# Hospital and Health Boards Act 2011

**An Act to provide for the delivery of public sector health services and other health services in Queensland**

## **Part 1 Preliminary**

### **Division 1 Introduction**

#### **1 Short title**

This Act may be cited as the *Hospital and Health Boards Act 2011*.

#### **2 Commencement**

This Act commences on a day to be fixed by proclamation.

#### **3 Act binds all persons**

This Act binds all persons, including the State and, so far as the legislative power of the Parliament permits, the Commonwealth and all the other States.

#### **4 Principles and objectives of national health system**

This Act recognises and gives effect to the principles and objectives of the national health system agreed by Commonwealth, State and Territory governments, namely—

(a) the following Medicare principles—

(i) eligible persons are to be given the choice to receive, free of charge as public patients, health

- and emergency services of a kind or kinds that are currently, or were historically, provided by hospitals;
- (ii) access to these services by public patients free of charge is to be on the basis of clinical need and within a clinically appropriate period;
  - (iii) arrangements are to be in place to ensure equitable access to the services for all eligible persons, regardless of their geographic location; and
- (b) the health system principles—Australia’s health system should—
- (i) be shaped around the health needs of individual patients, their families and communities; and
  - (ii) focus on the prevention of disease and injury and the maintenance of health and not simply on the treatment of illness; and
  - (iii) support an integrated approach to the promotion of healthy lifestyles, prevention of illness and injury, and diagnosis and treatment of illness across the continuum of care; and
  - (iv) provide all Australians with timely access to quality health services based on their needs, not ability to pay, regardless of where they live in the country; and
- (c) the following long-term objectives for Australia’s health system—
- (i) prevention—Australians are born and remain healthy;
  - (ii) primary and community health—Australians receive appropriate high quality and affordable primary and community health services;
  - (iii) hospital and related care—Australians receive appropriate high quality and affordable hospital and hospital-related care;

- (iv) aged care—older Australians receive appropriate high quality and affordable health and aged care services;
- (v) patient experience—Australians have positive health and aged care experiences which take account of individual circumstances and care needs;
- (vi) social inclusion and Indigenous health—Australia’s health system promotes social inclusion and reduces disadvantage, especially for Indigenous Australians;
- (vii) sustainability—Australians have a sustainable health system.

- (1) If the consent is given, the inspector may ask the occupier to sign an acknowledgement of the consent.
- (2) The acknowledgement must state—
  - (a) the purpose of the entry, including the powers to be exercised; and
  - (b) the following has been explained to the occupier—
    - (i) the purpose of the entry, including the powers intended to be exercised;
    - (ii) that the occupier is not required to consent;
    - (iii) that the consent may be given subject to conditions and may be withdrawn at any time; and

- 
- (c) the occupier gives the inspector or another inspector consent to enter the place and exercise the powers; and
  - (d) the time and day the consent was given; and
  - (e) any conditions of the consent.
- (3) If the occupier signs the acknowledgement, the inspector must immediately give a copy to the occupier.
- (4) If—
- (a) an issue arises in a proceeding about whether the occupier consented to the entry; and
  - (b) an acknowledgement complying with subsection (2) for the entry is not produced in evidence;

the onus of proof is on the person relying on the lawfulness of the entry to prove the occupier consented.

### **Subdivision 3      Entry under warrant**

#### **217      Application for warrant**

- (1) An inspector may apply to a magistrate for a warrant for a place.
- (2) The inspector must prepare a written application that states the grounds on which the warrant is sought.
- (3) The written application must be sworn.
- (4) The magistrate may refuse to consider the application until the inspector gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

*Example—*

The magistrate may require additional information supporting the written application to be given by statutory declaration.

## **218 Issue of warrant**

- (1) The magistrate may issue the warrant for the place only if the magistrate is satisfied there are reasonable grounds for suspecting that there is at the place, or will be at the place within the next 7 days, a particular thing or activity that may provide evidence of an offence against this Act.
- (2) The warrant must state—
  - (a) the place to which the warrant applies; and
  - (b) that a stated inspector or any inspector may with necessary and reasonable help and force—
    - (i) enter the place and any other place necessary for entry to the place; and
    - (ii) exercise the inspector's powers; and
  - (c) particulars of the offence that the magistrate considers appropriate; and
  - (d) the name of the person suspected of having committed the offence unless the name is unknown or the magistrate considers it inappropriate to state the name; and
  - (e) the evidence that may be seized under the warrant; and
  - (f) the hours of the day or night when the place may be entered; and
  - (g) the magistrate's name; and
  - (h) the day and time of the warrant's issue; and
  - (i) the day, within 14 days after the warrant's issue, the warrant ends.

## **219 Electronic application**

- (1) An application under section 217 may be made by phone, fax, email, radio, videoconferencing or another form of electronic communication if the inspector reasonably considers it necessary because of—

- (a) urgent circumstances; or
  - (b) other special circumstances, including, for example, the inspector's remote location.
- (2) The application—
- (a) may not be made before the inspector prepares the written application under section 217(2); but
  - (b) may be made before the written application is sworn.

## **220 Additional procedure if electronic application**

- (1) For an application made under section 219, the magistrate may issue the warrant (the *original warrant*) only if the magistrate is satisfied—
- (a) it was necessary to make the application under section 219; and
  - (b) the way the application was made under section 219 was appropriate.
- (2) After the magistrate issues the original warrant—
- (a) if there is a reasonably practicable way of immediately giving a copy of the warrant to the inspector, including, for example, by sending a copy by fax or email, the magistrate must immediately give a copy of the warrant to the inspector; or
  - (b) otherwise—
    - (i) the magistrate must tell the inspector the information mentioned in section 218(2); and
    - (ii) the inspector must complete a form of warrant, including by writing on it the information mentioned in section 218(2) provided by the magistrate.
- (3) The copy of the warrant mentioned in subsection (2)(a), or the form of warrant completed under subsection (2)(b) (in either case the *duplicate warrant*), is a duplicate of, and as effectual as, the original warrant.

- (4) The inspector must, at the first reasonable opportunity, send to the magistrate—
  - (a) the written application complying with section 217(2) and (3); and
  - (b) if the inspector completed a form of warrant under subsection (2)(b)—the completed form of warrant.
- (5) The magistrate must keep the original warrant and, on receiving the documents under subsection (4)—
  - (a) attach the documents to the original warrant; and
  - (b) give the original warrant and documents to the clerk of the court of the relevant Magistrates Court.
- (6) Despite subsection (3), if—
  - (a) an issue arises in a proceeding about whether an exercise of a power was authorised by a warrant issued under this section; and
  - (b) the original warrant is not produced in evidence;the onus of proof is on the person relying on the lawfulness of the exercise of the power to prove a warrant authorised the exercise of the power.
- (7) This section does not limit section 217.
- (8) In this section—

*relevant Magistrates Court*, in relation to a magistrate, means the Magistrates Court that the magistrate constitutes under the *Magistrates Act 1991*.

## **221 Defect in relation to a warrant**

- (1) A warrant is not invalidated by a defect in—
  - (a) the warrant; or
  - (b) compliance with this subdivision;unless the defect affects the substance of the warrant in a material particular.

(2) In this section—

*warrant* includes a duplicate warrant mentioned in section 220(3).

## **222 Entry procedure**

(1) This section applies if an inspector is intending to enter a place under a warrant issued under this subdivision.

(2) Before entering the place, the inspector must do or make a reasonable attempt to do the following things—

(a) identify himself or herself to a person who is an occupier of the place and is present by producing the inspector's identity card or another document evidencing the inspector's appointment;

(b) give the person a copy of the warrant;

(c) tell the person the inspector is permitted by the warrant to enter the place;

(d) give the person an opportunity to allow the inspector immediate entry to the place without using force.

(3) However, the inspector need not comply with subsection (2) if the inspector believes on reasonable grounds that entry to the place is required to ensure the execution of the warrant is not frustrated.

(4) In this section—

*warrant* includes a duplicate warrant mentioned in section 220(3).

## **Division 4 General powers of inspectors after entering places**

### **223 Application of div 4**

(1) The power under this division may be exercised if an inspector enters a place under section 212(1)(a), (c) or (d).

- (2) When making the help requirement, the inspector must give the person an offence warning for the requirement.

## **226 Offence to contravene help requirement**

- (1) A person of whom a help requirement has been made must comply with the requirement unless the person has a reasonable excuse.  
Maximum penalty—100 penalty units.
- (2) It is a reasonable excuse for an individual not to comply with a help requirement if complying might tend to incriminate the individual or expose the individual to a penalty.
- (3) However, subsection (2) does not apply if a document or information the subject of the help requirement is required to be held or kept by the defendant under this Act.

## **Division 5                    Seizure and forfeiture**

### **Subdivision 1            Power to seize**

#### **227    Seizing evidence at a place that may be entered without consent or warrant**

An inspector who enters a place the inspector may enter under this part without the consent of an occupier of the place and without a warrant may seize a thing at the place if the inspector reasonably believes the thing is evidence of an offence against this Act.

#### **228    Seizing evidence at a place that may be entered only with consent or warrant**

- (1) This section applies if—
  - (a) an inspector is authorised to enter a place only with the consent of an occupier of the place or a warrant; and
  - (b) the inspector enters the place after obtaining the consent or under a warrant.
- (2) If the inspector enters the place with the occupier's consent, the inspector may seize a thing at the place only if—

- (3) If the inspector enters the place under a warrant, the inspector may seize the evidence for which the warrant was issued.
- (4) The inspector may also seize anything else at the place if the inspector reasonably believes—
  - (a) the thing is evidence of an offence against this Act; and
  - (b) the seizure is necessary to prevent the thing being—

- (i) hidden, lost or destroyed; or
  - (ii) used to continue, or repeat, the offence.
- (5) The inspector may also seize a thing at the place if the inspector reasonably believes it has just been used in committing an offence against this Act.

## **229 Seizure of property subject to security**

- (1) An inspector may seize a thing, and exercise powers relating to the thing, despite a lien or other security over the thing claimed by another person.
- (2) However, the seizure does not affect the other person's claim to the lien or other security against a person other than the inspector or a person acting for the inspector.

## **Subdivision 2 Powers to support seizure**

### **230 Requirement of person in control of thing to be seized**

- (1) To enable a thing to be seized, an inspector may require the person in control of it—
  - (a) to take it to a stated reasonable place by a stated reasonable time; and
  - (b) if necessary, to remain in control of it at the stated place for a stated reasonable period.
- (2) The requirement—
  - (a) must be made by notice; or
  - (b) if for any reason it is not practicable to give a notice, may be made orally and confirmed by notice as soon as practicable.

### **231 Offence to contravene seizure requirement**

A person of whom a requirement is made under section 230 must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty—100 penalty units.

### **232 Power to secure seized thing**

- (1) Having seized a thing under this division, an inspector may—
  - (a) leave it at the place where it was seized (the *place of seizure*) and take reasonable action to restrict access to it; or
  - (b) move it from the place of seizure.
- (2) For subsection (1)(a), the inspector may, for example—
  - (a) seal the thing, or the entrance to the place of seizure, and mark the thing or place to show access to the thing or place is restricted; or
  - (b) for equipment—make it inoperable; or  
*Example—*  
make it inoperable by dismantling it or removing a component without which the equipment can not be used
  - (c) require a person the inspector reasonably believes is in control of the place or thing to do an act mentioned in paragraph (a) or (b) or anything else an inspector could do under subsection (1)(a).

### **233 Offence to contravene other seizure requirement**

A person must comply with a requirement made of the person under section 232(2)(c) unless the person has a reasonable excuse.

Maximum penalty—100 penalty units.

---

- (b) a reasonable excuse.

Maximum penalty—100 penalty units.

(2) If access to a place is restricted under section 232, a person must not enter the place in contravention of the restriction or tamper with anything used to restrict access to the place without—

- (a) an inspector's approval; or
- (b) a reasonable excuse.

Maximum penalty—100 penalty units.

## **Subdivision 3 Safeguards for seized things**

### **235 Receipt and information notice for seized thing**

(1) This section applies if an inspector seizes anything under this division unless—

- (a) the inspector reasonably believes there is no-one apparently in possession of the thing or it has been abandoned; or
- (b) because of the condition, nature and value of the thing it would be unreasonable to require the inspector to comply with this section.

(2) The inspector must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized—

- (a) a receipt for the thing that generally describes the thing and its condition; and
- (b) an information notice about the decision to seize it.

- (3) However, if an owner or person from whom the thing is seized is not present when it is seized, the receipt and information notice may be given by leaving them in a conspicuous position and in a reasonably secure way at the place at which the thing is seized.
- (4) The receipt and information notice may—
  - (a) be given in the same document; and
  - (b) relate to more than 1 seized thing.
- (5) The inspector may delay giving the receipt and information notice if the inspector reasonably suspects giving them may frustrate or otherwise hinder an investigation by the inspector under this Act.
- (6) However, the delay may be only for so long as the inspector continues to have the reasonable suspicion and remains in the vicinity of the place at which the thing was seized to keep it under observation.

### **236 Access to seized thing**

- (1) Until a seized thing is forfeited or returned, the inspector who seized the thing must allow an owner of the thing—
  - (a) to inspect it at any reasonable time and from time to time; and
  - (b) if it is a document—to copy it.
- (2) Subsection (1) does not apply if it is impracticable or would be unreasonable to allow the inspection or copying.
- (3) The inspection or copying must be allowed free of charge.

### **237 Return of seized thing**

- (1) This section applies if a seized thing has some intrinsic value and is not—
  - (a) forfeited or transferred under subdivision 4 or 5; or
  - (b) subject to a disposal order under division 6.

- 
- (2) The inspector must return the seized thing to an owner—
    - (a) generally—at the end of 6 months after the seizure; or
    - (b) if a proceeding for an offence involving the thing is started within the 6 months—at the end of the proceeding and any appeal from the proceeding.
  - (3) Despite subsection (2), if the thing was seized as evidence, the inspector must return the thing seized to an owner as soon as practicable after the inspector is satisfied—
    - (a) its continued retention as evidence is no longer necessary; and
    - (b) its continued retention is not necessary to prevent it being used to continue, or repeat, an offence against this Act; and
    - (c) it is lawful for the owner to possess it.
  - (4) Nothing in this section affects a lien or other security over the seized thing.

## **Subdivision 4      Forfeiture**

### **238      Forfeiture by chief executive decision**

- (1) The chief executive may decide a seized thing is forfeited to the State if an inspector—
  - (a) after making reasonable inquiries, can not find an owner; or
  - (b) after making reasonable efforts, can not return it to an owner.
- (2) However, the inspector is not required to—
  - (a) make inquiries if it would be unreasonable to make inquiries to find an owner; or
  - (b) make efforts if it would be unreasonable to make efforts to return the thing to an owner.

*Example for paragraph (b)—*

the owner of the thing has migrated to another country

- (3) Regard must be had to the thing's condition, nature and value in deciding—
  - (a) whether it is reasonable to make inquiries or efforts; and
  - (b) if inquiries or efforts are made—what inquiries or efforts, including the period over which they are made, are reasonable.

### **239 Information notice about forfeiture decision**

- (1) If the chief executive decides under section 238(1) to forfeit a thing, the chief executive must as soon as practicable give a person who owned the thing immediately before the forfeiture (the *former owner*) an information notice about the decision.
- (2) The information notice may be given by leaving it at the place where the thing was seized, in a conspicuous position and in a reasonably secure way.
- (3) The information notice must state that the former owner may apply for a stay of the decision if he or she appeals against the decision.
- (4) However, subsections (1) to (3) do not apply if the place where the thing was seized is—
  - (a) a public place; or
  - (b) a place where the notice is unlikely to be read by the former owner.

### **240 Forfeiture on conviction**

- (1) On the conviction of a person for an offence against this Act, the court may order the forfeiture to the State of—
  - (a) anything used to commit the offence; or
  - (b) anything else the subject of the offence.
- (2) The court may make the order—

- (a) whether or not the thing has been seized; or
- (b) if the thing has been seized—whether or not the thing has been returned to the former owner of the thing.
- (3) The court may make any order to enforce the forfeiture it considers appropriate.
- (4) This section does not limit the court’s powers under another law.

## **241 Procedure and powers for making forfeiture order**

- (1) A forfeiture order may be made on a conviction on the court’s initiative or on an application by the prosecution.
- (2) In deciding whether to make a forfeiture order for a thing, the court—
  - (a) may require notice to be given to anyone the court considers appropriate, including, for example, any person who may have any property in the thing; and
  - (b) must hear any submissions that any person claiming to have any property in the thing may wish to make.

## **Subdivision 5 Dealing with property forfeited or transferred to State**

### **242 When thing becomes property of the State**

A thing becomes the property of the State if—

- (a) the thing is forfeited to the State under section 238(1) or 240; or
- (b) the owner of the thing and the State agree, in writing, to the transfer of the ownership of the thing to the State.

### **243 How property may be dealt with**

- (1) This section applies if, under section 242, a thing becomes the property of the State.
- (2) The chief executive may deal with the thing as the chief executive considers appropriate, including, for example, by destroying it or giving it away.
- (3) The chief executive must not deal with the thing in a way that could prejudice the outcome of an appeal against the forfeiture under this part.
- (4) If the chief executive sells the thing, the chief executive may, after deducting the costs of the sale, return the proceeds of the sale to the former owner of the thing.
- (5) This section is subject to any disposal order made for the thing.

## **Division 6 Disposal orders**

### **244 Disposal order**

- (1) This section applies if a person is convicted of an offence against this Act.
- (2) The court may make an order (a *disposal order*), on its own initiative or on an application by the prosecution, for the disposal of any of the following things owned by the person—

  - (b) another thing the court considers is likely to be used by the person or another person in committing a further offence against this Act.
- (3) The court may make a disposal order for a thing—
  - (a) whether or not it has been seized under this Act; and
  - (b) if the thing has been seized—whether or not it has been returned to the former owner.

- 
- (4) In deciding whether to make a disposal order for a thing, the court—
    - (a) may require notice to be given to anyone the court considers appropriate, including, for example, any person who may have any property in the thing; and
    - (b) must hear any submissions that any person claiming to have any property in the thing may wish to make.
  - (5) The court may make any order to enforce the disposal order that it considers appropriate.
  - (6) This section does not limit the court's powers under another law.

## **Division 7                      Other information-obtaining powers**

### **245      Power to require name and address**

- (1) This section applies if an inspector—

  - (b) finds a person in circumstances that lead the inspector to reasonably suspect the person has just committed an offence against this Act; or
  - (c) has information that leads the inspector to reasonably suspect a person has just committed an offence against this Act.
- (2) The inspector may require the person to state the person's name and residential address.
- (3) The inspector may also require the person to give evidence of the correctness of the stated name or address if, in the circumstances, it would be reasonable to expect the person to—
  - (a) be in possession of evidence of the correctness of the stated name or address; or
  - (b) otherwise be able to give the evidence.

- (4) When making a personal details requirement, the inspector must give the person an offence warning for the requirement.

- (5) The inspector may delay complying with subsection (3) or (4) if the inspector reasonably suspects complying with the subsection may frustrate or otherwise hinder the performance of an inspector's functions.
- (6) The delay may be only for so long as the inspector continues to have the reasonable suspicion and remains in the vicinity of the place.
- (7) If the inspector believes the damage was caused by a latent defect in the thing or other circumstances beyond the control of the inspector or the assistant, the inspector may state the belief in the notice.
- (8) The notice must state—
