Information about this reprint

This regulation is reprinted as at 15 July 2005. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

² This notice was published in the gazette on 6 October 2000 at page 429.

SunWater means the entity continued in existence under the *Government Owned Corporations Regulation 2004*, section 34.

water entitlement holder means a holder of a water entitlement under the *Water Act 2000*.

Part 2 Other functions of authority

2A Application of pt 2

This part prescribes, for section 8(2)(h) of the Act, other functions of the authority.

3 DSAP scheme

The authority has the following functions—

- (a) to consider whether entities have carried out farm business assessments in compliance with the rules of the DSAP scheme (***compliant farm business assessments***);
- (b) to consult, and liaise with, the following persons about farm business assessments—
 - (i) dairy farmers;
 - (ii) organisations representing the interests of persons likely to receive assistance under the Act;
 - (iii) commercial lenders and financial advisers;
 - (iv) public sector units with the function of helping the rural and small business sectors of the economy, and equivalent entities of other States or the Commonwealth;
- (c) to certify that compliant farm business assessments have been carried out in accordance with the DSAP scheme;
- (d) to perform functions incidental to a function under another paragraph of this section.

4 Rural irrigation water users

The authority has the following functions—

- (a) to prepare criteria for deciding whether rural irrigation water users are experiencing financial hardship (*hardship criteria*);
- (b) to advise rural irrigation water users and their representatives about applying for assistance because of financial hardship (*hardship applications*);
- (c) to assess hardship applications and decide whether the applications satisfy the hardship criteria;
- (d) to notify SunWater about decisions made under paragraph (c);
- (e) if the authority decides an application satisfies the hardship criteria—to recommend to SunWater the repayment terms, interest rate or other matters required to assist the applicant through the financial hardship;
- (f) to keep a register of inquiries about hardship applications, and of hardship applications received by the authority, including information about decisions made under paragraph (c) and recommendations made under paragraph (e);
- (g) to make the register mentioned in paragraph (f) available for inspection by SunWater;
- (h) to perform functions incidental to a function under another paragraph of this section.

5 QHC loans for residential services

The authority has the following functions in relation to the making of loans by QHC under the *State Housing Act 1945*, section 29T—

- (a) to prepare criteria for assessing the financial viability of residential services for which loans are required, the financial risk to QHC and the ability of applicants to repay the loans (the *assessment criteria*);
- (b) to assess applications for loans using the assessment criteria;

- (c) to notify QHC about the outcome of each assessment including whether the authority recommends that QHC make the loan;
- (d) if the authority recommends that QHC make a loan—to recommend to QHC the repayment terms and other matters required to assist the applicant to be able to repay the loan;
- (e) to develop documentation for loans including application forms, loan agreements and security documents;
- (f) to undertake annual reviews of the financial position of persons to whom loans have been made;
- (g) to notify QHC about the outcomes of the reviews;
- (h) at the request of QHC, to provide advice to assist QHC to manage the loans;
- (i) to perform functions incidental to a function under another paragraph of this section.

6 Adjustment package

The authority has each of the following functions in relation to the adjustment package—

- (a) to make information about the package available to the public, including giving information sessions about the package to affected persons interested in applying for assistance;
- (b) to take advice from a committee established by DEH when applying, for each component of the adjustment package, the following—
 - (i) DEH's criteria for deciding the eligibility of applicants under the component (the *eligibility criteria*);
 - (ii) DEH's criteria for the assessment of applications under the component (the *assessment criteria*);
- (c) to assess the eligibility of applicants and decide whether the applicants satisfy the eligibility criteria;

- (d) if the authority decides an applicant satisfies the eligibility criteria for a component of the package—to assess the application and decide whether the application satisfies the assessment criteria for the component;
- (e) for the following components of the adjustment package, to notify DEH about decisions made under paragraphs (c) and (d)—
 - (i) business advice assistance;
 - (ii) employee assistance;
- (f) for the other components of the adjustment package, to make recommendations to DEH about whether, in the opinion of the authority—
 - (i) an applicant satisfies the eligibility criteria for the component; and
 - (ii) if the authority assesses an application under paragraph (d)—the applicant satisfies the assessment criteria for the component;
- (g) to give DEH information about the applications, including information about the following—
 - (i) the number of applications the authority receives;
 - (ii) the number of applicants under each component of the adjustment package and the amount of assistance for which each applicant applies;
 - (iii) the bases for the decisions and recommendations made by the authority;
 - (iv) any payments made by the authority to applicants;
- (h) to give each applicant—
 - (i) written notice of any decision made by the authority or DEH about the application; and
 - (ii) if the authority or DEH decides to refuse the application—written notice of the reasons for the decision;

- (i) if a decision made by the authority or DEH authorises payment to an applicant—to pay the applicant the amount authorised;
- (j) to keep an electronic register of details about applications received by the authority, including the following—
 - (i) decisions about applications;
 - (ii) payments made to applicants;
 - (iii) recommendations and other information given to DEH under this section;
- (k) if an applicant is dissatisfied with a decision made by the authority or DEH about an application and appeals to DEH for reconsideration of the decision—to give DEH the appeal documents the authority receives from the applicant;
- (l) to perform functions incidental to a function under another paragraph of this section.

Part 3 Approved assistance schemes

7 Purpose of pt 3

The purpose of this part is to approve schemes under section 11³ of the Act.

8 Approval of Citrus Industry Recovery Scheme

The Citrus Industry Recovery Scheme set out in the schedule, part 1, is approved.

3 Section 11 (Approved assistance schemes) of the Act

8A Approval of FarmBis Program Scheme

The FarmBis Program Scheme set out in the schedule, part 2, is approved.

8B Approval of Primary Industry Productivity Enhancement Scheme

The Primary Industry Productivity Enhancement Scheme set out in the schedule, part 3, is approved.

Part 4 Miscellaneous**9 Amendment of existing approved assistance scheme—Act, s 54**

- (1) The Rural Adjustment Scheme, Part 1.1—Exceptional Circumstances, a transitional scheme taken, under section 54 of the Act, to be an approved assistance scheme (the *scheme*)⁴ is amended as stated in this section.
- (2) The scheme, item 2 (Assessment criteria), first dot point, after ‘income.’—
insert—
‘Also, QRAA must disregard the ability of the applicant to purchase additional farming property during the drought.’.
- (3) The scheme, item 2 (Assessment criteria), fourth dot point, before ‘the NewStart Allowance Assets Test’—
insert—
‘double’.
- (4) The scheme, item 3 (Level of support), second dot point, ‘the financial years as identified in the attached Schedules’—
omit, insert—
‘the first year of the EC declaration’.

4 The scheme is set out in detail on the authority’s website at <www.qraa.qld.gov.au>.

- (5) The scheme, item 3 (Level of support), after second dot point—

insert—

- The interest subsidy granted to a primary producer in the second or any subsequent year of an EC declaration must be no greater than a maximum of 80% of the interest payable on, and associated costs of, borrowings that are subsidised. However, if an applicant has received an interest rate subsidy of a maximum of 50% for the second or any subsequent year of an EC declaration and is within that period, the applicant may claim for each of the years an additional maximum of 30% of the interest payable on, and associated costs of, borrowings that are subsidised.’.

- (6) The scheme, item 3 (Level of support), as amended, fifth dot point, from ‘recovery year with’—

omit, insert—

‘recovery year. However, if the EC area is extended, an additional interest rate subsidy is available for each year the EC area is extended. Applications must be received within 28 days after the closing date for the relevant year. The provision of support in a year does not guarantee support in the subsequent year. A primary producer not receiving support in the declaration year may be eligible in a subsequent year. However, if the EC declaration for an EC area ended before 30 May 2005, a primary producer in the area is not eligible for—

- the additional interest rate subsidy; or
- the change to the NewStart Allowance Assets Test for Homeowners (Partnered), allowing a producer’s net value of off-farm assets to be not greater than double the assets test.’.

- (7) The scheme, item 3 (Level of support), as amended, after sixth dot point—

insert—

- In deciding the level of commercial borrowings to be supported for an initial interest subsidy for a producer

who has purchased additional farming property during the drought, QRAA must deduct the full cost of the property purchase from the balance of the producer's existing commercial borrowings.'.

- (8) The scheme, item 4 (Terms and conditions), after third dot point—

insert—

- The producer can not apply for an interest rate subsidy until 9 months after the day the producer last makes a successful interest rate subsidy application. The producer can receive only 1 subsidy payment in each EC year'.

- (9) The scheme, Schedule 1—Peak Downs Region, after paragraph (B)—

insert—

‘(C) Third Year

19 December 2004 to 18 December 2005’.

- (10) The scheme, Schedule 2—South West Region, after paragraph (B)—

insert—

‘(C) Third Year

5 February 2005 to 4 February 2006’.

- (11) The scheme, schedule 5a, ‘(excluding sugar cane producers)’—

omit.

- (12) The scheme, schedule 5a, after ‘Period of Support’—

insert—

‘for all primary producers other than sugar cane producers’.

- (13) The scheme, schedule 5a, after paragraph (B)—

insert—

‘Period of support for sugar cane producers

(A) First year

24 December 2004 to 23 December 2005

(B) Second year

24 December 2005 to 23 December 2006’.

(14) The scheme, schedule 14, after ‘livestock producers’—
insert—

‘and all dryland and partially irrigated sugar cane producers’.

(15) The scheme, schedule 14, after ‘Period of support’—
insert—

‘for livestock producers’.

(16) The scheme, schedule 14, after paragraph (B)—
insert—

‘Period of support for dryland and partially irrigated sugar
cane producers

(A) First year

24 December 2004 to 23 December 2005

(B) Second year

24 December 2005 to 23 December 2006’.

Schedule Approved assistance schemes

sections 8 to 8B

Part 1 Citrus Industry Recovery Scheme

Division 1 Preliminary

1 Definitions for schedule, pt 1

In part 1 of this schedule—

canker outbreak means the outbreak of citrus canker in 2004 in the area that was declared to be a pest quarantine area for citrus canker under the *Plant Protection Act 1989*.⁵

division 2 scheme see section 12E(1).

domestic market grower means the following relevant growers—

- (a) MC and CS Iddles, trading as Selma Citrus;
- (b) Gillian Crest Pty Ltd, trading also as Cordoma Farms.

relevant grower means a commercial grower of citrus who has been adversely affected by the canker outbreak.

scheme means—

- (a) for division 2—the part of the Citrus Industry Recovery Scheme set out in division 2; and
- (b) for division 3—the part of the Citrus Industry Recovery Scheme set out in division 3.

⁵ See the repealed *Plant Protection (Canker) Notice 2004*, section 3 (Declaration of pest quarantine area).

Schedule (continued)**Division 2 Loans to relevant growers****2 Objective of scheme**

The objective of the scheme is to assist relevant growers who will have a crop available for harvesting in 2005 or 2006 to recover from the impacts of the canker outbreak.

3 Purpose of assistance

The purpose of assistance under the scheme is to enable relevant growers to maintain their viability by—

- (a) encouraging the accumulation, rationalisation, expansion or diversification of the growers' citrus growing businesses, including value adding and investment in supply chain activities both on-farm and off-farm; and
- (b) supporting ongoing farm maintenance to enable the growers to recover from restrictions on market access.

4 Nature of assistance

- (1) The nature of the assistance that may be given under the scheme is the provision of loans at concessional rates of interest to applicants who meet the eligibility criteria for any of the following activities—
 - (a) diversifying into other on-farm enterprises;
 - (b) investing in value adding or supply chain activities on-farm and off-farm;
 - (c) accumulating property by purchasing, leasing or sharefarming whole or partial additional properties;
 - (d) rationalising partnerships, including family partnerships;
 - (e) expanding farming operations;
 - (f) developing farm water supplies;

Schedule (continued)

- (g) purchasing livestock, if—
 - (i) the purchase is included in a contract to purchase property mentioned in paragraph (c); or
 - (ii) the purchase is directly related to the activity for which assistance is approved under this scheme;
 - (h) improving or carrying out capital works on-farm;
 - (i) syndicated purchasing of plant and machinery, if appropriate security exists;
 - (j) upgrading farm plant and machinery, other than excluded vehicles, that is predominantly for use on land used by the applicant for a purpose approved by the authority;
 - (k) purchasing new trees;
 - (l) maintaining, replanting or reinvigorating orchards.
- (2) In this section—
- excluded vehicle*** means a motor vehicle with a gross vehicle mass of less than 4t.

5 Maximum loan amounts

- (1) The maximum amount of a loan, or the total of more than 1 loan, that may be made under the scheme to an applicant who meets the eligibility criteria is \$500000.
- (2) However, the maximum amount of a loan for an activity mentioned in section 4(1)(g) or (j) is \$100000.

6 Eligibility criteria

To be eligible to receive assistance under the scheme, an applicant must—

- (a) be a relevant grower who—
 - (i) will have a crop available for harvesting in 2005 or 2006; and

Schedule (continued)

- (ii) requires financial assistance to recover from the impacts of the canker outbreak; and
- (b) demonstrate sound prospects for commercial viability, and the ability to service the loan, in the long-term; and
- (c) provide evidence of a financial need for the assistance; and
- (d) demonstrate that the amount of off-farm or liquid assets owned by the applicant is not more than the amount needed for prudent risk management; and
- (e) if the assistance is sought to rationalise a partnership—demonstrate that the proposal for the rationalisation is not merely a refinance arrangement; and
- (f) if the assistance is sought to upgrade farm plant and machinery—demonstrate that the plant and machinery will be used predominantly for on-farm purposes and not for off-farm contracting work; and
- (g) have used land for commercial citrus growing for not less than 2 years; and
- (h) ordinarily obtain the applicant's major source of income from commercial citrus growing or value-adding activities related to commercial citrus growing; and
- (i) give the authority a business plan for the applicant's on-farm business that complies with section 7.

7 Requirements for business plan

- (1) For section 6(i), a business plan⁶ must—
 - (a) include details of the activity for which the assistance is sought and the productivity expected to be generated from it; and

⁶ Guidelines on the content of a business plan may be obtained from the authority.

Schedule (continued)

- (b) adopt a whole of business approach to planning, and include components dealing with matters such as marketing and financial and risk management; and
 - (c) relate to the whole of the applicant's business.
- (2) The authority may ask the applicant for further information in relation to the business plan submitted by the applicant.

8 Terms of repayment

- (1) The maximum term of a loan is—
- (a) if the loan is for an activity mentioned in section 4(1)(g)—7 years unless a longer term is approved by the authority; or
 - (b) if the loan is for an activity mentioned in section 4(1)(j)—7 years; or
 - (c) otherwise—10 years.
- (2) If the land used by the relevant grower for commercial citrus growing is not within the local government area of the Emerald Shire Council—
- (a) repayment of principal and interest on the loan will be—
 - (i) initially calculated using a period of up to 10 years; and
 - (ii) tailored to the grower's individual requirements based on the grower's income patterns; and
 - (b) an interest only period of not more than 2 years may be available; and
 - (c) the loan will have an initial interest rate that is fixed for either 1 or 3 years under section 9.
- (3) If the land used by the grower for commercial citrus growing is within the local government area of the Emerald Shire Council—
- (a) no interest will apply for the first 2 years of the loan; and

Schedule (continued)

- (b) after the first 2 years, interest will be payable at the rate provided for under section 9; and
- (c) the loan will have a non-repayment period of 2 years.

9 Interest rate

- (1) The initial interest rate for a loan under the scheme will be worked out—
 - (a) if the land used by the grower for commercial citrus growing is within the local government area of the Emerald Shire Council—at the end of the interest free period mentioned in section 8(3)(a); or
 - (b) otherwise—when the loan is approved by the authority.
- (2) The initial interest rate for the loan—
 - (a) depends on whether the interest rate is fixed for 1 or 3 years, as decided by the authority; and
 - (b) will be worked out by the authority under subsection (7) and will be based on the 1 or 3 year base lending rate, as appropriate, plus 1%.
- (3) A 3 year fixed interest rate is available only when the loan is first drawn down.
- (4) If the initial interest rate for a loan is fixed for 3 years under subsection (3), at the end of the 3 year period, and on each subsequent anniversary, the interest rate reverts to the 1 year base lending rate, plus 1%, at the time.
- (5) However, the authority may, during the term of the loan, increase the interest rate from the interest rate mentioned in subsection (4) to a commercial rate.
- (6) The authority will decide the extent to which the interest rate for a loan will increase under subsection (5)—
 - (a) in an annual review of the loan; and
 - (b) based on the improved financial capacity of the grower.
- (7) The interest rates for new loans will be reviewed by the authority not later than 31 May and 30 November in each year

Schedule (continued)

and set for the 6 month period starting on the following 1 July and 1 January respectively.

- (8) In this section—

base lending rate means the 1 or 3 year lending rate, as appropriate, of the Queensland Treasury Corporation.

10 Security

- (1) Appropriate security for a loan as determined by the authority will be required.
- (2) A mortgage of land or other assets, commensurate with the amount of the loan, will be required.
- (3) Other security, including, for example, a crop lien, may also be required.

11 Terms and conditions

The terms and conditions of a loan under this scheme will be determined by the authority and may include, for example, any of the following—

- (a) review of the loan during its term;
- (b) requiring the relevant grower to provide information relating to the performance of the grower's business during the term of the loan;
- (c) requiring the relevant grower to undertake to work the property.

12 Applications

- (1) Applications for assistance under the scheme must be made on the authority's application form and may be lodged with the authority or at a commercial lender.
- (2) Applications must be accompanied by all documentation required under section 6 or stated on the application form.

Schedule (continued)

- (3) Also, the authority may request the applicant to provide further relevant information required to decide the application.
- (4) Applications must be made before 31 December 2005.

Division 3 Refinancing loans to domestic market growers**12A Objective of scheme**

The objective of the scheme is to assist domestic market growers who maintained citrus varieties in the expectation of obtaining access to the domestic market in 2005.

12B Purpose of assistance

The purpose of assistance under the scheme is to mitigate hardship for domestic market growers, incurred as a result of the canker outbreak.

12C Nature of assistance

The nature of the assistance that may be given under the scheme is the refinancing of loans, relating to commercial citrus growing, at concessional rates of interest.

12D Maximum loan amounts

The maximum amount of a loan, or the total of more than 1 loan, that may be refinanced under the scheme is \$500000.

12E Further assistance under division 2 scheme permitted

- (1) Refinancing of an applicant's loan under the scheme does not stop the applicant applying for assistance under the scheme mentioned in division 2 (the *division 2 scheme*).

Schedule (continued)

- (2) However, the maximum amount of all loans granted under the division 2 scheme and the scheme to an applicant is \$500000.

12F Eligibility criteria

- (1) To be eligible to receive assistance under the scheme, an applicant must—
- (a) be a domestic market grower who requires financial assistance to recover from the impacts of the canker outbreak; and
 - (b) demonstrate sound prospects for commercial viability, and the ability to service the loan, in the long-term; and
 - (c) provide evidence of a financial need for the assistance; and
 - (d) demonstrate that the amount of off-farm or liquid assets owned by the applicant is not more than the amount needed for prudent risk management; and
 - (e) ordinarily have obtained the applicant's major source of income from commercial citrus growing or value-adding activities related to commercial citrus growing; and
 - (f) give the authority a business plan for the applicant's on-farm business that complies with section 12G.
- (2) However, an applicant is eligible to receive assistance for the applicant's on-farm business only if the land on which the citrus varieties are grown is within the local government area of the Emerald Shire Council.

12G Requirements for business plan

- (1) For section 12F(1)(f), a business plan⁷ must—
- (a) adopt a whole of business approach to planning, and include components dealing with matters such as marketing and financial and risk management; and

⁷ Guidelines on the content of a business plan may be obtained from the authority.

Schedule (continued)

- (b) relate to the whole of the applicant's business.
- (2) The authority may ask the applicant for further information in relation to the business plan submitted by the applicant.

12H Terms of repayment

- (1) The maximum term of a loan is 10 years.
- (2) No interest will apply for the first 2 years of the loan.
- (3) After the first 2 years, interest will be payable at the rate provided for under section 12I.
- (4) The loan will have a non-repayment period of 2 years.

12I Interest rate

- (1) The initial interest rate for a loan under the scheme will be worked out at the end of the interest free period mentioned in section 12H(2).
- (2) Section 9(2) to (8) applies to the refinancing of the loan as if—
 - (a) it were a loan under division 2; and
 - (b) a domestic market grower were a relevant grower.

12J Other provisions of the scheme

- (1) Subject to subsection (2), sections 10 to 12 apply to the scheme as if—
 - (a) the scheme were the division 2 scheme; and
 - (b) a domestic market grower were a relevant grower; and
 - (c) an application for refinancing a loan were an application for a loan under division 2.
- (2) Section 12(2) applies as if 'section 6' were replaced by 'section 12F'.

Schedule (continued)

Part 2 FarmBis Program Scheme**13 Definitions for schedule, pt 2**

In part 2 of this schedule—

approved costs means costs approved by the authority that are—

- (a) associated with eligible participants taking part in learning activities; and
- (b) based on the costs of a learning activities provider delivering learning activities.

eligible participant see section 14.

indigenous land manager see section 14(b).

learning activities see section 15.

learning activities provider means an entity carrying on the business of delivering learning activities to eligible participants.

primary producer see section 14(a).

primary production business enterprise means any of the following—

- (a) a business carried on within the State in the agricultural, apicultural, aquacultural, horticultural or pastoral industries;
- (b) the fishing and harvesting for commercial purposes of marine and freshwater species, caught in their natural environment from a wild population, carried on by—
 - (i) a business registered in the State; or
 - (ii) a corporation whose registered office is in the State; or
 - (iii) an individual who is resident in the State;
- (c) the taking for commercial purposes of wild fauna from its natural environment within the State.

Schedule (continued)

properly made application see section 24(4).

rural land manager see section 14(c).

14 Who is an eligible participant

An *eligible participant* is any of the following—

- (a) an individual (a *primary producer*) who spends the majority of the individual's labour on, and derives the majority of the individual's income from, a primary production business enterprise;
- (b) an individual (an *indigenous land manager*) who is involved in the management decisions of land within the State that is zoned for rural purposes if the land is owned, managed, controlled or operated by—
 - (i) an indigenous community or trust; or
 - (ii) an Aborigine or Torres Strait Islander;
- (c) an individual (a *rural land manager*) who owns or manages the natural resources of land within the State if the land—
 - (i) has an area of at least 2ha; and
 - (ii) is zoned for rural or rural residential purposes.

15 Purpose of scheme

The purpose of assistance under the scheme is to encourage participation by eligible participants in structured learning processes (*learning activities*) that are designed—

- (a) to increase the adoption of management practices that lead to greater sustainability of natural resources and improved profitability or competitiveness; and
- (b) if the eligible participant is a primary producer—to enhance the participant's ability—
 - (i) to manage effectively change and risk; and

Schedule (continued)

- (ii) to benefit from the adoption of innovation and best practice management techniques; and
- (c) if the eligible participant is an indigenous land manager—to improve the participant's business practices and ability to manage land zoned for rural purposes; and
- (d) if the eligible participant is a rural land manager—to improve the participant's ability to manage natural resources.

16 Type of assistance

The assistance available under the scheme is a contribution to the approved costs of an eligible participant taking part in learning activities.

17 Principles for delivering learning activities

- (1) The main focus of the scheme is on maximising educational outcomes for eligible participants by adopting a best practice approach to the delivery of learning activities.
- (2) A best practice approach to the delivery of learning activities includes ensuring the following—
 - (a) the learning activities are not long-term;
 - (b) the entity delivering the learning activities is the best learning activities provider available;
 - (c) competition between learning activities providers is encouraged.
- (3) The learning activities delivered under the scheme by learning activities providers must—
 - (a) be driven by demand from eligible participants; and
 - (b) give eligible participants flexible options to best meet their needs; and
 - (c) encourage eligible participants to adopt a strategic, planned approach to learning; and

Schedule (continued)

- (d) be given on a competitive basis, taking into account the following—
 - (i) value for money;
 - (ii) the suitability of learning activities providers to deliver learning activities;
 - (iii) learning activities that promote best practice in eligible participants' businesses; and
 - (e) involve a transfer of skills and knowledge from providers to eligible participants; and
 - (f) use strategies for learning that are suited to adult learners.
- (4) Procedures to identify the learning needs of eligible participants, or a group of eligible participants in a particular industry, must be consistent with the priorities and program framework identified by the Commonwealth and States under the scheme.
 - (5) It is expected that learning activities may, if appropriate, be linked to industry competency standards—
 - (a) to achieve recognition of skills, achievements and qualifications of eligible participants taking part in the activities; and
 - (b) to facilitate the portability of accreditation for the activities.
 - (6) Institutions delivering formal education will be encouraged to apply a flexible approach to accrediting a variety of learning activities that meet the industry competency standards mentioned in subsection (4).
 - (7) Eligible participants must, to show their commitment to learning, pay a part of the approved costs of learning activities in which they take part.

18 Restrictions on giving assistance

- (1) Assistance under the scheme must not be given to pay the costs, or part of the costs, incurred by an eligible participant—

Schedule (continued)

- (a) for taking part in any of the following—
 - (i) ongoing secondary or tertiary education;
 - (ii) conferences, study tours or other similar activities that do not have clearly defined learning outcomes;
 - (iii) ongoing group mentoring;
 - (iv) educational activities that have a primary focus on technical or operational training;
 - (v) educational activities undertaken to satisfy regulatory or statutory requirements;
 - (vi) educational activities subsidised by other government programs or agencies, although special consideration may be given if the individual receiving the subsidy is an Aborigine or Torres Strait Islander;
 - (vii) if the Minister makes a determination that assistance may not be given for taking part in particular educational activities—the activities; or
- (b) for receiving professional advice and services, including an individual consultation, other than if the advice or service is removing a barrier to the participant's taking part in learning activities; or

Example of a barrier to an eligible participant's taking part in learning activities—

eligible participant has a non-English speaking background

- (c) for buying goods that are not an integral part of the learning activity.

Example—

computer software

- (2) However, assistance may be given under the scheme for the costs of establishing group mentoring and for the initial development cycle of the group.

Schedule (continued)**19 Eligibility criteria**

- (1) For an applicant to be eligible to receive assistance under the scheme—
 - (a) the applicant must—
 - (i) be an eligible participant; and
 - (ii) show the assistance for which the applicant applies is to pay the approved costs of the learning activities; and
 - (b) the authority must be satisfied the proposed learning activities—
 - (i) are consistent with the purpose of the scheme and the principles for the delivery of the learning activities; and
 - (ii) are likely to enhance the profitability, competitiveness or sustainability of the applicant's business; and
 - (iii) have expected outcomes that are measurable and sustainable; and
 - (iv) are cost effective; and
 - (v) have a strategy to evaluate the effectiveness of the learning; and
 - (vi) if the applicant is a rural land manager—have a primary focus of managing natural resources.
- (2) For subsection (1)(b)(iv), whether the learning activities are cost effective is measured by taking into account the following—
 - (a) the number of eligible participants proposing to take part in the learning activities;
 - (b) the nature and extent of the learning activities to be supplied;
 - (c) the expected measurable outcomes of the learning activities;
 - (d) the total cost of delivering the learning activities.

Schedule (continued)**20 Determinations by Minister**

- (1) The Minister must publish determinations made under this scheme on the scheme's website.⁸
- (2) In this schedule, a reference to a determination includes a reference to a determination as amended.

21 Amount of contribution to approved costs

- (1) The nature of assistance that may be given under the scheme is a contribution to the approved costs of taking part in learning activities.
- (2) An applicant may, in each financial year, make more than 1 application for assistance.
- (3) However, the amount paid to an applicant in each financial year must not be greater than the maximum contribution to the applicant's approved costs that is determined under section 22(1).
- (4) The amount of the contribution to an applicant that the authority may make is decided on the basis of the approved costs for the proposed learning activities, taking into account the following—
 - (a) the cost effectiveness of the learning activities;
 - (b) the removal of barriers to access learning activities;
 - (c) the transparency of the true cost of supplying the learning activities;
 - (d) the need to ensure that in the future the applicant accepts greater responsibility for the applicant's long-term learning and educational needs;
 - (e) the rate of the contribution for the proposed learning activities;
 - (f) if the Minister makes a determination that other matters must be taken into account—the other matters.

⁸ The address of the FarmBis website at the commencement of this part is <www.farmbis.gov.au>.

Schedule (continued)

- (5) The rate of the contribution—
 - (a) is the rate applying on the day the relevant properly made application is approved by the authority; and
 - (b) may vary according to the category of the learning activities proposed to be undertaken.
- (6) The Minister may make a determination about the rate of the contribution for each category of learning activities.

22 Maximum and minimum contribution amounts

- (1) The Minister may make a determination about the following that may be paid to an applicant each financial year under the scheme—
 - (a) the maximum contribution to the applicant's approved costs; and
 - (b) the minimum contribution to the applicant's approved costs.
- (2) However, the maximum contribution must not be greater than 65% of the approved costs.
- (3) A contribution to an applicant's approved costs may be made only if the authority decides the approved costs of the proposed learning activities is greater than the minimum contribution.

23 Applications

- (1) An application for assistance under the scheme—
 - (a) must be made on the application form approved by the authority; and
 - (b) may only be made—
 - (i) by an eligible participant; or
 - (ii) on behalf of a group of eligible participants by a learning activities provider who is proposing to deliver learning activities to the participants; and

Schedule (continued)

- (c) must be lodged with the authority.
- (2) The authority assesses properly made applications in the order in which they are received.
- (3) Applications must be made on or before 31 March 2008.

24 Deciding applications

- (1) The authority must consider and decide to approve or refuse to approve each application for assistance.
- (2) The authority must refuse to approve an application for assistance if the applicant is, on the commencement of this section, taking part or has taken part in the learning activities for which the application is made.
- (3) If the application is not a properly made application, the authority must—
 - (a) refuse to approve the application; and
 - (b) return the application form to the applicant.
- (4) An application is a *properly made application* if the authority is satisfied the applicant has provided sufficient information to decide the application.
- (5) A learning activities provider applying on behalf of a group of eligible participants must show the provider has the appropriate ability and experience to deliver learning activities to the rural sector.
- (6) The authority must refuse to approve an application for assistance if the allocation of funding by the Commonwealth is exhausted.

25 Terms and conditions

- (1) The terms and conditions applying under this scheme for an eligible participant, or a group of eligible participants, to receive assistance include—
 - (a) unless the authority decides otherwise, requiring the relevant learning activities—

Schedule (continued)

- (i) to start within 3 months after approval of the application; and
 - (ii) to finish within 6 months after the learning activities start; and
 - (iii) to finish on or before 30 June 2008; and
 - (b) requiring each of the eligible participants to give the authority an evaluation of the learning activities; and
 - (c) requiring an undertaking from each of the eligible participants and the relevant learning activities provider to take part in any surveys, program research or evaluation the State or Commonwealth decides; and
 - (d) any other terms and conditions decided by the authority.
- (2) The authority may require that the relevant learning activities provider gives the authority an attendance record of the eligible participants taking part in the learning activities.
 - (3) The attendance record must be in sufficient detail to identify each of the eligible participants and the locality of the participant's business.
 - (4) If the authority makes a decision under subsection (1)(d), the authority must give each eligible participant and learning activities provider affected by the decision written notice of the other terms and conditions.

26 Payment

- (1) This section applies to the authority making payments under the scheme to an eligible participant or a learning activities provider.
- (2) If the applicant for assistance is an eligible participant, the authority may make a payment to the participant for the relevant learning activities if the participant—
 - (a) gives the authority—
 - (i) evidence of payment of part of the approved costs of the learning activities; and

Schedule (continued)

- (ii) a completed evaluation form for the learning activities; and
- (b) satisfies the authority that the participant has complied with—
 - (i) the terms and conditions applying to the participant under the scheme; and
 - (ii) the other terms and conditions decided by the authority.
- (3) If the applicant for assistance is a learning activities provider applying on behalf of a group of eligible participants, payment may be made to the provider for the relevant learning activities if the provider—
 - (a) gives the authority—
 - (i) evidence of payment by each eligible participant of part of the approved costs of the learning activities; and
 - (ii) an evaluation form for the learning activities that has been completed by each eligible participant; and
 - (b) satisfies the authority that the provider has complied with—
 - (i) the terms and conditions applying to the provider under the scheme; and
 - (ii) the other terms and conditions decided by the authority.
- (4) Unless the authority decides otherwise, requests for payment for assistance under the scheme must be made—
 - (a) within 6 months after the application for assistance is approved; and
 - (b) on or before 31 July 2008.

Schedule (continued)

**Part 3 Primary Industry Productivity
Enhancement Scheme****Division 1 Preliminary****27 Objectives of scheme**

The objectives of the scheme are—

- (a) to strengthen the economy of Queensland regions; and
- (b) to increase the capability of primary producers to improve their sustainable production, to protect the environment and to achieve self-reliance.

28 Application of scheme

- (1) The scheme consists of the following programs—

- (a) the first start program;
- (b) the development program;
- (c) the resource management program.

- (2) An applicant may apply for assistance under more than 1 program.

29 Definitions for pt 3

- (a) works in a business in the commercial wild catch-fishing industry; and
- (b) shares the proceeds of the business with the owner of the business.

Division 2 General provisions for scheme

30 Nature of assistance

The nature of the assistance that may be given under the scheme is loans at concessional rates of interest to applicants who—

- (a) are carrying out eligible activities; and
- (b) under section 39, 43 or 47, are eligible to receive assistance under the scheme.

31 Eligible activities

- (1) The chief executive must—
 - (a) decide the activities that are eligible activities for each program under the scheme; and
 - (b) notify the authority about the decision made under paragraph (a).
- (2) When deciding whether an activity is an eligible activity for a program, the chief executive must consult with relevant public sector entities.

32 Interest rate

- (1) The initial interest rate under the scheme for a loan to an applicant will be worked out when the loan is approved by the authority.
- (2) The initial interest rate for the loan—

Schedule (continued)

- (a) depends on whether the interest rate is fixed for 1, 3 or 5 years, as decided by the authority; and
- (b) is worked out by the authority based on the base lending rate for the relevant period.
- (3) The authority may, during the term of the loan, increase the interest rate from the interest rate mentioned in subsection (2) to a commercial rate.
- (4) The authority may decide the extent to which the interest rate for the loan will increase under subsection (3)—
 - (a) in an annual review of the loan; and
 - (b) based on the improved financial capacity of the applicant.
- (5) In this section—

base lending rate, means the rate decided by the authority for each 6 month period in each year that is the 1, 3 or 5 year lending rate, as appropriate, of the Queensland Treasury Corporation, plus 1%.

33 Terms of repayment

- (1) Repayment of principal and interest on a loan granted to an applicant under the scheme will be—
 - (a) initially calculated using a period of up to the maximum term of the loan; and
 - (b) tailored to the applicant's individual requirements based on the applicant's income patterns.
- (2) An interest only period of not more than 2 years may be available.
- (3) The loan will have an initial interest rate that is fixed under section 32.

34 Security

- (1) If an applicant is granted a loan under the scheme, the applicant must give security for the loan.

Schedule (continued)

- (2) The security required is—
- (a) a mortgage of land or other assets, commensurate with the amount of the loan; or
 - (b) any other security the authority considers necessary, including, for example, a crop lien or stock mortgage.

35 Applications

An application for assistance under the scheme must be—

- (a) made on the approved application form for the program under which the applicant is applying; and
- (b) accompanied by the documents stated on the approved application form; and
- (c) lodged with the authority.

36 Deciding applications

The authority must consider and decide to approve or refuse to approve each application for assistance.

Division 3 First start program**37 Purpose of assistance under the first start program**

- (1) The first start program is designed to provide finance to an applicant in the first years of establishment of the applicant's primary production enterprise.
- (2) The purpose of assistance under the first start program is to enable an applicant—
 - (a) to acquire, including from the applicant's parents, or other family member, a viable primary production enterprise; or
 - (b) to acquire a primary production enterprise on a staged basis, as part of a longer term plan for the applicant to own a viable primary production enterprise; or

Schedule (continued)

- (c) to enter into a leasing, sharefarming or sharefishing arrangement that may lead to the applicant owning a viable primary production enterprise; or
- (d) to upgrade the applicant's existing non-viable primary production enterprise that has not generated the majority of the applicant's income to one of an economically sustainable size.

38 Maximum loan amounts

The maximum amount of a loan, or the total outstanding loan balance, under the first start program is \$500000.

39 Eligibility criteria

- (1) For an applicant to be eligible to receive assistance under the first start program, the applicant must—
 - (a) have resided in Queensland for at least 2 years; and
 - (b) not own, or have disposed of, a viable primary production enterprise; and
 - (c) provide evidence of financial need for the assistance; and
 - (d) if the loan is to buy the applicant's parents' or other family member's assets—be able to demonstrate—
 - (i) the parents or family member is not in a financial position to completely effect a transfer of the assets; and
 - (ii) the purchase is not merely a refinance arrangement; and
 - (e) demonstrate adequate experience or other qualifications to give the applicant a reasonable prospect of success in the particular industry the applicant wishes to enter; and
 - (f) be able to demonstrate—
 - (i) for buying a primary production enterprise—the applicant will have 50% equity in the enterprise; or

Schedule (continued)

- (ii) for a leasing, sharefarming or sharefishing arrangement—the applicant will pay 50% of the set up costs of the enterprise; and
 - (g) demonstrate adequate funding for carry-on purposes; and
 - (h) demonstrate sound prospects for commercial viability in the long term development of the primary production enterprise, in accordance with the planned progression, and the capacity to service proposed debt from the enterprise and other forms of income; and
 - (i) trade in the applicant's own right; and
 - (j) give the authority a management plan.
- (2) However, for subsection (1)(f), the authority may, in relevant circumstances, vary the amount of equity in the enterprise that the applicant is required to demonstrate.

Examples of relevant circumstances—

- 1 a joint lending proposal with a commercial lender
 - 2 applicant has stable off-farm or other income from land or other assets
- (3) The authority may require the applicant's management plan to show the stages of a planned progression towards a viable first enterprise.

40 Maximum term of loan

The maximum term of a loan is 20 years.

Division 4 Development program**41 Purpose of assistance under the development program**

The purpose of assistance under the development program is to enable an applicant to increase the productivity and long term viability of the applicant's primary production business, in the context of sustainable development, by—

Schedule (continued)

- (a) encouraging enterprise build-up, rationalisation, expansion or diversification to enhance viability, including value-adding and investment in supply chain activities; and

Example of supply chain activities—

facilities for processing primary produce

- (b) improving water quality and supply for domestic, stock or irrigation purposes; and
- (c) supporting risk management strategies, including strategies to prepare for climatic risk.

Example of climatic risk—

drought, frost, hail

42 Maximum loan amounts and outstanding loan balances

The maximum amount of a loan, or the total outstanding loan balance, under the development program is—

- (a) if the loan is to buy stock or upgrade plant or machinery—\$100000; or
- (b) otherwise—\$500000.

43 Eligibility criteria

For an applicant to be eligible to receive assistance under the development program, the applicant must—

- (a) demonstrate sound prospects for commercial viability, and the ability to service the loan, in the long-term; and
- (b) provide evidence of a financial need for the assistance; and
- (c) demonstrate that the amount of non-enterprise or liquid assets owned by the applicant is not more than the amount needed for prudent risk management; and
- (d) if the assistance is sought to rationalise a partnership—demonstrate that the proposal for the

Schedule (continued)

rationalisation is not merely a refinance arrangement;
and

- (e) if the assistance is sought to upgrade plant and machinery—demonstrate that the plant and machinery will be used predominantly for the enterprise; and
- (f) demonstrate that the applicant has worked full-time for at least 2 years in the applicant's primary production business—
 - (i) as a leaseholder, owner, sharefarmer or sharefisher;
or
 - (ii) as a member or employee of a company or partnership; and
- (g) ordinarily obtain the applicant's major source of income from the enterprise or value-adding activities related to the enterprise; and
- (h) give the authority a management plan.

44 Maximum term of loan

- (1) The maximum term of a loan is—
 - (a) for buying stock or upgrading plant or machinery—7 years; or
 - (b) otherwise—20 years.
- (2) However, the authority may, in relevant circumstances, decide that the maximum term of a loan for purchasing stock can vary.

Example of relevant circumstances—

a contract to purchase land and the plant, machinery and stock on the land

Schedule (continued)

Division 5 Resource management program**45 Purpose of assistance under the resource management program**

The purpose of assistance under the resource management program is to enable an applicant to achieve sustainable development through the adoption of appropriate resource management practices, the prevention of degradation or the rehabilitation of degraded areas.

46 Maximum loan amounts and outstanding loan balances

The maximum amount of a loan, or the total outstanding loan balance, under the resource management program is \$300000.

47 Eligibility criteria

- (1) For an applicant to be eligible to receive assistance under the resource management program for the applicant's primary production enterprise, the applicant must—
 - (a) demonstrate sound prospects for commercial viability, and the ability to service the loan, in the long-term; and
 - (b) demonstrate that the applicant is working full-time in the primary production enterprise—
 - (i) as a leaseholder, owner, sharefarmer or sharefisher; or
 - (ii) as a member or employee of a company or partnership; and
 - (c) ordinarily obtain the applicant's major source of income from the primary production enterprise; and
 - (d) for on-farm activities—obtain certification by an authorised officer that the activities stated on the applicant's approved application form for the resource management program (the *certified activities*) are eligible activities; and

Schedule (continued)

- (e) give the authority a management plan.
- (2) Assistance under the resource management program is not means tested.

48 Maximum term of loan

The maximum term of a loan is 20 years.

49 Payment

- (1) This section applies to the authority making payments to a primary producer receiving assistance under the resource management program.
- (2) Payment may be made to the primary producer only if—
 - (a) the primary producer gives the authority an invoice or receipt as evidence for the amounts to be paid; and
 - (b) for on-farm activities—an authorised officer certifies that the amounts stated on the invoice or receipt were necessarily incurred for the certified activities.
- (3) If the primary producer carries out the work without employing outside labour, payment may be made only for the costs of fuel and machinery.
- (4) Invoices for on-farm activities must be certified by an authorised officer.
