Commencement of contributions

22.(1) Subject to this Act, every person who is a member of the Police Force shall contribute to the Fund as from the prescribed date and thereafter until the last day of the fortnightly pay-period preceding the day on which the person attains the age for retirement or the person's employment as a member of the Police Force sooner ceases.

(3) In the case of an officer to whom subsection (2) does not apply, the prescribed date shall be the first day of the periodical interval at which contributions to the Fund are prescribed to be made next after the date when the Board accepts the officer as a contributor.

(4) The contribution to be made by a contributor to the Fund shall be payable periodically at such intervals as may be prescribed and shall be deducted from the salary payable to the contributor accordingly.

(5) Until some other periodical interval is prescribed such contribution shall be payable by and be deducted from the salary of the contributor fortnightly.

(6) All deductions made from the salaries of members of the Police Force in respect of contributions to the Funds shall be credited thereto.

(9) For the purposes of subsections (7) and (8), an amount of unpaid contribution or other payment includes interest on the amount calculated at the rate at which earnings would have accrued to the Fund had the amount been paid to the Fund.

(10) If a contribution or other payment payable by a contributor is unpaid (the "**unpaid amount**"), the Board may determine the rights of the contributor to benefits under this Act.

(10A) If the Board makes a determination under subsection (10), the Board must pay to the contributor an amount equal to the amount of all contributions (accumulated at the applicable rate) and other payments payable by the contributor under this Act to the day of determination less the unpaid amount and interest on the unpaid amount calculated at the rate at which earnings would have accrued to the Fund had the amount been paid to the Fund.

(11) Where a person ceases to be a member of the Police Force but before the expiration of 1 month after so ceasing again becomes such a member, the person may, where the Board so approves (whether subject to conditions or unconditionally) on the application in writing of that person, be permitted to contribute to the Fund in respect of the period between the

- (a) unless he or she is entitled to elect and elects as prescribed by paragraph (b)—such a sum as will provide units of benefits to the number specified in column 2 of the scale contained in Schedule 1 opposite to the salary group within which his or her salary falls; or
- (b) if the sum specified in paragraph (a) exceeds the rate of $5\frac{3}{4}\%$ of his or her salary—such sum (being a sum which will provide units of benefits to a number specified in the said scale) not less than $5\frac{3}{4}\%$ of that salary and not exceeding the sum specified in paragraph (a) as he or she may, not later than 6 months after the date on which he or she becomes a contributor, elect to contribute.

(3) Where, at the time when a member of the Police Force is required to become a contributor, he or she has attained the age of 55 years, he or she may elect not to contribute to the Fund or to contribute thereto such a sum (being a sum which will provide units of benefits to a number not exceeding the number specified in column 2 of the scale contained in Schedule 1 opposite to the salary group within which his or her salary falls) as he or she deems fit, but unless he or she elects to so contribute not later than 6 months after the date on which he or she is required by this Act to become a contributor, he or she shall not be entitled, save as provided by section 26, or required to contribute to the Fund for any benefit whatsoever under this Act.

(4) If the salary of a contributor is increased and, by reason of that increase, falls within a salary group in column 1 of the scale contained in Schedule 1 higher than the salary group in which it fell prior to the increase, the following provisions shall apply—

- (a) if the member of the Police Force has attained the age of 35 years but is under the age of 55 years, and is contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the amount of his or her contribution to the Fund

Police Superannuation Act 1968

to—

 - (ii) if the sum specified in subparagraph (i) exceeds the rate of $5\frac{3}{4}\%$ of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in such scale) not less than $5\frac{3}{4}\%$ of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;
- (b) if the member of the Police Force has attained the age of 35 years, but is under the age of 55 years, and is not contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the amount of his or her contribution to the Fund to—
- (i) unless he or she is entitled to elect and elects as prescribed by subparagraph (ii)—such sum as will add to the number of units for which he or she is contributing the maximum number of additional units for which he or she could have contributed if he or she had been a contributor to whom paragraph (a) applies; or
 - (ii) if the sum specified in subparagraph (i) exceeds the rate of $5\frac{3}{4}\%$ of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in the said scale) not less than $5\frac{3}{4}\%$ of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;
- (c) if the member of the Police Force has attained the age of 55 years—he or she may, subject to paragraph (d), elect to increase the amount of his or her contribution to such a sum as will provide units of benefits under this Act to a number not

Police Superannuation Act 1968

exceeding the number specified in column 2 of the scale contained in Schedule 1 opposite to the salary group in which his or her increased salary falls, but unless he or she so elects not later than 6 months after the date on which his or her salary is increased, he or she shall not be entitled, save as provided by section 26, or required to increase his or her contribution by reason of such increase in salary;

- (d) a member of the Police Force to whom paragraph (c) applies shall not, in respect of any increase in salary, be entitled or permitted under that paragraph to increase the amount of his or her contribution so as to add to the number of units for which he or she was contributing immediately prior to that increase additional units in excess of the number prescribed in relation to that increase by such scale;
- (e) in all other cases—the contributor shall increase the amount of his or her contribution to such a sum as will provide units of benefits to the number specified in column 2 of the scale contained in Schedule 1 opposite to the salary group within which his or her increased salary falls.

(5) Any increased contribution payable in pursuance of subsection (4)(a), (b) or (e) is payable as from the first day of the periodical interval at which contributions to the Fund are prescribed to be made next after the date—

- (a) upon which the contributor's salary is increased; or
- (b) from which the contributor's salary is increased, whichever is the later.

(6) Any increased contribution payable in pursuance of subsection (4)(c) is payable as from the first day of the periodical interval at which contributions to the Fund are prescribed to be made next after the date of the election.

(7) For the purposes of this Division where the salary of a member of the Police Force falls within the salary group 'exceeding \$450.20' set out in column 1 of the scale contained in Schedule 1, the number ascertained in accordance with the formula in column 2 of that scale set opposite that salary group shall, with respect to that member, be deemed to be the number specified in column 2 of that scale opposite to the salary group within which his or her salary falls.

Police Superannuation Act 1968

(8) For the purposes of the application at any time in relation to a contributor of the formula in column 2 of the scale contained in Schedule 1 opposite to the salary group ‘exceeding \$450.20’ in column 1 of that scale—

“A” denotes the number of times (disregarding any fraction less than 1) by which the fortnightly salary of the contributor exceeds the sum of \$450.20 by the sum of \$6.38.

(9) For the purposes of contributions for units of benefits by members of the Police Force in accordance with the scale contained in Schedule 1, the salary of every member who is a contributor at the commencement of the *Police Superannuation Act Amendment Act 1970* shall be deemed increased on and from the date of that commencement from the maximum salary within the salary group in column 1 of the said scale opposite to the number in column 2 of the said scale that was the number specified in column 2 of the scale contained in Schedule 1A opposite to the salary group in which his or her salary fell immediately before the commencement of the *Police Superannuation Act Amendment Act 1970* and this Act shall apply accordingly.

Contributions by members of Police Force whose age for retirement is 62 or 65 years

25.(1) This section applies to every member of the Police Force whose age for retirement is 62 or 65 years of age.

(2) Every member of the Police Force who was a contributor immediately before the time when the member became a member to whom this section applies shall continue to contribute to the Fund until the member attains the age of 60 years the sum that the member was contributing thereto immediately before that time and the contribution shall be in respect of the number of units of benefits for which the member was so contributing and shall continue to be based upon an age for retirement of 60 years.

(3) A member of the Police Force to whom this section applies shall not be entitled upon attaining the age of 60 years to payment of annuity benefit in respect of the units of such benefit for which the member has continued to make contribution based upon an age for retirement of 60 years as required by subsection (2) but, subject to subsection (4), the member shall, upon attaining the age that is the member’s age for retirement, be entitled to receive annuity benefit in respect of those units as if the member had been

Police Superannuation Act 1968

contributing for those units upon the member attaining the member's age for retirement.

(4) The amount of annuity benefit payable in respect of the units to which subsection (3) applies—

- (a) shall be calculated having regard to the fact that contribution to the Fund in respect of those units of annuity benefit ceased to be derived from the contributor upon the contributor attaining the age of 60 years; and
- (b) shall be increased by an amount ascertained by multiplying the portion of the annuity benefit corresponding to the contributions made by the contributor by a percentage determined by the Actuary appointed pursuant to this Act and approved by the Board as being attributable to the increase in value of the contributions to the Fund in respect of those units of annuity benefit derived from the contributor by reason that payment of the annuity benefit has been postponed until the contributor attained the contributor's age for retirement.

(5) Upon attaining the age of 60 years, a member of the Police Force required by subsection (2) to continue to contribute to the Fund shall thereafter, until the member attains the member's age for retirement, continue to contribute to the Fund for units of incapacity benefit to the number for which the member was contributing immediately before attaining the age of 60 years and shall contribute such sum as will, at rates of contribution determined by the Actuary appointed pursuant to this Act upon the basis of that member's age for retirement and approved by the Board, provide those units of incapacity benefit.

When member of Police Force may voluntarily increase contribution

26.(1) Any member of the Police Force who is not contributing to the Fund for units of benefits to the number thereof specified in the scale contained in Schedule 1 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.

(2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—

Police Superannuation Act 1968

- (a) the number thereof specified in the said scale opposite to the salary group in which the salary of the member of the Police Force making the election falls; and
- (b) the number thereof for which such member of the Police Force is contributing.

(3) Unless exempted by the Board therefrom a member of the Police Force shall, before at any time increasing the amount of his or her contribution to the Fund under this section, be medically examined at his or her own expense by a medical practitioner.

(4) A member of the Police Force shall not at any time increase the amount of his or her contribution to the Fund under this section if, after considering the report of the medical practitioner, the Board is not satisfied that the health and physical condition of such member of the Police Force are such as would justify his or her being then accepted as a contributor.

(5) Any increased contribution under this section shall be payable as from the first day of the periodical interval at which contributions to the Fund are prescribed to be made next after the date when the Board accepts as a contributor under this section the member of the Police Force making the election.

Power to Board to exempt etc. from contributing

27.(1) According as the circumstances of any case in its opinion warrant, the Board may exempt a member of the Police Force wholly or partly from the requirement imposed upon him or her by this Act to contribute, or at any time to increase the amount of his or her contribution, to the Fund, or the Board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.

(2) When the Board specifies the period for which it defers the contribution or any increased contribution required by this Act to be paid by a member of the Police Force, then upon the expiration of that period (or of any extension thereof which it is hereby declared the Board may grant) that member of the Police Force shall, unless the Board wholly or partly exempts him or her from so doing, pay to the Fund the contribution or increased contribution then required in his or her case by this Act.

Police Superannuation Act 1968

(3) When the Board does not specify the period for which it defers the contribution, or any increased contribution, required by this Act to be paid by a member of the Police Force, the Board may at any later time determine that deferment and thereupon, unless the Board wholly or partly exempts him or her from so doing, the member of the Police Force concerned shall pay to the Fund the contribution or increased contribution then required in his or her case by this Act.

(3A) According as the circumstances of any case in its opinion warrant, the Board shall, subject to subsection (3B), exempt a contributor who had attained the age of 45 years before the commencement of the *Police Superannuation Act Amendment Act 1970* wholly or partly from the requirement imposed by this Act to contribute in accordance with section 31(2) in respect of the units of benefits to which that subsection applies and in respect of any such units of benefits to which the exemption relates any contributor so exempted shall, instead of contributing in accordance with that subsection, continue to contribute in accordance with the applicable table of contributions contained in Schedule 2.

(3B) No exemption shall be granted by the Board under subsection (3A) unless application in writing therefor is lodged with the Board before the expiration of a period of 60 days commencing on the date of commencement of the *Police Superannuation Act Amendment Act 1970*.

(4) In the case of any member of the Police Force (including a member of the Police Force to whom subsection (2) or (3) applies) partly exempted by the Board from making the contribution or any increased contribution required in his or her case by this Act, the payment which he or she would be otherwise required to make shall be reduced by the amount of the exemption.

(5) Where a contributor satisfies the Board that adequate provision has been made for the contributor and, in the case of a male contributor, his family, or that continued contributions for the number of units for which he or she is contributing will cause him or her undue hardship, or that for any other reason which the Board deems adequate he or she should be permitted to surrender units, the Board may permit the contributor to surrender some or all of the units of benefits under this Act for which he or she is contributing.

(6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance

benefit surrendered under subsection (5) accumulated at the rate of 11¼% per annum compound until 30 June 1990 and thereafter at the net earning rate of the Fund compound shall be paid to the contributor.

(7) The units surrendered by a contributor under subsection (5) shall be—

- (a) in a case where the contributor is contributing under section 26 for units of benefit—those units if the contributor nominates those units as the units to be surrendered;
- (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

Member reduced in salary

28.(1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in column 1 of the scale contained in Schedule 1 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of 11¼% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the Fund compound shall be paid to him or her.

(2) A contributor electing under subsection (1) shall surrender first the unit or units for which he or she last began to contribute.

(3) The benefits (save the additional assurance benefit in respect of children) payable under this Act in respect of units respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under subsection (1) respectively of sections 38, 40 and 42.

Units of benefits to be contributed for in equal numbers

29. At all times units (including units to which Division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of one such benefit than of another.

Period for which contributions are to continue

30.(1) Except as prescribed by section 25, a member shall continue to contribute as prescribed to the Fund until the last day of the fortnightly pay-period last preceding the day on which—

- (a) he or she ceases to be a member; or
- (b) he or she attains the age for retirement; or
- (c) his or her service as a member, ascertained as prescribed by section 26 of the 1974 Act equals 42 years and 6 months;

whichever first occurs, and except as aforesaid, shall continue to pay contribution, as for a period of service, without reduction in respect of any period of leave or other absence from duty.

(1A) Where absence from duty referred to in subsection (1), other than sick leave of absence without pay, is for a continuous period of 14 days or more (whether or not working days) a contributor shall, unless the contributor elects pursuant to subsection (1B) in addition to continuing to contribute to the Fund as provided by subsection (1), pay to the Consolidated Fund for the period, an amount determined by the Treasurer.

(1B) A contributor who would be required to pay amounts to the Consolidated Fund under subsection (1A) may elect in writing furnished to the Board not to pay contributions to the Fund in respect of the period of absence whereupon—

- (a) contribution to the Fund in respect of the contributor shall cease to be payable in respect of the period of the contributor's absence; and
- (b) the Board shall waive the additional payments to the Consolidated Fund that would be required by subsection (1A) to be made by the contributor; and

- (c) the benefits to which the contributor or the contributor's dependants may become entitled under this Act shall be reduced by such amounts as are determined by the Actuary and approved by the Board.

(1C) The Governor in Council may waive the requirement under subsection (1A) to make additional payments to the Consolidated Fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.

(2) Where a contributor is absent from duty without pay or at less than full salary, the Board may, upon his or her application, permit the contribution in respect of the period of such absence to be made to the Fund in such manner as respects periodical amounts or times of payment, or both, as the Board approves.

(3) A contributor who, pursuant to subsection (1) or (1A), is required to pay contributions to the Fund and to make additional payments to the Fund in respect of a period of absence from duty—

- (a) shall, before commencing the period of absence, pay to the Fund the total amount of contributions and payments that the contributor is so required to pay; or
- (b) shall, before commencing the period of absence, make arrangements satisfactory to the Board for payment of the total amount of contributions and additional payments that the contributor is so required to pay.

(4) Where a contributor to whom subsection (3) applies does not comply with paragraph (a) or (b) of that subsection the benefits to which the contributor or the contributor's dependants may become entitled under this Act may be reduced by such amounts as are determined by the Actuary and approved by the Board.

Refund of excess contributions

30A. Where a contributor has paid to the Fund contributions in excess of those prescribed by this Act, the Board shall refund to the contributor such sum of money in respect of those contributions as is determined by the Actuary and approved by the Board.

Police Superannuation Act 1968

the notice, of such units of benefits in accordance with the applicable table of contributions contained in Schedule 2 and to commute the increase in contributions for the units of benefits in respect of which the contributor elects under this subsection arising by reason of the contributor being required to contribute therefor in accordance with subsection (2) by payment of a lump sum of such amount as shall be determined by the Actuary appointed pursuant to this Act and approved by the Board.

(5) A contributor who pays the lump sum referred to in subsection (4) shall so long as the contributor continues to contribute for the units of benefits in respect of which the contributor elected under that subsection in accordance with the applicable table of contributions contained in Schedule 2 be deemed to be contributing therefor in accordance with subsection (2).

(9) A contributor who in accordance with an election pays the lump sum specified in subsection (6) or (8) in relation to the case shall be deemed to have contributed for the units of benefits the subject of the election in accordance with subsection (2).

(11) A reference in this Act to rates of contribution determined by the Actuary appointed pursuant to this Act and approved by the Board upon the basis of an age for retirement of 65 years includes a reference to such rates as varied from time to time by the said Actuary with the approval of the Board and to rates of contribution so determined and approved in substitution for any such rates previously in force and applicable generally or to a particular case.

Police Superannuation Act 1968

of benefit provided for under section 51A, the Actuary appointed pursuant to this Act determines with the approval of the Board to vary the rates of contribution to which subsection (11) relates, or to substitute new rates of contribution, the provisions of subsections (2) to (10) shall apply with all necessary adaptations in respect of units of benefits for which contributions are based upon an age for retirement of 65 years and for the purpose of so applying those provisions, without limiting the generality hereof, a reference in those subsections to ‘Schedule 2’, ‘Schedule 2, Part 1’ or ‘Schedule 2, Part 2’ shall be read as if it were a reference to ‘rates of contribution referred to in subsection (11) as in force immediately before the said commencement’ and a reference to ‘Schedule 2A’ shall be read as if it were a reference to ‘rates of contribution varied as specified in subsection (11) or to rates of benefit substituted as so specified for the rates of contribution in force immediately before the said commencement’.

(13) Nothing in section 24 shall be read as limiting the amount of the contribution payable by a contributor under this section.

(14) For the purpose of subsection (15)—

“hypothetical fortnightly contribution” means the fortnightly contribution, as at 1 January 1975, that would have been payable by a contributor in respect of the units of benefit (the **“said units of benefit”**) for which he or she is a contributor under this Act as at that date (excluding any units of benefit that were effected pursuant to section 26 after 1 August 1974 and any reserve units of benefit) if—

- (a) each (if any) of the said units of benefit that was taken up pursuant to section 26 had been effected immediately before the date of its becoming a unit of benefit in respect of which an election might be made under section 26; and
- (b) each (if any) of the said units of benefit in respect of which any fortnightly contributions have been commuted by payment of a lump sum had not had the contribution in respect thereof so commuted;

but where neither paragraph (a) or (b) is applicable to the case in question means the fortnightly contribution as at 1 January 1975 that is payable by a contributor in respect of the said units of benefit.

(15) A contributor whose hypothetical fortnightly contribution exceeds the sum equal to 15%, or, in case of a contributor whose age for retirement

Police Superannuation Act 1968

is 65 years, 13%, of his or her fortnightly salary as at 1 January 1975 may, by application in writing to the Board prior to 1 March 1975, have the actual fortnightly contribution that is payable by him or her as at that first mentioned date in respect of the said units of benefit reduced by whichever is the lesser of—

- (a) the fortnightly contribution that is payable by the contributor as at the said 1 January; and
- (b) $\frac{1}{3}$ of the excess of the hypothetical fortnightly contribution over the sum equal to 15% or, in the case of a contributor whose age for retirement is 65 years, 13%, of such fortnightly salary.

(16) Any reduction in the actual fortnightly contribution under subsection (15) shall apply retrospectively on and from the first due date for the payment of the contributor's fortnightly contributions after 1 January 1975.

Reduction in contributors' contribution in 1988

31A.(1) Notwithstanding the provisions of section 31, on and from the day that is the first pay day in July 1988 for the contributor concerned the amount of a contributor's contributions payable in accordance with those provisions immediately before that day shall be reduced by 1.5% of the amount of salary to which the contributor was entitled as at 31 December 1974.

(2) In no case shall a contributor be entitled to a payment by reason of the reduction in the amount of the contributor's contribution.

*Division 4—Reserve units of benefits***Contribution for reserve units**

32.(1) A contributor who is contributing to the Fund for units of benefits to the number thereof specified in the scale contained in Schedule 1 opposite to the salary group within which his or her salary falls, may, from time to time, elect to contribute to the Fund for 1 or more reserve units of benefits in accordance with this Division.

(3) Contributions for a reserve unit of benefit—

- (a) in the case of a member of the Police Force the age for retirement of whom is 60 years—shall be in accordance with, in the case of a male member of the Police Force, the table of contributions contained in Schedule 2A, Part 1 and, in the case of a female member of the Police Force, the table of contributions contained in Schedule 2A, Part 2; and
- (b) in the case of a member of the Police Force the age for retirement of whom is 65 years—shall be in accordance with rates of contribution determined by the Actuary appointed pursuant to this Act upon the basis of an age for retirement of 65 years and approved by the Board; and
- (c) shall be payable as from the first day of the periodical interval at which contributions to the Fund are prescribed to be made next after the date on which the contributor elects to contribute for that reserve unit of benefit.

(4) Unless exempted by the Board therefrom a member of the Police Force shall, before at any time contributing or increasing the amount of his or her contributions for reserve units of benefits under this Division, be medically examined at his or her own expense by a medical practitioner.

(5) A member of the Police Force shall not at any time increase under this Division the amount of his or her contributions to the Fund if after considering the report of the medical practitioner, the Board is not satisfied that the health and physical condition of such member of the Police Force are such as would justify his or her being then accepted as a contributor.

When reserve units become ordinary units of benefits

33. Where a contributor—

- (a) who is contributing for 1 or more reserve units of benefits pursuant to this Division; and

Police Superannuation Act 1968

- (b) who becomes required or entitled to contribute for additional units of benefits under the provisions of this Act (other than this Division);

does not increase the amount of his or her contributions to the Fund by such sum as is sufficient to provide, in accordance with the appropriate rates of contributions applicable to the particular case under this Act, the additional units of benefits, such number of reserve units of benefits up to but not exceeding the number of such units for which the contributor is contributing pursuant to this Division as is equal to the difference between—

- (c) the number of units of benefits specified in the scale contained in Schedule 1 opposite to the salary group within which the contributor's salary falls; and
- (d) the number thereof (other than reserve units of benefits) for which such member of the Police Force is contributing;

shall cease to be reserve units to which this Division applies and shall become units of benefits for which the contributor is contributing under the provisions of this Act (other than this Division) the contribution for which shall continue to be the contribution that the contributor was making to the Fund therefor immediately before the units of benefits so ceased to be reserve units.

Contributor may discontinue contribution for reserve units

34. A contributor who is contributing for 1 or more reserve units of benefits may, subject to section 29, elect to discontinue his or her contributions in respect of all or any of those units in which case he or she shall be paid from the Fund the sum equal to the aggregate of all amounts paid by him or her in respect of units or annuity benefit, incapacity benefit and assurance benefit for which he or she has so elected to discontinue his or her contributions accumulated at the rate of $1\frac{1}{4}\%$ per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the Fund compound.

Benefits payable on reserve units

35.(1) Where a contributor contributes for reserve units of benefit pursuant to this Division, the benefits payable under this Act in respect of all reserve units respectively of annuity benefit, incapacity benefit and assurance benefit for which the contributor is contributing for the time being (not being units of such benefit which have ceased pursuant to section 33 to be reserve units of benefits) shall, whilst they continue to be reserve units, be 35% of the rates thereof which would apply under this Act if those reserve units were units of benefit for which the contributor was contributing within the number appropriate to the salary group in column 1 of the scale contained in Schedule 1 in which the salary of the contributor falls for the time being.

(2) In the case of a contributor who is continued in his or her employment as a member of the Police Force after attaining the age for retirement, benefits payable in respect of reserve units of annuity shall be payable to the contributor on attaining this age and shall be at the same rate as that to which the contributor would be entitled if the contributor had ceased to be a member on attaining the age for retirement.

- (b) he or she attained the age for retirement or retires from service by reason of an election referred to in section 37(2)(d);

shall be entitled by notice in writing lodged with the Board to elect to be paid, in respect of all or any of the number of reserve units of annuity benefit and, in the case of a male contributor, assurance benefit and, in the case of a contributor to whom paragraph (a) applies, incapacity benefit, in respect of which but for the election he or she would be entitled to receive benefit pursuant to section 35, the sum prescribed by this section.

(3) Where a contributor who is contributing pursuant to this Division for 1 or more reserve units respectively of annuity benefit, incapacity benefit and assurance benefit ceases to be a contributor for a reason other than a reason specified in subsection (1) there shall be paid to him or her, or, if he or she has died, to his or her personal representative or other person approved by the Board from the Fund the sum prescribed by this section in respect of all reserve units respectively of annuity benefit, incapacity benefit and, save where the contributor ceases to be a contributor by reason of death before attaining the age for retirement leaving the contributor surviving a widow, assurance benefit for which he or she was contributing to the Fund pursuant to this Division at the time when he or she ceased to be a contributor (not being units of such benefit which have ceased pursuant to section 33 to be reserve units of benefits).

(4) The sum prescribed by this section to be paid in respect of the number of reserve units of the benefits in question shall be a sum equal to—

- (a) in the case of a contributor who ceased to be a contributor on account of death or retirement by reason of incapacity or attainment of the age for retirement or retirement from service by reason of an election referred to in section 37(2)(d)—such amount as shall be determined by the Actuary appointed pursuant to this Act and approved by the Board;
- (b) in any case to which paragraph (a) does not apply—the aggregate of all amounts (accumulated at the rate of 1 $\frac{1}{4}$ % per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the Fund compound) contributed by the contributor in question in respect of such number of reserve units of annuity benefit, incapacity benefit and assurance benefit.

(2) Payments to be made under this section by the Treasurer into the Fund shall be made from the Consolidated Revenue Fund (exclusive of moneys standing to the credit of the Loan Fund Account) which is hereby appropriated accordingly.

Ascertainment of lump sum payable

47C.(1) Subject to this section, the amount of the lump sum that a contributor or other person is entitled to be paid in respect of any application under section 47A is such amount as is determined by the Actuary appointed pursuant to this Act and approved by the Board as the actuarial reserve of the units of annuity benefit to which the application relates.

no regard shall be had to any increase in the rate of benefit to which the applicant might have become entitled in relation thereto under section 51A if the application had not been made.

(4A) In the case of a contributor who retires pursuant to an election as is mentioned in section 37(2)(d), for the purpose of determining the lump sum that is payable under this Division each unit of annuity benefit in respect of which the contributor makes an application under section 47A shall be taken to provide a benefit ascertained in accordance with the formula prescribed by section 38(3), (3A) or (3B), as the case requires.

(5) In determining the lump sum payable under this Division with respect to units the subject of an application under section 47A (not being an application to which subsection (4) relates), no regard shall be had to any part of the increase in the rate of benefit to which the applicant might have become entitled in relation thereto under section 51A if the application had not been made that the Actuary appointed pursuant to the Act determines, with the approval of the Board, to be applicable to the part or proportion of those units of annuity benefit attributable to contributions to the Fund derived from the Crown.

Division 6—General provisions respecting benefits**Right to prepay contributions**

48.(1) The Board may permit a contributor to commute the contribution for benefits under this Act, or any of them, payable by him or her in respect of any future period by payment of a lump sum of such amount as shall be determined by the Actuary appointed pursuant to this Act and approved by the Board.

(2) Where a contributor has commuted wholly or in part any contributions under this Act attributable to a period within the 5 years immediately preceding the age for retirement the contributor is, upon the contributor's application therefor made to the Board prior to the date of retirement, entitled to be paid from the Fund in respect of the contributions so commuted and attributable to such part of that period as commences on the date of the contributor's application or a date specified by the contributor in the application (whichever is the later date) and expires at the termination of that period such sum of money as is determined by the Actuary and approved by the Board.

(3) Where a contributor who elects to retire at any time within the period of 5 years immediately preceding the day on which the contributor would attain the age for retirement has commuted wholly or in part any contributions under this Act attributable to any period after the date of retirement and has not been paid under subsection (2) a sum of money in respect of the whole of the contributions so commuted the contributor is, in addition to any benefit entitlement under this Act, entitled to be paid from the Fund such sum of money in respect of such contributions as is determined by the Actuary and approved by the Board, due allowance being made for any sum of money that has been paid under subsection (2) in respect of such contributions.

Commencement of benefits

51. Subject to this Act, where in pursuance of this Act any member of the Police Force becomes liable, or elects, to contribute for any units or additional units, he or she shall be a contributor in respect of those units or additional units as from the date as from which the contribution or additional contribution therefor is payable and not earlier, but if any benefit becomes payable to or in respect of that contributor before he or she has actually commenced to make contributions or additional contributions there shall, as determined by the Board, be deducted from payments of benefit such contributions as are due by him or her in respect of those units or additional units.

Increases in rates of benefit

51A.(1) Subject to subsection (4), a person who is entitled to receive annuity benefit, incapacity benefit, assurance benefit or additional assurance benefit, as the case may be, under this Act is entitled to an increase in the rate of that benefit in accordance with this section.

(2) The increased rate of annuity benefit, incapacity benefit, assurance benefit or additional assurance benefit, as the case may be, payable to the person in question at any time after the commencement of the *Police Superannuation Act Amendment Act 1970* shall be the rate ascertained in accordance with the formula—

$$P (1 + .03T)$$

where—

Police Superannuation Act 1968

“**P**” means the rate of benefit prescribed in relation to that person at that time and in the circumstances then obtaining by the provisions of this Act (other than this section).

“**T**” means the number of periods each of 1 year that have elapsed between—

(a) in the case of a person whose entitlement to receive the benefit in question arises on or after the commencement of the *Police Superannuation Act Amendment Act 1970*—the date on which occurred the earliest of such of the following events as have occurred prior to the time at which the increased rate is to be ascertained—

(i) the retirement of the contributor to whom the benefit in question is payable or through whom the benefit is derived from his or her employment as a member of the Police Force by reason of incapacity without again becoming a member;

(ii) the death of the contributor through whom the benefit in question is derived;

(iii) the attainment of the age of retirement by the contributor to whom the benefit in question is payable or through whom the benefit is derived;

(c) in the case of a person whose entitlement to receive the benefit in question arose less than 1 year before the commencement of the *Police Superannuation Act Amendment Act 1970*—the date on which the entitlement arose;

and the date on which occurs the time with respect to which the increased rate is to be ascertained, increased, where in the case in question the person to whom the benefit in question is payable has been continuously entitled to receive benefit under this Act since before

Police Superannuation Act 1968

1 July 1973 and until the time at which the increase is to be ascertained, by 1 and, where in the case in question the person to whom the benefit in question is payable is a person to whom paragraph (b) relates, further increased by 1.

(3) A person entitled to receive annuity benefit, incapacity benefit, assurance benefit or additional assurance benefit, as the case may be, under this Act is entitled to receive that benefit at the rate prescribed in relation to that person at the time in question and in the circumstances then obtaining by the provisions of this Act other than this section or at the increased rate as ascertained at that time and in those circumstances in accordance with this section whichever is the greater.

(4) This section does not entitle a person to any increase in the rate of benefit in relation to any unit of benefit in respect of which an exemption is granted by the Board pursuant to section 27(3A).

(5) The Board shall at such times and on such terms and conditions as may be agreed upon between the Board and the Treasurer pay to the Treasurer out of income earned in any year from investments accrued to the Fund in excess of an earning rate thereon of 7% per annum sums that, disregarding any sums attributable to interest on the sum outstanding, amount in the aggregate to $\frac{2}{7}$, or, where the Treasurer determines a proportion for the purposes of section 49(1)(b) of the *Police Superannuation Act 1974*, such other proportion, as determined by the Treasurer, that bears the same relativity to the proportion determined under section 49(1)(b) as $\frac{2}{7}$ bears to $\frac{5}{7}$, of the sums paid to the Fund by the Treasurer to make proper provision for the payment out of the Fund of increases in the rate of benefit prescribed by this section for persons whose entitlement to receive the benefit in question—

- (a) arose before the commencement of the *Police Superannuation Act Amendment Act 1970* (the “**commencement**”); or
- (b) though arising after the commencement—
 - (i) was derived from a contributor—
 - (A) who was retired from his or her employment as a member of the Police Force by reason of incapacity without again becoming such a member; or
 - (B) who was retired for that the contributor had reached the

age for retirement;

before the commencement; or

- (ii) arose by reason of the person, having been retired from his or her employment as a member of the Police Force by reason of incapacity before the commencement without again becoming such a member, having attained the age for retirement.

(6) This section shall not apply in relation to annuity benefit, incapacity benefit, assurance benefit, or additional assurance benefit entitlement to which arises on or after 1 July 1974 or so as to increase in respect of any period, or part of a period, occurring on or after 1 July 1974, the rate of any benefit payable under this Act.

Adjustment of benefits

51B.(1) In this section—

“basic rate”, in relation to a benefit, means the rate at which the benefit was payable under this Act when it came into force.

“Index” means the table described as the ‘Consumer Price Index Numbers—All Groups, Brisbane’ that is published by the Commonwealth Statistician under the authority of the *Census and Statistics Act 1905*.

“pay-period” means the period with respect to which the fortnightly or other periodic instalment of benefits is payable in pursuance of section 49(3).

“year”, save in subsection (3), means a year commencing on 1 August.

(2) Subject to this section, a benefit under this Part shall be adjusted by the Board in each year in accordance with this section.

(3) The Government Statistician shall, as soon as practicable after 30 June 1974 and in each year thereafter, give to the Minister a notice specifying the percentage (expressed to a degree of accuracy of not more than 1 decimal place) by which the Index for the quarter ended on that day is greater or less than the Index for the same quarter in the immediately preceding year.

(4) On receipt of a notice under subsection (3), the Minister shall, by

Police Superannuation Act 1968

order—

- (a) declare the percentage by which benefits shall be adjusted (whether by way of increase or decrease) in the year commencing on 1 August next after the quarter first mentioned in that subsection; or
- (b) if, by reason of the operation of subsection (9), no adjustment is to be made in respect of that year—declare that benefits shall not be adjusted in respect of that year.

(5) A percentage declared under subsection (4)(a) in respect of any year shall be the same as the percentage specified in the notice given to the Minister under subsection (3).

(6) An adjustment of a benefit in respect of any year made under this section shall be made—

- (a) by increasing, or as the case may require by decreasing, the rate at which immediately before the making of the adjustment, the benefit was payable by the percentage declared in respect of that year under subsection (4); and
- (b) so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in that year.

(7) The following provisions apply to and in relation to the first adjustment of a benefit pursuant to this section if at the time when the adjustment is to be made the benefit has been in force for less than 12 months; namely—

- (a) in the case of a benefit that comes into force after 1 July in any year—the first adjustment of that benefit shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the second year after the year in which the benefit comes into force;
- (b) in the case of a benefit that comes into force on or before 1 July in any year—the first adjustment of that benefit shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the year immediately following the year in which the benefit comes into force;

- (c) the fortnightly amount by which a benefit to which paragraph (b) applies is to be increased or decreased shall be calculated in accordance with the prescribed formula.

(8) For the purposes of subsection (7)(c), the prescribed formula is the formula—

$$V = A \times \frac{M}{12}$$

where—

“V” means the fortnightly amount referred to in that paragraph.

“A” means the amount by which, but for the operation of that subsection, the benefit would have been increased or decreased.

“M” means the number of whole months from the day on which the benefit came into force until the following 31 July (both days inclusive).

(9) Except as provided in subsection (10), where the percentage specified in a notice under subsection (3) in respect of any year is less than 1% no adjustment of benefits shall be made in respect of that year.

(10) Where each of the percentages specified in a notice under subsection (3) in respect of any 2 or more successive years is less than 1% but those percentages are in the aggregate, equal to, or greater than 1% (whether by way of increase or decrease), benefits shall be adjusted in respect of the latest of those years as if the percentage declared in respect of that year were a percentage equal to that aggregate.

(11) Nothing in this section requires the rate of a benefit to be decreased below the basic rate and if, by reason of the making of an adjustment under this section, the rate of a benefit would be so decreased, that benefit shall, until it is next increased to a rate exceeding the basic rate by reason of the making of such an adjustment, be deemed to be payable at the basic rate.

(12) Where—

- (a) by reason solely of the operation of subsection (11), a benefit is being paid at the basic rate; and
- (b) an adjustment, by way of increase, is required to be made to the rate of that benefit in respect of any year;

that adjustment shall be made as if, immediately before the making of the adjustment, the benefit were payable at the rate at which, but for the operation of that subsection, it would have been payable.

(13) This section does not entitle a person to any increase in the rate of benefit in relation to any unit of benefit in respect of which an exemption has been granted by the Board pursuant to section 27(3A).

Adjustment of benefits where entitlement follows a former entitlement

51C. Where on or after 1 July 1974 a person becomes entitled to a benefit under Division 1 (the “**subsequent benefit**”) and the person was, immediately before becoming so entitled, entitled to a benefit under Division 2 (the “**former benefit**”) and has not since becoming entitled to the former benefit resumed employment as a member, the benefit to which the person is entitled is a benefit calculated in accordance with the formula—

$$P = A \times \frac{B}{C}$$

where—

“**P**” means the fortnightly amount of the benefit payable to the person.

“**A**” means the fortnightly amount of the benefit that would have been payable to the person but for this section.

“**B**” means the fortnightly amount of the former benefit that was payable under this Act to the person immediately before becoming entitled to the subsequent benefit.

“**C**” means the fortnightly amount of the former benefit that was payable to the person on becoming entitled thereto.

Variation of entitlement to adjustment

51D.(1) Where in the opinion of the Board a person in receipt of a benefit under this Part would be prejudicially affected by an increase in his or her benefit under section 51B the Board may determine—

- (a) that such person receive no increase in benefit under that section;
- or
- (b) that such person receive an increase in benefit less than that

provided for by that section;

and the determination shall be given effect according to its terms notwithstanding that section.

(2) The Board may revoke or vary a determination under subsection (1).

(2A) In the event of a revocation of a determination the amount of the benefit to which the determination related shall, as from the date of the revocation, be the same as if that determination had not been made.

(2B) In the event of a variation of a determination the amount of the benefit to which the determination relates shall, as from the date of the variation, be in accordance with the determination as so varied.

(3) Unless it is otherwise determined by the Board, for the purpose of determining the amount of benefit payable under section 42 or 51C all determinations made under subsection (1) and variations made under subsection (2) shall be disregarded and the person in receipt of benefit shall be deemed to have been receiving, immediately before the person's death or, as the case may be, immediately before becoming entitled to the subsequent pension referred to in section 51C, the amount of benefit that would have been payable to the person had no such determination been made.

Proof of continued incapacity

52.(1) Any person who has been retired, by reason of incapacity, from employment as a member of the Police Force, and who is in receipt of incapacity benefit, shall whilst he or she continues to be in receipt of incapacity benefit, give as prescribed such notifications and certificates relating to his or her continued incapacity as shall be prescribed and submit himself or herself for medical examination when and so often as the Board requires to any medical practitioner or medical practitioners approved by the Board.

(2) If at any time a person defaults in complying with any requirement of subsection (1) of this section, the Board may discontinue the payment to him or her of incapacity benefit until he or she remedies the default to its satisfaction.

Incapacity beneficiary restored to health may be recalled to service

53.(1) If, in the opinion of the Board, the health of any person who has been retired, by reason of incapacity, from employment as a member of the Police Force, and who is in receipt of incapacity benefit, has become so restored as to enable him or her to perform, in the opinion of the Board, duties as a member of the Police Force, the Board shall so inform the Commissioner of Police with a view to employment as a member of the Police Force being found for such person.

(2) If employment as a member of the Police Force is offered to him or her and he or she fails to accept that employment the Board may cancel the incapacity benefit and thereupon it shall cease to be payable.

(3) Upon the cancellation pursuant to this section of the incapacity benefit payable to any person, neither that person nor any other person claiming through him or her, either immediately or at any future time, shall have any right or claim to any payment or, as respects incapacity benefit, further payment from the Fund in respect of any units of annuity benefit, or of incapacity benefit, or in the case of a male contributor of assurance benefit (including additional assurance benefit) for which he or she was contributing to the Fund when he or she retired save that such person shall be paid from the Fund the sum equal to the aggregate of all amounts paid by him in respect of units of annuity benefit and assurance benefit accumulated at the rate of $1\frac{1}{4}\%$ per annum compound until 30 June 1990 and thereafter at the net earning rate of the Fund compound.

(4) If at any time it appears to the Board that any person who has been retired, by reason of incapacity, from employment as a member of the Police Force, and who is in receipt of incapacity benefit, engages in—

- (a) any business or occupation on his or her own account; or
- (b) employment (not being employment by virtue whereof he or she is a member of the Police Force);

the Board may suspend the incapacity benefit.

(5) For the period during which any such person is engaged as mentioned in subsection (4), he or she shall not be entitled to or receive any incapacity benefit but the Board may direct that he or she receive, for that period or such part thereof as the Board determines, the whole of the incapacity benefit in question or such part thereof as the Board considers

reasonable.

(6) Upon the termination of the engagement by virtue whereof payment of incapacity benefit to any person has been suspended under subsection (5), such incapacity benefit shall, subject to this Act, again become payable and be paid to such person.

Contribution by retired incapacity beneficiaries upon re-employment

54. If a person who has been retired, by reason of incapacity, from employment as a member of the Police Force and who is in receipt of incapacity benefit again becomes a member of the Police Force, the period during which he or she was retired shall not, for the purposes of this Act, be deemed to be a break in the continuity of his or her service as a member of the Police Force, and accordingly the officer shall be deemed to be a contributor and contributions to the Fund shall again become payable by the person in accordance with this Act.

Postponement of payment of refunds

55.(1) Notwithstanding the provisions of sections 46, 46A or 47, where a contributor ceases to be a member by reason of—

- (a) resignation before attaining an age that is 5 years before the contributor's age for retirement; or
- (b) termination of employment as a member before attaining an age that is 5 years before the contributor's age for retirement, otherwise than on account of misconduct; or
- (c) resignation in accordance with arrangements approved by the Governor in Council in relation to contributors of the class of that contributor; or
- (d) non-renewal or termination by the Crown (otherwise than on account of misconduct) of a contract or appointment for a tenure limited by time under the *Police Service Administration Act 1990* and that contributor is not eligible to make, or does not make, an election in accordance with section 5.10 of that Act;

and that person makes an election pursuant to section 33 of the 1974 Act that person shall, by reason of having made that election, be treated as

Police Superannuation Act 1968

having elected not to take from the Fund the sums referred to in sections 46, 46A and 47.

(2) Where an election is, pursuant to subsection (1), treated as having been made, there is to be credited to the Fund on account of the elector the amount calculated in accordance with the formula—

$$A = \frac{B \times C}{D} [1 - .02 (f - E)]$$

where—

“A” means the amount payable.

“B” means the benefit to which the contributor would have been entitled had the contributor retired upon attaining the age expressed as F.

“C” means the period expressed in years for which the contributor has contributed to the Fund to the date on which the contributor ceases to be a member.

“D” means the period expressed in years for which the contributor would have contributed to the Fund had the contributor retired upon attaining the age expressed as F.

“E” means the contributor’s age expressed in years and complete months at the date on which the contributor ceases to be a member.

until, subject to subsection (3)—

Police Superannuation Act 1968

apply, notifies the Board of a desire to be paid the prescribed amount payable in cash;

whereupon the prescribed amount is to be paid to the contributor or to the contributor's legal personal representative, as the case requires.

(3) Where a person who is deemed pursuant to subsection (1) to have elected as prescribed by that subsection again becomes a contributor the prescribed amount credited in the Fund on the person's account under this section shall be added to the prescribed amount credited in the Fund on the person's account under section 33 of the 1974 Act and shall be applied in the manner prescribed by that section.

(4) In subsections (2) and (3)—

“prescribed amount”, so far as it relates to the amount that is to be paid pursuant to subsection (2) or that is to be applied pursuant to subsection (3), means—

- (a) where the elector, being a person to whom subsection (1)(a) or (b) apply; has informed the Board in writing that the elector no longer desires the election made under section 33 of the 1974 Act to operate—the sums which the elector would have been entitled to be paid from the Fund pursuant to sections 46, 46A and 47 had the elector not been deemed to have elected as prescribed by subsection (1) together with interest that has accrued since the date on which the elector ceased to be a member and that is properly attributable to those sums; and
- (b) in any other case—the amount credited in the Fund on account of the elector pursuant to subsection (2), together with interest for the period since the date on which the elector ceased to be a member.

(5) For the purposes of subsection (4)(a) and (b), interest shall be calculated at such rate as is determined by the Board, from time to time, on the advice of the Actuary which rate, at the time it is determined, is to reasonably reflect the after tax earnings of the Fund (on a long term basis) derived from the investment of contributors' contributions, having regard to costs incurred in investing and administering the Fund.

- (a) in the case of a benefit that comes into force after 1 July in any year—the first adjustment of that benefit shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the second year after the year in which the benefit comes into force;
- (b) in the case of a benefit that comes into force on or before 1 July in any year—the first adjustment of that benefit shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the year immediately following the year in which the benefit comes into force;
- (c) the fortnightly amount by which a benefit to which paragraph (b) applies is to be increased or decreased shall be calculated in accordance with the prescribed formula.

(8) For the purposes of subsection (7)(c), the prescribed formula is the formula—

$$V = A \times \frac{M}{12}$$

where—

“V” means the fortnightly amount referred to in that paragraph.

“A” means the amount by which, but for the operation of that subsection, the benefit would have been increased or decreased.

“M” means the number of whole months from the day on which the benefit came into force until the following 31 July (both days inclusive).

(9) Except as provided in subsection (10), where the percentage specified in a notice under subsection (3) in respect of any year is less than 1% no adjustment of benefits shall be made in respect of that year.

(10) Where each of the percentages specified in a notice under subsection (3) in respect of any 2 or more successive years is less than 1% but those percentages are in the aggregate, equal to, or greater than 1% (whether by way of increase or decrease), benefits shall be adjusted in respect of the latest of those years as if the percentage declared in respect of that year were a percentage equal to that aggregate.

(11) Nothing in this section requires the rate of a benefit to be decreased below the basic rate and if, by reason of the making of an adjustment under this section, the rate of a benefit would be so decreased, that benefit shall, until it is next increased to a rate exceeding the basic rate by reason of the making of such an adjustment, be deemed to be payable at the basic rate.

(12) Where—

- (a) by reason solely of the operation of subsection (11), a benefit is being paid at the basic rate; and
- (b) an adjustment, by way of increase, is required to be made to the rate of that benefit in respect of any year;

that adjustment shall be made as if, immediately before the making of the adjustment, the benefit were payable at the rate at which, but for the operation of that subsection, it would have been payable.

(13) This section does not entitle a person to any increase in the rate of benefit in relation to any unit of benefit in respect of which an exemption has been granted by the Board pursuant to section 27(3A).

Variation of entitlement to adjustment

65C.(1) Where in the opinion of the Board a person in receipt of a benefit under this Division would be prejudicially affected by an increase in his or her benefit under section 65B the Board may determine—

(2B) In the event of a variation of a determination the amount of the benefit to which the determination relates shall, as from the date of the

variation, be in accordance with the determination as so varied.

(3) Unless it is otherwise determined by the Board, for the purpose of determining the rate of pension payable under section 64 all determinations made under subsection (1) and all variations made under subsection (2) shall be disregarded and the person in receipt of benefit shall be deemed to have been receiving, immediately before the person's death, the amount of benefit that would have been payable to the person had no such determination been made.

8 Transitional and savings provisions

Police Act and Another Act Amendment Act 1970 s 24(4) provides—

(4) Notwithstanding anything in section 4 of the *Police Superannuation Act 1968–1970*, the age for retirement of the person in the office as Commissioner’s Inspector immediately before section 11 of this Act comes into operation shall, whilst he retains that office, be the age of 65 years.

Superannuation (Public Employees Portability and Acts Amendment) Act 1985 s 55 provides—

Preservation of existing entitlements

55. Entitlements that have arisen under the Principal Act shall continue to be governed by the Principal Act as if sections 41 to 42B of that Act had not been repealed by this Act and, in addition, in the application of section 42B of that Act to any such entitlement, as if the following subsection had been added to section 42B:—

‘(5) Where an entitlement to a widow’s assurance benefit had by reason of the death of a contributor or pensioner has ceased after the commencement of the *Superannuation Acts Amendment Act 1984* and revived as prescribed by section 41, this section does not apply in respect of the entitlement, upon its revival, derived through the same contributor or pensioner.’.
