Information about this reprint

This regulation is reprinted as at 30 August 2002. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of earlier reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

FIRE AND RESCUE SERVICE REGULATION 2001

[as amended by all amendments that commenced on or before 30 August 2002]

PART 1—PRELIMINARY

1 Short title

This regulation may be cited as the *Fire and Rescue Service Regulation 2001*.

2 Commencement

This regulation commences on 1 July 2001.

3 Dictionary

The dictionary in schedule 5 defines particular words used in this regulation.

PART 2—CONTROL AND PREVENTION OF FIRES

3A Requirements for a request for issue of a prohibition notice—Act, s 64(2)

(1) For section 64(2)¹ of the Act, a request made by an occupier of land that a notice be issued prohibiting the lighting of fires on adjoining land must be given to the commissioner in writing and include the following—

- (a) the name and address of the person making the request;

¹ Section 64 (Prohibition by commissioner against lighting of fires) of the Act

- (b) the address or location of the adjoining land;

Example of including the location of the adjoining land—

Attaching a map or plan showing the location of the adjoining land.

- (c) the reasons for the request.

(2) The person making the request must give a copy of the request to the occupier² of adjoining land.

3B Requirements for an application for a permit to light a fire—Act, s 65(1)

For section 65(1)³ of the Act, a person applying to the commissioner for a permit to light a fire must include the following details with the application—

- (a) the applicant's name and address;
- (b) the real property description of the land on which the fire is to be lit (the “**subject land**”);
- (c) the address or location of the subject land;
- (d) the location of the part of the subject land on which the fire is to be lit;

Example of including the location of the relevant part of the subject land—

Providing a map or plan showing the relevant part of the subject land.

- (e) the name and address of any occupier of adjoining land if known by the applicant;
- (f) any steps taken by the applicant to notify any occupier of adjoining land about the application and when the steps were taken;
- (g) if the applicant knows any occupier of adjoining land objects to the lighting of the fire—
 - (i) a statement that the occupier objects; and

2 See section 6 (Definitions) of the Act—

“**occupier**”, used with reference to any premises, means the person in actual occupation or, if there is no such person, the owner.

3 Section 65 (Granting of permits) of the Act

- (ii) any reasons for the objection given to the applicant by the occupier.

PART 3—FUNDING FOR URBAN FIRE BRIGADES

4 Administration fee—Act, s 117

(1) The administration fee to which a component local government is entitled for a financial year must be calculated as follows—

- (a) if N is not more than 40 000—the amount worked out using the following formula—

$$N \times \$3.00;$$

- (b) if N is more than 40 000—the amount worked out using the following formula—

$$\$120\,000 + (N - 40\,000) \times \$2.52.$$

(2) In this section—

“N” means the number of prescribed properties for which the component local government gives fire levy notices for the financial year.

5 Constitution and naming of urban districts

(1) A portion of the State shown on an urban district map⁴ is—

- (a) constituted an urban district; and
- (b) assigned the name stated on the map.

(2) In this section—

“**urban district map**” means a map held by the commissioner immediately before 1 July 2002—

- (a) showing a portion of the State as an urban district for the purpose of part 10 of the Act; and
- (b) stating a name for the portion.

⁴ A copy of the map is available for inspection, without charge, at the head office or a relevant regional office of the department during normal business hours.

6 Urban districts assigned to fire levy classes

Each urban district mentioned in schedule 1 is assigned to the fire levy class mentioned opposite it in the schedule.

7 Categories of prescribed properties assigned to fire levy groups

(1) Schedule 2 states the categories that apply to prescribed properties according to the purposes for which the properties are used.

(2) Each category in schedule 2 is assigned to the fire levy group under which it appears.

8 Annual contributions of owners of prescribed properties—1 category

(1) This section applies to a prescribed property if only 1 category applies to the entire property.

(2) The amount of the contribution payable, for a financial year, by the owner of the property is the amount stated in schedule 2, column 2, according to—

- (a) the fire levy group for the category; and
- (b) the fire levy class for the property.

9 Annual contributions of owners of prescribed properties—multiple categories

(1) This section applies to a prescribed property if there is more than 1 relevant category for the property.

(2) The amount of the contribution payable, for a financial year, by the owner of the property is the amount stated in schedule 2, column 2, according to—

- (a) the fire levy group that would apply to the property if the determining category applied to the entire property; and
- (b) the fire levy class for the property.

(3) The “**determining category**” for a property is—

- (a) if 1 of the relevant categories is higher than all the others—that category; or

- (b) otherwise—the highest of the categories that would apply to the property if the entire property were used for each of the purposes to which the relevant categories relate.

(4) For this section, a category is **“higher”** than another category if the first category is in a higher fire levy group than the other category.

(5) In this section—

“relevant category”, for a property, means a category applying to the property or part of the property.

10 References to types of industry

A category described as ‘industry’ followed by the word ‘light’, ‘service’, ‘offensive’ or ‘heavy’ applies to a prescribed property if the property is used for an industry of a type ordinarily described, by the local government in whose area the property is situated, by that word.

11 Property that is not prescribed property

(1) For section 105(1) of the Act, definition “prescribed property”, residential premises owned by the Queensland Housing Commission and vacant land owned by the Queensland Housing Commission are not prescribed property.

(2) In this section—

“premises” includes a part of premises and land occupied with premises.

“residential premises” are premises used, or intended to be used, as a place of residence or mainly as a place of residence.

12 Annual returns by component local governments

For section 109(1) of the Act, the particulars prescribed are the number of the properties within each fire levy group mentioned in schedule 2, column 1.

13 Discount for pensioners

(1) A pension payable under a law of the Commonwealth is declared to be a pension for section 110 of the Act.

(2) For section 110(2) of the Act, it is declared that a pensioner, who is the owner of a prescribed property that is the pensioner's principal place of residence, is granted a discount of 20% on the contributions payable under part 10 of the Act for the property.

14 Payments by component local governments to department

For section 118(5) of the Act, the following periods are declared periods—

- (a) for a component local government for a local government area mentioned in schedule 3—
 - 1 July to 31 October
 - 1 November to 31 December
 - 1 January to 31 March
 - 1 April to 31 May
 - 1 June to 30 June;
- (b) for a component local government for a local government area mentioned in schedule 4—
 - 1 July to 31 October
 - 1 November to 31 March
 - 1 April to 30 June.

PART 4—REPEAL

15 Repeal

The *Fire and Rescue Authority Regulation 1990* is repealed.
