Land Act 1994

An Act to consolidate and amend the law relating to the administration and management of non-freehold land and deeds of grant in trust and the creation of freehold land, and for related purposes

Chapter 1 Preliminary

Part 1 Introduction

1 Short title

This Act may be cited as the *Land Act 1994*.

3 Dictionary

The dictionary in schedule 6 defines particular words used in this Act.

Part 2 Objects

4 Object of this Act

In the administration of this Act, land to which this Act applies must be managed for the benefit of the people of Queensland by having regard to the following principles—

Sustainability

- sustainable resource use and development to ensure existing needs are met and the State's resources are conserved for the benefit of future generations

Evaluation

- land evaluation based on the appraisal of land capability and the consideration and balancing of the different economic, environmental, cultural and social opportunities and values of the land

Development

- allocating land for development in the context of the State's planning framework, and applying contemporary best practice in design and land management
- when land is made available, allocation to persons who will facilitate its most appropriate use that supports the economic, social and physical wellbeing of the people of Queensland

Community purpose

- if land is needed for community purposes, the retention of the land for the community in a way that protects and facilitates the community purpose

Protection

- protection of environmentally and culturally valuable and sensitive areas and features

Consultation

- consultation with community groups, industry associations and authorities is an important part of the decision-making process

Administration

- consistent and impartial dealings
- efficient, open and accountable administration
- a market approach in land dealings, adjusted when appropriate for community benefits arising from the dealing.

Part 3 Application of Act

5 Land to which Act applies

- (1) This Act applies to all land, including land that is, whether permanently or from time to time, covered by water subject to tidal influence.

Note—

Although this Act generally applies to non-freehold land, most freehold land contains a reservation to the State for minerals. To that extent, this Act applies to all land.

- (2) Layers and strata above and below the surface of land may be dealt with under this Act.

Note—

However, see section 14(3).

6 Act binds all persons

This Act binds all persons, including the State and, as far as the legislative power of the Parliament permits, the Commonwealth and the other States.

7 Relationship with Native Title Act

This Act does not affect the operation of the *Native Title (Queensland) Act 1993*.

Part 4 Tidal and non-tidal boundaries and associated matters

Division 1 Preliminary

8 Definitions for pt 4

In this part—

adjacent owner—

- (a) for non-tidal watercourse land—see section 8A(1) and (2); or
- (b) for non-tidal lake land—see section 8A(3) and (4).

chief executive (water) means the chief executive of the department in which the *Water Act 2000* is administered.

non-tidal boundary (lake) has the same meaning as in the *Survey and Mapping Infrastructure Act 2003*, part 7.

non-tidal boundary (watercourse) has the same meaning as in the *Survey and Mapping Infrastructure Act 2003*, part 7.

non-tidal lake land see section 13AA(1)(b).

non-tidal watercourse land see section 13AA(1)(a).

owner, of land, means the following—

- (a) if the land is freehold land—the registered owner of the land;
- (b) if the land is the subject of a lease registered under the *Land Title Act 1994*—the lessee of the land;
- (c) if the land is the subject of a lease registered under this Act—the lessee of the land;
- (d) if the land is a reserve—the trustee of the reserve;
- (e) if a person has occupation rights in relation to the land under a licence or permit—the licensee or permittee.

right line boundary has the same meaning as in the *Survey and Mapping Infrastructure Act 2003*, part 7.

right line tidal boundary, of land, means a right line boundary of the land that is located approximately where a tidal boundary might otherwise be located.

Example—

The boundaries of a lot include a tidal boundary. Because of difficulties arising in relation to the location at law of the tidal boundary, or for some other reason, the registered owner of the lot agrees to surrender the lot to the State. The lot is resurveyed, and a new deed of grant is issued for the lot, but without the tidal boundary. The deed of grant and

associated plan of survey now provide for a right line boundary in a location that is the approximate location of the previous tidal boundary.

tidal boundary has the same meaning as in the *Survey and Mapping Infrastructure Act 2003*, part 7.

tidal water means any part of the sea or of a port, or of a watercourse, lagoon, swamp or other place where water may be found, ordinarily within the ebb and flow of the tide at spring tides.

8A Who is an *adjacent owner* for non-tidal watercourse land and non-tidal lake land

- (1) A person is an ***adjacent owner*** for non-tidal watercourse land if the person is the owner of land that adjoins a non-tidal boundary (watercourse) of the non-tidal watercourse land.
- (2) Also, a person is an ***adjacent owner*** for non-tidal watercourse land if—
 - (a) the non-tidal watercourse land extends from the non-tidal boundary (watercourse) on 1 side of the watercourse (the ***subject boundary***) past the line along the middle of the bed of the watercourse; and
 - (b) the person is the owner of land that adjoins the non-tidal boundary (watercourse) of the non-tidal watercourse land on the other side of the watercourse, opposite the subject boundary.
- (3) A person is an ***adjacent owner*** for non-tidal lake land if the person is the owner of land that adjoins a non-tidal boundary (lake) of the non-tidal lake land.
- (4) Also, a person is an ***adjacent owner*** for non-tidal lake land if—
 - (a) the non-tidal lake land extends from the non-tidal boundary (lake) on 1 side of the lake (the ***subject boundary***) past the centre of the lake; and
 - (b) the person is the owner of land that adjoins the non-tidal boundary (lake) of the non-tidal lake land on the other side of the lake, opposite the subject boundary.

Division 2 The tidal environment

9 Land adjacent to tidal boundary or right line tidal boundary owned by State

- (1) If land has a boundary that is a tidal boundary or right line tidal boundary, other land that is on the same side of the boundary as the water subject to tidal influence—
 - (a) is the property of the State; and
 - (b) may be dealt with as unallocated State land.
- (2) Subsection (1) does not apply to land if it is inundated land or a registered interest in the land is held by someone else.
- (3) Subsections (1) and (2) apply even if a person owns land having tidal boundaries or right line tidal boundaries on both sides of water subject to tidal influence.

Example—

A person owns land that has as its northern boundary a tidal boundary that is located on the southern edge of a river. The same person also owns land in the same locality that has as its southern boundary a tidal boundary located on the northern edge of the same river. The ownership of land on both sides of the river does not in these circumstances confer on the person ownership of the river itself.

- (4) To remove any doubt, it is declared that, before the commencement of this section, if a boundary of land (the **relevant land**) was formed by high-water mark—
 - (a) other land that adjoined the boundary and was below high-water mark was, and always was, the property of the State, unless it was inundated land or a registered interest in the land was held by someone else; and
 - (b) if the line of the high-water mark shifted over time by gradual and imperceptible degrees, the shift was a shift in the boundary of the relevant land.
- (5) An act before the commencement of this section to occupy, use, build works or remove material or product, with or without lawful authority, could never divest the State of its ownership of land below high-water mark.

- (6) An act after the commencement of this section to occupy, use, build works or remove material or product, with or without lawful authority, can not divest the State of its ownership of land that is on the same side of a boundary that is a tidal boundary or right line tidal boundary as the water subject to tidal influence.

10 Land raised above high-water mark by works

- (1) Land in the ownership of the State that becomes raised above high-water mark as a result of the carrying out of works on or in proximity to the land remains owned by the State and may be dealt with as unallocated State land.
- (2) This section does not apply to land the subject of reclamation mentioned in section 127.

11 Local government for new land

- (1) Land that becomes raised above high-water mark is land within the local government area of land adjoining the raised land.
- (2) If the raised land adjoins land in more than 1 local government area, the Minister must decide the local government for the land.

12 Inundated land

- (1) If inundated land adjoins the limits of a port, the land forms part of the port for an Act applying to tidal water in the port.
- (2) If inundated land is outside the limits of a port, the land forms part of the tidal water for an Act applying to tidal water.
- (3) The registered owner of inundated land may suitably indicate where the boundaries of the land are across the surface of the water.
- (4) If the registered owner of inundated land has suitably indicated where the boundaries of the land are, the registered

owner may regulate or prohibit the use or movement of ships in or over the water above the inundated land.

- (5) To remove any doubt, it is declared that an interest in freehold land immediately before the land becomes inundated land is not affected by the inundation and neither the State nor a port authority, port lessor, port lessee or port manager is authorised to deal with or give an interest in the land unless the State, port authority, port lessor, port lessee or port manager is the registered owner of the land.
- (6) In this section—
registered owner of inundated land includes a lessee of the land.

13 Power to deal with land seaward of tidal boundary or right line tidal boundary

- (1) Land that is on the seaward side of a tidal boundary or right line tidal boundary, other than inundated land, may be leased, granted, occupied, sold or transferred only under the authority of an Act.
- (2) Subsection (1) does not stop land that is on the seaward side of a tidal boundary or right line tidal boundary from being granted in fee simple if it is the subject of reclamation mentioned in section 127.

Division 3 The non-tidal environment

13A Land adjacent to non-tidal boundary (watercourse) or non-tidal boundary (lake) owned by State

- (1) If land has a non-tidal boundary (watercourse), other land that adjoins the boundary and is on the watercourse side of the boundary is the property of the State.
- (2) If land has a non-tidal boundary (lake), other land that adjoins the boundary and is on the lake side of the boundary is the property of the State.

-
- (3) Subsections (1) and (2) apply despite the alienation of land by the State.
- (4) A person (the *owner*) who may take water under the *Water Act 2000*, section 96—
- (a) may exercise a right of access for the owner, the owner's family, executive officers, employees, agents and stock over the part (the *adjacent area*) of the watercourse or lake that is the property of the State and that adjoins the owner's land; and
 - (b) may exercise a right of grazing for the person's stock over the adjacent area; and
 - (c) may bring action against a person who trespasses on the adjacent area as if the owner were the registered owner of the adjacent area.
- (5) If the adjacent area is being used by the State for a purpose under the *Water Act 2000*—
- (a) subsection (4)(a) and (b) applies only to the extent exercising the right does not interfere with the State's use of the adjacent area; and
 - (b) subsection (4)(c) does not allow the owner to bring an action against a person acting on behalf of the State.
- (6) If the adjacent area is part of a reserve or the subject of a lease—
- (a) subsection (4)(a) and (b) applies only to the extent exercising the right does not interfere with—
 - (i) a trustee of the reserve performing the trustee's functions, and fulfilling the trustee's duty of care for the land in the reserve; or
 - (ii) the lessee's rights and interests under the lease; and
 - (b) subsection (4)(c) does not allow the owner to bring an action against—
 - (i) a trustee of the reserve, a person acting for a trustee, or a person with a registered interest in the land in the reserve; or

- (ii) the lessee, a person acting for the lessee, or a person with a registered interest in the lease.

Note—

This section effectively replaces the *Water Act 2000*, section 21 (Beds and banks forming boundaries of land are State property), which was repealed by the *Natural Resources and Other Legislation Amendment Act 2010*. However, that Act inserted a transitional provision into the *Water Act 2000* to provide that the repealed section 21 continues to apply for all matters arising before its repeal.

13AA Power to deal with non-tidal watercourse land and non-tidal lake land

- (1) This section applies to—
 - (a) land that is the property of the State under section 13A(1) (*non-tidal watercourse land*); and
 - (b) land that is the property of the State under section 13A(2) (*non-tidal lake land*).
- (2) Non-tidal watercourse land and non-tidal lake land are not unallocated State land, but may be leased, or dedicated as a reserve, under this Act as if the land were unallocated State land.
- (3) Subsection (2) applies subject to sections 13AB and 13AC.

13AB Leasing non-tidal watercourse land or non-tidal lake land

- (1) Non-tidal watercourse land or non-tidal lake land may be leased under this Act only if—
 - (a) the lessee is the State; and
 - (b) each person who is an adjacent owner for the land consents to the lease; and
 - (c) the chief executive (water) consents to the lease; and
 - (d) each condition of the consent of the chief executive (water) imposed under subsection (3)—
 - (i) has been satisfied; or

- (ii) is imposed as a condition of the lease.
- (2) In deciding whether to consent to the lease, the chief executive (water) must consider whether, and to what extent, the lease will interfere with—
 - (a) the State's control or use of any part of the non-tidal watercourse land or non-tidal lake land for a purpose under the *Water Act 2000*; or
 - (b) a right of the State or a person to take or use water under the *Water Act 2000*.
 - (3) The consent of the chief executive (water) may be given on conditions.
 - (4) A lease of non-tidal watercourse land or non-tidal lake land may not be transferred.
 - (5) Despite section 13AA(2), the granting of a lease over non-tidal watercourse land or non-tidal lake land is not subject to any public auction, tender or ballot requirements under chapter 4, part 1, division 1.

13AC Dedicating non-tidal watercourse land or non-tidal lake land as reserve

- (1) Non-tidal watercourse land or non-tidal lake land may be dedicated as a reserve only if—
 - (a) each person who is an adjacent owner for the land consents to the dedication; and
 - (b) the chief executive (water) consents to the dedication; and
 - (c) each condition of the consent of the chief executive (water) imposed under subsection (3)—
 - (i) has been satisfied; or
 - (ii) is imposed as a condition of the appointment of a trustee of the reserve.

- (2) In deciding whether to consent to the dedication, the chief executive (water) must consider whether, and to what extent, the dedication will interfere with—
 - (a) the State's control or use of any part of the non-tidal watercourse land or non-tidal lake land for a purpose under the *Water Act 2000*; or
 - (b) a right of the State or a person to take or use water under the *Water Act 2000*.
- (3) The consent of the chief executive (water) may be given on conditions.

13B Power to declare and deal with former watercourse land

- (1) A person (the *applicant*) who is the owner of land (the *relevant land*) having a non-tidal boundary (watercourse) may apply to the chief executive (water) to have land (the *watercourse land*) adjoining the relevant land's non-tidal boundary (watercourse) declared to be former watercourse land if—
 - (a) no person holds a registered interest in the watercourse land; and
 - (b) the physical location of the boundary's associated watercourse has been the subject of change, whether before or after the commencement of this section; and
 - (c) on an application of the ambulatory boundary principles, the location at law of the non-tidal boundary (watercourse) has not changed correspondingly; and
 - (d) the watercourse land has effectively ceased to be part of a functioning watercourse.
- (2) However, before applying, the person must give notice of the person's intention to make the application to the owners of any land that adjoins the watercourse land.
- (3) The chief executive (water) may by gazette notice declare the watercourse land to be former watercourse land.

-
- (4) However, the chief executive (water) may make the declaration only if satisfied that—
- (a) the matters stated in subsection (1)(a) to (d) are true; and
 - (b) taking a long-term perspective, there is negligible likelihood that the watercourse land will again become part of a functioning watercourse.

- (5) In making the application, the applicant must give the chief executive (water) enough evidence to satisfy the chief executive (water) that the watercourse land has effectively ceased to be part of a functioning watercourse.

Examples of evidence—

photographs, survey material identifying topographical changes and authoritative information about flow history

- (6) The applicant may appeal against the refusal of the application, and a person entitled to be given notice of the proposed application under subsection (2) may appeal against the granting of the application.

Division 7 Trustee leases and trustee permits

57 Trustee leases

- (1) A trustee may lease all or part of the trust land if the trustee first obtains the Minister's written 'in principle' approval to the lease.
- (2) The Minister's approval may include conditions, including, for example, that a stated mandatory standard terms document must form part of the lease.
- (3) Despite subsections (1) and (2) a trustee may, without the Minister's approval, grant a trustee lease (construction) or a trustee lease (State or statutory body) over all or part of the trust land.
- (4) A *trustee lease (construction)* is a lease of trust land to the State for the construction of transport infrastructure and the provision of transport services on the trust land.
- (5) A *trustee lease (State or statutory body)* is a lease of trust land if all of the following apply—
 - (a) the trustee of the trust land is the State or a statutory body;
 - (b) a stated mandatory standard terms document forms part of the lease;
 - (c) the purpose of the lease is consistent with the purpose for which the trust land was reserved or granted in trust;
 - (d) if a management plan for the trust land is registered under section 48—the lease is consistent with the management plan.
- (6) A trustee lease (construction) may be granted even if its purpose is inconsistent with the purpose for which the trust land was reserved or granted in trust.
- (7) Each trustee lease must be registered in the appropriate register.

-
- (8) This section does not authorise the construction of works under a trustee lease (construction) before the lease is registered.
 - (9) Each trustee lease, other than a trustee lease (construction) or trustee lease (State or statutory body), must be endorsed with the Minister's approval before it is registered.
 - (10) If the trustee lease is for only part of the trust land, the appropriate form for the trustee lease must also include—
 - (a) a sketch plan the chief executive is satisfied identifies the land being leased; or
 - (b) if required by the chief executive—a plan of survey identifying the land being leased.
 - (11) However, the chief executive may allow the land being leased to be identified by a description alone if the chief executive is satisfied the land is adequately identified by the description.

Note—

This section and other provisions of this division do not apply in relation to leasing Aboriginal trust land as defined under the *Aboriginal Land Act 1991* or Torres Strait Islander trust land as defined under the *Torres Strait Islander Land Act 1991*. See the *Aboriginal Land Act 1991*, part 15 and the *Torres Strait Islander Land Act 1991*, part 11.

57A Amending a trustee lease

- (1) A registered trustee lease may, with the Minister's approval, be amended by registering an amendment of the trustee lease.

Under section 64, the Minister may give a trustee a standing authority to sublease.
 - (b) the lease is a trustee lease (State or statutory body).
- (3) An approval mentioned in subsection (1) may include conditions.
- (4) Despite subsections (1) and (3)—
 - (a) the State as the lessee trustee lease (construction) may, without an approval mentioned in subsection (1), sublease (a **construction trustee sublease**) all or part of the lease land to someone else for the purposes mentioned in section 57(4); and
 - (b) the sublessee may further sublease the land the subject of the sublease.
- (5) A construction trustee sublease may be granted even if its purpose is inconsistent with the purpose for which the trust land was reserved or granted in trust.
- (6) If the Minister or chief executive refuses to approve the transfer, mortgage or sublease, notice of the decision and the reasons for the decision must be given to the trustee lessee.

-
- (7) A trustee lessee may appeal against the decision.
 - (8) All or part of a trustee lease or a sublease of a trustee lease may be surrendered only if each registered mortgagee and registered sublessee of the interest being surrendered has given written agreement to the surrender.
 - (9) Each transaction must be registered in the appropriate register.
 - (10) This section does not authorise the construction of works under a construction trustee sublease before the sublease is registered.
 - (11) Section 342 applies, with necessary changes, to the release of a mortgage of a trustee lease or sublease of a trustee lease.

 - (b) would facilitate or enhance the purpose for which the land was reserved or granted in trust.
- (2) Despite subsection (1), the Minister may approve a trustee lease or a sublease for a purpose inconsistent with the purpose for which the trust land was dedicated or granted only if—

 - (b) all further improvement built or placed by the lessee on the part of the trust land that is leased or subleased are first approved by the chief executive.

60 Trustee permits

 - (5) The condition mentioned in subsection (4) does not apply to a construction trustee lease or to a building permitted to be built on the land.
 - (6) In this section—

- (4) Subsection (3) does not apply if the trustee is—
 - (a) the State; or
 - (b) a statutory body prescribed under a regulation.

64 Minister may dispense with approval

- (1) If the Minister considers it appropriate, the Minister may give a relevant person a written authority dispensing with the need to obtain the Minister's or chief executive's approval for relevant leases.
- (2) If the Minister gives an authority, a relevant lease must be consistent with the purpose of the trust land and the requirements prescribed under a regulation.
- (3) The Minister, by notice, may withdraw the authority.
- (4) A relevant person may apply for approval to lease, sublease or sub-sublease trust land even if an authority is in force.

- (1) The Minister may issue a road licence over a temporarily closed road only to—
 - (a) an adjoining owner; or

- (b) another person, if the road licence is only for allowing the person holding the licence to make structural improvements—
 - (i) mentioned in section 104(b)(ii) or (iii); and
 - (ii) for the benefit of land of which the person is the registered owner (other than a trustee of a deed of grant in trust), lessee or trustee.
- (2) However, the Minister need not issue the road licence only to the person who applied for the road closure.
- (3) If the Minister issues a road licence under subsection (1), the chief executive must register a covenant of a type mentioned in section 373A(5)(c) over—
 - (a) for a road licence issued to an adjoining owner—the licence land and the adjoining owner’s land; or
 - (b) otherwise—the licence land and the land for the benefit of which the road licence is issued.

104 Conditions of issuing road licence

A road licence is subject to the following conditions—

- (a) it must not contain a covenant, agreement or condition to renew the road licence, or to convert it to another form of tenure, or to buy the land;
- (b) no more structural improvements are permitted on the road temporarily closed, other than the following—
 - (i) boundary fences;
 - (ii) pipes for irrigation purposes that cross the road beneath its surface;
 - (iii) water channels for irrigation purposes that cross the road;
- (c) if the person holding the licence transfers or sells the land for the benefit of which the road licence is issued, the person must—

- (i) also transfer the road licence to the new registered owner or lessee of the land; or
 - (ii) surrender the road licence at the time the sale is settled;
- (d) any other conditions the Minister considers appropriate.

105 Cancellation or surrender of road licence

- (1) The Minister may cancel all or part of a road licence after giving the licensee reasonable notice of the Minister's intention to cancel.
- (2) No compensation is payable for the cancellation of a road licence.
- (3) A licensee, with the Minister's written approval, may surrender all or part of a road licence.
- (4) If a road licence is cancelled or surrendered, any improvements on the road become the property of the State and no compensation is payable.
- (5) However, the Minister may allow the licensee to remove any improvements within the time stated on the cancellation notice or the surrender approval.
- (6) If a road licence is cancelled or surrendered, the road remains temporarily closed.

Division 3A Temporarily closed roads

106 Temporarily closed road still dedicated land

If a road is temporarily closed, the land comprising the road is still land that is dedicated as a road for public use even though the public can not use the road as a road until it is reopened.

107 Reopening a temporarily closed road

The Minister, by gazette notice, may reopen a temporarily closed road.

Division 4 Permanently closed roads

108 Permanent closure of road

- (1) If the Minister permanently closes a road, the road is permanently closed by the registration of a plan of subdivision.
- (2) The permanent closure of the road takes effect on the day the plan of subdivision is registered.

109 Closed road may be dealt with as lot or amalgamated with adjoining land

- (1) If the Minister is satisfied a road being permanently closed is of adequate area, having regard to the location of the road and the use made of adjoining land, to be used as a lot, the road—
 - (a) must be shown as a lot on the plan of subdivision; and
 - (b) may be dealt with as unallocated State land.
- (2) If the Minister is not satisfied under subsection (1), the road must be amalgamated with—
 - (a) adjoining unallocated State land; or
 - (b) if there is no adjoining unallocated State land—the land of an adjoining owner for the road.

109A Simultaneous opening and closing of roads—deed of grant

- (1) A registered owner may apply for the simultaneous opening and closing of roads if—
 - (a) a road is being opened in the land (the *relevant land*) the subject of a deed of grant; and

-
- (b) at the same time—
- (i) a road within the boundaries of or adjoining the relevant land is being closed; or
 - (ii) a road within the boundaries of land (the *additional land*) the subject of another deed of grant is being closed and the additional land and the relevant land adjoin and are owned by the same registered owner; or
 - (iii) a road adjoining land (also the *additional land*) the subject of another deed of grant is being closed and the additional land and the relevant land adjoin and are owned by the same registered owner; and
- (c) the road being opened is a replacement of the road being closed.
- (2) The registered owner may ask that the following be included in a deed of grant issued under section 358—
- (a) any severance of land created by the road being opened;
 - (b) the road being closed.
- (3) A registered owner may appeal against any conditions the Minister imposes under section 420I.
- (4) The *Land Title Act 1994*, section 50, and the provisions of the Planning Act about reconfiguring a lot do not apply to the replacement of a road under this section.
- (5) In this section—
- close*, a road, means permanently close the road under section 108.
- open*, a road, means open for public use as a road under section 94.

109B Simultaneous opening and closure of roads—trust land or lease land

- (1) A trustee or lessee may apply for the simultaneous opening and closure of roads if—

- (a) a road is being opened in trust land or lease land (the *relevant land*); and
 - (b) at the same time a road within the boundaries of or adjoining the relevant land is being closed; and
 - (c) the road being opened is a replacement of the road being closed.
- (2) If a trustee makes an application under subsection (1), the trustee may ask that the land in the road being closed be included in—
- (a) if the trustee is the trustee under a deed of grant in trust—a deed of grant in trust issued under section 358; or
 - (b) if the trustee is the trustee of a reserve—the land dedicated as a reserve under section 31A.
- (3) If a lessee makes an application under subsection (1), the lessee may ask that the land in the road being closed—
- (a) if the lease is a freeholding lease—be amalgamated with the lease land under section 360(1)(e); or
 - (b) if the lease is a term lease, other than a State lease, or a perpetual lease—be amalgamated with the lease land under section 360A(2)(d).
- (4) A trustee or lessee may appeal against any conditions the Minister imposes under section 420I.
- (5) The *Land Title Act 1994*, section 50, and the provisions of the Planning Act about reconfiguring a lot do not apply to the replacement of a road in a deed of grant in trust under this section.
- (6) In this section—
- close*, a road, means permanently close the road under section 108.
- open*, a road, means open for public use as a road under section 94.

109C Buying or leasing land if closed road amalgamated with adjoining land

- (1) This section applies if—

- (2) Before the road is permanently closed, the road must be—
 - (a) sold to 1 or more adjoining owners who are registered owners or lessees who have freeholding leases; or
 - (b) with or without the payment of a premium as the Minister considers appropriate—leased to 1 or more adjoining owners who are lessees, other than lessees of freeholding leases.
- (3) Subsection (2) does not apply to an adjoining owner who is a trustee of trust land.
- (4) The Minister must decide the purchase price or the cash premium in the way prescribed by regulation.

Division 5 Building of roads in State developments

110 Minister may build roads

- (1) The Minister may authorise the building and maintenance of a road serving land made or to be made available under this or another Act.
- (2) The Minister, and a person acting under the Minister's authority, has the same liability, and the same duties, as a local government for a matter under this division.

- (3) If the Minister authorises a road to be built, it must be built to at least the standard applying to similar roads in the local government area.

111 When road comes under local government control

- (1) After a road, authorised by the Minister, has been built, the Minister may fix a day from which the *Local Government Act 2009* applies to the road.
- (2) From the day fixed—
 - (a) a regulation made for a purpose relating to the building of the road stops applying to the road; and
 - (b) the *Local Government Act 2009* applies to the road as if it had been built by the relevant local government.

Chapter 4 Land holdings

Part 1 Making land available

Division 1 Interests in land available by competition

112 Interests in land available by auction, tender or ballot

The following interests in land may be made available by public auction, tender or ballot—

- (a) an estate in fee simple;
- (b) a lease of, or permit over, unallocated State land;
- (c) a term lease of, or permit over, a reserve.

113 Public notice of availability to be given

- (1) The chief executive must advertise the intention to make an interest in land available by auction, tender or ballot.
- (2) The advertisement must be—
 - (a) before the auction, tender or ballot takes place; and
 - (b) in the gazette (the *sale notice*).

114 Information to be included in sale notice

- (1) The sale notice must include the following information—
 - (a) the conditions of the auction, tender or ballot;
 - (b) the conditions attaching to the interest being made available;
 - (c) any restrictions on eligibility to bid, tender or take part in the ballot;
 - (d) the time and place where the auction will be held;
 - (e) other appropriate information about the auction, tender, ballot or interest.
- (2) If the sale notice is for a ballot or a sale by tender, it must also include the following information—
 - (a) the closing day for applications;
 - (b) the time and place for lodging applications.

115 Conditions of sale

- (1) The following conditions apply to a sale by public auction—
 - (a) the highest bid at auction that is at least the reserve price or the reserve cash premium is the sale price;
 - (b) the deposit and other fees or payments, for survey or improvements, must be paid within the time stated in the sale notice;

- (c) the buyer must be eligible to hold the interest under this Act and meet all other restrictions stated in the sale notice;
 - (d) the appropriate forms must be completed and lodged within the time stated in the sale notice.
- (2) If the interest sold is a lease or permit—
- (a) the amount bid at auction does not include the rent stated in the sale notice; and
 - (b) the rent stated is payable in the usual way.
- (3) If the interest sold is a lease of rural leasehold land and the Minister is satisfied the land suffers from, or is at risk of, land degradation, the sale notice—
- (a) may include a requirement that the proposed lessee enter into a land management agreement for the lease; and
 - (b) if a requirement as mentioned in paragraph (a) is included—must state that the lease will be issued subject to the condition that the lessee must comply with the agreement.

116 Interests in land may be sold after auction

- (1) If an interest in land is not sold at public auction, the interest may be sold—
- (a) by accepting the best offer made after the auction that is at least the reserve price or reserve cash premium; or
 - (b) by reducing the reserve, advertising the reduced reserve and accepting the best offer that is at least the new reserve price or new reserve cash premium.
- (2) The conditions of sale stated in the sale notice also apply to the sale.
- (3) The advertisement may be made in the same way as the advertisement for the auction.

117 Interest may be withdrawn from auction, tender or ballot

Even if an interest in land has been advertised for ballot or sale by public auction or tender, the interest may be withdrawn from sale by the chief executive—

- (a) before it is auctioned, before the closing day of tenders or before a ballot is conducted; or
- (b) if not sold—after the auction.

118 Appeal against exclusion from ballot or tender

- (1) Before a ballot is conducted or a tender concluded, the chief executive must give each applicant a notice advising whether or not they are to be included in the ballot or tender.
- (2) If the chief executive decides to exclude a person from a ballot or tender, the person must be given notice of the decision and the reasons for the decision.
- (3) An applicant who has been advised he or she is excluded from a ballot or tender may appeal against the decision to exclude the applicant.
- (4) The ballot or tender may proceed—
 - (a) if no appeal has been lodged—after the last day for lodging an appeal; or
 - (b) if an appeal has been lodged—after the appeal has been decided.

119 Conduct of ballot

A ballot must be conducted in the way prescribed under the regulations.

120 Offer to winner of ballot or tender

- (1) The winner of a ballot or tender must be made an offer on the terms stated in the sale notice.
- (2) If the offer is refused—

- (a) the applicant's deposit is forfeited to the State; and
- (b) either—
 - (i) if the offer was made because of a ballot—the chief executive may rebalot the land; or
 - (ii) otherwise—the Minister or chief executive may deal with the land in a way required or permitted under this Act.
- (3) Only the applicants included in the earlier ballot, other than the applicant who refused the offer, are to be included in the rebalot.
- (4) An applicant who is eligible to be included in the rebalot, by notice to the chief executive, may withdraw from the rebalot.

Division 2 Interests in land available without competition

120A Applying for interest in land without competition

- (1) A person may apply for an interest in land that, under this division, may be granted without competition.
- (2) If, under this division, the Minister decides to offer the interest, the interest may be offered to the applicant subject to conditions.
- (3) If a conditional offer is made, the offer is accepted only if the applicant complies with all of its conditions.

121 Leases of unallocated State land

- (1) A lease of unallocated State land may be granted without competition if—
 - (a) the land is needed for a public purpose; or
 - (b) the Minister decides—
 - (i) the land is not needed for a public purpose; and

-
- (ii) the intended use is the most appropriate use of the land; and
 - (iii) exposure to public competition is inappropriate or 1 or more of the priority criteria apply.
- (2) To remove any doubt, it is declared that a lease may be granted to the State, without competition.

122 Deeds of grant of unallocated State land

- (1) A deed of grant of unallocated State land may be granted without competition if the grant is to MEDQ or if the Minister decides—
- (a) the land is not needed for a public purpose; and
 - (b) the intended use is the most appropriate use of the land; and
 - (c) 1 or more of the priority criteria apply.
- (2) A deed of grant of unallocated State land may be granted without competition to a constructing authority if the Minister decides the land is needed for a public purpose.
- (3) The Minister must decide the purchase price for the land in the way prescribed by regulation.

123 Priority criteria

For sections 121 and 122—

priority criteria are—

- (a) the applicant is an adjoining registered owner or lessee, and selling or leasing to anyone else would be considered inequitable; or
- (b) no other persons are likely to be interested in obtaining the land; or
- (c) the applicant held a significant interest in the land before it became unallocated State land; or

Example of significant interest—

a deed of grant in trust or a long term lease

- (d) there is no dedicated access and the only practical access is through the applicant's land.

124 Leases of State forests and national parks

If land has been surrendered by a person and has been reserved as State forest or dedicated as national park, the person may be granted, without competition, a lease over all or part of the forest or park.

125 Deeds of grant in trust and leases over reserves

- (1) A deed of grant in trust may be granted without competition.
- (2) A lease of a reserve may be granted without competition.

126 Strategic port land

- (1) If land having a tidal boundary or right line tidal boundary is needed as strategic port land for a port authority, the port authority may be given, without competition, either a lease or deed of grant.
- (2) However, if land that is on the same side of a boundary that is a tidal boundary or right line tidal boundary as the water subject to tidal influence is needed as strategic port land for a port authority, the port authority may be given, without competition, only a lease.

127 Reclaimed land

- (1) If a person has reclaimed land under the authority of an Act—
 - (a) the Governor in Council may issue to the person, without competition, a deed of grant over all or part of the land; or

-
- (b) the Minister may issue to the person, without competition, a lease over all or part of the land.
- (2) When granting the reclaimed land, the Governor in Council or Minister may amalgamate the land granted with an adjoining tenure held by the person.
- (3) If the reclaimed land is already held under lease, the lease must be surrendered before a new lease or deed of grant is issued.
- (4) If a deed of grant or lease is issued over only part of the reclaimed land, the rest of the land must be dedicated as a reserve or a road.
- (5) If the reclaimed land is dedicated as a reserve and the person who reclaimed the land wishes to be the trustee of the reserve, the Minister must appoint the person as the trustee.
- (6) If a deed of grant is issued, the purchase price is—
- (a) the purchase price stated in the permission to reclaim the land or in the lease; or
- (b) if no purchase price is stated—the amount of the unimproved value of the land, on the day the permission to reclaim the land was given, decided by the Minister in the way prescribed by regulation.
- (7) The person may appeal against the Minister's decision on the amount of the unimproved value.

127A Amalgamation may be a condition

A condition of an offer under this division may be that the land being offered must be amalgamated with or tied to other land already owned by the person to whom the land is offered.

Note—

A deed of grant amended because of an allocation without competition is issued under section 358. A lease amended because of an allocation without competition is amended under section 360.

Division 2A Leases for significant development

128 Meaning of *significant development*

A *significant development* is a development that will—

- (a) have a significant impact on the environment or the economic and social development of a locality, a region or the State; and
- (b) involve a high level of investment, a substantial development period and lease conditions requiring extensive development.

129 Lease for significant development

- (1) This section applies if—
 - (a) an interest in a lease for a significant development is made available to a person under division 1; or
 - (b) under division 2, a person applies for a lease for a significant development.
- (2) Before the lease is granted, the chief executive must obtain an independent assessment of the person's financial and managerial capabilities.
- (3) The person must pay the cost of the assessment.
- (4) The cost is not refundable.
- (5) The lease must not be granted to the person unless the chief executive is satisfied, having regard to the independent assessment, about the person's financial and managerial capabilities.

129A Further dealings with lease land on completion of significant development

- (1) The Minister may include the following in a lease for significant development—

-
- (a) a purchase price, or formula for calculating the purchase price, if the land is converted to freehold land;
 - (b) the term of a new lease for operating and maintaining the significant development, if a new lease is granted.
 - (2) If a price, formula or term mentioned in subsection (1) is included in the lease, the lessee may, after the significant development is substantially complete, apply to the Minister to purchase the lease land or enter a new lease to operate and maintain the significant development.
 - (3) If the Minister is satisfied the lessee has complied with the terms of the lease, the Minister must—
 - (a) for an application to purchase the land—ask the Governor in Council to grant the land in fee simple to the lessee; or
 - (b) for an application for a new lease—grant the application.
 - (4) If a deed of grant or new lease is issued over part of the land the subject of a significant development lease, the rest of the land must be dedicated as a reserve or road.

130 Transfer of lease for significant development

- (1) If a lease issued for a significant development is to be transferred, the Minister may obtain an independent assessment of the transferee's financial and managerial capabilities before considering whether or not the transfer should be approved.
- (2) The transferee must pay the cost of the assessment.
- (3) The cost is not refundable.

130A Change of financial and managerial capabilities of lessee of lease for significant development

- (1) The Minister may make a note under this section in the appropriate register against a lease under this division if—

- (a) in relation to the lease, there has been an independent assessment of at least 1 of the following—
 - (i) under section 129, an applicant’s financial and managerial capabilities;
 - (ii) under section 130, a transferee’s financial and managerial capabilities; or
 - (b) if paragraph (a) does not apply in relation to the lease— the Minister is satisfied the lease is a lease for a significant development.
- (2) Before acting under subsection (1), the Minister must give the lessee at least 14 days notice of the Minister’s intention to make the note.
- (3) The lessee of a relevant lease—
- (a) must notify the Minister in the approved form as soon as practicable after there is a relevant change to the lessee; and
 - (b) must ensure that the notice to the Minister is accompanied by enough information about the relevant change to allow the Minister to decide whether an independent assessment of the financial and managerial capabilities of the lessee should be performed.
- (4) The Minister may cause an independent assessment of the financial and managerial capabilities of a lessee of a relevant lease to be performed if—
- (a) the lessee notifies the Minister under subsection (3); or
 - (b) the Minister is satisfied on reasonable grounds that the lessee should have notified the Minister under subsection (3) but has not done so.
- (5) To remove any doubt, it is declared that, for section 234(d), the lessee of a lease contravenes a provision of this Act in relation to the lease, and the lease may accordingly be forfeited under chapter 5, part 4, if—
- (a) the lease is a relevant lease; and
 - (b) the lessee contravenes subsection (3).

- (6) Further, a lease may be forfeited under chapter 5, part 4 as if the lessee had contravened a provision of this Act in relation to the lease if all of the following circumstances apply—
- (a) the lease is a relevant lease;
 - (b) an independent assessment of the financial and managerial capabilities of the lessee of the lease is performed under subsection (4);
 - (c) as a result of the assessment, the Minister is satisfied on reasonable grounds that—
 - (i) there has been a relevant change to the lessee; and
 - (ii) the relevant change can reasonably be expected to detrimentally affect the capacity of the lessee of the lease to meet the lessee's obligations under the lease.
- (7) If an independent assessment of the financial and managerial capabilities of a lessee of a relevant lease is performed under subsection (4)—
- (a) the Minister may give to the person performing the assessment any information given to the Minister under subsection (3)(b) by the lessee; and
 - (b) the lessee must pay the costs of the assessment; and
 - (c) the cost is not refundable.
- (8) If the Minister makes a note under this section against a lease—
- (a) notice of the decision and the reasons for the decision must be given to the lessee; and
 - (b) the lessee may appeal against the decision.
- (9) The Minister may remove a note made under this section against a lease if, having regard to the significant development to which the lease relates, the Minister considers its removal is appropriate in all the circumstances.

Example—

The Minister might remove a note if the Minister considers development required to be undertaken under the lease is complete or substantially complete.

(10) In this section—

relevant change, to a lessee of a relevant lease, means a change of substance in the financial and managerial capabilities of the lessee.

Examples of relevant changes to a lessee—

- 1 There is a change in the control of the lessee because of a share transaction involving the lessee or a holding company of the lessee, and the persons now directing the operations of the lessee do not have knowledge or experience in the lessee's operations that relate to the relevant lease.
- 2 Receivers are appointed for the lessee.

relevant lease means a lease noted in the register under subsection (1).

Division 3 Availability of additional areas

132 Granting additional areas

- (1) A registered owner or lessee may be granted, without competition, a perpetual or term lease (an **additional area**) of unallocated State land for agriculture or grazing if the registered owner or lessee's land is being used for agriculture or grazing.
- (2) Unallocated State land must not be made available as an additional area if the land is more than a living area.

133 Who is eligible for additional areas

A person is eligible for an additional area only if the person—

- (a) has demonstrated a duty of care in the management of their land; and

- (b) is financially capable of fulfilling the conditions of the lease of the additional area; and
- (c) is otherwise qualified under this Act to hold the additional area; and
- (d) needs the additional area for property build-up.

134 Issues the Minister must consider

The Minister must consider the following issues before making an offer of an additional area—

- (a) who is eligible for the additional area;
- (b) the appropriate size of the additional area;
- (c) any special conditions appropriate to the additional area;
- (d) if more than 1 person meets the criteria—the need for a ballot to decide who should be offered the additional area;
- (e) any related issues.

135 Committee of review to help Minister

The Minister may appoint a committee of review to help in making a decision to offer an additional area.

136 Conditions of offer and lease

- (1) A condition of an offer of an additional area may be that the additional area must be amalgamated or tied with other land already owned by the person to whom the offer is made.
- (2) If a condition of the offer is that the additional area must be tied to freehold land, a condition of the lease for the additional area is that the freehold land must continue to be used for agriculture or grazing.
- (3) If there are improvements on the additional area, the Minister may require, as a condition of the offer, that the person must buy the improvements.

- (4) If the person accepts the offer, the person must pay the value of the improvements under section 139.
- (5) If the Minister is satisfied the additional area suffers from, or is at risk of, land degradation, the Minister may require, as a condition of the offer, that the proposed lessee must enter into a land management agreement for—
 - (a) the additional area; and
 - (b) if the offer includes a condition mentioned in subsection (1) and the condition requires the additional area to be amalgamated or tied with lease land under another lease—the lease land under the other lease.
- (6) If the offered lease is issued and a condition of the offer is a requirement mentioned in subsection (5), the lease is subject to the condition that the lessee must comply with the land management agreement.

Division 4 Miscellaneous

137 Right to occupy

- (1) If there are improvements the property of the State, or a previous lessee, on land leased or sold under this Act, the incoming lessee or buyer is not entitled to occupy or enter into possession of the land until—
 - (a) the lessee or buyer has paid the amount of the value of the improvements; or
 - (b) the chief executive permits the lessee or buyer to do so.
- (2) If there are no improvements, a lessee or buyer from the State is entitled to occupation and possession of the land from—
 - (a) if a lease—the day the lease starts, or an earlier day allowed by the chief executive; or
 - (b) the day the sale is completed.

138 Default

- (1) If land has been made available to a person, the person defaults if—
 - (a) the appropriate forms are not completed and lodged within the required time; or
 - (b) the amount to be paid for the interest in the land and the improvements is not paid within the time stated in the offer and in any written agreement under section 140.
- (2) If a person defaults, the deed, lease, licence or permit must not be issued and any amount paid is forfeited.
- (3) However, if the chief executive is satisfied there was a reasonable excuse for the default, the chief executive may refund the amount paid.

138A Restriction on commencement of lease or permit

A lease or permit under this part must not start until—

- (a) for a lease or permit sold under this part—the buyer complies with all of the conditions of sale; or
- (b) for a lease or permit offered under this part—the offeree complies with all of the conditions of the offer.

139 Improvements to be bought by incoming lessee or buyer

- (1) If there are improvements, the property of the State or a previous lessee, on land to be leased or bought under this Act, the value of the improvements must be stated in the offer or in the sale notice.
- (2) The value of the improvements is the value on the day the offer was made or the sale notice was published.
- (3) The value of the improvements may be—
 - (a) not negotiable; or
 - (b) negotiable (the *provisional value*).

- (4) The incoming buyer or lessee must pay the State the value of improvements within the time stated in the offer or the sale notice, whether or not a provisional value is to be negotiated.

140 Provisional value may be negotiated

- (1) If a provisional value has been stated in an offer or sale notice, the value may be negotiated (the *negotiated value*) between the buyer and previous lessee.
- (2) With the written agreement of the buyer and previous lessee, the negotiated value becomes the amount to be paid for the improvements.
- (3) Any difference between the provisional value and the negotiated value must be paid or refunded within the time stated in the written agreement.
- (4) If the buyer and previous lessee can not agree on a negotiated value, either party may make application to the court to decide the value.
- (5) To decide the value of the improvements, the court must decide each of the following amounts—
 - (a) the amount that fairly represents the value of the improvements to a prudent buyer, having regard to the buyer's proposed use of the land;
 - (b) the amount that fairly represents the cost of constructing the improvements, adjusted to allow for depreciation of the improvements since construction.
- (6) The value mentioned in subsection (5)(a) is the value on the day the offer was made or the sale notice was published.
- (7) The cost mentioned in subsection (5)(b) is the cost on the day the court decides the value of the improvements.
- (8) If the amount decided under subsection (5)(a) is equal to or less than the amount decided under subsection (5)(b), the value of the improvements is the amount decided under subsection (5)(a).

- (9) If the amount decided under subsection (5)(a) is more than the amount decided under subsection (5)(b), the value of the improvements is the amount decided under subsection (5)(b).
- (10) The value of the improvements decided by the court under subsections (5) to (9) becomes the negotiated value.

141 Payment of survey fee

If a survey of land has been carried out by the State or will be carried out by the State to make or in making the land available, the State may require the buyer to pay the survey fee stated in the offer or sale notice or to pay the actual cost of survey.

Part 2 Restrictions on eligibility to hold land

142 Minors not to hold land

An individual is eligible to apply for, buy or hold land under this Act only if the individual is an adult.

143 Departmental officers not to hold land without approval

An officer of the department is not eligible to acquire land under part 1 without the Minister's written approval.

Part 3 Leases

Division 1 Preliminary

153 Lease must state its purpose

A lease must state the purpose for which it is issued.

Note—

See also sections 16(1) (Deciding appropriate tenure) and 199A (Land may be used only for tenure's purpose).

154 Minister may approve additional purposes

- (1) The Minister may approve an application by a lessee that a lease be used for additional or fewer purposes.
- (2) However, the Minister may approve an application by a lessee that a lease be used for an additional purpose only if—
 - (a) the additional purpose is complementary to, and does not interfere with, the purpose for which the lease was originally issued; or
 - (b) the additional purpose relates to the production of energy from a renewable source, including, for example, the sun or wind.
- (3) If the application is approved, the lessee must be given notice of—
 - (a) the approval; and
 - (b) any change of rental category; and
 - (c) whether or not there will be an increase or decrease in the rental for the remainder of the current rental period; and
 - (d) if additional rent is payable—the time by which the additional rent must be paid; and
 - (e) whether and in what way the lessee should apply under section 210 to change the conditions of the lease, having regard to the proposed purposes for which the lease is to be used.
- (4) The application must be accompanied by the written consent of all persons with a registered interest in the lease.
- (5) However, consent under subsection (4) must not be unreasonably withheld.

- (6) To remove any doubt, it is declared that an application under subsection (1) may be both for the addition of 1 or more purposes and for the removal of 1 or more purposes.
- (7) If the lessee agrees with the matters notified under subsection (3)(b) to (d), and there is no associated change of conditions proposed under section 210, the purposes of the lease, as changed, must be registered.
- (8) If the lessee agrees with the matters notified under subsection (3)(b) to (d), and the Minister and the lessee have agreed under section 210 to any associated change of conditions proposed under that section, the purposes of the lease, as changed, must be registered in conjunction with the registration of the change of conditions.
- (9) A change in the purposes of a lease is binding from the day the purposes, as changed, are registered.

Division 1A Length of term on issue of term lease

155 Length of term leases

- (1) A term lease must not be issued for more than 50 years.
- (2) However, a term lease may be issued for up to 100 years if it is for—
 - (a) a significant development or the operation and maintenance of a significant development; or
 - (b) a timber plantation; or
 - (c) a development that involves existing improvements that in the opinion of the Minister have required a high level of investment.

Division 1B Extension of particular term leases

155AA Application of div 1B

 - (c) the term is 20 years or more; and
 - (d) there is a land management agreement for the lease; and
 - (e) more than 5 years have passed since the lease was entered into or the land management agreement was first registered, whichever is the later, unless the Minister is satisfied that special circumstances exist; and
 - (f) no more than 80% of the existing term of the lease has expired.
- (2) However, this division does not apply to a rolling term lease whose term has been extended under division 2, subdivision 3.
- (3) In this section—

existing term, of the lease, does not include any extension of the lease granted under section 155A, 155B or 155BA.

155A Extensions for a term of up to 40 years

- (1) This section applies to a lease if—

 - (c) the lease has not already been extended under this section.
- (2) The lessee may apply to extend the lease.

-
- (3) The Minister may grant the application and extend the lease if the Minister is satisfied—
 - (a) the lease land is in good condition; and

155B Extensions for a term of up to 50 years

- (1) This section applies to a lease if—
 - (a) the term of the lease is less than 50 years, including any extension of the term under section 155A; and
 - (b) the land management agreement for the lease contains a commitment by the Minister to extend the lease if either or both of the following circumstances apply—
 - (i) if the Minister considers land (the *relevant land*) that is all or part of the lease should be the subject of a conservation agreement or conservation covenant—a conservation agreement has been entered into, or a conservation covenant exists, for the relevant land;
 - (ii) if the Minister considers it is appropriate for there to be an indigenous cultural interest for all or part of the lease land—the lease land is subject to an indigenous cultural interest; and
 - (c) the lease has not already been extended under this section.
- (2) The lessee may apply to extend the lease.
- (3) The Minister may grant the application and extend the lease if the Minister is satisfied—

 - (i) the terms of any conservation agreement or conservation covenant;
 - (ii) the terms of any approved agreement for an indigenous cultural interest.
- (4) However, the extension—
- (a) can not be for more than 10 years; and
 - (b) must not extend the term of the lease beyond 50 years.
- (5) If an extension is granted for a lease under this section at the same time as an extension for the lease is granted under section 155A—
- (a) for subsection (4)(b), the term of the lease includes the extension granted under section 155A; and
 - (b) the extension granted under this section starts on the day after the day the extension granted under section 155A ends.

155BA Extensions for a term of up to 75 years

- (1) This section applies to a lease if—
- (a) the term of the lease is less than 75 years, including any extension of the term under section 155A or 155B; and

- (b) the land management agreement for the lease contains a commitment by the Minister to extend the lease if the following circumstances apply—

 - (ii) the lease land is subject to an indigenous cultural interest; and
 - (c) all or part of the lease land (the *declared land*) is an area of international conservation significance under the *Cape York Peninsula Heritage Act 2007*; and
 - (d) the lease has not already been extended under this section.
- (2) The lessee may apply to extend the lease.
- (3) The Minister may grant the application and extend the lease if the Minister is satisfied—

 - (i) the terms of any conservation agreement or conservation covenant;
 - (ii) the terms of the approved agreement for the indigenous cultural interest;

- (iii) the size of the declared land.
- (4) However, the term of the extension—
 - (a) can not be for more than 25 years; and
 - (b) must not extend the term of the lease beyond 75 years.
- (5) If an extension is granted for a lease under this section at the same time as an extension is granted for the lease under section 155A or 155B—
 - (a) for subsection (4)(b), the term of the lease includes the extension granted under section 155A or 155B; and
 - (b) the extension granted under this section starts on the day after the day all extensions granted under sections 155A and 155B end.

155C Registering and taking of effect of extension

- (1) This section applies if, under section 155A, 155B or 155BA, the Minister extends a term lease.
- (2) The extension must be registered as soon as practicable after it is made.
- (3) The extension has effect from the day it is registered.
- (4) No fee is payable for registering the extension.

Division 1C Reduction of particular term leases

155CA Non-application of division to particular term leases

This division does not apply to a rolling term lease whose term has been extended under division 2, subdivision 3.

155D When Minister may reduce

- (1) This section applies to a term lease for rural leasehold land granted for a term as provided for in repealed section 155(4), (5) or (6) or extended under section 155A, 155B or 155BA, if

any of the following happens (each a *relevant circumstance*)—

- (a) if, when the lease was granted or extended, the Minister was satisfied the land was in good condition—the Minister considers the land is no longer in good condition;
 - (b) if a conservation covenant existed or a conservation agreement had been entered into for the land when the lease was granted or extended—
 - (i) the covenant or agreement ceases to be in effect for the land; or
 - (ii) the Minister considers the lessee has not complied with the terms of the covenant or agreement;
 - (c) if the lease land was subject to an indigenous cultural interest when the lease was granted or extended—
 - (i) the interest ceases to be in effect for the land; or
 - (ii) the Minister considers the lessee has not complied with the terms of the approved agreement for the interest;
 - (d) for a lease granted for a term of up to 75 years under repealed section 155(6) or extended under section 155BA—all or any part of the land ceases being an area of international significance under the *Cape York Peninsula Heritage Act 2007*.
- (2) Subject to sections 155DA and 155E, the Minister may reduce the term of the lease by the number of years the Minister considers appropriate, having regard to the maximum term for which the lease would have been granted or extended if the relevant circumstance had existed at the time of the grant or extension.
- (3) However, the Minister can not reduce the term by an amount that results in the lease no longer having an unexpired term.
- (4) In this section—

repealed, in relation to a provision, means as in force before the commencement of this definition.

term, of a lease, includes any extension of the term of the lease under section 155A, 155B or 155BA, whether or not the extended term has commenced.

155DA Notice of intention to reduce term

- (1) This section applies if the Minister proposes to reduce the term of a lease under section 155D.
- (2) However, this section does not apply to a lease if—
 - (a) the lease has been extended under section 155A, 155B or 155BA; and
 - (b) the Minister proposes to reduce the term of the lease by an amount that is no more than the period for which it was extended.
- (3) Before reducing the term, the Minister must give the lessee a notice stating each of the following—
 - (a) that the Minister proposes to reduce the term of the lease;
 - (b) the number of years by which the Minister proposes to reduce the term;
 - (c) the reasons for the Minister's proposal to reduce the term;
 - (d) that the lessee may, within the reasonable period stated in the notice, make written submissions to show why the term should not be reduced.
- (4) In deciding whether to reduce the term, the Minister must consider any written submissions made by the lessee within the period stated in the notice.

155E Provisions about reduction

- (1) This section applies if—

-
- (a) the Minister decides under section 155D to reduce the term of a term lease; and
 - (b) for a reduction to which section 155DA applies—the Minister has complied with that section.
- (2) Notice must be given to the lessee of the decision and the reasons for it.
 - (3) The lessee may appeal against the decision.
 - (4) The reduction must be registered as soon as practicable after the appeal expiration day for the decision.
 - (5) The reduction has effect from the day it is registered.
 - (6) No fee is payable for registering the reduction.
 - (7) No compensation is payable by the State for the reduction.

Division 2 Expiry, renewal and extension

Subdivision 1AA Improvements reports and notices and related matters

156 Lessee must give improvements report and other information

- (1) This section applies if, before the relevant day—
 - (a) a lessee of a term lease has not made a renewal application; or
 - (b) if the lessee has made a renewal application—the application has been refused.
- (2) The lessee must, within 1 month after the relevant day, give the Minister a report (an *improvements report*) that states the following information for each building or other structure on the lease land—
 - (a) the nature of the building or structure;
 - (b) the condition of the building or structure;

- (c) the location of the building or structure;
 - (d) whether the lessee proposes to remove the building or structure before the lease expires.
- (3) The improvements report may also include representations about why the Minister should not give the lessee an improvements notice requiring the lessee to take action under section 156A.
- (4) The Minister may also, by notice given to the lessee, require the lessee, within a stated reasonable period, to—
- (a) give the Minister information, or further information, about a building or other structure on the lease land; or
 - (b) give the Minister a report, prepared by a person with a stated qualification or expertise and at the lessee's expense, about the condition of the buildings and other structures on the lease land.
- (5) If the lessee fails to comply with a requirement made under subsection (4)(b)—
- (a) the Minister may obtain the report; and
 - (b) the cost of obtaining the report may be recovered from the lessee as a debt due to the State.
- (6) In this section—
- relevant day**, in relation to a lease, means the day that is—
- (a) for a lease that has a term of 5 years or more—1 year before the expiry of the lease; or
 - (b) otherwise—6 months before the expiry of the lease.

156A Minister may give improvements notice

- (1) The Minister may, before the relevant day, give the lessee a notice (an **improvements notice**) requiring the lessee, within a stated period after the lease expires, to—
- (a) carry out repairs to bring a stated building or another structure on the lease land into a good and substantial state of repair; or

-
- (b) remove a stated building or another structure from the lease land; or
 - (c) remediate the lease land to the reasonable standard stated in the notice.
- (2) For subsection (1), the stated period must be a reasonable period, of not less than 3 months, having regard to the nature of the action required under the improvements notice.
- (3) An improvements notice may require the repair of a building or another structure only if the Minister is satisfied the building or structure is not in a good and substantial state of repair.
- (4) An improvements notice may require the removal of a building or another structure only if the Minister is satisfied—
- (a) 1 or more of the following applies for the building or structure—
 - (i) the building or structure is not consistent with the purpose for which the lease was originally issued or, if the purpose has been changed under section 154, the purpose of the lease as changed;
 - (ii) the presence of the building or structure on the lease land may substantially hinder options for the future use or allocation of the land;
 - (iii) the presence of the building or structure on the lease land, or the condition of the building or structure, is likely to create a substantial liability for the State;
 - (iv) the building or structure is not in a good and substantial state of repair and it is not practicable to bring the building or structure into a good and substantial state of repair; and
 - (b) the lease is not subject to a condition requiring the building or structure to remain on the lease land or prohibiting its removal.
- (5) An improvements notice may require the remediation of the lease land only if the Minister is satisfied—

- (a) the land has been affected by a building or another structure on the land; or
 - (b) the land has been, or is likely to be, affected by the removal of a building or another structure from the land.
- (6) In deciding whether to give the lessee an improvements notice, the Minister must consider any representations included in an improvements report given by the lessee.
- (7) The improvements notice must be accompanied by or include an information notice about the decision to give the improvements notice.
- (8) The Minister may also give the lessee an improvements notice after the relevant day, but not later than 6 months after the lease expires, if the lessee—
- (a) fails to give the Minister an improvements report under section 156; or
 - (b) gives the Minister an improvements report that is false or misleading in a material particular; or
 - (c) fails to comply with a requirement made under section 156(4)(a) or (b).
- (9) In this section—
- relevant day**, in relation to a lease, means the day that is—
- (a) for a lease that has a term of 5 years or more—6 months before the expiry of the lease; or
 - (b) otherwise—4 months before the expiry of the lease.

156B Person must comply with improvements notice

- (1) A person to whom an improvements notice is given (the **recipient**) must comply with the notice.

Note—

See section 156C for the consequences of failing to comply with the notice.

- (2) For taking action to comply with the improvements notice, the recipient, or another person (the **contractor**) taking the action

for the recipient, may enter the land to which the notice applies only—

- (a) with the consent of the Minister; or
 - (b) if the recipient or contractor has given the Minister a notice about the proposed entry at least 5 business days before the entry.
- (3) The notice under subsection (2)(b) must inform the Minister about—
- (a) the intention to enter the land; and
 - (b) the purpose of the entry; and
 - (c) the days and times the entry is to be made.
- (4) In taking the action, the recipient or contractor must take all reasonable steps to ensure the recipient or contractor does as little damage as is practicable in the circumstances.
- (5) If a person incurs loss or damage because of action taken by the recipient or contractor, the person is entitled to be paid by the recipient or contractor the reasonable compensation because of the loss or damage that is—
- (a) agreed between the recipient or contractor and the person; or
 - (b) failing agreement, decided by a court having jurisdiction for the recovery of amounts up to the amount of compensation claimed.
- (6) The court may make an order about costs it considers just.

156C Noncompliance with improvements notice

- (1) This section applies if a person to whom an improvements notice is given fails to comply with the notice.
- (2) The State may—
 - (a) take the action required under the improvements notice; and

- (b) recover from the person the reasonable costs of taking the action as a debt due to the State.
- (3) For subsection (2)(b), the costs of removing a building or other structure include costs reasonably incurred in disposing of the building or structure or part of it.

Examples of disposal costs—

transport costs, dump fees, storage costs, costs of sale

Subdivision 1 Expiry

157 Expiry of lease

- (1) A lessee's right to possession of lease land ends on the day the lease expires, but does not end if the lease is renewed before it expires or its term is extended.
- (2) Subject to subdivision 1AA and chapter 5, part 5 and the conditions of a lease, the improvements on the lease become the property of the State when the lease expires.

Note—

Chapter 5, part 5 is about payments that may be made to outgoing lessees for improvements on a lease.

Subdivision 2 Renewal

157AA Limited application of sdiv 2

This subdivision does not apply to a rolling term lease.

157A Chief executive's approval required for renewal

- (1) A term lease may be renewed only if—
 - (a) the lessee has made an application under section 158;
and

- (b) under this subdivision, the chief executive has made an offer of a new lease and the offer has been accepted.
- (2) Subsection (1) is subject to section 434B.

158 Application for new lease

- (1) The lessee of a term lease may apply for an offer of a new lease (a *renewal application*) unless a condition of the lease or this Act prohibits its renewal.
- (2) A renewal application may be made only after 80% of the existing term of the lease has expired unless, in the Minister's opinion, special circumstances exist.
- (3) A renewal application may be rejected without being considered under section 159 if—
 - (a) the applicant has made an earlier renewal application and the application was refused; and
 - (b) there is no relevant change in circumstances from the earlier application.
- (4) In this section—
existing term, of the lease, does not include an extension under division 1B of the term of the lease.

159 General provisions for deciding application

- (1) The chief executive must consider the following before deciding whether or not to offer a new lease, the conditions of the offer or the imposed conditions of the new lease—
 - (a) the interest of the lessee;
 - (b) whether part of the lease land should be set apart and declared as State forest under the *Forestry Act 1959*;
 - (c) whether the public interest could be adversely affected, other than for an issue mentioned in paragraph (b), if the lease were renewed;

- (d) whether part of the lease land is needed for environmental or nature conservation purposes;
 - (e) the condition of the lease land;
 - (f) the extent to which the lease land suffers from, or is at risk of, land degradation;
 - (g) whether the lessee has complied with, or to what extent the lessee has complied with, the following—
 - (i) the conditions of the lease;
 - (ii) any land management agreement for the lease;
 - (iii) any conservation agreement or conservation covenant applying to all or part of the lease land;
 - (iv) any approved agreement for an indigenous cultural interest for the lease land;
 - (h) whether part of the lease land has a more appropriate use from a land planning perspective;
 - (i) whether part of the lease land is on an island or its location, topography, geology, accessibility, heritage importance, aesthetic appeal or like issues make it special;
 - (j) whether part of the lease land is needed for a public purpose;
 - (k) whether a new lease is the most appropriate form of tenure for the lease land;
 - (l) the lessee's record of compliance with this Act;
 - (m) the natural environmental values of the lease land.
- (2) To remove any doubt, it is declared that, to the extent the lease land is in an urban area, the chief executive need not consider any issue that is not relevant to an urban environment.

Example of an issue not relevant to an urban environment—

whether part of the lease land should be set apart and declared as State forest

- (3) In considering the natural environmental values of the lease land, the matters to which the chief executive must have

regard include any advice about the values the chief executive receives from the NCA department.

159A Provisions for decision about most appropriate form of tenure

- (1) In deciding, under section 159(1)(k), whether a new lease is the most appropriate form of tenure for the lease land the subject of a renewal application, section 16 applies—
 - (a) as if a reference in the section to an allocation were a reference to the decision; and
 - (b) with other necessary changes.
- (2) If the lease is over a reserve, the chief executive must, before making the decision, consult with the trustee for the reserve.
- (3) If the decision is that another form of tenure is a more appropriate form of tenure than a new lease, the chief executive may elect to treat the application as a conversion application for the other form of tenure.
- (4) On the making of the election—
 - (a) the renewal is taken to be a conversion application for the other form of tenure; and
 - (b) division 3 applies to the conversion application.
- (5) Subsections (3) and (4) apply despite any provision contained in the lease.

160 Notice of chief executive's decision

- (1) If the chief executive decides to offer a new lease, the applicant must be given notice of the conditions on which the offer is made and to which the lease will be subject.
- (2) If the chief executive decides to refuse the renewal application, the applicant must be given notice of the reasons for the decision.
- (3) The applicant may appeal against the chief executive's decision to refuse the renewal application if the only reason

for the refusal was that the applicant had not fulfilled the conditions of the lease.

161 When offer has been accepted

An offer has not been accepted until the lessee fulfils the conditions of the offer.

162 Issuing of new lease

- (1) On acceptance of the offer, the Minister may issue a lease (the *new lease*) in accordance with the terms of the accepted offer.
- (2) The new lease must be issued for the same purpose as the lease (the *old lease*) the subject of the renewal application.
- (3) For working out the purpose of the old lease, the Minister may have regard to its rental category and conditions.
- (4) Additional unallocated State land may be included in the new lease, if chapter 4, part 1, division 2 is complied with.

Note—

Chapter 4, part 1, division 2 is about interests available in land without competition.

- (5) The new lease is issued subject to all relevant registered interests to which the old lease was subject, and in the same priorities.
- (6) On the registration of the new lease, the old lease is taken to have been wholly surrendered.
- (7) The surrender must be registered.

163 Land not included in the offer

If the offer is for only a part of the lease, the land not included in the offer, on surrender of the lease—

- (a) if the lease was over a reserve—remains a reserve; or
- (b) otherwise—becomes unallocated State land.

Subdivision 3 Extensions of rolling term leases

164 What is a *rolling term lease*

- (1) A term lease is a *rolling term lease* if any of the following circumstances apply to it—
- (a) it is a lease for tourism purposes for land on a regulated island;
 - (b) it is a lease that—
 - (i) includes tidal water land the subject of a covenant ensuring the lease may only be transferred to a person if a tourism lease is also transferred to the person; and
 - (ii) the Minister has approved as a rolling term lease;
 - (c) it is a lease used for agriculture, grazing or pastoral purposes and the lease land is—
 - (i) rural leasehold land the area of which is 100ha or more; or
 - (ii) rural leasehold land the area of which is less than 100ha and the Minister has approved the lease as a rolling term lease; or
 - (iii) land that is not rural leasehold land and is not within a nature conservation area or specified national park;
 - (d) another provision of this Act provides the lease is a rolling term lease.

Example for paragraph (d)—

Under section 176A(3), if a rolling term lease over 100ha in area is subdivided into 2 or more new leases, each new lease that is issued is a rolling term lease even if its lease land is less than 100ha in area.

- (2) However, a State lease is not a *rolling term lease* if the lease land is used for agriculture, grazing or pastoral purposes.
- (3) In this section—

tidal water land means land that, under section 9(1), is the property of the State and may be dealt with as unallocated State land.

tourism lease means a term lease, or a perpetual lease, for tourism purposes for land on a regulated island.

164A Approval of lease as a rolling term lease

- (1) The Minister may approve a lease as a rolling term lease as mentioned in section 164(1)(b)(ii) only if improvements on the lease land facilitate the tourism purposes of the tourism lease mentioned in section 164(1)(b)(i).
- (2) The Minister may approve a lease used for agriculture, grazing or pastoral purposes as a rolling term lease under section 164(1)(c)(ii) only if the Minister is satisfied the most appropriate use for the lease land is for agriculture, grazing or pastoral purposes as the case may be.

164B Identification of lease as a rolling term lease

- (1) The identification, under this subdivision, of a lease as a rolling term lease, including because of the Minister's approval of the lease as a rolling term lease—
 - (a) allows the provisions of this subdivision relating to the extension of rolling term leases to be applied to the lease; and
 - (b) does not affect any aspect of the lease, including any conditions of the lease.
- (2) The chief executive must ensure the particulars recorded in the leasehold land register for each term lease that, under this subdivision, is a rolling term lease, include that the lease is a rolling term lease.
- (3) The recording of a lease as a rolling term lease as mentioned in subsection (2) must be done—

-
- (a) for a lease in existence immediately before the commencement of this section—as soon as practicable after the commencement of this section; and
 - (b) for a lease that is granted after the commencement of this section and is a rolling term lease immediately it is granted—when the particulars of the lease are first recorded in the leasehold land register; and
 - (c) for a lease that becomes a rolling term lease because of the Minister’s approval of the lease as a rolling term lease—as soon as practicable after it becomes a rolling term lease.

164C Making extension application or giving expiry advice

- (1) The Minister must grant an extension of the term of a rolling term lease if the lessee makes an application, in the approved form, to the chief executive to have the lease extended (an *extension application*), and making the application is not prevented under section 164D.
- (2) The Minister must not grant an extension of the term of a rolling term lease if the lessee advises the chief executive, in the approved form, that the lessee wishes to allow the lease to expire at the end of its term (an *expiry advice*).
- (3) Despite subsection (1), if the rolling term lease is issued under this Act or the repealed Act, but on the authority of another Act, the Minister may grant an extension of the lease only with the agreement of a person whose agreement to the extension is required under the other Act.
- (4) An agreement mentioned in subsection (3) may be given subject to a requirement for changing the conditions of the lease, and when the extension of the lease is granted, the conditions of the lease must be changed in the way required.
- (5) An extension application may be made once during each term of the lease.
- (6) An expiry advice may be given at any time in the last 5 years of the term of the lease.

(7) If the Minister refuses to extend a lease for which an extension application is made, the lessee may appeal against the Minister's decision.

(8) In this section—

original term, of a lease, see section 164E(3).

term, of a rolling term lease, means each of the following—

- (a) the original term of the lease;
- (b) the term of each extension of the lease under this subdivision.

Note—

Section 164F(1) provides for when an extension of a lease under this subdivision commences and ends.

164D When extension application or expiry advice may not be made or given

A lessee may not make an extension application for a rolling term lease if the lessee has entered into an agreement with the Minister under section 327A to surrender the whole of the lease.

164E Length of extension

(1) This section provides for granting an extension of the term of a rolling term lease on an extension application being made under this subdivision.

(2) The length of the extension granted must be—

- (a) for a lease to which section 164C(3) applies—the term, not longer than the original term of the lease, advised by a person whose agreement is required for the extension;
or
- (b) otherwise—the original term of the lease.

(3) In this section—

original term, of a lease, means the term of the lease—

-
- (a) if the lease was issued because of a renewal under the renewal provisions—as provided for when the lease was issued as a new lease under those provisions; or
 - (b) otherwise—as provided for when the lease was issued;
- and does not include any period by which the term of the lease has been extended under any provision of this Act, whether before or after the commencement of this definition, or under the repealed Act.

renewal provisions includes provisions of the repealed Act providing for renewals of term leases.

164F Effect of extension

- (1) If a rolling term lease is extended under this subdivision—
 - (a) the lease continues in force for the term of the extension; and
 - (b) the term of the extension commences immediately after the lease would otherwise have expired.
- (2) Without limiting subsection (1), on the commencement of the term of the extension (the *extension commencement*) of a rolling term lease under this subdivision—
 - (a) a condition of the lease that, immediately before the extension commencement, was or was taken to be, under this Act, an imposed condition of the term lease, continues as an imposed condition of the term lease as extended; and
 - (b) the term lease as extended is a lease for the same purposes as the purposes of the term lease immediately before the extension commencement; and
 - (c) the rent payable for the term lease immediately before the extension commencement continues to be the rent payable for the lease as extended, subject to adjustments applying from time to time under this Act; and
 - (d) the lease as extended is subject to all relevant registered interests, and to all advices and notings in the land

registry, to which the lease was subject immediately before the extension commencement, and in the same priorities; and

- (e) all acts done or omissions made in relation to the lease before the extension commencement have effect in relation to the term lease as extended.

Example for paragraph (e)—

A remedial action notice could be given after the extension commencement in relation to something done before the extension commencement.

- (3) The granting of an extension of a term lease under this subdivision does not stop the taking of action under this Act in relation to the lease, including, for example, action to end the lease, before the term of the extension commences or would otherwise have commenced.
- (4) The term of a rolling term lease may be extended under this subdivision regardless of how many times it has previously been extended under this subdivision or under other provisions of this Act or the repealed Act providing for extensions.

164G Notice of expiry

- (1) The chief executive must give the lessee of a rolling term lease notice advising when the lease is due to expire.
- (2) The notice must be given not later than 2 years before the lease is due to expire.
- (3) The notice need not be given if the chief executive has already received an extension application or expiry advice from the lessee, or if section 164D applies.

Subdivision 4 Possible extension instead of renewal

164H Application for term lease renewal may become extension application

- (1) This section applies if—
 - (a) a renewal application for a term lease that is not a rolling term lease is made under the renewal provisions; and
 - (b) before the renewal application is finalised under those provisions, the lessee advises the chief executive that the lessee agrees to the lease becoming a rolling term lease; and
 - (c) the lease is the subject of an approval of the Minister under section 164(1) and becomes a rolling term lease.
- (2) The renewal application for the lease is taken to be an extension application for the lease, and must be dealt with under subdivision 3.

Division 3 Conversion of tenure

165 Application of division

This division does not apply—

- (a) to a lease over a reserve; and
- (b) to a licence or permit; and
- (c) if the conditions of a lease or the conditions of a class of lease or this Act do not allow an application for conversion to be made or a particular type of conversion to be made.

165A Chief executive's approval required for conversion

A lease may be converted under this division only if—

- (a) the lessee has made an application under section 166; and
- (b) under this division, the chief executive has made an offer to convert the lease and the offer has been accepted.

166 Application to convert lease

- (1) A lessee may apply to convert (a *conversion application*)—
 - (a) a perpetual lease to freehold land; and
 - (b) a term lease to freehold land; and
 - (c) a term lease to a perpetual lease, but only if the term lease is—
 - (i) a lease for pastoral purposes; or
 - (ii) a lease for tourism purposes for land on a regulated island.
- (2) A conversion application may be rejected without consideration under section 167 if—
 - (a) the applicant has made an earlier conversion application and the application was refused; and
 - (b) there is no relevant change in circumstances from the earlier application.

167 Provisions for deciding application

- (1) The chief executive must consider the following in deciding whether or not to offer to convert a lease, the conditions on which the offer is made and, if the offer is for a lease, its imposed conditions—
 - (a) whether part of the lease land needs to be set apart and declared as State forest under the *Forestry Act 1959*;
 - (b) whether part of the lease land is better suited for long-term forest management for the production of

- indigenous timbers of commercial value than for all other forms of primary production;
- (c) whether the public interest could be adversely affected, other than about an issue mentioned in paragraph (a) or (b), if the lease were converted;
 - (d) whether part of the lease land is needed for environmental or nature conservation purposes;
 - (e) the condition of the lease land;
 - (f) the extent to which the lease land suffers from, or is at risk of, land degradation;
 - (g) whether the lessee has complied with, or to what extent the lessee has complied with, the conditions of the lease and with any land management agreement for the lease;
 - (h) whether part of the lease land has a more appropriate use from a land planning perspective;
 - (i) whether part of the lease land is on an island or its location, topography, geology, accessibility, heritage importance, aesthetic appeal or like issues make it special;
 - (j) whether part of the lease land is needed for a public purpose;
 - (k) the most appropriate form of tenure for the lease land;
 - (l) the lessee's record of compliance with this Act;
 - (m) the natural environmental values of the lease land.
- (2) Subsection (1) does not apply if the conversion application relates to a lease for development purposes and the lease states that conversion of the lease will be considered on fulfilment of the conditions stated in the lease.
- (3) Also, subsection (1)(d) applies only if the NCA department has given the chief executive—
- (a) a notice stating the environmental or nature conservation purposes for which the part of the lease land is required; and

- (b) either—
 - (i) a map showing the required particulars for a map of the part; or
 - (ii) a description of the boundary of the part by reference to Map Grid of Australia 1994 coordinates and zone references for the area.
- (4) To remove any doubt, it is declared that, to the extent the lease land is in an urban area, the chief executive need not consider any issue that is not relevant to an urban environment.

Example of an issue not relevant to an urban environment—

 - whether part of the lease land should be set apart and declared as State forest
- (5) In considering the natural environmental values of the lease land, the matters to which the chief executive must have regard include any advice about the values the chief executive receives from the NCA department.
- (6) For subsection (1)(k), section 16 applies, with necessary changes, as if a reference in the section to an allocation were a reference to a decision mentioned in subsection (1).

168 Notice of chief executive's decision

- (1) If the chief executive decides to offer a new lease or a deed of grant, the applicant must be given notice of the conditions on which the offer is made.
- (1A) However, if the application is for the conversion to freehold land of a lease for tourism purposes for land on a regulated island, the chief executive may offer a deed of grant only if the Governor in Council has first approved the conditions on which the offer is made.
- (1B) If the land the subject of the proposed lease or deed of grant is to include a forest consent area—
 - (a) the proposed lease or deed of grant must be referred to the chief executive under the *Forestry Act 1959* to decide conditions to be included in the offer; and

-
- (b) the offer must include any conditions decided under paragraph (a).
 - (2) If the offer is for a lease, the offer must state the conditions to which the lease will be subject.
 - (3) The offer may be for a smaller size area of land or a different tenure to that applied for.
 - (4) If the chief executive decides to refuse the conversion application, the applicant must be given notice of the reasons for the decision.
 - (5) The applicant may appeal against the chief executive's decision to refuse the conversion application if the only reason for the refusal was that the applicant had not fulfilled the conditions of the lease.

169 Conditions of freehold offer

If an offer is for a deed of grant, including a freeholding lease, the offer may include 1 or more of the following conditions—

- (a) that the lessee enter into a conservation agreement;
- (b) that either—
 - (i) the lessee enter into a forest consent agreement in relation to the land; or
 - (ii) the deed of grant or freeholding lease includes a forest entitlement area;
- (c) that the purchase price for the conversion be paid in full.

170 Purchase price if deed of grant offered

- (1) Unless a price or formula has already been stated in the lease to be converted, the purchase price is the amount decided by the chief executive in the way prescribed by regulation.
- (3) Without limiting subsection (1), the regulation must provide for the purchase price to include the market value of any commercial timber that is the property of the State on the

lease land, other than forest products the subject of a forest consent agreement.

171 When offer has been accepted

- (1) An offer has not been accepted until the lessee fulfils the conditions of the offer.
- (2) If the conditions of an offer include a requirement to enter into a forest consent agreement, the chief executive under the *Forestry Act 1959* must have advised the chief executive under this Act that the forest consent agreement has been entered into before the conditions of the offer may be taken to be fulfilled.

172 Issuing of new tenure

- (1) On acceptance of the offer a tenure (the *new tenure*) may be issued by—
 - (a) if the new tenure is a deed of grant or freeholding lease—the Governor in Council; or
 - (b) if the new tenure is a term or perpetual lease—the Minister.

Note—

See also section 153 (Lease must state its purpose).

- (2) The new tenure must be issued in accordance with the terms of the accepted offer.
- (3) Additional unallocated State land may be included in the new lease, if chapter 4, part 1, division 2 is complied with.

Note—

Chapter 4, part 1, division 2 is about interests available in land without competition.

- (4) If the new tenure is a lease, it must be issued for the same purpose as the lease (the *old lease*) the subject of the conversion application.

-
- (5) The new tenure is issued subject to all relevant registered interests to which the old lease was subject, and in the same priorities.
 - (6) On the registration of the new tenure, the old lease is taken to have been wholly surrendered.
 - (7) The surrender must be registered.

173 Land not included in the offer

If the offer is for only a part of the lease, the land not included in the offer, on surrender of the lease, becomes unallocated State land.

Division 4 Subdividing leases

175 When lease may be subdivided

A lease may be subdivided only if—

- (a) this Act or a condition of the lease does not prohibit its subdivision; and
- (b) the lease is not, by a registered covenant or tied condition, tied to another lease or freehold land; and
- (c) the chief executive has, on an application made under this division, approved the subdivision; and
- (d) the requirements under this division for the subdivision have been complied with.

176 Application to subdivide

- (1) A lessee of a lease (the *existing lease*) may apply for approval to subdivide the lease.
- (2) The application must be accompanied by—
 - (a) a statement of the applicant's reasons for seeking the proposed subdivision; and

- (b) a statement by the relevant local government of its views on the proposed subdivision; and
 - (c) the written consent of all persons with a registered interest in the lease land.
- (3) However, consent under subsection (2)(c) must not be unreasonably withheld.

176A General provisions for deciding application

- (1) The chief executive must decide whether to approve the proposed subdivision.
- (2) If the chief executive decides to grant the approval, the chief executive must decide an offer (the *subdivision offer*) of new leases to the applicant for the lease land.
- (3) If the existing lease was a rolling term lease, each new lease is a rolling term lease under this Act, even if the lease land for the new lease is rural leasehold land of less than 100ha.
- (4) The subdivision offer must state—
 - (a) the imposed conditions of each of the new leases; and
 - (b) for each new lease to be issued as a term lease—the term of the lease.
- (5) The subdivision offer may be made subject to conditions.

Example—

a condition that a plan of survey for the proposed subdivision, approved by the chief executive and capable of registration, be lodged

- (6) The term of a new lease may be longer than the unexpired term of the existing lease.

176B Criteria for deciding application

In deciding the matters under section 176A the chief executive must consider—

- (a) whether the proposed subdivision—

- (i) is appropriate, taking into account State, regional and local planning strategies and the objects of this Act; and
 - (ii) will require dedication of part of the lease land as a road for access to the subdivided land; and
- (b) the matters mentioned in section 159(1) to the extent they are relevant to the proposed subdivision and the term of any new leases to be offered.

176C Specific grounds for refusal

The chief executive may refuse to give the approval if—

- (a) the applicant has made an earlier application for approval to subdivide the existing lease; and
- (b) the earlier application was refused; and
- (c) there is no relevant change in circumstances from the earlier application.

176D Notice of decision

- (1) If the chief executive decides to grant the approval, the applicant must be given a notice stating the subdivision offer.
- (2) If the chief executive decides to refuse the approval, the applicant must be given a notice of the decision and the reason for it.

176E Appeal against refusal

If—

- (a) the chief executive decides to refuse the approval; and
- (b) the only reason for the refusal was that the applicant had not complied with the conditions of the existing lease;

the applicant may appeal against the decision.

176F Acceptance of subdivision offer

The subdivision offer is accepted only if the applicant complies with its conditions.

176G Issuing of new leases

- (1) On acceptance of the subdivision offer—
 - (a) any plan of subdivision required under a condition of the offer to be lodged must be registered; and
 - (b) the designated person may issue the new leases in accordance with the terms of the accepted offer.

Note—

See also section 153 (Lease must state its purpose).

- (2) The new leases are issued subject to all relevant registered interests to which the existing lease was subject with the same priorities.
- (3) On registration of the new leases, the existing lease is taken to have been wholly surrendered.
- (4) The surrender must be registered.

176I Power to waive fees if chief executive requested application

If the application was made at the chief executive's request and the subdivision offer is made, the chief executive may waive all or part of any charge or fee for the application, the registration of any relevant plan of subdivision or the issue of the new leases.

Division 5 Amalgamating leases

176J When leases may be amalgamated

- (1) Two or more leases may be amalgamated only if—
 - (a) the lease land is not a reserve or State forest; and

- (b) this Act or a condition of the lease does not prohibit the amalgamation; and
 - (c) there is no registered mortgage over only part of the lease land; and
 - (d) the chief executive has, on an application made under this division, approved the amalgamation; and
 - (e) the requirements under this division for the amalgamation have been complied with.
- (2) In this section—
lease land means the lease land for all of the leases.

176K Application to amalgamate

- (1) The lessee of 2 or more leases (the *existing leases*) may apply for approval to amalgamate them only if—
- (a) the lessee is the lessee of all of them; and
 - (b) they are of the same tenure type; and
 - (c) the lease land for the existing leases is contiguous.
- (1A) For subsection (1)(b), 2 or more leases are taken to be of the same tenure type if—
- (a) each lease is for land on a regulated island, and is either a term lease for tourism purposes or a perpetual lease for tourism purposes; or
 - (b) each lease is either a term lease for pastoral purposes or a perpetual lease for pastoral purposes.
- Example—*
- Two leases would be taken to be of the same tenure type for subsection (1)(b) if they were both for pastoral purposes even though one lease was a term lease and the other was a perpetual lease.
- (2) If the lessee comprises 2 or more persons, each person must be a party to the application.
- (3) The application must be accompanied by—

- (a) a statement of the applicant's reasons for seeking the proposed amalgamation; and
 - (b) a statement by the relevant local government of its views on the proposed amalgamation; and
 - (c) the written consent of all persons with a registered interest in the lease land for the existing leases.
- (4) However, consent under subsection (3)(c) must not be unreasonably withheld.

176L General provisions for deciding application

- (1) The chief executive must decide whether to approve the proposed amalgamation.
- (2) If the chief executive decides to grant the approval, the chief executive must decide an offer (the *amalgamation offer*) of an amalgamated lease to the applicant for the lease land of the existing leases.
- (3) However, if the proposed amalgamation is an amalgamation of a term lease and a perpetual lease, the amalgamation offer must be for a perpetual lease.
- (4) The amalgamation offer must state the term and the imposed conditions of the amalgamated lease.
- (5) The amalgamation offer may be made subject to conditions.

Example—

- a condition that a plan of survey for the proposed amalgamation, approved by the chief executive and capable of registration, be lodged
- (6) The term of the amalgamated lease may be longer than the unexpired term of all or any of the existing leases.

176M Criteria for deciding application

In deciding the matters under section 176L the chief executive must consider—

- (a) whether the proposed amalgamation is appropriate, taking into account State, regional and local planning strategies and the objects of this Act; and
- (b) the matters mentioned in section 159(1) to the extent they are relevant to the proposed amalgamation and the term of any amalgamated lease to be offered.

176N Roads

- (1) This section applies if there is a road within the external boundaries of the lease land of any of the existing leases.
- (2) The chief executive must consider—
 - (a) whether the road is still needed for public use; and
 - (b) if the road were to be closed—whether it should be included within the external boundaries of the lease land of the proposed amalgamated lease.
- (3) If the applicant or the chief executive proposes to close the road and include its area in the lease land of any amalgamated lease, the chief executive must—
 - (a) seek the opinion of the relevant local government on the proposal; and
 - (b) comply with chapter 4, part 1, division 2.

176O Specific grounds for refusal

The chief executive may refuse to give the approval if—

- (a) the applicant has made an earlier application for approval to amalgamate the existing leases; and

- (c) there is no relevant change in circumstances from the earlier application.

176P Notice of decision

- (1) If the chief executive decides to grant the approval the applicant must be given a notice stating the amalgamation offer.
- (2) If the chief executive decides to refuse the approval the applicant must be given a notice of the decision and the reasons for it.

176Q Appeal against refusal

- (b) the only reason for the refusal was that the applicant had not complied with the conditions of 1 or more of the existing leases;

the applicant may appeal against the decision.

176R Acceptance of amalgamation offer

The amalgamation offer is accepted only if the applicant complies with its conditions.

176S Issuing of amalgamated lease

- (1) On acceptance of the amalgamation offer—
 - (a) any plan of amalgamation required under a condition of the offer to be lodged must be registered; and
 - (b) the designated person may issue the amalgamated lease in accordance with the terms of the accepted offer.

Note—

See also section 153 (Lease must state its purpose).

- (2) The amalgamated lease is issued subject to all relevant registered interests to which the existing leases were subject with the same priorities.

- (3) On registration of the amalgamated lease, the existing leases are taken to have been wholly surrendered.
- (4) The surrenders must be registered.

176T Power to waive fees if chief executive requested application

If the application was made at the chief executive's request and the amalgamation offer is made, the chief executive may waive all or part of any charge or fee for the application, the registration of any relevant plan of amalgamation or the issue of the amalgamated lease.

Division 6 Land management agreements

176U Making and registration of agreement about land management

- (1) The Minister may, for the State, make or amend a written agreement with a lessee about the management and use of the lease land.

Note—

For registration of land management agreements, see section 279.

176UA Power to require land management agreement in particular circumstances

- (1) This section applies for a term or perpetual lease if—
 - (a) the lease is for rural leasehold land; and
 - (b) the Minister is satisfied—
 - (i) the lease land suffers from, or is at risk of, land degradation; or

- (ii) the lessee is using the lease land in a way that is not fulfilling the lessee's duty of care for the land, under section 199.
- (2) The Minister, by notice, may require a land management agreement to be entered into for the lease land.
- (3) If a land management agreement is entered into under this section the lease is subject to a condition that the lessee must comply with the agreement.

176V Purposes of a land management agreement

The purposes of a land management agreement for a lease are to do each of the following to the extent they are relevant to the lease land—

- (2) The chief executive may issue guidelines about the content and preparation of land management agreements.

176X Reviewing land management agreement

The Minister must, at least once every 10 years, review each land management agreement for a lease to assess the lessee's performance in relation to the management outcomes under the agreement.

Note—

See also section 211(1) (Reviewing imposed conditions of lease).

176XA Cancellation of land management agreement

The Minister may, with the agreement of the lessee, cancel a land management agreement registered on a lease.

Division 7 Miscellaneous provisions

176Y Part does not affect amounts owing relating to lease

To remove any doubt, it is declared that the following do not limit or otherwise affect a lessee's obligation to pay rent or another amount owing in relation to a lease—

- (a) an application under this part about the lease, other than an application under section 154;
- (b) the ending, under this part, of the lease.

176Z When payment obligations end if lease ends under part

If a lease ends under this part, an obligation to pay future rent and other amounts that may become payable in relation to the lease stops on the day before the day on which the lease ends.

176ZA Overpayments relating to former lease

- (1) This section applies if a lease ends under this part and, because of section 176Z, an amount has been overpaid for rent or another amount relating to the former lease.
- (2) If a new lease is issued under this part in relation to the former lease, the amount must be credited to rent or other amounts payable under the new lease.
- (3) Otherwise, the amount must be refunded to the person who made the payment.

Part 4 Permits to occupy particular land

177 Chief executive may issue permit

- (1) The chief executive may issue a permit to occupy unallocated State land, a reserve or a road.
- (2) The permit may be issued for the purpose, and on the terms, the chief executive decides are appropriate to the land and the purpose of the permit.
- (3) If there is a trustee of the reserve, the chief executive must consult the trustee before the permit is issued.
- (4) If the purpose of the permit is inconsistent with the purpose of the reserve, no improvements, other than boundary fences, are to be built by the permittee.
- (5) The permit may be issued for 2 or more reserves if the reserves—
 - (a) have been dedicated for the same purpose; and

- (b) are held by the same trustee.
- (6) A permit may not be transferred, sublet or mortgaged.
- (7) A permit may be issued only if it is for 1 type of land mentioned in subsection (1).
- (8) A permit for a term of not more than 12 months need not be registered.
- (9) If a permit for a term of 12 months or more is issued for unallocated State land or a reserve, the chief executive must keep a record of its issue in the appropriate register.
- (10) The chief executive may issue a permit without receiving an application under section 177A.

177A Applying for permit

- (1) A person may apply for a permit to occupy unallocated State land, a reserve or a road.
- (2) However, before applying, the person must give notice of the person's intention to apply to the following and to any other entity with a registered interest in the proposed permit land—
 - (a) for a permit for a reserve—the trustee of the reserve;
 - (b) for a permit for a State-controlled road—the chief executive of the department in which the *Transport Infrastructure Act 1994* is administered;
 - (c) for a permit for a road that is under the control of a local government—the local government.

- (2) If the permit is for a term of 12 months or more, the notice must state the day the permit was registered.

178 Permits for land in area of tidal influence

A permit for land that is on the same side of a boundary that is a tidal boundary or right line tidal boundary as the water subject to tidal influence may be issued only if—

- (a) it would not unduly affect safe navigation and sound development of the State's waterways and ports; and
- (b) its impact on marine infrastructure has been considered; and
- (c) it would not have a detrimental effect on coastal management; and
- (d) it would not be inconsistent with the intent of any relevant State management plan.

179 Fencing

- (1) If an existing fence of a property not owned by an applicant for a permit is to be used as a boundary fence for the permit, a written agreement on conditions about the maintenance of the fence must be given to the chief executive before the permit is issued.
- (2) The agreement must be signed by the owner of the fence and the applicant for the permit.

180 When permit may be cancelled or surrendered

- (1) A permit may be cancelled if—

 - (c) the chief executive, having evaluated the land under section 16, considers the permit is not consistent with the most appropriate tenure and use for the land; or
 - (d) for a permit for a reserve—the chief executive considers it appropriate for the trustee of the reserve to manage the reserve free of the permit; or
 - (e) for a permit for a State-controlled road—the chief executive considers it appropriate for the chief executive of the department in which the *Transport Infrastructure Act 1994* is administered to control the road free of the permit; or
 - (f) for a permit for a road that is under the control of a local government—the chief executive considers it appropriate for the local government to control the road free of the permit; or
 - (g) the chief executive considers the cancellation is in the interests of the State, having regard to the public interest.

198D Mandatory conditions need not be registered

To remove any doubt, it is declared that a mandatory condition of a lease, licence or permit binds the lessee, licensee or permittee even though the condition is not registered.

199 Duty of care condition

- (1) All leases, licences and permits are subject to the condition that the lessee, licensee or permittee has the responsibility for a duty of care for the land.

199B Conditions relating to buildings and other structures

All leases and permits are subject to the conditions that the lessee or permittee—

- (a) must keep all buildings and other structures on the lease land or permit land in a good and substantial state of repair; and
- (b) must not erect on the lease land or permit land a building or other structure that is not consistent with—
 - (i) for a lease—the purpose for which the lease was originally issued or, if the purpose is changed under section 154, the purpose of the lease as changed; or
 - (ii) for a permit—the purpose for which the permit was issued.

200 Noxious plants condition

- (1) All leases, licences and permits are subject to the condition that the lessee, licensee or permittee must keep noxious plants on the land under control.
- (2) If a person does not comply with subsection (1), the Minister may bring the noxious plants under control.

All leases, licences and permits are subject to the condition that the lessee, licensee or permittee must give the Minister or

the chief executive the information the Minister or the chief executive asks for about the lease, licence or permit.

Division 2 Imposed conditions

202A Operation of div 2

- (1) This division provides for conditions that may be imposed on leases, licences and permits.
- (2) Each condition decided as a condition of a lease, licence or permit under this division, division 3, section 159, 167, 176A, 176L, 214E or a transition to sale agreement is an *imposed condition* of the lease, licence or permit.
- (3) An imposed condition of a lease, licence or permit binds the lessee, licensee or permittee as well as any mandatory condition or regulated condition of the lease, licence or permit.
- (4) This section is subject to section 202B.

202B Imposed condition must be registered

A condition decided under this division, section 159, 167, 176A, 176L, 214E or a transition to sale agreement becomes an imposed condition of a lease, licence or permit and binds the lessee, licensee or permittee only if the condition is registered.

- (2) A survey condition may set a time within which the survey plan must be lodged in the land registry.
- (3) If the person is able to demonstrate a good reason for not fulfilling a survey condition within the time stated, the Minister may extend the time.
- (4) If a person does not comply with subsection (2), the Minister may arrange for the survey to be carried out or finished and charge the person the cost of the survey.

205 Tied condition

- (1) A lease may be subject to a condition (a *tied condition*) that it is tied to other land.
- (2) Subsection (1) may apply even if both parcels of land are different tenures.
- (3) It is a breach of condition of the lease if the lease or the other land are disposed of independent of each other.

206 Personal residence condition

- (1) A lease may be subject to a condition (a *personal residence condition*) that the lessee personally lives on the lease for the first 7 years of its term.
- (2) A personal residence condition applies to leases—
 - (a) obtained at ballot; and
 - (b) to which the Minister considers it should apply; and
 - (c) if the lease was issued under the repealed Act and the lease or opening notification contained a personal residence condition.
- (3) A personal residence condition does not apply for the first 3 months of a lease.
- (4) A lessee must not transfer a lease still subject to a personal residence condition.
- (5) A lessee may not sublease a lease during the first 3 years that the lease is subject to a personal residence condition.
- (6) After the first 3 years, the lessee may sublease the lease only if the lessee continues with the personal residence condition.
- (7) The Minister, by separate notice, may cancel or temporarily suspend a personal residence condition.

207 Another person may complete personal residence condition

- (1) If, while a personal residence condition still applies to a lease—
 - (a) a lessee dies—the condition may be performed by a person beneficially interested in the lease, or by a person appointed by the executor of the estate of the lessee; or
 - (b) an administrator under the *Guardianship and Administration Act 2000* is appointed for a lessee—the condition may be performed by a family member or the administrator; or

208 Resumption condition

- (1) A lease may be subject to a condition that—
 - (a) all or part of the lease may be resumed by giving the lessee 6 months notice; and
 - (b) if all or part of the lease is resumed—compensation will be paid only for improvements on the part of the lease resumed.
- (2) To remove any doubt, it is declared that no compensation is payable for the part of the lease resumed.

209 Performance security condition

- (1) A lease, licence and permit may include a condition that the lessee, licensee or permittee give performance security for failure to comply with conditions under the lease, licence or permit.

- (2) A lessee, licensee or permittee may apply for a change under this section.
- (3) The application must be accompanied by the written consent of all persons with a registered interest in the lease land.
- (4) However, consent under subsection (3) must not be unreasonably withheld.
- (5) A change made under this section must be registered.
- (6) The change has no effect until it is registered.
- (7) Once the change is registered, the imposed condition is taken to be the condition as amended by the change.
- (8) No fee is payable for registering the change.
- (9) In this section—

change, an imposed condition, includes extending the period within which the condition must be complied with.

211 Reviewing imposed conditions of lease

- (1) If, under section 176X, the Minister is reviewing a land management agreement for a lease, the Minister must also review the imposed conditions of the lease.
- (2) If there is no land management agreement for a lease, the Minister must consider whether to carry out a review (a *standard review*) of the imposed conditions of the lease at least once every 15 years after the lease started.
- (3) However, a standard review must not be made within 10 years after the lease started or after its last standard review.
- (4) A review under this section must be carried out in consultation with the lessee.

212 Minister may change imposed conditions after review

- (1) After reviewing a lease, the Minister may decide, with or without the lessee's agreement, to change an imposed condition (a *review change*) about the protection and sustainability of the lease land.
- (2) The lessee must be given notice of the decision and the reasons for the decision.
- (3) The lessee may appeal against the decision if the lessee considers the change is not necessary to protect or help the sustainability of the lease land.
- (4) On the first business day after the appeal expiration day for the decision, the change must be lodged for registration.
- (5) The change has no effect until it is registered.
- (6) Once the change is registered, the imposed condition is taken to be the condition as amended under the change.
- (6A) No fee is payable for registering the change.
- (7) No compensation is payable by the State for a review change.

Division 3A Regulated conditions

212A Operation of div 3A

- (1) This division provides for particular conditions of leases, licences or permits that are provided for under a regulation.
- (2) Each condition that a regulation states is a condition of a lease, licence or permit is a *regulated condition* of the lease, licence or permit.
- (3) A regulated condition of a lease, licence or permit binds the lessee, licensee or permittee as well as any mandatory condition or imposed condition of the lease, licence or permit.

212B Regulation may impose conditions

- (1) A regulation may impose a condition on a category of leases, licences or permits.
- (2) If a lease is of a category of leases to which a regulated condition applies, the lease becomes subject to that regulated condition when, under this Act—
 - (a) it is first granted; or
 - (b) if it is a term lease—
 - (i) it is granted as a renewed lease; or
 - (ii) its term is extended, other than for an extension under section 434B.
- (3) If a licence or permit is of a category of licences or permits to which a regulated condition applies, the licence or permit becomes subject to that regulated condition when it is issued under this Act.
- (4) If a lease, licence or permit is subject to a regulated condition (the *original condition*) and the regulation is amended to change or omit the original condition, the lease, licence or permit continues to be subject to the original condition as if it had not been changed or omitted.

-
- (5) However, the designated officer for the lease, licence or permit may, if considered appropriate, and with the agreement of the lessee, licensee, or permittee—
- (a) omit the original condition from the lease, licence or permit if the regulated condition is omitted from the regulation; or
 - (b) change the original condition if the regulated condition is changed in the regulation.
- (6) Without limiting subsection (1), a category of leases may be identified for the purposes of a regulation under this section having regard to any of the following—
- (a) whether the leases are freeholding leases, perpetual leases or term leases;
 - (b) their rental categories;
 - (c) what area of Queensland they are located in;
 - (d) a combination of any of the matters mentioned in paragraphs (a) to (c).

212C Regulated conditions need not be registered

To remove any doubt, it is declared that a regulated condition of a lease, licence or permit binds the lessee, licensee or permittee even though the condition is not registered.

Division 4 Compliance with conditions

213 Obligation to perform conditions

- (1) A lessee, licensee or permittee must perform all of the conditions of the person's tenure, to the satisfaction of the designated officer for the type of tenure.
- (2) If the lessee, licensee or permittee does not comply with subsection (1) the tenure may be cancelled or forfeited.

- (3) However, if the tenure is a lease, subsection (2) does not apply to a failure to comply with a land management agreement for the lease.

Note—

A breach of a condition of a lease that the lessee comply with a land management agreement for the lease may be dealt with by a remedial action notice.

- (4) To remove any doubt, it is declared that if no action is taken on a breach of condition of the tenure, it is not a waiver of, authorisation of or excuse for the breach.

- (5) In this section—

conditions, of a tenure, means all of its mandatory conditions, imposed conditions and regulated conditions.

tenure means—

- (a) for a lessee—the lessee’s lease; or
- (b) for a licensee—the licensee’s licence; or
- (c) for a permittee—the permittee’s permit.

Division 5 Remedial action

214 Minister’s power to give remedial action notice

- (1) The Minister may give a lessee or licensee a notice (a ***remedial action notice***) to take stated remedial action, within the reasonable time stated in the notice, if—
- (a) a ground for giving the notice exists; and
 - (b) section 214A has been complied with.
- (2) For subsection (1)(a) a ground for giving the notice is that—
- (a) the Minister is satisfied the lessee or licensee is—
 - (i) using the lease land or licence land—

- (A) in a way that is not fulfilling the lessee's or licensee's duty of care for the land, under section 199; or
 - (B) in a way that is likely to cause, or that has caused, land degradation; or
 - (ii) breaching a condition of the lease or licence, other than a condition that there must be a land management agreement for the lease; or
- Note—*
- A lease may be forfeited under section 234(b) for breach of a condition of the lease that there must be a land management agreement for the lease.
- (iii) in contravention of a provision of this Act in relation to the lease or licence; or
 - (b) the Minister has carried out a review under section 176X and, because of the review, the Minister considers that the stated remedial action is necessary or desirable.
- (3) If the notice relates to a lease and is given on the ground the Minister is satisfied the lessee has breached a condition of the lease applying under section 199B, the remedial action may require the lessee to—
- (a) for the breach of a condition applying under section 199B(a)—carry out repairs to bring a stated building or another structure into a good and substantial state of repair; or
 - (b) for the breach of a condition applying under section 199B(b)(i) or (ii)—remove or demolish a stated building or another structure.
- (4) If the notice relates to a lease and there is a land management agreement for the lease, the remedial action may include requiring the lessee to enter into an amended or a new land management agreement for the lease that includes stated provisions.

- (5) The lessee or licensee must be given a notice of the decision to give the remedial action notice and the reasons for the decision.

214A Steps required before giving remedial action notice

- (1) This section applies if the Minister proposes to give a lessee or licensee a remedial action notice.
- (2) The Minister must give the lessee or licensee a notice (a **warning notice**) stating each of the following—
 - (a) that the Minister proposes to give the lessee or licensee a remedial action notice;
 - (b) the remedial action under the proposed remedial action notice;
 - (c) the grounds for giving the proposed remedial action notice;
 - (d) the facts and circumstances that are the basis for the grounds;
 - (e) that the lessee or licensee may, within the reasonable period stated in the warning notice, make written submissions to show why the proposed remedial action notice should not be given.
- (3) The submissions may include a plan (a **remedial action plan**) for the taking of action to remedy the ground for the giving of the remedial action notice.
- (4) The Minister must consider any written submissions made under subsection (3) within the stated period.
- (5) The Minister may give the remedial action notice if, after complying with subsection (4), the Minister still believes the notice ought to be given.
- (6) Without limiting subsection (5), the Minister may give the remedial action notice if the lessee or licensee does not, at any time, comply with any remedial action plan included in the submissions.

-
- (7) The remedial action required under the remedial action notice may be different to the remedial action stated in the warning notice.

- (3) Also, the State may recover from the person the reasonable costs of taking the action under subsection (2)(a) or (b) as a debt due to the State.
- (4) Further, the Minister may decide whether it is appropriate in the circumstances to forfeit the lease.
- (5) Without limiting subsection (4), the Minister may decide it is appropriate to forfeit the lease if—
 - (a) the action required under the remedial action notice is the removal or demolition of a stated building or another structure; and
 - (b) the building or structure is integral to the purpose for which the lease has been issued or, if the purpose has been changed under section 154, the purpose as changed.

- (2) The chief executive may deal with the thing as the chief executive considers appropriate, including, for example, by destroying it, giving it away or otherwise disposing of it.
- (3) However, the chief executive must not deal with the thing in a way that could prejudice the outcome of an appeal against the making of the compliance order.
- (4) The State may recover from the person the reasonable costs of disposing of the thing as a debt due to the State.

Examples of disposal costs—

transport costs, dump fees, storage costs, costs of sale

- (5) If the chief executive sells the thing or any part of it, the amount for which the thing or part is sold must be offset against—

 - (i) there is consistency and efficiency in land registry processes; and
 - (ii) each register under this Act is an accurate, comprehensive and usable record; and
 - (iii) the integrity of the registers included in the land registry is supported and maintained to the greatest practicable extent.

- (3) The manual may include statements about additional information a person may be required to produce, or additional documents a person may be required to deposit, under section 305.
- (4) The manual may provide for the chief executive's approval of the form of an electronic conveyancing document for the Electronic Conveyancing National Law (Queensland), section 7(1)(a).
- (5) The chief executive must make the manual available to the public in the way the chief executive considers appropriate.
- (6) Without limiting subsection (5), the chief executive must ensure an up-to-date copy of the manual is available to be read free of charge at each office of the land registry.

286B Requiring plan of survey to be lodged

- (1) The chief executive may—
 - (a) require a trustee of trust land who proposes to lease or otherwise deal with all or part of the land to lodge a plan of survey of the land; or
 - (b) require a lessee who proposes to sublease or otherwise deal with the lease or part of the lease to lodge a plan of survey of the lease land.
- (2) The plan of survey must comply with the *Survey and Mapping Infrastructure Act 2003* and must be certified as accurate by a cadastral surveyor within the meaning of the *Surveyors Act 2003*.

287 Registered documents must comply with particular requirements

- (1) A document may be registered only if—
 - (a) the document is in the appropriate form and correctly executed; and
 - (b) the document complies with the directions of the chief executive about—

-
- (i) how the appropriate form must be completed; and
 - (ii) how information to be included in or given with the document must be included or given; and
 - (c) if the Minister's or chief executive's approval is needed—the Minister or chief executive has given written approval to the transaction to which the document relates.
- (2) However, if a document is not in the appropriate form, it may be registered if the chief executive is satisfied it is not reasonable to require the document to have been executed in the appropriate form.
- (3) Also, a document that does not comply with a direction mentioned in subsection (1)(b) may be registered if the chief executive is satisfied it is reasonable to not require the compliance.
- (4) Subsections (2) and (3) do not apply to an electronic conveyancing document.

287A Registration of, or dealing with, particular documents

- (1) This section applies if a document is lodged or deposited other than in compliance with a requirement under this Act.
- (2) The chief executive may register, or otherwise deal with, the document if the chief executive is satisfied it is reasonable not to require the compliance.

288 Certain documents must be signed

- (1) A document transferring a lease, sublease or licence or creating an interest in a lease or sublease must be signed by—
 - (a) the transferor or the person creating the interest; and
 - (b) the transferee or the person in whose favour the interest is to be created or a legal practitioner authorised by the transferee or person.

- (2) A total or partial discharge or release of mortgage need only be signed by the mortgagee.

288A Original mortgagee to confirm identity of mortgagor

- (1) This section applies to—
 - (a) the mortgaging of a lease or sublease; and
 - (b) an amendment of a mortgage mentioned in paragraph (a).
- (2) Before the mortgage or amendment is lodged for registration, the mortgagee under the mortgage (the *original mortgagee*) must take reasonable steps to ensure the person who is the mortgagor under the mortgage or amendment is identical with the person who is, or who is about to become, the lessee of the lease or sublessee of the sublease.
- (2A) For subsection (2), a person is the mortgagor under a mortgage or amendment of mortgage if the person executes the mortgage or amendment as mortgagor, including, if the mortgage or amendment is an electronic conveyancing document, through a subscriber digitally signing the document under the Electronic Conveyancing National Law (Queensland).
- (2B) Also, for subsection (2), a person is the mortgagor under a mortgage or amendment of mortgage if the mortgage or amendment is an electronic conveyancing document and the person signs, as mortgagor, a document that under the participation rules under the Electronic Conveyancing National Law (Queensland)—
 - (a) is required as a supporting document for the mortgage or amendment of mortgage; and
 - (b) is required to be kept by the original mortgagee.

-
- (3) Without limiting subsection (2), the original mortgagee takes reasonable steps under the subsection if the original mortgagee complies with practices included in the manual of land title practice under section 286A(2)(c) for the verification of identification of mortgagors.
 - (4) The original mortgagee must, for 7 years after the mortgage or amendment is registered, and whether or not there is registered a transfer of the mortgage—

 - (b) keep originals or copies of the documents and other evidence provided to or otherwise obtained by the original mortgagee in complying with subsection (2).

Maximum penalty—20 penalty units.

 - (b) to produce for the chief executive's inspection the written record mentioned in subsection (4)(a) or the originals or copies mentioned in subsection (4)(b).
- (6) The original mortgagee must comply with a request under subsection (5) unless the original mortgagee has a reasonable excuse.

Maximum penalty—20 penalty units.

- (7) This section applies to a mortgage only if it is executed after the commencement of this section.

288B Mortgage transferee to confirm identity of mortgagor

- (1) This section applies to the transfer of the mortgage of a lease or a sublease.

- (2) Before the transfer is lodged for registration, the transferee under the transfer (the *mortgage transferee*) must take reasonable steps to ensure that the person who was the mortgagor under the mortgage was identical with the person who, when the mortgage was registered, was the lessee of the lease or sublessee of the sublease.
- (2A) For subsection (2), a person was the mortgagor under a mortgage if the person executed the mortgage as mortgagor, including, if the mortgage is an electronic conveyancing document, through a subscriber digitally signing the document under the Electronic Conveyancing National Law (Queensland).
- (2B) Also, for subsection (2), a person was the mortgagor under a mortgage if the mortgage is an electronic conveyancing document and the person signed, as mortgagor, a document that under the participation rules under the Electronic Conveyancing National Law (Queensland)—
- (a) was required as a supporting document for the mortgage; and
 - (b) was required to be kept by the original mortgagee mentioned in section 288A(2).

- (4) The mortgage transferee must, for 7 years after the transfer of the mortgage is registered, and whether or not there is registered a further transfer of the mortgage—
- (a) keep, in the approved form, a written record of the steps taken under subsection (2); or
 - (b) keep originals or copies of the documents and other evidence provided to or otherwise obtained by the mortgage transferee in complying with subsection (2).

Maximum penalty—20 penalty units.

-
- (5) The chief executive may, whether before or after the registration of the transfer of the mortgage, and whether or not there has been registered a further transfer of the mortgage, ask the mortgage transferee—
- (a) to advise the chief executive about the steps taken by the mortgage transferee under subsection (2); and
 - (b) to produce for the chief executive's inspection the written record mentioned in subsection (4)(a) or the originals or copies mentioned in subsection (4)(b).
- (6) The mortgage transferee must comply with a request under subsection (5) unless the mortgage transferee has a reasonable excuse.
- Maximum penalty—20 penalty units.
- (7) This section applies to a transfer of a mortgage only if the transfer is executed after the commencement of this section.
- (8) However, this section applies in relation to a mortgage whenever executed.

288C Effect of registration of mortgage under Land Title Act 1994

- (1) This section applies if a mortgage (the *relevant mortgage*) to which section 288A(2) applied, or that was the subject of a transfer to which section 288B(2) applied, becomes registered under the *Land Title Act 1994* on the issue of a deed of grant under this Act.

Example—

Under section 458(2), a deed of grant is issued subject to a mortgage to which section 288A(2) applied.

- (2) Sections 288A and 288B continue to have effect in relation to the mortgage or transfer as if the mortgage were still registered under this Act.
- (3) However, the *Land Title Act 1994*, sections 185(1A) and 189(1)(ab) have effect in relation to the mortgage.
- (4) For applying subsection (3)—

- (a) the references in the *Land Title Act 1994*, section 185(1A)(a) and (b) to the instrument of mortgage or amendment of mortgage are taken to be references to the relevant mortgage; and
- (b) the references in the *Land Title Act 1994*, sections 185(1A)(a) and 189(1)(ab) to sections 11A(2) and 11B(2) of that Act are taken to be references to sections 288A(2) and 288B(2) respectively of this Act; and
- (c) the reference in the *Land Title Act 1994*, section 185(1A)(b) to the registered proprietor of the lot or the interest in a lot is taken to be a reference to the lessee of the lease or the sublessee of the sublease.

289 Giving consent for dealings

- (1) Subject to subsections (2) to (4), if the consent of a person is required or permitted for a dealing with a lease, sublease or licence, the consent must be—
 - (a) written on the document for the dealing (the *relevant document*); or
 - (b) if the chief executive considers it appropriate—
deposited with the relevant document.
- (2) If the relevant document is an electronic conveyancing document, the person is taken to have complied with subsection (1) if the consent—
 - (a) is in the form of an electronic conveyancing document; and
 - (b) is deposited with the relevant document.
- (3) Subsection (4) applies if the relevant document is lodged or deposited in an electronic form by an electronic communication under—
 - (a) this Act or another law, other than the Electronic Conveyancing National Law (Queensland); and
 - (b) the *Electronic Transactions (Queensland) Act 2001*.

- (4) The person is taken to have complied with subsection (1) if—
- (a) a method is used to identify the person and to indicate the person's consent; and
 - (b) having regard to all the relevant circumstances when the method was used, the method was as reliable as was appropriate for the purposes for which the consent was communicated; and
 - (c) the chief executive consents to the requirement being met by using the method.

290 Offence not to use appropriate form

If there is an appropriate form for a document, a person must not knowingly use a form for the document that is not the appropriate form.

Maximum penalty—20 penalty units.

Division 3A Format of plans of survey

290A Available formats for plans

- (1) A plan of survey may be in a standard or volumetric format.
- (2) The format to be used in the plan depends on how the plan is to define the land to which it relates.

290B Standard format plan

A *standard format* plan of survey defines land using a horizontal plane and references to marks on the ground.

Example of marks—

posts in the ground

290C Volumetric format plan

A *volumetric format* plan of survey defines land using 3 dimensionally located points to identify the position, shape and dimensions of each bounding surface.

Division 3B Explanatory format plans

290D Explanatory format plan

- (1) Despite section 286, the chief executive may approve the lodging of a plan relating to an interest in land other than a plan of survey (an *explanatory format plan*) if the chief executive is satisfied the land to which the interest relates may be accurately defined using—
 - (a) information already held in the land registry; or
 - (b) other information the chief executive considers gives a high level of accuracy about the extent of the interest.
- (2) Lodging an explanatory format plan, approved under this section, is sufficient compliance with a requirement under this Act to lodge a plan of survey.

Division 3C Plans of subdivision

290E Meaning of *plan of subdivision*

A *plan of subdivision* is a plan of survey providing for 1 or more of the following—

- (a) the division of 1 or more lots;
- (b) the amalgamation of 2 or more lots to create a smaller number of lots;
- (c) the dedication of land to public use;
- (d) the redefinition of a lot on a resurvey.

290F Plan of subdivision may be registered

- (1) A plan of subdivision may be registered in the appropriate register in the land registry.
- (2) The plan takes effect immediately it is registered.

Example—

A lot defined in the plan is created as a lot when the plan is registered.

- (3) The registration of a plan of subdivision does not limit anything the Governor in Council or Minister may do under this Act.
- (4) On the registration of a plan of subdivision of transport land, the description of the land is amended as provided by the plan of subdivision.
- (5) Subsection (4) is not limited by section 360 or 360A.

290G Standard format plan of subdivision

A standard format plan of subdivision may only divide a standard format lot.

290H Volumetric format plan of subdivision

A volumetric format plan of subdivision may divide a lot on a standard or volumetric format plan of subdivision.

290I Division of lot on standard format plan of subdivision

- (1) This section applies if a volumetric format plan of subdivision divides a standard format lot, creating 2 or more lots.
- (2) If, after the division, a created lot continues to be defined using a horizontal plane and references to marks on the ground, the created lot is a standard format lot.

290J Requirements for registration of plan of subdivision

- (1) A plan of subdivision must—

- (a) show all proposed lots marked with separate and distinct numbers; and
- (b) show all proposed easements marked with separate and distinct letters; and
- (c) distinctly show all roads, parks, reserves and other proposed lots that are to be public use land; and
- (d) if it provides for any proposed public use land to be a reserve—state the community purpose of the reserve; and
- (e) comply with the *Survey and Mapping Infrastructure Act 2003*; and
- (f) be certified as accurate by a cadastral surveyor within the meaning of the *Surveyors Act 2003*; and
- (g) if any land the subject of the plan of subdivision is the subject of a lease issued under this Act, include a statement agreeing to the plan by—
 - (i) if there is a mortgagee in possession of the lease—the mortgagee in possession; or
 - (ii) otherwise—the lessee of the lease; and
- (h) if any land the subject of the plan of subdivision is the subject of an occupation licence under this Act and the licensee is surrendering all or part of the licence—include a statement agreeing to the plan by the licensee; and
 - (i) if a road is permanently closed under section 108—show the road as permanently closed; and
 - (j) if a road permanently closed is amalgamated with land under section 109(2)—show the amalgamation; and
- (k) be consented to by the Minister; and
- (l) be consented to by—
 - (i) each person whose interests as a registered mortgagee are affected by the plan; and

-
- (ii) each person whose interests as a registered sublessee are affected by the plan; and
 - (iii) each person whose interests as a registered grantee of an easement or profit a prendre are affected by the plan; and
 - (iv) if the land the subject of the plan of subdivision is the subject of a conservation agreement—the chief executive of the department in which the *Nature Conservation Act 1992* is administered; and
- (m) include a statement identifying each lot created by the plan of subdivision that is to remain subject to the title reference for any lease, licence, reserve or unallocated State land affected by the plan.
- (2) If the plan of subdivision defines the boundaries of a lease, or part of a lease, or another interest in land less than freehold, that is acquired by resumption under the authority of an Act—
 - (a) subsection (1)(g), (h), (k) and (l) does not apply; and
 - (b) the plan must be consented to by the acquiring entity.
 - (3) If the plan of subdivision relates only to transport land, the plan of subdivision need not be consented to by the Minister as otherwise would be required under subsection (1).
 - (4) If the plan of subdivision is needed to effect the absolute or partial revocation of a reserve or the absolute or partial cancellation of an occupation licence, subsection (1)(l) does not apply.
 - (5) Subsection (6) applies, despite subsection (1), if—
 - (a) the land the subject of the subdivision is in a priority development area; and
 - (b) the plan of subdivision has been consented to by MEDQ.
 - (6) The plan must be registered without the consent of the Minister or anyone else whose consent would otherwise have been required for the plan if it otherwise complies with this section.

290JA Dedication of public use land in plan

- (1) This section applies to the dedication of land to public use in a registered plan of subdivision.
- (2) On the coming into effect of the plan, without anything further—
 - (a) if the dedication is for a reserve—the land is dedicated as a reserve for the community purpose or purposes stated in the plan; or
 - (b) if the dedication is for a road—the road is opened as a road; or
 - (c) if the dedication is for a non-tidal watercourse or a lake—the plan is taken to be the source material for the land for the *Survey and Mapping Infrastructure Act 2003*, section 99; or

Note—

The *Survey and Mapping Infrastructure Act 2003*, section 99 defines when a boundary of land is a non-tidal boundary (watercourse) or non-tidal boundary (lake). See section 13A of this Act for provisions about the ownership of land on the watercourse side or lake side of one of these boundaries.

- (d) otherwise—the land becomes unallocated State land.
- (3) Subsection (4) applies to an easement over a lot if—
 - (a) the easement is an easement for providing access or a right of way, including a public thoroughfare easement; and
 - (b) the lot or a part of the lot is dedicated for a road under subsection (2).
- (4) The easement is extinguished to the extent it is over the lot or the part of the lot dedicated for the road.

290JB Access for public use land

A plan of subdivision providing for the dedication of a lot to public use, other than as a road, non-tidal watercourse or a lake, may be registered only if—

-
- (a) on the registration and coming into effect of the plan, access to the lot will be available through a road or a public thoroughfare easement; or
 - (b) the Minister has approved that the plan of subdivision may be registered without access to the lot being available.

290K Particulars to be recorded when registered plan takes effect

In registering a plan of subdivision, the chief executive must record in the appropriate register—

- (a) if the boundaries of land affected by the plan of subdivision are changed on the coming into effect of the plan—any new description as identified on the reverse of the plan; and
- (b) if all or part of land affected by the plan of subdivision becomes a reserve on the coming into effect of the plan—the particulars of the reserve; and
- (c) if all or part of land affected by the plan of subdivision becomes public use land other than a reserve or road—the particulars of the unallocated State land.

290L Lodged plan that is withdrawn and relodged

If a plan of subdivision is withdrawn and relodged under section 308, it must be treated for the purposes of section 283 and section 298 to have been lodged when it was first lodged.

290M Division excluding road or watercourse

- (1) A lot may be divided by a plan of subdivision, even though there is a road or watercourse within the boundaries of the lot that is not part of the lot.
- (2) However, the road or watercourse is not included in any lot created by the plan of subdivision, even though it may be within the boundaries of the lot.

290N Pre-examination of plans

- (1) Nothing in this Act prevents the chief executive from examining a plan of survey and related instruments deposited before the plan is lodged for registration.
- (2) Section 305 applies to a plan and related instruments deposited under subsection (1).

Division 3D Electronic conveyancing documents

290O Reference to a particular type of document includes its electronic conveyancing form

A reference in this Act to a document of a type that may be lodged or deposited under this Act includes a reference to the document in the form of an electronic conveyancing document.

290P What is an *electronic conveyancing document*

- (1) An *electronic conveyancing document* is a document under the Electronic Conveyancing National Law (Queensland) that—
 - (a) is of a type mentioned in schedule 6, definition *document*, paragraphs (a) to (g); and
 - (b) is lodged electronically under section 7 of the Law, in the land registry.

Note—

Under the Electronic Conveyancing National Law (Queensland), schedule 1, section 12(1), definition *document*, a document includes any record of information that exists in a digital form and is capable of being reproduced, transmitted, stored and duplicated by electronic means.

- (2) Subsection (3) applies to a document that is lodged or deposited in an electronic form by an electronic communication under—

-
- (a) this Act or another law, other than the Electronic Conveyancing National Law (Queensland); and
 - (b) the *Electronic Transactions (Queensland) Act 2001*.
- (3) To remove any doubt, it is declared that the document is not an electronic conveyancing document.

290Q Signing or executing an electronic conveyancing document

If this Act provides for a document to be signed or executed and the document is an electronic conveyancing document, the document must be digitally signed as provided for under the Electronic Conveyancing National Law (Queensland).

Division 4 Powers of the chief executive

291 Chief executive may correct registers

- (1) The chief executive may correct a register mentioned in section 276 if the chief executive is satisfied—
 - (a) the register is incorrect; and
 - (b) the correction will not prejudice the rights of the holder of an interest in the relevant lease, licence, permit or reserve.
- (2) The chief executive's power to correct a register includes power to correct a particular in the register or a document forming part of the register.
- (3) If a register is corrected, the chief executive must record in the register—
 - (a) the state of the register before the correction; and
 - (b) the time, day and circumstances of the correction.
- (4) A register corrected by the chief executive under this section has the same effect as if the incorrect recording had not been made.

291A Correction for omitted easement

- (1) Despite section 291(1)(b), the chief executive may otherwise act under section 291 to correct the leasehold land register to include the particulars of an easement (*easement particulars*) that have been omitted from the register in relation to a lease.
- (2) For subsection (1), easement particulars are taken to have been omitted from the leasehold land register in relation to a lease only if—
 - (a) the easement was in existence when the particulars of the lease were first registered, but the easement particulars have never been recorded in the leasehold land register against the lease; or
 - (b) the easement particulars have previously been recorded in the leasehold land register, but the current particulars in the leasehold land register about the lease do not include the easement particulars, other than because the easement has been extinguished in relation to the lease; or
 - (c) the document providing for the easement was lodged for registration but, because of an error of the chief executive, has never been registered.
- (3) Subsection (2) applies whether or not the lease has at any time been transferred or otherwise dealt with.
- (4) In subsection (2)(b)—
extinguished includes surrendered.

292 Lot-on-plan description

The chief executive may simplify the description of land registered in a register by amending the existing description to a lot-on-plan description.

294 Chief executive may require public notice to be given of certain proposed action

- (1) This section applies if a person (the *applicant*) asks the chief executive to register a transmission of a registered interest.
- (2) The chief executive, by notice, may require the applicant to give public notice of the request.
- (3) The chief executive may specify in the notice to the applicant—
 - (a) what must be included in the public notice; and
 - (b) how many times the public notice must be published; and
 - (c) how and when the public notice must be published.
- (4) The applicant must satisfy the chief executive that the public notice has been given as required by the chief executive.

Part 1A Building management statements

Division 1 Application

294A Application

This part applies only to transport land.

Division 2 Building management statements

294B Building management statement may be registered

- (1) A building management statement may be registered.
- (2) A *building management statement* is a document that—
 - (a) identifies lots to which it applies; and

- (b) contains provisions benefiting and burdening the lots to which it applies; and
 - (c) otherwise complies with the requirements of this division for a building management statement.
- (3) Each lot to which a building management statement applies must be a lot entirely or partly contained in, or entirely or partly containing, 1 or more buildings.
 - (4) However, a building management statement that otherwise complies with subsection (3) may also apply to a lot that is not entirely or partly contained in, and does not entirely or partly contain, 1 or more buildings if the lot is the subject of a building development approval.
 - (5) If a lot to which a building management statement applies is the subject of a plan of subdivision, the statement applies to each lot created by the registration of the plan.
 - (6) However, the registration of a building management statement does not limit anything the designated person may do, or the chief executive must do, under section 360 or 360A.
 - (7) In this section—
building development approval means a development approval under the Planning Act for development relating to a proposed building or buildings.

294BA Single area for lots to which building management statement applies

- (1) The lots to which a building management statement applies must form a single, continuous area of land.
- (2) A number of lots are taken to form a single, continuous area of land even if there is a road or watercourse within the external boundaries of the area comprising of the lots.
- (3) Despite subsection (1), a building management statement may apply to lots that do not form a single, continuous area of land if the chief executive is satisfied, on reasonable grounds, that all the lots are located within an area that is sufficiently

limited to ensure the effective and efficient application of the provisions of this division.

294C Circumstances under which building management statement may be registered

- (1) A building management statement may be registered only if the statement is signed by the lessees of all lots to which the statement applies.
- (2) The lots to which a building management statement applies must comprise—
 - (a) 2 or more volumetric format lots; or
 - (b) 1 or more volumetric format lots, and 1 or more standard format lots.

294D Content of building management statement

- (1) A building management statement must contain provisions about the following—
 - (a) the supply of services to lots;
 - (b) rights of access to lots;
 - (c) rights of support and shelter;
 - (d) insurance arrangements.
- (2) A building management statement may contain provisions about the following—
 - (a) the establishment and operation of a management group;
 - (b) the imposition and recovery of levies, how levy amounts are to be kept and how levy amounts are to be spent;
 - (c) property maintenance;
 - (d) architectural and landscaping standards;
 - (e) dispute resolution;
 - (f) rules for common services and facilities;

- (g) administrative arrangements;
 - (h) arrangements for accomplishing the extinguishment of the statement;
 - (i) proposed future development.
- (3) To remove doubt, it is declared that a right of access, support or shelter, or other right in the nature of an easement, under a building management statement may operate according to its terms, and may be effective, despite the absence of a formal registered easement establishing the right.
- (4) A dispute resolution provision under a building management statement may operate to require the referral of a dispute arising under the statement other than to a court.
- (5) However, the provision is ineffective to the extent that it purports to operate to stop final determination of the dispute in a court of competent jurisdiction.

294E Registration of building management statement

- (1) When registering a building management statement, the chief executive must record a reference to the statement in the particulars for the lease in the appropriate register.
- (2) However, the chief executive, though not obliged to examine, may examine a building management statement for its validity, including, in particular, its consistency with any plan of subdivision, or its compliance with the requirements for a building management statement.
- (3) A registered building management statement binds the successors in title to the lessee of each lot to which the statement applies.

294F Amending a building management statement

- (1) A building management statement may be amended by registering an instrument of amendment of the building management statement.

- (2) The instrument of amendment must be signed by the lessees of all lots to which the building management statement applies.
- (3) The instrument of amendment must not change the lots to which it applies.

294G Building management statement if lots owned by 1 lessee

A building management statement may be registered even if all the lots to which it applies have the same lessee.

294H One person becoming lessee of all lots

If the same person becomes the lessee of all lots to which a building management statement applies, the building management statement is extinguished only if the lessee asks the chief executive to extinguish it.

294I Extinguishing a building management statement

- (1) A building management statement may be extinguished by registering a document of extinguishment of the building management statement.
- (2) A building management statement may be extinguished in part to remove a lot that is not contained in, or does not contain, a building or a part of a building, by registering an instrument of partial extinguishment of the building management statement.
- (3) The instrument of extinguishment or partial extinguishment must be signed by the lessees of all lots to which the building management statement applies.
- (4) However, a building management statement may be extinguished or partially extinguished only if—
 - (a) for a partial extinguishment—all registered mortgagees of a lot to be removed consent to the partial extinguishment; or

- (b) otherwise—all registered mortgagees of lots to which the building management statement applies consent to the extinguishment.

294J Building management statement affecting freehold and non-freehold land

- (1) If a building management statement benefits or burdens both freehold and non-freehold land, the building management statement must be registered in the appropriate registers.
- (2) Further dealings affecting the building management statement must also be registered in the appropriate registers.
- (3) If a lot subject to a building management statement, including a lot under the *Land Title Act 1994*, is surrendered to the State to be dealt with under this Act, the building management statement continues over the resulting unallocated State land only if the chief executive approves the continuation.
- (4) In considering whether to approve the continuation of the building management statement, the chief executive may consider if it is reasonably necessary to benefit the lots, including the unallocated State land, the subject of the building management statement.
- (5) If a building management statement continues over unallocated State land, the continuation must be recorded in the appropriate register.
- (6) If unallocated State land, over which there is a building management statement, is dealt with under this Act—
 - (a) the chief executive may approve the building management statement continue; and
 - (b) if approved—the continuation of the building management statement must be recorded in the appropriate register.

Part 2 Registration and its effect

Division 1 Registration of documents

295 Right to have interest registered

- (1) If a person lodges a document transferring or creating an interest in land under this Act, the chief executive must register the document if—
 - (a) the document has been correctly executed; and
 - (b) the person lodges the document and all other documents needed by the chief executive to effect registration of the document; and
 - (c) the document appears on its face to be capable of registration; and
 - (d) the person has otherwise complied with this Act for the registration of the document; and
 - (e) the document is not inconsistent with another Act or law; and
 - (f) if the document is a plan of survey—it is not inconsistent with another plan of survey.
- (2) If the document is a plan of survey and it is inconsistent with another plan of survey, the chief executive may—
 - (a) give a notice to a person holding an interest in a lot that may be affected by registration of the plan of survey; or
 - (b) require the person who lodged the document to give a notice, in the way the registrar requires, to a person mentioned in paragraph (a).
- (3) However, subsection (1) does not prevent the person from withdrawing the document before it is registered.

297 Order of registration of documents

- (1) Documents about a single parcel of land must be registered in the order they are lodged.
- (2) Subsection (1) is subject to section 308.

Note—

Section 308 is about withdrawing lodged documents before they are registered.

298 Priority of registered documents

- (1) Registered documents have priority according to when each of them was lodged and not according to when each of them was executed.
- (2) A document is taken to be lodged on the day and at the time endorsed on the document by the chief executive as the day and time of the lodgement unless the contrary is proved.
- (3) Subsection (1) is not affected by actual, implied or constructive notice.

299 When a document is registered

- (1) A document is registered when the particulars about the document are recorded in the relevant register.
- (2) This section applies subject to section 299A.

299A No registration in absence of required approval or consent of Minister or chief executive

- (1) A document is not registered, even though the particulars about the document are recorded in the relevant register, if—
 - (a) under this Act, the Minister's or chief executive's approval or consent, however described, is required for the document, including any aspect of the document, but the approval or consent has not been obtained; or

Examples—

- a plan of subdivision that has not been consented to by the Minister
 - a transfer document if the chief executive has not given written approval to the transfer
- (b) the terms of the document are inconsistent with the terms of any approval or consent, however described, given by the Minister or chief executive in relation to the document, including any aspect of the document.
- (2) If under subsection (1) a document is not registered, the chief executive may correct the particulars included in the appropriate register in relation to the document.
- (3) Subsection (1) applies to an approval or consent, however described, in relation to a document, whether or not the approval or consent is required to be endorsed on the document.
- (4) Subsection (1) does not affect the operation of a provision of this Act that provides for the approval or consent to be dispensed with.

Examples—

- 1 The Minister may, under section 333, give an authority to sublease without seeking the Minister's approval.
- 2 The chief executive may, under section 322AA, exempt particular persons from the requirement, under section 322(1)(b)(i), to obtain the chief executive's approval to a transfer of a lease.

Division 2 Consequences of registration

300 Benefits of registration

The benefits of this division apply to a document whether or not valuable consideration has been given.

301 Interest in land not transferred or created until registration

A document does not transfer a lease or licence or create a legal interest in a lease until it is registered.

302 Effect of registration on interest

- (1) On registration of a document expressed to transfer or create an interest in land, the interest—
 - (a) is transferred or created in accordance with the document; and
 - (b) is registered; and
 - (c) vests in the person identified in the document as the person entitled to the interest.
- (2) The person holds the interest subject to—
 - (a) all other interests in the land previously registered; and
 - (b) all rights and interests of the State in the land, other than interests subsequently registered.

303 Evidentiary effect of recording particulars in the register

In all proceedings, the particulars of a registered document recorded in the register are conclusive evidence of—

- (a) the registration of the document; and
- (b) the contents of the document; and
- (c) all things stated or implied in it by this or another Act; and
- (d) when the document was lodged and registered.

Part 3 Documents

Division 1 General

304 Correcting unregistered documents

- (1) The chief executive may correct an obvious error in a lodged document by noting the correction—
 - (a) on the document; or
 - (b) if the document is in electronic form—in the appropriate register.
- (2) The chief executive may correct an obvious error in a lodged document only if the chief executive is satisfied the document is incorrect and the correction will not prejudice the rights of a person.
- (3) A document corrected by the chief executive under this section has the same effect as if the relevant error had not been made.

305 Requisitions

- (1) The chief executive, by notice (the *requisition*) given to a person who has lodged or deposited a document, or to another person who reasonably appears to the chief executive to be relevantly associated with the document, may require a person to—
 - (a) re-execute, complete or correct the document if it appears to the chief executive to be wrong, incomplete or defective; or
 - (b) produce to the chief executive stated information, or deposit a stated document, in support of the application to register a document.
- (2) The chief executive may require the document or information to be verified by statutory declaration or affidavit.

- (3) The requisition may—
 - (a) state when, and where, it must be complied with; and
 - (b) if it relates to an electronic conveyancing document, be accompanied by a copy of the document.
- (4) The chief executive may extend the time for complying with a requisition.
- (5) The chief executive may refuse to deal with a document lodged or deposited (and any document depending on it for registration) until the requisition is complied with.
- (6) Also, subsections (7) and (8) apply in relation to a document that is lodged if the chief executive is satisfied—
 - (a) the document is not capable of registration; and
 - (b) the reason the document is not capable of registration is not a matter for which a requisition may be given under subsection (1).
- (7) The chief executive may give notice (also the *requisition*) to the person who lodged the document, or to another person who reasonably appears to the chief executive to be relevantly associated with the document, stating—
 - (a) that the document is not capable of registration; and
 - (b) why the document is not capable of registration.
- (8) The requisition may, if it relates to an electronic conveyancing document, be accompanied by a copy of the document.

305A Electronic communication of statutory declaration or affidavit

- (1) A person is taken to have complied with a requirement under section 305(2) to give the chief executive a statutory declaration or affidavit (the *verifying document*) if the person gives a signed electronic form of the verifying document by electronic communication and—
 - (a) having regard to all the relevant circumstances when the communication was sent, the method of generating the

-
- electronic form of the verifying document provided a reliable way of maintaining the integrity of the information it contained; and
- (b) when the communication was sent, it was reasonable to expect the information contained in the electronic form of the verifying document would be readily accessible so as to be useable for subsequent reference; and
 - (c) the chief executive consents to the electronic form of the verifying document being given by electronic communication.
- (2) The person is taken to have signed the electronic form of the verifying document if—
- (a) a method is used to identify the person and to indicate the person's approval of the information communicated; and
 - (b) having regard to all the relevant circumstances when the method was used, the method was as reliable as was appropriate for the purposes for which the information was communicated; and
 - (c) the chief executive consents to the electronic form of the verifying document being signed by using the method mentioned in paragraph (a).

306 Rejecting document after requisition given

- (1) The chief executive may reject a document to which a requisition relates and any document that depends on it for registration if—
 - (a) for a requisition given under section 305(1)—the requisition is not complied with by a person within the time stated or extended by the chief executive; or
 - (b) the requisition is given under section 305(7).
- (2) A document rejected under subsection (1) loses its priority under section 298.

- (3) If the chief executive rejects a document under subsection (1) the chief executive must—
 - (a) give a written notice of the rejection to the person to whom the chief executive gave the requisition for the document; and
 - (b) if the document is in paper form—return the document to the person who lodged or deposited it.
- (4) A memorandum recording the rejection of a document may be endorsed on the rejected document or recorded in a separate record kept in the relevant register.
- (5) An electronic conveyancing document that has been rejected under subsection (1) can not be relodged.
- (6) Subject to subsection (5), this section does not prevent relodgement of a document rejected under subsection (1)(a) after the requisition has been complied with.

307 Borrowing lodged or deposited document before registration

- (1) The chief executive may permit any of the following persons to borrow a document lodged or deposited in paper form before the document is registered or used for the purpose for which it was deposited—
 - (a) the person who lodged or deposited the document;
 - (b) a person for whom the document was lodged or deposited;
 - (c) an agent of a person mentioned in paragraph (a) or (b).
- (2) The person must return the document within the time stated or extended by the chief executive, unless the person has a reasonable excuse.

Maximum penalty for subsection (2)—50 penalty units.

308 Withdrawing lodged document before registration

- (1) The chief executive may withdraw a document, or permit a document to be withdrawn, if the chief executive is satisfied—
 - (a) the document will not give effect to the intention expressed in it or a related document because of the order in which the document has been lodged in relation to other documents; or
 - (b) the document should not have been lodged, including, for example, because the document can not be given legal effect.

Example of a document that can not be given legal effect—

a power of attorney that names the same person as principal and attorney

- (2) A document withdrawn by the chief executive under subsection (1) remains in the land registry, unless the document is a document that should not have been lodged.
- (3) The chief executive may relodge a document that has been withdrawn by the chief executive.
- (4) On receiving a written application, the chief executive may permit the applicant to relodge a document that the chief executive has permitted to be withdrawn.
- (5) A document withdrawn under subsection (1) loses its priority and is taken to have been lodged on the day and at the time endorsed on it by the chief executive on its relodgement.

309 Chief executive may call in document for correction or cancellation

The chief executive, by notice, may require a person to deposit a document for correction or cancellation.

310 Execution of documents

- (1) For a corporation, a document is validly executed if—
 - (a) it is executed in a way permitted by law; or

- (b) the document is sealed with the corporation's seal in accordance with the *Property Law Act 1974*, section 46.
- (2) For an individual, a document is validly executed if—
 - (a) it is executed in a way permitted by law; and
 - (b) the execution is witnessed by a person prescribed under the regulations.
- (3) However, the chief executive may, in exceptional circumstances, register a document executed by an individual even though the execution was not witnessed or was not witnessed by a person prescribed under the regulations.
- (4) The witnessing of a document may be proved in any way permitted by law.
- (5) This section does not apply to a plan of survey.

Note—

Under the Electronic Conveyancing National Law (Queensland), section 9(3)(b), if a registry instrument is digitally signed in accordance with the participation rules applicable to the instrument, the requirements of any other Queensland law relating to the execution, signing, witnessing, attestation or sealing of documents must be regarded as having been fully satisfied.

311 Witnessing documents for individuals

- (1) A person who witnesses a document signed by an individual must—
 - (a) first take reasonable steps to verify the identity of the individual and ensure the individual is the person entitled to sign the document; and
 - (b) have the individual sign the document in the presence of the person; and
 - (c) not be a party to the document.
- (2) Without limiting subsection (1)(a), the person takes reasonable steps to verify the identity of the individual if the person complies with practices included in the manual of land

title practice under section 286A(2) for verifying the individual's identity.

- (3) The person must, for 7 years after the person witnesses the signing of the document—
 - (a) keep a written record of the steps taken under subsection (1)(a); or

 - (a) a document that has been lodged or deposited in paper form; or
 - (b) a document in paper form that is a representation of an electronic conveyancing document.
- (2) The chief executive may return the document by leaving it at a place designated for the purpose in the land registry.

314 Dispensing with production of paper document

- (1) The chief executive may dispense with the production of a document in paper form.
- (2) Before the chief executive dispenses with the production of a document, the chief executive may require evidence that a person seeking to deal with a lease or licence is entitled to deal with the lease or licence, and that the document that can not be produced—
 - (a) has been lost or no longer exists; and
 - (b) is not deposited as security or for safe custody.
- (3) The chief executive must record in the register that production of the document has been dispensed with and the day production of it was dispensed with.

315 Destroying document in certain circumstances

- (1) The chief executive may destroy part of a register or a document held in the office of the land registry if the part or the document—
 - (a) is not evidence of an existing interest; or

 - (c) will not be needed for registering the effect of a transaction.
- (2) The chief executive may authorise a person to destroy a document held in a place other than an office of the department if the document—

 - (b) is evidence of an existing interest for which there is accurate evidence in the land registry.
- (3) Before destroying part of a register or a document under subsection (1), the chief executive must copy it in whatever way the chief executive considers appropriate.

- (4) However, the chief executive, or person acting under an authority given under subsection (2), must not destroy an original will.
- (5) The chief executive may return a suitably perforated cancelled tenure document to the person who, immediately before its cancellation, was entitled to it.
- (6) The chief executive's powers under subsections (1) and (2) are subject to the *Public Records Act 2002*.

- (4) Also, if a registered sublease (the *surrendered sublease*) has been wholly or partly surrendered by operation of law, the chief executive may register a document evidencing the surrender if satisfied every registered mortgagee and registered sub-sublessee of the sublessee under the surrendered sublease has been given notice of the surrender.
- (5) If a document of surrender of a sublease is lodged, the chief executive may register the document and record the date of surrender stated in the document in the leasehold land register.
- (6) On registration of a document of surrender of a registered sublease, the interest of the sublessee vests in the sublessor.
- (7) Subsection (2) does not apply to a surrender or disclaimer under a law about bankruptcy.

329 Notice of surrender needed

- (1) If a lessee is absolutely surrendering a lease under section 327A, the lessee must give 1 year's notice of the intention to surrender or pay 1 year's rent in advance at the time of surrender.

334A Application to sub-subleases

In sections 332 to 334, for applying schedule 6, definition *sublease*, a reference to a lease issued under this Act may be taken to be a reference to a sublease of a lease issued under this Act, and correspondingly, a reference to a lessee may be taken to be a reference to a sublessee of a lease issued under this Act.

335 Subleases must be registered

 - (ii) the extended time allowed by the court where the writ is filed and notified to the chief executive.

388 Cancellation of registration of a writ of execution

Registration of a writ of execution may be cancelled if a request to cancel it is lodged and the chief executive is satisfied the time, or extended time, for executing and putting the writ into force has ended.

389 Discharging or satisfying writ of execution

Discharge or satisfaction of a writ of execution may be registered if a request to register it is lodged and the chief executive is satisfied the writ has been discharged or satisfied.

389A Effect on writ of execution of transfer after sale by mortgagee

- (1) Subsection (2) applies if—
 - (a) a mortgage is registered over a lease; and
 - (b) a writ of execution is later registered in relation to the lease.
- (2) If the mortgagee of the lease signs a transfer of the lease after exercising power of sale under the mortgage—
 - (a) registration of the writ of execution does not prevent registration of the transfer; and
 - (b) on registration of the transfer, the chief executive must cancel registration of the writ of execution.

389B Effect on writ of execution of transfer after sale by chief executive

- (1) This section applies if—
 - (a) a writ of execution has been registered in relation to a lease; and
 - (b) the chief executive has sold the lease under chapter 5, part 4, division 3A, subdivision 4.
- (2) If the chief executive executes a transfer of the lease for the purposes of the sale—
 - (a) the registration of the writ of execution does not prevent registration of the transfer; and
 - (b) on registration of the transfer, the chief executive must cancel registration of the writ of execution.

Division 11A Caveats

Subdivision 1 Caveats generally

389C Requirements of caveats

- (1) A caveat in relation to a lease or licence must be signed by or for the caveator.
- (2) The caveat must state—
 - (a) the name of the caveator; and
 - (b) an address where documents can be served on the caveator; and
 - (c) unless the chief executive dispenses with it, the name and address of—
 - (i) the lessee or licensee affected by the caveat; and
 - (ii) each other person whose interest or whose right to registration of a document is affected by the caveat; and

-
- (d) the registered interest affected by the caveat; and
 - (e) the interest claimed by the caveator; and
 - (f) the grounds on which the interest is claimed.
- (2A) Without limiting subsection (2)(b), the address stated may be the address of a stated legal practitioner.
- (3) This section applies to caveats under this division other than a caveat prepared and registered by the chief executive under section 389L(1).

389D Lodging caveat

- (1) A caveat may be lodged by the following—
- (a) the chief executive under section 389L(1);
 - (b) a person to whom an Australian court has ordered that an interest in a lease or licence be transferred;
 - (c) a person who has the benefit of a subsisting order of an Australian court in restraining a lessee from dealing with a lease or licensee from dealing with a licence.
- (2) An office copy of a court order mentioned in subsection (1) must be deposited when a caveat is lodged under subsection (1).

389E Notifying caveat

The chief executive must give notice of the lodgement of a caveat to each person mentioned in section 389C(2)(c)(i) and (ii).

389F Effect of lodging caveat

- (1) A caveat lodged under this division prevents registration of a document affecting the tenure over which the caveat is lodged from the date and time endorsed by the chief executive on the caveat as the caveat's date and time of lodgement.

- (2) Subsection (1) has effect for a caveat until the caveat is cancelled, rejected, removed or withdrawn.
- (3) However, lodgement of a caveat under this subdivision does not prevent registration of the following—
 - (a) a document stated in the caveat as a document to which the caveat does not apply;
 - (b) a document if the caveator consents to its registration;
 - (c) a document executed by a mortgagee whose interest was registered before lodgement of the caveat if—
 - (i) the mortgagee has power under the mortgage to execute the document; and
 - (ii) the caveator claims an interest in the lease as security for the payment of money or money's worth;
 - (d) a document of transfer of mortgage executed by a mortgagee whose interest was registered before lodgement of the caveat;
 - (e) if the caveator is a person who has the benefit of an order mentioned in section 389D(1)(c)—a document for a dealing other than a dealing restrained by the order;

Example—

A caveat lodged by a person who has the benefit of an order mentioned in section 389D(1)(c) restrains the lessee of a lease issued under this Act from subleasing the lease. The lodgement of the caveat does not prevent registration of a mortgage of the lease.

- (f) another interest that, if registered, will not affect the interest claimed by the caveator.
- (4) Also, lodgement of a caveat under section 389L(1) does not prevent registration of the following—
 - (a) a document stated in the caveat as a document to which the caveat does not apply;
 - (b) a document if the chief executive consents to its registration.

-
- (5) Lodgement of a caveat does not create in the caveator an interest in the tenure affected by the caveat.

389G Withdrawing caveat

A caveator may withdraw a caveat lodged under this division by lodging a request to withdraw it.

389H Removing caveat

- (1) A caveatee may at any time apply to the Supreme Court for an order that a caveat lodged under this division be removed.
- (2) The Supreme Court may make the order whether or not the caveator has been served with the application, and may make the order on the terms it considers appropriate.

389I Cancelling caveat

- (1) This section does not apply to a chief executive's caveat prepared and registered under section 389L(1).
- (2) The chief executive may cancel a caveat if a request to cancel the caveat is lodged and the chief executive is satisfied that—
- (a) the interest claimed by the caveator has ceased or the claim to it has been abandoned or withdrawn; or
 - (b) the claim of the caveator has been settled by agreement or otherwise satisfied; or
 - (c) the nature of the interest claimed does not entitle the caveator to prevent registration of a document that has been lodged; or
 - (d) if the caveator is a person who has the benefit of an order mentioned in section 389D(1)(c)—the proceeding in which the order was made has been discontinued or dismissed, or has otherwise ended.
- (3) The chief executive must notify the caveator of the chief executive's intention to cancel the caveat at least 7 days before cancelling it.

- (4) If a document that has been lodged will, on registration, give full effect to an interest claimed in a caveat, the chief executive may cancel the caveat immediately before registering the document.
- (5) Also, the chief executive may cancel a caveat lodged by a person who has the benefit of an order mentioned in section 389D(1)(c) if—
 - (a) a document for a dealing other than a dealing restrained by the order is registered; and
 - (b) because of the registration of the document, the order can have no further effect to restrain dealings by the person subject to the order.

389J Further caveat

- (1) This section applies if a caveat is lodged under this division (the *original caveat*) in relation to an interest.
- (2) A further caveat with the same caveator can never be lodged in relation to the interest on the same, or substantially the same, grounds as the grounds stated in the original caveat unless the leave of a court of competent jurisdiction to lodge the further caveat has been granted.
- (3) However, subsection (2) does not apply if the original caveat is a caveat prepared and registered by the chief executive under section 389L.

389K Notices to the caveator

- (1) A notice to a caveator under this subdivision is sufficiently served if left at or sent to the address mentioned in section 389C(2)(b).
- (2) If the chief executive is satisfied that a notice under this subdivision will not reach the caveator if served in the way mentioned in subsection (1), the notice may be served in a way stated in a written direction by the chief executive.

- (3) If the chief executive is informed in writing, and is satisfied, that the name or address of the caveator has changed, the chief executive must note on the caveat details of the new name or address.
- (4) A new name or address noted under subsection (3) becomes the name or address for service of a notice on the caveator.

Subdivision 2 Chief executive's caveat

389L Chief executive may prepare and register caveat

- (1) The chief executive may prepare and register a caveat over a relevant tenure in favour of the State.
- (2) The chief executive may act under subsection (1) to prevent a dealing with a relevant tenure that may prejudice—
 - (a) the Commonwealth, a State or a relevant local government; or
 - (b) a person who is intellectually or mentally impaired or is incapable of managing the person's own affairs; or
 - (c) a person who is absent from the State; or

 - (i) misdescription of the tenure; or
 - (ii) fraud or forgery; or
 - (e) a person to whom a notice has been given, or has been required to be given, under section 295(2); or
 - (f) a person, other than a person mentioned in any of paragraphs (a) to (e), who has an interest in the relevant tenure.
- (3) Also, the chief executive may act under subsection (1) to prevent a dealing with a relevant tenure—
 - (a) if the relevant tenure is to be extinguished; or
 - (b) to give effect to an order of a court of competent jurisdiction directed to the chief executive.

(4) Subsection (2)(f) applies only if the chief executive is satisfied, because of the nature or urgency of particular circumstances, there is no practicable alternative to registering the caveat.

(5) In this section—

dealing, with a relevant tenure, does not include registering a document to extinguish a relevant tenure.

extinguish means extinguish for the purposes of—

- (a) for a freeholding lease—an amalgamation, forfeiture, resumption, subdivision or surrender of, or the registration of a deed of grant over, the lease land; or
- (b) for a lease other than a freeholding lease—an amalgamation, conversion, forfeiture, renewal, resumption, subdivision or surrender of the lease; or
- (c) for a licence—a cancellation or surrender of the licence; or
- (d) for an operational reserve—the registration of a deed of grant over the operational reserve; or
- (e) for a reserve other than an operational reserve—the revocation of the dedication of the reserve.

- (2) If the Governor in Council issues the deed of grant for the part of the prescribed land—
 - (a) the deed of grant takes effect on the day it is registered; and

- (b) the lot the subject of the deed of grant stops being lease land under the perpetual lease for the prescribed land when the deed of grant is registered; and
 - (c) the chief executive must amend the leasehold land register to show the particulars of the perpetual lease after the deed of grant is issued.
- (3) The deed of grant is subject to the registered interests affecting the lot before its issue.
- (4) In this section—

Example—

The magistrate may require additional information supporting the written application to be given by statutory declaration.

390T Issue of warrant

- (1) The magistrate may issue the warrant for the place only if the magistrate is satisfied there are reasonable grounds for suspecting there is at the place, or will be at the place within the next 7 days, a particular thing or activity that may provide evidence of—

- (2) After the magistrate issues the original warrant—

- (3) Subsection (2) does not limit what may be a reasonable excuse for subsection (1).
- (4) A person does not commit an offence against subsection (1) if—
- (a) the direction the person fails to comply with is given under section 390Z(2); and
 - (b) the person is not given an offence warning for the direction.

Note—

See, however, section 390ZZJ.

Division 3 Seizure by authorised officers and forfeiture

Subdivision 1 Power to seize

390ZG Seizing evidence at a place that may be entered without consent or warrant

- (1) An authorised officer who enters a place the authorised officer may enter under this chapter without the consent of an occupier of the place and without a warrant may seize a thing at the place if the authorised officer reasonably believes the thing is evidence of—
 - (a) the commission of an offence against this Act; or

- (b) a breach of a condition of a person's lease, licence or permit.
- (2) However, if the authorised officer enters the place under section 390N(1)(c), (d) or (e), the authorised officer may seize a thing at the place only if the authorised officer also reasonably believes the seizure is necessary to prevent the thing being—
- (a) hidden, lost or destroyed; or
 - (b) used to commit, continue or repeat an offence against this Act.

390ZH Seizing evidence at a place that may be entered with consent or warrant

- (1) This section applies if—

 - (i) the commission of an offence against this Act; or
 - (ii) a breach of a condition of a person's lease, licence or permit; and
 - (b) seizure of the thing is consistent with the purpose of entry as explained to the occupier when asking for the occupier's consent.
- (3) If the authorised officer enters the place under a warrant, the authorised officer may seize the evidence for which the warrant was issued.

- (4) The authorised officer may also seize anything else at the place if the authorised officer reasonably believes—
 - (a) the thing is evidence of—
 - (i) the commission of an offence against this Act; or
 - (ii) a breach of a condition of a person’s lease, licence or permit; and
 - (b) the seizure is necessary to prevent the thing being hidden, lost or destroyed.
- (5) The authorised officer may also seize a thing at the place if the authorised officer reasonably believes it has just been used in—
 - (a) committing an offence against this Act; or
 - (b) breaching a condition of a person’s lease, licence or permit.

390ZI Seizure of property subject to security

- (1) An authorised officer may seize a thing, and exercise powers relating to the thing, despite a lien or other security over the thing claimed by another person.
- (2) However, the seizure does not affect the other person’s claim to the lien or other security against a person other than the authorised officer or a person acting under the direction or authority of the authorised officer.

Subdivision 2 Powers to support seizure

390ZJ Power to secure seized thing

- (1) Having seized a thing under this division, an authorised officer may—
 - (a) leave it at the place where it was seized (the *place of seizure*) and take reasonable action to restrict access to it; or

- (b) move it from the place of seizure.
- (2) For subsection (1)(a), the authorised officer may, for example—
 - (a) seal the thing, or the entrance to the place of seizure, and mark the thing or place to show access to the thing or place is restricted; or
 - (b) for equipment—make it inoperable; or

Example—

 - make it inoperable by dismantling it or removing a component without which the equipment can not be used
 - (c) require a person the authorised officer reasonably believes is in control of the place or thing to do an act mentioned in paragraph (a) or (b) or anything else an authorised officer could do under subsection (1)(a).

Maximum penalty—50 penalty units.

390ZL Offence to interfere

- (1) If access to a seized thing is restricted under section 390ZJ, a person must not tamper with the thing or with anything used to restrict access to the thing without—

Maximum penalty—100 penalty units.
- (2) If access to a place is restricted under section 390ZJ, a person must not enter the place in contravention of the restriction or tamper with anything used to restrict access to the place without—

- (a) an authorised officer's approval; or
- (b) a reasonable excuse.

Maximum penalty—100 penalty units.

Subdivision 3 Safeguards for seized things

390ZM Receipt and information notice for seized thing

- (1) This section applies if an authorised officer seizes anything under section 390ZG or 390ZH unless—
 - (a) the authorised officer reasonably believes there is no-one apparently in possession of the thing or it has been abandoned; or
 - (b) because of the condition, nature and value of the thing it would be unreasonable to require the authorised officer to comply with this section.
- (2) The authorised officer must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized—
 - (a) a receipt for the thing that generally describes the thing and its condition; and
 - (b) an information notice about the decision to seize it.
- (3) However, if an owner or person from whom the thing is seized is not present when it is seized, the receipt and information notice may be given by leaving them in a conspicuous position and in a reasonably secure way at the place at which the thing is seized.
- (4) The receipt and information notice may—
 - (a) be given in the same document; and
 - (b) relate to more than 1 seized thing.
- (5) The authorised officer may delay giving the receipt and information notice if the authorised officer reasonably

suspects giving them may frustrate or otherwise hinder an investigation by the authorised officer under this chapter.

- (6) However, the delay may be only for so long as the authorised officer continues to have the reasonable suspicion and remains in the vicinity of the place at which the thing was seized to keep it under observation.

390ZN Access to seized thing

- (1) Until a seized thing is forfeited or returned, the authorised officer who seized the thing must allow an owner of the thing—
 - (a) to inspect it at any reasonable time and from time to time; and
 - (b) if it is a document—to copy it.
- (2) Subsection (1) does not apply if it is impracticable or would be unreasonable to allow the inspection or copying.
- (3) The inspection or copying must be allowed free of charge.

390ZO Return of seized thing

- (1) This section applies if a seized thing is not—
 - (a) forfeited or transferred under subdivision 4 or 5; or
 - (b) subject to a disposal order under division 4.
- (2) As soon as the chief executive stops being satisfied there are reasonable grounds for retaining the thing, the chief executive must return it to its owner.
- (3) If the thing is not returned to its owner within 3 months after it was seized, the owner may apply to the chief executive for its return.
- (4) Within 30 days after receiving the application, the chief executive must—
 - (a) if the chief executive is satisfied there are reasonable grounds for retaining the thing and decides to retain it—

- give the owner an information notice about the decision, including the grounds for retaining the thing; or
- (b) otherwise—return the thing to the owner.
- (5) For this section, there are reasonable grounds for retaining a seized thing if—
- (a) the thing is being, or is likely to be, examined; or
- (b) the thing is needed, or may be needed, for the purposes of—
- (i) a proceeding for an offence against this Act that is likely to be started or that has been started but not completed; or
- (ii) an appeal from a decision in a proceeding for an offence against this Act; or
- (c) it is not lawful for the owner to possess the thing.
- (6) Subsection (5) does not limit the grounds that may be reasonable grounds for retaining the seized thing.
- (7) Nothing in this section affects a lien or other security over the seized thing.
- (8) In this section—
examine includes analyse, test, measure, weigh, grade, gauge and identify.

Subdivision 4 Forfeiture

390ZP Forfeiture by chief executive decision

- (1) The chief executive may decide a seized thing is forfeited to the State if an authorised officer—
- (a) after making reasonable inquiries, can not find an owner; or
- (b) after making reasonable efforts, can not return it to an owner; or

-
- (c) for a thing seized for an offence—reasonably believes it is necessary to keep the thing to prevent it being used to commit the offence for which it was seized.
- (2) However, the authorised officer is not required to—
- (a) make inquiries if it would be unreasonable to make inquiries to find an owner; or
 - (b) make efforts if it would be unreasonable to make efforts to return the thing to an owner.
- Example for paragraph (b)—*
- The owner of the thing has migrated to another country.
- (3) Regard must be had to the thing's condition, nature and value in deciding—
- (a) whether it is reasonable to make inquiries or efforts; and
 - (b) if inquiries or efforts are made—what inquiries or efforts, including the period over which they are made, are reasonable.

390ZQ Information notice about forfeiture decision

- (1) If the chief executive decides under section 390ZP(1) to forfeit a thing, the chief executive must as soon as practicable give a person who owned the thing immediately before the forfeiture (the *former owner*) an information notice about the decision.
- (2) If the decision was made under section 390ZP(1)(a) or (b), the information notice may be given by leaving it at the place where the thing was seized, in a conspicuous position and in a reasonably secure way.
- (3) The information notice must state that the former owner may apply for a stay of the decision if the former owner appeals against the decision.
- (4) However, subsections (1) to (3) do not apply if—
 - (a) the decision was made under section 390ZP(1)(a) or (b); and

- (b) the place where the thing was seized is—
 - (i) a public place; or
 - (ii) a place where the notice is unlikely to be read by the former owner.

Subdivision 5 Dealing with property forfeited or transferred to State

390ZR When thing becomes property of the State

A thing becomes the property of the State if—

- (a) the thing is forfeited to the State under section 390ZP(1); or
- (b) the owner of the thing and the State agree, in writing, to the transfer of the ownership of the thing to the State.

390ZS How property may be dealt with

- (1) This section applies if, under section 390ZR, a thing becomes the property of the State.
- (2) The chief executive may deal with the thing as the chief executive considers appropriate, including, for example, by destroying it or giving it away.
- (3) The chief executive must not deal with the thing in a way that could prejudice the outcome of an appeal against the forfeiture under this chapter.
- (4) If the chief executive sells the thing, the chief executive must, after deducting the costs of the sale, make reasonable efforts to return the proceeds of the sale to the former owner of the thing.
- (5) For subsection (4), the *costs of the sale* include the amount of any costs reasonably incurred, after the thing was forfeited or transferred to the State, in storing or transporting the thing.

-
- (6) This section is subject to any disposal order made for the thing.

Division 4 Disposal orders

390ZT Disposal order

- (1) This section applies if a person is convicted of an offence against this Act.
- (2) The court may make an order (a *disposal order*), on its own initiative or on an application by the prosecution, for the disposal of any of the following things owned by the person—

 - (b) another thing the court considers is likely to be used by the person or another person in committing a further offence against this Act.

- (a) whether or not it has been seized under this chapter; and
 - (b) if the thing has been seized—whether or not it has been returned to the former owner.
- (4) In deciding whether to make a disposal order for a thing, the court—
- (a) may require notice to be given to anyone the court considers appropriate, including, for example, any person who may have any property in the thing; and
 - (b) must hear any submissions that any person claiming to have any property in the thing may wish to make.
- (5) The court may make any order it considers appropriate to enforce the disposal order.
- (6) This section does not limit the court's powers under another law.

Division 5 Other information-obtaining powers of authorised officers

- (2) The authorised officer may require the person to state the person's name and residential address or, if the person does not have a residential address in the State, another address in the State where the person may be contacted.
- (3) The authorised officer may also require the person to give evidence of the correctness of the stated name or address if, in the circumstances, it would be reasonable to expect the person to—

390ZX Offence to contravene document production requirement

- (1) A person of whom a document production requirement has been made must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty—100 penalty units.

- (2) It is not a reasonable excuse for a person to fail to comply with a document production requirement on the basis that complying with the requirement might tend to incriminate the person or expose the person to a penalty.

Note—

See, however, section 390ZZJ.

- (3) The authorised officer must inform the person, in a way that is reasonable in the circumstances, that—
- (a) the person must comply with the document production requirement even though complying might tend to incriminate the person or expose the person to a penalty; and

- (4) If the person fails to comply with the document production requirement when the authorised officer has failed to comply with subsection (3), the person may not be convicted of the offence against subsection (1).

Maximum penalty—100 penalty units.

- (2) It is not a reasonable excuse for a person to fail to comply with a document certification requirement on the basis that complying with the requirement might tend to incriminate the person or expose the person to a penalty.

Note—

Part 5 Obtaining criminal history reports

390ZZB Purpose of part

The purpose of this part is to help an authorised officer to decide whether the authorised officer's unaccompanied entry of a place under part 3 would create an unacceptable level of risk to the authorised officer's safety.

390ZZC Chief executive's power to obtain criminal history report

- (1) The chief executive may ask the commissioner of the police service for a written report about the criminal history of a person if an authorised officer reasonably suspects the person—

- (2) The commissioner of the police service must give the report to the chief executive.
- (3) However, the report is required to contain only criminal history in the commissioner's possession or to which the commissioner has access.
- (4) The chief executive must examine the report and identify, to the extent it is reasonably practicable to do so, offences involving the use of a weapon or violence against a person.

 - (5) The authorised officer may delay complying with subsection (3) or (4) if the authorised officer reasonably suspects complying with the subsection may frustrate or otherwise hinder an investigation by the authorised officer.
 - (6) However, the delay may be only for so long as the authorised officer continues to have the reasonable suspicion and remains in the vicinity of the place.
 - (7) If the authorised officer believes the damage was caused by a latent defect in the thing or other circumstances beyond the control of the authorised officer or the assistant, the authorised officer may state the belief in the notice.
 - (8) The notice must state—
 - (a) particulars of the damage; and

 - (b) any relevant breach of a condition of any licence, lease or permit of the claimant; and
 - (c) whether the loss arose from a lawful seizure or lawful forfeiture.
