- incorporates all necessary consequential amendments, whether of punctuation, numbering or another kind (Reprints Act 1992 s 5(d)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

An Act providing for the establishment and administration of community titles schemes, and for other purposes

Chapter 1 Preliminary

Part 1 Introduction

1 Short title

s 1

This Act may be cited as the *Body Corporate and Community Management Act 1997*.

Part 2 Object and achievement of object

2 Primary object

The primary object of this Act is to provide for flexible and contemporary communally based arrangements for the use of freehold land, having regard to the secondary objects.

3 How primary object is to be achieved

For the achievement of its primary object, this Act provides for-

- (a) the establishment of community titles schemes; and
- (b) the operation and management of community titles schemes.

4 Secondary objects

s 4

The following are the secondary objects of this Act—

- (a) to balance the rights of individuals with the responsibility for self management as an inherent aspect of community titles schemes;
- (b) to promote economic development by establishing sufficiently flexible administrative and management arrangements for community titles schemes;
- (c) to encourage the tourism potential of community titles schemes without diminishing the rights and responsibilities of owners, and intending buyers, of lots in community titles schemes;
- (d) to provide a legislative framework accommodating future trends in community titling;
- (e) to ensure that bodies corporate for community titles schemes have control of the common property and body corporate assets they are responsible for managing on behalf of owners of lots included in the schemes;
- (f) to provide bodies corporate with the flexibility they need in their operations and dealings to accommodate changing circumstances within community titles schemes;
- (g) to provide an appropriate level of consumer protection for owners and intending buyers of lots included in community titles schemes;
- (h) to ensure accessibility to information about community titles scheme issues;
- (i) to provide an efficient and effective dispute resolution process.

Part 3 Interpretation

5 Dictionary

The dictionary in schedule 6 defines particular words used in this Act.

6 Use of certain tags

- (1) In this Act, persons or things are sometimes given identifying tags, for example, a community titles scheme might be given the tag *scheme A*.
- (2) An identifying tag is generally used as a shorthand way of distinguishing one person or thing from another person or thing for a provision or series of provisions in the section or division in which the tag is established and used.
- (3) An identifying tag used for a provision or series of provisions may be used again, but refer to a different person or thing, in another provision or series of provisions.

7 Use of illustrations

Schedule 1 contains examples of possible structures of community titles schemes and the accompanying text illustrates the use of various expressions used in this Act.

8 References

- (a) scheme land, is a reference to the scheme land for the scheme; and
- (b) the body corporate, is a reference to the body corporate for the scheme; and
- (c) common property, is a reference to common property for the scheme; and
- (d) body corporate assets, is a reference to body corporate assets for the scheme; and

Part 4 Key terms and concepts

Division 1 Community titles scheme

9 Basic concept for Act—community titles scheme

- (1) A community titles scheme is the basic concept for this Act.
- (2) A community titles scheme can only be over freehold land.

10 Meaning of *community titles scheme*

- (1) A community titles scheme is—
 - (a) a single community management statement recorded by the registrar identifying land (the *scheme land*); and
 - (b) the scheme land.
- (2) Land may be identified as scheme land only if it consists of—
 - (a) 2 or more lots; and

- (b) other land (the *common property* for the community titles scheme) that is not included in a lot mentioned in paragraph (a).¹
- (3) Land can not be common property for more than 1 community titles scheme.
- (4) For each community titles scheme, there must be—
 - (a) at least 2 lots; and
 - (b) common property; and
 - (c) a single body corporate; and
 - (d) a single community management statement.
- (5) A community titles scheme is a *basic scheme* if all the lots mentioned in subsection (2)(a) are lots under the Land Title Act.
- (6) However, under this Act, a lot may be, for its inclusion in a community titles scheme other than a basic scheme, another community titles scheme.²

11 Meaning of *body corporate assets*

(1) *Body corporate assets*, for a community titles scheme, are items of real or personal property acquired by the body corporate, other than property that is incorporated into and becomes part of the common property.

Examples for subsection (1)—

- 1 an airconditioning unit might be bought by a body corporate as a body corporate asset, but become common property when it is installed as a fixture
- 2 a lot acquired by the body corporate under section 40
- (2) Body corporate assets may consist of any property an individual is capable of acquiring.

¹ Common property, for a community titles scheme is, effectively, freehold land forming part of the scheme land, but not forming part of a lot included in the scheme.

² Schedule 1 contains examples of possible structures of community titles schemes.

Examples for subsection (2)—

freehold land, a lease, a licence to use land for a particular purpose, a billiard table, gardening equipment

12 Meaning of *community management statement*

- (1) A community management statement is basic to the identification of a community titles scheme.
- (2) A *community management statement* is a document that—
 - (a) identifies land; and
 - (b) otherwise complies with the requirements of this Act for a community management statement.³

13 Meaning of *original owner*

- (1) The *original owner* for a community titles scheme means each person who, immediately before the establishment of the scheme, is a registered owner of a lot that, on establishment of the scheme, becomes scheme land.
- (2) If, immediately before the establishment of the scheme, land that becomes scheme land is in the possession of a person acting under the authority of a mortgage or an order of a court, the *original owner* includes the person acting under the authority.

14 Meaning of *body corporate manager*

A person is a *body corporate manager* for a community titles scheme if the person is engaged by the body corporate (other than as an employee of the body corporate) to supply administrative services to the body corporate, whether or not the person is also engaged to carry out the functions of a committee, and the executive members of a committee, for a body corporate.

³ See section 66 (Requirements for community management statement).

15 Meaning of *service contractor*

A person is a *service contractor* for a community titles scheme if the person is engaged by the body corporate (other than as an employee of the body corporate) for a term of at least 1 year to supply services (other than administrative services) to the body corporate for the benefit of the common property or lots included in the scheme.

Examples of services that might be provided by a service contractor—

- 1 caretaking services
- 2 pool cleaning services

16 Meaning of *letting agent* and *letting agent business*

- (1) A person is a *letting agent* for a community titles scheme if the person is authorised by the body corporate to conduct a letting agent business for the scheme.
- (2) A person conducts a *letting agent business* for a community titles scheme if the person conducts, subject to the *Property Agents and Motor Dealers Act 2000*, the business of acting as the agent of owners of lots included in the scheme who choose to use the person's services for securing, negotiating or enforcing (including collecting rents or tariffs for) leases or other occupancies of lots included in the scheme.
- (3) For subsection (2), a reference to a lot does not include a reference to a community titles scheme.
- (4) It is not relevant to the identification of a person as a letting agent under this section that the person also conducts an ancillary business or other activity.

Examples of ancillary businesses or activities-

- 1 video hire
- 2 linen hire
- 3 agency for tour operator

17 Meaning of *lease-back scheme* and *lease-back scheme* operator

A community titles scheme is a *lease-back scheme* if—

- (a) the scheme is a basic scheme; and
- (b) lots included in the scheme are the subject of registered or registrable leases to a person (the *lease-back scheme operator*); and
- (c) the lease-back scheme operator is the owner for each lot included in the scheme other than the lots mentioned in paragraph (b).

Division 2 Concept of layered arrangement

18 Meaning of *layered arrangement of community titles schemes*

- (1) A *layered arrangement of community titles schemes* is a grouping of community titles schemes—
 - (a) in which there is 1 community titles scheme (the *principal scheme*)⁴ that—
 - (i) is not a lot included in another community titles scheme; and
 - (ii) is made up of-
 - (A) the scheme land for all other community titles schemes in the grouping; and
 - (B) its own common property; and
 - (C) each lot (if any) that is not a community titles scheme, but that is included in the scheme; and
 - (b) in which there is at least 1 basic scheme; and
 - (c) in which there may or may not be 1 or more community titles schemes located between the principal scheme and each basic scheme.

⁴ See schedule 1, parts 2 and 3 for examples of layered arrangements of community titles schemes.

- (2) Each community titles scheme, other than the principal scheme, in a layered arrangement of community titles schemes—
 - (a) is a subsidiary scheme for the principal scheme; and
 - (b) unless it is a lot included in the principal scheme—may also be a subsidiary scheme for another community titles scheme forming part of the layered arrangement.
- (3) A *subsidiary scheme*, for a community titles scheme (*scheme* A), is a community titles scheme the scheme land for which forms part of the scheme land for scheme A.
- (4) In this Act, the expression *included in*, if used in the context of the inclusion of a lot in a community titles scheme, establishes the relationship the lot has to the scheme and, in general terms, is used to establish that the lot is directly a part of the scheme, rather than only indirectly a part of the scheme.
- (5) The diagram and notes in schedule 1, part 3⁵ illustrate more comprehensively how the expression 'included in' is used.

19 Provisions about lots that are community titles schemes

If a community titles scheme (*scheme* A) includes a lot that is another community titles scheme (*scheme* B)—

- (a) a reference in this Act to the owner of the lot is a reference to the body corporate for scheme B; but
- (b) a reference in this Act to a lot included in scheme A does not include a reference to scheme B if the provision is about—
 - (i) the subdivision of a lot; or
 - (ii) the indefeasible title for a lot; or
 - (iii) a lease or mortgage of a lot; or
 - (iv) the occupier or registered proprietor of a lot.

⁵ Schedule 1 (Illustrations), part 3 (Example of more complex layered arrangement of schemes)

Division 3 Utility infrastructure

20 Utility infrastructure as common property

- (1) Common property for a community titles scheme includes all utility infrastructure forming part of scheme land, except utility infrastructure—
 - (a) solely related to supplying utility services to a lot; and
 - (b) within the boundaries of the lot (according to the way the boundaries of the lot are defined in the plan of subdivision under which the lot is created); and
 - (c) located other than within a boundary structure for the lot.
- (2) However, common property does not include utility infrastructure positioned within common property if—
 - (a) its positioning is the subject of an agreement to which the original owner or the body corporate is a party; and
 - (b) under the agreement, ownership of the utility infrastructure does not pass to the original owner or body corporate.

Example of utility infrastructure for subsection (2)—

cable television wires positioned in the service shaft of a multistorey building that is scheme land for a community titles scheme, if the wires remain in the ownership of a cable television provider

(3) In this section—

boundary structure, for a lot included in a community titles scheme, means a floor, wall or ceiling, other than a false ceiling, in which is located the boundary of the lot with another lot or common property.

Division 4 Regulation modules

21 Meaning of *regulation module*

(1) A *regulation module* is a regulation under this Act that states it is a regulation module for this Act.

s 21

- (2) A regulation module applies to a community titles scheme if the community management statement identifies the module as the regulation module applying to the scheme.
- (3) A regulation module does not apply to a community titles scheme (*scheme A*), despite anything in the community management statement, if—
 - (a) the regulation module states circumstances that must exist for a community titles scheme if the regulation module is to apply to the scheme; and
 - (b) the circumstances do not exist for scheme A.
- (4) A regulation module applies to a community titles scheme if—
 - (a) the regulation module states that it is the regulation module that applies to a community titles scheme if no other regulation module applies to it; and
 - (b) no other regulation module applies to the scheme including, for example, because the community management statement for the scheme—
 - (i) fails to identify a regulation module as the regulation module applying to the scheme; or
 - (ii) identifies as the regulation module applying to the scheme a regulation module that, under subsection (3), does not apply to the scheme.
- (5) A community titles scheme must have only 1 regulation module applying to it.
- (6) Different regulation modules may apply to different community titles schemes in a layered arrangement of community titles schemes.

Chapter 2 Basic operation of community titles schemes

Part 1 Establishment of community titles schemes

22 Names of community titles schemes

The name of a community titles scheme is made up of—

- (a) an identifying name shown in the community management statement; and
- (b) the words 'community titles scheme'; and
- (c) the unique identifying number allocated under the Land Title Act, section 115E(2).⁶

Example of name of community titles scheme—

Seaview community titles scheme 1234

23 Reservation of name

A name may be reserved under the Land Title Act, section 115F,⁷ as the identifying name to be shown in the community management statement for a proposed community titles scheme.

24 Establishment of community titles scheme

- (1) A community titles scheme is established by—
 - (a) firstly, the registration, under the Land Title Act, of a plan of subdivision for identifying the scheme land for the scheme; and
 - (b) secondly, the recording by the registrar of the first community management statement for the scheme.

⁶ Land Title Act, section 115E (Names of community titles schemes)

⁷ Land Title Act, section 115F (Reservation of name)

(2) A community titles scheme is established when the first community management statement for the scheme is recorded.

25 Changing scheme by new community management statement

- (1) A community titles scheme may be changed by, or in conjunction with, the recording of a new community management statement.
- (2) The community titles scheme is changed when the new statement is recorded.

26 Changing structure of scheme

s 25

- (1) A layered arrangement of community titles schemes is established if a lot included in a basic scheme is subdivided to create a new community titles scheme.
- (2) A layered arrangement of community titles schemes may be changed by the progressive subdivision of lots to create subsidiary schemes.⁸

27 Establishing structures through combination

- (1) A new community titles scheme may be established if the new scheme includes, in addition to common property for the new scheme—
 - (a) an already existing community titles scheme and 1 or more lots that are not community titles schemes; or
 - (b) 2 or more already existing community titles schemes, whether or not lots that are not community titles schemes are also included.
- (2) For example, if 2 community titles schemes have already been established, a new community titles scheme could be

⁸ Schedule 1, part 5 gives an example of progressive subdivision to create subsidiary schemes.

established with the lots included in the new scheme constituted by the existing 2 schemes.

- (3) However, a community titles scheme may be established under this section only if—
 - (a) the titling and subdivisional arrangements needed for the establishment are carried out under the Land Title Act; and
 - (b) the new scheme that is established is—
 - (i) consistent with the requirements of this Act for a community titles scheme; and
 - (ii) a principal scheme.⁹

28 Enlarging the number of lots through progressive subdivision

The number of lots included in a community titles scheme could be increased (and the establishment or enhancement of a layered arrangement of community titles schemes avoided) through the progressive subdivision of lots under the Land Title Act, part 6A, to create further lots included in the scheme.¹⁰

29 Notice about change of scheme being developed progressively

- (1) This section applies if—
 - (a) a community titles scheme is intended to be developed progressively; and
 - (b) the developer intends to change the scheme in a way that, if carried out—
 - (i) would affect the nature of the development or 1 or more stages of the development; and

⁹ Schedule 1, part 6 gives an example of the operation of this section.

¹⁰ Schedule 1, part 4 gives an example of the operation of this section.

- (ii) would not be consistent with the current development approval for the scheme.
- (2) The developer must give written notice of the change as required under this section to—
 - (a) the body corporate; and
 - (b) each person who has entered into a contract with the developer to buy a proposed lot in the scheme.

Maximum penalty for subsection (2)—300 penalty units.

(3) The notice must be given at least 30 days before the developer applies for development approval for the changed scheme under the Planning Act.

Part 2 Bodies corporate

30 Creation of body corporate for community titles scheme

When a community titles scheme is established, a body corporate is created, and is the body corporate for the scheme.

31 Membership of body corporate for community titles scheme

The members of the body corporate for a community titles scheme are the owners of all lots included in the scheme.¹¹

32 Corporations Act does not apply to body corporate

The Corporations Act does not apply to a body corporate.

Schedule 1, parts 7 and 8 illustrate body corporate memberships.

¹¹ If a lot included in the scheme is itself a community titles scheme, the owner of the lot is the body corporate for the other scheme (see section 19 (Provisions about lots that are community titles schemes)).

33 Name of body corporate

(1) The name of the body corporate for a community titles scheme is the words 'Body corporate for' plus the name of the scheme.

Example of name—

Body corporate for Seaview community titles scheme 1234

(2) The body corporate for a community titles scheme may sue and be sued in its corporate name.

34 Body corporate's seal

- (1) The body corporate for a community titles scheme has a seal.
- (2) The seal must be kept and used in the way prescribed under the regulation module applying to the scheme.

Part 3 Common property

Division 1 General provisions

35 Ownership of common property

- (1) Common property for a community titles scheme is owned by the owners of the lots included in the scheme, as tenants in common, in shares proportionate to the interest schedule lot entitlements of their respective lots.
- (2) Subsection (1) applies even though, under the Land Title Act, the registrar creates an indefeasible title for the common property for a community titles scheme.
- (3) An owner's interest in a lot is inseparable from the owner's interest in the common property.

Examples—

1 A dealing affecting the lot affects, without express mention, the interest in the common property.

- 2 An owner can not separately deal with or dispose of the owner's interest in the common property.
- (4) If the occupier of a lot is not the lot's owner, a right the owner has under this Act to the occupation or use of common property is enjoyed by the occupier.
- (5) The way the body corporate for a community titles scheme (*scheme A*) may enjoy the occupation and use of the common property for a community titles scheme for which scheme A is a subsidiary scheme is subject to the community management statement for each scheme for which scheme A is a subsidiary scheme.
- (6) If a body corporate is authorised under this Act to enter into a transaction affecting common property, it may enter into the transaction, and execute documents related to the transaction, in its own name, as if it were the owner of an estate of fee simple in the common property.

36 Rights and responsibilities for common property

(1) The body corporate for a community titles scheme may sue and be sued for rights and liabilities related to the common property as if the body corporate were the owner of the common property.

Example—

s 36

If a person, including the owner of a lot included in the community titles scheme, damages the common property, the body corporate may sue to recover the loss arising from the damage.

(2) For common property other than common property for which an entity other than the body corporate is the occupier, the body corporate may sue and be sued as if the body corporate were the occupier.

Example—

If a person is injured while on the common property (other than common property for which an entity other than the body corporate is the occupier), an action claiming failure by the occupier to exercise a proper standard of care lies against the body corporate.

(3) If, before a community titles scheme is established, a contract is entered into to have work carried out on land that becomes scheme land—

- (a) the body corporate is, on the establishment of the scheme, subrogated to the rights (if any) of the original owner under the contract to the extent that the contract applies to work affecting scheme land that is common property; and
- (b) a lot owner is, on the establishment of the scheme, subrogated to the rights (if any) of the original owner under the contract to the extent that the contract applies to work affecting scheme land that is the lot.

37 Creating common property (no new scheme)

- (1) If authorised by resolution without dissent, the body corporate for a community titles scheme may acquire, and incorporate with the common property for the scheme—
 - (a) land in fee simple contiguous to scheme land; or
 - (b) a lot included in the scheme.
- (2) Subsection (1) applies only if—
 - (a) the titling and subdivisional arrangements needed for the acquisition are carried out under the Land Title Act; and
 - (b) the scheme, as changed by the creation of the new common property, is consistent with the requirements of this Act for a community titles scheme.

38 Creating common property by subdivision (no new scheme)

- (1) This section applies if—
 - (a) a lot included in a community titles scheme (*scheme A*) is subdivided by a plan of subdivision; and
 - (b) the lots created under the plan of subdivision become lots in scheme A.
- (2) Land in the subdivided lot that does not become a lot in scheme A could become common property for scheme A.

(3) However, if the community management statement for a community titles scheme for which scheme A is a subsidiary scheme provides that the land is to become common property for a scheme (the *higher scheme*) for which scheme A is a subsidiary scheme, the land could become common property for the higher scheme.

39 Creating common property from scheme land (new scheme)

- (1) This section applies if a lot included in a community titles scheme (scheme A) is subdivided and becomes a new community titles scheme.
- (2) Land in the subdivided lot that does not become scheme land for the new scheme could become common property for scheme A.
- (3) However, if the community management statement for a community titles scheme for which scheme A is a subsidiary scheme provides that the land is to become common property for a scheme (the *higher scheme*) for which scheme A is a subsidiary scheme, the land could become common property for the higher scheme.

Division 2 Body corporate acquisition of, and dealing with, lot included in its own scheme

40 Acquisition for letting agent purposes

- (1) This section applies to the body corporate for a community titles scheme if the original owner control period for the scheme has ended.
- (2) The body corporate may acquire a lot included in the scheme if—
 - (a) the lot is to become common property for use solely for—

- (i) a residence for a letting agent or service contractor (each a *body corporate lessee*) for the scheme; or
- (ii) a residence for the letting agent and an office for conducting the letting agent business; and
- (b) the body corporate, by resolution without dissent, authorises the acquisition for the use.

41 Lease

If the body corporate acquires a lot under section 40, the body corporate must—

- (a) incorporate the lot with common property for the scheme; and
- (b) lease the part of the common property that is the incorporated lot (the *lessee common property*) to the body corporate lessee for a period not longer than the term of the person's authorisation as letting agent or engagement as a service contractor.

42 Prohibition on benefits

- (1) The body corporate must not receive, whether directly or indirectly, an amount or benefit by way of a premium for the lease.
- (2) If an amount or benefit is given to or accepted by the body corporate in contravention of subsection (1), the person who paid the amount or conferred the benefit may recover from the body corporate the amount, or the value of the benefit, as a debt.
- (3) Subsection (1) does not apply to an amount or benefit representing fair market value for an entitlement conferred by the body corporate under the lease.

43 Effect of ending of authorisation

(1) If the body corporate lessee's authorisation as a letting agent or engagement as service contractor ends, whether by termination or otherwise—

- (a) the lease ends immediately; and
- (b) if the lessee common property is no longer to be used for a purpose mentioned in section 40(2)(a), the body corporate must convert the lessee common property to a lot in the scheme.
- (2) In incorporating a lot with common property under section 41(a), or in converting lessee common property to a lot under subsection (1)(b), the body corporate must ensure any necessary titling and subdivisional arrangements are carried out under the Land Title Act.

44 Body corporate interest in lot included in its own scheme

The body corporate for a community titles scheme may have an interest in a lot included in the scheme if the interest is—

- (a) a registered easement for 1 or more basic utility services for the scheme; or
- (b) an interest acquired in a lot for section 37 or 40.

Part 4 Body corporate assets

45 Ownership and enjoyment of body corporate assets

- (1) The body corporate for a community titles scheme holds the body corporate assets beneficially.
- (2) Property can not be a body corporate asset for more than 1 community titles scheme, although a body corporate asset may comprise a share as tenant in common in an item of property, including, for example, property in which the body corporate for another community titles scheme also has a share.
- (3) A body corporate may (in the way and to the extent this Act provides) acquire, and dispose of, a body corporate asset, but must not, except to the extent permitted under a regulation

module, mortgage, or otherwise create a charge over, the asset.

(4) The way the body corporate for a community titles scheme (*scheme A*) may use the body corporate assets for a community titles scheme for which scheme A is a subsidiary scheme is subject to the community management statement for each scheme for which scheme A is a subsidiary scheme.

Part 5 Lot entitlements

46 Lot entitlements

- (1) A *lot entitlement*, for a lot included in a community titles scheme, means the number allocated to the lot in the contribution schedule or interest schedule in the community management statement.
- (2) The *contribution schedule* is the schedule in a community management statement containing each lot's contribution schedule lot entitlement.
- (3) The *interest schedule* is the schedule in a community management statement containing each lot's interest schedule lot entitlement.
- (4) The *contribution schedule lot entitlement*, for a lot, means the number allocated to the lot in the contribution schedule.
- (5) The *interest schedule lot entitlement*, for a lot, means the number allocated to the lot in the interest schedule.
- (6) A lot entitlement must be a whole number, but must not be 0.
- (7) For the contribution schedule for a scheme for which development approval is given after the commencement of this subsection, the respective lot entitlements must be equal, except to the extent to which it is just and equitable in the circumstances for them not to be equal.

Examples for subsection (7) of circumstances in which it may be just and equitable for lot entitlements not to be equal—

- 1 a layered arrangement of community titles schemes, the lots of which have different uses (including, for example, car parking, commercial, hotel and residential uses) and different requirements for public access, maintenance or insurance
- 2 a commercial community titles scheme in which the owner of 1 lot uses a larger volume of water or conducts a more dangerous or a higher risk industry than the owners of the other lots
- (8) In deciding the contribution schedule lot entitlements and interest schedule lot entitlements for a scheme mentioned in subsection (7), regard must be had to—
 - (a) how the scheme is structured; and
 - (b) the nature, features and characteristics of the lots included in the scheme; and
 - (c) the purposes for which the lots are used.
- (9) A change to a lot entitlement takes effect on the recording of a new community management statement incorporating the change.

47 Application of lot entitlements

- (1) This section states the general principles for the application of lot entitlements to a community titles scheme, but has effect subject to provisions of this Act providing more specifically for the application of lot entitlements.
- (2) The contribution schedule lot entitlement for a lot is the basis for calculating—
 - (a) the lot owner's share of amounts levied by the body corporate, unless the extent of the lot owner's obligation to contribute to a levy for a particular purpose is specifically otherwise provided for in this Act;¹² and

¹² The regulation module applying to a community titles scheme might provide that a lot owner's contribution to some or all of the insurance required to be put in place by the body corporate is to be calculated on the basis of the lot's interest schedule lot entitlement.

- (b) the value of the lot owner's vote for voting on an ordinary resolution if a poll is conducted for voting on the resolution.
- (3) The interest schedule lot entitlement for a lot is the basis for calculating—
 - (a) the lot owner's share of common property; and
 - (b) the lot owner's interest on termination of the scheme, including the lot owner's share in body corporate assets on termination of the scheme; and
 - (c) the unimproved value of the lot, for the purpose of a charge, levy, rate or tax that is payable directly to a local government, the commissioner of land tax or other authority and that is calculated and imposed on the basis of unimproved value.
- (4) Neither the contribution schedule lot entitlement nor the interest schedule lot entitlement for a lot is used for the calculation of the liability of the owner or occupier of the lot for the supply of a utility service to the lot if the amount of the utility service supplied to each lot is capable of separate measurement, and the owner or occupier is billed directly.

48 Adjustment of lot entitlement schedule

- (1) The owner of a lot in a community titles scheme may apply—
 - (a) under chapter 6, for an order of a specialist adjudicator for the adjustment of a lot entitlement schedule; or
 - (b) under the CCT Act, for an order of the CCT for the adjustment of a lot entitlement schedule.
- (2) Despite any other law or statutory instrument, the respondent to an application mentioned in subsection (1) is the body corporate.
- (3) If the owner applies under chapter 6 for an order of a specialist adjudicator—
 - (a) at the election of another owner of a lot in the scheme, the other owner may be joined as a respondent to the application; and

43

s 48

- (b) each party to the application is responsible for the party's own costs of the application.
- (4) An owner who elects, under subsection (3)(a), to become a respondent to the application must give written notice of the election to the body corporate.
- (5) The order of the specialist adjudicator or the CCT must be consistent with—
 - (a) if the order is about the contribution schedule—the principle stated in subsection (6); or
 - (b) if the order is about the interest schedule—the principle stated in subsection (7).
- (6) For the contribution schedule, the respective lot entitlements should be equal, except to the extent to which it is just and equitable in the circumstances for them not to be equal.
- (7) For the interest schedule, the respective lot entitlements should reflect the respective market values of the lots included in the scheme when the specialist adjudicator or the CCT makes the order, except to the extent to which it is just and equitable in the circumstances for the individual lot entitlements to reflect other than the respective market values of the lots.
- (8) If a lot mentioned in subsection (7) is a subsidiary scheme, the market value of the lot is the market value of the scheme land for the subsidiary scheme.
- (9) For establishing the market value of a lot created under a standard format plan of subdivision, buildings and improvements on the lot are to be disregarded.
- (10) If the specialist adjudicator or the CCT orders an adjustment of a lot entitlement schedule, the body corporate must, as quickly as practicable, lodge a request to record a new community management statement reflecting the adjustment ordered.

Maximum penalty for subsection (10)—100 penalty units.

49 Criteria for deciding just and equitable circumstances

- (1) This section applies if an application is made for an order of a specialist adjudicator or the CCT for the adjustment of a lot entitlement schedule.
- (2) This section sets out matters to which the specialist adjudicator or the CCT may, and may not, have regard for deciding—
 - (a) for a contribution schedule—if it is just and equitable in the circumstances for the respective lot entitlements not to be equal; and
 - (b) for an interest schedule—if it is just and equitable in the circumstances for the individual lot entitlements to reflect other than the respective market values of the lots.
- (3) However, the matters the specialist adjudicator or the CCT may have regard to for deciding a matter mentioned in subsection (2) are not limited to the matters stated in this section.
- (4) The specialist adjudicator or the CCT may have regard to—
 - (a) how the community titles scheme is structured; and
 - (b) the nature, features and characteristics of the lots included in the scheme; and
 - (c) the purposes for which the lots are used.
- (5) The specialist adjudicator or the CCT may not have regard to any knowledge or understanding the applicant had, or any lack of knowledge or misunderstanding on the part of the applicant, at the relevant time, about—
 - (a) the lot entitlement for the subject lot or other lots included in the community titles scheme; or
 - (b) the purpose for which a lot entitlement is used.
- (6) In this section—

relevant time means the time the applicant entered into a contract to buy the subject lot.

subject lot means the lot owned by the applicant.

50 Limited adjustment of lot entitlement schedule—with agreement of owners of 2 or more lots

- (1) This section applies if the owners of 2 or more lots included in a community titles scheme—
 - (a) agree in writing to change the lot entitlements of the lots; and
 - (b) under the agreed change (the *change*), the total lot entitlements of the lots subject to the change (the *changing lots*) is not affected; and
 - (c) the registered mortgagee and lessee (if any) of each of the changing lots has consented to the change; and
 - (d) the owners of the changing lots have advised the body corporate in writing of the change.
- (2) The body corporate must, as quickly as practicable, lodge a request to record a new community management statement reflecting the adjustment agreed to.

Maximum penalty—100 penalty units.

(3) The new statement must be prepared and recorded at the expense of the owners of the changing lots.

51 Limited adjustment of lot entitlement schedule—after formal acquisition of part of scheme land

- (1) This section applies if a constructing authority advises the body corporate for a community titles scheme that it proposes to lodge—
 - (a) a new plan of subdivision for the scheme as required under the *Acquisition of Land Act 1967*, section 12A;¹³ and
 - (b) a request to record a new community management statement for the scheme as required under section 56(1).

¹³ *Acquisition of Land Act 1967*, section 12A (Constructing authority must lodge new plan of survey for particular land)

- (2) Within 3 months after receiving the constructing authority's advice and before consenting to the new community management statement, the body corporate must—
 - (a) obtain, from an appropriate person, independent professional advice (the *lot entitlement adjustment advice*) about any just and equitable changes required to the lot entitlement schedules for the scheme to take account of the boundary change shown in the new plan of subdivision; and

Example of appropriate person for paragraph (a)—

a lawyer or registered valuer

- (b) call a general meeting of its members to decide any changes to the lot entitlement schedules to take account of the boundary change.
- (3) The notice of the meeting must state or be accompanied by a copy of the lot entitlement adjustment advice.
- (4) Within 30 days after the meeting is held, the body corporate must give the constructing authority written notice of the body corporate's decision made under this section about any changes to the lot entitlement schedules.
- (5) The constructing authority is responsible for the costs of obtaining the lot entitlement adjustment advice.

Part 6 Community management statements

52 Recording of community management statement

A community management statement has no effect unless it is recorded.

53 First community management statement

The first community management statement for a community titles scheme must be signed by the person who, on the establishment of the scheme, becomes the original owner.

54 Subsequent community management statement

- (1) The existing statement for a community titles scheme can not be amended, but a new community management statement for the scheme may be recorded in the place of the existing statement.
- (2) The new community management statement may be recorded only if the body corporate—
 - (a) consents, under section 62, to the recording of the new statement; and
 - (b) endorses its consent on the new statement.
- (3) For giving the consent, the body corporate need not have before it the new community management statement in the form in which it is to be recorded.

55 Requirements for motion to change community management statement

- (1) Subject to subsection (2), a motion proposing to change an existing community management statement for a community titles scheme may be submitted by only—
 - (a) the committee for the body corporate; or
 - (b) the owner of a lot included in the scheme; or
 - (c) the body corporate manager.
- (2) The body corporate manager may submit the motion if the body corporate manager may, under the regulation module applying to the scheme, submit the motion.

56 New statements and subsequent plans of subdivision

(1) A request to record a new community management statement for a community titles scheme must be lodged when a new plan of subdivision affecting the scheme (including affecting a lot in, or the common property for, the scheme) is lodged.

(2) A request to record a new community management statement for a community titles scheme may be lodged, and the new statement may be recorded for the scheme, even though a plan of subdivision is not lodged, if all plans of subdivision relating to the scheme, and the new statement, will still be consistent after the new statement is recorded.

57 Other matters about new statements for schemes developed progressively

- (1) This section applies—
 - (a) only to a community titles scheme intended to be developed progressively; and

Examples for paragraph (a)—

- 1 the subdivision of scheme land to create further lots for the scheme or to establish a subsidiary scheme
- 2 the excision of a lot from, or the addition of a lot to, scheme land
- (b) if the circumstances stated in subsection (2) or (3) also apply to the scheme.
- (2) For subsection (1)(b), the circumstances are—
 - (a) a new plan of subdivision proposed to be lodged for the scheme—
 - (i) is consistent with all statements about proposed future subdivision contained in the existing community management statement for the scheme; or
 - (ii) is inconsistent with the existing community management statement only to the extent the development of a stage is to be done out of order; and
 - (b) the difference between the existing statement and a new community management statement required under section 56(1) is limited to ensuring that, after registration of the new plan of subdivision and recording

s 57

of the new statement, the scheme's community management statement will—

- (i) be consistent with all plans of subdivision for the scheme that are registered under the Land Title Act; and
- (ii) contain the statements about proposed future subdivision that are contained in the existing statement, changed only to the extent necessary to take account of the registration of the new plan of subdivision.
- (3) Alternatively, for subsection (1)(b), the circumstances are that a new plan of subdivision proposed to be lodged for the development is inconsistent with the existing community management statement for the scheme because the plan changes the scheme in a way that affects the nature of the development or 1 or more stages of the development.

Examples of changes affecting the nature of a development for subsection (3)—

- 1 a development for a scheme intended to be a resort is changed to a development comprising only standard format lots for residential purposes
- 2 a stage of a development comprising standard format lots for residential purposes and a marina is changed to a stage comprising only standard format lots for residential purposes
- (4) For subsection (2)(a)(ii), the development of a stage is done out of order if it is not consistent with the order of the development of the stages stated in the development approval or existing community management statement for the scheme.
- (5) The developer must—
 - (a) prepare the new community management statement required under section 56(1) for the scheme; and
 - (b) give the new statement to the body corporate.
- (6) The body corporate must, within 30 days after receiving the new statement, endorse its consent on the statement.

Maximum penalty—50 penalty units.

- (7) However, if this section applies because of the circumstances stated in subsection (3), the body corporate is not required to endorse its consent on the statement unless—
 - (a) the developer has—
 - (i) given the body corporate a notice as required under section 29(2)(a); and
 - (ii) obtained development approval for the changed scheme; and
 - (b) the new community management statement is consistent with the development approval for the changed scheme; and
 - (c) the local government has endorsed a community management statement notation on the new community management statement.
- (8) The developer must, within 30 days after receiving the endorsed statement, lodge a request to record the statement.

Maximum penalty for subsection (8)—300 penalty units.

- (9) Within 14 days after the new statement is recorded, the developer must give to the body corporate—
 - (a) a copy of the new statement; and
 - (b) evidence of its recording.

Maximum penalty for subsection (9)—300 penalty units.

(10) The developer is responsible for the costs of preparing and recording the new community management statement.

58 Community management statement for higher scheme prevails

- (1) If a community titles scheme (*scheme* A) is a subsidiary scheme, scheme A's community management statement (other than the unaffected provisions) has effect subject to the community management statement for each community titles scheme for which scheme A is a subsidiary scheme.
- (2) In subsection (1)—

unaffected provisions means-

- (a) the lot entitlement schedules in scheme A's community management statement; and
- (b) the provisions of scheme A's community management statement prescribed under a regulation applying to scheme A.

Example—

The community management statement for the principal scheme in a layered arrangement of community titles schemes prevails over the provisions (other than the lot entitlement schedules and the provisions prescribed under subsection (2)(b)) of the community management statement for each other community titles scheme forming part of the layered arrangement.

59 Taking effect of community management statement

- (1) A community management statement takes effect under the Land Title Act, section 115L(3).¹⁴
- (2) The community management statement for a community titles scheme is binding on—
 - (a) the body corporate; and
 - (b) each member of the body corporate; and
 - (c) to the extent that paragraphs (a) and (b) do not apply to bind a person—
 - (i) each person who is a registered proprietor of a lot included in the scheme; and
 - (ii) each person who is a registered proprietor of common property; and
 - (d) to the extent that paragraphs (b) and (c) do not apply to bind a person—
 - (i) each person who is the occupier of a lot included in the scheme; and
 - (ii) each person who is an occupier of common property.

¹⁴ Land Title Act, section 115L (When registrar records community management statement)

- (3) Subsection (2) has effect as if—
 - (a) the community management statement included mutual covenants to observe its provisions entered into by each person bound by it; and
 - (b) each person bound had signed the community management statement under seal.

60 Local government community management statement notation

- (1) Subject to subsection (6), a community management statement proposed to be recorded for a community titles scheme may be recorded only if the local government for each local government area in which scheme land is or is proposed to be located has endorsed on the statement a certificate (a *community management statement notation*).
- (2) In a community management statement notation a local government states only that the local government has noted the community management statement.
- (3) Subject to subsection (4), the local government must endorse the community management statement notation on the proposed community management statement.
- (4) For a community titles scheme intended to be developed progressively, the local government is not required to endorse the notation on the proposed statement if there is an inconsistency between a provision of the statement and—
 - (a) a lawful requirement of, or an approval given by, the local government under the Planning Act; or
 - (b) the local government's planning scheme; or
 - (c) a lawful requirement of, or an approval given by, the local government under its planning scheme.

Example for subsection (4)—

A local government would be expected to refuse to endorse a proposed community management statement with a community management statement notation if the statement envisages development of part of the scheme land in a way prohibited under the local government's planning scheme. However, the local government would be expected to endorse the proposed statement with a community management statement notation if the proposed community management statement acknowledges that development of the part of the land in the way proposed will proceed only if and when a suitable amendment of the planning scheme is made.

- (5) For subsection (4), a provision of the statement is not inconsistent with a planning scheme if—
 - (a) the planning scheme allows a person to do an act or engage in an activity in the area in which the community titles scheme is established; and
 - (b) the provision requires the person to obtain the body corporate's permission before doing the act or engaging in the activity on scheme land.
- (6) Despite subsection (1), a new community management statement may be recorded without the endorsement on it of a community management statement notation if—
 - (a) there is no difference between the existing statement for the scheme and the new statement for any issue that the local government could have regard to for identifying an inconsistency mentioned in subsection (4); or

Example for paragraph (a)—

The new statement includes an interest schedule that is different from the interest schedule included in the existing statement, but there is otherwise no difference between the 2 statements.

- (b) any difference between the statements is limited to changes to reflect—
 - (i) a lot entitlement adjustment agreed to under section 50; or
 - (ii) a formal acquisition affecting the scheme; or
 - (iii) a change in a services location diagram for the scheme; or
 - (iv) the incorporation of a lot with common property, or conversion of lessee common property to a lot, under section 40.
- (7) If the local government does not endorse a community management statement notation within 40 days after a community management statement is submitted for

endorsement under this section, or refuses to endorse the notation-

- (a) the person who submitted the community management statement for endorsement of the notation may appeal to the Planning and Environment Court under the Planning Act; and
- (b) the court is required to hear and determine the appeal.

61 Giving copy of community management statement to local government

- (1) This section applies if either of the following is recorded for a community titles scheme—
 - (a) a community management statement that, under section 60(4), is not endorsed with a community management statement notation;
 - (b) a community management statement containing a lot entitlement for a lot included in the scheme that is different from the lot entitlement for the lot contained in the previous statement recorded for the scheme.
- (2) The body corporate must give a copy of the statement to each local government in whose local government area scheme land is located.
- (3) The copy must be given—
 - (a) for a statement other than a statement to which section
 57 applies—within 14 days after the statement is recorded; or
 - (b) for a statement to which section 57 applies—within 14 days after the body corporate receives a copy of the statement under section 57(9).

62 Body corporate to consent to recording of new statement

(1) This section provides for the form of the consent of the body corporate for a community titles scheme to the recording of a new community management statement for the scheme in the place of the existing statement for the scheme.

- (2) The consent must be in the form of a resolution without dissent.
- (3) However, the consent may be in the form of a special resolution if the difference between the existing statement and the new statement is limited to the following—
 - (a) differences in the by-laws (other than a difference in exclusive use by-laws);
 - (b) the identification of a different regulation module to apply to the scheme.
- (4) The consent to the recording of a new community management statement need not be in the form of a resolution without dissent or special resolution if the new statement is different from the existing statement only to the extent necessary for 1 or more of the following—
 - (a) compliance with a provision of this Act under which the body corporate is required to lodge a request to record a new statement for a purpose stated in the provision;
 - (b) compliance with the order of an adjudicator, the District Court or the CCT made under this Act for the lodging of a request for the recording of the new statement;
 - (c) changing the community titles scheme to give effect to an approved reinstatement process;
 - (d) changing the community titles scheme to reflect a formal acquisition affecting the scheme;
 - (e) recording the details of allocations of common property or body corporate assets made under an exclusive use by-law;
 - (f) implementation of development proposed under the existing statement or under the provisions of a community management statement to which the existing statement is subject;
 - (g) showing the location of a service easement for the community titles scheme by including a services location diagram;
 - (h) amalgamating or subdividing lots included in the community titles scheme;

- (i) reproducing the existing statement without any change of substance.
- (5) However, subsection (4)(h) applies only if the associated plan of subdivision—
 - (a) does not affect the common property; and
 - (b) does not change—

- (i) the contribution schedule lot entitlements, or interest schedule lot entitlements, for lots included in the scheme (other than the lots being amalgamated or subdivided under the plan); or
- (ii) the total of the contribution schedule lot entitlements for the lots included in the scheme; or
- (iii) the total of the interest schedule lot entitlements for the lots included in the scheme.
- (6) Also, the consent to the recording of a new community management statement need not be in the form of a resolution without dissent or special resolution if the consent is required to be endorsed under section 57.
- (7) A consent to which subsection (4) or (6) applies must be given by ordinary resolution if, under the regulation module applying to the scheme—
 - (a) consenting to the recording of a new community management statement is a restricted issue for the body corporate's committee; or
 - (b) the body corporate has engaged a body corporate manager to carry out the functions of a committee, and the executive members of a committee, for the body corporate.
- (8) In this section—

associated plan of subdivision, for a proposed new community management statement, means the plan of subdivision proposed to be lodged with the request to record the statement.

63 Responsibility for preparing, and for costs of preparing, new statement

- (1) This section applies if the body corporate for a community titles scheme consents to a new community management statement, other than a statement to which section 57 applies, being recorded for the scheme.
- (2) The new community management statement must be prepared by—
 - (a) if the body corporate manager may, under the body corporate manager's engagement, prepare the statement—the body corporate manager; or
 - (b) if paragraph (a) does not apply to the scheme—the committee for the body corporate.
- (3) The body corporate is responsible for the costs of preparing and recording the new community management statement, unless this Act provides otherwise.¹⁵
- (4) Despite subsections (2) and (3), if the difference between the new community management statement and the existing statement is limited to changes to reflect a formal acquisition affecting the scheme, the constructing authority for the acquisition—
 - (a) must prepare the new statement; and
 - (b) is responsible for the costs of preparing and recording the new statement.

64 New community management statement must be consistent with body corporate's consent

If a new community management statement when recorded is inconsistent with the new statement for which the body corporate gave its consent, the statement as recorded is void to the extent of the inconsistency.

¹⁵ For example, in addition to subsection (4), see section 50 (Limited adjustment of lot entitlement schedule—with agreement of owners of 2 or more lots).

65 Time for lodging request to record new statement

- (1) If the body corporate consents to a new community management statement being recorded for a community titles scheme, the body corporate must, within 3 months after the relevant event happens, lodge a request to record the new statement.
- (2) This section does not apply to a new community management statement to which section 57 applies.
- (3) In this section—

relevant event means-

- (a) if the difference between the new statement and the existing statement for the scheme is limited to changes to reflect a formal acquisition affecting the scheme—the acquisition; or
- (b) if paragraph (a) does not apply—the body corporate consents to the recording of the new statement.

66 Requirements for community management statement

- (1) The community management statement for a community titles scheme, in addition to identifying the scheme land, must—
 - (a) state the following—
 - (i) the identifying name for the scheme;
 - (ii) the name of the body corporate (other than, for the first community management statement for the scheme, the unique identifying number for the scheme);
 - (iii) for the first community management statement for the scheme—the name, and the address for service, of the original owner; and
 - (b) identify the regulation module applying to the scheme; and
 - (c) include a contribution schedule and an interest schedule; and

- (d) for a scheme (other than a scheme created under chapter 2, part 11¹⁶) for which development approval is given after the commencement of this paragraph—
 - (i) if the contribution schedule lot entitlements for each lot included in the scheme are not equal—explain why they are not equal; and
 - (ii) include 1 or more services location diagrams for all service easements for—
 - (A) the standard format lots included in the scheme; and
 - (B) common property for the standard format lots; and
 - (iii) identify the lots affected, or proposed to be affected, by a statutory easement, and state the type of statutory easement; and
- (e) unless the by-laws are to be the by-laws in schedule 4—include by-laws; and
- (f) if the scheme is intended to be developed progressively (including, for example, subdivision of scheme land to create further lots for the scheme or to establish a subsidiary scheme, or excision of a lot from, or addition of a lot to, scheme land) and the development is not complete—
 - (i) explain the proposed development and illustrate it by concept drawings; and
 - (ii) state the purpose of any future allocations for the scheme and the stages in which the future allocations are to be made; and
- (g) if the scheme forms part of, or is intended to form part of, or to be the basis for, a layered arrangement of community titles schemes—explain the structure, or proposed structure, of the layered arrangement.
- (2) The community management statement—

¹⁶ Chapter 2 (Basic operation of community titles schemes), part 11 (Creation of a layered arrangement from existing basic schemes)

- (a) must also include anything that the regulation module applying to the scheme says it must include; and
- (b) may include anything that the regulation module applying to the scheme says it may include.
- (3) The community management statement must not include anything other than the things that this Act, or the regulation module applying to the scheme, says the statement must or may include.
- (4) Subsection (1)(d)(ii) applies to a community management statement for a scheme existing before the commencement of the subparagraph (the *commencement*)—
 - (a) only if, after the commencement, a service easement is established for the scheme; and
 - (b) only for service easements established after the commencement.
- (5) If the requirement mentioned in subsection (1)(d)(ii) applies to a community management statement because of subsection (4), the requirement must be complied with, initially, within 1 year after the first establishment of a service easement after the commencement.
- (6) In this section—

future allocation, for a community titles scheme, means a future allocation of common property or a body corporate asset under an exclusive use by-law.

Part 7 Statutory easements

67 Application of pt 7

- (1) This part applies to a community titles scheme if the lots included in the scheme are lots on—
 - (a) a building format plan of subdivision; or
 - (b) a volumetric format plan of subdivision; or

- (c) a standard format plan of subdivision registered under the Land Title Act on or after 13 July 1997.
- (2) If a lot is a standard format lot in a community titles scheme intended to be developed progressively and there are no buildings on the lot, this part applies for the lot.
- (3) This part has effect for the scheme subject to the provisions of an easement established under the Land Title Act.

68 Exercise of rights under statutory easement

- (1) Rights under a statutory easement¹⁷ must not be exercised in a way that unreasonably prevents or interferes with the use and enjoyment of a lot or common property.
- (2) If a statutory easement entitles a lot owner to enter another lot or common property to carry out work, the owner—
 - (a) must give reasonable written notice—
 - (i) to the other lot's owner, and additionally, if the owner is not the occupier, the other lot's occupier, before entering the lot to carry out work; or
 - (ii) to the body corporate, before entering the common property to carry out work; and
 - (b) must comply with the security or other arrangements or requirements ordinarily applying for persons entering the lot or the common property.
- (3) If a statutory easement entitles the body corporate to enter a lot to carry out work, the body corporate must give reasonable written notice to the lot owner before entering the lot to carry out work.
- (4) Subsections (2) and (3) do not apply if the need for the work to be carried out is, or is in the nature of, an emergency.

¹⁷ For other provisions about statutory easements, see the Land Title Act, part 6A (Community titles schemes), division 5 (Statutory easements).

69 Ancillary rights and obligations

- (1) Ancillary rights and obligations necessary to make easements effective apply to statutory easements.
- (2) The community management statement may also establish rights and obligations ancillary to statutory easements.
- (3) Rights and obligations established under subsection (2) supersede rights and obligations that would otherwise apply under subsection (1), to the extent that there is inconsistency between the rights and obligations under subsection (1) and the rights and obligations under subsection (2).

70 Services location diagrams

- (1) This section applies if—
 - (a) because of a change in the service easements for the standard format lots included in a community titles scheme, a services location diagram (the *original diagram*) included in the community management statement no longer reflects the location of the current service easements; or
 - (b) a services location diagram is not included in the community management statement and, after the commencement of this section, a service easement (*new easement*) is established for a standard format lot included in the scheme.
- (2) The body corporate must prepare a services location diagram (the *new diagram*) so that—
 - (a) if subsection (1)(a) applies—the location of the current service easements for the standard format lots is shown in—
 - (i) the new diagram; or
 - (ii) the original diagram, together with the new diagram and any other services location diagrams previously prepared under this section for the scheme; or
 - (b) if subsection (1)(b) applies—the new easement is shown in the new diagram.

- (3) The body corporate must lodge a request to record a new community management statement including the new diagram within 1 year after—
 - (a) if subsection (1)(a) applies—the change mentioned in the paragraph happens; or
 - (b) if subsection (1)(b) applies—the new easement is established.

Part 8 Reinstatement

71 Application of pt 8

This part applies if—

- (a) all or a part of a building (the *building*) is scheme land for 1 or more community titles schemes; and
- (b) the building is damaged.

72 Reinstatement process under court approval

- (1) An application may be made to the District Court for approval of a process for reinstating the building in whole or part.
- (2) The application may be made by 1 or more of the following—
 - (a) the body corporate for a community titles scheme the scheme land for which includes the whole or part of the building;
 - (b) the owner of a lot included in a community titles scheme the scheme land for which includes the whole or part of the building;
 - (c) the registered mortgagee of a lot that is scheme land mentioned in paragraph (a) or (b).
- (3) The District Court may approve the process in whole or part.
- (4) On approving the process, the court may make an order it considers just and equitable—

- (a) directing how insurance money is to be applied; and
- (b) directing changes to a community titles scheme, including ordering the lodging of a request to record a new community management statement; and
- (c) to the extent that paragraph (b) does not apply—directing changes to subdivisional arrangements for the building; and
- (d) directing payment by or to a body corporate or a lot owner, including requiring a body corporate or lot owner to compensate the owners of lots affected by changes to a community titles scheme or other subdivisional arrangement changes; and
- (e) dealing with incidental or ancillary issues.
- (5) Instead of approving a process in whole or in part under this section, the court may make an order for termination or amalgamation in the way permitted under this chapter.
- (6) An insurer of the building (including of a part of the building) is a party to an application under this section.
- (7) The body corporate is the respondent to an application made under subsection (2)(b) or (c).

73 Variation and substitution of court orders

- (1) The District Court may, for an order made by it for an approved reinstatement process, and as it considers just and equitable—
 - (a) vary the order; or
 - (b) revoke the order and substitute another order.
- (2) An order substituted under subsection (1)(b) must be an order of a kind the court is authorised to make under section 72(4).
- (3) The court may take action under subsection (1) on application by an entity that made, or was entitled to make, the application for the approved reinstatement process.
- (4) An insurer of the building, including a part of the building, is a party to an application under this section.

65

(5) If the application for an order under subsection (1) is made by an entity other than the body corporate, the body corporate is the respondent to the application.

74 Reinstatement process under resolution without dissent

- (1) The body corporate for a community titles scheme the scheme land for which includes the whole or part of the building may, by resolution without dissent, approve a process for reinstating the building in whole or part.
- (2) However, the resolution approving the process—
 - (a) has effect only to the extent that it applies to a part (the *affected area*) of the building that is scheme land; and
 - (b) is of no effect unless each person who is an insurer of the affected area or part of the affected area also approves the process.
- (3) The process as approved may include anything the court may order in approving a process under this part.

75 Registration for changes to scheme under approved reinstatement process

If an approved reinstatement process provides for a change to a community titles scheme, the change must be registered under the Land Title Act, section 115T.¹⁸

¹⁸ Land Title Act, section 115T (Registration for changes to scheme under approved reinstatement process)

Part 9 Termination of community titles schemes

Division 1 Introduction

- 76 Purpose of pt 9
 - (1) This part provides for the complete termination of a community titles scheme, including the dissolution of the body corporate.
 - (2) Only a basic scheme may be terminated.
 - (3) Consequently, to terminate a community titles scheme other than a basic scheme, it is necessary for the scheme to first become a basic scheme.

Division 2 Termination process

77 Application of div 2

This division applies to a basic scheme (the *scheme*).

78 Termination of schemes

- (1) The scheme may be terminated if—
 - (a) the body corporate by resolution without dissent decides to terminate the scheme; and
 - (b) to the extent necessary for the effective termination of the scheme—an agreement about termination issues is entered into between—
 - (i) all registered proprietors of scheme land; and
 - (ii) each lessee under a registrable or short lease to which scheme land is subject.
- (2) Alternatively, the scheme may be terminated if the District Court decides it is just and equitable to terminate the scheme and makes an order for terminating it.

- (3) If the scheme is, or is to be, terminated under an order of the District Court, the court may make an order, to the extent necessary for the effective termination of the scheme, about termination issues.
- (4) The court may make an order under subsection (2) or (3) on application by—
 - (a) the body corporate; or
 - (b) the owner of a lot included in the scheme; or
 - (c) an administrator appointed under the dispute resolution provisions.
- (5) In making an order under subsection (3), the court may appoint an administrator and give the administrator authority to put the order into effect in the way directed by the court.
- (6) In making an order under this section, the court may take into account the views of the following—
 - (a) a person mentioned in (1)(b);
 - (b) a local government in whose local government area scheme land is located.
- (7) In this section—

short lease see Land Title Act, schedule 2.19

79 Effecting termination of scheme

- (1) Termination of the scheme must be recorded under the Land Title Act, sections 115U and 115V.²⁰
- (2) The termination takes effect under that Act, section 115V.

(b) from year to year or a shorter period.

¹⁹ Land Title Act, schedule 2-

short lease means a lease-

⁽a) for a term of 3 years or less; or

²⁰ Land Title Act, sections 115U (Instruments required for terminating scheme) and 115V (Recording termination of scheme)

80 Effect of termination on accrued charge, levy, rate or tax

- (1) When the scheme is terminated—
 - (a) a liability for a charge, levy, rate or tax that had accrued on a lot included in the scheme before the scheme was terminated is not affected; and
 - (b) for recovery under the *Local Government Act 1993* or the *Land Tax Act 1915*, the charge, levy, rate or tax is taken to have been levied on the former owner's interest in the land as tenant in common.
- (2) In this section—

former owner means the person who, immediately before the scheme was terminated, was the owner of the lot.

81 Dissolution of body corporate for terminated scheme

- (1) When the scheme is terminated, the body corporate is dissolved.
- (2) On dissolution of the body corporate—
 - (a) the owners of the lots immediately before the scheme was terminated (the *former owners*) become entitled to the body corporate assets in shares proportionate to the respective interest schedule lot entitlements of their lots immediately before the termination; and
 - (b) the liabilities of the body corporate are vested jointly and severally in the former owners, but they are entitled to contribution against one another in proportion to their respective interest schedule lot entitlements immediately before the termination.
- (3) Body corporate assets (including freehold land and other body corporate assets registered or otherwise held in the name of the dissolved body corporate) may be dealt with by the former owners as if the assets were registered or otherwise held in the names of the former owners.
- (4) Subsections (2) and (3) have effect subject to—
 - (a) if the scheme is terminated under a resolution of the body corporate—the resolution to terminate the scheme,

and any agreement entered into about termination issues; or

- (b) if the scheme is terminated under an order of the court—the order to terminate the scheme.
- (5) On the application of an interested person, the District Court may make orders for the custody, management and distribution of body corporate assets.

Part 10 Amalgamation of community titles schemes

Division 1 Introduction

82 General principles of amalgamation

- (1) Two or more community titles schemes may be amalgamated under this part.
- (2) When the schemes are amalgamated—
 - (a) the schemes end their existence as separate community titles schemes; and
 - (b) the lots and common property for each of the schemes become the lots and common property included in a single, newly established, community titles scheme.
- (3) Community titles schemes must not be amalgamated if the newly established community titles scheme would not conform with the requirements of this Act for a community titles scheme.

83 Community titles schemes that may be amalgamated

(1) Subsections (2) and (3) describe the only amalgamations of community titles schemes that are available under this part.

- (2) Two or more community titles schemes may be amalgamated if none of the schemes is a subsidiary scheme.
- (3) Two or more subsidiary schemes may be amalgamated if all the schemes are lots included in the one community titles scheme (*scheme A*), but not if they are the only lots included in scheme A.

Division 2 Amalgamation process

84 Purpose of div 2

- (1) This division describes the requirements, and the process that must be followed, for the amalgamation of community titles schemes.
- (2) The approach adopted in this division for the description of the process of amalgamation is to describe the process in terms of the amalgamation of 2 community titles schemes (*scheme A* and *scheme B*), but the process described applies equally to the amalgamation of more than 2 community titles schemes.
- (3) In this division—

scheme C means the single, newly established, community titles scheme formed, or to be formed, from the amalgamation of schemes A and B.

85 Approval for amalgamations

- (1) Scheme A and scheme B may be amalgamated if the body corporate for scheme A and the body corporate for scheme B each agree, by resolution without dissent, to—
 - (a) the amalgamation; and
 - (b) the community management statement to be recorded for scheme C.
- (2) If scheme A and scheme B are subsidiary schemes, the body corporate for the community titles scheme that includes scheme A and scheme B as lots must also consent to the amalgamation, but by ordinary resolution.

- (3) Alternatively, scheme A and scheme B may be amalgamated if the District Court, on the application of the owner of a lot included in scheme A or scheme B, or the body corporate for scheme A or scheme B, decides it is just and equitable to amalgamate the schemes, and makes an order for amalgamating them.
- (4) If schemes A and B are, or are to be, amalgamated under subsection (1) or (3), the District Court may make an order, if it considers it is just and equitable to make the order, about—
 - (a) the contents of the community management statement for scheme C; or
 - (b) the disposition of liabilities that, immediately before the amalgamation, were liabilities of the body corporate for scheme A or scheme B.
- (5) The court may make an order under subsection (4) on application by the body corporate for scheme A or B.

86 Effecting amalgamation of community titles schemes

- The amalgamation of schemes A and B must be recorded under the Land Title Act, sections 115W and 115X.²¹
- (2) The amalgamation takes effect under that Act, section 115X.

87 Dissolution of bodies corporate on amalgamation

- (1) When schemes A and B are amalgamated, the bodies corporate for schemes A and B are dissolved.
- (2) On dissolution of the bodies corporate for schemes A and B, the rights and liabilities of the body corporate for schemes A and B are vested in the body corporate for scheme C.
- (3) Body corporate assets for schemes A and B (including freehold land and other body corporate assets registered or otherwise held in the name of a dissolved body corporate) are vested in the body corporate for scheme C, and may be dealt

²¹ Land Title Act, sections 115W (Request to record amalgamation of schemes) and 115X (Recording amalgamation of schemes)

s 88

with by the body corporate as if they were registered or otherwise held in its name.

(4) If the amalgamation is authorised under a court order, subsections (2) and (3) have effect subject to the order.

88 Effects of amalgamation of community titles schemes

- (1) When schemes A and B are amalgamated—
 - (a) a liability for a charge, levy, rate or tax that had accrued on a lot included in scheme A or B before schemes A and B ceased to exist as community titles schemes is not affected; and
 - (b) anything done in relation to scheme A or B before the amalgamation continues in effect to the extent that there is no inconsistency with the community management statement recorded for scheme C, including, for example, the following—
 - (i) an application under the dispute resolution provisions;
 - (ii) an order of an adjudicator or court relating to a lot or common property;
 - (iii) liabilities and obligations attaching to the owner of each lot.
- (2) If, immediately before their amalgamation, schemes A and B were lots included in another community titles scheme, scheme C becomes, on the amalgamation of schemes A and B, a lot included in the other scheme.

Part 11 Creation of a layered arrangement from existing basic schemes

Division 1 Introduction

s 89

89 General principles of creation of layered arrangement from basic schemes

- (1) Two or more basic schemes may become a layered arrangement of community titles schemes (a *layered arrangement*) under this part.
- (2) The basic schemes may become a layered arrangement if the scheme land for the layered arrangement conforms with the Land Title Act, section 115H.²²

90 Schemes that may become a layered arrangement

Only basic schemes that are not subsidiary schemes may become a layered arrangement under this part.

Division 2 Process for creating layered arrangement

91 Agreement or court order for creation of layered arrangement

- (1) Two or more basic schemes (*scheme A* and *scheme B*) may become a layered arrangement if the body corporate for scheme A and the body corporate for scheme B each agree, by resolution without dissent—
 - (a) to become a layered arrangement (*scheme C*); and
 - (b) to the community management statement being recorded for scheme C; and

²² Land Title Act, section 115H (Single area for scheme land)

- (c) if the existing community management statements for schemes A and B will no longer be accurate after the layered arrangement is created—to new community management statements being recorded for schemes A and B.
- (2) Alternatively, schemes A and B may become a layered arrangement if the District Court, on the application of the owner of a lot included in scheme A or scheme B or the body corporate for scheme A or scheme B, decides it is just and equitable for the schemes to become a layered arrangement (also *scheme C*), and makes an appropriate order.
- (3) If schemes A and B are to become a layered arrangement under subsection (1) or (2), the District Court may make an order, if it considers it is just and equitable to make the order, about—
 - (a) the contents of the community management statements for each of schemes A, B and C; or
 - (b) the disposition of liabilities that, immediately before the creation of the layered arrangement, are liabilities of the body corporate for scheme A or scheme B.
- (4) The court may make an order under subsection (3) on application by the body corporate for scheme A or B.

92 Effecting creation of layered arrangement

- (1) The creation of the layered arrangement must be recorded under the Land Title Act, sections 115Y and 115Z.²³
- (2) A request to record the creation of the layered arrangement may be lodged by or for—
 - (a) the bodies corporate for schemes A and B; or
 - (b) a person on whose application the court made an order under section 91(2).

²³ Land Title Act, sections 115Y (Request to record creation of layered arrangement) and 115Z (Recording creation of layered arrangement)

75

(3) The creation of the layered arrangement takes effect under the Land Title Act, section 115Z.²⁴

93 Effect of creation of layered arrangement

When schemes A and B become a layered arrangement—

- (a) a liability for a charge, levy, rate or tax that had accrued on a lot included in scheme A or B, or on the body corporate for scheme A or B, before the layered arrangement was created is not affected; and
- (b) anything done in relation to scheme A or B before the layered arrangement was created continues in effect to the extent there is no inconsistency with the community management statements recorded for schemes A, B and C, including, for example, the following—
 - (i) an application under the dispute resolution provisions;
 - (ii) an order of an adjudicator or court about a lot or common property;
 - (iii) liabilities and obligations attaching to the owners of lots included in schemes A or B.

76

Chapter 3	Management of community titles schemes
	lilles schemes

Part 1 Management structures and arrangements

Division 1 Body corporate's general functions and powers

94 Body corporate's general functions

- (1) The body corporate for a community titles scheme must—
 - (a) administer the common property and body corporate assets for the benefit of the owners of the lots included in the scheme; and
 - (b) enforce the community management statement (including any by-laws for the scheme); and
 - (c) carry out the other functions given to the body corporate under this Act and the community management statement.
- (2) The body corporate must act reasonably in anything it does under subsection (1) including making, or not making, a decision for the subsection.

95 Body corporate's general powers

- (1) The body corporate for a community titles scheme has all the powers necessary for carrying out its functions and may, for example—
 - (a) enter into contracts; and

 - (c) employ staff.
- (2) Without limiting subsection (1), the body corporate has the other powers given to it under this Act or another Act.

96 Body corporate must not carry on business

(1) A body corporate must not carry on a business.

Examples—

A body corporate must not carry on business as-

- a letting agent
- a tour operator
- a restaurant business
- a real estate developer
- a land trader
- (2) However, the body corporate may—
 - (a) engage in business activities to the extent necessary for properly carrying out its functions; and
 - (b) invest amounts not immediately required for its purposes in the way a trustee may invest trust funds.

Examples for subsection (2)(a)—

- 1 leasing part of the common property
- 2 selling body corporate assets no longer required for the scheme

97 No delegation of body corporate's powers

A body corporate can not delegate its powers.²⁵

Division 2 Committee for body corporate

98 Application of div 2

This division applies if, under the regulation module applying to a community titles scheme, there must be a committee for the body corporate.

²⁵ But see part 2 (Body corporate managers, service contractors and letting agents), division 2 (Performance of powers of body corporate committee and executive members by body corporate manager).

99 Composition and election of committee

- (1) The committee must be composed in the way provided for in the regulation module.
- (2) The members of the committee are chosen in the way provided for in the regulation module.
- (3) The regulation module may also provide for—
 - (a) the term of office of a member of the committee; and
 - (b) vacancies on the committee, and the filling of casual vacancies.

100 Power of committee to act for body corporate

- (1) A decision of the committee is a decision of the body corporate.
- (2) Subsection (1) does not apply to a decision that, under the regulation module, is a decision on a restricted issue for the committee.
- (3) Despite anything in a contract with the body corporate (including the engagement of a body corporate manager), a decision of the body corporate manager is void to the extent that it is inconsistent with a decision of the body corporate's committee.
- (4) If persons, honestly and reasonably believing that they are the committee for the body corporate, make a decision while purportedly acting as the committee, the decision is taken to be a decision of the committee despite a defect in the election of 1 or more of the persons.
- (5) The committee must act reasonably in making a decision.

101 Procedures and powers of committee

- (1) The procedures and powers of the committee are stated in the regulation module.
- (2) Without limiting subsection (1), the committee must put into effect the lawful decisions of the body corporate.

101A Protection of committee members from liability

- (1) A committee member is not civilly liable for an act done or omission made in good faith and without negligence in performing the person's role as a committee member.
- (2) In this section—

act done or omission made, does not include the publication of defamatory matter as mentioned in section 111A(1).

101B Code of conduct for committee voting members

- The code of conduct in schedule 1A applies to each person (a *committee voting member*) who is—
 - (a) a committee member for a community titles scheme; and
 - (b) a voting member of the committee under the regulation module applying to the scheme.
- (2) On becoming a committee voting member, the person is taken to have agreed to comply with the code of conduct.
- (3) If a committee voting member breaches the code of conduct, the member may be removed from office in the way prescribed under a regulation.

Division 3 Proxies

102 Committee members' proxies

The regulation module applying to a community titles scheme may, for meetings of the committee for the body corporate, provide for the following—

- (a) whether a member of the committee may appoint a person to act as the member's proxy in the absence of the member from a meeting of the committee;
- (b) who may or may not be appointed to act as a member's proxy;
- (c) the way a proxy is appointed;

- (d) the way proxies may be used;
- (e) authority for the body corporate to prohibit the use of proxies for some or all matters;
- (f) the maximum period a person's appointment as a member's proxy may stay in force.

103 Proxies for body corporate meetings

The regulation module applying to a community titles scheme may, for meetings of the body corporate, provide for the following—

- (a) whether a member of the body corporate may appoint a person to act as the member's proxy in a general meeting of the body corporate;
- (b) who may or may not be appointed to act as a member's proxy;
- (c) the way a proxy is appointed;

 - (b) conduct the meetings—
 - (i) in the way prescribed under the regulation module; and

- (ii) to the extent the regulation module does not prescribe the way to conduct meetings—in the way decided by the body corporate.
- (2) The regulation module may include provisions about the representation, on the body corporate for scheme A, of the body corporate for another community titles scheme that is a lot included in scheme A.

105 Counting of votes for resolution without dissent

- (1) This section applies if a motion is to be decided by resolution without dissent at a general meeting of the body corporate for a community titles scheme.
- (2) One vote only may be exercised for each lot included in the scheme, whether personally, by proxy or in writing.
- (3) The motion is passed by resolution without dissent only if no vote is counted against the motion.

106 Counting of votes for special resolution

- (1) This section applies if a motion is to be decided by special resolution at a general meeting of the body corporate for a community titles scheme.
- (2) One vote only may be exercised for each lot included in the scheme, whether personally, by proxy or in writing.
- (3) The motion is passed by special resolution only if—
 - (a) for a meeting notice of which is given—
 - (i) before the commencement of subparagraph
 (ii)—the votes counted for the motion are more than the votes counted against the motion; or
 - (ii) after the commencement of this subparagraph—at least two-thirds of the votes cast are in favour of the motion; and
 - (b) the number of votes counted against the motion are not more than 25% of the number of lots included in the scheme; and

(c) the total of the contribution schedule lot entitlements for the lots for which votes are counted against the motion is not more than 25% of the total of the contribution schedule lot entitlements for all lots included in the scheme.

107 Counting of votes for majority resolution

- (1) This section applies if a motion is to be decided by majority resolution at a general meeting of the body corporate for a community titles scheme.
- (2) One vote only may be exercised for each lot included in the scheme.
- (3) The vote—
 - (a) must be written; and
 - (b) can not be exercised by proxy.
- (4) The motion is passed by majority resolution only if the votes counted for the motion are more than 50% of the lots for which persons are entitled to vote on the motion.

108 Counting of votes for ordinary resolution if no poll requested

- (1) This section applies if—
 - (a) a motion is to be decided by ordinary resolution at a general meeting of the body corporate for a community titles scheme; and
 - (b) no poll is requested for the counting of the vote on the motion.
- (2) One vote only may be exercised for each lot included in the scheme, whether personally, by proxy or in writing.
- (3) The motion is passed by ordinary resolution only if the votes counted for the motion are more than the votes counted against the motion.

109 Request for poll

- (1) A person entitled to vote at a general meeting of the body corporate for a community titles scheme may ask for a poll for the counting of the vote on a motion to be decided by ordinary resolution, other than an ordinary resolution conducted by secret ballot.
- (2) The person must ask for the poll—
 - (a) in person at the meeting; or
 - (b) on the voting paper on which the person votes in respect of the motion, whether or not the person is personally present at the meeting.
- (3) The request for a poll—
 - (a) may be made whether or not the meeting has already voted on the motion other than by poll; and
 - (b) may be withdrawn by the person who made it at any time before the poll is completed.
- (4) However, the request under subsection (3)(a) must be made no later than—
 - (a) if the motion (*motion* A) is not the last motion to be considered at the meeting—before the meeting decides the next motion to be considered after motion A; or
 - (b) if motion A is the last motion to be considered at the meeting—before the meeting ends.

110 Counting of votes for ordinary resolution if poll requested

- (1) This section applies if—
 - (a) a motion is to be decided by ordinary resolution at a general meeting of the body corporate for a community titles scheme; and
 - (b) a poll is properly requested for the counting of the vote on the motion.
- (2) One vote only may be exercised for each lot included in the scheme, whether personally, by proxy or in writing.

(3) The motion is passed by ordinary resolution only if the total of the contribution schedule lot entitlements for the lots for which votes are counted for the motion is more than the total of the contribution schedule lot entitlements for the lots for which votes are counted against the motion.

111 Voting other than at general meeting

- (1) This section—
 - (a) provides a way for the body corporate for a community titles scheme to decide a motion other than at a general meeting; but
 - (b) applies to a community titles scheme only if the regulation module applying to the scheme says it applies.
- (2) A resolution on a motion may be passed by the body corporate, and has effect as a resolution without dissent, special resolution or ordinary resolution as may be required for the motion, even though the motion is not placed before and decided at a general meeting of the body corporate, if—
 - (a) a vote on the motion is exercised for each lot included in the scheme; and
 - (b) the vote for each lot is exercised by a person who would be entitled (other than merely as a proxy) to exercise the vote for the lot at a general meeting held to decide the motion; and
 - (c) each vote is a vote for the motion; and
 - (d) each vote is given or confirmed in writing.

111A Protection of body corporate and committee from liability for defamation

- (1) This section applies if—
 - (a) the committee for the body corporate for a community titles scheme publishes required material for a general meeting of the body corporate under the regulation module applying to the scheme; and

- (b) the required material contains defamatory matter.
- (2) Each of the following is not liable for defamation by the publication of the defamatory matter as mentioned in subsection (1)—
 - (a) the body corporate;
 - (b) the committee, or a member of the committee, other than a member of the committee who submitted the motion or explanatory note containing the defamatory matter.
- (3) In this section—

committee or *member of the committee*, for a community titles scheme for which a body corporate manager is engaged to carry out the functions of a committee for the body corporate and each of its executive members, means the body corporate manager.

required material, for a general meeting of the body corporate, means any of the following required under the regulation module applying to the community titles scheme to be published for the general meeting—

- (a) a motion submitted other than by or for the committee for the general meeting;
- (b) the substance of a motion mentioned in paragraph (a);
- (c) an explanatory note for a motion mentioned in paragraph (a) prepared by the submitter of the motion.

Part 2 Body corporate managers, service contractors and letting agents

Division 1 Body corporate manager and service contractor engagements and letting agent authorisations

112 Original owner's obligations about engagements and authorisations

- (1) This section applies if—
 - (a) the body corporate for a community titles scheme intends to—
 - (i) engage a person as the body corporate manager or a service contractor (the *contracted party*); or
 - (ii) authorise a person to conduct a letting agent business (also the *contracted party*); and
 - (b) the engagement or authorisation is to be made or given in the original owner control period.
- (2) The original owner must exercise reasonable skill, care and diligence and act in the best interests of the body corporate, as constituted after the original owner control period ends, in ensuring each of the following—
 - (a) the terms of the engagement or authorisation achieve a fair and reasonable balance between the interests of—
 - (i) the contracted party; and
 - (ii) the body corporate as constituted after the original owner control period ends;
 - (b) the terms are appropriate for the scheme;
 - (c) the powers able to be exercised, and functions required to be performed, by the contracted party under the engagement or authorisation—
 - (i) are appropriate for the scheme; and

(ii) do not adversely affect the body corporate's ability to carry out its functions.

Maximum penalty—300 penalty units.

(3) If the body corporate or an owner of a lot included in the scheme incurs loss or damage because of the original owner's contravention of subsection (2), the body corporate or owner may claim compensation from the original owner in a proceeding brought in a court of competent jurisdiction.

113 No consideration for engagement or authorisation

- (1) The body corporate for a community titles scheme must not seek or accept the payment of an amount, or the conferral of a benefit, for—
 - (a) the engagement of a person as a service contractor for the scheme (including a replacement or renewal of an engagement of the person as a service contractor); or
 - (b) the authorisation of a person as a letting agent for the scheme (including a replacement or renewal of an authorisation of the person as a letting agent); or
 - (c) extending the term of—
 - (i) an engagement of a person as a service contractor for the scheme; or
 - (ii) an authorisation of a person as a letting agent for the scheme.
- (2) Subsection (1)(b) does not apply to the first authorisation given after the original owner control period ends if—
 - (a) the amount or benefit sought or accepted for the authorisation represents fair market value for the authorisation; and
 - (b) no authorisation was given during the original owner control period.
- (3) If an amount is paid to, or a benefit is accepted by, the body corporate in contravention of subsection (1), the person who paid the amount or conferred the benefit may recover the amount, or the value of the benefit, as a debt.

114 Limitation on benefit to body corporate under service contractor engagement

- (1) The engagement of a person as a service contractor for a community titles scheme must not include, whether directly or indirectly, a requirement for the payment of an amount to, or the conferral of a benefit (other than the services the service contractor is engaged to supply) on, the body corporate.
- (2) If an amount is paid to, or a benefit is accepted by, the body corporate under a requirement mentioned in subsection (1), the person who paid the amount or conferred the benefit may recover the amount, or the value of the benefit, as a debt.
- (3) Subsection (1) does not apply to an amount or benefit representing fair market value for an entitlement conferred (not including the actual engagement as service contractor) by the body corporate under the engagement.

Examples of operation of subsection (3)—

- 1 If under the engagement the service contractor may make use of a body corporate asset, the engagement might include a requirement for the service contractor to pay an amount of rent for the asset's use. To the extent that the amount is more than a fair rent, the amount would be recoverable under subsection (2).
- 2 If under the engagement the service contractor may use a part of the common property (for example, utility infrastructure), the engagement might include a requirement for the service contractor to pay an amount of rent for the use of the part of the common property. To the extent that the amount is more than a fair rent, the amount would be recoverable under subsection (2).
- (4) Also, subsection (1) does not apply to an amount or benefit for the reasonable costs incurred by the body corporate in preparing an agreement between the body corporate and service contractor for the engagement.
- (5) This section applies only to an engagement (including the extension, renewal or replacement of an engagement) the term of which starts after the commencement.

115 Limitation on benefit to body corporate under letting agent authorisation

(1) The authorisation of a person as a letting agent for a community titles scheme must not include, whether directly

- (2) If an amount is paid to, or a benefit is accepted by, the body corporate under a requirement mentioned in subsection (1), the person who paid the amount or conferred the benefit may recover the amount, or the value of the benefit, as a debt.
- (3) Subsection (1) does not apply to an amount or benefit representing fair market value for an entitlement conferred (not including the actual authorisation as letting agent) by the body corporate under the authorisation.

Examples of operation of subsection (3)—

- 1 If under the authorisation the letting agent may make use of a body corporate asset, the authorisation might include a requirement for the letting agent to pay an amount of rent for the asset's use. To the extent that the amount is more than a fair rent, the amount would be recoverable under subsection (2).
- 2 If under the authorisation the letting agent may use a part of the common property (for example, utility infrastructure), the authorisation might include a requirement for the service contractor to pay an amount of rent for the use of the part of the common property. To the extent that the amount is more than a fair rent, the amount would be recoverable under subsection (2).
- (4) Also, subsection (1) does not apply to—
 - (a) an amount or benefit for the actual authorisation as letting agent if—
 - (i) the amount or benefit represents fair market value for the authorisation; and
 - (ii) the authorisation is the first authorisation given after the original owner control period ends; and
 - (iii) no authorisation was given during the original owner control period; or
 - (b) an amount or benefit for the reasonable costs incurred by the body corporate in preparing an agreement between the body corporate and letting agent for the authorisation.
- (5) This section applies only to an authorisation (including the extension, renewal or replacement of an authorisation) the term of which starts after the commencement.

116 Letting agent's obligations for letting agent lot

- (1) This section applies to a person who becomes a letting agent for a community titles scheme after the commencement of this section.
- (2) If the letting agent business is conducted from a lot, other than lessee common property, included in the scheme, at all times, either—
 - (a) the letting agent must be the registered owner or lessee of the lot; or
 - (b) a deed must be in place between the body corporate and the person (the *lot holder*) who is the registered owner or lessee of the lot, under which the lot holder agrees to transfer the lot holder's interest in the lot, in accordance with the arrangements provided for in the deed, if the letting agent is required to transfer the letting agent's management rights under division 8.
- (3) The rights and obligations of the body corporate and the lot holder under the deed must correspond as far as practicable with the rights and obligations the body corporate and the letting agent would have under division 8 were the letting agent the registered owner or lessee of the lot.
- (4) The arrangements provided for in the deed may include—
 - (a) arrangements for ensuring, to the greatest practicable extent, that the transfer of the lot holder's interest in the lot happens at the same time as the transfer of the letting agent's management rights under division 8; and
 - (b) authority, whether or not supported by a power of attorney, for the body corporate to act in the place of the lot holder if the lot holder does not comply with the lot holder's obligations under the deed for the transfer of the lot holder's interest in the lot.
- (5) If the lot holder does not enter into the deed mentioned in subsection (2)(b), the letting agent's authorisation as letting agent has no effect.

117 Combined engagement and authorisation

A contract is not void merely because it includes 2 or more of the following—

- (a) the engagement of a person as a body corporate manager for a community titles scheme;

- (c) the authorisation of a person as a letting agent for a community titles scheme.

 - (b) a caretaking service contractor in performing obligations under the person's engagement as a service contractor.
- (2) The provisions of the code are taken to be included in the terms of the contract providing for the person's engagement.
- (3) If there is an inconsistency between a provision of the code and another term of the contract, the provision of the code prevails.
- (4) If the contract was in force immediately before the commencement of this section, this section applies only for things done or omitted to be done by the person after the commencement.

Division 2 Performance of powers of body corporate committee and executive members by body corporate manager

119 Schemes for which there is a committee for the body corporate

- (1) This section applies if there is a committee for the body corporate.
- (2) The body corporate, in writing, may authorise the body corporate manager to exercise some or all of the powers (*authorised powers*) of an executive member of the committee.
- (3) However, the body corporate must not prevent the executive member from—
 - (a) exercising an authorised power; or
 - (b) directing the body corporate manager about how an authorised power is to be exercised.
- (4) The body corporate, in writing, may revoke the authorisation at any time.

120 Schemes for which there is no committee for the body corporate

- (1) This section applies if, under a regulation module applying to a community titles scheme, there is no committee for the body corporate.
- (2) The body corporate, in writing, may authorise the body corporate manager to exercise the powers (*authorised powers*) of a committee for a body corporate and an executive member of a committee.
- (3) The body corporate, in writing, may revoke the authorisation at any time.

121 Power of body corporate manager to act for body corporate

- (1) A decision of a body corporate manager in exercising a power under an authorisation given under section 120 is a decision of the body corporate.
- (2) Subsection (1) does not apply to a decision that, under the regulation module applying to the scheme, is a decision on a restricted issue for a committee for a body corporate.

Division 3 Regulations

122 Regulation module

- (1) The regulation module applying to a community titles scheme may prescribe all or any of the following things about the engagement of a person as a body corporate manager or service contractor, or the authorisation of a person as a letting agent, for the scheme—
 - (a) requirements with which the engagement or authorisation must comply, including, for example, the term of the engagement or authorisation;
 - (b) consequences of not complying with the requirements mentioned in paragraph (a);
 - (c) extending or renewing the engagement or authorisation;
 - (d) particular circumstances under which the engagement or authorisation may or may not be terminated or transferred, despite anything in the engagement or authorisation or in another agreement or arrangement;
 - (e) disclosure requirements;
 - (f) provisions about the occupation of common property for the engagement or authorisation, including whether the provisions are the only way in which the occupation may be authorised;
 - (g) matters about a service contractor's right of access over common property for performing obligations, other than

an obligation to supply utility services, under the engagement.

- (2) Subsection (3) applies to an engagement or authorisation if section 113²⁶ has previously applied to—
 - (a) the engagement or authorisation; or
 - (b) the extension of the term of the engagement or authorisation.
- (3) The regulation module applying to a community titles scheme may also provide for the payment of an amount to the body corporate by the service contractor or letting agent under the engagement or authorisation if any rights under the engagement or authorisation are transferred to another entity within a period prescribed under the regulation module.

Division 4 Protection for financier of contract

123 Meaning of *financier* for div 4

- (1) For this division, a person is a *financier* for a contract if a contractor for the contract and the person give written notice signed by each of them to the body corporate under the contract that the person is a financier for the contract.
- (2) For this division, a person stops being a *financier* for a contract if the person gives the body corporate under the contract a written notice withdrawing the notice given under subsection (1).
- (3) A notice under subsection (2) may be given without the contractor's agreement.
- (4) However, a person is a *financier* for the contract only if the person is—
 - (a) a financial institution; or
 - (b) a person who, in the ordinary course of the person's business, supplies, or might reasonably be expected to

95

supply, finance for business acquisitions, using charges over contracts as the whole or part of the person's security; or

(c) if the contract is in existence immediately before the commencement—a person who, at the time the person supplied finance for a business acquisition, using a charge over the contract as the whole or part of the person's security, was a person mentioned in paragraph (b).

124 Requirement for financier's address for service

- (1) This section applies if a notice under section 123 given to a body corporate does not state the financier's address for service for notices given by the body corporate under this division.
- (2) The financier must, as soon as practicable after the notice is given, give the body corporate a further written notice stating the address for service.

125 Notice of changes affecting financed contract

If the body corporate and a contractor for a financed contract change the contract or enter into an arrangement that affects the contract, the body corporate must give the financier written notice of the change or arrangement.

126 Limitation on termination of financed contract

- (1) The body corporate under a financed contract may terminate the contract if—
 - (a) the body corporate has given the financier for the contract written notice, addressed to the financier at the financier's address for service, that the body corporate has the right to terminate the contract; and
 - (b) when the notice was given, circumstances existed under which the body corporate had the right to terminate the contract; and

s 126

- (c) at least 21 days have passed since the notice was given.
- (2) However, the body corporate can not terminate the contract if, under arrangements between the financier and the contractor for the contract, the financier—
 - (a) is acting under the contract in place of the contractor; or
 - (b) has appointed a person as a receiver or receiver and manager for the contract.
- (3) A financier may take the action mentioned in subsection (2)(a) or (b) only if the financier has previously given written notice to the body corporate of the financier's intention to take the action.
- (4) The financier may authorise a person to act for the financier for subsection (2)(a) if—
 - (a) the person is not the contractor or an associate of the contractor; and
 - (b) the body corporate has first approved the person.
- (5) For deciding whether to approve a person under subsection (4), the body corporate—
 - (a) must act reasonably in the circumstances and as quickly as practicable; and
 - (b) may have regard only to—
 - (i) the character of the person; and
 - (ii) the competence, qualifications and experience of the person.
- (6) However, the body corporate must not—
 - (a) unreasonably withhold approval of the person; or
 - (b) require or receive a fee or other consideration for approving the person, other than reimbursement for legal or administrative expenses reasonably incurred by the body corporate for the application for its approval.
- (7) Subsection (2) does not operate to stop the body corporate from terminating the contract for something done or not done after the financier started to act under the subsection.

- (8) Nothing in this section stops the ending of a financed contract by the mutual agreement of the body corporate, the contractor and the financier.
- (9) In this section—

address for service, for a financier, means the financier's address for service—

- (a) for notices given by the body corporate under this division; and
- (b) stated in a notice given to the body corporate under section 123 or 124.

127 Agreements between body corporate and financier prohibited

- (1) A financier for a financed contract must not enter into an agreement or other arrangement with the body corporate under the contract for a matter about—
 - (a) the role of the financier for the contract; or
 - (b) arrangements entered into between the financier and contractor for the contract under which the financier is acting, or may act, under the contract in the place of the contractor; or
 - (c) the operation of this division in relation to the contract.
- (2) An agreement or arrangement is void to the extent it contravenes this section.

Division 5 Change of regulation module

128 Change of regulation module

- (1) This section applies to the engagement of a person as a body corporate manager or service contractor, or the authorisation of a person as a letting agent, for a community titles scheme if—
 - (a) a new community management statement is recorded in place of the existing statement for the scheme; and

- (b) the new statement identifies, as the regulation module applying to the scheme, a regulation module different from the regulation module (the *existing regulation module*) identified in the existing statement.
- (2) The provisions of the existing regulation module applying to the engagement or authorisation continue to apply to the engagement or authorisation until the engagement or authorisation, including any renewal or extension of the engagement or authorisation, comes to an end.

Division 6 Review of remuneration

Division 7 Review of terms of service contracts

130 Review of terms of service contracts

- (1) This section applies if—
 - (a) the body corporate for a community titles scheme—
 - (i) enters into a service contract with a person after the commencement of this section and within the original owner control period and the person's term of engagement as the service contractor under the contract has not ended; or
 - (ii) intends to extend or vary, before 1 January 2005, an existing service contract entered into between the body corporate and a person within the original owner control period; and
 - (b) the original owner control period has ended.
- (2) If requested by the body corporate or person (each a *reviewing party*), the reviewing parties must, as provided under this division and for the purpose mentioned in section 131, review the terms of the contract that provide for—
 - (a) the functions and powers of the person as the service contractor; or

- (b) the remuneration payable to the person as the service contractor.
- (3) The body corporate may make a request under subsection (2) only if the body corporate, by ordinary resolution, has authorised the making of the request.
- (4) Subsection (2)(b) does not apply to an existing service contract if its terms that provide for the remuneration payable to the person as the service contractor have been reviewed by the reviewing parties before the commencement of this section.
- (5) The review applies to the contract even if the contract also provides for 1 or more of the following—
 - (a) the person's engagement as a body corporate manager;
 - (b) the person's authorisation as a letting agent.
- (6) The contract may be reviewed under this division only once.

131 Purpose of review

s 131

The purpose of the review is to help the reviewing parties decide—

- (a) if the terms mentioned in section 130(2) (the *reviewable terms*) are currently fair and reasonable; and
- (b) if the reviewable terms are not currently fair and reasonable—how the reviewable terms should be changed to ensure they are fair and reasonable.

132 Procedure for review

- (1) Within 2 months after requesting the review, the reviewing party who requested it must—
 - (a) obtain from an appropriate person independent written advice (the *review advice*), based on the review criteria, about the matters mentioned in section 131(a) and (b); and
 - (b) give a copy of the advice to the other reviewing party.

Example of appropriate person for subsection (1)(a)—

a person who, in the ordinary course of the person's business, has knowledge of the functions and powers of service contractors and the remuneration for performing the functions and powers

- (2) The review must be carried out having regard to the review criteria.
- (3) The body corporate's final decision about the outcome of the review must be made by ordinary resolution.
- (4) The review must be finished as soon as reasonably practicable after a copy of the review advice is given to a reviewing party under subsection (1)(b) and—
 - (a) before the term of the engagement as service contractor ends; and
 - (b) within the review period.

133 Disputes arising out of review

- (1) This section applies if a dispute arising out of a review carried out, or required to be carried out, under this division exists between the reviewing parties.
- (2) A reviewing party may apply—
 - (a) under chapter 6, for an order of a specialist adjudicator to resolve the dispute; or
 - (b) under the CCT Act, for an order of the CCT to resolve the dispute.
- (3) The specialist adjudicator or the CCT must have regard to the review criteria in deciding the application.
- (4) Subsection (5) applies if only 1 of the reviewing parties has carried out the review.
- (5) A dispute is taken to exist between the reviewing parties, and to have arisen in the way mentioned in subsection (1), if the reviewing party who carried out the review considers the reviewable terms are not currently fair and reasonable.

134 Review criteria

- (1) The review criteria are each of the following—
 - (a) the appropriateness of the reviewable terms for achieving a fair and reasonable balance between the interests of the reviewing parties;
 - (b) whether the reviewable terms impose conditions that—
 - (i) are unreasonably difficult to comply with; or
 - (ii) are not necessary and reasonable for the protection of the legitimate interests of a reviewing party;
 - (c) the consequences of complying with, or contravening, the reviewable terms and whether the consequences are unfairly harsh or beneficial to a reviewing party;
 - (d) whether the reviewable terms are appropriate for the scheme;
 - (e) the term of the engagement as service contractor and the period of the term remaining.
- (2) The review criterion mentioned in subsection (1)(d) is to be applied having regard, in particular, to the nature, features and characteristics of the scheme.

135 Other provisions about review

- (1) A member of a body corporate can not vote, whether personally or by proxy, on a motion about a review of a service contract or existing service contract for which the member is the service contractor or an associate of the service contractor.
- (2) A following matter can not be a ground for terminating the contract or changing the service contractor's term of engagement under the contract—
 - (a) the carrying out of a review under this division;
 - (b) a change in the terms of the contract as a result of the review or an order of a specialist adjudicator or the CCT;
 - (c) a dispute arising out of the review.

139 Code contravention notice

- (1) The body corporate must, if required by ordinary resolution decided by secret ballot conducted in the way prescribed under the regulation module applying to the scheme, give the letting agent a signed notice under this section (a *code contravention notice*).
- (2) The code contravention notice must state—

(4) If the letting agent transfers the management rights to a person who is not approved by the body corporate, the transfer is of no effect.

142 Giving financier copy of transfer notice

 - (b) if paragraph (a) does not apply—the terms applying to the service contract immediately before the transfer (the *existing terms*).
- (3) The terms of the transferred service contract are the existing terms as changed under a review advice about the contract if—
 - (a) the review advice states how the contract's reviewable terms should be changed to ensure they are fair and reasonable; and
 - (b) the body corporate gave the letting agent a copy of the review advice as required under section 149(1).

Subdivision 3 Termination and replacement of letting agent authorisation and service contract

145 Termination of letting agent authorisation if management rights not transferred

If the letting agent does not transfer the management rights as required under section 143, the body corporate may terminate the letting agent's authorisation under the regulation module applying to the scheme.

146 Termination and replacement of letting agent authorisation and service contract in particular circumstances

(1) This section applies if the remainder of the term of the letting agent's authorisation (the *transferred authorisation*), including any rights or options of extension or renewal, is less than 7 years when transferred to a person (the *transferee*) under this division.

Example for subsection (1)—

If the authorisation was given for a term of 5 years with 4 rights of renewal of 5 years each and 5 years have expired, the remainder of the term is 20 years.

- (2) On the transfer—
 - (a) the transferred authorisation and any service contract (the *transferred service contract*) forming part of the transferred management rights terminate; and

109

(2) Within 1 month after the review motion is passed, the body corporate must obtain the review advice from an independent appropriate person.

Example of appropriate person for subsection (2)—

- (3) The review advice must be based on the review criteria stated in section 148.

- (1) Within 14 days after obtaining the review advice, the body corporate must give a copy of it to the letting agent.
- (2) If requested by a prospective buyer of the letting agent's management rights, the body corporate must give a copy of the review advice to the prospective buyer.

168 Meaning of by-laws

(1) **By-laws**, for a community titles scheme, are provisions that appear in the community management statement under the heading of "BY-LAWS".

120

(2) However, if the community management statement does not include provisions that are, or that purport to be, the by-laws for the scheme, the **by-laws** for the scheme are the provisions stated in schedule 4.

169 Content and extent of by-laws

- (1) The by-laws for a community titles scheme may only provide for the following—
 - (a) the administration, management and control of common property and body corporate assets;
 - (b) regulation of, including conditions applying to, the use and enjoyment of—
 - (i) lots included in the scheme; and
 - (ii) common property, including utility infrastructure; and
 - (iii) body corporate assets, including easement areas relevant to common property; and
 - (iv) services and amenities supplied by the body corporate;
 - (c) other matters this Act permits to be included in by-laws.
- (2) If there is an inconsistency between a by-law and a provision (the *other provision*) of the community management statement that is not a by-law, the other provision, to the extent of the inconsistency, prevails.

Division 2 Exclusive use by-laws

170 Meaning of *exclusive use by-law*

- (1) An *exclusive use by-law*, for a community titles scheme, is a by-law that attaches to a lot included in the scheme, and gives the occupier of the lot for the time being exclusive use to the rights and enjoyment of, or other special rights about—
 - (a) common property; or

- (b) a body corporate asset.
- (2) If an exclusive use by-law attaches to a lot that is another community titles scheme, the exclusive use or other rights are for the benefit of the other scheme.

171 Requirements for exclusive use by-law

- (1) The common property or body corporate asset to which an exclusive use by-law for a community titles scheme applies must be—
 - (a) specifically identified in the by-law; or
 - (b) allocated—
 - (i) by a person (who may be the original owner or the original owner's agent) authorised under the by-law to make the allocation (an *authorised allocation*); or
 - (ii) by 2 or more lot owners under a reallocation agreement (an *agreed allocation*).
- (2) An exclusive use by-law that specifically identifies the common property or body corporate asset to which it applies, other than an exclusive use by-law contained in the first community management statement for the scheme—
 - (a) may attach to a lot only if the lot owner agrees in writing before the passing of the resolution without dissent consenting to the recording of the new community management statement to incorporate the exclusive use by-law, or the lot owner votes personally in the resolution; and
 - (b) may stop applying to the lot only if the lot owner agrees in writing before the passing of the resolution without dissent consenting to the recording of the new community management statement that does not incorporate the exclusive use by-law, or the lot owner votes personally in the resolution.
- (3) If an exclusive use by-law authorises the allocation of common property or a body corporate asset for the purpose of the by-law—

- (a) the by-law may attach to a lot on the basis of an authorised allocation only if the lot owner agrees in writing before the allocation of the common property or body corporate asset to which the by-law applies; and
- (b) the by-law may stop applying to the lot only if the lot owner agrees in writing before—
 - (i) the allocation is revoked under the by-law (if the by-law provides for the revocation of an allocation); or
 - (ii) the passing of the resolution without dissent—
 - (A) consenting to the recording of the new community management statement that does not incorporate the exclusive use by-law; or
 - (B) in which the lot owner voted personally.

172 Identification of subject matter of exclusive use by-laws

Before the registrar records a community management statement that includes an exclusive use by-law, the registrar may require the common property or body corporate asset the subject of the by-law to be identified in a plan, or in another way the registrar directs, to avoid doubt about the extent of the common property, or about the identification or extent of the body corporate asset, that is the subject of the by-law.

173 Regulation of exclusive use by-laws

The regulation module applying to the scheme may make provision about—

- (a) the inclusion of conditions in an exclusive use by-law (including conditions about payments to be made by the owner of the lot to which the by-law attaches); and
- (b) obligations imposed on the owner of a lot to which the by-law attaches (including obligations that would otherwise be obligations of the body corporate); and
- (c) authorisation given under an exclusive use by-law for the making of improvements; and

(d) recovery of amounts payable under an exclusive use by-law.

174 Making allocations

- (1) An authorised or agreed allocation has no effect unless details of the allocation are given to the body corporate.
- (2) Also, an authorised allocation has no effect unless—
 - (a) if paragraph (b) does not apply for the allocation—the allocation is made in the period (the *base allocation period*) ending 1 year after the recording of the relevant community management statement; or
 - (b) if a period (the *extended allocation period*) for making the allocation is stated in an order of an adjudicator under the dispute resolution provisions—the allocation is made in the extended allocation period.
- (3) An order mentioned in subsection (2)(b)—
 - (a) may only state a period ending later than 1 year, and not later than 2 years, after the recording of the relevant community management statement; and
 - (b) may be sought or made before or after the base allocation period ends.
- (4) If an order mentioned in subsection (2)(b) is made about an authorised allocation after the base allocation period ends, the base allocation period is taken never to have applied to the allocation for subsection (2).
- (5) In this section—

relevant community management statement, for an authorised allocation, means—

- (a) the community management statement that first includes the exclusive use by-law; or
- (b) for a community titles scheme that is to be progressively developed—the new community management statement that replaces the existing community management statement.

175 Notifying allocations

- The body corporate must lodge a request to record a new community management statement (the *first subsequent statement*) showing—
 - (a) all authorised allocations made in the base allocation period; and
 - (b) all authorised and agreed allocations currently in place when the body corporate consented to the recording of the first subsequent statement.
- (2) Also, if an extended allocation period applies for an authorised allocation, the body corporate must lodge a request to record a new community management statement (the *second subsequent statement*) showing—
 - (a) all authorised allocations made between the end of the base allocation period and the end of the extended allocation period; and
 - (b) all authorised and agreed allocations currently in place when the body corporate consented to the recording of the second subsequent statement.
- (3) The request to record the first subsequent statement must be lodged within 3 months, or a longer time stated in an order of an adjudicator under the dispute resolution provisions, after the end of the base allocation period.
- (4) If the body corporate is required to lodge a request to record a second subsequent statement, the request must be lodged within 3 months, or a longer time stated in an order of an adjudicator under the dispute resolution provisions, after the end of the extended allocation period.
- (5) If the body corporate fails to lodge the request to record the first subsequent statement as required under this section, all authorised and agreed allocations made in the base allocation period cease to have effect.
- (6) If the body corporate fails to lodge a request to record a second subsequent statement as required under this section, all authorised and agreed allocations made between the end of the base allocation period and the end of the extended allocation period cease to have effect.

(7) An order mentioned in subsection (3) or (4) relating to an authorised allocation may be sought or made before or after the 3 months mentioned in the subsection end and, if the order is made after the 3 months end, the allocation is taken to have remained in effect despite the 3 months having ended.

176 Notifying further allocations

s 176

- (1) Within 3 months, or a longer time stated in an order of an adjudicator under the dispute resolution provisions, after the taking effect of a further allocation, the body corporate must lodge a request to record a new community management statement showing all allocations currently in place when the body corporate consented to the recording of the new statement.
- (2) If the body corporate fails to comply with subsection (1), the further allocation ceases to have effect.
- (3) An order mentioned in subsection (1) may be sought or made before or after the 3 months mentioned in the subsection end, and if the order is made after the 3 months end, the allocation is taken to have remained in effect despite the 3 months having ended.
- (4) In this section—

further allocation means an agreed allocation, other than an allocation shown in a subsequent statement under section 175(1) or (2).

177 Prohibited matters for exclusive use by-laws

- (1) An exclusive use by-law must not give exclusive use to the rights and enjoyment of, or other special rights about, utility infrastructure that is common property or a body corporate asset.
- (2) An exclusive use by-law can not prohibit allocations under reallocation agreements.

178 Review of exclusive use by-law

- (1) This section applies if—
 - (a) an exclusive use by-law is in force for a community titles scheme; and
 - (b) the owner of the lot to which the exclusive use by-law attaches stops being a body corporate manager, service contractor or letting agent for the scheme; and
 - (c) the exclusive use by-law is not for the continuing engagement or authorisation of the lot owner as a body corporate manager, service contractor or letting agent for the scheme; and
 - (d) there is a dispute about whether the exclusive use by-law should continue in force.
- (2) The body corporate for the scheme may apply—
 - (a) under chapter 6, for an order of a specialist adjudicator to resolve the dispute; or
 - (b) under the CCT Act, for an order of the CCT to resolve the dispute.
- (3) The order must have regard especially to the interests of all owners of lots included in the scheme in the use and enjoyment of their lots and of the common property for the scheme.
- (4) The order may include provision for either or both of the following—
 - (a) the lodging of a request for the recording of a new community management statement for the scheme, omitting the exclusive use by-law;

179 Commencement of by-laws

A by-law comes into force on the day the registrar records the community management statement containing the by-law or a later date stated in the by-law.

180 Limitations for by-laws

(1) If a by-law for a community titles scheme is inconsistent with this Act (including a regulation module applying to the scheme) or another Act, the by-law is invalid to the extent of the inconsistency.

Example for subsection (1)—

If a by-law for a community titles scheme purporting to give a body corporate manager, service contractor or letting agent exclusive use of common property is inconsistent with the regulation module applying to the scheme, the by-law is invalid to the extent of the inconsistency.

- (2) Subsection (1) does not apply to an inconsistency between a by-law and a local law if the inconsistency is about keeping animals on scheme land.
- (3) If a lot may lawfully be used for residential purposes, the by-laws can not restrict the type of residential use.
- (4) A by-law can not prevent or restrict a transmission, transfer, mortgage or other dealing with a lot.

Examples—

- 1 A by-law can not prevent the owner of a lot from leasing or mortgaging a lot.
- 2 A by-law can not prevent the sale of a lot to a person under or over a particular age.
- (5) A by-law must not discriminate between types of occupiers.

Example—

190 Insurable interest

The body corporate for a community titles scheme has an insurable interest for the purpose of the insurance it is required to put in place under the regulation module applying to the scheme.

191 Responsibility of original owner

- (1) This section applies to a person who on the establishment of a community titles scheme becomes the original owner for the scheme.
- (2) The person must ensure that when the scheme is established, policies of insurance that are required for the scheme under the regulation module applying to the scheme are immediately in force for 12 months.

Maximum penalty—150 penalty units.

(3) If the regulation module requires a building to be insured for full replacement value, the original owner—

- (a) must obtain from a quantity surveyor or registered valuer an independent valuation stating the replacement value of the building; and
- (b) must ensure the policy of insurance for the building, taken out by the original owner as required under subsection (2), covers the full replacement value stated in the independent valuation.

Maximum penalty—150 penalty units.

- (4) If the person does not take out the insurance required under subsection (2), the body corporate, or other entity that is required to take out insurance, may recover the cost of taking out the required insurance as a debt owing to the body corporate or other entity by the person.
- (5) This section does not prevent the person from recouping the costs of the insurance for the balance of the period for which it was taken out from the buyers of lots included in the scheme, by agreement.

192 Mortgagees

- (1) This section applies if, for a community titles scheme—
 - (a) there is a registered mortgagee of a lot included in the scheme; and
 - (b) there is in place insurance required under the regulation module applying to the scheme.
- (2) The mortgagee's interest in the lot mentioned in subsection (1)(a) is taken to be noted on the policy for the insurance mentioned in subsection (1)(b).

Chapter 4 Administrative matters

Part 1 Valuation, rating and taxation

193 How lot is to be regarded for rating or taxing purposes

Each lot that is scheme land for a community titles scheme is a separate lot, piece or parcel of land for a law imposing charges, levies, rates or taxes on land.

194 Charges, levies, rates and taxes for community titles scheme

- (1) For calculating the unimproved value of a lot included in a community titles scheme for the purpose of a charge, levy, rate or tax payable to a local government, the commissioner under the *Land Tax Act 1915* or other authority, the unimproved value of the scheme land is apportioned between the lots included in the scheme in proportion to the interest schedule lot entitlement for each lot.
- (2) Subject to section 198,³² the body corporate is not liable for a charge, levy, rate or tax on the common property based on the unimproved value of land.

Examples of operation of this section—

- 1 If the unimproved value of the scheme land for a basic scheme that includes 3 lots, each with the same interest schedule lot entitlement, is \$120000, the unimproved value for each lot is \$40000. Effectively, each lot's unimproved value includes a component for the value of the common property.
- 2 This example applies to a community titles scheme (*scheme A*) that is not a basic scheme but includes 2 lots (and common property), with each lot being a basic scheme (*scheme B* and *scheme C*), each having the same interest schedule lot entitlement listed for it in scheme A's interest schedule. If the unimproved value of the scheme land for scheme A is \$800000, the unimproved value for scheme B's scheme land is \$400000. To calculate the unimproved value of each lot included in scheme B, the figure of \$400000 must

be apportioned between the lots included in scheme B according to the interest schedule lot entitlements of those lots as listed in scheme B's interest schedule.

195 Utility services separately measured, supplied and charged

- (1) The body corporate for a community titles scheme is liable for a charge for water, gas, sewerage, cleansing or another utility service supplied to the common property if the charge is—
 - (a) for a utility service that is separately measured for its supply to the common property; and
 - (b) separately charged to the body corporate; and
 - (c) calculated in a way that is unrelated to the unimproved value of land.

Example—

The body corporate is liable for charges made by the local government for water, separately measured and supplied to the common property for gardens or a swimming pool, and, if appropriately levied by the local government, for a flat rate fee applying in relation to the supply of water to the common property.

- (2) The owner of a lot included in the scheme is liable for a charge for water, gas, sewerage, cleansing or another utility service supplied to the lot if the charge is—
 - (a) for a utility service that is separately measured for its supply to the lot; and
 - (b) separately charged to the lot owner; and
 - (c) calculated in a way that is unrelated to the unimproved value of land.

196 Utility services not separately charged for

- (1) This section applies to a community titles scheme if—
 - (a) there is no practicable way available to a utility service provider to measure the extent to which the utility service is supplied to—
 - (i) each lot included in the scheme; and

- (ii) if the utility service is also supplied to the common property—the common property; and
- (b) the supply of the utility service to scheme land is charged according to usage, and is not charged for on the basis of the unimproved value of land.
- (2) A lot owner is liable to the utility service provider for a share of the total amount payable for the provision of the utility service to scheme land.
- (3) The share is proportionate to the contribution schedule lot entitlement for the lot.
- (4) However, the body corporate may, by arrangement with the utility service provider, take on liability for owners or occupiers of the lots for the utility service supplied for the benefit of owners or occupiers.
- (5) If an arrangement is in force under subsection (4), the utility service provider can not separately charge the owners or occupiers for the utility service to which the arrangement relates, and the body corporate must satisfy the liability to the utility service provider out of—
 - (a) the contributions paid by lot owners to the body corporate under the regulation module applying to the scheme; or
 - (b) a levy imposed on the individual lot owners in the way stated in subsection (6).
- (6) The levy must be made—
 - (a) for lots for which the body corporate has a way of measuring the extent to which the utility service is supplied to each lot—according to the extent of supply; and
 - (b) for lots for which the body corporate does not have a way of measuring the extent to which the utility service is supplied to each lot—
 - (i) equally between the lot owners; or
 - (ii) proportionately among the lot owners according to the contribution schedule lot entitlement for each lot.

- (7) Subsections (8) and (9) apply if—
 - (a) an arrangement is in force under subsection (4); and
 - (b) the body corporate fails to satisfy the liability to the utility service provider under the arrangement by the day the liability becomes payable.
- (8) If the utility service provider is a local government, the unpaid amount of the liability becomes an overdue rate under the *Local Government Act 1993*, section 1016³³ that is payable proportionately by each lot owner according to the contribution schedule lot entitlement for the lot.
- (9) If the utility service provider is not a local government—
 - (a) the unpaid amount is payable proportionately by each lot owner, according to the contribution schedule lot entitlement for the lot; and
 - (b) the amount payable by a lot owner is a charge on the lot.
- (10) Subsection (9) is in addition to any other remedy the utility service provider has for recovery of the unpaid amount.
- (11) In this section—

liability, for an owner or occupier of a lot for which a utility service is supplied for the benefit of the owner or occupier, does not include the owner's or occupier's liability for a fee charged by the utility service provider for providing the utility infrastructure for the service.

utility service provider includes a local government in whose local government area scheme land is located but does not include—

- (a) a body corporate manager, service contractor or letting agent; or
- (b) an associate of a person mentioned in paragraph (a).

³³ Local Government Act 1993, section 1016 (Meaning of overdue rate)

197 Registering charge on land under this Act

- (1) If an amount payable to a utility service provider is a charge on a lot under section 196(9)(b), the utility service provider may ask the registrar to register the charge.
- (2) The request must be accompanied by a certificate signed by the utility service provider stating there is a charge on the lot under section 196(9)(b).
- (3) Immediately after the amount secured by the charge is paid to the utility service provider—
 - (a) the charge ceases to have effect; and
 - (b) the utility service provider must take the action necessary to release the charge.

198 Effect of scheme change on liability for charges etc.

- (1) If a liability to pay charges, levies, rates or taxes on a lot included in a community titles scheme arises and, before the amount of the liability is paid, the scheme is changed so that the lot or part of the lot is incorporated with another lot included in, or common property for, the scheme, the liability is enforceable jointly and severally against—
 - (a) the person who was the owner of the lot when the liability arose; and
 - (b) if the lot or part of the lot is incorporated with another lot included in the scheme—the owner of the other lot; and
 - (c) if the lot or part of the lot is incorporated with common property—the body corporate.
- (2) If a liability to pay charges, levies, rates or taxes on a lot included in a community titles scheme (*scheme A*) arises and, before the amount of the liability is paid, scheme A is changed so that the lot or part of the lot becomes scheme land for another community titles scheme (*scheme B*) that is a subsidiary scheme for scheme A, the liability is enforceable jointly and severally against—
 - (a) the person who was the owner of the lot when the liability arose; and

- (b) the body corporate for scheme B.
- (3) This section does not apply to a rate or charge owing to a local government, to the extent that it is inconsistent with arrangements in force under the *Local Government Act 1993* and the local laws of the local government.

199 Apportionment of statutory charge

If a local government or other entity carries out work on common property for a community titles scheme and a statutory charge for the work would, if the land forming the common property were a single undivided allotment, be a charge on the land—

- (a) the charge attaches to each lot included in the scheme proportionate to the interest schedule lot entitlement of the lot (the *appropriate proportion*); and
- (b) a lot may be discharged from the charge by payment of the appropriate proportion of the total amount of the charge.

200 No application to body corporate assets

To avoid doubt, it is declared that the provisions of this part have no application to charges, levies, rates or taxes payable by the body corporate, whether to a local government or to someone else, on the basis of the body corporate's ownership of body corporate assets.

Part 2 Records

Division 1 Notices

201 Notice of transfer and other matters

The regulation module applying to a community titles scheme

may prescribe requirements about the giving of notices to the body corporate on the transfer of the ownership of a lot included in the scheme or on the happening of other events affecting the lot.

202 Notice of intention not to proceed to enforce mortgage

(1) If a mortgagee in possession of a lot included in a community titles scheme decides not to enforce the mortgage, the mortgagee must immediately give written notice of the decision to the body corporate.

Maximum penalty—20 penalty units.

(2) On giving the written notice, the mortgagee ceases to be a mortgagee in possession of the lot and is not the owner of the lot under this Act.

203 Body corporate may require information to be given

- (1) If the body corporate for a community titles scheme suspects on reasonable ground that a person should have, but has not, given a notice (the *earlier notice*) under this division (including under a provision of a regulation module made under this division), the body corporate may, by written notice given to the person, require the person to give to the body corporate, within a stated reasonable time (of at least 28 days after the notice is given), a written notice containing the information the body corporate reasonably requires to decide whether the person should have given the earlier notice.
- (2) If the body corporate for a community titles scheme is satisfied that a person should have, but has not, given a notice (also the *earlier notice*) under this division (including under a provision of a regulation module made under this division), the body corporate may, by written notice given to the person, require the person to give to the body corporate, within a stated reasonable time (of at least 28 days after the notice is given), a written notice containing the information required to have been included in the earlier notice.

(3) If a body corporate gives a person a notice under subsection (1) or (2), the person must comply with the notice unless the person has a reasonable excuse.

Maximum penalty for subsection (3)-20 penalty units.

Division 2 Records and provision of information

204 Regulation module

The body corporate for a community titles scheme must keep rolls, registers and other documents, must give access to them, and may dispose of them, in the way, and to the extent, provided for in the regulation module applying to the scheme.

205 Information to be given to interested persons

- (1) This section provides for the giving of information by the body corporate for a community titles scheme from the body corporate's records.
- (2) Within 7 days after receiving a written request from an interested person accompanied by the fee prescribed under the regulation module applying to the scheme, the body corporate must do either or both of the following as requested by the interested person—
 - (a) permit the person to inspect the body corporate's records;
 - (b) give the person a copy of a record kept by the body corporate.

Maximum penalty—20 penalty units.

- (3) However, the body corporate is not required to allow a person to inspect or obtain a copy of a part of a record under subsection (2) if the body corporate reasonably believes the part contains defamatory material.
- (4) The body corporate must, within 7 days after receiving a written request from an interested person accompanied by the

fee prescribed under the regulation module applying to the scheme, issue a certificate (a *body corporate information certificate*) in the approved form giving financial and other information about the lot.

Maximum penalty—20 penalty units.

- (5) A person who obtains a certificate under subsection (4) may rely on the certificate against the body corporate as conclusive evidence of matters stated in the certificate, other than to the extent to which the certificate contains an error that is reasonably apparent.
- (6) In this section—

interested person means-

- (a) the owner, or a mortgagee, of a lot included in the scheme; or
- (b) the buyer of a lot included in the scheme; or
- (c) another person who satisfies the body corporate of a proper interest in the information sought; or
- (d) the agent of a person mentioned in paragraph (a), (b) or (c).

Part 1A Preliminary

205A Definitions for ch 5

Examples of ways an information sheet may be attached to a contract—

• stapling

• binding

disclosure statement means-

- (a) for an existing lot—a statement complying with section 206(2) to (4); or

205B Relationship with Electronic Transactions (Queensland) Act

To remove any doubt, it is declared that the use of electronic communication under this chapter is subject to the *Electronic Transactions (Queensland) Act 2001*.

Part 1 Existing lots

206 Information to be given by seller to buyer

- (1) The seller (the *seller*) of a lot included in a community titles scheme (including the original owner of scheme land, or a mortgagee exercising a power of sale of the lot) must give a person (the *buyer*) who proposes to buy the lot, before the buyer enters into a contract (the *contract*) to buy the lot, a disclosure statement.
- (2) The disclosure statement must—
 - (a) state the name, address and contact telephone number for—
 - (i) the secretary of the body corporate; or

- (ii) if it is the duty of a body corporate manager to act for the body corporate for issuing body corporate information certificates—the body corporate manager; and
- (b) state the amount of annual contributions currently fixed by the body corporate as payable by the owner of the lot; and
- (c) if the seller is the original owner and the contribution schedule lot entitlements for each lot included in the scheme are not equal—state the reason stated in the community management statement for the lot entitlements not being equal; and
- (d) identify improvements on common property for which the owner is responsible; and
- (e) list the body corporate assets required to be recorded on a register the body corporate keeps; and
- (f) identify the regulation module applying to the scheme; and
- (g) state whether there is a committee for the body corporate or a body corporate manager is engaged to perform the functions of a committee; and
- (h) include other information prescribed under the regulation module applying to the scheme.
- (3) The disclosure statement must be signed by the seller or a person authorised by the seller.
- (4) The disclosure statement must be substantially complete.
- (5) If the lot the subject of the contract is not residential property, the seller must give the buyer an information sheet (the *information sheet*) in the approved form with the contract in a way mentioned in section 206A.
- (6) If the lot the subject of the contract is residential property, the seller must ensure that an information sheet (the *information sheet*) in the approved form and a warning statement are given as required under the *Property Agents and Motor Dealers Act 2000*, section 366, 366A or 366B.

- (7) If the contract has not already been settled, the buyer may cancel the contract if—
 - (a) the seller has not complied with subsection (1); or
 - (b) the seller has not complied with subsection (5) or (6), whichever is applicable.
- (8) The seller does not fail to comply with subsection (1) merely because the disclosure statement, although substantially complete as at the day the contract is entered into, contains inaccuracies.

206A How the information sheet must be given for s 206(5)

- (1) This section states the ways the information sheet must be given for section 206(5).
- (2) If the seller gives the buyer the information sheet with the contract by fax, the seller must fax the documents in the following order—
 - (a) a single cover page;
 - (b) the information sheet;
 - (c) the contract;
 - (d) any other documents.
- (3) If the seller gives the buyer the information sheet with the contract by electronic communication other than fax, the seller must give the information sheet and the contract as a single document that is protected against unauthorised change, with the information sheet appearing as the first or top page of the document.
- (4) If the seller gives the buyer the information sheet with the contract in a way other than by electronic communication, the seller must attach the information sheet to the contract as its first or top page.

207 Contents of contract

When the contract is entered into, its provisions-

- (a) include the disclosure statement and all material accompanying the disclosure statement; but
- (b) do not include the information sheet.

208 Buyer may rely on information

The buyer may rely on information in the disclosure statement as if the seller had warranted its accuracy.

209 Cancelling contract for inaccuracy of disclosure statement

- (1) The buyer may cancel the contract if—
 - (a) it has not already been settled; and
 - (b) at least 1 of the following applies—
 - (i) the disclosure statement is inaccurate, and the buyer would be materially prejudiced if compelled to complete the contract, given the disclosure statement's inaccuracy, but only to the extent that the disclosure statement was inaccurate when the contract was entered into;
 - (ii) despite reasonable efforts by the buyer, the buyer has not been able to verify the information contained in the disclosure statement; and
 - (c) the cancellation is effected by written notice given to the seller—
 - (i) notifying the seller that the contract is cancelled; and
 - (ii) if the buyer relies on paragraph (b)(ii) for cancelling the contract—advising the seller of the efforts made by the buyer under the paragraph.
- (2) The written notice mentioned in subsection (1)(c) must be given to the seller within 14 days, or a longer period agreed between the buyer and seller, after the buyer's copy of the contract is received by the buyer or a person acting for the buyer.

(3) In a proceeding in which it is alleged that the buyer did not make reasonable efforts under subsection (1)(b)(ii), the onus is on the buyer to prove the buyer made reasonable efforts.

210 Cancellation under this part

If the buyer cancels the contract under this part, the seller must repay to the buyer any amount paid to the seller (including the seller's agent) towards the purchase of the lot the subject of the contract.

211 Restriction on powers of attorney in favour of original owner

- (1) If the seller is the original owner, and the buyer gives the seller a power of attorney to act for the buyer, the power may be exercised only in ways, and only for purposes, disclosed in a written statement given to the buyer before the power is given.
- (2) The statement must include a detailed description of the circumstances in which the power may be exercised.
- (3) A power of attorney mentioned in subsection (1), unless it sooner expires, expires 1 year after it is given.

Part 2 Proposed lots

Division 1 Basic limitation on sale of proposed lots

212 Cancellation for not complying with basic requirements

(1) A contract entered into by a person (the *seller*) with another person (the *buyer*) for the sale to the buyer of a lot intended to come into existence as a lot included in a community titles scheme when the scheme is established or changed must provide that settlement must not take place earlier than 14

s 213

150

days after the seller gives advice to the buyer that the scheme has been established or changed.

- (2) Also, when the contract is entered into, there must be a proposed community management statement for the scheme as established or changed.
- (3) The buyer may cancel the contract if—
 - (a) there has been a contravention of subsection (1) or (2); and
 - (b) the contract has not already been settled.

Division 2 Statements about proposed lots

213 Information to be given by seller to buyer

- (1) Before a contract (the *contract*) is entered into by a person (the *seller*) with another person (the *buyer*) for the sale to the buyer of a lot (the *proposed lot*) intended to come into existence as a lot included in a community titles scheme when the scheme is established or changed, the seller must give the buyer a disclosure statement.
- (2) The disclosure statement—
 - (a) must state the amount of annual contributions reasonably expected to be payable to the body corporate by the owner of the proposed lot; and
 - (b) must include, for any engagement of a person as a body corporate manager or service contractor for the scheme proposed to be entered into after the establishment of the scheme, or proposed to be continued or entered into after the scheme is changed—
 - (i) the terms of the engagement, other than any provisions of the code of conduct that are taken to be included in the terms under section 118; and
 - (ii) the estimated cost of the engagement to the body corporate; and

- (iii) the proportion of the cost to be borne by the owner of the proposed lot; and
- (c) must include, for any authorisation of a person as a letting agent for the scheme proposed to be given after the establishment of the scheme, or proposed to be continued or given after the scheme is changed, the terms of the authorisation; and
- (d) must include details of all body corporate assets proposed to be acquired by the body corporate after the establishment or change of the scheme; and
- (e) must be accompanied by—
 - (i) the proposed community management statement; and
 - (ii) if the scheme to be established or changed is proposed to be established as a subsidiary scheme—the existing or proposed community management statement of each scheme of which the proposed subsidiary scheme is proposed to be a subsidiary; and
- (f) must identify the regulation module proposed to apply to the scheme; and
- (g) must include other matters prescribed under the regulation module applying to the scheme.
- (3) The disclosure statement must be signed by the seller or a person authorised by the seller.
- (4) The disclosure statement must be substantially complete.
- (5) If the proposed lot the subject of the contract is not residential property, the seller must give the buyer an information sheet (the *information sheet*) in the approved form with the contract in a way mentioned in section 213A.
- (5A) If the proposed lot the subject of the contract is residential property, the seller must ensure that an information sheet (the *information sheet*) in the approved form and a warning statement are given as required under the *Property Agents and Motor Dealers Act 2000*, section 366, 366A or 366B.

- (6) If the contract has not already been settled, the buyer may cancel the contract if—
 - (a) the seller has not complied with subsection (1); or
 - (b) the seller has not complied with subsection (5) or (5A), whichever is applicable.
- (7) The seller does not fail to comply with subsection (1) merely because the disclosure statement, although substantially complete as at the day the contract is entered into, contains inaccuracies.

213A How the information sheet must be given for s 213(5)

- (1) This section states the ways the information sheet must be given for section 213(5).
- (2) If the seller gives the buyer the information sheet with the contract by fax, the seller must fax the documents in the following order—
 - (a) a single cover page;
 - (b) the information sheet;
 - (c) the contract;
 - (d) any other documents.
- (3) If the seller gives the buyer the information sheet with the contract by electronic communication other than fax, the seller must give the information sheet and the contract as a single document that is protected against unauthorised change, with the information sheet appearing as the first or top page of the document.
- (4) If the seller gives the buyer the information sheet with the contract in a way other than by electronic communication, the seller must attach the information sheet to the contract as its first or top page.

214 Variation of disclosure statement by further statement

(1) This section applies if the contract has not been settled, and—

153

- (a) the seller becomes aware that information contained in the disclosure statement was inaccurate as at the day the contract was entered into; or
- (b) the disclosure statement would not be accurate if now given as a disclosure statement.
- (2) The seller must, within 14 days (or a longer period agreed between the buyer and seller) after subsection (1) starts to apply, give the buyer a further statement (the *further statement*) rectifying the inaccuracies in the disclosure statement.
- (3) The further statement must be endorsed with a date (the *further statement date*), and must be signed, by the seller or a person authorised by the seller.
- (4) The buyer may cancel the contract if—
 - (a) it has not already been settled; and
 - (b) the buyer would be materially prejudiced if compelled to complete the contract, given the extent to which the disclosure statement was, or has become, inaccurate; and
 - (c) the cancellation is effected by written notice given to the seller within 14 days, or a longer period agreed between the buyer and seller, after the seller gives the buyer the further statement.
- (5) Subsections (1) to (4) continue to apply after the further statement is given, on the basis that the disclosure statement is taken to be constituted by the disclosure statement and any further statement, and the disclosure statement date is taken to be the most recent further statement date.

215 Statements and information sheet form part of contract

- (1) The disclosure statement, and any material accompanying the disclosure statement, and each further statement and any material accompanying each further statement, form part of the provisions of the contract.
- (2) The information sheet does not form part of the provisions of the contract.

216 Buyer may rely on information

The buyer may rely on information in the disclosure statement and each further statement as if the seller had warranted its accuracy.

217 Cancelling contract for inaccuracy of statement

The buyer may cancel the contract if-

- (a) it has not already been settled; and
- (b) at least 1 of the following applies—
 - (i) the community management statement recorded for the scheme on its establishment or change is different from the proposed community management statement most recently advised to the buyer;
 - (ii) a community management statement, to which the recorded community management statement mentioned in subparagraph (i) is subject, is different from a proposed or existing community management statement previously advised to the buyer;
 - (iii) the community management statement most recently advised to the buyer is required under section 66(1)(d) to explain why the contribution schedule lot entitlements are not equal and does not contain the explanation;
 - (iv) information disclosed in the disclosure statement, as rectified by any further statement, is inaccurate; and
- (c) because of a difference or inaccuracy under paragraphb), the buyer would be materially prejudiced if compelled to complete the contract; and
- (d) the cancellation is effected by written notice given to the seller by the buyer not later than the latest of the following—
 - (i) 3 days before the buyer is otherwise required to complete the contract;

- (ii) 14 days after the buyer is given notice that the scheme is established or changed;
- (iii) another day agreed between the buyer and the seller.

218 Cancellation under this part

If the buyer cancels a contract under this part, the seller must repay to the buyer any amount paid to the seller (including the seller's agent) towards the purchase of the lot the subject of the contract.

219 Restriction on powers of attorney in favour of seller

- (1) If the buyer gives the seller a power of attorney to act for the buyer, the power may be exercised only in ways, and only for purposes, disclosed in a written statement given to the buyer before the power is given.
- (2) The statement must include a detailed description of the circumstances in which the power may be exercised.
- (3) A power of attorney mentioned in subsection (1), unless it sooner expires, expires 1 year after the scheme is established or changed.

Part 3 Implied warranties

220 Definitions for pt 3

In this part—

lot means—

- (a) a lot included in a community titles scheme; or
- (b) a lot (a *proposed lot*) intended to come into existence as a lot included in a community titles scheme when the scheme is established or changed.

221 Part's purpose

This part—

- (a) establishes certain warranties that are implied in a contract for the sale of a lot; and
- (b) establishes a right to cancel a contract for the sale of a lot.

222 Effect of warranties and right to cancel

- (1) The warranties and right to cancel established under this part have effect despite anything in the contract or in any other contract or arrangement.
- (2) The right to cancel established under this part is in addition to, and does not limit, any other remedy available to the buyer of a lot for a breach of a warranty established under this part.

223 Implied warranties

- (1) The warranties stated in this section are implied in a contract for the sale of a lot.
- (2) The seller warrants that, as at the date of the contract—
 - (a) to the seller's knowledge, there are no latent or patent defects in the common property or body corporate assets, other than the following—
 - (i) defects arising through fair wear and tear;
 - (ii) defects disclosed in the contract; and
 - (b) the body corporate records do not disclose any defects to which the warranty in paragraph (a) applies; and
 - (c) to the seller's knowledge, there are no actual, contingent or expected liabilities of the body corporate that are not part of the body corporate's normal operating expenses, other than liabilities disclosed in the contract; and
 - (d) the body corporate records do not disclose any liabilities of the body corporate to which the warranty in paragraph (c) applies.

157

(3) The seller warrants that, as at the completion of the contract, to the seller's knowledge, there are no circumstances (other than circumstances disclosed in the contract) in relation to the affairs of the body corporate likely to materially prejudice the buyer.

Examples for subsection (3)—

- 1 An administrator has been appointed under the order of an adjudicator under the dispute resolution provisions.
- 2 The body corporate has failed to comply with the provisions of this Act to the extent that its affairs are in disarray, records are incomplete and there is no reasonable prospect of the buyer finding out whether the warranty mentioned in subsection 2(b) has been breached.
- (4) For subsection (2), a seller is taken to have knowledge of a matter if the seller has actual knowledge of the matter or ought reasonably to have knowledge of the matter.

224 Cancellation for breach of warranty

- (1) The buyer may, by written notice given to the seller, cancel the contract if there would be a breach of a warranty established under this part were the contract to be completed at the time it is in fact cancelled.
- (2) A notice under subsection (1) must be given—
 - (a) if the lot is a proposed lot—not later than 3 days before the buyer is otherwise required to complete the contract; or
 - (b) if paragraph (a) does not apply—within 14 days after the later of the following happen—
 - (i) the buyer's copy of the contract is received by the buyer or a person acting for the buyer;
 - (ii) another period agreed between the buyer and the seller ends.
- (3) If the buyer cancels the contract, the seller must repay to the buyer any amount paid to the seller (including the seller's agent) towards the purchase of the lot the subject of the contract.

Part 4 Costs not recoverable by original owner on the sale of a lot

225 Costs incurred in entering contracts of engagement or authorisation

- (1) The original owner of a lot in a community titles scheme must not recover from a buyer of the lot or the body corporate any part of the original owner's costs incurred, in the original owner control period, in entering into a contract that provides for—
 - (a) the engagement of a person as a body corporate manager or service contractor; or
 - (b) the authorisation of a person as a letting agent.
- (2) If an amount is given to or accepted by the original owner in contravention of subsection (1), the buyer may recover the amount from the original owner as a debt.
- (3) To remove any doubt, it is declared that subsection (1) does not apply to the recovery from the buyer of costs incurred after the buyer becomes the owner of the lot and for which the buyer is liable, under this Act, as a lot owner.

228 Chapter's purpose

- (1) This chapter establishes arrangements for resolving, in the context of community titles schemes, disputes about—
 - (a) contraventions of this Act or community management statements; and
 - (b) the exercise of rights or powers, or the performance of duties, under this Act or community management statements; and
 - (c) the adjustment of lot entitlement schedules; and
 - (d) matters arising under the engagement of persons as body corporate managers, the engagement of certain persons as service contractors, and the authorisation of persons as letting agents.
- (2) Also, this chapter authorises the provision of education and information services aimed at promoting the avoidance of disputes.

229 Exclusivity of dispute resolution provisions

- (1) Subsections (2) and (3) apply to a dispute if it may be resolved under this chapter by a dispute resolution process.
- (2) The only remedy for a complex dispute is—
 - (a) the resolution of the dispute by—
 - (i) an order of a specialist adjudicator under chapter 6; or

- (ii) an order of the CCT under the CCT Act; or
- (b) an order of the District Court on appeal from a specialist adjudicator or the CCT on a question of law.
- (3) The only remedy for a dispute that is not a complex dispute is—
 - (a) the resolution of the dispute by a dispute resolution process; or
 - (b) an order of the CCT on appeal from an adjudicator on a question of law.
- (4) However, subsections (2) and (3) do not apply to a dispute if—
 - (a) an application is made to the commissioner; and
 - (b) the commissioner dismisses the application under part 5.
- (5) Subsection (3) does not affect a right, under section 289, to appeal to the District Court on a question of law.

230 Structure of arrangements

- (1) This chapter provides for the establishment of the office of commissioner for body corporate and community management for providing education and information services and managing the dispute resolution process.
- (2) This chapter also provides for the appointment of dispute resolution officers to settle individual disputes.
- (3) The main elements of the dispute resolution process provided for in this chapter are—
 - applications to the commissioner
 - dispute resolution recommendations, especially at the preliminary stage of the dispute resolution process
 - mediation, conciliation and adjudication
 - orders, including interim orders, by adjudicators
 - enforcement of orders through a Magistrates Court
 - appeals to the District Court and the CCT on questions of law.

Part 2 Commissioner for body corporate and community management

231 Appointment of commissioner

- (1) There is to be a commissioner for body corporate and community management.
- (2) The commissioner is appointed under the *Public Service Act* 1996.
- (3) A person may hold the office of commissioner as well as another position under the *Public Service Act 1996*.

232 Responsibilities

- (1) The commissioner has responsibility for the administration of this chapter.
- (2) In particular, the commissioner has responsibility for providing, under this chapter, a dispute resolution service.
- (3) The commissioner may also provide an education and information service for helping—
 - (a) lot owners, bodies corporate and other persons who have rights and obligations under this Act to become aware of the rights and obligations; and
 - (b) members of the public to become aware of the rights and obligations under this Act of persons mentioned in paragraph (a); and
 - (c) dispute resolution officers to increase their proficiency.
- (4) The commissioner is subject to the direction of the chief executive in administering this chapter, but must act independently, impartially and fairly in making decisions about particular persons.

Example for subsection (4)—

The commissioner must act independently in making a dispute resolution recommendation for a particular application.

- (5) Once an application is referred to an adjudicator, the commissioner has no role in relation to the substance of the dispute or the outcome sought by the application.
- (6) Subsection (5) does not affect the exercise of a power by the commissioner under section 239C or 294A(2)(a).

233 Practice directions

- (1) The commissioner may make practice directions for internal dispute resolution and the dispute resolution service.
- (2) Without limiting subsection (1), practice directions may be made about all or any of the following—
 - (a) the contents of—
 - (i) applications; or
 - (ii) documents supporting applications; or
 - (iii) submissions to the commissioner about applications;
 - (b) dispute resolution recommendations;
 - (c) procedures for conducting the dispute resolution service.
- (3) The doing of anything by a person for internal dispute resolution or the dispute resolution service is subject to a practice direction about doing the thing.
- (4) To remove any doubt, it is declared that a practice direction is not subordinate legislation.

234 Protection of commissioner

In performing official functions under this chapter, the commissioner has the privileges and immunities from liability a magistrate has in exercising the jurisdiction of a Magistrates Court.

235 Delegation by commissioner

- (1) The commissioner may delegate a power the commissioner has under this chapter to a public service employee who is appropriately qualified to exercise the power delegated.
- (2) Also, the commissioner may delegate a power the commissioner has under parts 5 to 9 to—
 - (a) an adjudicator appointed for specialist adjudication; or
 - (b) another adjudicator who is not a public service employee.
- (3) A delegation under subsection (2) may only be made on a case by case basis.

Part 3 Dispute resolution officers

236 Appointment of dispute resolution officers

- (1) The chief executive must appoint appropriately qualified persons as department conciliators and department adjudicators (*department appointees*) for conducting the dispute resolution service.
- (2) A department appointee—
 - (a) is appointed under the *Public Service Act 1996*; and
 - (b) may hold the office of department appointee as well as an appointment to perform another role under that Act; and
 - (c) is appointed for conducting the dispute resolution processes stated in the appointment for applications referred to the department appointee.
- (3) Also, the chief executive may enter into a contract with an appropriately qualified person under which the person—
 - (a) agrees to provide department adjudication or department conciliation; and

- (b) is appointed as a department adjudicator for conducting department adjudication, or as a department conciliator for conducting department conciliation, for applications referred to the person while the contract is in force.
- (4) A person appointed under subsection (3) is appointed under this Act and not the *Public Service Act 1996*.
- (5) A person may be appointed under this section for conducting both department conciliation and department adjudication.

Note—

See, however, section 267(2).

(6) A person is appointed for specialist mediation, specialist conciliation or specialist adjudication, in the way provided in this chapter, only on a case by case basis.

Note—

Part 7 deals with specialist mediation and conciliation and part 8 deals with specialist adjudication.

(7) In this section—

appropriately qualified, for appointment to conduct a dispute resolution process, means having the qualifications, experience or standing appropriate for conducting the dispute resolution process.

237 Protection of dispute resolution officers

In performing functions under this chapter, a dispute resolution officer has the privileges and immunities from liability a magistrate has in exercising the jurisdiction of a Magistrates Court.

Part 4 Applications

Division 1 Application

238 Who may make an application

- (1) A person, including the body corporate for a community titles scheme, may make an application if the person—
 - (a) is a party to, and is directly concerned with, a dispute to which this chapter applies; and
 - (b) has made reasonable attempts to resolve the dispute by internal dispute resolution.
- (2) This section is subject to sections 184 to 187.

239 How to make an application

- (1) An application must be—
 - (a) made in the approved form; and
 - (b) given to the commissioner; and
 - (c) accompanied by the fee prescribed under a regulation, to the extent the fee is not waived under subsection (3) or (4).
- (2) If the application is for an outcome affecting owners or occupiers of lots included in the scheme generally, or a particular class of the owners or occupiers, the application may identify the affected persons as the owners or occupiers generally, or by reference to the class, instead of stating the persons' names and addresses.
- (3) The commissioner may waive payment of the fee mentioned in subsection (1)(c) if the commissioner is satisfied payment of the fee would cause the applicant financial hardship.
- (4) Also, the commissioner may waive the fee mentioned in subsection (1)(c)—

- (a) for a conciliation application—if the commissioner rejected the applicant's adjudication application for the same dispute under section 241(1)(c)(ii); or
- (b) for an adjudication application—if the commissioner rejected the applicant's conciliation application for the same dispute under section 241(1)(b).

239A Content of approved form for conciliation application

The approved form for a conciliation application must provide for each of the following matters to be stated in the form—

- (a) the outcome sought by the application;
- (b) the name and address of—
 - (i) the respondent to the application; and
 - (ii) if neither paragraph (c) nor (d) applies—each affected person for the application;
- (c) if the application is for an outcome affecting owners or occupiers of lots included in a community titles scheme generally—a statement to that effect;
- (d) if the application is for an outcome affecting a particular class of the owners or occupiers—a sufficient identification of the affected persons for the application by reference to the class;
- (e) a brief summary of the background to the dispute;
- (f) how the applicant has attempted to resolve the dispute by internal dispute resolution.

239B Content of approved form for adjudication application

The approved form for an adjudication application must provide for each of the following matters to be stated in the form—

- (a) the outcome sought by the application;
- (b) the name and address of—
 - (i) the respondent to the application; and

- (ii) if neither paragraph (c) nor (d) applies—each affected person for the application;
- (c) if the application is for an outcome affecting owners or occupiers of lots included in a community titles scheme generally—a statement to that effect;
- (d) if the application is for an outcome affecting a particular class of the owners or occupiers—a sufficient identification of the affected persons for the application by reference to the class;
- (e) the grounds, in detail, on which the outcome is sought;
- (f) whether the applicant has attempted to resolve the dispute by either or both of the following—
 - (i) internal dispute resolution;
 - (ii) department conciliation.

239C Continuation of application if standing of party changes

- (1) This section applies if a party to an application stops being a relevant person for the application before it is disposed of under this chapter.
- (2) Unless someone else is substituted as the relevant person under subsection (3), the application continues subject to this chapter as if the party continued to be the relevant person for the application.
- (3) If the commissioner reasonably considers it appropriate, the commissioner may, by written notice given to each party to the application, substitute another person as the relevant person for the application.
- (4) It is sufficient for giving a notice to a person under subsection(3) if the notice is sent to the person's address that is last known to the commissioner.
- (5) If a party to a conciliation application stops being a relevant person for the application after it is made, the commissioner may allow an adjudication application for the same dispute to be made as if the party were the relevant person for the adjudication application.

- (6) To remove any doubt, it is declared that nothing in this section prevents—
 - (a) the commissioner from rejecting an application under section 241; or
 - (b) an adjudicator from making an order dismissing an adjudication application under section 270.

240 Further information or material for applications

(1) After receiving the application, the commissioner may require the applicant to give further information or material about the application to help the commissioner decide the further action to be taken on the application.

Examples—

- 1 The commissioner may require the application to be amended to more accurately identify respondents to, or affected persons for, the application.
- 2 The commissioner may require the applicant to give the commissioner a copy of the applicant's correspondence to the committee for the body corporate showing the applicant's attempts to resolve the dispute by internal dispute resolution.
- (2) A requirement under subsection (1)—
 - (a) may require the information to be verified by statutory declaration; and
 - (b) must state the period within which the information or material must be given to the commissioner.

241 Rejecting application

- (1) The commissioner may reject an application if—
 - (a) the outcome sought is not within the jurisdiction of a dispute resolution officer; or
 - (b) for a conciliation application—the commissioner considers the dispute is not appropriate for department conciliation; or

- (c) the commissioner reasonably believes the applicant has not made a reasonable attempt to resolve the dispute by—
 - (i) for a conciliation application—internal dispute resolution; or
 - (ii) for an adjudication application—internal dispute resolution or department conciliation; or
- (d) the applicant fails, without reasonable excuse, to comply with a practice direction made under section 233 about internal dispute resolution; or
- (e) the applicant fails, without reasonable excuse, to comply with a requirement of the commissioner under section 240(1) about the application; or
- (f) the commissioner is satisfied—
 - (i) a party to the application is no longer a person mentioned in section 227(1) for the dispute the subject of the application; and
 - (ii) the outcome sought by the application is no longer relevant or required.
- (2) The commissioner may also reject an application if—
 - (a) the commissioner—
 - (i) reasonably considers the applicant does not wish to proceed with the application; and
 - (ii) by written notice, informs the applicant that the application may be rejected unless the applicant, within 28 days after receiving the notice, advises the commissioner that the applicant wishes to proceed; and
 - (b) the applicant—
 - (i) advises the commissioner that the applicant does not wish to proceed; or
 - (ii) does not respond to the notice within the period mentioned in subparagraph (a)(ii).

(3) To remove any doubt, it is declared that the commissioner may accept an application that the commissioner may reject under subsection (1)(c) or (d) if the commissioner considers the acceptance appropriate in the circumstances.

Examples of circumstances—

- the application is for a declaratory order, or for authorisation for emergency expenditure
- there is a threat of violence between the parties to the application

241A Applicant to be given notice of decision to reject application

If the commissioner decides to reject an application, the commissioner must immediately give the applicant a written notice stating—

- (a) the decision; and
- (b) the reasons for the decision; and
- (c) that the applicant may appeal against the decision to the District Court within 6 weeks after the applicant receives the notice.

242 Time limit on certain adjudication applications

- (1) This section applies to an adjudication application for an order declaring void—
 - (a) a meeting of the committee for the body corporate, or a general meeting of the body corporate; or
 - (b) a resolution of the committee or body corporate; or
 - (c) the election of an executive or other member of the committee.
- (2) The adjudication application must be made within 3 months after—
 - (a) if subsection (1)(a) applies—the meeting; or
 - (b) if subsection (1)(b) applies—the meeting at which the resolution was passed or purported to be passed; or

- (c) if subsection (1)(c) applies—the meeting at which the executive or other member was elected.
- (3) A person is taken to have complied with subsection (2) for a dispute if the person made a conciliation application for the same dispute within the time mentioned in the subsection for the dispute.
- (4) However, if the making of the adjudication application does not comply with subsection (2)—
 - (a) the commissioner must deal with the application (including making a dispute resolution recommendation for the application) as if the making of the application complied with subsection (2); and
 - (b) an adjudicator to whom the application is referred for specialist or department adjudication may, for good reason, waive the non-compliance.

Division 2 Initial action on application

Subdivision 1 Conciliation application

242A Referral to department conciliator

If the commissioner accepts a conciliation application, the commissioner must refer the application to a department conciliator for department conciliation under the provisions of this chapter applying to the conciliation.

 - (a) an application should be immediately referred to a dispute resolution officer because it relates to emergency circumstances; and

Example of emergency circumstances—

a burst water pipe the repair or replacement cost of which exceeds the body corporate committee's expenditure limit under the regulation module applying to the scheme

- (b) it is not appropriate to deal with the application under section 247.
- (2) The commissioner may immediately refer the application to a dispute resolution officer without giving written notice as mentioned in section 243(1).

- (4) The commissioner, by written notice given to the applicant, may extend the period for making the reply.

245 Change or withdrawal of application

- (1) The applicant may, with the commissioner's permission, change the application at any time before the commissioner makes an initial dispute resolution recommendation under part 5.³⁵
- (2) The commissioner has a discretion to give or withhold permission and, if the commissioner gives permission, the commissioner may impose conditions.

Example—

If the change substantially affects the nature of the application or the outcome sought, the commissioner may permit the change on conditions providing for further written notice of the amended application, on terms decided by the commissioner, to be given to the respondent, each affected person and the body corporate and allowing a further opportunity to make written submissions on the changed application.

(3) The application may be withdrawn by the applicant at any time before it is disposed of under this chapter.

 - (a) a department conciliator for department conciliation; or
 - (b) an adjudicator for adjudication under this chapter.

 - (b) all persons entitled, under that section, to make submissions about the application have not had an opportunity to make submissions.

Part 5 Dispute resolution recommendations

248 Dispute resolution recommendation

- (1) The commissioner may make 1 or more dispute resolution recommendations for an application after the application is made and before it is resolved by a dispute resolution process.
- (2) However, the commissioner must not make a dispute resolution recommendation after the commissioner refers the application to a dispute resolution officer, unless the dispute resolution officer refers the application back to the commissioner.

177

- (3) A dispute resolution recommendation must be for 1 of the following dispute resolution processes—
 - (a) department conciliation;
 - (b) dispute resolution centre mediation;

- (2) The adjudicator may be the same person who conducted the conciliation, if, at the end of the conciliation, all parties to the application consent to the person being the adjudicator.

1997

250 Dismissing application

- (1) Instead of making a dispute resolution recommendation for an application, the commissioner may dismiss the application.
- (2) The commissioner may dismiss the application only if the commissioner is satisfied that the dispute should be dealt with in a court or tribunal of competent jurisdiction.
- (3) Also, for an adjudication application, the commissioner may dismiss the application if—
 - (a) the application is accompanied by an explanation why the dispute the subject of the application should be dealt with by a stated alternative process; and
 - (b) the parties to the application agree that the dispute be dealt with by the alternative process; and
 - (c) the commissioner is satisfied, having regard to the nature of the dispute, that the dispute may be dealt with by the alternative process.

- (3) Action the commissioner takes under subsections (1) and (2) must be for the purpose only of deciding—
 - (a) on the dispute resolution recommendation the commissioner considers to be most likely to promote a quick and efficient resolution for the application; or
 - (b) whether to dismiss the application.
- (4) If a place to be entered under subsection (2)(c) is occupied, the commissioner may enter only with the owner's consent and, in seeking the consent, must give reasonable notice to the occupier of the time when the commissioner wishes to enter the place.
- (5) If a place to be entered under subsection (2)(c) is unoccupied, the commissioner may enter only with the owner's consent and, in seeking the consent, must give reasonable notice to the owner of the time when the commissioner wishes to enter the place.

interested person means—

- (a) a party to the application; or
- (b) an affected person; or
- (c) the body corporate.

252 Making a dispute resolution recommendation for specialist mediation, conciliation or adjudication

- (1) The commissioner may make a recommendation that an application be the subject of specialist mediation, specialist conciliation or specialist adjudication if the commissioner may make the recommendation under the conditions applying under this chapter to the making of the recommendation.
- (2) However, the commissioner must make the recommendation if—
 - (a) the parties ask for it to be made; and
 - (b) the commissioner may make it under the conditions applying under this chapter to the making of the recommendation.

Part 5A Department conciliation

252A Purpose of pt 5A

The purpose of this part is to provide for department conciliation to resolve disputes as quickly and with as little formality and technicality as possible.

252B Functions of department conciliator

The functions of a department conciliator are—

- (a) to encourage the settlement of disputes by facilitating and helping the conduct of negotiations between parties to applications; and
- (b) to promote the parties' open exchange of information relevant to the dispute; and

- (d) to help in the settlement of the dispute in any other way.

252C Referral to department conciliator

- (1) This section applies if the commissioner—

- (3) If the order is a declaratory or other order affecting the owners or occupiers of the lots included in the scheme generally, or a particular class of the owners or occupiers, the adjudicator need not give a copy of the order to each owner or occupier individually, but may instead give notice in a way that ensures, as far as reasonably practicable, it comes to the attention of all owners or occupiers or all members of the class.

 - (a) may include only matters that may be dealt with under this Act; and
 - (b) must not include matters that are inconsistent with this Act or another Act.

277 Order may be made if person fails to attend to be interviewed

If an adjudicator considers it just and equitable in the circumstances, the adjudicator may make an order under this part even if a person fails, without reasonable excuse, to

³⁸ Schedule 5 (Adjudicator's orders)

comply with a requirement made by the adjudicator under section 271(1)(a)(ii).

278 Administrator may act for body corporate etc.

If an adjudicator appoints an administrator to perform obligations of the body corporate, the committee for the body corporate or a member of the committee, anything done by the administrator under the authority given under the order is taken to have been done by the body corporate, committee or member.

279 Interim orders in context of adjudication

(1) The adjudicator may make an interim order if satisfied, on reasonable grounds, that an interim order is necessary because of the nature or urgency of the circumstances to which the application relates.

Examples—

- 1 The adjudicator may stop the body corporate from carrying out work on common property until a dispute about the irregularity of proceedings has been investigated and resolved.
- 2 The adjudicator may stop a general meeting deciding or acting on a particular issue until it has been investigated and resolved.
- (2) An interim order—
 - (a) has effect for a period (not longer than 1 year) stated in the order; and
 - (b) may be extended, varied, renewed or cancelled by the adjudicator until a final order is made; and
 - (c) may be cancelled by a later order made by the adjudicator; and
 - (d) if it does not lapse or is not cancelled earlier, lapses when—
 - (i) the application is withdrawn; or
 - (ii) the commissioner gives the person who made the application a written notice under section 241 rejecting the application; or

- (iii) a final order is made by an adjudicator to whom the application is referred.
- (3) Despite subsection (2), if an appeal is started against an interim order, the order continues in force until 1 of the following happens—

 - (d) the application is withdrawn;
 - (e) a final order is made by the adjudicator.

- (2) If asked by the applicant, the adjudicator may order the respondent to pay to the applicant the amount paid by the

³⁹ Section 247 (Referral of application for interim order)

applicant under section 239(1)(c) as fees for the conciliation application and adjudication application.

281 Order to repair damage or reimburse amount paid for carrying out repairs

- (1) If the adjudicator is satisfied that the applicant has suffered damage to property because of a contravention of this Act or the community management statement, the adjudicator may order the person who the adjudicator believes, on reasonable grounds, to be responsible for the contravention—
 - (a) to carry out stated repairs, or have stated repairs carried out, to the damaged property; or
 - (b) to pay the applicant an amount fixed by the adjudicator as reimbursement for repairs carried out to the property by the applicant.

Example—

A waterproofing membrane in the roof of a building in the scheme leaks and there is damage to wallpaper and carpets in a lot included in the scheme. The membrane is part of the common property and the leak results from a failure on the part of the body corporate to maintain it in good order and condition. The adjudicator could order the body corporate to have the damage repaired or to pay an appropriate amount as reimbursement for amounts incurred by the owner in repairing the property.

- (2) The order can not be made if—
 - (a) for an order under subsection (1)(a)—the cost of carrying out the repairs is more than \$75000; or
 - (b) for an order made under subsection (1)(b)—the amount fixed by the adjudicator would be more than \$10000.

282 Order does not prevent proceedings for offence

- (1) This section applies if an adjudicator makes an order under this chapter against a person in relation to a contravention of this Act by the person.
- (2) The order does not prevent proceedings for an offence in relation to the contravention being taken against the person.

283 Change of body corporate's financial year

With the consent of the body corporate, the order of the adjudicator may include a change of the body corporate's financial year and of the dates when later financial years begin.

284 Ancillary provisions

- (1) The adjudicator's order may contain ancillary and consequential provisions the adjudicator considers necessary or appropriate.
- (2) The adjudicator's order may fix the time—
 - (a) when the order takes effect; or
 - (b) within which the order must be complied with.
- (3) If the adjudicator's order does not fix the time when it takes effect, it takes effect when served on the person against whom it is made or, if it is not made against a particular person, when it is served on the body corporate.
- (4) The adjudicator's order may provide that the order is to have effect as a resolution without dissent, special resolution or ordinary resolution.

285 Limitation on powers of adjudicator

The adjudicator does not have power to resolve a question about title to land.

Part 10 Enforcement of adjudicator's orders

286 Enforcement of orders for payment of amounts

(1) This section applies if the following are filed with the registrar of a Magistrates Court—

- (a) a copy of an adjudicator's order for the payment of an amount, certified by the commissioner as a copy of the adjudicator's order;
- (b) a sworn statement by the person in whose favour the order is made stating the amount outstanding under the order.
- (2) The registrar must register the order in the court.
- (3) The order may be enforced as if it were a judgment of the court properly given in the exercise of its civil jurisdiction.

333 Application of div 4

This division applies to each future 1980 Act plan (the *future plan*).

Division 5 Community management statements for new schemes

336 What div 5 provides for

This division provides for the community management statement for the new scheme established under this part for a 1980 Act plan.

337 Community management statement

- (1) On its establishment, the new scheme is taken to have a community management statement (the *interim statement*).
- (2) The interim statement is taken—
 - (a) to state—
 - (i) the identifying name for the scheme as the name of the building or parcel endorsed on the 1980 Act plan; and
 - (ii) the name of the body corporate for the new scheme as 'Body corporate for *name of building or parcel endorsed on the 1980 Act plan* community titles scheme *identifying number, to be allocated by the registrar*'; and
 - (b) to state as the address for service of the body corporate the address at which documents may be served on the body corporate, as endorsed on the 1980 Act plan; and
 - (c) to state as the name of the original owner for the new scheme, and to state, as the address for service of the original owner, the original proprietor's name and address for service (if any) under the 1980 Act; and
 - (d) to identify as the regulation module applying to the new scheme the regulation module that applies to a community titles scheme if no other regulation module applies to it; and
 - (e) to include a contribution schedule showing, for each lot included in the new scheme, a contribution schedule lot entitlement that is identical with the lot entitlement

shown for the lot in the schedule endorsed on the 1980 Act plan; and

- (f) to include an interest schedule showing, for each lot included in the new scheme, an interest schedule lot entitlement that is identical with the lot entitlement shown for the lot in the schedule endorsed on the 1980 Act plan; and
- (g) if the scheme is established for an existing 1980 plan—
 - (i) to include by-laws that are identical to the by-laws that, immediately before the commencement, were the by-laws in force for the plan; and
 - (ii) to show allocations of common property, including variations and transpositions of common property, that, immediately before the commencement, were in force under the by-laws for the plan; and
- (h) if the scheme is established for a future 1980 Act plan—not to include any by-laws.
- (3) The interim statement is the community management statement for the new scheme until—
 - (a) under provisions of this Act for the recording of a new community management statement, a new community management statement is recorded for the scheme; or
 - (b) if a new community management statement is not recorded—the end of 3 years after the commencement.
- (4) Despite subsection (3)—
 - (a) an amendment of, addition to or repeal of by-laws in force for an existing 1980 Act plan agreed to by special resolution under the 1980 Act on or after 13 April 1997 but before the commencement may, if deposited for recording within 18 months after the commencement, be recorded under the 1980 Act, and the interim statement is taken to be amended to reflect the amendment, addition or repeal; and
 - (b) a notification of an allocation, including a variation or transposition, of identified common property happening before the commencement under a by-law for an

existing 1980 Act plan may, if deposited for recording within 18 months after the commencement, be recorded under the 1980 Act, and the interim statement is taken to be amended to reflect the allocation, variation or transposition.

- (5) A new community management statement may be recorded under subsection (3)(a) for a new scheme mentioned in subsection (2)(g) even though the statement does not include any by-laws.
- (6) If subsection (5) applies—
 - (a) the by-laws for the new scheme are taken to be the by-laws that, under subsection (2)(g) and, if applicable, subsection (4), are, subject to further amendment under subsection (4), the by-laws in force for the scheme immediately before the new statement is recorded; and
 - (b) allocations of identified common property for the new scheme are taken to be the allocations that, under subsection (2)(g) and, if applicable, subsection (4), are, subject to further amendment under subsection (4), the allocations, including variations and transpositions, in force for the scheme immediately before the new statement is recorded.

338 Community management statement recorded for 1980 Act plan when plan registered

- Despite section 337(1) to (4), when a future 1980 Act plan is lodged for registration, a community management statement (a *first statement*) may be lodged for recording as the community management statement for the new scheme to be established on registration of the future 1980 Act plan.
- (2) If, when the registrar registers a future 1980 Act plan, the registrar records a first statement, the first statement is taken to have effect immediately the new scheme is established, and the new scheme does not have an interim statement.
- (3) However, despite anything in the first statement, the regulation module applying to the scheme is, until a subsequent community management statement is recorded for

the scheme and identifies a different regulation module as the regulation module applying to the scheme, the regulation module that applies to a community titles scheme if no other regulation module applies to it.

339 Registrar to record standard statement

- (1) This section applies if an interim statement is still the community management statement for a new scheme at the end of 3 years after the commencement.
- (2) The registrar must record a new community management statement (the *standard statement*) for the new scheme as soon as practicable after the end of the 3 years, and until the registrar records the standard statement, another community management statement may not be recorded for the scheme.
- (3) If the registrar records a standard statement for the new scheme, the standard statement is taken to be the community management statement for the scheme immediately after the interim statement ceases to be the community management statement for the scheme.
- (4) The standard statement must—
 - (a) state—
 - (i) the identifying name for the scheme as the name of the building or parcel endorsed on the 1980 Act plan; and
 - (ii) the name of the body corporate for the new scheme as 'Body corporate for *name of building or parcel endorsed on the 1980 Act plan* community titles scheme *identifying number, to be allocated by the registrar*'; and
 - (b) state as the address for service of the body corporate the address at which documents may be served on the body corporate, endorsed on the 1980 Act plan; and
 - (c) state as the name and address of the original owner for the new scheme, the original proprietor's name and address for service (if any) under the 1980 Act; and

- (d) identify as the regulation module applying to the scheme the regulation module that applies to a community titles scheme if no other regulation module applies to it; and
- (e) include a contribution schedule showing, for each lot included in the new scheme, a contribution schedule lot entitlement that is identical with the lot entitlement shown for the lot in the schedule endorsed on the 1980 Act plan; and
- (f) include an interest schedule showing, for each lot included in the new scheme, an interest schedule lot entitlement that is identical with the lot entitlement shown for the lot in the schedule endorsed on the 1980 Act plan; and
- (g) not include any by-laws for the new scheme.
- (5) Despite subsection (4)(g), if the new scheme for which a standard statement is recorded is a new scheme established for an existing 1980 Act plan—
 - (a) the by-laws for the new scheme are taken to be the by-laws that, under section 337(2)(g)(i) and, if applicable, section 337(4), are the by-laws in force for the scheme immediately before the end of the 3 years mentioned in subsection (1); and
 - (b) allocations of identified common property for the new scheme are taken to be the allocations that, under section 337(2)(g)(ii) and, if applicable, section 337(4), are the allocations, including variations and transpositions, in force for the scheme immediately before the end of the 3 years mentioned in subsection (1).

340 By-laws may be retained

A by-law, including an exclusive use by-law, maintained in force under this part for a new scheme continues to have effect, and may be included in a subsequent community management statement recorded for the scheme, even though it is not competent for the community management statement for a community titles scheme established after the commencement to include the by-law.

341 Right to exclusive use by-law

- (1) This section applies if, immediately before the commencement, the registered proprietor for the time being of a lot (the *lot*) in an existing 1980 Act plan was entitled, or purportedly entitled, under a resolution of the body corporate, to a right of exclusive use and enjoyment of, or a special privilege in respect of, any of the common property under the existing 1980 Act plan, but no exclusive use by-law for the purpose of the right or special privilege had been agreed to.
- (2) A by-law giving effect to the resolution is taken to have been agreed to by the body corporate under the 1980 Act before the commencement.
- (3) However, the body corporate must not deposit the by-law for recording by the registrar under the 1980 Act unless the lot owner, within a reasonable time before the end of 18 months after the commencement, asks the body corporate to deposit the by-law for recording.
- (4) Despite subsection (2), if action (including a failure to take action) by the body corporate in relation to the depositing the by-law for recording is the subject of an application under the dispute resolution provisions, it is competent for the adjudicator, in deciding whether to order the body corporate to deposit a by-law for recording, to consider whether it is equitable in all the circumstances for the order to be made, having regard especially to the following—
 - (a) the interests of other persons having an estate or interest in lots included in the new scheme;
 - (b) the extent to which the right or privilege mentioned in subsection (1) has been exercised or apparent before and after the commencement.
- (5) The order of the adjudicator may include—
 - (a) a direction for a variation or modification of the provisions of the by-law to be deposited for recording; or

- (b) a direction that no by-law be deposited.
- (6) A by-law may be deposited for recording under an order of the adjudicator mentioned in subsection (4) even though more than 18 months have elapsed after the commencement.

Notes-pt 1

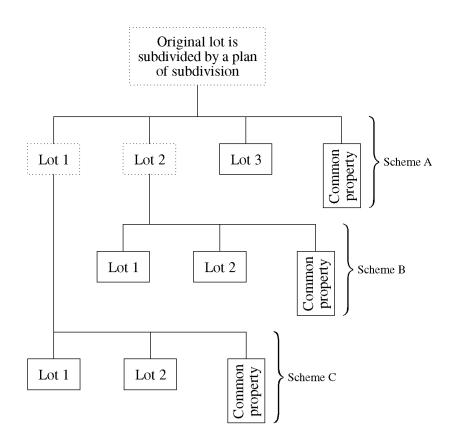

The original lot is subdivided into lots and common property.

The plan of subdivision could be a standard format, building format or volumetric format plan.

The scheme land consists of lots 1 to 6 and the common property.

A community management statement must accompany the plan of subdivision when the plan is lodged for registration.

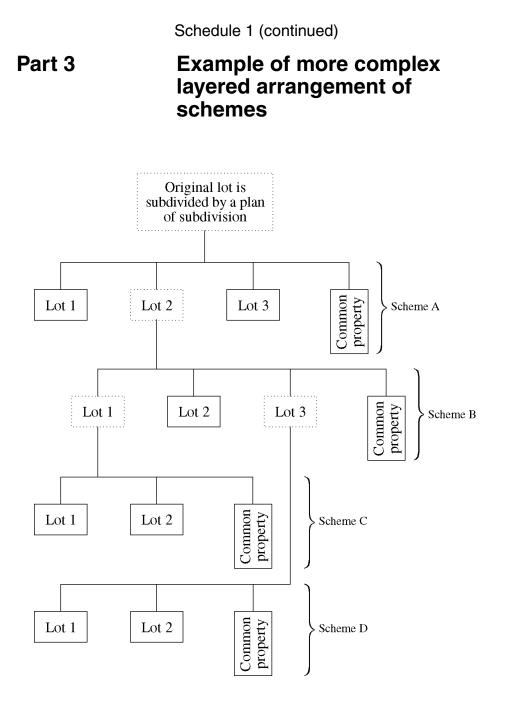

Part 2 Example of simple layered arrangement of schemes

Notes—pt 2

Lots 1 and 2 in scheme A are subdivided by further plans of subdivision to create basic schemes B and C.

Accordingly, lots 1 and 2 in scheme A are themselves community titles schemes.

Notes—pt 3

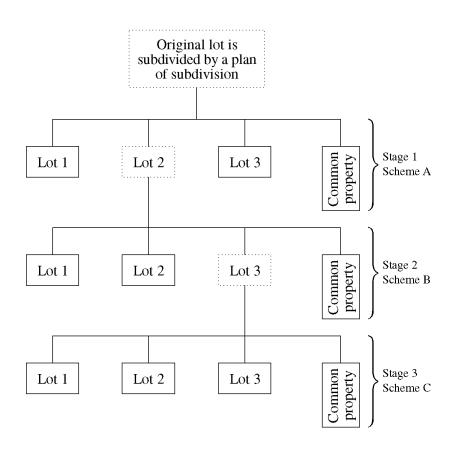

(The following notes are directed at illustrating the use of the **bolded** expressions.)

For the more complex **layered arrangement of community titles schemes** illustrated in this part—

- scheme A is the **principal scheme** because it is not a lot **included in** another community titles scheme
- scheme B is both a **subsidiary scheme** for scheme A and a lot **included in** scheme A, and **includes** 3 lots, 2 of which are community titles schemes (schemes C and D)
- schemes C and D are both **basic schemes** because none of the lots **included in** either scheme is another community titles scheme
- schemes C and D are also **subsidiary schemes** for both schemes A and B. However, neither scheme C nor scheme D is a lot **included in** scheme A, but each scheme is a lot **included in** scheme B
- scheme land for scheme D consists of lot 1, lot 2 and the common property for scheme D
- scheme land for scheme C consists of lot 1, lot 2 and the common property for scheme C
- scheme land for scheme B consists of lot 2, the common property for scheme B, the scheme land for scheme C and the scheme land for scheme D
- scheme land for scheme A consists of lot 1, lot 3, the common property for scheme A, and the scheme land for scheme B.
