# Government Owned Corporations (Energy Consolidation) Regulation 2016

## Part 1 Preliminary

### 1 Short title

This regulation may be cited as the *Government Owned Corporations (Energy Consolidation) Regulation 2016*.

### 2 Commencement

- (1) Part 2 commences on 30 June 2016.
- (2) Parts 3 and 4 commence immediately after part 2 commences.
- (3) Parts 5 and 6 commence immediately after parts 3 and 4 commence.
- (4) Parts 7 and 8 commence immediately after parts 5 and 6 commence.
- (5) Part 9 commences immediately before 1 July 2016.

### 3 Dictionary

The dictionary in schedule 1 defines particular words used in this regulation.

## Part 4 Transfer of EEQ's scheduled assets

### 9 Scheduled assets

- (1) EEQ's scheduled assets are transferred to Ergon.
- (2) EEQ and Ergon must do all things necessary to enable the scheduled assets to be transferred to Ergon.

## **11 Scheduled liabilities**

- (1) Each energy company is released from its scheduled liabilities.
- (2) The scheduled liabilities are assumed by the State.
- (3) Each energy company must do all things necessary to enable the scheduled liabilities to be assumed by the State.
- (4) For this section, each energy company must treat—
  - (a) the assumption of a scheduled liability by the State as a contribution by an owner that is to be considered as an increase in contributed equity; and
  - (b) the value of a scheduled liability as being the value of the liability recorded in the accounts of the energy company immediately before this section commences; and
  - (c) the value of the indebtedness under the QTC debt facilities as being the book value of the indebtedness under the QTC debt facilities recorded in the accounts of the energy company immediately before this section commences.

## **12 Scheduled debt instruments**

- (1) Each scheduled debt instrument of an energy company applies to the State instead of the energy company that was a party to the instrument immediately before this section commences.
- (2) Without limiting subsection (1)—
  - (a) any right, title, interest or liability arising under or relating to a scheduled debt instrument is taken to be transferred from the energy company to the State; and
  - (b) a scheduled debt instrument, including a benefit or right provided by a scheduled debt instrument, given to, by or in favour of an energy company is taken to have been given to, by or in favour of the State; and
  - (c) the State is taken to be a party to a scheduled debt instrument instead of the energy company; and

- (2) The reference is taken to be a reference to the shareholding Ministers of EQL.

## **Part 9                      Assumption of scheduled liabilities and application of scheduled debt instruments of the State**

### **23            Scheduled liabilities**

- (1) The State is released from its scheduled liabilities.
- (2) The scheduled liabilities are assumed by EQL.
- (3) EQL must do all things necessary to enable the scheduled liabilities to be assumed by EQL.
- (4) For this section, EQL must treat—
  - (a) the assumption of a scheduled liability by EQL as a distribution to owners that is to be considered as a redemption of contributed equity; and
  - (b) the value of a scheduled liability as being the value of the liability recorded in the accounts of the State immediately before this section commences; and
  - (c) the value of the indebtedness under the QTC debt facilities as being the book value of the indebtedness under the QTC debt facilities recorded in the accounts of the State immediately before this section commences.

### **24            Scheduled debt instruments**

- (1) Each scheduled debt instrument of the State applies to EQL instead of the State.
- (2) Without limiting subsection (1)—
  - (a) any right, title, interest or liability arising under or relating to a scheduled debt instrument is taken to be transferred from the State to EQL; and

- (b) a scheduled debt instrument, including a benefit or right provided by a scheduled debt instrument, given to, by or in favour of the State is taken to have been given to, by or in favour of EQL; and
- (c) EQL is taken to be a party to a scheduled debt instrument instead of the State; and
- (d) a reference to an energy company or the State in a scheduled debt instrument is taken to be a reference to EQL; and
- (e) a reference to the shareholding Ministers of an energy company in a scheduled debt instrument is taken to be a reference to the shareholding Ministers of EQL; and
- (f) a scheduled debt instrument under which an amount is, or may become, payable to or by an energy company or the State is taken to be an instrument under which the amount is, or may become, payable to or by EQL in the way the amount was, or might have become, payable to or by the energy company or the State.
