the CEO.

ʻ151N	Sec	ond	ments to Safety Authority	1
			ublic service employee may assist the Safety Authority in	2
		1	orming its functions or exercising its powers under this	3
		Act,	the Commonwealth Act, or a corresponding law.	4
'Divi	sion	5	Other Safety Authority provisions	5
'1510			may require the Safety Authority to prepare or give information	6 7
	' (1)		Minister may, by written notice given to the Safety nority, require the Safety Authority to—	8 9
		(a)	prepare a report about 1 or more stated matters relating to the performance of the Safety Authority's functions or the exercise of the Safety Authority's powers; and	10 11 12
		(b)	give a copy of the report to each of the following persons within the period stated in the notice—	13 14
			(i) the Minister;	15
			(ii) each interstate Minister;	16
			(iii) the Commonwealth Minister.	17
	'(2)		Minister may, by written notice given to the Safety nority, require the Safety Authority to—	18 19
		(a)	prepare a document setting out stated information relating to the performance of the Safety Authority's functions or the exercise of the Safety Authority's powers; and	20 21 22 23
		(b)	give a copy of the document to each of the following persons within the period stated in the notice—	24 25
			(i) the Minister;	26
			(ii) each interstate Minister;	27
			(iii) the Commonwealth Minister.	28
	'(3)		Safety Authority must comply with a requirement under ection (1) or (2).	29 30

'151P Directions to Safety Authority

- The Minister may request the Commonwealth Minister to 2 **(**1) give a direction, under section 150YX of the Commonwealth 3 Act, to the Safety Authority that relates wholly or principally 4 to the Safety Authority's operations in the adjacent area.
- ·(2) The Commonwealth Minister must use his or her best endeavours to make a decision on the request within 30 days after receiving the request.
- 9 **(**3) If the Commonwealth Minister refuses the request, the Commonwealth Minister must give the Minister a written 10 statement setting out the reasons for the refusal. 11
- **'**(4) The Safety Authority must comply with a direction given by 12 the Commonwealth Minister at the Minister's request under 13 this section. 14

'151Q Reviews of operations of Safety Authority

- The Minister must cause reviews to be conducted of the **(**1) 16 operations of the Safety Authority in relation to the adjacent 17 area. 18
- ·(2) The Minister must cause to be prepared a report of a review 19 under subsection (1). 20
- **'**(3) The first review is to relate to the 3 year period beginning on 21 1 January 2005, and is to be completed within 6 months, or a 22 longer period allowed by the Minister, after the end of the 23 3 year period. 24
- **'**(4) Subsequent reviews are to relate to successive 3 year periods, 25 and must be completed within 6 months, or a longer period 26 allowed by the Minister, after the end of the 3 year period to 27 which the review relates. 28
- **'**(5) A review under this section may be conducted in conjunction 29 with a review under the Commonwealth Act or a 30 corresponding law, or both. 31
- **'**(6) Without limiting the matters to be covered by a review under 32 subsection (1), the review must include an assessment of the 33 effectiveness of the Safety Authority in bringing about 34 improvements in the occupational health and safety of persons 35 engaged in offshore petroleum operations. 36

<i>facil</i> and-	<i>lity</i> means a facility within the meaning of section 3, —	19 20
(a)	includes a facility being constructed or installed; and	21
(b)	except for the definition <i>associated offshore place</i> , includes an associated offshore place in relation to a facility.	22 23 24
-	<i>p member</i> , in relation to a designated work group at a ity, means a person who is—	25 26
(a)	a member of the workforce at the facility; and	27
(b)	included in the designated work group.	28
-	<i>rovement notice</i> means an improvement notice issued er section $68(1)$.	29 30
	<i>ection</i> means an inspection conducted under part 4 and ides an investigation or inquiry.	31 32
	<i>aber of the workforce</i> , in relation to a facility, means an vidual who does work at the facility, whether—	33 34

25 Petroleum (Submerged Lands) Amendment Bill 2004

(a)		n employee of the operator of the facility or another son; or	1 2
(b)	as a	contractor of the operator or of another person.	3
the	perso	in relation to a facility or proposed facility, means n who, under the regulations, is taken to be the of the facility or proposed facility.	4 5 6
at th	e fac	<i>s representative at a facility</i> means a person present ility in compliance with the obligations imposed on for under section 4.	7 8 9
own	inclu	des own jointly or own in part.	10
	<i>t</i> inc poner	ludes machinery or equipment, or a tool, or a nt.	11 12
pren	nises	includes each of the following—	13
(a)	a sti	ructure or building;	14
(b)	a pla	ace, whether or not enclosed or built on;	15
(c)	a pa	rt of a thing mentioned in paragraph (a) or (b).	16
-	<i>cribe</i> on 60	<i>d person</i> , for part 4, division 3, subdivision 4, see).	17 18
-	on 66	on notice means a prohibition notice issued under $5(1)$.	19 20
		<i>facility</i> means a facility proposed to be constructed, or operated.	21 22
	•	in relation to petroleum, includes all processes r indirectly associated with its recovery.	23 24
0		<i>organisation</i> means an organisation within the of the <i>Workplace Relations Act 1996</i> (Cwlth).	25 26
regu	lated	business premises means—	27
(a)	a fa	cility; or	28
(b)	prer	nises that are—	29
	(i)	occupied by a person who is the operator of a facility; or	30 31
	(ii)	used, or proposed to be used, wholly or principally in connection with offshore petroleum operations.	32 33

	<i>regu</i> schee	<i>lations</i> means regulations made for the purposes of this dule.	1 2				
	<i>reviewing authority</i> means the Australian Industrial Relations Commission.						
	<i>work</i> means work offshore that is directly or indirectly related to the construction, installation, operation, maintenance or decommissioning of a facility.						
	work	force representative means—	8				
	(a)	in relation to a person who is a member of the workforce at a facility—a registered organisation of which the person is a member, if the person is qualified to be a member of that organisation because of the work the person performs at the facility; or	9 10 11 12 13				
	(b)	in relation to a designated work group or a proposed designated work group—a registered organisation of which a person who is, or is likely to be, in the work group is a member, if the person is qualified to be a member of that organisation because of the work the person performs, or will perform, at the facility.	14 15 16 17 18 19				
	at a f	<i>group employer</i> , in relation to a designated work group facility, means an employer of 1 or more group members, loes not include the operator of the facility.	20 21 22				
		<i>place</i> , in relation to a facility, means the whole facility or t of the facility.	23 24				
Fac	ilities	5	25				
'(1)		ssel or structure is taken to be a facility for the purposes is schedule while that vessel or structure—	26 27				
	(a)	is located at a site in the adjacent area; and	28				
	(b)	is being used, or prepared for use, at the site for any of the following purposes—	29 30				
		 (i) the recovery of petroleum, the processing of petroleum, or the storage and offloading of petroleum, or any combination of those activities; 	31 32 33				

(ii) the provision of accommodation for persons 1 working on another facility, whether connected by 2 a walkway to the other facility or not; 3 (iii) drilling or servicing a well for petroleum or doing 4 work associated with the drilling or servicing 5 process; 6 (iv) laying pipes for petroleum, including 7 anv manufacturing of the pipes, or doing work on an 8 existing pipe; 9 the erection, dismantling or decommissioning of a (v) 10 vessel or structure mentioned in any of 11 subparagraphs (i) to (iv); 12 (vi) another purpose related to offshore petroleum 13 operations that is prescribed for the purpose of this 14 subparagraph. 15 ·(2) Subsection (1) applies to a vessel or structure— 16 (a) whether it is floating or fixed; and 17 (b) whether or not it is capable of independent navigation. 18 Subsection (1) has effect subject to subsections (6) and (7). **'**(3) 19 **'**(4) A vessel or structure used for a purpose mentioned in 20 subsection (1)(b)(i) includes— 21 (a) any wells and associated plant and equipment by means 22 of which petroleum processed or stored at the vessel or 23 structure is recovered; and 24 (b) any pipe or system of pipes through which petroleum is 25 conveyed from a well to the vessel or structure; and 26 any secondary line associated with the vessel or (c) 27 structure. 28 For subsection (1), a vessel or structure that is located **'**(5) 29 offshore for the purpose of laying pipes as described in 30 subsection (1)(b)(iv) is taken to be located at a site, despite the 31 fact that the vessel or structure moves as the pipe laying 32 process proceeds. 33 Despite subsection (1), a vessel or structure is taken not to be

'(6) 34 a facility for the purposes of this schedule if the vessel or 35 structure is any of the following-36

	(a)	an o	fftake tanker;	1
	(b)	a tug	g or an anchor handler;	2
	(c)		essel or structure used for supplying a facility or erwise travelling between a facility and the shore;	3 4
	(d)		ssel or structure used for any purpose such that it is ared by the regulations not to be a facility.	5 6
'(7)	be u	sed fo b) is	ng when a vessel or structure that has the potential to or 1 or more of the purposes mentioned in subsection in fact being so used, the vessel or structure is	7 8 9 10
	(a)	arriv activ	ommence to be so used only at the time when it yes at the site where it is to be so used and any vities necessary to make it operational at that site are an; and	11 12 13 14
	(b)	vess navi	ease to be so used when operations cease, and the sel or structure has been returned either to a gable form or to a form in which it can be towed to ther place.	15 16 17 18
' (8)			ne following is taken to be a facility for the purposes nedule—	19 20
	(a)	a pij	peline subject to a pipeline licence;	21
	(b)	petr havi	pipeline subject to a pipeline licence conveys oleum recovered from a well without the petroleum ang passed through another facility—the pipeline, ether with—	22 23 24 25
		(i)	the well and associated plant and equipment; and	26
		(ii)	a pipe or system of pipes through which petroleum is conveyed from that well to that pipeline.	27 28
' (9)	In su	ubsect	tion (8)(b)—	29
	facil	<i>ity</i> do	bes not include a pipeline.	30

Со	ntrac	tor		19	
	'For this schedule, an individual is taken to be a <i>contractor</i> of another person (the <i>relevant person</i>) if the individual does work at a facility under a contract for services between—				
	(a)	the	relevant person; and	23	
	(b)	eith	er—	24	
		(i)	the individual; or	25	
		(ii)	the employer of the individual.	26	

'Part 2			Occupational health and safety	
ΉDiv	ision	1	Duties relating to occupational health and safety	2 3
'7	Dut	ies o	f operator	4
	' (1)		operator of a facility must take all reasonably practicable s to ensure—	5 6
		(a)	the facility is safe and without risk to the health of any person at or near the facility; and	7 8
		(b)	all work and other activities carried out on the facility are carried out in a manner that is safe and without risk to the health of any person at or near the facility.	9 10 11
		Max	imum penalty—1 470 penalty units.	12
	'(2)		nout limiting subsection (1), the operator of a facility must ach of the following—	13 14
		(a)	provide and maintain a physical environment at the facility that is safe and without risk to health;	15 16
		(b)	provide and maintain adequate facilities for the welfare of all members of the workforce at the facility;	17 18
		(c)	ensure any plant, equipment, materials and substances at the facility are safe and without risk to health;	19 20
		(d)	implement and maintain systems of work at the facility that are safe and without risk to health;	21 22
		(e)	implement and maintain appropriate procedures and equipment for the control of, and response to, emergencies at the facility;	23 24 25
		(f)	provide all members of the workforce, in appropriate languages, with the information, instruction, training and supervision necessary for them to carry out their activities in a manner that does not adversely affect the occupational health and safety of persons at the facility;	26 27 28 29 30

	(g)) monitor the occupational health and safety of all members of the workforce and keep records of that monitoring;			
	(h)	 provide appropriate medical and first aid services at the facility; 			
	(i)	and	elop, in consultation with members of the workforce workforce representatives, a policy relating to apational health and safety that—	6 7 8	
		(i)	will enable the operator and the members of the workforce to co-operate effectively in promoting and developing measures to ensure the occupational health and safety of persons at the facility; and	9 10 11 12 13	
		(ii)	will provide adequate mechanisms for reviewing the effectiveness of the measures; and	14 15	
		(iii)	provides for the making of an agreement that complies with subsections (4) and (5).	16 17	
	Max	imum	n penalty—1 470 penalty units.	18	
'(3)	enga unlea the	section (2)(i) does not require the operator of a facility to age in consultations with a workforce representative workforce representative to be involved in those sultations.			
'(4)	The agreement mentioned in subsection (2)(i)(iii) must be between—				
	(a)	on t	he 1 hand—the operator; and	26	
	(b)	on the other hand—			
		(i)	the members of the workforce; and	28	
		(ii)	if a member of the workforce at the facility has requested a workforce representative in relation to the member to be a party to that agreement—the workforce representative.	29 30 31 32	
'(5)	prov	-	ement mentioned in subsection (2)(i)(iii) must ppropriate mechanisms for continuing consultation	33 34 35	
	(a)	on t	he 1 hand—the operator; and	36	

	(b)	on t	he other hand—	1	
		(i)	the members of the workforce; and	2	
		(ii)	if a member of the workforce at the facility has requested a workforce representative in relation to the member to be involved in consultations on a particular occasion—the workforce representative.	3 4 5 6	
'(6)		0	ement may provide for other matters agreed between s to it.	7 8	
	ties c ticul	-	rsons in control of parts of facility or ork	9 10	
' (1)	A person who is in control of any part of a facility, or of any particular work carried out at a facility, must take all reasonably practicable steps to ensure—				
	(a)		part of the facility, or the place where that work is ied out, is safe and without risk to health; and	14 15	
	(b)		he person is in control of particular work—the work arried out in a manner that is safe and without risk to lth.	16 17 18	
	Max	imun	n penalty—1 470 penalty units.	19	
"(2)	Without limiting subsection (1), a person who is in control of any part of a facility, or of any particular work carried out at a facility, must do each of the following—				
	(a)	faci	ure the physical environment at that part of the lity, or at the place where the work is carried out, is and without risk to health;	23 24 25	
	(b)	or n	are any plant, equipment, materials and substances at lear that part of the facility or that place, or used in work, are safe and without risk to health;	26 27 28	
	(c)	the	lement and maintain systems of work at that part of facility, or in carrying out work at that place, that are and without risk to health;	29 30 31	
	(d)	of th	ure a means of access to, and egress from, that part he facility or that place that is safe and without risk ealth;	32 33 34	

	(e)	provide all members of the workforce located at that part of the facility or engaged on that work, in appropriate languages, with the information, instruction, training and supervision necessary for them to carry out their work in a manner that is safe and without risk to health.	1 2 3 4 5 6					
	Max	kimum penalty—1 470 penalty units.	7					
Du	ties c	of employers	8					
'(1)	An employer must take all reasonably practicable steps to protect the health and safety of employees at a facility.							
	Max	Maximum penalty—1 470 penalty units.						
'(2)		Without limiting subsection (1), an employer must do each of the following—						
	(a)	provide and maintain a working environment that is safe for employees and without risk to their health;	14 15					
	(b)	ensure any plant, equipment, materials and substances used in connection with the employees' work are safe and without risk to health;	16 17 18					
	(c)	implement and maintain systems of work that are safe and without risk to health;	19 20					
	(d)	provide a means of access to, and egress from, the employees' work location that is safe and without risk to health;	21 22 23					
	(e)	provide the employees, in appropriate languages, with the information, instruction, training and supervision necessary for them to carry out their work in a manner that is safe and without risk to health.	24 25 26 27					
	Maximum penalty—1 470 penalty units.							
·(3)	A person (the <i>principal</i>) has, in relation to a contractor of the principal, the same obligations that an employer has under subsections (1) and (2) in relation to an employee of the employer, but only in relation to—							
	(a) matters over which the principal has control; or							
	(b)	matters over which—	34					

		(i)	the principal would have had control apart from express provision to the contrary in a contract; and	1 2		
		(ii)	the principal would, in the circumstances, usually be expected to have had control.	3 4		
'(4)	An e	emplo	over must take all reasonable steps to—	5		
	(a)	mor	nitor the health and safety of employees; and	6		
	(b)	keep	p records of that monitoring.	7		
	Max	imun	n penalty—1 470 penalty units.	8		
	ties c ostan		nufacturers in relation to plant and	9 10		
'(1)	A manufacturer of plant that the manufacturer ought reasonably to expect will be used by members of the workforce at a facility must take all reasonably practicable steps—					
	(a)	to ensure the plant is so designed and constructed as to be, when properly used, safe and without risk to health and		15 16 17		
	(b)	to carry out, or cause to be carried out, the research, testing and examination necessary in order to discover, and to eliminate or minimise, any risk to health and safety that may arise from the use of the plant; and				
	(c)		nake available, in connection with the use of the nate a facility, adequate written information about—	22 23		
		(i)	the use for which it is designed and has been tested; and	24 25		
		(ii)	details of its design and construction; and	26		
		(iii)	any conditions necessary to ensure that, when put to the use for which it was designed and tested, it will be safe and without risk to health.	27 28 29		
	Maximum penalty—300 penalty units.					
'(2)	 A manufacturer of a substance that the manufacturer ought reasonably to expect will be used by members of the workforce at a facility must take all reasonably practicable 3 					

steps-

	(a)	to ensure the substance is so manufactured as to be, when properly used, safe and without risk to health; and	1 2		
	(b)	to carry out, or cause to be carried out, the research, testing and examination necessary to discover, and to eliminate or minimise, any risk to health and safety that may arise from the use of the substance; and			
	(c)	to make available, in connection with the use of the substance at a facility, adequate written information concerning—	7 8 9		
		(i) the use for which it is manufactured and has been tested; and	10 11		
		(ii) details of its composition; and	12		
		(iii) any conditions necessary to ensure that, when put to the use for which it was manufactured and tested, it will be safe and without risk to health; and	13 14 15 16		
		(iv) the first aid and medical procedures that should be followed if the substance causes injury.	17 18		
	Max	imum penalty—300 penalty units.	19		
'(3)	Subs	section (4) applies if—	20		
	(a)	plant or a substance is imported into Australia by a person (the <i>importer</i>) who is not its manufacturer; and	21 22		
	(b)	at the time of the importation, the manufacturer of the plant or substance does not have a place of business in Australia.	23 24 25		
'(4)		importer is taken, for this section, to be the manufacturer e plant or substance.	26 27		
'(5)	This section does not affect the operation of another law of the State that imposes an obligation on a manufacturer in relation to defective goods or in relation to information to be supplied in relation to goods.				

11 Duties of suppliers of facilities, plant and substances

(1) A supplier of a facility, or of any plant or substance the 33 supplier ought reasonably to expect will be used by members 34

			orkforce at a facility, must take all reasonably e steps—	1 2
	(a)	plan	nsure that, at the time of supply, the facility, or the t or substance, is in such condition as to be, when erly used, safe and without risk to health; and	3 4 5
	(b)	testin elim may	arry out, or cause to be carried out, the research, ng and examination necessary to discover, and to inate or minimise, any risk to health or safety that arise from the condition of the facility, plant or tance; and	6 7 8 9 10
	(c)	writt facil	hake available to the prescribed person adequate then information, in connection with the use of the ity, plant or substance, as the case requires, about of the following—	11 12 13 14
		(i)	the condition of the facility, plant or substance at the time of supply;	15 16
		(ii)	any risk to the health and safety of members of the workforce at the facility to which the condition of the facility, plant or substance may give rise unless it is properly used;	17 18 19 20
		(iii)	the steps that need to be taken to eliminate that risk;	21 22
		(iv)	in the case of a substance, the first aid and medical procedures that should be followed if the condition of the substance causes injury to a member of the workforce at the facility.	23 24 25 26
	Maxi	mum	penalty—300 penalty units.	27
'(2)	Subs	ection	n (3) applies if—	28
	(a)	a per	rson (the <i>ostensible supplier</i>) supplies to a person—	29
		(i)	a facility; or	30
		(ii)	any plant or substance that is to be used by members of the workforce at a facility; and	31 32
	(b)	the c	ostensible supplier—	33
		(i)	carries on the business of financing the acquisition or the use of goods by other persons; and	34 35

		(ii)	has, in the course of that business, acquired an interest in the facility, or in the plant or substance, from another person (the <i>actual supplier</i>), solely for the purpose of financing its acquisition by, or its provision to, the person to whom it is finally supplied; and	1 2 3 4 5 6		
		(iii)	has not taken possession of the facility, plant or substance, or has taken possession of the facility, plant or substance solely for the purpose of passing possession of the facility, plant or substance to the person to whom it is finally supplied.	7 8 9 10 11		
'(3)	supp men	If this subsection applies, a reference in subsection (1) to a supplier is, in relation to the facility, plant or substance mentioned in subsection (2), taken to be a reference to the actual supplier and not a reference to the ostensible supplier.				
'(4)	State	e that ls or	on does not affect the operation of another law of the imposes an obligation about the sale or supply of about the information to be supplied in relation to	16 17 18 19		
'(5)	In th	is sec	tion—	20		
	pres	cribed	<i>l person</i> means—	21		
	(a)	in re	elation to a facility—the operator of the facility; and	22		
	(b)		elation to plant or a substance—the person to whom plant or substance is supplied.	23 24

'13 Duties of persons in relation to occupational health and safety

- (1) A person at a facility must, at all times, take all reasonably practicable steps—
 - (a) to ensure the person does not take any action, or make any omission, that creates a risk, or increases an existing risk, to the occupational health and safety of the person or of another person at or near the facility; and
 - (b) in relation to any obligation imposed on the operator or 9 on another person by or under a listed OHS law, to 10 co-operate with the operator or the other person to the 11 extent necessary to enable the operator or the other 12 person to fulfil the obligation; and 13
 - (c) to use prescribed equipment in accordance with any 14 instructions given by the equipment supplier, consistent 15 with the safe and proper use of the equipment. 16

Maximum penalty—75 penalty units.

- (2) Despite subsection (1), the choice or manner of use, or choice 18 and manner of use, of prescribed equipment of the kind 19 mentioned in subsection (5), definition *prescribed equipment*, 20 paragraph (b), is a matter that may be, consistently with each 21 listed OHS law—22
 - (a) agreed on between the equipment supplier and any 23 relevant health and safety representative; or 24
 - (b) agreed on by a health and safety committee.
- '(3) If an agreement of the kind mentioned in subsection (2)(a) or
 (b) provides a process for choosing equipment of a particular
 kind that is to be provided by the equipment supplier, action
 must not be taken against a person for failure to use the
 equipment unless the equipment has been chosen in
 accordance with that process.
- '(4) If an agreement of the kind mentioned in subsection (2)(a) or
 (b) provides a process for deciding the manner of use of
 equipment of a particular kind, action must not be taken
 against a person for failure to use the equipment in the manner
 required by the equipment supplier unless the manner has
 been decided in accordance with that process.

'(5)	Subject to subsection (6), if a health and safety representative for a designated work group is being assisted by a consultant, the consultant is entitled to be present with the representative at an interview, about health and safety at work, between a group member and—	10 11 12 13 14
	(a) an OHS inspector; or	15
	(b) the operator, a work group employer or a person representing the operator or employer.	16 17
'(6)	A consultant may be present at an interview under subsection (5) only if the group member consents to the presence of the consultant.	18 19 20
Infe	ormation	21
'(1)	Neither a health and safety representative nor a consultant assisting a health and safety representative is entitled, under section $31(1)(d)(ii)$, to have access to information in relation to which a group member is entitled to claim, and does claim, legal professional privilege.	22 23 24 25 26
'(2)	Neither a health and safety representative nor a consultant assisting a health and safety representative is entitled, under section $31(1)(d)(ii)$, to have access to information of a confidential medical nature relating to a person who is or was a group member unless—	27 28 29 30 31

(a) the person has delivered to the operator or a work group 32 employer a written authority permitting the health and 33 safety representative, or the health and safety 34 representative and the consultant, as the case requires, to 35 have access to the information; or 36

		(b)	pers	information is in a form that does not identify the son or enable the identity of the person to be overed.	1 2 3
'34		ligati prese		and liabilities of health and safety ves	4 5
		'Thi	s sche	edule does not—	6
		(a)	con	ose an obligation on a person to exercise a power ferred on the person because the person is a health safety representative; or	7 8 9
		(b)	renc	ler a person liable in civil proceedings because of—	10
			(i)	a failure to exercise the power; or	11
			(ii)	the way the power was exercised.	12
'35	Pro	ovisio	onal i	mprovement notices	13
	' (1)	This	secti	on applies if—	14
		(a)		ealth and safety representative for a designated work up believes, on reasonable grounds, that a person—	15 16
			(i)	is contravening a provision of a listed OHS law; or	17
			(ii)	has contravened a provision of a listed OHS law and is likely to contravene that provision again; and	18 19 20
		(b)		contravention affects or may affect 1 or more group nbers.	21 22
	'(2)	the recti	releva	esentative must consult with the person supervising ant activity in an attempt to reach agreement on the contravention or preventing the likely tion.	23 24 25 26
	'(3)	is no repro any	ot readesentation or al	health and safety representative's opinion, agreement ched within a reasonable time, the health and safety ative may issue a provisional improvement notice to ll of the persons (each of whom is a <i>responsible</i> esponsible for the contravention.	27 28 29 30 31

'(4)	If a responsible person is the operator, the improvement notice may be issued to the operator by giving it to the operator's representative at the facility.					
'(5)	pers	t is not practicable to issue the notice to a responsible on, other than the operator or the supervisor, by giving it he responsible person—	4 5 6			
	(a)	the notice may be issued to the responsible person by giving it to the person who for the time being is, or may reasonably be presumed to be, on behalf of the responsible person, in charge of the activity to which the notice relates; and	7 8 9 10 11			
	(b)	if the notice is issued under paragraph (a), a copy of the notice must be given to the responsible person as soon as practicable afterwards.	12 13 14			
' (6)	The	notice must—	15			
	(a)	state the contravention that, in the health and safety representative's opinion, is occurring or is likely to occur, and state the reasons for the opinion; and	16 17 18			
	(b)	state a period within which the responsible person is to take action necessary to prevent any further contravention or to prevent the likely contravention, as the case may be.	19 20 21 22			
'(7)		period stated in the notice under subsection (6)(b) must period that—	23 24			
	(a)	is not less than 7 days beginning on the day after the notice is issued; and	25 26			
	(b)	is, in the representative's opinion, reasonable.	27			
' (8)		notice may state action the responsible person is to take ng the period stated in the notice.	28 29			
' (9)	appi befo	If, in the health and safety representative's opinion, it is appropriate to do so, the representative may, in writing and before the end of the period, extend the period stated in the notice.				
'(10)	mus	issuing the notice, the health and safety representative t give a copy of the notice to each of the following ons—	34 35 36			

- (b) each work group employer, other than a work group employer who is a responsible person;
- if the supervisor is not a responsible person-the (c) 4 supervisor;
- if the notice relates to any plant, substance or thing (d) owned by a person other than a responsible person or a person to whom a copy of the notice is given under paragraph (a), (b) or (c)—the owner.

'36 Effect of provisional improvement notice

- **(**1) Within 7 days after a notice is issued under section 35, the 11 responsible person or another person to whom a copy of the 12 notice has been given under section 35(10) may request the 13 Safety Authority or an OHS inspector for an inspection of the 14 matter to be conducted. 15
- On the request being made, the operation of the notice is ·(2) 16 suspended pending the decision of the matter by an OHS 17 inspector. 18
- **'**(3) As soon as possible after a request is made, an inspection 19 must be conducted of the work that is the subject of the 20 disagreement, and the OHS inspector conducting the 21 inspection must-22
 - confirm, vary or cancel the notice and notify the 23 (a) responsible person and any person to whom a copy of 24 the notice has been given under section 35(10)25 accordingly; and 26
 - (b) make decisions, and exercise powers, under part 4, as 27 the OHS inspector considers necessary in relation to the 28 work. 29
- **'**(4) If the OHS inspector varies a notice, the notice as varied has 30 effect— 31
 - to the extent the notice concerns obligations imposed on (a) 32 the responsible person that are unaffected by the 33 variation, as if the notice as varied resumed effect on the 34 day of the variation; and 35

'Subdivision 3 Duties of the operator and other employers in relation to health and safety representatives

'37 Duties of the operator and other employers in relation to health and safety representatives

- (1) The operator of a facility in relation to which a designated work group having a health and safety representative has been established must—
 - (a) on being requested to do so by the representative, 9
 consult with the representative on the implementation of 10
 changes at a workplace at which some or all of the 11
 group members perform work, being changes that may 12
 affect their health and safety; and 13
 - (b) in relation to a workplace at which some or all of the 14 group members perform work— 15
 - (i) permit the representative to make an inspection of 16 the workplace that the representative is entitled to 17 make under section 31(1)(a)(i) and to accompany 18 an OHS inspector during an inspection at the 19 workplace by the OHS inspector; and 20
 - (ii) if there is no health and safety committee for the 21 members of the workforce-on being requested to 22 do so by the representative, consult with the 23 representative about the development, 24 implementation and review of measures to ensure 25 the health and safety of group members; and 26
 - (c) permit the representative to be present at an interview at 27 which the representative is entitled to be present under 28 section 31(1)(c); and 29
 - (d) provide to the representative access to information to 30 which the representative is entitled to obtain access 31 under section 31(1)(d)(i) or (ii) and to which access has been requested; and 33
 - (e) permit the representative to take time off work, without 34 loss of remuneration or other entitlements, that is 35

necessary to exercise the powers of a health and safety representative; and

- (f) provide the representative with access to facilities, if—
 - (i) the facilities are prescribed for the purpose of this 4 paragraph; or 5
 - (ii) access to the facilities is necessary for the purposes of exercising the powers of a health and safety representative.
- (2) Subsection (1)(d) has effect subject to subsections (3) and (4). 9
- *(3) The operator must not permit a health and safety 10 representative in relation to a designated work group to have 11 access to information under the control of the operator that is 12 of a confidential medical nature and relates to a person who is 13 or was a group member unless—
 - (a) the person has delivered to the employer a written 15 authority permitting the representative to have access to 16 the information; or 17
 - (b) the information is in a form that does not identify the 18 person or enable the identity of the person to be 19 discovered. 20
- '(4) The operator is not required to give a health and safety 21 representative access to information in relation to which the 000 operator is entitled to claim, and does claim, legal 23 professional privilege.
- (5) The duties imposed under this section on the operator in 25 relation to the health and safety representative for a 26 designated work group apply equally, to the extent the matters 27 to which the duties relate are within the control of a work 28 group employer or of a supervisor of particular work, to the 29 employer and to the supervisor. 30

'Division 3 Health and safety committees

...

to the members of the workforce at a facility if—

31

34

.38	Health and safety committees		
	' (1)	A health and safety committee must be established in relation	33

s 19

	(a)	the number of members normally present at the facility is not less than 50, whether or not the members are all at work at the facility at the same time; and	1 2 3		
	(b)	the members of the workforce are included in 1 or more designated work groups; and	4 5		
	(c)	the operator is requested to establish the committee by the health and safety representative for the designated work group or for 1 of the designated work groups.	6 7 8		
'(2)	The	health and safety committee consists of—	9		
	(a)	the number of members stated in an agreement reached between the operator and the members of the workforce; or	10 11 12		
	(b)	if there is no such agreement, an equal number of-	13		
		 (i) members chosen by the members of the workforce to represent the interests of members of the workforce; and 	14 15 16		
		(ii) members chosen by the operator to represent the interests of the operator and the employer, other than the operator, of members of the workforce.	17 18 19		
' (3)	The	agreement mentioned in subsection (2)(a) may—	20		
	(a)	state the persons who are to be members to represent the interests of the operator and employers, other than the operator, of members of the workforce; and	21 22 23		
	(b)	provide for the way in which persons who are to be members to represent the interests of members of the workforce are to be chosen.	24 25 26		
'(4)	If a regulation made for the purposes of this section provides for procedures for selecting persons as members of health and safety committees to represent the interests of members of the workforce, an agreement mentioned in subsection (2)(a) must not provide for members to be chosen in a way that is inconsistent with the regulation.				
' (5)		ealth and safety committee must hold a meeting at least every 3 months.	33 34		

'(6)	must	, exc	edure at meetings of a health and safety committee ept to the extent provided for under the regulations, ocedure agreed to by the committee.	1 2 3
' (7)	meet	ings	and safety committee must cause minutes of its to be kept, and must retain those minutes for a not less than 3 years.	4 5 6
' (8)	cons com	ultati mitteo	ion does not prevent an operator establishing, in on with registered unions or other persons, es concerned with occupational health and safety in o undertakings carried on by the operator.	7 8 9 10
Fui	nctior	ns of	health and safety committees	11
' (1)	A he	alth a	and safety committee has the following functions-	12
	(a)	assi	sting the operator of the facility concerned—	13
		(i)	to develop and implement measures designed to protect the health and safety at work of members of the workforce; and	14 15 16
		(ii)	to review and update measures used to protect the health and safety at work of those members;	17 18
	(b)		litating co-operation between the following persons elation to occupational health and safety matters—	19 20
		(i)	the operator of the facility;	21
		(ii)	employers, other than the operator, of members of the workforce;	22 23
		(iii)	members of the workforce;	24
	(c)	the	sting the operator to disseminate among members of workforce, in appropriate languages, information ting to health and safety at work;	25 26 27
	(d)	any	prescribed functions;	28
	(e)		er functions agreed between the operator and the th and safety committee.	29 30
' (2)	nece	ssary	and safety committee has power to do all things or convenient to be done for, or in connection with, mance of its functions.	31 32 33

	' (3)	This	schedule does not—	1
		(a)	impose an obligation on a person to do any act, because the person is a member of a health and safety committee, in connection with the performance of a function conferred on the committee; or	2 3 4 5
		(b)	render a person liable in civil proceedings because of-	6
			(i) a failure to do the act; or	7
			(ii) the manner in which the act was done.	8
'40			of the operator and other employers in to health and safety committees	9 10
	'(1)	If the must	ere is a health and safety committee, each relevant person t—	11 12
		(a)	make available to the committee information possessed by the person relating to risks to health and safety to members of the workforce; and	13 14 15
		(b)	permit a member of the committee who is a member of the workforce to take time off work, without loss of remuneration or other entitlements, as is necessary for the member to adequately participate in the performance by the committee of its functions.	16 17 18 19 20
	' (2)	Subs	section (1)(a) has effect subject to subsections (3) and (4).	21
	'(3)	safet to a	elevant person must not make available to a health and ty committee information of a confidential nature relating person who is or was a member of the workforce (a <i>ker</i>), unless—	22 23 24 25
		(a)	the worker has authorised the information to be made available to the committee; or	26 27
		(b)	the information is in a form that does not identify the worker or enable the identity of the worker to be discovered.	28 29 30
	'(4)	and perse	levant person is not required to make available to a health safety committee information in relation to which the on is entitled to claim, and does claim, legal professional ilege.	31 32 33 34

	'(5)	In th	is section—	1
		relev	want person means—	2
		(a)	the operator; and	3
		(b)	an employer, other than the operator, of a member of the workforce.	4 5
'Divi	sion	4	Emergency procedures	6
'41	Act	ion b	by health and safety representatives	7
	'(1)	desig an ir perso	section applies if a health and safety representative for a gnated work group has reasonable cause to believe there is mminent and serious danger to the health or safety of a on at or near the facility unless a group member or group abers cease to perform particular work.	8 9 10 11 12
	'(2)	The	representative must—	13
		(a)	inform a person (a <i>supervisor</i>) supervising the group member or group members in the performance of the work of the danger; or	14 15 16
		(b)	if no supervisor can be contacted immediately—	17
			(i) direct the group member or group members to cease, in a safe manner, performing the work; and	18 19
			(ii) as soon as practicable, inform a supervisor that the direction has been given.	20 21
	'(3)	to the super approduced direct	supervisor is informed under subsection $(2)(a)$ of a danger ne health or safety of a person at or near the facility, the ervisor must take the action the supervisor thinks ropriate to remove the danger, which may include eting a group member or group members to cease, in a manner, to perform the work.	22 23 24 25 26 27
	'(4)	Subs if—	section (5) applies to a health and safety representative	28 29
		(a)	the representative has informed a supervisor under subsection $(2)(a)$ of a danger; and	30 31

	(b)	the representative has reasonable cause to believe that, despite any action taken by the supervisor under	1 2
		subsection (3), there continues to be an imminent and serious danger to the health or safety of a person at or near the facility unless the group member or group members cease to perform particular work.	2 3 4 5 6
'(5)	The	representative must—	7
	(a)	direct the group member or group members to cease, in a safe manner, to perform the work; and	8 9
	(b)	as soon as practicable, inform the supervisor that the direction has been given.	10 11
'(6)	Subs	section (7) applies if—	12
	(a)	a health and safety representative gives a direction under subsection (2)(b), but is unable to agree with a supervisor whom the representative has informed under the subsection that there is a need for a direction under the subsection; or	13 14 15 16 17
	(b)	a health and safety representative gives a direction under subsection $(5)(a)$.	18 19
'(7)	Auth	representative or the supervisor may request the Safety nority or an OHS inspector to conduct an inspection of the x that is the subject of the direction.	20 21 22
' (8)	As soon as possible after a request is made under subsection (7), an inspection must be conducted of the work that is the subject of the direction, and the OHS inspector conducting the inspection must make decisions, and exercise powers, under part 4 as the OHS inspector considers necessary in relation to the work.		
'(9)	repre inspe	section does not limit the power of a health and safety esentative under section $31(1)(a)(iii)$ to request an OHS ector or the Safety Authority to conduct an inspection at workplace.	29 30 31 32
Dir	ectio	ns to perform other work	33

(1) This section applies if—

'42

(a) a group member who is an employee has ceased to perform work, in accordance with the direction of a health and safety representative under section 41(2)(b) 3 or (5)(a); and 4

(b) the cessation of work does not continue after—

- (i) the health and safety representative has agreed
 6 with a person supervising work at the workplace
 7 where the work was being performed that the
 8 cessation of work was not, or is no longer,
 9 necessary; or
- (ii) an OHS inspector has, under section 41(8), made a 11
 decision that the employee should perform the 12
 work. 13
- (2) The employer may direct the employee to perform suitable 14 alternative work, and the employee is to be taken, for all 15 purposes, to be required to perform the other work under the 16 terms and conditions of the employee's employment. 17

'Pa	rt 4	Inspections	18	
'Div	isior	1 Powers, functions and duties of OHS inspectors	19 20	
'43	Po (1)	wers, functions and duties of OHS inspectors An OHS inspector has the powers, functions and duties	21 22	
		conferred or imposed by the listed OHS laws.	23	
	'(2)	The Safety Authority may give written directions specifying the manner in which, and the conditions subject to which, powers conferred on OHS inspectors by a listed OHS law are to be exercised.	24 25 26 27	
	'(3)	If the Safety Authority gives written directions under subsection (2), the powers of OHS inspectors must be exercised in accordance with those directions.	28 29 30	

- The Safety Authority may, by notice in writing, impose **'**(4) restrictions, not inconsistent with any direction in force under subsection (2), on the powers conferred on a particular OHS inspector by a listed OHS law.
- (5) If the Safety Authority imposes restrictions under subsection (4), the powers of the OHS inspector are taken to have been restricted accordingly.

'Division 2 Inspections

accordingly.

'44 Inspections

Ins	pecti	ons	9			
' (1)	An OHS inspector may, at any time, conduct an inspection—					
	(a)	to ascertain whether the requirements of, or any requirements properly made under, a listed OHS law are being complied with; or	11 12 13			
	(b)	concerning a contravention or a possible contravention of a listed OHS law; or	14 15			
	(c)	concerning an accident or dangerous occurrence that has happened at a facility.	16 17			
'(2)	The Safety Authority may direct an OHS inspector to conduct an inspection for a purpose mentioned in subsection (1).					
'(3)	If directed to conduct an investigation by the Safety Authority under subsection (2), the OHS inspector must, unless the Safety Authority revokes the direction, conduct the inspection

'Division 3				Powers of OHS inspectors in relation to the conduct of inspections	
'Su	bdivi	sion	1	Power of entry	4
'45	Po	wer o	of ent	ry—general	5
	' (1)			inspector may, for the purposes of an inspection, ace if—	6 7
		(a)	its o	ccupier consents to the entry; or	8
		(b)		a public place and the entry is made when it is open ne public; or	9 10
		(c)	the e	entry is authorised by a warrant; or	11
		(d)	entry	a place of business to which this Act relates and the y is made when the place is open for business or rwise open for entry; or	12 13 14
		(e)	the (or 4'	OHS inspector may enter the place under section 46 7.	15 16
	'(2)	subs reas plac	section onable e doc	the OHS inspector may enter a place under $(1)(a)$, (c) , (d) or (e) only if the OHS inspector has e grounds to believe there are likely to be at the uments relating to a facility that is, or to facility s that are, the subject of the inspection.	17 18 19 20 21
	'(3)	to e	enter,	an OHS inspector may, without the occupier's a warrant—	22 23 24
		(a)		r land around premises at the place to an extent that asonable to contact the occupier; or	25 26
		(b)	cons	r part of the place the OHS inspector reasonably siders members of the public ordinarily are allowed nter when they wish to contact the occupier.	27 28 29
	'(4)	In th	nis sec	tion—	30
		-	•	<i>usiness</i> does not include a part of the place where an resides.	31 32

'46	Ins	pector's additional entry power for facility	1			
		'An OHS inspector may, for the purpose of an inspection, enter a facility at any reasonable time, other than a part of the facility where an individual resides.	2 3 4			
'47	Inspector's additional entry power for particular regulated business premises					
	'(1)	An OHS inspector may, for the purpose of an inspection, enter regulated business premises, other than a facility, at any reasonable time, other than a part of the premises where an individual resides.	7 8 9 10			
	'(2)	However, the OHS inspector may enter the premises only if the OHS inspector has reasonable grounds to believe there are likely to be at the premises documents relating to a facility that is, or to facility operations that are, the subject of the inspection.	11 12 13 14 15			
'Sul	bdivi	sion 2 Procedure for entry	16			
'48	Ent	try with consent	17			
	' (1)	This section applies if an OHS inspector intends to ask an occupier of a place to consent to the OHS inspector entering the place under section $45(1)(a)$.	18 19 20			
	' (2)	Before asking for the consent, the OHS inspector must—	21			
		(a) tell the occupier—	22			
		(i) the purpose of the entry; and	23			
		(ii) that the occupier is not required to consent; and	24			
		(b) take reasonable steps to produce, for inspection by the occupier, the OHS inspector's identity card.	25 26			
	'(3)	The OHS inspector must, on being requested to do so by the occupier, produce each of the following for inspection by the occupier—	27 28 29			
		(a) a copy of the Safety Authority's written direction, if any, to conduct the inspection;	30 31			

	(b)	a copy of the restrictions, if any, imposed on the powers of the OHS inspector under section $43(4)$.	1 2					
'(4)		If the consent is given, the OHS inspector may ask the occupier to sign an acknowledgment of the consent.						
' (5)	The acknowledgment must state—							
	(a)	the occupier has been told—	6					
		(i) the purpose of the entry; and	7					
		(ii) that the occupier is not required to consent; and	8					
	(b)	the purpose of the entry; and	9					
	(c)	the occupier gives the OHS inspector consent to enter the place and exercise powers under this division; and	10 11					
	(d)	the time and date the consent was given.	12					
'(6)	If the occupier signs an acknowledgment, the OHS inspector must immediately give a copy to the occupier.							
'(7)	If—		15					
	(a)	an issue arises in a proceeding about whether the occupier consented to the entry; and	16 17					
	(b)	an acknowledgment complying with subsection (4) for the entry is not produced in evidence;	18 19					
		onus of proof is on the person relying on the lawfulness of entry to prove the occupier consented.	20 21					
Ap	olicat	tion for warrant	22					
'(1)		OHS inspector may apply to a magistrate for a warrant for	23 24					
'(2)		application must be sworn and state the grounds on which warrant is sought.	25 26					
' (3)	OHS mag	magistrate may refuse to consider the application until the S inspector gives the magistrate all the information the istrate requires about the application in the way the istrate requires.	27 28 29 30					

		Exam	ıple—	1
			e magistrate may require additional information supporting the plication to be given by statutory declaration.	2 3
'50	lss	ue of	warrant	4
	' (1)	satis docu	magistrate may issue a warrant only if the magistrate is fied there are reasonable grounds for suspecting there are uments at the place that relate to a facility that is, or to lity operations that are, the subject of an inspection.	5 6 7 8
	' (2)	The	warrant must state—	9
		(a)	that a stated OHS inspector may, with necessary and reasonable help and force—	10 11
			(i) enter the place and any other place necessary for entry; and	12 13
			(ii) exercise the OHS inspector's powers under this division; and	14 15
		(b)	the purposes for which the warrant is issued; and	16
		(c)	the hours of the day or night when the place may be entered; and	17 18
		(d)	the date, within 14 days after the warrant's issue, the warrant ends.	19 20
'51			tion by electronic communication and te warrant	21 22
	' (1)	emai com	application under section 49 may be made by phone, fax, il, radio, videoconfercing or another form of electronic munication if the OHS inspector considers it necessary use of—	23 24 25 26
		(a)	urgent circumstances; or	27
		(b)	other special circumstances, including, for example, the OHS inspector's remote location.	28 29
	'(2)	The	application—	30
		(a)	may not be made before the OHS inspector prepares the written application under section 49; but	31 32

	(b)	may be made before the written application is sworn.	1
' (3)		magistrate may issue the warrant (the <i>original warrant</i>) if the magistrate is satisfied—	2 3
	(a)	it was necessary to make the application under subsection (1); and	4 5
	(b)	the way the application was made under subsection (1) was appropriate.	6 7
' (4)	Afte	r the magistrate issues the original warrant—	8
	(a)	if there is a reasonably practicable way of immediately giving a copy of the warrant to the OHS inspector, for example, by sending a copy by fax or email, the magistrate must immediately give a copy of the warrant to the OHS inspector; or	9 10 11 12 13
	(b)	otherwise—	14
		(i) the magistrate must tell the OHS inspector the date and time the warrant is issued and the other terms of the warrant; and	15 16 17
		(ii) the OHS inspector must complete a form of warrant, including by writing on it—	18 19
		(A) the magistrate's name; and	20
		(B) the date and time the magistrate issued the warrant; and	21 22
		(C) the other terms of the warrant.	23
ʻ(5)	form case	copy of the warrant mentioned in subsection $(4)(a)$, or the a of warrant completed under subsection $(4)(b)$ (in either the <i>duplicate warrant</i>), is a duplicate of, and as effectual ne original warrant.	24 25 26 27
'(6)		OHS inspector must, at the first reasonable opportunity, the magistrate—	28 29
	(a)	the written application complying with section $49(2)$ and (3) ; and	30 31
	(b)	if the OHS inspector completed a form of warrant under subsection (4)(b)—the completed form of warrant.	32 33
'(7)		magistrate must keep the original warrant and, on iving the documents under subsection (6)—	34 35

		(a)	attach the documents to the original warrant; and	1		
		(b)	give the original warrant and documents to the clerk of the court of the relevant magistrates court.	2 3		
	' (8)	Desp	pite subsection (5), if—	4		
		(a)	an issue arises in a proceeding about whether an exercise of a power was authorised by a warrant issued under this section; and	5 6 7		
		(b)	the original warrant is not produced in evidence;	8		
		the o	onus of proof is on the person relying on the lawfulness of exercise of the power to prove a warrant authorised the cise of the power.	9 10 11		
	' (9)	This	s section does not limit section 49.	12		
	' (10)	In th	nis section—	13		
		the I	<i>vant magistrates court</i> , in relation to a magistrate, means Magistrates Court that the magistrate constitutes under the <i>gistrates Act 1991</i> .	14 15 16		
'52	Defect in relation to a warrant					
	' (1)	com	varrant is not invalidated by a defect in the warrant, or in pliance with section 49, 50 or 51, unless the defect affects substance of the warrant in a material particular.	18 19 20		
	' (2)	In th	is section—	21		
		<i>wari</i> 51(5	<i>rant</i> includes a duplicate warrant mentioned in section 5).	22 23		
'53	Wa	rrant	s—procedure before entry	24		
	' (1)	issue	s section applies if an OHS inspector named in a warrant ed under this division for a place is intending to enter the e under the warrant.	25 26 27		
	'(2)		ore entering the place, the OHS inspector must do or make asonable attempt to do the following things—	28 29		
		(a)	identify himself or herself to the occupier of the place by producing a copy of the OHS inspector's identity card;	30 31 32		

	(b)	give the person a copy of the warrant;	1
	(c)	tell the person the OHS inspector is permitted by the warrant to enter the place;	2 3
	(d)	give the person an opportunity to allow the OHS inspector immediate entry to the place without using force.	4 5 6
ʻ(3)	(2) i imm	vever, the OHS inspector need not comply with subsection f the OHS inspector believes on reasonable grounds that rediate entry to the place is required to ensure the effective rution of the warrant is not frustrated.	7 8 9 10
Ent	try of	facility	11
' (1)		section applies if an OHS inspector enters a facility er section 46.	12 13
'(2)	take	reasonable steps to notify the purpose of entering the ity to—	14 15 16
	(a)	the operator's representative at the facility; and	17
	(b)	if there is a health and safety representative for a designated work group having a group member likely to be affected by the matter the subject of the inspection—the representative.	18 19 20 21
' (3)	subs	being requested to do so by a person mentioned in $(2)(a)$ or (b), the OHS inspector must produce each a following for inspection by the person—	22 23 24
	(a)	the OHS inspector's identity card;	25
	(b)	a copy of the Safety Authority's written direction, if any, to conduct the inspection;	26 27
	(c)	a copy of the restrictions, if any, imposed on the powers of the OHS inspector under section 43(4).	28 29
'(4)	work the must	ere is a health and safety representative for a designated a group having a group member likely to be affected by matter the subject of the inspection, the OHS inspector t give the health and safety representative a reasonable prtunity to consult on the matter.	30 31 32 33 34

'55	Ent	try of particular regulated business premises	1
	' (1)	This section applies if an OHS inspector enters regulated business premises, other than a facility, under section 47.	2 3
	'(2)	Immediately on entering the premises, the OHS inspector must take reasonable steps to notify the purpose of the entry to the occupier of the premises.	4 5 6
	' (3)	On being requested to do so by the occupier, the OHS inspector must produce each of the following for inspection by the occupier—	7 8 9
		(a) the OHS inspector's identity card;	10
		(b) a copy of the Safety Authority's written direction, if any, to conduct the inspection;	11 12
		(c) a copy of the restrictions, if any, imposed on the powers of the OHS inspector under section 43(4).	13 14
		sion 3 Powers after entering a place	15
'56	-	plication of sdiv 3	16
	'(1)	This subdivision applies if an OHS inspector has, under subdivision 2, entered a place.	17 18
	'(2)	However, if, under section 45(3), an OHS inspector enters a place to ask the occupier's consent to enter premises, this subdivision applies to the OHS inspector only if the consent is given or the entry is otherwise authorised.	19 20 21 22
'57	Ge	neral powers—facility	23
		'If the place is a facility, the OHS inspector may do all or any of the following—	24 25
		(a) search any part of the facility;	26
		(b) inspect, examine, take measurements of, or conduct tests concerning, a workplace at the facility or any plant, substance or thing at the facility;	27 28 29

	(c)	take photographs of, make video recordings of, or make sketches of, a workplace at the facility or any plant, substance or thing at the facility;	1 2 3
	(d)	inspect, take extracts from, or make copies of, any documents at the facility that the OHS inspector has reasonable grounds to believe relate, or are likely to relate, to the subject matter of the inspection;	4 5 6 7
	(e)	inspect the seabed and subsoil in the vicinity of the facility.	8 9
'58	General	powers—other places	10
	for, docu	he place is not a facility, the OHS inspector may search inspect, take extracts from, or make copies of, any uments at the premises that relate to a facility that is, or to lity operations that are, the subject of the inspection.	11 12 13 14
'59	Obstruc	ting or hindering OHS inspector	15
	hind	berson must not, without reasonable excuse, obstruct or ler an OHS inspector in the exercise of the inspector's ers under this division.	16 17 18
	Max	timum penalty—55 penalty units.	19

'62		wer to require the answering of questions and the oduction of documents or articles	24 25
	'(1)	If an OHS inspector believes on reasonable grounds that a prescribed person is capable of answering a question that is reasonably connected with the conduct of an inspection, the	26 27 28

- OHS inspector may, to the extent it is reasonably necessary to 29 do so in connection with the conduct of the inspection, require 30 the person to answer the question put by the OHS inspector. 31
- (2) If, when a requirement under subsection (1) is imposed on a 32 person, the person is not physically present on regulated 33

		ness premises, the person is not obliged to comply with requirement unless the requirement—	1 2	
	(a)	is in writing; and	3	
	(b)	states the day on or before which the question is to be answered, being at least 14 days after the day on which the requirement is imposed; and	4 5 6	
	(c)	is accompanied by a statement to the effect that a failure to comply with the requirement is an offence.	7 8	
'(3)	prese artic inspe rease of th	n OHS inspector believes on reasonable grounds that a cribed person is capable of producing a document or de that is reasonably connected with the conduct of an ection, the OHS inspector may, to the extent it is onably necessary to do so in connection with the conduct he inspection, require the person to produce the document rticle.	9 10 11 12 13 14 15	
'(4)	If, when a requirement under subsection (3) is imposed on a person, the person is not physically present on regulated business premises, the person is not obliged to comply with the requirement unless the requirement—			
	(a)	is in writing; and	20	
	(b)	states the day on or before which the document or article is to be produced, being at least 14 days after the day on which the requirement is imposed; and	21 22 23	
	(c)	is accompanied by a statement to the effect that a failure to comply with the requirement is an offence.	24 25	
' (5)	A pe	erson must not—	26	
	(a)	fail, without reasonable excuse, to comply with a requirement under this section; or	27 28	
	(b)	in purported compliance with a requirement under this section, give information that is false or misleading in a material particular.	29 30 31	
		timum penalty—33 penalty units or 6 months risonment.	32 33	

'63 Privilege against self-incrimination

- (1) A person is not excused from answering a question or producing a document or article when required to do so under 3 section 62 on the ground that the answer to the question, or 4 the production of the document or article, may tend to 5 incriminate the person or make the person liable to a penalty.
- '(2) However, none of the following is admissible in evidence 7 against the person in civil proceedings or criminal 8 proceedings, other than proceedings for an offence against 9 section 62—
 - (a) the answer given or document or article produced; or
 - (b) answering the question or producing the document or 12 article; or 13
 - (c) any information, document or thing obtained as a direct 14 or indirect consequence of the answering of the question 15 or the production of the document or article.
 16

64 Power to take possession of plant, take samples of substances etc.

- (1) In conducting an inspection, an OHS inspector may, to the 19 extent it is reasonably necessary for the purposes of 20 inspecting, examining, taking measurements of or conducting 21 tests concerning, any plant, substance or thing at a facility in 22 connection with the inspection— 23
 - (a) take possession of the plant, substance or thing and 24 remove it from the facility; or 25
 - (b) take a sample of the substance or thing and remove the 26 sample from the facility. 27
- (2) On taking possession of plant, a substance or a thing, or taking a sample of a substance or thing, the OHS inspector must, by notice in writing, inform the following person of the taking of possession or the taking of the sample, as the case may be, and the reasons for it—
 - (a) the operator of the facility; and
 - (b) if the plant, substance or thing is used for the 34 performance of work by an employer of a member or 35

1

17 18

33

members of the workforce at the facility other than the operator of the facility—the employer; and

- (c) if the plant, substance or thing is owned by a person other than a person mentioned in paragraph (a) or (b)—the person; and
- (d) if there is a health and safety representative for a 6 designated work group that includes a member of the workforce who is affected by the matter to which the 8 inspection relates—the representative. 9
- **'**(3) If the OHS inspector gives the notice to the operator of the 10 facility to which the inspection relates, the operator's 11 representative at the facility must cause the notice to be 12 displayed in a prominent place at the workplace from which 13 the plant, substance or thing was removed. 14
- **'(4)** If the OHS inspector takes possession of plant, a substance or 15 a thing at a workplace for the purpose of inspecting, 16 examining, taking measurements of or conducting tests 17 concerning, the plant, substance or thing, the OHS inspector 18 must— 19
 - (a) ensure the inspection, examination, measuring or testing 20 is conducted as soon as practicable; and 21
 - (b) return it to the workplace as soon as practicable 22 afterwards. 23
- **'**(5) As soon as practicable after completing the inspection, 24 examination, measurement or testing, the investigator must 25 give a written statement of the results to each person whom 26 the investigator is required to notify under subsection (2). 27

'65 Power to direct that workplace etc not be disturbed

- An OHS inspector may give a direction under subsection (2) **(**1) 29 if, in conducting an inspection, the OHS inspector has 30 reasonable grounds to believe it is reasonably necessary to do 31 so in order to-32
 - remove an immediate threat to the health or safety of a (a) 33 person; or 34

1

2

3

4

5

7

- (2) If subsection (1) applies, the OHS inspector may direct, by written notice given to the operator's representative at the facility, that the operator must ensure a particular workplace, plant, substance or thing not be disturbed for a period stated in the direction.
- '(3) The period stated in the direction must be a period the OHS 9 inspector has reasonable grounds to believe is necessary in 10 order to remove the threat or to allow the inspection, 11 examination, measuring or testing to take place.
- (4) The direction may be renewed by another direction in the 13 same terms. 14
- '(5) If an OHS inspector gives a notice to the operator's 15 representative under subsection (2), the operator's 16 representative must cause the notice to be displayed in a 17 prominent place at the workplace— 18
 - (a) that is to be left undisturbed; or
 - (b) where the plant, substance or thing that is to be left 20 undisturbed is located. 21
- (6) As soon as practicable after giving the direction, the OHS 22 inspector must take reasonable steps to notify the following 23 persons of the direction and the reasons for giving it— 24
 - (a) if the workplace, plant, substance or thing to which the
 direction relates is owned by a person other than the
 operator of the facility—the person; and
 27
- (7) The operator of a facility to which a direction concerning a workplace, plant, substance or a thing relates must ensure the direction is complied with.
 33

Maximum penalty—275 penalty units.

	(c)	decides, under section 65, to direct that a workplace, a part of a workplace, plant, a substance or a thing not be disturbed; or	1 2 3
	(d)	decides, under section 66, to issue a prohibition notice; or	4 5
	(e)	decides, under section 67, that the operator of a facility to whom a prohibition notice has been issued has not taken adequate action to remove the threat to health and safety that caused the notice to be issued; or	6 7 8 9
	(f)	decides, under section 68, to issue an improvement notice.	10 11
'(2)	revie	erson mentioned in subsection (3) may appeal to the ewing authority against the decision, by giving notice in ing to the reviewing authority.	12 13 14
' (3)	The	following persons may appeal, as applicable—	15
	(a)	the operator of the facility or an employer, other than the operator, who is affected by the decision; or	16 17
	(b)	a person to whom a notice has been issued under section_ $35(3)$ or $68(1)$; or	18 19
	(c)	the health and safety representative for a designated work group having a group member affected by the decision; or	20 21 22
	(d)	a workforce representative in relation to the designated work group including a group member who is affected by the decision and who has requested the workforce representative to make the appeal; or	23 24 25 26
	(e)	if there is no designated work group, and a member of the workforce affected by the decision has requested a workforce representative in relation to the member to make the appeal—the workforce representative; or	27 28 29 30
	(f)	a person who owns any workplace, plant, substance or thing to which a decision mentioned in subsection $(1)(a)$, (b) , (c) or (f) relates.	31 32 33
' (4)		section (5) applies if an OHS inspector, having conducted aspection—	34 35

s 19

	(a)	decides under section 36 to cancel a provisional improvement notice; or	1 2
	(b)	decides under section 67 that the operator of a facility to whom a prohibition notice has been issued has taken adequate action to remove the threat to health and safety that caused the notice to be issued.	3 4 5 6
'(5)	agai	ollowing person may appeal to the reviewing authority nst the decision, by giving notice in writing to the ewing authority—	7 8 9
	(a)	the health and safety representative for a designated work group having a group member affected by the decision; or	10 11 12
	(b)	a workforce representative in relation to the designated work group that includes a group member who is affected by the decision and who has requested the workforce representative to make the appeal; or	13 14 15 16
	(c)	if there is no designated work group, and a member of the workforce affected by the decision has requested a workforce representative in relation to the member to make the appeal—that workforce representative.	17 18 19 20
'(6)	affec prev	ect to this section, giving notice of an appeal does not et the operation of the decision appealed against or ent the taking of action to implement that decision, except he extent the reviewing authority makes an order to the rary.	21 22 23 24 25
'(7)	to is is su	e decision appealed against is a decision under section 68 sue an improvement notice, the operation of the decision aspended pending determination of the appeal, except to extent the reviewing authority makes an order to the rary.	26 27 28 29 30
' (8)	insp impr pend relat pend	the decision appealed against is a decision of an OHS ector under section 36 to confirm or vary a provisional rovement notice whose operation has been suspended ling the inspection of the matter to which the notice es, the operation of the notice is further suspended ling determination of the appeal, except to the extent the ewing authority makes an order to the contrary.	31 32 33 34 35 36 37

'73	Po	wers of reviewing authority on appeal	1
	' (1)	On an appeal, the reviewing authority may—	2
		(a) affirm, vary or revoke the decision appealed against; and	3
		(b) if it revokes the decision—substitute another decision of the kind appealed against that the reviewing authority thinks appropriate.	4 5 6
	'(2)	If the decision is varied or revoked or revoked with the substitution of another decision, the decision is taken to have effect, and always to have had effect, accordingly.	7 8 9
	'(3)	If the decision appealed against is a decision under section 64 to take possession of plant, a substance or a thing at a workplace and the decision is not affirmed, the OHS inspector who made the decision must ensure, to the extent the decision is not affirmed, the plant, substance or thing is returned to the workplace as soon as practicable.	10 11 12 13 14 15

'Part 5 General

'74	Notifying and reporting accidents and dangerous occurrences				
	' (1)	This	section applies if, at or near a facility, there is-	19	
		(a)	an accident causing the death of, or serious personal injury to, any person; or	20 21	
		(b)	an accident causing a member of the workforce to be incapacitated from performing work for a period prescribed for the purposes of this paragraph; or	22 23 24	
		(c)	a dangerous occurrence.	25	
	'(2)	Auth	operator must, under the regulations, give the Safety nority notice of, and a report about, the accident or gerous occurrence.	26 27 28	
	' (3)		egulation made for the purposes of subsection (2) may cribe—	29 30	

		(a) the time within which, and the manner in which, notice of an accident or dangerous occurrence is to be given, and the form of the notice; and	1 2 3
		(b) the time within which, and the manner in which, a report of an accident or dangerous occurrence is to be given, and the form of the report.	4 5 6
	'(4)	Subsection (3) does not limit regulations that may be made for the purposes of subsection (2).	7 8
'75		cords of accidents and dangerous occurrences to kept	9 10
	'(1)	The operator of a facility must maintain, under the regulations, a record of each accident or dangerous occurrence in relation to which the operator is required under section 74 to notify the Safety Authority.	11 12 13 14
	'(2)	A regulation made for the purposes of subsection (1) may prescribe—	15 16
		(a) the nature of the contents of a record maintained under this section; and	17 18
		(b) the period for which the record must be retained.	19
	' (3)	Subsection (2) does not limit regulations that may be made for the purposes of subsection (1).	20 21
'76	Co	des of practice	22
	'(1)	The regulations may prescribe codes of practice for the purpose of providing practical guidance to operators of facilities and employers, other than operators, of members of the workforce at facilities.	23 24 25 26
	'(2)	A person is not liable to any civil or criminal proceedings for contravening a code of practice.	27 28
'77	Us	e of codes of practice in proceedings	29
	' (1)	This section applies if, in proceedings for an offence against a listed OHS law, it is alleged that a person contravened a	30 31

provision of a listed OHS law in relation to which a code of 1 practice was in effect at the time of the alleged contravention. 2

- ·(2) The code of practice is admissible in evidence in those proceedings.
- In relation to a matter the prosecution must prove in order to **'**(3) establish the alleged contravention, the matter is treated as proved if the court is satisfied that-
 - (a) a provision of the code of practice is relevant to the 8 matter; and 9
 - (b) the person failed at a material time to comply with the 10 provision of the code of practice. 11
- **'**(4) Subsection (3) does not apply if the court is satisfied that in 12 relation to the matter the person complied with the provision 13 of a listed OHS law otherwise than by complying with the 14 code of practice. 15

'78 Interference with equipment etc

'A person must not, without reasonable excuse, do anything 17 resulting in the interference with, or the rendering ineffective 18 of, protective equipment or a safety device provided for the 19 occupational health and safety or welfare of members of the 20 workforce at a facility if the person knew, or ought reasonably 21 to have known, that the equipment or device was protective 22 equipment or a safety device. 23

Maximum penalty—33 penalty units or 6 months 24 imprisonment. 25

'79 Members of workforce not to be levied

'The operator of a facility or an employer, other than the 27 operator, of members of the workforce at a facility must not 28 levy, or permit to be levied, on a member of the workforce a 29 charge in relation to anything done or provided in accordance 30 with a listed OHS law in order to ensure the occupational 31 health and safety or welfare of persons at or near the facility. 32

```
Maximum penalty—275 penalty units.

'80 Victimisation 1 An employer, whether the operator of a facility or another 2 **(**1) person, must not do anything mentioned in subsection (2) in 3 relation to an employee because the employee-4 has complained or proposes to complain about a matter 5 (a) concerning the health, safety or welfare of employees at 6 work: or 7 has assisted or proposes to assist, by giving information 8 (b) or otherwise, the conduct of an inspection; or 9 has ceased, or proposes to cease, to perform work, in (c) 10 accordance with a direction by a health and safety 11 representative under section 41(2)(b) or (5)(a), and the 12 cessation or proposed cessation does not continue 13 after-14 the health and safety representative has agreed (i) 15 with a person supervising the work that the 16 cessation or proposed cessation was not, or is no 17 longer, necessary; or 18 (ii) an OHS inspector has, under section 41(8), made a 19 decision to the effect that the employee should 20 perform the work. 21 Maximum penalty—275 penalty units. 22 For subsection (1), the things are— ·(2) 23 (a) dismiss the employee; or 24 (b) perform an act resulting in injury to the employee in the 25 employee's employment; or 26 (c) perform an act that prejudicially alters the employee's 27 position, whether by deducting or withholding 28 remuneration or by another means; or 29 threaten to do something mentioned in paragraphs (a) to (d) 30 (c). 31 In proceedings for an offence against subsection (1), if all the ·(3) 32 relevant facts and circumstances, other than the reason for an 33 action alleged in the charge, are proved, the defendant has the 34 onus of establishing that the action was not taken for that 35 reason. 36

'81	Ins	titution of prosecutions	1
	' (1)	Proceedings for an offence against a listed OHS law may be instituted by the Safety Authority or by an OHS inspector.	2 3
	'(2)	A health and safety representative for a designated work group may request the Safety Authority to institute proceedings for an offence against a listed OHS law in relation to the occurrence of an act or omission if—	4 5 6 7
		(a) a period of 6 months has elapsed since the act or omission occurred; and	8 9
		(b) the health and safety representative considers the occurrence of the act or omission constitutes an offence against a listed OHS law; and	10 11 12
		(c) proceedings in relation to the offence have not been instituted.	13 14
	'(3)	A workforce representative in relation to a designated work group may request the Safety Authority to institute proceedings for an offence against a listed OHS law in relation to the occurrence of an act or omission if—	15 16 17 18
		(a) a period of 6 months has elapsed since the act or omission occurred; and	19 20
		(b) the workforce representative considers the occurrence of the act or omission constitutes an offence against a listed OHS law; and	21 22 23
		(c) proceedings in relation to the offence have not been instituted; and	24 25
		(d) a group member included in the group requests the workforce representative to request the Safety Authority to institute the proceedings.	26 27 28
	' (4)	A request under subsection (2) or (3) must be in writing.	29
	'(5)	The Safety Authority must, within 3 months after receiving the request, advise the health and safety representative or the workforce representative, as the case may be, whether proceedings under subsection (1) have been or will be instituted, and, if not, give reasons why not.	30 31 32 33 34

'82	Ro	e of Commonwealth DPP	1
		'The Commonwealth Director of Public Prosecutions has the same functions and powers in relation to an offence against a listed OHS law as he or she would have if the offence were an offence against a law of the Commonwealth, including the power to institute and carry on an appeal arising out of a prosecution for that offence.	2 3 4 5 6 7
'83	Co	nduct of directors, employees and agents	8
	' (1)	This section has effect for a proceeding for an offence against a listed OHS law.	9 10
	'(2)	If it is necessary to establish the state of mind of a corporation in relation to particular conduct, it is sufficient to show—	11 12
		 (a) that the conduct was engaged in by a director, employee or agent of the corporation within the scope of actual or apparent authority; and 	13 14 15
		(b) that the director, employee or agent had the state of mind.	16 17
	'(3)	Conduct engaged in on behalf of a corporation by a director, employee or agent of the corporation within the scope of actual or apparent authority is taken to have been engaged in also by the corporation unless it establishes that it took reasonable precautions and exercised due diligence to avoid the conduct.	18 19 20 21 22 23
	'(4)	If it is necessary to establish the state of mind of an individual in relation to particular conduct, it is sufficient to show—	24 25
		 (a) that the conduct was engaged in by an employee or agent of the individual within the scope of actual or apparent authority; and 	26 27 28
		(b) that the employee or agent had the state of mind.	29
	'(5)	Conduct engaged in on behalf of an individual by an employee or agent of the individual within the scope of actual or apparent authority is taken to have been engaged in also by the individual unless the individual establishes that he or she took reasonable precautions and exercised due diligence to avoid the conduct.	30 31 32 33 34 35

	'(6)	indiv subs	in individual is found guilty of an offence and the vidual would not have been found guilty of the offence if sections (4) and (5) did not apply, the individual is not le to be punished by imprisonment for the offence.	1 2 3 4
	'(7)		eference in subsection (2) or (4) to the state of mind of a on includes a reference to—	5 6
		(a)	the person's knowledge, intention, opinion, belief or purpose; and	7 8
		(b)	the person's reasons for the intention, opinion, belief or purpose.	9 10
'84	Act	t not	to give rise to other liabilities etc	11
		'Thi	s schedule does not—	12
		(a)	confer a right of action in any civil proceeding in relation to a contravention of a provision of a listed OHS law; or	13 14 15
		(b)	confer a defence to an action in any civil proceeding or otherwise affect a right of action in any civil proceeding.	16 17
'85			stances preventing compliance may be to prosecution	18 19
	'(1)	anyt it wa	a defence to a prosecution for refusing or failing to do hing required by a listed OHS law if the defendant proves as not practicable to do the thing because of an unforeseen uncontrollable event prevailing at the relevant time.	20 21 22 23
	'(2)	This	s section does not limit chapter 5 ⁵ of the Criminal Code.	24
'86	Ар	prova	al of forms	25
		'The	e Minister may approve forms for this schedule.	26
'87	Re	gulat	ion making power—sch 3 generally	27
		'Reg	gulations may prescribe—	28

(a)	procedures for the selection of persons, under section 38, as members of health and safety committees, to represent the interests of members of the workforce at a facility; and	1 2 3 4
(b)	procedures to be followed at meetings of health and safety committees; and	5 6
(c)	the manner in which notices are to be served under this schedule or the regulations.'.	7 8

Sche	dule Minor amendments	1
