- (a) the federal matter proceeding is pending in the Federal Court or the Family Court; and
- (b) having regard to the interests of justice, including the desirability of related proceedings being heard in the same jurisdiction, the Federal Court or the Family Court considers it appropriate to transfer the proceeding to the Supreme Court;

the Federal Court or the Family Court may transfer the proceeding to the Supreme Court, and section 5(4) does not apply to the proceeding.

‘(3) If—

- (a) the federal matter proceeding is pending in the Supreme Court; and
- (b) the State matter proceeding is pending in any court of this State;

neither section 5(1) nor section 6 applies to require the Supreme Court to transfer the federal matter proceeding to the Federal Court or the Family Court, but the Supreme Court may do so if it considers that to be appropriate, having regard to the interests of justice, including the desirability of related proceedings being heard in the same jurisdiction.

‘(4) Nothing in this section confers on a court jurisdiction that the court would not otherwise have.

‘(5) The fact that references in this section to the interests of justice include the desirability of related proceedings being heard in the same jurisdiction does not of itself mean that references to the interests of justice elsewhere in this Act do not include that matter.
