Nature Conservation and Other Legislation Amendment Act 2016

Act No. 22 of 2016

An Act to amend the Aboriginal Land Act 1991, the Environmental Protection Act 1994, the Land Act 1994, the Marine Parks Act 2004, the Nature Conservation Act 1992, the Recreation Areas Management Act 2006 and the Acts mentioned in schedule 1 for particular purposes

[Assented to 25 May 2016]

[s 1]

The Parliament of Queensland enacts—

Part 1 Preliminary

1 Short title

This Act may be cited as the *Nature Conservation and Other Legislation Amendment Act 2016*.

2 Commencement

The following provisions commence on 1 July 2016—

- (a) part 2, other than sections 3, 4, 5, 27, 27A and 29;
- (b) part 8;
- (c) schedule 1.

Part 2 Amendment of Nature Conservation Act 1992

3 Act amended

This part amends the *Nature Conservation Act 1992*.

4 Amendment of s 4 (Object of Act)

Section 4, from ‘nature while’—

omit, insert—

nature while allowing for the involvement of indigenous people in the management of protected areas in which they have an interest under Aboriginal tradition or Island custom.

5 Amendment of s 5 (How object is to be achieved)

Section 5, ‘object of this Act’—

omit, insert—

conservation of nature

6 Amendment of s 14 (Classes of protected areas to which Act applies)

Section 14(a) to (g)—

omit, insert—

- (a) national parks (scientific); and
- (b) national parks; and
- (c) national parks (Aboriginal land); and
- (d) national parks (Torres Strait Islander land); and
- (e) national parks (Cape York Peninsula Aboriginal land); and
- (f) conservation parks; and
- (g) resources reserves; and
- (h) nature refuges; and
- (i) coordinated conservation areas.

7 Insertion of new s 16

After section 15—

insert—

16 Management principles of national parks (scientific)

- (1) A national park (scientific) is to be managed to—
 - (a) protect the area’s exceptional scientific values and, in particular—

[s 8]

- (i) to ensure that the processes of nature continue unaffected in the area; and
 - (ii) to protect the area's biological diversity to the greatest possible extent; and
- (b) allow controlled scientific study and monitoring of the area's natural resources.
- (2) However, if threatened wildlife is a significant natural resource for the area, management of the area may include—
 - (a) manipulation of the wildlife's habitat; and
 - (b) the control of threatening processes relating to the wildlife, including threatening processes caused by other wildlife.
- (3) Subject to subsections (1) and (2), a national park (scientific), or a part of a national park (scientific), that is also an indigenous joint management area is to be managed, as far as practicable, in a way that is consistent with any Aboriginal tradition applicable to the area, including any tradition relating to activities in the area.

8 Amendment of s 17 (Management principles of national parks)

Section 17(1A)—

omit, insert—

- (1A) However, if the whole or part of a national park is declared as a special management area (controlled action), the management of the park or part may include the following—
 - (a) the manipulation of the area's natural and cultural resources to protect or restore the area's natural or cultural values;

- (b) the continuation of an existing use of the area consistent with maintaining the area's natural and cultural values.

9 Replacement of s 21 (Management principles of regional parks)

Section 21—

omit, insert—

21 Management principles of conservation parks

- (1) A conservation park is to be managed to—
 - (a) conserve and present the area's cultural and natural resources and their values; and
 - (b) provide for the permanent conservation of the area's natural condition to the greatest possible extent; and
 - (c) provide opportunities for educational and recreational activities in a way consistent with the area's natural and cultural resources and values; and
 - (d) ensure that any commercial use of the area's natural resources, including fishing and grazing, is ecologically sustainable.
- (2) Subject to subsection (1), a conservation park, or a part of a conservation park, that is also an indigenous joint management area is to be managed, as far as practicable, in a way that is consistent with any Aboriginal tradition applicable to the area, including any tradition relating to activities in the area.

21A Management principles of resources reserves

- (1) Subject to subsection (2), a resources reserve is to be managed to—

[s 10]

- (a) recognise and, if appropriate, protect the area's cultural and natural resources; and
 - (b) provide for the controlled use of the area's cultural and natural resources; and
 - (c) ensure that the area is maintained predominantly in its natural condition.
- (2) The felling of timber for a commercial purpose must not be conducted in a resources reserve.
- (3) Subject to subsections (1) and (2), a resources reserve, or a part of a resources reserve, that is also an indigenous joint management area is to be managed, as far as practicable, in a way that is consistent with any Aboriginal tradition applicable to the area, including any tradition relating to activities in the area.

10 Amendment of s 27 (Prohibition on mining, geothermal activities and GHG storage activities)

Section 27(1)(a) to (e)—

omit, insert—

- (a) a national park (scientific); or
- (b) a national park; or
- (c) a national park (Aboriginal land); or
- (d) a national park (Torres Strait Islander land);
or
- (e) a national park (Cape York Peninsula Aboriginal land); or

Division 6 **Transitional provisions for
Nature Conservation and
Other Legislation
Amendment Act 2016**

205 Definitions for division

In this division—

[s 30]

old class, of protected area, means—

- (a) a national park in which an area of the national park was declared as a special management area (scientific) under the unamended Act; or
- (b) a regional park under the unamended Act.

unamended Act means this Act as in force immediately before the commencement.

206 Application of division

This division applies despite any provision of division 5.

207 Special management area (scientific) taken to be national park (scientific)

On the commencement, each special management area (scientific) under the unamended Act is taken to be a national park (scientific).

208 Regional park (general) taken to be conservation park

On the commencement, each regional park (general) under the unamended Act is taken to be a conservation park.

209 Regional park (resource use area) taken to be resources reserve

On the commencement, each regional park (resource use area) under the unamended Act is taken to be a resources reserve.

210 References to particular protected areas

From the commencement, in an Act or document—

- (a) a reference to a special management area (scientific) may, if the context permits, be taken to be a reference to a national park (scientific); and
- (b) a reference to a regional park may, if the context permits, be taken to be a reference to a conservation park or resources reserve; and
- (c) a reference to a regional park (general) may, if the context permits, be taken to be a reference to a conservation park; and
- (d) a reference to a regional park (resource use area) may, if the context permits, be taken to be a reference to a resources reserve.

211 Trustees of regional park (general)

- (1) This section applies if, immediately before the commencement, an area was a regional park (general) under the management of trustees under this Act.
- (2) A person who was, immediately before the commencement, a trustee of the area under this Act, continues to be a trustee of the area as a conservation park under this Act.
- (3) The trust over the area continues as a trust under this Act over the area as a conservation park.

212 Trustees of regional park (resource use area)

- (1) This section applies if, immediately before the commencement, an area was a regional park (resource use area) under the management of trustees under this Act.
- (2) A person who was, immediately before the commencement, a trustee of the area under this

[s 30]

Act, continues to be a trustee of the area as a resources reserve under this Act.

- (3) The trust over the area continues as a trust under this Act over the area as a resources reserve.

213 Change in class does not affect instruments applying to an area

- (1) This section applies if, under this division, an area is changed from an old class of protected area to another class of protected area (the *new class*).
- (2) Any of the following (each a *relevant instrument*) in force for the area immediately before the commencement continues to apply to the area as a protected area of the new class—
 - (a) a lease, agreement, licence, permit or other authority under this Act or another Act;
 - (b) a management statement;
 - (c) a management plan;
 - (d) a direction, requirement, notice or decision given or made, in writing, under this Act.
- (3) The relevant instrument continues in force for the area until it expires, is terminated or repealed or otherwise ends under its terms, under this Act or another Act.
- (4) Subsections (2) and (3) apply even if the relevant instrument authorises the carrying out of activities in the area that are not consistent with the management principles for protected areas of the new class.

214 Deciding application for relevant authorities

- (1) This section applies to an application for a lease, agreement, licence, permit or other authority (the *relevant authority*) that—
 - (a) was made, but not decided, under this Act before the commencement; and
 - (b) is for a protected area of an old class that, under this division, is changed to a protected area of another class (the *new class*).
- (2) The application is to be decided, as an application for the relevant authority for a protected area of the old class—
 - (a) under this Act as in force before the commencement; and
 - (b) as if the *Nature Conservation and Other Legislation Amendment Act 2016* had not been enacted.
- (3) If the application is granted, the chief executive must give or grant to the applicant the relevant authority for the area as a protected area of the new class.
- (4) To remove any doubt, it is declared that subsection (3) applies even if the carrying out of the activities under the relevant authority is not consistent with the management principles for protected areas of the new class.
- (5) However, the grounds on which the chief executive may refuse an application to renew the relevant authority include the ground that the carrying out of the activities under the authority is not consistent with the management principles for protected areas of the new class.

[s 31]

31 Amendment of schedule (Dictionary)

- (1) Schedule, definitions *prescribed protected area*, *regional park*, *regional park (general)*, *regional park (resource use area)*, *special management area* and *special management area (scientific)*—

omit.

- (2) Schedule—

insert—

conservation park means an area dedicated under this Act as a conservation park.

national park (scientific) means an area dedicated under this Act as a national park (scientific).

prescribed protected area means a protected area of a following class—

- (a) national park (scientific);
- (b) national park;
- (c) conservation park;
- (d) resources reserve.

resources reserve means an area dedicated under this Act as a resources reserve.

Part 3 Amendment of Aboriginal Land Act 1991

32 Act amended

This part amends the *Aboriginal Land Act 1991*.
