A Bill

for

An Act about health and safety in recreational water activities provided in the conduct of a business or undertaking

[s 1]_____

The	Parlia	ment of Queensland enacts—	1
Par	t 1	Preliminary	2
1	Sh	ort title	3
		This Act may be cited as the Safety in Recreational Water Activities Act 2011.	4 5
2	Со	mmencement	6
		This Act commences on a day to be fixed by proclamation.	7
3	Ob	ject	8
	(1)	The main object of this Act is to ensure the health and safety of persons to whom recreational water activities are provided by a person conducting a business or undertaking by—	9 10 11
		 (a) protecting the persons against harm to their health, safety and welfare through the elimination or minimisation of risks arising from the provision to them of recreational water activities; and 	12 13 14 15
		(b) promoting the provision of advice, information, education and training for health and safety in relation to the provision of the recreational water activities; and	16 17 18
		(c) securing compliance with this Act through effective and appropriate compliance and enforcement measures; and	19 20
		(d) ensuring appropriate scrutiny and review of actions taken by persons exercising powers and performing functions under this Act; and	21 22 23
		(e) providing a framework for continuous improvement and progressively higher standards of health and safety in relation to the provision of the recreational water activities.	24 25 26 27

[s 4]

(2)	In furthering subsection (1)(a), regard must be had to the principle that persons should be given the highest level of protection as is reasonably practicable against harm to their health, safety and welfare from hazards and risks arising from the provision of recreational water activities.	1 2 3 4 5
(3)	This Act operates in conjunction with the <i>Work Health and Safety Act 2011</i> and for that purpose substantial provisions are adopted from that Act and this Act makes provision for the relationship between this Act and that Act.	6 7 8 9
	plication of this Act in circumstances to which Work alth and Safety Act 2011 applies	10 11
(1)	This section applies if—	12
	(a) this Act applies in particular circumstances; and	13
	(b) the <i>Work Health and Safety Act 2011</i> also has application in the circumstances.	14 15
	Note—	16
	The <i>Work Health and Safety Act 2011</i> , schedule 1, part 2, division 4 provides that in particular circumstances the primary duty imposed by section 16 of this Act is the duty that will apply for particular persons. That provision also ensures consistency of that Act and this Act in relation to the primary duty.	17 18 19 20 21
(2)	The <i>Work Health and Safety Act 2011</i> continues to apply, and must be complied with, in addition to this Act.	22 23
(3)	If this Act is inconsistent with the <i>Work Health and Safety Act</i> 2011, the <i>Work Health and Safety Act</i> 2011 prevails to the extent of the inconsistency.	24 25 26
(4)	However, this Act is not inconsistent with the Work Health and Safety Act 2011 only because it—	27 28
	(a) imposes additional duties on a person on whom a duty is imposed under the <i>Work Health and Safety Act 2011</i> ; or	29 30
	(b) otherwise increases the standards of safety required for recreational water activities.	31 32
