‘761A Special requirement to amend or make planning scheme

5

‘(1) This section applies to a local government that has a declared master planned area in its local government area.

6

7

‘(2) The local government must amend its planning scheme, other than an IPA planning scheme, within 3 years after the commencement to incorporate the structure plan for each of the local government’s declared master planned areas in the planning scheme.

8

9

10

11

12

‘(3) However, if on the commencement the local government’s planning scheme is an IPA planning scheme, the local government must—

13

14

15

(a) make a planning scheme under this Act within 3 years after the commencement; and

16

17

(b) incorporate the structure plan for each of the local government’s declared master planned areas in the planning scheme.

18

19

20

‘(4) In this section—

21

commencement means the commencement of this section.

22

declared master planned area means an area identified as a master planned area in a declaration made under the unamended Act, section 133 and in force on the commencement.

23

24

25

26

structure plan, for a master planned area, means the structure plan for the area made under the unamended Act and in effect on the commencement.

27

28

29

unamended Act means this Act as in force immediately before the commencement.

	‘(2) If a provision in this division uses a term defined under the unamended Act, other than a term defined under section 893, the term has the same meaning as it had under the unamended Act unless otherwise stated.	18 19 20 21

‘Subdivision 2	State planning instruments and local planning instruments	1 2
‘896	State planning regulatory provisions relating to master planning	3 4
‘(1)	This section applies in relation to the making of a State planning regulatory provision after the commencement.	5 6
‘(2)	Section 16 applies as if section 16(1)(a) included a reference to providing regulatory support for master planning.	7 8
‘(3)	Section 20 applies as if—	9
(a)	section 20(1)(a) included a reference to implementing a structure plan for a declared master planned area; and	10 11
(b)	section 20(1)(b) included a reference to the implementation of a structure plan for a master planned area.	12 13 14
‘(4)	Former section 21 continues to apply in relation to the making of the State planning regulatory provision.	15 16

‘897	Adoption of documents by local planning instruments	20
‘(1)	Despite sections 85(1) and 107(1), a planning scheme or a temporary local planning instrument of a local government may, under the <i>Statutory Instruments Act 1992</i> , section 23, apply, adopt or incorporate the following documents made by the local government—	21 22 23 24 25
(a)	a structure plan;	26
(b)	a master plan.	27
‘(2)	Despite section 115(1), a planning scheme policy of a local government may, under the <i>Statutory Instruments Act 1992</i> , section 23, apply, adopt or incorporate a master plan.	28 29 30

[s 122]

‘Subdivision 3	Structure plans	1
‘898	General matters about structure plans	2
‘(1)	Subject to subsection (5), a structure plan for a master planned area of a local government continues in effect for this Act and any other Act—	3 4 5
(a)	as if former chapter 4 had not been repealed; and	6
(b)	until the local government amends its planning scheme under section 761A.	7 8
‘(2)	To the extent a structure plan is inconsistent with a regulation made under section 232(1) or (2), the structure plan is of no effect.	9 10 11
‘(3)	If there is an inconsistency between a structure plan and a State planning instrument, the State planning instrument prevails to the extent of the inconsistency.	12 13 14
‘(4)	A structure plan may state that development is prohibited development, but only if the standard planning scheme provisions state the development may be prohibited development.	15 16 17 18
‘(5)	The following provisions of a structure plan for a master planned area are of no effect—	19 20
(a)	the identification of any master planning requirements under former section 141(2)(b);	21 22
(b)	a provision that states a master plan may identify alternative levels of assessment under former section 141(3)(b);	23 24 25
(c)	a provision under former section 141(3)(c) that states development can not be carried out in the area until there is a master plan for the area;	26 27 28
(d)	a provision that states a development application for a preliminary approval to which section 242 applies can not be made for development in the area.	29 30 31

‘899	Changes to restrictions on particular development applications in master planned area	1
		2
‘(1)	This section applies to a development application for a preliminary approval to which section 242 applies that is made after the commencement for a master planned area.	3
		4
		5
‘(2)	To remove any doubt, it is declared that—	6
	(a) despite former section 134, the development application can seek to vary the effect of the structure plan area code identified or included in the structure plan for the area; and	7
		8
		9
		10
	(b) if the development application seeks to vary the effect of the structure plan area code, chapter 6, part 4 applies to the application.	11

‘901	Structure plans not in effect on the commencement	20
‘(1)	This section applies if a local government does not have a structure plan in effect for a declared master planned area on the commencement.	21
		22
		23
‘(2)	The local government must follow the process stated in the guideline mentioned in section 117(1) or (2) to amend its planning scheme or make a temporary local planning instrument for the declared master planned area to—	24
		25
		26
		27
	(a) set out the broad environmental, infrastructure and development intent to guide detailed planning for the area; and	28
		29
		30
	(b) appropriately reflect the standard planning scheme provisions; and	31
		32

[s 122]

- (c) include a code that—
 - (i) states the development entitlements and development obligations for the area; and
 - (ii) includes a map that gives a spatial dimension to the matters the subject of the code; and
- (d) for development in the area—
 - (i) state development that is—
 - (A) exempt development; and
 - (B) self-assessable development; and
 - (C) development requiring compliance assessment; and
 - (D) assessable development requiring code or impact assessment, or both code and impact assessment; and
 - (ii) identify or include codes for the development.
- ‘(3) The local planning instrument as amended or made under subsection (2) may also include a regulated State infrastructure charges schedule.

‘902 Agreements to fund structure plans

- ‘(1) This section applies if—
 - (a) before the commencement, a local government entered into an agreement under former section 143 to fund the preparation of a structure plan for a declared master planned area; and
 - (b) on the commencement—
 - (i) the agreement is in force; and
 - (ii) the structure plan is not in effect for the area.
- ‘(2) Subject to subsections (3) and (4), the agreement continues in force and is binding on the parties to the agreement.

- ‘(3) The local government must, as required under section 901, amend its planning scheme, or make a temporary local planning instrument, instead of preparing the structure plan. 1
2
3
- ‘(4) The planning scheme or temporary local planning instrument amended or made under subsection (3) must be consistent with the policy the local government adopted under former section 143(2) about providing funding for preparing the structure plan. 4
5
6
7
8

‘Subdivision 4 Master plans 9

‘903 Existing master plans 10

- ‘(1) For this Act and any other Act, a master plan in force at the commencement continues in force— 11
12
 - (a) as if former chapter 4 had not been repealed; and 13
 - (b) until it would have ceased to have effect under section 908. 14
15
- ‘(2) A provision of a master plan that requires later master plans for the master planning unit is of no effect. 16
17

‘904 Relationship with regulation under s 232 18

- ‘(1) A master plan, whether it takes effect before or after the commencement, must be consistent with a regulation made under section 232(1) or (2). 19
20
21
- ‘(2) To the extent a master plan is inconsistent with a regulation made under section 232(1) or (2), the master plan is of no effect. 22
23
24

‘905 Relationship with other planning instruments 25

- ‘(1) If there is an inconsistency between a master plan and a State planning instrument, the State planning instrument prevails to the extent of the inconsistency. 26
27
28

[s 122]

- ‘(2) To the extent a master plan is, by doing either or both of the following things for development in the master planning unit for the plan, different from a local planning instrument, the master plan prevails—
- (a) stating whether the development is—
- (i) exempt development; or
- (ii) self-assessable development; or
- (iii) development requiring compliance assessment; or
- (iv) assessable development requiring code or impact assessment, or both code and impact assessment;
- (b) identifying or including codes for the development.
- ‘(3) Subsection (1) is subject to section 906.
- ‘906 New planning instruments can not affect approved master plan**
- ‘If, after a master plan is approved, a new planning instrument or an amendment of a planning instrument commences, neither the planning instrument nor the amendment can change or otherwise affect the master plan.
- ‘907 Master plan attaches to land in master planning unit**
- ‘(1) A master plan attaches to all land in the master planning unit for the plan, and binds the owner, the owner’s successors in title and any occupier of the land.
- ‘(2) To remove any doubt, it is declared that subsection (1) applies even if later development, including reconfiguring a lot, is carried out or approved for the land, or the land is reconfigured.
- ‘908 When master plan ceases to have effect**
- ‘A master plan ceases to have effect—

	(a)	at the time stated in the plan as the time by which development in the master planning unit for the plan must be completed, whether or not the development has been completed; or	1 2 3 4
	(b)	the earlier time when all development in the master planning unit has been carried out in accordance with the master plan.	5 6 7
'909		Existing applications for approval of master plans	8
	'(1)	This section applies to a master plan application made but not decided before the commencement.	9 10
	'(2)	The application must be decided under the unamended Act.	11
	'(3)	For dealing with and deciding the application, former section 155 and former chapter 4, part 3, division 3, and any other former provisions necessary to give effect to the decision, continue to apply.	12 13 14 15
	'(4)	However, despite former section 155 continuing to apply to a master plan, a master plan may not—	16 17
		(a) require later master plans for the master planning unit; or	18 19
		(b) state requirements with which a later master plan must comply.	20 21
'910		Applications for amendment or cancellation of master plans	22 23
	'(1)	This section applies to an application to amend or cancel a master plan for a declared master planned area that is made but not decided before the commencement or made after the commencement.	24 25 26 27
	'(2)	The application must be decided under the unamended Act.	28
	'(3)	For dealing with and deciding the application, former section 155 and former chapter 4, part 3, divisions 3 and 4, and any other former provisions necessary to give effect to the decision, continue to apply.	29 30 31 32

[s 122]

‘(4)	However, despite former section 155 continuing to apply to a master plan, a master plan may not—	1 2
(a)	require later master plans for the master planning unit; or	3 4
(b)	state requirements with which a later master plan must comply.	5 6
‘Subdivision 5	Designation of land for community infrastructure	7 8
‘911	Minister must consider master plans before designating land	9 10
‘(1)	This section applies in relation to a Minister designating land under chapter 5 for community infrastructure prescribed under a regulation for section 200.	11 12 13
‘(2)	Section 207 applies to designating the land as if—	14
(a)	section 207(2) included a requirement for the Minister to consider any master plans for land in a declared master planned area; and	15 16 17
(b)	section 207(3) included a reference to carrying out public notification for a structure plan for a declared master planned area that includes the community infrastructure, under the guideline in force under former section 145 immediately before the commencement.	18 19 20 21 22
‘Subdivision 6	Matters relating to IDAS	23
‘912	Categories of development for master plans	24
‘(1)	Subsection (2) applies to a regulation in force immediately before the commencement that prescribes development that a master plan can not declare to be self-assessable development, development requiring compliance assessment, assessable development or prohibited development.	25 26 27 28 29

-
- ‘(2) The regulation continues in force for a master plan until the master plan ceases to have effect. 1 2
 - ‘(3) A regulation may, from the commencement, prescribe development that a master plan can not declare to be self-assessable development, development requiring compliance assessment, assessable development or prohibited development. 3 4 5 6 7

‘913 Exempt development in master planned areas 8

- ‘Section 235 applies to a master plan as if— 9
 - (a) section 235(2) included a reference to exempt development not needing to comply with master plans for declared master planned areas; and 10 11 12
 - (b) section 235(3) included a reference to section 235(2) as applied under paragraph (a) not stopping a master plan for a declared master planned area affecting exempt development in the circumstances mentioned in section 235(3)(a) and (b). 13 14 15 16 17

‘914 Exclusion of particular entities as referral agency for a master planned area 18 19

- ‘(1) This section applies to a development application for land in a declared master planned area, whether made before or after the commencement. 20 21 22
- (2) Despite sections 250 and 251, to the extent an entity has exercised a coordinating agency’s or participating agency’s jurisdiction for the structure plan or a master plan for the master planned area, the entity is a referral agency for the application only if a regulation for this subsection provides that the entity is a referral agency for the application. 23 24 25 26 27 28
- ‘(3) However, if— 29
 - (a) the structure plan for the declared master planned area requires 1 or more master plans for all or part of the land; and 30 31 32

[s 122]

- (b) not all the master plans are in effect; 1
 - the coordinating agency and the participating agencies 2
 - identified in the structure plan are referral agencies for the 3
 - application to the extent of the jurisdiction or jurisdictions 4
 - identified in the structure plan for the coordinating agency and 5
 - each participating agency. 6
- ‘(4) Also, if the application is a development application for a 7
- preliminary approval to which section 242 applies, subsection 8
- (2) applies only if— 9
- (a) the development for which the application is made is 10
 - substantially consistent with the structure plan area code 11
 - identified or included in the structure plan for the area; 12
 - and 13
 - (b) the development for which the application is made is 14
 - substantially consistent with any master plan area code 15
 - included in a master plan that applies to the land or part 16
 - of the land; and 17
 - (c) the application does not seek to change the type of 18
 - assessment for the development or, if it does, it seeks to 19
 - change it in a way mentioned in section 295(3)(b). 20
- ‘915 **Exclusion of particular provisions about making 21**
- development application for declared master planned 22**
- area 23**
- ‘(1) This section applies to the making of a development 24
- application, or proposed application, for development in a 25
- declared master planned area, whether made before and not 26
- decided on the commencement or made after the 27
- commencement. 28
- ‘(2) The following do not apply to the making of the application or 29
- proposed application— 30
- (a) section 239, to the extent the development includes 31
 - prohibited development under schedule 1; 32
 - (b) a provision of any other Act that imposes a requirement 33
 - for, or a restriction on, the making of the application. 34

- ‘(3) This section applies despite any other Act and prevails to the
extent of any inconsistency with another provision of chapter
6. 1
2
3

‘916 Referral agency assesses application 4

- ‘(1) This section applies to a referral agency assessing a
development application for land in a declared master planned
area, whether made before and not decided on the
commencement or made after the commencement. 5
6
7
8
- ‘(2) Section 282 applies to the assessment of the application as if
section 282(2) included a reference to assessing the
application with regard to— 9
10
11
- (a) the structure plan for the area; and 12
- (b) the master plan for the area. 13
- ‘(3) However, if— 14
- (a) the chief executive is a referral agency for the
application; and 15
16
- (b) the application is made after the commencement of the
amending Act, section 35; 17
18
- section 255C also applies for assessing the application. 19

**‘917 Code and impact assessment and particular s 242
preliminary approval assessment 20
21**

- ‘(1) Subsections (2) and (3) apply if any part of a development
application for a master planned area requires code
assessment. 22
23
24
- ‘(2) On the commencement, section 313 applies to the application
as if section 313(2)(e) included a reference to assessing the
part of the application against any applicable codes in a
structure plan or master plan for the area. 25
26
27
28
- ‘(3) However, if— 29
- (a) the chief executive is the assessment manager for the
application; and 30
31

[s 122]

- (b) the application is made after the commencement of the amending Act, section 35;
section 255A also applies for assessing the part.
- ‘(4) Subsections (5) and (6) apply to any part of a development application for a master planned area requiring impact assessment.
- ‘(5) On the commencement, section 314 applies to the application as if section 314(2) included a reference to assessing the part of the application against each of the following matters or things to the extent the matter or thing is relevant to the development—
- (a) a structure plan;
- (b) all master plans for the area.
- ‘(6) However, if—
- (a) the chief executive is the assessment manager for the application; and
- (b) the application is made after the commencement of the amending Act, section 35;
section 255B also applies for assessing the part.
- ‘(7) Subsection (8) applies to a development application for a preliminary approval mentioned in section 242 for a master planned area.
- ‘(8) On the commencement, section 316 applies to the application as if section 316(4) included a reference to assessing the part of the application having regard to both of the following to the extent they are relevant to the application—
- (a) the structure plan for the area;
- (b) a master plan for the area.
- ‘918 Continued application of former provisions relating to decision for and approval of application**
- ‘(1) Subsection (2) applies if—

-
- (a) a development application relates to land in a declared master planned area; and 1
2
 - (b) the structure plan for the master planned area requires a master plan for the land; and 3
4
 - (c) a proposed master plan has not been approved; and 5
 - (d) a master plan application has been made but not decided before the commencement. 6
7
 - ‘(2) Until the master plan application has been decided— 8
 - (a) the assessment manager’s decision can not be made; and 9
 - (b) the decision-making period for the application is suspended. 10
11
 - ‘(3) Subsection (4) applies for the assessment manager deciding under section 324 an application for development in a master planned area if the structure plan for the area requires a master plan for the development. 12
13
14
15
 - ‘(4) If a master plan application for the master plan is refused, the development application must be refused. 16
17
 - ‘919 Compliance assessment of development application 18**
 - ‘(1) On the commencement, section 397 applies as if section 397(2) provided that the following may state that a document or work is a document or work requiring compliance assessment— 19
20
21
22
 - (a) a structure plan; 23
 - (b) a master plan. 24
 - ‘(2) Subsection (3) applies if— 25
 - (a) a condition of a development approval states that a document or work is a document or work requiring compliance assessment; and 26
27
28
 - (b) the development approval relates to an application for development in a declared master planned area, whether made before or after the commencement. 29

[s 122]

‘(3)	Section 398 applies as if section 398(3) provided that the condition may require the document or work to be assessed for compliance with a matter or thing stated in a structure plan or master plan for the area.	1 2 3 4
‘Subdivision 7	Appeals, offences and enforcement	5
‘920	Court matters relating to master plans and the structure plan guideline	6 7
‘(1)	A person may bring a proceeding in the court for a declaration under section 456 about the construction of master plans under this Act and the structure plan guideline.	8 9 10
‘(2)	Section 460 applies to a proceeding as if section 460(1) provided for a local government to certify a copy of a master plan, or a part of the master plan, under that subsection.	11 12 13
‘921	Appeals to court relating to master plans	14
‘(1)	This section applies in relation to a person who has applied for approval of a proposed master plan if the application was decided, or made but not decided, before the commencement.	15 16 17
‘(2)	The person may appeal to the court under former section 471 against—	18 19
(a)	the refusal, or the refusal in part, to give the approval of the master plan; or	20 21
(b)	a matter stated in the notice of decision about the application; or	22 23
(c)	a deemed refusal of the master plan application.	24
‘(3)	Former section 471(2) and (3) continues to apply to an appeal under subsection (2).	25 26
‘(4)	Section 484 applies to the appellant as if section 484(1) included a reference to giving written notice of the appeal to the local government and coordinating agency for the application for approval of the master plan.	27 28 29 30

- ‘(5) Section 493 applies in an appeal as if section 493(1) included
a reference to a person who has applied for approval of a
proposed master plan. 1 2 3
- ‘(6) Section 495 applies in an appeal as if section 495(2) applied to
a person who has applied for approval of a proposed master
plan. 4 5 6
- ‘(7) In an appeal, the court is not prevented from considering and
making a decision about a ground of appeal (based on any
coordinating agency’s response) merely because this Act
required the local government to refuse the application or
include conditions in any approval of a master plan. 7 8 9 10 11

‘922 Compliance with master plans 12

- ‘(1) This section is subject to section 584, as applied under
subsection (2), and chapter 9, part 1. 13 14
- ‘(2) For this section, section 584 applies as if section 584(1)
provided that this section did not apply to a person in the
circumstances mentioned in section 584(1). 15 16 17
- ‘(3) This section does not apply to development carried out on
designated land in accordance with the relevant designation. 18 19
- ‘(4) A person must not carry out development in a declared master
planned area if the carrying out of the development is contrary
to a master plan for the area. 20 21 22
Maximum penalty—1665 penalty units. 23
- ‘(5) A person must not carry out development in a declared master
planned area if the structure plan for the area requires that the
development can not be carried out in the master planned area
until there is a master plan for the development. 24 25 26 27
Maximum penalty—1665 penalty units. 28
- ‘(6) An offence against subsection (4) or (5) is taken to be a
development offence. 29 30

[s 122]

‘923	False or misleading document relating to master plan application	1 2
	‘Section 587 applies to a person as if section 587(2) included a reference to the person giving a local government to which a master plan application has been made but not decided before the commencement a document containing information that the person knows is false or misleading in a material particular.	3 4 5 6 7 8
‘924	Enforcement notices and orders relating to master plans and master plan applications	9 10
	‘(1) Subsection (2) applies to an enforcement notice given after the commencement.	11 12
	‘(2) Section 592 applies for giving the notice as if—	13
	(a) section 592(1)(e) included a reference to the notice requiring a person to do, or not to do, another act to ensure development complies with a master plan; and	14 15 16
	(b) section 592(2)(a) included a reference to the notice requiring a person to demolish or remove a work only if the assessing authority reasonably believes it is not possible and practical to take steps to make the work comply with a master plan.	17 18 19 20 21
	‘(3) Subsection (4) applies if a person has brought a proceeding in a Magistrates Court on a complaint to prosecute another person for an offence against chapter 7, part 3, whether before or after the commencement.	22 23 24 25
	‘(4) Section 599 applies to the proceeding as if section 599(3)(d) provided that an order of the Magistrates Court may require the defendant to do, or not to do, another act to ensure development or use of the premises complies with a master plan.	26 27 28 29 30
‘925	Evidentiary aids relating to master plan application	31
	‘(1) This section applies to a certificate purporting to be signed by the chief executive officer, however called, of an assessing	32 33

authority stating that a particular matter is evidence of the
matter.

‘(2) Section 623 applies to the certificate as if the section provided
the certificate may state that, on a stated day, or during a
stated period—

(a) there was or was not a master plan for stated land or
development; or

(b) a stated condition was included in a master plan.

‘Subdivision 8 Funding for infrastructure 9

‘926 Adopted infrastructure charges 10

‘(1) Subsection (2) applies to a local government making an
adopted infrastructure charges resolution under section 648D,
whether before or after the commencement. 13

‘(2) The local government may, under its adopted infrastructure
charges resolution, state whether or not an adopted
infrastructure charge may be levied for development in a
declared master planned area of the local government. 17

‘(3) An adopted infrastructure charge must not be levied for
development in a declared master planned area in the local
government’s area, unless an adopted infrastructure charges
resolution of the local government states the charge applies
for development in the declared master planned area. 22

‘927 Infrastructure agreements 23

‘(1) An infrastructure agreement relating to the following and in
force immediately before the commencement continues to
have effect and is binding on the parties to the agreement as if
the amending Act had not been enacted— 27

(a) the making of a structure plan for a declared master
planned area; 29

(b) master plans for a master planned area. 30

[s 122]

‘(2)	Subsections (3) to (5) apply to an infrastructure agreement, whether entered into before or after the commencement.	1 2
‘(3)	Section 664 applies to the agreement as if the section provided that an infrastructure agreement is not invalid merely because its fulfilment depends on the exercise of a discretion by a public sector entity about—	3 4 5 6
(a)	a structure plan; or	7
(b)	a master plan or an application for approval of a master plan.	8 9
‘(4)	To the extent the infrastructure agreement is inconsistent with a master plan, the agreement prevails.	10 11
‘(5)	To the extent the infrastructure agreement is inconsistent with a regulated State infrastructure charges notice or negotiated regulated State infrastructure charges notice, the agreement prevails.	12 13 14 15
‘928	Regulated State infrastructure charges schedule for master planned area	16 17
‘(1)	A regulated State infrastructure charges schedule for a master planned area continues in effect as if the amending Act had not been enacted.	18 19 20
‘(2)	A State planning regulatory provision may provide for a regulated State infrastructure charges schedule for a master planned area.	21 22 23
‘(3)	The Minister may seek advice or comment from the Queensland Competition Authority about a regulated State infrastructure charges schedule for a master planned area.	24 25 26
‘(4)	A regulated State infrastructure charges schedule for a master planned area must state—	27 28
(a)	the infrastructure network that services, or is planned to service, the area; and	29 30
(b)	a charge for the supply of the State infrastructure for the area; and	31 32
(c)	the development for which the charge may be levied.	33

- ‘(5) A regulated State infrastructure charges schedule may also state a matter related to a matter mentioned in subsection (4).

‘929 Regulated State infrastructure charges notice

- ‘(1) The unamended Act continues to apply to a person who has been given a regulated State infrastructure charges notice before the commencement.
- ‘(2) A regulated State infrastructure charges notice may be given after the commencement.
- ‘(3) A regulated State infrastructure charges notice must state each of the following—
- (a) the amount of the regulated State infrastructure charge under the notice;
 - (b) the land to which the charge applies;
 - (c) when the charge is payable;
 - (d) the State infrastructure network for which the charge has been stated.
- ‘(4) If the notice is given as a result of a development approval—
- (a) the relevant State infrastructure provider must give the notice to the applicant for the development approval at the same time as the concurrence agency’s response is given to the assessment manager; and
 - (b) the charge is not recoverable unless the entitlements under the development approval are exercised; and
 - (c) the notice lapses if the approval stops having effect.
- ‘(5) If the notice is not given as a result of a development approval, the relevant State infrastructure provider must give the notice to the owner of the land to which the charge applies.
- ‘(6) The amount of a regulated State infrastructure charge must take account of any relevant infrastructure charge for State infrastructure.
- Example—*

[s 122]

an infrastructure charge relating to the local function of State-controlled roads	1 2
‘930 Giving new regulated State infrastructure charges notice	3
‘(1) This section applies if the development approved by a negotiated decision notice, whether given before or after the commencement, is different from the development approved in the decision notice or deemed approval in a way that affects the amount of a regulated State infrastructure charge.	4 5 6 7 8
‘(2) The relevant State infrastructure provider may give the applicant for the development approval a new regulated State infrastructure charges notice under section 929 to replace the original notice.	9 10 11 12
‘931 When regulated State infrastructure charge is payable	13
‘A regulated State infrastructure charge is payable—	14
(a) if the charge applies to reconfiguring a lot that is assessable development—before the local government approves the plan of subdivision for the reconfiguration; or	15 16 17 18
(b) if the charge applies to building work that is assessable development—before the certificate of classification for the building work is issued; or	19 20 21
(c) if the charge applies to a material change of use—before the change of use happens; or	22 23
(d) otherwise—on the day stated in the regulated State infrastructure charges notice or negotiated regulated State infrastructure charges notice.	24 25 26
‘932 Application of regulated State infrastructure charges	27
‘A regulated State infrastructure charge levied and collected for a network of State infrastructure must be used to provide infrastructure for the network.	28 29 30

'933	Accounting for regulated State infrastructure charges	1
	'To remove any doubt, it is declared that a regulated State	2
	infrastructure charge levied and collected by a State	3
	infrastructure provider need not be held in trust.	4
'934	Infrastructure agreements about, and alternatives to, paying regulated State infrastructure charges	5
		6
	'(1) Despite sections 929 and 931, a person to whom a regulated	7
	State infrastructure charges notice or a negotiated regulated	8
	State infrastructure charges notice has been given and the	9
	State infrastructure provider may, after the commencement,	10
	enter into an infrastructure agreement for the charge,	11
	including, for example, that—	12
	(a) the charge may be paid at a different time from the time	13
	stated in the notice, and whether it may be paid by	14
	instalments; or	15
	(b) whether the State infrastructure may be supplied instead	16
	of paying all or part of the charge; or	17
	(c) land in fee simple may be given instead of paying the	18
	charge or part of the charge; or	19
	(d) other infrastructure, or contributions to other	20
	infrastructure, may be provided instead of paying the	21
	charge or part of the charge.	22
	'(2) An agreement entered into under former section 673 and in	23
	force immediately before the commencement continues in	24
	force and is binding on the parties to the agreement as if the	25
	amending Act had not been enacted.	26
'935	Recovery of regulated State infrastructure charges	27
	'Former section 674 continues to apply in relation to a	28
	regulated State infrastructure charge, whether levied before or	29
	after the commencement.	30

[s 122]

‘936	Appeals about charges for infrastructure	1
‘(1)	Subsection (2) applies to a person who has been given, whether before or after the commencement, and is dissatisfied with—	2 3 4
	(a) a regulated State infrastructure charges notice; or	5
	(b) a negotiated regulated State infrastructure charges notice.	6 7
‘(2)	Section 478 applies to the person as if—	8
	(a) section 478(4)(a) included a reference to a coordinating agency imposing a charge in the notice; and	9 10
	(b) section 478(5) included a reference to the methodology used to establish a regulated State infrastructure charges schedule.	11 12 13
‘(3)	Subsection (4) applies to a person who—	14
	(a) has been given, whether before or after the commencement—	15 16
	(i) a regulated State infrastructure charges notice; or	17
	(ii) a negotiated regulated State infrastructure charges notice; and	18 19
	(b) is dissatisfied with the calculation of a charge in the notice.	20 21
‘(4)	Section 535 applies to the person as if section 535(4) included a reference to the methodology used to establish a regulated State infrastructure charges schedule.	22 23 24
‘Subdivision 9	Miscellaneous	25
‘937	Limitations on compensation under ss 704 and 705 relating to structure plan	26 27
‘(1)	This section applies to an owner of an interest in land who is entitled under section 704 or 705 to be paid reasonable	28 29

	compensation by a local government because a change reduces the value of the interest.	1 2
‘(2)	Section 706 applies in relation to the compensation as if section 706(1) included a reference to compensation not being payable if the change is about any of the matters comprising a structure plan for a declared master planned area.	3 4 5 6
‘938	Local government may take or purchase land in master planned area	7 8
	‘Section 714 applies to the taking of land in a master planned area as if—	9 10
	(a) section 714(1)(a) included a reference to a local government being satisfied the taking of the land would help to achieve any of the outcomes in a structure plan made by the local government; and	11 12 13 14
	(b) section 714(1)(b) included a reference to a master plan having taken effect; and	15 16
	(c) section 714(1)(b)(ii) included a reference to the applicant for the approval of the master plan having taken reasonable measures to obtain the agreement of the owner of the land to actions that would facilitate the construction of the infrastructure or the carriage of the drainage, but has not been able to obtain the agreement.	17 18 19 20 21 22
‘939	Documents local government or chief executive must keep available for inspection and purchase—general	23 24
‘(1)	Section 724 applies to a local government as if section 724(1) included a reference to keeping available the original or the designated type of copy of each of the following—	25 26 27
	(a) each amendment of the local government’s planning scheme to include a structure plan;	28 29
	(b) if the structure plan guideline requires public notification of an amendment proposed to be made to the planning scheme to include a structure plan—each proposed amendment;	30 31 32 33

[s 122]

(c)	each master planned area declaration for the local government's planning scheme area;	1 2
(d)	each master plan for declared master planned areas in its planning scheme area.	3 4
‘(2)	Section 732 applies to the chief executive as if section 732(1) included a reference to keeping available the original or the designated type of copy of master planned area declarations.	5 6 7
‘940	Documents local government must keep available for inspection and purchase—master plan applications	8 9
	‘For keeping documents about master plan applications available for inspection and purchase, former section 725 continues to apply to a local government.	10 11 12
‘941	Documents local government must keep available for inspection only	13 14
‘(1)	Section 727 applies to a local government as if section 727(1) included a reference to keeping available a register of all master plan applications made to the local government.	15 16 17
‘(2)	However, subsection (1) does not apply for a master plan application until—	18 19
(a)	the application is withdrawn or lapses; or	20
(b)	if paragraph (a) does not apply—the end of the last period during which an appeal may be made against a decision on the application.	21 22 23
‘(3)	Former section 727(3) continues to apply to a local government for the register mentioned in subsection (1).	24 25
‘942	Standard planning and development certificates and full planning and development certificates	26 27
‘(1)	Subsection (2) applies to a standard planning and development certificate.	28 29

‘(2)	Section 739 applies to the certificate as if the section included a reference to the certificate containing or being accompanied by the following information for premises—	1 2 3
(a)	a copy of each master plan applying to the premises;	4
(b)	a copy of every notice of decision or negotiated notice about a master plan application for a master plan, given under this Act or repealed IPA, in force for the planning scheme area for the premises;	5 6 7 8
(c)	a copy of any judgment or order of the court or a building and development committee about a condition included in the master plan;	9 10 11
(d)	a description of each amendment, proposed to be made by the local government to its planning scheme to include a structure plan, that has not yet been made at the time the certificate is given.	12 13 14 15
‘(3)	Subsection (4) applies to a full planning and development certificate if there is a master plan that applies to premises that includes conditions, including conditions of a type mentioned in section 740(1)(a).	16 17 18 19
‘(4)	Section 740 applies to the certificate as if section 740(1) included a reference to the certificate for the premises containing or being accompanied by a statement about the fulfilment or non-fulfilment of each condition, at a stated day after the day the certificate was applied for.	20 21 22 23 24
‘943	Electronic submissions about master plan applications	25
	‘Section 756 applies to an entity giving a submission under this Act as if section 756(1)(a) included a reference to a notice relating to a master plan application.	26 27 28
‘944	Continued application of particular transitional provisions relating to master planned areas	29 30
‘(1)	Despite the enactment of the amending Act, the following provisions continue to apply for master planned areas—	31 32

[s 122]

(a)	sections 777, 789 to 797, 819(5) to (8), 820, 841 and 856;	1 2
(b)	chapter 10, part 2, division 11.	3
‘(2)	However, if a provision of this Act as amended under the amending Act, other than this section, is inconsistent with subsection (1), the provision as amended prevails to the extent of the inconsistency.	4 5 6 7
‘(3)	To remove any doubt, it is declared that section 871, to the extent it provides for matters relating to former chapter 4, continues to apply for master planned areas.	8 9 10
‘Division 3	Other provisions	11
‘945	Chief executive assessing particular applications as assessment manager or referral agency	12 13
	‘A development application made but not decided on the commencement must be dealt with and decided from the commencement as if the amending Act, section 35 had not commenced.	14 15 16 17
	<i>Note—</i>	18
	The amending Act, section 35 inserts chapter 6, part 1, division 4, subdivision 2A (Chief executive assessing particular applications as assessment manager or referral agency).	19 20 21
‘946	Costs for existing court proceedings	22
‘(1)	Former section 457 continues to apply to a proceeding in the court that has been brought before the commencement.	23 24
‘(2)	For subsection (1), a proceeding in the court (the <i>originating proceeding</i>) includes any interlocutory proceeding relating to the originating proceeding that is brought after the commencement.	25 26 27 28

'947	Declaration about whether development application involving particular State resource is properly made	1 2
	‘Former section 510(4) continues to apply to a person seeking a declaration under the section about whether a development application made before the commencement is a properly made application.’.	3 4 5 6
