[s 40]

- ownership of premises that are the subject of 1
the agreement—include a statement about 2
how the responsibilities must be fulfilled in 3
that event; and 4
- (b) if the fulfilment of responsibilities under the 5
agreement depends on development 6
entitlements that may be affected by a 7
planning change—include a statement 8
about— 9
- (i) refunding or reimbursing amounts paid 10
under the agreement; and 11

in title 29**

for a PDA development approval to which a 31

(2) The responsibilities under the housing agreement attach to the relevant land and bind the owner of the relevant land and the owner's successors in title.	4 5 6 7
(3) If the owner's consent under subsection (1)(b) is given but not endorsed on the agreement, the owner must give a copy of the document evidencing the owner's consent to the local government for the relevant land to which the consent applies.	8 9 10 11 12 13
(4) Despite subsection (3), subsections (5) and (6) apply if—	14 15

(b) the relevant land is subdivided.	20
(5) The part is released from the responsibilities.	21
(6) The responsibilities are no longer binding on the owner of the part.	22 23
122AF Exercise of discretion unaffected by housing agreement	24 25
A housing agreement is not invalid merely because its fulfilment depends on the exercise of a discretion by a public sector entity about an existing or future PDA development application.	26 27 28 29
122AG Housing agreement applies instead of PDA development condition requiring payment of amount	30 31 32
(1) This section applies if MEDQ enters into a	33

[s 40]

- housing agreement with an entity to waive the payment of an amount required under a PDA development condition of a PDA development approval imposed under section 88(1)(f)(iii) in exchange for the supply of social housing or affordable housing on—

 - (b) land other than the relevant land for the PDA development approval.
- (2) To the extent of any inconsistency, the housing agreement applies instead of the PDA development condition.
- (3) Subsections (4), (5) and (6) apply if—
- (a) the relevant land for the PDA development approval ceases to be in, or to be PDA-associated land for, a priority development area; and
 - (b) the PDA development condition becomes a condition of a Planning Act approval under chapter 3, part 2, division 4, subdivision 2, even if, as mentioned in section 51AI, the condition could not be imposed under the Planning Act (the *transitional payment condition*).
- (4) The housing agreement—
- (a) continues to have effect according to the terms of the housing agreement; and
 - (b) MEDQ continues to be a party to the housing agreement; and

	(6)	If the housing agreement is terminated or of no effect, any amount required to be paid under the transitional payment condition is payable to MEDQ as a debt.	5 6 7 8
