Building and Construction Industry Payments Act 2004

An Act to imply terms in construction contracts, to provide for adjudication of payment disputes under construction contracts, and for other purposes

Part 1 Preliminary

Division 1 Introduction

1 Short title

This Act may be cited as the *Building and Construction Industry Payments Act 2004*.

2 Commencement

This Act commences on a day to be fixed by proclamation.

Division 2 Application and operation of Act

3 Application of Act

- (1) Subject to this section, this Act applies to construction contracts entered into after the commencement of parts 2 and 3—
- (a) whether written or oral, or partly written and partly oral; and
 - (b) whether expressed to be governed by the law of Queensland or a jurisdiction other than Queensland.

- (2) This Act does not apply to—
- (a) a construction contract to the extent that it forms part of a loan agreement, a contract of guarantee or a contract of insurance under which a recognised financial institution undertakes—
 - (i) to lend an amount or to repay an amount lent; or
 - (ii) to guarantee payment of an amount owing or repayment of an amount lent; or
 - (iii) to provide an indemnity relating to construction work carried out, or related goods and services supplied, under the construction contract; or
 - (b) a construction contract for the carrying out of domestic building work if a resident owner is a party to the contract, to the extent the contract relates to a building or part of a building where the resident owner resides or intends to reside; or
 - (c) a construction contract under which it is agreed that the consideration payable for construction work carried out under the contract, or for related goods and services supplied under the contract, is to be calculated other than by reference to the value of the work carried out or the value of the goods and services supplied.
- (3) This Act does not apply to a construction contract to the extent it contains—
- (a) provisions under which a party undertakes to carry out construction work, or supply related goods and services in relation to construction work, as an employee of the party for whom the work is to be carried out or the related goods and services are to be supplied; or
 - (b) provisions under which a party undertakes to carry out construction work, or to supply related goods and services in relation to construction work, as a condition of a loan agreement with a recognised financial institution; or
 - (c) provisions under which a party undertakes—

-
- (i) to lend an amount or to repay an amount lent; or
 - (ii) to guarantee payment of an amount owing or repayment of an amount lent; or
 - (iii) to provide an indemnity relating to construction work carried out, or related goods and services supplied, under the construction contract.
- (4) This Act does not apply to a construction contract to the extent it deals with construction work carried out outside Queensland or related goods and services supplied for construction work carried out outside Queensland.
- (5) In this section—
- resident owner*, in relation to a construction contract for carrying out domestic building work, means a resident owner under the *Queensland Building and Construction Commission Act 1991*, schedule 1B, section 1, but does not include a person—
- (a) who holds, or should hold, an owner-builder permit under the *Queensland Building and Construction Commission Act 1991* relating to the work; or
 - (b) who is a building contractor within the meaning of the *Queensland Building and Construction Commission Act 1991*.

4 Effect of giving notice of claim of charge under Subcontractors' Charges Act 1974

- (1) This section applies if a person gives a notice of claim of charge under the *Subcontractors' Charges Act 1974* in relation to construction work or related goods and services the subject of a construction contract.
- (2) Proceedings or other action may not be started or continued by the person under part 3 in relation to all or part of the construction work or related goods and services.
- (3) Without limiting subsection (2), subsection (4) applies if the person has served a payment claim relating to all or part of the

construction work or related goods and services on a respondent before the notice of claim of charge is given.

- (4) For subsection (3)—
- (a) the respondent is not required to pay an amount to the person under section 19(2) in relation to the claim; and
 - (b) amounts may not be recovered by the person under section 19(3)(a)(i) or 20(2)(a)(i) in relation to the claim; and
 - (c) if the person made an adjudication application in relation to the claim and the application has not been decided by an adjudicator before the notice of the claim of charge is given, the person is taken to have withdrawn the application; and
 - (d) if the person made an adjudication application in relation to the claim and the application has been decided by an adjudicator before the notice of the claim of charge was given—
 - (i) the respondent to the application is not required to pay the adjudicated amount under section 29; and
 - (ii) the registrar must not give the person an adjudication certificate under section 30 relating to the adjudication; and
 - (iii) any adjudication certificate provided in relation to the adjudication can not be enforced by the person under section 31 as a judgment of a court; and
 - (e) the person may not suspend, or continue to suspend, carrying out all or part of the construction work or the supply of the related goods and services under section 33.
- (5) This section does not affect the operation of section 35 and an adjudication application taken to have been withdrawn by the person under subsection (4)(c) is taken to have been withdrawn for the purpose of section 35(4).
- (6) This section does not stop the person serving under this Act a payment claim in relation to all or part of the construction

work or related goods and services and taking other action under this Act in relation to that claim, if the notice of claim of charge in so far as it relates to the construction work or related goods and services, or part, is withdrawn.

5 Act does not limit claimant's other rights

A claimant's entitlements and remedies under this Act do not limit—

- (a) another entitlement a claimant may have under a construction contract; or
- (b) any remedy a claimant may have for recovering the other entitlement.

6 Act binds all persons

This Act binds all persons, including the State, and, as far as the legislative power of the Parliament permits, the Commonwealth and the other States.

Division 3 Object of Act

7 Object of Act

The object of this Act is to ensure that a person is entitled to receive, and is able to recover, progress payments if the person—

- (a) undertakes to carry out construction work under a construction contract; or
- (b) undertakes to supply related goods and services under a construction contract.

8 How object is to be achieved

The object is to be achieved by—

[s 9]

- (a) granting an entitlement to progress payments whether or not the relevant contract makes provision for progress payments; and
- (b) establishing a procedure that involves—
 - (i) the making of a payment claim by the person claiming payment; and
 - (ii) the provision of a payment schedule by the person by whom the payment is payable; and
 - (iii) the referral of a disputed claim, or a claim that is not paid, to an adjudicator for decision; and
 - (iv) the payment of the progress payment decided by the adjudicator.

Part 2 Rights to progress payments

12 Rights to progress payments

From each reference date under a construction contract, a person is entitled to a progress payment if the person has undertaken to carry out construction work, or supply related goods and services, under the contract.

13 Amount of progress payment

The amount of a progress payment to which a person is entitled in relation to a construction contract is—

- (a) the amount calculated under the contract; or
- (b) if the contract does not provide for the matter, the amount calculated on the basis of the value of construction work carried out or undertaken to be carried out, or related goods and services supplied or undertaken to be supplied, by the person, under the contract.

14 Valuation of construction work and related goods and services

- (1) Construction work carried out or undertaken to be carried out under a construction contract is to be valued—
 - (a) under the contract; or
 - (b) if the contract does not provide for the matter, having regard to—
 - (i) the contract price for the work; and
 - (ii) any other rates or prices stated in the contract; and
 - (iii) any variation agreed to by the parties to the contract by which the contract price, or any other rate or price stated in the contract, is to be adjusted by a specific amount; and

- (iv) if any of the work is defective, the estimated cost of rectifying the defect.
- (2) Related goods and services supplied or undertaken to be supplied under a construction contract are to be valued—
 - (a) under the terms of the contract; or

 - (iii) any variation agreed to by the parties to the contract by which the contract price, or any other rate or price stated in the contract, is to be adjusted by a specific amount; and
 - (iv) if any of the goods are defective, the estimated cost of rectifying the defect.
- (3) For subsection (2)(b), for materials and components that are to form part of any building, structure or work arising from construction work, the only materials and components to be included in the valuation are those that have become or, on payment, will become the property of the party or other person for whom construction work is being carried out.

15 Due date for payment

- (1) A progress payment under a construction contract becomes payable—
 - (a) if the contract contains a provision about the matter that is not void under section 16 or under the *Queensland Building and Construction Commission Act 1991*, section 67U or 67W—on the day on which the payment becomes payable under the provision; or
 - (b) if the contract does not contain a provision about the matter or contains a provision that is void under section 16 or under the *Queensland Building and Construction Commission Act 1991*, section 67U or

67W—10 business days after a payment claim for the progress payment is made under part 3.

- (2) Subject to subsection (3), interest for a construction contract is payable on the unpaid amount of a progress payment that has become payable at the greater of the following rates—

16 Effect of pay when paid provisions

- (1) A pay when paid provision of a construction contract has no effect in relation to any payment for construction work carried out or undertaken to be carried out, or related goods and services supplied or undertaken to be supplied, under the construction contract.

- (2) In this section—

an amount owing, in relation to a construction contract, means an amount owing for construction work carried out or undertaken to be carried out, or related goods and services supplied or undertaken to be supplied, under the construction contract.

pay when paid provision, of a construction contract, means a provision of the contract—

- (a) that makes the liability of one party (the ***first party***) to pay an amount owing to another party (the ***second party***) contingent on payment to the first party by a further party (the ***third party***) of the whole or any part of that amount; or
- (b) that makes the due date for payment of an amount owing by the first party to the second party dependent on the

- date on which payment of the whole or any part of that amount is made to the first party by the third party; or
- (c) that otherwise makes the liability to pay an amount owing, or the due date for payment of an amount owing, contingent or dependent on the operation of another contract.

Part 3 **Procedure for recovering progress payments**

Division 1 **Payment claims and payment schedules**

17 **Payment claims**

- (1) A person mentioned in section 12 who is or who claims to be entitled to a progress payment (the *claimant*) may serve a payment claim on the person who, under the construction contract concerned, is or may be liable to make the payment (the *respondent*).
- (2) A payment claim—
- (a) must identify the construction work or related goods and services to which the progress payment relates; and
 - (b) must state the amount of the progress payment that the claimant claims to be payable (the *claimed amount*); and
 - (c) must state that it is made under this Act.
- (3) The claimed amount may include any amount—
- (a) that the respondent is liable to pay the claimant under section 33(3); or

- (b) that is held under the construction contract by the respondent and that the claimant claims is due for release.
- (4) A claimant can not serve more than 1 payment claim for each reference date under the construction contract, but may include in any payment claim an amount that has been the subject of a previous payment claim.

17A Time requirements for payment claims

- (1) This section applies if a claimant serves a payment claim on a respondent.
- (2) Unless the payment claim relates to a final payment, the claim must be served within the later of—
 - (a) the period, if any, worked out under the relevant construction contract; or
 - (b) the period of 6 months after the construction work to which the claim relates was last carried out or the related goods and services to which the claim relates were last supplied.
- (3) If the payment claim relates to a final payment, the claim must be served within the later of the following—
 - (a) the period, if any, worked out under the relevant construction contract;
 - (b) 28 days after the end of the last defects liability period, if any, worked out under the relevant construction contract;
 - (c) 6 months after the later of—
 - (i) completion of all construction work to be carried out under the relevant construction contract; or
 - (ii) complete supply of related goods and services to be supplied under the relevant construction contract.
- (4) In this section—

[s 18]

defects liability period, for a construction contract, means the period, if any, worked out under the contract as being the period—

- (a) starting on the day the construction work is practically or substantially completed, or the related goods and services are supplied, under the contract; and
- (b) ending on the last day any omission or defect in the construction work or related goods or services may be required or directed to be rectified under the contract.

final payment means a progress payment that is the final payment for construction work carried out, or for related goods and services supplied, under a construction contract.

18 Payment schedules

- (1) A respondent served with a payment claim may reply to the claim by serving a payment schedule on the claimant.
- (2) A payment schedule—
 - (a) must identify the payment claim to which it relates; and
 - (b) must state the amount of the payment, if any, that the respondent proposes to make (the *scheduled amount*).
- (3) If the scheduled amount is less than the claimed amount, the schedule must state why the scheduled amount is less and, if it is less because the respondent is withholding payment for any reason, the respondent's reasons for withholding payment.

18A Time requirements for payment schedules

- (1) This section applies if, in reply to a payment claim, the respondent serves a payment schedule on the claimant.
- (2) The payment schedule, if it relates to a standard payment claim, must be served on the claimant within the earlier of—
 - (a) the time required, if any, by the relevant construction contract; or
 - (b) 10 business days after the payment claim is served.

-
- (3) The payment schedule, if it relates to a complex payment claim, must be served on the claimant within the earlier of—
- (a) the time required, if any, by the relevant construction contract; or
 - (b) whichever of the following applies—
 - (i) if the claim was served on the respondent 90 days or less after the reference date to which the claim relates—15 business days after the claim is served;
 - (ii) if the claim was served on the respondent more than 90 days after the reference date to which the claim relates—30 business days after the claim is served.

19 Consequences of not paying claimant if no payment schedule

- (1) This section applies if a respondent served with a payment claim does not serve a payment schedule on the claimant within the time that the respondent may serve the schedule on the claimant.
- (2) The respondent becomes liable to pay the claimed amount to the claimant on the due date for the progress payment to which the payment claim relates.
- (3) If the respondent fails to pay the whole or any part of the claimed amount on or before the due date for the progress payment to which the payment claim relates, the claimant—
 - (a) may—
 - (i) recover the unpaid portion of the claimed amount from the respondent, as a debt owing to the claimant, in any court of competent jurisdiction; or
 - (ii) make an adjudication application under section 21(1)(b) in relation to the payment claim; and
 - (b) may serve notice on the respondent of the claimant's intention to suspend, under section 33, carrying out

construction work or supplying related goods and services under the construction contract.

- (4) A notice under subsection (3)(b) must state that it is made under this Act.
- (5) The claimant can not start proceedings under subsection (3)(a)(i) to recover the unpaid portion of the claimed amount from the respondent as a debt unless—
 - (a) the claimant gives the respondent a notice under section 20A(2); and
 - (b) the 5 business days for the respondent to serve the payment schedule, as stated in the notice, has ended.
- (6) If the claimant starts proceedings under subsection (3)(a)(i) to recover the unpaid portion of the claimed amount from the respondent as a debt—
 - (a) judgment in favour of the claimant is not to be given by a court unless the court is satisfied the respondent—
 - (i) did not serve a payment schedule on the claimant within the time that the respondent may serve the schedule on the claimant; and
 - (ii) failed to pay the whole or any part of the claimed amount on or before the due date for the progress payment to which the payment claim relates; and
 - (b) the respondent is not, in those proceedings, entitled—
 - (i) to bring any counterclaim against the claimant; or
 - (ii) to raise any defence in relation to matters arising under the construction contract.

20 Consequences of not paying claimant under payment schedule

- (1) This section applies if—
 - (a) a claimant serves a payment claim on a respondent; and

- (b) the respondent serves a payment schedule on the claimant within the time that the respondent may serve the schedule on the claimant; and
 - (c) the payment schedule states a scheduled amount that the respondent proposes to pay to the claimant; and
 - (d) the respondent fails to pay the whole or any part of the scheduled amount to the claimant on or before the due date for the progress payment to which the payment claim relates.
- (2) The claimant—
- (a) may—
 - (i) recover the unpaid portion of the scheduled amount from the respondent, as a debt owing to the claimant, in any court of competent jurisdiction; or
 - (ii) make an adjudication application under section 21(1)(a)(ii) in relation to the payment claim; and
 - (b) may serve notice on the respondent of the claimant's intention to suspend, under section 33, carrying out construction work or supplying related goods and services under the construction contract.
- (3) A notice under subsection (2)(b) must state that it is made under this Act.
- (4) If the claimant starts proceedings under subsection (2)(a)(i) to recover the unpaid portion of the scheduled amount from the respondent as a debt—
- (a) judgment in favour of the claimant is not to be given by a court unless the court is satisfied of the existence of the circumstances referred to in subsection (1); and
 - (b) the respondent is not, in those proceedings, entitled—
 - (i) to bring any counterclaim against the claimant; or
 - (ii) to raise any defence in relation to matters arising under the construction contract.

20A Notice required before starting particular proceedings

- (1) This section applies if a claimant serves a payment claim on a respondent and—
 - (a) the respondent—
 - (i) fails to serve a payment schedule on the claimant under this part; and
 - (ii) fails to pay the whole or any part of the claimed amount on or before the due date for the progress payment to which the payment claim relates; and
 - (b) the claimant intends to—
 - (i) start proceedings to recover an unpaid portion of the claimed amount as a debt owing to the claimant; or
 - (ii) apply for adjudication of the payment claim.
- (2) Before taking the intended action mentioned in subsection (1)(b), the claimant must first give the respondent notice of the claimant's intention to take the action.
- (3) The notice must—
 - (a) be given to the respondent within 20 business days immediately following the due date for payment; and
 - (b) state that the respondent may serve a payment schedule on the claimant within 5 business days after receiving the notice; and
 - (c) state it is made under this Act.
- (4) However, this section does not apply if the claimant previously gave the respondent a notice under this section for the unpaid portion of the claimed amount.
- (5) The giving of a notice under subsection (2) does not—
 - (a) require the claimant to complete the action stated in the notice; or
 - (b) prevent the claimant from taking different action to that stated in the notice.

Division 2 Adjudication of disputes

21 Adjudication application

- (1) A claimant may apply for adjudication of a payment claim (an *adjudication application*) if—

- (2) A person is not eligible to be an adjudicator in relation to a particular construction contract—
 - (a) if the person is a party to the contract; or
 - (b) in circumstances prescribed under a regulation for this section.
- (3) A regulation may be made under subsection (2)(b) only to prescribe circumstances in which the appointment of an adjudicator might create a conflict of interest.

23 Appointment of adjudicator

- (1) If the registrar refers an adjudication application to an adjudicator, the adjudicator may accept the adjudication application by serving notice of the acceptance on the claimant and the respondent.
- (2) On accepting an adjudication application, the adjudicator is taken to have been appointed to decide the application.

24 Adjudication responses

- (1) This section applies if—
 - (a) an adjudicator accepts a claimant's adjudication application under section 23; and
 - (b) the respondent served a payment schedule on the claimant within the time that the respondent may serve the schedule on the claimant.
- (2) The respondent may give the adjudicator a response to the adjudication application (the *adjudication response*).
- (3) The adjudication response—
 - (a) must be in writing; and
 - (b) must identify the adjudication application to which it relates; and
 - (c) may contain the submissions relevant to the response the respondent chooses to include.
- (4) If the adjudication application is about a standard payment claim, the adjudication response can not include any reasons for withholding payment unless those reasons were included in the payment schedule when served on the claimant.
- (5) If the adjudication application is about a complex payment claim, the adjudication response may include any reasons for withholding payment whether or not those reasons were included in the payment schedule when served on the claimant.

24A Time requirements for adjudication response

- (1) Subsection (2) applies for an adjudication response to an adjudication application about a standard payment claim.
- (2) The respondent must give the adjudicator the adjudication response within the later of the following to end—

- (4) The respondent must give the adjudicator the adjudication response within the later of the following to end—
 - (a) 15 business days after receiving a copy of the adjudication application;
 - (b) 12 business days after receiving notice of the adjudicator's acceptance of the adjudication application.
- (5) However, the respondent may apply to the adjudicator for an extension of time, of up to 15 additional business days, to give the adjudication response.
- (6) The application must—
 - (a) be made within the later of the following to end—
 - (i) 5 business days after receiving a copy of the adjudication application;
 - (ii) 2 business days after receiving notice of the adjudicator's acceptance of the adjudication application; and
 - (b) be in writing; and
 - (c) include the reasons for requiring the extension of time.
- (7) If the application is granted, the respondent may give the adjudicator the adjudication response no later than the end of the extension of time granted by the adjudicator.

- (8) A copy of an adjudication response must be served on the claimant no more than 2 business days after it is given to the adjudicator.

24B Reply to new reasons for withholding payment

- (1) This section applies if, under section 24(5), the respondent includes in an adjudication response reasons for withholding payment that were not included in the payment schedule when served on the claimant (the *new reasons*).
- (2) The claimant may give the adjudicator a reply to the new reasons (the *claimant's reply*) within 15 business days after receiving a copy of the adjudication response.
- (3) However, the claimant may apply to the adjudicator for an extension of time, of up to 15 additional business days, to give the claimant's reply if, because of the complexity or volume of the new reasons, an extension of time is required to adequately prepare the claimant's reply.
- (4) The application must—
- (a) be made within 5 business days after receiving a copy of the adjudication response; and
 - (b) be in writing; and
 - (c) include the reasons for requiring the extension of time.
- (5) If the application is granted, the claimant may give the adjudicator the claimant's reply no later than the end of the extension of time granted by the adjudicator.

- (7) If the claimant proposes to give the adjudicator a claimant's reply, the claimant must give the adjudicator notice of the proposal within 5 business days after receiving a copy of the adjudication response unless the claimant gives the reply within the 5 business days.

25 Adjudication procedures

- (1) Subject to the time requirements under section 25A, an adjudicator must decide the following as quickly as possible—
 - (a) an adjudication application;
 - (b) applications for extensions of time under this part.
- (2) An adjudicator must not consider an adjudication response or a claimant's reply unless it was given to the adjudicator within the time that the respondent or claimant may give it to the adjudicator.
- (3) For a proceeding conducted to decide an adjudication application, an adjudicator—
 - (a) must decide whether he or she has jurisdiction to adjudicate the application; and
 - (b) may ask for further written submissions from either party and must give the other party an opportunity to comment on the submissions; and
 - (c) may set deadlines for further submissions and comments by the parties; and
 - (d) may call a conference of the parties; and
 - (e) may carry out an inspection of any matter to which the claim relates.
- (4) If a conference is called, it must be conducted informally and the parties are not entitled to any legal representation.
- (5) The adjudicator's power to decide an adjudication application is not affected by the failure of either or both of the parties to make a submission or comment within time or to comply with the adjudicator's call for a conference of the parties.

25A Time requirements for adjudication proceedings

- (1) An adjudicator must decide an adjudication application on or before the deadline for deciding the application but not before

the end of the minimum consideration period for deciding the application.

- (2) However, the claimant and respondent may, before or after the deadline, agree in writing that the adjudicator has additional time to decide the application.
- (3) The *minimum consideration period* for deciding an adjudication application is—
 - (a) the period within which the respondent may give an adjudication response to the adjudicator under section 24A; but
 - (b) if the claimant may give a claimant's reply under section 24B—the period mentioned in paragraph (a) plus the period within which the claimant may give the reply.

Note—

Only a complex payment claim may involve a claimant's reply.
See section 24B.

- (4) The *deadline*, for deciding an adjudication application relating to a standard payment claim, is the day that is 10 business days after—
 - (a) if the adjudicator was given an adjudication response in compliance with section 24A—the day on which the adjudicator receives the response; or
 - (b) otherwise—the last day on which the respondent could have given the adjudicator the response.
- (5) The *deadline*, for deciding an adjudication application relating to a complex payment claim, is the day that is 15 business days after—
 - (a) if the adjudicator was given an adjudication response in compliance with section 24A—the day on which the adjudicator receives the response; or
 - (b) otherwise—the last day on which the respondent could have given the adjudicator the response.

[s 25B]

- (6) However, if the claimant may give the adjudicator a claimant's reply under section 24B, the *deadline* for deciding the adjudication application is the day that is 15 business days after—
- (a) if the adjudicator was given a claimant's reply in compliance with section 24B—the day on which the adjudicator receives the reply; or
 - (b) otherwise—the last day on which the claimant could have given the adjudicator the reply.

25B Extension of time requirements by adjudicator

- (1) This section applies if—
- (a) an adjudication application relates to a complex payment claim; and
 - (b) in the opinion of the adjudicator, the claimant and respondent fail to reach agreement under section 25A(2).
- (2) The adjudicator may, despite section 25A(5) or (6), decide the application within 5 business days after the time the adjudicator would otherwise have to decide the application under section 25A(5) or (6).

26 Adjudicator's decision

- (1) An adjudicator is to decide—
- (a) the amount of the progress payment, if any, to be paid by the respondent to the claimant (the *adjudicated amount*); and
 - (b) the date on which any amount became or becomes payable; and
 - (c) the rate of interest payable on any amount.
- (2) In deciding an adjudication application, the adjudicator is to consider the following matters only—

-
- (a) the provisions of this Act and, to the extent they are relevant, the provisions of the *Queensland Building and Construction Commission Act 1991*, part 4A;
 - (b) the provisions of the construction contract from which the application arose;
 - (c) the payment claim to which the application relates, together with all submissions, including relevant documentation, that have been properly made by the claimant in support of the claim;
 - (d) the payment schedule, if any, to which the application relates, together with all submissions, including relevant documentation, that have been properly made by the respondent in support of the schedule;
 - (e) the results of any inspection carried out by the adjudicator of any matter to which the claim relates.
- (3) The adjudicator's decision must—
- (a) be in writing; and
 - (b) include the reasons for the decision, unless the claimant and the respondent have both asked the adjudicator not to include the reasons in the decision.

27 Valuation of work etc. in later adjudication application

- (1) Subsection (2) applies if, in deciding an adjudication application, an adjudicator has, under section 14, decided—
 - (a) the value of any construction work carried out under a construction contract; or
 - (b) the value of any related goods and services supplied under a construction contract.
- (2) The adjudicator or another adjudicator must, in any later adjudication application that involves the working out of the value of that work or of those goods and services, give the work, or the goods and services, the same value as that previously decided unless the claimant or respondent satisfies

the adjudicator concerned that the value of the work, or the goods and services, has changed since the previous decision.

28 Adjudicator may correct clerical mistakes etc.

- (1) Subsection (2) applies if the adjudicator's decision contains—
 - (a) a clerical mistake; or
 - (b) an error arising from an accidental slip or omission; or
 - (c) a material miscalculation of figures or a material mistake in the description of a person, thing or matter mentioned in the decision; or
 - (d) a defect of form.
- (2) The adjudicator may, on the adjudicator's own initiative or on the application of the claimant or the respondent, correct the decision.

29 Respondent required to pay adjudicated amount

- (1) If an adjudicator decides that the respondent is required to pay an adjudicated amount, the respondent must pay the amount to the claimant on or before the relevant date.
- (2) In this section—

relevant date means—

 - (a) the date that is 5 business days after the date on which the adjudicator's decision is served on the respondent; or
 - (b) if the adjudicator decides a later date under section 26(1)(b)—the later date.

30 Consequences of not paying claimant adjudicated amount

- (1) If the respondent fails to pay the whole or any part of the adjudicated amount to the claimant under section 29, the claimant—

- (a) may ask the registrar to provide an adjudication certificate under this section; and
 - (b) may serve notice on the respondent of the claimant's intention to suspend, under section 33, carrying out construction work or supplying related goods and services under the construction contract.
- (2) A notice under subsection (1)(b) must state that it is made under this Act.
- (3) An adjudication certificate must state that it is made under this Act and state the following matters—
- (a) the name of the claimant;
 - (b) the name of the respondent who is liable to pay the adjudicated amount;
 - (c) the adjudicated amount;
 - (d) the date on which payment of the adjudicated amount was required to be paid to the claimant.
- (4) If an amount of interest payable on the adjudicated amount is not paid by the respondent, the claimant may ask the registrar to state the amount of interest payable in the adjudication certificate.
- (5) If an amount of interest is specified in the adjudication certificate, the amount is to be added to, and becomes part of, the adjudicated amount.
- (6) If the claimant has paid the respondent's share of the adjudication fees for the adjudication but has not been reimbursed by the respondent for that amount (the *unpaid share*), the claimant may ask the registrar to state the unpaid share in the adjudication certificate.
- (7) If the unpaid share is stated in the adjudication certificate, it is to be added to, and becomes part of, the adjudicated amount.

31 Filing of adjudication certificate as judgment debt

- (1) An adjudication certificate may be filed as a judgment for a debt, and may be enforced, in a court of competent jurisdiction.
- (2) An adjudication certificate can not be filed under this section unless it is accompanied by an affidavit by the claimant stating that the whole or a part of the adjudicated amount has not been paid at the time the certificate is filed.
- (3) If the affidavit states that part of the adjudicated amount has been paid, the judgment is for the unpaid part of the amount only.
- (4) If the respondent commences proceedings to have the judgment set aside, the respondent—
 - (a) is not, in those proceedings, entitled—
 - (i) to bring any counterclaim against the claimant; or
 - (ii) to raise any defence in relation to matters arising under the construction contract; or
 - (iii) to challenge the adjudicator’s decision; and
 - (b) is required to pay into the court as security the unpaid portion of the adjudicated amount pending the final decision in those proceedings.

32 Claimant may make new application in certain circumstances

- (1) This section applies if—
 - (a) a claimant does not receive an adjudicator’s notice of acceptance of an adjudication application within 4 business days after the application is made; or
 - (b) an adjudicator who accepts an adjudication application does not decide the application within the time allowed by section 25A or 25B.
- (2) In either of those circumstances, the claimant—

-
- (a) may withdraw the application, by notice served on the adjudicator or registrar; and
 - (b) may make a new adjudication application under section 21.
- (3) Despite section 21(3)(c), a new adjudication application may be made at any time within 5 business days after the claimant becomes entitled to withdraw the previous adjudication application under subsection (2).
 - (4) This division applies to a new application mentioned in this section in the same way as it applies to an application under section 21.

Division 3 Claimant's right to suspend construction work

33 Claimant may suspend work

- (1) A claimant may suspend carrying out of construction work or the supply of related goods and services under a construction contract if at least 2 business days have passed since the claimant has given notice of intention to do so to the respondent under section 19, 20 or 30.
- (2) The right conferred by subsection (1) exists until the end of the period of 3 business days immediately following the date on which the claimant receives payment from the respondent of the amount mentioned in section 19(2), 20(1) or 29(1).
- (3) If the claimant, in exercising the right to suspend carrying out of construction work or the supply of related goods and services under a construction contract, incurs any loss or expenses as a result of the removal by the respondent from the contract of any part of the work or supply, the respondent is liable to pay the claimant the amount of the loss or expenses.
- (4) A claimant who suspends carrying out construction work or the supply of related goods and services under a construction contract under the right conferred by subsection (1) is not liable for any loss or damage suffered by the respondent, or by

any person claiming through the respondent, because of the claimant not carrying out that work or not supplying those goods and services, during the period of suspension.

Division 4 General

35 Adjudicator's fees

 - (a) the amount, by way of fees and expenses, agreed between the adjudicator and the parties to the adjudication; or
 - (b) if no amount is agreed, the amount, for fees and expenses, that is reasonable having regard to the work done and expenses incurred by the adjudicator.
- (2) The claimant and respondent are jointly and severally liable to pay the adjudicator's fees and expenses.
- (3) The claimant and respondent are each liable to contribute to the payment of the adjudicator's fees and expenses in equal proportions or in the proportions the adjudicator decides.
- (4) An adjudicator is not entitled to be paid any fees or expenses for the adjudication of an adjudication application if the adjudicator fails to make a decision on the application.
- (5) However, subsection (4) does not apply if—
 - (a) the adjudication application is withdrawn; or
 - (b) the adjudicator decided he or she did not have jurisdiction to adjudicate the application.
- (6) Also, if a court finds that the adjudicator's decision is void and unenforceable, the adjudicator is still entitled to be paid any fees or expenses for the adjudication of the application if the adjudicator acted in good faith in adjudicating the application.
- (7) For subsection (4), an adjudicator does not fail to make a decision merely because the adjudicator refuses to

communicate the adjudicator's decision on an adjudication application until the adjudicator's fees and expenses are paid.

(8) In this section—

adjudicating, an adjudication application, includes accepting, considering and deciding the application.

35A Matters to be considered in deciding fees

- (1) This section applies if an adjudicator is making a decision about the proportion of the adjudicator's fees and expenses to be paid by the claimant and respondent under section 35(3).
- (2) In making the decision, the adjudicator may consider the following matters—
 - (a) the relative success of the claimant or respondent in the adjudication;
 - (b) whether the claimant or respondent commenced or participated in the adjudication for an improper purpose;
 - (c) whether the claimant or respondent commenced or participated in the adjudication without reasonable prospects of success;
 - (d) whether the claimant or respondent has acted unreasonably leading up to the adjudication;
 - (e) whether the claimant or respondent has acted unreasonably in the conduct of the adjudication;
 - (f) the reasons given by the respondent for not making the progress payment the subject of the adjudication application;
 - (g) whether the respondent included additional reasons for withholding payment in the adjudication response that were not included in the payment schedule served on the claimant;
 - (h) whether an adjudication application is withdrawn;
 - (i) the services provided by the adjudicator in adjudicating the adjudication application, including the amount of

time taken to consider discrete aspects of the amount claimed;

- (j) another matter the adjudicator considers relevant in making the decision.

35B Withdrawing from adjudication

An adjudication application is taken to have been withdrawn if—

- (a) a claimant has served a notice of discontinuation on the adjudicator and respondent; or
- (b) a respondent has paid the claimed amount the subject of the adjudication application to the claimant.

Note—

Despite the withdrawal of an adjudication application an adjudicator is still entitled to be paid fees for considering the application—see section 35.
