

Appropriation (2020-2021) Bill 2020

Explanatory Notes

Short title

The short title of the Bill is the Appropriation (2020-2021) Bill 2020.

Policy objectives and the reasons for them

Section 27(a) of the *Financial Accountability Act 2009* provides that, for each financial year, the Treasurer must present to the Legislative Assembly a Bill for an ordinary Annual Appropriation Act.

The policy objectives of the Bill, the reasons for those objectives and the ways in which the policy objectives will be achieved by the Bill are detailed in the Budget Speech and the accompanying Budget Papers.

Achievement of policy objectives

The Bill provides for:

- appropriation for 2020-21 to fund the cost of delivering departmental services, administered items and equity adjustment in that year, and
- supply for 2021-22 to allow normal operations of government to continue until the 2021-22 Appropriation Bill receives assent.

In addition, the appropriation for 2020-21 also provides for the redistribution of funds due to the machinery of government changes that occurred during the year.

There is no supplementary unforeseen expenditure included in the Bill as the supplementary appropriation for 2018-19 unforeseen expenditure was included in the *Appropriation Act (No. 2) 2020*. Similarly, the supplementary appropriation for 2019-20 unforeseen expenditure was included in the *Appropriation Act 2020*.

Alternative ways of achieving policy objectives

The policy objectives can only be achieved by legislation.

Estimated cost for government implementation

The Bill will provide appropriation for departments, other than the Legislative Assembly and parliamentary service, for the 2020-21 financial year and interim supply for 2021-22 until the 2021-22 Appropriation Bill receives assent.

Consistency with fundamental legislative principles

The Bill is consistent with fundamental legislative principles.

Consultation

Consultation has been undertaken with departments in establishing the appropriations payable to them pursuant to this Bill.
