	Section 109(1), from ‘identified’ to ‘requires’—	5
	<i>omit, insert—</i>	6
	identified by an ML (coal) holder, for which the ML (coal) holder requires	7 8
Clause 16	Amendment of s 110 (What is a <i>future mining area or FMA</i>)	9 10
	Section 110(1), from ‘identified’ to ‘intends’—	11
	<i>omit, insert—</i>	12
	identified by an ML (coal) holder, in which the ML (coal) holder intends	13 14
Clause 17	Amendment of s 111 (What is a <i>rolling mining area or RMA</i>)	15 16
	Section 111(1), from ‘identified’ to ‘requires’—	17
	<i>omit, insert—</i>	18
	identified by an ML (coal) holder, for which the ML (coal) holder requires	19 20
Clause 18	Replacement of s 115 (What is the <i>proposed mining commencement date</i>)	21 22
	Section 115—	23
	<i>omit, insert—</i>	24
	115 What is the <i>mining commencement date</i>	25
	(1) The <i>mining commencement date</i> , for an IMA or RMA in an overlapping area, is—	26 27

-
- (a) the date, identified by a coal resource authority holder for the overlapping area, for starting to carry out authorised activities for the coal resource authority in the IMA or RMA; or
- (b) if the resource authority holders for the overlapping area agree in writing to change the date mentioned in paragraph (a) for an IMA or RMA—the new agreed date; or
- (c) if the date mentioned in paragraph (a) or (b) for an IMA or RMA is changed under section 127, 128, 142A, 241A or by arbitration—the new changed date.
- (2) For subsection (1)(a), the date identified by an ML (coal) holder for an IMA must be—
- (a) if the corresponding column 2 resource authority for the ML (coal) is an ATP—at least 18 months after the date on which the advance notice for the ML (coal) is given; or
- (b) if the corresponding column 2 resource authority for the ML (coal) is a PL—at least 11 years after the date on which the advance notice for the ML (coal) is given.
- (3) For subsection (1)(a), the date identified by an ML (coal) holder for an RMA must be—
- (a) for the first RMA in an overlapping area—at least 10 years after the mining commencement date for the IMA to which the RMA is contiguous; and
- (b) for each subsequent RMA in the overlapping area—at least 1 year after the mining commencement date for the immediately preceding RMA.

-
- (3A) Subsection (5) applies if an amendment of an agreed joint development plan, whether by agreement under this section or by arbitration, provides for a cessation, or significant reduction or increase, of—
- (a) mining under the ML (coal); or
 - (b) production under the PL.
- (2) Section 146(5)—
omit.
- (3) Section 146(3A) and (4)—
renumber as section 146(4) and (5).

- Clause 44 Replacement of s 147 (Authorised activities allowed only if consistent with agreed joint development plan)**
- Section 147—
omit, insert—
- 147 Authorised activities allowed only if consistent with agreed joint development plan**
- (1) This section applies if an agreed joint development plan applies to a PL holder and an ML (coal) holder.
 - (2) The PL holder may carry out an authorised activity for the petroleum resource authority in an overlapping area the subject of the petroleum resource authority only if carrying out the activity is consistent with the agreed joint development plan.
 - (3) The ML (coal) holder may carry out an authorised activity for the ML (coal) in an overlapping area the subject of the ML (coal) only if carrying out the activity is consistent with the agreed joint development plan.

[s 45]

- (4) To remove any doubt, it is declared that if a PL holder has given a petroleum production notice to an ML (coal) holder and there is no agreed joint development plan that applies to the PL holder and the ML (coal) holder, the ML (coal) holder may carry out an authorised activity for the ML (coal) in the overlapping area the subject of the ML (coal) and PL if carrying out the activity is consistent with each development plan under the Mineral Resources Act that applies to the ML (coal) holder.

Clause 45 Amendment of s 149 (Concurrent notice may be given by ATP holder)

- (1) Section 149(2), from ‘in relation’—
omit, insert—
stating the information mentioned in subsection (1)(b).
- (2) Section 149(5)—
omit, insert—
- (5) Without limiting subsection (4)—
- (a) the mining commencement date for an IMA in the overlapping area, for the purposes of the advance notice, is taken to be at least 11 years after the date on which the advance notice was given; and
- (b) the mining commencement date for the IMA may be changed in the way mentioned in section 115(1)(b) or (c); and
- (c) the ATP holder may give an exceptional circumstances notice under section 127, including at the same time as the concurrent notice is given.
- (6) However, despite subsection (4), the ML (coal) holder must ensure the agreed joint development

plan mentioned in section 130(2) is in place 1
within 12 months after receiving from the ATP 2
holder a petroleum production notice or, if an 3
application for arbitration of a dispute is made 4
under section 131(2) or (3), within 9 months after 5
the appointment of the arbitrator, instead of 6
within the period mentioned in section 130(2). 7

Section 150(2) and (3)— 10

omit, insert— 11

(2) The holder of the EP (coal) or MDL (coal) must 12
give the ATP holder an advance notice as 13
required under part 2. 14

(3) The mining commencement date for an IMA in 15
the overlapping area, for the purposes of the 16
advance notice, must be at least 11 years after the 17
date on which the advance notice is given. 18

(4) Without otherwise limiting the application of part 19
2— 20

(a) the requirement under section 130(2)(a) for 21
an agreed joint development plan to be in 22
place within the period mentioned in section 23
130(2)(a) applies; and 24

(b) the mining commencement date for the IMA 25
may be changed in the way mentioned in 26
section 115(1)(b) or (c). 27

**219 Existing conduct and compensation 3
agreement requirements—carrying out 4
authorised activity within 600m of school or 5
occupied residence 6**

- (1) This section applies if— 7
- (a) a resource authority was applied for before 8
the commencement, whether the resource 9
authority was granted before or after the 10
commencement; and 11
 - (b) at the date of the application for the resource 12
authority, if the authority were granted on 13
that date, a conduct and compensation 14
agreement requirement would apply to the 15
entry to private land in the resource 16
authority’s area for the purpose of carrying 17
out an authorised activity within 600m of a 18
school or an occupied residence. 19
- (2) The authorised activity mentioned in subsection 20
(1)(b) is taken to be an advanced activity for the 21
resource authority for the application of the new 22
land access provisions in relation to the entry to 23
the private land. 24
- (3) In this section— 25
- conduct and compensation agreement 26
requirement*** means a requirement under— 27

 - (c) the 1923 Act, section 78Q(1); or 31
 - (d) the Geothermal Act, section 216(1); or 32
 - (e) the Greenhouse Gas Act, section 283(1). 33

[s 60]

new land access provisions means chapter 3,
parts 1, 2 and 7. 1
2

220 Existing entry notices 3

- (1) This section applies to an entry notice given 4
under a pre-amended Resource Act to an owner 5
or occupier of land or a public land authority, and 6
in force immediately before the commencement. 7
- (2) The notice continues in force after the 8
commencement and is taken to be— 9
- (a) if the notice is given in relation to entry to 10
private land—an entry notice given under 11
section 39; or 12
- (b) if the notice is given in relation to entry to 13
public land—a periodic entry notice given 14
under section 57. 15
- (3) The notice is valid even if the notice does not 16
comply with section 39(2) or 57(2). 17

221 Existing waiver of entry notices 18

- (1) This section applies to a waiver of entry notice 19
given to a resource authority holder under a 20
pre-amended Resource Act and in force 21
immediately before the commencement. 22
- (2) The notice continues in force after the 23
commencement and is taken to be— 24
- (a) if the notice is given in relation to entry to 25
private land—a waiver of entry notice given 26
under section 42; or 27
- (b) if the notice is given in relation to entry to 28
public land—a waiver of entry notice given 29
under section 60. 30

-
- (3) The notice is valid even if the notice does not
comply with a prescribed requirement under
section 42(2)(a) or 60(2)(a).

222 Existing deferral agreements

- (1) This section applies to a deferral agreement
entered into under a pre-amended Resource Act
and in force immediately before the
commencement.
- (2) The agreement continues in force after the
commencement and is taken to be a deferral
agreement entered into under section 44(1).
- (3) The agreement is valid even if the agreement
does not comply with a prescribed requirement
under section 44(2).

223 Existing access agreements

- (1) This section applies to an access agreement
entered into under a pre-amended Resource Act
and in force immediately before the
commencement.
- (2) The agreement continues in force after the
commencement and is taken to be an access
agreement entered into under section 47(1)(a).

**224 Existing conditions imposed by public land
authority for entry to public land**

- (1) This section applies if—
- (a) a public land authority, in response to a
resource authority holder's entry notice
under a pre-amended Resource Act about
entering public land, imposed under the
pre-amended Resource Act a condition

[s 60]

relating to the entry or the carrying out of an authorised activity; and	1 2
(b) the condition is in force immediately before the commencement.	3 4
(2) The condition continues in force after the commencement and is taken to be a condition imposed under section 59(2) by the public land authority.	5 6 7 8
(3) However, the public land authority is not required to comply with section 59(8) in relation to imposing the condition.	9 10 11
225 Existing road use directions	12
(1) This section applies if—	13
(a) a public land authority, under a pre-amended Resource Act, gave a road use direction to a resource authority holder; and	14 15 16
(b) the direction is in force immediately before the commencement.	17 18
(2) The direction continues in force after the commencement and is taken to be a road use direction given under section 64(1) by the authority.	19 20 21 22
(3) The direction is valid even if the direction does not comply with section 64(4)(b).	23 24
226 Existing written consent to enter land given by second resource authority holder	25 26
(1) This section applies if—	27
(a) a second resource authority holder under a pre-amended Resource Act has given written consent to a first resource authority holder under a pre-amended Resource Act to enter land; and	28 29 30 31 32

-
- (b) the consent is in force immediately before the commencement. 1
2
- (2) The written consent continues in force and is taken to be written consent to enter land given under section 75 by the second resource authority holder to the first resource authority holder. 3

- (3) In this section— 7
written consent means— 8
- (a) for the pre-amended P&G Act—written consent given under the pre-amended P&G Act, section 529; or 9
10
11
- (b) for the pre-amended 1923 Act—written consent given under the pre-amended 1923 Act, section 79N; or 12
13
14
- (c) for the pre-amended Geothermal Act—written consent given under the pre-amended Geothermal Act, section 244; or 15
16
17
18
- (d) for the pre-amended Greenhouse Gas Act—written consent given under the pre-amended Greenhouse Gas Act, section 317. 19
20
21
22
- 227 Existing conduct and compensation agreements** 23
24
- (1) This section applies to a conduct and compensation agreement entered into under a pre-amended Resource Act and in force immediately before the commencement. 25
26
27
28
- (2) The agreement continues in force after the commencement and is taken to be a conduct and compensation agreement entered into under section 83(1). 29

32

[s 60]

- (3) The agreement is valid even if the agreement does not comply with a prescribed requirement under section 83(4). 1
2
3
- (4) However— 4
- (a) a resource authority holder that is a party to a conduct and compensation agreement must comply with section 92(1) in relation to the agreement within 6 months after the commencement, instead of within 28 days as mentioned in that section; and 5
6
7
8
9
10
- (b) a special agreement can not be the subject of an application under section 101 to the Land Court for a review of the original compensation. 11
12
13
14
- (5) A requirement of a resource authority holder under subsection (4)(a) is a condition of the resource authority. 15
16
17
- (6) In this section— 18
- special agreement* means a compensation agreement under the P&G Act, section 923. 19
20

228 Existing negotiations for conduct and compensation agreement or deferral agreement 21
22
23

- (1) This section applies if— 24
- (a) before the commencement, a resource authority holder gave an eligible claimant a negotiation notice, under the old land access provisions, that the holder wished to negotiate a conduct and compensation agreement or a deferral agreement with the claimant; and 25
26
27
28
29
30
31
- (b) the resource authority holder and the eligible claimant had not entered into a conduct and compensation agreement or 32
33
34

-
- deferral agreement before the
commencement. 1
2
- (2) The negotiations for the conduct and 3
compensation agreement or the deferral 4
agreement are to continue under the old land 5
access provisions that, before the 6
commencement, applied in relation to the 7
negotiation notice. 8
- (3) Subsection (2) applies despite the repeal of the 9
old land access provisions. 10
- (4) If the negotiations under the old land access 11
provisions result in the making of a conduct and 12
compensation agreement after the 13
commencement, the agreement is taken to be a 14
conduct and compensation agreement entered 15
into under section 83(1). 16
- (5) If the negotiations under the old land access 17
provisions result in the making of a deferral 18
agreement after the commencement, the 19
agreement is taken to be a deferral agreement 20
entered into under section 44(2). 21
- (6) If the negotiations under the old land access 22
provisions result in a decision of the Land Court 23
under the old land access provisions, the decision 24
is taken to be a decision of the Land Court under 25
the new land access provisions. 26
- (7) In this section— 27
- new land access provisions* means chapter 3. 28
- old land access provisions* means— 29
- (a) the Mineral Resources Act, schedule 1; or 30
- (b) the P&G Act, chapter 5, parts 2 and 5; or 31
- (c) the 1923 Act, parts 6H and 6K; or 32
- (d) the Geothermal Act, chapter 5, parts 5 and 33
8; or 34

228A Existing road compensation agreements 3

- (1) This section applies to a road compensation agreement entered into under a pre-amended Resource Act and in force immediately before the commencement. 4
5
6
7
- (2) The agreement continues in force after the commencement and is taken to be a road compensation agreement entered into under section 94(1). 8
9
10
11
- (3) The agreement is valid even if the agreement does not comply with a prescribed requirement under section 94(2). 12
13
14

228B Existing requirements under Mineral Resources Act to obtain written consent of owner to enter restricted land 15
16
17

- (1) This section applies if, before the commencement— 18
19
- (a) a prospecting permit holder under the pre-amended Mineral Resources Act was permitted, under the pre-amended Mineral Resources Act, section 19(4), to enter restricted land only with the written consent of the owner of the land where the relevant permanent building, or relevant feature, was situated; or 20
21
22
23
24
25
26
27
- (b) an exploration permit holder under the pre-amended Mineral Resources Act was permitted, under the pre-amended Mineral Resources Act, section 129(3), to enter the surface of restricted land only with the written consent of the owner of the land 28

-
- where the relevant permanent building, or
relevant feature, was situated; or
- (c) a mineral development licence holder under
the pre-amended Mineral Resources Act
was permitted, under the pre-amended
Mineral Resources Act, section 181(8), to
enter the surface of restricted land only with
the written consent of the owner of the land
where the relevant permanent building, or
relevant feature, was situated.
- (2) The pre-amended Mineral Resources Act
continues to apply in relation to entry to the
restricted land as if—
- (a) the new restricted land entry provisions had
not commenced; and
- (b) the Mineral Resources Act, sections 19, 20,
129 and 181, and schedule 2, definitions
restricted land, *restricted land (category A)*
and *restricted land (category B)* had not
been repealed.

**228C Existing requirements under Geothermal Act
to obtain written consent of owner to carry out
authorised activities on particular land**

- (1) This section applies if, before the
commencement—
- (a) an authorised activity for a geothermal
tenure was permitted, under the
pre-amended Geothermal Act, section
358(2), to be carried out on land within
300m laterally of a permanent building
mentioned in the pre-amended Geothermal
Act, section 358(2) only with the written
consent of the owner or occupier of the
building; or

[s 61]

	(b) an authorised activity for a geothermal tenure was permitted, under the pre-amended Geothermal Act, section 358(3), to be carried out on land within 50m laterally of a thing mentioned in the pre-amended Geothermal Act, section 358(3) only with the written consent of the owner or occupier of the thing.	1 2 3 4 5 6 7 8
	(2) The pre-amended Geothermal Act continues to apply in relation to entry to the land as if—	9 10
	(a) the new restricted land entry provisions had not commenced; and	11 12
	(b) the Geothermal Act, section 358 had not been repealed.	13 14

	231A Existing agreement between resource holders	18 19
	(1) This section applies if—	20
	(a) a non-mandatory provision applies to resource authority holders for an overlapping area; and	21 22 23
	(b) the non-mandatory provision is inconsistent with a term of an existing agreement between the resource authority holders.	24 25 26
	(2) The resource authority holders are taken to have agreed, under section 117(2), that the non-mandatory provision does not apply for the overlapping area.	27 28 29 30
	(3) Subsection (2) does not apply if, after the commencement, the resource authority holders	31 32

agree that the non-mandatory provision does apply for the overlapping area.	1 2
(4) In this section—	3
<i>existing agreement</i> means a written legally binding agreement in force immediately before the commencement.	4 5 6
<i>non-mandatory provision</i> means a provision, or a part of a provision, of chapter 4 other than a provision, or a part of a provision, mentioned in section 117(1).	7 8 9 10

Overlapping exploration resource authorities	11 12
231B Exploration resource authorities	13
(1) The following table applies for this section—	14
Column 1	Column 2
exploration permit (coal)	authority to prospect (csg)
mineral development licence (coal)	authority to prospect (csg)
authority to prospect (csg)	either of the following—
	(a) exploration permit (coal);
	(b) mineral development licence (coal)
(2) This section applies to a column 1 exploration resource authority if—	15 16
(a) the exploration resource authority—	17
(i) was granted before the commencement; or	18 19
(ii) was applied for before the commencement and is granted after the commencement; and	20 21 22

[s 62]

	(b) the exploration resource authority overlaps a corresponding column 2 exploration resource authority that—	1 2 3
	(i) was granted before the commencement; or	4 5
	(ii) was applied for before the commencement and is granted after the commencement.	6 7 8
(3)	The new overlap provisions apply to the circumstance of the column 1 exploration resource authority overlapping the corresponding column 2 exploration resource authority.	9 10 11 12
(4)	For applying the new overlap provisions to an overlapping area for a column 1 exploration resource authority (whenever granted) and a corresponding column 2 exploration resource authority granted before the commencement, the overlapping area is taken to come into existence on the commencement.	13 14 15 16 17 18 19
(5)	In this section—	20
	<i>column 1 exploration resource authority</i> means a resource authority listed in column 1 of the table for this section.	21 22 23
	<i>corresponding column 2 exploration resource authority</i> , for a column 1 exploration resource authority, means the resource authority listed in column 2 of the table for this section opposite the column 1 exploration resource authority.	24 25 26 27 28

	Act, chapter 6	3
233A Application for ML (coal) over land in area of existing ATP		4
		5
(1)	This section applies if—	6
(a)	a person made an application, under the pre-amended Mineral Resources Act, chapter 6, for the grant of an ML (coal); and	7 8 9
(b)	the application was made but not decided before the commencement; and	10 11
(c)	the ML (coal) overlaps an ATP that was applied for after the date of the application for the ML (coal) but granted before the commencement.	12 13 14 15
(2)	The new overlap provisions apply to the circumstance of the ML (coal) overlapping the ATP.	16 17 18
(3)	For applying the new overlap provisions—	19
(a)	the overlapping area for the ML (coal) and ATP is taken to come into existence on the commencement; and	20 21 22
(b)	despite sections 115(2) and 120, the ML (coal) holder has sole occupancy of the IMA for the overlapping area from the date stated under subsection (4)(b) by the ML (coal) holder, but only if the ML (coal) holder has given the ATP holder a notice as required under subsection (4); and	23 24 25 26 27 28 29
(c)	the date stated under subsection (4)(b) by the ML (coal) holder is taken to be the mining commencement date; and	30 31 32

	(d) despite section 127, the ATP holder may not give an exceptional circumstances notice to the ML (coal) holder; and	1 2 3
	(e) despite section 138(2)(b), the ML (coal) holder must make the offer mentioned in section 138(2) as early as practicable after the overlapping area is taken to come into existence.	4 5 6 7 8
	(4) The notice must—	9
	(a) state that the ML (coal) holder intends to start carrying out authorised activities for the ML (coal) in the IMA in the overlapping area; and	10 11 12 13
	(b) state the date on which the ML (coal) holder will take sole occupancy of the IMA; and	14 15
	(c) include any other information prescribed by regulation; and	16 17
	(d) be given at least 3 months before the date mentioned in paragraph (b), or within the period otherwise agreed between the ML (coal) holder and ATP holder.	18 19 20 21

	238 Application for PL over land in area of coal exploration authority	5 6
	(1) This section applies if—	7
	(a) a person mentioned in the pre-amended P&G Act, section 304 or 331 made an application for the grant of a PL; and	8 9 10
	(b) the application was made but not decided before the commencement.	11 12
	(2) The new overlap provisions apply to the circumstance of the PL overlapping a coal exploration authority.	13 14 15
	(3) For applying the requirement under the new overlap provisions to give a petroleum production notice, the application for grant of the PL is taken to have been made on the commencement.	16 17 18 19 20
	(4) In this section—	21
	<i>coal exploration authority</i> means an exploration permit, or a mineral development licence, granted for coal, to which the pre-amended P&G Act, section 304 or 331 applies.	22 23 24 25

	252 Issue of mining lease notice	27
(1)	This section applies if the chief executive is satisfied the applicant for the grant of a mining lease—	28 29 30
	(a) is eligible to apply for the mining lease; and	31 32

-
- (b) has complied with the requirements of this Act for the application. 1
2
- (2) The chief executive must give the applicant a written notice for the application (the *mining lease notice*). 3
4
5
- (3) The mining lease notice must state the following— 6
7
- (a) the number of the proposed mining lease; 8
9
- (b) the date and time the application was lodged; 10
11
- (c) any documents or other information, in addition to the documents mentioned in section 252A(1)(a) and (b), the applicant must give to each affected person within the meaning of section 252A; 12
13
14
15
16
17
- (d) where the application and any additional documents given to the chief executive about the application may be inspected or accessed; 18
19
20
21
- (e) the last day (the *last objection day*) for lodging objections to the application. 22
23
- (4) The last objection day must be at least 20 business days after the notice is given to the applicant. 24
25
26

252A Giving and publication of mining lease notice and other information 27
28

- (1) The applicant for a proposed mining lease must give the following documents and information to each affected person— 29
30
31
- (a) a copy of the mining lease notice; 32

[s 89]

(b)	a copy of the application for the mining lease, other than any part of it—	1 2
(i)	that states the applicant’s financial and technical resources; or	3 4
(ii)	the chief executive considers is commercial in confidence;	5 6
(c)	the documents and other information stated under section 252(3)(c) in the mining lease notice.	7 8 9
(2)	The documents and other information mentioned in subsection (1) must be given within 5 business days after the mining lease notice is given to the applicant.	10 11 12 13
(3)	The applicant for a proposed mining lease must, in an approved newspaper circulating generally in the area of the subject land, publish—	14 15 16 17
(a)	a copy of the mining lease notice; or	18
(b)	if a map or sketch plan is to be included in the publication—	19 20
(i)	a notice in the approved form about the mining lease notice; and	21 22
(ii)	the map or sketch plan.	23
(4)	The publication must take place at least 15 business days before the last objection day.	24 25
(5)	The chief executive may decide an additional or substituted way, or a longer or shorter period, for the giving of the documents and other information mentioned in subsection (1) or the publication of the documents mentioned in subsection (3).	26 27 28 29 30 31
(6)	If the chief executive makes a decision under subsection (5)—	32 33

-
- (a) the chief executive must give the applicant written notice of the decision no later than the giving of the mining lease notice to the applicant; and
- (b) the applicant must comply with the decision instead of subsections (2) to (4).
- (7) In this section—
- affected person* means—
- (a) an owner of the subject land; or
- (b) an owner of land necessary for access to the subject land; or
- (c) the relevant local government.
- approved newspaper* means a newspaper approved by the chief executive.
- subject land* means land the subject of the proposed mining lease.

252B Declaration of compliance with obligations

- (1) The applicant for a proposed mining lease must give the chief executive a statutory declaration that the applicant has complied with section 252A.
- (2) The declaration must be given within the later of the following periods to end—
- (a) 5 business days after the last objection day for the application for the mining lease;
- (b) if the chief executive at any time decides a longer period—the longer period.

[s 90]

- (3) If the chief executive considers the declaration given under subsection (2) may not identify each person to whom a document, information or notice must be given under section 252A, the chief executive may require the applicant to give the chief executive another declaration under subsection (1) within the period decided by the chief executive. 1
2
3
4
5
6
7
8
9
- (4) Until a declaration mentioned in subsection (2) or (3) is given— 10
11
- (a) the Land Court must not make a final recommendation to the Minister about the application for the mining lease, other than a recommendation to reject the application; and 12
13
14
15
16
- (b) the Land Court may refuse to hear any matter about the application. 17
18

252C Continuing obligation to notify 19

- (1) This section applies for an application for a mining lease if, after the day the mining lease notice has been given to the applicant but before the hearing day for the application, the applicant gives the chief executive an additional document about the application. 20
21
22
23
24
25
26
- (2) The applicant must give a copy of the document to each affected person within the meaning of section 252A. 27

| (4) | Subsections (5) and (6) apply if— | 31 |
| (a) | a properly made objection is made for an application for a mining lease; and | 32
33 |
| (b) | the application for the mining lease does not relate to an application under | 34
35 |

-
- the Environmental Protection Act, 1
section 125 for an environmental 2
authority for a mining activity relating 3
to a mining lease. 4
- (5) The chief executive must refer the 5
application for the mining lease, and all 6
properly made objections for the 7
application, to the Land Court for hearing. 8
- (6) The chief executive must make the referral 9
within 10 business days after the later of the 10
following— 11
- (a) the last objection day for the 12
application for the mining lease; 13
- (b) if an owner of land may lodge an 14
objection under section 260(2)—the 15
last day of the period for lodging an 16
objection under that subsection. 17
- (7) If the Land Court receives a referral under 18
subsection (2) or (5), the Land Court must 19
fix a date for the hearing and immediately 20
give written notice of the date to each of the 21
following— 22
- (a) the chief executive; 23
- (b) the applicant for the mining lease; 24
- (c) a person who has lodged a properly 25
made objection for the application for 26
the mining lease; 27
- (d) a person who has given to the EPA 28
administering authority, under the 29
Environmental Protection Act, section 30
182(2), an objection notice relating to 31
the application for the environmental 32
authority. 33

[s 92]

	(8)	The hearing date must be at least 20 business days after the last objection day for the application for the mining lease.	1 2 3
	(9)	The Land Court may make an order or direction that a hearing under section 268 for an application for the grant of a mining lease and any objections to the grant happen at the same time as an objections decision hearing under the Environmental Protection Act, section 188 relating to the application for the mining lease.	4 5 6 7 8 9 10 11
	(10)	If the Land Court fixes a date for the hearing and all properly made objections are struck out under section 267A or withdrawn before the hearing starts, the Land Court may remit the matter to the chief executive.	12 13 14 15 16

	386V Carrying out activity on land for boundary definition purposes	10 11
(1)	This section applies if it is necessary for a person to enter land (<i>the land</i>) for the purpose of complying with—	12 13 14
	(a) section 386R or 386U; or	15
	(b) a notice under section 386J, 386S or 386T.	16 17
	<i>Example—</i>	18
	It becomes necessary for a person to enter land to define a boundary by installing physical monuments or taking GPS coordinates.	19 20 21
(2)	The person may, for that purpose, carry out the following activities—	22 23
	(a) enter and leave the land using a reasonable type of transport;	24 25
	(b) cross other land to the extent necessary to gain reasonable access to the land;	26 27
	(c) another activity on the land that is necessary for the purpose.	28 29
(3)	However, the carrying out of the activity is subject to—	30 31

-
- | | | |
|-----|---|-----------------------------|
| (a) | any conditions imposed by the Minister under section 386W(5); and | 1
2 |
| (b) | the conditions stated in schedule 1; and | 3 |
| (c) | the conditions prescribed by regulation. | 4 |
| (4) | The chief executive may, in a notice under section 386J, 386S or 386T, impose other conditions on the carrying out of the activity, including, for example, that the activity must be carried out within a stated period. | 5
6
7
8
9
10 |
| (5) | A person may appeal against the chief executive's decision to impose a condition under subsection (4) to the Land Court. | 11
12
13 |
| (6) | Sections 39 to 42 apply to the appeal and, for that purpose, the person is an aggrieved person. | 14
15
16 |
| (7) | This section does not authorise the entry of land in a fossicking area. | 17
18 |

386W Dispute about carrying out activity under s 386V in area of prospecting permit or non-mining resource authority 19
20
21

- | | | |
|-----|---|----------------------------------|
| (1) | This section applies if there is a dispute about whether an activity may be carried out under section 386V on land in the area of a prospecting permit or non-mining resource authority, between the following persons (the <i>parties</i>)— | 22
23
24
25
26
27 |
| (a) | the person carrying out, or intending to carry out, the activity; | 28
29 |
| (b) | the holder of the prospecting permit or non-mining resource authority. | 30
31 |

Note— 32

See schedule 1, section 5 for conditions on a person carrying out an activity under section 386V 33
34

[s 101]

- on land in the area of a prospecting permit or
non-mining resource authority held by someone
else. 1
2
3
- (2) Either of the parties may, by a notice in the 4
approved form, ask the Minister to decide 5
whether the activity may be carried out 6
under section 386V. 7
- (3) Before making the decision, the Minister 8
must give the parties a reasonable 9
opportunity to make submissions about the 10
request within a reasonable period. 11
- (4) The Minister must, after complying with 12
subsection (3) and considering any 13
submission made under that subsection, 14
decide the matter and give the parties notice 15
of the decision. 16
- (5) The Minister may impose conditions on any 17
decision that the activity may be carried out. 18
- (6) The Minister's decision binds the parties. 19
- (7) In this section— 20
- non-mining resource authority* means a 21
resource authority under the Common 22
Provisions Act that is not a mining 23
tenement. 24
- 386X Report about activity under s 386V to 25
chief executive by owner or occupier of 26
land 27**
- (1) This section applies if— 28
- (a) a person claims to be carrying out an 29
activity under section 386V on land; 30
and 31
- (b) the owner or occupier of the land 32
considers that the person— 33

-
- (i) is not authorised to carry out the activity on the land; or
 - (ii) is contravening a condition of carrying out the activity or a provision of this Act.
 - (2) The owner or occupier may report the matter to the chief executive.
 - (3) The chief executive must ensure the matter is investigated and advise the owner or occupier who made the report of any action taken in relation to the report.

**386Y Person carrying out activity under s 386V
contravening condition or this Act**

- (1) This section applies if, because of an investigation under section 386X or otherwise, the chief executive considers on reasonable grounds a person carrying out an activity under section 386V on land is contravening—
 - (a) a condition of carrying out the activity; or
 - (b) a provision of this Act.
- (2) The chief executive may give the person a written notice—
 - (a) stating the chief executive considers the person is contravening the condition or the provision; and
 - (b) inviting the person to show cause, within the period stated in the notice, why the person’s authority to carry out the activity under section 386V should not end, or a penalty should not be imposed, under subsection (4).

[s 101]

- (3) If, after having regard to any submissions made under subsection (2)(b), the chief executive still considers on reasonable grounds the person is contravening a condition of carrying out the activity under section 386V or a provision of this Act, the chief executive may give the person a written notice stating—
- (a) the chief executive considers the person is contravening the condition or the provision; and
 - (b) under subsection (4)(a), the person is no longer authorised to carry out the activity on the land; and
 - (c) if the chief executive considers it reasonable in the circumstances, the person is liable to pay the State a stated amount, of not more than 5 penalty units, decided by the chief executive as a penalty for the contravention.
- (4) A person given a notice under subsection (3)—
- (a) is no longer authorised to carry out the activity on the land; and
 - (b) if stated on the notice, is liable to pay the State the amount decided by the chief executive, and stated on the notice, as a penalty for the contravention.
- (5) A person given a notice under subsection (3) may appeal to the Land Court against—
- (a) the chief executive’s decision to give the notice; and

section 386V(3)(b)	8
1 Notice of entry to owner or occupier	9
(1) Before a person first enters land under section 386V, the person must give the owner of the land written notice (an <i>entry notice</i>) of the proposed entry.	10 11 12 13
(2) If the owner of the land can not be easily contacted, the person may give the entry notice to the occupier of the land.	14 15 16
<i>Examples of the owner not being easily contacted—</i>	17
1 The owner does not live in Australia and there is no known current address for the owner.	18 19
2 The owner is travelling within Australia and there is no known current address for the owner.	20 21
(3) The entry notice must be given at least 5 business days before the intended entry, or a shorter time acceptable to the owner or the occupier and endorsed on the notice.	22 23 24 25
(4) If the person satisfies the chief executive it is impracticable to give an entry notice to the owner or occupier of the land, the chief executive may, by written notice, dispense with the need to give the notice.	26 27 28 29 30

-
- (5) However, before dispensing with the need to give an entry notice, the chief executive may, by written notice, require the person to take the action the chief executive considers appropriate to publicise the proposed entry, including, for example, publishing an advertisement in a newspaper. 1
