State land means land in Queensland that is not freehold land within the meaning of the *Land Act 1994*, schedule 6.

51H Power to take land for health infrastructure purposes

- (1) The chief executive, acting on behalf of the State, may take land for a health infrastructure purpose if the chief executive is satisfied the taking of the land is necessary for the purpose.
- (2) The chief executive may take land under subsection (1) other than by agreement only if the chief executive has taken reasonable steps to—
 - (a) purchase the land; or
 - (b) take the land by agreement.

-
- (3) The chief executive may take land under subsection (1) for vesting in a relevant public sector entity only if the chief executive has consulted with the entity about the taking and vesting of the land.
 - (4) The chief executive's power to take land under subsection (1) applies even though—
 - (a) the taking of the land is for conferring rights or interests in the land on another entity; and
 - (b) an entity may derive a measurable benefit from the taking, use, lease or disposal of the land under this division.
 - (5) In this section—
 - relevant public sector entity*—
 - (a) means any of the following—
 - (i) a local government;
 - (ii) a government owned corporation;
 - (iii) another agency, authority, commission, corporation, instrumentality, office, or other entity, established under an Act for a public or State purpose; but
 - (b) does not include a department or part of a department.

51I Power to take easements and other interests

- (1) The chief executive's power to take land under section 51H(1) includes—
 - (a) power to take an easement, or another interest in land above or beneath the surface, without acquiring rights in the surface; and
 - (b) power to take a lease of State land or another interest in State land.
- (2) If the chief executive serves a notice of intention

[s 6]

to resume a lease of State land, or some other interest in State land that is less than freehold, the chief executive must file a copy of the notice in the appropriate land register kept under the *Land Act 1994*.

- (3) If the chief executive amends or discontinues a resumption mentioned in subsection (2), the chief executive must immediately file a notice of the amendment or discontinuance in the register.
- (4) This division applies in relation to the easement or other interest mentioned in subsection (1) as if the easement or other interest were land.
- (5) In this section—

easement includes a public utility easement under the *Land Act 1994* or the *Land Title Act 1994*.

notice of intention to resume means a notice mentioned in the *Acquisition of Land Act 1967*, section 7, as applied by section 51J(1).

51J Application of Acquisition of Land Act 1967

- (1) The process under the *Acquisition of Land Act 1967* for the taking of land, and the payment of compensation for taking land, applies to the taking of land under section 51H(1) as if—
 - (a) for land being taken other than by agreement—the land were being taken under part 2, division 2 of that Act; and
 - (b) for land being taken by agreement—the land were being taken under part 2, division 3 of that Act; and
 - (c) the chief executive were the constructing authority under that Act for taking the land; and

- (d) the Minister were the relevant Minister under that Act for taking the land.
- (2) Also, the *Acquisition of Land Act 1967*, sections 36 and 37 apply in relation to exercising the power to take land under section 51H(1) as if the chief executive were exercising the power as a constructing authority under that Act.
- (3) The *Acquisition of Land Act 1967* must be read with, and is subject to, modifications and adaptations necessary to give operation and effect to subsections (1) and (2).
- (4) To remove any doubt, it is declared that—
 - (a) the taking of land under section 51H(1) is not a taking of land under the *Acquisition of Land Act 1967*; and
 - (b) the chief executive's power to take land under section 51H(1) does not limit the State's power to take land, as a constructing authority, under the *Acquisition of Land Act 1967*.

51K Relationship with native title legislation

- (1) For the taking of land under section 51H(1) and the payment of compensation for the land taken—
 - (a) the process mentioned in section 51J(1) must be carried out in a way that is consistent with the *Native Title (Queensland) Act 1993* and the *Native Title Act 1993* (Cwlth); and
 - (b) if the *Native Title (Queensland) Act 1993* and the *Native Title Act 1993* (Cwlth) state a process in relation to the taking or payment that is in addition to the process stated in the *Acquisition of Land Act 1967*, the additional

[s 6]

process also applies to the taking or payment; and

- (c) the Land Court is the independent body for the *Native Title Act 1993* (Cwlth), section 24MD(6B).
- (2) To remove any doubt, it is declared that this Act is a compulsory acquisition Act under the *Native Title (Queensland) Act 1993*, section 144(4).

51L Vesting of land taken under s 51H

- (1) Land taken under section 51H(1) vests in the entity stated in the gazette resumption notice for the taking of the land on the day the notice is published in the gazette.
- (2) If the land taken under section 51H(1) is a lease of State land or another interest in State land that is less than freehold, as mentioned in section 51I, the land vests in the entity stated in the gazette resumption notice as an estate in fee simple.
- (3) The Governor in Council is authorised to grant in fee simple and so vest the land mentioned in subsection (2) subject to the reservations and conditions that are authorised or required under the *Land Act 1994*.
- (4) In this section—
