Integrated Planning Act 1997

Integrated Planning Regulation 1998

Reprinted as in force on 5 November 2004
(includes commenced amendments up to 2004 SL No. 239)

Reprint No. 4

This reprint is prepared by
the Office of the Queensland Parliamentary Counsel
Warning—This reprint is not an authorised copy

Information about this reprint

This regulation is reprinted as at 5 November 2004. The reprint—

- shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c))
- incorporates all necessary consequential amendments, whether of punctuation, numbering or another kind (Reprints Act 1992 s 5(d)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

Minor editorial changes allowed under the provisions of the Reprints Act 1992 mentioned in the following list have also been made to—

- use standard punctuation consistent with current drafting practice (s 27)
- use aspects of format and printing style consistent with current drafting practice (s 35)
- correct minor errors (s 44).

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in the reprint, including a table of corrected minor errors**
- **editorial changes made in earlier reprints.**

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

Integrated Planning Regulation 1998

[as amended by all amendments that commenced on or before 5 November 2004]

Part 1 Preliminary

1 Short title

This regulation may be cited as the *Integrated Planning Regulation 1998*.

2 Definitions

The dictionary in schedule 14 defines particular words used in this regulation.

Part 2 Application of schedules

3 Type of assessment and applicable codes, laws and policies for development—Act, sch 8 (schedule 1)

- (1) For section 3.1.3(1) of the Act—
 - (a) schedule 1, part 1, column 1 identifies an aspect of development requiring impact assessment; and
 - (b) schedule 1, part 1, column 2 identifies the codes, laws and policies that may apply for assessing the aspect.
- (2) For section 3.1.3(1) of the Act—
 - (a) schedule 1, part 2, column 1 identifies an aspect of development requiring code assessment unless a planning scheme requires impact assessment; and
 - (b) schedule 1, part 2, column 2 identifies the codes, laws and policies that may apply for assessing the aspect.

- (3) For section 3.1.3(1) of the Act—
 - (a) schedule 1, part 3, column 1 identifies an aspect of development requiring code assessment; and
 - (b) schedule 1, part 3, column 2 identifies the codes, laws and policies that may apply for assessing the aspect.
- (4) For self-assessable development—
 - (a) schedule 1, part 4, column 1 identifies an aspect of development that is self-assessable under schedule 8, part 2 of the Act; and
 - (b) schedule 1, part 4, column 2 identifies the codes, laws and policies that may apply for assessing the aspect.

4 Local governments that must review priority infrastructure plans—Act s 2.2.5 (schedule 3)

For section 2.2.5 of the Act, the local governments mentioned in schedule 3 are prescribed.

5 Referral agencies and their jurisdictions—Act s 3.1.8 (schedule 2)

For section 3.1.8 of the Act and schedule 10 of the Act, definitions *advice agency* and *concurrence agency*—

- (a) schedule 2, column 2 states the referral agency, and whether it is an advice agency or a concurrence agency, for the development application mentioned in column 1; and
- (b) schedule 2, column 3 states the jurisdiction of the referral agency mentioned in column 2.

6 Referral agency assessment period—Act, s 3.3.14

For section 3.3.14(1)(a) of the Act, schedule 4, column 2 states the number of business days for the referral agency mentioned opposite the number in column 1.

7 Prescribed applications for referral coordination (schedules 7 and 8)

For section 3.3.5(1)(b)(ii) of the Act, schedules 7 and 8 identify development for which referral coordination is required.

8 Court fees (schedule 9)

The fees payable for a proceeding in the court are in schedule 9.

9 Jurisdiction of tribunals—Act, s 4.2.7

The following matters are prescribed for the Act, section 4.2.7(2)(b)—

- (a) a decision on a development application about the alternative provisions;
- (b) a decision on a broadscale application as defined under the *Vegetation Management Act 1999*;
- (c) a decision on a vegetation clearing application as defined under the *Vegetation Management Act 1999*, but only if the chief executive is the assessment manager for the application.

10 Tribunal appeal fees—Act, s 4.2.15

- (1) For section 4.2.15(2) of the Act, the fees payable for an appeal against a decision mentioned in section 9(a), other than an appeal started by a building referral agency, are stated in subsections (2) and (3).
- (2) The fee payable, if the appeal is to be decided by a tribunal without a site inspection by the tribunal or a member of the tribunal is—
 - (a) if the decision is about a class 1 building or a class 10 building or structure—\$255; or
 - (b) if the decision is about a class 2, 3, 4, 5, 6, 7, 8 or 9 building with a floor area of 500 m² or less—\$365; or

- (c) if the decision is about a class 2, 3, 4, 5, 6, 7, 8 or 9 building with a floor area greater than 500 m²—\$530.
- (3) The fee payable, if the matter is to be decided by a tribunal after a site inspection by a tribunal or a member of the tribunal is—
 - (a) if the decision is about a class 1 building or a class 10 building or structure—\$420; or
 - (b) if the decision is about a class 2, 3, 4, 5, 6, 7, 8 or 9 building with a floor area of 500 m² or less—\$530; or
 - (c) if the decision is about a class 2, 3, 4, 5, 6, 7, 8 or 9 building with a floor area greater than 500 m²—\$785.
- (4) The fee payable for an appeal against a decision mentioned in section 9(b) or (c) is \$250.

11 Tribunal fast track fee—Act, s 4.2.16

- (1) This section prescribes the fee to accompany a request under section 4.2.16 of the Act to the chief executive to appoint a tribunal to start hearing an appeal within 2 business days after starting the appeal.
- (2) The fee payable under this section is 50% of, and is in addition to, the fee payable for the appeal under section 10.
- (3) However, if the chief executive refuses the request, the fee must be refunded.

12 State resources (schedule 10)

For section 3.2.1(5) of the Act, schedule 10 prescribes State resources and the evidence required to support an application that involves taking or interfering with a resource.

13 Development for community infrastructure exempt from planning scheme assessment (schedule 11)

For schedule 9, table 5, item 5 of the Act, development, identified in schedule 11, for community infrastructure is exempt from assessment against a planning scheme.

14 Conditions requiring compliance assessment (schedule 12)

- (1) For section 3.5.31A of the Act, schedule 12 prescribes—
 - (a) matters for which a condition may require a document or work to be assessed for compliance with a condition; and
 - (b) the way the assessment, and the process for the assessment, of the document or work must be carried out.
- (2) For section 4.4.15 of the Act, schedule 12 also prescribes, for the assessment—
 - (a) the circumstances in which a person may appeal; and
 - (b) the entity to whom the appeal must be made; and
 - (c) the time by which, and the way in which, the appeal must be made; and
 - (d) the provisions of the Act applying for hearing and deciding the appeal.

Part 3 Miscellaneous**15 Qualifications of general referee—Act, s 4.2.37**

- (1) For section 4.2.37 of the Act, each of the following qualifications or experience for a member of a tribunal that is to hear and decide a matter is prescribed for the matter—
 - (a) a demonstrated ability—
 - (i) to negotiate and mediate outcomes between parties to an appeal; and
 - (ii) to apply the principles of natural justice; and
 - (iii) to analyse complex technical issues; and
 - (iv) to communicate effectively, including, for example, to write informed, succinct, and well

Integrated Planning Regulation 1998

- organised reports, submissions, decisions or other documents;
- (b) demonstrated knowledge of at least 1 of the following the Minister considers is sufficient to enable the person to perform the functions of a member of the tribunal in relation to the matter—
- (i) building design and construction;
 - (ii) siting of residential buildings;
 - (iii) neighbourhood amenity issues;
 - (iv) relevant health or fire safety issues;
 - (v) the Act, the *Building Act 1975* or the *Plumbing and Drainage Act 2002*;
 - (vi) Building Code of Australia, Queensland Development Code, or Australian Standards relating to building work;
 - (vii) National Plumbing and Drainage Code, or Australian Standards relating to plumbing and drainage work.
- (2) If the matter is about the alternative provisions at least 1 member of the tribunal must, in addition, have—
- (a) a university qualification in town planning; and
 - (b) substantial experience in interpreting and applying provisions of a planning scheme when assessing development.
- (3) However, if the matter is about a decision mentioned in section 9(b) or (c), the qualifications and experience are—
- (a) a demonstrated ability—
 - (i) to negotiate and mediate outcomes between parties to an appeal; and
 - (ii) to apply the principles of natural justice; and
 - (iii) to analyse complex technical issues; and
 - (iv) to communicate effectively, including, for example, to write informed, succinct, and well

organised reports, submissions, decisions or other documents; and

- (b) demonstrated knowledge of the following—
 - (i) administrative decision-making;
 - (ii) the *Vegetation Management Act 1999*;
 - (iii) the *Integrated Planning Act 1997*;
 - (iv) the role of vegetation in ecological processes; and
- (c) either—
 - (i) tertiary qualifications in environmental science or natural resource management; or
 - (ii) substantial experience in a field of work requiring the application of environmental science or natural resource management.

16 General manager of Queensland Building Services Authority may prosecute certain offences

For the *Queensland Building Services Authority Act 1991*, section 18(1)(c), the general manager of the Queensland Building Services Authority may bring a proceeding in a magistrates court on a complaint to prosecute a person for an offence under—

- (a) the Act, chapter 5, part 3; or
- (b) section 17 of this regulation.

17 Offence about acting as private certifier

- (1) A person must not act as a private certifier for building work unless the person is a building certifier under the *Building Act 1975*.

Maximum penalty for subsection (1)—165 penalty units.

- (2) A building certifier under the *Building Act 1975* must not act as a private certifier for a particular level of certification unless the private certifier has licensing for the level at the time the action was taken.

Maximum penalty for subsection (2)—165 penalty units.

- (3) A building certifier under the *Building Act 1975* must not act as a private certifier unless the building certifier's licence is endorsed as a private certifier when the action was taken.

Maximum penalty for subsection (3)—165 penalty units.

18 Requirements for placing public notices on land—Act, s 3.4.4

- (1) This section prescribes, for section 3.4.4.(1)(b)¹ of the Act, requirements for the placing of a notice on land.
- (2) The notice must be—
- (a) placed on, or within 1.5 m of, the road frontage for the land; and
 - (b) mounted at least 300 mm above ground level; and
 - (c) positioned so that it is visible from the road; and
 - (d) made of weatherproof material; and
 - (e) not less than 1200 mm x 900 mm.
- (3) The lettering on the notice must be—
- (a) for lettering in the heading, as indicated on the approved form of the notice—at least 50 mm in height and in a bold style; or
 - (b) for lettering in the subheadings, as indicated on the approved form of the notice—at least 25 mm in height and in a bold style; or
 - (c) for lettering not mentioned in paragraphs (a) and (b)—at least 25 mm in height, of regular weight and in sentence case.
- (4) Each sentence in the notice must start on a new line.
- (5) If the land has more than 1 road frontage, a notice must be placed on each road frontage for the land.
- (6) The applicant must maintain the notice from the day it is placed on the land until the end of the notification period.
- (7) In this section—

¹ Section 3.4.4 (Public notice of applications to be given) of the Act

road frontage, for land, means—

- (a) the boundary between the land and any road adjoining the land; or
- (b) if the only access to the land is across other land—the boundary between the other land and any road adjoining the other land at the point of access.

19 Guidelines for priority infrastructure plans—Act, s 5.1.3

The guidelines for priority infrastructure plans are contained in *IPA Infrastructure Guideline 1/04, Priority Infrastructure Plans*, dated 4 October 2004, and published by the department.

20 Guidelines for making or amending infrastructure charges schedules—Act, s 5.1.5

The guidelines for making or amending infrastructure charges schedules are contained in *IPA Infrastructure Guideline 2/04, Infrastructure Charges Schedules*, dated 4 October 2004, and published by the department.

21 Trunk infrastructure charge rates—Act s 5.1.15 (schedule 13)

- (1) For section 5.1.15 of the Act—
 - (a) the development for which a charge may be levied is—
 - (i) reconfiguring a lot; or
 - (ii) a material change of use of premises that is assessable under a planning scheme; or
 - (iii) carrying out building work that is assessable development; and
 - (b) the charges are the amounts calculated under schedule 13.
- (2) For calculating an amount under schedule 13, a charge unit is the amount decided by the relevant local government applying schedule 13.
- (3) However, a charge unit must not be more than \$1 500.

- (4) A charge under subsection (1) applies only for development that could reasonably be expected to create or add to demand on the infrastructure network for which the charge is taken.
- (5) If in relation to infrastructure for which a charge is levied a previous regulated infrastructure charge, infrastructure charge or contribution has been made, the charge levied must be reduced by an amount that fairly represents the current value of the amount previously paid.

Schedule 1 Type of assessment and applicable codes, laws and policies for development under the Act, schedule 8

section 3²

Part 1 Impact assessable development

Table 1: Building work

1	Table not used

Table 2: Material change of use

Development	Codes, laws and policies that may apply for assessment
Certain brothels	
1 A brothel, as defined under the <i>Prostitution Act 1999</i> , in an area other than an industrial area or on strategic port land, unless a local planning instrument, or amendment of a local planning instrument made after 1 July 2000, requires code assessment	The following— (a) IDAS code mentioned in the <i>Prostitution Regulation 2000</i> , schedule 3; and (b) the relevant provision of any local planning instrument

² See section 3 for additional information.

1	Table not used

Table 3: Reconfiguring a lot

Development	Codes, laws and policies that may apply for assessment
Under the <i>Land Title Act 1994</i>	
1 Reconfiguring a lot made assessable under the Act, schedule 8	The relevant provisions of any local planning instrument

Table 4: Operational work

Development	Codes, laws and policies that may apply for assessment
Prescribed tidal work in a local government tidal area	
1 Prescribed tidal work— <ul style="list-style-type: none"> (a) in a local government tidal area made assessable under the Act, schedule 8, part 1, table 4, item 5; and (b) for which a local government is the assessment manager 	The relevant provisions of any code for prescribed tidal works— <ul style="list-style-type: none"> (a) made under this regulation; and (b) any applicable local planning instrument

Schedule 1 (continued)

Part 3 Code assessment**Table 1: Building work**

Development	Codes, laws and policies that may apply for assessment
For the Standard Building Regulation	
1 Building work assessable under the Act, schedule 8, part 1, table 1, item 1	The relevant provisions of— (a) the <i>Building Act 1975</i> ; and (b) the Standard Building Regulation

Table 2: Material change of use

Development	Codes, laws and policies that may apply for assessment
Environmentally relevant activities	
1 An environmentally relevant activity— (a) made assessable under the Act, schedule 8, part 1, table 2, item 1; and (b) for which the administering authority is the assessment manager	The relevant provisions of the <i>Environmental Protection Act 1994</i>
Certain brothels	
2 A brothel, as defined under the <i>Prostitution Act 1999</i> , in an industrial area or on strategic port land	The IDAS code mentioned in the <i>Prostitution Regulation 2000</i> , schedule 3
Strategic port land	
3 On strategic port land made assessable under the Act, schedule 8, part 1, table 2, item 3	The current land use plan approved under the <i>Transport Infrastructure Act 1994</i> , section 286

Schedule 1 (continued)

Development	Codes, laws and policies that may apply for assessment
Major hazard facilities	
4 A major hazard facility or possible major hazard facility— <ul style="list-style-type: none"> (a) made assessable under the Act, schedule 8, part 1, table 2, item 4; and (b) for which the chief executive under the <i>Dangerous Goods Safety Management Act 2001</i> is the assessment manager 	The relevant provisions of the <i>Dangerous Goods Safety Management Act 2001</i>
Contaminated land	
5 On contaminated land— <ul style="list-style-type: none"> (a) made assessable under the Act, schedule 8, part 1, table 2, items 5 to 7; and (b) for which the administering authority is the assessment manager 	The relevant provisions of the <i>Environmental Protection Act 1994</i>

Table 3: Reconfiguring a lot

Table not used

Table 4: Operational works

Development	Codes, laws and policies that may apply for assessment
Clearing native vegetation	
1 Clearing native vegetation— <ul style="list-style-type: none"> (a) made assessable under the Act, schedule 8, part 1, table 4, items 1A to 1G; and (b) for which the chief executive under the <i>Vegetation Management Act 1999</i> is the assessment manager 	The relevant regional vegetation management code

Schedule 1 (continued)

Development	Codes, laws and policies that may apply for assessment
Operational works associated with reconfiguring	
2 Operational work associated with reconfiguring a lot made assessable under the Act, schedule 8	The relevant provisions of any applicable local planning instrument
Taking, or interfering with, water	
3 Taking or interfering with water under the <i>Water Act 2000</i> — (a) made assessable under the Act, schedule 8, part 1, table 4, item 3; and (b) for which the chief executive under the <i>Water Act 2000</i> is the assessment manager	The relevant provisions of the <i>Water Act 2000</i>
Referrable dams	
4 A referrable dam under the <i>Water Act 2000</i> — (a) made assessable under the Act, schedule 8, part 1, table 4, item 4; and (b) for which the chief executive under the <i>Water Act 2000</i> is the assessment manager	The relevant provisions of the <i>Water Act 2000</i>
Tidal work, or work in a coastal management district	
5 Tidal work or work in a coastal management district— (a) made assessable under the Act, schedule 8, part 1, table 4, item 5; and (b) for which the chief executive under the <i>Coastal Protection and Management Act 1995</i> is the assessment manager	The relevant provisions of the <i>Coastal Protection and Management Act 1995</i>

Schedule 1 (continued)

Table 5: Various aspects of development

Development	Codes, laws and policies that may apply for assessment
Strategic port land	
1 On strategic port land other than development made assessable under the Act, schedule 8, part 1, table 2, item 3	Nil
Removing quarry material	
2 For removing quarry material in a watercourse or lake under the <i>Water Act 2000</i> — (a) made assessable under the Act, schedule 8, part 1, table 5, item 1; and (b) for which the chief executive under the <i>Water Act 2000</i> is the assessment manager	The relevant provisions of the <i>Water Act 2000</i>
Heritage registered place	
3 On a registered place under the <i>Queensland Heritage Act 1992</i> — (a) made assessable under the Act, schedule 8, part 1, table 5, item 2; and (b) for which the Heritage Council is the assessment manager	The relevant provisions of the <i>Queensland Heritage Act 1992</i>
Mobile and temporary environmentally relevant activity	
4 For a mobile and temporary environmentally relevant activity— (a) made assessable under the Act, schedule 8, part 1, table 5, item 3; and (b) for which the administering authority is the assessment manager	The relevant provisions of the <i>Environmental Protection Act 1994</i>

Schedule 1 (continued)

Part 4 Self-assessable development**Table 1: Building work**

Development	Codes, laws and policies that may apply for assessment
By the State, a public sector entity or a local government	
1 Building work made self-assessable under the Act, schedule 8, part 2, table 1, item 1	The relevant provisions of— (a) the <i>Building Act 1975</i> ; and (b) the Standard Building Regulation
For the Standard Building Regulation	
2 Building work made self-assessable under the Act, schedule 8, part 2, table 1, item 2	The relevant provisions of— (a) the <i>Building Act 1975</i> ; and (b) the Standard Building Regulation

Table 2: Material change of use

Table 4: Operational work

Development	Codes, laws and policies that may apply for assessment
Taking or interfering with water	
1 Taking or interfering with water under the <i>Water Act 2000</i> made self-assessable under the Act, schedule 8, part 2, table 4, item 1	The codes mentioned in the <i>Water Regulation 2002</i> , section 62

Schedule 1 (continued)

Table 5: Various aspects of development

Development	Codes, laws and policies that may apply for assessment
Environmentally relevant activity	
1 An environmentally relevant activity made self assessable under this Act, schedule 8, part 2, table 5, item 1	The relevant code of environmental compliance under the <i>Environmental Protection Regulation 1998</i>

Schedule 2 Referral agencies and their jurisdiction

section 5³

Table 1: For building work assessable against the Standard Building Regulation

Application involving	Referral agency and type	Referral jurisdiction
Special fire services—generally		
1 A fire safety system for a building or structure, other than a temporary or special structure, if the building work— <ul style="list-style-type: none"> (a) requires special fire services listed in the Standard Building Regulation, schedule 2; or (b) includes an alternative solution^a assessed against the performance requirements of the Building Code of Australia, Volume 1, for the fire safety system 	Queensland Fire and Rescue Service—as an advice agency	For item (1)(a), the matters mentioned in the Standard Building Regulation, schedule 3. For item (1)(b), the <i>Building Act 1975</i>

³ See section 5 for additional information.

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Special fire services—budget accommodation buildings		
<p>2 A fire safety system for a budget accommodation building, if the work involves a solution—</p> <p>(a) assessed against—</p> <p style="padding-left: 20px;">(i) the performance criteria stated in the Queensland Development Code, part 14; or</p> <p style="padding-left: 20px;">(ii) the performance requirements of the Building Code of Australia, volumes 1 and 2, for the fire safety system;</p> <p>(b) that includes fire safety management procedures as a condition of the use and occupation of the building</p>	<p>Queensland Fire and Rescue Service—as an advice agency</p>	<p>The fire safety management procedures under the <i>Fire and Rescue Service Act 1990</i></p>
Workplace involving spray painting		
<p>3 A workplace involving spray painting if—</p> <p>(a) the Queensland Development Code, part 2, applies to the work; and</p> <p>(b) the work is required to comply with performance criteria for the work (other than by an acceptable solution)</p>	<p>Chief executive under the <i>Workplace Health and Safety Act 1995</i>—as a concurrence agency</p>	<p>The performance criteria stated in the Queensland Development Code, part 2</p>
Retail meat premises		
<p>4 A retail meat premises if—</p> <p>(a) the Queensland Development Code, part 4, applies to the work; and</p> <p>(b) the work is required to comply with performance criteria for the work (other than by an acceptable solution)</p>	<p>Safe Food Queensland—as a concurrence agency</p>	<p>The performance criteria stated in the Queensland Development Code, part 4</p>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Private health facilities		
5 A private health facility if— <ul style="list-style-type: none"> (a) the Queensland Development Code, part 7, applies to the work; and (b) the work is required to comply with performance criteria for the work (other than by an acceptable solution) 	The chief health officer under the <i>Health Act 1937</i> —as a concurrence agency	The performance criteria stated in the Queensland Development Code, part 7
Workplace area less than 2.3 m²		
6 A workplace area less than 2.3 m ³ if— <ul style="list-style-type: none"> (a) the Queensland Development Code, part 1, applies to the work; and (b) the work is required to comply with the performance criterion for work areas,^b other than by the acceptable solution for work areas, stated in part 1 	Chief executive under the <i>Workplace Health and Safety Act 1995</i> —as an advice agency	The performance criteria stated in the Queensland Development Code, part 1
Land contiguous to a State-controlled road		
7 Land contiguous to a State-controlled road, if the building work— <ul style="list-style-type: none"> (a) is not associated with a material change of use mentioned in table 3, item 1(a) or reconfiguring a lot mentioned in table 2, item 2; and (b) is for a non-residential purpose; and (c) involves the redirection or intensification of site stormwater from the land, through a pipe with a cross-sectional area greater than 625 cm² that directs stormwater to a State-controlled road 	Chief executive under the <i>Transport Infrastructure Act 1994</i> — <ul style="list-style-type: none"> (a) if the building work is proposed in a future State-controlled road not defined by route—as an advice agency; and (b) in all other cases—as a concurrence agency 	The purposes of the <i>Transport Infrastructure Act 1994</i>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Pastoral worker's accommodation		
8 Pastoral worker's accommodation if— (a) the Queensland Development Code, part 21, applies to the work; and (b) the work is required to comply with the performance requirements for accommodation stated in the part (other than by an acceptable solution)	The chief executive under the <i>Pastoral Workers' Accommodation Act 1980</i> —as a concurrence agency	The performance criteria stated in the Queensland Development Code, part 21
Child care centres		
9 A child care centre if— (a) the Queensland Development Code, part 22, applies to the work; and (b) the work is required to comply with the performance requirements for child care centres stated in the part (other than by an acceptable solution)	The chief executive under the <i>Child Care Act 2002</i> —as a concurrence agency	The performance criteria stated in the Queensland Development Code, part 22
Coastal management districts		
10 Land completely or partly seaward of a coastal building line under the <i>Coastal Protection and Management Act 1995</i>	Chief executive under the <i>Coastal Protection and Management Act 1995</i> —as a concurrence agency	Coastal management under the <i>Coastal Protection and Management Act 1995</i> , excluding amenity or aesthetic significance or value

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Heritage registered place		
11 For development on a registered place as defined under the <i>Queensland Heritage Act 1992</i>	The Queensland Heritage Council—as a concurrence agency	The purposes of the <i>Queensland Heritage Act 1992</i>

- a Building Code of Australia, part A1 (Interpretation), section A1.1 (Definitions)—
Alternative Solution means a *Building Solution* which complies with the *Performance Requirements* other than by reason of satisfying the *Deemed-to-Satisfy Provisions*.
- b See the Queensland Development Code, part 1, P5, for the performance criterion for work areas.

Table 2: Other development made assessable under the Act, schedule 8 (whether or not the development is also assessable under a planning scheme)

Application involving	Referral agency and type	Referral jurisdiction
Environmentally relevant activities		
1 A material change of use for an environmentally relevant activity— (a) made assessable under the Act, schedule 8, part 1, table 2, item 1; and (b) for which the administering authority is not the assessment manager	The administering authority—as a concurrence agency	The purposes of the <i>Environmental Protection Act 1994</i>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Land contiguous to a State-controlled road		
<p>2 Reconfiguring a lot on land contiguous to a State-controlled road unless—</p> <p>(a) the total number of lots is not increased; and</p> <p>(b) the total number of lots abutting the State-controlled road is not increased</p>	<p>Chief executive under the <i>Transport Infrastructure Act 1994</i>—</p> <p>(a) if the development is proposed in a future State-controlled road not defined by route—as an advice agency; and</p> <p>(b) in all other cases—as a concurrence agency</p>	<p>The purposes of the <i>Transport Infrastructure Act 1994</i></p>
<p>3 Operational work not associated with a material change of use mentioned in table 3, item 1, or a reconfiguration mentioned in item 2 of this table that—</p> <p>(a) is associated with access to the State-controlled road; or</p> <p>(b) is for filling or excavation; or</p> <p>(c) involves the redirection or intensification of site stormwater from the land, through a pipe with a cross-sectional area greater than 625 cm² that directs stormwater to a State-controlled road</p>	<p>Chief executive under the <i>Transport Infrastructure Act 1994</i>—</p> <p>(a) if the development is proposed in a future State-controlled road not defined by route—as an advice agency; and</p> <p>(b) in all other cases—as a concurrence agency</p>	<p>The purposes of the <i>Transport Infrastructure Act 1994</i></p>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Clearing vegetation		
<p>4 Reconfiguration of a lot, if—</p> <p>(a) the lot contains—</p> <p>(i) a category 1 area, a category 2 area or a category 3 area shown on a property map of assessable vegetation; or</p> <p>(ii) if there is no property map of assessable vegetation for the lot—remnant vegetation; and</p> <p>(b) the size of the lot before the reconfiguration is 2 ha, or larger; and</p> <p>(c) 2 or more lots are created; and</p> <p>(d) the size of any lot created is 25 ha, or smaller</p>	<p>Chief executive under the <i>Vegetation Management Act 1999</i>—as a concurrence agency</p>	<p>The purposes of the <i>Vegetation Management Act 1999</i></p>
<p>5 Operational work, not associated with a reconfiguration mentioned in item 3 or a material change of use mentioned in table 3, item 11, for vegetation clearing—</p> <p>(a) made assessable under the Act, schedule 8, part 1, table 4, items 1A to 1G; and</p> <p>(b) for which the chief executive under the <i>Vegetation Management Act 1999</i> is not the assessment manager</p>	<p>Chief executive under the <i>Vegetation Management Act 1999</i>—as a concurrence agency</p>	<p>The purposes of the <i>Vegetation Management Act 1999</i></p>
Strategic port land		
<p>6 A material change of use on strategic port land made assessable under the Act, schedule 8, part 1, table 2, item 3</p>	<p>The Minister under the <i>Transport Infrastructure Act 1994</i>—as a concurrence agency</p>	<p>The purposes of the <i>Transport Infrastructure Act 1994</i></p>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Major hazard facilities		
7 Material change of use of premises for a major hazard facility, or possible major hazard facility, as defined under the <i>Dangerous Goods Safety Management Act 2001</i> , if the chief executive under the <i>Dangerous Goods Safety Management Act 2001</i> is not the assessment manager	The chief executive under the <i>Dangerous Goods Safety Management Act 2001</i> —as a concurrence agency	Safe storage and handling of hazardous materials and the control of major hazard facilities
Taking or interfering with water		
8 Operational work for taking or interfering with water under the <i>Water Act 2000</i> (other than in a drainage and embankment area controlling the flow of water into or out of a watercourse, lake or spring)— (a) made assessable under the Act, schedule 8, part 1, table 4, item 3; and (b) for which the chief executive under the <i>Water Act 2000</i> is not the assessment manager	Chief executive under the <i>Water Act 2000</i> —as a concurrence agency	The purposes of the <i>Water Act 2000</i> , to the extent the purposes relate to taking, or interfering with, water under that Act
Controlling the flow of water in drainage and embankment areas		
9 Operational work for taking or interfering with water under the <i>Water Act 2000</i> (in a drainage and embankment area controlling the flow of water into or out of a watercourse, lake or spring)— (a) made assessable under the Act, schedule 8, part 1, table 4, item 3; and (b) for which the chief executive under the <i>Water Act 2000</i> is not the assessment manager	Chief executive under the <i>Water Act 2000</i> —as a concurrence agency	The purposes of the <i>Water Act 2000</i> , to the extent the purposes relate to taking, or interfering with, water under that Act and the protection of watercourses and water in watercourse

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Referable dams		
10 Operational work for a referable dam— <ul style="list-style-type: none"> (a) made assessable under the Act, schedule 8, part 1, table 4, item 4; and (b) for which the chief executive, under the <i>Water Act 2000</i> is not the assessment manager 	Chief executive under the <i>Water Act 2000</i> —as a concurrence agency	The purposes of the <i>Water Act 2000</i> , to the extent the purposes relate to a referable dam
Removal of quarry material		
11 Development for the removal of quarry material— <ul style="list-style-type: none"> (a) made assessable under the Act, schedule 8, part 1, table 5, item 1; and (b) for which the chief executive under the <i>Water Act 2000</i> is not the assessment manager 	Chief executive under the <i>Water Act 2000</i> —as a concurrence agency	The purposes of the <i>Water Act 2000</i> , to the extent the purposes related to quarry material and riverine vegetation
Tidal work, or development in a coastal management district		
12 Operational work— <ul style="list-style-type: none"> (a) made assessable under the Act, schedule 8, part 1, table 4, item 5; and (b) for which the chief executive, under the <i>Coastal Protection and Management Act 1995</i> is not the assessment manager 	Chief executive under the <i>Coastal Protection and Management Act 1995</i> —as a concurrence agency	Coastal management under the <i>Coastal Protection and Management Act 1995</i> , excluding amenity and aesthetic significance or value
13 Reconfiguring a lot made assessable under the Act, schedule 8, part 1, table 3, item 1 if— <ul style="list-style-type: none"> (a) the land is situated completely or partly within a coastal management district; or (b) the reconfiguration is in connection with the construction of a canal 	Chief executive under the <i>Coastal Protection and Management Act 1995</i> —as a concurrence agency	Coastal management under the <i>Coastal Protection and Management Act 1995</i> , excluding amenity and aesthetic significance or value

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
<p>14 Operational work made assessable under the Act, schedule 8, part 1, table 4, item 5, that is—</p> <p>(a) tidal work; or</p> <p>(b) disposing of dredge spoil or other solid waste material in tidal water; or</p> <p>(c) reclaiming land under tidal water; or</p> <p>(d) constructing a canal, if the canal is associated with reconfiguring a lot</p>	<p>Chief executive under the <i>Transport Operations (Marine Safety) Act 1994</i>—as a concurrence agency</p>	<p>The purposes of the <i>Transport Operations (Marine Safety) Act 1994</i></p>
<p>15 Development on land below high water mark and within the limits of a port under the <i>Transport Infrastructure Act 1994</i> if the development is—</p> <p>(a) within 200 m of a shipping channel or an entry and exit shipping corridor for the port; or</p> <p>(b) within 1 000 m of a swing basin, a commercial shipping wharf, a mooring, anchorage or spoil grounds; or</p> <p>(c) within 1 000 m of a planned port facility identified in a land use plan</p>	<p>The chief executive of the port authority for the land—as a concurrence agency</p>	<p>Port authority functions under the <i>Transport Infrastructure Act 1994</i>, chapter 8, part 3.</p>
<p>16 Development on land below high water mark and within the limits of a port under the <i>Transport Infrastructure Act 1994</i>, other than development in an area mentioned in item 15</p>	<p>The chief executive of the port authority for the land—as an advice agency</p>	<p>Port authority functions under the <i>Transport Infrastructure Act 1994</i>, chapter 8, part 3</p>
<p>17 Operational work made assessable under the Act, schedule 8, part 1, table 4, item 5, that is—</p> <p>(a) tidal work; and</p> <p>(b) involves a marina, as defined under the <i>Transport Operations (Marine Pollution) Regulation 1995</i>, with more than 6 vessel berths</p>	<p>Queensland Fire and Rescue Service—as an advice agency</p>	<p>The fire safety management procedures under the <i>Fire and Rescue Service Act 1990</i></p>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Heritage registered place		
18 Development on a registered place as defined under the <i>Queensland Heritage Act 1992</i> — <ul style="list-style-type: none"> (a) made assessable under the Act, schedule 8, part 1, table 5, item 2; and (b) for which the Queensland Heritage Council is not the assessment manager 	Queensland Heritage Council—as a concurrence agency	The purposes of the <i>Queensland Heritage Act 1992</i>
Declared catchment areas		
19 Reconfiguring a lot, in an area declared to be a catchment area under the <i>Water Act 2000</i> , if any lot resulting from the reconfiguring is less than 16 ha	Chief executive under the <i>Water Act 2000</i> —as a concurrence agency	Preserving water quality in catchment areas
Electricity infrastructure		
20 Reconfiguring a lot if— <ul style="list-style-type: none"> (a) any part of the lot is subject to an easement in favour of a distribution entity or transmission entity under the <i>Electricity Act 1994</i> and the easement is for a transmission grid or supply network under that Act; or (b) any part of the lot is situated within 100 m of a substation site 	The chief executive of the entity—as an advice agency	The purposes of the <i>Electricity Act 1994</i> and the <i>Electrical Safety Act 2002</i>
Contaminated land		
21 Reconfiguring a lot if all or part of the premises are— <ul style="list-style-type: none"> (a) premises mentioned in schedule 8, part 1, table 2, item 5 (other than paragraph (d)), item 6 (other than paragraph (e)) or item 7 (other than for a mining activity or petroleum activity); or (b) in an area for which an area management advice has been given for unexploded ordnance 	The administering authority—as a concurrence agency	Protection of the environment by the management of contaminated land under the <i>Environmental Protection Act 1994</i>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
22 A material change of use— (a) made assessable under the Act, schedule 8, part 1, table 2, items 5 to 7; and (b) for which the administering authority is not the assessment manager	The administering authority—as a concurrence agency	Protection of the environment by the management of contaminated land under the <i>Environmental Protection Act 1994</i>
Mobile and temporary environmentally relevant activity		
23 Development for a mobile and temporary environmentally relevant activity— (a) made assessable under the Act schedule 8, part 1, table 5, item 3; and (b) for which the administering authority is not the assessment manager	The administering authority—as a concurrence agency	The purposes of the <i>Environmental Protection Act 1994</i>

Schedule 2 (continued)

Table 3: Development made assessable under a local planning instrument

Application involving	Referral agency and type	Referral jurisdiction
Land contiguous to a State-controlled road		
<p>1 Development on land contiguous to a State-controlled road that is—</p> <p>(a) making a material change of use of premises that is assessable development under a planning scheme; or</p> <p>(b) operational work, not associated with a material change of use mentioned in paragraph (a) or reconfiguring a lot mentioned in table 2, item 2, that—</p> <p>(i) is associated with access to the State-controlled road; or</p> <p>(ii) is for filling or excavation; or</p> <p>(iii) involves the redirection or intensification of site stormwater from the land, through a pipe with a cross-sectional area greater than 625 cm² that directs stormwater to a State-controlled road</p>	<p>Chief executive under the <i>Transport Infrastructure Act 1994</i>—</p> <p>(a) if the development is proposed in a future State-controlled road not defined by route—as an advice agency; and</p> <p>(b) in all other cases—as a concurrence agency</p>	<p>The purposes of the <i>Transport Infrastructure Act 1994</i></p>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Land not contiguous to a State-controlled road		
If a local government has a transitional planning scheme		
<p>2 Development on land not contiguous to a State-controlled road that—</p> <p>(a) is for an aspect of development identified in schedule 5; and</p> <p>(b) is for a purpose or purposes mentioned in schedule 5, column 1; and</p> <p>(c) exceeds the threshold, or combined threshold, in schedule 5, column 2 or 3 for the purpose or purposes</p>	<p>Chief executive under the <i>Transport Infrastructure Act 1994</i>—</p> <p>(a) for development up to 5 times the thresholds mentioned in schedule 5, column 2—as an advice agency;</p> <p>(b) for all other cases—as a concurrence agency</p>	<p>The purposes of the <i>Transport Infrastructure Act 1994</i></p>
If a local government has an IPA planning scheme		
<p>3 Development on land not contiguous to a State-controlled road that—</p> <p>(a) is for an aspect of development identified in schedule 5; and</p> <p>(b) is for a purpose or purposes mentioned in schedule 5, column 1; and</p> <p>(c) exceeds the threshold, or combined threshold, in schedule 5, column 2 or 3 for the purpose or purposes</p>	<p>Chief executive under the <i>Transport Infrastructure Act 1994</i>—as a concurrence agency</p>	<p>The purposes of the <i>Transport Infrastructure Act 1994</i></p>
Acid sulfate soils		
<p>4 Development to which State planning policy 2/02 'Planning and managing development involving acid sulfate soils'^a applies if the development involves—</p> <p>(a) excavating more than 1 000 m³ of soil or sediment; or</p> <p>(b) using more than 1 000 m³ of material as fill</p>	<p>Chief executive under the <i>Land Act 1994</i>—as an advice agency</p>	<p>Planning for, and management of, development involving acid sulfate soils</p>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Declared catchment areas		
<p>5 Development—</p> <p>(a) involving the establishment or expansion of a waste water disposal system in an area declared to be a catchment area under the <i>Water Act 2000</i>; and</p> <p>(b) other than for carrying out an environmentally relevant activity under the <i>Environmental Protection Act 1994</i></p>	<p>Chief executive under the <i>Water Act 2000</i>—as a concurrence agency</p>	<p>Preserving water quality in catchment areas</p>
Coastal management districts		
<p>6 Material change of use, if carrying out the change of use will involve—</p> <p>(a) operational works carried out completely or partly in a coastal management district; or</p> <p>(b) building work, carried out completely or partly in a coastal management district, that is—</p> <p>(i) the construction of new premises with a GFA of at least 1 000 m²; or</p> <p>(ii) the enlargement of the GFA of existing premises by more than 1 000 m²</p>	<p>Chief executive, under the <i>Coastal Protection and Management Act 1995</i>—as a concurrence agency</p>	<p>Coastal management under the <i>Coastal Protection and Management Act 1995</i>, excluding amenity and aesthetic significance or value</p>
Land designated for community infrastructure		
<p>7 Development on land designated for community infrastructure—</p> <p>(a) intended to be supplied by a public sector entity; and</p> <p>(b) on land not owned by or on behalf of the State; and</p> <p>(c) other than development—</p> <p>(i) for the designated purpose; or</p> <p>(ii) carried out by, or on behalf of, the designator</p>	<p>The chief executive of the department administering the Act authorising the development for the designated purpose—as a concurrence agency</p>	<p>The effects of the development on the designated land, and its development for the designated purpose</p>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Electricity infrastructure		
<p>8 A material change of use not associated with reconfiguring a lot if—</p> <p>(a) any part of the premises is subject to an easement in favour of a distribution entity or transmission entity under the <i>Electricity Act 1994</i> and the easement is for a transmission grid or supply network under that Act; and</p> <p>(b) any structure or work that is the natural and ordinary consequence of the use is, or will be, located wholly or partly in the easement</p>	The chief executive of the entity—as an advice agency	The purposes under the <i>Electricity Act 1994</i> and the <i>Electrical Safety Act 2002</i>
<p>9 A material change of use not associated with reconfiguring a lot if any part of the premises is situated within 100 m of a substation site</p>	The chief executive of the entity—as an advice agency	The purposes under the <i>Electricity Act 1994</i> and the <i>Electrical Safety Act 2002</i>
<p>10 Operational work that is filling or excavation, not associated with reconfiguring a lot, if—</p> <p>(a) any part of the premises is subject to an easement in favour of a distribution entity or transmission entity under the <i>Electricity Act 1994</i> and the work is located wholly or partly in the easement; or</p> <p>(b) the work is located wholly or partly within 10 m of a substation site</p>	The chief executive of the entity—as an advice agency	The purposes under the <i>Electricity Act 1994</i> and the <i>Electrical Safety Act 2002</i>

Schedule 2 (continued)

Application involving	Referral agency and type	Referral jurisdiction
Clearing vegetation		
11 A material change of use, if— <ul style="list-style-type: none"> (a) the lot contains— <ul style="list-style-type: none"> (i) a category 1 area, a category 2 area or a category 3 area shown on a property map of assessable vegetation; or (ii) if there is no property map of assessable vegetation for the lot—remnant vegetation; and (b) the existing use is a rural or environmental use; and (c) the size of the land is 2 ha, or larger 	Chief executive under the <i>Vegetation Management Act 1999</i> —as a concurrence agency	The purposes of the <i>Vegetation Management Act 1999</i>
Contaminated land		
12 A material change of use if all or part of the premises is in an area for which an area management advice has been given for unexploded ordinance	The administering authority—as a concurrence agency	Protection of the environment by the management of contaminated land under the <i>Environmental Protection Act 1994</i>
SEQ regional plan		
13 A material change of use for urban purposes to which section 2 of the draft regulatory provisions applies	The chief executive under the <i>Integrated Planning Act 1997</i> —as a concurrence agency	The draft regulatory provisions

- a State planning policy 2/02 'Planning and managing development involving acid sulfate soils' is available for inspection on the following websites—

Schedule 7 Development requiring referral coordination—purposes

section 7

A material change of use, assessable against a planning scheme, for any of the following—

- (a) an aerodrome that is, or is proposed to be, used by commercial operators not normally living at the premises;
- (b) a large outdoor sport and recreation facility including, for example, a golf course, a major sporting venue and a racing circuit, but not including a golf course of 30 ha or less or a golf driving range;
- (c) a tourist resort—
 - (i) with accommodation for more than 1 000 people, including staff; or
 - (ii) on an offshore island;
- (d) a body of water (including an artificial lake but excluding an effluent pond or the like), that has, or would have after the change of use, a total surface area of more than 5 000 m².

Schedule 8 Development requiring referral coordination—areas

section 7

A material change of use (other than for a dwelling house, outbuilding or farm building) assessable against a planning scheme, or reconfiguring a lot, if the premises—

- (a) are wholly or partly below a floodline adopted by the local government and the development involves filling an area greater than 5 000 m² below the floodline; or
- (b) share a common boundary with a protected area or registered place under the *Queensland Heritage Act 1992*; or
- (c) contains or shares a common boundary with or is within 100 m of the boundary of—
 - (i) an area that is a critical habitat, a protected area, subject to a conservation agreement or an area of major interest under the *Nature Conservation Act 1992*;⁴ or
 - (ii) the wet tropics area under the *Wet Tropics World Heritage Protection and Management Act 1993*; or
 - (iii) a fish habitat under the *Fisheries Act 1994*,⁵ if the proposed development—
 - (A) has impact on riparian vegetation; or
 - (B) results in alteration of natural flow patterns; or
 - (C) requires the construction of a levee; or
 - (D) does not contain stormwater management; or
 - (E) allows contaminated runoff; or
 - (F) disturbs instream habitat; or

4 See the *Nature Conservation Act 1992*, sections 13, 28, 45 and 46.

5 See the *Fisheries Regulation 1995*, schedule 2, 3 or 7.

Schedule 8 (continued)

- (G) requires drainage of fish habitat; or
- (iv) an area listed as a wetland of international importance under the Ramsar Convention as defined under the *Environmental Protection and Biodiversity Conservation Act 1999* (Cwlth);⁶ or
- (v) an area listed as a wetland of importance in the Queensland chapter of 'A directory of important wetlands in Australia' as published by the Australian Nature Conservation Agency, 2001, Canberra;⁷ or
- (vi) an area of permanent, periodic or intermittent inundation, whether natural or artificial, (other than an area for liquid waste disposal) with water that is static or flowing, fresh, brackish or salt (including areas of marine water the depth of which is not more than 6 m at low tide) that—
- (A) under the document called 'State of the environment Queensland 1999', is a good example of a wetland type occurring in a bioregion under the report; or
- (B) plays an important ecological or hydrological role in the natural functioning of a major wetland system or complex; or
- (C) is important as the habitat for terrestrial and aquatic animal taxa at a vulnerable state in the life cycle, or provides a refuge when adverse conditions, such as drought, prevail; or
- (D) supports a significant number of bioregional populations of any native terrestrial and aquatic animal or plant taxa; or

6 See <www.ea.gov.au/water/wetlands/ramsar/database/index.html>.

7 See <www.ea.gov.au/cgi-bin/wetlands/search.pl>.

Schedule 8 (continued)

- (E) supports native terrestrial and aquatic animal or plant taxa, or communities, that are endangered or vulnerable at the bioregional level.

Schedule 9 Court fees

section 8

	\$
1 Filing a notice of appeal	32.00
2 Setting down an appeal for hearing	60.00
3 Filing an application	15.00
4 Sealing and issuing a subpoena	15.00
5 Issuing a certificate on final judgment, order, finding or decision	43.00
6 Filing an affidavit or deposition	10.50
7 Filing exhibits mentioned in an affidavit or deposition and required to be filed—	
(a) each exhibit	2.30
(b) maximum fee	19.00
8 Sealing a document with the seal of the court	28.00
9 Filing a copy of a notice of appeal to the Court of Appeal	28.00
10 Filing a notice of withdrawal of an appeal	15.00
11 Filing an authority to use a person's name as a next friend	15.00
12 Filing an appointment of an agent	10.50
13 Filing a document for which no other fee is provided . .	10.50
14 Issuing a copy of a record of the court or a document or exhibit filed in the registry—	
(a) each page	3.00
(b) maximum fee	45.00
15 Issuing a copy of reasons for judgment—each page . . .	1.70
16 Entering a judgment	47.50
17 Filing an order on an application	47.50
18 Opening or keeping open the registry after hours—	
(a) on a Saturday, Sunday, public holiday or court holiday	260.00

Schedule 9 (continued)

	\$
(b) on any other day—	
(i) before 8 a.m. or after 6 p.m.	260.00
(ii) between 8 a.m. and 9 a.m.	125.00
(iii) between 4 p.m. and 6 p.m.	125.00
19 Inspecting the record in an appeal or other proceeding .	11.00
20 Filing a document by leave of the court	15.00
21 Posting a document—each document	12.00
22 Attending a view—	
(a) within 8 km of the court	69.00
(b) more than 8 km from the court	125.00
23 Supplying a copy of a callover list	11.00
24 Making an appointment for assessment of a costs statement	32.50
25 Assessing a costs statement—for each \$100 or part of \$100 allowed.	9.00
26 Order for the amount assessed under a costs statement .	42.00

Schedule 10 State resources

section 12

State resource	Department administering resource	Required evidence
1 Land subject to a deed of grant in trust if the trustee is a department	The department that is the trustee	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
2 Land subject to a deed of grant in trust if the trustee is not a department	The department administering the <i>Land Act 1994</i>	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
3 Strategic port land under the <i>Transport Infrastructure Act 1994</i> , other than freehold land	The department administering the <i>Land Act 1994</i>	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
4 Land that is a reserve under the <i>Land Act 1994</i> if— (a) there are no trustees; or (b) the trustee is the applicant; or (c) the holder or proposed holder of a lease or permit from the trustees is the applicant; or (d) the holder or proposed holder of a lease or permit from the department administering that Act is the applicant	The department administering that Act	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
5 Land that is a reserve under the <i>Land Act 1994</i> if the trustee is a department	The department that is the trustee	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource

Schedule 10 (continued)

State resource	Department administering resource	Required evidence
6 Land administered under the <i>Forestry Act 1959</i>	The department administering that Act, part 4	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
7 Land subject to a lease under the <i>Land Act 1994</i> (including a freeholding lease) held for transport corridor purposes under the <i>Transport Infrastructure Act 1994</i>	The department administering the <i>Transport Infrastructure Act 1994</i>	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
8 Land subject to a lease under the <i>Land Act 1994</i> (including a freeholding lease) held other than for transport corridor purposes under the <i>Transport Infrastructure Act 1994</i>	The department administering the <i>Land Act 1994</i>	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
9 Land subject to a permit to occupy or license under the <i>Land Act 1994</i>	The department administering that Act	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
10 Land that is a road (other than a State-controlled road) or stock route	The department administering the <i>Land Act 1994</i>	Evidence the chief executive of that department is satisfied— (a) the development is consistent with an allocation of, or entitlement to, the resource; or (b) the development application may proceed in the absence of an allocation of, or entitlement to, the resource
11 A State-controlled road	The department administering the <i>Transport Infrastructure Act 1994</i>	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource

Schedule 10 (continued)

State resource	Department administering resource	Required evidence
12 Land that is unallocated State land under the <i>Land Act 1994</i> (other than a canal under the <i>Coastal Protection and Management Act 1995</i>)	The department administering that Act	Evidence the chief executive of that department is satisfied— (a) the development is consistent with an allocation of, or entitlement to, the resource; or (b) the development application may proceed in the absence of an allocation of, or entitlement to, the resource
13 Quarry material taken under the <i>Coastal Protection and Management Act 1995</i>	The department administering that Act	Evidence the chief executive of that department is satisfied— (a) the development is consistent with an allocation of, or entitlement to, the resource; or (b) the development application may proceed in the absence of an allocation of, or entitlement to, the resource
14 Queensland waters, fisheries resources and unallocated tidal land allocated under the <i>Fisheries Act 1994</i>	The department administering that Act	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
15 Land, including non-tidal land, that is a fish habitat area under the <i>Fisheries Act 1994</i> , and fisheries resources within a fish habitat area	The department administering that Act	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource
16 Quarry material taken from a watercourse or lake under the <i>Water Act 2000</i>	The department administering that Act	Evidence of an allocation of, or an entitlement to, the resource

Schedule 10 (continued)

State resource	Department administering resource	Required evidence
17 Water taken or interfered with under the <i>Water Act 2000</i>	The department administering that Act	Evidence the chief executive of that department is satisfied— (a) the development is consistent with an allocation of, or entitlement to, the resource; or (b) the development application may proceed in the absence of an allocation of, or entitlement to, the resource
18 A referable dam under the <i>Water Act 2000</i>	The department administering that Act	Evidence the chief executive of that department is satisfied the development is consistent with an allocation of, or entitlement to, the resource

Schedule 11 Development for community infrastructure exempt under schedule 9, table 5, item 5 of the Act

section 13

1 State-controlled roads

All aspects of development—

- (a) for the maintenance, repair, augmentation, upgrading, duplication or widening of State-controlled road infrastructure; or
- (b) for ancillary works and encroachments carried out by the State; or
- (c) adjacent to a State-controlled road and ancillary to the construction, maintenance, repair, augmentation, upgrading, duplication or widening of the road, such as excavating, crushing, screening, cutting, filling, preparing road construction material (including concrete), storing materials, removing vegetation, dam building, site offices and worker accommodation.

2 Other transport infrastructure

All aspects of development for the maintenance, repair, upgrading, augmentation or duplication of—

- (a) rail transport infrastructure on rail corridor land or commercial corridor land under the *Transport Infrastructure Act 1994*;
- (b) miscellaneous transport infrastructure on required land under the *Transport Infrastructure Act 1994*;
- (c) busway transport infrastructure on busway land under the *Transport Infrastructure Act 1994*; and
- (d) lightrail transport infrastructure on lightrail land under the *Transport Infrastructure Act 1994*.

Schedule 11 (continued)

3 Electricity infrastructure

All aspects of development for an electricity supply network as defined under the *Electricity Act 1994*, or for private electricity works that form an extension of, or provide service connections to properties from the network, if the network operates at standard voltages up to and including 66 kV, other than any aspect of development for—

- (a) the construction of a new zone substation or bulk supply substation; or
- (b) the augmentation of an existing zone or bulk supply substation if the input or output standard voltage is significantly increased.

Schedule 12 Conditions requiring compliance assessment

section 14

Particular operational work

Preliminary matters	
1 Matter for which compliance assessment may be required	Whether operational work (including for car parking, landscaping, vehicle cross overs, site drainage and acoustic treatments) that is the natural and ordinary consequence of a material change of use complies with a code or standard identified in a condition of a development approval for the material change of use. The code or standard must be identified in a planning scheme
2 Criteria against which the matter is assessed	The code or standard identified in the condition
Process for assessment	
3 Entity to which request must be given	For— (a) a condition mentioned in item 1 and imposed by the assessment manager—the entity that was the assessment manager; or (b) a condition mentioned in item 1 and imposed by a concurrence agency—the entity that was the concurrence agency; or (c) another condition of the development approval requiring the request to be given to another suitably qualified entity engaged by or on behalf of the applicant and requiring a copy of the entity's response to be given to the entity that imposed the condition—the suitably qualified entity

Schedule 12 (continued)

4 When compliance stage starts for this development	At— (a) any time before the development approval including the condition lapses; or (b) if the condition states or implies another time—the stated or implied time
5 Fee	For— (a) item 3(a)—the fee set by resolution of the local government; or (b) item 3(b)—the fee prescribed by regulation; or (c) item 3(c)—the fee agreed between the applicant and the suitably qualified entity mentioned in that item
6 Time after receiving request in which entity must respond	For— (a) item 3(a) and (b)—15 business days; or (b) item 3(c)—the time agreed between the applicant and the suitably qualified entity mentioned in that item
7 Consequence for not responding in the time stated for item 6(a). If the request is given to an entity mentioned in item 3(c), and a copy of the entity's response is given to the entity that was the assessment manager or concurrence agency, in accordance with the condition mentioned in item 3(c)	Plan, document or works are taken to be in compliance with condition of approval
Appeal	
8 Circumstances in which the person who made a request mentioned in item 3(a) or (b) may appeal	If the person is dissatisfied with the entity's response
9 The entity to which the appeal must be made	The court
10 Time within which an appeal must be made	20 business days after the day the entity gives its response

Schedule 12 (continued)

11 Provisions of the Act that apply for hearing and deciding the appeal	Chapter 4, part 1 as if the appeal were an appeal against a matter stated in a development approval ^a
---	--

a See section 4.1.27(1)(b) (Appeals by applicants) of the Act.

Schedule 13 Trunk infrastructure charge rates

section 21

Purposes for which a charge rate may apply	Trunk infrastructure networks				
	Water Supply	Sewerage	Stormwater Management	Transport	Public Parks and Community Land
Reconfiguring a residential, commercial, retail, or industrial lot	1 charge unit per additional lot	1 charge unit per additional lot	1 charge unit per additional lot	1 charge unit per additional lot	1 charge unit per additional lot
Material change of use or building work for single dwelling unit	1 charge unit per dwelling	1 charge unit per dwelling	1 charge unit per dwelling	1 charge unit per dwelling	1 charge unit per dwelling
Material change of use or building work for multiple dwelling units	0.75 charge unit per dwelling	0.75 charge unit per dwelling	1 charge unit times (0.7 of site area divided by 400 m ²)	0.8 charge unit per dwelling	0.5 charge unit per dwelling
Material change of use or building work for commercial uses	10 charge units per hectare of site area	10 charge units per hectare of site area	1 charge unit per 400 m ² of site area	1 charge unit per 100 m ² of GFA	0.3 charge unit per 100 m ² of GFA
Material change of use or building work for retail uses	10 charge units per hectare of site area	10 charge units per hectare of site area	1 charge unit per 400 m ² of site area	0.4 charge unit per 100 m ² of GFA	0.3 charge unit per 100 m ² of GFA
Material change of use or building work for industrial uses	10 charge units per hectare of site area	10 charge units per hectare of site area	1 charge unit times (0.9 of site area divided by 400 m ²)	1 charge unit per 100 m ² of GFA	1 charge unit per hectare of site area

Schedule 14 Dictionary

section 2

alternative provisions has the meaning given under the Standard Building Regulation, section 5.⁸

area management advice means a written notice given by the administering authority to the local government about planning for or managing land contaminated because of natural mineralisation, industrial activity or unexploded ordnance.

Building Code of Australia means the Building Code of Australia as defined under the *Building Act 1975*, section 3.

canal means a canal as defined under the *Coastal Protection and Management Act 1995*, section 9.

fire safety system means a fire safety system as defined under the Building Code of Australia, Volume 1, Part A1.

future State-controlled road means a road or land that the chief executive under the *Transport Infrastructure Act 1994* has notified the local government in writing is intended to become a State-controlled road.

GFA, for a development application, means the gross floor area.

land contiguous to a State-controlled road means land, the subject of a development application, if part of the land—

- (a) is within 100 m of the road; or
- (b) is part of a future State-controlled road.

8 Standard Building Regulation, section 5 (Definitions)—

alternative provisions means provisions mentioned in part 3 that are—

- (a) identified or stated in a planning scheme; and
- (b) alternative to the provisions of QDC, part 11 or 12; and
- (c) qualitative statements or quantitative statements.

Schedule 14 (continued)

land use plan means a plan approved under the *Transport Infrastructure Act 1994*, section 286.⁹

LGA population 1 means a local government area mentioned in schedule 6.

LGA population 2 means a local government area that is not an LGA population 1.

Queensland Development Code means the Queensland Development Code under the Standard Building Regulation, section 6A.¹⁰

State-controlled road includes a future State-controlled road.

substation site—

- 1 *Substation site* means premises larger than 50 m² forming part of a transmission grid or supply network under the *Electricity Act 1994*, and used for—
 - (a) converting or transforming electrical energy from one voltage to another; or
 - (b) regulating voltage in an electrical circuit; or
 - (c) controlling electrical circuits or
 - (d) switching electrical current between circuits.
- 2 *Substation site* includes telecommunication facilities for controlling works as defined under the *Electricity Act 1990*, section 12(1), and for workforce operational and safety communications.
- 3 *Substation site* does not include—
 - (a) pole mounted substations, transformers or voltage regulators; or
 - (b) pad mounted substations or transformers.

⁹ *Transport Infrastructure Act 1994*, section 286 (Approval of land use plans)

¹⁰ Standard Building Regulation, section 6A (Meaning of Queensland Development Code)

Schedule 14 (continued)

transitional planning scheme, for schedule 2, table 3, item 2, means—

- (a) a transitional planning scheme under the Act, section 6.1.3 or 6.1.9(3); or
- (b) an IPA planning scheme mentioned in the Act, section 6.1.54(1)(b).

TSA means total site area for a development application.
