# Workers' Compensation and Rehabilitation Act 2003

**An Act to establish a workers' compensation scheme for  
Queensland, and for other purposes**

## Chapter 1 Preliminary

### Part 1 Introduction

#### 1 Short title

This Act may be cited as the *Workers' Compensation and Rehabilitation Act 2003*.

#### 2 Commencement

- (1) Sections 613 to 618 and 621 are taken to have commenced on 1 April 2003.
- (2) The remaining provisions of this Act, (other than sections 612, 619 and 620) commence on 1 July 2003.

#### 3 Act binds all persons

This Act binds all persons, including the State, and, so far as the legislative power of Parliament permits, the other States.

#### 3A Notes in text

A note in the text of this Act is part of the Act.

## **Part 2**                      **Objects**

### **4**            **Objects of Act**

- (1) This part states the main objects of this Act.
- (2) The objects are an aid to the interpretation of this Act.

### **5**            **Workers' compensation scheme**

- (1) This Act establishes a workers' compensation scheme for Queensland—
  - (a) providing benefits for workers who sustain injury in their employment, for dependants if a worker's injury results in the worker's death, for persons other than workers, and for other benefits; and
  - (b) encouraging improved health and safety performance by employers.
- (2) The main provisions of the scheme provide the following for injuries sustained by workers in their employment—
  - (a) compensation;
  - (aa) implementation of the national injury insurance scheme for serious personal injuries resulting from workplace incidents connected with Queensland;
  - (b) regulation of access to damages;
  - (c) employers' liability for compensation;
  - (d) employers' obligation to be covered against liability for compensation and damages either under a WorkCover insurance policy or under a licence as a self-insurer;
  - (e) management of compensation claims by insurers;
  - (f) injury management, emphasising rehabilitation of workers particularly for return to work;

- 
- (g) procedures for assessment of injuries by appropriately qualified persons or by independent medical assessment tribunals;
  - (h) rights of review of, and appeal against, decisions made under this Act.
- (3) There is some scope for the application of this Act to injuries sustained by persons other than workers, for example—
- (a) under arrangements for specified benefits for specified persons or treatment of specified persons in some respects as workers; and
  - (b) under procedures for assessment of injuries under other Acts by medical assessment tribunals established under this Act.
- (4) It is intended that the scheme should—
- (a) maintain a balance between—
    - (i) providing fair and appropriate benefits for injured workers or dependants and persons other than workers; and
    - (ii) ensuring reasonable cost levels for employers; and
  - (b) ensure that injured workers or dependants are treated fairly by insurers; and
  - (c) provide for the protection of employers' interests in relation to claims for damages for workers' injuries; and
  - (d) provide for employers and injured workers to participate in effective return to work programs; and
  - (da) provide for workers or prospective workers not to be prejudiced in employment because they have sustained injury to which this Act or a former Act applies; and
  - (e) provide for flexible insurance arrangements suited to the particular needs of industry.
- (5) Because it is in the State's interests that industry remain locally, nationally and internationally competitive, it is intended that compulsory insurance against injury in

employment should not impose too heavy a burden on employers and the community.

## **6 Administration**

This Act provides for the efficient administration of the scheme and of this Act through the establishment of the office of the Workers' Compensation Regulator and WorkCover.

## **Part 3 Definitions**

### **7 Definitions**

The dictionary in schedule 6 defines particular words used in this Act.

## **Part 4 Basic concepts**

### **Division 1 Accident insurance, compensation and damages**

#### **8 Meaning of *accident insurance***

*Accident insurance* is insurance by which an employer is indemnified against all amounts for which the employer may become legally liable, for injury sustained by a worker employed by the employer for—

- (a) compensation; and
- (b) damages.

## 9 Meaning of *compensation*

*Compensation* is compensation under this Act, that is, amounts for a worker's injury payable under chapters 3, 4 and 4A by an insurer to a worker, a dependant of a deceased worker or anyone else, and includes compensation paid or payable under a former Act.

## 10 Meaning of *damages*

- (1) *Damages* is damages for injury sustained by a worker in circumstances creating, independently of this Act, a legal liability in the worker's employer to pay damages to—
  - (a) the worker; or
  - (b) if the injury results in the worker's death—a dependant of the deceased worker.
- (2) A reference in subsection (1) to the liability of an employer does not include a liability against which the employer is required to provide under—
  - (a) another Act; or
  - (b) a law of another State, the Commonwealth or of another country.
- (3) Also, a reference in subsection (1) to the liability of an employer does not include a liability to pay damages for loss of consortium resulting from injury sustained by a worker.

## Division 2 Workers

### 11 Who is a *worker*

- (1) A *worker* is a person who—
  - (a) works under a contract; and
  - (b) in relation to the work, is an employee for the purpose of assessment for PAYG withholding under the *Taxation Administration Act 1953* (Cwlth), schedule 1, part 2-5.

[s 11A]

---

- (2) Also, schedule 2, part 1 sets out who is a *worker* in particular circumstances.
- (3) However, schedule 2, part 2 sets out who is not a *worker* in particular circumstances.
- (4) Only an individual can be a *worker* for this Act.

### **Division 3                    Persons entitled to compensation    other than workers**

#### **Subdivision 1A    Preliminary**

##### **11A    Compensation to which this division does not apply**

In this division, a reference to an entitlement to compensation does not include an entitlement to compensation under chapter 4A.

#### **Subdivision 1            Volunteers etc.**

##### **12            Entitlements of persons mentioned in sdiv 1**

- (1) A person mentioned in this subdivision who is covered under a contract of insurance entered into with WorkCover for this subdivision has, subject to this subdivision—
  - (a) an entitlement to weekly payments of compensation under chapter 3, part 9, division 4, subdivision 3 and division 5, subdivision 1; and
  - (b) for all other entitlements—the same entitlements to compensation as a worker.
- (2) The contract must not cover the payment of damages for injury sustained by the person.

- (2A) However, the contract must cover the payment of damages if the person is a specified volunteer firefighter who sustains an injury that is a specified disease.

This subdivision does not limit the circumstances in which an injury to a worker arises out of, or in the course of, the worker's employment.

---

**34 Injury while at or after worker attends place of employment**

- (2) For subsection (1)(c), employment need not be a contributing factor to the injury.

**35 Other circumstances**

- (1) An injury to a worker is also taken to arise out of, or in the course of, the worker's employment if the event happens while the worker—
  - (a) is on a journey between the worker's home and place of employment; or
  - (b) is on a journey between the worker's home or place of employment and a trade, technical or other training school—

- (b) during or after—
  - (i) a substantial delay before the worker starts the journey; or

- (2) A worker is not entitled to recover the amount more than once.

## **Part 3 Insurance under WorkCover policies generally**

### **Division 1 Premium setting generally**

#### **54 Setting of premium**

- (1) WorkCover must set the premium payable under a policy.
- (2) The premium payable for the policy for a period of insurance must be assessed according to the method (the *method*) and at the rate (the *rate*) specified by WorkCover by gazette notice.
- (3) If no rate is specified in the notice for an employer's industry or business, WorkCover must decide the rate to be the rate applying to the industry or business classification specified in the notice that most closely describes the employer's industry or business.
- (3A) Without limiting subsection (2), the gazette notice may state a method or rate that provides for a premium payable by an

employer in the event that the employer's premium rate repeatedly exceeds the relevant industry rate.

- (4) Before WorkCover publishes the gazette notice, it must notify the Minister of the proposed specification of method or rate.
- (5) The specification is subject to any direction the Minister may make under section 481.
- (6) An assessment of premium must be made on the following basis—
  - (a) wages paid or estimated to be paid during the period of insurance—
    - (i) are taken to have been paid in equal weekly instalments during the period; or
    - (ii) if the employer establishes to WorkCover's satisfaction the wages were paid by the employer in another way, are paid in the other way during the period;
  - (b) the premium payable for the period of insurance is according to the method and at the rate in force from time to time during the period.
- (7) An employer to whom a premium notice is given must pay the premium as assessed by the due date.
- (8) If the employer is a corporation and an administrator is appointed under the Corporations Act to administer the corporation, the administrator must pay the premium for the period during which the corporation is under administration.
- (9) If an employer is aggrieved by WorkCover's decision, the employer may have the decision reviewed under chapter 13.
- (10) In this section—

*employer's premium rate* means the premium rate calculated for the employer by using a formula that takes into account the number and cost of claims made against the employer's policy during previous financial years.

---

***relevant industry rate***, in relation to an employer, means the industry or business classification rate applying to the industry or business classification—

- (a) stated in the gazette notice under subsection (2) for the employer's industry or business; or
- (b) as decided by WorkCover under subsection (3)—for the industry or business that most closely describes the employer's industry or business.

## **55 Setting premium on change of ownership of business**

- (1) This section applies if a person (a ***new employer***) acquires the whole or a part of a business from an employer (a ***former employer***) who is currently insured under a policy with WorkCover.
- (2) In calculating the premium payable by the new employer, WorkCover may have regard to the claims experience of the business under the former employer.
- (3) In deciding whether to have regard to the claims experience of the business under a former employer, WorkCover may consider any relevant matter, including the following—
  - (a) if the new employer is an individual, whether the new employer is or was—
    - (i) a partner of the former employer; or
    - (ii) an officer or shareholder of the former employer; or
    - (iii) an officer or shareholder of a related body corporate of the former employer;
  - (b) if the new employer is a partnership, whether any of the partners of the new employer is or was—
    - (i) an individual who was the former employer; or
    - (ii) a partner of the former employer; or
    - (iii) an officer or shareholder of the former employer; or

[s 56]

---

- (iv) an officer or shareholder of a related body corporate of the former employer;
- (c) if the new employer is a body corporate, whether the new employer is or was a related body corporate of the former employer;
- (d) if the new employer is a body corporate, whether any of the officers or shareholders of the new employer is or was—
  - (i) an individual who was the former employer; or
  - (ii) a partner of the former employer; or
  - (iii) an officer or shareholder of the former employer; or
  - (iv) an officer or shareholder of a related body corporate of the former employer.
- (4) However, subsection (2) applies only if the predominant industry activity of the business remains the same as under the former employer.
- (5) In this section—  
*officer* has the meaning given by the Corporations Act.

## **56 Reassessment of premium for policy**

- (1) This section applies if in either the latest period of insurance for an employer's policy or any of the 3 preceding periods of insurance—
  - (a) WorkCover has made an assessment for an employer's policy for the period of insurance; and
  - (b) WorkCover considers that the assessment does not accurately reflect the employer's liability under the Act for the period.
- (2) WorkCover may reassess the premium for the period and issue a reassessment premium notice for the period.
- (3) WorkCover must reassess the premium—

[s 58]

---

- (b) if WorkCover has paid compensation or damages for an injury sustained by a worker when the employer was in contravention of section 48 in relation to the worker—the amount of the payment made together with a penalty equal to 50% of the payment.
- (3) The employer may apply in writing to WorkCover to waive or reduce the penalty because of extenuating circumstances.
- (4) The application must specify the extenuating circumstances and the reasons the penalty should be waived or reduced in the particular case.
- (5) WorkCover must consider the application and may—
  - (a) waive or reduce the penalty; or
  - (b) refuse to waive or reduce the penalty.
- (6) If the employer is aggrieved by WorkCover's decision, the employer may have the decision reviewed under chapter 13.
- (7) In this section—  
*worker* means a worker employed by the employer.

## **58 Default assessment on reasonable suspicion**

- (1) This section applies if WorkCover suspects on reasonable grounds that an employer has contravened section 48.
- (2) WorkCover may make a default assessment of premium based on the amounts WorkCover considers to be adequate cover.
- (3) For subsection (2), WorkCover may have regard to—
  - (a) the probable wages paid or to be paid by the employer during the period of insurance for which the default assessment is made; and
  - (b) the nature of the employer's industry or business.
- (4) The amount of premium to be paid by the employer under the default assessment must be calculated according to the method and at the rate mentioned in section 54.

- 
- (5) As soon as practicable after a default assessment is made, WorkCover must give the employer written notice of the assessment and of the amount of premium.
  - (6) The employer may, by written notice given to WorkCover, object to the default assessment within 15 business days of receiving the premium notice.
  - (7) The objection must specify the reasons that the employer considers the assessment is excessive.
  - (8) WorkCover must consider the objection and may—
    - (a) reassess the default assessment; or
    - (b) refuse to reassess the default assessment.
  - (9) If the employer is aggrieved by WorkCover's decision under subsection (8), the employer may have the decision reviewed under chapter 13.
  - (10) If the employer does not object to the default assessment within 15 business days of receiving the premium notice, the amount of premium assessed and notified to the employer becomes payable immediately at the end of the 15 business days.
  - (11) WorkCover may act under this section even if WorkCover knows the employer has contravened section 48.

## **59 Further assessment and recovery after payment of default assessment**

Payment by an employer of the amount of a default assessment, or the amount as varied on objection, review or appeal by the employer, does not stop WorkCover—

- (a) if WorkCover considers that the assessment does not accurately reflect the employer's liability under the Act for the period—reassessing the default assessment; and
- (b) if compensation has or damages have been paid for an injury sustained by a worker employed by the employer, recovering the amount paid together with a penalty equal to 50% of the payment mentioned in section 57.

## **60 Employer's separate liabilities for 1 period of default**

For any period an employer contravenes section 48, the employer is liable—

- (a) to a proceeding for an offence under section 51; and
- (b) to a proceeding to recover an amount of premium or another amount under section 57 or 58 with or without a charge imposed by WorkCover, whether or not a proceeding is taken for an offence under section 51.

## **Division 3 Additional premiums**

### **61 Additional premium payable if premium not paid**

- (1) An employer must pay WorkCover an additional premium calculated as prescribed under a regulation if—
  - (a) the employer is given a premium notice; and
  - (b) the employer does not pay WorkCover the amount specified in the notice on or before the due date.
- (2) WorkCover may recover the amount of premium and additional premium payable to it by the employer.
- (3) Until the employer has paid WorkCover the full amount specified in the notice and any additional premium payable, the employer is not covered by a policy.

### **62 Further additional premium payable after appeal to industrial magistrate**

- (1) An employer must pay WorkCover an additional premium calculated as prescribed under a regulation if—
  - (a) the employer's liability in relation to an assessment has been decided by an industrial magistrate or the industrial court; and
  - (b) the employer fails to pay WorkCover the amount by which the assessment is more than the amount of

---

premium paid under section 551(4) as a condition of the appeal to an industrial magistrate within 15 business days after the day the decision is made.

- (2) WorkCover may recover the amount of the increase in assessment and additional premium payable to it by the employer.
- (3) Until the employer has paid WorkCover the full amount of the increase in assessment and any additional premium payable, the employer is not covered by a policy.

### **63 Additional premium for out-of-State workers**

- (1) This section applies if a worker's employment is not completely performed in the State.
- (2) WorkCover may, from time to time, charge an additional premium on a policy issued to the worker's employer in an amount that WorkCover considers necessary towards—
  - (a) providing for compensation or damages payable for injury to the worker; and
  - (b) covering the cost of administration of this Act in relation to the worker.

### **64 WorkCover may waive or reduce additional premium**

- (1) This section applies if an employer is liable to pay WorkCover an additional premium.
- (2) The employer may apply in writing to WorkCover to waive or reduce the additional premium because of extenuating circumstances.
- (3) The application must specify the extenuating circumstances and the reasons the additional premium should be waived or reduced in the particular case.
- (4) WorkCover must consider the application and may—
  - (a) waive or reduce the additional premium; or
  - (b) refuse to waive or reduce the additional premium.

- (5) If the employer is aggrieved by WorkCover's decision, the employer may have the decision reviewed under chapter 13.

## **Division 4                      Employer's liability for excess period**

### **65            What is the *excess period***

- (1) The *excess period*, in relation to a worker who sustains an injury for which compensation is payable, is the period that starts on the day that the worker's entitlement to compensation arises under chapter 3, part 7.
- (2) The *excess period* ends at the end of the day that the amount of weekly compensation paid to the worker exceeds an amount prescribed under a regulation.

### **66            Employer's liability for excess period**

- (1) This section applies to—
- (a) an employer who is not a self-insurer and who is, or is required to be, insured under a WorkCover policy; and
  - (b) a worker, other than a household worker employed by the employer, who sustains an injury for which compensation is payable.
- (2) The employer must pay the worker an amount equal to the weekly payment of compensation that, if this section did not apply, would be payable to the worker by WorkCover for the excess period.
- (3) WorkCover is not required to pay the compensation to the worker, subject to subsection (5).
- (4) If the worker is employed by more than 1 employer when the worker sustains an injury, the amount under subsection (2)—
- (a) must be paid by the employer in whose employment the injury was sustained; and

- 
- (b) is the amount that relates to the amount payable to the worker under a contract with that employer.
- (5) If the employer fails to pay the amount to the worker within 10 business days after receiving notice from WorkCover that the worker's application for compensation has been allowed, WorkCover must make the payment to the worker on the employer's behalf.
- (6) WorkCover may recover from the employer the amount of the payment made by it together with a penalty equal to 50% of the payment—
- (a) as a debt under section 580; or
- (b) as an addition to a premium payable by the employer.
- (7) The employer may apply in writing to WorkCover to waive or reduce the penalty because of extenuating circumstances.
- (8) The application must specify the extenuating circumstances and the reasons the penalty should be waived or reduced in the particular case.
- (9) WorkCover must consider the application and may—
- (a) waive or reduce the penalty; or
- (b) refuse to waive or reduce the penalty.
- (10) If the employer is dissatisfied with WorkCover's decision, the employer may have the decision reviewed under chapter 13.
- (11) This section does not limit section 50.
- (12) In this section—

*household worker* means a person employed solely in and about, or in connection with, a private dwelling house or the grounds of the dwelling house.

## **67 Employer may not insure against payment for the excess period**

An employer may not insure with WorkCover against the employer's liability to pay for the excess period.

## **Part 4                      Employer's self-insurance**

### **Division 1                Preliminary**

#### **68            What is self-insurance**

- (1) Self-insurance allows an employer, under a licence under this part, to provide their own accident insurance for their workers, instead of insuring with WorkCover.
- (2) A self-insurer has all the liabilities that WorkCover would have, if this part did not apply, for injuries sustained by the self-insurer's workers arising out of events that start or happen before the issue of the licence and during the period of the licence.
- (3) Certain functions and powers of WorkCover are provided to a self-insurer to enable the self-insurer to meet obligations in providing accident insurance.
- (4) The way the self-insurer performs the functions and exercises the powers is regulated by the Regulator.

### **Division 1A              Local government self-insurers**

#### **68A        Self-insurance for local governments**

- (1) A local government self-insurer may, under the self-insurer's licence, also cover councillors of a local government.
- (2) If councillors of a local government are covered under a local government self-insurer's licence, each councillor of the local government is covered under the licence.
- (3) A local government self-insurer must, when advising councillors of its decision to cover them, also advise the Regulator of the decision.

---

**68B Entitlements of local government councillors**

- (1) A councillor covered under a local government's self-insurer's licence is entitled under the licence to compensation from the local government to which the councillor is elected or appointed for injury sustained by the councillor while—
  - (a) attending meetings of the local government; or
  - (b) performing any other duty of office as a councillor.
- (2) The councillor has, subject to this section—
  - (a) an entitlement to weekly payments of compensation under chapter 3, part 9, division 4, subdivision 3 and division 5, subdivision 1; and
  - (b) for all other entitlements—the same entitlements to compensation as a worker.
- (3) The councillor is not covered for payment of damages for injury sustained by the councillor.
- (4) In the application of the definition *injury* to the councillor—
  - (a) the activity mentioned in subsection (1)(a) or (b) is taken to be the councillor's employment; and
  - (b) the local government to which the councillor is elected or appointed is taken to be the councillor's employer.

**68C Local government self-insurer's liability for injury to councillors**

If a local government self-insurer's licence covers councillors, the only liability the self-insurer has under the licence in relation to a councillor is the liability to pay the compensation to which a councillor is entitled under section 68B for the total of the accrued, continuing, future and contingent liabilities for all injuries sustained, during the period of the licence, by the councillor in the circumstances mentioned in section 68B.

## **Division 2                    Issue and renewal of self-insurer's licence**

### **69        Who may apply to be a self-insurer**

- (1) The following employers may apply to be licensed as a self-insurer—
  - (a) a single employer;
  - (b) a group employer.
- (2) A body corporate may only apply as a single employer if no other related bodies corporate to which it is related employ workers in Queensland.
- (3) A related bodies corporate group employer may only apply for a licence if all related bodies corporate that employ workers in Queensland are included in the application.
- (4) The Regulator may issue a licence to an employer only if the employer can satisfy the requirements stated in this part.

### **70        How the application is made**

The application must—

- (a) be made to the Regulator in the approved form; and
- (b) for a group employer—be made by all the members of the group wanting to be licensed; and
- (c) be accompanied by the fee prescribed under a regulation.

### **71        Issue or renewal of licence to a single employer**

- (1) The Regulator may issue or renew a licence to be a self-insurer to a single employer only if satisfied that—
  - (a) the number of full-time workers employed in Queensland by the employer is at least 2000; and

- 
- (c) the employer's occupational health and safety performance is satisfactory; and
  - (d) the licence will cover all workers, employed in Queensland, of the employer; and
  - (e) the employer has given the Regulator the security required under section 84; and
  - (f) the employer has the reinsurance cover required under section 86; and
  - (g) all workplaces of the employer—
    - (i) are accredited workplaces; or
    - (ii) if not accredited workplaces—
      - (A) are adequately serviced by a rehabilitation and return to work coordinator who is in Queensland and employed by the employer under a contract (regardless of whether the contract is a contract of service); and
      - (B) have workplace rehabilitation policies and procedures; and
  - (h) the employer is fit and proper to be a self-insurer.
- (2) However, if the Regulator is not satisfied of 1 or more matters mentioned in subsection (1)(a) to (g), the Regulator may still issue or renew a licence to be a self-insurer to a single employer if the Regulator is satisfied that, despite the Regulator not being satisfied of the matters—
- (a) special circumstances justify the issue or renewal of the licence; and
  - (b) the employer can appropriately—
    - (i) perform the functions and exercise the powers of a self-insurer; and
    - (ii) meet the obligations of a self-insurer.
- (3) Without limiting subsection (2)(a), special circumstances that may justify the issue or renewal of a licence to be a self-insurer to a single employer who fails to satisfy the

Regulator only of the matter mentioned in subsection (1)(a) include the following—

- (a) the employer—
    - (i) holds a current licence to be a self-insurer under the laws of 2 or more other jurisdictions; and
    - (ii) has demonstrated a history of compliance with those laws and the conditions of those licences, and of acting reasonably in the performance of functions and exercise of powers under those laws or licences;
  - (b) for a renewal of a licence—the employer has demonstrated a history of compliance with this Act and the conditions of the licence, and of acting reasonably in the performance of functions and exercise of powers under this Act or the licence.
- (4) If, for a single employer, the Regulator is not satisfied of the matter mentioned in subsection (1)(a) only, the Regulator may still issue a licence to be a self-insurer to the employer if—
- (a) the employer held a licence (the *former licence*) to be a self-insurer under this section within the previous 5 years; and
  - (b) the former licence was not cancelled under this Act; and
  - (c) after the former licence ended, the employer was not at any time a related body corporate with another employer for the purpose of the grant of a licence to be a self-insurer under section 72; and
  - (d) the Regulator is satisfied the number of full-time workers employed in Queensland by the employer is at least the number of full-time workers that were required under subsection (1)(a) as in force when the former licence was granted.
- (5) Also, the Regulator may renew a licence to be a self-insurer issued to a single employer under subsection (4) who fails to satisfy the Regulator only of the matter mentioned in

subsection (1)(a) if the Regulator is still satisfied of the matter mentioned in subsection (4)(d).

- (6) For subsection (1)(c), the Regulator must ask the chief executive of the department within which the *Work Health and Safety Act 2011* is administered to prepare an OHS report about the employer's occupational health and safety performance.
- (7) In this section—

*jurisdiction* means the Commonwealth or a State.

## **72 Issue or renewal of licence to a group employer**

- (1) The Regulator may issue or renew a licence to be a self-insurer to a group employer only if satisfied that—
- (a) the applicant is a group employer; and
  - (b) the combined number of full-time workers employed in Queensland by all members of the group is at least 2000; and
  - (d) the group employer's occupational health and safety performance is satisfactory; and
  - (e) the licence will cover all workers, employed in Queensland, of the group employer; and
  - (f) the group employer has given the Regulator the security required under section 84; and
  - (g) the group employer has the reinsurance cover required under section 86; and
  - (h) all workplaces of each member of the group—
    - (i) are accredited workplaces; or
    - (ii) if not accredited workplaces—
      - (A) are adequately serviced by a rehabilitation and return to work coordinator who is in Queensland and employed by the group employer or a member of the group under a

contract (regardless of whether the contract is a contract of service); and

(B) have workplace rehabilitation policies and procedures; and

- (i) the group employer is fit and proper to be a self-insurer.
- (2) However, if the Regulator is not satisfied of 1 or more matters mentioned in subsection (1)(a) to (h), the Regulator may still issue or renew a licence to be a self-insurer to a group employer if the Regulator is satisfied that, despite the Regulator not being satisfied of the matters—
- (a) special circumstances justify the issue or renewal of the licence; and
  - (b) the employer can appropriately—
    - (i) perform the functions and exercise the powers of a self-insurer; and
    - (ii) meet the obligations of a self-insurer.
- (3) Without limiting subsection (2)(a), special circumstances that may justify the issue or renewal of a licence to be a self-insurer to a group employer who fails to satisfy the Regulator only of the matter mentioned in subsection (1)(b) include the following—
- (a) the employer—
    - (i) holds a current licence to be a self-insurer under the laws of 2 or more other jurisdictions; and
    - (ii) has demonstrated a history of compliance with those laws and the conditions of those licences, and of acting reasonably in the performance of functions and exercise of powers under those laws or licences;
  - (b) for a renewal of a licence—the employer has demonstrated a history of compliance with this Act and the conditions of the licence, and of acting reasonably in the performance of functions and exercise of powers under this Act or the licence.

- 
- (4) For subsection (1)(d), the Regulator must ask the chief executive of the department within which the *Work Health and Safety Act 2011* is administered to prepare an OHS report about the group employer's occupational health and safety performance.
  - (5) In this section—  
*jurisdiction* means the Commonwealth or a State.

### **73 Calculation of the number of full-time workers**

- (1) For sections 71(1)(a), 71(4)(d) and 72(1)(b), the number of full-time workers is calculated by—
  - (a) calculating the total number of ordinary time hours worked by the workers employed during a continuous 6-month period in the 1 year immediately before the application is given to the Regulator; and
  - (b) dividing the number of hours by 910.
- (2) The whole number resulting from the division is the number of full-time workers.
- (3) The continuous 6-month period is the period chosen by the applicant.

### **73A Calculation of the number of full-time workers for local government self-insurers**

To remove any doubt, it is declared that if a local government self-insurer's licence covers councillors, the number of ordinary time hours worked by a councillor is not to be taken into account for section 73(1).

### **74 Workers employed in Queensland**

For sections 71 and 72, a worker is employed in Queensland if the worker would have an entitlement for an injury under section 113.

## **75 Whether applicant fit and proper**

- (1) This section applies when the Regulator is deciding whether a single employer or group employer is fit and proper to be licensed or to have a licence renewed.
- (2) The Regulator may consider any relevant matter and must consider the following matters—
  - (a) whether the single employer or group employer is, and is likely to continue to be, able to meet its liabilities;
  - (b) the long-term financial viability of the single employer or group employer evidenced by any relevant consideration including, for example, its level of capitalisation, profitability and liquidity;
  - (c) the resources and systems that the single employer or group employer has in Queensland for administering claims for compensation and managing rehabilitation of workers;
  - (d) whether the single employer or group employer will be able to give the information the Regulator may require in the way the Regulator may require;
  - (e) for an application for renewal of a licence—whether the self-insurer has performed the functions, or exercised the powers, under section 92 or 92A reasonably.

## **76 Audit of self-insurer**

- (1) The Regulator may carry out an audit of an applicant for self-insurance or a self-insurer to decide whether the applicant or self-insurer—
  - (a) satisfies section 71 (other than subsection (1)(c)) or 72 (other than subsection (1)(d)); and
  - (b) is fit and proper under section 75; and
  - (c) satisfies the conditions of the licence.
- (2) The Regulator may engage the services of a person who, in the Regulator's opinion, has appropriate qualifications and experience to carry out the audit.

---

**77 Decision on application for the issue of a licence**

- (1) The Regulator must decide an application within 6 months of receiving it.
- (2) If the Regulator refuses an application for the issue of a licence, the Regulator must give the applicant a written notice stating—

  - (b) the reasons for the refusal; and
  - (c) the applicant may make a written submission to the Regulator in further support of the application.
- (3) The applicant may make a submission within 20 business days after the notice of refusal is given.
- (4) The Regulator must consider the submission within 60 business days of receiving it and decide whether to confirm or change the decision to refuse the application.
- (5) The Regulator must advise the applicant of its decision under subsection (4) within 5 business days after the decision is made.
- (6) If the Regulator does not change its decision, it must advise the applicant that the applicant may appeal against the refusal under chapter 13.

**78 Duration of licence**

- (1) A licence is issued for a period of 2 years.
- (2) However, on an application for the renewal of a licence, the licence may be issued for a period of not more than 4 years.
- (3) The period of the licence must be stated in the licence.

**79 Renewal of licence**

- (1) A licence may be renewed by application to the Regulator in the approved form.

[s 80]

---

- (2) The self-insurer must apply to the Regulator at least 60 business days before the current licence period ends.
- (3) If the self-insurer does not intend to renew the licence, the self-insurer must advise the Regulator of that fact at least 60 business days before the current licence period ends.
- (4) In considering an application, the Regulator must consider whether the self-insurer has—
  - (a) complied with this Act and the conditions of the licence; and
  - (b) acted reasonably in relation to the functions and powers under section 92 or 92A.

## **80 Refusal of application for renewal of a licence**

- (1) This section applies if the Regulator intends to refuse an application for the renewal of a licence.
- (2) Before refusing the application, the Regulator must give the applicant a written notice stating—
  - (a) it proposes to refuse the application; and
  - (b) the reasons for the refusal; and
  - (c) the applicant may make a written submission to the Regulator in further support of the application; and
  - (d) a period, of at least 30 business days, at the end of which the refusal is to take effect (the *review period*).
- (3) The applicant may make a submission within 15 business days after the notice is given.
- (4) If a submission is made, the Regulator must—
  - (a) consider it; and
  - (b) decide whether to accept or refuse the application.
- (5) The Regulator must advise the applicant of its decision before the end of the review period.

- (6) If no submission is made within the time mentioned in subsection (3), the application is taken to be refused at the end of the review period.
- (7) If the Regulator refuses the application, it must advise the applicant that the applicant may appeal against the refusal under chapter 13.
- (8) Despite section 78, if the period stated on the licence expires before the end of the review period, the licence period is taken to be extended to the end of the review period.

## **81 Annual levy payable**

- (1) A self-insurer must pay a levy for each financial year or part of a financial year of a licence.
- (2) A regulation must prescribe the way the levy is calculated.
- (3) The levy is to be set at the rate specified by the Regulator and approved by the Minister for each financial year.
- (4) The Regulator must recommend the rate for each financial year to the Minister.
- (5) The Regulator must consult with the Minister before giving the recommendation.
- (6) The Regulator must publish the rate approved by the Minister in the gazette.
- (7) The Regulator must give a self-insurer written notice of the amount of the levy.
- (8) The self-insurer must pay the levy on or before the due date shown in the notice.
- (9) If a self-insurer is aggrieved by the Regulator's decision about the amount of levy payable, the self-insurer may appeal against the decision under chapter 13.

## **82 Additional amount payable if levy not paid**

- (1) A self-insurer must pay the Regulator an additional amount calculated as prescribed under a regulation if—

- (2) If a worker has not had employment for the 12 months immediately before the day the worker sustained an injury, *normal weekly earnings* are the normal weekly earnings of the worker from employment (continuous or intermittent) had by the worker in the period in which the worker has had the employment.
- (3) *Normal weekly earnings* are calculated as prescribed under a regulation.

## Part 1A Entitlements to compensation under industrial instruments

### 107A Definitions for pt 1A

In this part—

*amount* includes rate.

*Industrial Act* means—

- (a) the *Industrial Relations Act 1999*; or
- (b) the *Fair Work Act 2009* (Cwlth).

### 107B Meaning of *amount payable* under an industrial instrument

- (1) An *amount payable*, under an industrial instrument, to a worker is—
  - (a) if an amount has been approved by the Regulator under section 107E—the amount applying immediately before the worker became incapacitated; or
  - (b) if paragraph (a) does not apply—an amount equal to the weekly rate of wages (however described) under the

industrial instrument that the worker was entitled to be paid in the worker's usual employment immediately before the worker became incapacitated.

- (2) If the industrial instrument provides for a change in the amount mentioned in subsection (1)(a) after the amount is approved, or there is a change in the rate of wages under the industrial instrument at any time after the worker became incapacitated, the amount payable to the worker changes accordingly.
- (3) If a worker is employed in an industry that is seasonal in nature, the amount payable to the worker must reflect the relevant season under the industrial instrument.

### **107C Meaning of *usual employment***

- (1) A worker's *usual employment* is the worker's permanent position or classification of employment.
- (2) However, if a worker is temporarily appointed to another position or classification for a period, the worker's *usual employment* for the period of the temporary appointment is the temporary position or classification.

*Example of usual employment for subsection (2)—*

A worker is acting in higher duties for 3 months. The worker is incapacitated after 1 month. The worker would be entitled to the higher duties wage rate for the remaining 2 months. When that 2 months ends, the worker would be entitled to the wage rate of the worker's permanent position or classification.

### **107D Entitlements to compensation under industrial instrument generally prohibited and void**

- (1) The industrial commission can not include in an industrial instrument made by it, or approve for an industrial instrument submitted to it, a provision for accident pay, or other payment, on account of a worker sustaining an injury.
- (2) The registrar of the industrial commission is not to register an industrial instrument submitted to the registrar that provides

---

for payment of accident pay, or other payment, on account of a worker sustaining an injury.

- (3) Despite subsections (1) and (2), an industrial instrument, other than an award under an Industrial Act, may provide for an amount to be payable as a weekly rate of wages (however described) to a worker if the worker becomes incapacitated.
- (4) A provision of an industrial instrument, other than a provision mentioned in subsection (3) that contains an amount that has been approved by the Regulator under section 107E, is of no force or effect to the extent that it provides for payment of accident pay, or other payment, on account of a worker sustaining an injury.

#### **107E Regulator may approve amount payable under industrial instrument**

- (1) This section applies if an industrial instrument, other than an award under an Industrial Act, provides for an amount to be payable as a weekly rate of wages (however described) to a worker if the worker becomes incapacitated.
- (2) An employer may, by written notice, ask the Regulator to approve the amount provided for in the industrial instrument for the purposes of section 107B.
- (3) The Regulator can approve the amount provided for in the industrial instrument only if the amount was contained in the industrial instrument as approved or certified under an Industrial Act.
- (4) In deciding whether or not to approve the amount, the Regulator must have regard to—
  - (a) if the industrial instrument is a workplace agreement or if an employee organisation is not a party to the industrial instrument—the entitlements of a worker to weekly payment of compensation under section 150(1)(a)(i); or
  - (b) in all other cases—whether the amount is consistent with the compensation entitlements of a worker under

previous industrial instruments agreed to by the parties to the industrial instrument.

- (5) The Regulator must make a decision within 25 business days after it receives the request.
- (6) If the Regulator refuses to approve the amount, the employer may appeal under chapter 13.
- (7) In this section—

*workplace agreement* means—

- (a) an Australian workplace agreement or preserved individual State agreement under the *Workplace Relations Act 1996* (Cwlth) given continuing effect under the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cwlth), schedule 3, part 2; or

- (2) However, if a worker's injury is an aggravation mentioned in section 32(3)(b) or (ba), the worker is entitled to compensation for the injury only to the extent of the effects of the aggravation.

*Note—*

See also division 5 in relation to the effect of compensation on a worker's leave entitlements.

## **109 Who must pay compensation**

- (1) If an employer is a self-insurer, the employer must pay the compensation.
- (2) Otherwise, WorkCover must pay the compensation.
- (3) An employer who is not a self-insurer can not pay a worker an amount, either in compensation or instead of compensation, that is payable by WorkCover under the Act for an injury sustained by the worker.
- (4) However, an employer who is not a self-insurer may pay a worker an amount, either in compensation or instead of compensation, that is payable by WorkCover under the Act for an injury sustained by the worker if—
  - (a) the worker has made an application for compensation under section 132; and
  - (b) the employer has complied with section 133A.
- (5) Subsection (4) applies only until WorkCover has allowed a claimant's application for compensation under section 134.
- (6) Subsections (2) and (3) are subject to section 66.

## **109A When an employer contravenes obligation not to pay compensation payable by WorkCover**

- (1) This section applies if an employer contravenes section 109(3).
- (2) WorkCover may require the employer to pay WorkCover an amount by way of penalty equal to 50% of the employer's premium for the period of insurance.
- (3) WorkCover may recover the amount from the employer—
  - (a) as a debt; or

- (b) as an addition to a premium payable by the employer.
- (4) The employer may apply in writing to WorkCover to waive or reduce the penalty because of extenuating circumstances.
- (5) The application must specify the extenuating circumstances and the reasons the penalty should be waived or reduced in the particular case.
- (6) WorkCover must consider the application and may—
  - (a) waive or reduce the penalty; or
  - (b) refuse to waive or reduce the penalty.
- (7) If the employer is aggrieved by WorkCover's decision, the employer may have the decision reviewed under chapter 13.

**110 Compensation entitlement can not be relinquished, assigned or subject to execution**

- (1) A worker or another person can not relinquish an entitlement to compensation for an injury sustained by the worker or the person.
- (2) An agreement made by the worker or the person purporting to relinquish the entitlement is of no force or effect.
- (3) Compensation can not be assigned, charged, taken in execution, or attached, and a worker's entitlement to compensation can not pass to another person by operation of law or otherwise, and no claim can be set off against the amount.
- (4) Subsection (3) is subject to subsection (5) and section 170(2)(b).
- (5) If an employer pays to a worker an amount, for example wages, to which the worker is entitled as compensation for an injury, WorkCover may reimburse the employer for the amount paid to the extent of the worker's entitlement for the injury instead of paying the worker.

---

**111 Public trustee may act for claimant**

If asked by a claimant, the public trustee may make and prosecute an application for compensation, and act for the claimant, for any purpose of the application.

**112 Public trustee may receive payments for minors**

- (1) This section applies if a person entitled to payment of lump sum compensation or a redemption payment is under 18 years.
- (2) The insurer liable to pay the compensation may pay the amount of the lump sum compensation or redemption payment to the public trustee.

**Division 2 Entitlement according to jurisdiction**

**113 Employment must be connected with State**

- (1) Compensation under this Act is only payable in relation to employment that is connected with this State.
- (2) The fact that a worker is outside this State when the injury is sustained does not prevent compensation being payable under this Act in relation to employment that is connected with this State.
- (3) A worker's employment is connected with—
  - (a) the State in which the worker usually works in that employment; or
  - (b) if no State or no 1 State is identified by paragraph (a), the State in which the worker is usually based for the purposes of that employment; or
  - (c) if no State or no 1 State is identified by paragraph (a) or (b), the State in which the employer's principal place of business in Australia is located.

[s 114]

---

- (4) In the case of a worker on a ship, if no State or no 1 State is identified by subsection (3), a worker's employment is, while on a ship, connected with the State in which the ship is registered or (if the ship is registered in more than 1 State) the State in which the ship most recently became registered.
- (5) If no State is identified by subsection (3) or (if applicable) (4), a worker's employment is connected with this State if—
  - (a) the worker is in this State when the injury is sustained; and
  - (b) there is no place outside Australia under the legislation of which the worker may be entitled to compensation for the same matter.
- (6) In deciding whether a worker usually works in a State, regard must be had to the worker's work history with the employer and the intention of the worker and employer.
- (7) However, regard must not be had to any temporary arrangement under which the worker works in a State for a period of not longer than 6 months.
- (8) Compensation under this Act does not apply in relation to the employment of a worker on a ship if the *Seafarers Rehabilitation and Compensation Act 1992* (Cwlth) applies to the worker's employment.
- (9) In this section—

*State*, in a geographical sense, includes a State's relevant adjacent area as described in schedule 4.

## 114 Recognition of determination of State of connection in another State

- (1) If a designated court makes a determination of the State with which a worker's employment is connected for the purposes of a corresponding law, that State is to be recognised for the purposes of section 113 as the State with which the worker's employment is connected.

- 
- (2) Subsection (1) does not prevent or affect the operation of a determination of the State with which a worker's employment is connected for the purposes of section 113 made by a court of this State before the determination is made by a designated court.
  - (3) Subsection (1) does not prevent any appeal relating to a determination of a designated court and, if the determination is altered on appeal, the altered determination is to be recognised under subsection (1).
  - (4) In this section—

*corresponding law* means the provisions of the statutory workers' compensation scheme of another State that correspond with section 113.

*designated court* means—

- (a) the Supreme Court of a State in which a corresponding law is in force; or
- (b) a court, tribunal or other decision-making body of a State in which a corresponding law is in force that is declared under a regulation to be a designated court for the purposes of this section.

## **Division 3 Overseas arrangements**

### **115 Overseas arrangements**

- (1) If—
  - (a) an injury is sustained by a worker in another country in circumstances that, had the injury been sustained in Queensland, compensation would have been payable; and
  - (b) at the time of the injury, the worker's principal place of employment was in Queensland;compensation is payable as if the injury were sustained in Queensland.

- (2) If—
  - (a) an injury is sustained by a worker in Queensland; and
  - (b) at the time of the injury, the worker's principal place of employment was in another country;compensation is not payable for the injury.
- (3) For this section, a worker's principal place of employment is in a country if—
  - (a) the worker usually works in that country; or
  - (b) for a worker who usually works in more than 1 country—the employer's principal place of business is in that country.
- (4) In deciding whether a worker usually works in a country, regard must be had to the worker's work history with the employer and the intention of the worker and employer.
- (5) However, regard must not be had to any temporary arrangement under which the worker works in a country for a period of not longer than 6 months.

## **Division 4                      Relationship of entitlement to other compensation**

### **116      Effect on entitlement if compensated under corresponding laws**

- (1) This section applies if, for an injury, payment (by whatever name called) that corresponds to compensation under this Act is made to, or on account of, a person under an entitlement under another law.
- (2) The person's entitlement to compensation under this Act for the injury stops.
- (3) However, if the person's entitlement under the other law relates only to payments corresponding to compensation under chapter 4A, subsection (2) applies only to stop the person's entitlement to compensation under chapter 4 or 4A.

---

*Examples of payments to which subsection (3) may apply—*

Payments under any of the following schemes—

- (a) the scheme under the *National Disability Insurance Scheme Act 2013* (Cwlth);
- (b) the scheme under the *National Injury Insurance Scheme (Queensland) Act 2016*;
- (c) a scheme corresponding to the scheme mentioned in paragraph (b) under a law of a place other than Queensland.

### **117 Compensation recoverable if later paid under corresponding laws**

- (1) This section applies if, for an injury—
  - (a) an insurer has paid compensation under this Act to, or on account of, a person; and
  - (b) subsequently payment (by whatever name called) that corresponds to compensation under this Act is made to, or on account of, the person under an entitlement under another law for the injury.
- (2) The insurer may recover the amount paid as compensation under this Act from the person to whom, or on whose account, it was paid.
- (3) However, if the payments made to, or on account of, the person under the other law correspond only to compensation under chapter 4A, subsection (2) applies only to the extent of compensation paid under chapter 4 or 4A.

### **118 Condition on compensation application if compensation available under this Act and corresponding law**

- (1) This section applies if, for an injury, a person is entitled to—
  - (a) payment of compensation under this Act; and
  - (b) payment that corresponds to compensation payable under this Act under an entitlement under another law.

- (2) An application for compensation under this Act is duly made, and is to be acted on, only if the claimant gives the insurer the claimant's statutory declaration that—
  - (a) a claim for payment for the injury under the entitlement under the other law has not been made; and
  - (b) a claim mentioned in paragraph (a) will not be made.
- (3) However, if the person's entitlement under the other law relates only to payments corresponding to compensation under chapter 4A—
  - (a) subsection (2) does not apply; and
  - (b) an application for compensation under this Act is duly made, and is to be acted on, only if the claimant gives the insurer the claimant's statutory declaration about—
    - (i) whether or not the claimant has made a claim for payment for the injury under the entitlement under the other law; and
    - (ii) if the claimant has not made a claim for payment for the injury under the entitlement under the other law—whether or not the claimant intends to make the claim.

- (1) This section applies if, for an injury, there is—
  - (a) an entitlement to compensation; and
  - (b) an entitlement to recover damages against an employer or another person.
- (2) An entitlement to compensation ends when settlement for damages is agreed or judgment for damages is given.
- (3) However, an entitlement to compensation under chapter 4A for an injury ends only if—
  - (a) the damages include treatment, care and support damages; and

- (b) the worker accepts the treatment, care and support damages within the acceptance period.
- (4) To remove any doubt, it is declared that the ending, under subsection (3), of an entitlement to compensation under chapter 4A for an injury also stops any entitlement to compensation under chapter 4 for the injury.
- (5) In this section—
- accept*, for treatment, care and support damages, see section 232U.
- acceptance period*, for treatment, care and support damages, see section 232U.

*damages* includes damages under a legal liability existing independently of this Act, whether or not within the meaning of section 10.

### **168 Review of compensation and associated payments**

- (1) An insurer may, from time to time, review a person's entitlement to compensation.

- (2) On a review, the insurer may terminate, suspend, decrease or increase an entitlement.

*Note—*

See also chapter 4A, part 4 for reviews of entitlement to compensation under chapter 4A.

### **169 Review of weekly payments—worker under 18**

- (1) This section applies if a worker receiving weekly payments of compensation—
  - (a) was under 18 years when the injury was sustained; and
  - (b) a review takes place more than 12 months after the injury was sustained.
- (2) The worker's entitlement to weekly compensation may be increased from the date of the review.
- (3) The worker's future entitlement to weekly payment of compensation must be calculated having regard to the industrial instrument applying to the worker as if the worker were at work and the injury had not been sustained.
- (4) This section does not limit another provision of this chapter that provides for a review of the worker's entitlement.

### **170 Recovery of compensation overpaid**

- (1) This section applies if, for an application for compensation, payment has been made to a worker or another person of an amount that is more than the amount to which the worker or person is entitled.
- (2) The insurer may—
  - (a) recover from the worker or person the difference between the payment and the entitlement; or
  - (b) from time to time deduct from weekly payments of compensation that become payable to the worker, whether for that application or a subsequent application

---

for compensation, the difference between the payment and the entitlement, or any part of the difference.

- (3) If the overpayment has been made because of incorrect information given by a worker's employer, WorkCover may recover the overpaid amount from the employer.

## **Division 7                      Redemption of weekly payments**

### **171      Redemption—worker receiving weekly payments for at least 2 years**

- (1) This section applies if—
- (a) a worker has been receiving weekly payments of compensation for at least 2 years; and
  - (b) the insurer receives a report from a doctor that the worker's injury is not stable and stationary for the purposes of assessing permanent impairment.
- (2) The insurer's liability to make weekly payments of compensation may be discharged by a redemption payment to the worker in an amount agreed between the insurer and the worker.

### **172      Redemption—worker moves interstate**

- (1) This section applies if—
- (a) a worker receiving weekly payments of compensation moves interstate permanently; and
  - (b) the insurer receives a report from a doctor that the worker's injury is not stable and stationary for the purposes of assessing permanent impairment.
- (2) The insurer's liability to make weekly payments of compensation may be discharged by a redemption payment to the worker in an amount agreed between the insurer and the worker.

### **173 Redemption—worker moves abroad**

- (1) This section applies if a worker receiving weekly payments of compensation stops ordinarily residing in Australia.
- (2) The worker stops being entitled to compensation.
- (3) However, if the worker satisfies the insurer that the worker's incapacity resulting from the injury for which the compensation is payable is permanent, the worker is entitled to a redemption payment in an amount agreed between the insurer and the worker.
- (4) Subsection (2) does not apply to compensation under chapter 4A.

*Note—*

See section 232L(4)(b) and chapter 4A, part 6 for what happens in relation to a worker's compensation under chapter 4A if the worker is absent from Australia.

### **174 Calculation of redemption payment**

- (1) The amount of a redemption payment that the insurer may pay to a worker is an amount that is not more than the amount calculated under the following formula—

$$(156 \times Q) - TWP$$

- (2) In subsection (1)—

*Q* is 70% of QOTE.

*TWP* means the total weekly payments already paid to the worker.

### **175 Review of redemption payment**

- (1) If a worker asks, a redemption payment may be reviewed by the insurer within 12 months after the payment is made.
- (2) On a review, the insurer may decrease or, subject to section 174, increase the payment.

---

**176 No compensation after redemption payment made**

- (1) A worker to whom a redemption payment is made is not entitled to further compensation for the event after the amount of the payment is agreed or decided.
- (2) Subsection (1) does not apply to compensation under chapter 4A.

**Part 10 Entitlement to compensation  
for permanent impairment**

**Division 1 General statement**

**178 Entitlement to assessment of permanent impairment and  
lump sum compensation**

- (1) Under this part, an insurer or a worker is entitled to ask for an assessment to decide if a worker has sustained a DPI from injury.
- (2) If the worker is assessed under this part as having sustained a DPI, the worker is entitled to a payment, or an offer of payment, of lump sum compensation for the permanent impairment.
- (3) In particular circumstances, the worker may be entitled to a payment of additional lump sum compensation.

**Division 1A Advances on lump sum  
compensation**

**178A Advances on account**

- (1) This section applies if an insurer is satisfied that the worker—

- (a) has an entitlement to lump sum compensation for an injury; and
  - (b) the worker is experiencing financial hardship.
- (2) The insurer may from time to time advance to the worker amounts on account of lump sum compensation as it considers appropriate in the circumstances.
- (3) Acceptance of the amount on account of lump sum compensation by the worker does not constitute an election by the worker not to seek damages for the injury.

## **Division 2                      Assessment of permanent impairment**

### **179      Assessment of permanent impairment**

- (1) An insurer may decide, or a worker who has made an application under section 132 may ask the insurer, to have the worker's injury assessed to decide if the worker's injury has resulted in a degree of permanent impairment.
- (2) The insurer must have the degree of permanent impairment assessed—
- (a) for industrial deafness—by an audiologist; or
  - (b) for a psychiatric or psychological injury—by a medical assessment tribunal; or
  - (c) for another injury—by a doctor.
- (3) The degree of permanent impairment must be assessed in accordance with the GEPI to decide the DPI for the injury, and a report complying with the GEPI must be given to the insurer.
- (4) If the worker sustains permanent impairment from multiple injuries sustained in 1 event—
- (a) the degree of permanent impairment for the injuries, other than a psychiatric or psychological injury, must be assessed together to decide the DPI for the injuries; and

- (b) the degree of permanent impairment for the psychiatric or psychological injury must be assessed separately to decide the DPI for the injury.

## **180 Calculation of lump sum compensation**

- (1) If, as a result of an assessment under section 179, a worker is entitled to lump sum compensation, the amount of the lump sum compensation must be calculated under a regulation having regard to the DPI.
- (2) Without limiting subsection (1), lump sum compensation for injury must not include an amount for a degree of impairment attributable to—
  - (a) a condition existing before the injury; or
  - (b) a condition for which the worker is not entitled to compensation.
- (3) The amount of lump sum compensation is to be calculated as at the day the insurer makes an offer of lump sum compensation to the worker under section 187.

## **181 Regard to previous entitlement to lump sum compensation for injury other than industrial deafness**

- (1) This section applies if—
  - (a) a worker has previously had an entitlement to lump sum compensation for injury (other than industrial deafness) to a part of the worker's body; and
  - (b) the worker sustains a further injury to the same part of the body (the *later injury*).
- (2) Lump sum compensation under section 180 for the later injury must be reduced by the worker's previous entitlement.

### *Example—*

A worker loses the distal joint of the right index finger in a work related event and has an entitlement to lump sum compensation for the permanent impairment. The worker loses the remaining part of the right index finger in a subsequent work related event. The entitlement for the

second permanent impairment must be reduced by the entitlement from the first permanent impairment.

## **182 Regard to previous assessment for industrial deafness**

- (1) This section applies if—
  - (a) a worker has previously had an entitlement to lump sum compensation for industrial deafness; and
  - (b) the worker sustains further industrial deafness.
- (2) In deciding the lump sum compensation under section 180 for the further industrial deafness, the assessed percentage loss of hearing must be reduced by the previously assessed percentage loss of hearing.

## **183 Guidelines for assessing a worker's degree of permanent impairment and deciding DPI**

- (1) The Regulator must make guidelines for assessing a worker's degree of permanent impairment for an injury to decide the DPI for the injury.
- (2) The guidelines are to be called the Guidelines for Evaluation of Permanent Impairment.
- (3) The Regulator must publish the guidelines in the gazette.
- (4) The guidelines take effect—
  - (a) when published in the gazette; or
  - (b) if a later date is specified in the gazette—on the later date.
- (5) The Regulator must consult with the Minister before making or amending the guidelines.

---

## **Division 3                      Notification of assessment of permanent impairment**

### **184      Application of div 3**

This division applies if an assessment of permanent impairment of a worker's injury has been made under section 179.

### **185      Insurer to give notice of assessment of permanent impairment**

- (1) The insurer must, within 10 business days after receiving the assessment of the worker's permanent impairment, give the worker a notice of assessment in the approved form.
- (2) To remove any doubt, it is declared that if a worker sustains multiple injuries in an event, the insurer must give the notice only after the worker's DPI for all injuries has been decided.
- (3) The notice must state—
  - (a) whether the worker has sustained permanent impairment from the injury; and
  - (b) if the worker has sustained permanent impairment—
    - (i) the DPI for the injury; and
    - (ii) the amount of lump sum compensation under section 180 to which the worker is entitled for the injury; and
  - (c) if the worker is entitled to additional lump sum compensation under chapter 3, part 10, division 4—the worker's entitlement.

### **186      Worker's disagreement with assessment of permanent impairment**

- (1) This section applies if—

- (a) the worker's degree of permanent impairment has not been assessed by a medical assessment tribunal; and
  - (b) the worker does not agree with the degree of permanent impairment stated in the notice of assessment (the *original notice*).
- (2) The worker must advise the insurer within 20 business days after the original notice is given (the *decision period*) that the worker—
- (a) does not agree with the degree of permanent impairment; and
  - (b) requests—
    - (i) that the insurer has the worker's injury assessed again under section 179 by an entity mentioned in section 179(2) and agreed to by the worker and the insurer, (other than the entity that gave the report to the insurer under section 179(3)); or
    - (ii) that the insurer refer the question of degree of permanent impairment to a tribunal for decision.
- (3) If the worker makes a request mentioned in subsection (2)(b)(i), the insurer must decide, within 10 business days after receiving the request, whether to have the worker's injury assessed again under section 179 to decide if the worker's injury has resulted in a degree of permanent impairment.
- (4) If, under subsection (3), the insurer decides to have the worker's injury assessed again under section 179, the original notice is taken to have never been given.
- (5) If the insurer has the worker's injury assessed again under section 179, the worker can not make a further request mentioned in subsection (2)(b)(i).
- (6) If—
- (a) under subsection (3), the insurer decides not to have the worker's injury assessed again under section 179; or

(b) the worker makes a request mentioned in subsection (2)(b)(ii);

the insurer must refer the question of degree of permanent impairment to a medical assessment tribunal for decision.

(7) The degree of permanent impairment may then be decided only by a medical assessment tribunal.

### **187 Offer of lump sum compensation**

If the worker has an entitlement to lump sum compensation under section 180, the insurer must include, in the notice of assessment, an offer of lump sum compensation to the worker (the *offer*).

### **188 Worker's decision about lump sum compensation—DPI 20% or more**

(1) This section applies if—

(a) the worker has—

(i) a psychiatric or psychological injury from an event that results in a DPI of the worker of 20% or more; or

(ii) another injury from an event that results in a DPI of the worker of 20% or more; and

(b) the worker has an entitlement to lump sum compensation.

(2) The worker may accept or defer a decision about the offer by giving the insurer written notice within the decision period.

(3) The worker is taken to have deferred the decision if, within the decision period, the worker does not advise the insurer that—

(a) the offer is accepted; or

(b) the worker wants to defer the decision.

- (4) If the worker accepts the offer, the insurer must pay the worker the amount of lump sum compensation.

**189 Worker's decision about lump sum compensation—DPI less than 20% or no DPI**

- (1) This section applies if—
- (a) the worker—
    - (i) has—
      - (A) a psychiatric or psychological injury from an event that results in a DPI of the worker of less than 20%; or
      - (B) another injury from an event that results in a DPI of the worker of less than 20%; and
    - (ii) has an entitlement to lump sum compensation; or
  - (b) the worker has an injury that does not result in any DPI of the worker.
- (2) The insurer must also, when giving the notice of assessment—
- (a) give the worker a copy of sections 10, 237(3), 239, 240 and 316; and
  - (b) advise the worker that the worker must make an irrevocable election as to whether the worker—
    - (i) accepts the offer of payment of lump sum compensation; or
    - (ii) seeks damages for the injury.
- (3) The worker may accept, reject or defer a decision about the offer by giving the insurer written notice within the decision period.
- (4) The worker is taken to have deferred the decision if, within the decision period, the worker does not advise the insurer that the offer is accepted or rejected.
- (5) If the worker accepts the offer, the insurer must pay the worker the amount of lump sum compensation.

- (6) If the worker fails to give the insurer notice of the worker's election before the worker seeks damages for the injury, the worker is taken to have rejected lump sum compensation for the injury.
- (7) For subsection (6), the worker is taken to seek damages for the injury when the worker lodges a notice of claim under chapter 5.

## **190 No further compensation after fixed time**

- (1) This section applies to a worker who has been given a notice of assessment.
- (2) The worker is not entitled to further compensation for the injury after the first of the following happens—
  - (a) the worker notifies the insurer of the worker's decision about the offer within the decision period;
  - (b) 20 business days have passed since the worker received the offer.
- (3) This section does not limit the worker's entitlement to payment of—
  - (a) lump sum compensation under section 188(4) or 189(5); or
  - (b) additional compensation, if any, under division 4; or
  - (c) compensation under chapter 4A.

## **Division 4 Additional lump sum compensation**

### **191 Application of div 4**

This division applies only if a worker's DPI has been decided.

**192 Additional lump sum compensation for workers with DPI of 30% or more**

- (1) This section applies if a worker sustains an injury that results in a DPI of 30% or more.
- (2) The worker is entitled to additional lump sum compensation of up to \$218400 for the injury, payable according to a graduated scale prescribed under a regulation.
- (3) However, the worker is not entitled to additional lump sum compensation if the DPI arises from—
  - (a) a psychiatric or psychological injury; or
  - (b) combining a psychiatric or psychological injury and another injury.

**193 Additional lump sum compensation for gratuitous care**

- (1) This section applies if a worker sustains an injury that results in—
  - (a) a DPI of 15% or more; and
  - (b) a moderate to total level of dependency on day to day care for the fundamental activities of daily living.
- (2) The worker is entitled to additional lump sum compensation only if—
  - (a) day to day care for the fundamental activities of daily living is to be provided at the worker's home on a voluntary basis by another person; and
  - (b) the worker resides at home on a permanent basis; and
  - (c) the level of care required was not provided to the worker before the worker sustained the impairment; and
  - (d) the worker physically demonstrates the level of dependency mentioned in subsection (1)(b).
- (3) However, a worker is not entitled to additional lump sum compensation if the DPI arises from—
  - (a) a psychiatric or psychological injury; or

- 
- (b) combining a psychiatric or psychological injury and another injury.
  - (4) The insurer must ask that a registered occupational therapist assess the worker's level of dependency resulting from the impairment in the way prescribed under a regulation.
  - (5) The occupational therapist must give the insurer an assessment report stating—
    - (a) the matters the therapist took into account, and the weight the therapist gave to the matters, in deciding the worker's level of dependency; and
    - (b) any other information prescribed under a regulation.
  - (6) The insurer must decide the amount of the worker's entitlement to additional compensation of up to \$226,555, payable according to a graduated scale prescribed under a regulation, having regard to—
    - (a) the worker's DPI; and
    - (b) the worker's level of dependency; and
    - (c) any other information prescribed under a regulation.
  - (7) If the worker does not agree with the level of dependency assessed under subsection (4), the insurer must refer the matter of the worker's level of dependency to the General Medical Assessment Tribunal for decision.
  - (8) In this section—

*home*, of a worker, means a private dwelling where the worker usually resides.

### **193A Additional lump sum compensation for particular workers**

- (1) This section applies to a worker who sustained an injury on or after 15 October 2013 and before 31 January 2015, if—
  - (a) the worker's injury—
    - (i) results in a DPI of 5% or less; and

- (ii) is not a terminal condition; and
  - (b) the worker has not accepted or rejected an offer of lump sum compensation from an insurer under section 189.
- (2) The worker is entitled to additional lump sum compensation for the injury—
  - (a) up to an amount prescribed by regulation; and
  - (b) subject to the conditions prescribed by regulation.
- (3) A regulation may provide for the establishment of a panel of appropriately qualified persons to review a decision of an insurer about whether a worker is entitled to additional lump sum compensation under this section.

## **Part 11                      Compensation on worker's death**

### **194      Application and object of pt 11**

- (1) This part applies if a worker dies because of an injury.
- (2) However, this part does not apply if—
  - (a) a worker dies because of a latent onset injury that is a terminal condition; and
  - (b) the worker had received a payment of lump sum compensation or damages for the latent onset injury under this Act, another Act or a law of another State or the Commonwealth.
- (3) The object of this part is to provide for payment by an insurer of—
  - (a) particular expenses arising from the worker's injury and death; and
  - (b) compensation to persons having an entitlement to compensation under this part.

---

**195 Definition for pt 11**

In this part—

*student* means a person who is under 21 years and receiving full-time education at a school, college, university or similar institution.

**196 To whom payments made for death of worker**

- (1) Compensation for the death of a worker is payable—
  - (a) to the worker's legal personal representative; or
  - (b) if there is no legal personal representative—
    - (i) so far as the payment is by way of expenses to which a person is entitled—to the person who has incurred the expenses; or
    - (ii) so far as the payment is by way of compensation to the worker's dependants—to the dependants entitled to compensation.
- (2) The worker's legal personal representative must pay or apply the compensation to or for the benefit of the worker's dependants or other persons entitled to compensation.

**197 Total and partial dependants**

If compensation is payable for the death of a worker who is survived by persons totally dependent on the worker and persons partially dependent on the worker, the compensation may be apportioned between the total dependants and the partial dependants.

**198 Dependant's compensation payable to public trustee**

An insurer may pay an amount of compensation payable to the worker's dependant to the public trustee for the dependant's benefit.

## **199 Medical and funeral expenses must be paid by insurer**

An insurer must pay the reasonable expenses—

- (a) of the medical treatment of, or attendance on, the worker; and
- (b) the worker's funeral.

## **200 Total dependency**

- (1) This section applies if at least 1 of the worker's dependants was, at the time of the worker's death, totally dependent on the worker's earnings.
- (2) The amount of compensation payable for the worker's dependants is—
  - (a) if the worker has left dependent members of the worker's family, for the members—\$374,625; and
  - (aa) if the worker has left a totally dependent spouse, for the spouse—\$10,000; and
  - (ab) if the worker has left a totally dependent spouse and dependent members of the worker's family who are under 6, for the spouse—a weekly amount equal to 8% of QOTE while a dependent member is under 6; and
  - (b) if the worker has left a totally dependent spouse and dependent members of the worker's family who are under 16 or are students, for each member other than the spouse—\$20,000; and
  - (c) if the worker has left dependent members of the worker's family or a child of the worker's spouse who was totally dependent on the worker's earnings and who are under 16 or students, for each member or child—a weekly amount equal to 10% of QOTE while the member or child is under 16 or a student.

---

## 201 Partial dependency

- (1) This section applies if all of the worker's dependants were, at the time of the worker's death, partially dependent on the worker's earnings.
- (2) The amount of compensation payable for the worker's dependants is—
  - (a) if the worker has left dependent members of the worker's family, for the members—an amount the insurer considers is reasonable and proportionate to the monetary value of the loss of dependence by the dependants; and
  - (b) if the worker has left dependent members of the worker's family or a child of the worker's spouse who was partially dependent on the worker's earnings and who are under 16 or students, for each member or child—a weekly amount equal to 7% of QOTE while the member or child is under 16 or a student.
- (3) However, the amount payable under subsection (2)(a)—
  - (a) must not be less than 15% of the amount payable under section 200(2)(a); and
  - (b) must not be more than the amount payable under section 200(2)(a).

## 201A Worker with non-dependent spouse, issue or next of kin

- (1) This section applies if a worker left no dependants but is survived by any of the following—
  - (a) a spouse;
  - (b) issue within the meaning of the *Succession Act 1981*;
  - (c) next of kin within the meaning of the *Succession Act 1981*.
- (2) The amount of compensation payable to the worker's estate is 10% of the amount payable under section 200(2)(a).

## **202 Workers under 21**

- (1) This section applies if the worker—
  - (a) was under 21; and
  - (b) is survived by a parent ordinarily resident in Australia but left no dependants.
- (2) The amount of compensation payable to the parent is \$22,500.
- (3) If more than 1 parent is entitled to compensation—
  - (a) the total amount of compensation payable to the parents is \$22,500; and
  - (b) the amount payable to each parent is to be decided by the insurer.

## **204 Reduced compensation if dependant dies before payment made**

- (1) This section applies if the worker is survived by a dependant who dies before payment of compensation is made for the dependant's benefit.
- (2) For this section, the dependant is taken to have died before the worker.
- (3) However, compensation for the period starting on the day of the worker's death and ending on the day of the dependant's death is payable to the dependant's legal personal representative for the benefit of the dependant's estate.
- (4) The amount of the compensation is a weekly payment under this section.
- (5) If the dependant was a spouse who was totally dependent on the worker's earnings, the payment is, for each week, 14% of QOTE.
- (6) If the worker has left no surviving spouse and the dependant was a member of the worker's family who was totally dependent on the worker's earnings and was caring for—
  - (a) another member of the worker's family who was totally dependent on the worker's earnings; or

(b) the worker's child or stepchild who was under 16 or a student;

the payment is, for each week, 14% of QOTE.

(7) If the dependant was a member of the worker's family or a child of the worker's spouse who was under 16 or a student and was totally dependent on the worker's earnings, the payment is, for each week, 7% of QOTE.

## **Part 12                      Automatic variation of    compensation payable**

### **205      Variation of payments for injuries**

- (1) If QOTE varies, each payment or amount under part 3, division 4 or part 6, 10 or 11 that is not expressed as a percentage of QOTE must be varied proportionately.
- (2) An amount varied under subsection (1) is to be rounded up to the nearest \$5.
- (3) The Regulator must notify a variation under this section.
- (4) The Regulator's notice is subordinate legislation.

### **206      Construing entitlements in light of variation**

- (1) This section applies if an amount is varied under section 205.
- (2) An entitlement to an amount mentioned in section 205 is to be construed as an entitlement to the payment or amount as varied for the time being under section 205.
- (3) A reference in part 3, division 4 or part 6, 10 or 11 to the amount is to be construed as a reference to the amount as varied for the time being under section 205.

## **207 Application of part to existing benefits**

- (1) This part applies to a benefit being paid and an entitlement accrued under a former Act as if they were a benefit paid or an entitlement accrued under this Act.
- (2) For subsection (1), the reference in section 206(3) of this Act to part 6, 10 or 11 is to be construed as a reference to the corresponding provision of the former Act under which an entitlement arose.

# **Chapter 3A Compensation claim costs**

## **207AA Definition for ch 3A**

In this chapter—

*worker* includes a person to whom compensation is payable under this Act for injury.

## **207A Insurer may recover costs of reports from third party**

- (1) This section applies if an insurer incurs costs in obtaining reports, other than legal reports, while managing a claim for compensation in which an injury to a worker created a legal liability in a person to pay damages for the injury independently of this Act.

*Examples of reports—*

- medical reports
- traffic incident reports

- (2) The insurer—
  - (a) is entitled to be indemnified by the person for a reasonable proportion of the costs reasonably incurred by the insurer in obtaining the reports; and

- (b) may recover from the person as a debt a reasonable proportion of the costs reasonably incurred by the insurer in obtaining the reports.
- (3) In deciding what is a reasonable proportion of the costs for subsection (2), a court must consider the extent to which the report is used for the purposes of managing the claim or deciding liability.
- (4) In this section—  
*report* includes advice.

### **207B Insurer's charge on damages for compensation paid**

- (1) This section applies to—
  - (a) an injury sustained by a worker in circumstances creating—
    - (i) an entitlement to compensation; and
    - (ii) a legal liability in the worker's employer, or other person, to pay damages for the injury, independently of this Act; and
  - (b) damages that an employer is not indemnified against under this Act.
- (2) An amount paid as compensation to a person for an injury, to which there is an entitlement to payment of damages at a time or for a period before the person becomes entitled to payment of damages by an employer or another person, is a first charge on any amount of damages recovered by the person to the extent of the amount paid as compensation to the person.
- (3) Subsection (2) applies to compensation paid under chapter 4A only if the damages include treatment, care and support damages.
- (4) An employer or other person from whom the damages are recoverable must pay the insurer the amount of the first charge or, if the damages are not more than the amount of the first charge, the whole of the damages.

[s 207B]

---

- (5) Payment to the insurer under subsection (4), to the extent of the payment, satisfies the liability of the employer or other person for payment of the damages.
- (6) A person can not settle, for a sum less than the amount that is a first charge on damages under subsection (2), a claim for damages had by the person independently of this Act for an injury to which there is an entitlement to payment of damages without the insurer's written consent.
- (7) If, without the insurer's consent, a settlement mentioned in subsection (6) is made, then to the extent that the damages recovered are insufficient to meet all payments due to the insurer under this section—
  - (a) the insurer is entitled to be indemnified by the employer or other person who is required by the settlement to pay the damages; and
  - (b) to that end, the insurer is subrogated to the rights of the person who has sought the damages, as if the settlement had not been made.
- (8) If a person who has received compensation has not recovered, or taken proceedings to recover, damages for the injury from another person, other than the worker's employer—
  - (a) the insurer is entitled to be indemnified for the amount of the compensation by the other person to the extent of that person's liability for the damages, so far as the amount of damages payable for the injury by that person extends; and
  - (b) to that end, the insurer is subrogated to the rights of the person for the injury.

- 
- (b) otherwise—that the worker's entitlement to treatment, care and support payments for the worker's injury or injuries ends—
- (i) when the interim period ends; or
  - (ii) at the start of an earlier day decided by the insurer.
- (5) If the worker has multiple injuries resulting from the same event, the insurer's decision under subsection (4) must be made in relation to the worker's serious personal injury even though the worker may not need treatment, care or support for the other injuries for the rest of the period decided under the subsection.
- (6) Within 10 business days after making a decision under subsection (4), the insurer must give the worker written notice of the decision.

---

### **232ZG Reviewing support plan or service request approval**

  - (b) make any amendments to the plan or approval the insurer considers appropriate.
- (3) Without limiting subsection (2), the insurer may amend the approved services for the worker by—

- (a) removing or rescheduling any treatment, care or support that is to be provided in Australia while the worker is absent from Australia; or
  - (b) including any treatment, care or support that is to be provided outside Australia while the worker is absent from Australia, if the insurer considers the treatment, care or support should be, wholly or partly, paid for under this chapter, having regard to the following matters—

  - (b) the worker's prospects of improvement or rehabilitation.
- (2) The worker's entitlement to treatment, care and support payments may be suspended for all or part of the period the worker is absent from Australia.

*Note—*

See section 232L(4) for the effect of a worker's entitlement to treatment, care and support payments being suspended under this section.

- (4) The notice—
- (a) must state the period of the suspension; and

*Note—*

See, for example, section 232V(3) which provides that a worker required under section 232V to elect to seek treatment, care and support damages for an injury who does not make the election is not entitled to seek treatment, care and support damages for the injury.

- (3) If a worker—
  - (a) is required under section 239 to make an election to seek damages for an injury; and
  - (b) has accepted an offer of payment of lump sum compensation under chapter 3, part 10, division 3 for the injury;the worker is not entitled to seek damages.
- (4) However, subsection (3) does not prevent a worker from seeking damages under section 266.
- (5) To remove any doubt, it is declared that subsection (1) abolishes any entitlement of a person not mentioned in the subsection to seek damages for an injury sustained by a worker.

## **238 Worker with terminal condition**

- (1) This section applies to a worker who has a terminal condition and wishes to seek damages.
- (2) The following provisions of this chapter do not apply to the worker—
  - (a) section 239;
  - (b) part 2, division 4;
  - (c) section 267(2) or (3);
  - (d) part 6, other than section 293;
  - (e) part 7, other than sections 300 to 302.
- (3) However, this section does not stop the worker from voluntarily complying with the provisions mentioned in subsection (2).

**239 Worker who is required to make election to seek damages**

- (1) This section applies if a worker's notice of assessment states that the worker's DPI is less than 20%.
- (2) If, in the notice of assessment, the worker is offered a payment of lump sum compensation under chapter 3, part 10, division 3 for the injury, the worker is not entitled to both—
  - (a) payment of lump sum compensation for the injury; and
  - (b) damages for the injury.
- (3) If, in the notice of assessment, the worker is required to make an election to seek damages for the injury, the worker can not change the worker's election—
  - (a) if the worker has elected to seek damages for the injury—after notice of the election is given to the insurer; or
  - (b) if the worker is taken, under section 189(7), to have elected to seek damages for the injury—after the worker lodges a notice of claim.

**239A Worker with more than 1 injury from an event**

- (1) This section applies to a claimant who is a worker mentioned in section 237(1)(a)(ii).
- (2) The claimant can not have, and the insurer can not decide to have, the injury assessed under chapter 3, part 10 to decide if the claimant has sustained a DPI.
- (3) The insurer can not decide the claimant's notice of claim does not comply with section 275 only because the claimant has not received a notice of assessment for the injury.
- (4) However, the claimant may seek damages for the injury only if the insurer decides the claimant has sustained an injury.
- (5) The insurer must make a decision for subsection (4) within 40 business days after—

- 
- (a) the claimant gives, or is taken to have given, a complying notice of claim; or
  - (b) the claimant gives a notice of claim for which the insurer waives compliance with the requirements of section 275 with or without conditions; or
  - (c) a court makes a declaration under section 297.
- (6) The insurer must—
- (a) notify the claimant of its decision for subsection (4); and
  - (b) if the insurer decides the claimant has not sustained an injury—give the claimant written reasons for the decision; and
  - (c) if the insurer is WorkCover—also give the information mentioned in paragraphs (a) and (b) to the claimant's employer.
- (7) If the insurer does not make a decision for subsection (4) within the time stated in subsection (5)—
- (a) the insurer must, within 5 business days after the end of the time stated in subsection (5), notify the claimant—
    - (i) of its reasons for not making the decision; and
    - (ii) that the claimant may have the insurer's failure to make the decision reviewed under chapter 13; and
  - (b) the claimant may have the insurer's failure to make the decision reviewed under chapter 13.
- (8) A person aggrieved by the insurer's decision may have the decision reviewed under chapter 13.

## **Division 2                      Consequences, to costs, of seeking damages**

### **240      Consequences, to costs, of seeking damages**

- (1) If the claimant is a worker who does not have a terminal condition and the claimant's notice of assessment states that

[s 241]

---

the claimant's DPI is 20% or more, part 12, division 1 applies in relation to costs in the claimant's proceeding for damages.

- (2) If the claimant is a worker who does not have a terminal condition and the claimant's notice of assessment states that the claimant's DPI is less than 20%, part 12, division 2 applies in relation to costs in the claimant's proceeding for damages.
- (3) If the claimant is a worker who has a terminal condition, part 12, division 1 applies in relation to costs in the claimant's proceeding for damages.
- (4) If the claimant is a dependant, part 12, division 1 applies in relation to costs in the claimant's proceeding for damages.

## **Division 3                      Urgent proceedings**

### **241      Application of div 3**

This division applies to a claimant who is a person mentioned in section 237(1).

### **242      Need for urgent proceedings**

- (1) This section applies in relation to an urgent need for the claimant to start a proceeding for damages.
- (2) Section 276 provides a way for the claimant to satisfy section 302(2).
- (3) Also, the claimant may, under section 298, seek leave to start a proceeding for damages for an injury without complying with section 275.
- (4) However, if the leave mentioned in subsection (3) is given, a proceeding started by leave is stayed until the claimant complies with section 275.

---

**Division 4**                      **Review of worker's decision to accept payment of lump sum compensation for injury—DPI of less than 20%**

**265**      **Application of div 4**

This division applies if—

- (a) a worker has elected, under section 189, to accept payment of lump sum compensation for an injury; and
- (b) the worker has been assessed under chapter 3, part 10 as having sustained a DPI of less than 20%.

**266**      **Decision not to seek damages reviewable in certain circumstances**

- (1) The worker may ask the insurer to consider fresh medical evidence about the worker's injury but only—
  - (a) to satisfy the insurer of the matters mentioned in subsection (7) for the purpose of seeking damages for the injury; and
  - (b) within the period mentioned in section 302(1).
- (2) The insurer is required to consider the medical evidence only if the worker satisfies the insurer that—
  - (a) when the worker's DPI was decided under section 179, there was no reason to believe that there would be a material deterioration of the worker's injury; and
  - (b) the further material deterioration is a deterioration of the injury for which the worker was assessed and accepted payment of lump sum compensation under section 189; and
  - (c) the medical evidence—
    - (i) was not available when the worker's DPI was previously decided or when the worker made the election not to seek damages; and

- (ii) establishes there has been a further material deterioration of the worker's injury that has resulted in an additional DPI of 10% or more.
- (3) If the insurer rejects the evidence, the insurer must refer the evidence to a review panel for review.
- (4) The review panel must consider the medical evidence produced by the worker and may accept or reject the evidence.
- (5) A decision of the review panel is final and may not be appealed against.
- (6) If the insurer or the review panel accepts the medical evidence, the insurer must refer the question of degree of permanent impairment to an appropriate medical assessment tribunal for decision.
- (7) The worker may seek damages for the injury if the insurer is satisfied that—
  - (a) the worker's further material deterioration has resulted in an additional DPI of 10% or more; and
  - (b) the deterioration is a deterioration of the injury for which the worker has accepted payment of lump sum compensation; and
  - (c) the deterioration does not arise from combining a psychiatric or psychological injury with another injury; and
  - (d) the additional DPI, when added to the worker's previous DPI, results in a DPI of the worker of 20% or more.
- (8) In this section—

***review panel*** means a panel consisting of the chairperson or deputy chairperson of the General Medical Assessment Tribunal and a member of an appropriate medical assessment tribunal.

- (b) give details of any attempts made by the applicant to resolve the matter in dispute.
- (6) The fees and expenses of the mediator are to be paid as agreed between the parties or, in the absence of agreement, by the parties in equal proportions.
- (7) The insurer must make rehabilitation available to the worker, and the worker must satisfactorily participate in the rehabilitation, in sufficient time to enable the insurer and the worker to comply with parts 5, 6 and 7.
- (8) This section does not apply to a worker for any period for which the worker is entitled to compensation under chapter 4A, including any period for which the entitlement is suspended under section 232ZH.

## **269 Costs of rehabilitation**

- (1) If an insurer intends to ask a court to take the cost of rehabilitation into account in the assessment of damages payable to a worker, the insurer must, before providing the rehabilitation, give the worker a written statement estimating the cost of the rehabilitation.
- (2) The insurer must bear, or reimburse, the cost of providing the rehabilitation, unless the insurer's liability for the cost is reduced—
  - (a) by agreement with the worker; or
  - (b) by order of the court.
- (3) The cost to the insurer of providing the rehabilitation is to be taken into account in the assessment of damages on the claim if, and only if, the insurer gave the statement mentioned in subsection (1).
- (4) The following applies if the cost of rehabilitation is to be taken into account in the assessment of damages—
  - (a) the damages are first assessed, without reduction for contributory negligence, on the assumption that the worker has incurred the cost of the rehabilitation;

- (b) then, any reduction of the damages assessed, on account of contributory negligence, is made;
- (c) then, the total cost of rehabilitation is set off against the amount assessed under paragraph (b).

*Example—*

Suppose that responsibility for an injury is apportioned equally between the worker and the insurer. Damages (exclusive of the cost of rehabilitation) before apportionment are fixed at \$100,000. The insurer has spent \$5000 on rehabilitation. In this case, the worker's damages will be assessed under paragraph (a) at \$105,000 (that is, as if the worker had incurred the \$5000 rehabilitation expense) and reduced to \$52,500 under paragraph (b), and the \$5000 spent by the insurer on rehabilitation will be set off against this amount, resulting in a final award of \$47,500.

- (5) If an insurer is induced by a worker's fraud to provide rehabilitation to the worker—
  - (a) if the insurer is WorkCover—WorkCover may recover the cost of providing the rehabilitation, as a debt, from the worker; or
  - (b) if the insurer is a self-insurer—the Regulator may recover, on behalf of the self-insurer, the cost of providing the rehabilitation, as a debt, from the worker.

## **Part 4                      Reduction of recoverable damages**

### **270      When damages are to be reduced**

- (1) The amount of damages that an employer is legally liable to pay to a claimant for an injury must be reduced by the total amount paid or payable by an insurer by way of compensation for the injury.
- (2) However, subsection (1) applies to compensation paid or payable under chapter 4A only if the damages include treatment, care and support damages.

[s 271]

---

- (3) Also, the amount of damages must not be reduced by an amount paid under section 193.
- (4) This section does not limit the reduction of the amount of the damages by any other amount that the insurer or the claimant is legally liable to pay on account of the worker under another law.

## **271 Assessment by court of total liability for damages**

- (1) This section applies if—
  - (a) damages are awarded for an injury; or
  - (b) damages are to be paid in settlement of a claim for an injury.
- (2) To establish the reduction under section 270(1) in damages for compensation paid, the claimant or insurer may apply to—
  - (a) the court in which the proceeding is brought; or
  - (b) if a proceeding has not been started—the Industrial Magistrates Court.
- (3) The court's decision is binding on the insurer and all persons entitled to payment by the insurer for the injury.

## **Part 5 Pre-court procedures**

### **273 Object of pt 5**

The object of this part is to facilitate the just and expeditious resolution of the real issues in a claim for damages at a minimum of expense.

---

## **274 Overriding obligations of parties**

- (1) In accordance with the object of this part, this part is to be applied by the parties to avoid undue delay, expense and technicality and to facilitate the object.
- (2) A party impliedly undertakes to other parties to proceed in an expeditious way.
- (3) A court may impose appropriate sanctions if a party does not comply with a provision of this part.

- (1) Before starting a proceeding in a court for damages, a claimant must give notice under this section within the period mentioned in section 302(1).
- (2) The claimant must—
  - (a) give the notice of claim in the approved form to the insurer at the insurer's registered office; and
  - (b) if the worker's employer is not a self-insurer, give a copy of the notice of claim to the worker's employer.
- (3) The notice must include the particulars prescribed under a regulation.
- (4) The claimant must state in the notice—
  - (a) whether, and to what extent, liability expressed as a percentage is admitted for the injury; or
  - (b) a statement of the reasons why the claimant can not admit liability.

*Note—*

See also section 232V.

- (5) Any statement made by the claimant in the notice that is in the claimant's personal knowledge must be verified by statutory declaration.

[s 275]

---

- (6) The notice must be accompanied by a genuine offer of settlement or a statement of the reasons why an offer of settlement can not yet be made.
- (7) The notice must be accompanied by the claimant's written authority allowing the insurer to obtain information, including copies of documents relevant to the claim, and in the possession of—

  - (f) a department, agency or instrumentality of the Commonwealth or the State; or
  - (g) a solicitor, other than where giving the information or documents would breach legal professional privilege.
- (8) The notice must also be accompanied by copies of all documents supporting the claim including, but not limited to—
  - (a) hospital, medical and other reports relating to the injury sustained by the worker, other than reports obtained by or on behalf of the insurer; and
  - (b) income tax returns, group certificates and other documents for the 3 years immediately before the injury supporting the claimant's claim for lost earnings or diminution of income-earning capacity; and

- (c) invoices, accounts, receipts and other documents evidencing the claimant's claim for out-of-pocket expenses; and
- (d) for a claimant other than a worker with a terminal condition or a dependant—the notice of assessment for the injury sustained by the worker.

## **276 Noncompliance with s 275 and urgent proceedings**

- (1) The purpose of this section is to enable a claimant to avoid the need to bring an application under section 298.
- (2) Without limiting section 297 or 298, if the claimant alleges an urgent need to start a proceeding for damages despite noncompliance with section 275, the claimant must, in the claimant's notice of claim—

  - (b) ask the insurer to waive compliance with the requirements of section 275.
- (3) The claimant's lawyer may sign the notice of claim on the claimant's behalf if it is not reasonably practicable for the claimant to do so.

- (6) If the insurer agrees that there is an urgent need to start a proceeding for damages, the insurer may, in the advice to the claimant under subsection (5), impose the conditions the insurer considers necessary or appropriate to satisfy the insurer to waive compliance under section 278(2)(b).

[s 277]

---

- (7) The claimant must comply with the conditions within a reasonable time that is agreed between the insurer and the claimant.
- (8) The claimant's agreement to comply with the conditions is taken to satisfy section 302(2)(a)(ii).

**277 Claimant to tell insurer of change to information in notice of claim**

- (1) The claimant must give the insurer written notice of any significant change in relation to the information given in the notice of claim.
- (2) The notice must also state the date of, and reasons for, the change in the information.

**278 Response to notice of claim**

- (1) This section applies if a notice of claim is given to an insurer.
- (2) The insurer must, within 10 business days after receiving the notice, give the claimant written notice—
  - (a) stating whether the insurer is satisfied that the notice of claim is a complying notice of claim; and
  - (b) if there is an urgent need to start a proceeding—stating that the insurer is only willing to waive compliance with the requirements if the claimant agrees to satisfy conditions imposed by the insurer under section 276; and
  - (c) if the insurer is not so satisfied—identifying the noncompliance and stating whether the insurer waives compliance with the requirements; and
  - (d) if the insurer does not waive compliance with the requirements—allowing the claimant a reasonable period of at least 10 business days either to satisfy the insurer that the claimant has complied with the requirements or to take reasonable action to remedy the noncompliance; and

- 
- (e) stating whether the insurer is prepared, without admitting liability on the claim, to meet the cost of the claimant's reasonable and appropriate rehabilitation.
- (3) If the insurer is not prepared to waive compliance with the requirements in the first instance, the insurer must, within 10 business days after the end of the period specified in subsection (2)(d), give the claimant written notice stating that—

- (5) The insurer must, within 5 business days after receiving a complying notice of claim or waiving noncompliance with the requirements of section 275, advise the employer or employers against whom negligence is alleged.

### **278A Insurer may add other person as contributor**

- (1) An insurer who receives a notice of claim may, within the time prescribed under a regulation or, if no period is prescribed, within 20 business days after receiving the notice of claim, add someone else as a contributor for the purposes of this part by giving the person a written notice (*contribution notice*)—

[s 278B]

- (a) containing a statement of information prescribed under a regulation; and
  - (b) accompanied by any documents that may be prescribed under a regulation.
- (2) The contributor's response must also state—

  - (c) the insurer or contributor believes would meet the requirements of the *Right to Information Act 2009*, schedule 3.
- (4) Subsection (3) applies even if the information or document would, if the subsection did not apply, have to be disclosed under subsection (2).
- (5) Also, WorkCover or an employer is not obliged to disclose the estimate of damages calculated by WorkCover for the purpose of premium setting under chapter 2, part 3.

## **285 Consequence of failure to give information**

- (1) This section applies if a party fails to comply with a provision of this chapter requiring the party to disclose a document to another party.

[s 286]

---

- (2) The document can not be used by the party in a subsequent court proceeding for the claim, or the deciding of the claim, unless the court orders otherwise.
- (3) If the document comes to the other party's knowledge, the document may be used by the other party.

## **286 Privilege and duties**

Subject to this Act, information and documents disclosed under this chapter are protected by the same privileges, and are subject to the same duties, as if disclosed in a proceeding before the Supreme Court.

## **287 Court's power to enforce compliance with chapter**

If a party fails to comply with a provision of this chapter, a court may order the party to comply with the provision, and may make consequential or ancillary orders that may be necessary or desirable in the circumstances of the case.

# **Part 6 Settlement of claims**

## **Division 1 Compulsory conference**

### **288 Application of div 1**

This division does not apply to a claim that is otherwise settled by negotiation between the parties.

### **289 Compulsory conference**

- (1) Before the claimant starts a proceeding for damages, there must be a conference of the parties (the *compulsory conference*).

- (2) Any party may call the compulsory conference.
- (3) The compulsory conference must be held within 3 months after the insurer gives the claimant a written notice under section 281.
- (4) However, if the parties agree, the conference may be held at a later date.
- (5) If the insurer is WorkCover, WorkCover must advise the worker's employer of the time and place of the compulsory conference.
- (6) On application by a party, the court—
  - (a) may—
    - (i) fix the time and place for the compulsory conference; or
    - (ii) dispense with the compulsory conference for good reason; and
  - (b) may make any other orders the court considers appropriate.
- (7) In considering whether to dispense with the compulsory conference, the court must take into account the extent of compliance by the parties with their respective obligations in relation to the claim.
- (8) The claimant in person, a person authorised to settle on the insurer's behalf and a person authorised to settle on behalf of any contributor must attend the conference and actively participate in an attempt to settle the claim, unless the claimant or person has a reasonable excuse.
- (9) If it would be unreasonable for all parties to attend at the same place, for example, because of distance or illness, the conference may be conducted by telephone conferencing, videoconferencing or another form of communication that allows reasonably contemporaneous and continuous communication between the parties.

## **290 Procedure at conference**

- (1) The compulsory conference may be held with a mediator if all parties agree.
- (2) An agreement that the compulsory conference is to be held with a mediator must specify how the costs of the mediation are to be borne.
- (3) The mediator must be a person independent of the parties—
  - (a) agreed to by the parties; or
  - (b) nominated by the registrar of the court on application under subsection (4).
- (4) If the parties are unable to agree on the appointment of a mediator within 21 business days after the date for the compulsory conference is fixed, any party may apply to the registrar of the court for the nomination of a mediator.

## **290A Exchange of material for compulsory conference**

- (1) At least 5 business days before the compulsory conference is to be held, each party must give each other party—
  - (a) copies of all documents not yet given to the party that are relevant and required to be given for the claim; and
  - (b) a statement verifying that all relevant documents in the possession of the party or the party's lawyer have been given as required; and
  - (c) details of the party's legal representation; and
  - (d) if the party has legal representation—a certificate (a *certificate of readiness*) signed by the party's lawyer to the effect that the party is ready for the conference.
- (2) A certificate of readiness must state that—
  - (a) the party is completely ready for the conference; and
  - (b) all investigative material required for the conference has been obtained, including witness statements from persons, other than expert witnesses; and

- (c) medical or other expert reports have been obtained from all persons the party proposes to rely on as expert witnesses at the conference; and
  - (d) the party has complied fully with the party's obligations to give all other parties material that is relevant and required to be given for the claim; and
  - (e) the party's lawyer has given the party a statement (a *financial statement*) containing the information required under subsection (3).
- (3) A financial statement must state—
- (a) details of the legal costs payable by the party to the party's lawyer up to the completion of the conference; and
  - (b) an estimate of the party's likely legal costs and net damages if the claim proceeds to trial and is decided by the court; and
  - (c) an estimate of the party's likely legal costs and net damages if the claim is settled without proceeding to trial; and
  - (d) the consequences to the party, in terms of costs, in each of the following cases if the claim proceeds to trial and is decided by the court—
    - (i) the amount of the damages awarded by the court is equal to, or more than, the claimant's written final offer;
    - (ii) the amount of the damages awarded by the court is less than the claimant's written final offer but equal to, or more than, the insurer's written final offer;
    - (iii) the claim is dismissed, the court makes no award of damages or the amount of the damages awarded by the court is equal to, or less than, the insurer's written final offer.
- (4) If the insurer is WorkCover, WorkCover must give a copy of the certificates of readiness and WorkCover's costs statement

to the worker's employer at least 5 business days before the compulsory conference.

**291 Information to be given by party's lawyer before other type of settlement attempted**

Before settlement of a claim is attempted in a way other than by a compulsory conference, each party's lawyer must give the party a statement (also a *financial statement*) containing the information mentioned in section 290A(3).

**292 Parties to make written final offers if claim not settled at compulsory conference**

- (1) This section applies to the following (each a *claim*)—
  - (a) a claim made by the claimant against another party;
  - (b) a contribution claim relating to the claim made by the claimant.
- (2) If a claim is not settled at a compulsory conference, each party that has legal capacity to settle the claim must ensure that it makes a written final offer or written final offers at the conference to another or other parties at the conference that would dispose of the claim if the offer or offers were accepted.
- (3) Any 2 or more parties may make a joint written final offer to another party.
- (4) Before a joint written final offer is made, the parties making the offer must give the party to whom the offer is to be given sufficient notice of the fact that a joint written final offer will be made to enable the party to appropriately respond.
- (5) Also, if more than 1 claim is the subject of the compulsory conference, a written final offer may be a consolidated written final offer for all the claims made by the claimant.
- (6) A consolidated written final offer must cover all contribution claims relating to all the claims made by the claimant to the

extent the party making the offer has legal capacity to settle the contribution claims.

- (7) A consolidated written final offer must detail the portion of the offer applicable to each claim.
- (8) A consolidated written final offer can only be accepted or rejected in full.
- (9) A written final offer must remain open for 10 business days and proceedings must not be started while the offer remains open.
- (10) If the claimant or insurer brings a proceeding in a court for a claim, the claimant or insurer must, at the start of the proceeding, file at the court a sealed envelope containing a copy of the claimant's or insurer's written final offer for the claim.
- (11) A party to proceedings for a claim, other than the party who starts the proceedings, within 10 business days after being served with the legal process that starts the proceeding, must file at the court a sealed envelope containing a copy of the party's written final offer for the claim.
- (12) The court must not read an offer filed under subsection (10) or (11) until it has decided the claim relating to the offer.
- (13) The court must have regard to the filed offer in making a decision about whether it should order that a party to whom an offer was given should pay all or part of—
  - (a) the costs of a party who made the offer; and
  - (b) if the claim is a contribution claim—any costs the party who was given the offer is liable to pay to the claimant.

## **Division 2                      Settlement before court proceedings**

### **293      Settlement of claim for damages**

If a claim or contribution claim is settled before the start of a court proceeding, the parties to the settlement must sign a discharge for the claim.

## **Part 7                              Start of court proceedings**

### **Division 1                      When claimant can start court proceedings**

#### **294      Application of div 1**

This division states the conditions that must be satisfied before a claimant can start a court proceeding.

#### **295      Compliance necessary before starting proceeding**

The claimant may start a proceeding in a court for damages only if the claimant has complied with—

- (a) the relevant division under part 2, to the extent the division imposes a requirement on the person; and
- (b) part 5, other than as provided by sections 297 and 298; and
- (c) part 6; and
- (d) section 296.

---

**296 Claimant to have given complying notice of claim or insurer to have waived compliance**

The claimant may start the proceeding if any of the following have happened—

- (a) at least 6 months or, for a claimant with a terminal condition or to whom section 302(1)(b) applies, 3 months have elapsed after—
  - (i) the claimant has given, or is taken to have given, a complying notice of claim; or
  - (ii) the insurer has waived the claimant's noncompliance with the requirements of section 275 with or without conditions; or
  - (iii) the court has made an order under section 297 or 298;
- (b) the insurer has admitted liability, but is claiming contributory liability from the claimant, a contributor or another party, and the claimant has given the insurer written notice that the extent of the admission is disputed;
- (c) the insurer has admitted liability but damages can not be agreed.

**297 Court to have made declaration about noncompliance**

- (1) Subject to section 296, the claimant may start the proceeding if the court, on application by the claimant dissatisfied with the insurer's response under section 278 to a notice of claim, declares that—
  - (a) notice of claim has been given under section 275; or
  - (b) the claimant is taken to have remedied noncompliance with the requirements of section 275.
- (2) A declaration that a claimant is taken to have remedied noncompliance with section 275 may be made on conditions the court considers necessary or appropriate to minimise

prejudice to the insurer from the claimant's failure to comply with the requirements of section 275.

### **298 Court to have given leave despite noncompliance**

- (1) Subject to section 296, the claimant may start the proceeding if the court, on application by the claimant, gives leave to bring the proceeding despite noncompliance with the requirements of section 275.
- (2) The order giving leave to bring the proceeding may be made on conditions the court considers necessary or appropriate to minimise prejudice to the insurer from the claimant's failure to comply with the requirements of section 275.

### **299 Other provision for urgent proceedings**

Part 2, division 3 provides for the urgent starting of proceedings by persons mentioned in section 237(1), and for the staying of those proceedings.

## **Division 2 Court proceedings**

### **300 Carriage of proceedings**

- (1) If a proceeding is brought for damages, the proceeding must be brought against the employer of the injured or deceased worker and not against WorkCover.
- (2) However, a proceeding may, and may only, be brought against WorkCover if—
  - (a) the employer was an individual and can not be adequately identified, is dead or can not practically be served; or
  - (b) the employer was a corporation and has been wound up; or

- (c) the employer was self-insured at the time of the event and WorkCover has since assumed the employer's liability for the injury.
- (3) If a claim has not been settled at a compulsory conference, then despite any rule of court, the legal process that starts the proceeding must be served on the employer—
    - (a) within 60 days after the day the conference was held; or
    - (b) within the further period that the court orders on the claimant's application.
  - (4) If the employer is not a self-insurer, legal process that starts the proceeding must be served on WorkCover within 30 days after the employer has been served, and no step may be taken in the proceeding until WorkCover or the self-insurer has been served.
  - (5) WorkCover is entitled to conduct for an employer, other than an employer who is a self-insurer, all proceedings taken to enforce the claim or to settle any matter about the claim.
  - (6) An employer who is a self-insurer is entitled to conduct all proceedings taken to enforce the claim or to settle any matter about the claim.
  - (7) In addition to an employer's obligation under section 280(1), the employer, other than an employer who is a self-insurer, immediately on being required by WorkCover to do so, must execute all documents and do everything that WorkCover considers reasonably necessary to allow the proceedings to be conducted by it.
  - (8) If an employer, other than an employer who is a self-insurer—
    - (a) is absent from the State or, after reasonable inquiry, can not be found; or
    - (b) refuses, fails or is unable to execute documents mentioned in subsection (7);

WorkCover may execute for the employer all documents that it may require or requires the employer to execute for subsection (7).

### **301 Exclusion of jury trial**

A proceeding for damages must be decided by a judge without a jury.

### **302 Alteration of period of limitation**

- (1) A claimant may bring a proceeding for damages for a personal injury—
  - (a) within the period of limitation (the *general limitation period*) allowed for bringing a proceeding for damages for personal injury under the *Limitations of Actions Act 1974*; or
  - (b) if schedule 5 provides for a different period for bringing the proceeding—within the period mentioned in schedule 5.
- (2) A claimant may bring a proceeding for damages for personal injury after the end of the period mentioned in subsection (1) only if—
  - (a) before the end of that period—
    - (i) the claimant gives, or is taken to have given, a complying notice of claim; or
    - (ii) the claimant gives a notice of claim for which the insurer waives compliance with the requirements of section 275 with or without conditions; or
    - (iii) a court makes a declaration under section 297; or
    - (iv) a court gives leave under section 298; and
  - (b) the claimant complies with section 295.
- (3) However, the proceeding must be brought within 60 days after a compulsory conference for the claim is held.

---

**303 Court may have regard to claimant's noncompliance with s 275 in relation to costs and interest**

If a claimant does not comply with the requirements of section 275, the court before which the claimant brings a proceeding for damages—

- (a) on the application of the insurer, may award in the insurer's favour costs, including legal and investigation costs, reasonably incurred by the insurer because of the claimant's default; and
- (b) may award interest in the claimant's favour for a period for which the claimant was in default but only if the court is satisfied that there is a reasonable excuse for the default.

**304 Court may have regard to compulsory conference**

A court may have regard to the compulsory conference between the parties in deciding—

- (a) whether the matter of the damages should be referred to an alternative dispute resolution process; or
- (b) costs in the proceeding for damages.

## **Part 8 Civil liability**

### **Division 1 Interpretation**

**305 Definitions for pt 8**

In this part—

*duty* means any duty giving rise to a claim for damages, including the following—

- (a) a duty of care in tort;

[s 305A]

---

- (b) a duty of care under contract that is concurrent and coextensive with a duty of care in tort;
- (c) another duty under statute or otherwise that is concurrent with a duty of care mentioned in paragraph (a) or (b).

*duty of care* means a duty to take reasonable care or to exercise reasonable skill (or both duties).

### **305A Provisions not to apply to particular injuries**

- (1) The provisions of this part other than division 4, do not apply in relation to deciding liability for injury if the injury resulting from the breach of duty is or includes—
  - (a) an injury that is a dust-related condition; or
  - (b) an injury resulting from smoking or other use of tobacco products or exposure to tobacco smoke.
- (2) To remove any doubt, it is declared that a breach of duty mentioned in subsection (1) includes a breach of duty giving rise to a dependency claim.

## **Division 2                    General standard of care**

### **305B General principles**

- (1) A person does not breach a duty to take precautions against a risk of injury to a worker unless—
  - (a) the risk was foreseeable (that is, it is a risk of which the person knew or ought reasonably to have known); and
  - (b) the risk was not insignificant; and
  - (c) in the circumstances, a reasonable person in the position of the person would have taken the precautions.
- (2) In deciding whether a reasonable person would have taken precautions against a risk of injury, the court is to consider the following (among other relevant things)—

- 
- (a) the probability that the injury would occur if care were not taken;
  - (b) the likely seriousness of the injury;
  - (c) the burden of taking precautions to avoid the risk of injury.

### 305C Other principles

In a proceeding relating to liability for a breach of duty—

- (a) the burden of taking precautions to avoid a risk of injury includes the burden of taking precautions to avoid similar risks of injury for which the person may be responsible; and
- (b) the fact that a risk of injury could have been avoided by doing something in a different way does not of itself give rise to or affect liability for the way in which the thing was done; and
- (c) the subsequent taking of action that would (had the action been taken earlier) have avoided a risk of injury does not of itself give rise to or affect liability in relation to the risk and does not of itself constitute an admission of liability in connection with the risk.

## Division 3 Causation

### 305D General principles

- (1) A decision that a breach of duty caused particular injury comprises the following elements—
  - (a) the breach of duty was a necessary condition of the occurrence of the injury (*factual causation*);
  - (b) it is appropriate for the scope of the liability of the person in breach to extend to the injury so caused (*scope of liability*).

[s 305E]

---

- (2) In deciding in an exceptional case, in accordance with established principles, whether a breach of duty—being a breach of duty that is established but which can not be established as satisfying subsection (1)(a)—should be accepted as satisfying subsection (1)(a), the court is to consider (among other relevant things) whether or not and why responsibility for the injury should be imposed on the party in breach.
- (3) If it is relevant to deciding factual causation to decide what the worker who sustained an injury would have done if the person who was in breach of the duty had not been so in breach—
  - (a) the matter is to be decided subjectively in the light of all relevant circumstances, subject to paragraph (b); and
  - (b) any statement made by the worker after suffering the injury about what he or she would have done is inadmissible except to the extent (if any) that the statement is against his or her interest.
- (4) For the purpose of deciding the scope of liability, the court is to consider (among other relevant things) whether or not and why responsibility for the injury should be imposed on the party who was in breach of the duty.

### **305E Onus of proof**

In deciding liability for a breach of a duty, the worker always bears the onus of proving, on the balance of probabilities, any fact relevant to the issue of causation.

## **Division 4                      Contributory negligence**

### **305F Standard of care in relation to contributory negligence**

- (1) The principles that are applicable in deciding whether a person has breached a duty also apply in deciding whether the worker who sustained an injury has been guilty of

contributory negligence in failing to take precautions against the risk of that injury.

- (2) For that purpose—
  - (a) the standard of care required of the person who sustained an injury is that of a reasonable person in the position of that person; and
  - (b) the matter is to be decided on the basis of what that person knew or ought reasonably to have known at the time.

### **305G Contributory negligence can defeat claim**

In deciding the extent of a reduction in damages by reason of contributory negligence, a court may decide a reduction of 100% if the court considers it just and equitable to do so, with the result that the claim for damages is defeated.

### **305H Contributory negligence**

- (1) A court may make a finding of contributory negligence if the worker relevantly—
  - (a) failed to comply, so far as was practicable, with instructions given by the worker's employer for the health and safety of the worker or other persons; or
  - (b) failed at the material time to use, so far as was practicable, protective clothing and equipment provided, or provided for, by the worker's employer, in a way in which the worker had been properly instructed to use them; or
  - (c) failed at the material time to use, so far as was practicable, anything provided that was designed to reduce the worker's exposure to risk of injury; or
  - (d) inappropriately interfered with or misused something provided that was designed to reduce the worker's exposure to risk of injury; or

[s 305I]

---

- (e) was adversely affected by the intentional consumption of a substance that induces impairment; or
  - (f) undertook an activity involving obvious risk or failed, at the material time, so far as was practicable, to take account of obvious risk; or
  - (g) failed, without reasonable excuse, to attend safety training organised by the worker's employer that was conducted during normal working hours at which the information given would probably have enabled the worker to avoid, or minimise the effects of, the event resulting in the worker's injury.
- (2) Subsection (1) does not limit the discretion of a court to make a finding of contributory negligence in any other circumstances.
- (3) Without limiting subsection (2), subsection (1)(f) does not limit the discretion of a court to make a finding of contributory negligence if the worker—
- (a) undertook an activity involving risk that was less than obvious; or
  - (b) failed, at the material time, so far as was practicable, to take account of risk that was less than obvious.

### **305I Meaning of *obvious risk* for s 305H**

- (1) For section 305H, an *obvious risk* to a worker who sustains an injury is a risk that, in the circumstances, would have been obvious to a reasonable person in the position of the worker.
- (2) Obvious risks include risks that are patent or a matter of common knowledge.
- (3) A risk of something occurring can be an obvious risk even though it has a low probability of occurring.
- (4) A risk can be an obvious risk even if the risk (or a condition or circumstance that gives rise to the risk) is not prominent, conspicuous or physically observable.

- 
- (5) To remove any doubt, it is declared that a risk from a thing, including a living thing, is not an obvious risk if the risk is created because of a failure on the part of a person to properly operate, maintain, replace, prepare or care for the thing, unless the failure itself is an obvious risk.

**305J Presumption of contributory negligence if person who suffers injury is intoxicated**

- (1) This section applies if a worker who sustained an injury was intoxicated at the time of the breach of duty giving rise to a claim for damages and contributory negligence is alleged against the worker.
- (2) Contributory negligence will, subject to this section, be presumed.
- (3) The worker may only rebut the presumption by establishing on the balance of probabilities—
- (a) that the intoxication did not contribute to the breach of duty; or
  - (b) that the intoxication was not self-induced.
- (4) Unless the worker rebuts the presumption of contributory negligence, the court must assess damages on the basis that the damages to which the worker would be entitled in the absence of contributory negligence are to be reduced, on account of contributory negligence, by 25% or a greater percentage decided by the court to be appropriate in the circumstances of the case.
- (5) If, in the case of a motor vehicle accident, the worker who sustained an injury was the driver of a motor vehicle involved in the accident and the evidence establishes—
- (a) that the concentration of alcohol in the worker's blood was 150mg or more of alcohol in 100mL of blood; or
  - (b) that the worker was so much under the influence of alcohol or a drug as to be incapable of exercising effective control of the vehicle;

[s 305K]

---

the minimum reduction prescribed by subsection (4) is increased to 50%.

### **305K Application of contributory negligence for particular injuries**

Despite any other provision of this division, treatment, care and support damages awarded to a worker who is entitled to compensation under chapter 4A for the injury can not be reduced for the worker's contributory negligence.

## **Part 9 Assessment of damages**

### **Division 1 Interpretation**

#### **306 Definitions for pt 9**

In this part—

*future loss* means all or any of the following—

- (a) future economic loss;
- (b) future general expenses;
- (c) future medical expenses.

*general damages* means damages for all or any of the following—

- (a) pain and suffering;
- (b) loss of amenities of life;
- (c) loss of expectation of life;
- (d) disfigurement.

*loss of earnings* means—

- (a) past economic loss due to loss of earnings or the deprivation or impairment of earning capacity; and
- (b) future economic loss due to loss of prospective earnings or the deprivation or impairment of prospective earning capacity.

### **306A Provisions not to apply to particular injuries**

- (1) The provisions of this part other than division 2, division 3, subdivision 1 and division 4 do not apply in relation to deciding awards of damages for injury if the injury resulting from the breach of duty is or includes—
  - (a) an injury that is a dust-related condition; or
  - (b) an injury resulting from smoking or other use of tobacco products or exposure to tobacco smoke.
- (2) To remove any doubt, it is declared that a breach of duty mentioned in subsection (1) includes a breach of duty giving rise to a dependency claim.

## **Division 2 Exemplary damages**

### **306B Exemplary damages**

- (1) A court can not award exemplary or punitive damages against WorkCover in a claimant's proceeding for damages.
- (2) However, the court may give a separate judgment against an employer for the payment of exemplary or punitive damages if the court considers that the employer's conduct is so reprehensible that an award of exemplary or punitive damages is justified.
- (3) WorkCover can not indemnify an employer against an award of exemplary or punitive damages.

## **Division 3                    Assessment of damages**

### **Subdivision 1            No right to damages for particular services**

#### **306C    Application of sdiv 1**

This subdivision sets out the principles a court must apply in awarding damages for services that are provided, or are to be provided, to a worker by another person after the worker sustains an injury.

#### **306D    Definitions for sdiv 1**

In this subdivision—

*gratuitous services* means services, other than paid services, that are provided to a worker by a member of the worker's family or household, or by a friend of the worker.

*paid services* means services that are provided to a worker at commercial rates by another person in the person's professional capacity or in the course of the person's business.

*services* means services of a domestic, nursing or caring nature.

*Examples of services—*

- assisting with personal hygiene needs
- changing bandages
- cleaning
- cooking
- dressing wounds
- gardening
- housekeeping
- mowing the lawn

---

### **306E Paid services provided to worker before injury**

- (1) This section applies if—
  - (a) before the worker sustained the injury, the worker was usually provided with particular services that were paid services; and
  - (b) after the worker sustains the injury—
    - (i) the worker is, or is to be, provided with paid services that are substantially of the same kind; or
    - (ii) the worker is, or is to be, provided with gratuitous services that are substantially of the same kind.
- (2) A court can not award damages for the cost or value of the services that have been provided to the worker after the worker sustained the injury or that are to be provided to the worker in the future.

### **306F Worker performed services before injury**

- (1) This section applies if—
  - (a) before the worker sustained the injury, the worker usually performed particular services; and
  - (b) after the worker sustained the injury, the worker is provided with services of substantially the same type (the *provided services*); and
  - (c) all or part of the provided services are gratuitous services.
- (2) A court can not award damages for the cost or value of—
  - (a) the part of the services that are gratuitous services; or
  - (b) services of substantially the same type as the gratuitous services that are to be provided to the worker in the future as either gratuitous services or paid services.
- (3) However, this section does not apply if the court is satisfied that the services mentioned in subsection (2)(a)—

[s 306G]

---

- (a) were usually provided to the worker as paid services; and
- (b) were provided as gratuitous services only in exceptional circumstances.

*Example of exceptional circumstances for paragraph (b)—*

During a 2-year period, paid services were provided to the worker on a weekly basis. However, the provider of the services was on holidays, or otherwise unable to provide the services, on 2 occasions. On those 2 occasions the services were provided as gratuitous services.

### **306G Gratuitous services provided to worker before injury**

- (1) This section applies if—
  - (a) before the worker sustained the injury, the worker was usually provided with particular services that were gratuitous services; and
  - (b) after the worker sustains the injury—
    - (i) the worker is, or is to be, provided with paid services of substantially the same type; or
    - (ii) the worker is, or is to be, provided with gratuitous services of substantially the same type.
- (2) A court can not award damages for the cost or value of the services that have been provided to the worker after the worker sustained the injury or that are to be provided to the worker in the future.

### **306H Services not required by or provided to worker before injury**

- (1) This section applies if—
  - (a) before the worker sustained the injury, the worker usually did not require or was not usually provided with particular services; and
  - (b) after the worker sustains the injury, the worker is provided with services (the *provided services*); and

- 
- (c) all or part of the provided services are gratuitous services.
  - (2) A court can not award damages for the cost or value of—
    - (a) the part of the provided services that are gratuitous services; or
    - (b) services of substantially the same type as the gratuitous services that are to be provided to the worker in the future as either gratuitous services or paid services.
  - (3) However, this section does not apply if the court is satisfied that the services mentioned in subsection (2)(a) were provided as gratuitous services only in exceptional circumstances.

*Example of exceptional circumstances for subsection (3)—*

During a 2-year period after the worker sustains the injury, the provided services were provided on a weekly basis. However, the provider of the services was on holidays, or otherwise unable to provide the services, on 2 occasions. On those 2 occasions the services were provided as gratuitous services.

## **Subdivision 2      Other provisions**

### **306I    Damages for loss of earnings**

- (1) In making an award of damages for loss of earnings, including in a dependency claim, the maximum award a court may make is for an amount equal to the limit fixed by subsection (2).
- (2) The limit is an amount equal to the present value of 3 times QOTE per week for each week of the period of loss of earnings.
- (3) In this section—

*present value* means the value when the award is made.

### **306J When earnings can not be precisely calculated**

- (1) This section applies if a court is considering making an award of damages for loss of earnings that are unable to be precisely calculated by reference to a defined weekly loss.
- (2) The court may only award damages if it is satisfied that the worker has suffered or will suffer loss having regard to the person's age, work history, actual loss of earnings, any permanent impairment and any other relevant matters.
- (3) If the court awards damages, the court must state the assumptions on which the award is based and the methodology it used to arrive at the award.
- (4) The limitation mentioned in section 306I(2) applies to an award of damages under this section.

### **306L Discount rate to be applied in calculating the present value of future loss**

- (1) This section applies if—
  - (a) a person is to be compensated for future loss; and
  - (b) an actuarial multiplier is to be used to calculate the present value of future loss.
- (2) A discount rate of 5% is to be applied in deciding the actuarial multiplier.

### **306M Damages for loss of consortium or loss of servitium**

- (1) A court must not award damages for loss of consortium or loss of servitium unless—
  - (a) the injured worker died as a result of injuries sustained; or
  - (b) general damages for the injured worker are assessed (before allowing for contributory negligence) at the amount prescribed under a regulation for this provision, or more.

*Note—*

Under section 306V, the Minister must make a recommendation about the amount to be prescribed.

- (2) The court must not assess damages for loss of servitium above the limit fixed by subsection (3).
- (3) The limit is 3 times QOTE per week.
- (4) Section 10(3) does not apply to the reference to damages in subsection (1).

### **306N Interest**

- (1) A court can not order the payment of interest on an award for general damages.
- (2) Interest awarded on damages compensating past monetary loss—
  - (a) must not be more than interest at the appropriate rate; and
  - (b) must be related in an appropriate way to the period over which the loss was incurred.
- (3) The appropriate rate is the rate for 10 year Treasury bonds published by the Reserve Bank of Australia under 'Interest rates and yields—capital market' as at the beginning of the quarter in which the award of interest is made.

*Example of calculation of interest for this section—*

Suppose that past monetary loss consists of medical expenses that have been incurred at a uniform rate over a particular period. The interest to be awarded would be calculated under the following formula—

$$A = am/100 \times p \times 0.5$$

where—

*A* is the amount of the award of interest.

*a* is a percentage rate decided by the court subject to the limit fixed in subsection (2).

*m* is the aggregate of the medical expenses.

*p* is the period over which the medical expenses have been incurred (expressed in years).

### **306O Assessment by court of injury scale**

- (1) If general damages are to be awarded by a court in relation to an injury, the court must assess an injury scale value as follows—
  - (a) the worker's total general damages must be assigned a numerical value (*injury scale value*) on a scale running from 0 to 100;
  - (b) the scale reflects 100 equal gradations of general damages, from a case in which an injury is not severe enough to justify any award of general damages to a case in which an injury is of the gravest conceivable kind;
  - (c) in assessing the injury scale value, the court must—
    - (i) assess the injury scale value under any rules provided under a regulation; and
    - (ii) have regard to the injury scale values given to similar injuries in previous proceedings.
- (2) If a court assesses an injury scale value for a particular injury to be more or less than any injury scale value prescribed for or attributed to similar particular injuries under subsection (1)(c), the court must state the factors on which the assessment is based that justify the assessed injury scale value.

### **306P Calculation of general damages**

- (1) For an injury, general damages must be calculated by reference to the general damages calculation provisions applying to the period within which the injury was sustained.
- (2) In this section—

*general damages calculation provisions*, applying to a period, means the provisions prescribed for the period under a regulation.

---

## **Division 4                      Structured settlements**

### **306Q    Definition for div 4**

In this division—

*structured settlement* means an agreement providing for the payment of all or part of an award of damages in the form of periodic payments funded by an annuity or other agreed means.

### **306R    Court required to inform parties of proposed award**

- (1) The purpose of this section is to enable the court to give the parties to a proceeding a reasonable opportunity to negotiate a structured settlement.
- (2) A court that decides to make an award for future loss (not including interest) of more than the amount prescribed under a regulation for this section must first notify all the parties to the proceeding of the terms of the award it proposes to make.

*Note—*

Under section 306V, the Minister must make a recommendation about the amount to be prescribed.

### **306S    Court may make consent order for structured settlement**

A court may, on the application of the parties to a claim for damages, make an order approving of or in the terms of a structured settlement even though the payment of damages is not in the form of a lump sum award of damages.

### **306T    Obligation of legal practitioners to provide advice**

A lawyer engaged by the worker must advise the worker, in writing, about the following if the worker proposes to negotiate a settlement of a claim for damages—

- (a) the availability of structured settlements;

[s 306U]

---

- (b) the desirability of the worker obtaining independent financial advice about structured settlements and lump sum settlements of the claim.

### **306U Offer of structured settlement—legal costs**

- (1) The *Uniform Civil Procedure Rules 1999*, chapter 9, part 5 extends to an offer of compromise by way of a structured settlement on a claim for damages.
- (2) In that case, the court is to have regard to the cost to the defendant of the proposed structured settlement as compared to the lump sum payment of damages when deciding whether a reasonable offer of compromise has been made.

## **Division 5 Indexation provisions**

### **306V Indexation of particular amounts**

- (1) The Minister must, on or before 1 July 2011 and on or before 1 July in each succeeding year, recommend to the Governor in Council the amounts that are to be prescribed under a regulation for or under the following provisions—
  - (a) section 306M;
  - (b) section 306P, definition *general damages calculation provisions*;
  - (c) section 306R.
- (2) The amount recommended for or under the provision is to be the amount last prescribed under a regulation for or under the provision adjusted by the percentage change in QOTE over the 12 months preceding the date of the recommendation and rounded to the nearest ten dollar.
- (3) However, if the percentage change in QOTE over the 12 months preceding the date of the recommendation would reduce the amount prescribed for or under the provision or result in no change to the amount, the Minister need not make a recommendation.

- (4) If the percentage change in QOTE mentioned in subsection (2) is not available from the Australian Statistician, the Minister must advise the Governor in Council accordingly.
- (5) If the Minister advises the Governor in Council of the unavailability of the percentage change under subsection (4), the amount prescribed for or under the provision is the amount decided by the Governor in Council.
- (6) A regulation notified after 1 July in a year and specifying a date that is before the date it is notified as the date from which the amount prescribed for the provision is to apply has effect from the specified date.
- (7) Subsection (6) applies despite the *Statutory Instruments Act 1992*, section 32.
- (8) This section does not limit the power of the Governor in Council to amend the amount prescribed under a regulation for a limit.
- (9) In this section—  
*QOTE*, for a financial year, means the amount mentioned in section 107(1)(a) for the financial year.

## **Part 12                      Costs**

### **Division 1                      Costs applying to worker with DPI of 20% or more, worker with terminal condition, or dependant**

#### **310      Application of div 1**

This division applies only if the claimant is—

- (a) a worker who does not have a terminal condition, if the worker's DPI is 20% or more; or
- (b) a worker who has a terminal condition; or

- (c) a dependant.

### **311 Principles about orders as to costs**

If a court dismisses the claim, makes no award of damages or makes an award of damages in the claimant's proceeding for damages, it must apply the principles set out in sections 312 to 314.

### **312 Costs if written final offer by claimant**

- (1) This section applies if—
  - (a) the claimant makes a written final offer that is not accepted by the insurer; and
  - (b) the court later awards an amount of damages to the claimant that is equal to or more than the written final offer; and
  - (c) the court is satisfied that the claimant was at all material times willing and able to carry out what was proposed in the written final offer.
- (2) The court must order the insurer to pay the claimant's costs, calculated on the indemnity basis.

### **313 Costs if written final offer by insurer**

- (1) This section applies if—
  - (a) the insurer makes a written final offer that is not accepted by the claimant; and
  - (b) the claim is dismissed, the court makes no award of damages or makes an award of damages that is equal to or less than the insurer's written final offer; and
  - (c) the court is satisfied that the insurer was at all material times willing and able to carry out what was proposed in the written final offer.
- (2) The court must—

- (a) order the insurer to pay the claimant's costs, calculated on the standard basis, up to and including the day of service of the written final offer; and
- (b) order the claimant to pay the insurer's costs, calculated on the standard basis, after the day of service of the written final offer.

### **314 Interest after service of written final offer**

- (1) This section applies if the court gives judgment for the claimant for the recovery of a debt or damages and—
  - (a) the judgment includes interest or damages in the nature of interest; or
  - (b) under an Act, the court awards the claimant interest or damages in the nature of interest.
- (2) For giving judgment for costs under section 312 or 313, the court must disregard the interest or damages in the nature of interest relating to the period after the day the written final offer is given.

## **Division 2 Costs applying to worker who does not have a terminal condition and has DPI of less than 20%**

### **315 Application of div 2**

This division applies if the claimant is a worker who does not have a terminal condition and has a DPI of less than 20%.

### **316 Principles about orders as to costs**

- (1) No order about costs, other than an order allowed under this section, is to be made by the court in the claimant's proceeding.

[s 316A]

---

- (2) If a claimant or an insurer makes a written final offer of settlement that is refused, the court must, in the following circumstances, make the order about costs provided for—
  - (a) if the court later awards an amount of damages to the worker that is equal to or more than the worker's written final offer—an order that the insurer pay the worker's costs on the standard basis from the day of the written final offer;
  - (b) if the court later dismisses the worker's claim, makes no award of damages or awards an amount of damages that is equal to or less than the insurer's written final offer—an order that the worker pay the insurer's costs on the standard basis from the day of the final offer.
- (3) If an award of damages is less than the claimant's written final offer but more than the insurer's written final offer, each party bears the party's own costs.

## **Division 2A                      Costs when offers made for a contribution claim**

### **316A Principles about order as to costs**

- (1) This section applies to the extent proceedings in a court relate to a contribution claim.
- (2) Subsections (3) to (5) apply if the contributor or other party (including an insurer) made an offer that was not accepted.
- (3) If the court later awards an amount of contribution that is equal to or more than the other party's written final offer, the court must order the contributor to pay the other party's costs on the indemnity basis from the day the written final offer was made.
- (4) If the court later—
  - (a) dismisses the contribution claim; or
  - (b) makes no award for the contribution; or

- (c) makes an award of contribution of an amount that is equal to or less than the contributor's written final offer; the court must order the other party to pay the contributor's costs on the standard basis from the day the written final offer was made.
- (5) If an award of contribution is less than the other party's written final offer but more than the contributor's written final offer, each party bears the party's own costs.
- (6) This section applies to a written final offer whether or not it is made as a separate offer or as part of a joint or consolidated offer.
- (7) In this section—  
*written final offer* means a written final offer under section 292.

## **Division 3                      Costs generally**

### **318      Costs if proceeding could have been brought in a lower court**

- (1) If the amount of damages a court awards could have been awarded in a lower court, the court must order any costs in favour of the claimant under the scale of costs applying in the lower court.
- (2) This section applies to all claimants.

### **318A    General application of costs provisions in part**

- (1) A court may make no order about costs to which division 1, 2 or 2A applies except the orders for costs provided for in the division.
- (2) Subsection (1) applies subject to this division.

### **318B Court may make an alternative order in particular circumstances**

- (1) Subsection (2) applies to an order for costs a court is required to make under the following sections (a *prescribed order*)—
  - (a) section 312(2);
  - (b) section 313(2);
  - (c) section 316A(3) or (4).
- (2) The court may make an order for costs other than the prescribed order if the party ordered to pay costs shows the other order is appropriate in the circumstances.
- (3) Subsection (4) applies if an award of damages is affected by factors that were not reasonably foreseeable by a party at the time of making or failing to accept a written final offer.
- (4) The court may, if satisfied that it is just to do so, make an order for costs under divisions 1, 2 or 2A as if the reference to a written final offer or a failure to accept a written final offer were a reference to a later offer made, or a failure to accept a later offer made, in the light of the factors that became apparent after the parties completed the exchange of written final offers.

*Example—*

A claimant's medical condition suddenly and unexpectedly deteriorates after the date of the written final offers and the court makes a much higher award of damages than would have been reasonably expected at that time. In that case, the court may ignore the written final offers and award costs on the basis of later offers of settlement.

### **318C Costs order under div 2 for an interlocutory application**

An order about costs for an interlocutory application may be made under division 2 only if the court is satisfied that the application has been brought because of unreasonable delay by 1 of the parties.

---

**318D Order for costs if more than 1 person liable for the same costs**

If more than 1 party in a proceeding for damages has a liability to pay the same costs under this part, or under this part and another law about costs, the court may apportion the costs payable by each party according to the proportion of liability of the parties and the justice of the case.

**318E Order for costs if an entity was not a party at the compulsory conference**

If an entity other than a defendant that participated in a compulsory conference is joined as a defendant in a proceedings for damages, the court may make an order about costs in favour of, or against, the entity according to the proportion of liability of the defendants and the justice of the case.

## **Part 13 Excess damages awarded in another jurisdiction**

**319 Application of pt 13**

This part applies if—

- (a) a person is entitled to seek as a claimant damages for an injury sustained by a worker in a court of the State, other than under the *Jurisdiction of Courts (Cross-vesting) Act 1987*; and
- (b) damages for the injury are awarded by a court that is not a court of the State; and
- (c) the court that awards the damages does not do so subject to this chapter; and
- (d) the amount of the damages awarded to a claimant is more than the amount that would have been awarded

subject to this chapter in a proceeding before a court of the State; and

- (e) an insurer would be liable to pay all the damages if section 320 did not apply.

### **320 No liability for excess damages**

The insurer is not liable for the difference between the amount of damages awarded to the claimant and the amount of damages that would have been awarded in a proceeding before a court of the State.

## **Chapter 6 Choice of law for damages**

### **Part 1 Application of chapter 6**

#### **321 Claims to which chapter applies**

- (1) This chapter applies only to a claim for damages against a worker's employer in relation to an injury that was caused by—
  - (a) the negligence or other tort (including breach of statutory duty) of the worker's employer; or
  - (b) a breach of contract by the worker's employer.
- (2) Subsection (1)(a) applies even if damages resulting from the negligence or other tort are claimed in an action for breach of contract or other action.

---

## Part 2 Interpretation

### 322 Meaning of *substantive law*

- (1) In this chapter, *substantive law* includes—
- (a) a law that establishes, modifies, or extinguishes a cause of action or a defence to a cause of action; and
  - (b) a law prescribing the time within which an action must be brought (including a law providing for the extension or abridgement of that time); and
  - (c) a law that provides for the limitation or exclusion of liability or the barring of a right of action if a proceeding on, or arbitration of, a claim is not commenced within a particular time limit; and
  - (d) a law that limits the kinds of injury, loss or damage for which damages or compensation may be recovered; and
  - (e) a law that precludes the recovery of damages or compensation or limits the amount of damages or compensation that can be recovered; and
  - (f) a law expressed as a presumption, or rule of evidence, that affects substantive rights; and
  - (g) a provision of a State's legislation about damages for a work related injury, whether or not it would be otherwise regarded as procedural in nature;

but does not include a law prescribing rules for choice of law.

- (2) In this section—
- a State's legislation about damages for a work related injury* means—
- (a) for Queensland—chapter 5 and any other provision of this Act providing for the interpretation of anything in chapter 5; or
  - (b) otherwise—any provisions of a law of a State that are declared under a regulation to be the State's legislation about damages for work related injury.

### **323 What constitutes injury and employment and who is employer**

For this chapter—

- (a) injury and employer include anything that is within the scope of a corresponding term in the statutory workers' compensation scheme of another State; and
- (b) the determination of what constitutes employment or whether or not a person is the worker's employer is to be made on the basis that those concepts include anything that is within the scope of a corresponding concept in the statutory workers' compensation scheme of another State.

## **Part 3 Substantive law that governs claim**

### **324 The applicable substantive law for work injury claims**

- (1) If compensation is payable (whether or not it has been paid) under the statutory workers' compensation scheme of a State in relation to an injury to a worker, the substantive law of that State is the substantive law that governs—
  - (a) whether or not a claim for damages in relation to the injury can be made; and
  - (b) if it can be made, the determination of the claim.
- (2) For the purposes of this section, compensation is considered to be payable under a statutory workers' compensation scheme of a State in relation to an injury if compensation in relation to it—
  - (a) would have been payable apart from a provision of the scheme that excludes the worker's right to compensation because the injury is attributable to any conduct or

---

failure of the worker that is specified in that provision;  
or

- (b) would have been payable if a claim for that compensation had been properly made, and (if applicable) an election to claim that compensation (instead of damages) had been properly made.

### **325 Availability of action in another State not relevant**

- (1) It makes no difference for the purposes of this chapter that, under the substantive law of another State—
- (a) it is the nature of the circumstances that they would not have given rise to a cause of action had they occurred in that State; or
- (b) the circumstances on which the claim is based do not give rise to a cause of action.
- (2) In this section—

*another State* means a State other than the State with which the injury is connected.
