Local Government Act 2009

An Act to provide a system of local government in Queensland, and for related purposes

Chapter 1 Preliminary

1 Short title

This Act may be cited as the Local Government Act 2009.

2 Commencement

(1) Amendments 20 and 21 of the Local Government Act 1993 in schedule 1 commence on assent.

(2) The following provisions commence immediately before the repeal of the Local Government Act 1993 under section 289—

(a) section 284;

(b) the remaining amendments of the Local Government Act 1993 in schedule 1;

(c) schedule 2.

(3) Chapter 9, part 1 commences on 1 July 2009.

(4) The remaining provisions of the Act commence on a day to be fixed by proclamation.

3 Purpose of this Act

The purpose of this Act is to provide for—
(a) the way in which a local government is constituted and the nature and extent of its responsibilities and powers; and

(b) a system of local government in Queensland that is accountable, effective, efficient and sustainable.

Note—
The system of local government consists of a number of local governments. See the Constitution of Queensland 2001, section 70 (System of local government).

4 Local government principles underpin this Act

(1) To ensure the system of local government is accountable, effective, efficient and sustainable, Parliament requires—

(a) anyone who is performing a responsibility under this Act to do so in accordance with the local government principles; and

(b) any action that is taken under this Act to be taken in a way that—

(i) is consistent with the local government principles; and

(ii) provides results that are consistent with the local government principles, in as far as the results are within the control of the person who is taking the action.

(2) The local government principles are—

(a) transparent and effective processes, and decision-making in the public interest; and

(b) sustainable development and management of assets and infrastructure, and delivery of effective services; and

(c) democratic representation, social inclusion and meaningful community engagement; and

(d) good governance of, and by, local government; and
(e) ethical and legal behaviour of councillors and local government employees.

5 Relationship with City of Brisbane Act 2010

Although the Brisbane City Council is a local government, the City of Brisbane Act 2010, rather than this Act, provides for—

(a) the way in which the Brisbane City Council is constituted and the nature and extent of its responsibilities and powers; and

(b) a system of local government in Brisbane; and

(c) the way in which the conduct of councillors of the Brisbane City Council in meetings of the council and its committees is to be dealt with; and

(d) the way complaints about councillors of the Brisbane City Council are to be dealt with.

Note—
See the City of Brisbane Act 2010, section 5.

6 Definitions

The dictionary in schedule 4 defines particular words used in this Act.
Chapter 2  Local governments

Part 1  Local governments and their constitution, responsibilities and powers

7  What this part is about
This part explains—
(a) what a local government is; and
(b) what a local government area is; and
(c) the responsibilities and powers of a local government, its councillors and its employees.

8  Local government’s responsibility for local government areas
(1) A local government is an elected body that is responsible for the good rule and local government of a part of Queensland.
Note—
This is provided for in the Constitution of Queensland 2001, section 71 (Requirements for a local government).
(2) A part of Queensland that is governed by a local government is called a local government area.
Note—
The Brisbane City Council is the local government for the City of Brisbane. For the local government area of the Brisbane City Council, see the City of Brisbane Act 2010, section 7.
(3) A local government area may be divided into areas called divisions.
(4) A regulation may—
(a) describe the boundaries of a local government area; or
(b) describe the boundaries of any divisions; or
(c) fix the number of councillors for a local government and any divisions of the local government area; or
(d) name a local government area; or
(e) classify a local government area as a city, town, shire or region.

9 Powers of local governments generally

(1) A local government has the power to do anything that is necessary or convenient for the good rule and local government of its local government area.

Note—
Also, see section 262 (Powers in support of responsibilities) for more information about powers.

(2) However, a local government can only do something that the State can validly do.

(3) When exercising a power, a local government may take account of Aboriginal tradition and Island custom.

(4) A local government may exercise its powers—

(a) inside the local government area; or

(b) outside the local government area (including outside Queensland)—

(i) with the written approval of the Minister; or

(ii) as provided in section 10(5).

(5) When a local government is exercising a power in a place that is outside its local government area, the local government has the same jurisdiction in the place as if the place were inside its local government area.

(6) Subsections (7) and (8) apply if a local government is a component local government for a joint local government.

(7) Despite subsection (1), a local government may not, within the joint local government’s area, exercise a power for which the joint local government has jurisdiction.
10 **Power includes power to conduct joint government activities**

1. A local government may exercise its powers by cooperating with 1 or more other local, State or Commonwealth governments to conduct a joint government activity.

2. A *joint government activity* includes providing a service, or operating a facility, that involves the other governments.

3. The cooperation with another government may take any form, including for example—
   - entering into an agreement; or
   - creating a joint local government entity, or joint government entity, to oversee the joint government activity.

4. A joint government activity may be set up for more than 1 purpose.
   
   Example—
   
   Three local governments may create a joint local government entity to manage an aerodrome that services each of their local government areas, and may also enter into an agreement to sell water in bulk to 1 of the local governments.

5. A local government may exercise a power in another government’s area for the purposes of a joint government activity, in the way agreed by the governments.

6. However, if the power is to be exercised under a local law, the local law must expressly state that it applies to the other government’s area.

   Note—

   See section 29 for more information about making local laws.

11 **Local governments are bodies corporate etc.**

   A local government—
(a) is a body corporate with perpetual succession; and
(b) has a common seal; and
(c) may sue and be sued in its name.

12 Responsibilities of councillors

(1) A councillor must represent the current and future interests of the residents of the local government area.

(2) All councillors of a local government have the same responsibilities, but the mayor has some extra responsibilities.

(3) All councillors have the following responsibilities—
   (a) ensuring the local government—
       (i) discharges its responsibilities under this Act; and
       (ii) achieves its corporate plan; and
       (iii) complies with all laws that apply to local governments;
   (b) providing high quality leadership to the local government and the community;
   (c) participating in council meetings, policy development, and decision-making, for the benefit of the local government area;
   (d) being accountable to the community for the local government’s performance.

(4) The mayor has the following extra responsibilities—
   (a) leading and managing meetings of the local government at which the mayor is the chairperson, including managing the conduct of the participants at the meetings;
   (b) preparing a budget to present to the local government;
   (c) leading, managing, and providing strategic direction to, the chief executive officer in order to achieve the high quality administration of the local government;
13 Responsibilities of local government employees

(1) All employees of a local government have the same responsibilities, but the chief executive officer has some extra responsibilities.

(2) All employees have the following responsibilities—

(a) implementing the policies and priorities of the local government in a way that promotes—

(i) the effective, efficient and economical management of public resources; and

(ii) excellence in service delivery; and

(iii) continual improvement;

(b) directing the chief executive officer and senior executive employees, in accordance with the local government’s policies;

(c) conducting a performance appraisal of the chief executive officer, at least annually, in the way that is decided by the local government (including as a member of a committee, for example);

(d) ensuring that the local government promptly provides the Minister with the information about the local government area, or the local government, that is requested by the Minister;

(e) being a member of each standing committee of the local government;

(f) representing the local government at ceremonial or civic functions.

(5) A councillor who is not the mayor may perform the mayor’s extra responsibilities only if the mayor delegates the responsibility to the councillor.

(6) When performing a responsibility, a councillor must serve the overall public interest of the whole local government area.
(b) carrying out their duties in a way that ensures the local government—
   (i) discharges its responsibilities under this Act; and
   (ii) complies with all laws that apply to local governments; and
   (iii) achieves its corporate plan;
(c) providing sound and impartial advice to the local government;
(d) carrying out their duties impartially and with integrity;
(e) ensuring the employee’s personal conduct does not reflect adversely on the reputation of the local government;
(f) improving all aspects of the employee’s work performance;
(g) observing all laws relating to their employment;
(h) observing the ethics principles under the Public Sector Ethics Act 1994, section 4;
(i) complying with a code of conduct under the Public Sector Ethics Act 1994.

(3) The chief executive officer has the following extra responsibilities—

(a) managing the local government in a way that promotes—
   (i) the effective, efficient and economical management of public resources; and
   (ii) excellence in service delivery; and
   (iii) continual improvement;
(b) managing the other local government employees through management practices that—
   (i) promote equal employment opportunities; and
(ii) are responsive to the local government’s policies and priorities;

(c) establishing and implementing goals and practices in accordance with the policies and priorities of the local government;

(d) establishing and implementing practices about access and equity to ensure that members of the community have access to—

(i) local government programs; and

(ii) appropriate avenues for reviewing local government decisions;

(e) the safe custody of—

(i) all records about the proceedings, accounts or transactions of the local government or its committees; and

(ii) all documents owned or held by the local government;

(f) complying with requests from councillors under section 170A—

(i) for advice to assist the councillor carry out his or her role as a councillor; or

(ii) for information, that the local government has access to, relating to the local government.

Part 2 Divisions of local government areas

14 What this part is about

(1) This part is about the number of electors that are to be in each division of a local government area, to ensure democratic representation.

(2) This part does not apply to an indigenous regional council.
15 Division of local government areas

(1) Each division of a local government area must have a reasonable proportion of electors.

(2) A reasonable proportion of electors is the number of electors that is worked out by dividing the total number of electors in the local government area (as nearly as can be found out) by the number of councillors (other than the mayor), plus or minus—

(a) for a local government area with more than 10,000 electors—10%; or

(b) for any other local government area—20%.

Examples—

1 If the total number of electors in the local government area is 15,000, and the number of councillors (other than the mayor) is 5, the reasonable proportion of electors is 3,000 (i.e. 15,000 divided by 5) plus or minus 10%, i.e. between 2,700 and 3,300 electors.

2 If the total number of electors in the local government area is 5,000, and the number of councillors (other than the mayor) is 5, the reasonable proportion of electors is 1,000 (i.e. 5,000 divided by 5) plus or minus 20%, i.e. between 800 and 1,200 electors.

(3) When changing the divisions of a local government area, the reasonable proportion of electors must be worked out as near as practicable to the time when the change is to happen.

16 Review of divisions of local government areas

A local government must, no later than 1 March in the year before the year of the quadrennial elections—

(a) review whether each of its divisions has a reasonable proportion of electors; and

(b) give the electoral commissioner and the Minister notice of the results of the review.
Part 3  Changing a local government area, name or representation

Division 1  Introduction

17  What this part is about
(1)  This part is about making a local government change.
(2)  A local government change is a change of—
   (a)  the boundaries of a local government area; or
   (b)  any divisions of a local government area, other than the City of Brisbane; or
   (c)  the number of councillors for a local government; or
   (d)  the name of a local government area; or
   (e)  the classification of a local government area (from a town to a city, for example).
(3)  In summary, the process for making a local government change is as follows—
   •  assessment—the change commission assesses whether a proposed local government change is in the public interest
   •  implementation—the Governor in Council implements the local government change under a regulation.
(4)  The change commission, which conducts the assessment phase of the process, is an independent body that is created under this Act.

Note—
See division 3 for the creation of the change commission.
Division 2  The process for change

18 Who may start the change process

Only the Minister may propose a local government change to the change commission.

19 Assessment

(1) The change commission is responsible for assessing whether a local government change proposed by the Minister is in the public interest.

(2) In doing so, the change commission must consider—

(a) whether the proposed local government change is consistent with a Local Government Act; and

(b) the views of the Minister about the proposed local government change; and

(c) any other matters prescribed under a regulation.

(3) The change commission may conduct its assessment in any way that it considers appropriate, including, for example, by—

(a) asking for submissions from any local government that would be affected by the proposed local government change; or

(b) holding a public hearing (in the way set out in chapter 7, part 1) to ask the public for its views about the proposed local government change.

(4) However, the Minister may direct the change commission in writing to conduct its assessment of the proposed local government change in a particular way.

(5) Despite subsection (3), the change commission must comply with the Minister’s direction.

(6) The change commission must let the public know the results of its assessment and the reasons for the results, by publishing notice of the results—
(a) in a newspaper that is circulating generally in the local government area; and
(b) in the gazette; and
(c) on the electoral commission’s website.

(7) The change commission must also give the results of its assessment to the Minister.

(8) The change commission may recommend that the Governor in Council implement the change commission’s assessment.

20 Implementation

(1) The Governor in Council may implement the change commission’s recommendation under a regulation.

(2) The regulation may provide for anything that is necessary or convenient to facilitate the implementation of the local government change.

(3) For example, the regulation may provide for—
(a) holding, postponing or cancelling a local government election; or
(b) the transfer of assets and liabilities from a local government to another local government.

Chapter 2A  Joint local governments

Part 1  Preliminary

25A  What this chapter is about

(1) This chapter explains what a joint local government is and its responsibilities and powers.

   Note—

   For other flexible forms of cooperation between local governments, see section 10.

(2) A joint local government is an entity that, within a joint local government area, takes over particular responsibilities from its component local governments.

(3) A joint local government area is a part of the State that consists of the whole or parts of 2 or more local government areas of component local governments.

(4) A component local government is a local government entitled to be represented on a joint local government, either in its own right or as a member of a group of local governments.

(5) In this chapter local government includes the Brisbane City Council.

Part 2  Establishment and operation of joint local governments

25B  Constitution of joint local governments

(1) Before establishing a joint local government, the proposed component local governments must reach agreement about the constitution of the joint local government.

(2) The constitution of a joint local government is a document setting out the following—
[s 25C]

(a) the name of the joint local government;
(b) the responsibilities to be transferred to the joint local government from its component local governments;
(c) the boundaries of the joint local government area;
(d) the number of members of the joint local government to which each component local government is entitled;
(e) the process for appointing members;
(f) the proportion of the cost of the operations of the joint local government that must be contributed by each of its component local governments;
(g) the recovery of the cost of the operations of the joint local government;
(h) another matter—
   (i) for which it is necessary or convenient to provide for the joint local government’s establishment or operation; but
   (ii) for which this Act does not make provision or adequate provision.

(3) The boundaries of a joint local government area may not be beyond the boundaries of its component local governments.

(4) Only a councillor of a component local government may be a member of a joint local government.

(5) The members of a joint local government are not entitled to any additional remuneration or allowances for being members of the joint local government.

25C Establishment of joint local governments

(2) Two or more joint local governments may be established for the same joint local government area, or part of a joint local
government area, if the joint local governments are to have different functions.

(3) Each component local government must ensure the public may inspect or purchase a copy of an approved constitution for the joint local government at the component local government’s public office.

25D Joint local governments are bodies corporate etc.

A joint local government—

(a) is a body corporate with perpetual succession; and

(b) has a common seal; and

(c) may sue and be sued in its name.

25E Powers of joint local governments generally

(1) A joint local government has the same powers as a local government to do anything that is necessary or convenient for performing its responsibilities.

Notes—

1 For the powers of a local government, see sections 9 and 262.

2 A joint local government only has the responsibilities given to it by its component local governments under its constitution. See section 25B(2).

(2) In exercising a power under subsection (1), a joint local government has the same limitations and obligations that its component local governments would have under this or another Act in exercising the power.

Example—

If a component local government must comply with particular requirements before exercising a power under an Act, a joint local government must also comply with the requirements before exercising the same power.

(3) For the purpose of subsections (1) and (2), a reference to a local government in this or another Act is taken to include a reference to a joint local government.
(4) A joint local government may exercise its powers in its own name.

25F Restriction on power to make or levy rates and charges

(1) A joint local government can not make or levy any rates or charges on land.

(2) A component local government of a joint local government may make or levy rates and charges on land for a matter within its jurisdiction, even though—
   (a) the land is within the joint local government’s area; and
   (b) the purpose for the rates or charges relates to a matter within the joint local government’s jurisdiction.

25G Limitation on powers of a component local government

(1) A component local government may not, within a joint local government area, exercise a power for which the joint local government has jurisdiction.

(2) However, the component local government may exercise the power as a delegate of the joint local government.

25H Chairperson and deputy chairperson

A joint local government must appoint a chairperson and deputy chairperson from its members, by resolution, at—
   (a) the first meeting of the joint local government; and
   (b) at its first meeting after each quadrennial election after the meeting mentioned in paragraph (a).

25I Disbursement from operating fund of joint local government for purposes other than exclusive jurisdiction

(a) is not within the exclusive jurisdiction of the joint local government; but
(b) is within the jurisdiction of its component local governments.

(2) However, the disbursement may be made only if—
(a) the joint local government has, by resolution, decided the amount of the disbursement is not required for exercising its exclusive jurisdiction; and
(b) the component local governments approve the purpose for which the disbursement is to be made.

(3) The approval may be given for the purpose for disbursements in more than 1 financial year.

(4) A disbursement under this section may be made—
(a) to a component local government or another entity; or
(b) directly by the joint local government.

25J Winding up joint local governments

(1) A joint local government may, by resolution, decide to wind up the joint local government.

(2) If a joint local government acts under subsection (1), the joint local government must cease to carry out activities except so far as is required for winding up the joint local government.
Chapter 3  The business of local governments

Part 1  Local laws

Division 1  Introduction

26 What this part is about

(1) This part is about local laws.

(2) A local law is a law made by a local government.

(3) Unless there is a contrary intention, a reference in this Act to a local law includes a reference to—

(a) an interim local law; and
(b) a subordinate local law; and
(c) a local law that incorporates a model local law.

(4) An interim local law is a local law that has effect for 6 months or less.

(5) A subordinate local law is a local law that—

(a) is made under a power contained in a local law; and
(b) provides for the detailed implementation of the broader principles contained in the local law.

(6) A subordinate local law is called that because it is subordinate to the local law under which it is made, so that if there is any inconsistency between the subordinate local law and the local law, the local law prevails to the extent of the inconsistency.

(7) The Minister may approve, by gazette notice, a local law as being suitable for incorporation by all local governments into their local laws.

(8) This type of local law is a model local law.
Interaction with State laws

If there is any inconsistency between a local law and a law made by the State, the law made by the State prevails to the extent of the inconsistency.

Division 2 Making, recording and reviewing local laws

Power to make a local law

(1) A local government may make and enforce any local law that is necessary or convenient for the good rule and local government of its local government area.

(2) However, a local government must not make a local law—

(a) that sets a penalty of more than 850 penalty units for each conviction of failing to comply with a local law, including each conviction when there is more than 1 conviction for a continuing offence or repeat offence; or

(b) that purports to stop a local law being amended or repealed in the future; or

(c) about a subject that is prohibited under division 3.

Local law making process

(1) A local government may decide its own process for making a local law to the extent that the process is not inconsistent with this part.

(2) A local government makes a local law by passing a resolution to make the local law.

(3) If a local government proposes to make a local law about a matter (the new local law) and there is an existing local law about the same matter that would be inconsistent with the new local law, the local government must amend or repeal the existing local law so that there is no inconsistency.
Local Government Act 2009
Chapter 3 The business of local governments

[s 29A]

Note—
The new local law may include the amendment or repeal of the inconsistent law in the same instrument.

(4) An interim local law must include a provision stating when the law expires.

(5) A local government must ensure its local laws are drafted in compliance with the guidelines issued by the Parliamentary Counsel under the Legislative Standards Act 1992, section 9 for local laws and subordinate local laws.

(6) To remove any doubt, it is declared that a local government does not have to carry out any public consultation before making either of the following—

(a) an interim local law;

(b) a local law that only incorporates a model local law and does not contain an anti-competitive provision.

29A  State interest check

(1) This section applies if a local government proposes to make a local law other than the following—

(a) a local law that incorporates a model local law;

(b) a subordinate local law.

(2) However, this section also applies to a local law that incorporates a model local law if the local law includes more than—

(a) the model local law; or

(b) any amendment or repeal of an existing local law that would be inconsistent with the model local law.

(3) A local government must consult with relevant government entities about the overall State interest in the proposed local law before making the local law.
29B Publication of local laws

(1) A local government must let the public know that a local law has been made by the local government, by publishing a notice of making the local law—

(a) in the gazette; and

(b) on the local government’s website.

(2) The notice must be published within 1 month after the day when the local government made the resolution to make the local law.

(3) The notice in the gazette must state—

(a) the name of the local government; and

(b) the date when the local government made the resolution to make the local law; and

(c) the name of the local law; and

(d) the name of any existing local law that was amended or repealed by the new local law.

(4) The notice on the local government’s website must state—

(a) the name of the local government; and

(b) the date when the local government made the resolution to make the local law; and

(c) the name of the local law; and

(d) the name of any existing local law that was amended or repealed by the new local law; and

(e) if the local law incorporates a model local law—that fact; and

(f) if the local law is an interim local law—that fact, and the date on which the interim local law expires; and

(g) if the local law is a subordinate local law—the name of the local law that authorises the subordinate local law to be made; and

(h) the purpose and general effect of the local law; and
(i) if the local law contains an anti-competitive provision—
that fact; and

(j) that a copy of the local law may be—
(i) inspected and purchased at the local government’s
public office; and

(ii) viewed by the public on the department’s website.

(5) As soon as practicable after the notice is published in the
 gazette, the local government must ensure a copy of the local
law may be inspected and purchased by the public at the local
government’s public office.

(6) A copy of a local law must cost no more than the cost to the
local government of making the copy available for purchase.

(7) Within 14 days after the notice is published in the gazette, the
local government must give the Minister—

(a) a copy of the notice; and

(b) a copy of the local law in electronic form.

30 Expiry of interim local law revives previous law

(1) This section applies if—

(a) an interim local law amends or repeals a local law; and

(b) the interim local law expires; and

(c) the interim local law is not made (either with or without
change) as a local law.

(2) When the interim local law expires—

(a) the local law is revived in its previous form; and

(b) any subordinate local law or provision of a subordinate
local law, that stopped having effect because the local
law was amended or repealed, is revived in its previous
form.

(3) The previous form of a local law, subordinate local law, or
provision of a subordinate local law is the form it was in
immediately before the interim local law commenced.
(4) This section does not affect anything that was done or suffered under the interim local law before it expired.

(5) This section applies despite the *Acts Interpretation Act 1954*, section 19.

31 Local law register

(1) A local government must keep a register of its local laws, in the way that is required under a regulation.

(2) The public may inspect the register at the local government’s public office.

(3) The department’s chief executive must keep a database of all local governments’ local laws and ensure a copy of the database may be viewed by the public on its website.

32 Consolidated versions of local laws

(1) A local government may prepare and adopt a consolidated version of a local law.

(2) A *consolidated version* of a local law is a document that accurately combines a local government’s local law, as it was originally made, with all the amendments made to the local law since the local law was originally made.

(3) When the local government adopts the consolidated version of the local law, the consolidated version is taken to be the local law, in the absence of evidence to the contrary.

(4) Within 7 days after the local government adopts the consolidated version of the local law, the local government must give a copy of the consolidated version to the Minister.
Division 3 Local laws that can not be made

34 What this division is about
This division specifies the subjects that a local government must not make a local law about.

(3) However, if a local law already contains a provision that establishes an alternative development process, the council may amend or repeal the provision at any time.

(4) A local law has no effect to the extent that it is contrary to this section.

(5) This section does not apply to a local government’s local law about any of the following matters unless the matter is covered by the local government’s planning scheme, the Planning Act or another instrument made under that Act—
   (a) advertising devices;
   (b) gates and grids;
   (c) roadside dining.

38 Anti-competitive provisions

(1) A local government must not make a local law that contains an anti-competitive provision unless the local government has complied with the procedures prescribed under a regulation for the review of anti-competitive provisions.

(a) must not amend the provision after the commencement; and

(b) must repeal the provision by 1 January 2017.

(3) A local law, to the extent that it is contrary to this section, has no effect.

(4) In this section—

*barriers*, for a regulated pool, includes any of the following—

(a) the fencing for the pool;

(b) the walls of a building enclosing the pool;

(c) another form of barrier mentioned or provided for in the pool safety standard under the Building Act.

### Division 4 Action by the Minister about particular local laws

#### 38AB Suspending or revoking particular local laws

(1) This section applies if the Minister reasonably believes a local law—

(a) is contrary to any other law; or

(b) is inconsistent with the local government principles; or

(c) does not satisfactorily deal with the overall State interest.
(2) The Minister, by gazette notice, may—
   (a) suspend the local law, for a stated period or indefinitely; or
   (b) revoke the local law.
(3) The gazette notice must state—
   (a) how the local law is contrary to another law, is inconsistent with the local government principles or does not satisfactorily deal with the overall State interest; and

      (i) is no longer contrary to the other law; or
      (ii) is no longer inconsistent with the local government principles; or
      (iii) satisfactorily deals with the overall State interest.
(4) If the Minister suspends a local law, the local law stops having effect for the period stated in the gazette notice.
(5) If the Minister revokes the local law—
   (a) the local law stops having effect on the day stated in the gazette notice; or
   (b) if no day is stated in the gazette notice—the local law is taken to never have had effect.
(6) The State is not liable for any loss or expense incurred by a person because a local law is suspended or revoked under this section.
(7) A decision of the Minister under this section is not subject to appeal.
   Note—
   See section 244 for more information.
Division 5  Miscellaneous

38A  Local law about seizing and disposing of personal property
(1) This section applies if—
   (a) a local government has made a local law about seizing and disposing of personal property; and
   (b) personal property is seized under the local law.
(2) If the personal property is sold or disposed of, the proceeds of sale or disposal must be applied in the following order—
   (a) in payment of the reasonable expenses incurred in selling or disposing of the property;
   (b) in payment of the prescribed fee for seizing and holding the property;
   (c) if there is an amount owing to an entity under a security interest registered for the property under the Personal Property Securities Act 2009 (Cwlth)—in payment of the amount owing under the security interest;
   (d) the balance to the owner of the property.
(3) A secured party can not enforce any security interest in the proceeds of sale or disposal against an entity to whom an amount is payable under subsection (2)(a) or (b).
(4) In this section—
   personal property has the meaning given by the Personal Property Securities Act 2009 (Cwlth), section 10.
   secured party has the meaning given by the Personal Property Securities Act 2009 (Cwlth), section 10.

38B  Owners’ liability for party houses
(1) A local government may make a local law that makes the owner of a residential property liable to a penalty because of excessive noise regularly emitted from the property.
(2) The owner of a residential property includes a tenant if the tenant has a right of exclusive occupation of the property under a lease.

(3) A residential property is a property of a type that would ordinarily be used, or is intended to be used, as a place of residence or mainly as a place of residence.

(4) To remove any doubt, it is declared that—
   (a) the local law may fix the number of times that excessive noise must be emitted from a property before the owner becomes liable to the penalty; and
   (b) a property is not precluded from being a residential property merely because the property is rented on a short-term basis.

(5) In a proceeding about a contravention of the local law—
   (a) a noise abatement direction given to a person at a property is evidence of excessive noise being emitted from the property; and
   (b) a copy of information recorded in the register of enforcement acts under the Police Powers and Responsibilities Act 2000 about the giving of a noise abatement direction is evidence of the matters stated in it.

(6) A noise abatement direction is a direction given to a person by a police officer under the Police Powers and Responsibilities Act 2000, section 581(3).

(7) Despite subsection (5), a defendant may, with the leave of the court, require the prosecution to call any person involved in the giving of the noise abatement direction to give evidence at the hearing.

(8) The court may give leave only if the court is satisfied that—
   (a) an irregularity may exist in relation to the information or the giving of the noise abatement direction; or
   (b) it is in the interests of justice that the person be called to give evidence.
(9) The chief executive officer may ask the police commissioner to give the chief executive officer information about noise abatement directions given to persons in the local government area.

(10) The police commissioner must comply with the request.

Part 2 Beneficial enterprises and business activities

Division 1 Beneficial enterprises

39 What this division is about

(1) This division is about beneficial enterprises that are conducted by a local government.

(2) This division does not apply to a business unit of a local government.

(3) A beneficial enterprise is an enterprise that a local government considers is directed to benefiting, and can reasonably be expected to benefit, the whole or part of its local government area.

(4) A local government is conducting a beneficial enterprise if the local government is engaging in, or helping, the beneficial enterprise.

40 Conducting beneficial enterprises

(1) A local government may conduct a beneficial enterprise.

(2) To conduct the beneficial enterprise, the local government—

(a) may participate with an association, other than by being an unlimited partner of a partnership; and

(b) must not, either directly or by participating with an association, participate with an unlimited corporation; and
(c) must not enter into an agreement that does not limit the liability of the local government, as between the parties to the agreement, to the amount committed by the local government under the agreement.

Note—
Under the Statutory Bodies Financial Arrangements Act 1982, a local government may need the Treasurer’s approval before entering into particular financial arrangements.

(3) An association is—
(a) a partnership; or
(b) a corporation limited by shares but not listed on a stock exchange; or
(c) a corporation limited by guarantee but not listed on a stock exchange; or
(d) another association of persons that is not a corporation.

(4) An unlimited corporation means a corporation whose members have no limit placed on their liability.

(5) A local government participates with an association or unlimited corporation if the local government—
(a) forms, or takes part in forming, an association or unlimited corporation; or
(b) becomes a member of an association or unlimited corporation; or
(c) takes part in the management of an association or unlimited corporation; or
(d) acquires or disposes of shares, debentures or securities of an association or unlimited corporation.

41 Identifying beneficial enterprises
A local government’s annual report for each financial year must contain a list of all the beneficial enterprises that the local government conducted during the financial year.
Division 2  Business reform, including competitive neutrality

43  What this division is about

(1) This division is about the application of the National Competition Policy Agreements in relation to the significant business activities of a local government.

(2) This includes the application of the competitive neutrality principle if, in the circumstances, the public benefit (in terms of service quality and cost) outweighs the costs of implementation.

(3) Under the competitive neutrality principle, an entity that is conducting a business activity in competition with the private sector should not enjoy a net advantage over competitors only because the entity is in the public sector.

(4) A significant business activity is a business activity of a local government that—

(a) is conducted in competition, or potential competition, with the private sector (including off-street parking, quarries, sporting facilities, for example); and

(b) meets the threshold prescribed under a regulation.

(5) However, a significant business activity does not include a business activity that is—

(a) a building certifying activity; or

(b) a roads activity; or

(c) related to the provision of library services.

Note—

A building certifying activity or roads activity is dealt with under section 47.

44  Ways to apply the competitive neutrality principle

(1) The competitive neutrality principle may be applied by—
(a) commercialisation of a significant business activity; or
(b) full cost pricing of a significant business activity.

(2) Commercialisation involves creating a new business unit, that is part of the local government, to conduct the significant business activity on a commercial basis.

(3) Full cost pricing involves pricing the significant business activity on a commercial basis, but without creating a new business unit.

(4) A regulation may provide for—
(a) matters relating to commercialisation or full cost pricing; or
(b) any other matter relating to the application of the competitive neutrality principle to the significant business activities of a local government.

45 Identifying significant business activities

A local government’s annual report for each financial year must—
(a) contain a list of all the business activities that the local government conducted during the financial year; and
(b) identify the business activities that are significant business activities; and
(c) state whether or not the competitive neutrality principle was applied to the significant business activities, and if the principle was not applied, the reason why it was not applied; and
(d) state whether any of the significant business activities were not conducted in the preceding financial year, i.e. whether there are any new significant business activities.

46 Assessing public benefit

(1) This section applies to a new significant business activity that is identified in the annual report of a local government.
(2) The local government must conduct a public benefit assessment of the new significant business activity.

(3) *A public benefit assessment* is an assessment of whether the benefit to the public (in terms of service quality and cost) of applying the competitive neutrality principle in relation to a significant business activity outweighs the costs of applying the competitive neutrality principle.

(4) The local government must conduct the public benefit assessment before the end of the financial year in which the significant business activity is first identified in the annual report.

(5) The local government must prepare a report on the public benefit assessment that contains its recommendations about the application of the competitive neutrality principle in relation to the significant business activity.

(6) At a meeting of the local government, the local government must—

(a) consider the report; and

(b) decide, by resolution, whether or not to apply the competitive neutrality principle in relation to the significant business activity.

(7) Any resolution that the competitive neutrality principle should not be applied must include a statement of the reasons why it should not be applied.

(8) The local government must give the Minister a copy of—

(a) the report; and

(b) all resolutions made in relation to the report.

(9) If the local government decides not to apply the competitive neutrality principle in relation to the significant business activity, the local government must, within 3 years after making the decision, repeat the process in this section.

(10) Subsection (9) also applies to a decision that was made before the commencement of this section.
47 **Code of competitive conduct**

(1) This section is about the code of competitive conduct.

(2) The *code of competitive conduct* is the code of competitive conduct prescribed under a regulation.

(3) A local government must apply the code of competitive conduct to the conduct of the following business activities of the local government—

   (a) a building certifying activity;
   
   (b) a roads activity, other than a roads activity for which business is conducted only through a sole supplier arrangement.

(4) A *building certifying activity* is a business activity that—

   (a) involves performing building certifying functions (within the meaning of the Building Act, section 10); and

   (b) is prescribed under a regulation.

(5) A *roads activity* is a business activity (other than a business activity prescribed under a regulation) that involves—

   (a) constructing or maintaining a State-controlled road, that the State put out to competitive tender; or

   (b) submitting a competitive tender in relation to—

      (i) constructing or maintaining a road in the local government area, that the local government put out to competitive tender; or

      (ii) constructing or maintaining a road in another local government area, that the other local government put out to competitive tender.

(6) The local government must start to apply the code of competitive conduct—

   (a) for a building certifying activity—from the start of the financial year after the financial year in which the building certifying activity is first conducted; or
(b) for a roads activity—from when the roads activity is first conducted.

(7) A local government must decide each financial year, by resolution, whether or not to apply the code of competitive conduct to a business activity prescribed under a regulation.

(8) If the local government decides not to apply the code of competitive conduct to the business activity, the resolution must state reasons for not doing so.

(9) Subsection (7) does not prevent the local government from applying the code of competitive conduct to any other business activities.

48 Competitive neutrality complaints

(1) A local government must adopt a process for resolving competitive neutrality complaints.

(2) A competitive neutrality complaint is a complaint that—

(a) relates to the failure of a local government to conduct a business activity in accordance with the competitive neutrality principle; and

(b) is made by an affected person.

(3) An affected person is—

(a) a person who—

(i) competes with the local government in relation to the business activity; and

(ii) claims to be adversely affected by a competitive advantage that the person alleges is enjoyed by the local government; or

(b) a person who—

(i) wants to compete with the local government in relation to the business activity; and

(ii) claims to be hindered from doing so by a competitive advantage that the person alleges is enjoyed by the local government.
(4) A regulation may provide for the process for resolving competitive neutrality complaints.

(5) A local government does not have to resolve a competitive neutrality complaint relating to a business activity prescribed under a regulation.

Part 3 Roads and other infrastructure

Division 1 Roads

59 What this division is about

(1) This division is about roads.

(2) A road is—

(a) an area of land that is dedicated to public use as a road; or

(b) an area of land that—
   (i) is developed for, or has as 1 of its main uses, the driving or riding of motor vehicles; and
   (ii) is open to, or used by, the public; or

(c) a footpath or bicycle path; or

(d) a bridge, culvert, ford, tunnel or viaduct.

(3) However, a road does not include—

(a) a State-controlled road; or

(b) a public thoroughfare easement.

60 Control of roads

(1) A local government has control of all roads in its local government area.

(2) This control includes being able to—
(a) survey and resurvey roads; and
(b) construct, maintain and improve roads; and
(c) approve the naming and numbering of private roads; and
(d) name and number other roads; and
(e) make a local law to regulate the use of roads, including—
   (i) the movement of traffic on roads, subject to the Transport Operations (Road Use Management) Act 1995; and
   (ii) the parking of vehicles on roads, subject to the Transport Operations (Road Use Management) Act 1995 (including the maximum time that a vehicle may be parked in a designated rest area that adjoins a road, for example); and
   (iii) by imposing obligations on the owner of land that adjoins a road (including an obligation to fence the land to prevent animals going on the road, for example); and
(f) make a local law to regulate the construction, maintenance and use of—
   (i) public utilities along, in, over or under roads; and
   (ii) ancillary works and encroachments along, in, over or under roads; and
(g) realign a road in order to widen the road; and
(h) acquire land for use as a road.

(3) Nothing in subsection (1) makes a local government liable for the construction, maintenance or improvement of a private road.

(4) A private road is a road over land that is owned by a person who may lawfully exclude other persons from using the road.
61 Notice of intention to acquire land to widen a road

(1) If a local government wants to acquire land in order to widen a road, the local government must give the owner of the land a notice of intention to acquire land.

(2) A notice of intention to acquire land informs the owner in general terms of this section and section 62.

(3) However, a local government can not, without the consent of the Planning and Environment Court, serve notice of intention to acquire land on an owner of land after the owner has applied to the local government—

(a) for approval to subdivide the land; or

(b) for approval, consent or permission—

(i) to erect or use a structure on the land; or

(ii) to use the land for any other purpose.

(4) The court may consent to the notice of intention to acquire land being served only if the court is satisfied that the purpose of the notice is to enable the local government to make, in good faith, a reasonable widening of the road.

(5) After a local government gives an owner a notice of intention to acquire land, the owner must not erect, place, re-erect, replace or repair any structure, or part of a structure, on the land without the local government’s permission.

(6) The local government must lodge a copy of a notice of intention to acquire land with the registrar of titles for registration on the instrument of title to the land.

(7) The registrar of titles may register the notice of intention to acquire land even if the instrument of title is not produced.

62 Compensation for a notice of intention to acquire land

(1) This section applies to a person who is served with a notice of intention to acquire land, if the person would be entitled to claim compensation for the acquisition of land.
(2) The person is entitled to compensation from the local government for injurious affectation to the person’s interest in the land because of the notice of intention to acquire land.

(3) However, the compensation is not payable until—

(a) the land is sold for the first time after the notice of intention to acquire land was served; or

(b) after being served with the notice of intention to acquire land, the owner of the land offers the land for sale in good faith, but can not sell the land for a fair and reasonable price.

(4) The compensation must be assessed in accordance with the following principles—

(a) the amount of compensation must represent the difference between—

(i) the market value of the interest in the land immediately after service of the notice of intention to acquire land; and

(ii) what would be the market value of the interest in the land, at that time, if the notice had not been served;

(b) any benefit that may accrue, because of the realignment of the road, to land adjacent to the land that is affected by the realignment of the road, and in which the claimant has an interest, must be taken into account;

(c) the amount of compensation must not be increased because the land that is affected by the realignment of the road has, since the service of the notice of intention to acquire land, become or ceased to be separate from other land.

(5) A claim for compensation must be made—

(a) within 3 years after the entitlement to compensation arose; and

(b) to the chief executive officer in the approved form.
 Local Government Act 2009
Chapter 3 The business of local governments

(6) The claim is taken to have been properly made when the claimant has given the local government all the information that the local government reasonably requires to decide the claim.

(7) If, within 30 days after the claim is made, the local government has not given the claimant notice of its decision on the claim, the local government is taken to have refused compensation on the 31st day after the claim is made.

63 Appeal on a claim for compensation

(1) A person who is aggrieved by the decision of a local government on a claim for compensation may appeal against the decision to the Land Court.

(2) The appeal must be started within 30 days after—

(a) notice of the decision is given to the claimant; or

(b) the decision is taken to have been made.

(3) However, the Land Court may extend the period if satisfied in all the circumstances that it is reasonable to do so.

(4) In order to award compensation, the Land Court must be satisfied—

(a) if the land has been sold—

(i) the seller took reasonable steps to obtain a reasonable price for the land; and

(ii) the seller sold the land in good faith; and

(iii) the sale price is less than the seller might reasonably have expected to receive had there been no notice of intention to acquire land; or

(b) if a local government refused the owner permission to erect, place, re-erect, replace or repair any structure, or part of a structure, on the land—the permission was applied for in good faith.
64 Acquisition of land instead of compensation

(1) After a notice of intention to acquire land is served, but before the land is sold, the local government may acquire the land instead of paying compensation for injurious affection.

(2) If, after a notice of intention to acquire land is served, the land is cleared of all structures—
   (a) the local government may acquire the land; and
   (b) if required by the owner of the land, the local government must acquire the land.

(3) The acquired land must be dedicated for public use as a road within 3 months after its acquisition.

(4) Compensation for the acquisition of the land, if not agreed between the parties, must be assessed as at the date of the acquisition.

65 What is to happen if a realignment is not carried out

(1) This section applies if a local government decides not to proceed with the realignment of a road or part of a road after giving a notice of intention to acquire land.

(2) This section does not apply to a realignment of road that is necessary to comply with the requirements of a local government under a planning scheme in its application to particular developments in the local government area.

(3) The local government must serve notice of its decision not to proceed on all owners of land who were served with a notice of intention to acquire land in connection with that road or part of that road.

(4) With regard to any of the notices of intention to acquire land that were lodged with the registrar of titles in connection with that road or part of that road, the local government must—
   (a) for any notice of intention to acquire land that has not been registered—withdraw the notice of intention to acquire land; and
(b) for any notice of intention to acquire land that has been registered—lodge with the registrar of titles for registration a notice of its decision not to proceed with the realignment of the road, or part of the road.

(5) The notice of the local government’s decision must inform the owners in general terms of this section and section 66.

66 Compensation if realignment not carried out

(1) This section applies if—

(a) a local government decides not to proceed with the realignment of a road or part of a road after giving a notice of intention to acquire land; and

(b) structural improvements have been made on land that adjoins the road on the basis of the proposed realignment being effected.

(2) The local government must pay the owner of the reasonable compensation for the decrease in value of the land because of the decision.

(3) The amount of compensation is the difference between the value of the land before and after the decision.

(4) If the local government and the owner fail to agree on the amount of compensation, the amount is to be decided by the Land Court.

(5) The provisions of the *Acquisition of Land Act 1967* about the making, hearing and deciding of claims for compensation for land taken under that Act apply, with any necessary changes and any changes prescribed under a regulation, to claims for compensation under this section.

(6) The local government’s decision not to proceed with the realignment of a road, or part of a road, does not give rise to an entitlement to compensation to, or a cause of action by, any owner or occupier of land or other person other than under this section.
67 Acquiring land for use as a footpath

(1) A local government may acquire land that adjoins a road for use as a footpath.

(2) The acquisition of land may be subject to a reservation, in favour of the owner of the land, of any of the following rights that the local government decides (at or before the acquisition) is appropriate—

(a) a right to the ownership, possession, occupation and use of any existing structure, room or cellar—
   (i) at a specified height above the level of the new footpath; or
   (ii) at a specified depth below the level of the new footpath;

(b) a right—
   (i) to erect a structure (in accordance with law) at a specified height above the new footpath; and
   (ii) to the ownership, possession, occupation and use of the structure;

(c) a right of support for a structure mentioned in paragraph (a) or (b).

(3) The right mentioned in subsection (2)(a) is subject to the local government’s right to enter, and make structural alterations to, the structure, room or cellar that the local government considers necessary.

68 Notice to local government of opening or closing of roads

(1) This section applies if an application is made under the Land Act for the opening or closing of a road in a local government area by someone other than the local government.

(2) The Land Act Minister, or the applicant for the application, must give notice of the application to the local government.

(3) The Land Act Minister is the Minister administering the Land Act.
(4) The notice must specify a date (no earlier than 1 month or later than 2 months after the local government is given the notice) on or before which the local government may object to the opening or closing of the road.

(5) An objection must fully state the reasons for the objection.

(6) The Land Act Minister must have regard to any objections properly made by the local government.

(7) If the Land Act Minister decides the road should be opened or closed, the Land Act Minister must give notice to the local government—
   (a) of the decision; and
   (b) if the decision is contrary to the local government’s objection, the reasons for the decision.

69 Closing roads

(1) A local government may close a road (permanently or temporarily) to all traffic, or traffic of a particular class, if there is another road or route reasonably available for use by the traffic.

(2) Also, the local government may close a road to all traffic or traffic of a particular class—
   (a) during a temporary obstruction to traffic; or
   (b) if it is in the interests of public safety; or
   (c) if it is necessary or desirable to close the road for a temporary purpose (including a fair, for example).

(3) The local government must publish notice of the closing of the road, in the way that the local government considers appropriate (including on its website, for example).

(4) The local government may do everything necessary to stop traffic using the road after it is closed.

(5) If a road is closed to traffic for a temporary purpose, the local government may permit the use of any part of the road...
(including for the erection of any structure, for example) on the conditions the local government considers appropriate.

70 Temporary roads

(1) This section applies if—

(a) a local government wants to remake or repair a road; and
(b) it is not reasonably practicable to temporarily close the road to traffic while the roadworks are conducted.

(2) The local government may make a temporary road, through land that adjoins the road, to be used while the road is being remade or repaired.

(3) However, a local government employee or contractor may enter the land only if—

(a) the owner or occupier of the land has agreed, in writing, that the local government employee or contractor may enter the land; or
(b) the local government has given the owner or occupier of the land at least 3 days notice that states—

(i) the nature of the roadworks that are to be conducted; and
(ii) the proposed route of the temporary road; and
(iii) an approximate period when the temporary road is expected to remain on the land.

(4) Subsection (3) does not apply if the roadworks must be urgently conducted, but the local government must give the owner or occupier of the land oral notice of the matters mentioned in subsection (3)(b).

(5) The owner of the land may give the chief executive officer a notice that claims compensation for physical damage caused by the local government entering, occupying or using the land under this section.
(6) Compensation is not payable unless the chief executive officer receives the claim—
   (a) within 1 year after the occupation or use has ended; or
   (b) at a later time allowed by the chief executive officer.

(7) The compensation equals—
   (a) the amount agreed between the person and local government; or
   (b) if the person and local government can not agree, the amount that is decided by a court.

(8) However, the compensation must not be more than the compensation that would have been awarded if the land had been acquired.

71 Road levels

(1) The owner or occupier of land that adjoins a road may give notice to the local government requiring it to advise the owner or occupier of the permanent level that is fixed or to be fixed for the road.

(2) If the local government has not, within 6 months after receiving the notice, given the owner or occupier written advice about the permanent level of the road, the local government is taken to have fixed the apparent level of the road when the notice was given as the permanent level of the road.

(3) If—
   (a) after a local government has fixed the permanent level of a road, the local government changes the level of the road; and
   (b) the owner or occupier of land that adjoins the road is injuriously affected by the change;

the local government must pay the owner or occupier, or their successor in title, compensation.

(4) The compensation equals—
(a) the amount that is agreed between the owner or occupier, or their successor in title, and the local government; or

(b) if the owner or occupier, or their successor in title, and the local government can not agree—the amount that is decided by the Planning and Environment Court.

72 Assessment of impacts on roads from certain activities

(1) This section applies if—

(a) a regulation prescribes an activity for this section; and

(b) a local government considers that the conduct of the activity is having, or will have, a significant adverse impact on a road in the local government area; and

(c) the activity is not for—

(i) a coordinated project under the *State Development and Public Works Organisation Act 1971*; or

(ii) development categorised under the local government’s planning scheme as assessable development for the Planning Act; or

(iii) a road being built under the *Land Act*, section 110.

(2) The local government may require the entity that is conducting the activity to provide information, within a reasonable time, that will enable the local government to assess the impact of the activity on the road.

(3) After assessing the impact of the activity on the road, the local government may decide to do 1 or more of the following—

(a) give the entity a direction about the use of the road to lessen the impact;

(b) require the entity—

(i) to carry out works to lessen the impact; or

(ii) to pay an amount as compensation for the impact.
(4) The local government may require the works to be carried out or the amount to be paid before the impact commences or intensifies.

(5) The amount of compensation is a debt payable to the local government and may be recovered in a court.

(6) A regulation for this section—
   (a) must contain a process under which the local government’s decision may be reviewed; and
   (b) may contain a process for enforcing the decision.

73  **Categorisation of roads**

A local government must categorise the roads in its local government area according to the surface of the road.

74  **Roads map and register**

(1) A local government must prepare and keep up-to-date—
   (a) a map of every road, including private roads, in its local government area; and
   (b) a register of the roads that shows—
      (i) the category of every road; and
      (ii) the level of every road that has a fixed level; and
      (iii) other particulars prescribed under a regulation.

(2) The register of roads may also show other particulars that the local government considers appropriate.

(3) The public may inspect the map and register at the local government’s public office.

(4) On application and payment of a reasonable fee fixed under a resolution or local law, a person may obtain—
   (a) a copy of a map or register of roads; or
   (b) a certificate signed by an employee of the local government who is authorised for the purpose—
Unauthorised works on roads

(1) This section applies to a road in a local government area.

(2) A person must not, without lawful excuse (including under another Act, for example), or the written approval of the local government—

(a) carry out works on a road; or

(b) interfere with a road or its operation.

Maximum penalty—200 penalty units.

(3) Works do not include the maintenance of ancillary works and encroachments, or landscaping, that does not interfere with the road or its operation.

(4) An approval may be subject to the conditions decided by the local government.

(5) A person must not contravene a condition that applies to a person under subsection (4).

Maximum penalty—40 penalty units.

(6) If a person carries out works in contravention of this section, the local government may—

(a) dismantle or alter the works; or

(b) fix any damage caused by the works.

(7) If the local government dismantles or alters the works, or fixes any damage caused by the works, the person must pay the local government the reasonable costs incurred by the local government in doing so.
Division 2  Stormwater drains

76  What this division is about

(1) This division is about stormwater drains and stormwater installations.

(2) A stormwater drain is a drain, channel, pipe, chamber, structure, outfall or other works used to receive, store, transport or treat stormwater.

(2) The way, condition and time stated in the notice must be reasonable in the circumstances.

(3) A person must not connect a stormwater installation for a property to a local government’s stormwater drain unless—

(ii) from sanitary plumbing to an on-site sewerage facility or a sewerage treatment system.

*Examples of apparatus, fittings or pipes for sanitary drainage—*

- bends at the foot of stacks or below ground level
- pipes above ground level that are installed using drainage principles
- for an on-site sewerage facility—a pipe (other than a soil or waste pipe) used to carry sewage to or from the facility
(3) The owner of a property who becomes aware that the sewerage installation for the property is connected to any part of—
   (a) the stormwater installation for the property; or
   (b) the stormwater drain of the local government;
must, as soon as reasonably practicable, take all necessary steps to disconnect the facility, drainage or sewer from the stormwater installation or drain.
Maximum penalty—165 penalty units.

(4) If the sewerage installation for property is connected to any part of—
   (a) the stormwater installation on the property; or
   (b) the stormwater drain of the local government;
the local government may, by notice, require the owner of the property to perform the work stated in the notice, within the time stated in the notice.

(5) The time stated in the notice must—
   (a) be a time that is reasonable in the circumstances; and
   (b) be at least 1 month after the notice is given to the owner.

(6) However, the time stated in the notice may be less than 1 month but must not be less than 48 hours if the work stated in the notice—
   (a) is required to stop a serious health risk continuing; or
   (b) relates to a connection that is causing damage to the local government’s stormwater drain.

(7) The work stated in the notice must be work that is reasonably necessary for fixing or otherwise dealing with the sewerage installation, including for example—
   (a) work to remedy a contravention of this Act; or
   (b) work to disconnect something that was connected to a stormwater drain without the local government’s approval.
(8) The owner must comply with the notice, unless the owner has a reasonable excuse.

(3) A person must not put a prohibited substance into a stormwater drain.

Maximum penalty—1,000 penalty units.

(4) A *prohibited substance* is—

(iii) causing a hazard for humans or animals; or

(iv) creating a public nuisance; or

(v) creating a hazard in waters; or

Example for paragraph (d)—

a substance with a pH lower than 6.0 or greater than 10.0, or having another corrosive property

(e) a substance that has a temperature of more than—

(i) if the local government has approved a maximum temperature for the substance—the approved maximum temperature; or

(ii) otherwise—38ºC.

(5) If—

(a) a person puts a prohibited substance in a local government’s stormwater drain; and

(b) the prohibited substance causes damage to the stormwater drain;

the local government may perform work to fix the damage, and may recover the reasonable costs for the work from the person who put the prohibited substance in the stormwater drain.

(6) The costs for the work are in addition to any penalty imposed for the offence.
80 Interference with path of stormwater

(1) A person must not restrict or redirect the flow of stormwater over land in a way that may cause the water to collect and become stagnant.

   Maximum penalty—165 penalty units.

(2) However, this section does not apply to water collected in a dam, wetland, tank or pond, if no offensive material is allowed to accumulate.

Division 3 Other matters

80A Malls

(1) A local government may establish a mall in its local government area.

(2) The local government must comply with the procedures prescribed under a regulation for establishing a mall.

(3) The regulation may also provide for any other matter connected with managing, promoting or using a mall, including, for example—

   (b) review of a decision relating to the removal of a vehicle from a mall; and
   (c) matters relating to an advisory committee for a mall.

(4) A person is not entitled to compensation on account of injurious affection to any right or interest of a business, commercial or industrial nature because of the establishment, modification or closing of a mall by a local government.

(5) However, the local government may, by resolution, decide to pay compensation to the person.

(6) The Land Act, chapter 4, part 4 does not apply to a road that is a mall.
80B Ferry services

(1) A local government has the exclusive right to provide a ferry service across a watercourse if the land that forms both banks of the watercourse is in its local government area.

(2) A watercourse is a river, creek or channel where water flows naturally.

(3) A local government may—

   (a) lease the right to provide a ferry service across a watercourse that it has the exclusive right to provide a ferry service across; and
   
   (b) make local laws for managing and regulating the use of ferries operated or leased by it.

(4) A regulation may—

   (a) declare another watercourse that a local government has the exclusive right to provide a ferry service across; and

   (b) provide for any other matter connected with the provision of ferry services (including declaring the approaches to a ferry as being under the control of a local government, for example).

Part 4 The business of indigenous local governments

Division 1 Introduction

   (b) Mornington Shire Council;

   (c) an indigenous local government.
Division 2  Managing trust land

82  What this division is about
(1) This division contains provisions that apply to a trustee council.
(2) A trustee council is any of the following local governments if the local government is a trustee of trust land—
   (a) Aurukun Shire Council;
   (b) Mornington Shire Council;
   (c) an indigenous local government.
(3) Trust land is the land described in a deed of grant in trust that is issued under the Land Act.

(b) an electronic funds transfer authorised by the financial controller.

(6) If the financial controller reasonably believes a decision, resolution or order to make a payment is financially unsound, the financial controller must—

(a) refuse to make a payment; and

(b) advise the department’s chief executive about why the decision, resolution or order is financially unsound.
(7) A decision, resolution or order is financially unsound if the decision, resolution or order—
(a) may cause the local government to become insolvent; or
(b) will result in unlawful expenditure by the local government; or
(c) will result in a disbursement from a fund that is not provided for in the local government’s budget; or
(d) will result in expenditure from grant moneys for a purpose other than the purpose for which the grant was given.

119 Costs and expenses of advisors and financial controllers
(1) The department’s chief executive may direct a local government for which an advisor or financial controller is appointed to pay the Minister a stated amount for—
(a) the salary and allowances payable to the advisor or financial controller; and
(b) the costs and expenses of the advisor or financial controller.
(2) The direction may state a time for payment.
(3) The stated amount is a debt payable to the State.

Division 3 Action by the Minister

120 Precondition to remedial action
(1) This section applies if the Minister proposes to exercise a power under this division.
(2) The Minister must give the local government or councillor in question a notice of the proposal to exercise the power, before the power is exercised, unless—
(a) the local government or councillor asked the Minister to exercise the power; or
(b) if the Minister proposes to exercise a power under section 122 or 123—the conduct tribunal has made a recommendation under section 150AR to suspend or dismiss a councillor; or

c) the Minister considers that giving notice—
   (i) is likely to defeat the purpose of the exercise of the power; or
   (ii) would serve no useful purpose.

(3) The notice must state—
   (a) the power that the Minister proposes to exercise; and
   (b) the reasons for exercising the power; and
   (c) any remedial action that the local government or councillor should take; and
   (d) a reasonable time within which the local government or councillor may make submissions to the Minister about the proposal to exercise the power.

(4) The reasons stated in the notice are the only reasons that can be relied on in support of the exercise of the power.

(5) The Minister must have regard to all submissions that are made by the local government or councillor within the time specified in the notice.

(6) If—
   (a) the Minister receives no submissions from the local government or councillor within the time specified in the notice; or
   (b) the submissions from the local government or councillor do not contain reasonable grounds to persuade the Minister not to exercise the power;
the Minister may exercise the power without further notice to the local government or councillor.
121 Removing unsound decisions

(1) This section applies if the Minister reasonably believes that a decision of the local government is contrary to any law or inconsistent with the local government principles.

(2) A decision is—
   (a) a resolution; or
   (b) an order to give effect to a resolution; or
   (c) a planning scheme; or
   (d) a part of a decision mentioned in paragraphs (a) to (c).

(3) The Minister, by a gazette notice, may—
   (a) suspend the decision, for a specified period or indefinitely; or
   (b) revoke the decision.

(4) The gazette notice must state—
   (a) how the decision is contrary to a law or inconsistent with the local government principles; and
   (b) if the decision has been suspended—how the decision may be amended so that it is no longer contrary to the law or inconsistent with the local government principles.

(5) If the Minister suspends the decision, the decision stops having effect for the period specified in the gazette notice.

(6) If the Minister revokes the decision—
   (a) the decision stops having effect on the day specified in the gazette notice; or
   (b) if no day is specified in the gazette notice—the decision is taken to never have had effect.

(7) The State is not liable for any loss or expense incurred by a person because a local government’s decision is suspended or revoked under this section.
122 Removing a councillor

(1) This section applies if—
(a) the conduct tribunal recommends under section 150AR that a councillor be suspended or dismissed; or
(b) the Minister reasonably believes that a councillor has seriously or continuously breached the local government principles; or
(c) the Minister reasonably believes that a councillor is incapable of performing their responsibilities; or
(d) the Minister reasonably believes it is otherwise in the public interest that a councillor be suspended or dismissed.

(2) The Minister may recommend that the Governor in Council—
(a) if the conduct tribunal recommends that a councillor be suspended or dismissed—suspend or dismiss the councillor; or
(b) if the proposal in the Minister’s notice under section 120 was to suspend the councillor for a stated period—suspend the councillor for a period that is no longer than the stated period; or
(c) if the proposal in the Minister’s notice under section 120 was to dismiss the councillor or dissolve the local government—suspend or dismiss the councillor.

(3) The Governor in Council may give effect to the Minister’s recommendation under a regulation.

123 Suspending or dissolving a local government

(1) This section applies if—
(a) the conduct tribunal recommends under section 150AR that every councillor be suspended or dismissed; or
(b) the Minister reasonably believes that a local government has seriously or continuously breached the local government principles; or
(c) the Minister reasonably believes that a local government is incapable of performing its responsibilities; or

(d) the Minister reasonably believes it is otherwise in the public interest that every councillor be suspended or dismissed.

(2) If the proposal in the Minister’s notice under section 120 was to suspend every councillor for a stated period, the Minister may recommend that the Governor in Council—

(a) suspend every councillor for a period that is no longer than the stated period; and

(b) appoint an interim administrator to act in place of the councillors until the stated period ends.

(3) Also, the Minister may recommend that the Governor in Council—

(a) dissolve the local government; and

(b) appoint an interim administrator to act in place of the councillors until the conclusion of a fresh election of councillors.

(4) The Governor in Council may give effect to the Minister’s recommendation under a regulation.

(5) A regulation dissolving a local government has effect in accordance with the requirements of the Constitution of Queensland 2001, chapter 7, part 2.

(6) It is Parliament’s intention that a fresh election of the councillors of the local government should be held as soon as practicable after the Legislative Assembly ratifies the dissolution of the local government.

124 **Interim administrator acts for the councillors temporarily**

(1) This section applies if an interim administrator is appointed to act in place of the councillors of a local government.

(2) The interim administrator has all the responsibilities and powers of—
(a) the local government; and

(b) the mayor.

(3) However, a regulation may limit the responsibilities and powers of the interim administrator.

(4) The interim administrator must exercise power under the name of ‘interim administrator of the (name of the local government)’.

(5) This Act and other Acts apply to the interim administrator, with all necessary changes, and any changes prescribed under a regulation, as if the interim administrator were the local government.

(6) The Governor in Council may direct a local government for which an interim administrator is appointed to pay to the Minister an amount specified in the direction for the costs and expenses of the interim administrator.

(7) The specified amount may include the salary and allowances payable to an officer of the public service who is appointed as interim administrator.

(8) The direction may specify a time for payment.

(9) The specified amount is a debt payable to the State.

(10) The Minister may create an advisory committee to give the interim administrator advice about the performance of the local government’s responsibilities.
Part 2             The public

Division 1         Powers of authorised persons

Subdivision 1     Introduction

125    What this division is about

(1) This division is about the powers that may be used by an authorised person.

(2) An authorised person is a person who is appointed under this Act to ensure that members of the public comply with the Local Government Acts.

Note—
See chapter 6, part 6 for more information about the appointment of authorised persons.

(3) The powers of an authorised person include the power, in certain circumstances—

(a) to ask a person for their name and address; and
(b) to enter a property, including private property.

(4) Private property is a property that is not a public place.

(5) A public place is a place, or that part of a place, that—

(a) is open to the public; or
(b) is used by the public; or
(c) the public is entitled to use;

whether or not on payment of money.

Example—
A person uses a room at the front of their home as a business office. While the business office is open to the public it is a public place. However, the home is private property and not part of the public place.

(6) An occupier of a property includes a person who reasonably appears to be the occupier of, or in charge of, the property.
(7) Force must not be used to enter a property under this division, other than when the property is entered under a warrant that authorises that use of force.

126 Producing authorised person’s identity card

(1) An authorised person may exercise a power under this division, in relation to a person, only if the authorised person—

(a) first produces his or her identity card for the person to inspect; or

(b) has his or her identity card displayed so it is clearly visible to the person.

(2) However, if for any reason it is not practicable to comply with subsection (1), the authorised person must produce the identity card for the person’s inspection at the first reasonable opportunity.

Subdivision 2 Power to require a person’s name and address

127 Power to require a person’s name and address

(1) This section applies if an authorised person—

(a) finds a person committing an infringement notice offence; or

(b) finds a person in circumstances that lead the authorised person to suspect, on reasonable grounds, that the person has just committed an infringement notice offence; or

(c) has information that leads the authorised person to suspect, on reasonable grounds, that a person has just committed an infringement notice offence.
(2) An infringement notice offence is an offence prescribed under the *State Penalties Enforcement Act 1999* to be an infringement notice offence.

(3) The authorised person may require the person to state the person’s name and address.

(4) If the authorised person does so, the authorised person must also warn the person that it is an offence to fail to state the person’s name and address, unless the person has a reasonable excuse.

(5) The authorised person may require the person to give evidence of the person’s name or address if the authorised person suspects, on reasonable grounds, that the person has given a false name or address.

(6) The person must comply with an authorised person’s requirement under subsection (3) or (5), unless the person has a reasonable excuse.

Maximum penalty—35 penalty units.

(7) However, the person does not commit an offence under subsection (6), if the person is not proved to have committed the infringement notice offence.

**Subdivision 3 Powers to enter property etc.**

**128 Entering a public place that is open without the need for permission**

(1) This section applies if an authorised person wants to enter a public place to ensure that the public place complies with the Local Government Acts.

(2) The authorised person may enter the public place, without the permission of the occupier of the place, if the place is not closed to the public (by a locked gate, for example).
129 Entering private property with, and in accordance with, the occupier’s permission

(1) An authorised person may enter private property, that is not closed to entry by the public (by a locked gate, for example), in order to ask the occupier of the property for permission to stay on the property and exercise powers under a Local Government Act.

(2) When asking the occupier for permission, the authorised person must inform the occupier—
   (a) of the purpose of entering the property; and
   (b) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
   (c) that the occupier is not obliged to give permission.

(3) If the occupier gives permission, the authorised person may ask the occupier to sign a document that confirms that the occupier has given permission.

(4) The document must state—
   (a) that the authorised person informed the occupier—
      (i) of the purpose of entering the property; and
      (ii) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
      (iii) that the occupier was not obliged to give the permission; and
   (b) that the occupier gave the authorised person permission to enter the property and exercise powers under a Local Government Act; and
   (c) the date and time when the occupier gave the permission.

(5) If the occupier signs the document, the authorised person must immediately give a copy of the document to the occupier.
(6) If, in any proceedings—
   (a) a question arises as to whether the occupier of a property gave permission to allow an authorised person to stay on the property under this Act; and
   (b) a document that confirms the occupier gave permission is not produced in evidence;

   the court may assume that the occupier did not give the permission, unless the contrary is proved.

(7) If the occupier gives permission, the authorised person may stay on the property and exercise the powers that the occupier has agreed to be exercised on the property.

(8) However, the right to stay on the property—
   (a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and
   (b) may be cancelled by the occupier at any time.

130 Entering private property with, and in accordance with, a warrant

(1) An authorised person may enter private property with, and in accordance with, a warrant.

(2) An authorised person must apply to a magistrate for a warrant.

(3) The application for the warrant must—
   (a) be in the form approved by the department’s chief executive; and
   (b) be sworn; and
   (c) state the grounds on which the warrant is sought.

(4) The magistrate may refuse to consider the application until the authorised person gives the magistrate all the information that the magistrate requires about the application, in the way that the magistrate requires.
Example—

The magistrate may require additional information in support of the application to be given by statutory declaration.

(5) The magistrate may issue the warrant only if the magistrate is satisfied that there are reasonable grounds for suspecting—

(a) there is a particular thing or activity that may provide evidence of an offence against a Local Government Act (the evidence); and

(b) the evidence is at the place, or may be at the place within the next 7 days.

(6) The warrant must state—

(a) the evidence for which the warrant is issued; and

(b) that the authorised person may, with necessary and reasonable help and force, enter the property and exercise an authorised person’s powers under this Act; and

(c) the hours of the day or night when the property may be entered; and

(d) the day (within 14 days after the warrant’s issue) when the warrant ends.

(7) The magistrate must keep a record of the reasons for issuing the warrant.

(8) A warrant is not invalidated by a defect in the warrant, or in compliance with section 131, unless the defect affects the substance of the warrant in a material particular.

(9) As soon as an authorised person enters private property under a warrant, the authorised person must do, or make a reasonable attempt to do, the following things—

(a) inform any occupier of the property—

(i) of the reason for entering the property; and

(ii) that the warrant authorises the authorised person to enter the property without the permission of the occupier;
(b) give any occupier a reasonable opportunity to allow the authorised person to immediately enter the property without using force.

(10) However, the authorised person does not need to comply with subsection (9) if the authorised person believes that immediate entry to the property is required to ensure the warrant is effectively executed.

### 131 Warrants—applications made electronically

(1) An authorised person may make an electronic application for a warrant if the authorised person considers it necessary because of—

(a) urgent circumstances; or

(b) special circumstances (including the authorised person’s remote location, for example).

(2) An *electronic application* is an application made by phone, fax, radio, email, videoconferencing or another form of electronic communication.

(3) The authorised person must prepare an application for the warrant that states the grounds on which the warrant is sought, before applying for the warrant.

(4) However, the authorised person may apply for the warrant before the application is sworn.

(5) The magistrate may issue the warrant only if the magistrate is satisfied that—

(a) it was necessary to make the application electronically; and

(b) the way that the application was made was appropriate in the circumstances.

(6) If the magistrate issues the warrant, and it is reasonably practicable to send a copy of the warrant to the authorised person (by fax or email, for example), the magistrate must immediately do so.
(7) If it is not reasonably practicable to send a copy of the warrant to the authorised person—

(a) the magistrate must—

(i) inform the authorised person of the date and time when the magistrate signed the warrant; and

(ii) inform the authorised person of the terms of the warrant; and

(b) the authorised person must write on a warrant form—

(i) the magistrate’s name; and

(ii) the date and time when the magistrate signed the warrant; and

(iii) the terms of the warrant.

(8) The copy of the warrant sent to the authorised person, or the warrant form properly completed by the authorised person, authorises the authorised person to enter the property, and to exercise the powers, mentioned in the warrant that was signed by the magistrate.

(9) The authorised person must, at the first reasonable opportunity, send the magistrate—

(a) the sworn application; and

(b) if the authorised person completed a warrant form—the completed warrant form.

(10) When the magistrate receives those documents, the magistrate must attach them to the warrant that was signed by the magistrate, and give the warrant to the clerk of the court.

(11) Unless the contrary is proven, a court must presume that a power exercised by an authorised person was not authorised by a warrant issued under this section if—

(a) a question arises, in any proceedings before the court, whether the exercise of power was authorised by a warrant; and

(b) the warrant is not produced in evidence.
132 Entering under an application, permit or notice

(1) This section applies if an authorised person wants to enter a property—

(a) to inspect the property in order to process an application made under any Local Government Act; or

(b) to inspect a record that is required to be kept for a budget accommodation building under the Building Act, chapter 7; or

(c) to find out whether the conditions on which a permit or notice was issued have been complied with; or

(d) to inspect work that is the subject of, or was carried out under, a permit or notice.

(2) A permit is an approval, authorisation, consent, licence, permission, registration or other authority issued under any Local Government Act.

(3) A notice is a notice issued under any Local Government Act.

(4) The authorised person may enter the property without the permission of the occupier of the property—

(a) at any reasonable time during the day; or

(b) at night, if—

(i) the occupier of the property asks the authorised person to enter the property at that time; or

(ii) the conditions of the permit allow the authorised person to enter the property at that time; or

(iii) the property is a public place and is not closed to the public.

(5) However, the authorised person—

(a) must, as soon as the authorised person enters the property, inform any occupier of the property—

(i) of the reason for entering the property; and
133 Entering property under an approved inspection program

(1) An authorised person may enter a property (other than a home on the property) without the permission of the occupier of the property, at any reasonable time of the day or night, under an approved inspection program.

(2) An approved inspection program is a program, approved by a local government, under which an authorised person may enter and inspect properties in the local government area to ensure the Local Government Acts are being complied with.

Example of an approved inspection program—

a program to ensure that swimming pools are fenced in accordance with a local law

(3) The local government must give, or must make a reasonable attempt to give, the occupier of the property a notice that informs the occupier of the following—

(a) the local government’s intention to enter the property;
(b) the reason for entering the property;
(c) an estimation of when the property will be entered.

Example—

A local government may give the notice to an occupier of a property by dropping a flyer in the letterbox for the property.

(4) The local government must give, or make a reasonable attempt to give, the notice to the occupier within a reasonable time before the property is to be entered.

(5) The authorised person—

(a) must, as soon as the authorised person enters the property, inform any occupier of the property—
(i) of the reason for entering the property; and

(ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and

(b) may enter a budget accommodation building on the property only to monitor compliance with the Building Act, chapter 7.

134 Approving an inspection program

(1) A local government may, by resolution, approve the following types of inspection programs—

(a) a systematic inspection program;

(b) a selective inspection program.

(2) A systematic inspection program allows an authorised person to enter and inspect all properties, or all properties of a certain type, in the local government area.

(3) A selective inspection program allows an authorised person to enter and inspect those properties in the local government area that have been selected in accordance with objective criteria specified in the resolution.

(4) The resolution must state—

(a) the purpose of the program; and

(b) when the program starts; and

(c) for a systematic inspection program that allows a type of property to be entered and inspected—a description of the type of property; and

(d) for a selective inspection program—the objective criteria for selecting the properties to be entered and inspected; and

(e) the period (of not more than 3 months or another period prescribed under a regulation) over which the program is to be carried out.
(5) The local government must give the public notice of the approval of an inspection program, at least 14 days, but not more than 28 days, before the approved inspection program starts.

(6) The notice must be published—

(a) in a newspaper that is circulating generally in the local government area; and

(b) on the local government’s website.

(7) The notice must state the following—

(a) the name of the local government;

(b) the purpose and scope of the program, in general terms;

(c) when the program starts;

(d) the period over which the program is to be carried out;

(e) that the public may inspect a copy of the resolution that approved the program at the local government’s public office until the end of the program;

(f) that a copy of the resolution that approved the program may be purchased at the local government's public office until the end of the program;

(g) the price of a copy of the resolution that approved the program.

(8) The price of a copy of the resolution that approved the program must be no more than the cost to the local government of making the copy available for purchase.

(9) From the time when the notice is published in the newspaper until the end of the program—

(a) the public may inspect a copy of the resolution that approved the program at the local government’s public office; and

(b) copies of the resolution that approved the program must be available for purchase at the local government’s public office at the price stated in the notice.
134A **Entry by authorised person, at reasonable times, to inspect regulated pools**

(1) At all reasonable times, an authorised person may enter a property (other than a home on the property) without permission of the occupier of the property to inspect a regulated pool, and barriers or fencing for the pool, for compliance with—

(a) if, under the Building Act, the owner of the pool must ensure the pool complies with the pool safety standard or a part of the standard—the pool safety standard or part; or

(b) if paragraph (a) does not apply—a provision of a law that regulates—

(i) the construction or maintenance of barriers or fencing for the pool; or

(ii) another matter relating to the safety of persons using the pool.

(2) However, the authorised person must, as soon as the authorised person enters the property—

(a) inform any occupier of the property—

(i) of the reason for entering the property; and

(ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and

(b) produce his or her identity card for the occupier of the property to inspect.

(3) In this section—

*pool safety standard* see the Building Act, section 231D.

135 **General powers after entering a property**

(1) This section explains the powers that an authorised person has after entering a property, other than entering a property—
(a) to ask the occupier of the property for permission to stay on the property; or
(b) under section 132, 133 or 134A.

(2) The authorised person may—
(a) search any part of the property; or
(b) inspect, test, photograph or film anything that is in or on the property; or
(c) copy a document that is in or on the property; or
(d) take samples of or from anything that is in or on the property; or
(e) take into or onto the property any persons, equipment and materials that the authorised person reasonably requires for exercising the authorised person’s powers; or
(f) require the occupier of the property, or a person in or on the property, to give the authorised person reasonable help to exercise the authorised person’s powers under paragraphs (a) to (e).

(3) An authorised person may exercise a power under subsection (2) only if exercising the power is necessary for the purpose related to the entry of the property.

(4) If a person is required to give reasonable help under subsection (2)(f), the person must comply with the requirement, unless the person has a reasonable excuse.

Maximum penalty—8 penalty units.

(5) If the requirement is to be complied with by the person giving information or producing a document, it is a reasonable excuse for the person to fail to comply with the requirement if complying with the requirement might incriminate the person.

136 Authorised person to give notice of damage

(1) This section applies if—
(a) something is damaged by—

Authorised by the Parliamentary Counsel
[s 137]

(i) an authorised person, when the authorised person exercises a power under this division; or

(ii) a person who is authorised by an authorised person to take action under this division, when the person takes the action; or

(b) the authorised person considers, on reasonable grounds, that the damage is more than trivial damage.

(2) The authorised person must immediately give notice of the particulars of the damage to the person who appears to be the owner of the thing that was damaged.

(3) However, if for any reason it is not practicable to do so, the authorised person must leave the notice, in a reasonably secure way and in a conspicuous position, at the place where the thing was damaged.

(4) The owner of a thing includes a person in possession or control of the thing.

(5) If the authorised person believes the damage was caused by a latent defect in the thing, or other circumstances beyond the authorised person’s control, the authorised person may state that in the notice.

137 Compensation for damage or loss caused after entry

(1) If a person incurs damage or loss because of the exercise, or purported exercise, of a power under this division, the local government must pay the person compensation.

(2) The compensation equals—

(a) the amount agreed between the person and local government; or

(b) if the person and local government can not agree, the amount that is decided by a court.

(3) The person may claim the compensation in—

(a) any proceedings for compensation; or
Local Government Act 2009
Chapter 5 Monitoring and enforcing the Local Government Acts

[138] (b) any proceedings brought against the person for an
offence against any Local Government Act.

(4) A court may order compensation to be paid only if the court is
satisfied it is just to do so in all the circumstances.

(5) A regulation may prescribe matters that may, or must, be
taken into account by the court when considering whether it is
just to make the order.

(6) The court may make any order about costs that the court
considers just.

Division 2 Powers of other persons

138 What this division is about

(1) This division is about the powers that may be used—

(a) to enable a local government to perform its responsibilities; or

(b) to ensure that a person complies with this Act, and the
other Local Government Acts, including by complying
with a remedial notice.

(2) This division explains the circumstances in which a person is
authorised to enter a property under this division, namely—

(a) in a potentially dangerous situation, to take urgent
action; or

(b) to take action in relation to local government facilities
on the property (including water or sewerage pipes, for
example); or

(c) with (and in accordance with) the permission of the
occupier of the property; or

(d) with (and in accordance with) a court order; or

(e) with (and in accordance with) a reasonable entry notice.

(3) The following persons may enter a property under this
division—
(a) if the occupier of the property is not the owner of the property—the owner or the owner’s employee;
(b) a local government worker.

(4) A local government worker is an employee, or agent, of the local government who is authorised by the local government to act under this division.

Note—
Not every employee or agent of the local government would ordinarily be authorised to act under this division.

(5) However, the local government may authorise an employee or agent to act under this division only if the employee or agent is appropriately qualified or trained to exercise a power or perform a responsibility under this division.

(6) Force must not be used to enter a property under this division, unless the property is entered under a court order that specifically authorises the use of that force.

138AA Notices for this division

(1) A remedial notice is a notice that requires the owner or occupier of a property to take action under a Local Government Act in relation to the property (including fencing a pool, for example).

(2) A remedial notice may only be given by a local government to the person who, under a Local Government Act, is required to take the action stated in the notice.

(3) A reasonable entry notice is a notice about a proposed entry of a property that—
(a) informs the owner or occupier of the property of—
   (i) who is to enter the property; and
   (ii) the reason for entering the property; and
   (iii) the days and times when the property is to be entered; and
(b) is given to the owner or occupier of the property at least 7 days before the property is proposed to be entered.

(4) A remedial notice and a reasonable entry notice may not be combined unless—

(a) the owner of the property is also the occupier of the property; or

(b) the occupier of the property is the person who, under a Local Government Act, is required to take the action stated in the remedial notice.

(5) A notice given under this division in contravention of this section is of no effect.

138A Identity card for use under this division

(1) A local government is not required to give a local government worker an identity card unless the worker is exercising a power of entry under this division.

(2) This section does not stop a single identity card being issued to a person for this Act and for another purpose.

(3) A person who stops being a local government worker must return the person’s identity card to the local government within 21 days after stopping being a local government worker, unless the person has a reasonable excuse.

Maximum penalty for subsection (3)—10 penalty units.

139 Entry with, and in accordance with, permission of occupier

(1) Any person may enter a property with the permission of the occupier of the property.

(2) However, the right to enter the property—

(a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and

(b) may be cancelled by the occupier at any time.
140 Entry by an owner, with reasonable entry notice, under a remedial notice

(1) This section applies if—
   (a) a local government gives a remedial notice to the owner of a property; and
   (b) the owner is not the occupier of the property.

(2) After the owner gives a reasonable entry notice to the occupier of the property, the owner or the owner’s agent may—
   (a) enter the property at the times stated in the reasonable entry notice; and
   (b) take the action that is required under the remedial notice.

(3) If the occupier asks to inspect the remedial notice, the owner must allow the occupier to inspect the remedial notice.

(4) This section does not affect any rights that the owner has apart from this section.

141 Occupier may discharge owner’s obligations

(1) This section applies if—
   (a) the owner of a property fails—
      (i) to take the action in relation to the property that is required under a remedial notice; or
      (ii) to pay money that is payable in relation to the property under a Local Government Act (including rates, for example); and
   (b) the occupier of the property is not the owner of the property.

(2) The occupier of the property may—
   (a) take the action that is required, and recover the amount that the occupier properly and reasonably incurs in taking the action as a debt payable by the owner; or
(b) pay the money that is payable, and recover the money as a debt payable by the owner.

(3) For example, if the occupier is the owner’s tenant, the occupier may deduct the money from any rent that the occupier owes the owner, without being in breach of the tenancy agreement.

142 Entry by a local government worker, with reasonable entry notice, under a remedial notice

(1) This section applies if—

(a) a local government gives a remedial notice to the owner or the occupier of a property (the responsible person); and

(b) the responsible person fails to take the action required under the remedial notice.

(2) After giving a reasonable entry notice to the occupier of the property, a local government worker may—

(a) enter the property (other than a home on the property) without the permission of the occupier; and

(b) take the action that is required under the remedial notice.

(3) However, the local government worker must, as soon as the local government worker enters the property—

(a) inform any occupier of the property—

(i) of the reason for entering the property; and

(ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and

(b) produce his or her identity card for the occupier of the property to inspect.

(4) The local government may recover the amount that the local government properly and reasonably incurs in taking the
action as a debt payable by the person who failed to take the action.

(5) Interest is payable on the debt at the same rate that interest is payable on overdue rates levied by the local government.

(6) The local government must give the person who failed to take the action notice of the amount of the debt.

(7) Subsection (8) applies if the person who failed to take the action is the owner of the property.

(8) If the debt is not paid within 30 days after the date of the notice, the local government may recover the debt as if the debt were overdue rates.

143 Entry by a local government worker, with reasonable entry notice, to take materials

(1) This section applies if, in the circumstances, a local government has no other reasonably practicable way of obtaining materials other than by removing the materials from relevant land.

(2) Relevant land means land, other than protected land, that is—

(a) within the local government area; or

(b) if the local government has the written approval of the Minister, under section 9(4)(b)(i), to exercise its powers outside its local government area—outside its local government area; or

(c) if the local government may exercise a power in another local government’s area for the purpose of a joint government activity—within the other local government’s area.

(3) Protected land is land that is—

(a) the site of, or curtilage around, a home or other structure; or

(b) a court, lawn, park, planted walk or avenue or yard; or
(c) under cultivation (including a garden, nursery or plantation, for example); or
(d) a state forest or timber reserve under the Forestry Act; or
(e) a protected area under the Nature Conservation Act 1992; or
(f) the wet tropics area under the Wet Tropics World Heritage Protection and Management Act 1993.

(4) After giving a reasonable entry notice to the owner and the occupier of the rateable land, a local government worker may—

(a) enter the land without the permission of the occupier of the land; and

(b) search for materials that the local government requires to perform its responsibilities; and

(c) remove the materials from the land.

Example—

A local government may remove dirt from the land for use in mopping up an oil spill on a neighbouring road to prevent the oil entering a stormwater drain.

(5) However, the local government worker must, as soon as the local government worker enters the property—

(a) inform any occupier of the property—

(i) of the reason for entering the property; and

(ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and

(b) produce his or her identity card for the occupier of the property to inspect.

(6) The local government worker must not search for, or remove materials from, within 50m of any structure or works on the land (including a home, bridge, dam or wharf, for example).
144 Entry by a local government worker, at reasonable times, to repair etc. facilities

(1) At all reasonable times, a local government worker may enter a property (other than a home on the property) without the permission of the occupier of the property—

(a) to investigate the future installation of local government facilities on, over or under the property; or

(b) to install local government facilities on, over or under the property; or

(c) to inspect, maintain, operate, repair, replace or remove local government facilities, that are on, over or under the property, for their routine operations.

(2) Local government facilities are facilities that are installed by a local government (including sewerage pipes, for example).

(3) However, the local government worker must, as soon as the local government worker enters the property—

(a) inform any occupier of the property—

(i) of the reason for entering the property; and

(ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and

(b) produce his or her identity card for the occupier of the property to inspect.

145 Entry by a local government worker, at any time, for urgent action

(1) A local government worker may enter a property (other than a home on the property), at any time without the permission of the occupier of the property, in a potentially dangerous situation to take urgent action for local government purposes.

Example—

A local government worker may enter a property to cut down a tree that was blown over in a storm and is in danger of falling and injuring someone or damaging property.
(2) However, the local government worker must, as soon as reasonably practicable after the local government worker enters the property—
   (a) inform any occupier of the property—
      (i) of the reason for entering the property; and
      (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
   (b) produce his or her identity card for the occupier of the property to inspect.

146 Entry with, and in accordance with, a court order

(1) A person may enter a property with, and in accordance with, a court order made under this section.

(2) The person must apply to a magistrate for the court order.

(3) The application must—
   (a) be in the form approved by the department’s chief executive; and
   (b) be sworn; and
   (c) state the grounds on which the court order is sought.

(4) The person must, as soon as practicable, give a copy of the application to—
   (a) if the person is not the owner of the property—the owner of the property; and
   (b) the occupier of the property.

(5) The magistrate may refuse to consider the application until the person gives the magistrate all the information that the magistrate requires about the application in the way that the magistrate requires.

Example—
   The magistrate may require additional information supporting the application to be given by statutory declaration.
(6) If the magistrate is satisfied that entry to the property is necessary to allow the person to take action under any of the Local Government Acts, the magistrate may make the court order.

(7) The court order must—

(a) direct the occupier of the property to allow the person to enter the property and take all action that is necessary under any Local Government Act; and

(b) state the hours of the day or night when the property may be entered; and

(c) state the day (within 14 days after the court order is made) when the court order ends.

(8) If the person who applied for the court order is a local government worker, the court order may authorise the local government worker to use necessary and reasonable help and force to enter the property.

(9) The magistrate must record the reasons for making the court order.

(10) As soon as the person enters the property under the court order, the person must do, or make a reasonable attempt to do, the following things—

(a) inform any occupier of the property—

(i) of the reason for entering the property; and

(ii) that the person is authorised under the court order to enter the property without the permission of the occupier;

(b) if the court order authorises the person to use force to enter the property—give the occupier a reasonable opportunity to allow the person to immediately enter the property without using force.

147 Compensation for damage or loss caused

(1) A local government worker who enters a property—
(a) must not cause, or contribute to, damage to any structure or works on the property; and

(b) must take all reasonable steps to ensure that the worker causes as little inconvenience, and does as little other damage, as is practicable in the circumstances.

(2) If a person incurs damage or loss because of the exercise, or purported exercise, of a power under this division (including the loss of the value of materials removed from a property, or the reduction in the value of the property, for example), the local government must pay the person compensation.

(3) The compensation equals—

(a) the amount agreed between the person and local government; or

(b) if the person and local government can not agree, the amount that is decided by a court.

(4) The court may make any order about costs that the court considers just.

148 Limitation of time in absence of notice of work done

(1) This section applies if work is done on a property without an approval that is required under a Local Government Act.

(2) For the purposes of any limitation of time for taking any proceedings or doing anything else about the work, the work is taken to have been done when a local government worker first finds out about the work.

Part 2  Conduct at local government meetings

Division 1  Requirement for meeting procedures

150F  Department’s chief executive to make model procedures

(1) The department’s chief executive must make procedures (the model procedures) for the conduct of meetings of a local government and its committees.

(2) Without limiting subsection (1), the model procedures must state—
   (a) how the chairperson of a local government meeting may deal with a councillor’s unsuitable meeting conduct; and
   (b) how the suspected inappropriate conduct of a councillor referred to the local government by the assessor must be dealt with at a local government meeting.

(3) The department’s chief executive must publish the model procedures on the department’s website.

150G  Adopting meeting procedures

(1) A local government must either—
   (a) adopt the model procedures; or
   (b) prepare and adopt other procedures for the conduct of its meetings and meetings of its committees.

(2) If the local government prepares and adopts procedures under subsection (1)(b)—
(a) the procedures must not be inconsistent with the model procedures; and
(b) if there is an inconsistency, the local government is taken to have adopted the model procedures to the extent of the inconsistency.

Division 2  Unsuitable meeting conduct

150H What is unsuitable meeting conduct

The conduct of a councillor is unsuitable meeting conduct if the conduct—
(a) happens during a local government meeting; and
(b) contravenes a behavioural standard.

150I Chairperson may deal with unsuitable meeting conduct

(1) This section applies if, at a local government meeting, the chairperson of the meeting reasonably believes the conduct of a councillor during the meeting is unsuitable meeting conduct.

(2) The chairperson may make 1 or more of the following orders—
(a) an order reprimanding the councillor for the conduct;
(b) an order requiring the councillor to leave the place at which the meeting is being held, including any area set aside for the public, and stay away from the place for the rest of the meeting;
(c) if the councillor fails to comply with an order to leave and stay away from the place—an order that the councillor be removed from the place.

(3) If the chairperson makes an order under subsection (2), the chairperson must ensure details of the order are recorded in the minutes of the meeting.
150J Unsuitable meeting conduct that becomes inappropriate conduct

If the conduct of a councillor at a local government meeting is inappropriate conduct under section 150K(2), the local government—

(a) is not required to notify the assessor about the conduct; and

(b) may deal with the conduct under section 150AG.

Part 3 Dealing with inappropriate conduct, misconduct and corrupt conduct

Division 1 Preliminary

150K What is inappropriate conduct

(1) The conduct of a councillor is inappropriate conduct if the conduct contravenes—

(a) a behavioural standard; or

(b) a policy, procedure or resolution of the local government.

(2) Also, the conduct of a councillor is inappropriate conduct if—

(a) the conduct contravenes an order of the chairperson of a local government meeting for the councillor to leave and stay away from the place at which the meeting is being held; or
(b) it is part of a course of conduct at local government meetings leading to orders for the councillor’s unsuitable meeting conduct being made on 3 occasions within a period of 1 year.

(3) For subsection (2)(b), the conduct that led to the orders being made, taken together, is the inappropriate conduct.

(4) However, inappropriate conduct does not include conduct that is—

(a) unsuitable meeting conduct, to the extent the conduct is not conduct mentioned in subsection (2); or

(b) misconduct; or

(c) corrupt conduct.

**150L What is misconduct**

(1) The conduct of a councillor is *misconduct* if the conduct—

(a) adversely affects, directly or indirectly, the honest and impartial performance of the councillor’s functions, or the exercise of the councillor’s powers; or

(b) is or involves—

(i) a breach of the trust placed in the councillor, either knowingly or recklessly; or

(ii) a misuse of information or material acquired in, or in connection with, the performance of the councillor’s functions, whether the misuse is for the benefit of the councillor or for the benefit, or to the detriment, of another person; or

(c) contravenes any of the following—

(i) an order of the local government or the conduct tribunal;

(ii) the acceptable requests guidelines of the local government under section 170A;

(iii) a policy of the local government about the reimbursement of expenses;
(iv) section 150R, 170(2), 171(3) or 175G.

(2) Also, the conduct of a councillor is *misconduct* if the conduct—

(a) is part of a course of conduct leading to the local government deciding to take action under section 150AG to discipline the councillor for inappropriate conduct on 3 occasions within a period of 1 year; or

(b) is of the same type stated in an order of the local government that if the councillor engages in the same type of conduct again, it will be dealt with as misconduct.

(3) For subsection (2)(a), the conduct that led to the 3 occasions of disciplinary action, taken together, is the misconduct.

(4) It does not matter if the conduct happened outside the State.

150M **Application to former councillors**

(1) This chapter applies in relation to a person who was, but is no longer, a councillor if the person was a councillor when conduct the subject of a complaint or investigation is alleged to have happened.

(2) For subsection (1), a reference in this chapter to a councillor includes a reference to the person.

150N **Duty to notify Crime and Corruption Commission about suspected corrupt conduct not affected**

To remove any doubt, it is declared that nothing in this part limits the assessor’s duty under section 38 of the *Crime and Corruption Act 2001* to notify the Crime and Corruption Commission about suspected corrupt conduct.
Division 2 Complaints about councillor conduct

150O Complaints about councillor conduct

(1) A person may make a complaint to the assessor about the conduct of a councillor.

(2) The complaint may be made to the assessor orally or in writing.

(3) Subsection (1) does not limit who a person can complain to about the conduct of a councillor.

Examples—

A person may complain to the Crime and Corruption Commission or the department’s chief executive about a councillor’s conduct.

150P Complaints about councillor conduct must be referred to assessor

(1) This section applies if a government entity, other than the assessor, receives a complaint about the conduct of a councillor.

(2) The government entity must—

(a) refer the complaint to the assessor; and

(b) give the assessor all information held by the entity that relates to the complaint.

(3) However, subsection (2) does not apply if—

(a) the government entity has a duty to notify the Crime and Corruption Commission of the complaint under section 38 of the Crime and Corruption Act 2001; or

Note—

Sections 38 to 40 of the Crime and Corruption Act 2001 state the duties of a public official to notify the Crime and Corruption Commission about corrupt conduct, subject to a direction by the Crime and Corruption Commission.
(b) the government entity has the power to investigate the complaint or the councillor’s conduct under another law and decides to carry out the investigation under that law.

Example—

The police service receives and investigates a complaint alleging a councillor engaged in fraud.

(4) As soon as practicable after receiving the complaint, the assessor must, if the assessor has the contact details of the person who made the complaint, give the person a notice that states—

(a) the assessor has received the complaint from the government entity; and

(b) the assessor will deal with the complaint under this chapter.

(5) In this section—

government entity includes the following—

(a) a local government;

(b) a councillor;

(c) the chief executive officer of a local government.

150Q Further information about complaints

(1) This section applies if—

(a) a complaint about the conduct of a councillor was made or referred to the assessor under this division; and

(b) in the assessor’s opinion, the complaint does not include sufficient information for the assessor to properly investigate the conduct; and

(c) the assessor has the contact details of the person who made the complaint.

(2) The assessor may give a notice to the person who made the complaint asking the person to give the assessor further information about the complaint within a stated reasonable period.
(3) The assessor may decide not to investigate the conduct if—
   (a) the person does not comply with the notice; or
   (b) the person complies with the notice but, in the assessor’s opinion, there is still insufficient information to investigate the conduct.

(4) If the assessor decides not to investigate the conduct under subsection (3), the assessor must give the person who made the complaint a notice that states the assessor has decided not to investigate the conduct because there is insufficient information to do so.

Division 3  Local government duties to notify assessor about particular conduct

150R Local government official must notify assessor about particular conduct

(1) This section applies if a local government official becomes aware of information indicating a councillor may have engaged in conduct that would be inappropriate conduct or misconduct other than—
   (a) conduct mentioned in section 150J; and
   (b) by receiving a complaint to which section 150P applies.

(2) The local government official must give the assessor a notice about the councillor’s conduct.

(3) In this section—

  local government official means—
  (a) a councillor; or
  (b) the chief executive officer of a local government.

150S Local government must notify assessor about misconduct

(1) This section applies if a local government—
[s 150T]

(a) in relation to a course of conduct by a councillor, decides under section 150AG to take action to discipline the councillor for inappropriate conduct on 3 occasions during a period of 1 year; or

(b) if the local government has previously made an order that a particular type of conduct engaged in by a councillor will be dealt with as misconduct—reasonably suspects the councillor has engaged in the same type of conduct again.

(2) The local government must give the assessor—

(a) a notice about the councillor’s conduct; and

(b) all information held by the local government that relates to the conduct.

Division 4 Investigation of councillor conduct

(1) This section applies if—
(a) an investigator is authorised to enter a place only with the consent of an occupier of the place or a warrant; and

150BY Seizure of property subject to security

(2) The investigator must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized—

(a) a receipt for the thing that generally describes the thing and its condition; and
(b) an information notice about the decision to seize it.
(3) However, if an owner or person from whom the thing is seized is not present when it is seized, the receipt and information notice may be given by leaving them in a conspicuous position and in a reasonably secure way at the place at which the thing is seized.

(4) The receipt and information notice may—
   (a) be given in the same document; and
   (b) relate to more than 1 seized thing.

(5) The investigator may delay giving the receipt and information notice if the investigator reasonably suspects giving them may frustrate or otherwise hinder an investigation by the investigator under this chapter.

(6) However, the delay may be only for so long as the investigator continues to have the reasonable suspicion and remains in the vicinity of the place at which the thing was seized to keep the place under observation.

150CD Access to seized thing

(1) Until a seized thing is returned, the investigator who seized the thing must allow an owner of the thing—
   (a) to inspect it at any reasonable time and from time to time; and

   (a) make inquiries if it would be unreasonable to make inquiries to find an owner; or
   (b) make efforts if it would be unreasonable to make efforts to return the thing to an owner.

   Example—
   The owner of the thing has migrated to another country.

(3) Regard must be had to the thing’s condition, nature and value in deciding—
