State Penalties Enforcement Act 1999

An Act about the issue and enforcement of infringement notices, the enforcement of court ordered fines and certain court ordered debts, and for other purposes

Part 1 Preliminary

1 Short title

This Act may be cited as the *State Penalties Enforcement Act 1999*.

2 Commencement

This Act commences on a day to be fixed by proclamation.

3 Definitions

The dictionary in schedule 2 defines particular words used in this Act.

4 Objects

The objects of this Act include—

- (a) maintaining the integrity of fines as a viable sentencing or punitive option for offenders; and
- (b) maintaining confidence in the justice system by enhancing the way fines and other money penalties may be enforced; and
- (c) reducing the cost to the State of enforcing fines and other money penalties.

5 Act has limited application to children

- (1) Subject to subsections (2) and (3), this Act does not apply to a child other than to the extent it allows a child to pay a fine stated in an infringement notice for an offence in full or by instalments to an administering authority instead of being prosecuted for the offence.
- (2) If a child aged at least 17 years is served with an infringement notice for a transport demerit points offence, this Act applies to the child in relation to the offence in the same way it applies to an adult.
- (3) An enforcement order, fine collection notice or warrant may not be issued under this Act against a child except as allowed under subsection (2).
- (4) A reference in this Act to a Magistrates Court includes, in relation to a matter involving a child, a reference to the Childrens Court.
- (5) In this section—

transport demerit points offence means an offence for which a number of demerit points may be allocated against the offender's traffic history under a regulation under the *Transport Operations (Road Use Management) Act 1995*.

6 Act binds State, Commonwealth and other States

- (1) This Act binds the State and, as far as the legislative authority of the Parliament permits, the Commonwealth and the other States.
- (2) However, an entity mentioned in subsection (1) can not be prosecuted for an offence against this Act.

[s 10]

- (d) reducing the use of imprisonment for fine default by encouraging the use of other enforcement mechanisms;
- (e) promoting public education about the obligations of offenders and the consequences of not satisfying the obligations.

10 Staff and contractors

- (1) There is to be a registrar of SPER.
- (2) The registrar and other staff of the registry are to be employed under the *Public Service Act 2008*.
- (3) Also, for the administration and enforcement of this Act, the registrar may engage under a contract—
 - (a) debt collectors as enforcement officers; and
 - (b) other persons for other purposes.
- (4) Persons engaged under subsection (3) are engaged under this Act and not the *Public Service Act 2008*.

10A Service contractors

- (1) This section applies if, under section 10(3)(b), the registrar engages an entity (the *service contractor*) under a contract (the *service contract*) to provide services to assist the registrar in the administration and enforcement of this Act.
- (2) The service contract may—
 - (a) state the services (each, an *authorised service*) the service contractor is required to provide; and
 - (b) impose a condition on the provision of an authorised service by the service contractor; and
Example for paragraph (b)—
 - a condition requiring the service contractor to obtain the registrar's approval before providing a particular authorised service
 - (c) include a delegation by the registrar under section 10C(1) or (3); and

- (d) authorise the service contractor to subcontract the provision of an authorised service; and
- (e) impose a condition on the service contractor's authority to subcontract.

Example for paragraph (e)—

a condition requiring the service contractor to subcontract only with subcontractors approved by the registrar

- (3) When providing an authorised service in accordance with the service contract, the service contractor may—
 - (a) use the name of SPER; and
 - (b) do anything necessary for, or incidental to, the provision of the authorised service.
- (4) In the performance of an authorised service by the service contractor in accordance with the service contract—
 - (a) laws applying to the registrar, other than a law prescribed by regulation, apply to the service contractor as if the service contractor were the registrar; and
 - (b) laws applying to SPER, other than a law prescribed by regulation, apply to the service contractor as if the service contractor were SPER.
- (5) Anything done—
 - (a) by the service contractor in accordance with the service contract; or
 - (b) in relation to the service contractor in relation to an authorised service;

is taken to have been done by or in relation to the registrar or SPER, as the case requires.
- (6) However, the engagement of the service contractor under the service contract does not relieve the registrar of the registrar's obligations in relation to the proper administration and enforcement of this Act.

10B Service subcontractors

- (1) This section applies if, in accordance with a service contract, the service contractor subcontracts with another entity (the *service subcontractor*) for the provision of an authorised service.
- (2) The contract (the *service subcontract*) between the service contractor and the service subcontractor must comply with any condition imposed by the service contract in relation to subcontracting an authorised service.
- (3) The service subcontract—
 - (a) must state the authorised service the service subcontractor is required to provide; and
 - (b) may impose a condition on the service subcontractor's provision of the authorised service.
- (4) If the service contract includes a delegation under section 10C(1), the service subcontract may include a delegation of the prescribed function to the service subcontractor that complies with the delegation in the service contract.
- (5) If the service contract includes a delegation under section 10C(3), the service subcontract may include a subdelegation of the prescribed function to the service subcontractor that complies with the delegation in the service contract.
- (6) When providing an authorised service in accordance with the service subcontract, the service subcontractor may—
 - (a) use the name of SPER; and
 - (b) do anything necessary for, or incidental to, the provision of the authorised service.
- (7) In the performance of an authorised service by the service subcontractor in accordance with the service subcontract—
 - (a) laws applying to the registrar, other than a law prescribed by regulation, apply to the service

subcontractor as if the service subcontractor were the registrar; and

(b) laws applying to SPER, other than a law prescribed by regulation, apply to the service subcontractor as if the service subcontractor were SPER.

(8) Anything done—

(a) by the service subcontractor in compliance with the service subcontract; or

(b) in relation to the service subcontractor in relation to an authorised service;

is taken to have been done by or in relation to the registrar or SPER, as the case requires.

(9) However, the engagement of the service subcontractor under the service subcontract does not relieve—

(a) the registrar of the registrar's obligations in relation to the proper administration and enforcement of this Act; or

(b) the service contractor of the service contractor's obligations under the service contract.

(10) In this section—

prescribed function see section 10C(6).

10C Delegation of prescribed functions

(1) The registrar may delegate the registrar's power to delegate a prescribed function to a service contractor.

Note—

For the registrar's power to delegate, see section 161.

(2) A delegation under subsection (1) can not permit the subdelegation of the delegated power.

(3) Also, the registrar may delegate a prescribed function to a service contractor.

[s 11]

- (4) A delegation under subsection (3) may permit the subdelegation of the prescribed function by the service contractor.
- (5) However, the service contractor must not delegate or subdelegate a prescribed function to anyone other than—
 - (a) an appropriately qualified agent, employee or executive officer of the service contractor; or
 - (b) an appropriately qualified subcontractor engaged by the service contractor; or
 - (c) an appropriately qualified agent, employee or executive officer of a service subcontractor mentioned in paragraph (b).
- (6) In this section—

prescribed function means a function or power of the registrar, or of SPER, under this Act that is prescribed by regulation for this section.

11 Management of office

- (1) The registrar may make or issue an enforcement order, fine collection notice or warrant under this Act.
- (2) The registrar has, for making or issuing an order or warrant under this Act, the same immunities and protection as officers of a court.
- (3) Anything done by the registrar in the name of or for SPER is taken to have been done by SPER.

11A Identity cards

- (1) The registrar must issue an identity card to each enforcement officer.
- (2) The identity card must—
 - (a) contain a recent photograph of the enforcement officer; and

- (b) contain a copy of the enforcement officer's signature; and
 - (c) identify the person as an enforcement officer appointed under this Act; and
 - (d) state an expiry date for the card.
- (3) This section does not prevent the issue of a single identity card to a person for this Act and other purposes.

11B Return of identity card

If the office of a person as an enforcement officer ends, the person must return the person's identity card to the registrar within 21 days after the office ends unless the person has a reasonable excuse.

Maximum penalty—40 penalty units.

12 Protection from liability

- (1) An official does not incur civil liability for an act done, or omission made, honestly and without negligence, when acting as an official.
- (2) If subsection (1) prevents a civil liability attaching to an official, liability attaches instead to the State.
- (3) In this section—
official means—
 - (a) the registrar; or
 - (b) another member of the staff of SPER; or
 - (c) an enforcement officer.

Part 3 Infringement notices

Division 1 Service of infringement notices

13 Service of infringement notices—generally

- (1) If an authorised person reasonably believes a person has committed an infringement notice offence, the authorised person may serve an infringement notice on the person for the offence.
- (2) If the infringement notice offence involves a vehicle, the infringement notice may be served under section 14.
- (3) Section 14 does not limit the ways an infringement notice may be served on a person.
- (4) An infringement notice for an offence must not be served on a person after the end of the period within which an administering authority may start a prosecution for the offence and, if served, must be withdrawn.
- (5) Section 28(2) to (4) applies to the withdrawal of an infringement notice under subsection (4).

14 Service of infringement notices for infringement notice offences involving vehicles

- (1) An infringement notice for an infringement notice offence involving a vehicle may be served—
 - (a) on the owner of the vehicle; or
 - (b) on the person named in a known user declaration as the person who was in charge of the vehicle at the relevant time; or
 - (c) on the person named in a sold vehicle declaration as the person to whom the vehicle had been sold or otherwise disposed of before the relevant time.

-
- (2) If the infringement notice is to be served by post, the notice may be addressed to the person—
 - (a) for the owner of the vehicle—at the address of the owner in the register of vehicles kept under a registration Act; or
 - (b) for the person named in a known user declaration—at the person's address stated in the declaration or another address for the person in the register of vehicles kept under a registration Act; or
 - (c) for the person named in a sold vehicle declaration—at the person's address stated in the declaration or another address for the person in the register of vehicles kept under a registration Act.
 - (3) Also, the infringement notice may be served by securely placing or attaching the notice, addressed to the owner, without further description, on or to the vehicle in a conspicuous position.
 - (4) If the infringement notice is served under subsection (3), it is taken to have been served on the owner on the day it is placed on or attached to the vehicle.
 - (5) A person must not interfere with an infringement notice placed on or attached to a vehicle unless the person is the owner or the person in charge of the vehicle at the relevant time.

Maximum penalty for subsection (5)—40 penalty units.

15 Infringement notices

- (1) An infringement notice must be in the form approved by the administering authority.
- (2) The notice must state the following—
 - (a) a unique number for the notice;
 - (b) the date of the notice;

- (c) in relation to the alleged offender, unless the notice is served under section 14(3)—
 - (i) the alleged offender's full name, or surname and any initial, and address; or
 - (ii) the particulars that are, under a regulation, identifying particulars for the alleged offender;
- (d) in relation to the offence, particulars that are enough to show clearly the nature of the offence, including the following—
 - (i) if the offence is one prescribed under a regulation for this paragraph—the identifying particulars prescribed under the regulation for the offence;
 - (ii) if the offence took place over a period and did not involve a vehicle—the period over which the offence was committed;

16 Effect of this part on prosecution

- (1) The fact that an infringement notice has been, or could be, served on a person for an offence, does not affect the starting or continuation of a proceeding against the person or anyone else in a court for the offence.
- (2) This part does not—
 - (a) require the serving of an infringement notice on a person for an offence, as opposed to proceeding against the person in another way; or

- (b) limit or otherwise affect the penalty that may be imposed by a court for an offence.

Division 2 Liability for infringement notice offences involving vehicles

17 Liability for infringement notice offences involving vehicles

- (1) If—
 - (a) an infringement notice offence involving a vehicle happens; and
 - (b) an infringement notice for the offence is served on the person who is the owner of the vehicle at the time of the offence;

the owner is taken to have committed the offence even though the actual offender may have been someone else.

 - (a) the owner and the actual offender can not both be punished for the offence; and
 - (b) if a fine is paid or a penalty is imposed on one of them for the offence, a further penalty must not be imposed on or recovered from the other person for the offence.
- (3) However, the owner must not be taken under subsection (1) to have committed the offence if, within 28 days after the date of an infringement notice or service of a summons for the offence, the owner makes and gives to the administering authority an illegal user declaration, a known or unknown user declaration or a sold vehicle declaration for the vehicle for the offence.

19 Effect of known user declaration

- (1) This section applies if—
 - (a) an infringement notice offence involving a vehicle happens; and

- (3) A proceeding for the offence may be started against the buyer only if a copy of the declaration has been served on the buyer.
- (4) In a proceeding for the offence against the buyer, the declaration is evidence that the buyer was the owner of the vehicle at the relevant time.
- (5) In a proceeding for the offence against the owner mentioned in subsection (1)(b), a court must not find the owner guilty of the offence if it is satisfied, whether on the statements contained in the declaration or otherwise, the owner had sold or disposed of the vehicle before the relevant time and was not in charge of the vehicle at that time.

21 Effect of unknown user declaration

- (1) This section applies if—
 - (a) an infringement notice offence involving a vehicle happens; and

- (2A) At any time after the order is made, if all or part of the fine or other amount is unpaid, the court registrar may give to SPER, for registration, the prescribed particulars of the unpaid amount.

Note—

- (2B) However, subsection (2A) does not apply to an unpaid amount under an order mentioned in subsection (1)(d) or (f) if, at the time the court makes the order, the court can not order that payment of the unpaid amount can be satisfied by imprisoning the person for a period.
- (3) The registrar must register the particulars as soon as practicable after receiving them.
 - (4) Also, the registrar may issue an enforcement order, an enforcement warrant or a fine collection notice against the person concerned for the unpaid amount.
 - (5) Subsection (2) applies unless the person is ordered to be imprisoned under the *Penalties and Sentences Act 1992*, section 39 or 185A.

35 Effect of registration under this division

- (1) This section applies if the registrar registers a default certificate under section 33 or prescribed particulars under section 34.
- (2) On registration of the default certificate or particular—

- (a) if the amount is registered because of a default certificate, the amount unpaid is increased by the amount of the registration fee; and
 - (b) SPER becomes responsible for the collection of, and may collect, the unpaid amount; and
 - (c) if the amount is registered because of a default certificate, a proceeding against the person for the offence may be started in a court only under this part.
- (3) In this section—
amount unpaid, for an infringement notice offence involving a vehicle, includes the cost of establishing ownership of the vehicle.

36 Default in paying instalment

If a person served with an instalment payment notice fails to pay an instalment under the notice within the time allowed, the registrar may cancel the instalment payment notice without notice to the person.

37 Effect of cancellation of instalment payment notice

On the cancellation of an instalment payment notice under this division, the registrar must—

- (a) increase the unpaid amount to which the notice relates by the amount of the registration fee; and
- (b) issue to the person an enforcement order for the total of the unpaid amount.

Division 2 Enforcement orders

38 Issue of enforcement order

- (1) This section applies if—

- (a) the registrar registers a default certificate for a person;
or
 - (b) this Act expressly authorises the registrar to issue an enforcement order against a person.
- (2) The registrar must, in writing, order the person (*enforcement debtor*) to pay the amount stated in the order (*enforcement order*) to SPER within 28 days after the date of the order.
- (3) The amount stated in an enforcement order must be—
- (a) the amount that is registered as the unpaid amount for an offence; or
 - (b) the amount for which the registrar is expressly authorised to issue the order.
- (4) The enforcement order may be made in the absence of, and without notice to, the enforcement debtor.
- (5) The enforcement order must be made in the approved form.
- (6) To remove any doubt, it is declared that a single enforcement order may relate to 1 or more infringement notice defaults.

40 Service of enforcement order

The registrar may serve an enforcement order on a person by—

- (a) serving the order on the person personally; or
- (b) sending the order by ordinary post to the address for the person known to SPER; or
- (c) sending the order by electronic communication under section 158.

Division 3 Obligations and options under enforcement order

41 Ways enforcement debtor may deal with enforcement order

- (1) If an enforcement order is served on an enforcement debtor for an amount, the enforcement debtor must, within 28 days after the date of the enforcement order—
 - (a) pay the amount stated in the order in full to SPER; or
 - (b) apply to SPER, in the approved form or in another way acceptable to SPER, to pay the amount by instalments of not less than the minimum instalment; or
 - (c) if the order relates to an infringement notice offence—make to SPER an election to have the matter of the offence decided in a Magistrates Court.
- (2) Also, an approved sponsor may, with the agreement of the debtor, apply on behalf of the debtor under part 3B for—
 - (a) a work and development order to satisfy the amount stated in the order; or
 - (b) if the debtor is subject to a work and development order—a variation of the order.

42 Application to pay by instalments

- (1) Within 28 days after the date of an enforcement order, the enforcement debtor may apply to SPER for approval to pay the amount stated in the order by instalments.
- (2) The application must be made—
 - (a) in the approved form; or
 - (b) in another way acceptable to SPER.

Examples of other ways an application may be made that may be acceptable to SPER—

- by telephone

- by use of the internet
- (3) The enforcement debtor must, at the time of making the application, be informed by SPER of the consequences of failing to pay the account within the time allowed, including by instalments.
 - (4) If the registrar is satisfied the application was made by the enforcement debtor, the registrar may allow the amount to be paid by stated instalments of not less than the minimum instalment.
 - (5) Despite subsection (4), the registrar may, if satisfied exceptional circumstances exist, allow the amount to be paid by stated instalments of less than the minimum instalment.
 - (6) The registrar must give the enforcement debtor notice of the decision.
 - (7) If the registrar decides to allow payment of the amount by instalments, the registrar must also give the enforcement debtor an instalment payment notice for the amount.

51 Election for court hearing

- (1) If, within 28 days after the date of an enforcement order made against an enforcement debtor for an infringement notice offence for which the fine is unpaid, the enforcement debtor—
 - (a) elects under the order to have the matter of the offence decided in a Magistrates Court; or
 - (b) takes no action under section 42 or 43;a proceeding for the offence may be started under the *Justices Act 1886*.
- (2) If either of the following happens, any enforcement order for the offence stops having effect—

- (b) the enforcement debtor is granted a rehearing of the complaint for the offence in a Magistrates Court under the *Justices Act 1886*, section 142.
- (3) Also, if a proceeding against the enforcement debtor for the offence is reopened under the *Justices Act 1886*, section 147A, any enforcement order for the offence stops having effect.
- (4) The registrar must notify the enforcement debtor and the relevant administering authority of the effect of subsection (2) or (3).
- (5) The notification under subsection (4) must be given as soon as practicable after the registrar knows that the enforcement order stops having effect because of this section.

Division 4 Default after enforcement order

52 Default after time to pay

- (1) This section applies if an enforcement debtor—
 - (a) fails to pay an amount stated in an enforcement order within 28 days after the date of the order; or
 - (b) fails to pay an amount stated in an instalment payment notice issued under section 42 in accordance with the notice.
- (2) The registrar may issue an enforcement warrant, a fine collection notice or an arrest and imprisonment warrant for the enforcement debtor for the balance of the unpaid amount stated in the enforcement order or instalment payment notice.
- (3) Also, if the failure relates to an instalment payment notice, the registrar may cancel the instalment payment notice without notice to the enforcement debtor.
- (4) If the registrar decides to issue an arrest and imprisonment warrant, the warrant must be for the arrest and imprisonment of the enforcement debtor for the period stated in the warrant worked out for the unpaid amount under section 52A.

52A Working out period of imprisonment for arrest and imprisonment warrant

- (1) The period of imprisonment that may be stated in an arrest and imprisonment warrant for an amount ordered to be paid by a court must be the period worked out by dividing the amount stated in the warrant, less any enforcement or administrative fees added by SPER, by the relevant cut-out rate for a court order rounded down to the nearest whole number and expressed as a number of days.
- (2) The period of imprisonment that may be stated in an arrest and imprisonment warrant for an infringement notice offence must be the period worked out by dividing the amount stated in the warrant, less any enforcement or administrative fees added by SPER, by the cut-out rate for an infringement notice offence, rounded down to the nearest whole number and expressed as a number of days.
- (3) However, the maximum period that may be stated in an arrest and imprisonment warrant for an amount a surety must pay under the *Bail Act 1980* or the *Penalties and Sentences Act 1992* must not be more than 2 years.

Division 5 Effect of appeal on enforcement order

54 Effect of appeal on enforcement order

- (1) This section applies if, after an enforcement order is made for a penalty imposed by a court for an offence, the enforcement debtor appeals against the conviction or sentence for the offence.
- (2) The appeal suspends the enforcement order.
- (3) If the appeal is upheld, the registrar must refund to the enforcement debtor any amount paid to SPER for the offence.
- (4) If the appeal is dismissed, the suspension of the enforcement order is lifted and the registrar may continue to enforce the order.

- (5) As soon as the registrar becomes aware of the appeal mentioned in subsection (1), the registrar must ensure that any steps taken under this Act to enforce the enforcement order are discontinued immediately and no further action is taken until the appeal is decided.

54A Effect of appeal on enforcement order for offender levy

- (1) This section applies if after an enforcement order is made for an offender levy, the enforcement debtor appeals against all of the convictions that resulted in the imposition of the offender levy.
- (2) The appeals suspend the enforcement order made for the offender levy.
- (3) If all convictions are quashed, the registrar must refund to the enforcement debtor any amount paid to SPER for the levy.
- (4) Otherwise, the suspension of the enforcement order is lifted and the registrar may continue to enforce the order.
- (5) As soon as the registrar becomes aware of the circumstances mentioned in subsection (1), the registrar must ensure that any steps taken under this Act to enforce the enforcement order are discontinued immediately and no further action is taken until all of the appeals are decided.

 - (b) 6 months after the issue of the relevant enforcement order.

- (4) A person must not, without the approval of the registrar, make more than 1 application in relation to the relevant enforcement order.

57 Decision on application

- (1) The registrar may cancel the relevant enforcement order only if the registrar is satisfied the order should be cancelled for the reason stated in the application.
- (2) The registrar may ask the applicant to give to the registrar any information prescribed under a regulation that will help the registrar decide the application.
- (3) The registrar may consider the application in the absence of the applicant.
- (4) If the registrar cancels the relevant enforcement order, the registrar must refer the matter of the offence to the administering authority.
- (5) The administering authority may—

- (2) The application must be filed with the relevant court registrar.
- (3) The court registrar must, as soon as practicable, refer the matter to the court and notify the applicant and the registrar of when and where the application is to be decided.

- (4) The court may make any decision about the application that the registrar could have made.
- (5) The court may decide the application in the absence of the applicant if the court is satisfied the applicant is avoiding service of the notice or can not, after reasonable search and inquiry, be found.
- (6) Also, the court may decide the application if it is satisfied that no party to the application will be prejudiced by the non-service of, or any error or omission in, the notice of the decision under section 57(6).

60 Provisions relating to cancellation of enforcement order

- (1) On an application under section 56 or 58, the registrar or a Magistrates Court may stay enforcement action under a relevant enforcement order on the conditions the registrar or the court considers appropriate.
- (2) A single application may be made for the cancellation of 2 or more relevant enforcement orders against the same person.
- (3) A relevant enforcement order that is cancelled stops having effect on the making of the order cancelling it and any enforcement action already taken must, if practicable, be reversed.
- (4) Without limiting subsection (3), if a relevant enforcement order is cancelled—
 - (a) enforcement costs are not payable for the issue of the order; and
 - (b) any amount that has been paid under the order is repayable to the person by whom it was paid; and
 - (c) the period of limitation within which a proceeding for the offence to which the order relates may be started for the matter starts on the day the order is cancelled.
- (5) Also, section 31 applies as if the infringement notice to which the relevant enforcement order relates were cancelled under section 30.

- (6) Subsection (4)(c) provides some other time limit for making complaint for the purposes of the *Justices Act 1886*, section 52.

 - (ii) if relevant, the enforcement debtor has not elected under section 51 to have the matter of an offence decided in a Magistrates Court; or
- (b) if this Act expressly authorises the registrar to issue an enforcement warrant or a fine collection notice for an unpaid amount.

62 Part does not prevent issue of arrest and imprisonment warrant

Nothing in this part prevents the registrar, instead of acting under this part, issuing an arrest and imprisonment warrant for an enforcement debtor who may be arrested under this or another Act because of the enforcement debtor's failure to pay an amount.

- (5) A copy of the enforcement warrant must be served on the enforcement debtor.
- (6) Nothing in this Act prevents the registrar from issuing an enforcement warrant to seize and sell a vehicle while it is subject to an immobilisation warrant.

-
- (7) However, an enforcement warrant can not be enforced while a vehicle is immobilised under an immobilisation warrant.
- (8) A charge imposed on personal property under an enforcement warrant—
- (a) is declared to be a statutory interest to which section 73(2) of the PPS Act applies; and
 - (b) has priority over all security interests in relation to the personal property other than those registered on the PPS register before the charge is mentioned on the register.
- (9) Subsection (10) applies to the following fees, expenses and costs to the extent the fees, expenses and costs relate to personal property under an enforcement warrant—

- (3) The priority of a renewed enforcement warrant is decided according to the date the warrant was originally issued.
- (4) A copy of the renewed enforcement warrant must be served on the enforcement debtor.

64 Registrar may cancel, suspend or vary enforcement warrant for seizure of property

- (1) A person claiming an interest in property that is or is about to be seized or sold under an enforcement warrant may apply to the registrar for the cancellation, suspension or variation of all or part of the warrant, including because of facts that arise or are discovered after the warrant was issued.

 - (a) notice of intention to issue the warrant; and
 - (b) at least 10 days to give reasons the warrant should not be issued.
- (3) For this section, service on each partner who resides in the State is sufficient service on any partner who resides outside the State.

66 Effect of warrant imposing charge on property

- (1) An enforcement warrant imposing a charge on property entitles SPER to the same remedies as SPER would have had if the charge had been made in SPER's favour by the enforcement debtor.
- (2) However, SPER may not take proceedings to obtain a remedy in relation to particular charged property until—
 - (a) the enforcement warrant imposing the charge is served on the enforcement debtor and, for interests in managed investment schemes or securities, the person who issued or administers the interests or securities; and
 - (b) 21 days have passed since the later service.

67 Order to set aside or restrain sale, etc. of charged property

- (1) The registrar may apply to the Supreme Court for an order restraining the sale, transfer or other dealing with property under an enforcement warrant imposing a charge on property.
- (2) The Supreme Court may restrain the sale, transfer or other dealing, unless to do so would prejudice the rights or interests of a genuine purchaser or chargee without notice.
- (3) Also, the Supreme Court may—

- (a) order that property mentioned in the order must not be sold, transferred or otherwise dealt with; or
 - (b) order that property mentioned in the order be sold, transferred or otherwise dealt with only in a stated way or circumstance.
- (4) In addition, the Supreme Court may set aside any sale, transfer or other dealing with property charged under an enforcement warrant, unless to do so would prejudice the rights or interests of a genuine purchaser or chargee without notice.

68 Offence of dealing with charged or restrained property

- (1) An enforcement debtor who is served with a copy of an enforcement warrant imposing a charge on property or an order made under section 67, must not knowingly contravene the warrant or order by concealing, selling, transferring or otherwise dealing with the property.

- (3) If, despite subsection (2), the person who issued or administers the charged property conceals, sells, transfers or otherwise deals with the property, the person is liable to SPER for the value or amount of the charged property dealt with or the amount owing by the enforcement debtor, whichever is smaller.

68A Offence of concealing, selling, transferring or otherwise dealing with property subject to seizure

An enforcement debtor who is served with a copy of an enforcement warrant to seize and sell property must not conceal, sell, transfer or otherwise deal with the property with intent to—

- (a) defeat the enforcement of the warrant; or
- (b) adversely affect any seizure or sale of the property under this Act.

Maximum penalty—200 penalty units or 3 years imprisonment.

- (2) The enforcement officer must first attempt to recover the amount owing in full.
- (3) If the enforcement debtor can not pay the amount owing in full, the enforcement officer must attempt to interview the enforcement debtor.
- (4) If the enforcement officer reasonably believes the enforcement debtor will not, or is unwilling to, take part in the interview, the enforcement officer may enforce the warrant.
- (5) If, after interviewing the enforcement debtor, the enforcement officer is satisfied the enforcement debtor is unable to pay the amount owing in full, but can pay the amount in a way mentioned in subsection (6) or (7), and the enforcement debtor agrees, the enforcement officer—
 - (a) must not enforce the warrant; and
 - (b) must ensure the enforcement debtor takes all action necessary for the amount to be satisfied in the agreed

way, including, for example, by giving the enforcement officer necessary information or completing necessary documents.

- (6) If the enforcement officer is satisfied the enforcement debtor can pay the amount owing by instalments at the full instalment rate, the ways the amount may be paid are as follows—
 - (a) by regular redirection from a financial institution account at the full instalment rate;
 - (b) by regular redirection from earnings.
- (7) If the enforcement officer is satisfied the enforcement debtor can not pay the amount owing by instalments at the full instalment rate, the ways the amount may be paid are as follows—

 - (a) have the warrant in the enforcement officer's possession when enforcing the warrant; and
 - (b) for a warrant to seize or sell property—show the warrant to any person claiming an interest in the property to be seized.
- (3) Actual seizure is not necessary to authorise the sale of real property under an enforcement warrant.

-
- (4) If there is an advertisement of a notice about real property under section 73H, an enforcement officer is taken to have seized the real property for the purpose of this division.

70 Power of entry to enforce enforcement warrant

- (1) An enforcement officer may, at any reasonable time of the day or night, enter any premises stated in an enforcement warrant for the purposes of executing the warrant.
- (2) However, an enforcement officer may enter a part of premises used only for residential purposes only if the occupier consents to the entry or entry is authorised under a search warrant.

71 Search warrant

- (1) If an enforcement officer reasonably believes there may be in any premises property that may be seized under an enforcement warrant, the enforcement officer may apply to a magistrate or a justice of the peace (magistrates court) who is not an official within the meaning of section 12, for the issue of a search warrant under this section.
- (2) The magistrate or justice (*issuer*) may refuse to consider the application until the enforcement officer gives the issuer all the information the issuer requires about the application in the way the issuer requires.

Example—

The issuer may require additional information about the application to be given by statutory declaration.

- (3) The issuer may issue the warrant only if satisfied there are reasonable grounds for believing there is in the premises property an enforcement officer may seize under an enforcement warrant.
- (4) The warrant must be in the approved form and state—
- (a) that a stated enforcement officer, or all enforcement officers, may enter the place and exercise the powers under section 72; and

- (b) if the warrant is to be enforced at night—the hours when the place may be entered; and
- (c) the warrant ends 7 days after it is issued.

 - (c) power to use reasonable help and force for paragraphs (a) and (b);
 - (d) power to do anything else reasonably necessary to be done that is incidental to searching for and seizing any property the enforcement officer may seize under an enforcement warrant.
- (2) However, an enforcement officer does not have power under this section to seize property under any enforcement warrant or order issued under another Act while the person is in premises only under a search warrant under this Act.

73 Powers supporting seizure

Having seized a thing, an enforcement officer may—

- (a) move the thing from the place where it was seized (the *place of seizure*); or
- (b) leave the thing at the place of seizure, but take reasonable action to restrict access to it.

Examples of restricting access to a thing—

- 1 sealing a thing and marking it to show access to it is restricted

- 2 sealing the entrance to a room where the seized thing is situated and marking it to show access to it is restricted

73A Notice to enforcement debtor etc. if seizure

- (1) An enforcement officer who seizes property under an enforcement warrant must serve a notice complying with subsection (2) on the enforcement debtor or the person who is in possession of the property immediately before it is seized.
- (2) For subsection (1), the notice must—
 - (a) be in the approved form; and
 - (b) state the property that is seized for sale under the warrant; and

 - (b) subject to paragraph (a), minimising hardship to the enforcement debtor and other persons.
- (2) However, the registrar may, after having regard to the matters mentioned in subsection (1)(a) and (b), direct the enforcement officer to seize and sell property in an order different to the order mentioned in the subsection.
- (3) An enforcement officer may seize and sell an item of property even though the enforcement officer considers that the item's value exceeds the amount recoverable, but the enforcement officer must not also seize and sell additional items.

73D Payment by enforcement debtor before sale

An enforcement officer must not sell property seized under an enforcement warrant if, at or before the sale, the enforcement debtor pays to the enforcement officer—

- (a) the amount stated in the warrant; and

- (b) the costs of enforcement then known to the enforcement officer.

73E Storage before sale

- (1) Until sale, an enforcement officer must put goods seized under an enforcement warrant in an appropriate place, or give them to an appropriate person, approved by the registrar for the purpose.

- (1) Unless the registrar directs otherwise, an enforcement officer must put up for sale by public auction all property liable to be sold under an enforcement warrant—
 - (a) as early as possible; and
 - (b) at a place and in a way appearing to the enforcement officer to be suitable for a beneficial sale of the property.
- (2) The public auction may be conducted by the enforcement officer or a person authorised by the registrar.
- (3) Property sold by public auction must be sold under the following conditions of sale—
 - (a) the property must be sold—
 - (i) for goods, if the person conducting the auction considers the particular lot in which the goods are to be auctioned is worth less than \$500, or for other property if the enforcement debtor agrees—at the best price obtainable; or
 - (ii) otherwise, if the reserve is reached—to the highest bidder;
 - (b) if the person conducting the auction considers there is a dispute as to who is the highest bidder, the property is to be reaucted and knocked down to the highest bidder.

[s 73G]

- (4) However, before a sale by public auction, the enforcement debtor may apply to the registrar for a direction that the property be sold privately.
- (5) The application must state the facts relied on by the enforcement debtor.
- (6) If the registrar gives a direction under subsection (4)—
 - (a) the registrar may give the direction to an enforcement officer; and
 - (b) the enforcement debtor must pay any costs already incurred by an enforcement officer for the auction.
- (7) If property put up for sale at public auction is not sold by auction, an enforcement officer may sell the property privately—
 - (a) for an amount not less than the highest bid made at the auction that the registrar considers is a reasonable amount for the property; or
 - (b) if no bid was made at the auction—for an amount the registrar considers is a reasonable amount for the property.

Note—

See section 73G (Sale at best price obtainable).

- (8) In this section—

reserve, for property to be sold at auction, means the reserve amount set by the registrar, that is an amount the registrar considers is not less than a reasonable amount for the property.

73G Sale at best price obtainable

- (1) This section applies if the enforcement debtor's property has not been sold under section 73F.
- (2) The registrar may direct an enforcement officer to sell the property at the best price obtainable.

73H Advertising

- (1) Before selling property seized under an enforcement warrant an enforcement officer must arrange advertisement of a notice giving the time and place of sale together with details of the property to be sold.
- (2) However, an enforcement officer may sell seized goods without arranging the advertisement if—
 - (a) the goods are of a perishable nature; or
 - (b) the enforcement debtor requests it in writing.
- (3) Also, if property seized under an enforcement warrant is put up for sale at a public auction to be conducted by a person other than an enforcement officer—
 - (a) it is sufficient for a notice under subsection (1) to contain only the details reasonable and usual for a public auction of property of the same nature as the seized property; and
 - (b) subsection (5) does not apply and advertisement of the notice may be done in the way reasonable and usual for a public auction of property of the same nature as the seized property; and
 - (c) the registrar may require any additional advertising the registrar considers reasonable.
- (4) An enforcement officer must send a copy of the notice by prepaid post to the enforcement debtor at the enforcement debtor's last known address.
- (5) In this section—

advertisement, of a notice, means—

 - (a) in any case—publication of the notice on SPER's website; and
 - (b) if there are 2 or more newspapers circulating in the district where the property is located—publication of the notice once in each of 2 of the newspapers not less than 2 weeks, and no more than 4 weeks, before the date of sale; and

- (c) if there is only 1 newspaper circulating in the district where the property is located—publication of the notice twice in the newspaper (on different days, if practicable) not less than 2 weeks, and no more than 4 weeks, before the date of sale; and
- (d) if there is no newspaper circulating in the district where the property is located and the property to be sold is an interest in land—posting the notice on the land not less than 2 weeks, and no more than 4 weeks, before the date of sale; and
- (e) if there is no newspaper circulating in the district where the property is located and the property to be sold is not an interest in land—posting the notice at the place where the sale is to take place not less than 2 weeks, and no more than 4 weeks, before the date of sale.

district means Magistrates Courts district.

73I Postponement of sale

- (1) The registrar may, on application by the enforcement debtor or on the advice of an enforcement officer, direct that a sale of property seized under an enforcement warrant be postponed to a stated date.
- (2) If the enforcement warrant authorising the seizure would otherwise end before the stated date, the postponement extends the warrant's validity until the end of the stated date.

73J Accountability for, and distribution of, money received

- (1) An enforcement officer must pay to the registrar all proceeds of sale and other money received by the enforcement officer under an enforcement warrant as soon as practicable after receiving the money, whether before or after the seizure of property under the warrant.
- (2) However, before making the payment, the enforcement officer may deduct the enforcement officer's fees and expenses in relation to enforcement or attempted enforcement.

-
- (3) The registrar must apply the money received from the enforcement officer in the following order—
- (a) in payment of any other enforcement costs incurred by SPER in seizing and selling, or attempting to seize and sell, the property;
 - (b) if there is an amount owing to an entity under a security interest registered for the property on the PPS register before the charge on the property is mentioned on the register—in payment of the amount owing under the security interest;
 - (c) in payment of the amount recoverable under the enforcement warrant other than costs;
 - (d) if there is an amount owing to an entity under a security interest registered for the property on the PPS register after the charge on the property is mentioned on the register—in payment of the amount owing under the security interest;
 - (e) in payment of any balance to the enforcement debtor.
- (4) To remove any doubt, it is declared for subsection (3)(b) and (d) that, if there is an amount owing to more than 1 entity, the priority between the entities is to be determined under the PPS Act.
- (5) In this section—

charge means a charge mentioned in section 63(8).

PPS Act means the *Personal Property Securities Act 2009* (Cwlth).

PPS register means the Personal Property Securities Register under the PPS Act.

security interest see the PPS Act, section 12.

73K Reserve price provisions

debtor to give the enforcement officer any information about the property that is known to, or can reasonably be obtained by, the enforcement debtor.

- (2) An enforcement debtor required under subsection (1) to give an enforcement officer any information about the property that is known to, or can reasonably be obtained by, the enforcement debtor must comply with the requirement, unless the enforcement debtor has a reasonable excuse.

Maximum penalty—10 penalty units.

- (3) A failure by the enforcement debtor to comply with the enforcement officer's requirement does not prevent the registrar setting a reserve under section 73F.
- (4) The enforcement officer may communicate the amount set as a reasonable value of property to any person before the sale only if the communication is necessary to conduct the sale or there is another sufficient excuse.

74 Return of enforcement warrant

- (1) An enforcement officer must give to the registrar a return about the enforcement or otherwise of an enforcement warrant.
- (2) The return must be made by giving to the registrar a certificate signed by the enforcement officer stating what was done to enforce the warrant, or what other action, if any, was taken.

Division 3 Fine collection notices

75 Issue of fine collection notice

- (1) The registrar may issue a notice (*fine collection notice*) under this division for an unpaid amount.
- (2) A fine collection notice may be a notice—
 - (a) to redirect earnings of the enforcement debtor; or

- (b) to redirect all or part of a debt owed to the enforcement debtor; or
 - (c) for regular redirection from a financial institution account; or
 - (d) directing a financial institution to make payment of an amount from money held by the institution on behalf of the debtor.
- (3) On the issue of a fine collection notice, the amount owing by the enforcement debtor is increased to the total of the amount unpaid before the notice was issued and the civil enforcement fee prescribed under a regulation.
- (4) The fine collection notice must be in the approved form.

76 Issue of fine collection notice after enforcement warrant

- (1) This section applies if an enforcement debtor agrees under section 69 to satisfy an amount for which an enforcement warrant has been issued by payments under a fine collection notice.
- (2) The issue of the fine collection notice suspends the operation of the enforcement warrant for so long as amounts are deducted under the notice.

77 Registrar may cancel, suspend or vary fine collection notices

- (1) An enforcement debtor may apply to the registrar for the cancellation, suspension or variation of all or part of a fine collection notice, including because of facts that arise or are discovered after the notice was issued.
- (2) The application must state the facts relied on by the applicant.
- (3) The registrar may cancel, suspend or vary a fine collection notice.
- (4) If the registrar cancels, suspends or varies a fine collection notice for redirection of the enforcement debtor's earnings,

[s 78]

the registrar must give notice of the cancellation, suspension or variation to the enforcement debtor's employer.

- (5) If the registrar cancels, suspends or varies a fine collection notice for regular redirection from a financial institution account, the registrar must give notice of the cancellation, suspension or variation to the financial institution named in the notice.
- (6) If the registrar cancels, suspends or varies a fine collection notice for regular redirection of a debt owing to the enforcement debtor, the registrar must give notice of the cancellation, suspension or variation to the third person to whom the fine collection notice was given.
- (7) The cancellation, suspension or variation of a fine collection notice for regular redirection from a financial institution account does not take effect until the end of 7 days after the day notice of the cancellation, suspension or variation to is given to the financial institution.

78 Copy of notices under this division to be given to enforcement debtor

The registrar must give a copy of any fine collection notice, or notice cancelling, varying or suspending a fine collection notice, to the enforcement debtor as soon as practicable after it is issued.

Division 4 Provisions about fine collection notices redirecting earnings

79 When registrar may issue fine collection notice for redirection of earnings

- (1) The registrar may issue to a person a fine collection notice for the redirection of an enforcement debtor's earnings only if the registrar is satisfied the person is the debtor's employer.

- (2) If the registrar considers it necessary or desirable to cancel or vary a fine collection notice, the registrar must, as soon as is practicable, give written notice to the employer of the cancellation or variation of the relevant notice.

80 Two or more employers of 1 employee

If an enforcement debtor receives earnings from 2 or more employers, the registrar may—

- (a) treat any of the employers as the only employer of the enforcement debtor; or
- (b) treat any 2 or more of the employers as joint employers of the enforcement debtor.

81 Duty of employer to make deductions

- (1) Subject to section 82, an employer who pays earnings to an employee for whom a fine collection notice for redirection of the enforcement debtor's earnings is in force must, when paying the earnings, deduct an amount from the earnings as required under this division.

Maximum penalty—20 penalty units.

- (2) On the conviction of a person for an offence against subsection (1), the court may, in addition to imposing a penalty, order the person to pay to SPER, as a debt, an amount of not more than the total of the amount the person did not deduct under the fine collection notice.

82 Working out amount to be deducted

- (1) The amount an employer must deduct from an enforcement debtor's earnings for each week under a fine collection notice is the weekly deduction amount specified in the notice.
- (2) However, if the deduction of an amount under subsection (1) would reduce the enforcement debtor's earnings for the period to less than the protected earnings amount, the employer must deduct only the amount, if any, that would reduce the

enforcement debtor's earnings for the period to an amount equal to the protected earnings amount.

Examples for subsection (2)—

- 1 If the employee earns \$250 and the protected earning rate is \$275, no deduction may be made.
- 2 If the employee earns \$290, the protected earnings rate is \$275 and the amount to be deducted is \$25, the employer may only deduct the difference between the protected earnings rate and the amount actually earned or \$15.

83 Provisions for working out earnings for s 82

- (1) This section applies for working out the amount of earnings an employer pays to an employee.
- (2) Any amount an employer pays to an employee for piecework is taken to have been paid to the employee for the period that started when the employee started the work and ended when the work ended.
- (3) Any amount an employer pays to an employee for services under a contract that is wholly or principally for the labour of the employee is taken to have been paid to the employee for the period that started when the employee started to provide the services and ended when the provision of the services ended.
- (4) Any amount an employer pays for other work performed or services provided, but not for a particular period, is taken to have been paid for the period of 52 weeks ending the day before the day the amount is paid.
- (5) If the employee is entitled to be paid an amount for a period of more than 1 week, the employer is taken to have paid an amount of earnings to the employee for each week or part of a week in the period, worked out by dividing the amount of earnings actually paid by the number of days in the period and multiplying the result—
 - (a) for each week—by 7; and
 - (b) for a part of a week—by the number of days in the part of the week.

- (6) If an employer pays earnings for a week or part of a week in 2 or more separate amounts, the amounts must be aggregated, and the employer may make a deduction from 1 amount or partly from 2 or more amounts.
- (7) For this section, the amount of any earnings is taken to be the amount of the earnings after deducting any amount the employer is required to deduct from the earnings under the *Taxation Administration Act 1953* (Cwlth).

84 Additional duties of employers

- (1) An employer who deducts an amount from an employee's earnings under a fine collection notice must, within 7 days after the end of the month in which the amount is deducted or the longer period, of not more than 21 days, the registrar allows—

- (b) give to the registrar a return in the approved form.

Maximum penalty—50 penalty units or 6 months imprisonment.

- (2) An employer who does not deduct an amount from an employee's earnings under a fine collection notice relating to an employee in a particular month must, within 7 days after the end of the month, or the longer period, of not more than 21 days, the registrar allows, give to the registrar a return in the approved form.

Maximum penalty—15 penalty units.

- (3) An employer who pays earnings to an employee while a fine collection notice relating to the employee is in force must give to the employee a written notice stating—

- (b) if no deduction is made, that no deduction has been made under the notice.

Maximum penalty—15 penalty units.

- (4) If an employee to whom a fine collection notice relates stops being an employee while the notice is in force, the employer must give to the registrar notice of that fact in the approved form within 7 days after the end of the month in which the employment ended or the longer period the registrar allows.

Maximum penalty for subsection (4)—10 penalty units.

85 Discharge of enforcement debtor's liability to registrar and employer's liability to enforcement debtor

If an employer deducts an amount under this division from the earnings of an enforcement debtor—

- (a) the enforcement debtor is, to the extent of the amount deducted, discharged from the enforcement debtor's liability to make payments to the registrar; and
- (b) the employer is discharged from liability to pay the amount to any person other than the registrar.

86 Payment by trustees of deducted amounts

- (1) This section applies if—
- (a) an amount is payable to the registrar by an employer; and
- (b) the property of the employer has become vested in, or the control of the property of the employer has passed to, a trustee.
- (2) The trustee is liable to pay the amount to the registrar.

87 Penalty for late payment to registrar of deducted amounts

- (1) If an employer other than a government body fails to pay an amount deducted under a fine collection notice (*deducted amount*) to the registrar in accordance with section 81, the employer must pay to SPER, as a penalty (*late payment penalty*)—
- (a) 10% of the deducted amount; and

- (b) interest at the rate of 10% each year on the daily balance of the unpaid deducted amount.
- (2) Interest is payable on the deducted amount from the day after the amount should have been paid until the day the amount is actually paid.

88 Penalty for failure to make deductions from earnings

- (1) If an employer other than a government body fails to deduct an amount that could have been deducted from an employee's earnings under a fine collection notice (*undeducted amount*), the employer must pay to SPER, as a penalty (*late payment penalty*), interest at the rate of 10% each year on the undeducted amount.
- (2) Interest is payable on the undeducted amount from the day the undeducted amount should have been deducted until the day the amount is actually paid.

89 When late payment penalty may be waived

- (1) The registrar may waive all or part of a late payment penalty if the registrar is satisfied of any of the following—
 - (a) if the circumstances that contributed to the delay were not caused directly or indirectly by an act or omission of the employer—the employer has taken reasonable steps to avoid or minimise the effects of the circumstances;
 - (b) if the circumstances that contributed to the delay were directly or indirectly caused by an act or omission of the employer—
 - (i) the employer has taken reasonable steps to avoid or minimise the effects of the circumstances; and
 - (ii) having regard to the nature of the circumstances, it would be fair and reasonable to waive the penalty or part of the penalty;

- (c) there are special circumstances because of which it would be fair and reasonable to waive all or part of the penalty.
- (2) If the registrar decides to waive part only of a late payment penalty, or not to waive any part of a late payment penalty, the registrar must give written notice of the decision to the employer concerned and the reasons for the decision.

90 Application of interest payable on judgment debt

- (1) This section applies if a court gives judgment for the State for the payment of an amount that is or is part of a relevant amount (*judgment debt*).
- (2) The relevant amount, or part of the relevant amount, must not be taken, for this division, to have stopped being payable only because of the judgment.
- (3) However, interest payable on the judgment debt must be applied to reduce the amount of interest that would otherwise be payable under this Act.
- (4) In this section—
relevant amount means—
 - (a) a deducted amount; or
 - (b) the amount of a late payment penalty; or
 - (c) an undeducted amount.

91 Penalty is alternative to prosecution for certain offences against part

- (1) If a prosecution is started against an employer for an offence against section 81, any amount payable by the employer as a late payment penalty in the circumstances of the contravention is not payable.
- (2) If—
 - (a) a person who must pay a late payment penalty to the registrar under this division pays an amount to the

registrar in full or partial discharge of the person's liability for the penalty; and

- (b) a prosecution is started against the person for an offence against section 81 in the circumstances in which the late payment penalty became payable;

the registrar must either refund the amount to the person, or apply the amount in full or partial discharge of another debt the person owes to SPER under this Act.

- (3) However, if the prosecution is withdrawn, the person again becomes liable to pay the late payment penalty.
- (4) For subsection (3), the period of the prosecution is not counted for the purpose of calculating a late payment penalty under section 87 or 88.

92 Employers not to prejudice employees because of action under this part

- (1) An employer must not, because another person is an enforcement debtor—
- (a) refuse to employ or pay earnings to the person; or
 - (b) dismiss, or threaten to dismiss, the person from employment; or
 - (c) terminate or threaten to terminate the payment of earnings to the person; or
 - (d) prejudice or threaten to prejudice the person in the person's employment or otherwise in the receipt of earnings; or

[s 93]

- (a) order the offender to pay compensation to the enforcement debtor for loss or damage suffered because of the offence;
 - (b) order the taking of action to remedy or reduce the loss or damage suffered by the enforcement debtor because of the offence.
- (3) The enforcement debtor may recover compensation ordered to be paid under subsection (2)(a) as a debt.
- (4) Subsection (2) does not limit the powers of a court under the *Penalties and Sentences Act 1992*, part 3, division 4.

93 Employers not to disclose information etc.

- (1) This section applies to a person who is or has been—
- (a) an employer of an enforcement debtor; or
 - (b) a person employed by, or performing services for, an employer of an enforcement debtor.
- (2) The person must not directly or indirectly disclose or communicate to another person any information about the financial affairs of the enforcement debtor that is disclosed or obtained under this division and acquired by the person because of, or in performing, the employer's duties under this division, other than—
- (a) for this Act; or
 - (b) for performing the employer's duties under this Act; or
 - (c) for carrying on the employer's business affairs.

Maximum penalty for subsection (2)—25 penalty units or 6 months imprisonment.

94 Records to be kept by employers

- (1) An employer must keep written records, in English, of—
- (a) all amounts deducted or required to be deducted from earnings under a fine collection notice; and

(b) other acts done, or required to be done, by the employer under this division.

Maximum penalty—25 penalty units or 6 months imprisonment.

(2) The employer must—

(a) keep the records in a way that correctly records and explains the matters to which they relate; and

(b) keep a particular record for 5 years after it is made.

Maximum penalty—25 penalty units or 6 months imprisonment.

(3) This section does not require a person to keep records if the registrar has notified the person, in writing, that keeping the records is not required.

(4) In a proceeding for an offence against subsection (2)(a), it is a defence for the employer to prove that the employer did not know, and could not reasonably be expected to have known, that the record to which the proceeding relates did not correctly record and explain the matter to which the record relates.

95 Access to premises etc.

(1) For enforcing this part against an employer, the registrar may give an enforcement officer written authority to exercise powers under this section.

(2) The enforcement officer may not exercise powers under this section unless the enforcement officer first produces the written authority for inspection by the employer and an identity card.

(3) The powers the enforcement officer has under this section are as follows—

(a) power, at all reasonable times, to enter premises of an employer, other than premises used exclusively as a residence, and remain on the premises for the time

reasonably necessary to exercise powers under this section;

- (b) power to inspect or examine any business records relevant to the employer's obligations under this Act on the employer's premises;
 - (c) power to make copies of, or take extracts from, any document the enforcement officer considers is reasonably necessary for ensuring compliance with this Act;
 - (d) power to require the occupier of the premises to give the enforcement officer reasonable help to exercise a power mentioned in paragraph (a), (b) or (c).
- (4) A person required under subsection (3)(d) to give an officer reasonable help must comply with the request, unless the person has a reasonable excuse for not doing so.

Maximum penalty—20 penalty units.

- (5) To the extent reasonable help required by an enforcement officer would involve the production of a document or the giving of information, it is a reasonable excuse for the purposes of subsection (4) that the production of the document or the giving of the information would tend to incriminate the person.

96 Application of amounts paid or credited if 2 or more debts due

- (1) This section applies if—
- (a) 2 or more debts are payable to SPER by an employer under this part; and
 - (b) an employer pays an amount, or the registrar credits an amount towards a debt.
- (2) Division 9 applies to the amount despite any direction of the employer to the contrary.

- (2) If, after acting under subsection (1), the amount still available for redirection is less than the amount owing to SPER, the registrar may vary or cancel the fine collection notice.

99 Discharge of the third person

- (1) A payment to SPER made by a third person in compliance with a fine collection notice is a valid discharge of the person's liability to the enforcement debtor to the extent of the amount paid.
- (2) Subsection (1) applies even if, after payment, the fine collection notice is cancelled.

Division 6 Provisions about regular redirection from a financial institution account

100 Application of div 6

This division applies if—

- (a) an enforcement debtor has an account with a financial institution; and
- (b) another person (*depositor*) regularly deposits earnings into the account (a *regular deposit*).

101 Service of fine collection notice for regular redirection from a financial institution account

- (1) This section applies if the registrar issues a fine collection notice for regular redirection from a financial institution account under section 75.
- (2) The notice must be served on the enforcement debtor and on the financial institution.
- (3) The notice does not have effect until the end of 7 days after the day on which the notice is served on the financial institution.

-
- (4) The notice continues in force until the total amount stated in the notice is paid or the notice is cancelled or varied or expires according to its terms.

102 Financial institution to make payments

- (1) For each regular deposit into the enforcement debtor's account while the fine collection notice for regular redirection is in force, the financial institution—
- (a) within 2 days after the deposit, must deduct from the account the amount stated in the notice and pay it to SPER as stated in the notice; and
 - (b) may only charge the enforcement debtor an amount (an *administration charge*), as an administrative cost of complying with the notice, of not more than the amount prescribed by regulation; and
 - (c) must give the enforcement debtor notice of the deduction and any administration charge.
- (2) However, the financial institution must not deduct an amount from the account if—
- (a) the deduction would cause the account to be overdrawn; or
 - (b) the deduction would cause the total balance of all the accounts the enforcement debtor holds with the financial institution to be less than the amount prescribed by regulation (the *protected amount*).
- (3) Also, in applying subsection (1)(a) to the last deduction, the financial institution must deduct the amount, not more than the amount stated in the notice for deduction for each regular deposit, that results in the total amount deducted by the financial institution being the total amount to be deducted under the notice.
- (4) If the financial institution is prevented by subsection (2) from deducting from the account the full amount of the recoverable amount, it must deduct as much of the amount, if any, that it may deduct without contravening subsection (2).

Example—

If the recoverable amount is \$950, the protected amount is \$400 and the enforcement debtor's account has a balance of \$725, the financial institution must deduct \$325 from the account.

- (5) A deduction paid or kept by a financial institution under this section is a valid discharge of the financial institution's liability to the enforcement debtor to the extent of the deduction.

103 Offence of intentionally defeating notice for regular redirection from a financial institution account

- (1) An enforcement debtor who is served with a copy of a fine collection notice for regular redirection from a financial institution account must ensure that enough funds remain in the enforcement debtor's account with the financial institution after each regular deposit for the deduction from the account of the amount stated in the notice.
- (2) The enforcement debtor must notify SPER if—
 - (a) the depositor discontinues regular payments of earnings to the enforcement debtor; or
 - (b) the enforcement debtor closes the account or arranges for the depositor to pay the enforcement debtor in another way.
- (3) An enforcement debtor who contravenes subsection (1) or (2) with intent to defeat a notice for regular redirection from a financial institution account commits an offence.

Maximum penalty for subsection (3)—20 penalty units.

Division 6A Provisions about direction to pay amount from financial institution account

103A Application of division

This division applies if the registrar issues a fine collection notice for the payment of an amount from a financial institution account under section 75(1)(d).

103B Copy of fine collection notice to enforcement debtor

The registrar must serve a copy of the fine collection notice on the enforcement debtor.

103C Financial institution to make deduction

- (1) As soon as practicable after receiving the fine collection notice, the financial institution must deduct the amount stated in the notice (the *recoverable amount*) from the accounts held by the enforcement debtor with the institution.
- (2) Unless required under the fine collection notice to deduct the recoverable amount from a particular account held by the enforcement debtor with the financial institution—
 - (a) the institution may decide the account from which to deduct the recoverable amount; and
 - (b) the institution may deduct the recoverable amount by deducting lesser amounts from 2 or more of the accounts held by the enforcement debtor.

Example—

If the recoverable amount is \$1,200, the financial institution may deduct \$1,000 from one account and \$200 from another account.

- (3) However, the financial institution must not deduct an amount from an account if—
 - (a) the deduction would cause the account to be overdrawn;
or

- (b) the deduction would cause the total balance of all the accounts the enforcement debtor holds with the financial institution to be less than the amount prescribed by regulation (the *protected amount*).
- (4) If the financial institution is prevented by subsection (3) from deducting from the accounts the full amount of the recoverable amount, it must deduct as much of the amount, if any, that it may deduct without contravening subsection (3).

Example—

If the recoverable amount is \$950, the protected amount is \$400 and the enforcement debtor's account has a balance of \$725, the financial institution must deduct \$325 from the account.

- (5) If the financial institution makes a deduction under this section, the institution may only charge the enforcement debtor an amount, as an administrative cost of complying with the fine collection notice, of not more than the amount prescribed by regulation.

103D Financial institution to make payment

As soon as practicable after making a deduction under section 103C, the financial institution must pay the amount of the deduction to SPER and, if the deduction is less than the recoverable amount, inform SPER of the reasons why the amount is less.

Division 7 Suspension of driver licence

104 Criteria for suspending driver licence

- (1) This division applies whether or not the enforcement debtor has a driver licence.
- (2) The registrar may suspend an enforcement debtor's driver licence under this division if satisfied the debtor is not taking steps to pay or otherwise discharge the enforceable amount of the debtor's SPER debt.

105 Suspension of driver licence

- (1) If the registrar decides to suspend an enforcement debtor's driver licence the registrar must serve on the enforcement debtor a notice of intention to suspend the licence.
- (2) If the enforcement debtor does not pay the unpaid amount stated in the notice within 14 days, the enforcement debtor's driver licence is suspended.
- (3) The driver licence is suspended until the enforcement debtor pays the unpaid amount or the amount is otherwise discharged under this Act.

106 General effect of suspension of driver licence

- (1) Despite any other Act, the suspension of a driver licence under section 105 operates to suspend the driver licence of an enforcement debtor who holds a driver licence issued outside Queensland while the person is in Queensland.
- (2) A renewal or replacement of a driver licence suspended under section 105 does not affect the suspension.
- (3) Also, the suspension of a driver licence under section 105 does not affect the powers a court or another person may exercise under another Act to suspend or cancel the licence.
- (4) If a person does not hold a driver licence, the person is also disqualified from holding or obtaining a driver licence until the person pays the unpaid amount or the amount is otherwise discharged under this Act.

107 Review of suspension of driver licence

- (2) As soon as practicable after the end of each 3 months of the suspension, the registrar must review the suspension.
- (3) If the registrar is satisfied the enforcement debtor is not taking steps to satisfy the unpaid amount stated in the notice of intention to suspend the driver licence, the registrar may issue

an arrest and imprisonment warrant for the enforcement debtor for the amount, without notice to the enforcement debtor.

108 Effect of suspension of driver licence on vehicle insurance

- (1) The suspension of a person's driver licence under this Act does not terminate a vehicle insurance policy.
- (2) Also, a claim under a vehicle insurance policy can not be refused only because a person's driver licence is suspended under this Act.
- (3) This section has effect despite anything to the contrary in a vehicle insurance policy or any other agreement.
- (4) In this section—

vehicle insurance policy means a policy of insurance for damage or loss caused by or arising out of the use or operation of a vehicle, but does not include a CTP insurance policy within the meaning of the *Motor Accident Insurance Act 1994*.

- (3) A copy of the immobilisation warrant must be served on the enforcement debtor as soon as practicable after it is issued.

 - (b) at a place where the enforcement officer reasonably believes the safety of the driver and any other occupants of the vehicle may be at risk, for example, at an isolated location; or
 - (c) if, before the immobilising device is attached to the enforcement debtor's vehicle—
 - (i) the debtor pays SPER the enforceable amount of the debtor's SPER debt; or
 - (ii) the debtor begins to otherwise discharge the enforceable amount of the debtor's SPER debt.

Example—

The issuer may require additional information about the application to be given by statutory declaration.

- (4) The issuer may issue the immobilisation search warrant only if satisfied there are reasonable grounds for believing the vehicle may be at the premises.
- (5) The immobilisation search warrant must be in the approved form and state—

 - (b) the immobilised vehicle is impeding the use of a place or the road network or is a risk to safety.
- (2) The registrar may also direct an enforcement officer to remove the immobilising device and immobilisation notice as soon as practicable if, before the end of the immobilisation period, the registrar is satisfied that if the immobilising device

is not removed before the end of the immobilisation period, severe or unusual hardship would be caused to—

- (a) the enforcement debtor or the enforcement debtor's family; or
- (b) another person who uses the vehicle but has no capacity to ensure the enforcement debtor pays the amount owing.

- (2) The officer must immediately give written notice of particulars of the damage to the person who appears to the officer to be the owner of the property.

 - (ii) otherwise—more than \$1,000; and
 - (b) the registrar issues an enforcement warrant for the amount.

 - (a) a notice of intention to immobilise a vehicle;
 - (b) an immobilisation warrant;
 - (c) an enforcement warrant to seize and sell property.
- (3) On registration of an interest in land or other property, the amount accrues interest at the annual rate prescribed under the *Civil Proceedings Act 2011*, section 59(3).
- (4) Also, the amount and any accruing interest becomes a charge on the debtor's interest in the land or other property ranking in priority according to the time of registration of the interest.
- (5) Subsection (4) applies subject to any other Act.

Division 9 Order of satisfaction of fines etc.

111 Order of satisfaction of fines for infringement notice offences

- (4) This section applies subject to any direction in the Act under which the relevant amount is ordered to be paid.

113 Order of satisfaction if more than 1 enforcement order

- (1) This section applies if an enforcement debtor pays all or part of an unpaid amount stated in an enforcement order, enforcement warrant, immobilisation warrant, fine collection notice or an arrest and imprisonment warrant other than for an infringement notice offence and there are 2 or more orders, warrants or notices to which the amount could be applied.
- (2) The amount must first be applied to satisfy all outstanding amounts in the first relevant category in section 112(2) in the order in which they became payable.
- (3) After all amounts in the first relevant category are satisfied, any remaining amount must be applied to satisfy unpaid amounts in the next relevant category and then to each other relevant category in the same way until each relevant category is satisfied.

Examples for subsection (3)—

- 1 If the enforcement debtor has been ordered to pay the following amounts under a court order—

[s 114]

- (a) \$200 for a fine, \$80 costs of court, \$50 witness expenses, \$250 professional fees and \$300 restitution, under an order made on 2 January 1999;
- (b) \$500 for a fine, \$80 costs of court, \$50 witness expenses, \$600 professional fees and \$350 restitution, under an order made on 4 January 1999;

any part payments must first satisfy the restitution amounts ordered on 2 January 1999 and 4 January 1999 in that order before any other part payments may be applied to satisfy amounts outstanding in the next relevant category.

2 If the enforcement debtor must pay the following outstanding amounts—

- (a) \$172 (\$130 for a speeding fine and \$42 for the SPER registration fee) under an enforcement order made on 1 January 1999;

- (d) \$500 for a fine, \$80 costs of court, \$50 witness expenses, \$600 professional fees and \$350 restitution, under a court order made on 4 January 1999;

any part payments must first be applied to discharge the amounts ordered as restitution on 2 January 1999 and 4 January 1999, in order, before any other part payment may be applied to satisfy amounts outstanding in the next relevant category for the orders made on 2 and 4 January 1999. Once those orders are satisfied, the part payments must then be applied to satisfy all outstanding amounts for the speeding fines.

Division 10 General provisions

114 **Power of person serving fine collection notice or enforcing warrant to demand name and address etc.**

- (1) An enforcement officer serving a fine collection notice or enforcing a warrant under this Act may require a person the enforcement officer reasonably suspects to be the person

named in the notice or warrant to provide any of the following information that is relevant to the notice or warrant or the exercise of powers under this Act because of the notice or warrant—

- (a) the person's full name and address;
 - (b) the person's employment details;

 - (e) who owns specified property;
 - (f) the person's pension details;
 - (g) the person's income and expenditure;
 - (h) the person's date of birth.
- (2) Also, an enforcement officer may require the person to provide evidence to the officer of the correctness of the information if, in the circumstances, it would be reasonable to expect the person to be in possession of evidence of the correctness of the information or to otherwise be able to give the evidence.
- (3) When making a requirement under subsection (1), the enforcement officer must warn the person that, unless the person has a reasonable excuse, it is an offence not to provide the information required.
- (4) When making a requirement under subsection (2), the enforcement officer must warn the person that, unless the person has a reasonable excuse, it is an offence to fail to provide evidence of the correctness of information provided by the person.
- (5) An enforcement officer who is enforcing an immobilisation warrant may require a person the enforcement officer reasonably suspects to be the person named in the warrant to answer a question relevant to the warrant or the exercise of powers under this Act because of the warrant.

Example of a question under this subsection—

a question to establish a vehicle's location

- (6) When making a requirement under subsection (5), the enforcement officer must warn the person that, unless the person has a reasonable excuse, it is an offence not to provide the answer required.
- (7) A person must comply with a requirement under subsection (1), (2) or (5), unless the person has a reasonable excuse.
Maximum penalty—10 penalty units.
- (8) A person does not commit an offence against subsection (7) if the person given the requirement is not proved to be the person named in the notice or warrant.
- (9) Before exercising a power under subsection (1) or (5) in relation to a person, the enforcement officer must show the person the identity card given to the enforcement officer under section 11A(1).

115 Effect of particular proceedings

- (1) If, for an offence—
 - (a) a person served with an infringement notice—
 - (i) pays the amount owing under an enforcement order for the offence in full; or
 - (ii) pays the amount stated in an enforcement order for the offence under a payment plan; or
 - (iii) is subject to a work and development order for the amount stated in an enforcement order for the offence; or
 - (b) an enforcement warrant, an immobilisation warrant or an arrest and imprisonment warrant is enforced against a person served with an infringement notice for the amount owing under an enforcement order for the offence;

the proceedings that may be brought against, and the penalties that may be imposed on, the person for the offence are limited to proceedings and penalties that could be brought or imposed

if the person had already been convicted of, and punished for, the offence.

- (2) Subsection (1)(a) stops applying if the enforcement order is withdrawn or cancelled after the amount is paid.
- (3) The making of the enforcement order is not a conviction for the offence.
- (4) Payment of an amount for the offence is not an admission for any civil or criminal proceeding arising out of the event for which the infringement notice was issued.
- (5) The Governor may waive all or part of an unpaid amount stated in an enforcement order, whether or not any part of the amount is payable to someone other than the State, and on the giving of the waiver the enforcement order stops having effect to the extent of the waiver.

116 Offence of obstructing enforcement officer

A person must not threaten, obstruct or assault an enforcement officer acting in the performance of duties under this Act.

Maximum penalty—50 penalty units or 1 year's imprisonment.

117 Offence of defacing or removing seizure tags

A person must not interfere with an item seized by an enforcement officer left at the place of seizure or a seizure tag or sticker placed on it.

Maximum penalty—50 penalty units.

120 Satisfaction of fine by imprisonment

- (1) If a person serves the total period of imprisonment under an arrest and imprisonment warrant, the unpaid amount stated in the warrant is taken to be satisfied.
- (2) If, after an arrest and imprisonment warrant is issued, but before the person named in the warrant is imprisoned, the person pays part of the unpaid amount stated in the warrant, the warrant has effect as if the period of imprisonment stated in it were the balance remaining to be paid divided by—
 - (a) for a court ordered amount—the relevant cut-out rate for the court order, rounded down to the nearest whole number and expressed as a number of days; or
 - (b) for an infringement notice offence—the cut-out rate for the infringement notice offence, rounded down to the nearest whole number and expressed as a number of days.

Example for subsection (2)(a)—

B is fined \$1,000 and ordered to serve 14 days imprisonment if the fine is not paid. Before B is imprisoned, B pays \$600 of the fine. The cut-out rate is \$71.42 and the period for which B may be imprisoned is reduced to 5 days.

Example for subsection (2)(b)—

J owes SPER a total of \$350 for an infringement notice offence and charges for which J may be imprisoned for 6 days. Before J is imprisoned, J pays \$110. If the cut-out rate is \$60, the period for which J may be imprisoned is 4 days.

- (3) If a person who is imprisoned under an arrest and imprisonment warrant wants to pay the balance of the unpaid amount stated in the warrant, the balance is the amount worked out by multiplying the number of days remaining to be served by the relevant cut-out rate.

Example for subsection (3)—

B is imprisoned for failing to pay a fine of \$1,000. After serving 5 days imprisonment, B decides to pay the balance of the amount. If the cut-out rate is \$60, B must pay \$660.

- (4) On the satisfaction of the unpaid amount under this section, the person's imprisonment ends and the person must be released.

121 Order of satisfaction of fines if enforcement debtor imprisoned

If an enforcement debtor is imprisoned, the period of imprisonment discharges the unpaid amount in the reverse order to the order of satisfaction that would have applied under part 5, division 9 if the person had not been imprisoned.

Part 8 Reciprocal enforcement of fines
