Local Government Act 2009

**An Act to provide a system of local government in Queensland,
and for related purposes**

Chapter 1 Preliminary

1 Short title

This Act may be cited as the *Local Government Act 2009*.

2 Commencement

- (1) Amendments 20 and 21 of the *Local Government Act 1993* in schedule 1 commence on assent.
- (2) The following provisions commence immediately before the repeal of the *Local Government Act 1993* under section 289—
 - (a) section 284;
 - (b) the remaining amendments of the *Local Government Act 1993* in schedule 1;
 - (c) schedule 2.
- (3) Chapter 9, part 1 commences on 1 July 2009.
- (4) The remaining provisions of the Act commence on a day to be fixed by proclamation.

3 Purpose of this Act

The purpose of this Act is to provide for—

[s 4]

- (a) the way in which a local government is constituted and the nature and extent of its responsibilities and powers; and
- (b) a system of local government in Queensland that is accountable, effective, efficient and sustainable.

Note—

The system of local government consists of a number of local governments. See the *Constitution of Queensland 2001*, section 70 (System of local government).

4 Local government principles underpin this Act

- (1) To ensure the system of local government is accountable, effective, efficient and sustainable, Parliament requires—
 - (a) anyone who is performing a responsibility under this Act to do so in accordance with the local government principles; and
 - (b) any action that is taken under this Act to be taken in a way that—
 - (i) is consistent with the local government principles; and
 - (ii) provides results that are consistent with the local government principles, in as far as the results are within the control of the person who is taking the action.
- (2) The *local government principles* are—
 - (a) transparent and effective processes, and decision-making in the public interest; and
 - (b) sustainable development and management of assets and infrastructure, and delivery of effective services; and
 - (c) democratic representation, social inclusion and meaningful community engagement; and
 - (d) good governance of, and by, local government; and

- (e) ethical and legal behaviour of councillors and local government employees.

5 Relationship with City of Brisbane Act 2010

Although the Brisbane City Council is a local government, the *City of Brisbane Act 2010*, rather than this Act, provides for—

- (a) the way in which the Brisbane City Council is constituted and the nature and extent of its responsibilities and powers; and
- (b) a system of local government in Brisbane.

Note—

See the *City of Brisbane Act 2010*, section 5.

6 Definitions

The dictionary in schedule 4 defines particular words used in this Act.

Part 2 Divisions of local government areas

14 What this part is about

- (1) This part is about the number of electors that are to be in each division of a local government area, to ensure democratic representation.
- (2) This part does not apply to an indigenous regional council.

15 Division of local government areas

- (1) Each division of a local government area must have a reasonable proportion of electors.
- (2) A *reasonable proportion of electors* is the number of electors that is worked out by dividing the total number of electors in the local government area (as nearly as can be found out) by the number of councillors (other than the mayor), plus or minus—

-
- (a) for a local government area with more than 10,000 electors—10%; or
 - (b) for any other local government area—20%.

Examples—

- 1 If the total number of electors in the local government area is 15,000, and the number of councillors (other than the mayor) is 5, the reasonable proportion of electors is 3000 (i.e. 15,000 divided by 5) plus or minus 10%, i.e. between 2700 and 3300 electors.
 - 2 If the total number of electors in the local government area is 5000, and the number of councillors (other than the mayor) is 5, the reasonable proportion of electors is 1000 (i.e. 5000 divided by 5) plus or minus 20%, i.e. between 800 and 1200 electors.
- (3) When changing the divisions of a local government area, the reasonable proportion of electors must be worked out as near as practicable to the time when the change is to happen.

16 Review of divisions of local government areas

A local government must, no later than 1 March in the year before the year of the quadrennial elections—

- (a) review whether each of its divisions has a reasonable proportion of electors; and
- (b) give the electoral commissioner and the Minister written notice of the results of the review.

 - *implementation*—the Governor in Council implements the local government change under a regulation.
- (4) The **change commission**, which conducts the assessment phase of the process, is an independent body that is created under this Act.

Chapter 3 The business of local governments

Part 1 Local laws

Division 1 Introduction

26 What this part is about

- (1) This part is about local laws.
- (2) A *local law* is a law made by a local government.
- (3) Unless there is a contrary intention, a reference in this Act to a *local law* includes a reference to—
 - (a) an interim local law; and
 - (b) a subordinate local law; and
 - (c) a local law that incorporates a model local law.
- (4) An *interim local law* is a local law that has effect for 6 months or less.

-
- (5) A *subordinate local law* is a local law that—
 - (a) is made under a power contained in a local law; and
 - (b) provides for the detailed implementation of the broader principles contained in the local law.
 - (6) A subordinate local law is called that because it is subordinate to the local law under which it is made, so that if there is any inconsistency between the subordinate local law and the local law, the local law prevails to the extent of the inconsistency.
 - (7) The Minister may approve, by gazette notice, a local law as being suitable for incorporation by all local governments into their local laws.
 - (8) This type of local law is a *model local law*.

27 Interaction with State laws

If there is any inconsistency between a local law and a law made by the State, the law made by the State prevails to the extent of the inconsistency.

Division 2 Making, recording and reviewing local laws

28 Power to make a local law

- (1) A local government may make and enforce any local law that is necessary or convenient for the good rule and local government of its local government area.
- (2) However, a local government must not make a local law—
 - (a) that sets a penalty of more than 850 penalty units for each conviction of failing to comply with a local law, including each conviction when there is more than 1 conviction for a continuing offence or repeat offence; or
 - (b) that purports to stop a local law being amended or repealed in the future; or

- (c) about a subject that is prohibited under division 3.

29 Local law making process

- (1) A local government may decide its own process for making a local law to the extent that the process is not inconsistent with this part.
- (2) A local government makes a local law by passing a resolution to make the local law.
- (3) If a local government proposes to make a local law about a matter (the *new local law*) and there is an existing local law about the same matter that would be inconsistent with the new local law, the local government must amend or repeal the existing local law so that there is no inconsistency.

Note—

The new local law may include the amendment or repeal of the inconsistent law in the same instrument.

- (4) An interim local law must include a provision stating when the law expires.
- (5) A local government must ensure its local laws are drafted in compliance with the guidelines issued by the Parliamentary Counsel under the *Legislative Standards Act 1992*, section 9 for local laws and subordinate local laws.
- (6) To remove any doubt, it is declared that a local government does not have to carry out any public consultation before making either of the following—
 - (a) an interim local law;
 - (b) a local law that only incorporates a model local law and does not contain an anti-competitive provision.

29A State interest check

- (1) This section applies if a local government proposes to make a local law other than the following—
 - (a) a local law that incorporates a model local law;

- (b) a subordinate local law.
- (2) However, this section also applies to a local law that incorporates a model local law if the local law includes more than—
 - (a) the model local law; or
 - (b) any amendment or repeal of an existing local law that would be inconsistent with the model local law.
- (3) A local government must consult with relevant government entities about the overall State interest in the proposed local law before making the local law.

29B Publication of local laws

- (1) A local government must let the public know that a local law has been made by the local government, by publishing a notice of making the local law—
 - (a) in the gazette; and
 - (b) on the local government’s website.
- (2) The notice must be published within 1 month after the day when the local government made the resolution to make the local law.
- (3) The notice in the gazette must state—
 - (a) the name of the local government; and
 - (b) the date when the local government made the resolution to make the local law; and
 - (c) the name of the local law; and
 - (d) the name of any existing local law that was amended or repealed by the new local law.
- (4) The notice on the local government’s website must state—
 - (a) the name of the local government; and
 - (b) the date when the local government made the resolution to make the local law; and

- (c) the name of the local law; and
 - (d) the name of any existing local law that was amended or repealed by the new local law; and
 - (e) if the local law incorporates a model local law—that fact; and
 - (f) if the local law is an interim local law—that fact, and the date on which the interim local law expires; and
 - (g) if the local law is a subordinate local law—the name of the local law that authorises the subordinate local law to be made; and
 - (h) the purpose and general effect of the local law; and
 - (i) if the local law contains an anti-competitive provision—that fact; and
 - (j) that a copy of the local law may be—
 - (i) inspected and purchased at the local government’s public office; and
 - (ii) viewed by the public on the department’s website.
- (5) As soon as practicable after the notice is published in the gazette, the local government must ensure a copy of the local law may be inspected and purchased by the public at the local government’s public office.
- (6) A copy of a local law must cost no more than the cost to the local government of making the copy available for purchase.
- (7) Within 14 days after the notice is published in the gazette, the local government must give the Minister—
- (a) a copy of the notice; and
 - (b) a copy of the local law in electronic form.

30 Expiry of interim local law revives previous law

- (1) This section applies if—
- (a) an interim local law amends or repeals a local law; and

-
- (b) the interim local law expires; and
 - (c) the interim local law is not made (either with or without change) as a local law.
- (2) When the interim local law expires—
 - (a) the local law is revived in its previous form; and
 - (b) any subordinate local law or provision of a subordinate local law, that stopped having effect because the local law was amended or repealed, is revived in its previous form.
 - (3) The *previous form* of a local law, subordinate local law, or provision of a subordinate local law is the form it was in immediately before the interim local law commenced.
 - (4) This section does not affect anything that was done or suffered under the interim local law before it expired.
 - (5) This section applies despite the *Acts Interpretation Act 1954*, section 19.

31 Local law register

- (1) A local government must keep a register of its local laws, in the way that is required under a regulation.
- (2) The public may inspect the register at the local government's public office.
- (3) The department's chief executive must keep a database of all local governments' local laws and ensure a copy of the database may be viewed by the public on its website.

32 Consolidated versions of local laws

- (1) A local government may prepare and adopt a consolidated version of a local law.
- (2) A *consolidated version* of a local law is a document that accurately combines a local government's local law, as it was originally made, with all the amendments made to the local law since the local law was originally made.

- (3) When the local government adopts the consolidated version of the local law, the consolidated version is taken to be the local law, in the absence of evidence to the contrary.
- (4) Within 7 days after the local government adopts the consolidated version of the local law, the local government must give a copy of the consolidated version to the Minister.

- (1) A local government must not make a local law that regulates—
 - (a) the construction or maintenance of barriers for a regulated pool; or
 - (b) a matter for ensuring the safety of persons using a regulated pool and prescribed under the Building Act, section 231D(1), definition *pool safety standard*, paragraph (b).
- (2) If a local law that is in force before the commencement of this section contains a provision that regulates a matter mentioned in subsection (1), the local government—
 - (a) must not amend the provision after the commencement; and
 - (b) must repeal the provision by 1 January 2017.
- (3) A local law, to the extent that it is contrary to this section, has no effect.
- (4) In this section—

barriers, for a regulated pool, includes any of the following—

 - (a) the fencing for the pool;
 - (b) the walls of a building enclosing the pool;
 - (c) another form of barrier mentioned or provided for in the pool safety standard under the Building Act.

Division 4 Action by the Minister about particular local laws

38AB Suspending or revoking particular local laws

- (1) This section applies if the Minister reasonably believes a local law—
 - (a) is contrary to any other law; or
 - (b) is inconsistent with the local government principles; or
 - (c) does not satisfactorily deal with the overall State interest.
- (2) The Minister, by gazette notice, may—
 - (a) suspend the local law, for a stated period or indefinitely; or
 - (b) revoke the local law.
- (3) The gazette notice must state—
 - (a) how the local law is contrary to another law, is inconsistent with the local government principles or does not satisfactorily deal with the overall State interest; and
 - (b) if the local law has been suspended—how the local law may be amended so that it—
 - (i) is no longer contrary to the other law; or
 - (ii) is no longer inconsistent with the local government principles; or
 - (iii) satisfactorily deals with the overall State interest.
- (4) If the Minister suspends a local law, the local law stops having effect for the period stated in the gazette notice.
- (5) If the Minister revokes the local law—
 - (a) the local law stops having effect on the day stated in the gazette notice; or

- (b) if no day is stated in the gazette notice—the local law is taken to never have had effect.
- (6) The State is not liable for any loss or expense incurred by a person because a local law is suspended or revoked under this section.
- (7) A decision of the Minister under this section is not subject to appeal.

Note—

See section 244 for more information.

Division 5 Miscellaneous

38A Local law about seizing and disposing of personal property

- (1) This section applies if—
 - (a) a local government has made a local law about seizing and disposing of personal property; and
 - (b) personal property is seized under the local law.
- (2) If the personal property is sold or disposed of, the proceeds of sale or disposal must be applied in the following order—
 - (a) in payment of the reasonable expenses incurred in selling or disposing of the property;
 - (b) in payment of the prescribed fee for seizing and holding the property;
 - (c) if there is an amount owing to an entity under a security interest registered for the property under the *Personal Property Securities Act 2009* (Cwlth)—in payment of the amount owing under the security interest;
 - (d) the balance to the owner of the property.
- (3) A secured party can not enforce any security interest in the proceeds of sale or disposal against an entity to whom an amount is payable under subsection (2)(a) or (b).

(4) In this section—

personal property has the meaning given by the *Personal Property Securities Act 2009* (Cwlth), section 10.

secured party has the meaning given by the *Personal Property Securities Act 2009* (Cwlth), section 10.

38B Owners' liability for party houses

- (1) A local government may make a local law that makes the owner of a residential property liable to a penalty because of excessive noise regularly emitted from the property.
- (2) The *owner* of a residential property includes a tenant if the tenant has a right of exclusive occupation of the property under a lease.
- (3) A *residential property* is a property of a type that would ordinarily be used, or is intended to be used, as a place of residence or mainly as a place of residence.
- (4) To remove any doubt, it is declared that—
 - (a) the local law may fix the number of times that excessive noise must be emitted from a property before the owner becomes liable to the penalty; and
 - (b) a property is not precluded from being a residential property merely because the property is rented on a short-term basis.
- (5) In a proceeding about a contravention of the local law—
 - (a) a noise abatement direction given to a person at a property is evidence of excessive noise being emitted from the property; and
 - (b) a copy of information recorded in the register of enforcement acts under the *Police Powers and Responsibilities Act 2000* about the giving of a noise abatement direction is evidence of the matters stated in it.

- (6) A ***noise abatement direction*** is a direction given to a person by a police officer under the *Police Powers and Responsibilities Act 2000*, section 581(3).
- (7) Despite subsection (5), a defendant may, with the leave of the court, require the prosecution to call any person involved in the giving of the noise abatement direction to give evidence at the hearing.
- (8) The court may give leave only if the court is satisfied that—
 - (a) an irregularity may exist in relation to the information or the giving of the noise abatement direction; or
 - (b) it is in the interests of justice that the person be called to give evidence.
- (9) The chief executive officer may ask the police commissioner to give the chief executive officer information about noise abatement directions given to persons in the local government area.
- (10) The police commissioner must comply with the request.

Part 2 Beneficial enterprises and business activities

Division 1 Beneficial enterprises

39 What this division is about

- (1) This division is about beneficial enterprises that are conducted by a local government.
- (2) This division does not apply to a business unit of a local government.
- (3) A ***beneficial enterprise*** is an enterprise that a local government considers is directed to benefiting, and can

reasonably be expected to benefit, the whole or part of its local government area.

- (4) A local government is **conducting** a beneficial enterprise if the local government is engaging in, or helping, the beneficial enterprise.

40 Conducting beneficial enterprises

- (1) A local government may conduct a beneficial enterprise.
- (2) To conduct the beneficial enterprise, the local government—
- (a) may participate with an association, other than by being an unlimited partner of a partnership; and
 - (b) must not, either directly or by participating with an association, participate with an unlimited corporation; and
 - (c) must not enter into an agreement that does not limit the liability of the local government, as between the parties to the agreement, to the amount committed by the local government under the agreement.

Note—

Under the *Statutory Bodies Financial Arrangements Act 1982*, a local government may need the Treasurer's approval before entering into particular financial arrangements.

- (3) An **association** is—
- (a) a partnership; or
 - (b) a corporation limited by shares but not listed on a stock exchange; or
 - (c) a corporation limited by guarantee but not listed on a stock exchange; or
 - (d) another association of persons that is not a corporation.
- (4) An **unlimited corporation** means a corporation whose members have no limit placed on their liability.
- (5) A local government **participates** with an association or unlimited corporation if the local government—

[s 41]

- (a) forms, or takes part in forming, an association or unlimited corporation; or
- (b) becomes a member of an association or unlimited corporation; or
- (c) takes part in the management of an association or unlimited corporation; or
- (d) acquires or disposes of shares, debentures or securities of an association or unlimited corporation.

41 Identifying beneficial enterprises

A local government's annual report for each financial year must contain a list of all the beneficial enterprises that the local government conducted during the financial year.

Division 2 Business reform, including competitive neutrality

43 What this division is about

- (1) This division is about the application of the National Competition Policy Agreements in relation to the significant business activities of a local government.
- (2) This includes the application of the competitive neutrality principle if, in the circumstances, the public benefit (in terms of service quality and cost) outweighs the costs of implementation.
- (3) Under the *competitive neutrality principle*, an entity that is conducting a business activity in competition with the private sector should not enjoy a net advantage over competitors only because the entity is in the public sector.
- (4) A *significant business activity* is a business activity of a local government that—

-
- (a) is conducted in competition, or potential competition, with the private sector (including off-street parking, quarries, sporting facilities, for example); and
 - (b) meets the threshold prescribed under a regulation.
- (5) However, a ***significant business activity*** does not include a business activity that is—
- (a) a building certifying activity; or
 - (b) a roads activity; or
 - (c) related to the provision of library services.

Note—

A building certifying activity or roads activity is dealt with under section 47.

44 Ways to apply the competitive neutrality principle

- (1) The competitive neutrality principle may be applied by—
 - (a) commercialisation of a significant business activity; or
 - (b) full cost pricing of a significant business activity.
- (2) ***Commercialisation*** involves creating a new business unit, that is part of the local government, to conduct the significant business activity on a commercial basis.
- (3) ***Full cost pricing*** involves pricing the significant business activity on a commercial basis, but without creating a new business unit.
- (4) A regulation may provide for—
 - (a) matters relating to commercialisation or full cost pricing; or
 - (b) any other matter relating to the application of the competitive neutrality principle to the significant business activities of a local government.

45 Identifying significant business activities

A local government's annual report for each financial year must—

- (a) contain a list of all the business activities that the local government conducted during the financial year; and
- (b) identify the business activities that are significant business activities; and
- (c) state whether or not the competitive neutrality principle was applied to the significant business activities, and if the principle was not applied, the reason why it was not applied; and
- (d) state whether any of the significant business activities were not conducted in the preceding financial year, i.e. whether there are any new significant business activities.

46 Assessing public benefit

- (1) This section applies to a new significant business activity that is identified in the annual report of a local government.
- (2) The local government must conduct a public benefit assessment of the new significant business activity.
- (3) A **public benefit assessment** is an assessment of whether the benefit to the public (in terms of service quality and cost) of applying the competitive neutrality principle in relation to a significant business activity outweighs the costs of applying the competitive neutrality principle.
- (4) The local government must conduct the public benefit assessment before the end of the financial year in which the significant business activity is first identified in the annual report.
- (5) The local government must prepare a report on the public benefit assessment that contains its recommendations about the application of the competitive neutrality principle in relation to the significant business activity.

-
- (6) At a meeting of the local government, the local government must—
 - (a) consider the report; and
 - (b) decide, by resolution, whether or not to apply the competitive neutrality principle in relation to the significant business activity.
 - (7) Any resolution that the competitive neutrality principle should not be applied must include a statement of the reasons why it should not be applied.
 - (8) The local government must give the Minister a copy of—
 - (a) the report; and
 - (b) all resolutions made in relation to the report.
 - (9) If the local government decides not to apply the competitive neutrality principle in relation to the significant business activity, the local government must, within 3 years after making the decision, repeat the process in this section.
 - (10) Subsection (9) also applies to a decision that was made before the commencement of this section.

47 Code of competitive conduct

- (1) This section is about the code of competitive conduct.
- (2) The *code of competitive conduct* is the code of competitive conduct prescribed under a regulation.
- (3) A local government must apply the code of competitive conduct to the conduct of the following business activities of the local government—
 - (a) a building certifying activity;
 - (b) a roads activity, other than a roads activity for which business is conducted only through a sole supplier arrangement.
- (4) A *building certifying activity* is a business activity that—

- (a) involves performing building certifying functions (within the meaning of the Building Act, section 10); and
 - (b) is prescribed under a regulation.
- (5) A **roads activity** is a business activity (other than a business activity prescribed under a regulation) that involves—
- (a) constructing or maintaining a State-controlled road, that the State put out to competitive tender; or
 - (b) submitting a competitive tender in relation to—
 - (i) constructing or maintaining a road in the local government area, that the local government put out to competitive tender; or
 - (ii) constructing or maintaining a road in another local government area, that the other local government put out to competitive tender.
- (6) The local government must start to apply the code of competitive conduct—
- (a) for a building certifying activity—from the start of the financial year after the financial year in which the building certifying activity is first conducted; or
 - (b) for a roads activity—from when the roads activity is first conducted.
- (7) A local government must decide each financial year, by resolution, whether or not to apply the code of competitive conduct to a business activity prescribed under a regulation.
- (8) If the local government decides not to apply the code of competitive conduct to the business activity, the resolution must state reasons for not doing so.
- (9) Subsection (7) does not prevent the local government from applying the code of competitive conduct to any other business activities.

48 Competitive neutrality complaints

- (1) A local government must adopt a process for resolving competitive neutrality complaints.
- (2) A *competitive neutrality complaint* is a complaint that—
 - (a) relates to the failure of a local government to conduct a business activity in accordance with the competitive neutrality principle; and
 - (b) is made by an affected person.
- (3) An *affected person* is—
 - (a) a person who—
 - (i) competes with the local government in relation to the business activity; and
 - (ii) claims to be adversely affected by a competitive advantage that the person alleges is enjoyed by the local government; or
 - (b) a person who—
 - (i) wants to compete with the local government in relation to the business activity; and
 - (ii) claims to be hindered from doing so by a competitive advantage that the person alleges is enjoyed by the local government.
- (4) A regulation may provide for the process for resolving competitive neutrality complaints.
- (5) A local government does not have to resolve a competitive neutrality complaint relating to a business activity prescribed under a regulation.

Part 3 Roads and other infrastructure

Division 1 Roads

59 What this division is about

- (1) This division is about roads.
- (2) A *road* is—
 - (a) an area of land that is dedicated to public use as a road;
or
 - (b) an area of land that—
 - (i) is developed for, or has as 1 of its main uses, the driving or riding of motor vehicles; and
 - (ii) is open to, or used by, the public; or
 - (c) a footpath or bicycle path; or
 - (d) a bridge, culvert, ford, tunnel or viaduct.
- (3) However, a *road* does not include—
 - (a) a State-controlled road; or
 - (b) a public thoroughfare easement.

60 Control of roads

- (1) A local government has control of all roads in its local government area.
- (2) This control includes being able to—
 - (a) survey and resurvey roads; and
 - (b) construct, maintain and improve roads; and
 - (c) approve the naming and numbering of private roads; and
 - (d) name and number other roads; and
 - (e) make a local law to regulate the use of roads, including—

-
- (i) the movement of traffic on roads, subject to the *Transport Operations (Road Use Management) Act 1995*; and
 - (ii) the parking of vehicles on roads, subject to the *Transport Operations (Road Use Management) Act 1995* (including the maximum time that a vehicle may be parked in a designated rest area that adjoins a road, for example); and
 - (iii) by imposing obligations on the owner of land that adjoins a road (including an obligation to fence the land to prevent animals going on the road, for example); and
- (f) make a local law to regulate the construction, maintenance and use of—
- (i) public utilities along, in, over or under roads; and
 - (ii) ancillary works and encroachments along, in, over or under roads; and
- (g) realign a road in order to widen the road; and
- (h) acquire land for use as a road.
- (3) Nothing in subsection (1) makes a local government liable for the construction, maintenance or improvement of a private road.
- (4) A *private road* is a road over land that is owned by a person who may lawfully exclude other persons from using the road.

61 Notice of intention to acquire land to widen a road

- (1) If a local government wants to acquire land in order to widen a road, the local government must give the owner of the land a notice of intention to acquire land.
- (2) A *notice of intention to acquire land* informs the owner in general terms of this section and section 62.
- (3) However, a local government can not, without the consent of the Planning and Environment Court, serve notice of intention

to acquire land on an owner of land after the owner has applied to the local government—

- (a) for approval to subdivide the land; or
 - (b) for approval, consent or permission—
 - (i) to erect or use a structure on the land; or
 - (ii) to use the land for any other purpose.
- (4) The court may consent to the notice of intention to acquire land being served only if the court is satisfied that the purpose of the notice is to enable the local government to make, in good faith, a reasonable widening of the road.
- (5) After a local government gives an owner a notice of intention to acquire land, the owner must not erect, place, re-erect, replace or repair any structure, or part of a structure, on the land without the local government's permission.
- (6) The local government must lodge a copy of a notice of intention to acquire land with the registrar of titles for registration on the instrument of title to the land.
- (7) The registrar of titles may register the notice of intention to acquire land even if the instrument of title is not produced.

62 Compensation for a notice of intention to acquire land

- (1) This section applies to a person who is served with a notice of intention to acquire land, if the person would be entitled to claim compensation for the acquisition of land.
- (2) The person is entitled to compensation from the local government for injurious affection to the person's interest in the land because of the notice of intention to acquire land.
- (3) However, the compensation is not payable until—
- (a) the land is sold for the first time after the notice of intention to acquire land was served; or
 - (b) after being served with the notice of intention to acquire land, the owner of the land offers the land for sale in

good faith, but can not sell the land for a fair and reasonable price.

- (4) The compensation must be assessed in accordance with the following principles—
 - (a) the amount of compensation must represent the difference between—
 - (i) the market value of the interest in the land immediately after service of the notice of intention to acquire land; and
 - (ii) what would be the market value of the interest in the land, at that time, if the notice had not been served;
 - (b) any benefit that may accrue, because of the realignment of the road, to land adjacent to the land that is affected by the realignment of the road, and in which the claimant has an interest, must be taken into account;
 - (c) the amount of compensation must not be increased because the land that is affected by the realignment of the road has, since the service of the notice of intention to acquire land, become or ceased to be separate from other land.
- (5) A claim for compensation must be made—
 - (a) within 3 years after the entitlement to compensation arose; and
 - (b) to the chief executive officer in the approved form.
- (6) The claim is taken to have been properly made when the claimant has given the local government all the information that the local government reasonably requires to decide the claim.
- (7) If, within 30 days after the claim is made, the local government has not given the claimant written notice of its decision on the claim, the local government is taken to have refused compensation on the 31st day after the claim is made.

63 Appeal on a claim for compensation

- (1) A person who is aggrieved by the decision of a local government on a claim for compensation may appeal against the decision to the Land Court.
- (2) The appeal must be started within 30 days after—
 - (a) notice of the decision is given to the claimant; or
 - (b) the decision is taken to have been made.
- (3) However, the Land Court may extend the period if satisfied in all the circumstances that it is reasonable to do so.
- (4) In order to award compensation, the Land Court must be satisfied—
 - (a) if the land has been sold—
 - (i) the seller took reasonable steps to obtain a reasonable price for the land; and
 - (ii) the seller sold the land in good faith; and
 - (iii) the sale price is less than the seller might reasonably have expected to receive had there been no notice of intention to acquire land; or
 - (b) if a local government refused the owner permission to erect, place, re-erect, replace or repair any structure, or part of a structure, on the land—the permission was applied for in good faith.

64 Acquisition of land instead of compensation

- (1) After a notice of intention to acquire land is served, but before the land is sold, the local government may acquire the land instead of paying compensation for injurious affection.
- (2) If, after a notice of intention to acquire land is served, the land is cleared of all structures—
 - (a) the local government may acquire the land; and
 - (b) if required by the owner of the land, the local government must acquire the land.

- (3) The acquired land must be dedicated for public use as a road within 3 months after its acquisition.
- (4) Compensation for the acquisition of the land, if not agreed between the parties, must be assessed as at the date of the acquisition.

65 What is to happen if a realignment is not carried out

- (1) This section applies if a local government decides not to proceed with the realignment of a road or part of a road after giving a notice of intention to acquire land.
- (2) This section does not apply to a realignment of road that is necessary to comply with the requirements of a local government under a planning scheme in its application to particular developments in the local government area.
- (3) The local government must serve notice of its decision not to proceed on all owners of land who were served with a notice of intention to acquire land in connection with that road or part of that road.
- (4) With regard to any of the notices of intention to acquire land that were lodged with the registrar of titles in connection with that road or part of that road, the local government must—
 - (a) for any notice of intention to acquire land that has not been registered—withdraw the notice of intention to acquire land; and
 - (b) for any notice of intention to acquire land that has been registered—lodge with the registrar of titles for registration a notice of its decision not to proceed with the realignment of the road, or part of the road.
- (5) The notice of the local government's decision must inform the owners in general terms of this section and section 66.

66 Compensation if realignment not carried out

- (1) This section applies if—

- (a) a local government decides not to proceed with the realignment of a road or part of a road after giving a notice of intention to acquire land; and
 - (b) structural improvements have been made on land that adjoins the road on the basis of the proposed realignment being effected.
- (2) The local government must pay the owner of the land reasonable compensation for the decrease in value of the land because of the decision.
- (3) The amount of compensation is the difference between the value of the land before and after the decision.
- (4) If the local government and the owner fail to agree on the amount of compensation, the amount is to be decided by the Land Court.
- (5) The provisions of the *Acquisition of Land Act 1967* about the making, hearing and deciding of claims for compensation for land taken under that Act apply, with any necessary changes and any changes prescribed under a regulation, to claims for compensation under this section.
- (6) The local government's decision not to proceed with the realignment of a road, or part of a road, does not give rise to an entitlement to compensation to, or a cause of action by, any owner or occupier of land or other person other than under this section.

67 Acquiring land for use as a footpath

- (1) A local government may acquire land that adjoins a road for use as a footpath.
- (2) The acquisition of land may be subject to a reservation, in favour of the owner of the land, of any of the following rights that the local government decides (at or before the acquisition) is appropriate—
 - (a) a right to the ownership, possession, occupation and use of any existing structure, room or cellar—

- (i) at a specified height above the level of the new footpath; or
 - (ii) at a specified depth below the level of the new footpath;
 - (b) a right—
 - (i) to erect a structure (in accordance with law) at a specified height above the new footpath; and
 - (ii) to the ownership, possession, occupation and use of the structure;
 - (c) a right of support for a structure mentioned in paragraph (a) or (b).
- (3) The right mentioned in subsection (2)(a) is subject to the local government's right to enter, and make structural alterations to, the structure, room or cellar that the local government considers necessary.

68 Notice to local government of opening or closing of roads

- (1) This section applies if an application is made under the Land Act for the opening or closing of a road in a local government area by someone other than the local government.
- (2) The Land Act Minister, or the applicant for the application, must give written notice of the application to the local government.
- (3) The *Land Act Minister* is the Minister administering the Land Act.
- (4) The notice must specify a date (no earlier than 1 month or later than 2 months after the local government is given the notice) on or before which the local government may object to the opening or closing of the road.
- (5) An objection must fully state the reasons for the objection.
- (6) The Land Act Minister must have regard to any objections properly made by the local government.

- (7) If the Land Act Minister decides the road should be opened or closed, the Land Act Minister must give written notice to the local government—
 - (a) of the decision; and
 - (b) if the decision is contrary to the local government's objection, the reasons for the decision.

69 Closing roads

- (1) A local government may close a road (permanently or temporarily) to all traffic, or traffic of a particular class, if there is another road or route reasonably available for use by the traffic.
- (2) Also, the local government may close a road to all traffic or traffic of a particular class—
 - (a) during a temporary obstruction to traffic; or
 - (b) if it is in the interests of public safety; or
 - (c) if it is necessary or desirable to close the road for a temporary purpose (including a fair, for example).
- (3) The local government must publish notice of the closing of the road, in the way that the local government considers appropriate (including on its website, for example).
- (4) The local government may do everything necessary to stop traffic using the road after it is closed.
- (5) If a road is closed to traffic for a temporary purpose, the local government may permit the use of any part of the road (including for the erection of any structure, for example) on the conditions the local government considers appropriate.

70 Temporary roads

- (1) This section applies if—
 - (a) a local government wants to remake or repair a road; and

- (b) it is not reasonably practicable to temporarily close the road to traffic while the roadworks are conducted.
- (2) The local government may make a temporary road, through land that adjoins the road, to be used while the road is being remade or repaired.
- (3) However, a local government employee or contractor may enter the land only if—
 - (a) the owner or occupier of the land has agreed, in writing, that the local government employee or contractor may enter the land; or
 - (b) the local government has given the owner or occupier of the land at least 3 days written notice that states—
 - (i) the nature of the roadworks that are to be conducted; and
 - (ii) the proposed route of the temporary road; and
 - (iii) an approximate period when the temporary road is expected to remain on the land.
- (4) Subsection (3) does not apply if the roadworks must be urgently conducted, but the local government must give the owner or occupier of the land oral notice of the matters mentioned in subsection (3)(b).
- (5) The owner of the land may give the chief executive officer a written notice that claims compensation for physical damage caused by the local government entering, occupying or using the land under this section.
- (6) Compensation is not payable unless the chief executive officer receives the claim—
 - (a) within 1 year after the occupation or use has ended; or
 - (b) at a later time allowed by the chief executive officer.
- (7) The compensation equals—
 - (a) the amount agreed between the person and local government; or

- (b) if the person and local government can not agree, the amount that is decided by a court.
- (8) However, the compensation must not be more than the compensation that would have been awarded if the land had been acquired.

71 Road levels

- (1) The owner or occupier of land that adjoins a road may give written notice to the local government requiring it to advise the owner or occupier of the permanent level that is fixed or to be fixed for the road.
- (2) If the local government has not, within 6 months after receiving the notice, given the owner or occupier written advice about the permanent level of the road, the local government is taken to have fixed the apparent level of the road when the notice was given as the permanent level of the road.
- (3) If—
 - (a) after a local government has fixed the permanent level of a road, the local government changes the level of the road; and
 - (b) the owner or occupier of land that adjoins the road is injuriously affected by the change;the local government must pay the owner or occupier, or their successor in title, compensation.
- (4) The compensation equals—
 - (a) the amount that is agreed between the owner or occupier, or their successor in title, and the local government; or
 - (b) if the owner or occupier, or their successor in title, and the local government can not agree—the amount that is decided by the Planning and Environment Court.

72 Assessment of impacts on roads from certain activities

- (1) This section applies if—
 - (a) a regulation prescribes an activity for this section; and
 - (b) a local government considers that the conduct of the activity is having, or will have, a significant adverse impact on a road in the local government area; and
 - (c) the activity is not for—
 - (i) a coordinated project under the *State Development and Public Works Organisation Act 1971*; or
 - (ii) development declared under the local government's planning scheme to be assessable development or development requiring compliance assessment for which the local government is the compliance assessor under the Planning Act; or
 - (iii) a road being built under the Land Act, section 110.
- (2) The local government may require the entity that is conducting the activity to provide information, within a reasonable time, that will enable the local government to assess the impact of the activity on the road.
- (3) After assessing the impact of the activity on the road, the local government may decide to do 1 or more of the following—
 - (a) give the entity a direction about the use of the road to lessen the impact;
 - (b) require the entity—
 - (i) to carry out works to lessen the impact; or
 - (ii) to pay an amount as compensation for the impact.

 - (5) However, an application fee may also include a tax—
 - (a) in the circumstances and for a purpose prescribed under a regulation; and
 - (b) if the local government decides, by resolution, that the purpose of the tax benefits its local government area.
 - (6) The local law or resolution that fixes an application fee that includes a tax must state the amount, and the purpose, of the tax.
 - (7) If an application fee that includes a tax is payable in relation to land, the tax applies only in relation to land that is rateable land.
 - (8) A local government may fix a cost-recovery fee by resolution even if the fee had previously been fixed by a local law.

Part 2 The public

Division 1 Powers of authorised persons

Subdivision 1 Introduction

125 What this division is about

- (1) This division is about the powers that may be used by an authorised person.
- (2) An **authorised person** is a person who is appointed under this Act to ensure that members of the public comply with the Local Government Acts.

Note—

See chapter 6, part 6 for more information about the appointment of authorised persons.

- (3) The powers of an authorised person include the power, in certain circumstances—
 - (a) to ask a person for their name and address; and
 - (b) to enter a property, including private property.
- (4) **Private property** is a property that is not a public place.
- (5) A **public place** is a place, or that part of a place, that—
 - (a) is open to the public; or
 - (b) is used by the public; or
 - (c) the public is entitled to use;

whether or not on payment of money.

Example—

A person uses a room at the front of their home as a business office. While the business office is open to the public it is a public place. However, the home is private property and not part of the public place.

- (6) An **occupier** of a property includes a person who reasonably appears to be the occupier of, or in charge of, the property.

-
- (7) Force must not be used to enter a property under this division, other than when the property is entered under a warrant that authorises that use of force.

126 Producing authorised person's identity card

- (1) An authorised person may exercise a power under this division, in relation to a person, only if the authorised person—
- (a) first produces his or her identity card for the person to inspect; or
 - (b) has his or her identity card displayed so it is clearly visible to the person.
- (2) However, if for any reason it is not practicable to comply with subsection (1), the authorised person must produce the identity card for the person's inspection at the first reasonable opportunity.

Subdivision 2 Power to require a person's name and address

127 Power to require a person's name and address

- (1) This section applies if an authorised person—
- (a) finds a person committing an infringement notice offence; or
 - (b) finds a person in circumstances that lead the authorised person to suspect, on reasonable grounds, that the person has just committed an infringement notice offence; or
 - (c) has information that leads the authorised person to suspect, on reasonable grounds, that a person has just committed an infringement notice offence.

- (2) An *infringement notice offence* is an offence prescribed under the *State Penalties Enforcement Act 1999* to be an infringement notice offence.
- (3) The authorised person may require the person to state the person's name and address.
- (4) If the authorised person does so, the authorised person must also warn the person that it is an offence to fail to state the person's name and address, unless the person has a reasonable excuse.
- (5) The authorised person may require the person to give evidence of the person's name or address if the authorised person suspects, on reasonable grounds, that the person has given a false name or address.
- (6) The person must comply with an authorised person's requirement under subsection (3) or (5), unless the person has a reasonable excuse.

Maximum penalty—35 penalty units.
- (7) However, the person does not commit an offence under subsection (6), if the person is not proved to have committed the infringement notice offence.

Subdivision 3 Powers to enter property etc.

128 Entering a public place that is open without the need for permission

- (1) This section applies if an authorised person wants to enter a public place to ensure that the public place complies with the Local Government Acts.
- (2) The authorised person may enter the public place, without the permission of the occupier of the place, if the place is not closed to the public (by a locked gate, for example).

129 Entering private property with, and in accordance with, the occupier's permission

- (1) An authorised person may enter private property, that is not closed to entry by the public (by a locked gate, for example), in order to ask the occupier of the property for permission to stay on the property and exercise powers under a Local Government Act.
- (2) When asking the occupier for permission, the authorised person must inform the occupier—
 - (a) of the purpose of entering the property; and
 - (b) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
 - (c) that the occupier is not obliged to give permission.
- (3) If the occupier gives permission, the authorised person may ask the occupier to sign a document that confirms that the occupier has given permission.
- (4) The document must state—
 - (a) that the authorised person informed the occupier—
 - (i) of the purpose of entering the property; and
 - (ii) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
 - (iii) that the occupier was not obliged to give the permission; and
 - (b) that the occupier gave the authorised person permission to enter the property and exercise powers under a Local Government Act; and
 - (c) the date and time when the occupier gave the permission.
- (5) If the occupier signs the document, the authorised person must immediately give a copy of the document to the occupier.

- (6) If, in any proceedings—
- (a) a question arises as to whether the occupier of a property gave permission to allow an authorised person to stay on the property under this Act; and
 - (b) a document that confirms the occupier gave permission is not produced in evidence;
- the court may assume that the occupier did not give the permission, unless the contrary is proved.
- (7) If the occupier gives permission, the authorised person may stay on the property and exercise the powers that the occupier has agreed to be exercised on the property.
- (8) However, the right to stay on the property—
- (a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and
 - (b) may be cancelled by the occupier at any time.

130 Entering private property with, and in accordance with, a warrant

- (1) An authorised person may enter private property with, and in accordance with, a warrant.
- (2) An authorised person must apply to a magistrate for a warrant.
- (3) The application for the warrant must—
 - (a) be in the form approved by the department's chief executive; and
 - (b) be sworn; and
 - (c) state the grounds on which the warrant is sought.
- (4) The magistrate may refuse to consider the application until the authorised person gives the magistrate all the information that the magistrate requires about the application, in the way that the magistrate requires.

Example—

The magistrate may require additional information in support of the application to be given by statutory declaration.

- (5) The magistrate may issue the warrant only if the magistrate is satisfied that there are reasonable grounds for suspecting—
 - (a) there is a particular thing or activity that may provide evidence of an offence against a Local Government Act (the *evidence*); and
 - (b) the evidence is at the place, or may be at the place within the next 7 days.
- (6) The warrant must state—
 - (a) the evidence for which the warrant is issued; and
 - (b) that the authorised person may, with necessary and reasonable help and force, enter the property and exercise an authorised person’s powers under this Act; and
 - (c) the hours of the day or night when the property may be entered; and
 - (d) the day (within 14 days after the warrant’s issue) when the warrant ends.
- (7) The magistrate must keep a record of the reasons for issuing the warrant.
- (8) A warrant is not invalidated by a defect in the warrant, or in compliance with section 131, unless the defect affects the substance of the warrant in a material particular.
- (9) As soon as an authorised person enters private property under a warrant, the authorised person must do, or make a reasonable attempt to do, the following things—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the warrant authorises the authorised person to enter the property without the permission of the occupier;

- (b) give any occupier a reasonable opportunity to allow the authorised person to immediately enter the property without using force.
- (10) However, the authorised person does not need to comply with subsection (9) if the authorised person believes that immediate entry to the property is required to ensure the warrant is effectively executed.

131 Warrants—applications made electronically

- (1) An authorised person may make an electronic application for a warrant if the authorised person considers it necessary because of—
- (a) urgent circumstances; or
 - (b) special circumstances (including the authorised person’s remote location, for example).
- (2) An *electronic application* is an application made by phone, fax, radio, email, videoconferencing or another form of electronic communication.
- (3) The authorised person must prepare an application for the warrant that states the grounds on which the warrant is sought, before applying for the warrant.
- (4) However, the authorised person may apply for the warrant before the application is sworn.
- (5) The magistrate may issue the warrant only if the magistrate is satisfied that—
- (a) it was necessary to make the application electronically; and
 - (b) the way that the application was made was appropriate in the circumstances.
- (6) If the magistrate issues the warrant, and it is reasonably practicable to send a copy of the warrant to the authorised person (by fax or email, for example), the magistrate must immediately do so.

- (7) If it is not reasonably practicable to send a copy of the warrant to the authorised person—
- (a) the magistrate must—
 - (i) inform the authorised person of the date and time when the magistrate signed the warrant; and
 - (ii) inform the authorised person of the terms of the warrant; and
 - (b) the authorised person must write on a warrant form—
 - (i) the magistrate's name; and
 - (ii) the date and time when the magistrate signed the warrant; and
 - (iii) the terms of the warrant.
- (8) The copy of the warrant sent to the authorised person, or the warrant form properly completed by the authorised person, authorises the authorised person to enter the property, and to exercise the powers, mentioned in the warrant that was signed by the magistrate.
- (9) The authorised person must, at the first reasonable opportunity, send the magistrate—
- (a) the sworn application; and
 - (b) if the authorised person completed a warrant form—the completed warrant form.
- (10) When the magistrate receives those documents, the magistrate must attach them to the warrant that was signed by the magistrate, and give the warrant to the clerk of the court.
- (11) Unless the contrary is proven, a court must presume that a power exercised by an authorised person was not authorised by a warrant issued under this section if—
- (a) a question arises, in any proceedings before the court, whether the exercise of power was authorised by a warrant; and
 - (b) the warrant is not produced in evidence.

132 Entering under an application, permit or notice

- (1) This section applies if an authorised person wants to enter a property—
 - (a) to inspect the property in order to process an application made under any Local Government Act; or
 - (b) to inspect a record that is required to be kept for a budget accommodation building under the Building Act, chapter 7; or
 - (c) to find out whether the conditions on which a permit or notice was issued have been complied with; or
 - (d) to inspect work that is the subject of, or was carried out under, a permit or notice.
- (2) A *permit* is an approval, authorisation, consent, licence, permission, registration or other authority issued under any Local Government Act.
- (3) A *notice* is a notice issued under any Local Government Act.
- (4) The authorised person may enter the property without the permission of the occupier of the property—
 - (a) at any reasonable time during the day; or
 - (b) at night, if—
 - (i) the occupier of the property asks the authorised person to enter the property at that time; or
 - (ii) the conditions of the permit allow the authorised person to enter the property at that time; or
 - (iii) the property is a public place and is not closed to the public.
- (5) However, the authorised person—
 - (a) must, as soon as the authorised person enters the property, inform any occupier of the property—
 - (i) of the reason for entering the property; and

- (ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and
- (b) may enter a home that is on the property only if the occupier of the relevant part of the property accompanies the authorised person.

133 Entering property under an approved inspection program

- (1) An authorised person may enter a property (other than a home on the property) without the permission of the occupier of the property, at any reasonable time of the day or night, under an approved inspection program.
- (2) An *approved inspection program* is a program, approved by a local government, under which an authorised person may enter and inspect properties in the local government area to ensure the Local Government Acts are being complied with.

Example of an approved inspection program—

a program to ensure that swimming pools are fenced in accordance with a local law

- (3) The local government must give, or must make a reasonable attempt to give, the occupier of the property a written notice that informs the occupier of the following—
 - (a) the local government's intention to enter the property;
 - (b) the reason for entering the property;
 - (c) an estimation of when the property will be entered.

Example—

A local government may give the written notice to an occupier of a property by dropping a flyer in the letterbox for the property.

- (4) The local government must give, or make a reasonable attempt to give, the written notice to the occupier within a reasonable time before the property is to be entered.
- (5) The authorised person—
 - (a) must, as soon as the authorised person enters the property, inform any occupier of the property—

- (i) of the reason for entering the property; and

- (b) may enter a budget accommodation building on the property only to monitor compliance with the Building Act, chapter 7.

134 Approving an inspection program

- (1) A local government may, by resolution, approve the following types of inspection programs—

 - (b) a selective inspection program.
- (2) A *systematic inspection program* allows an authorised person to enter and inspect all properties, or all properties of a certain type, in the local government area.
- (3) A *selective inspection program* allows an authorised person to enter and inspect those properties in the local government area that have been selected in accordance with objective criteria specified in the resolution.
- (4) The resolution must state—
- (a) the purpose of the program; and
 - (b) when the program starts; and
 - (c) for a systematic inspection program that allows a type of property to be entered and inspected—a description of the type of property; and
 - (d) for a selective inspection program—the objective criteria for selecting the properties to be entered and inspected; and
 - (e) the period (of not more than 3 months or another period prescribed under a regulation) over which the program is to be carried out.

- (5) The local government must give the public notice of the approval of an inspection program, at least 14 days, but not more than 28 days, before the approved inspection program starts.
- (6) The notice must be published—
 - (a) in a newspaper that is circulating generally in the local government area; and
 - (b) on the local government’s website.
- (7) The notice must state the following—

 - (e) that the public may inspect a copy of the resolution that approved the program at the local government’s public office until the end of the program;
 - (f) that a copy of the resolution that approved the program may be purchased at the local government’s public office until the end of the program;
 - (g) the price of a copy of the resolution that approved the program.
- (8) The price of a copy of the resolution that approved the program must be no more than the cost to the local government of making the copy available for purchase.
- (9) From the time when the notice is published in the newspaper until the end of the program—
 - (a) the public may inspect a copy of the resolution that approved the program at the local government’s public office; and
 - (b) copies of the resolution that approved the program must be available for purchase at the local government’s public office at the price stated in the notice.

134A Entry by authorised person, at reasonable times, to inspect regulated pools

- (1) At all reasonable times, an authorised person may enter a property (other than a home on the property) without permission of the occupier of the property to inspect a regulated pool, and barriers or fencing for the pool, for compliance with—
 - (a) if, under the Building Act, the owner of the pool must ensure the pool complies with the pool safety standard or a part of the standard—the pool safety standard or part; or
 - (b) if paragraph (a) does not apply—a provision of a law that regulates—
 - (i) the construction or maintenance of barriers or fencing for the pool; or
 - (ii) another matter relating to the safety of persons using the pool.
- (2) However, the authorised person must, as soon as the authorised person enters the property—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.
- (3) In this section—

pool safety standard see the Building Act, section 231D.

135 General powers after entering a property

- (1) This section explains the powers that an authorised person has after entering a property, other than entering a property—

-
- (a) to ask the occupier of the property for permission to stay on the property; or
 - (b) under section 132, 133 or 134A.
- (2) The authorised person may—
- (a) search any part of the property; or
 - (b) inspect, test, photograph or film anything that is in or on the property; or
 - (c) copy a document that is in or on the property; or
 - (d) take samples of or from anything that is in or on the property; or
 - (e) take into or onto the property any persons, equipment and materials that the authorised person reasonably requires for exercising the authorised person’s powers; or
 - (f) require the occupier of the property, or a person in or on the property, to give the authorised person reasonable help to exercise the authorised person’s powers under paragraphs (a) to (e).
- (3) An authorised person may exercise a power under subsection (2) only if exercising the power is necessary for the purpose related to the entry of the property.
- (4) If a person is required to give reasonable help under subsection (2)(f), the person must comply with the requirement, unless the person has a reasonable excuse.
- Maximum penalty—8 penalty units.
- (5) If the requirement is to be complied with by the person giving information or producing a document, it is a reasonable excuse for the person to fail to comply with the requirement if complying with the requirement might incriminate the person.

136 Authorised person to give notice of damage

- (1) This section applies if—
 - (a) something is damaged by—

[s 137]

- (i) an authorised person, when the authorised person exercises a power under this division; or
 - (ii) a person who is authorised by an authorised person to take action under this division, when the person takes the action; or
- (b) the authorised person considers, on reasonable grounds, that the damage is more than trivial damage.
- (2) The authorised person must immediately give written notice of the particulars of the damage to the person who appears to be the owner of the thing that was damaged.
- (3) However, if for any reason it is not practicable to do so, the authorised person must leave the notice, in a reasonably secure way and in a conspicuous position, at the place where the thing was damaged.
- (4) The *owner* of a thing includes a person in possession or control of the thing.
- (5) If the authorised person believes the damage was caused by a latent defect in the thing, or other circumstances beyond the authorised person's control, the authorised person may state that in the notice.

137 Compensation for damage or loss caused after entry

- (1) If a person incurs damage or loss because of the exercise, or purported exercise, of a power under this division, the local government must pay the person compensation.
- (2) The compensation equals—
 - (a) the amount agreed between the person and local government; or
 - (b) if the person and local government can not agree, the amount that is decided by a court.
- (3) The person may claim the compensation in—
 - (a) any proceedings for compensation; or

-
- (b) any proceedings brought against the person for an offence against any Local Government Act.
 - (4) A court may order compensation to be paid only if the court is satisfied it is just to do so in all the circumstances.
 - (5) A regulation may prescribe matters that may, or must, be taken into account by the court when considering whether it is just to make the order.
 - (6) The court may make any order about costs that the court considers just.

Division 2 Powers of other persons

138 What this division is about

- (1) This division is about the powers that may be used—
 - (a) to enable a local government to perform its responsibilities; or
 - (b) to ensure that a person complies with this Act, and the other Local Government Acts, including by complying with a remedial notice.
- (2) This division explains the circumstances in which a person is authorised to enter a property under this division, namely—
 - (a) in a potentially dangerous situation, to take urgent action; or
 - (b) to take action in relation to local government facilities on the property (including water or sewerage pipes, for example); or
 - (c) with (and in accordance with) the permission of the occupier of the property; or
 - (d) with (and in accordance with) a court order; or
 - (e) with (and in accordance with) a reasonable entry notice.
- (3) The following persons may enter a property under this division—

[s 138AA]

- (a) if the occupier of the property is not the owner of the property—the owner or the owner’s employee;
 - (b) a local government worker.
- (4) A **local government worker** is an employee, or agent, of the local government who is authorised by the local government to act under this division.

Note—

Not every employee or agent of the local government would ordinarily be authorised to act under this division.

- (5) However, the local government may authorise an employee or agent to act under this division only if the employee or agent is appropriately qualified or trained to exercise a power or perform a responsibility under this division.
- (6) Force must not be used to enter a property under this division, unless the property is entered under a court order that specifically authorises the use of that force.

138AA Notices for this division

- (1) A **remedial notice** is a written notice that requires the owner or occupier of a property to take action under a Local Government Act in relation to the property (including fencing a pool, for example).
- (2) A remedial notice may only be given by a local government to the person who, under a Local Government Act, is required to take the action stated in the notice.
- (3) A **reasonable entry notice** is a written notice about a proposed entry of a property that—
- (a) informs the owner or occupier of the property of—
 - (i) who is to enter the property; and
 - (ii) the reason for entering the property; and
 - (iii) the days and times when the property is to be entered; and

-
- (b) is given to the owner or occupier of the property at least 7 days before the property is proposed to be entered.
 - (4) A remedial notice and a reasonable entry notice may not be combined unless—
 - (a) the owner of the property is also the occupier of the property; or
 - (b) the occupier of the property is the person who, under a Local Government Act, is required to take the action stated in the remedial notice.
 - (5) A notice given under this division in contravention of this section is of no effect.

138A Identity card for use under this division

- (1) A local government is not required to give a local government worker an identity card unless the worker is exercising a power of entry under this division.
- (2) This section does not stop a single identity card being issued to a person for this Act and for another purpose.
- (3) A person who stops being a local government worker must return the person's identity card to the local government within 21 days after stopping being a local government worker, unless the person has a reasonable excuse.

Maximum penalty for subsection (3)—10 penalty units.

139 Entry with, and in accordance with, permission of occupier

- (1) Any person may enter a property with the permission of the occupier of the property.
- (2) However, the right to enter the property—
 - (a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and
 - (b) may be cancelled by the occupier at any time.

140 Entry by an owner, with reasonable entry notice, under a remedial notice

- (1) This section applies if—
 - (a) a local government gives a remedial notice to the owner of a property; and
 - (b) the owner is not the occupier of the property.
- (2) After the owner gives a reasonable entry notice to the occupier of the property, the owner or the owner's agent may—
 - (a) enter the property at the times stated in the reasonable entry notice; and
 - (b) take the action that is required under the remedial notice.
- (3) If the occupier asks to inspect the remedial notice, the owner must allow the occupier to inspect the remedial notice.
- (4) This section does not affect any rights that the owner has apart from this section.

141 Occupier may discharge owner's obligations

- (1) This section applies if—
 - (a) the owner of a property fails—
 - (i) to take the action in relation to the property that is required under a remedial notice; or
 - (ii) to pay money that is payable in relation to the property under a Local Government Act (including rates, for example); and
 - (b) the occupier of the property is not the owner of the property.
- (2) The occupier of the property may—
 - (a) take the action that is required, and recover the amount that the occupier properly and reasonably incurs in taking the action as a debt payable by the owner; or

- (b) pay the money that is payable, and recover the money as a debt payable by the owner.
- (3) For example, if the occupier is the owner's tenant, the occupier may deduct the money from any rent that the occupier owes the owner, without being in breach of the tenancy agreement.

142 Entry by a local government worker, with reasonable entry notice, under a remedial notice

- (1) This section applies if—
 - (a) a local government gives a remedial notice to the owner or the occupier of a property (the *responsible person*); and
 - (b) the responsible person fails to take the action required under the remedial notice.
- (2) After giving a reasonable entry notice to the occupier of the property, a local government worker may—
 - (a) enter the property (other than a home on the property) without the permission of the occupier; and
 - (b) take the action that is required under the remedial notice.
- (3) However, the local government worker must, as soon as the local government worker enters the property—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.
- (4) The local government may recover the amount that the local government properly and reasonably incurs in taking the

action as a debt payable by the person who failed to take the action.

- (5) Interest is payable on the debt at the same rate that interest is payable on overdue rates levied by the local government.
- (6) The local government must give the person who failed to take the action written notice of the amount of the debt.
- (7) Subsection (8) applies if the person who failed to take the action is the owner of the property.
- (8) If the debt is not paid within 30 days after the date of the written notice, the local government may recover the debt as if the debt were overdue rates.

143 Entry by a local government worker, with reasonable entry notice, to take materials

- (1) This section applies if, in the circumstances, a local government has no other reasonably practicable way of obtaining materials other than by removing the materials from relevant land.
- (2) **Relevant land** means land, other than protected land, that is—
 - (a) within the local government area; or
 - (b) if the local government has the written approval of the Minister, under section 9(4)(b)(i), to exercise its powers outside its local government area—outside its local government area; or
 - (c) if the local government may exercise a power in another local government’s area for the purpose of a joint government activity—within the other local government’s area.
- (3) **Protected land** is land that is—
 - (a) the site of, or curtilage around, a home or other structure; or
 - (b) a court, lawn, park, planted walk or avenue or yard; or

-
- (c) under cultivation (including a garden, nursery or plantation, for example); or
 - (d) a state forest or timber reserve under the Forestry Act; or
 - (e) a protected area under the *Nature Conservation Act 1992*; or
 - (f) the wet tropics area under the *Wet Tropics World Heritage Protection and Management Act 1993*.
- (4) After giving a reasonable entry notice to the owner and the occupier of the rateable land, a local government worker may—
- (a) enter the land without the permission of the occupier of the land; and
 - (b) search for materials that the local government requires to perform its responsibilities; and
 - (c) remove the materials from the land.

Example—

A local government may remove dirt from the land for use in mopping up an oil spill on a neighbouring road to prevent the oil entering a stormwater drain.

- (5) However, the local government worker must, as soon as the local government worker enters the property—
- (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.
- (6) The local government worker must not search for, or remove materials from, within 50m of any structure or works on the land (including a home, bridge, dam or wharf, for example).

144 Entry by a local government worker, at reasonable times, to repair etc. facilities

- (1) At all reasonable times, a local government worker may enter a property (other than a home on the property) without the permission of the occupier of the property—
 - (a) to investigate the future installation of local government facilities on, over or under the property; or
 - (b) to install local government facilities on, over or under the property; or
 - (c) to inspect, maintain, operate, repair, replace or remove local government facilities, that are on, over or under the property, for their routine operations.
- (2) *Local government facilities* are facilities that are installed by a local government (including sewerage pipes, for example).
- (3) However, the local government worker must, as soon as the local government worker enters the property—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.

145 Entry by a local government worker, at any time, for urgent action

- (1) A local government worker may enter a property (other than a home on the property), at any time without the permission of the occupier of the property, in a potentially dangerous situation to take urgent action for local government purposes.

Example—

A local government worker may enter a property to cut down a tree that was blown over in a storm and is in danger of falling and injuring someone or damaging property.

-
- (2) However, the local government worker must, as soon as reasonably practicable after the local government worker enters the property—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.

146 Entry with, and in accordance with, a court order

- (1) A person may enter a property with, and in accordance with, a court order made under this section.
- (2) The person must apply to a magistrate for the court order.
- (3) The application must—
 - (a) be in the form approved by the department's chief executive; and
 - (b) be sworn; and
 - (c) state the grounds on which the court order is sought.
- (4) The person must, as soon as practicable, give a copy of the application to—
 - (a) if the person is not the owner of the property—the owner of the property; and
 - (b) the occupier of the property.
- (5) The magistrate may refuse to consider the application until the person gives the magistrate all the information that the magistrate requires about the application in the way that the magistrate requires.

Example—

The magistrate may require additional information supporting the application to be given by statutory declaration.

- (6) If the magistrate is satisfied that entry to the property is necessary to allow the person to take action under any of the Local Government Acts, the magistrate may make the court order.
- (7) The court order must—
 - (a) direct the occupier of the property to allow the person to enter the property and take all action that is necessary under any Local Government Act; and
 - (b) state the hours of the day or night when the property may be entered; and
 - (c) state the day (within 14 days after the court order is made) when the court order ends.
- (8) If the person who applied for the court order is a local government worker, the court order may authorise the local government worker to use necessary and reasonable help and force to enter the property.
- (9) The magistrate must record the reasons for making the court order.
- (10) As soon as the person enters the property under the court order, the person must do, or make a reasonable attempt to do, the following things—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the person is authorised under the court order to enter the property without the permission of the occupier;
 - (b) if the court order authorises the person to use force to enter the property—give the occupier a reasonable opportunity to allow the person to immediately enter the property without using force.

147 Compensation for damage or loss caused

- (1) A local government worker who enters a property—

- (a) must not cause, or contribute to, damage to any structure or works on the property; and
 - (b) must take all reasonable steps to ensure that the worker causes as little inconvenience, and does as little other damage, as is practicable in the circumstances.
- (2) If a person incurs damage or loss because of the exercise, or purported exercise, of a power under this division (including the loss of the value of materials removed from a property, or the reduction in the value of the property, for example), the local government must pay the person compensation.
- (3) The compensation equals—
- (a) the amount agreed between the person and local government; or
 - (b) if the person and local government can not agree, the amount that is decided by a court.
- (4) The court may make any order about costs that the court considers just.

148 Limitation of time in absence of notice of work done

- (1) This section applies if work is done on a property without an approval that is required under a Local Government Act.
- (2) For the purposes of any limitation of time for taking any proceedings or doing anything else about the work, the work is taken to have been done when a local government worker first finds out about the work.
