	Division 6	Transitional provisions for Nature Conservation and Other Legislation Amendment Act 2015	13 14 15 16
	205 Definitions for division		17
	In this division—		18
	<i>old class</i> , of protected area, means—		19
	(a) a national park in which an area of the national park was declared as a special management area (scientific) under the unamended Act; or		20 21 22 23
	(b) a regional park under the unamended Act.		24
	<i>unamended Act</i> means this Act as in force immediately before the commencement.		25 26

206 Application of division	1
This division applies despite any provision of division 5.	2 3
207 Special management area (scientific) taken to be national park (scientific)	4 5
On the commencement, each special management area (scientific) under the unamended Act is taken to be a national park (scientific).	6 7 8
208 Regional park (general) taken to be conservation park	9 10
On the commencement, each regional park (general) under the unamended Act is taken to be a conservation park.	11 12 13
209 Regional park (resource use area) taken to be resources reserve	14 15
On the commencement, each regional park (resource use area) under the unamended Act is taken to be a resources reserve.	16 17 18
210 References to particular protected areas	19
From the commencement, in an Act or document—	20
(a) a reference to a special management area (scientific) may, if the context permits, be taken to be a reference to a national park (scientific); and	21 22 23 24
(b) a reference to a regional park may, if the context permits, be taken to be a reference to a conservation park or resources reserve; and	25 26 27 28

[s 30]

- (c) a reference to a regional park (general) may, 1
if the context permits, be taken to be a 2
reference to a conservation park; and 3
- (d) a reference to a regional park (resource use 4
area) may, if the context permits, be taken to 5
be a reference to a resources reserve. 6

211 Trustees of regional park (general) 7

- (1) This section applies if, immediately before the 8
commencement, an area was a regional park 9
(general) under the management of trustees under 10
this Act. 11
- (2) A person who was, immediately before the 12
commencement, a trustee of the area under this 13
Act, continues to be a trustee of the area as a 14
conservation park under this Act. 15
- (3) The trust over the area continues as a trust under 16
this Act over the area as a conservation park. 17

212 Trustees of regional park (resource use area) 18

- (1) This section applies if, immediately before the 19
commencement, an area was a regional park 20
(resource use area) under the management of 21
trustees under this Act. 22
- (2) A person who was, immediately before the 23
commencement, a trustee of the area under this 24
Act, continues to be a trustee of the area as a 25
resources reserve under this Act. 26
- (3) The trust over the area continues as a trust under 27
this Act over the area as a resources reserve. 28

-
- 213 Change in class does not affect instruments applying to an area** 1
2
- (1) This section applies if, under this division, an area is changed from an old class of protected area to another class of protected area (the *new class*). 3
4
5
6
- (2) Any of the following (each a *relevant instrument*) in force for the area immediately before the commencement continues to apply to the area as a protected area of the new class— 7
8
9
10
- (a) a lease, agreement, licence, permit or other authority under this Act or another Act; 11
12
- (b) a management statement; 13
- (c) a management plan; 14
- (d) a direction, requirement, notice or decision given or made, in writing, under this Act. 15
16
- (3) The relevant instrument continues in force for the area until it expires, is terminated or repealed or otherwise ends under its terms, under this Act or another Act. 17
18
19
20
- (4) Subsections (2) and (3) apply even if the relevant instrument authorises the carrying out of activities in the area that are not consistent with the management principles for protected areas of the new class. 21
22
23
24
25
- 214 Deciding application for relevant authorities** 26
- (1) This section applies to an application for a lease, agreement, licence, permit or other authority (the *relevant authority*) that— 27
28
29
- (a) was made, but not decided, under this Act before the commencement; and 30
31

[s 31]

- (b) is for a protected area of an old class that, under this division, is changed to a protected area of another class (the *new class*). 1
2
3
- (2) The application is to be decided, as an application for the relevant authority for a protected area of the old class— 4
5
6
- (a) under this Act as in force before the commencement; and 7
8
- (b) as if the *Nature Conservation and Other Legislation Amendment Act 2015* had not been enacted. 9
10
11
- (3) If the application is granted, the chief executive must give or grant to the applicant the relevant authority for the area as a protected area of the new class. 12
13
14
15
- (4) To remove any doubt, it is declared that subsection (3) applies even if the carrying out of the activities under the relevant authority is not consistent with the management principles for protected areas of the new class. 16
17
18
19
20
- (5) However, the grounds on which the chief executive may refuse an application to renew the relevant authority include the ground that the carrying out of the activities under the authority is not consistent with the management principles for protected areas of the new class. 21
22
23
24
25
26
- Clause 31 Amendment of schedule (Dictionary) 27**
- (1) Schedule, definitions *prescribed protected area*, *regional park*, *regional park (general)*, *regional park (resource use area)*, *special management area* and *special management area (scientific)*— 28
29
30
31
omit. 32
- (2) Schedule— 33
