17  Applications must be numbered

Applications for inclusion in the ballot must be numbered consecutively in the order they are received.

18  Information to be sent to applicants and displayed

(1) A list of all applicants and the number (the application number) corresponding to each applicant’s position in the list must be—

The chief executive must provide—

(b) separate containers for units, tens, hundreds, thousands and so on as necessary for the number of applications received.

21 **Requirements for marbles and containers**

(1) Each container mentioned in section 20(b) must contain the number of marbles, numbered from 0 to 9, necessary for the number of applications received.

(2) The marbles numbered 6 or 9 must have the 6 and 9 underlined.

(3) The marbles and containers must be available for inspection—

(2) The number on each marble must be—

(a) announced as it is drawn; and

23 Containers and marbles must be inspected

(1) Immediately after each draw—
   
   (a) both the chief executive and the independent observer must inspect the containers for the draw to confirm that the correct number of marbles remains; and

Part 4  Matters affecting land holdings

Division 1AA  Lease and other land conversion

25A  What this division does

(1) This division prescribes the way the purchase price, unimproved value, value of commercial timber, value of quarry material or cash premium must be decided for the purposes of the following sections of the Act—

(a) section 25(1);
(b) section 26B(6);
(c) section 34IA(2);
(d) section 69(1);
(e) section 109C(4);
(f) section 122(3);
(g) section 127(6)(b);
(h) section 170(1).

(2) This division also provides for a right of appeal against the chief executive’s decision on the purchase price for land in particular circumstances.

25B  Purchase price—generally

(1) The purchase price of land, other than land mentioned in sections 25BA and 25BB, is an amount equal to the total of—

(a) the value of the land; and
(b) the market value of any commercial timber on the land (see section 25E).

(1A) The purchase price of the following land also includes the value of any quarry material in the land (see section 25EA)—
(a) land to be amalgamated, under section 109(2)(b) of the Act, with land for which there is no reservation of quarry material to the State;

(b) land to be amalgamated, by way of a deed of grant under section 122(1) of the Act, with land for which there is no reservation of quarry material to the State.

(2) The value of the land is—

(a) for a category 11.1 or 11.2 lease—the net present value of the land (see section 25C); or

(b) otherwise—the unimproved value of the land, as if it were fee simple (see section 25D).

25BA Purchase price—Act, s 34IA

(1) This section applies to land that is the subject of a decision of the Minister under section 34IA(2) of the Act.

(2) The purchase price of the land is an amount the Minister considers appropriate.

25BB Purchase price of particular interests in land—Act, s 122

(1) This section applies to land if—

(a) the land is the subject of a decision of the Minister under section 122(3) of the Act; and

(b) the Minister decides to offer an interest in the land to MEDQ or a constructing authority under section 120A of the Act.

(2) The purchase price of the land is an amount the Minister considers appropriate.

25C Net present value

(1) The net present value is the amount worked out using the following formula—
where—

\[ A \times \left[ \frac{1 - \left( \frac{1}{1 + i} \right)^30}{i} \right] + A \times \left[ \frac{(1 + g)/(i - g)}{(1 + i)^30} \right] \]

\( A \) is the annual rent for the lease worked out by multiplying the unimproved value of the lease by the percentage rate for the lease as stated in section 37A.

\( i \) is .065.

\( g \) is .025.

(2) The net present value is to be worked out as at the day the chief executive receives the conversion application.

25D Unimproved value

(1) The unimproved value of land is—

(a) for a category 11.1 or 11.2 lease—the rental valuation; or

(b) otherwise—the amount that an estate in fee simple in the land in an unimproved state would be worth if—

(i) after proper marketing, there were an exchange between a willing buyer and a willing seller in an arms-length transaction; and

(ii) the buyer and seller had acted knowledgeabley, prudently and without compulsion.

(2) Also, the unimproved value includes the value of improvements and development work made by the State to the land, and for which the State has not been paid, before the lease started or the deed of grant was issued.

(3) However, the unimproved value does not include the value of any commercial timber on the land.

(4) The unimproved value is—
(a) for land that has been reclaimed under the authority of an Act—as at the day the permission to reclaim the land was given; or

(b) otherwise—as at the day the chief executive receives either—

(i) the conversion application; or

(ii) the application under section 34I(1) of the Act.

(5) To remove any doubt, it is declared that the Land Valuation Act does not apply to the meaning of unimproved value.

**25E Value of commercial timber**

(1) The value of any commercial timber on the land is the market value of any commercial timber on the land that is the property of the State, other than forest products that are the subject of a consent agreement.

(2) The market value of any commercial timber is to be worked out—

(a) if the value is not appealed—as at the day the chief executive receives the conversion application; or

(b) if the value is appealed—as at the day the appeal is decided; or

(c) if a person has applied to buy the commercial timber—as at the day the person applied; or

(d) if the Minister made an offer to sell the commercial timber before the day mentioned in paragraph (c)—as at the day the offer was made.

**25EA Value of quarry material**

(1) The value of any quarry material in the land is the market value of any quarry material in the land that is the property of the State and that could be taken for commercial gain.

(2) The market value of any quarry material is to be worked out—
25F Cash premium

The cash premium is equal to the minimum rent for the category of the lease that the closed road will be amalgamated with.

25G Appeal against decision on purchase price by lessee

(1) This section applies if the chief executive decides the purchase price for an offer of a deed of grant to a lessee.

(2) The lessee may appeal against the chief executive’s decision on the purchase price.

(3) However, an appeal of the chief executive’s decision on the purchase price for a category 11.1 or 11.2 lease must not relate to the rental valuation for the lease.

Note—
A rental valuation is decided by the valuer-general under the Land Valuation Act and is used to calculate the unimproved value of lease land for a purchase price under sections 25C(1) and 25D(1)(a).

Part 1 Regulated conditions for leases

1. Indemnity

The Lessee indemnifies and agrees to keep indemnified the Minister, and the State of Queensland and its Representatives (the “Indemnified parties”) against all liability, costs, loss and expenses including claims in negligence (including any claims, proceedings or demands brought by any third party, and any legal fees, costs and disbursements on a solicitor and client basis) (“Claim”) arising from or incurred in connection with:

(a) the granting of this Lease to the Lessee;
(b) the Lessee’s use and occupation of the land; or
(c) personal injury (including sickness and death) or property damage or loss in connection with the performance (or attempted or purported performance or non-performance) of the lease or a breach of the lease by the Lessee.

The Lessee hereby releases and discharges to the full extent permitted by law, the Indemnified parties from all actions, claims, proceedings or demands and in respect of any loss, death, injury illness or damage (whether personal or property, and whether special, direct, indirect or consequential, including consequential financial loss) arising out of the use and occupation of the Lease.

To the full extent permitted by law, the Minister, the State of Queensland and their Representatives will not be liable to the Lessee for any special, indirect or consequential damages, including consequential financial loss arising out of the use and occupation of the Lease.

2. Public Liability
The Lessee must effect a public liability insurance policy with an insurer authorised under the *Insurance Act 1973* (Commonwealth) or, if not so authorised then only with the Minister’s approval, which can be given or withheld in the Minister’s sole discretion, naming the Lessee as the insured covering legal liability for any loss of, or damage to any property and for the injury (including death) to any person arising out of anything done or omitted on or about the land or any improvements thereon and against all claims, demands, proceedings, costs, charges and expenses whatsoever (including claims in negligence). Such policy must:

(a) be for an amount of not less than $20 Million and have no per event sublimit or such higher amounts as the Minister may reasonably require.

(b) be effected on a “claims occurring” basis; and

(c) be maintained at all times during the currency of the lease, and upon receipt of any notice of cancellation, the lessee must immediately effect another public insurance policy in accordance with the terms of the lease.

The Lessee must, as soon as practicable, inform the Minister, in writing, of the occurrence of any event that the Lessee considers is likely to give rise to a claim under the policy of insurance effected and must ensure that the Minister is kept fully informed of subsequent actions and developments concerning the claim.

The Lessee must renew such policy, at the Lessee’s expense, each year during the currency of this Lease.

This condition will be satisfied if the Lessee is the State of Queensland or a statutory authority eligible for cover under the Queensland Government Insurance Fund and is insured and continues to be insured by the Queensland Government Insurance Fund.

This condition will be satisfied if the lessee is the Commonwealth of Australia or a statutory authority eligible for cover under the Comcover Insurance Fund and is insured and continues to be insured by Comcover.

3. Access
The provision of access, further access or services to the land will not be the responsibility of the State.

4. Survey Costs

If the land needs to be surveyed or re-surveyed the Lessee must do this at its own cost under the *Survey and Mapping Infrastructure Act 2003*. This survey plan must be lodged in the land registry within the specified time.

5. Jurisdiction

The Lease is subject to the *Land Act 1994* and all other relevant Queensland and Commonwealth legislation.

6. Compliance with Laws

The Lessee must comply with all lawful requirements of the:

(a) Local Government; and

(b) any department within the Queensland or Commonwealth governments (including the department administering the *Land Act 1994*), local authority or statutory instrumentality having jurisdiction over the land, or the development, use and occupation of the land, in regard to its use, occupation and development of the land.

Part 2 Additional regulated condition for rolling term leases

7. Extension

The lease is subject to the extensions of rolling term leases provision of the *Land Act 1994* and the Minister must grant an extension of the term of a rolling term lease if the lessee makes an application in the approved form. The extension will be for the original term of the lease and may be given subject to condition changes.
