made under the

Economic Development Act 2012

General outline

Short title

The short title of the regulation is the *Economic Development Amendment Regulation (No. 3) 2013*.

Authorising law

Sections 37, 38 and 176 of the *Economic Development Act 2012*.

Policy objectives and the reasons for them

The purpose of this regulation is to declare land at Maroochydhore City Centre as a Priority Development Area and to introduce an Interim Land Use Plan for that area.

Once declared, the Priority Development Area will be administered by the Minister for Economic Development Queensland or any entity he delegates his power to under the *Economic Development Act 2012*. The local government planning schemes will no longer apply. The purpose of the *Economic Development Act 2012* is to facilitate economic development, and development for community purposes in the State. This is achieved primarily by establishing the Minister for Economic Development

Queensland to plan, carry out, promote or coordinate activities to facilitate economic development, and development for community purposes in the State and providing for a streamlined planning and development framework for particular parts of the State (declared as priority development areas under the Act) to facilitate economic development, and development for community purposes, in the parts.

The Interim Land Use Plan introduced by regulation at the time of declaration of the Priority Development Area will expire 12 months after commencement. The Interim Land Use Plan is a temporary document, intended to protect the future intent of the Priority Development Area from inappropriate development and enable appropriate development to occur in advance of the Development Scheme being adopted. Specified development applications under the Interim Land Use Plan are subject to public notification. While the Interim Land Use Plan is in place, the Minister for Economic Development Queensland or his delegate will prepare a development scheme for the Priority Development Area that, once approved by regulation, will replace the Interim Land Use Plan.

Achievement of policy objectives

To achieve the objectives of the *Economic Development Act 2012*, the *Economic Development Regulation 2013* will be amended to include the declaration of the Maroochydore City Centre Priority Development Area and its associated Interim Land Use Plan.

The declaration of the Maroochydore City Centre Priority Development Area will facilitate economic development and development for community purposes by resolving complex land use planning and development issues.
