(2) Before a prescribed person enters a part of any premises which part is used exclusively as a dwelling house the prescribed person shall, save where the prescribed person has the permission of the occupier of that part to his or her entry, apply to a Stipendiary Magistrate for, and obtain from the Stipendiary Magistrate, a warrant to enter.

(4) In issuing a warrant, a Stipendiary Magistrate shall—

(4E) If a person to whom subsection (4D)(b) applies fails to comply with that subsection, the warrant issued under this section is to be taken to be cancelled upon the expiration of the period of 7 days specified in that subsection.

(4F) The failure of a Stipendiary Magistrate to send a warrant to the Minister in accordance with subsection (4D)(a)(ii) does not affect the validity, force or effect of the warrant.
