Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the authorised version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

Part 5

Outline of Act and its background and objectives

15 What Act provides

This Act makes provision for a structural reform process (*corporatisation*) for nominated government entities.

16 Meaning of *corporatisation*

Corporatisation is a structural reform process for nominated government entities that—

- (a) changes the conditions and (where required) the structure under which the entities operate so that they operate, as far as practicable, on a commercial basis and in a competitive environment; and
- (b) provides for the continued public ownership of the entities as part of the process; and
- (c) allows the State, as owner on behalf of the people of Queensland, to provide strategic direction to the entities by setting financial and non-financial performance targets and community service obligations.

17 Objectives of corporatisation

The objectives of corporatisation are to improve Queensland's overall economic performance, and the ability of the Government to achieve social objectives, by—

- (a) improving the efficiency and effectiveness of GOCs;
and
- (b) improving the accountability of GOCs.

18 How objectives of corporatisation are to be achieved—key principles and their elements

The objectives of corporatisation are to be achieved through application of the key principles of corporatisation and their elements.

19 Meaning of *key principles of corporatisation*

The 4 *key principles of corporatisation*, and their elements, are as follows—

(a) Principle 1—Clarity of objectives

The elements of this principle are that—

- each GOC will have clear, non-conflicting objectives;
- each GOC will be set specific financial and non-financial performance targets for its commercial activities;
- any activities of a governmental policy formulation or regulatory nature will, or, in the case of a statutory GOC, will wherever possible, be transferred from the GOC to a department, separate regulatory authority or other agency;
- any community service obligations of the GOC will be—
 - clearly identified in the GOC’s statement of corporate intent; and
 - separately costed;
- the GOC will be appropriately compensated for its community service obligations and any funding will be made apparent;
- the GOC will be set performance targets for its community service obligations;

(b) Principle 2—Management autonomy and authority

The elements of this principle are that—

- each GOC will have a board of directors;
- the board will be required to use its best endeavours to ensure that the GOC meets its performance targets;
- the board will be given the autonomy and authority to make commercial decisions within areas of responsibility defined by the corporatisation framework;
- existing detailed controls over management decision making will be replaced with strategic monitoring procedures;
- the role of Ministers in relation to the GOC will be clearly defined;
- Ministerial reserve powers will be required to be exercised in an open way;

(c) Principle 3—Strict accountability for performance

The elements of this principle are that—

- the GOC's board will be accountable to the shareholding Ministers for the GOC's performance;
- the GOC's statement of corporate intent will form the basis for accountability;
- performance will be monitored by the Government against performance targets specified in the statement of corporate intent;
- Government monitoring of the GOC is intended to compensate for the absence of the wide range of monitoring to which listed corporations are subject by, for example, the sharemarket and Commonwealth regulatory agencies;

(d) Principle 4—Competitive neutrality

The elements of this principle are that—

- the efficiency of overall resource use in the State is promoted by ensuring that markets are not unnecessarily distorted;
- in order to ensure, wherever possible, that each GOC competes on equal terms with other entities carrying on business, any special advantages or disadvantages of the GOC because of its public ownership or its market power will be removed, minimised or made apparent;
- in circumstances where a GOC has excessive market power—
 - structural reform may be necessary to increase competition; and
 - special monitoring may be necessary to prevent market abuse.

20 Key objectives of GOC under corporatisation

- (1) Under corporatisation the key objectives of a GOC are to be commercially successful in the conduct of its activities and efficient in the delivery of its community service obligations.
- (2) The commercial success and efficiency of a GOC are to be measured against its financial and non-financial performance targets.

21 How Act will enable management of the corporatisation process

- (1) This Act is intended to enable the corporatisation process to be applied—
 - (a) progressively as government entities move through various stages of the process; and
 - (b) flexibly to achieve consistent outcomes that are appropriate to the broad range of government entities and the stage that they have reached in the corporatisation process.

- (2) This Act provides, if required, for a transitional stage of corporatisation through preparation and implementation of a corporatisation charter.
- (3) The Act also imposes accountability and performance monitoring requirements for all GOCs.

- (2) Within 1 month after receiving notice of the requirement, the board must make a recommendation to the shareholding Ministers.

160A Definitions

In sections 160B to 160D—

dividend includes an amount in the nature of a dividend.

predecessor of a GOC means a candidate GOC whose associate became the GOC.

160B Dividend payment for financial year of becoming a GOC

For applying section 159 (Payment of dividends) to a GOC for the financial year when it became a GOC—

- (a) a dividend payable by the GOC is payable for, at the discretion of the shareholding Ministers—
 - (i) the entire financial year; or
 - (ii) the part of the financial year for which it was a GOC; and
- (b) if the GOC has a predecessor—the predecessor and the GOC are taken to be the same entity; and
- (c) an interim dividend paid for the financial year by the GOC's predecessor, or by the GOC before it became a GOC, is taken to have been paid on account of the dividend to be paid by the GOC under this Act.

Example for paragraph (a)—

A candidate GOC becomes a GOC on 1 January 1994. Depending on what the shareholding Ministers decide under paragraph (a), the dividend the GOC has to pay for the 1993–94 financial year will relate either to the entire financial year (even though it is a GOC for only half the year), or only to the period 1 January 1994 to 30 June 1994.

Example for paragraph (b)—

A, an entity, is nominated to be a candidate GOC on 8 October 1993. On 31 December 1993, B, a new entity, is established, and nominated to be the associate of A. On 1 January 1994, A's assets and liabilities become B's assets and liabilities, and B is declared to be a GOC. On 2 January 1994, B is dissolved. For applying section 159 to B, A and B are taken to be the same entity rather than 2 separate entities.

Example for paragraph (c)—

In February 1994, a candidate GOC, acting other than under this Act, pays to the State an interim dividend on account of the dividend that may become payable by it for the 1993–94 financial year. On 1 April 1994 the candidate GOC becomes a GOC. The interim dividend is taken to have been paid on account of any dividend for the 1993–94 financial year that becomes payable under this Act.

160C Interim dividend for financial year of becoming a GOC

- (1) For applying section 160 (Interim dividends) to a GOC for the financial year when it becomes a GOC—
 - (a) the period (the *applicable period*) in relation to which an interim dividend is payable is, at the discretion of the shareholding Ministers—
 - (i) the first 6 months of the financial year; or
 - (ii) the part of the 6 months for which it was a GOC; and
 - (b) the shareholding Ministers must, when acting under section 160(1) to require the GOC's board to make a recommendation, also notify the board of the applicable period.
- (2) However, when a GOC's shareholding Ministers exercise their discretion under section 160B(a) (Dividend payment for financial year of becoming a GOC), they are not bound by an applicable period previously decided and notified under subsection (1).

Example for subsection (1)—

A candidate GOC becomes a GOC on 1 October 1994. Depending on what period the shareholding Ministers decide under subsection (1)(a), and notify to the GOC's board under subsection (1)(b), the payment subsequently directed under section 160(4) will relate to the GOC's profit for either the first 6 months of the 1994–95 financial year or only the period from 1 October 1994 to 31 December 1994.

160D Dividend payment for previous financial year

- (1) In this section—

previous financial year for a GOC means the financial year immediately before the financial year when the GOC became a GOC.
- (2) This section applies to a GOC if—
 - (a) it has not paid a dividend (other than an interim dividend) to the State for the previous financial year; or
 - (b) if the GOC has a predecessor—the predecessor has not paid a dividend (other than an interim dividend) to the State for the previous financial year.

- (3) The shareholding Ministers may give a direction that—
 - (a) section 159 (Payment of dividends) applies to the GOC for the previous financial year; and
 - (b) if it is necessary for the operation of this section—the periods mentioned in section 159 are to be extended as stated in the direction.
- (4) For applying this section and section 159—
 - (a) to a GOC that has a predecessor—the predecessor and the GOC are taken to be the same entity; and
 - (b) to a GOC that has paid to the State, or whose predecessor has paid to the State, an interim dividend for the previous financial year—the interim dividend is taken to have been paid on account of the dividend to be paid by the GOC under this Act for the previous financial year.

Part 15

161 Reserve power of shareholding Ministers to direct that asset not be disposed of

- (1) The shareholding Ministers of a GOC may, after consultation with the board of a GOC, give the board a written direction requiring the GOC or a subsidiary of the GOC not to dispose of a specified asset.
- (2) The board must ensure that the direction is complied with in relation to the GOC and must, as far as practicable, ensure that it is complied with in relation to any relevant subsidiary.
- (3) The shareholding Ministers must cause a copy of the direction to be published in the gazette within 21 days after it is given.

162 Disposal of main undertakings

- (1) A GOC or a GOC subsidiary may dispose of any of its main undertakings only with the prior written approval of the shareholding Ministers.
- (2) In subsection (1)—

- (a) form, or participate in the formation of, a company that will become a subsidiary; or

only with the prior written approval of the shareholding Ministers.

Part 15A GOCs and GOC subsidiaries becoming and retiring as trustees

163A GOCs and subsidiaries becoming trustees

- (1) A GOC may accept appointment as a trustee of a trust only with the prior written approval of the GOC's shareholding Ministers.
- (2) A GOC subsidiary may accept appointment as a trustee of a trust only with the prior written approval of the shareholding Ministers of the GOC of which it is a subsidiary.

163B GOCs and subsidiaries retiring as trustees

- (1) This section applies if a GOC or a GOC subsidiary is the trustee of a trust.
- (2) The GOC may retire from its trusteeship only with the prior written approval of the GOC's shareholding Ministers.
- (3) The GOC subsidiary may retire from its trusteeship only with the prior written approval of the shareholding Ministers of the GOC of which it is a subsidiary.

163C Part applies despite Corporations Act

This part applies despite the Corporations Act.
