---

an existing church corporation functioning in the bishop's diocese or archdiocese.

(2) The Corporation of the Bishops may also ask the chief executive to establish an existing church corporation under the part.

(2A) However, if the existing church corporation is a religious institute or an associated entity of a religious institute, a request for establishment may be made only if the religious institute's competent authority who has jurisdiction for the State has given written consent to the making of the request.

(2B) The consent must be given to the bishop or Corporation of the Bishops making the request.

(3) The request must—

- (a) be in a form approved by the chief executive; and
- (b) state the existing church corporation; and
- (c) state whether the corporation is an AI Act or RECI Act corporation; and
- (d) if the existing church corporation is a religious institute or an associated entity of a religious institute—be accompanied by a copy of the consent mentioned in subsection (2A).

(4) If there are constituent documents for the church entity which the corporation consists of and these are readily available to the bishop or Corporation of the Bishops, a copy of the documents certified as correct by the bishop or corporation must accompany the request.

### **Certificate of incorporation under this Act**

17.(1) If the chief executive receives a request under section 16 (Request to establish existing church corporation under this part) and is satisfied that the section has been complied with, the chief executive must issue a certificate of incorporation for the existing church corporation.

(2) On the issue of the certificate, the existing church corporation is established under this part as a corporation with the same name and constitution.

*Roman Catholic Church (Incorporation of  
Church Entities) Act 1994*

---

(3) The chief executive must give the certificate to the Corporation of the Bishops.

### **Composition of corporation**

**18.(1)** If, under canon law, persons constitute the church entity of which an existing church corporation established under this part consists, the corporation consists of those persons.

### **Establishment under this part does not affect legal personality etc.**

**21.(1)** The establishment of an existing church corporation under this part does not—

- (a) affect the corporation's legal personality or identity; or
- (b) affect a right, entitlement or liability of the corporation or anyone else; or

*Roman Catholic Church (Incorporation of  
Church Entities) Act 1994*

---

- (c) make legal proceedings by or against the corporation defective; or
- (d) nullify any exemption given to, or benefit enjoyed by, the corporation because of its incorporation under the AI Act or the RECI Act.

(2) Without limiting subsection (1), the establishment of the corporation under this part does not affect any right, entitlement, liability, exemption or benefit the corporation would have had or enjoyed apart from its establishment under this part.

(3) In addition, but without limiting subsection (1), if a legal proceeding might have been continued or started by or against the existing church corporation before the establishment, it may be continued or started by or against it after the establishment.

(4) To remove doubt, it is declared that the assets held by the existing church corporation immediately before its establishment under this part become, on the establishment, the assets of the corporation established under this part.

**Establishment under this part does not affect existing legal relationships**

22. Without limiting section 21(1) (Establishment under this part does not affect legal personality etc.), the establishment of an existing church corporation under this part—

- (a) does not place the corporation in breach of contract or otherwise make it guilty of a civil wrong; and
- (b) does not make the corporation in breach of any instrument, including, for example, an instrument prohibiting, restricting or regulating the assignment or transfer of any right or liability; and
- (c) is not taken to fulfil a condition—
  - (i) allowing a person to terminate an instrument or liability or modify the operation or effect of an instrument or liability; or
  - (ii) requiring any amount to be paid before its stated maturity; and

*Roman Catholic Church (Incorporation of  
Church Entities) Act 1994*

---

- (d) does not release a surety or other obligee (in whole or part) from an obligation.

### **Incorporation under AI Act ceases**

**23.** On the issue of a certificate of incorporation under this Act for an AI Act corporation, the corporation ceases to be an incorporated association under the AI Act and its certificate of incorporation under that Act is cancelled.

### **Letters patent under RECI Act cancelled**

**24.** Despite section 4(2) of the AI Act, on the issue of a certificate of incorporation under this Act for a RECI Act corporation the letters patent under the RECI Act for the corporation are cancelled.

## **PART 5—LEGAL CAPACITY AND POWERS OF INCORPORATED CHURCH ENTITIES**

### *Division 1—Powers and legal capacity generally*

#### **Powers and legal capacity generally**

**25.(1)** In performing its objects or functions, an incorporated church entity has all the powers, and the legal capacity, of an individual.

**(2)** The entity may, for example—

- (a) enter into contracts; and
- (b) acquire, hold, deal with and dispose of property; and
- (c) invest and deal with money; and
- (d) do other things necessary or convenient to be done in performing its objects or functions.

*Roman Catholic Church (Incorporation of  
Church Entities) Act 1994*

---

(3) The entity may exercise its powers—

- (a) inside and outside Queensland; and
- (b) inside and outside Australia.

(4) The fact that the doing of an act by the entity would not be, or is not, in its best interests does not affect its power or legal capacity to do the act.

***Division 2—Abolition of doctrine of ultra vires***

**Objects of division**

26. The objects of this division include—

- (a) abolishing any application of the doctrine of ultra vires to incorporated church entities; and
- (b) ensuring that incorporated church entities give effect to any restrictions on their powers, but without affecting the validity of their dealings with third persons.

**Restrictions on powers**

27.(1) Section 25 (Powers and legal capacity generally) applies to an incorporated church entity subject to any restrictions on its powers under its constituent documents and canon law.

(2) The entity contravenes this subsection if—

- (a) the entity exercises a power contrary to a restriction mentioned in subsection (1); or
- (b) the entity's constituent documents or canon law sets out the entity's objects or functions and the entity does an act that does not promote the objects or functions.

(3) The exercise of the power, or the act, is not invalid merely because of the contravention.

(4) An officer of the entity who is involved in the contravention contravenes this subsection.

*Roman Catholic Church (Incorporation of  
Church Entities) Act 1994*

---

(5) An act of the officer is not invalid merely because, by doing the act, the person contravenes subsection (4).

(6) The entity or officer does not commit an offence merely because of a contravention of this section.

(7) The fact that—

- (a) by exercising a power as mentioned in subsection (2)(a), or doing the act as mentioned in subsection (2)(b), the entity contravened, or would contravene, subsection (2); or
- (b) by doing a particular act, the officer contravened, or would contravene, subsection (4);

may only be asserted or relied on in proceedings brought by the Corporation of the Bishops, or with the written authority of the Corporation of the Bishops given under its seal.

(8) In this section—

“**restriction**” includes prohibition.

**Persons having dealings with incorporated church entities etc.**

**28.(1)** A person having dealings with an incorporated church entity is entitled to make the assumptions mentioned in subsection (3) and, in a proceeding about the dealings, any assertion by the entity that the matters that the person is entitled to assume were not correct must be disregarded.

(2) A person having dealings with a person who has acquired, or purports to have acquired, title to property from an incorporated church entity (whether directly or indirectly) is entitled to make the assumptions mentioned in subsection (3) and, in a proceeding about the dealings, any assertion by the entity or the second person that the matters the first person is entitled to assume were not correct must be disregarded.

(3) The assumptions that a person is, because of subsection (1) or (2), entitled to make are—

- (a) that, at all relevant times, this Act, the entity’s constituent documents and canon law have been complied with; and
- (b) that a person who is held out by the entity to be an officer or agent

*Roman Catholic Church (Incorporation of  
Church Entities) Act 1994*

---

of the entity has been properly appointed and has authority to exercise the powers and perform the functions customarily exercised or performed by an officer or agent of the kind concerned; and

- (c) that an officer or agent of the entity who has authority to issue a document for the entity has authority to warrant that the document is genuine and that an officer or agent of the entity who has authority to issue a certified copy of a document for the entity has authority to warrant that the copy is a true copy; and
- (d) that a document has been properly sealed by the entity if—
  - (i) it bears what appears to be an imprint of the entity's seal; and
  - (ii) the sealing of the document appears to be authenticated by a person who, because of paragraph (b), may be assumed to be an officer of the entity; and
- (e) that the entity's officers and agents have properly performed their duties to the entity.

(4) However, a person is not entitled to assume a matter mentioned in subsection (3) if—

- (a) the person has actual knowledge that the assumption would be incorrect; or
- (b) because of the person's connection or relationship with the entity, the person ought to know that the assumption would be incorrect.

(5) If, because of subsection (4), a person is not entitled to make a particular assumption—

- (a) if the assumption is about dealings with the entity—subsection (1) does not apply to an assertion by the entity about the assumption; and
- (b) if the assumption is about dealings about an acquisition or purported acquisition from the entity of title to property—subsection (2) does not apply to an assertion by the entity or someone else about the assumption.

## **PART 6—CHANGE OF NAME AND DISSOLUTION**

### *Division 1—Change of names of incorporated church entities*

#### **Change of name of incorporated church entity**

**29.(1)** An incorporated church entity may apply to the chief executive to change its name.

**(2)** Subsection (1) applies only if a bishop in whose diocese or archdiocese the entity is functioning or the Corporation of the Bishops consents in writing to the application being made.

**(3)** The application must be in a form approved by the chief executive.

**(4)** One of the following must accompany the application—

- (a)** the entity's certificate of incorporation;
- (b)** if the bishop or Corporation of the Bishops is satisfied that the entity's certificate of incorporation is lost or destroyed—a certificate by the bishop or Corporation of the Bishops stating the fact.

**(5)** The chief executive may grant the application.

**(6)** If the chief executive grants the application, the chief executive must amend the entity's certificate of incorporation or issue a new certificate.

**(7)** The chief executive must send the certificate of incorporation to the Corporation of the Bishops.

#### **Change of name does not affect legal personality etc.**

**30.(1)** A change of name of an incorporated church entity does not—

- (a)** affect the entity's legal personality or identity; or
- (b)** affect a right, entitlement or liability of the entity or anyone else;  
or
- (c)** make legal proceedings by or against the entity defective; or

*Roman Catholic Church (Incorporation of  
Church Entities) Act 1994*

---

- (d) nullify any exemption given to, or benefit enjoyed by, the entity under a former name.

(2) Without limiting subsection (1), the change of name of the entity does not affect any right, entitlement, liability, exemption or benefit the entity would have had or enjoyed apart from the change of name.

(3) In addition, but without limiting subsection (1), if a legal proceeding might have been continued or started by or against the entity under its former name, it may be continued or started by or against it under its new name.

### **Change of name does not affect existing legal relationships**

**31.** Without limiting section 30(1) (Change of name does not affect legal personality etc.), a change of name of an incorporated church entity—

- (a) does not place the entity in breach of contract or otherwise make it guilty of a civil wrong; and
- (b) does not make the entity in breach of any instrument, including, for example, an instrument prohibiting, restricting or regulating the assignment or transfer of any right or liability; and
- (c) is not taken to fulfil a condition—
  - (i) allowing a person to terminate an instrument or liability or modify the operation or effect of an instrument or liability; or
  - (ii) requiring any amount to be paid before its stated maturity; and
- (d) does not release a surety or other obligee (in whole or part) from an obligation.

### **Recording of change of name of corporation**

**32.(1)** This section applies if—

- (a) an incorporated church entity's name is changed under this division; and

*Roman Catholic Church (Incorporation of  
Church Entities) Act 1994*

---

- (b) an interest in land was registered in the name of the entity before the change of name.

(2) No fee is payable for recording the change of name for the interest by a public official or authority responsible for registering land or interests in land.

***Division 2—Dissolution of incorporated church entities***

**Request to dissolve entity**

**33.(1)** A bishop may ask the chief executive to dissolve an incorporated church entity functioning in the bishop’s diocese or archdiocese.

(2) The Corporation of the Bishops may also ask the chief executive to dissolve an incorporated church entity.

(3) The request may be made only if—

- (a) dissolution of the entity accords with canon law; and
- (b) for an entity that is a religious institute or an associated entity of a religious institute—the religious institute’s competent authority who has jurisdiction for the State has given the person making the request written consent to the making of the request.

(4) The request must—

- (a) be in a form approved by the chief executive; and
- (b) state the entity; and
- (c) state the reason for the request; and
- (d) state the church entity or other entity (the “**successor entity**”) in whom the entity’s assets and liabilities vest on dissolution; and
- (e) state whether or not the entity’s dissolution accords with canon law; and
- (f) for an entity that is a religious institute or an associated entity of a religious entity—be accompanied by a copy of the consent mentioned in subsection (3)(b).

(5) One of the following must accompany the request—

*Roman Catholic Church (Incorporation of  
Church Entities) Act 1994*

---

- (a) the entity's certificate of incorporation;
- (b) if the bishop or the Corporation of the Bishops is satisfied that the entity's certificate of incorporation is lost or destroyed—a certificate by the bishop or Corporation of the Bishops stating the fact.

### **Dissolution of entity**

**34.(1)** On receiving the request under section 33 (Request to dissolve entity), the chief executive may, by gazette notice—

- (a) dissolve the incorporated church entity; and
- (b) vest the assets and liabilities of the entity in the successor entity.

**(2)** The assets and liabilities vest in the successor entity without a transfer.

**(3)** Assets vested in the successor entity remain subject to any debt, liability, trust or obligation affecting the assets.

**(4)** The chief executive must give a copy of the gazette notice to the Corporation of the Bishops.

### **Recording of vesting of interest in land**

**35.(1)** This section applies if—

- (a) an incorporated church entity is dissolved under this division; and
- (b) an interest in land vested in the entity vests in its successor entity.

**(2)** No fee is payable for recording the vesting of the interest in the successor entity by a public official or authority responsible for registering land or interests in land.

## **PART 7—RECORDS THAT MUST BE KEPT**

### **Records to be kept by chief executive**

**36.(1)** The chief executive must keep a register showing the names of incorporated church entities.
