may apply to the Supreme Court for compensation out of the principal's estate.
- (3) The court may order that the person, or the person's estate, be compensated out of the principal's estate as the court considers appropriate but the compensation must not exceed the value of the lost benefit.
- (4) The *Succession Act 1981*, sections 41(2) to (8), (10) and (11) and 44 apply to an application and an order made on it as if the application was an application under part 4 of that Act by a person entitled to make an application.
- (5) In this section—  
**attorney** means an attorney under—
  - (a) a general power of attorney made under this Act; or
  - (b) an enduring document; or
  - (c) a power of attorney made otherwise than under this Act, whether before or after its commencement.

## Chapter 6      Supreme Court

### Part 1              General

#### **108      Powers extend to powers of attorney made otherwise than under this Act**

- (1) The court's powers under this Act are not limited to general powers of attorney made under this Act and enduring documents.
- (2) The court's powers under this Act extend to powers of attorney made otherwise than under this Act, whether made before or after its commencement.

#### **109      Inherent jurisdiction and litigation guardian process not affected**

- (1) This Act does not affect the court's inherent jurisdiction, including its *parens patriae* jurisdiction, or the powers the court has other than under this Act.

*Note—*

This jurisdiction is based on the need to protect those who lack the capacity to protect themselves. It allows the Supreme Court to appoint attorneys for people who, because of mental illness, intellectual disability, illness, accident or old age, are unable to adequately safeguard their own interests.

- (2) This Act does not affect rules of court of the Supreme Court, District Court or Magistrates Courts about a litigation guardian for a person under a legal incapacity.

#### **109A      Queensland Civil and Administrative Tribunal also has jurisdiction and powers about enduring documents**

- (1) The tribunal is given the same jurisdiction and powers for enduring documents as the Supreme Court.

- 
- (2) For subsection (1), this Act applies, with necessary changes, as if references to the Supreme Court were references to the tribunal.

## Part 2                      Court's powers

### 110      Application and participation

- (1) An application may be made to the court for a declaration, order, direction, recommendation or advice about something in, or related to, this Act.
- (2) The application may be by the principal concerned or another interested person unless this Act states otherwise.
- (3) Each of the following persons may apply to the court for it to do something under this chapter about a power of attorney, enduring power of attorney or advance health directive, or the exercise of an attorney's power—
- (a) the principal;
  - (b) a member of the principal's family;
  - (c) an attorney;
  - (d) the public guardian or public trustee;
  - (e) if the document is an advance health directive or the application involves power for a health matter—the public guardian or a health provider of the principal;
  - (f) an interested person.
- (4) A person joined as a party to a proceeding under this Act or a person the court considers an interested person may participate in the proceeding.
- (5) In this section—
- family*, of a principal, consists of the following members—
- (a) the principal's spouse;

- (b) each of the principal's children who is 18 years or more (including a stepchild, an adopted child, and a person for whom the principal was foster-parent or guardian when the person was a child);
- (c) each of the principal's parents (including a step-parent, adoptive parent, foster-parent and guardian);
- (d) if there is no person mentioned in paragraph (a), (b) or (c) who is reasonably available—each of the principal's siblings who is 18 years or more (including a step-sibling, adopted sibling, and foster-sibling).

### **111 Determination of capacity**

The court may make a declaration about a person's capacity.

### **112 Effect of declaration about capacity to enter contract**

A declaration about whether a person had capacity to enter a contract is binding in a subsequent proceeding in which the validity of the contract is in issue.

### **113 Declaration about validity**

- (1) The court may decide the validity of a power of attorney, enduring power of attorney or advance health directive.
- (2) The court may declare a document mentioned in subsection (1) invalid if the court is satisfied—
  - (a) the principal did not have the capacity necessary to make it; or

*Note—*

See sections 41 (Principal's capacity to make an enduring power of attorney) and 42 (Principal's capacity to make an advance health directive).

- (b) it does not comply with the other requirements of this Act; or

*Note—*

See chapter 2, part 2 (Making a power of attorney other than an enduring power of attorney) and chapter 3, part 4 (Making an enduring document), particularly section 44 (Formal requirements).

- (c) it is invalid for another reason, for example, the principal was induced to make it by dishonesty or undue influence.
- (3) If the court declares the document invalid, the court may, at the same time, appoint 1 or more attorneys for the principal.

*Note—*

The court is not limited to appointing an *eligible attorney* (defined in section 29).

## **114 Effect of invalidity**

If the court declares a document invalid under section 113, the document is void from the start.

## **115 Declaration about commencement of power**

The court may make a declaration that—

- (a) a power, under a power of attorney, enduring power of attorney or advance health directive, has begun; or
- (b) the principal has impaired capacity for a matter or all matters.

## **116 Order removing attorney or changing or revoking document**

The court may, by order—

- (a) remove an attorney and appoint a new attorney to replace the removed attorney; or

*Note—*

The court is not limited to appointing an *eligible attorney* (defined in section 29).

- (b) remove a power from an attorney and give the removed power to another attorney or to a new attorney; or
- (c) change the terms of a power of attorney, enduring power of attorney or advance health directive; or
- (d) revoke all or part of a document mentioned in paragraph (c).

### **117 Changed circumstances as basis for change or revocation**

Without limiting the grounds on which the court may make an order changing the terms of a power of attorney, enduring power of attorney or advance health directive, or revoking all or part of 1 of these documents, the court may make the order if the court considers the principal's circumstances or other circumstances (including, for a health power, advances in medical science) have changed to the extent that 1 or more terms of the document are inappropriate.

### **118 Advice, directions and recommendations etc.**

- (1) On an application about a matter, the court may give directions or advice or make a recommendation, order or declaration about the matter or another matter related to this Act, including about—
  - (a) the interpretation of the terms of, or another issue involving, a power of attorney, enduring power of attorney or advance health directive; or
  - (b) the exercise of an attorney's power or another issue involving an attorney's power.
- (2) Without limiting subsection (1), if the court considers it in the best interests of the principal, the court may, by order and subject to the terms the court considers appropriate, authorise an attorney, either generally or in a specific case, to undertake a transaction that the attorney is not otherwise authorised to undertake or may not otherwise be authorised to undertake.

---

## **120 Court may proceed without all relevant material**

- (1) If the court considers urgent or special circumstances justify it doing so, the court may proceed to decide a matter on the information before it without receiving all relevant material.
- (2) If all the participants in a proceeding agree, the court may also proceed to decide a matter in the proceeding on the information before it when the agreement was reached without receiving all relevant material.
- (3) Before the participants agree, the court must ensure they are aware of the material on which the matter will be decided.

# Schedule 1 Principles

section 76

## Part 1 General principles

### 1 Presumption of capacity

An adult is presumed to have capacity for a matter.

### 2 Same human rights

- (1) The right of all adults to the same basic human rights regardless of a particular adult's capacity must be recognised and taken into account.
- (2) The importance of empowering an adult to exercise the adult's basic human rights must also be recognised and taken into account.

### 3 Individual value

An adult's right to respect for his or her human worth and dignity as an individual must be recognised and taken into account.

### 4 Valued role as member of society

- (1) An adult's right to be a valued member of society must be recognised and taken into account.
- (2) Accordingly, the importance of encouraging and supporting an adult to perform social roles valued in society must be taken into account.

---

**5 Participation in community life**

The importance of encouraging and supporting an adult to live a life in the general community, and to take part in activities enjoyed by the general community, must be taken into account.

**6 Encouragement of self-reliance**

The importance of encouraging and supporting an adult to achieve the adult's maximum physical, social, emotional and intellectual potential, and to become as self-reliant as practicable, must be taken into account.

**7 Maximum participation, minimal limitations and substituted judgment**

- (1) An adult's right to participate, to the greatest extent practicable, in decisions affecting the adult's life, including the development of policies, programs and services for people with impaired capacity for a matter, must be recognised and taken into account.
- (2) Also, the importance of preserving, to the greatest extent practicable, an adult's right to make his or her own decisions must be taken into account.
- (3) So, for example—
  - (a) the adult must be given any necessary support, and access to information, to enable the adult to participate in decisions affecting the adult's life; and
  - (b) to the greatest extent practicable, for exercising power for a matter for the adult, the adult's views and wishes are to be sought and taken into account; and
  - (c) a person or other entity in performing a function or exercising a power under this Act must do so in the way least restrictive of the adult's rights.
- (4) Also, the principle of substituted judgment must be used so that if, from the adult's previous actions, it is reasonably practicable to work out what the adult's views and wishes

would be, a person or other entity in performing a function or exercising a power under this Act, or an enduring document, must take into account what the person or other entity considers would be the adult's views and wishes.

- (5) However, a person or other entity in performing a function or exercising a power under this Act, or an enduring document, must do so in a way consistent with the adult's proper care and protection.
- (6) Views and wishes may be expressed orally, in writing or in another way, including, for example, by conduct.

## **8 Maintenance of existing supportive relationships**

The importance of maintaining an adult's existing supportive relationships must be taken into account.

## **9 Maintenance of environment and values**

- (1) The importance of maintaining an adult's cultural and linguistic environment, and set of values (including any religious beliefs), must be taken into account.
- (2) For an adult who is a member of an Aboriginal community or a Torres Strait Islander, this means the importance of maintaining the adult's Aboriginal or Torres Strait Islander cultural and linguistic environment, and set of values (including Aboriginal tradition or Island custom), must be taken into account.

*Note—*

*Aboriginal tradition* means the body of traditions, observances, customs and beliefs of Aboriginal people generally or of a particular community or group of Aboriginal people, and includes any such traditions, observances, customs and beliefs relating to particular persons, areas, objects or relationships—see the *Acts Interpretation Act 1954*, schedule 1.

*Island custom*, known in the Torres Strait as Ailan Kastom, means the body of customs, traditions, observances and beliefs of Torres Strait Islanders generally or of a particular community or group of Torres Strait Islanders, and includes any such customs, traditions, observances and beliefs relating to particular persons, areas, objects or relationships—see the *Acts Interpretation Act 1954*, schedule 1.

**10 Appropriate to circumstances**

Power for a matter should be exercised by an attorney for an adult in a way that is appropriate to the adult's characteristics and needs.

**11 Confidentiality**

An adult's right to confidentiality of information about the adult must be recognised and taken into account.

**Part 2 Health care principle****12 Health care principle**

- (1) The *health care principle* means that power for a health matter for an adult should be exercised by an attorney—
- (a) in the way least restrictive of the adult's rights; and
  - (b) only if the exercise of power—
    - (i) is necessary and appropriate to maintain or promote the adult's health or wellbeing; or
    - (ii) is, in all the circumstances, in the adult's best interests.

*Example of exercising power in the way least restrictive of the adult's rights—*

If there is a choice between a more or less intrusive way of meeting an identified need, the less intrusive way should be adopted.

- (2) In deciding whether the exercise of a power is appropriate, the attorney must, to the greatest extent practicable—
- (a) seek the adult's views and wishes and take them into account; and
  - (b) take the information given by the adult's health provider into account.

*Note—*

See section 81 (Right of attorney to information).

Schedule 1

---

- (3) The adult's views and wishes may be expressed orally, in writing (for example, in an advance health directive) or in another way, including, for example, by conduct.
- (4) The health care principle does not affect any right an adult has to refuse health care.

A new reprint of the legislation is prepared by the Office of the Queensland Parliamentary Counsel each time a change to the legislation takes effect.

The notes column for this reprint gives details of any discretionary editorial powers under the **Reprints Act 1992** used by the Office of the Queensland Parliamentary Counsel in preparing it. Section 5(c) and (d) of the Act are not mentioned as they contain mandatory requirements that all amendments be included and all necessary consequential amendments be incorporated, whether of punctuation, numbering or another kind.
