 - how a person must dispose of waste from a regulated substance; or
 - when and how the holder of a substance authority must advise the chief executive of changes to the holder's circumstances
- (2) If the chief executive decides to change a standard condition under part 3, the substance authority is subject to the changed condition instead of the standard condition.
- (3) For subsection (1), the regulation may prescribe a standard condition for a substance authority by reference to a code, guideline, protocol or standard, including a departmental standard.

71 Failure to comply with substance authority conditions

A person to whom a substance authority applies must comply with the conditions of the authority unless the person has a reasonable excuse.

Example—

Before buying substances to manufacture a regulated substance at a regulated place under a manufacturing licence, the responsible person must make a substance management plan for the place.

- (2) The substance management plan for the regulated place must—

- (3) However, subsection (2) does not apply if a document or information the subject of the help requirement is required to be held or kept by the individual under this Act.

Note—

See, however, section 188.

Division 3 Seizure by inspectors and forfeiture

Subdivision 1 Power to seize

161 Seizing evidence at a place that may be entered without consent or warrant

An inspector who enters a place under this Act without the consent of an occupier of the place and without a warrant may seize a thing at the place if the inspector reasonably suspects the thing is evidence of an offence against this Act.

162 Seizing evidence at a place that may be entered only with consent or warrant

- (1) This section applies if—
 - (a) an inspector is authorised to enter a place only with the consent of an occupier of the place or a warrant; and
 - (b) the inspector enters the place after obtaining the consent or under a warrant.
- (2) If the inspector enters the place with the occupier's consent, the inspector may seize a thing at the place only if—
 - (a) the inspector reasonably suspects the thing is evidence of an offence against this Act; and

-
- (b) seizure of the thing is consistent with the purpose of entry as explained to the occupier when asking for the occupier's consent.
 - (3) If the inspector enters the place under a warrant, the inspector may seize the evidence for which the warrant was issued.
 - (4) The inspector may also seize anything else at the place if the inspector reasonably suspects—
 - (a) the thing is evidence of an offence against this Act; and
 - (b) the seizure is necessary to prevent the thing being hidden, lost or destroyed.
 - (5) The inspector may also seize a thing at the place if the inspector reasonably suspects it has just been used in committing an offence against this Act.

163 Seizure of property subject to security

- (1) An inspector may seize a thing, and exercise powers relating to the thing, despite a lien or other security over the thing claimed by another person.
- (2) However, the seizure does not affect the other person's claim to the lien or other security against a person other than the inspector or a person acting under the direction or authority of the inspector.

Subdivision 2 Powers to support seizure

164 Power to secure seized thing

- (1) Having seized a thing under this division, an inspector may—
 - (a) leave it at the place where it was seized (the *place of seizure*) and take reasonable action to restrict access to it; or
 - (b) move it from the place of seizure.
- (2) For subsection (1)(a), the inspector may, for example—

- (a) seal the thing, or the entrance to the place of seizure, and mark the thing or place to show access to the thing or place is restricted; or
- (b) for equipment—make it inoperable; or
Example—
make it inoperable by dismantling it or removing a component without which the equipment can not be used
- (c) require a person the inspector reasonably believes is in control of the place or thing to do an act mentioned in paragraph (a) or (b) or anything else an inspector could do under subsection (1)(a).

165 Offence to contravene other seizure requirement

A person must comply with a requirement made of the person under section 164(2)(c) unless the person has a reasonable excuse.

Maximum penalty—50 penalty units.

166 Offence to interfere

- (1) If access to a seized thing is restricted under section 164, a person must not tamper with the thing or with anything used to restrict access to the thing without—

- (a) an inspector's approval; or
- (b) a reasonable excuse.

Maximum penalty—100 penalty units.

- (2) If access to a place is restricted under section 164, a person must not enter the place in contravention of the restriction or tamper with anything used to restrict access to the place without—

- (a) an inspector's approval; or
- (b) a reasonable excuse.

Maximum penalty—100 penalty units.

Subdivision 3 Safeguards for seized things

167 Receipt and information notice for seized thing

- (1) This section applies if an inspector seizes anything under this division unless—
 - (a) the inspector reasonably believes there is no-one apparently in possession of the thing or it has been abandoned; or
 - (b) because of the condition, nature and value of the thing it would be unreasonable to require the inspector to comply with this section.
- (2) The inspector must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized—
 - (a) a receipt for the thing that generally describes the thing and its condition; and
 - (b) an information notice about the decision to seize it.
- (3) However, if an owner or person from whom the thing is seized is not present when it is seized, the receipt and information notice may be given by leaving them in a conspicuous position and in a reasonably secure way at the place at which the thing is seized.
- (4) The receipt and information notice may—
 - (a) be given in the same document; and
 - (b) relate to more than 1 seized thing.
- (5) The inspector may delay giving the receipt and information notice if the inspector reasonably suspects giving them may frustrate or otherwise hinder an investigation by the inspector under this part.
- (6) However, the delay may be only for so long as the inspector continues to have the reasonable suspicion and remains in the vicinity of the place at which the thing was seized to keep it under observation.

168 Access to seized thing

- (1) Until a seized thing is forfeited or returned, the inspector who seized the thing must allow an owner of the thing—
 - (a) to inspect it at any reasonable time and from time to time; and
 - (b) if it is a document—to copy it.
- (2) Subsection (1) does not apply if it is impracticable or would be unreasonable to allow the inspection or copying.
- (3) The inspection or copying must be allowed free of charge.

169 Return of seized thing

- (1) This section applies if a seized thing is not—
 - (a) forfeited or transferred under subdivision 4 or 5; or
 - (b) subject to a disposal order under section 174.
- (2) As soon as the chief executive stops being satisfied there are reasonable grounds for retaining the thing, the chief executive must return it to its owner.
- (3) If the thing is not returned to its owner within 3 months after it was seized, the owner may apply to the chief executive for its return.
- (4) Within 30 days after receiving the application, the chief executive must—
 - (a) if the chief executive is satisfied there are reasonable grounds for retaining the thing and decides to retain it—give the owner notice of the decision, including the grounds for retaining the thing; or
 - (b) otherwise—return the thing to the owner.
- (5) For this section, there are reasonable grounds for retaining a seized thing if—
 - (a) the thing is being, or is likely to be, examined; or
 - (b) the thing is needed, or may be needed, for the purposes of—

-
- (i) a proceeding for an offence against this Act that is likely to be started or that has been started but not completed; or
 - (ii) an appeal from a decision in a proceeding for an offence against this Act; or
 - (c) it is not lawful for the owner to possess the thing.
- (6) Subsection (5) does not limit the grounds that may be reasonable grounds for retaining the seized thing.
- (7) Nothing in this section affects a lien or other security over the seized thing.
- (8) In this section—
examine includes analyse, test, measure, weigh, grade, gauge and identify.

Subdivision 4 Forfeiture

170 Forfeiture by chief executive decision

- (1) The chief executive may decide a seized thing is forfeited to the State if an inspector—
- (a) after making reasonable inquiries, can not find an owner; or
 - (b) after making reasonable efforts, can not return it to an owner; or
 - (c) reasonably believes it is necessary to keep the thing to prevent it being used to commit the offence for which it was seized.
- (2) However, the inspector is not required to—
- (a) make inquiries if it would be unreasonable to make inquiries to find an owner; or
 - (b) make efforts if it would be unreasonable to make efforts to return the thing to an owner.

Example for paragraph (b)—

The owner of the thing has migrated to another country.

- (3) Regard must be had to the thing's condition, nature and value in deciding—
 - (a) whether it is reasonable to make inquiries or efforts; and
 - (b) if inquiries or efforts are made—what inquiries or efforts, including the period over which they are made, are reasonable.

171 Information notice about forfeiture decision

- (1) If the chief executive decides under section 170(1) to forfeit a thing, the chief executive must as soon as practicable give a person who owned the thing immediately before the forfeiture (the *former owner*) an information notice about the decision.
- (2) If the decision was made under section 170(1)(a) or (b), the information notice may be given by leaving it at the place where the thing was seized, in a conspicuous position and in a reasonably secure way.
- (3) The information notice must state that the former owner may apply for a stay of the decision if the owner appeals against the decision.
- (4) However, subsections (1) to (3) do not apply if—
 - (a) the decision was made under section 170(1)(a) or (b); and
 - (b) the place where the thing was seized is—
 - (i) a public place; or
 - (ii) a place where the notice is unlikely to be read by the former owner.

Subdivision 5 Dealing with property forfeited or transferred to State

172 When thing becomes property of the State

A thing becomes the property of the State if—

- (a) the thing is forfeited to the State under section 170(1);
or
- (b) the owner of the thing and the State agree, in writing, to the transfer of the ownership of the thing to the State.

173 How property may be dealt with

- (1) This section applies if, under section 172, a thing becomes the property of the State.
- (2) The chief executive may deal with the thing as the chief executive considers appropriate, including, for example, by destroying it or giving it away.
- (3) The chief executive must not deal with the thing in a way that could prejudice the outcome of an appeal against the forfeiture under this part.
- (4) If the chief executive sells the thing, the chief executive must, after deducting the costs of the sale, make reasonable efforts to return the proceeds of the sale to the former owner of the thing.
- (5) This section is subject to any disposal order made under section 174 for the thing.

Division 4 Disposal orders

174 Disposal order

- (1) This section applies if a person is convicted of an offence against this Act.

- (2) The court may make an order (a *disposal order*), on its own initiative or on an application by the prosecution, for the disposal of any of the following things owned by the person—
 - (a) anything that was the subject of, or used to commit, the offence;
 - (b) another thing the court considers is likely to be used by the person or another person in committing a further offence against this Act.
- (3) The court may make a disposal order for a thing—
 - (a) whether or not it has been seized under this part; and
 - (b) if the thing has been seized—whether or not it has been returned to the former owner.
- (4) In deciding whether to make a disposal order for a thing, the court—
 - (a) may require notice to be given to any person the court considers appropriate, including, for example, a person who may have any property in the thing; and
 - (b) must hear any submissions that a person claiming to have any property in the thing may wish to make.
- (5) The court may make any order it considers appropriate to enforce the disposal order.
- (6) This section does not limit the court’s powers under another law.

Division 5 Other information-obtaining powers of inspectors

175 Power to require name and address

- (1) This section applies if an inspector—
 - (a) finds a person committing an offence against this Act; or

-
- (b) finds a person in circumstances that lead the inspector to reasonably suspect the person has just committed an offence against this Act; or
 - (c) has information that leads the inspector to reasonably suspect a person has just committed an offence against this Act.
- (2) The inspector may require the person to state the person's name and residential address.
 - (3) The inspector may also require the person to give evidence of the correctness of the stated name or address if, in the circumstances, it would be reasonable to expect the person to—
 - (a) be in possession of evidence of the correctness of the stated name or address; or
 - (b) otherwise be able to give the evidence.
 - (4) When making a personal details requirement, the inspector must give the person an offence warning for the requirement.
 - (5) A requirement under this section is a *personal details requirement*.

176 Offence to contravene personal details requirement

- (1) A person of whom a personal details requirement has been made must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty—50 penalty units.

- (2) A person may not be convicted of an offence against subsection (1) unless the person is found guilty of the offence in relation to which the personal details requirement was made.

177 Power to require production of document

inspection, at a reasonable time and place nominated by the inspector—

- (a) a document given to the person under this Act; or
 - (b) a document required to be kept by the person under this Act; or
 - (c) if a document or information required to be kept by the person under this Act is stored or recorded by means of a device—a document that is a clear written reproduction of the stored or recorded document or information.
- (2) A requirement under subsection (1) is a ***document production requirement***.
 - (3) For an electronic document, compliance with the document production requirement requires the making available or production of a clear written reproduction of the electronic document.

178 Offence to contravene document production requirement

- (1) A person of whom a document production requirement has been made must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty—50 penalty units.

- (2) It is not a reasonable excuse for a person to fail to comply with a document production requirement on the basis that complying with the requirement might tend to incriminate the person or expose the person to a penalty.

Note—

See, however, section 188.

- (3) The inspector must inform the person, in a way that is reasonable in the circumstances, that—
 - (a) the person must comply with the document production requirement even though complying might tend to incriminate the person or expose the person to a penalty; and
 - (b) if the person is an individual—there is a limited immunity under section 188 against the future use of the information or document given in compliance with the requirement.
- (4) If the person fails to comply with the document production requirement when the inspector has failed to comply with subsection (3), the person may not be convicted of the offence against subsection (1).
- (5) If a court convicts a person of an offence against subsection (1), the court may, as well as imposing a penalty for the offence, order the person to comply with the document production requirement.

179 Offence to contravene document certification requirement

- (1) A person of whom a document certification requirement has been made must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty—50 penalty units.

- (2) It is not a reasonable excuse for a person to fail to comply with a document certification requirement on the basis that

complying with the requirement might tend to incriminate the person or expose the person to a penalty.

Note—

See, however, section 188.

- (3) The inspector must inform the person, in a way that is reasonable in the circumstances, that—
 - (a) the person must comply with the document certification requirement even though complying might tend to incriminate the person or expose the person to a penalty; and
 - (b) if the person is an individual—there is a limited immunity under section 188 against the future use of the information or document given in compliance with the requirement.
- (4) If the person fails to comply with the document certification requirement when the inspector has failed to comply with subsection (3), the person may not be convicted of the offence against subsection (1).

181 Offence to contravene information requirement

- (1) A person of whom a requirement is made under section 180(2) must comply with the requirement unless the person has a reasonable excuse.

Chapter 6 Reviews and legal proceedings

Part 1 Review of decisions

Division 1 Preliminary

196 Definitions for part

In this part—

affected person, in relation to a decision, means—

- (a) if the decision is an original decision—a person who is given, or is entitled to be given, an information notice for the decision; or
- (b) if the decision is an internal review decision—the person who applied for the internal review.

internal review, of an original decision, see section 198(1).

internal review decision means a decision made, or taken to have been made, under section 200 on an application for internal review of an original decision.

original decision means a decision for which an information notice must be given under this Act, other than a decision to seize or forfeit a thing under chapter 5, part 4.

Division 2 Internal review

197 Review process must start with internal review

- (1) An affected person for an original decision may apply to QCAT for a review of the decision only if a decision on an application for internal review of the decision has been made, or is taken to have been made, under this division.

-
- (2) Subsection (1) does not apply to a decision about compensation made under section 128.

198 Who may apply for internal review

- (1) An affected person for an original decision may apply to the chief executive for a review of the decision under this division (an *internal review*).
- (2) If the affected person has not been given an information notice for the original decision, the affected person may ask the chief executive for an information notice for the decision.
- (3) A failure by the chief executive to give the affected person an information notice for the original decision does not limit or otherwise affect the person's right to apply for an internal review of the decision.

199 Requirements for application

- (1) An application for internal review of an original decision must—
- (a) be in the approved form; and
 - (b) for a person who has been given an information notice for the decision—include enough information to enable the chief executive to decide the application; and
 - (c) be made to the chief executive within—
 - (i) for a person who has been given an information notice for the decision—14 days after the day the person is given the notice; or
 - (ii) for a person who has not been given an information notice for the decision—28 days after the day the person becomes aware of the decision.
- (2) The chief executive may, at any time, extend the period within which the application may be made.
- (3) The application does not affect the operation of the decision or prevent the decision being implemented.

Note—

Division 3 provides for a stay of the original decision.

200 Internal review

- (1) The chief executive must, within 28 days after receiving an application for internal review of an original decision—
 - (a) review the original decision; and
 - (b) decide to—
 - (i) confirm the original decision; or
 - (ii) amend the original decision; or
 - (iii) substitute another decision for the original decision; and
 - (c) give the affected person for the original decision a QCAT information notice for the decision under paragraph (b).
- (2) The chief executive and the affected person may, before the period stated in subsection (1) ends, agree to a longer period for the chief executive to comply with the subsection.
- (3) The application may be dealt with only by a person who—
 - (a) did not make the original decision; and
 - (b) holds a more senior office than the person who made the original decision.
- (4) Subsection (3) does not apply to an original decision made by the chief executive personally.
- (5) If the chief executive does not give the affected person a QCAT information notice within the period required under subsection (1) or a longer period agreed under subsection (2), the chief executive is taken to confirm the original decision.

Division 3 Stays

201 QCAT may stay operation of original decision

- (1) An affected person for an original decision may apply to QCAT, in the way provided under the QCAT Act, for a stay of the operation of the decision.
- (2) The application may be made at any time within the period within which an application for an internal review of the original decision may be made under division 2.
- (3) QCAT may make an order staying the operation of the original decision only if it considers the order is desirable after having regard to the following—
 - (a) the interests of any person whose interests may be affected by the making of the order or the order not being made;
 - (b) any submission made to QCAT by the entity that made the original decision;
 - (c) the public interest.
- (4) Subsection (3)(a) does not require QCAT to give a person whose interests may be affected by the making of the order, or the order not being made, an opportunity to make submissions for QCAT's consideration if it is satisfied it is not practicable because of the urgency of the case or for another reason.
- (5) A stay by QCAT under this section—
 - (a) may be given on conditions QCAT considers appropriate; and
 - (b) operates for the period fixed by QCAT; and
 - (c) may be amended or revoked by QCAT.
- (6) The period of a stay by QCAT under this section must not extend past—
 - (a) the end of the period within which an application for an internal review of the original decision may be made under division 2; or

- (b) if an application for an internal review of the original decision is made under division 2—the end of the period within which an application for a review of the internal review decision may be made under the QCAT Act.

Note—

The QCAT Act, section 22(3) enables QCAT to stay the operation of the internal review decision, either on application by a person or on its own initiative.

Division 4 External review

202 Applying for external review

- (1) This section applies to a person who must be given a QCAT information notice for a decision.

- (2) The person may apply to QCAT, as provided under the QCAT Act, for a review of the internal review decision or a decision about compensation under section 128.
