12 When committee is chosen [SM, s 13]

- (1) The members of the committee must be chosen at each annual general meeting of the body corporate.
- (2) However, subsection (1) does not apply for an annual general meeting if, on the day the annual general meeting is held, there are—
 - (a) only 2 lots included in the community titles scheme, and the 2 lots are in identical ownership; or
 - (b) only 2 lots included in the scheme, and the 2 lots are in different ownership; or

- (3) If subsection (2)(a) or (c) applies, the committee is a committee of 1 consisting of the individual who is the owner, or the nominee of the owner, of the lots, and the individual holds all the executive positions on the committee.

- (4) If subsection (2)(b) or (d) applies, the committee consists of 2 individuals who are the owners, or the nominees of the owners, of lots, and they must decide between themselves which of the executive member positions of the committee each is to hold and, if they can not agree, the positions of the executive members are jointly held by both of them.
- (5) If subsection (2)(e) applies, the committee consists of 3 individuals who are the owners, or the nominees of the owners, of lots, and they must decide between themselves which of the executive member positions of the committee each is to hold and, if they can not agree, the positions of the executive members are jointly held by each of them.

- (3) A requested extraordinary general meeting—
 - (a) must be called, within 14 days after the notice is given under subsection (1), by the person to whom the notice is given; and
 - (b) must be held within 6 weeks after the notice is given.

Note—

Section 49 provides a general meeting must be held at least 21 days after notice is given to the lot owners.

-
- (4) A requested extraordinary general meeting of the body corporate may be called even though the body corporate's first annual general meeting has not yet been held.

43 Failure to call requested extraordinary general meeting [SM, s 85]

- (1) This section applies if a requested extraordinary general meeting is not called within 14 days after the notice (the *original request*) requesting the meeting is given under section 42(1).
- (2) The owners of lots by or for whom the original request was signed may, in writing, request a committee member, other than the committee member to whom the original request was given, to call the meeting.
- (3) The committee member must call the requested extraordinary general meeting within 14 days after the written request is given to the member.

44 Opportunity to submit agenda motions [SM, s 86]

- (1) A motion for consideration at a general meeting of the body corporate may be submitted at any time by—
- (a) a member of the body corporate; or
 - (b) the committee.
- (2) Subsection (3) only applies in relation to the first annual general meeting of a body corporate.
- (3) If a motion is submitted by a member of the body corporate before the first annual general meeting, it must be included on the general meeting agenda if it is practicable to include the motion.
- (4) Subsections (5) to (8) apply in relation to all other general meetings of a body corporate.
- (5) If a motion is submitted, including by a member of the body corporate in response to an invitation under subsection (8), it must, subject to subsections (6) and (7), be included on the

[s 45]

next general meeting agenda on which it is practicable to include the motion.

- (6) A motion submitted by a member of the body corporate may be included on the agenda for an annual general meeting only if the secretary receives the motion before the end of the body corporate's financial year immediately preceding the meeting.
- (7) However, a motion of a following type must not be included on the agenda for a general meeting if the motion's inclusion would result in the body corporate considering a motion of that type more than once in a financial year for the body corporate—
 - (a) a motion proposing that the remuneration paid to a particular service contractor be changed;
 - (b) a motion proposing that the engagement of a person as a service contractor, or the authorisation of a person as a letting agent, be amended if, as a result of the amendment, the engagement or authorisation would include a right or option of extension or renewal.
- (8) If a notice is forwarded to members of the body corporate inviting nominations for committee member positions to be filled at an annual general meeting of the body corporate, the members must also be invited to submit motions for inclusion on the agenda for the meeting.

45 Notice of general meeting [SM, s 87]

- (1) Written notice of a general meeting must be given to the owner of each lot included in the community titles scheme.
- (2) The notice must state the time and place of the proposed general meeting.
- (3) The notice of a proposed general meeting must—
 - (a) contain an agenda for the meeting; and
 - (b) be accompanied by—
 - (i) a proxy form; and

- (ii) if the notice is given to the corporate owner of a lot—a form under which the owner may advise the body corporate of the corporate owner nominee; and
- (c) be accompanied by a voting paper for all open motions to be decided at the meeting; and
- (d) for a motion to be decided by secret ballot—
 - (i) for a hard copy vote—include the following things—
 - (A) a secret voting paper under section 46;
 - (B) an envelope marked ‘secret voting paper’;
 - (C) either a separate particulars envelope or a particulars tab forming part of the secret voting paper envelope that a person may detach without unsealing or otherwise opening the envelope; and
 - (ii) for an electronic vote—include instructions mentioned in section 46(5)(g); and
- (e) be accompanied by explanatory material required under section 48; and
- (f) contain or be accompanied by any other document as required under the Act or this regulation.

Note—

See, for example, the documents required under sections 110, 122, 123, 143 and 176.

- (4) However, if all of the lots have identical ownership, no notice of a general meeting need be given.

46 Requirements for voting papers [SM, s 88]

- (1) The secretary must prepare 1 hard copy voting paper and, if applicable, an electronic form of the voting paper for all open motions to be decided at a general meeting.

[s 46]

- (2) Also, the secretary must prepare a hard copy voting paper, and, if applicable, an electronic form of the voting paper (each a *secret voting paper*) for a motion to be decided at the meeting by secret ballot.
- (3) If 2 or more motions are to be decided at the meeting by secret ballot, they may, but need not, appear on 1 secret voting paper.
- (4) However, if 2 or more motions that are part of a group of same-issue motions are to be decided at the meeting by secret ballot, they must appear on 1 secret voting paper.
- (5) A voting paper must—
 - (a) state each motion in accordance with subsection (6); and
 - (b) state for each motion whether a resolution without dissent, special resolution, majority resolution or ordinary resolution is required; and
 - (c) for a secret voting paper—be marked with the words ‘secret voting paper’; and
 - (d) if the voting paper is accompanied by an explanatory schedule including an explanatory note for a motion—state that an explanatory note for the motion is included in the explanatory schedule; and
 - (e) if the voting paper is for a hard copy vote—provide for a person, who is a voter for the general meeting, to cast a hard copy vote on each motion to be considered at the meeting; and
 - (f) if the body corporate has by ordinary resolution decided that voters for general meetings may cast votes electronically for open motions—be accompanied by instructions on how a person who is a voter for the general meeting may cast an electronic vote on each open motion to be decided at the meeting; and
 - (g) if the body corporate has by ordinary resolution decided that voters for general meetings may cast votes electronically for motions to be decided by secret ballot—be accompanied by instructions on how a person who is a voter for the general meeting may cast

an electronic vote on each motion to be decided by secret ballot at the meeting.

- (6) Subject to subsection (7), the voting paper must, for each motion, state—
 - (a) the motion in the form in which it was submitted without amendment; and
 - (b) if the motion is not submitted by the committee—the name and, if applicable, the lot number of the person submitting the motion; and
 - (c) if the motion is submitted by the committee—that the motion is submitted by the committee and whether the motion is a statutory motion.
- (7) A voting paper that includes a group of same-issue motions must also list the motions that are part of the group—
 - (a) under the title of the group of same-issue motions as shown on the agenda for the meeting; and
 - (b) in the following order—
 - (i) motions requiring a resolution without dissent;
 - (ii) motions requiring a special resolution;
 - (iii) motions requiring a majority resolution;
 - (iv) motions requiring an ordinary resolution.
- (8) To remove any doubt, it is declared that if a group of same-issue motions includes open motions and motions to be decided by secret ballot—
 - (a) the voting paper for the open motions lists only the open motions; and
 - (b) the secret voting paper lists only the motions to be decided by secret ballot.

47 Group of same-issue motions [SM, s 89]

- (1) This section applies if 2 or more motions (the *original motions*) proposing alternative ways of dealing with the same

[s 47]

issue are submitted, under section 44, for consideration at a general meeting of the body corporate.

Example—

The secretary of the body corporate receives motions from 3 owners of lots proposing the engagement of a person as a body corporate manager and each motion proposes a different person.

- (2) The committee must list the original motions as a group of motions dealing with the same issue (a ***group of same-issue motions***) on the voting paper for the general meeting.

Note—

See also section 46.

- (3) A person who is a voter for the general meeting may do any or all of the following in relation to the original motions that are part of a group of same-issue motions—
- (a) vote in favour of 1 or more of the motions;
 - (b) vote against 1 or more of the motions;
 - (c) abstain from voting on 1 or more of the motions.
- (4) An original motion that receives the required number of votes to pass the motion qualifies (a ***qualifying motion***) to be a decision of the body corporate.
- (5) If there is only 1 qualifying motion, the qualifying motion is the body corporate's decision for the group of same-issue motions.
- (6) If there is more than 1 qualifying motion, the qualifying motion that receives the highest number of votes in favour of the motion is the body corporate's decision for the group of same-issue motions.

Example—

Suppose that 3 original motions proposing borrowing are submitted for consideration at a general meeting for a scheme with 20 lots. The motions listed as original motions are as follows—

- 1 Original motion A which proposes borrowing an amount that must be authorised by special resolution;
- 2 Original motion B which proposes borrowing a different amount that must be authorised by special resolution;

3 Original motion C which proposes borrowing a different amount that may be authorised by ordinary resolution.

Original motion A receives 15 votes in favour of, and 2 votes against, the motion and would pass as a special resolution. Original motion B receives 13 votes in favour of, and 3 votes against, the motion and would also pass as a special resolution. Original motion C receives 6 votes in favour of, and no votes against, the motion and would pass as an ordinary resolution. Therefore, each original motion is a qualifying motion of the group of same-issue motions.

As original motion A is the qualifying motion that receives the highest number of votes in favour of the motion, it is the decision of the body corporate, under subsection (6), for the group of same-issue motions.

- (7) However, if there are 2 or more qualifying motions that each receive an equal highest number of votes in favour of the motion, the qualifying motion that receives the fewest votes against the motion is the body corporate's decision for the group of same-issue motions.
- (8) If there is more than 1 qualifying motion and the qualifying motions each receive an equal highest number of votes in favour of the motion and an equal number of votes against the motion, the qualifying motion that is the body corporate's decision must be decided by chance in the way the meeting decides.
- (9) Other than for an original motion that is part of a group of same-issue motions, if more than 1 motion about the same issue is listed on the agenda, or stated in a voting paper, for the meeting all motions about the issue are void.

48 Explanatory material accompanying voting paper [SM, s 90]

- (1) A voting paper for a general meeting must be accompanied by an explanatory schedule if—
 - (a) the submitter of a motion stated in the voting paper gives the secretary an explanatory note about the motion, and the note is not longer than 300 words; or
 - (b) the voting paper is for an annual general meeting; or

[s 48]

- (c) the voting paper includes a group of same-issue motions; or
 - (d) the voting paper states a motion proposing that a regulation module be applied to the community titles scheme that is different from the regulation module identified in the scheme's community management statement; or
 - (e) an explanatory schedule is required to accompany the voting paper under another provision of this regulation.
- (2) The explanatory schedule must, for a motion mentioned in subsection (1)(a), include only the following information—
- (a) the number assigned to the motion on the voting paper;
 - (b) the explanatory note in the form given by the motion's submitter;
 - (c) the submitter's name.
- (3) The explanatory schedule accompanying a voting paper for an annual general meeting must, for a motion about adopting administrative and sinking fund budgets, include an explanatory note stating that, under section 111, the amount of a budget adopted at the meeting may be more or less than the proposed budget amount by an amount equivalent to not more than 10% of the proposed budget amount.
- (4) The explanatory schedule must, for a group of same-issue motions, include all of the following information—
- (a) the title of the group as shown on the agenda for the meeting;
 - (b) a list of each original motion that is part of the group;
 - (c) each original motion whose substance is stated in the form in which it was submitted under section 44;
 - (d) an explanatory note about each original motion, given to the secretary by the submitter of the original motion, if the note is not longer than 300 words;
 - (e) an explanatory note stating that—

- (i) voters may vote on each of the original motions that are part of the group; and
- (ii) votes are counted for all original motions that are part of the group before the body corporate's decision is determined; and
- (iii) if a motion is a qualifying motion, the motion qualifies to be a decision of the body corporate; and
- (iv) an original motion can not be amended at the general meeting; and
- (v) if no original motion receives sufficient votes to pass according to the type of resolution required for the motion the decision of the body corporate is that none of the original motions are passed.

Example of an explanatory note for paragraph (e)—

'To vote on this group of same-issue motions, you may either vote in favour of, against, or abstain from voting on, each original motion in the group of same-issue motions. You may vote on more than 1 original motion.

Votes on each original same-issue motion in the group of motions will be counted in the order the original motions are listed in the agenda. When votes for all original motions have been counted, the original motion that receives the sufficient number of votes to pass according to the type of resolution required for the motion, and that also receives the highest number of votes in favour, is the decision of the body corporate about the group of same-issue motions. Only 1 original motion can be passed as the decision of the body corporate about the group of same-issue motions.

If no original motion receives the sufficient number of votes to pass according to the resolution required for the motion, the decision of the body corporate about the group of same-issue motions is that no original motion is passed.

Original motions in the group of same-issue motions can not be amended at the meeting.'

- (5) The explanatory schedule must, for a motion mentioned in subsection (1)(d), include an explanatory note, in the approved form, explaining the effect of the proposed change.

[s 49]

- (6) To remove any doubt, it is declared that an explanatory schedule for a motion must not contain explanatory material, other than an explanatory note mentioned in subsections (3) to (5) or required under another provision of this regulation, written by a person other than the submitter of the motion.
- (7) A notice of a proposed general meeting may be accompanied by explanatory material given by the committee, other than an explanatory note mentioned in subsections (2) to (5), if the material is contained in a schedule of the committee's explanatory material that is separate from the explanatory schedule.

Example—

The schedule of a committee's explanatory material might contain general explanatory material that does not relate to a particular motion stated in the voting paper, or information relating to a motion.

- (8) Explanatory material may accompany a voting paper or a notice of a proposed general meeting only if required or permitted under this regulation.

49 Time of general meetings [SM, s 91]

A general meeting must be held at least 21 days after notice of the meeting is given to the owners of lots.

Note—

Section 42 provides for the timing of a requested extraordinary general meeting.

50 Place of general meetings [SM, s 92]

- (1) A general meeting must be held not more than 15km, measured in a straight line on a horizontal plane, from scheme land.
- (2) However, the meeting may be held more than 15km from scheme land if—
 - (a) the committee notifies the owners of its intention to hold the meeting at a stated place more than 15km from scheme land, and allows the owners a reasonable

opportunity to object in writing to the proposed place by a stated date; and

- (b) at the end of the stated date the committee has not received written objections to the proposed place of meeting by or for owners of at least 25% of the lots included in the scheme.

51 Agenda for general meeting [SM, s 93]

- (1) The committee must prepare an agenda for each general meeting.
- (2) The agenda must include—
 - (a) the substance of the following motions—
 - (i) motions submitted by the committee for consideration at the meeting;
 - (ii) if the general meeting is a requested extraordinary general meeting—the motions proposed in the notice asking for the meeting;
 - (iii) a motion submitted under section 44 by a member of the body corporate and required to be included on the agenda, other than a motion stated on the agenda as an original motion under a group of same-issue motions;
 - (iv) if an adjudicator makes an order under the dispute resolution provisions authorising or requiring the calling of the general meeting to consider motions stated in the order—the motions stated in the order;
 - (v) if there has been a previous general meeting—a motion to confirm the minutes of the last meeting;
 - (vi) any other motion required under this regulation to be included on the agenda for the meeting; and
 - (b) if the general meeting is the first annual general meeting for the community titles scheme—the business required to be considered at the first annual general meeting; and

[s 52]

- (c) if there is a group of same-issue motions on the agenda—
 - (i) the title of the group of same-issue motions; and
Example—

An agenda sets out a list of motions that are all about refurbishment of a common property swimming pool under a title ‘Motions about pool refurbishment’.
 - (ii) a list of the original motions that are part of the group in the following order—
 - (A) motions requiring a resolution without dissent;
 - (B) motions requiring a special resolution;
 - (C) motions requiring a majority resolution;
 - (D) motions requiring an ordinary resolution.
- (3) If the meeting is an annual general meeting, other than the first annual general meeting, the agenda must also include—
 - (a) the substance of each statutory motion to be considered at the meeting; and
 - (b) anything else required, under the Act, to be included on the agenda for the meeting.

[s 53]

include an order appointing a person to call the first annual general meeting within a stated time.

- (5) The original owner is not relieved of liability for not calling and holding the first annual general meeting because the meeting has been called and held under the order of an adjudicator.
- (6) Subject to section 53(4), this section does not apply to the body corporate of a community titles scheme to which section 53 applies.

53 First annual general meeting—scheme established by amalgamation [SM, s 95]

- (1) This section applies to the body corporate of a community titles scheme (the *new scheme*) established by the amalgamation of 2 or more community titles schemes (the *previous schemes*) under chapter 2, part 10 of the Act.
- (2) The first annual general meeting of the body corporate for the new scheme must be called, in accordance with this section, by—
 - (a) if, before the amalgamation, the bodies corporate for each of the previous schemes each passed an ordinary resolution appointing the same former secretary to call the meeting—the former secretary appointed; or

- (3) The meeting must be called and held within 3 months after the amalgamation takes effect.
- (4) The agenda for the meeting must include the items mentioned in section 52(3).
- (5) If a former secretary fails to comply with subsection (2), a member of the body corporate for the new scheme may apply, under the dispute resolution provisions, for an order of an adjudicator appointing a person to call the meeting within a stated time.

(6) In this section—

former secretary means a person who, immediately before the amalgamation takes effect, holds office as secretary of the body corporate for a previous scheme.

54 Documents and materials to be given to body corporate at first annual general meeting [SM, s 96]

- (1) At the first annual general meeting, the original owner must give the following to the body corporate—
 - (a) a register of assets containing an inventory of all body corporate assets;
 - (b) if a development approval was required for development on the scheme land—a copy of the development approval;

 - (i) buildings or improvements forming part of scheme land; and
 - (ii) any item of plant and equipment forming part of the common property; and
 - (iii) any other body corporate asset;
 - (m) administrative and sinking fund budgets and, if applicable, a promotion fund budget, showing the body corporate's estimated spending for the first financial year;

- (3) A body corporate manager exercising the powers of the chairperson under an authorisation given by the body corporate under section 119 of the Act—
 - (a) may advise and help the chairperson when the chairperson is chairing a meeting under subsection (1); but
 - (b) must not chair the meeting unless the body corporate manager—
 - (i) is elected under subsection (2); or
 - (ii) is the only person forming a quorum at an adjourned meeting.

56 Power of person chairing general meeting to rule motion out of order [SM, s 98]

- (1) The person chairing a general meeting of the body corporate must rule a motion out of order if—
 - (a) the motion, if carried, would—
 - (i) conflict with the Act, this regulation or the by-laws, or a motion already voted on at the meeting; or
 - (ii) be unlawful or unenforceable for another reason; or
 - (b) for a motion other than a procedural motion for the conduct of the meeting, or a motion to correct minutes—the substance of the motion was not included in the agenda for the meeting.
- (2) The person chairing the meeting must, when ruling a motion, out of order—
 - (a) give reasons for the ruling; and
 - (b) for a ruling given under subsection (1)(a)—state how the ruling may be reversed by the persons present and entitled to vote on the issue.

- (3) The persons present and entitled to vote may reverse a ruling given under subsection (1)(a) by passing an ordinary resolution disagreeing with the ruling.
- (4) The reasons given by the person chairing the meeting for ruling a motion out of order must be recorded in the minutes of the meeting.
- (5) To remove any doubt, it is declared that—
 - (a) nothing in subsection (1)(a)(i) permits the chairperson to rule an original motion that is part of a group of same-issue motions out of order simply because another original motion that is part of that group has already been voted on; and
 - (b) if the chairperson rules an original motion that is part of a group of same-issue motions out of order, the other motions that are part of the group may still be considered by the meeting.

57 Quorum for general meetings [SM, s 99]

- (1) In addition to being present personally at a general meeting, a voter is taken to be present at the meeting if the voter—
 - (a) appointed a proxy for the meeting; or
 - (b) cast a hard copy vote before the start of the meeting; or
 - (c) cast an electronic vote before the start of the meeting.
- (2) For subsection (1), a body corporate may decide by ordinary resolution that a voter is present personally at a meeting if the voter can cast a vote at the meeting by electronic means.

Examples of an electronic means—

teleconferencing, videoconferencing

- (3) A quorum at a general meeting is—
 - (a) if, under subsection (4), the body corporate has decided a minimum percentage of voters for a quorum—at least the minimum percentage; or
 - (b) otherwise—at least 25% of the voters for the meeting.

[s 58]

- (4) A body corporate may, by special resolution, decide a minimum percentage of voters for a quorum at a general meeting that is—
 - (a) not less than 10% of the number of voters; and
 - (b) not more than 25% of the number of voters.
- (5) Despite subsection (3), the number of voters that must be present personally for a meeting is—
 - (a) if the number of voters for the meeting is 3 or more—2 unless the body corporate decides by special resolution that only 1 voter may be present; or
 - (b) if the number of voters for the meeting is fewer than 3—1.
- (6) For this section, the number of voters for the meeting must be calculated as follows—
 - (a) a person whose name is, or whose name must be, recorded on the roll as a voter more than once must be counted as 1 voter;
 - (b) 2 or more persons whose names are, or whose names must be, recorded on the roll as a voter for the same lot owner, must be counted as 1 voter;
 - (c) 2 or more co-owners of a lot must be counted as 1 voter.
- (7) Despite section 60(2), each voter present at the meeting must be counted as a voter for the meeting.

58 Adjournment of general meeting and formation of quorum in particular circumstances [SM, s 100]

- (1) This section applies if a quorum is not formed under section 57 within 30 minutes of the time scheduled to start a general meeting.
- (2) The meeting must be adjourned to be held at the same place, on the same day and at the same time, 1 week later.
- (3) Despite subsection (2), if it is not practicable to hold the adjourned meeting at the same place, it may be held at another

[s 59]

- (i) is acting under the authority of a power of attorney given to the person by the owner of the lot; and
 - (ii) is not the original owner, except if the power of attorney is given under section 211 or 219 of the Act; and
 - (iii) is not the body corporate manager, a service contractor or a letting agent.
- (3) However, a person may be treated as the owner's representative only if the person—
 - (a) gives the secretary a copy of the instrument under which the person derives the representative capacity or otherwise satisfies the secretary of the person's representative capacity; and
 - (b) advises the secretary of the person's residential or business address, and address for service, if different from the residential or business address.
- (4) The owner of a lot may revoke the authorisation of a person acting as the owner's representative by written notice of revocation given to the secretary.
- (5) For subsection (1)(a)(iii) or (b), a person is taken to be the nominee of a corporation or corporate owner (the ***nominating entity***) only if the nominating entity gives the secretary written notice of nomination stating—
 - (a) the name of the nominee; or
 - (b) the names of 2 nominees, 1 of whom is to act in the absence of the other.
- (6) The notice of nomination must—
 - (a) be given—
 - (i) under the seal of the nominating entity or in another way permitted under the Corporations Act, section 127; or
 - (ii) by a person acting under the authority of a power of attorney from the nominating entity, a copy of

whose power of attorney is also given to the secretary; and

- (b) advise the residential or business address, and address for service, if different from the residential or business address, of each nominee.
- (7) A nominating entity may change a nomination mentioned in subsection (5) by giving the secretary written notice of a new nomination, in a way mentioned in subsection (6), stating the name and address of the new nominee or the new alternative nominees.

60 Displacement or disentitlement of right to vote [SM, s 102]

- (1) If a mortgagee in possession claims, by written notice to the secretary, the right to vote for a lot, the mortgagee's right to vote displaces the right to vote of—
 - (a) the registered owner of the lot; or
 - (b) a person who derives a right to vote from the registered owner.
- (2) A person does not have the right to exercise a vote for a particular lot on a motion, other than a motion for which a resolution without dissent is required, or for choosing a member of the committee, if the owner of the lot owes a body corporate debt in relation to the lot at the time of the meeting.

61 Representation of body corporate [SM, s 103]

- (1) This section applies if the community titles scheme (*scheme B*) is a lot included in another community titles scheme (*scheme A*).

- (1) The body corporate may terminate a person’s engagement as a body corporate manager or service contractor if the person,

including, if the person is a corporation, a director of the corporation—

Part 5 Disclosure requirements

103 Definition for part [SM, s 153]

In this part—

relevant person means a body corporate manager or a caretaking service contractor.

104 Associate supplying goods or services [SM, s 154]

- (1) This section applies if—
 - (a) the body corporate is considering entering into, or proposes to enter into, a contract; and
 - (b) the contract is for the supply of goods or services from a person (the *provider*); and
 - (c) the provider is an associate of a relevant person; and
 - (d) the relevant person is aware of the matters mentioned in paragraphs (a) to (c).
- (2) Before the body corporate makes its decision to enter into the contract, the relevant person must give written notice to the body corporate disclosing the relationship between the relevant person and the provider.

Maximum penalty—20 penalty units.

Note—

Under section 100(1) of the Act, a decision of the committee is a decision of the body corporate.

105 Disclosure of associate contract [SM, s 155]

- (1) This section applies if—

- (a) the body corporate is a party to a contract; and
 - (b) the contract is for the supply of goods or services from a person (the *provider*); and
 - (c) the provider is an associate of a relevant person; and
 - (d) the relevant person is aware of the matters mentioned in paragraphs (a) to (c); and
 - (e) to the knowledge of the relevant person, the body corporate has never been informed, or otherwise become aware, that the provider is an associate of the relevant person.
- (2) The relevant person must, in the shortest practicable time after this section commences to apply, give written notice to the body corporate—
- (a) identifying the contract; and
 - (b) disclosing the relationship between the relevant person and the provider.

Maximum penalty—20 penalty units.

106 Disclosure of commission, payment or other benefit [SM, s 156]

- (1) This section applies if—
- (a) the body corporate is considering entering into, or proposes to enter into, a contract (the *main contract*); and
 - (b) the main contract is for the supply of goods or services from a person; and
 - (c) under the main contract, or under another contract or arrangement, a relevant person is entitled to receive, other than from the body corporate, a commission, payment or other benefit that is associated with the main contract, including with entering into the main contract.

Example—

The body corporate might authorise a letting agent to occupy a particular part of the common property as a reception area, or a caretaker to occupy a shed on the common property for storage of tools and garden implements.

- (2) The body corporate may include in the terms of the engagement of a person (also a ***property occupier***) as a service contractor, authority (also an ***occupation authority***) to occupy a particular part of the common property for particular purposes necessary to enable the property occupier to perform obligations under the property occupier's engagement as a service contractor.
- (3) The body corporate may include in the terms of the authorisation of a person (also a ***property occupier***) as a letting agent, authority (also an ***occupation authority***) to occupy a particular part of the common property for particular purposes necessary to enable the property occupier to operate as a letting agent.
- (4) The body corporate may give an occupation authority only if the occupation of the part of the common property under the occupation authority would not interfere to an unreasonable extent with the use and enjoyment of a lot or the common property by an occupier of a lot.
- (5) An occupation authority—
 - (a) may include conditions with which the property occupier must comply; and
 - (b) if given under subsection (1), is taken to be a term of—
 - (i) for a property occupier who is a service contractor—the property occupier's engagement as a service contractor; or
 - (ii) for a property occupier who is a letting agent—the property occupier's authorisation as a letting agent; and
 - (c) may give the property occupier a right to exclusive occupation of the part of the common property the occupation authority relates to; and

- (d) must not be amended or terminated without the agreement of the property occupier during the term of the engagement or authorisation; and
 - (e) terminates immediately on the property occupier's engagement as a service contractor or authorisation as a letting agent coming to an end or being terminated.
- (6) Despite subsection (5)(c), a right a property occupier may have to exclusive occupation of a part of the common property is subject to the body corporate's right to authorise access to the part by others if the extent of the access does not unreasonably interfere with the occupation of the part by the property occupier.
- (7) A service contractor or letting agent may acquire rights to occupy part of the common property for the purpose of the service contractor's engagement or letting agent's authorisation, only under this section.

108 Occupation of common property by service contractor may include right of access [SM, s 158]

- (1) This section applies to an ordinary resolution passed by a body corporate under section 107(1) for a property occupier who is a service contractor.
- (2) The resolution may give the property occupier a right of access over other parts of the common property to enable the property occupier to perform obligations, other than an obligation to supply utility services, under the property occupier's engagement as a service contractor.
- (3) A right of access mentioned in subsection (2) does not, of itself, give the property occupier an exclusive right to perform the obligations.

Chapter 7 Financial management—Act, section 150

Part 1 Purpose of chapter

109 Purpose of chapter [SM, s 159]

The purpose of this chapter is to prescribe the financial management arrangements that apply to the body corporate for a community titles scheme.

Part 2 Budgets

110 Budgets [SM, s 160]

- (1) The body corporate must, by ordinary resolution, adopt the following 2 budgets for each financial year—
 - (a) the administrative fund budget;
 - (b) the sinking fund budget.

Note—

See section 117.

- (2) The administrative fund budget must—
 - (a) contain estimates for the financial year of necessary and reasonable spending from the administrative fund to cover—
 - (i) the cost of maintaining common property and body corporate assets; and
 - (ii) the cost of insurance; and
 - (iii) other expenditure of a recurrent nature; and

[s 110]

- (b) fix the amount to be raised by way of contribution to cover the estimated recurrent expenditure mentioned in paragraph (a).
- (3) The sinking fund budget must—
- (a) allow for raising a reasonable capital amount both to provide for necessary and reasonable spending from the sinking fund for the financial year, and also to reserve an appropriate proportional share of amounts necessary to be accumulated to meet anticipated major expenditure over at least the next 9 years after the financial year, having regard to—
 - (i) anticipated expenditure of a capital or non-recurrent nature; and
 - (ii) the periodic replacement of items of a major capital nature; and
 - (iii) other expenditure that should reasonably be met from capital; and
 - (b) fix the amount to be raised by way of contribution to cover the capital amount mentioned in paragraph (a).

Example—

Painting of the common property is anticipated to be necessary in 3 years time at a cost currently estimated at \$12,000. The contribution amount for the sinking fund in the budget for the financial year must therefore include the annual proportional share for painting of \$4,000. Next year, the estimated cost has increased to \$12,400 and so the second year levy will be \$4,200. The estimated cost in the third year is \$12,800, so with the \$8,200 accumulated, a levy of \$4,600 is necessary to meet the cost. In larger community titles schemes, the sinking fund will have several projects being funded for various future times.

- (4) The body corporate may, by ordinary resolution, adopt a promotion fund budget that—
- (a) contains estimates for the financial year of necessary and reasonable spending from the promotion fund to cover the cost of promoting the community titles scheme including, for example, by leasing, installing, maintaining and operating advertising signs; and

-
- (b) fixes the amount to be raised by way of contribution, from the owners of lots who have agreed to make contributions, to cover the estimated expenditure.
 - (5) If the community titles scheme is a lot included in another community titles scheme, the administrative fund budget must also include an estimate of the total amount the body corporate may reasonably be expected to be required to contribute to the administrative and sinking funds for the other scheme, and any other fund provided for in the regulation module applying to the other scheme.
 - (6) The original owner must prepare proposed budgets for adoption by the body corporate at its first annual general meeting, and the committee must prepare proposed budgets for adoption by the body corporate at each later annual general meeting.
 - (7) Copies of the proposed budgets must accompany the notice of an annual general meeting.
 - (8) To remove any doubt, it is declared that the inclusion of an item of expenditure in a budget adopted by the body corporate is not, of itself, authority for the expenditure.

111 Adjusting proposed budgets at annual general meeting [SM, s 161]

- (1) The amount of an administrative or sinking fund budget adopted by a body corporate at an annual general meeting may be more or less than the proposed budget amount by an amount equivalent to not more than 10% of the proposed budget amount.

Example—

A proposed administrative fund budget is \$5,000. The administrative fund budget adopted by the body corporate at the annual general meeting may be between \$4,500 and \$5,500.

- (2) However, the amount of a proposed budget may be adjusted only to provide for spending, or remove amounts included in the proposed budget for spending, from the fund for the financial year if—

[s 112]

- (a) the motion to approve the spending is stated in the agenda for the meeting; and
- (b) either—
 - (i) the spending is approved by the body corporate but is not adequately provided for in the proposed budget; or
 - (ii) the spending is provided for in the proposed budget but the body corporate does not approve the spending at the meeting.
- (3) The adjustment must be approved by a majority of voters present and entitled to vote on the adjustment.
- (4) If the amount of a proposed budget is adjusted under this section—
 - (a) the proposed contributions to be paid by owners of lots for the financial year are proportionately adjusted; and
 - (b) it is not necessary to amend the motion stated in a voting paper for the fixing of contributions to incorporate the adjustment; and
 - (c) a copy of the adopted budget must be given to each owner of a lot with the copy of the minutes of the meeting given to the owner under section 75.

Part 3 Contributions levied by body corporate

112 Contributions to be levied on owners [SM, s 162]

- (1) The body corporate must, by ordinary resolution—
 - (a) fix, on the basis of its budgets for a financial year, the contributions to be levied on the owner of each lot for the financial year; and
 - (b) decide the number of instalments in which the contributions are to be paid; and

-
- (c) fix the date on or before which payment of each instalment is required.
 - (2) If a liability arises for which no provision, or inadequate provision, has been made in the budget, the body corporate must, by ordinary resolution—
 - (a) fix a special contribution to be levied on the owner of each lot towards the liability; and
 - (b) decide whether the contribution is to be paid in a single amount or in instalments and, if in instalments, the number of instalments; and
 - (c) fix the date on or before which payment of the single amount or each instalment is required.
 - (3) Also, the committee may fix an interim contribution to be levied on the owner of each lot before the owner is levied contributions fixed on the basis of the body corporate's budgets for a financial year.
 - (4) The amount of a contribution mentioned in subsection (3)—
 - (a) must subsequently be set off against the liability to pay contributions mentioned in subsection (1); and
 - (b) must be calculated on the basis of the level of contributions applying for the community titles scheme for the previous financial year; and
 - (c) must relate, as closely as practicable, to the period from the end of the previous financial year to 2 months after the proposed date of the annual general meeting.
 - (5) The contributions levied on the owner of each lot, other than contributions payable for insurance, the promotion fund budget and any other matter for which, under the Act, the liability attaching to each lot is calculated other than on the basis of the lot's contribution schedule lot entitlement, must be proportionate to the contribution schedule lot entitlement of the lot.

Note—

For examples of other matters for subsection (5), see sections 144, 147, 148 and 149.

113 Notice of contribution payable [SM, s 163]

- (1) At least 30 days before the payment of a contribution, or an instalment of a contribution, is required, the body corporate must give the owner of each lot written notice of—
 - (a) the total amount of the contribution levied on the owner; and
 - (b) the amount of the contribution, or the instalment of a contribution, for which payment is currently required; and
 - (c) the date (the *date for payment*) on or before which the contribution, or the instalment of a contribution, must be paid; and
 - (d) any discount to which the owner is entitled for payment of the contribution, or the instalment of a contribution, by the date for payment; and
 - (e) any penalty to which the owner is liable for each month payment is in arrears; and
 - (f) if the owner is in arrears in payment of a contribution or penalty—the arrears.
- (2) The written notice under subsection (1) may also include notice about an amount payable by an owner of a lot to the body corporate for—
 - (a) a specially contracted service enjoyed by the owner; or
 - (b) an exclusive use or special right over common property enjoyed by the owner.
- (3) Also, a written notice under this section must be given to an owner of a lot—
 - (a) if the owner has directed the body corporate as to how the notice is to be given—in the way directed by the owner; or
 - (b) otherwise—under section 165.

114 Discounts for timely payment [SM, s 164]

- (1) The body corporate may, by ordinary resolution, fix a discount to be given to owners of lots if a contribution, or an instalment of a contribution, is received by the body corporate by the date for payment fixed in notices of contribution given to the owners.
- (2) The discount can not be more than 20% of the amount to be paid.

Example—

Suppose that—

- 1 a contribution of \$100 is payable in 4 instalments of \$25 and the body corporate has fixed a discount of 10% for payment by the date for payment in the notices of contribution given to the owners; and
- 2 an account requiring payment of an instalment of \$25 by 31 March is given to an owner of a lot; and
- 3 the instalment is paid on 25 March.

In this case, the owner is entitled to a discount of \$2.50 on the instalment.

115 Penalties for late payment [SM, s 165]

- (1) The body corporate may, by ordinary resolution, fix a penalty to be paid by owners of lots if a contribution, or an instalment of a contribution, is not received by the body corporate by the date for payment fixed in notices of contribution given to the owners.
- (2) The penalty must consist of simple interest at a stated rate, of not more than 2.5%, for each month the contribution or instalment is in arrears.

Example—

Suppose that—

- 1 a contribution of \$400 is payable in 4 instalments of \$100 and the body corporate has fixed a penalty interest rate of 2% per month; and
- 2 an account requiring payment of an instalment of \$100 by 31 March is given to an owner of a lot; and

[s 116]

3 the instalment is not paid until 27 June.

In this case, the instalment has been in arrears for 2 months and a penalty of \$4 is payable.

Part 4 Payment and enforcement of body corporate debts

116 Payment and recovery of body corporate debts [SM, s 166]

- (1) If a contribution or an instalment of a contribution is not paid by the date for payment, the body corporate may recover each of the following amounts as a debt—
 - (a) the amount of the contribution or instalment;
 - (b) any penalty for not paying the contribution or instalment;
 - (c) any costs (*recovery costs*) reasonably incurred by the body corporate in recovering the amount.
- (2) If the amount of a contribution or an instalment of a contribution has been outstanding for 2 years, the body corporate must, within 2 months after the end of the 2-year period, start proceedings to recover the amount.
- (3) A liability to pay a body corporate debt in relation to a lot is enforceable jointly and severally against each of the following persons—
 - (a) a person who was the owner of the lot when the debt became payable;
 - (b) a person, including a mortgagee in possession, who becomes an owner of the lot before the debt is paid.
- (4) If there are 2 or more co-owners of a lot, the co-owners are jointly and severally liable to pay a body corporate debt in relation to the lot.

[s 118]

- (4) If the body corporate adopts a promotion fund budget, it must also establish and keep a promotion fund.
- (5) The body corporate must pay into its promotion fund—
 - (a) the amount raised by way of contribution to cover anticipated spending for the purposes of scheme promotion that has been agreed on by all owners who have agreed to contribute to the fund; and
 - (b) interest from investment of the promotion fund.
- (6) The administrative, sinking and promotion funds may be invested in the way a trustee may invest trust funds.
- (7) All amounts received by the body corporate for the credit of the administrative, sinking or promotion fund must be paid into 1 or more accounts kept solely in the name of the body corporate at a financial institution.
- (8) All payments from the administrative, sinking or promotion fund must be made from the account or accounts.
- (9) Funds must not be transferred between the administrative fund, the sinking fund and the promotion fund.
- (10) All payments from the administrative, sinking or promotion fund may be made only on receipt of—
 - (a) a written request for payment; or
 - (b) written evidence of payment, including, for example, a receipt.

118 Administration of administrative, sinking or promotion fund by body corporate manager [SM, s 168]

- (1) This section applies if a body corporate manager administers the body corporate's administrative, sinking or promotion fund under an authorisation given by the body corporate under section 119(2) of the Act.
- (2) A body corporate manager who does not comply with section 117 in administering the fund commits an offence.

Maximum penalty—20 penalty units.

-
- (3) An invoice of the body corporate manager for services provided to the body corporate by the body corporate manager in administering the fund must not include services provided by another person.

Example—

services provided by an insurance broker or service contractor

- (4) The body corporate manager must, not later than 30 days after the day (the **termination day**) the authorisation under section 119(2) of the Act is revoked, give to the body corporate the financial records stated in subsection (5).

Maximum penalty—20 penalty units.

- (5) For subsection (4), the financial records are each of the following—
- (a) if required by the body corporate—a balance sheet, as at the termination day, for the fund administered by the body corporate manager;
 - (b) an income and expenditure statement for the fund for the financial year in which the termination day falls;
 - (c) a list of all amounts owing to, and payable from, the fund as at the termination day;
 - (d) a reconciliation statement for the account or accounts kept for the fund for the month most recently completed before the termination day;
 - (e) details of the most recent notice given to each owner of a lot requiring payment of a contribution, or an instalment of a contribution;
 - (f) a record of all contributions, or instalments of contributions, paid by owners of lots during the financial year in which the termination day falls;
 - (g) any other financial record for the fund held by the body corporate manager on the termination day.

Example of other financial records—

financial institution deposit books

[s 119]

- (6) However, subsection (4) does not apply to a financial record if, before the 30-day period ends, the body corporate manager is served with a notice under section 181 for the record.

119 Application of administrative, sinking and promotion funds [SM, s 169]

- (1) The sinking fund may be applied towards—
- (a) spending of a capital or non-recurrent nature; and
 - (b) the periodic replacement of major items of a capital nature; and
 - (c) other spending that should reasonably be met from capital.
- (2) If the body corporate has a promotion fund, the promotion fund may be applied towards spending for the purposes of promotion of the community titles scheme that has been agreed on by all owners of lots who have agreed to contribute to the fund.
- (3) All other spending of the body corporate must be met from the administrative fund.

Examples—

- 1 The cost of repainting the common property or replacing air-conditioning plant would be paid from the sinking fund.
- 2 The cost of insurance would be paid from the administrative fund.

120 Reconciliation statements [SM, s 170]

- (1) This section applies if—
- (a) a body corporate manager administers the body corporate's administrative, sinking or promotion fund under an authorisation given by the body corporate under section 119(2) of the Act; or
 - (b) the body corporate decides by ordinary resolution that reconciliation statements must be prepared under this section.

-
- (2) A statement (the *reconciliation statement*) must be prepared, within 21 days after the last day of each month, for each account kept for the fund showing the reconciliation of—
 - (a) a statement, produced by the financial institution where the account is kept, showing the amounts paid into and from the account during the month; and
 - (b) invoices and other documents showing payments into and from the account during the month.
 - (3) The reconciliation statement must be prepared by—
 - (a) if the fund is administered by a body corporate manager—the body corporate manager; or
 - (b) otherwise—the treasurer.

Part 6 Borrowing

121 Power to borrow [SM, s 171]

- (1) The body corporate may, by ordinary resolution, borrow amounts on security agreed between the body corporate and the person from whom the amounts are borrowed.
- (2) The body corporate must not, at any time, without the authority of a special resolution, be in debt for a borrowed amount greater than an amount worked out by multiplying the number of lots included in the community titles scheme by \$250.

Part 7 Accounts and audit

122 Accounts [SM, s 175]

- (1) The body corporate must—
 - (a) keep proper accounting records; and
 - (b) prepare for each financial year a statement of accounts.

- (3) A copy of the statement of accounts must accompany the notice of the next annual general meeting held after the end of the financial year for which the accounts are prepared.

123 Audit [SM, s 176]

- (1) The body corporate must have its statement of accounts for each financial year audited by an auditor unless—
 - (a) the community titles scheme is a basic scheme; and
 - (b) the body corporate resolves by special resolution not to have the statement audited.
- (2) If the body corporate is required under subsection (1) to have its statement of accounts audited, the auditor to be appointed must be agreed to by ordinary resolution of the body corporate.
- (3) The motion for agreeing to the auditor to be appointed—
 - (a) must be included in the agenda for the general meeting at which the motion is to be considered; and
 - (b) must include the name of the auditor proposed to be appointed; and
 - (c) is not voted on if, under subsection (1), it is resolved not to have the statement of accounts audited.
- (4) Even if the body corporate resolves not to have its statement of accounts for a particular financial year audited, the body corporate may, by ordinary resolution, resolve to have its

accounting records for a particular period, or for a particular project, audited and appoint an auditor for the purpose.

- (5) The following persons can not be appointed to audit the accounting records or the statement of accounts of the body corporate—

Note—

For utility infrastructure included in the common property, see section 20 of the Act.

- (2) To the extent that lots included in the community titles scheme are created under a building format plan of subdivision, the body corporate must—
 - (a) maintain in good condition—
 - (i) railings, parapets and balustrades on, whether precisely, or for all practical purposes, the boundary of a lot and common property; and
 - (ii) doors, windows and associated fittings situated in a boundary wall separating a lot from common property; and

- (5) To avoid any doubt, it is declared that, despite an obligation the body corporate may have under subsection (2) the body corporate may recover the prescribed costs, as a debt, from a person, whether or not the owner of the lot, whose actions cause or contribute to the damage or deterioration of the part of the lot.
- (6) In this section—

prescribed costs, recoverable from a person, means the proportion of the reasonable cost to the body corporate of carrying out the maintenance that the body corporate reasonably considers can be fairly attributed to the person's actions.

- (1) If the owner of a lot included in the community titles scheme, to whom rights are in the first instance given under an exclusive use by-law, agrees in writing, the by-law may impose conditions, including, for example, conditions that require the owner to do 1 or both of the following things—
 - (a) make a payment to the scheme's body corporate or the owners of lots included in the scheme;
 - (b) make periodic payments to the scheme's body corporate or the owners of lots included in the scheme.
- (2) An exclusive use by-law is taken, in the absence of other specific provision in the by-law for maintenance and operating costs, to make the owner of the lot to whom exclusive use or other rights are given responsible for the

[s 140]

maintenance of and operating costs for the part of the common property to which the exclusive use by-law applies.

Example of operating cost for part of common property—

cost of providing lighting to the part of common property

- (3) However, if the lot was created under a building format plan of subdivision, in the absence of other specific provision in the by-law, the owner of the lot is not responsible for—

- (2) Without limiting subsection (1), improvements stated in the by-law may include the installation of fixtures on the common property and the making of changes to the common property.
- (3) If the exclusive use by-law does not authorise the owner of a lot to make an improvement, the owner may make the improvement only if the body corporate, by ordinary resolution, authorises it to be made.

141 Recovery of amount owed [SM, s 194]

- (1) A monetary liability imposed under an exclusive use by-law on the owner of a lot included in the community titles scheme may be recovered as a debt.

 - (b) a successor in title for the lot.

 - (a) the name of the insurer;
 - (b) if any insurance broker or intermediary was involved with the taking out of the policy—the name of the insurance broker or intermediary;

 - (d) a summary of the type of cover under the policy;

Examples of type of cover—

- (1) The body corporate must insure, for full replacement value—
- (a) the common property; and
 - (b) the body corporate assets.
- (2) Subsection (1)(a) has effect only to the extent that the common property is not required to be insured under another provision of this part.
- (3) A policy of insurance taken out under this section—
- (a) must cover, to the greatest practicable extent—
 - (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of insured buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and

[s 145]

- (b) must provide for the reinstatement of property to its condition when new.
- (4) The owner of each lot that is included in the community titles scheme is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium for a policy of insurance taken out under this section that reflects the interest schedule lot entitlement of the lot.

145 Insurance of building including lots [SM, s 198]

- (1) This section applies if 1 or more of the lots included in the community titles scheme are created under a building format plan of subdivision or a volumetric format plan of subdivision.
- (2) The body corporate must insure, for full replacement value, each building in which is located a lot included in the scheme, to the extent that the building is scheme land.
- (3) A policy of insurance taken out under this section—
 - (a) must cover—
 - (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of insured buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
 - (b) must provide for the reinstatement of property to its condition when new.
- (4) If the body corporate can not comply with subsection (3), the commissioner, on application in writing by the body corporate, may authorise the body corporate to put in place an alternative insurance in a form approved by the commissioner if the commissioner is satisfied that the insurance approved gives cover that is as close as practicable to the cover given by insurance under subsection (3).

Example of alternative insurance that might be approved by the commissioner—

insurance giving cover up to an agreed value

-
- (5) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the reinstatement insurance is not for the full replacement value of the insured property.
 - (6) The body corporate need not insure a building or a part of a building under subsection (2) if—
 - (a) the scheme is a subsidiary scheme for another community titles scheme (the *other scheme*); and
 - (b) under subsection (2), or an equivalent provision of another regulation module, the body corporate for the other scheme is required to insure the building or the part of the building.
 - (7) Also, the body corporate need not insure a building or a part of a building under subsection (2) if—
 - (a) the building or the part of the building is scheme land; and
 - (b) the whole of the building is the subject of a building management statement registered under the *Land Title Act 1994*; and
 - (c) the building management statement provides for insurance for the building to a level comparable with insurance otherwise required under this part; and
 - (d) the insurance is in place.
 - (8) This section applies subject to provisions of this part about insurance of buildings mutually dependent for support on a common wall.

146 Insurance for buildings with common walls [SM, s 199]

- (1) This section applies if—
 - (a) 1 or more of the lots included in the community titles scheme are created under a standard format plan of subdivision; and

[s 147]

- (b) in 1 or more cases, a building on 1 lot has a common wall with a building on an adjoining lot.
- (2) The body corporate must insure, for full replacement value, each building mentioned in subsection (1)(b).
- (3) A policy of insurance taken out under this section—
 - (a) must cover—
 - (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of the buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
 - (b) must provide for the reinstatement of the buildings to their condition when new; and
 - (c) may give effect, in whole or part, to a voluntary insurance scheme.
- (4) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the reinstatement insurance is not for the full replacement value of the insured property.
- (5) The body corporate need not insure a building or a part of a building under subsection (2) if—
 - (a) the scheme is a subsidiary scheme for another community titles scheme (the *other scheme*); and
 - (b) under subsection (2), or an equivalent provision of another regulation module, the body corporate for the other scheme is required to insure the building or the part of the building.

147 Valuation for insurance purposes [SM, s 200]

- (1) This section applies if, under this part, a body corporate must insure 1 or more buildings for full replacement value.

- (2) The body corporate must, at least every 5 years, obtain an independent valuation stating the full replacement value of the building or buildings.
- (3) The owner of each lot included in the community titles scheme is liable to pay a contribution levied by the body corporate for the cost of the valuation of the building or buildings that is proportionate to the amount of the premium for reinstatement insurance for the building or buildings for which the owner is liable under this part.
- (4) The contribution that the owner of a lot is liable for may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.

148 Premium [SM, s 201]

- (1) The owner of each lot that is included in the community titles scheme and is covered by reinstatement insurance required to be taken out by the body corporate is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium for reinstatement insurance that reflects—
 - (a) for a lot created under a building or volumetric format plan of subdivision—the interest schedule lot entitlement of the lot; and
 - (b) for a lot created under a standard format plan of subdivision—the cost of reinstating the buildings on the lot.
- (2) The body corporate may adjust the contribution payable by an owner of a lot under subsection (1) in a way that fairly reflects—
 - (a) the extent to which the premium relates to fixtures and fittings that—
 - (i) form part of the lot; and
 - (ii) are of a higher standard than the fixtures and fittings of lots included in the scheme generally; or

[s 149]

- (b) the extent to which the premium relates to improvements made to the common property that benefit the lot; or
- (c) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner's lot.

Example for paragraph (c)—

In a community titles scheme, the owner of a lot starts a small manufacturing business requiring the use and storage of flammable chemicals. The insurance premium for the body corporate policy is increased by the insurer because of the increased risk of damage through fire. The contribution payable by the owner for the insurance premium will include the amount of the increase.

- (3) The contribution that the owner of a lot is liable for may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.

149 Improvements affecting premium [SM, s 202]

- (1) This section applies if—
 - (a) improvements are made to a lot included in the community titles scheme and, because of the improvements—
 - (i) the fixtures and fittings forming part of the lot are of a higher standard than the fixtures and fittings of lots included in the scheme generally; and
 - (ii) the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase; or
 - (b) improvements are made to the common property, including improvements made under a right of exclusive use, licence or occupation authority, and—
 - (i) the improvements are made for the benefit of a lot included in the scheme; and

-
- (ii) because of the improvements, the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase.
- (2) The owner of the lot must give the body corporate details of the nature and value of the improvements.
 - (3) The notification must be given as soon as practicable after the improvements are substantially completed.
 - (4) If the owner of the lot does not comply with subsections (2) and (3), the owner must reimburse the body corporate for any payment that has to be made for the cost of reinstatement or repair of the lot, or any other lot or common property, but only to the extent that the necessity to make the payment can reasonably be attributed to the owner's failure to comply with subsections (2) and (3).

150 Excess [SM, s 203]

- (1) Despite a requirement under this part to insure for full replacement value, the body corporate is not prevented from insuring on the basis that an excess is payable on the happening of an event for which the insurance gives cover.
- (2) However, in putting the insurance in place, the body corporate must ensure the arrangements for the liability for an excess under the insurance would not impose an unreasonable burden on the owners of individual lots, having regard to subsections (3) and (4).
- (3) For an event affecting only 1 lot, the owner of a lot is liable to pay the excess unless the body corporate decides it is unreasonable in all the circumstances for the owner to bear the liability.
- (4) For an event affecting 2 or more lots, or 1 or more lots and common property, the body corporate is liable to pay the excess unless the body corporate decides it is reasonable in all the circumstances for the excess to be paid for by the owner of a particular lot, or to be shared between owners of particular lots, or between the owner of a lot and the body corporate, or between owners of particular lots and the body corporate.

151 Insurance for buildings with no common walls [SM, s 204]

- (1) This section applies if—
 - (a) the community titles scheme is a basic scheme; and
 - (b) lots included in the scheme were created under a standard format plan of subdivision; and
 - (c) on 1 or more of the lots mentioned in paragraph (b), there is a stand-alone building.
- (2) The body corporate may establish an insurance scheme (a *voluntary insurance scheme*) under which it puts in place insurance over stand-alone buildings for the owners of the lots on which they are located.
- (3) Taking part in the voluntary insurance scheme is optional, and the owner of a lot who wants to take part in the insurance scheme must—
 - (a) notify the body corporate of the replacement value of the stand-alone buildings to be insured; and
 - (b) comply with other requirements under—
 - (i) the decision of the body corporate establishing the voluntary insurance scheme; or
 - (ii) the policy of insurance.
- (4) The owner of a lot who takes part in the voluntary insurance scheme is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium fairly reflecting—
 - (a) the proportion of the total replacement value of the buildings insured under the voluntary insurance scheme represented by the stand-alone buildings on the owner's lot; and
 - (b) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner's lot.

-
- (5) The contribution for which the owner of a lot is liable may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.
- (6) If the body corporate does not establish a voluntary insurance scheme and the owner of a lot on which there is a stand-alone building makes an improvement to the common property, the owner must—
- (a) insure the improvement for full replacement value; and
 - (b) give the body corporate each of the following details—
 - (i) the nature and value of the improvement;
 - (ii) the name of the insurer of the improvement;
 - (iii) the amount of cover under the insurance policy;
 - (iv) a summary of the type of cover under the policy;
Examples of type of cover—
 - public risk insurance, building insurance, common property insurance
 - (v) the amount of the premium;
 - (vi) the amount of any excess payable on the happening of an event for which the insurance gives cover;
 - (vii) the date the cover expires.
- (7) A policy of insurance taken out under subsection (6)—
- (a) must cover, to the greatest practicable extent—
 - (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of the improvement, including the cost of taking away debris and the fees of architects and other professional advisers; and
 - (b) must provide for the reinstatement of the improvement to its condition when new.

152 Combined policy of insurance [SM, s 205]

- (1) This section applies if the body corporate—
 - (a) is required to put in place reinstatement insurance covering lots included in the community titles scheme; and
 - (b) elects under this part to put in place insurance under a voluntary insurance scheme covering other lots included in the scheme.
- (2) The body corporate may arrange with an insurer a single policy of insurance for all insurance mentioned in subsection (1).

153 Public risk insurance [SM, s 206]

- (1) The body corporate must maintain public risk insurance of the common property and relevant assets.
- (2) The body corporate is not required to maintain public risk insurance of any other property.

Example of other property—

a lot owned by a person other than the body corporate

- (3) The insurance must provide coverage—
 - (a) for amounts the body corporate becomes liable to pay for—
 - (i) compensation for death, illness and bodily injury; and
 - (ii) damage to property; and
 - (b) to the extent of—
 - (i) at least \$10m for a single event; and
 - (ii) at least \$10m in a single period of insurance.
- (4) In this section—

relevant assets means body corporate assets for which it is practicable to maintain public risk insurance.

154 Use affecting premium [SM, s 207]
