## **Dates shown on reprints**

Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

A “GOC” (or “government owned corporation”) is a government entity that is—

- (b) declared by regulation to be a GOC.

#### **7 Types of GOCs**

(1) A GOC may be either a statutory GOC or a company GOC.

(2) A “**statutory GOC**” is a GOC that is established as a body corporate under an Act and is not registered under the Corporations Act.

(3) A “**company GOC**” is a GOC that is incorporated or registered under the Corporations Act.

(4) These are not the only differences between a statutory GOC and a company GOC.

(5) Another important difference between a statutory GOC and a company GOC is the extent to which the Corporations Act applies.

(6) In the case of a statutory GOC, the Corporations Act does not apply.

(7) In the case of a company GOC, the Corporations Act applies to the GOC except so far as this Act otherwise provides.

## 8 GOC and portfolio Ministers

(1) The Minister is the “**GOC Minister**” of every GOC.

(2) The Minister who has the duty to administer the legislation (if any) that established, or provides for the structure or management of, the entity that became a GOC is the “**portfolio Minister**” of the GOC.

(3) However, if—

- (a) there is not a Minister who is the portfolio Minister under subsection (2); or
- (b) the portfolio Minister under subsection (2) is the GOC Minister; or
- (c) the Premier is of the opinion that another Minister should be the portfolio Minister;

the “**portfolio Minister**” of the GOC is the Minister nominated by the Premier by gazette notice.

(4) The Premier must make the nomination by nominating the holder of a particular Ministerial office by reference to the title of the office concerned.

(5) The Premier may, in an appropriate case, be nominated under subsection (3) to be the portfolio Minister of the GOC.

(6) In this section—

“**GOC**” includes a candidate GOC.

### **12 Application of other laws to GOCs**

(2) If there is an inconsistency between this Act and an Act enacted before the commencement of this Act, this Act prevails to the extent of the inconsistency.

(3) This Act, and any provision of this Act, has effect subject to a provision of an Act enacted after the commencement of this Act that expressly provides that this Act or the provision is subject to it.

(2) If there is an inconsistency between chapter 2 and an Act enacted before the commencement of this Act, chapter 2 prevails to the extent of the inconsistency.

## **PART 5—OUTLINE OF ACT AND ITS BACKGROUND AND OBJECTIVES**

### **15 What Act provides**

This Act makes provision for a structural reform process (“**corporatisation**”) for nominated government entities.

### **16 Meaning of “corporatisation”**

“**Corporatisation**” is a structural reform process for nominated government entities that—

- (a) changes the conditions and (where required) the structure under which the entities operate so that they operate, as far as practicable, on a commercial basis and in a competitive environment; and
- (b) provides for the continued public ownership of the entities as part of the process; and
- (c) allows the State, as owner on behalf of the people of Queensland, to provide strategic direction to the entities by setting financial

and non-financial performance targets and community service obligations.

## **17 Objectives of corporatisation**

The objectives of corporatisation are to improve Queensland's overall economic performance, and the ability of the Government to achieve social objectives, by—

- (a) improving the efficiency and effectiveness of GOCs; and
- (b) improving the accountability of GOCs.

## **18 How objectives of corporatisation are to be achieved—key principles and their elements**

The objectives of corporatisation are to be achieved through application of the key principles of corporatisation and their elements.

## **19 Meaning of “key principles of corporatisation”**

The 4 “**key principles of corporatisation**”, and their elements, are as follows—

### **(a) Principle 1—Clarity of objectives**

The elements of this principle are that—

- each GOC will have clear, non-conflicting objectives;
- each GOC will be set specific financial and non-financial performance targets for its commercial activities;
- any activities of a governmental policy formulation or regulatory nature will, or, in the case of a statutory GOC, will wherever possible, be transferred from the GOC to a department, separate regulatory authority or other agency;
- any community service obligations of the GOC will be—
  - clearly identified in the GOC's statement of corporate intent; and
  - separately costed;

- the GOC will be appropriately compensated for its community service obligations and any funding will be made apparent;
- the GOC will be set performance targets for its community service obligations;

**(b) Principle 2—Management autonomy and authority**

The elements of this principle are that—

- each GOC will have a board of directors;
- the board will be required to use its best endeavours to ensure that the GOC meets its performance targets;
- the board will be given the autonomy and authority to make commercial decisions within areas of responsibility defined by the corporatisation framework;
- existing detailed controls over management decision making will be replaced with strategic monitoring procedures;
- the role of Ministers in relation to the GOC will be clearly defined;
- Ministerial reserve powers will be required to be exercised in an open way;

**(c) Principle 3—Strict accountability for performance**

The elements of this principle are that—

- the GOC's board will be accountable to the shareholding Ministers for the GOC's performance;
- the GOC's statement of corporate intent will form the basis for accountability;
- performance will be monitored by the Government against performance targets specified in the statement of corporate intent;
- Government monitoring of the GOC is intended to compensate for the absence of the wide range of monitoring to which listed corporations are subject by, for example, the sharemarket and Commonwealth regulatory agencies;

**(d) Principle 4—Competitive neutrality**

The elements of this principle are that—

- the efficiency of overall resource use in the State is promoted by ensuring that markets are not unnecessarily distorted;
- in order to ensure, wherever possible, that each GOC competes on equal terms with other entities carrying on business, any special advantages or disadvantages of the GOC because of its public ownership or its market power will be removed, minimised or made apparent;
- in circumstances where a GOC has excessive market power—
  - structural reform may be necessary to increase competition; and
  - special monitoring may be necessary to prevent market abuse.

**20 Key objectives of GOC under corporatisation**

(1) Under corporatisation the key objectives of a GOC are to be commercially successful in the conduct of its activities and efficient in the delivery of its community service obligations.

(2) The commercial success and efficiency of a GOC are to be measured against its financial and non-financial performance targets.

**21 How Act will enable management of the corporatisation process**

(1) This Act is intended to enable the corporatisation process to be applied—

- (a) progressively as government entities move through various stages of the process; and
- (b) flexibly to achieve consistent outcomes that are appropriate to the broad range of government entities and the stage that they have reached in the corporatisation process.

(2) By providing for 2 types of GOCs and otherwise enabling the corporatisation process to be applied progressively and flexibly, the Act

allows a choice to be made, both initially and subsequently, about the most appropriate corporatisation structure for a particular government entity.

(3) This Act provides, if required, for a transitional stage of corporatisation through preparation and implementation of a corporatisation charter.

(4) The Act also imposes accountability and performance monitoring requirements for all GOCs.

(2) A regulation may provide for a GOC to give directions to a subsidiary about anything else.

(3) In this section—

“**subsidiary**” does not include a subsidiary registered as a corporation under the Corporations Act.

#### **153B Subsidiaries must comply with directions**

A subsidiary must comply with a direction given to it under section 153A.

#### **153C Division not limiting**

This division does not, by implication, limit the powers that a GOC otherwise has to direct a subsidiary.

## PART 14—FINANCE

### *Division 1—Taxation*

#### **154 Liability to State taxes**

(1) A GOC is not exempt from State tax merely because it is a GOC.

(2) A GOC subsidiary is not exempt from State tax merely because it is a GOC subsidiary.

(3) State tax is not payable in relation to anything done (including, for example, a transaction entered into or an instrument made, executed, lodged or given) because of, or for a purpose connected with or arising out of, chapter 2 or part 3 of this chapter.

(4) The GOC Minister may certify that a specified matter, instrument, transaction or thing is exempt from State tax under subsection (3), and the matter, instrument, transaction or thing is exempt from State tax.

(5) So far as the legislative power of the Parliament permits, the reference in subsection (3) to State tax includes a reference to tax imposed under an Act of another State.

(6) In this section—

“**State tax**” does not include duty under the *Duties Act 2001*.<sup>2</sup>

#### **155 Liability for Commonwealth tax equivalents**

(1) The Treasurer may issue a manual (the “**tax equivalents manual**”) about deciding the amounts (“**tax equivalents**”) to be paid by a GOC to its GOC Minister for payment into the Consolidated Fund as the value of benefits derived by the GOC because it is not liable to pay Commonwealth tax that would be payable by it if it were neither a GOC nor a government entity.

(2) Without limiting subsection (1), the tax equivalents manual may provide for—

---

<sup>2</sup> For exemption for duty under the *Duties Act 2001*, see section 430 (Exemption—instruments and transactions under other Acts).

- (a) rulings by the tax assessor appointed under subsection (3) on issues about tax equivalents, including the application of rulings under a Commonwealth Act about Commonwealth tax; and
- (b) the lodging of returns by GOCs; and
- (c) assessing returns; and
- (d) the functions and powers of the tax assessor appointed under subsection (3); and
- (e) objections and appeals against assessments and rulings.

(3) The Treasurer may appoint a person to be the tax assessor under the tax equivalents manual.

(4) A GOC must, as required under the tax equivalents manual, pay tax equivalents to the GOC Minister for payment into the Consolidated Fund.

(5) The Treasurer must table a copy of the tax equivalents manual, and each amendment of the manual, in the Legislative Assembly within 14 sitting days after the manual is issued or the amendment made.

(6) For applying this section to a subsidiary of a GOC, the GOC Minister of the GOC is taken to be the GOC Minister of the subsidiary.

(7) In this section—

“GOC” includes a subsidiary of the GOC.

### *Division 2—Guarantees*

#### **158 Guarantees by State**

The State is liable for the debts and other liabilities of a GOC or its subsidiaries only if, and to the extent that, the liability is expressly and lawfully undertaken on behalf of the State.

### *Division 3—Dividends*

#### **159 Payment of dividends**

(1) On or after 1 May, but before 16 May, of each financial year, a GOC’s board must recommend to the GOC’s shareholding Ministers that

the GOC and its subsidiaries pay a specified dividend, or not pay a dividend, for the financial year.

(2) The board must consult with the shareholding Ministers before making the recommendation.

(3) The recommendation must be accompanied by the board's estimate of the GOC's profits (the "**estimated profits**") for the financial year, after—

- (a) provision has been made for income tax or its equivalent; and
- (b) any unrealised capital gains from upwards revaluation of non-current assets have been excluded.

(4) Before the end of the financial year, the shareholding Ministers must either—

- (a) approve the recommendation; or
- (b) direct the payment of a specified dividend or a different specified dividend, as the case requires.

(5) If the GOC is a statutory GOC, the dividend for a financial year must not exceed its estimated profits for the financial year.

(6) If the GOC is a company GOC, the dividend for a financial year must not exceed the amount allowed under the Corporations Act.

(7) The dividend must be paid within 6 months after the end of the financial year or any further period that the shareholding Ministers allow.

(8) The shareholding Ministers must cause a copy of a direction given under subsection (4)(b) to be published in the gazette within 21 days after it is given.

### **159A GOC's financial statements must state dividend payable**

(1) A GOC's financial statements for a financial year given to the auditor-general by it under the *Financial Administration and Audit Act 1977* must state any dividend payable, under section 159(4), for the financial year.

(2) In this section, a reference to the *Financial Administration and Audit Act 1977* is a reference to that Act as applying to the GOC under section 127 or 128.

### **160 Interim dividends**

(1) The shareholding Ministers of a GOC may, at any time after 1 January in a financial year, require the GOC's board to make a recommendation about the payment of interim amounts to the State (including the times at which the amounts are to be paid) on account of the dividend that may become payable under section 159 (Payment of dividends) for the financial year.

(2) Within 1 month after receiving notice of the requirement, the board must make a recommendation to the shareholding Ministers.

(3) The shareholding Ministers must, within 1 month after receiving the recommendation, either—

- (a) approve the recommendation; or
- (b) direct the payment, at specified times, of specified amounts, or different specified amounts, on account of the dividend that may become payable for the financial year.

(4) A direction under subsection (3)(b) must not direct the payment of an amount that exceeds the GOC's estimated profit for the first 6 months of the financial year, after—

- (a) provision has been made for income tax or its equivalent; and
- (b) any unrealised capital gains from upwards revaluation of non-current assets have been excluded.

(5) The shareholding Ministers must cause a copy of a direction under subsection (3)(b) to be published in the gazette within 21 days after it is given.

### **160A Definitions**

In sections 160B to 160D—

**“dividend”** includes an amount in the nature of a dividend.

**“predecessor”** of a GOC means a candidate GOC whose associate became the GOC.

### **160B Dividend payment for financial year of becoming a GOC**

For applying section 159 (Payment of dividends) to a GOC for the financial year when it became a GOC—

- (a) a dividend payable by the GOC is payable for, at the discretion of the shareholding Ministers—
  - (i) the entire financial year; or
  - (ii) the part of the financial year for which it was a GOC; and
- (b) if the GOC has a predecessor—the predecessor and the GOC are taken to be the same entity; and
- (c) an interim dividend paid for the financial year by the GOC's predecessor, or by the GOC before it became a GOC, is taken to have been paid on account of the dividend to be paid by the GOC under this Act.

*Example for paragraph (a)—*

A candidate GOC becomes a GOC on 1 January 1994. Depending on what the shareholding Ministers decide under paragraph (a), the dividend the GOC has to pay for the 1993–94 financial year will relate either to the entire financial year (even though it is a GOC for only half the year), or only to the period 1 January 1994 to 30 June 1994.

*Example for paragraph (b)—*

A, an entity, is nominated to be a candidate GOC on 8 October 1993. On 31 December 1993, B, a new entity, is established, and nominated to be the associate of A. On 1 January 1994, A's assets and liabilities become B's assets and liabilities, and B is declared to be a GOC. On 2 January 1994, B is dissolved. For applying section 159 to B, A and B are taken to be the same entity rather than 2 separate entities.

*Example for paragraph (c)—*

In February 1994, a candidate GOC, acting other than under this Act, pays to the State an interim dividend on account of the dividend that may become payable by it for the 1993–94 financial year. On 1 April 1994 the candidate GOC becomes a GOC. The interim dividend is taken to have been paid on account of any dividend for the 1993–94 financial year that becomes payable under this Act.

## **160C Interim dividend for financial year of becoming a GOC**

(1) For applying section 160 (Interim dividends) to a GOC for the financial year when it becomes a GOC—

- (a) the period (the **“applicable period”**) in relation to which an interim dividend is payable is, at the discretion of the shareholding Ministers—
  - (i) the first 6 months of the financial year; or
  - (ii) the part of the 6 months for which it was a GOC; and

- (b) the shareholding Ministers must, when acting under section 160(1) to require the GOC's board to make a recommendation, also notify the board of the applicable period.

(2) However, when a GOC's shareholding Ministers exercise their discretion under section 160B(a) (Dividend payment for financial year of becoming a GOC), they are not bound by an applicable period previously decided and notified under subsection (1).

*Example for subsection (1)—*

A candidate GOC becomes a GOC on 1 October 1994. Depending on what period the shareholding Ministers decide under subsection (1)(a), and notify to the GOC's board under subsection (1)(b), the payment subsequently directed under section 160(4) will relate to the GOC's profit for either the first 6 months of the 1994–95 financial year or only the period from 1 October 1994 to 31 December 1994.

### **160D Dividend payment for previous financial year**

(1) In this section—

**“previous financial year”** for a GOC means the financial year immediately before the financial year when the GOC became a GOC.

(2) This section applies to a GOC if—

- (a) it has not paid a dividend (other than an interim dividend) to the State for the previous financial year; or
- (b) if the GOC has a predecessor—the predecessor has not paid a dividend (other than an interim dividend) to the State for the previous financial year.

(3) The shareholding Ministers may give a direction that—

- (a) section 159 (Payment of dividends) applies to the GOC for the previous financial year; and
- (b) if it is necessary for the operation of this section—the periods mentioned in section 159 are to be extended as stated in the direction.

(4) For applying this section and section 159—

- (a) to a GOC that has a predecessor—the predecessor and the GOC are taken to be the same entity; and
- (b) to a GOC that has paid to the State, or whose predecessor has paid to the State, an interim dividend for the previous financial year—the interim dividend is taken to have been paid on account

of the dividend to be paid by the GOC under this Act for the previous financial year.

### **161 Reserve power of shareholding Ministers to direct that asset not be disposed of**
