

Queensland Community Safety (Postponement) Regulation (No. 2) 2025

Human Rights Certificate

Prepared in accordance with Part 3 of the *Human Rights Act 2019*

In accordance with section 41 of the *Human Rights Act 2019* (HR Act), I, Dan Purdie, Minister for Police and Emergency Services provide this human rights certificate with respect to the Queensland Community Safety (Postponement) Regulation (No. 2) 2025 (Postponement Regulation), made under the *Queensland Community Safety Act 2024* (the Act).

In my opinion, the Postponement Regulation, as tabled in the Legislative Assembly, is compatible with the human rights protected by the HR Act. I base my opinion on the reasons outlined in this statement.

Overview of the Subordinate Legislation

The Postponement Regulation postpones commencement of particular provisions of the Act and makes the automatic commencement date 31 August 2026.

The relevant provisions of the Act relate to the designation of initial police banning notices and official warnings for consorting as prescribed documents in new Schedule 5A of the *Police Powers and Responsibilities Act 2000* (PPRA) that allows the documents to be served electronically pursuant to new section 789E of the PPRA.

The Postponement Regulation postpones the automatic commencement of these provisions to allow further time for the Queensland Police Service to address operational issues with implementing these provisions.

Human Rights Issues

Human rights relevant to the subordinate legislation (Part 2, Division 2 and 3 *Human Rights Act 2019*)

No human rights have been identified as being engaged or limited by the Postponement Regulation.

Conclusion

I consider that the Postponement Regulation is compatible with the *Human Rights Act 2019* because it does not limit human rights.
