Commencement of contributions

93.(1) Subject to this chapter, every person who is an officer shall contribute to the fund until the last day of the fortnightly pay-period preceding the day on which the officer attains the age of 65 years or employment as an officer sooner ceases.

Contributions to be paid periodically

(2) The contribution to be made by a contributor to the fund shall be payable periodically at such intervals as may be prescribed and shall be deducted from the salary payable to the contributor accordingly.

(3) Until some other periodical interval is prescribed such contribution shall be payable by and be deducted from the salary of the contributor fortnightly.

(4) All deductions made from the salaries of officers in respect of contributions to the fund shall be credited thereto.

(5) Any amount of the contributions and additional payments prescribed by section 100(6) to be made by a contributor not paid by deduction from the contributor's salary as prescribed by subsections (2) and (3) shall be paid in such manner as the manager directs and, if directed by the manager, may be deducted from the contributor's salary in addition to the deductions from the contributor's salary as prescribed by subsections (2) and (3) but the board may determine that any such amount not so deducted and not otherwise recovered by the board be recovered by reduction of the amount of benefit payable upon a claim made by or derived from the contributor, whereupon any such amount of contribution shall be deemed not to be due and unpaid.

(6) Notwithstanding subsections (2) to (5), the board may recover by action as for a debt any amount of the contributions or additional payments to be made by a contributor which is due and unpaid.

(7) For the purposes of subsections (5) and (6), the amount of any unpaid contributions and additional payments shall be the aggregate of the

amount thereof due and unpaid and of the interest thereon which would have accrued to the fund and the consolidated fund had the same been duly paid.

(8) Where the contributions and additional payments to be made by a contributor are in arrears to the extent prescribed as respects amount or time, or both, the board may determine all rights of the contributor to benefits under this chapter, and thereupon shall pay to the contributor a sum equal to the aggregate of contributions and additional payments, whether paid or in arrears, payable by the contributor to the fund or the consolidated fund, to the date of such determination accumulated in respect only of contributions payable by the contributor to the fund at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound reduced by the aggregate of the amount of the arrears of contributions and additional payments and of the interest thereon which would have accrued to the fund or the consolidated fund (at the rate at which earnings would have accrued to the fund) had the same been duly paid.

(9) Where a person ceased to be an officer within the meaning of section 92 but before the expiration of 1 month after so ceasing again becomes such an officer, the person may, where the board so approves (whether subject to conditions or unconditionally) on the written application of that person, be permitted to contribute to the fund in respect of the period between so ceasing to be an officer and again becoming an officer and where with the approval of the board a person is permitted to contribute to the fund under this subsection that person shall, for the purposes of this chapter be deemed to be and to have been an “officer” within the meaning of section 92 during the period in respect of which the person so contributes and this chapter shall apply in relation to the person accordingly.

Division 2—Scale of units

Salary for the purposes of this division

94.(1) In this division—

“salary”, in relation to an officer, means the fortnightly salary of that officer.

(2) The fortnightly salary of an officer who is paid salary at a rate other than a fortnightly rate of salary shall be ascertained as prescribed.

(3) Different such prescriptions may be made in respect of officers included in different classes of officers.

Scale of units of annuity, incapacity, and, in the case of male officers, assurance benefits

95.(1) Subject to this chapter, contributions by an officer shall be in respect of units of annuity, units of incapacity and, in the case of a male officer, units of assurance benefits as respectively defined by sections 111, 113 and 116, and the number of units of those benefits respectively in respect of which an officer shall contribute is the number specified in schedule 2, column 2 opposite to the salary group in which his or her salary falls.

(2) Where, at the time when an officer becomes a contributor, he or she has attained the age of 40 years, but is under the age of 60 years, he or she shall contribute to the fund—

- (a) unless he or she is entitled to elect and elects as prescribed by paragraph (b)—such a sum as will provide units of benefits to the number specified in schedule 1, column 2 opposite to the salary group within which his or her salary falls; or
- (b) if the sum specified in paragraph (a) exceeds the rate of 5% of his or her salary such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that salary and not exceeding the sum specified in paragraph (a) as he or she may, not later than 6 months after the date on which he or she becomes a contributor, elect to contribute.

(3) If the salary of a contributor is increased and, by reason of that increase, falls within a salary group in schedule 2, column 1 higher than the salary group in which it fell prior to the increase, the following provisions shall apply—

- (a) if the officer has attained the age of 40 years, but is under the age of 60 years, and is contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the

Superannuation (State Public Sector) Deed 1990

amount of his or her contribution to—

- (i) unless he or she is entitled to elect and elects as prescribed by subparagraph (ii)—such a sum as will provide units of benefits to the number specified in column 2 opposite to the salary group within which his or her increased salary falls; or
 - (ii) if the sum specified in subparagraph (i) exceeds the rate of 5% of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;
- (b) if the officer has attained the age of 40 years, but is under the age of 60 years, and is not contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the amount of his or her contribution to—
- (i) unless he or she is entitled to elect and elects as prescribed by subparagraph (ii)—such sum as will add to the number of units for which he or she is contributing the maximum number of additional units for which he or she could have contributed if he or she had been a contributor to whom paragraph (a) applies; or
 - (ii) if the sum specified in subparagraph (i) exceeds the rate of 5% of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;
- (c) if the officer has attained the age of 60 years he or she may elect to increase the amount of his or her contribution to such a sum as will provide units of benefits under this chapter to a number not exceeding the number specified in column 2 opposite to the salary group in which his or her increased salary falls, but unless he or

Superannuation (State Public Sector) Deed 1990

she so elects not later than 6 months after the date on which his or her salary is increased, he or she shall not be entitled or required to increase his or her contribution by reason of such increase in salary;

- (d) however, an officer to whom paragraph (c) applies shall not, in respect of any increase in salary, be entitled or permitted to increase the amount of his or her contribution so as to add to the number of units for which he or she was contributing immediately prior to that increase additional units in excess of the number prescribed in relation to that increase by such scale;
- (e) in all other cases—the contributor shall increase the amount of his or her contribution to such a sum as will provide units of benefits to the number specified in column 2 opposite to the salary group within which his or her increased salary falls.

(4) Any increased contribution payable in pursuance of subsection (3)(a), (b) or (e) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date—

- (a) upon which the contributor's salary is increased; or
- (b) from which the contributor's salary is increased;

whichever is the later.

(5) Any increased contribution payable in pursuance of subsection (3)(c) and (d) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date of the election.

(6) For the purposes of this division where the salary of an officer falls within the salary group, exceeding \$450.20 set out in schedule 2, column 1, the number ascertained in accordance with the formula in column 2 set opposite that salary group shall, with respect to that officer, be deemed to be the number specified in column 2 opposite to the salary group within which his or her salary falls.

(7) For the purposes of the application at any time in relation to a contributor of the formula in schedule 2, column 2 opposite to the salary group, exceeding \$450.20 in column 1—

“**A**” denotes the number of times (disregarding any fraction less than 1) by which the fortnightly salary of the contributor exceeds the sum of

\$450.20 by the sum of \$6.38.

(8) For the purposes of contributions of officers in accordance with schedule 2 as inserted by the *Public Service Superannuation Act Amendment Act 1969*, the salary of every officer who is a contributor at the commencement of that Act shall be deemed increased on and from the date of that commencement from the maximum salary within the salary group in column 1 opposite to the number in column 2 that was the number specified in schedule 2, column 2 immediately before the commencement of the *Public Service Superannuation Act Amendment Act 1969* opposite to the salary group in which his or her salary fell immediately before the commencement of that Act and this chapter shall apply accordingly.

When officer may voluntarily increase contribution

96.(1) Any officer who is not contributing to the fund for units of benefits to the number thereof specified in schedule 2 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.

(2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—

- (a) the number thereof specified in schedule 2 opposite to the salary group in which the salary of the officer making the election falls; and
- (b) the number thereof for which such officer is contributing;

but an officer shall not be entitled or permitted to increase, pursuant to such an election, the officer's contribution to the fund for incapacity benefit or assurance benefit to a number of units thereof in excess of the number or increased number of units of annuity benefit for which the officer is a contributor or, as the case may be, would become a contributor pursuant to such election.

(3) Unless exempted by the board therefrom an officer shall, before at any time increasing the amount of contribution to the fund under this section, be medically examined by a medical practitioner.

(4) An officer shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and

physical condition of such officer are such as would justify the officer being then accepted as a contributor.

(5) Any increased contribution under this section shall, subject to subsection (4), be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the officer making the election.

Power of board to exempt etc. from contributing

97.(1) According as the circumstances of any case in its opinion warrant, the board may exempt an officer wholly or partly from the requirement imposed upon the officer by this chapter to contribute or at any time to increase the amount of the officer's contribution to the fund, or the board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.

(2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that officer shall, unless the board wholly or partly exempts the officer from so doing, pay to the fund the contribution or increased contribution then required in the officer's case by this chapter.

(3) When the board does not specify the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts the officer from so doing, the officer concerned shall pay to the fund the contribution or increased contribution then required in the officer's case by this chapter.

(4) In the case of any officer (including an officer to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in the officer's case by this chapter, the payment which the officer would be otherwise required to make shall be reduced by the amount of the exemption.

(5) Where a contributor satisfies the board that adequate provision has been made for himself, herself and his or her family, or that continued

contributions for the number of units for which the contributor is contributing will cause the contributor undue hardship, or that for any other reason which the board deems adequate the contributor should be permitted to surrender units, the board may permit the contributor to surrender some or all of the units of benefits under this chapter for which the contributor is contributing.

(6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of 1.25% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.

(7) The units surrendered by a contributor under subsection (5) shall be—

- (a) in a case where the contributor is contributing under section 96, or that section as applied by section 155, for units of benefit—those units if the contributor nominates those units as the units to be so surrendered;
- (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

Officer reduced in salary

98.(1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in schedule 2, column 1 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to him or her.

(2) A contributor electing under this section shall surrender first the unit or units for which he or she last began to contribute.

(3) The benefits (save the additional assurance benefit in respect of children) payable under this chapter in respect of units respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under this chapter.

Units of benefits to be contributed for in equal numbers

99.(1) At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of one such benefit than of another.

(2) This section applies subject to section 103(3) and parts 4 and 5.

Period for which contributions are to continue

100.(1) Except as prescribed by this section, an officer shall continue to contribute as prescribed to the fund until the last day of the fortnightly pay-period last preceding the day on which—

- (a) he or she ceases to be an officer; or
- (b) he or she attains the age for retirement; or
- (c) his or her service as an officer, ascertained as prescribed by section 176 of chapter 5 equals 42 years and 6 months;

whichever first occurs, and except as aforesaid, shall continue to pay contribution, as for a period of service, without reduction in respect of any period of leave or absence from duty.

(2) Where absence from duty referred to in subsection (1), other than with leave of absence without salary by reason of incapacity, is for a continuous period of 14 days or more (whether or not working days) the officer shall, unless the officer elects pursuant to subsection (3), in addition to continuing to contribute to the fund as provided by subsection (1) pay to

Superannuation (State Public Sector) Deed 1990

the consolidated fund, in respect of the period of absence, the amounts that the officer's employer would be required to pay for the officer under section 28 of the Act, but for the absence.

(3) A contributor who would be required to pay contribution to the consolidated fund pursuant to subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—

- (a) contribution to the fund in respect of the contributor shall cease to be payable in respect of the period of absence; and
- (b) the board shall waive the payments to the consolidated fund that would be required by that subsection to be made by the contributor; and
- (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.

(4) The Governor in Council may waive the requirement under subsection (2) to make payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.

(5) Where an officer has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days) the officer's liability to pay contributions to the fund under this chapter shall be suspended for the whole of the period that the officer has been or continues to be so absent but if the officer resumes employment as an officer contributions shall again become payable by the officer.

(6) A contributor who, pursuant to subsection (1) or (2), is required to pay contributions to the fund and to make payment to the consolidated fund in respect of a period of absence from duty—

- (a) shall, before commencing the period of absence, pay to the fund and to the consolidated fund the total amount of contributions and payments that the contributor is so required to pay; or
- (b) shall, before commencing the period of absence, make

arrangements satisfactory to the board for payment of the total amount of contributions and payments that the contributor is so required to pay.

(7) Where a contributor to whom subsection (6) applies does not comply with subsection (6)(a) or (b) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter may be reduced by such amounts as are determined by the actuary and approved by the board.

Refund of excess contributions

101. Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.

Division 3—Scale of contributions by officers

Contributions according to scale graduated by age at commencement

102.(1) The amount of contribution which shall be paid periodically by an officer in respect respectively of annuity, incapacity and, in the case of a male officer, assurance benefits, shall, except where otherwise provided in this chapter, be based upon—

- (a) the number of units;
- (b) sex;
- (c) the age at which the officer commences to contribute for each unit.

(2) The amount of the contributions shall be ascertained—

- (a) with respect to units for which the officer commenced to contribute before the commencement of the *Public Service Superannuation Act Amendment Act 1969*, or for which the officer commences to contribute after that commencement by reason of section 95(8), in accordance with—
 - (i) in the case of male officers—schedule 3, part 1; and

Superannuation (State Public Sector) Deed 1990

- (ii) in the case of female officers—schedule 3, part 2;
 - (b) with respect to units for which the officer commences to contribute after the said commencement (save units for which the officer commences to contribute after that commencement by reason of section 95(8))—in accordance with schedule 4.
- (3) For the purpose of subsection (4)—

“hypothetical fortnightly contribution” means the fortnightly contribution, as at 1 January 1973, that would have been payable by a contributor in respect of the units of benefit (in this section called the **“said units of benefit”**) for which he or she is a contributor under this chapter as at that date (including any units of whole life and endowment assurance, but excluding any units of benefit that were effected pursuant to section 96 after 1 October 1972 and any reserve units of benefit) if—

- (a) each (if any) of the said units of benefit that was taken-up pursuant to section 96 had been effected immediately before the date of its becoming a unit of benefit in respect of which an election might be made under the said section; and
- (b) each (if any) of the said units of benefit in respect of which any fortnightly contributions have been commuted by payment of a lump sum had not been so commuted;

(a) who is contributing for 1 or more reserve units of benefits pursuant to this division; and

(b) who becomes required or entitled to contribute for additional units of benefits under this chapter (other than this division);

(ii) who when he died or ceased to be a contributor was contributing for not less than 4 units of assurance benefit under this chapter; or

(b) a deceased or divorced wife of a person referred to in paragraph (a) except the child of a divorced wife that is not the issue of that person; or

(c) the widow of a person referred to in paragraph (a) except a child born after the passing of the *Superannuation Acts Amendment Act 1984* and the death of that person that is not the issue of that person.

(3) For the purposes of this division—

Superannuation (State Public Sector) Deed 1990

“eligible child” means—

- (a) a child to whom this section applies under the age of 16 years; or
- (b) a child to whom this section applies—
 - (i) who has attained the age of 16 years but is under the age of 25 years; and
 - (ii) in respect of whom the board is satisfied that he or she is receiving full-time education at a school, college or university.

Amount of additional assurance benefit

121.(1) In respect of each child, the amount of additional assurance benefit shall be—

- (a) if a person who, in the case, is or was a widow entitled to assurance benefit pursuant to division 3 is living—at the rate of \$50 per fortnight adjusted in accordance with the cost of living adjustment provided for in section 133 from and including the first pay-period that occurs wholly in August 1987; and
- (b) in any case other than a case to which paragraph (a) applies, including the case of a child who at the passing of the *Superannuation Acts Amendment Act 1984* was entitled to additional assurance benefit under the *Public Service Superannuation Act 1958–1978*, section 36(1)(b)—at a rate in accordance with the following table in respect of each unit of assurance benefit for which the person through whom the entitlement to additional assurance benefit arose or arises was contributing when he died or otherwise ceased to be a contributor—

TABLE

1 child	\$2.56 per fortnight
2 or more children	\$3.84 per fortnight divided by the number of children in respect of each child.

(2) However, each child who is entitled to additional assurance benefit

under subsection (1)(b) shall be paid a fortnightly rate so that, when that rate is added to any rate of pension to which the child is entitled under chapter 5, the total rate payable shall be at least equal to twice the rate that the child would have been paid had the child been a case to which subsection (1)(a) applies.

Payment of additional assurance benefit

(3) Unless the board otherwise determines, the additional assurance benefit shall be paid in a case to which subsection (1)(a) applies, to the person who is or was the widow referred to therein and, in any other case, to the guardian of the child.

(4) In any case where the board deems necessary for the better support and education of the child concerned the additional assurance benefit, or any part thereof, shall be paid to such person as the board determines.

(5) Where by reason of the death of a contributor or a person in receipt of benefit the only entitlement derived through him is an entitlement to an additional assurance benefit arising on or after the passing of the *Superannuation Acts Amendment Act 1984* and before the passing of the *Superannuation Acts Amendment Act 1987* the amount of benefit payable in respect of the child or, if there are 2 or more children who derive the entitlement, in respect of all of them shall equal at the least the amount that would be payable in respect of 1 child (being a child deriving his or her entitlement through the contributor or person in receipt of benefit) under this section for a period of 5 years calculated at the rate at which a pension was payable in respect of 1 child (being a child deriving his or her entitlement through that contributor or person in receipt of benefit) at the date when the entitlement to the additional assurance benefit commenced.

(6) Where by reason of the death of a contributor or a pensioner the only entitlement derived through him is an entitlement to an additional assurance benefit arising on or after the passing of the *Superannuation Acts Amendment Act 1987* and the amount of benefit paid in respect of the child or, if there are 2 or more children who derive the entitlement, in respect of all of them (disregarding for the purpose of calculating that amount any increase in the rate of benefit payable since the time when the entitlement commenced) is less than the amount that would have been payable under section 115 to the widow of the person through whom the entitlement is derived, had he left a widow upon his death, there shall be paid to such persons as are approved by the board, in equal shares if more than 1, the

difference between the 2 amounts hereinbefore referred to in this subsection.

Division 6—Surrender values and refunds of contributions for annuity and assurance benefits

Endowment payment in lieu of units of assurance benefit

122. A contributor who on or after the passing of the *Superannuation Acts Amendment Act 1984* attains the age for retirement or retires before attaining that age by reason of an election mentioned in section 110(2)(d) and—

- (a) who commutes for a lump sum all or any of the units of annuity benefit for which he was contributing immediately before he ceased to be a contributor, is entitled, in addition to the payment of the lump sum for which he has commuted and to annuity benefit (if any), to an amount determined by the actuary and approved by the board in respect of each unit of assurance benefit for which he was so contributing up to and including the number of units of annuity benefit in respect of which he has commuted for a lump sum and he shall be paid from the fund in respect of the assurance benefit for which he was so contributing a sum equal to that amount multiplied by a number equal to the number of units of annuity benefit in respect of which he has commuted but not exceeding the number of units of assurance benefit for which he was so contributing; or
- (b) who, being a person through whom there is at the time he ceases to be a contributor no person who would derive an assurance benefit upon his death, either—
 - (i) does not commute as referred to in paragraph (a); or
 - (ii) was contributing at the time he ceased to be a contributor for a number of units of assurance benefit in excess of the number of units of annuity benefit in respect of which he has commuted as referred to in paragraph (a);

is entitled, in addition to annuity benefit and to the payment (if any) to which he is entitled under paragraph (a), to an amount

determined by the actuary and approved by the board in respect of each unit of assurance benefit for which he was contributing immediately before he ceased to be a contributor or, as the case may be, in respect of each of those excess units of assurance benefit and he shall be paid from the fund a sum equal to that amount multiplied by a number equal to the number of units of assurance benefit for which he was so contributing or, as the case may be, by a number equal to the number of those excess units of assurance benefit.

Refunds of annuity benefit contributions

123.(1) If and when a person ceases to be a contributor before attaining the age of 65 years otherwise than by reason of an election as is mentioned in section 110(2)(d), the person or, if the person died, the person's legal personal representative or other person approved by the board shall be paid from the fund a sum equal to the aggregate of all amounts contributed by the person to the fund in respect of units of annuity benefit for which the person was then contributing accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

(2) Subsection (1) does not apply to a person who is retired or permitted to retire from employment as an officer by reason of incapacity and who satisfies the board as required by section 136 or to a person referred to in section 155(6) who dies.

(3) When a person over the age of 65 years who has been a contributor and who when the person died was entitled to receive annuity benefit under this chapter, dies before the person has been in receipt of such benefit for a period of 3 years the person's legal personal representative or other person approved by the board shall be entitled to be paid from the fund the amount by which the aggregate of all payments from the fund in respect of units of annuity benefit under this chapter in respect of which the person was entitled to the receipt of annuity benefit when the person died that would have been paid if the person had been in receipt of such annuity benefit for a period of 3 years exceeds the aggregate of all such payments that had been paid to the person before the person died.

(4) For the purposes of subsection (3)—

- (a) it shall be deemed that the annuity benefit that would have been received by the person during any unexpired portion of the period of 3 years subsequent to the person's death shall be at the rate of \$3.84 per fortnight per unit of annuity benefit; and
- (b) section 133 shall be disregarded in calculating entitlement under subsection (3).

(5) Subsections (3) and (4) applies to a contributor who makes an election as is mentioned in section 110(2)(d) to retire before the day on which the contributor would attain the age for retirement as if in the contributor's case a reference in subsection (3) to 'the age of 65 years' were a reference to the contributor's age at the date of retirement pursuant to such election and as if the reference in subsection (4)(a) 'the rate of \$3.84' were a reference to the rate ascertained in the contributor's case in accordance with the formula prescribed in section 111(3).

Refunds of incapacity benefit contributions

124.(1) If and when a person ceases to be a contributor before attaining the age of 65 years the person or, if the person has died, the person's legal personal representative or other person approved by the board, shall be paid from the fund a sum equal to the aggregate of all sums contributed by the person to the fund in respect of units of incapacity benefit for which the person was then contributing accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

(2) This section does not apply to a person retired, by reason of incapacity, or an election as is mentioned in section 110(2)(d), from employment as an officer.

Refund of assurance benefit contributions

125. If and when a person ceases to be a contributor before attaining the age for retirement other than by reason of—

Superannuation (State Public Sector) Deed 1990

- (b) his retirement from employment as an officer on the ground of incapacity; or
- (c) his retirement from employment as an officer pursuant to an election referred to in section 110(2);

he shall be paid from the fund a sum equal to the aggregate of all amounts contributed by him to the fund in respect of units of assurance benefit for which he was contributing accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

*Division 7—Commutation of annuity benefit***Application to commute**

126.(1) Subject to this division, a contributor or other person may apply in writing to the board to commute for the lump sum ascertained in accordance with this division the annuity benefit payable in respect of all or any of the units of annuity benefit (including any excess unit to which section 146 applies but not including any reserve unit of benefit in respect of which he or she may elect to receive payment of the sum prescribed by section 107) for which he or she was contributing—

Superannuation (State Public Sector) Deed 1990

- (c) in any other case—before the expiration of a period of 1 month commencing on the date on which the contributor attains the age of 65 years.

(3) The board shall not proceed with an application under subsection (1) by a person to whom subsection (2)(a) applies (other than a person who at the date of the application is being continued in his or her employment as an officer) unless the applicant has produced evidence of good health at the time of the application satisfactory to the board.

(4) A person to whom subsection (1)(b) applies who makes an application under subsection (1) shall produce evidence of his or her state of health at the time of the application satisfactory to the board and in determining the lump sum payable under this section due weight shall be given to that evidence.

(5) The provisions of section 123(1) do not apply to a person to whom subsection (1)(c) applies in relation to any units of annuity benefit in respect of which he or she is paid a lump sum pursuant to this section.

Persons not entitled to commute

127.(1) This division does not apply to a contributor who—

- (a) having attained the age of 59 years and 9 months at the date of commencement of the *Public Service Superannuation Act Amendment Act 1969*—elects, after the expiration of a period of 3 months commencing on that date, to increase the amount of his or her contribution under section 96, or that section as applied by

Superannuation (State Public Sector) Deed 1990

section 155, and is accepted by the board as a contributor under the section under which the election is made;

- (b) not being a person to whom paragraph (a) applies—elects, after the said date of commencement and after having attained the age of 60 years, to increase his or her contribution under section 96, or that section as applied by section 155, and is accepted by the board as a contributor under the section under which the election is made;
- (c) voluntarily resigns from his or her employment after he or she has attained the age of 60 years but before attaining the age of 65 years or makes an election as is mentioned in section 110(2)(d) to retire before the day on which the contributor would attain the age for retirement and who—
 - (i) has elected to increase the amount of his or her contributions under section 96, or that section as applied by section 155, and has been accepted by the board as a contributor under the section under which the election is made; or
 - (ii) has been permitted under section 129 to commute the contribution for any benefits under this chapter other than a commutation by way of a single premium of the contribution for units of benefits under this chapter effected under section 95 by reason of an increase in the salary of the contributor;

after the expiration of the period of 3 months commencing on the date of commencement of the *Public Service Superannuation Act Amendment Act 1969* and—

- (iii) during the period of 5 years immediately preceding such resignation or, as the case may be, retirement; or
- (iv) where the resignation or, as the case may be, retirement takes effect within the period of 5 years and 3 months after the date of commencement of the *Public Service Superannuation Act Amendment Act 1969*—during such part only of that period of 5 years as occurs after the expiration of a period of 3 months commencing on the said date of commencement.

(2) Where a contributor prior to resignation or retirement has duly surrendered all the units of benefits for which the contributor is contributing under section 96, or that section as applied by section 155, the contributor shall, for the purposes of this section, be deemed not to have elected to increase the amount of his or her contributions under section 96 or that section as applied by section 155.

Ascertainment of lump sum payable

128.(1) Subject to this section, the amount of the lump sum that a contributor or other person is entitled to be paid in respect of any application under section 126 is such amount as is determined by the actuary as the actuarial reserve of the units of annuity benefit to which the application relates and approved by the board.

(2) In the case of a contributor who is continued in his or her employment as an officer after attaining the age of 65 years and who makes an application under section 126, the lump sum that is payable is such amount as is determined by the actuary and approved by the board as the actuarial reserve of the units of annuity benefit to which the application relates no regard being had in determining the lump sum to which the officer is entitled under this division to any amount or proportion in respect of the units of annuity benefit in question prescribed by this chapter to be payable by the Crown.

(3) In addition to the lump sum payable under subsection (2) there is payable to a contributor to whom that subsection applies on retiring or being retired from his or her employment as an officer, a sum of such amount as is determined by the actuary and approved by the board as being attributable, as at the date on which the retirement takes effect, to the amount or proportion of the units of annuity benefit in respect of which the lump sum was payable under subsection (2) that would have become payable by the Crown under this chapter if the application under section 126 had not been made.

(4) In the case of a contributor who voluntarily resigns, pursuant to section 160, from employment after he or she has attained the age of 60 years but before attaining the age of 65 years, for the purposes of determining the lump sum that is payable under this division each unit of annuity benefit in respect of which he or she makes an application under

Superannuation (State Public Sector) Deed 1990

section 126 shall be deemed to provide a benefit at such rate per fortnight as may be determined by the actuary and approved by the board.

(5) In the case of a contributor who, after the commencement of the *Superannuation Acts Amendment Act (No. 2) 1974*, part 3, makes an election as is mentioned in section 110(2)(d), for the purposes of determining the lump sum that is payable under this division each unit of annuity benefit in respect of which he or she makes an application under section 126 shall be taken to provide a benefit ascertained in accordance with the formula prescribed by section 111(3).

(6) In determining the lump sum payable under this division—

- (a) with respect to units the subject of an application under section 126 for which the contributor commenced to contribute before the commencement of the *Public Service Superannuation Act Amendment Act 1969* or for which the contributor commenced to contribute after that commencement by reason of section 95(8)—no regard shall be had to any increased benefit to which the applicant may have become entitled in relation thereto if the application had not been made;
- (b) with respect to units the subject of an application under section 126 for which the contributor commenced to contribute after the commencement of the *Public Service Superannuation Act Amendment Act 1969* (save units for which the contributor commenced to contribute after that commencement by reason of section 95(8))—no regard shall be had to any part of the increased benefit to which the applicant may have become entitled in relation thereto if the application had not been made that the actuary appointed pursuant to the Act determines, with the approval of the board, to be attributable to the amount or proportion of those units of annuity benefit that would have become payable by the Crown under this chapter if the application had not been made.

(7) In respect of the lump sum payable under this division which shall be paid from the fund, the Crown shall pay such sum as the actuary certifies with the approval of the board as being the part of the lump sum attributable to the amount or proportion of the units of annuity benefit to which the application under section 126 relates that may have become payable by the Crown under this chapter if the application had not been made.

(8) Any right conferred by this division on any contributor or other person does not derogate from any right conferred by section 151, but a person is not entitled to be paid a lump sum under more than 1 such provision in respect of the same unit of annuity benefit.

Division 8—General provisions respecting benefits

Right to prepay contributions

129.(1) The board may permit a contributor to commute the contribution for benefits under this chapter, or any of them, payable by the contributor in respect of any future period by payment of a lump sum of such amount as shall be determined by the actuary and approved by the board.

(2) Where a contributor has commuted wholly or in part any contributions under this chapter attributable to a period within the 10 years immediately preceding the age for retirement the contributor is, upon the contributor's application therefor made to the board prior to the date of retirement, entitled to be paid from the fund in respect of the contributions so commuted and attributable to such part of that period as commences on the date of the contributor's application or a date specified by the contributor in the contributor's application (whichever is the later date) and expires at the termination of that period such sum of money as is determined by the actuary and approved by the board.

(3) Where a contributor who elects to retire at any time within the period of 10 years immediately preceding the day on which the contributor would attain the age for retirement has commuted wholly or in part any contributions under this chapter attributable to any period after the date of retirement and has not been paid under subsection (2) a sum of money in respect of the whole of the contributions so commuted the contributor is, in addition to any benefit entitlement under this chapter, entitled to be paid from the fund such sum of money in respect of such contributions as is determined by the actuary and approved by the board, due allowance being made for any sum of money that has been paid under subsection (2) in respect of such contributions.

130.(1) Except where otherwise provided in this chapter, annuity benefit or assurance benefit shall be payable during the life of the person entitled thereto.

(2) Additional assurance benefit in respect of any child shall be payable until the child ceases to be an eligible child or sooner dies.

(3) Benefits shall as far as practicable be paid fortnightly or, if so determined by the board, periodically at other intervals.

132. Subject to this chapter, where under this chapter an officer becomes liable, or elects, to contribute for any units or additional units, the officer shall be a contributor in respect of those units or additional units as from the date as from which the contribution or additional contribution therefor is payable and not earlier, but if any benefit becomes payable to or in respect of that contributor before the officer has actually commenced to make contributions or additional contributions there shall, as determined by the board, be deducted from payments of benefit such contributions as are due by the officer in respect of those units or additional units.

Adjustment of pensions

133.(1) In this section—

“**basic rate**”, in relation to a benefit, means the rate at which the benefit was payable under the repealed *Public Service Superannuation Act 1958* when it came into force.

“index” means the all groups consumer price index for Brisbane published by the Australian Statistician.

“pay-period” means the period with respect to which the fortnightly or other periodic instalment of benefits is payable in pursuance of section 130(3).

(2) Subject to this section, a benefit under this chapter shall be adjusted by the board in each year in accordance with this section.

(3) The Government statistician shall, as soon as practicable after 30 June in each year, give to the Minister a notice specifying the percentage (expressed to a degree of accuracy of not more than 1 decimal place) by which the index for the quarter ended on that day is greater or less than the index for the same quarter in the immediately preceding year.

(4) On receipt of a notice under subsection (3), the Minister shall, by order—

- (a) declare the percentage by which benefits shall be adjusted (whether by way of increase or decrease) in the year commencing on 1 August next after the quarter firstmentioned in that subsection; or
- (b) if, by reason of the operation of subsection (9), no adjustment is to be made in respect of that year—declare that benefits shall not be adjusted in respect of that year.

(5) A percentage declared under subsection (4)(a) in respect of any year shall be the same as the percentage specified in the notice given to the Minister under subsection (3).

(6) An adjustment of a benefit in respect of any year made under this section shall be made—

- (a) by increasing, or as the case may require by decreasing, the rate at which immediately before the making of the adjustment, the pension was payable by the percentage declared in respect of that year under subsection (4); and
- (b) so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in that year.

(7) The following provisions apply to and in relation to the first

Superannuation (State Public Sector) Deed 1990

adjustment of a benefit pursuant to this section if at the time when the adjustment is to be made the benefit has been in force for less than 12 months—

- (a) in the case of a benefit that comes into force after 1 July in any year—the first adjustment of that benefit shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the second year after the year in which the benefit comes into force;
- (b) in the case of a benefit that comes into force on or before 1 July in any year—the first adjustment of that benefit shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August immediately following that day;
- (c) the fortnightly amount by which a benefit to which paragraph (b) applies is to be increased or decreased shall be calculated in accordance with the prescribed formula.

(8) For the purposes of subsection (7)(c), the prescribed formula is the formula—

$$V = A \times \frac{M}{12}$$

(9) In subsection (8)—

“A” means the amount by which, but for the operation of subsection (7), the benefit would have been increased or decreased.

“M” means the number of whole months from the day on which the benefit came into force until the following 31 July (both days inclusive).

“V” means the fortnightly amount referred to subsection (7)(c).

(10) Except as provided in subsection (11), where the percentage specified in a notice under subsection (3) in respect of any year is less than 1% no adjustment of benefits shall be made in respect of that year.

(11) Where each of the percentages specified in a notice under subsection (3) in respect of any 2 or more successive years is less than 1% but those percentages are in the aggregate, equal to, or greater than 1% (whether by way of increase or decrease), benefits shall be adjusted in respect of the latest of those years as if the percentage declared in respect of

that year were a percentage equal to that aggregate.

(12) Nothing in this section requires the rate of a benefit to be decreased below the basic rate and if, by reason of the making of an adjustment under this section, the rate of a benefit would be so decreased, that benefit shall, until it is next increased to a rate exceeding the basic rate by reason of the making of such an adjustment, be deemed to be payable at the basic rate.

(13) Where—

- (a) by reason solely of the operation of subsection (12), a benefit is being paid at the basic rate; and
- (b) an adjustment, by way of increase, is required to be made to the rate of that benefit in respect of any year;

that adjustment shall be made as if, immediately before the making of the adjustment, the benefit were payable at the rate at which, but for the operation of that subsection, it would have been payable.

Adjustment of pension where entitlement follows a former entitlement

134.(1) Where on or after 1 July 1974 a person becomes entitled to a pension under a provision of division 1 or 2 (in this section called the “**subsequent pension**”) and the person was, immediately before becoming so entitled, entitled to a pension under such a provision (in this section called the “**former pension**”) and has not since becoming entitled to the former pension resumed employment as an officer, the pension to which the person is entitled is a pension calculated in accordance with the formula—

$$P = A \times \frac{B}{C}.$$

(2) In subsection (1)—

“**A**” means the fortnightly amount of the pension that would have been payable to the person but for this section.

“**B**” means the fortnightly amount of the former pension that was payable under this chapter to the person immediately before becoming entitled to the subsequent pension.

“**C**” means the fortnightly amount of the former pension that was payable

to the person on the person becoming entitled thereto.

“P” means the fortnightly amount of the pension payable to the person.

Variation of entitlement to adjustment

- (a) that such person receive no increase in benefit under that section; or
- (b) that such person receive an increase in benefit less than that provided for by that section;

and the determination shall be given effect according to its terms notwithstanding that section.

(2) The board may revoke or vary a determination under subsection (1).

(3) In the event of a revocation of a determination the amount of the benefit to which the determination related shall, as from the date of the revocation, be the same as if that determination had not been made.

(4) In the event of a variation of a determination the amount of the benefit to which the determination relates shall, as from the date of the variation, be in accordance with the determination as so varied.

(5) Unless it is otherwise determined by the board, for the purpose of determining the amount of benefit payable under section 116, 120 or 134 all determinations made under subsection (1) and variations made under subsection (2) shall be disregarded and the person in receipt of benefit shall be deemed to have been receiving, immediately before the person’s death or, as the case may be, immediately before becoming entitled to the subsequent pension referred to in section 134, the amount of benefit that would have been payable to the person had no such determination been made.

Entitlement to receive incapacity benefit

136. Before a person—

- (a) who is retired or permitted to retire as an officer by reason of

incapacity; or

- (b) who has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days);

is entitled to payment of an incapacity benefit or to payment from the fund of a sum on account of incapacity the person shall satisfy the board that the incapacity is such as to render the person unfit to discharge or incapable of discharging the duties of office efficiently and, in the case referred to in paragraph (a), that the incapacity is likely to be permanent.

Enlargement of benefits to level of benefits under ch 5

137. Despite this chapter, in respect of a contributor who retires, commences a period of sick leave of absence without salary or dies after the passing of the *Superannuation Acts Amendment Act 1987* the value of a unit of annuity, incapacity or assurance benefit, other than a reserve unit or an excess unit referred to in section 98 is—

- (a) the value thereof determined as prescribed by this chapter; or
- (b) the value determined in accordance with the provisions of chapter 5 that provide for contributor's pension, incapacity pension or, as the case may be, benefits upon contributor's death payable pursuant to that chapter, as if the contributor's salary as at 31 December 1972 were the contributor's final average salary, within the meaning of that chapter, divided by the number specified in schedule 2, column 2 set opposite the fortnightly salary range, specified in schedule 2, column 1, in which the contributor's salary fell as at 31 December 1972;

whichever is the greater.

Proof of continued incapacity

138.(1) Any person who is in receipt of incapacity benefit, shall whilst the person continues to be in receipt of incapacity benefit, give as prescribed such notifications and certificates relating to the person's continued incapacity as shall be prescribed and submit for medical examination when and so often as the board requires to any medical practitioner or medical

practitioners approved by the board.

(2) If at any time a person defaults in complying with any requirement of this section, the board may discontinue the payment to the person of incapacity benefit until the person remedies the default to its satisfaction.

Incapacity beneficiary restored to health may be recalled to service

139.(1) If in the opinion of the board the health of any person who is in receipt of incapacity benefit and who has not attained the age of 65 years has been restored to such an extent as to enable the person to perform duties as an officer, the board shall so inform the person, body or authority by whom that person is or was employed as an officer, to the intent that the person, body or authority so informed shall—

- (a) in the case of the person in receipt of incapacity benefit being absent from duty with leave of absence without salary—instruct that person to resume employment with the person or it forthwith; or
- (b) in the case of the person in receipt of incapacity benefit having had the person's employment terminated by reason of the incapacity—take all practicable steps to find employment for that person as an officer in the person's or its employment.

(2) If—

- (a) in the case of a person in receipt of incapacity benefit being absent from duty with leave of absence without salary—the board has pursuant to subsection (1) informed the person, body or authority by whom that person is employed as an officer as prescribed by that subsection and that person has not resumed such duty;
- (b) in a case referred to in subsection (1)(b)—employment referred to in that paragraph is offered to the person in receipt of incapacity benefit at a rate of salary at least equal to the rate of salary then payable in respect of the office held by the person at the time the person became eligible for the incapacity benefit and the person fails to accept that employment;

the board may cancel that person's incapacity benefit and thereupon it shall cease to be payable.

(3) Where the board cancels a person's incapacity benefit it shall forthwith inform the person in writing of the cancellation.

(4) Where a person's incapacity benefit is cancelled under subsection (2) neither that person nor any other person claiming through the person, either immediately or at any future time, shall be entitled to any payment or further payment from the fund by way of any benefit for which that person was contributing to the fund but that person shall be paid from the fund a sum equal to the total amount of the person's contributions to the fund accumulated from 1 July 1990 at the net earning rate of the fund compound less an amount certified by the actuary to be attributable to the provisions of incapacity benefit.

(5) If at any time it appears to the board that any person who is in receipt of incapacity pension—

(a) engages in—

- (i) any business or occupation on the person's own account; or
- (ii) employment, not being employment by virtue whereof the person is an officer receiving salary at least equal to the rate referred to in subsection (2); or

(b) receives compensation under the *WorkCover Queensland Act 1996*;

the board may suspend payment of the incapacity pension.

(6) For the period for which payment of an incapacity pension is suspended under subsection (5) the person concerned shall not be entitled to or receive any incapacity pension from the fund unless the board directs that the person be paid for that period or such part thereof as the board determines, the whole of the incapacity pension or such part thereof as the board considers reasonable.

Contribution by retired incapacity beneficiaries upon re-employment

140. If a person who has been retired, by reason of incapacity, from employment as an officer and who is in receipt of incapacity benefit again becomes an officer, the period during which the person was retired shall not, for this chapter, be deemed to be a break in the continuity of his or her service as an officer, and accordingly the officer shall be deemed to be a

contributor and contributions to the fund shall again become payable by the person under this chapter.

Postponement of payment of refunds

141.(1) Notwithstanding the provisions of section 123, 124 or 125, where a contributor, before attaining the age for retirement, ceases to be an officer by reason of—

- (a) resignation before attaining the age of 55 years; or
- (b) the termination of employment as an officer before attaining the age of 55 years, otherwise than on account of misconduct; or
- (c) becoming a person excepted from the Act under a notice under section 13(4) of the Act; or
- (d) being retired or permitted to retire on the ground of incapacity, where the contributor has not satisfied the board as required by section 136;

and the contributor makes an election pursuant to section 191 of chapter 5 the contributor shall by reason of the contributor having made that election be deemed to have elected not to take from the fund the sums referred to in sections 123, 124 and 125.

(2) Where an election is, pursuant to subsection (1), deemed to have been made there shall be credited in the fund on account of the elector the amount to which the contributor would have been entitled had the contributor ceased to be an officer by way of retrenchment duly effected in accordance with relevant arrangements approved by the Governor in Council, until, subject to subsection (3)—

- (a) the contributor attains the age of 55 years; or
- (b) the contributor satisfies the board that the contributor suffers a permanent incapacity by reason whereof the contributor is unfit to discharge or incapable of discharging duties as an officer efficiently; or
- (c) the contributor informs the board in writing that the contributor no longer desires his or her election made under section 191 of chapter 5 to operate; or

Superannuation (State Public Sector) Deed 1990

(d) the contributor dies;

whereupon the prescribed amount shall be paid to the contributor or to his or her legal personal representative, as the case requires.

(3) Where a person who is deemed pursuant to subsection (1) to have elected as prescribed by that subsection again becomes a contributor the prescribed amount credited in the fund on the contributor's account under this section shall be added to the prescribed amount credited in the fund on the contributor's account under section 191 of chapter 5 and shall be applied in the manner prescribed by that section.

(4) In subsections (2) and (3)—

“prescribed amount”, so far as it relates to the amount that is to be paid pursuant to subsection (2) or that is to be applied pursuant to subsection (3), means—

- (a) where the elector has informed the board in writing that the elector no longer desires his or her election made under section 191 of chapter 5 to operate, the sums which the elector would have been entitled to be paid pursuant to sections 123, 124 and 125 had the elector not been deemed to have elected as prescribed by subsection (1) together with interest that has accrued since the date on which the elector ceased to be an officer and that is properly attributable to those sums; and
- (b) in any other case—the amount credited on account of the elector pursuant to subsection (2), together with interest for the period since the date on which the elector ceased to be an officer.

(5) For purposes of subsection (4), interest shall be calculated at such rate as is determined by the board, from time to time, on the advice of the actuary which rate, at the time it is determined, is to reasonably reflect the after tax earnings of the fund (on a long-term basis) derived from the investment of contributors' contributions, having regard to costs incurred in investing and administering the fund.

PART 4—TRANSITIONAL PROVISIONS

Division 1—Interpretation

Conversion value of units of annuity benefit and incapacity allowance under the repealed Act

142. Except as otherwise provided in this chapter, a unit of annuity benefit or of incapacity allowance under the repealed Act shall be taken into account as 3 units of annuity benefit or as 3 units of incapacity benefit, as the case may be, under this chapter.

Application of pt 4

143.(1) This part 4 applies to every officer required by this chapter to contribute to the fund whose employment as an officer (whether on probation or otherwise) commenced before 1 April 1959, and who immediately before that date was contributing under the repealed Act for annuity benefit thereunder.

(2) In this part 4—

“**officer**” means an officer to whom this part 4 applies.

Division 2—Contributions for annuity benefit by officers

Officer to make equivalent contribution for annuity benefits

144.(1) Subject to this division, every officer shall, whilst the officer is required by this chapter to contribute to the fund, contribute thereto for 3 units of annuity benefit in respect of every unit of annuity benefit under the repealed Act for which the officer was contributing thereunder.

(2) In respect of every 3 units of annuity benefit under this chapter to which subsection (1) applies, an officer (instead of contributing in accordance with schedule 3) shall make to the fund the contribution prescribed under the repealed Act in respect of the unit of annuity benefit thereunder in relation to which subsection (1) requires the officer to contribute for the 3 units in question of annuity benefit under this chapter.

(3) In respect of a number of units of annuity benefit under this chapter for which an officer is required to contribute according to schedule 2 in excess of the aggregate of 3 units of annuity benefit under this chapter for each unit of annuity benefit under the repealed Act for which—

- (a) an officer under the age of 40 years on 1 April 1959, was contributing, on and from that date that officer shall contribute for all units so in excess of that aggregate according to schedule 3.

(4) Such reduced amount of contribution shall, in the case of an officer who, on the date when the contribution commences, has attained the age of 61 years nearest birthday, be at such monthly rate as would, if the officer continued to contribute until the officer attained the age of 65 years, amount to the aggregate of one-half of the contribution in respect of a period of 5 years payable, upon the basis of the age of 60 years nearest birthday, according to schedule 3.

(5) Whilst the aggregate of 3 units of annuity benefit under this chapter for each unit of annuity benefit under the repealed Act exceeds the number of units of annuity benefit under this chapter for which an officer is for the time being entitled and required to contribute according to schedule 2, the officer shall not be entitled or required to contribute for units of annuity benefit under this chapter in excess of that aggregate.

(6) In calculating for the purposes of this section any reduced rate of contribution in respect of a unit of annuity benefit, any fraction of a cent shall count as a cent.

Division 3—Contributions for incapacity benefit by officers

Officer to make equivalent contribution for incapacity benefit

145.(1) Subject to this division, every officer shall, whilst the officer is required by this chapter to contribute to the fund, contribute thereto for 3 units of incapacity benefit in respect of every unit of incapacity allowance under the repealed Act for which the officer was contributing thereunder.

(2) In respect of every 3 units of incapacity benefit under this chapter to which subsection (1) applies, an officer (instead of contributing in accordance with schedule 3) shall make to the fund the contribution prescribed under the repealed Act in respect of the unit of incapacity

allowance thereunder in relation to which subsection (1) requires him or her to contribute for the 3 units in question of incapacity benefit under this chapter.

(3) In respect of a number of units of incapacity benefit under this chapter for which an officer is required to contribute according to schedule 2 in excess of the aggregate of 3 units of incapacity benefit under this chapter for each unit of incapacity allowance under the repealed Act for which—

- (a) an officer under the age of 40 years on 1 April 1959, was contributing, on and from that date that officer shall contribute for all units so in excess of that aggregate according to schedule 3.

(4) Whilst the aggregate of 3 units of incapacity benefit under this chapter for each unit of incapacity allowance under the repealed Act exceeds the number of units of incapacity benefit under this chapter for which an officer is for the time being entitled and required to contribute according to schedule 2, the officer shall not be entitled or required to contribute for units of incapacity benefit under this chapter in excess of that aggregate.

(5) Whilst an officer is, pursuant to this part 4, contributing for units of incapacity benefit under this chapter in excess of the number of units of annuity benefit under this chapter for which the officer is contributing, the officer shall not be entitled or permitted to increase his or her contribution in respect of incapacity benefit under this chapter unless, being thereunto entitled under this chapter, the officer increases his or her contribution under this chapter in respect of annuity benefit so that the officer is contributing for the same number of units respectively of annuity benefit and of incapacity benefit.

Division 4—Amounts respectively of annuity benefits and incapacity benefits

Annuity benefit

that age) required to contribute according to schedule 2 shall, in respect of those excess units, be entitled to receive annuity benefit at the rate per unit of \$1.34 per fortnight and no more at all times during the continuance of the officer's entitlement to receive annuity benefit under this chapter and irrespective of whether or not the officer's employment as an officer is continued or discontinued.

(2) This section shall apply to a contributor who makes an election as is mentioned in section 110(2)(d) to retire before the day on which the contributor would attain the age of 65 years as if—

Application of this part

154.(1) This part applies to any and every officer—

- (a) with respect to whom the board is not satisfied, whether under this chapter or the corresponding provisions of the repealed Act, that the health and physical condition of such officer are such as to justify the officer being accepted as a contributor; or
- (b) who, being an officer to whom section 149 applies, or pursuant to the corresponding provisions of the repealed Act, has failed to produce evidence of good health satisfactory to the board and has not been exempted from so doing by the board.

(2) In this part—

“further annuity benefit” means any units of annuity benefit in excess of the aggregate of 3 units of annuity benefit under this chapter for each unit of annuity benefit under the repealed Act for which an officer to whom part 4 applies was contributing.

“officer” means an officer to whom this part applies.

- (b) if the officer so elects—may become such a contributor in accordance with the election.

(2) Such an election may be to contribute for further annuity benefit not exceeding the total number of units thereof for which the officer concerned would be entitled or required or permitted to contribute save for the limitation imposed in the officer’s case under this chapter or the repealed Act.

Superannuation (State Public Sector) Deed 1990

(3) An officer thereunto electing shall contribute to the fund in accordance with the officer's election on and from a date to be determined by the board and thereafter until he or she attains the age of 65 years or his or her employment as an officer is sooner terminated by death, resignation or otherwise.

- (a) dies before attaining the age for retirement; or
- (b) is retired or permitted to retire from employment as an officer by reason of incapacity and satisfies the board as required by section 136;

(2) Such officer may apply to have included in such conversion any assurance benefit under the repealed Act whereto the officer is entitled.

(3) The widow of any officer shall not be paid annuity benefit pursuant to this section unless the marriage to the officer took place before the officer attained the age of 65 years or, if the officer was retired by reason of incapacity from employment as an officer before the officer attained that age, before such retirement.

(2) However, in respect of all benefits for which the person is contributing to the fund on the date when the person produces such evidence such an officer (instead of contributing in accordance with schedule 3) shall continue to make to the fund the contribution therefor then being made by the person.

(11) Notwithstanding subsections (1) to (10), the board may recover by action as for a debt any amount of the contributions and additional payments to be made by a contributor which is due and unpaid.

(12) For the purposes of subsections (7), (8), (9) and (11), the amount of any unpaid contributions and additional payments shall be the aggregate of the amount thereof due and unpaid and of interest thereon which would have accrued to the fund and the consolidated fund (at the rate at which earnings would have accrued to the fund) had the same been duly paid unless the board waives such interest wholly or in part.

(13) Where the contributions and additional payments to be made by a contributor are in arrears to the extent prescribed as respects amount or

time, or both, the board may determine all rights of the contributor to benefits under this chapter, and thereupon shall pay to the contributor a sum of money equal to the amount of the contributions and additional payments, whether paid or in arrears, payable by the contributor under this chapter to the fund or the consolidated fund to the date of such determination accumulated on and after the passing of the *Superannuation Acts Amendment Act 1984* at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound reduced by the aggregate of the amount of the arrears of contributions and additional payments and of the interest thereon which would have accrued to the fund or the consolidated fund (at the rate at which earnings would have accrued to the fund) had the same been duly paid unless the board waives such interest wholly or in part.

(14) Except where it is otherwise provided by this chapter, a contributor—

- (a) shall continue to contribute as prescribed to the fund until the contributor attains the age for retirement or the contributor's employment as an officer is sooner terminated by earlier retirement, death, resignation or otherwise howsoever;
- (b) shall, in respect of a period of leave or absence, with or without salary, pay contribution, as for a period of service, without reduction.

Suspension of contribution

170.(1) Where an officer has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days) the officer's liability to pay contributions to the fund under this chapter shall be suspended for the whole of the period that the officer has been or continues to be so absent but if the officer resumes employment as an officer contributions shall again become payable.

(2) Subsection (1) does not apply to a contributor—

- (a) who has not satisfied the board as required by section 199; or
- (b) in respect of whom the board has made a determination under section 201(2); or

- (c) who, being a contributor for category B benefits, has not completed 10 years service at the commencement of the period of absence in question unless the board has made a determination in respect of the contributor under section 210.

Rates of contribution

171.(1) The amount of the contributions of a continuing contributor (not being an officer to whom subsection (3) relates) which shall be paid by the contributor periodically in addition to the amount of contributions payable by the contributor to the fund under chapter 4 shall be a sum calculated at the prescribed rate per centum of the amount by which the amount of the contributor's salary as at 30 June 1978 varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount by which the amount of the contributor's salary as at 1 October last preceding exceeds the amount of the contributor's salary on the commencement of the 1972 Act.

(2) The amount of the contributions of an officer (not being an officer to whom subsection (3) relates) who became an officer on or after the commencement of the 1972 Act or who was an officer on the commencement of the 1958 Act, but is not a continuing contributor, which shall be paid by the officer periodically, shall be a sum calculated at the prescribed rate per centum of the amount of the officer's salary as at 30 June 1978 (or in the case of an officer who commences to contribute after that date as at the date on and from which that officer commences to contribute) varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount of the officer's salary as at 1 October last preceding if the officer was at that date a contributor.

(3) The contributions of an officer who—

- (a) becomes an officer on or after the commencement of the 1972 Act; and
- (b) immediately before becoming an officer is in receipt of or eligible to receive an incapacity pension under this chapter or incapacity benefit under chapter 4 or incapacity allowance preserved and continued by the 1958 Act;

that shall be paid by the officer periodically shall be, in addition to the

contributions (if any) to the fund payable by the officer under chapter 4, the sum calculated at the prescribed rate per centum—

- (c) where the officer was an officer to whom subsection (2) applied before the officer was retired on the ground of incapacity—of the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount of the officer's salary as at 1 October last preceding if he or she was at that date an officer;
- (d) in any other case—of the amount by which the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount by which the amount of the officer's salary as at 1 October last preceding (if he or she was at that date an officer) exceeds the amount of the officer's salary at the time when the officer was so retired or at 31 December 1972 whichever is the earlier.

(4) A contributor who made an election under section 24(4) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).

(5) A contributor who made an election under section 24(4A) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4A) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).

(6) Where, by reason that an officer becomes a contributor on or after the passing of the *Superannuation Acts Amendment Act 1987* and after the officer has attained the age of 22 years and 6 months, the length of the officer's service, ascertained for the purpose of calculating the pension to be paid to the officer under this chapter, if the officer attains the age for retirement, will not amount to 42 years and 6 months, the officer may elect, within a period of 2 months after he or she becomes an officer to increase the rate of the officer's contribution and the board may determine that the additional rate of the contributions that, but for this subsection, would have

been payable by the officer shall be a sum calculated at such rate as the board, after consultation with the actuary, may determine, being a rate which, having regard to the fact that payments by the Crown will be in relation only to contributions by the officer that would be payable but for this subsection, will enable the length of service for the purpose of calculating the pension to be paid to the officer under this chapter to be regarded as the length of service ascertained in accordance with the board's determination under subsection (8) but not exceeding a maximum of 42 years and 6 months, and thereupon the officer shall be deemed to be required to contribute to the fund at the rate so determined in addition to the rate prescribed by this chapter (other than this subsection).

(7) A contributor who made an election under section 24(5) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(5) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).

(8) Where the board has made a determination under subsection (4), (5), (6) or (7) in relation to an officer, the board may determine that, for the purpose of calculating the pension to be paid to the officer under part 3, the officer's length of service as an officer shall be regarded as being equal to the officer's actual length of service ascertained in accordance with this chapter plus such additional length of service as the board, after consultation with the actuary, may determine and thereupon this chapter shall apply to the officer accordingly.

(9) Where the board has made a determination under subsection (4), (5), (6) or (7) upon the election of an officer and the contributor satisfies the board that payment of such additional rate of the contribution by the officer is causing the officer undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary, the additional rate of contributions to be paid by the contributor.

(10) Where in respect of a contributor the board, pursuant to subsection (9), cancels a determination under subsection (4), (5), (6) or (7), any determination under subsection (8) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having

regard to the reduced liability of the fund.

(11) Where in respect of a contributor the board pursuant to subsection (9) varies a determination under subsection (4), (5), (6) or (7), it shall make an appropriate variation of its consequential determination under subsection (8) of additional length of service in respect of the contributor and this chapter shall apply as if the determinations as so varied were at all relevant times the determinations originally made on the election of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having regard to the reduced liability of the fund.

(12) Except in the case of a contributor referred to in section 198, where the salary of a contributor is reduced to a rate less than the rate upon which contributions are, for the time being, calculated, the contributor shall thereupon, except as aforesaid, contribute to the fund in relation to the reduced rate of the contributor's salary and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund as the actuary determines is justified having regard to the reduced liability of the fund, by reason of the reduction in salary, in respect of the prospective entitlement of the officer to benefits under this chapter and thereupon for the purpose of calculating the contributor's entitlement to benefits under this chapter the contributor's rate of salary in respect of any period before the time the contributor's salary was reduced shall be deemed not to have been in excess of the rate to which the contributor's salary was so reduced.

(13) Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.

(14) If an officer made an election under section 24(4) of the 1972 Act before the commencement of the *Superannuation Acts Amendment Act (No. 2) 1974* and was a contributor at that commencement, the additional contribution under the election must be adjusted by the board as if that subsection as amended by that Act was in force at the date of the election.

172.(1) This section applies to a female contributor who made an election under section 24A of the 1972 Act and became entitled to increase the rate of her contribution to the fund sufficient to secure for her the benefits provided for by part 4, divisions 2 and 3 of the 1972 Act.

(2) The additional rate of contribution payable by the contributor continues to be the rate decided by the board under section 24A(3) of the 1972 Act.

(3) If in relation to a contributor by whom an additional rate of contribution is payable pursuant to this section the board makes a determination under section 171(9) that cancels or varies a board's determination made under section 171(4), (5), (6) or (7) in relation to that contributor, the additional rate of contribution payable by the contributor pursuant to this section shall be adjusted, having regard to that cancellation or variation, the ascertainment of the contributor's length of service for the purposes of this section shall be adjusted accordingly and the board shall make to the contributor a refund of such part of her contributions to the fund pursuant to this section as the actuary determines is justified, having regard to the reduced liability of the fund.

1 child	66.7%
2 or more children	100% divided by the number of children in respect of each child.

(4) However, each child who is entitled to a pension under subsection (3)(b) shall be paid a fortnightly rate of pension so that, when that rate is added to any rate of benefit to which he or she is entitled under chapter 4, the total rate payable shall be at least equal to twice the fortnightly rate of pension that he or she would have been paid had he or she been a case to which subsection (3)(a) applies.

Superannuation (State Public Sector) Deed 1990

(5) The cases to which subsections (3) and (5) apply includes the case of a child's pension payable immediately before the passing of the *Superannuation Acts Amendment Act 1987*.

(6) Where a contributor or former contributor for category B benefits who had completed at least 10 years service but less than 20 years service attained the age for retirement or retired before the passing of the *Superannuation Acts Amendment Act 1984*, the child's pension payable to a child who derives his or her entitlement through that contributor or former contributor shall, in lieu of the pension to which but for this subsection he or she would have been entitled, be a pension calculated in accordance with the formula—

$$P = A \times \frac{B}{20}$$

where—

“A” means the fortnightly amount of the pension that would have been payable to the child but for this subsection.

“B” means the length of service (expressed in years) of the contributor or former contributor as at the time of attaining the age for retirement or retirement, whichever first occurred.

“P” means the fortnightly amount of the pension payable to the child.

(7) Where a contributor for category B benefits retires before attaining the age for retirement and at the time of retirement has completed at least 10 years service, a child who derives his or her entitlement to pension through that contributor is entitled to the same pension as the pension that would have been payable to him or her if the contributor had been a contributor for category A benefits.

(8) Where by reason of the death of a contributor or a pensioner the only entitlement derived through him or her is an entitlement to a child's pension arising on or after the passing of the *Superannuation Acts Amendment Act 1984* and before the passing of the *Superannuation Acts Amendment Act 1987* the amount of pension payable in respect of the child or, if there are 2 or more children who derive the entitlement, in respect of all of them shall equal at the least the amount that would be payable in respect of 1 child (being a child deriving his or her entitlement through that contributor or pensioner) under this section for a period of 5 years calculated at the rate at

which a pension was payable in respect of 1 child (being a child deriving his or her entitlement through that contributor or pensioner) at the date when the entitlement to the pension in question commenced.

(9) Where by reason of the death of a contributor or a pensioner the only entitlement derived through him or her is an entitlement to a child's pension arising on or after the passing of the *Superannuation Acts Amendment Act 1987* and the amount of pension payable in respect of the child or, if there are 2 or more children who derive the entitlement, in respect of all of them (disregarding for the purpose of calculating that amount any increase in the rate of pension payable since the time when the entitlement arose) is less than the amount that would have been payable under section 185 to the relict of the person through whom the entitlement is derived, had he or she left a relict upon his or her death, there shall be paid to such persons as are approved by the board, in equal shares if more than 1, the difference between the 2 amounts hereinbefore referred to in this subsection.

(10) For the purposes subsections (2)(a) to (g), (6) and (7), additional service determined by the board under section 171(8) shall be disregarded.

(11) A child who is entitled under subsection (3)(a) to payment of a child's pension in respect of him or her shall not be entitled to additional assurance benefit under chapter 4.

Commencement and cessation of children's pensions

189.(1) A child's pension commences on the date of the day following the event by virtue of which it becomes payable as provided in section 188 and ceases to be payable on—

- (a) the child (not being a child to whom subsection (2) relates) attaining the age of 16 years; or
- (b) the death of the child;

whichever first happens.

(2) In the case of a child who is receiving, in the opinion of the board, full-time education at a school, college, or university, the child's pension ceases to be payable—

- (a) when the child attains the age of 25 years; or
- (b) when the child ceases to receive, in the opinion of the board,

Superannuation (State Public Sector) Deed 1990

full-time education at a school, college, or university;
whichever first happens.

(3) Where—

- (a) a child's pension has ceased pursuant to subsection (1) or (2); and
- (b) no amount has been paid in accordance with section 188(8) or (9); and
- (c) the board is satisfied that the child concerned is receiving full-time education at a school, college or university at any time before the child has attained the age of 25 years;

the board may reinstate the child's pension at the rate at which it would have been payable if it had not ceased, whereupon the pension shall be payable subject to subsection (2).

Persons to whom a child's pension is payable

190.(1) A child's pension shall be paid to the relict (if any) of the contributor or pensioner in relation to whom it is payable, or, if there is no relict, to the guardian of the child, unless the board in any case otherwise determines.

(2) The board may at any time pay to the guardian of a child or to such other person as the board determines, or expend for a child's benefit, any pension or sum of money payable in respect of that child under this chapter.

Division 5—Refund of contributions

Refund of contributions

191.(1) Where a contributor, before attaining the age for retirement, ceases to be an officer by reason of—

- (a) resignation prior to attaining the age of 55 years;
- (b) becoming a person excepted from the Act pursuant to section 165, definition "officer", paragraph (g);
- (c) dismissal;

Superannuation (State Public Sector) Deed 1990

- (d) being retired or permitted to retire on the ground of incapacity that is due to wilful action on his or her part for the obtaining of benefits under this chapter;
- (e) being retired or permitted to retire on the ground of incapacity where the contributor has not satisfied the board as required by section 199;

the contributor is entitled to be paid from the fund a sum of money equal to the total amount of the contributor's contributions to the fund under this chapter and any payments made by the contributor to the consolidated fund, such contributions or payments being accumulated on and after the passing of the *Superannuation Acts Amendment Act 1984* at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound, and, subject to subsections (2) to (4) is not entitled to any other benefit under this chapter.

(2) Where a contributor, before attaining the age for retirement, ceases to be an officer by reason of—

- (a) resignation before attaining the age of 55 years; or
- (b) termination of employment as an officer before attaining the age of 55 years, otherwise than on account of misconduct; or
- (c) becoming a person excepted from the Act pursuant to section 165, definition "officer", paragraph (g); or
- (d) being retired or permitted to retire on the ground of incapacity, where the contributor has not satisfied the board as required by section 199;

and the contributor has been a contributor for a period of 12 months at the least, the contributor may elect as prescribed not to take from the fund that part of the benefit prescribed by subsection (1) that is attributable to the contributor's contributions to the fund.

(3) An election under subsection (2)—

- (a) shall be in writing furnished to the board; and
- (b) shall be made within 3 months after the date on which the contributor so ceases to be an officer.

(4) Where an election is duly made under subsection (2), there shall be credited in the fund on account of the elector an amount equal to the amount

Superannuation (State Public Sector) Deed 1990

to which the contributor would have been entitled had the contributor ceased to be an officer by way of retrenchment duly effected in accordance with relevant arrangements approved by the Governor in Council, until, subject to subsections (5) and (6)—

- (a) the contributor attains the age of 55 years; or
- (b) the contributor satisfies the board that the contributor suffers a permanent incapacity by reason whereof the contributor is unfit to discharge or incapable of discharging duties as an officer efficiently; or
- (c) the contributor informs the board in writing that the contributor no longer desires his or her election to operate; or
- (d) the contributor dies;

whereupon the prescribed amount shall be paid to the contributor or to the contributor's legal personal representative, as the case requires.

(5) If a person who has made an election under subsection (2) again becomes an officer and elects under this subsection to again become a contributor within 3 months of again becoming an officer, the prescribed amounts shall be applied to the purchase by that person of benefit entitlements—

- (a) in respect of a period of service equal to the period during which the person had contributed to the fund after the person's 20th birthday and before the person made the election; and
- (b) in respect of any additional period of service as determined by the actuary having regard to any of the prescribed amount credited on the person's account that is attributable to contributions paid in excess of those prescribed by section 173;

as approved by the board, having regard to the rates at which benefits would have accrued to that person had the person not ceased to be an officer.

(6) Where a person to whom subsection (5)(b) applies again ceases to be an officer in any circumstance prescribed by subsection (2) and does not make an election under that subsection the benefit to which the person shall on that occasion be entitled under subsection (1) in respect of the prescribed amount applied pursuant to subsection (5)(b) shall be in such amount as is determined by the actuary and approved by the board, notwithstanding the provisions of subsection (1).

Superannuation (State Public Sector) Deed 1990

(7) If a person who has made an election under subsection (2)—

- (a) again becomes an officer; and
- (b) does not make an election under subsection (5);

the prescribed amount is to be applied in obtaining benefits for the person under chapter 2.

(8) In subsections (4), (5), (6) and (7)—

“prescribed amount” means—

- (a) where the elector has informed the board in writing that the elector no longer desires his or her election to operate—the sum which the elector would have been entitled to be paid pursuant to subsection (1) had the elector not made the election under subsection (2), less the amount already paid on the elector’s account as benefit under subsection (1), together with interest that has accrued since the date on which the elector ceased to be an officer and that is properly attributable to that sum less that amount; and
- (b) in any other case—the amount credited on account of the elector pursuant to subsection (4), together with interest for the period since the date on which the elector ceased to be an officer.

(9) For the purposes of subsection (8), interest shall be calculated at such rate as is determined by the board, from time to time, on the advice of the actuary which rate, at the time it is determined, is to reasonably reflect the after tax earnings of the fund (on a long term basis) derived from the investment of contributors’ contributions, having regard to costs incurred in investing and administering the fund.

(10) In the event of the death, before attaining the age for retirement, of a contributor whose death does not give rise to an entitlement under division 2 or 3 or under subsection (12) the board shall pay a sum equal to the total amount of the contributor’s contributions to the fund under this chapter and any payments made by the contributor to the consolidated fund, such contributions or payments being accumulated on and after the passing of the *Superannuation Acts Amendment Act 1984* at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound, to the personal representative of the contributor or, if the board considers it desirable to do so, to such person as the board may

Superannuation (State Public Sector) Deed 1990

determine.

(11) For the purposes of subsections (1) and (10) a contributor who, before the passing of the *Superannuation Acts Amendment Act 1989*, had made payments to the State Service Superannuation Additional Benefits Fund, which fund was abolished by that Act, shall be deemed to have made those payments to the consolidated fund.

(12) Where a contributor for category B benefits dies before attaining the age for retirement and at the time of death has completed less than 10 years service and, in the case of a female who became such a contributor before the passing of the *Superannuation Acts Amendment Act 1984* and had not increased the rate of her contributions pursuant to section 172, leaves children who in the board's opinion were wholly dependent on the contributor when she died, then the relict of the contributor or, if there be no relict, the legal personal representative of the contributor or other person approved by the board is entitled to be paid out of the fund a sum equal to 3½ times the total amount of the contributor's contributions to the fund under this chapter, other than any additional contributions under section 171(4), (4) or (6) or 172, and—

- (a) in the case of additional contributions paid under section 171(4)—a sum equal to $2\frac{6}{7}$ times the total amount of such additional contributions;
- (b) in the case of additional contributions paid under section 171(5) or (6)—a sum equal to the total amount of such additional contributions accumulated from 1 July 1990 at the net earning rate of the fund compound;
- (c) in the case of additional contributions paid under section 172—such sum as is determined by the actuary and approved by the board.

(4) Where the contributor is a continuing contributor entitlements under this section are in addition to entitlements (if any) of or in relation to the contributor under chapter 4.

(5) For the purposes of subsection (3) additional service determined by the board under section 171(8) shall be disregarded.

(6) In this section—

“child” means a child—

- (a) who is under the age of 16 years;
- (b) who has attained the age of 16 years but is under the age of 25 years and who is receiving, in the opinion of the board, full-time education at a school, college or university.

Division 6—Adjustment of pensions

Adjustment of pensions

192.(1) In this section—

“**basic rate**”, in relation to a pension, means the rate at which the pension was payable under division 1 or 2 or 3 when it came into force.

“**index**” means the all groups consumer price index for Brisbane published by the Australian Statistician.

“**pay-period**” means the period with respect to which the fortnightly or other periodic instalment of pension is payable in pursuance of section 195.

(2) Subject to this section, a pension under this chapter shall be adjusted by the board in each year in accordance with this section.

(3) The Government Statistician shall, as soon as practicable after 30 June in each year, give to the Minister a notice specifying the percentage (expressed to a degree of accuracy of not more than 1 decimal place) by which the index for the quarter ended on that day is greater or less than the index for the same quarter in the immediately preceding year.

(4) On receipt of a notice under subsection (3), the Minister shall, by order—

- (a) declare the percentage by which pensions shall be adjusted (whether by way of increase or decrease) in the year commencing on 1 August next after the quarter firstmentioned in that subsection; or
- (b) if, by reason of the operation of subsection (9), no adjustment is to be made in respect of that year—declare that pensions shall not be adjusted in respect of that year.

(5) A percentage declared under subsection (4)(a) in respect of any year

Superannuation (State Public Sector) Deed 1990

shall be the same as the percentage specified in the notice given to the Minister under subsection (3).

(6) An adjustment of a pension in respect of any year made under this section shall be made—

- (a) by increasing, or as the case may require by decreasing, the rate at which immediately before the making of the adjustment, the pension was payable by the percentage declared in respect of that year under subsection (4); and
- (b) so as to operate from and including the commencement of the first pay period occurring wholly in the month of August in that year.

(7) The following provisions apply to and in relation to the first adjustment of a pension pursuant to this section if at the time when the adjustment is to be made the pension has been in force for less than 12 months, namely—

- (a) in the case of a pension that comes into force after 1 July in any year—the first adjustment of that pension shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the second year after the year in which the pension comes into force; and
- (b) in the case of a pension that comes into force on or before 1 July in any year—the first adjustment of that pension shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August immediately following that day; and
- (c) the fortnightly amount by which a pension to which paragraph (b) applies is to be increased or decreased shall be calculated in accordance with the prescribed formula.

(8) For the purposes of subsection (7)(c), the prescribed formula is the formula—

$$V = A \times \frac{M}{12}$$

where—

“A” means the amount by which, but for the operation of that subsection,

the pension would have been increased or decreased.

“**M**” means the number of whole months from the day on which the pension came into force until the following 31 July (both days inclusive).

“**V**” means the fortnightly amount referred to in that paragraph.

(9) Except as provided in subsection (10), where the percentage specified in a notice under subsection (3) in respect of any year is less than 1 no adjustment of pensions shall be made in respect of that year.

(10) Where each of the percentages specified in a notice under subsection (3) in respect of any 2 or more successive years is less than 1 but those percentages are in the aggregate, equal to, or greater than 1 (whether by way of increase or decrease), pensions shall be adjusted in respect of the latest of those years as if the percentage declared in respect of that year were a percentage equal to that aggregate.

(11) Nothing in this section requires the rate of a pension to be decreased below the basic rate and if, by reason of the making of an adjustment under this section, the rate of a pension would be so decreased, that pension shall, until it is next increased to a rate exceeding the basic rate by reason of the making of such an adjustment, be deemed to be payable at the basic rate.

(12) Where—

- (a) by reason solely of the operation of subsection (11) a pension is being paid at the basic rate; and
- (b) an adjustment, by way of increase, is required to be made to the rate of that pension in respect of any year;

that adjustment shall be made as if, immediately before the making of the adjustment, the pension were payable at the rate at which, but for the operation of that subsection, it would have been payable.

Variation of entitlement to adjustment

193.(1) Where in the opinion of the board a pensioner would be prejudicially affected by an increase in his or her pension under section 192 the board may determine—

- (a) that the pensioner receive no increase in pension under that

section; or

- (b) that the pensioner receive an increase in pension less than that provided for by that section;

and the determination shall be given effect according to its terms notwithstanding that section.

(2) The board may revoke or vary a determination under subsection (1).

(3) In the event of a revocation of a determination the amount of the pension to which the determination related shall, as from the date of the revocation, be the same as if the determination had not been made.

(4) In the event of a variation of a determination the amount of the pension to which the determination relates shall, as from the date of the variation, be in accordance with the determination as so varied.

(5) Unless it is otherwise determined by the board, for the purpose of determining the rate of pension payable under section 185 or 188 all determinations made under subsection (1) and variations made under subsection (2) shall be disregarded and the pensioner shall be deemed to have been receiving, immediately before the pensioner's death, the amount of pension that would have been payable to the pensioner had no such determination been made.

Division 7—General provisions as to pensions

Duration of pensions

194. Except as otherwise expressly provided, a pension under this chapter is payable during the life of the pensioner, and is payable as from the date of the death or retirement by virtue of which it becomes payable.

Time and manner of payment of pensions

195. Pensions shall be paid in fortnightly instalments or if so determined by the board, periodically at other intervals.

Payment to person other than the beneficiary

196.(1) Where in the opinion of the board payment of any pension, refund of contributions or other payment under this chapter should be made to a person other than the person to whom the same is prescribed to be payable, the board may authorise payment to such firstmentioned person accordingly and the receipt of that person is a complete discharge to the board for the amount so paid.

(2) Where a person has received a payment under this chapter or chapter 4 and it is subsequently discovered that, owing either to some miscalculation or mistake of fact for which the person is not responsible, the payment was in excess of the amount properly payable, the board may—

- (a) waive repayment; or
- (b) allow repayment to be made on such terms as the board thinks just;

of the whole or any part of that excess payment or may write off the whole or any part thereof, if, in the opinion of the board, its repayment would cause undue hardship or the enforcement of the repayment thereof would be inequitable.

(3) Where a person has received a payment under this chapter or chapter 4 and it is subsequently discovered that, by reason of a mistake, the amount of the payment is in excess of the amount properly payable to that person, the board may write off the whole or any part of the excess amount so paid if it is satisfied that the excess amount or that part is irrecoverable or that the enforcement of the repayment by that person of the excess amount or that part would impose undue hardship on that person or would, in all the circumstances of the case, be inequitable.

Commencement of benefits

197. Subject to this chapter, where in pursuance of this chapter any officer becomes liable or elects to contribute for any pension benefits or additional such benefits the officer shall be a contributor in respect of those benefits or additional benefits as from the date as from which the contribution or additional contribution therefor is payable and not earlier, but if any benefit becomes payable to or in respect of that contributor before he

or she has actually commenced to make contributions or additional contributions there shall, as determined by the board, be deducted from payments of benefits such contributions as are due by him or her in respect of those benefits or additional benefits.

Provision for incapacity entitlement of contributor reduced in salary by redeployment

198.(1) Where a contributor's salary is reduced as a consequence of action taken by the contributor's employer for redeployment of the contributor, which, in the board's opinion, is due to the incapacity of the contributor, then, if the board so approves and subject to such conditions as the board in its absolute discretion may determine, the contributor shall be deemed to be in receipt of salary at the rate that would be payable to the contributor had the contributor remained in the position held by the contributor as an officer immediately before the contributor's redeployment.

(2) The board may determine that a contributor, such as is deemed to be in receipt of salary as prescribed by subsection (1), is entitled to payment of incapacity pension at a rate and for a period determined by the board but not exceeding the rate of incapacity pension to which the contributor would have been entitled had the contributor retired on the ground of incapacity immediately before the date of the contributor's redeployment.

Entitlement to receive incapacity pension

199. Before a person—

- (a) who is retired or permitted to retire as an officer by reason of incapacity; or
- (b) who has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days);

is entitled to payment of an incapacity pension or to payment from the fund of a sum on account of incapacity the person shall satisfy the board that the incapacity is such as to render the person unfit to discharge or incapable of discharging the duties of office efficiently and, in the case referred to in paragraph (a), that the incapacity is likely to be permanent.

Proof of continued incapacity

200.(1) Any person who is in receipt of incapacity pension, shall whilst the person continues to be in receipt of incapacity pension, give as prescribed such notifications and certificates relating to the person's continued incapacity as shall be prescribed and submit himself or herself for medical examination when and so often as the board requires to any medical practitioner or medical practitioners approved by the board.

(2) If at any time a person defaults in complying with any requirement of this section, the board may discontinue the payment to the person of incapacity pension until the person remedies the default to its satisfaction.

Failure of incapacity pensioner restored to health to resume employment affects entitlement

201.(1) If in the opinion of the board the health of any person who is in receipt of incapacity pension and who has not attained the age for retirement has been restored to such an extent as to enable the person to perform duties as an officer efficiently, the board shall so inform the person, body or authority by whom that person is or was employed as an officer, to the intent that the person, body or authority so informed shall—

- (a) in the case of the person in receipt of incapacity pension being absent from duty with leave of absence without salary—instruct that person to resume employment with the person, body or authority forthwith; or
- (b) in the case of the person in receipt of incapacity pension having had the person's employment terminated by reason of the incapacity—take all practicable steps to find employment for that person as an officer in the person's, body's or authority's employment.

(2) If—

- (a) in the case of a person in receipt of incapacity pension being absent from duty with leave of absence without salary—the board has pursuant to subsection (1) informed the person, body or authority by whom that person is employed as an officer as prescribed by that subsection and that person has not resumed such duty;

- (b) in a case referred to in subsection (1)(b)—employment referred to in that paragraph is offered to the person in receipt of incapacity pension at a rate of salary at least equal to the rate of salary then payable in respect of the office held by the person at the time the person became eligible for the incapacity pension and the person fails to accept that employment;

the board may cancel that person's incapacity pension and thereupon it shall cease to be payable.

(3) Where the board cancels a person's incapacity pension it shall forthwith inform the person in writing of the cancellation.

(4) Where a person's incapacity pension is cancelled under subsection (2) neither that person nor any other person claiming through the person, either immediately or at any future time, shall be entitled to any payment or further payment from the fund by way of any benefit for which that person was contributing to the fund but that person shall be paid from the fund a sum equal to the total amount of the person's contributions accumulated from 1 July 1990 at the net earning rate of the fund compound to the fund less an amount certified by the actuary to be attributable to the provision of incapacity pension.

(5) Subsection (4) shall not be construed to prevent a person whose incapacity pension has been cancelled under subsection (2) or any other person claiming through the person from becoming entitled to any benefits for which that person contributes to the fund after the person has again become an officer and a contributor.

Incapacity pension may be suspended

202.(1) If at any time it appears to the board that any person who is in receipt of incapacity pension—

- (a) engages in—
- (i) any business or occupation on the person's own account; or
 - (ii) employment, not being employment by virtue whereof the person is an officer receiving salary at least equal to the rate referred to in section 201(2); or

- (b) receives compensation under the *WorkCover Queensland Act 1996*;

the board may suspend payment of the incapacity pension.

(2) For the period for which payment of an incapacity pension is suspended under subsection (1) the person concerned shall not be entitled to or receive any incapacity pension from the fund unless the board directs that the person be paid for that period or such part thereof as the board determines, the whole of the incapacity pension or such part thereof as the board considers reasonable.

Contribution by retired incapacity pensioners upon re-employment

203. If a person who has been retired, by reason of incapacity, from employment as an officer and who is in receipt of incapacity pension again becomes an officer, the period during which the person was retired shall not, for the purposes of this chapter, be deemed to be a break in the continuity of the person's service, and accordingly the officer shall be deemed to be a contributor and contributions to the fund shall again become payable by the person in accordance with this chapter.

Right to prepay contributions

204.(1) The board may permit a contributor to commute wholly or in part any existing contribution under this chapter, payable by the contributor in respect of any future period, by payment of a lump sum of such amount as shall be determined by the actuary and approved by the board.

(2) Where a contributor who elects to retire at any time within the period of 10 years immediately preceding the day on which the contributor would attain the age for retirement, has commuted wholly or in part any contributions under the Act attributable to any period after the date of the contributor's retirement the contributor is, in addition to any entitlement under this chapter, entitled to be paid from the fund such sum of money in respect of such contribution as is determined by the actuary and approved by the board.

Division 8—Conversion of pension entitlement into a lump sum payment

Right of contributor to convert pension into a lump sum

205.(1) A person who is or was prior to his or her retirement a contributor may, subject to this section elect to convert into a lump sum payment his or her pension entitlement under this chapter, other than an entitlement to an incapacity pension on account of absence from duty with leave of absence without salary by reason of incapacity—

- (a) as to the whole thereof—in the case of an entitlement to an incapacity pension; or
- (b) as to the whole or any part thereof—in the case of an entitlement to a contributor's pension.

(2) A person who is or was prior to his or her retirement a continuing contributor is not entitled to elect under subsection (1) to convert into a lump sum payment his or her entitlement to an incapacity pension under this chapter unless he or she also elects to convert into a lump sum payment the whole of his or her entitlement to incapacity benefit under chapter 4.

(3) A contributor who, after the commencement of the 1972 Act, made an election under section 171(4) that has not been cancelled may not make an election under this section in relation to any part of the contributor's pension entitlement under this chapter unless the contributor has contributed in accordance with that subsection for not less than 5 years before such pension entitlement arises or would have been so contributing but for a commutation of contributions pursuant to section 204.

(4) Subsection (3) does not apply in relation to a contributor of a description referred to in the subsection who before the passing of the *Superannuation Acts Amendment Act 1984* was retired or permitted to retire on the ground of incapacity.

(5) An election under this section—

- (a) shall, in the case of a contributor who elects to retire from employment as an officer within the period of 5 years immediately preceding the day on which the contributor would attain the age for retirement, be made before the expiration of the period of 1 month after the contributor's retirement; and

Superannuation (State Public Sector) Deed 1990

- (b) shall, in the case of a contributor who retires on or after attaining the age for retirement, be made before the expiration of a period of 1 month after the contributor attains the age for retirement; and
- (c) shall, in the case of a person who is entitled to payment of an incapacity pension, be made before the expiration of a period of 6 months after the date on which the entitlement to the pension arises or arose or after the passing of the *Superannuation Acts Amendment Act 1984*, whichever period is the later to expire and shall be effective only if, in the board's opinion, the elector is medically competent to make the election; and
- (d) shall, in any case, be made by notice in writing given to the board (the "**contributor's notice of election**").

(6) In the case of an election under this section made in respect of a pension entitlement, other than an entitlement to an incapacity pension, the notice of election shall specify the percentage of the elector's pension entitlement that the elector desires to convert into a lump sum.

(7) Where a contributor retires from employment as an officer on attaining the age for retirement or within the period of 5 years immediately preceding the day on which the contributor would attain the age for retirement and duly elects to convert a specified percentage (other than 100%) of the contributor's entitlement to a contributor's pension—

- (a) the contributor shall be paid from the fund—

(2) A person referred to in subsection (1) shall not contribute to the fund as a contributor for category A benefits if the board is not satisfied that the health and physical condition of that person are such as to justify being accepted as such a contributor.

had been a contributor for category A benefits, whereupon the benefits shall be payable accordingly.

- (a) recover from him or her by action in a court of competent jurisdiction as a debt due and owing to the board the difference between the payment made and the amount to which he or she would have been entitled under this chapter as a contributor according to the tenor of the board's determination; and
- (b) deduct from moneys that may at any time become payable under this chapter to or on account of him or her the difference between the payment made and the amount to which he or she would have been entitled under this chapter as a contributor according to the tenor of the board's determination; and
- (c) in the case of a pensioner—
 - (i) order that his or her pension be cancelled forthwith (whereupon his or her entitlement to a pension under this chapter shall cease) and, if he or she is no longer a contributor, may further order—

 - (ii) order that his or her pension be reduced forthwith to a rate

determined by the board (whereupon his or her entitlement under this chapter to a pension shall be reduced accordingly);

and any such order shall be given effect and complied with.

(6) The provisions of this section apply in respect of a person who at the passing of the *Superannuation Acts Amendment Act 1984* has ceased to be a contributor as well as in respect of a person who at such passing is or thereafter becomes a contributor.

(7) Where a determination referred to in subsection (2)(a) has been made the contributor or, if she has died, her personal representative shall be entitled to a refund of additional contributions paid by her under section 172 accumulated at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

(4) At any time before the expiration of a period of 6 months commencing on the commencement of the 1972 Act, a continuing contributor may make any election under and in accordance with section 22A of the 1958 Act that the continuing contributor was eligible to make immediately before the commencement of the 1972 Act and subject to the said section the continuing contributor may increase his or her contribution to the fund accordingly.

PART 2—CONTRIBUTIONS

Division 1—Contributions by members of the police force

Commencement of contributions

216.(1) Subject to this chapter, every person who is a member of the police force shall contribute to the fund until the last day of the fortnightly pay-period preceding the day on which the person attains the age for retirement or the person's employment as a member of the police force sooner ceases.

(2) Notwithstanding subsection (1), a member who is contributing for units of benefit effected at ages over 55 years 6 months shall contribute to the fund in respect of those units in accordance with the tables of contributions contained in schedules 18 and 19.

(3) The contribution to be made by a contributor to the fund shall be payable periodically at such intervals as may be prescribed and shall be deducted from the salary payable to the contributor accordingly.

(8) For the purposes of subsections (6) and (7), an amount of unpaid contribution or other payment includes interest on the amount calculated at the rate at which earnings would have accrued to the fund had the amount

been paid to the fund.

(9) If a contribution or other payment payable by a contributor is unpaid (the “**unpaid amount**”), the board may determine the rights of the contributor to benefits under this chapter.

(10) If the board makes a determination under subsection (9), the board must pay to the contributor an amount equal to the amount of all contributions (accumulated at the applicable rate) and other payments payable by the contributor under this chapter to the day of determination less the unpaid amount and interest on the unpaid amount calculated at the rate at which earnings would have accrued to the fund had the amount been paid to the fund.

(11) Where a person ceases to be a member of the police force but before the expiration of 1 month after so ceasing again becomes such a member, the person may, where the board so approves (whether subject to conditions or unconditionally) on the application in writing of that person, be permitted to contribute to the fund in respect of the period between the person so ceasing to be a member of the police force and the person again becoming such a member and where a person is permitted to contribute to the fund under this subsection that person shall for the purposes of this chapter be deemed to be and to have been a member of the police force during the period in respect of which the member so contributes and this chapter shall apply in relation to the member accordingly.

(2) The fortnightly salary of a member of the police force who is paid salary at a rate other than a fortnightly rate of salary shall be ascertained as prescribed.

(3) Different such prescriptions may be made in respect of members of the police force in different classes of members of the police force.

Scale of units of annuity, incapacity and assurance benefits

218.(1) Subject to this chapter, contributions by a member of the police force shall be in respect of units of annuity, units of incapacity and, in the case of a male member of the police force, units of assurance benefits as respectively defined by sections 235, 237 and 240, and the number of units of those benefits respectively in respect of which a member of the police force shall contribute is the number specified in column 2 of the scale contained in schedule 16 opposite to the salary group within which his or her salary falls.

(2) Where, at the time when a member of the police force becomes a contributor, he or she has attained the age of 35 years, but is under the age of 55 years, he or she shall contribute to the fund—

- (a) unless he or she is entitled to elect and elects as prescribed by paragraph (b)—such a sum as will provide units of benefits to the number specified in column 2 of the scale contained in schedule 16 opposite to the salary group within which his or her salary falls; or
- (b) if the sum specified in paragraph (a) exceeds the rate of $5\frac{3}{4}\%$ of his or her salary—such sum (being a sum which will provide units of benefits to a number specified in the said scale) not less than $5\frac{3}{4}\%$ of that salary and not exceeding the sum specified in paragraph (a) as he or she may, not later than 6 months after the

Superannuation (State Public Sector) Deed 1990

(3) If the salary of a contributor is increased and, by reason of that increase, falls within a salary group in column 1 of the scale contained in schedule 16 higher than the salary group in which it fell prior to the increase, the following provisions shall apply—

- (a) if the member of the police force has attained the age of 35 years but is under the age of 55 years, and is contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the amount of his or her contribution to the fund to—
 - (i) unless he or she is entitled to elect and elects as prescribed by subparagraph (ii)—such a sum as will provide units of benefits to the number specified in column 2 of such scale opposite to the salary group within which his or her increased salary falls; or
 - (ii) if the sum specified in subparagraph (i) exceeds the rate of $5\frac{3}{4}\%$ of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in such scale) not less than $5\frac{3}{4}\%$ of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;
- (b) if the member of the police force has attained the age of 35 years, but is under the age of 55 years, and is not contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the amount of his or her contribution to the fund to—
 - (i) unless he or she is entitled to elect and elects as prescribed by subparagraph (ii)—such sum as will add to the number of units for which he or she is contributing the maximum number of additional units for which he or she could have contributed if he or she had been a contributor to whom paragraph (a) applies; or
 - (ii) if the sum specified in subparagraph (i) exceeds the rate of

Superannuation (State Public Sector) Deed 1990

5³/₄% of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in the said scale) not less than 5³/₄% of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;

- (c) if the member of the police force has attained the age of 55 years—he or she may, subject to paragraph (d), elect to increase the amount of his or her contribution to such a sum as will provide units of benefits under this chapter to a number not exceeding the number specified in column 2 of the scale contained in schedule 16 opposite to the salary group in which his or her increased salary falls, but unless he or she so elects not later than 6 months after the date on which his or her salary is increased, he or she shall not be entitled, save as provided by section 219, or required to increase his or her contribution by reason of such increase in salary;
- (d) a member of the police force to whom paragraph (c) applies shall not, in respect of any increase in salary, be entitled or permitted under that paragraph to increase the amount of his or her contribution so as to add to the number of units for which he or she was contributing immediately prior to that increase additional units in excess of the number prescribed in relation to that increase by such scale;
- (e) in all other cases—the contributor shall increase the amount of his or her contribution to such a sum as will provide units of benefits to the number specified in column 2 of the scale contained in schedule 16 opposite to the salary group within which his or her increased salary falls.

(4) Any increased contribution payable in pursuance of subsection (3)(a), (b) or (e) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date—

- (a) upon which the contributor's salary is increased; or
- (b) from which the contributor's salary is increased, whichever is the later.

(5) Any increased contribution payable in pursuance of subsection (3)(c)

is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date of the election.

(6) For the purposes of this division where the salary of a member of the police force falls within the salary group ‘exceeding \$450.20’ set out in column 1 of the scale contained in schedule 16, the number ascertained in accordance with the formula in column 2 of that scale set opposite that salary group shall, with respect to that member, be deemed to be the number specified in column 2 of that scale opposite to the salary group within which his or her salary falls.

(7) For the purposes of the application at any time in relation to a contributor of the formula in column 2 of the scale contained in schedule 16 opposite to the salary group ‘exceeding \$450.20’ in column 1 of that scale—

“A” denotes the number of times (disregarding any fraction less than 1) by which the fortnightly salary of the contributor exceeds the sum of \$450.20 by the sum of \$6.38.

(8) For the purposes of contributions for units of benefits by members of the police force in accordance with the scale contained in schedule 16, the salary of every member who is a contributor at the commencement of the *Police Superannuation Act Amendment Act 1970* shall be deemed increased on and from the date of that commencement from the maximum salary within the salary group in column 1 of the said scale opposite to the number in column 2 of the said scale that was the number specified in column 2 of the scale contained in schedule 17 opposite to the salary group in which his or her salary fell immediately before the commencement of the *Police Superannuation Act Amendment Act 1970* and this chapter shall apply accordingly.

When member of police force may voluntarily increase contribution

219.(1) Any member of the police force who is not contributing to the fund for units of benefits to the number thereof specified in the scale contained in schedule 16 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.

(2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—

Superannuation (State Public Sector) Deed 1990

- (a) the number thereof specified in the said scale opposite to the salary group in which the salary of the member of the police force making the election falls; and
- (b) the number thereof for which such member of the police force is contributing.

(3) Unless exempted by the board therefrom a member of the police force shall, before at any time increasing the amount of his or her contribution to the fund under this section, be medically examined at his or her own expense by a medical practitioner.

(4) A member of the police force shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such member of the police force are such as would justify his or her being then accepted as a contributor.

(5) Any increased contribution under this section shall be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the member of the police force making the election.

Power to board to exempt etc. from contributing

220.(1) According as the circumstances of any case in its opinion warrant, the board may exempt a member of the police force wholly or partly from the requirement imposed upon him or her by this chapter to contribute, or at any time to increase the amount of his or her contribution, to the fund, or the board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.

(2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by a member of the police force, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that member of the police force shall, unless the board wholly or partly exempts him or her from so doing, pay to the fund the contribution or increased contribution then required in his or her case by this chapter.

Superannuation (State Public Sector) Deed 1990

(3) When the board does not specify the period for which it defers the contribution, or any increased contribution, required by this chapter to be paid by a member of the police force, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts him or her from so doing, the member of the police force concerned shall pay to the fund the contribution or increased contribution then required in his or her case by this chapter.

(4) In the case of any member of the police force (including a member of the police force to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in his or her case by this chapter, the payment which he or she would be otherwise required to make shall be reduced by the amount of the exemption.

(5) Where a contributor satisfies the board that adequate provision has been made for the contributor and, in the case of a male contributor, his family, or that continued contributions for the number of units for which he or she is contributing will cause him or her undue hardship, or that for any other reason which the board deems adequate he or she should be permitted to surrender units, the board may permit the contributor to surrender some or all of the units of benefits under this chapter for which he or she is contributing.

(6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of $1\frac{1}{4}\%$ per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.

(7) The units surrendered by a contributor under subsection (5) shall be—

- (a) in a case where the contributor is contributing under section 219 for units of benefit—those units if the contributor nominates those units as the units to be surrendered;
- (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

Member reduced in salary

221.(1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in column 1 of the scale contained in schedule 16 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of $1\frac{1}{4}\%$ per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to him or her.

(2) A contributor electing under subsection (1) shall surrender first the unit or units for which he or she last began to contribute.

(3) The benefits (save the additional assurance benefit in respect of children) payable under this chapter in respect of units respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under subsection (1) respectively of sections 235, 237 and 240.

Units of benefits to be contributed for in equal numbers

222. At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of 1 such benefit than of another.

Period for which contributions are to continue

223.(1) A member shall continue to contribute as prescribed to the fund

Superannuation (State Public Sector) Deed 1990

until the last day of the fortnightly pay-period last preceding the day on which—

- (a) he or she ceases to be a member; or
- (b) he or she attains the age for retirement; or
- (c) his or her service as a member, ascertained as prescribed by section 289 of chapter 7 equals 42 years and 6 months;

whichever first occurs, and except as aforesaid, shall continue to pay contribution, as for a period of service, without reduction in respect of any period of leave or other absence from duty.

(2) Where absence from duty referred to in subsection (1), other than sick leave of absence without pay, is for a continuous period of 14 days or more (whether or not working days) a contributor shall, unless the contributor elects pursuant to subsection (3) in addition to continuing to contribute to the fund as provided by subsection (1), pay to the consolidated fund for the period, an amount determined by the Treasurer.

(3) A contributor who would be required to pay amounts to the consolidated fund under subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—

- (a) contribution to the fund in respect of the contributor shall cease to be payable in respect of the period of the contributor's absence; and
- (b) the board shall waive the additional payments to the consolidated fund that would be required by subsection (2) to be made by the contributor; and
- (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.

(4) The Governor in Council may waive the requirement under subsection (2) to make additional payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.

(5) Where a contributor is absent from duty without pay or at less than full salary, the board may, upon his or her application, permit the contribution in respect of the period of such absence to be made to the fund in such manner as respects periodical amounts or times of payment, or both, as the board approves.

(6) A contributor who, pursuant to subsection (1) or (2), is required to pay contributions to the fund and to make additional payments to the fund in respect of a period of absence from duty—

- (a) shall, before commencing the period of absence, pay to the fund the total amount of contributions and payments that the contributor is so required to pay; or
- (b) shall, before commencing the period of absence, make arrangements satisfactory to the board for payment of the total amount of contributions and additional payments that the contributor is so required to pay.

(7) Where a contributor to whom subsection (6) applies does not comply with paragraph (a) or (b) of that subsection the benefits to which the contributor or the contributor's dependants may become entitled under this chapter may be reduced by such amounts as are determined by the actuary and approved by the board.

Refund of excess contributions

224. Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.

(6) An election may not be made under subsection (4) more than 30 days after the commencement of the *Police Superannuation Act Amendment Act 1970*.

(7) Nothing in section 218 shall be read as limiting the amount of the contribution payable by a contributor under this section.

(8) For the purpose of subsection (9)—

“hypothetical fortnightly contribution” means the fortnightly contribution, as at 1 January 1975, that would have been payable by a contributor in respect of the units of benefit (the **“said units of benefit”**) for which he or she is a contributor under this chapter as at that date (excluding any units of benefit that were effected pursuant to section 219 after 1 August 1974 and any reserve units of benefit) if—

- (a) each (if any) of the said units of benefit that was taken up pursuant to section 219 had been effected immediately before the date of its becoming a unit of benefit in respect of which an election might be made under section 219; and
- (b) each (if any) of the said units of benefit in respect of which any fortnightly contributions have been commuted by payment of a lump sum had not had the contribution in respect thereof so commuted;

but where neither paragraph (a) or (b) is applicable to the case in question means the fortnightly contribution as at 1 January 1975 that is payable by a contributor in respect of the said units of benefit.

(9) A contributor whose hypothetical fortnightly contribution exceeds the sum equal to 15%, or, in case of a contributor whose age for retirement is 65 years, 13%, of his or her fortnightly salary as at 1 January 1975 may, by application in writing to the board prior to 1 March 1975, have the actual fortnightly contribution that is payable by him or her as at that firstmentioned date in respect of the said units of benefit reduced by whichever is the lesser of—

- (a) the fortnightly contribution that is payable by the contributor as at the said 1 January; and

- (b) one-third of the excess of the hypothetical fortnightly contribution over the sum equal to 15%, of such fortnightly salary.

(10) Any reduction in the actual fortnightly contribution under subsection (9) shall apply retrospectively on and from the first due date for the payment of the contributor's fortnightly contributions after 1 January 1975.

Reduction in contributors' contribution in 1988

226.(1) Notwithstanding the provisions of section 225, on and from the day that is the first pay day in July 1988 for the contributor concerned the amount of a contributor's contributions payable in accordance with those provisions immediately before that day shall be reduced by 1.5% of the amount of salary to which the contributor was entitled as at 31 December 1974.

(2) In no case shall a contributor be entitled to a payment by reason of the reduction in the amount of the contributor's contribution.

Division 4—Reserve units of benefits

Contribution for reserve units

227.(1) A contributor who is contributing to the fund for units of benefits to the number thereof specified in the scale contained in schedule 16 opposite to the salary group within which his or her salary falls, may, from time to time, elect to contribute to the fund for 1 or more reserve units of benefits in accordance with this division.

(2) The number of reserve units respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit for which a contributor may elect to contribute at any time pursuant to subsection (1) together with the number of reserve units in respect of which he or she has already made an election under that subsection shall not exceed 12.

- (a) shall be in accordance with, in the case of a male member of the police force, the table of contributions contained in schedule 19,

Superannuation (State Public Sector) Deed 1990

part 1 and, in the case of a female member of the police force, the table of contributions contained in schedule 19, part 2; and

- (c) shall be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date on which the contributor elects to contribute for that reserve unit of benefit.

(4) Unless exempted by the board therefrom a member of the police force shall, before at any time contributing or increasing the amount of his or her contributions for reserve units of benefits under this division, be medically examined at his or her own expense by a medical practitioner.

(5) A member of the police force shall not at any time increase under this division the amount of his or her contributions to the fund if after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such member of the police force are such as would justify his or her being then accepted as a contributor.

When reserve units become ordinary units of benefits

228. Where a contributor—

- (a) who is contributing for 1 or more reserve units of benefits pursuant to this division; and
- (b) who becomes required or entitled to contribute for additional units of benefits under the provisions of this chapter (other than this division);

does not increase the amount of his or her contributions to the fund by such sum as is sufficient to provide, in accordance with the appropriate rates of contributions applicable to the particular case under this chapter, the additional units of benefits, such number of reserve units of benefits up to but not exceeding the number of such units for which the contributor is contributing pursuant to this division as is equal to the difference between—

- (c) the number of units of benefits specified in the scale contained in schedule 16 opposite to the salary group within which the contributor's salary falls; and
- (d) the number thereof (other than reserve units of benefits) for which such member of the police force is contributing;

shall cease to be reserve units to which this division applies and shall become units of benefits for which the contributor is contributing under the provisions of this chapter (other than this division) the contribution for which shall continue to be the contribution that the contributor was making to the fund therefor immediately before the units of benefits so ceased to be reserve units.

Contributor may discontinue contribution for reserve units

229. A contributor who is contributing for 1 or more reserve units of benefits may, subject to section 222, elect to discontinue his or her contributions in respect of all or any of those units in which case he or she shall be paid from the fund the sum equal to the aggregate of all amounts paid by him or her in respect of units or annuity benefit, incapacity benefit and assurance benefit for which he or she has so elected to discontinue his or her contributions accumulated at the rate of 1¼% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

Benefits payable on reserve units

230.(1) Where a contributor contributes for reserve units of benefit pursuant to this division, the benefits payable under this chapter in respect of all reserve units respectively of annuity benefit, incapacity benefit and assurance benefit for which the contributor is contributing for the time being (not being units of such benefit which have ceased pursuant to section 228 to be reserve units of benefits) shall, whilst they continue to be reserve units, be 35% of the rates thereof which would apply under this chapter if those reserve units were units of benefit for which the contributor was contributing within the number appropriate to the salary group in column 1 of the scale contained in schedule 16 in which the salary of the contributor falls for the time being.

(2) In the case of a contributor who is continued in his or her employment as a member of the police force after attaining the age for retirement, benefits payable in respect of reserve units of annuity shall be payable to the contributor on attaining this age and shall be at the same rate

as that to which the contributor would be entitled if the contributor had ceased to be a member on attaining the age for retirement.

Payment of lump sum on ceasing to contribute

231.(1) A contributor who is contributing for 1 or more reserve units of benefits pursuant to this division who ceases to be a contributor for that—

- (a) he or she was retired by reason of incapacity from his or her employment as a member of the police force before attaining the age for retirement;
- (b) he or she attained the age for retirement or retires from service by reason of an election referred to in section 234(2)(d);

shall be entitled by notice in writing lodged with the board to elect to be paid, in respect of all or any of the number of reserve units of annuity benefit and, in the case of a male contributor, assurance benefit and, in the case of a contributor to whom paragraph (a) applies, incapacity benefit, in respect of which but for the election he or she would be entitled to receive benefit pursuant to section 230, the sum prescribed by this section.

(2) Notice of election under subsection (1) shall be lodged with the board—

- (a) in the case of a contributor retired by reason of incapacity from his or her employment before attaining the age for retirement—before the expiration of a period of 1 month commencing on the date of his or her retirement;
- (b) in any other case—before the expiration of a period of 1 month commencing on the date on which the contributor attains the age for retirement or retires from service by reason of an election referred to in section 234(2)(d), as the case may be.

(3) Where a contributor who is contributing pursuant to this division for 1 or more reserve units respectively of annuity benefit, incapacity benefit and assurance benefit ceases to be a contributor for a reason other than a reason specified in subsection (1) there shall be paid to him or her, or, if he or she has died, to his or her personal representative or other person approved by the board from the fund the sum prescribed by this section in respect of all reserve units respectively of annuity benefit, incapacity benefit and, save where the contributor ceases to be a contributor by reason of death

Superannuation (State Public Sector) Deed 1990

before attaining the age for retirement leaving the contributor surviving a widow, assurance benefit for which he or she was contributing to the fund pursuant to this division at the time when he or she ceased to be a contributor (not being units of such benefit which have ceased pursuant to section 228 to be reserve units of benefits).

(4) The sum prescribed by this section to be paid in respect of the number of reserve units of the benefits in question shall be a sum equal to—

- (a) in the case of a contributor who ceased to be a contributor on account of death or retirement by reason of incapacity or attainment of the age for retirement or retirement from service by reason of an election referred to in section 234(2)(d)—such amount as shall be determined by the actuary and approved by the board;
- (b) in any case to which paragraph (a) does not apply—the aggregate of all amounts (accumulated at the rate of 1 $\frac{1}{4}$ % per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound) contributed by the contributor in question in respect of such number of reserve units of annuity benefit, incapacity benefit and assurance benefit.

Widow's right to substitute pension for assurance benefit

242.(1) Subject to this section, a widow to whom section 239 applies may elect not to receive assurance benefit for 1 or more units of assurance benefit but to receive in lieu thereof a widow's pension.

(2) The rate of widow's pension for each unit of assurance benefit to which the election relates shall be \$2.56 per fortnight except in the following cases—

(3) An election under subsection (1)—

- (a) shall be in writing; and
- (b) shall be made within 6 months after the date on which the entitlement to the assurance benefit arises; and

(4) A widow's pension under this chapter ceases to be payable under this chapter if the widow remarries.

(5) Where a person entitled to a widow's pension under this chapter remarries and—

- (a) again becomes widowed; or
- (b) a decree of dissolution made in respect of the marriage has become absolute or a decree of nullity is made in respect of the marriage and that person is in the board's opinion likely to suffer hardship if the benefit prescribed by this subsection is not granted to the person;

that person shall, subject to subsections (4) and (6), be entitled to a pension on and from the occurrence of the event referred to in paragraph (a) or (b), whichever is relevant to the case, as if the person had not remarried.

(6) A widow who having remarried again becomes widowed shall not be entitled to a pension pursuant to subsection (5) if an amount becomes payable to the widow under section 239 of this chapter or under section 294 of chapter 7 in the event of the widow so becoming widowed unless the widow elects as prescribed to forgo entitlement to that amount to which the widow is entitled under either of those sections or under both of those sections if the widow is entitled under both sections.

(7) An election under subsection (6)—

- (a) shall be in writing; and

Division 5—Additional assurance benefit for children**Children entitled to additional assurance benefit**

243.(1) Subject to this chapter, additional assurance benefit shall be payable in respect of every child to whom this section applies until the child ceases to be an eligible child.

(2) This section applies to every child of—

(a) a person—

(i) who, having attained the age for retirement before the passing of the *Superannuation Acts Amendment Act 1984*, has died before, on or after the passing of that Act or who, having retired before the passing of that Act by reason of an election mentioned in section 234(2)(d), has died before, on or after the passing of that Act or who has died on or after the passing of that Act and was a contributor or was receiving annuity benefit or incapacity benefit immediately before the person's death;

(ii) who when the person died or ceased to be a contributor was contributing for not less than 4 units of assurance benefit under this chapter; or

(b) a deceased or divorced spouse of a person referred to in paragraph (a) except the child of a divorced wife that is not the issue of that person; or

(c) the widow of a person referred to in paragraph (a) except a child born on or after the passing of the *Superannuation Acts Amendment Act 1984* and the death of that person that is not the issue of that person.

(3) For the purposes of this division—

“eligible child” means—

(a) a child to whom this section applies under the age of 16 years; or

(b) a child to whom this section applies—

(i) who has attained the age of 16 years but is under the age of 25 years; and

- (ii) in respect of whom the board is satisfied that he or she is receiving full time education at a school, college or university.

Amount of additional assurance benefit

244.(1) In respect of each child, the amount of additional assurance benefit shall be—

- (a) if a person who, in the case, is or was a widow entitled to assurance benefit pursuant to division 3 is living—at the rate of \$50 per fortnight adjusted in accordance with the cost of living adjustment provided for in section 256 from and including that first pay-period that occurs wholly in August 1987; and
- (b) in any case other than a case to which paragraph (a) applies including the case of a child who at the passing of the *Superannuation Acts Amendment Act 1984* was entitled to additional assurance benefit under section 44(1)(b) of the *Police Superannuation Act 1968–1979*—at a rate in accordance with the following table in respect of each unit of assurance benefit for which the person through whom the entitlement to additional assurance benefit arose or arises was contributing when the person died or otherwise ceased to be a contributor—

TABLE

1 child	\$2.56 per fortnight
2 or more children	\$3.84 per fortnight divided by the number of children in respect of each child.

(2) However, each child who is entitled to additional assurance benefit under subsection (1)(b) shall be paid a fortnightly rate so that, when that rate is added to any rate of pension to which the child is entitled under chapter 7, the total rate payable shall be at least equal to twice the rate that the child would have been paid had the child been a case to which subsection (1)(a) applies.

(3) Unless the board otherwise determines, the additional assurance benefit shall be paid in a case to which subsection (1)(a) applies, to the person who is or was the widow referred to therein and, in any other case,

to the guardian of the child.

(4) In any case where the board deems necessary for the better support and education of the child concerned the additional assurance benefit, or any part thereof, shall be paid to such person as the board determines.

(5) Where by reason of the death of a contributor or a person in receipt of benefit the only entitlement derived through the person or contributor is an entitlement to an additional assurance benefit arising on or after the passing of the *Superannuation Acts Amendment Act 1984* and before the passing of the *Superannuation Acts Amendment Act 1987* the amount of benefit payable in respect of the child or, where there are more than 1 child who derive the entitlement, in respect of all of them shall equal at the least the amount that would be payable in respect of 1 child (being a child deriving the entitlement through the contributor or person in receipt of benefit) under this section for a period of 5 years calculated at the rate at which a pension was payable in respect of 1 child (being a child deriving the entitlement through that contributor or person in receipt of benefit) at the date when the entitlement to the additional assurance benefit commenced.

(6) Where by reason of the death of a contributor or a pensioner the only entitlement derived through the contributor or pensioner is an entitlement to an additional assurance benefit arising on or after the passing of the *Superannuation Acts Amendment Act 1987* and the amount of the benefit paid in respect of the child or, where there are more than 1 child who derive the entitlement, in respect of all of them (disregarding for the purpose of calculating that amount any increase in the rate of benefit payable since the time when the entitlement commenced) is less than the amount that would have been payable under section 239 to the widow of the person through whom the entitlement is derived, had the person left a widow upon the person's death, there shall be paid to such persons as are approved by the board, in equal shares if more than 1, the difference between the 2 amounts hereinbefore referred to in this subsection.

- (b) who, being a person through whom there is at the time the person ceases to be a contributor no person who would derive an assurance benefit upon death, either—
 - (i) does not commute as referred to in paragraph (a); or

- (b) section 256 shall be disregarded in calculating entitlement under subsection (3).

(5) Subsection (3) applies to a person who ceases to be a contributor by reason of an election as is mentioned in section 234(2)(d) as if—

Refunds of incapacity benefit contributions

247.(1) If and when a person ceases to be a contributor before attaining the age for retirement the person or, if the person has died, the person’s legal personal representative or other person approved by the board, shall be paid from the fund a sum equal to the aggregate of all sums contributed by the person to the fund in respect of units of incapacity benefit for which the person was then contributing accumulated at the rate of 1¹/₄% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

249.(1) Subject to this division, a contributor or other person may apply in writing to the board to commute for the lump sum ascertained in accordance with this division the annuity benefit payable in respect of all or any of the units of annuity benefit (not including any reserve unit of benefit in respect of which he or she may elect to receive payment of the sum prescribed by section 231) for which he or she was contributing—

(2) The application shall be made—

- (a) in the case of a contributor retired by reason of incapacity from his or her employment before attaining the age for retirement without again becoming a member—before the expiration of a period of 1 month commencing on the date on which he or she attains that age; and

- (c) in any other case—before the expiration of a period of 1 month commencing on the date on which the contributor attains the age for retirement.

(3) The board shall not proceed with an application under subsection (1) by a person to whom subsection (2)(a) applies (other than a person who at the date of the application is being continued in his or her employment as a member of the police force) unless the applicant has produced evidence of good health at the time of the application satisfactory to the board.

(4) A person to whom subsection (1)(b) applies who makes an application under that subsection shall produce evidence of his or her state of health at the time of the application satisfactory to the board and in determining the lump sum payable under this section due weight shall be given to that evidence.

Persons not entitled to commute

250.(1) This division does not apply to a contributor who—

- (a) elects, after the commencement of the *Police Superannuation Act Amendment Act 1970* and after having attained an age that is 5 years less than the age for retirement, to increase his or her contribution under section 219 and is accepted by the board as a contributor under that section; or

(2) Where a contributor prior to retirement has duly surrendered all the units of benefits for which the contributor is contributing under section 219 the contributor shall, for the purposes of this section, be deemed not to have elected to increase the amount of the contributor's contributions under section 219.

Ascertainment of lump sum payable

251.(1) Subject to this section, the amount of the lump sum that a contributor or other person is entitled to be paid in respect of any application under section 249 is such amount as is determined by the actuary and

approved by the board as the actuarial reserve of the units of annuity benefit to which the application relates.

(2) In the case of a contributor who is continued in his or her employment as a member of the police force after attaining the age for retirement and who makes an application under section 249, the lump sum that is payable is such amount as is determined by the actuary and approved by the board as the actuarial reserve of the part or proportion of the units of annuity benefit to which the application relates attributable to contributions to the fund derived from the contributor.

(3) In addition to the lump sum payable under subsection (2) there is payable to a contributor to whom that subsection applies on retiring or being retired from his or her employment as a member of the police force a sum of such amount as is determined by the actuary and approved by the board as the actuarial reserve as at the date on which the retirement takes effect of the part or proportion of the units of annuity benefit in respect of which the lump sum was payable under subsection (2) attributable to contributions to the fund derived from the Crown.

(4) In the case of a contributor who retires pursuant to an election as is mentioned in section 234(2)(d), for the purpose of determining the lump sum that is payable under this division each unit of annuity benefit in respect of which the contributor makes an application under section 249 shall be taken to provide a benefit ascertained in accordance with the formula prescribed by section 235(3).

Division 8—General provisions respecting benefits

Right to prepay contributions

252.(1) The board may permit a contributor to commute the contribution for benefits under this chapter, or any of them, payable by him or her in respect of any future period by payment of a lump sum of such amount as shall be determined by the actuary and approved by the board.

(2) Where a contributor has commuted wholly or in part any contributions under this chapter attributable to a period within the 5 years immediately preceding the age for retirement the contributor is, upon the contributor's application therefor made to the board prior to the date of

retirement, entitled to be paid from the fund in respect of the contributions so commuted and attributable to such part of that period as commences on the date of the contributor's application or a date specified by the contributor in the application (whichever is the later date) and expires at the termination of that period such sum of money as is determined by the actuary and approved by the board.

(3) Where a contributor who elects to retire at any time within the period of 5 years immediately preceding the day on which the contributor would attain the age for retirement has commuted wholly or in part any contributions under this chapter attributable to any period after the date of retirement and has not been paid under subsection (2) a sum of money in respect of the whole of the contributions so commuted the contributor is, in addition to any benefit entitlement under this chapter, entitled to be paid from the fund such sum of money in respect of such contributions as is determined by the actuary and approved by the board, due allowance being made for any sum of money that has been paid under subsection (2) in respect of such contributions.

Benefits payable for life except in case of children

253.(1) Except where otherwise provided in this chapter, annuity benefit or assurance benefit shall be payable during the life of the person entitled thereto.

(2) Additional assurance benefit in respect of any child shall be payable until the child ceases to be an eligible child or sooner dies.

(3) Benefits shall as far as practicable be paid fortnightly or, if so determined by the board, periodically at other intervals.

Payment to person other than the beneficiary

254. Where in the opinion of the board payment of any benefit, refund of contributions or other payment under this chapter should be made to a person other than the person to whom the same is prescribed to be payable, the board may authorise payment to such firstmentioned person accordingly.

Commencement of benefits

255. Subject to this chapter, where in pursuance of this chapter any member of the police force becomes liable, or elects, to contribute for any units or additional units, he or she shall be a contributor in respect of those units or additional units as from the date as from which the contribution or additional contribution therefor is payable and not earlier, but if any benefit becomes payable to or in respect of that contributor before he or she has actually commenced to make contributions or additional contributions there shall, as determined by the board, be deducted from payments of benefit such contributions as are due by him or her in respect of those units or additional units.

Adjustment of benefits

256.(1) In this section—

“**basic rate**”, in relation to a benefit, means the rate at which the benefit was payable under the repealed *Police Superannuation Act 1968* when it came into force.

“**index**” means the all groups consumer price index for Brisbane published by the Australian Statistician.

“**pay-period**” means the period with respect to which the fortnightly or other periodic instalment of benefits is payable in pursuance of section 253(3).

“**year**”, save in subsection (3), means a year commencing on 1 August.

(2) Subject to this section, a benefit under this part shall be adjusted by the board in each year in accordance with this section.

(3) The government statistician shall, as soon as practicable after 30 June in each year, give to the Minister a notice specifying the percentage (expressed to a degree of accuracy of not more than 1 decimal place) by which the index for the quarter ended on that day is greater or less than the index for the same quarter in the immediately preceding year.

(4) On receipt of a notice under subsection (3), the Minister shall, by order—

- (a) declare the percentage by which benefits shall be adjusted (whether by way of increase or decrease) in the year commencing

Superannuation (State Public Sector) Deed 1990

on 1 August next after the quarter firstmentioned in that subsection; or

- (b) if, by reason of the operation of subsection (9), no adjustment is to be made in respect of that year—declare that benefits shall not be adjusted in respect of that year.

(5) A percentage declared under subsection (4)(a) in respect of any year shall be the same as the percentage specified in the notice given to the Minister under subsection (3).

(6) An adjustment of a benefit in respect of any year made under this section shall be made—

- (a) by increasing, or as the case may require by decreasing, the rate at which immediately before the making of the adjustment, the benefit was payable by the percentage declared in respect of that year under subsection (4); and
- (b) so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in that year.

(7) The following provisions apply to and in relation to the first adjustment of a benefit pursuant to this section if at the time when the adjustment is to be made the benefit has been in force for less than 12 months; namely—

- (a) in the case of a benefit that comes into force after 1 July in any year—the first adjustment of that benefit shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the second year after the year in which the benefit comes into force;
- (b) in the case of a benefit that comes into force on or before 1 July in any year—the first adjustment of that benefit shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the year immediately following the year in which the benefit comes into force;
- (c) the fortnightly amount by which a benefit to which paragraph (b) applies is to be increased or decreased shall be calculated in accordance with the prescribed formula.

(8) For the purposes of subsection (7)(c), the prescribed formula is the formula—

$$V = A \times \frac{M}{12}$$

where—

“V” means the fortnightly amount referred to in that paragraph.

“A” means the amount by which, but for the operation of that subsection, the benefit would have been increased or decreased.

“M” means the number of whole months from the day on which the benefit came into force until the following 31 July (both days inclusive).

(9) Except as provided in subsection (10), where the percentage specified in a notice under subsection (3) in respect of any year is less than 1% no adjustment of benefits shall be made in respect of that year.

(10) Where each of the percentages specified in a notice under subsection (3) in respect of any 2 or more successive years is less than 1% but those percentages are in the aggregate, equal to, or greater than 1% (whether by way of increase or decrease), benefits shall be adjusted in respect of the latest of those years as if the percentage declared in respect of that year were a percentage equal to that aggregate.

(11) Nothing in this section requires the rate of a benefit to be decreased below the basic rate and if, by reason of the making of an adjustment under this section, the rate of a benefit would be so decreased, that benefit shall, until it is next increased to a rate exceeding the basic rate by reason of the making of such an adjustment, be deemed to be payable at the basic rate.

(12) Where—

- (a) by reason solely of the operation of subsection (11), a benefit is being paid at the basic rate; and
- (b) an adjustment, by way of increase, is required to be made to the rate of that benefit in respect of any year;

that adjustment shall be made as if, immediately before the making of the adjustment, the benefit were payable at the rate at which, but for the operation of that subsection, it would have been payable.

Adjustment of benefits where entitlement follows a former entitlement

257. Where on or after 1 July 1974 a person becomes entitled to a benefit under division 1 (the “**subsequent benefit**”) and the person was, immediately before becoming so entitled, entitled to a benefit under division 2 (the “**former benefit**”) and has not since becoming entitled to the former benefit resumed employment as a member, the benefit to which the person is entitled is a benefit calculated in accordance with the formula—

$$P = A \times \frac{B}{C}$$

where—

“**P**” means the fortnightly amount of the benefit payable to the person.

“**A**” means the fortnightly amount of the benefit that would have been payable to the person but for this section.

“**B**” means the fortnightly amount of the former benefit that was payable under this chapter to the person immediately before becoming entitled to the subsequent benefit.

“**C**” means the fortnightly amount of the former benefit that was payable to the person on becoming entitled thereto.

Variation of entitlement to adjustment

258.(1) Where in the opinion of the board a person in receipt of a benefit under this part would be prejudicially affected by an increase in his or her benefit under section 256 the board may determine—

- (a) that such person receive no increase in benefit under that section; or
- (b) that such person receive an increase in benefit less than that provided for by that section;

and the determination shall be given effect according to its terms notwithstanding that section.

(2) The board may revoke or vary a determination under subsection (1).

(3) In the event of a revocation of a determination the amount of the benefit to which the determination related shall, as from the date of the

revocation, be the same as if that determination had not been made.

(4) In the event of a variation of a determination the amount of the benefit to which the determination relates shall, as from the date of the variation, be in accordance with the determination as so varied.

(5) Unless it is otherwise determined by the board, for the purpose of determining the amount of benefit payable under section 240 or 257 all determinations made under subsection (1) and variations made under subsection (2) shall be disregarded and the person in receipt of benefit shall be deemed to have been receiving, immediately before the person's death or, as the case may be, immediately before becoming entitled to the subsequent pension referred to in section 257, the amount of benefit that would have been payable to the person had no such determination been made.

Proof of continued incapacity

259.(1) Any person who has been retired, by reason of incapacity, from employment as a member of the police force, and who is in receipt of incapacity benefit, shall whilst he or she continues to be in receipt of incapacity benefit, give as prescribed such notifications and certificates relating to his or her continued incapacity as shall be prescribed and submit himself or herself for medical examination when and so often as the board requires to any medical practitioner or medical practitioners approved by the board.

(2) If at any time a person defaults in complying with any requirement of subsection (1), the board may discontinue the payment to him or her of incapacity benefit until he or she remedies the default to its satisfaction.

Incapacity beneficiary restored to health may be recalled to service

260.(1) If, in the opinion of the board, the health of any person who has been retired, by reason of incapacity, from employment as a member of the police force, and who is in receipt of incapacity benefit, has become so restored as to enable him or her to perform, in the opinion of the board, duties as a member of the police force, the board shall so inform the commissioner of the police service with a view to employment as a member of the police force being found for such person.

Superannuation (State Public Sector) Deed 1990

(2) If employment as a member of the police force is offered to him or her and he or she fails to accept that employment the board may cancel the incapacity benefit and thereupon it shall cease to be payable.

(3) Upon the cancellation pursuant to this section of the incapacity benefit payable to any person, neither that person nor any other person claiming through him or her, either immediately or at any future time, shall have any right or claim to any payment or, as respects incapacity benefit, further payment from the fund in respect of any units of annuity benefit, or of incapacity benefit, or in the case of a male contributor of assurance benefit (including additional assurance benefit) for which he or she was contributing to the fund when he or she retired save that such person shall be paid from the fund the sum equal to the aggregate of all amounts paid by him in respect of units of annuity benefit and assurance benefit accumulated at the rate of 1 $\frac{1}{4}$ % per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

(4) If at any time it appears to the board that any person who has been retired, by reason of incapacity, from employment as a member of the police force, and who is in receipt of incapacity benefit, engages in—

- (a) any business or occupation on his or her own account; or
- (b) employment (not being employment by virtue whereof he or she is a member of the police force);

the board may suspend the incapacity benefit.

(5) For the period during which any such person is engaged as mentioned in subsection (4), he or she shall not be entitled to or receive any incapacity benefit but the board may direct that he or she receive, for that period or such part thereof as the board determines, the whole of the incapacity benefit in question or such part thereof as the board considers reasonable.

(6) Upon the termination of the engagement by virtue whereof payment of incapacity benefit to any person has been suspended under subsection (5), such incapacity benefit shall, subject to this chapter, again become payable and be paid to such person.

Contribution by retired incapacity beneficiaries upon re-employment

261. If a person who has been retired, by reason of incapacity, from employment as a member of the police force and who is in receipt of incapacity benefit again becomes a member of the police force, the period during which he or she was retired shall not, for the purposes of this chapter, be deemed to be a break in the continuity of his or her service as a member of the police force, and accordingly the officer shall be deemed to be a contributor and contributions to the fund shall again become payable by the person in accordance with this chapter.

Postponement of payment of refunds

262.(1) Notwithstanding the provisions of sections 246, 247 or 248, where a contributor ceases to be a member by reason of—

- (a) resignation before attaining an age that is 5 years before the contributor's age for retirement; or
- (b) termination of employment as a member before attaining an age that is 5 years before the contributor's age for retirement, otherwise than on account of misconduct; or
- (c) resignation in accordance with arrangements approved by the Governor in Council in relation to contributors of the class of that contributor; or
- (d) non-renewal or termination by the Crown (otherwise than on account of misconduct) of a contract or appointment for a tenure limited by time under the *Police Service Administration Act 1990* and that contributor is not eligible to make, or does not make, an election in accordance with section 5.10 of that Act;

and that person makes an election pursuant to section 299 of chapter 7 that person shall, by reason of having made that election, be treated as having elected not to take from the fund the sums referred to in sections 246, 247 and 248.

(2) Where an election is, pursuant to subsection (1), treated as having been made, there is to be credited to the fund on account of the elector the amount calculated in accordance with the formula—

Superannuation (State Public Sector) Deed 1990

$$A = \frac{B \times C}{D} [1 - .02 (f - E)]$$

where—

“**A**” means the amount payable.

“**B**” means the benefit to which the contributor would have been entitled had the contributor retired upon attaining the age expressed as F.

“**C**” means the period expressed in years for which the contributor has contributed to the fund to the date on which the contributor ceases to be a member.

“**D**” means the period expressed in years for which the contributor would have contributed to the fund had the contributor retired upon attaining the age expressed as F.

“**E**” means the contributor’s age expressed in years and complete months at the date on which the contributor ceases to be a member.

“**F**” means the age that is 5 years before the contributor’s age for retirement;

until, subject to subsection (3)—

- (a) the contributor attains the age that is 5 years before the age for retirement; or
- (b) the contributor satisfies the board that the contributor suffers a permanent incapacity by reason whereof the contributor is unfit to discharge or incapable of discharging duties as a employee; or
- (c) the contributor, being a person to which subsection (1)(a) or (b) apply, informs the board in writing that the contributor no longer desires the election to operate; or
- (d) the contributor dies; or
- (e) the contributor, being a person to whom subsection (1)(c) or (d) apply, notifies the board of a desire to be paid the prescribed amount payable in cash;

whereupon the prescribed amount is to be paid to the contributor or to the contributor’s legal personal representative, as the case requires.

(3) Where a person who is deemed pursuant to subsection (1) to have

Superannuation (State Public Sector) Deed 1990

elected as prescribed by that subsection again becomes a contributor the prescribed amount credited in the fund on the person's account under this section shall be added to the prescribed amount credited in the fund on the person's account under section 299 of chapter 7 and shall be applied in the manner prescribed by that section.

(4) In subsections (2) and (3)—

“prescribed amount”, so far as it relates to the amount that is to be paid pursuant to subsection (2) or that is to be applied pursuant to subsection (3), means—

- (a) where the elector, being a person to whom subsection (1)(a) or (b) apply, has informed the board in writing that the elector no longer desires the election made under section 299 of chapter 7 to operate—the sums which the elector would have been entitled to be paid from the fund pursuant to sections 246, 247 and 248 had the elector not been deemed to have elected as prescribed by subsection (1) together with interest that has accrued since the date on which the elector ceased to be a member and that is properly attributable to those sums; and
- (b) in any other case—the amount credited in the fund on account of the elector pursuant to subsection (2), together with interest for the period since the date on which the elector ceased to be a member.

(5) For the purposes of subsection (4)(a) and (b), interest shall be calculated at such rate as is determined by the board, from time to time, on the advice of the actuary which rate, at the time it is determined, is to reasonably reflect the after tax earnings of the fund (on a long term basis) derived from the investment of contributors' contributions, having regard to costs incurred in investing and administering the fund.

PART 4—TRANSITIONAL PROVISIONS

Division 1—Interpretation

Application of pt 5

263.(1) This part applies to every member of the police force required by this chapter to contribute to the fund whose employment as a member of the police force (whether on probation or otherwise) commenced before 7 July 1969 and who immediately before that date was contributing under the repealed provisions in respect of superannuation allowance.

(2) In this part—

“**member of the police force**” means a member of the police force to whom this part applies.

Division 2—Contributions for units of benefits by members of the police force

(2) Where during the period commencing on 7 July 1969 and ending on 8 July 1979 the salary of a member of the police force being a contributor is increased and, by reason of that increase, falls within a salary group in column 1 of the scale contained in schedule 17 higher than the salary group in which it fell prior to the increase, the member of the police force shall thereafter contribute for the number of units of benefits specified in column 2 of such scale opposite to the salary group within which his or her increased salary falls.

(3) In respect of the number of units of benefits for which a member of the police force is required to contribute pursuant to subsection (1), or

Superannuation (State Public Sector) Deed 1990

subsections (1) and (2), the contribution payable shall be—

 - (iii) in the case of a male contributor— $5\frac{3}{4}\%$; or
 - (iv) in the case of a female contributor—5%;of that salary.

(4) Save as otherwise expressly provided in this division, a member of the police force shall, whilst he or she is required by this chapter to contribute to the fund, contribute thereto in accordance with part 3 but the number of units of benefit for which the member is required or entitled to contribute under the provisions of this chapter (other than this division) is the number of units ascertained in accordance with those provisions less the number of units for which the member is required to contribute under the provisions of subsection (1), or subsections (1) and (2).

(5) Notwithstanding subsections (1) to (4), on and after the commencement of the *Police Superannuation Act Amendment Act 1970* the amount of contribution that shall be paid by a member of the police force in respect of units to which this section relates shall be ascertained in accordance with subsection (6) or (7).

(6) In respect of the number of units of benefits for which a member of the police force is required to contribute pursuant to subsection (1), or subsections (1) and (2), the contribution payable shall be—

 - (i) such amount ascertained in accordance with, in the case of male members of the police force, the table of contributions

Superannuation (State Public Sector) Deed 1990

contained in schedule 18, part 1 and, in the case of female members of the police force, the table of contributions contained in part 2 of that schedule as would provide the units of benefits or where that amount exceeds—

(B) in the case of a female contributor—the rate of 5%;

of the contributor's salary, an amount equal to—

(D) in the case of a female contributor—5%;

of that salary; and

- (ii) the amount of the difference between such amount, ascertained in accordance with the applicable table of contributions contained in schedule 19 as if in the case of such of the units of benefits as the contributor had commenced to contribute for before the date of commencement of the *Police Superannuation Act Amendment Act 1970* the member had commenced to contribute for such units on the date of the said commencement, as would provide the units of benefits and such amount, ascertained in accordance with the applicable table of contributions contained in schedule 18 as if in the case of such of the units of benefits as the contributor had commenced to contribute for before the date of commencement of the *Police Superannuation Act Amendment Act 1970* the member had commenced to contribute for such units on the date of the said commencement, as would provide the units of benefits;

- (b) in respect of units of benefits (not being units to which paragraph (a) relates)—the amount of the difference specified in paragraph (a)(ii) where a reference to units of benefits in that subparagraph is read as a reference to units of benefits to which this paragraph relates.

281.(1) Where a contributor, on or after the passing of the *Superannuation Acts Amendment Act 1984*, retires from employment as a member otherwise than by retiring or being retired on the ground of incapacity and has received t increase(s) in salary (where t is a positive whole number) by reason of t promotion(s) received by the contributor on or after the passing of that Act and during the 2 years immediately preceding the contributor attaining the age for retirement or the contributor's earlier retirement, the contributor's final average salary shall be ascertained in accordance with the formula—

$$\text{if } t=1 \quad \text{FAS}_t = A + \left[(B_t - A) \frac{n_t}{24} \right]$$

$$\text{if } t \text{ is greater than } 1 \quad \text{FAS}_t = \text{FAS}_{t-1} + \left[(B_t - B_{t-1}) \frac{n_t}{24} \right].$$

PART 2—CONTRIBUTIONS

282.(1) A member must contribute to the fund under this part.

(2) If a member (being so required) has not been medically examined in accordance with section 316 within 6 months after becoming a member who is required under this chapter to contribute to the fund or such extended time as the board may in special circumstances allow, the member shall be entitled to no benefits under this chapter other than the payment of a sum of money equal to the amount of the member's contributions thereunder to the fund.

(3) Except where it is otherwise expressly provided by this chapter, where a contributor is absent from duty for any period without pay or on less than full pay the contributor shall continue to contribute to the fund during that period at the rate at which the contributor would have been required to contribute thereto if the contributor had continued to receive full pay in respect of that period.

(4) If for any reason a contributor referred to in subsection (3) becomes entitled to an increase in salary whilst the contributor is absent from duty as hereinbefore referred to, the contributor's obligation to contribute to the fund shall be to contribute at a rate calculated by reference to the salary as so increased.

(5) Where absence from duty referred to in subsections (3) and (4), other than sick leave of absence without pay, is for a continuous period of 14 days or more (whether or not working days) the contributor shall, unless the contributor elects pursuant to subsection (6), in addition to continuing to contribute to the fund as provided by subsections (3) and (4) pay to the consolidated fund for the period, an amount determined by the Treasurer.

(6) A contributor who would be required to pay additional amounts to the consolidated fund under subsection (5) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of the contributor's absence whereupon—

- (a) contribution to the fund in respect of the contributor shall cease to be payable in respect of the period of the absence; and
- (b) the board shall waive the additional payments to the consolidated fund (if any) that would be required by that subsection to be made by the contributor; and
- (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.

(7) The Governor in Council may waive the requirement under subsection (5) to make additional payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.

Commencement and cessation of contributions

283.(1) The contributions under this chapter of a member commence from the day the member's salary commences because of his or her appointment as a member.

(2) A member's contributions cease to be payable on the last day of the fortnightly pay-period last preceding the day on which—

- (a) the member ceases to be a member; or
- (b) the member attains the age for retirement; or
- (c) the member's service as a member, ascertained as prescribed by

section 289, equals 42 years and 6 months;
whichever first occurs.

Time and manner of paying contributions

284.(1) Except as otherwise expressly provided in this chapter, the contributions of a member shall be payable periodically from the member's salary at such intervals and in such manner as may be prescribed and shall be deducted from salary payable to the member accordingly, and, until otherwise prescribed, shall be payable by the member and deducted fortnightly from the member's salary.

(2) The deductions shall be made for the first time in each case on the first payday occurring after the contributions in respect of which they are to be made commence, as provided by section 283(1), and the full amount of all deductions so made shall be paid into the fund.

(3) A contributor who, pursuant to section 282(3), (4) or (5), is required to pay contributions to the fund and to make additional payments to the consolidated fund in respect of a period of absence from duty—

- (a) shall, before commencing the period of absence, pay to the fund and consolidated fund—
 - (i) the total amount of contributions that the contributor is required to pay under this chapter for the period of absence; and
 - (ii) the total amount that the contributor is required to pay pursuant to section 282(5); or
- (b) shall before commencing the period of absence, make arrangements satisfactory to the board for payment of the total amount of contributions and payments that the contributor is so required to pay.

(4) Where a contributor to whom subsection (3) applies does not comply with subsection (3)(a) or (b) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter may be reduced by such amounts as are determined by the actuary and approved by the board.

(5) Where a contributor—

Superannuation (State Public Sector) Deed 1990

- (a) is on leave of absence without pay; or
- (b) is on sick leave on less than full pay; or
- (c) is under suspension without salary or at less than full salary; or
- (d) for any reason (other than any misconduct or default on the contributor's part) is receiving remuneration at a rate less than the rate of pay for the time being applicable to the contributor's position;

the board, on the application of the contributor, may permit the contributor to defer his or her contributions and the payment of any amount required by section 282(3), (4) and (5) to be paid by the contributor for such period as the board may approve, subject to such conditions as to the future payment of the contributor's contributions and other such amount as the board may impose (including conditions as to the payment of interest, at such rate (if any) as is determined by the board, on the contributions and other such amount so deferred) but save as permitted by the board pursuant to this subsection, the contributor shall contribute and otherwise make payment to the fund at the times and in the manner prescribed.

(6) Any amount of the contributions and other payments prescribed by this chapter or chapter 6 to be made by a contributor not paid by deduction from the contributor's salary as prescribed by subsections (1) and (2) shall, subject to subsection (5), be paid in such manner as the executive officer directs and, if directed by the executive officer, may be deducted from the contributor's salary in addition to the deductions from the contributor's salary as prescribed by subsections (1) and (2) but the board may waive payment thereof wholly or in part.

(7) Notwithstanding the foregoing provisions of this section, the board may recover by action as for a debt any amount of the contributions and other payments as aforesaid to be made by a contributor which is due and unpaid.

(8) For the purposes of subsections (6) and (7), an amount of unpaid contribution or other payment includes interest on the amount calculated at the rate at which earnings would have accrued to the fund had the amount been paid to the fund.

(9) If a contribution or other payment payable by a contributor is unpaid (the "**unpaid amount**"), the board may determine the rights of the

contributor to benefits under this chapter.

(10) If the board makes a determination under subsection (9), the board must pay to the contributor an amount equal to the amount of all contributions and other payments payable by the contributor under this chapter to the day of determination (accumulated on and after 27 February 1984 at the applicable rate) less the unpaid amount and interest on the unpaid amount calculated at the rate at which earnings would have accrued to the fund had the amount been paid to the fund.

(11) However, the board may waive the taking into account of interest on the unpaid amount in whole or part.

(12) Except where it is otherwise provided by this chapter, a contributor—

- (a) shall continue to contribute as prescribed to the fund until the contributor attains the age for retirement or the contributor's employment as a member is sooner terminated by earlier retirement, death, resignation or otherwise howsoever;
- (b) shall, in respect of a period of leave of absence, with or without pay, pay contribution, as for a period of service, without reduction.

(13) In subsection (10)—

Rates of contribution

285.(1) The amount of the contributions payable by a continuing contributor (other than a member to whom subsection (2) applies) is the prescribed percentage of the amount by which the contributor's applicable current salary exceeds the contributor's applicable initial salary.

(2) The amount of the contributions payable by a contributor who became a member on or after the commencement is the prescribed

percentage of the contributor's applicable current salary.

(3) Contributions payable under subsections (1) and (2) are payable—

- (a) periodically; and
- (b) in addition to any contributions payable to the fund under chapter 6.

(4) A member who made an election under section 24(4) of the 1974 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4) of the 1974 Act in addition to the rate prescribed by this chapter (other than this subsection).

(5) Where by reason that a member becomes a contributor on or after the commencement of the *Police Superannuation Acts Amendment Act 1977* and after the member has attained the age of 20 years, the length of the member's service, ascertained for the purposes of calculating the pension to be paid to the member under this chapter if the member attains the age for retirement, will not amount to 40 years, the member may elect within a period of 2 months after the member becomes a member to increase the rate of the member's contribution and the board may determine that the additional rate over and above the contributions that, but for this subsection, would have been payable by the member shall be a sum calculated at such rate as the board, after consultation with the actuary, may determine, being a rate that, having regard to the fact that payments by the Crown will be in relation only to contributions by the member that would be payable but for this subsection, will enable the length of service for the purpose of calculating the pension to be paid to the member under this chapter to be regarded as the length of service ascertained in accordance with the board's determination under subsection (7) but not exceeding 40 years, and thereupon the member shall be deemed to be required to contribute to the fund at the rate so determined in addition to the rate prescribed by this chapter (other than this subsection).

(6) A member who made an election under section 24(5) of the 1974 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(5) of the 1974 Act in addition to the rate prescribed by this chapter (other than this subsection).

(7) Where the board has made a determination under subsection (4), (5)

Superannuation (State Public Sector) Deed 1990

or (6) in relation to a member, the board may determine that, for the purpose of calculating the pension to be paid to the member under part 4, the member's length of service as a member shall be regarded as being equal to the member's actual length of service ascertained in accordance with this chapter plus such additional length of service as the board, after consultation with the actuary, may determine and thereupon this chapter shall apply to the member accordingly.

(8) Where the board has made a determination under subsection (4), (5) or (6) upon the election of a member and the contributor satisfies the board that payment of such additional rate of the contribution by the member is causing the member undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary, the additional rate of contributions to be paid by the contributor.

(9) Where in respect of a contributor the board, pursuant to subsection (8), cancels a determination under subsection (4), (5) or (6), any determination under subsection (7) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5) or (6) as the actuary determines is justified having regard to the reduced liability of the fund.

(10) Where in respect of a contributor the board pursuant to subsection (8) varies a determination under subsection (4), (5) or (6), it shall make an appropriate variation of its consequential determination under subsection (7) of additional length of service in respect of the contributor and this chapter shall apply as if the determinations as so varied were at all relevant times the determinations originally made on the election of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions pursuant to subsections (4), (5) or (6) as the actuary determines is justified having regard to the reduced liability of the fund.

(11) Despite subsections (1) and (2), if the salary of a contributor is reduced, the contributor shall thereupon contribute to the fund in relation to the reduced rate of the contributor's salary and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund as the actuary determines is justified having regard to the reduced liability of the fund, by reason of the reduction in salary, in respect of the

prospective entitlement of the officer to benefits under this chapter and thereupon for the purpose of calculating the contributor's entitlement to benefits under this chapter the contributor's rate of salary in respect of any period before the time the contributor's salary was reduced shall be deemed not to have been in excess of the rate to which the contributor's salary was so reduced.

(12) Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.

(13) In this section—

“applicable current salary”, of a contributor, means the contributor's applicable starting salary varied, in the first full fortnightly pay period in November of each year (the **“adjustment year”**), to the contributor's salary at 1 October in the adjustment year if the contributor was a contributor on that day.

(2) The additional rate of contribution payable by the member continues to be the rate decided by the board under section 24A(3) of the 1974 Act.

(3) If in relation to a contributor by whom an additional rate of contribution is payable pursuant to this section the board makes a determination under section 285(8) that cancels or varies a board's determination made under section 285(4), (5) or (6) in relation to that contributor, the additional rate of contribution payable by the contributor pursuant to this section shall be adjusted having regard to that cancellation or variation, the ascertainment of the contributor's length of service for the purposes of this section shall be adjusted accordingly and the board shall make to the contributor a refund of such part of her contributions to the fund pursuant to this section as the actuary determines is justified, having regard to the reduced liability of the fund.

- (c) the fortnightly amount by which a pension to which paragraph (b) applies is to be increased or decreased shall be calculated in accordance with the prescribed formula.

(8) For the purposes subsection (7)(b), the prescribed formula is the formula—

$$V = A \times \frac{M}{12} .$$

(9) In subsection (8)—

“A” means the amount by which, but for the operation of subsection (7), the pension would have been increased or decreased.

“M” means the number of whole months from the day on which the pension came into force until the following 31 July (both days inclusive).

“V” means the fortnightly amount referred to in subsection (7)(c).

(10) Except as provided in subsection (11), where the percentage specified in a notice under subsection (3) in respect of any year is less than 1 no adjustment of pensions shall be made in respect of that year.

(11) Where each of the percentages specified in a notice under subsection (3) in respect of any 2 or more successive years is less than 1 but those percentages are in the aggregate, equal to, or greater than 1 (whether by way of increase or decrease), pensions shall be adjusted in respect of the latest of those years as if the percentage declared in respect of

that year were a percentage equal to that aggregate which shall be deemed to be the percentage so specified in respect of that year.

(12) Nothing in this section requires the rate of a pension to be decreased below the basic rate and if, by reason of the making of an adjustment under this section, the rate of a pension would be so decreased, that pension shall, until it is next increased to a rate exceeding the basic rate by reason of the making of such an adjustment, be deemed to be payable at the basic rate.

(13) Where—

- (a) by reason solely of the operation of subsection (12) a pension is being paid at the basic rate; and
- (b) an adjustment, by way of increase, is required to be made to the rate of that pension in respect of any year;

that adjustment shall be made as if, immediately before the making of the adjustment, the pension were payable at the rate at which, but for the operation of that subsection, it would have been payable.

Variation of entitlement to adjustment

301.(1) Where in the opinion of the board a pensioner would be prejudicially affected by an increase in the pensioner's pension under section 300 the board may determine—

- (a) that the pensioner receive no increase in pension under that section; or
- (b) that the pensioner receive an increase in pension less than that provided for by that section;

and the determination shall be given effect according to its terms notwithstanding that section.

(2) The board may revoke or vary a determination under subsection (1).

(3) In the event of a revocation of a determination the amount of the pension to which the determination related shall, as from the date of the revocation, be the same as if the determination had not been made.

(4) In the event of a variation of a determination the amount of the pension to which the determination relates shall, as from the date of the variation, be in accordance with the determination as so varied.

(5) Unless it is otherwise determined by the board, for the purpose of determining the rate of pension payable under section 294 or 296 all determinations made under subsection (1) and variations made under subsection (2) shall be disregarded and the pensioner shall be deemed to have been receiving, immediately before the pensioner's death, the amount of pension that would have been payable to the pensioner had no such determination been made.

Division 7—General provisions as to pensions

Duration of pensions

302. Except as otherwise expressly provided, a pension under this chapter is payable during the life of the pensioner, and is payable as from the date of the death or retirement by virtue of which it becomes payable.

Time and manner of payment of pensions

303. Pensions shall be paid in fortnightly instalments or, if so determined by the board, periodically at other intervals.

Payment to person other than the beneficiary

304. Where in the opinion of the board payment of any pension, refund of contributions or other payment under this chapter should be made to a person other than the person to whom the same is prescribed to be payable, the board may authorise payment to such firstmentioned person accordingly and the receipt of that person is a complete discharge to the board for the amount so paid.

Excess payments

305.(1) Where a person has received a payment under this chapter or the 1968 Act and it is subsequently discovered that, owing either to some miscalculation or mistake of fact for which the person is not responsible, the payment was in excess of the amount properly payable, the board may—

- (a) waive repayment; or
- (b) allow repayment to be made on such terms as the board thinks just;

of the whole or any part of that excess payment or may write off the whole or any part thereof, if, in the opinion of the board, its repayment would cause undue hardship or the enforcement of the repayment thereof would be inequitable.

(2) Where a person has received a payment under this chapter or the 1968 Act and it is subsequently discovered that, by reason of a mistake, the amount of the payment is in excess of the amount properly payable to that person, the board may write off the whole or any part of the excess amount so paid if it is satisfied that the excess amount or that part is irrecoverable or that the enforcement of the repayment by that person of the excess amount or that part would impose undue hardship on that person or would, in all the circumstances of the case, be inequitable.

Commencement of benefits

306. Subject to this chapter, where in pursuance of this chapter any member becomes liable or elects to contribute for any pension benefits or additional such benefits the member shall be a contributor in respect of those benefits or additional benefits as from the date as from which the contribution or additional contribution therefor is payable and not earlier, but if any benefit becomes payable to or in respect of that contributor before the member has actually commenced to make contributions or additional contributions there shall, as determined by the board, be deducted from payments of benefits such contributions as are due by the member in respect of those benefits or additional benefits.

Proof of continued incapacity

307.(1) Any person who has been retired, by reason of incapacity, from employment as a member, and who is in receipt of incapacity pension, shall, whilst the person continues to be in receipt of incapacity pension, give as prescribed such notifications and certificates relating to the person's continued incapacity as shall be prescribed and submit himself or herself for medical examination when and so often as the board requires to any

medical practitioner or medical practitioners approved by the board.

(2) If at any time a person defaults in complying with any requirement of this section, the board may discontinue the payment to the person of incapacity pension until the person remedies the default to its satisfaction.

Incapacity pensioner restored to health may be recalled to service

308.(1) If, in the opinion of the board, the health of any person who has been retired, by reason of incapacity, from employment as a member, who is in receipt of incapacity pension and who has not attained the age for retirement, has become so restored as to enable the person to perform in the opinion of the board duties as a member, the board shall so inform the commissioner of the police service with a view to employment as a member being found for such person.

(2) If employment as a member is offered to the person at a rate of salary at least equal to the rate of salary then payable in respect of the rank held by the person at the time he or she became eligible for the incapacity pension in question and the person fails to accept that employment the board may cancel the incapacity pension and thereupon it shall cease to be payable.

(3) Upon the cancellation pursuant to this section of the incapacity pension payable to any person, neither that person nor any other person claiming through the person, either immediately or at any future time, shall have any right or claim to any payment or, as respects incapacity pension further payment, from the fund in respect of any contributor's pension, incapacity pension, widow's pension or child's pension in respect of which the person was contributing to the fund when the person retired save that such person shall be paid from the fund a sum of money equal to the total amount of the person's contributions to the fund less such amount thereof as the actuary certifies is attributable to the provision of incapacity pension.

Incapacity pension may be suspended during employment

309.(1) If at any time it appears to the board that any person who has been retired, by reason of incapacity from employment as a member, and who is in receipt of incapacity pension, engages in—

- (a) any business or occupation on the person's own account; or

- (b) employment (not being employment by virtue whereof the person is a member receiving salary at least equal to the rate referred to in section 308(2));

the board may suspend the incapacity benefit.

(2) For the period during which any such person is engaged as specified in subsection (1) by virtue of which engagement payment of incapacity benefit has been suspended under subsection (1) the person shall not be entitled to or receive any incapacity pension provided that the board may direct that the person receive for that period or such part thereof as the board determines, the whole of the incapacity pension in question or such part thereof as the board considers reasonable.

(3) Upon the termination of the engagement by virtue whereof payment of incapacity pension to any person has been suspended under subsection (1) such incapacity pension shall, subject to this chapter, again become payable and be paid to such person.

Contribution by retired incapacity pensioners upon re-employment

310. If a person who has been retired, by reason of incapacity, from employment as a member and who is in receipt of incapacity pension again becomes a member, the period during which the person was retired shall not, for the purposes of this chapter, be deemed to be a break in the continuity of the person's service, and accordingly the member shall be deemed to be a contributor and contributions to the fund shall again become payable by the person in accordance with this chapter.

Right to prepay contributions

311.(1) The board may permit a contributor to commute wholly or in part any existing contribution under this chapter, payable by the contributor in respect of any future period, by payment of a lump sum of such amount as shall be determined by the actuary and approved by the board.

(2) Where a contributor who elects to retire at any time within the period of 5 years immediately preceding the day on which the contributor would attain the age for retirement has commuted wholly or in part any contribution under this chapter attributable to any period after the date of his or her retirement, the contributor is, in addition to any pension entitlement

under this chapter, entitled to be paid from the fund such sum of money in respect of such contribution as is determined by the actuary and approved by the board.

(3) At any time before the expiration of a period of 6 months commencing on the commencement of the 1974 Act, a continuing contributor may make any election under and in accordance with section 26 of the 1968 Act that the contributing contributor was eligible to make immediately before the commencement of the 1974 Act and subject to the

said section the contributing contributor may increase his or her contribution to the fund accordingly.

(4) Where the time prescribed by the 1968 Act not later than which a member may make an election under section 24 thereof in respect of units of benefits expired on the day immediately before the commencement of the 1974 Act, such units of benefits shall be deemed to be units of benefits in respect whereof a continuing contributor may make an election pursuant to subsection (3).
