Agricultural Standards Act 1994

An Act to provide for the making of agricultural standards and for other agricultural matters

Part 1 Preliminary

Division 1 Short title

1 Short title

This Act may be cited as the *Agricultural Standards Act 1994*.

Division 2 Object of Act

3 Main object of Act and its achievement

- (1) The main object of this Act is to provide for the making of standards about agriculture.
- (2) This object is to be achieved by—
 - (a) establishing an administrative framework for the making of standards about agriculture by the chief executive; and
 - (b) providing appropriate powers to ensure the standards are complied with.

Division 3 Interpretation

4 Definitions

The dictionary in the schedule defines particular words used in this Act.

Part 2 Standards

5 Chief executive may make standards

(1) The chief executive may make standards under this Act about agriculture, including, for example, standards about the following—

- (a) protecting the genetic purity or other qualities of seed for agriculture;
- (b) regulating the ingredients of agricultural requirements;
- (c) packing and labelling of agricultural requirements;
- (d) selling or using hormonal growth promotants;
- (e) marking or non-marking of stock in relation to the use or non-use of hormonal growth promotants;
- (f) selling stock.

Examples of standards about labelling—

- the way a label must be attached
- the legibility of a label
- the information to be contained on a label
- the durability of a label.

(2) A standard may also make provision about the following—

- (a) approvals or licences about agriculture, including, for example, provision about their grant, refusal, renewal, amendment, suspension and cancellation;

- (b) things that are prohibited materials or harmful ingredients in agricultural requirements.
- (3) A standard may also create offences and prescribe penalties of not more than 20 penalty units for each offence.

6 Standard is subordinate legislation

A standard is subordinate legislation.

7 Advisory committees

- (1) The chief executive may establish committees made up of persons the chief executive considers appropriate to advise the chief executive about standards.

Example—

The chief executive may establish a seed certification committee to advise the chief executive about standards to protect the genetic purity and other qualities of certain seed.

- (2) The chief executive may decide—
 - (a) the functions or terms of reference of a committee; and
 - (b) the membership of a committee; and
 - (c) conditions on which a person is appointed a member of a committee; and
 - (d) how a committee is to operate.
- (3) If a committee makes a recommendation to the chief executive, the chief executive must give proper consideration to the recommendation.

8 Procedure to make standard

- (1) Before making a standard, the chief executive must prepare a draft standard and take reasonable steps to engage in consultation about the draft standard.
- (2) A regulation may prescribe—
 - (a) the way a draft standard must be published; and

(b) the information that must be contained in a standard.

9 Compensation not payable on making, amendment or repeal

- (1) Compensation is not payable if a standard is made, amended or repealed, or anything previously permitted is prohibited or regulated under a standard.
- (2) However, subsection (1) does not prevent a regulation or standard providing for payment of compensation.

10 Regulation prevails over standard

If there is an inconsistency between a regulation and a standard (whether made before or after the regulation), the regulation prevails to the extent of the inconsistency.

Part 3 Offences about agriculture

11 Offences about packing and labelling of agricultural requirements

- (1) This section applies to an agricultural requirement if a standard requires it to be packed or labelled in a particular way.
- (2) A person must not sell the agricultural requirement unless it is packed or labelled in the required way.

Maximum penalty—50 penalty units.

12 False or misleading representations about agricultural requirements

- (1) A person must not, in trade or commerce, in connection with the supply or possible supply of an agricultural requirement or

the promotion of the supply or use of an agricultural requirement—

- (a) make a representation the person knows is false or misleading in a material particular; or
- (b) omit from a statement attached to an agricultural requirement, or a container containing the agricultural requirement, anything without which the statement is, to the person's knowledge, misleading in a material particular.

Example of false representation about an agricultural requirement—

A representation that a substance is laying mash if the substance does not contain the required level of calcium.

Maximum penalty—100 penalty units.

- (2) It is enough for a complaint against a person for an offence against subsection (1)(a) or (b) to state that the representation or statement was false or misleading to the person's knowledge.

13 Offence about prohibited materials, harmful ingredients etc.

- (1) A standard may prescribe—
 - (a) the things that are prohibited materials or harmful ingredients; or
 - (b) the maximum amount of a harmful ingredient that may be contained in an agricultural requirement.
- (2) A person must not, in trade or commerce in connection with the supply or possible supply of an agricultural requirement, possess an agricultural requirement containing—
 - (a) a prohibited material; or
 - (b) too much of a harmful ingredient.

Maximum penalty—100 penalty units.

14 Offence about false or misleading representations about the use or non-use of hormonal growth promotants

- (1) A person must not, in trade or commerce, make a false or misleading representation, whether by the marking or non-marking of stock or otherwise, about the use or non-use of a hormonal growth promotant that the person knows is false or misleading in a material particular.

Maximum penalty—100 penalty units.

- (2) It is not a defence to a prosecution for an offence against subsection (1) that the person did not know the stock had been treated with a hormonal growth promotant if the person did not make reasonable inquiries.

14A False or misleading representations about stock

- (1) A person must not, in trade or commerce, in connection with the sale of stock, make a representation about a prescribed matter for the stock the person knows is false or misleading in a material particular.

Maximum penalty—100 penalty units.

- (2) It is enough for a complaint for an offence against subsection (1) to state the representation made was ‘false or misleading’ to the person’s knowledge, without specifying which.

- (3) In this section—

prescribed matter means—

- (a) the property from which the stock were sourced for the sale; or
- (b) the period the stock were held on the property; or
- (c) the accreditation of the property by an industry body for the stock; or
- (d) the treatment of the stock with, or other exposure of the stock to, a chemical or drug (other than a hormonal growth promotant); or

- (e) the feeding of the stock; or
- (f) another matter prescribed under a regulation.

Part 4 Enforcement of Act

Division 1 Inspectors and analysts

15 Appointment of inspectors and analysts

- (1) The chief executive may appoint a person to be an inspector or analyst.
- (2) The chief executive may appoint a person as an inspector or analyst only if the chief executive is satisfied the person has the necessary expertise or experience.

16 Limitation on inspector's powers

The powers of an inspector may be limited—

- (a) under a regulation; or
- (b) under a condition of appointment; or
- (c) by written notice given by the chief executive to the inspector.

17 Inspector's appointment conditions

- (2) An inspector—
 - (a) if the appointment provides for a term of appointment—ceases holding office at the end of the term; and

- (c) if the conditions of appointment provide—ceases holding office as an inspector on ceasing to hold another office stated in the appointment conditions.

18 Inspector's identity card

- (1) The chief executive must give each inspector an identity card.
- (2) The identity card must—
 - (a) contain a recent photograph of the inspector; and
 - (b) be signed by the inspector; and
 - (c) identify the person as an inspector for this Act.
- (3) A person who ceases to be an inspector must return the person's identity card to the chief executive as soon as practicable (but within 21 days) after the person ceases to be an inspector, unless the person has a reasonable excuse.

Maximum penalty—10 penalty units.

- (4) This section does not prevent the giving of a single identity card to a person under this section and for other provisions, Acts or purposes.

19 Production or display of inspector's identity card

- (1) An inspector may exercise a power in relation to someone else only if the inspector—
 - (a) first produces his or her identity card for the person's inspection; or
 - (b) has the identity card displayed so it is clearly visible to the person.
- (2) However, if for any reason it is not practicable to comply with subsection (1), the inspector must produce the identity card for inspection by the person at the first reasonable opportunity.

Division 2 Inspector's entry to places and vehicles

20 Entry to places

- (1) An inspector may enter a place under this part only if—
 - (a) it is a public place and the entry is made when the place is open to the public; or
 - (b) the purpose of the entry is to gain the occupier's consent; or
 - (c) its occupier consents to the entry; or
 - (d) the entry is permitted by a warrant; or
 - (e) it is a place other than a place where people reside and entry is made at a reasonable time—
 - (i) to check compliance with a provision of this Act about the content, labelling or sale of food for stock; or
 - (ii) for the purpose of preventing the introduction of an exotic disease into the State or controlling the spread of an exotic disease.
- (2) Before entering a place under subsection (1)(e), the inspector must do or make a reasonable attempt to do all of the following—
 - (a) comply with section 19(1);
 - (b) tell the occupier of the place the inspector is authorised under this Act to enter the place;
 - (c) give the occupier an opportunity to consent to the entry.

21 Consent to entry

- (1) This section applies if an inspector intends to seek the consent of an occupier of a place to an inspector entering the place under section 20(1)(c).

- (2) Before seeking the consent, the inspector must inform the occupier—
 - (a) of the purpose of the entry; and
 - (b) that anything found and seized may be used in evidence in court; and
 - (c) that the occupier is not required to consent.
- (3) If the consent is given, the inspector may ask the occupier to sign an acknowledgment of the consent.

 - (i) of the purpose of the entry; and
 - (ii) that anything found and seized may be used in evidence in court; and
 - (iii) that the occupier was not required to consent; and
 - (b) the occupier gave the inspector consent under this part to enter the place and to exercise powers under this part; and
 - (c) the time and date the consent was given.
- (5) If the occupier signs an acknowledgment of consent, the inspector must immediately give a copy to the occupier.
- (6) Unless the contrary is proven, a court must presume an occupier of a place did not consent to an inspector entering the place if—
 - (a) a question arises, in a proceeding before the court, whether the occupier consented to the inspector entering; and
 - (b) an acknowledgment of the consent is not produced in evidence.

22 Warrants for entry

- (1) An inspector may apply to a magistrate for a warrant to enter a place.

- (2) The application must be sworn and state the grounds on which the warrant is sought.
- (3) The magistrate may refuse to consider the application until the inspector gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

Example—

The magistrate may require additional information supporting the application to be given by statutory declaration.

- (4) The magistrate may issue a warrant only if satisfied the inspector has reasonable grounds for suspecting—
 - (a) there is a particular thing or activity (the *evidence*) that may provide evidence of an offence against this Act; and
 - (b) the evidence is, or may be within the next 7 days, at the place.
- (5) The warrant must state—
 - (a) that the inspector may, with necessary and reasonable assistance and force, enter the place and exercise the inspector's powers under this Act; and
 - (b) the evidence for which the warrant is issued; and
 - (c) the hours of the day when entry may be made; and
 - (d) the day, within 14 days after the warrant's issue, the warrant ends.
- (6) The magistrate must record the reasons for issuing the warrant.

23 Warrants—applications made other than in person

- (1) An inspector may apply for a warrant by phone, fax, radio or another form of communication if the inspector considers it necessary because of urgent circumstances or other special circumstances, including, for example, the inspector's remote location.

- (2) Before applying for the warrant, the inspector must prepare an application stating the grounds on which the warrant is sought.
- (3) The inspector may apply for the warrant before the application is sworn.
- (4) After issuing the warrant, the magistrate must immediately fax a copy to the inspector if it is reasonably practicable to fax the copy.
- (5) If it is not reasonably practicable to fax a copy of the warrant to the inspector—
 - (a) the magistrate must—
 - (i) record on the warrant the reasons for issuing the warrant; and
 - (ii) tell the inspector the date and time the warrant was signed; and
 - (iii) tell the inspector the warrant's terms; and
 - (b) the inspector must write on a form of warrant (**warrant form**)—
 - (i) the magistrate's name; and
 - (ii) the date and time the magistrate signed the warrant; and
 - (iii) the warrant's terms.
- (6) The facsimile warrant, or the warrant form properly completed by the inspector, authorises the entry and the exercise of the powers mentioned in the warrant issued by the magistrate.
- (7) The inspector must, at the first reasonable opportunity, send the magistrate—
 - (a) the sworn application; and
 - (b) if a warrant form was required to be completed by the inspector—the completed warrant form.

- (8) On receiving the documents, the magistrate must attach them to the warrant.
- (9) Unless the contrary is proven, a court must presume that a power exercised by an inspector was not authorised by a warrant issued under this section if—
 - (a) a question arises, in a proceeding before the court, whether the exercise of power was authorised by a warrant; and
 - (b) the warrant is not produced in evidence.

24 Entry to vehicles

- (1) An inspector may enter a vehicle if the inspector suspects—
 - (a) the vehicle is being, or has been, used to commit an offence against this Act; and
 - (b) the vehicle, or a thing in a vehicle, may provide evidence of an offence against this Act.
- (1A) Also, an inspector may enter a vehicle other than a part of a vehicle used only as a living area—
 - (a) to check compliance with a provision of this Act about the content, labelling or sale of food for stock; or
 - (b) for the purpose of preventing the introduction of an exotic disease into the State or controlling the spread of an exotic disease.
- (2) Before entering a vehicle under this section, the inspector must do or make a reasonable attempt to do all of the following—
 - (a) comply with section 19(1);
 - (b) tell the owner or person in control of the vehicle the inspector is authorised under this Act to enter the vehicle;
 - (c) give the owner or the person in control of the vehicle an opportunity to consent to the entry.

- (2A) If the inspector enters the vehicle after being unable to locate the owner or person in control of the vehicle, the inspector must leave a notice in a conspicuous position and in a reasonably secure way stating the date, time and purpose of the entry.
- (3) To enable a vehicle to be entered, an inspector may—
- (a) if the vehicle is about to move—require the person in control of the vehicle not to move the vehicle; and
 - (b) if the vehicle is moving—require the person in control of the vehicle to stop the vehicle; and
 - (c) require the person in control of the vehicle to give reasonable assistance to the inspector; and
 - (d) act with necessary and reasonable assistance and force.
- (4) The inspector may show a requirement under subsection (3)(a) or (b) by a sign or hand signal.
- (5) A person must comply with an inspector's requirement under subsection (3)(a), (b) or (c), unless the person has a reasonable excuse.
- Maximum penalty—40 penalty units.
- (6) It is a reasonable excuse for the person not to comply with a requirement if—
- (a) the person believes that to immediately comply with the requirement would endanger the person or another person; and
 - (b) the person complies with the requirement at the first reasonable opportunity.

 - (i) concealed, lost or destroyed; or
 - (ii) used to commit, continue or repeat the offence.
- (6) Having seized a thing, an inspector may—
 - (a) move the thing from the place where it was seized (the *place of seizure*) to another place; or

- (3) Subsection (1) does not apply if—
- (a) the thing is unattended when seized; and
 - (b) the thing's owner is unknown; and

- (c) the owner can not be found after reasonable inquiries (given the thing's value) have been made.

28 Access to seized things
