Animal Management (Cats and Dogs) Regulation 2019

Part 1 Preliminary

1 Short title

This regulation may be cited as the *Animal Management (Cats and Dogs) Regulation 2019*.

2 Commencement

This regulation commences on 2 September 2019.

3 Definitions

The dictionary in schedule 2 defines particular words used in this regulation.

4 Identification devices—Act, s 12, definition *prescribed permanent identification device or PPID*

- (1) For section 12(1)(c) of the Act, this section prescribes the requirements for a PPID.
- (2) A PPID must—
 - (a) be designed to transmit the PPID number for the PPID when scanned by an electronic reader; and
 - (b) have stored on it a PPID number that—
 - (i) includes a manufacturer’s code; and
 - (ii) complies with the requirements of AS 5018 relating to unique identification codes transmitted by transponders; and
 - (c) comply with the requirements of AS 5019 relating to transponders.

(3) In this section—

AS 5018 means the Australian Standard as in force from time to time under that designation (regardless of the edition or year of publication of the standard).

AS 5019 means the Australian Standard as in force from time to time under that designation (regardless of the edition or year of publication of the standard).

manufacturer's code means a unique number the International Committee for Animal Recording allocates to a manufacturer of PPIDs—

- (a) the first 3 digits of which start with a number between 901 to 998, both numbers inclusive; or
- (b) the first 3 digits of which start with '900' followed immediately by 3 other digits.

Part 2 Identification of cats and dogs

5 PPID information—Act, sch 2, definition *PPID information*

- (1) For schedule 2 of the Act, definition *PPID information*, paragraphs (a)(iii) and (b)(iv), the following information about a cat or dog is prescribed—
- (a) the residential address and contact telephone number of the owner of the cat or dog;
 - (b) the name and contact telephone number of a person other than the owner, if any, who may be contacted about the cat or dog;
 - (c) the name, business address and contact telephone number of the authorised implanter who implanted a PPID in the cat or dog;
 - (d) the breed;
 - (e) the colour;
 - (f) the sex;

- (g) either—
 - (i) if the date of birth of the cat or dog is known—the date of birth; or
 - (ii) otherwise—the approximate age of the cat or dog when the PPID is implanted;
 - (h) the day the cat or dog is implanted with a PPID;
 - (i) if the cat or dog is already implanted with a PPID and the PPID number for the PPID is known—the PPID number;
 - (j) whether the cat or dog is desexed, or if information about whether the cat or dog is desexed is unknown, that it is unknown;
 - (k) the relevant address for the cat or dog;
 - (l) the name of the relevant local government for the cat or dog;
 - (m) if the dog is a regulated dog—whether the dog is a declared dangerous dog, declared menacing dog or restricted dog;
 - (n) if the dog is a decommissioned greyhound within the meaning of section 197(3) of the Act—
 - (i) that the dog is a decommissioned greyhound; and
 - (ii) details of the program prescribed under section 17 that the dog has successfully completed, including the day the program was completed.
- (2) In this section—
- relevant address*** means—
- (a) for a restricted dog—the address of the place for which a restricted dog permit has been issued for the dog; or
 - (b) for another dog—the address of the place stated in the registration notice for the dog as the address for it; or
 - (c) for a cat—the address of the place where the cat is usually kept or proposed to be kept.

6 Way to tattoo cat or dog—Act, sch 2, definition *tattoo*

For schedule 2 of the Act, definition *tattoo*, the way prescribed is to permanently mark inside the left ear of the cat or dog with the symbol as shown in figure 1.
