# Chapter 1 Preliminary

## 1 Short title

This regulation may be cited as the *Body Corporate and Community Management (Accommodation Module) Regulation 2020*.

## 2 Commencement

This regulation commences on 1 March 2021.

## 3 Application of this regulation—Act, s 21 [SM, s 3]

- (1) This regulation is a regulation module for the Act.
- (2) This regulation applies to a community titles scheme if—
  - (a) the lots included in the scheme are predominantly accommodation lots; or
  - (b) both of the following apply for the scheme—
    - (i) the lots included in the scheme are not predominantly accommodation lots;

*Note—*

For example, although the lots were offered for sale as accommodation lots, the buyers chose not to use them as accommodation lots.

- (ii) when the first community management statement identifying this regulation as the regulation module applying to the scheme was recorded, the lots included in the scheme were intended to be predominantly accommodation lots; or
  - (c) all of the following apply for the scheme—
    - (i) the lots included in the scheme have previously been, but are no longer, predominantly accommodation lots;

[s 4]

---

- (ii) when the lots included in the scheme last stopped being predominantly accommodation lots, the community management statement for the scheme identified this regulation as the regulation module applying to the scheme;
- (iii) since the lots included in the scheme last stopped being predominantly accommodation lots, each community management statement, if any, recorded for the scheme has identified this regulation as the regulation module applying to the scheme.

(3) In this section—

***accommodation lot*** means a lot that is—

- (a) the subject of a lease or letting for accommodation for long or short term residential purposes, or immediately available to be the subject of a lease or letting for accommodation for long or short term residential purposes; or
- (b) part of a hotel.

***hotel*** means an establishment organised and operated principally for providing accommodation in guest rooms or suites and offering food and drink, whether or not the establishment includes any of the following—

- (a) restaurants;
- (b) function rooms;
- (c) nightclubs or cabarets;
- (d) shops for tourists;
- (e) recreation facilities.

#### **4 Dictionary [SM, s 4]**

The dictionary in schedule 1 defines particular words used in this regulation.

---

**5 References to committee, chairperson, secretary or treasurer [SM, s 5]**

- (1) In a provision of this regulation about a community titles scheme—
- (a) a reference to the committee is a reference to the committee for the body corporate for the scheme; and
  - (b) a reference to the chairperson is a reference to the chairperson of the body corporate for the scheme; and
  - (c) a reference to the secretary is a reference to the secretary of the body corporate for the scheme; and
  - (d) a reference to the treasurer is a reference to the treasurer of the body corporate for the scheme.

*Note—*

Under section 8 of the Act, in a provision about a community titles scheme, a reference to any of the following persons or things is a reference to the person or thing for the scheme—

- 1 scheme land
- 2 body corporate
- 3 common property
- 4 body corporate assets
- 5 community management statement
- 6 original owner
- 7 by-laws
- 8 body corporate manager, service contractor or letting agent.

- (2) If, for a community titles scheme, a body corporate manager is acting under a chapter 3, part 5 engagement, a reference in this regulation to the committee, chairperson, secretary or treasurer of the body corporate for the scheme is, if the context permits, a reference to the body corporate manager.

*Example—*

Sections 44, 76(1)(b), 83, 162, 163 and 164 are provisions where the context permits a reference to the committee to be a reference to a body corporate manager acting under a chapter 3, part 5 engagement.

[s 6]

---

## 6 References to standard module

- (1) The information included in square brackets after a section heading is a reference to a comparable section of the standard module.
- (2) The brackets and information do not form part of this regulation.
- (3) In this section—

*standard module* means the *Body Corporate and Community Management (Standard Module) Regulation 2020*.

# Chapter 2 Community management statements

## 7 Permitted inclusions—Act, s 66 [SM, s 6]

For section 66(2)(b) of the Act, a community management statement may include the following things—

- (a) arrangements for future connections to utility infrastructure necessary to accommodate progressive development;
- (b) provisions adopting and regulating the operation of an architectural and landscape code, including the establishment and operation of an architectural review committee;
- (c) if the community titles scheme is the principal scheme in a layered arrangement of community titles schemes, or in a scheme intended to be developed progressively—arrangements or proposed arrangements with subsidiary schemes for the use, by the subsidiary schemes, of the common property or body corporate assets for the principal scheme.

*Example for paragraph (c)—*

The principal scheme might allow a subsidiary scheme to allocate car parks situated on the common property for the principal scheme.

## **Chapter 3      Committee for body corporate**

### **Part 1              Preliminary**

- (1) Subject to subsection (2), there must be a committee for the body corporate for a community titles scheme.
- (2) There is no committee for the body corporate if the body corporate engages, under part 5, a body corporate manager to carry out the functions of a committee and each executive member of a committee.

#### **9              Purposes of chapter [SM, s 8]**

The purposes of this chapter are—

- (a) to provide for the following matters in relation to a committee for the body corporate for a community titles scheme—
  - (i) the composition of the committee;
  - (ii) the choosing of members of the committee;
  - (iii) the term of office of a member of the committee;
  - (iv) the filling of casual vacancies on the committee;
  - (v) the meetings of the committee; and

[s 10]

---

- (b) to prescribe issues about which the committee may not make decisions; and
- (c) to enable the body corporate to engage a body corporate manager to carry out the functions of a committee and each executive member of a committee; and
- (d) to provide for matters that involve members of the committee that must be authorised by the body corporate.

## **Part 2                      Committee membership**

### **Division 1                      Composition of committee—Act, section 99**

#### **10                      Composition of committee [SM, s 9]**

- (1) A committee must consist of the following persons—
  - (a) the persons chosen to be the executive members of the committee;
  - (b) if ordinary members are chosen for the committee—the ordinary members;
  - (c) each person who is a non-voting member of the committee.
- (2) There must be a chairperson, secretary and treasurer, whether or not there is a body corporate manager who has been authorised by the body corporate under section 119 of the Act to exercise some or all of the powers of an executive member of the committee.
- (3) A person may hold the positions of chairperson, secretary and treasurer, or any 2 of the positions, in conjunction.
- (4) The committee, other than a minor committee, must consist of at least 3 voting members and not more than the maximum number of voting members for the committee.

---

## 11 Eligibility to be voting member [SM, s 10]

- (1) A person is eligible to be a voting member of the committee if the person is an individual nominated for membership of the committee by a member of the body corporate (the *nominating entity*) and is also—
  - (a) a member of the body corporate; or
  - (b) if the nominating entity is an individual—
    - (i) a member of the individual’s family; or
    - (ii) a person acting under the authority of a power of attorney given by the individual; or
  - (c) if the nominating entity is a corporation—a person who is a director, secretary or other nominee of the corporation; or
  - (d) if the nominating entity is the body corporate for a subsidiary scheme in a layered arrangement of community titles schemes—a person who is a representative of the subsidiary scheme.
- (2) However, a person who is otherwise eligible under subsection (1) to be a voting member of the committee is ineligible to be a voting member of the committee if the person is—
  - (a) a body corporate manager, service contractor or letting agent; or
  - (b) an associate of a body corporate manager, service contractor or letting agent, other than an owner of a lot who is the associate of a letting agent merely because the letting agent, in conducting the agent’s letting agent business, acts for the owner; or
  - (c) a person, other than a letting agent for the scheme, who conducts a letting agent business for the scheme; or
  - (d) a member of the body corporate who owes a body corporate debt in relation to a lot or lots owned by the person at the time voting members are chosen; or

[s 12]

---

- (e) a person nominated by a member mentioned in paragraph (d).

## **12 Co-owners or family members who are not eligible to be voting member [SM, s 11]**

- (1) Unless otherwise permitted under this regulation, for each lot that is co-owned, only 1 co-owner of the lot can be a voting member of the committee, on the basis of ownership of the lot, at a time.

*Note—*

For example, this regulation permits otherwise under sections 30, 34 and 42.

- (2) Also, for each lot that is owned, or co-owned, by an individual, only 1 of the following persons can be a voting member of the committee on the basis of ownership of the lot, at a time—
  - (a) the individual owner of the lot;
  - (b) a member of the individual owner's family;
  - (c) a person acting under the authority of a power of attorney given to the person by the individual owner of the lot.

## **13 Non-voting members of committee [SM, s 12]**

- (1) The following persons are, without further election or appointment, members of the committee—
  - (a) a body corporate manager for the community titles scheme;
  - (b) a caretaking service contractor for the scheme.
- (2) A person who is a member under this section is—
  - (a) a ***non-voting member*** of the committee; and
  - (b) not entitled to vote at a meeting of the committee.

- 
- (3) Subsection (2) applies even if the person is a member of the body corporate.

## **Division 2                    Choosing of committee—Act, section 99**

### **Subdivision 1            Choosing of committee at annual general meeting**

#### **14        When committee is chosen [SM, s 13]**

- (1) The members of the committee must be chosen at each annual general meeting of the body corporate.
- (2) Also, members of the committee may be chosen other than at an annual general meeting if they are appointed under subdivision 6 or division 3, subdivision 2.
- (3) However, subsection (1) does not apply for an annual general meeting if, on the day the annual general meeting is held, there are—
- (a) only 2 lots included in the community titles scheme, and the 2 lots are in identical ownership; or
  - (b) only 2 lots included in the scheme, and the 2 lots are in different ownership; or
  - (c) 3 or more lots included in the scheme, and all the lots are in identical ownership; or
  - (d) 3 or more lots included in the scheme, and there are only 2 different owners for all the lots; or
  - (e) 3 or more lots included in the scheme, and there are only 3 different owners for all the lots.
- (4) If subsection (3)(a) or (c) applies, the committee is a committee of 1 consisting of the individual who is the owner, or the nominee of the owner, of the lots, and the individual holds all the executive positions on the committee.

[s 15]

---

- (5) If subsection (3)(b) or (d) applies, the committee consists of 2 individuals who are the owners, or the nominees of the owners, of the lots, and they must decide between themselves which of the executive member positions of the committee each is to hold, and, if they can not agree, the positions of the executive members are jointly held by both of them.
- (6) If subsection (3)(e) applies, the committee consists of 3 individuals who are the owners, or the nominees of the owners, of the lots, and they must decide between themselves which of the executive member positions of the committee each is to hold, and, if they can not agree, the positions of the executive members are jointly held by each of them.
- (7) Subsections (4), (5) and (6) do not apply to the scheme if, at an annual general meeting, the body corporate engages under part 5 a body corporate manager to carry out the functions of a committee and each executive member of a committee.
- (8) A committee mentioned in subsection (4), (5) or (6) is a *minor committee*.

## **15 When committee may be chosen if previous committee was formed under s 14(4) [SM, s 14]**

- (1) If, on the day the first annual general meeting of the body corporate is held, the committee is formed under section 14(4), a subsequent committee may be chosen at an extraordinary general meeting held before the next annual general meeting after the first annual general meeting.
- (2) This subdivision applies to the extraordinary general meeting as if it were the next annual general meeting after the first annual general meeting.

---

## **Subdivision 2 Elections and nominations for membership of committee**

### **16 Election of committee [SM, s 15]**

- (1) The members of the committee must be chosen by an election conducted under sections 17 to 31, unless the body corporate decides by special resolution that the members are to be elected in another way.
- (2) Unless otherwise provided under this regulation, the election of a member must be by ballot.

*Note—*

For an example of this regulation otherwise providing, see section 29.

- (3) The value of any vote able to be cast for a lot included in the community titles scheme for choosing a member of the committee is the same as the value of the vote able to be cast for each other lot included in the scheme.
- (4) For subsection (3), it is immaterial whether there are 2 or more co-owners of 1 or more of the lots.
- (5) A way decided by the body corporate under subsection (1) must be fair and reasonable in the circumstances of the scheme.
- (6) However, this section does not apply to—
  - (a) a member of a minor committee; or
  - (b) deciding which of the executive member positions each member of a minor committee is to hold; or
  - (c) a member of a committee chosen under subdivision 6 or division 3, subdivision 2.

### **17 Nomination procedures for committee election other than at first annual general meeting [SM, s 16]**

- (1) This section states how individuals are nominated for election as a voting member of a committee at the annual general

[s 18]

---

meeting for the community titles scheme, other than the first annual general meeting.

- (2) The secretary must serve a notice on each owner of a lot shown on the body corporate's roll—
  - (a) setting out an owner's right of nomination under section 18 and inviting nomination; and
  - (b) stating that the owner, or a person nominated by the owner, is not eligible to be a voting member of the committee if the owner owes a body corporate debt in relation to a lot or lots owned by the owner at the time the members of the committee are chosen.
- (3) The notice must be given at least 3 weeks before, but not earlier than 6 weeks before, the end of the body corporate's financial year.

*Note—*

See also section 76.

- (4) Nominations must comply with section 19 and must be given to the secretary by the end of the body corporate's financial year.
- (5) As soon as practicable after receiving a nomination under this section, the secretary must forward written notice to the candidate acknowledging the nomination has been received.

## **18 Lot owner's right of nomination [SM, s 17]**

- (1) The owner of a lot may nominate 1 person for election as a voting member of the committee.
- (2) However, if the owner owns more than 1 lot in the community titles scheme, the owner may nominate persons for the election as follows—
  - (a) if the owner owns 2 lots or there are fewer than 7 lots included in the scheme—the owner may nominate 2 persons;

*Examples—*

- 1 Ms Jones owns 3 lots in a scheme that includes 6 lots. Ms Jones may nominate 2 persons for election.
  - 2 Ms Smith owns 2 lots in a scheme that includes 8 lots. Ms Smith may nominate 2 persons for election.
- (b) if the owner owns more than 2 lots and there are 7 or more lots included in the scheme—the owner may nominate 3 persons.

*Example—*

Mr and Mrs Brown own 5 lots in a scheme that includes 12 lots. Mr and Mrs Brown may nominate 3 persons for election.

- (3) The following persons may be nominated under subsection (1) or (2)—
- (a) if the owner of the lot is an individual—
    - (i) the owner of the lot; or
    - (ii) an individual who may be nominated by the owner of the lot under section 11(1)(b); or
    - (iii) another individual who is an owner of a lot;
  - (b) if the owner of the lot is not an individual—
    - (i) an individual who may be nominated by the owner of the lot under section 11(1)(c) or (d); or
    - (ii) an individual who is an owner of a lot.
- (4) If the owner of a lot owes a body corporate debt when the owner's nomination is received by the secretary, the owner's nomination or nominations are taken not to comply with this regulation.
- (5) The right of the owner of a lot to nominate persons for election under this section applies only for the purposes of sections 17 and 20.
- (6) In this section—  
**owner**, of a lot, includes co-owners of the lot.

[s 19]

---

**20 Modified nomination procedures for election of committee at first annual general meeting [SM, s 19]**

- (1) An owner of a lot may nominate individuals, as provided under section 18, for election as a voting member of the committee for an election held at the first annual general meeting for the community titles scheme.
- (2) A nomination must be given at the meeting either—

**21 Modified election procedures for committee election at first annual general meeting [SM, s 20]**

- (1) If, under this part, a committee election must be held at the first annual general meeting for the community titles scheme, the duties imposed on the secretary under this part must be carried out by the original owner.
- (2) However, to be entitled to vote in the election, a person must be present at the meeting.

**22 Conduct of elections for committee [SM, s 22]**

- (1) Except to the extent that procedures for ballots are stated in this division, ballots for the election of executive and ordinary members to the committee may be conducted in the way decided by the body corporate by ordinary resolution.

[s 23]

---

### **Subdivision 3      Conduct of ballots—general**

  - (a) chairperson;
  - (b) secretary;
  - (c) treasurer;
  - (d) ordinary members of the committee.
- (2) For subsection (1), the information is a list of the candidates properly nominated for the position, showing for each candidate—

  - (b) if the candidate is not an owner of a lot—
    - (i) the candidate’s residential or business address; and
    - (ii) the category of person mentioned in section 11(1)(b), (c) or (d) to which the candidate belongs; and
    - (iii) the name of the owner of a lot who nominated the candidate; and

*Note—*

For examples of nomination requirements, see sections 11, 18 and 19.

#### **24      General requirements for ballots [SM, s 31]**

- (1) Unless section 64(5) applies, any items of business about the election of members of the committee that are on the agenda

---

for an annual general meeting must be conducted as the last items of business for the meeting.

- (2) The election of members takes effect immediately after the close of the meeting at which they are elected.
- (3) Each ballot may proceed to the count only after the person chairing the meeting has allowed enough time for votes to be cast and announced the close of the ballot.
- (4) Each candidate for a ballot, and any scrutineer appointed by a candidate, may watch the count.

## **25 Order of ballots [SM, s 32]**

Ballots for the positions on the committee for which ballots are required must be conducted in the following order—

## **Subdivision 4      Choosing executive member positions**

### **27      Conduct of ballot—deciding executive member positions [SM, s 35]**

  - (7) If, on a counting of votes, 2 or more persons each receive an identical number of votes, and no other candidate receives a higher number of votes, the result must be decided between the 2 or more persons by chance in the way the meeting decides.

## **Subdivision 5      Choosing ordinary member positions**

### **28      Deciding ordinary members of committee—general [SM, s 36]**

- (1) The positions of the ordinary members of the committee may only be decided after the executive member positions on the committee are filled.
- (2) A person's nomination for a position as an ordinary member has no effect if the person is elected as an executive member of the committee.
- (3) Subsection (2) applies even if the person's name appears on a list of candidates for ordinary members forwarded before the meeting.

- (4) A ballot must be conducted for the election of ordinary members of the committee.

**30 Deciding ordinary member positions—inviting nominees [SM, s 38]**

- (1) This section applies if, at an annual general meeting, the number of the ordinary members plus the number of executive members of the committee is less than the maximum number of voting members for the committee.
- (2) The person chairing the meeting must invite nominations at the meeting for the number of ordinary member positions necessary to bring the total number of voting members for the committee to the maximum number.
- (3) If nominations are called for under subsection (2) and 1 co-owner of a lot has been elected as a member of the

committee, not more than 1 other co-owner of the lot may be nominated for an ordinary member position if necessary to bring the total number of voting members of the committee to 3.

- (4) The person chairing the meeting—
  - (a) must invite nominations for the position or positions at the meeting; and
  - (b) must accept nominations that are made in either of the following ways—

- (5) A person who holds the proxy for a member of the committee must disclose to a meeting of the committee the member's direct or indirect interest in an issue being considered, or about to be considered, by the committee if the proxy holder is aware that the member, if present, would be required under subsection (1) to disclose the interest.
- (6) A proxy holder required under subsection (5) to disclose an interest in an issue must not vote as the proxy on a motion involving the issue.

- (4) However, if the committee for the body corporate is a minor committee, the general meeting for subsection (2)(c) can be any general meeting of the body corporate.
- (5) The motion approving the engagement must be considered as the last item of business for the meeting.
- (6) The engagement may be in addition to an existing engagement of the person as a body corporate manager other than under this part.

## **Chapter 4      Body corporate meetings— Act, section 104**

### **Part 1            Purpose of chapter**

#### **70      Purpose of chapter [SM, s 80]**

The purpose of this chapter is to prescribe matters about meetings of the body corporate for a community titles scheme.

### **Part 2            Administrative arrangements for body corporate meetings**

#### **Division 1        General**

#### **71      Types of meetings [SM, s 81]**

- (1) All meetings of the body corporate are general meetings.
- (2) A general meeting is either an annual general meeting or an extraordinary general meeting.

#### **72      Who may call general meetings [SM, s 82]**

- (1) A general meeting may be called by a member of the committee, including a non-voting member of the committee, if the member is authorised by a resolution of the committee to call the particular meeting.
- (2) A general meeting may also be called by a person authorised or required to call a general meeting by an order of an adjudicator acting under the dispute resolution provisions.
- (3) This section does not apply to a requested extraordinary general meeting.

[s 73]

---

**73 When annual general meetings must be called [SM, s 83]**

An annual general meeting, other than the first annual general meeting, must be called and held within 3 months after the end of each of the community titles scheme's financial years.

*Note—*

See division 2 for requirements for the first annual general meeting.

**74 Requirement for requested extraordinary general meeting [SM, s 84]**

- (1) An extraordinary general meeting (a *requested extraordinary general meeting*) of the body corporate must be called if a notice requesting an extraordinary general meeting to consider and decide motions proposed in the notice is—
  - (a) signed by or for the owners of at least 25% of all the lots included in the community titles scheme; and
  - (b) given to the secretary or, in the secretary's absence, the chairperson or, if the committee has not yet been chosen, the original owner.
- (2) The secretary may be presumed to be absent if the notice is given to the secretary at the address for service of the body corporate and no reply is received within 7 days.
- (3) A requested extraordinary general meeting—
  - (a) must be called, within 14 days after the notice is given under subsection (1), by the person to whom the notice is given; and
  - (b) must be held within 6 weeks after the notice is given.

*Note—*

Section 81 provides a general meeting must be held at least 21 days after notice is given to the lot owners.

- (4) A requested extraordinary general meeting of the body corporate may be called even though the body corporate's first annual general meeting has not yet been held.

---

**75 Failure to call requested extraordinary general meeting [SM, s 85]**

- (1) This section applies if a requested extraordinary general meeting is not called within 14 days after the notice (the *original request*) requesting the meeting is given under section 74(1).
- (2) The owners of lots by or for whom the original request was signed may, in writing, request a committee member, other than the committee member to whom the original request was given, to call the meeting.
- (3) The committee member must call the requested extraordinary general meeting within 14 days after the written request is given to the member.

**76 Opportunity to submit agenda motions [SM, s 86]**

- (1) A motion for consideration at a general meeting of the body corporate may be submitted at any time by—
  - (a) a member of the body corporate; or
  - (b) the committee.
- (2) Subsection (3) only applies in relation to the first annual general meeting of a body corporate.
- (3) If a motion is submitted by a member of the body corporate before the first annual general meeting, it must be included on the general meeting agenda if it is practicable to include the motion.
- (4) Subsections (5) to (8) apply in relation to all other general meetings of a body corporate.
- (5) If a motion is submitted, including by a member of the body corporate in response to an invitation under subsection (8), it must, subject to subsections (6) and (7), be included on the next general meeting agenda on which it is practicable to include the motion.
- (6) A motion submitted by a member of the body corporate may be included on the agenda for an annual general meeting only

[s 77]

---

if the secretary receives the motion before the end of the body corporate's financial year immediately preceding the meeting.

- (7) However, a motion of a following type must not be included on the agenda for a general meeting if the motion's inclusion would result in the body corporate considering a motion of that type more than once in a financial year for the body corporate—
- (a) a motion proposing that a regulation module be applied to the community titles scheme that is different from the regulation module identified in the scheme's community management statement;
  - (b) a motion proposing that the remuneration paid to a particular service contractor be changed;
  - (c) a motion proposing that the engagement of a person as a service contractor, or the authorisation of a person as a letting agent, be amended if, as a result of the amendment, the engagement or authorisation would include a right or option of extension or renewal.
- (8) If a notice is forwarded to members of the body corporate inviting nominations for committee member positions to be filled at an annual general meeting of the body corporate, the members must also be invited to submit motions for inclusion on the agenda for the meeting.

## **77 Notice of general meetings [SM, s 87]**

- (1) Written notice of a general meeting must be given to the owner of each lot included in the community titles scheme.
- (2) The notice must state the time and place of the proposed general meeting.
- (3) The notice of a proposed general meeting must—
  - (a) contain an agenda for the meeting; and
  - (b) be accompanied by—
    - (i) a proxy form; and

- (ii) if the notice is given to the corporate owner of a lot—a form under which the owner may advise the body corporate of the corporate owner nominee; and
- (c) be accompanied by a voting paper for all open motions to be decided at the meeting; and
- (d) for a motion to be decided by secret ballot—
  - (i) for a hard copy vote—include the following things—
    - (A) a secret voting paper under section 78;
    - (B) an envelope marked ‘secret voting paper’;
    - (C) either a separate particulars envelope or a particulars tab forming part of the secret voting paper envelope that a person may detach without unsealing or otherwise opening the envelope; and
  - (ii) for an electronic vote—include instructions mentioned in section 78(5)(g); and
- (e) be accompanied by explanatory material required under section 80; and
- (f) contain or be accompanied by any other document required under the Act or this regulation.

*Note—*

See, for example, the documents required under sections 23, 150, 163, 165, 166, 186 and 219.

- (4) However, if all of the lots have identical ownership, no notice of a general meeting need be given.

## **78 Requirements for voting papers [SM, s 88]**

- (1) The secretary must prepare a hard copy voting paper and, if applicable, an electronic form of the voting paper for all open motions to be decided at a general meeting.

[s 78]

---

- (2) Also, the secretary must prepare a hard copy voting paper and, if applicable, an electronic form of the voting paper (each a *secret voting paper*) for a motion to be decided at the meeting by secret ballot.
- (3) If 2 or more motions are to be decided at the meeting by secret ballot, they may, but need not, appear on 1 secret voting paper.
- (4) However, if 2 or more motions that are part of a group of same-issue motions are to be decided at the meeting by secret ballot, they must appear on 1 secret voting paper.
- (5) A voting paper must—
  - (a) state each motion in accordance with subsection (6); and
  - (b) state for each motion whether a resolution without dissent, special resolution, majority resolution or ordinary resolution is required; and
  - (c) for a secret voting paper—be marked with the words ‘secret voting paper’; and
  - (d) if the voting paper is accompanied by an explanatory schedule including an explanatory note for a motion—state that an explanatory note for the motion is included in the explanatory schedule; and
  - (e) if the voting paper is for a hard copy vote—provide for a person, who is a voter for the general meeting, to cast a hard copy vote on each motion to be considered at the meeting; and
  - (f) if the body corporate has by ordinary resolution decided that voters for general meetings may cast votes electronically for open motions—be accompanied by instructions on how a person who is a voter for the general meeting may cast an electronic vote on each open motion to be decided at the meeting; and
  - (g) if the body corporate has by ordinary resolution decided that voters for general meetings may cast votes electronically for motions to be decided by secret ballot—be accompanied by instructions on how a person who is a voter for the general meeting may cast

- 
- an electronic vote on each motion to be decided by secret ballot at the meeting.
- (6) Subject to subsection (7), the voting paper must, for each motion, state—
- (a) the motion in the form in which it was submitted without amendment; and
  - (b) if the motion is not submitted by the committee—the name and, if applicable, the lot number of the person submitting the motion; and
  - (c) if the motion is submitted by the committee—that the motion is submitted by the committee and whether the motion is a statutory motion.
- (7) A voting paper that includes a group of same-issue motions must also list the motions that are part of the group—
- (a) under the title of the group of same-issue motions as shown on the agenda for the meeting; and
  - (b) in the following order—
    - (i) motions requiring a resolution without dissent;
    - (ii) motions requiring a special resolution;
    - (iii) motions requiring a majority resolution;
    - (iv) motions requiring an ordinary resolution.
- (8) To remove any doubt, it is declared that if a group of same-issue motions includes open motions and motions to be decided by secret ballot—
- (a) the voting paper for the open motions lists only the open motions; and
  - (b) the secret voting paper lists only the motions to be decided by secret ballot.

## **79 Group of same-issue motions [SM, s 89]**

- (1) This section applies if 2 or more motions (the *original motions*) proposing alternative ways of dealing with the same

[s 79]

---

issue are submitted, under section 76, for consideration at a general meeting of the body corporate.

*Example—*

The secretary of the body corporate receives motions from 3 owners of lots proposing the engagement of a person as a body corporate manager and each motion proposes a different person.

- (2) The committee must list the original motions as a group of motions dealing with the same issue (a ***group of same-issue motions***) on the voting paper for the general meeting.

*Note—*

See also section 78.

- (3) A person who is a voter for the general meeting may do any or all of the following in relation to the original motions that are part of a group of same-issue motions—
  - (a) vote in favour of 1 or more of the motions;
  - (b) vote against 1 or more of the motions;
  - (c) abstain from voting on 1 or more of the motions.
- (4) An original motion that receives the required number of votes to pass the motion qualifies (a ***qualifying motion***) to be a decision of the body corporate.
- (5) If there is only 1 qualifying motion, the qualifying motion is the body corporate's decision for the group of same-issue motions.
- (6) If there is more than 1 qualifying motion, the qualifying motion that receives the highest number of votes in favour of the motion is the body corporate's decision for the group of same-issue motions.

*Example—*

Suppose that 3 original motions proposing improvements to the common property are submitted for consideration at a general meeting for a scheme with 20 lots. The motions listed as original motions are as follows—

- 1 Original motion A which proposes improvements that would cost an amount that must be authorised by special resolution;

- 2 Original motion B which proposes improvements that would cost an amount that must be authorised by special resolution;
- 3 Original motion C which proposes improvements that would cost an amount that may be authorised by ordinary resolution.

Original motion A receives 15 votes in favour of, and 2 votes against, the motion and would pass as a special resolution. Original motion B receives 13 votes in favour of, and 3 votes against, the motion and would also pass as a special resolution. Original motion C receives 6 votes in favour of, and no votes against, the motion and would pass as an ordinary resolution. Therefore, each original motion is a qualifying motion of the group of same-issue motions.

As original motion A is the qualifying motion that receives the highest number of votes in favour of the motion, it is the decision of the body corporate, under subsection (6), for the group of same-issue motions.

- (7) However, if there are 2 or more qualifying motions that each receive an equal highest number of votes in favour of the motion, the qualifying motion that receives the fewest votes against the motion is the body corporate's decision for the group of same-issue motions.
- (8) If there is more than 1 qualifying motion and the qualifying motions each receive an equal highest number of votes in favour of the motion and an equal number of votes against the motion, the qualifying motion that is the body corporate's decision must be decided by chance in the way the meeting decides.
- (9) Other than for an original motion that is part of a group of same-issue motions, if more than 1 motion about the same issue is listed on the agenda, or stated in a voting paper, for the meeting all motions about the issue are void.

## **80 Explanatory material accompanying voting paper [SM, s 90]**

- (1) A voting paper for a general meeting must be accompanied by an explanatory schedule if—
  - (a) the submitter of a motion stated in the voting paper gives the secretary an explanatory note about the motion, and the note is not longer than 300 words; or

[s 80]

---

- (b) the voting paper is for an annual general meeting; or
- (c) the voting paper includes a group of same-issue motions; or
- (d) the voting paper states a motion proposing that a regulation module be applied to the community titles scheme that is different from the regulation module identified in the scheme's community management statement; or
- (e) an explanatory schedule is required to accompany the voting paper under another provision of this regulation.

*Note—*

See, for example, section 45.

- (2) The explanatory schedule must, for a motion mentioned in subsection (1)(a), include only the following information—
  - (a) the number assigned to the motion on the voting paper;
  - (b) the explanatory note in the form given by the motion's submitter;
  - (c) the submitter's name.
- (3) The explanatory schedule accompanying a voting paper for an annual general meeting must, for a motion about adopting administrative and sinking fund budgets, include an explanatory note stating that, under section 151, the amount of a budget adopted at the meeting may be more or less than the proposed budget amount by an amount equivalent to not more than 10% of the proposed budget amount.
- (4) The explanatory schedule must, for a group of same-issue motions, include all of the following information—
  - (a) the title of the group as shown on the agenda for the meeting;
  - (b) a list of each original motion that is part of the group;
  - (c) each original motion whose substance is stated in the form in which it was submitted under section 76;

- 
- (d) an explanatory note about each original motion, given to the secretary by the submitter of the original motion, if the note is not longer than 300 words;
  - (e) an explanatory note stating that—
    - (i) voters may vote on each of the original motions that are part of the group; and
    - (ii) votes are counted for all original motions that are part of the group before the body corporate’s decision is determined; and
    - (iii) if a motion is a qualifying motion, the motion qualifies to be a decision of the body corporate; and
    - (iv) an original motion can not be amended at the general meeting; and
    - (v) if no original motion receives sufficient votes to pass according to the type of resolution required for the motion, the decision of the body corporate is that none of the original motions are passed.

*Example of an explanatory note for paragraph (e)—*

‘To vote on this group of same-issue motions, you may either vote in favour of, against, or abstain from voting on, each original motion in the group of same-issue motions. You may vote on more than 1 original motion.

Votes on each original motion in the group of same-issue motions will be counted in the order the original motions are listed in the agenda. When votes for all original motions have been counted, the original motion that receives the sufficient number of votes to pass according to the type of resolution required for the motion, and that also receives the highest number of votes in favour, is the decision of the body corporate about the group of same-issue motions. Only 1 original motion can be passed as the decision of the body corporate about the group of same-issue motions.

If no original motion receives the sufficient number of votes to pass according to the resolution required for the motion, the decision of the body corporate about the group of same-issue motions is that no original motion is passed.

[s 81]

---

Original motions in the group of same-issue motions can not be amended at the meeting.’.

- (5) The explanatory schedule must, for a motion mentioned in subsection (1)(d), include an explanatory note, in the approved form, explaining the effect of the proposed change.
- (6) To remove any doubt, it is declared that an explanatory schedule for a motion must not contain explanatory material, other than an explanatory note mentioned in subsections (3) to (5) or required under another provision of this regulation, written by a person other than the submitter of the motion.
- (7) A notice of a proposed general meeting may be accompanied by explanatory material given by the committee, other than an explanatory note mentioned in subsections (2) to (5), if the material is contained in a schedule of the committee’s explanatory material that is separate from the explanatory schedule.

*Example—*

The schedule of a committee’s explanatory material might contain general explanatory material that does not relate to a particular motion stated in the voting paper, or information relating to a motion.

- (8) Explanatory material may accompany a voting paper or a notice of a proposed general meeting only if required or permitted under this regulation.

## **81 Time of general meetings [SM, s 91]**

A general meeting must be held at least 21 days after notice of the meeting is given to the owners of lots.

*Note—*

Section 74 provides for the timing of a requested extraordinary general meeting.

- 
- (6) For this section, the number of voters for the meeting must be calculated as follows—

  - (b) does not allow a person other than the secretary to receive the electronic votes.
- (3) The system for receiving electronic votes may allow a voter who is present personally at the annual general meeting to cast a vote electronically at the meeting.

*Example—*

The system may allow voters to cast a vote using a computer, smartphone or tablet computer.

- (4) Also, to cast an electronic vote a person must comply with—

    - (ii) carry out the duties; or
    - (iii) remedy the contravention;
  - (d) that if the person does not comply with the notice in the period stated, the body corporate may terminate the engagement or authorisation.
- (5) Despite subsection (3)(a), if the person is a body corporate manager acting under a chapter 3, part 5 engagement, the owners of at least one-half of the lots included in the community titles scheme may, on behalf of the body corporate, give the person a remedial action notice.

---

occupation authority would not interfere to an unreasonable extent with the use and enjoyment of a lot or the common property by an occupier of a lot.

- (5) An occupation authority—
- (a) may include conditions with which the property occupier must comply; and
  - (b) if given under subsection (1)—is taken to be a term of—
    - (i) for a property occupier who is a service contractor—the property occupier’s engagement as a service contractor; or
    - (ii) for a property occupier who is a letting agent—the property occupier’s authorisation as a letting agent; and
  - (c) may give the property occupier a right to exclusive occupation of the part of the common property the occupation authority relates to; and
  - (d) must not be amended or terminated without the agreement of the property occupier during the term of the engagement or authorisation; and
  - (e) terminates immediately on the property occupier’s engagement as a service contractor or authorisation as a letting agent coming to an end or being terminated.
- (6) Despite subsection (5)(c), a right a property occupier may have to exclusive occupation of a part of the common property is subject to the body corporate’s right to authorise access to the part by others if the extent of the access does not unreasonably interfere with the occupation of the part by the property occupier.
- (7) A service contractor or letting agent may acquire rights to occupy part of the common property for the purpose of the service contractor’s engagement or letting agent’s authorisation, only under this section.

[s 148]

---

**148 Occupation of common property by service contractor may include right of access [SM, s 158]**

- (1) This section applies to an ordinary resolution passed by a body corporate under section 147(1) for a property occupier who is a service contractor.
- (2) The resolution may give the property occupier a right of access over other parts of the common property to enable the property occupier to perform obligations, other than an obligation to supply utility services, under the property occupier's engagement as a service contractor.

*Example—*

The body corporate might give a service contractor a right of access over common property to provide room service in a tourist scheme.

- (3) A right of access mentioned in subsection (2) does not, of itself, give the property occupier an exclusive right to perform the obligations.

## **Chapter 7 Financial management— Act, section 150**

### **Part 1 Purpose of chapter**

**149 Purpose of chapter [SM, s 159]**

The purpose of this chapter is to prescribe the financial management arrangements that apply to the body corporate for a community titles scheme.

---

## Part 2                      Budgets

### 150      **Budgets [SM, s 160]**

- (1) The body corporate must, by ordinary resolution, adopt the following 2 budgets for each financial year—
  - (a) the administrative fund budget;
  - (b) the sinking fund budget.

*Note—*

See section 157.

- (2) The administrative fund budget must—
  - (a) contain estimates for the financial year of necessary and reasonable spending from the administrative fund to cover—
    - (i) the cost of maintaining common property and body corporate assets; and
    - (ii) the cost of insurance; and
    - (iii) other expenditure of a recurrent nature; and
  - (b) fix the amount to be raised by way of contribution to cover the estimated recurrent expenditure mentioned in paragraph (a).
- (3) The sinking fund budget must—
  - (a) allow for raising a reasonable capital amount both to provide for necessary and reasonable spending from the sinking fund for the financial year, and also to reserve an appropriate proportional share of amounts necessary to be accumulated to meet anticipated major expenditure over at least the next 9 years after the financial year, having regard to—
    - (i) anticipated expenditure of a capital or non-recurrent nature; and
    - (ii) the periodic replacement of items of a major capital nature; and

[s 151]

---

- (iii) other expenditure that should reasonably be met from capital; and
- (b) fix the amount to be raised by way of contribution to cover the capital amount mentioned in paragraph (a).

*Example—*

Painting of the common property is anticipated to be necessary in 3 years time at a cost currently estimated at \$12,000. The contribution amount for the sinking fund in the budget for the financial year must therefore include the annual proportional share for painting of \$4,000. Next year, the estimated cost has increased to \$12,400 and so the second year levy will be \$4,200. The estimated cost in the third year is \$12,800, so with the \$8,200 accumulated, a levy of \$4,600 is necessary to meet the cost. In larger community titles schemes, the sinking fund will have several projects being funded for various future times.

- (4) If the scheme is a lot included in another community titles scheme, the administrative fund budget must also include an estimate of the total amount the body corporate may reasonably be expected to contribute to the administrative and sinking funds for the other scheme, and any other fund provided for in the regulation module applying to the other scheme.
- (5) The original owner must prepare proposed budgets for adoption by the body corporate at its first annual general meeting, and the committee must prepare proposed budgets for adoption by the body corporate at each later annual general meeting.
- (6) Copies of the proposed budgets must accompany the notice of an annual general meeting.
- (7) To remove any doubt, it is declared that the inclusion of an item of expenditure in a budget adopted by the body corporate is not, of itself, authority for the expenditure.

## **151 Adjusting proposed budgets at annual general meeting [SM, s 161]**

- (1) The amount of an administrative or sinking fund budget adopted by a body corporate at an annual general meeting

may be more or less than the proposed budget amount by an amount equivalent to not more than 10% of the proposed budget amount.

*Example—*

A proposed administrative fund budget is \$5,000. The administrative fund budget adopted by the body corporate at the annual general meeting may be between \$4,500 and \$5,500.

- (2) However, the amount of a proposed budget may be adjusted only to provide for spending, or remove amounts included in the proposed budget for spending, from the fund for the financial year if—
  - (a) the motion to approve the spending is stated in the agenda for the meeting; and
  - (b) either—
    - (i) the spending is approved by the body corporate but is not adequately provided for in the proposed budget; or
    - (ii) the spending is provided for in the proposed budget but the body corporate does not approve the spending at the meeting.
- (3) The adjustment must be approved by a majority of voters present and entitled to vote on the adjustment.
- (4) If the amount of a proposed budget is adjusted under this section—
  - (a) the proposed contributions to be paid by owners of lots for the financial year are proportionately adjusted; and
  - (b) it is not necessary to amend the motion stated in a voting paper for the fixing of contributions to incorporate the adjustment; and
  - (c) a copy of the adopted budget must be given to each owner of a lot with the copy of the minutes of the meeting given to the owner under section 108(2).

- (c) must relate, as closely as practicable, to the period from the end of the previous financial year to 2 months after the proposed date of the annual general meeting.
- (5) The contributions levied on the owner of each lot, other than contributions payable for insurance and any other matter for which, under the Act or this regulation, the liability attaching to each lot is calculated other than on the basis of the lot's contribution schedule lot entitlement, must be proportionate to the contribution schedule lot entitlement of the lot.

*Note—*

For examples of other matters for subsection (5), see sections 187, 190, 191 and 192.

### **153 Notice of contribution payable [SM, s 163]**

- (1) At least 30 days before the payment of a contribution, or an instalment of a contribution, is required, the body corporate must give the owner of each lot written notice of—
  - (a) the total amount of the contribution levied on the owner; and
  - (b) the amount of the contribution, or the instalment of a contribution, for which payment is currently required; and
  - (c) the date (the *date for payment*) on or before which the contribution, or the instalment of a contribution, must be paid; and
  - (d) any discount to which the owner is entitled for payment of the contribution, or the instalment of a contribution, by the date for payment; and
  - (e) any penalty to which the owner is liable for each month payment is in arrears; and
  - (f) if the owner is in arrears in payment of a contribution or penalty—the arrears.
- (2) The written notice under subsection (1) may also include notice about an amount payable by an owner of a lot to the body corporate for—

[s 154]

---

- (a) a specially contracted service enjoyed by the owner; or
  - (b) an exclusive use or special right over common property enjoyed by the owner.
- (3) Also, a written notice under this section must be given to an owner of a lot—
- (a) if the owner has directed the body corporate as to how the notice is to be given—in the way directed by the owner; or
  - (b) otherwise—under section 208.

#### **154 Discounts for timely payment [SM, s 164]**

- (1) The body corporate may, by ordinary resolution, fix a discount to be given to owners of lots if a contribution, or an instalment of a contribution, is received by the body corporate by the date for payment fixed in notices of contribution given to the owners.
- (2) The discount can not be more than 20% of the amount to be paid.

*Example—*

Suppose that—

- 1 a contribution of \$100 is payable in 4 instalments of \$25 and the body corporate has fixed a discount of 10% for payment by the date for payment in the notices of contribution given to the owners; and
- 2 an account requiring payment of an instalment of \$25 by 31 March is given to an owner of a lot; and
- 3 the instalment is paid on 25 March.

In this case, the owner is entitled to a discount of \$2.50 on the instalment.

#### **155 Penalties for late payment [SM, s 165]**

- (1) The body corporate may, by ordinary resolution, fix a penalty to be paid by owners of lots if a contribution, or an instalment of a contribution, is not received by the body corporate by the

- 
- (a) the amount raised by way of contribution to cover anticipated spending of a capital or non-recurrent nature, including the periodic renewal or replacement of major items of a capital nature and other spending that should be reasonably met from capital; and
  - (b) amounts received under policies of insurance for destruction of items of a major capital nature; and
  - (c) interest from investment of the sinking fund.
- (4) The administrative and sinking funds may be invested in the way a trustee may invest trust funds.
  - (5) All amounts received by the body corporate for the credit of the administrative or sinking fund must be paid into 1 or more accounts kept solely in the name of the body corporate at a financial institution.
  - (6) All payments from the administrative or sinking fund must be made from the account or accounts.
  - (7) Funds must not be transferred between the administrative fund and the sinking fund.
  - (8) All payments from the administrative or sinking fund may be made only on receipt of—
    - (a) a written request for payment; or
    - (b) written evidence of payment, including, for example, a receipt.

**158 Administration of administrative or sinking fund by body corporate manager [SM, s 168]**

- (1) This section applies if a body corporate manager administers the body corporate’s administrative or sinking fund under—
  - (a) an authorisation given by the body corporate under section 119 of the Act; or
  - (b) a chapter 3, part 5 engagement.
- (2) A body corporate manager who does not comply with section 157 in administering the fund commits an offence.

[s 158]

---

Maximum penalty—20 penalty units.

- (3) An invoice of the body corporate manager for services provided to the body corporate by the body corporate manager in administering the fund must not include services provided by another person.

*Example—*

services provided by an insurance broker or service contractor

- (4) The body corporate manager must, not later than 30 days after the following day (the **termination day**), give to the body corporate the financial records stated in subsection (5)—
- (a) the day the authorisation under section 119(2) of the Act is revoked;
- (b) the day the chapter 3, part 5 engagement ends.

Maximum penalty—20 penalty units.

- (5) For subsection (4), the financial records are each of the following—
- (a) if required by the body corporate—a balance sheet, as at the termination day, for the fund administered by the body corporate manager;
- (b) an income and expenditure statement for the fund for the financial year in which the termination day falls;
- (c) a list of all amounts owing to, and payable from, the fund as at the termination day;
- (d) a reconciliation statement for the account or accounts kept for the fund for the month most recently completed before the termination day;
- (e) details of the most recent notice given to each owner of a lot requiring payment of a contribution, or an instalment of a contribution;
- (f) a record of all contributions, or instalments of contributions, paid by owners of lots during the financial year in which the termination day falls;

- (g) any other financial record for the fund held by the body corporate manager on the termination day.

*Example of other financial records—*

financial institution deposit books

- (6) However, subsection (4) does not apply to a financial record if, before the 30-day period ends, the body corporate manager is served with a notice under section 224 for the record.

### **159 Application of administrative and sinking funds [SM, s 169]**

- (1) The sinking fund may be applied towards—
  - (a) spending of a capital or non-recurrent nature; and
  - (b) the periodic replacement of major items of a capital nature; and
  - (c) other spending that should reasonably be met from capital.
- (2) All other spending of the body corporate must be met from the administrative fund.

*Examples—*

- 1 The cost of repainting the common property or replacing air-conditioning plant would be paid from the sinking fund.
- 2 The cost of insurance would be paid from the administrative fund.

### **160 Reconciliation statements [SM, s 170]**

- (1) This section applies if—
  - (a) a body corporate manager administers the body corporate's administrative or sinking fund under—
    - (i) an authorisation given by the body corporate under section 119 of the Act; or
    - (ii) a chapter 3, part 5 engagement; or

[s 161]

---

- (b) the body corporate decides by ordinary resolution that reconciliation statements must be prepared under this section.
- (2) A statement (the *reconciliation statement*) must be prepared, within 21 days after the last day of each month, for each account kept for the fund showing the reconciliation of—
- (a) a statement, produced by the financial institution where the account is kept, showing the amounts paid into and from the account during the month; and
  - (b) invoices and other documents showing payments into and from the account during the month.
- (3) The reconciliation statement must be prepared by—
- (a) if the fund is administered by a body corporate manager—the body corporate manager; or
  - (b) otherwise—the treasurer.

## Part 6                      Borrowing

### 161    Power to borrow [SM, s 171]

- (1) The body corporate may, by ordinary resolution, borrow amounts on security agreed between the body corporate and the person from whom the amounts are borrowed.
- (2) The body corporate must not at any time, without the authority of a special resolution, be in debt for a borrowed amount greater than an amount worked out by multiplying the number of lots included in the community titles scheme by \$250.

---

## Part 7 Control of spending

### 162 Spending by committee [SM, s 172]

- (1) The committee may only give effect to a proposal involving spending above the relevant limit for committee spending for the community titles scheme if—
- (a) the spending is specifically authorised by ordinary resolution of the body corporate; or
  - (b) the owners of all lots included in the scheme have given written consent; or
  - (c) an adjudicator is satisfied that the spending is required to meet an emergency and authorises it under an order made under the dispute resolution provisions; or
  - (d) the spending is necessary to comply with—
    - (i) a statutory order or notice given to the body corporate; or
    - (ii) an order of an adjudicator; or
    - (iii) a judgment or order of a court; or
    - (iv) an order of QCAT; or
  - (e) both of the following apply—
    - (i) the committee decides the spending is necessary to put in place a relevant policy of insurance, or to renew an existing relevant policy of insurance;
    - (ii) the decision to put the relevant policy of insurance in place, or renew the existing relevant policy of insurance, is not a decision on a restricted issue for the committee.
- Note—*
- See section 44(1)(c).
- (2) For this section, if a series of proposals forms a single project, the cost of carrying out any 1 of the proposals is taken to be

[s 163]

---

more than the relevant limit for committee spending if the cost of the project, as a whole, is more than the relevant limit.

- (3) Section 163 applies to the proposal in addition to this section if—
- (a) subsection (1)(a) or (b) applies in relation to the proposal; and
  - (b) the proposal involves spending above the relevant limit for major spending; and
  - (c) the proposal does not involve spending mentioned in subsection (1)(c) or (d).
- (4) In this section—

*relevant policy of insurance* means a policy of insurance the body corporate puts into place or maintains under chapter 8, part 6.

## **163 Quotes for major spending decided at general meeting [SM, s 173]**

- (1) This section applies if—
- (a) a motion to be moved at a general meeting of the body corporate proposes the carrying out of work or the acquisition of personal property or services, including the engagement of a body corporate manager or service contractor, but not including the engagement of a service contractor who is also, or is to be, a letting agent; and
  - (b) the cost of giving effect to the proposal is more than the relevant limit for major spending for the community titles scheme.
- (2) The owner of each lot must be given copies of at least 2 quotations for carrying out the work or supplying the personal property or services.
- (3) If the motion is proposed by the committee, the committee must obtain the quotations.

- (4) If the motion is not proposed by the committee, the person proposing the motion must obtain the quotations and give them to the secretary.
- (5) Copies of the quotations or, if voluminous, summaries of the quotations and advice about where the complete documents may be inspected, must accompany the notice of the meeting at which the motion is to be considered.
- (6) If, for exceptional reasons, it is not practicable to obtain 2 quotations, a single quotation must be obtained and must accompany the notice of the meeting.

*Example—*

If goods to be acquired by the body corporate are obtainable from only 1 source, a quotation for supplying the goods must be obtained from the source and circulated with the notice of meeting. The fact that goods with the necessary characteristics are only obtainable from a single source would be an exceptional reason for not obtaining 2 quotations for the supply of the goods.

- (7) Unless subsection (6) applies, the motions for the quotations must be set out as a group of same-issue motions in the agenda and on a voting paper for the meeting.
- (8) Each quotation obtained under this section must be retained as an attachment to the minutes of the meeting at which the quotation is considered.
- (9) For this section—
  - (a) the cost of engaging a body corporate manager or a service contractor includes any payment for the body corporate manager's or the service contractor's services, provided for under the engagement, for the term of any right or option of extension or renewal of the engagement; and
  - (b) if a series of proposals forms a single project, the cost of carrying out any 1 of the proposals is taken to be more than the relevant limit for major spending for the scheme if the cost of the project, as a whole, is more than the relevant limit.

[s 164]

---

**164 Quotes for major spending decided by committee [SM, s 174]**

- (1) This section applies if—
  - (a) the relevant limit for committee spending for a community titles scheme is more than the relevant limit for major spending for the scheme; and
  - (b) a motion to be moved at a meeting of the committee or, under section 61, outside a committee meeting, proposes the carrying out of work or the acquisition of personal property or services; and
  - (c) the cost of giving effect to the proposal is more than the relevant limit for major spending for the scheme but less than the relevant limit for committee spending for the scheme.
- (2) This section also applies if—
  - (a) a motion to be moved at a meeting of the committee or, under section 61, outside a committee meeting, proposes spending above the relevant limit for committee spending for the community titles scheme to put in place a relevant policy of insurance, or to renew an existing relevant policy of insurance; and

*Note—*

See also section 162(1)(e).

  - (b) the cost of giving effect to the proposal is more than the relevant limit for major spending for the scheme.
- (3) Before a motion to be moved at a meeting of the committee is decided, the committee must obtain and consider at least 2 quotations for carrying out the work, supplying the personal property or services or putting in place, or renewing, the relevant policy of insurance.
- (4) If the motion is to be moved outside a committee meeting, the notice of the motion must be accompanied by copies of at least 2 quotations for carrying out the work, supplying the personal property or services or putting in place, or renewing, the relevant policy of insurance.

- (5) However, if, for exceptional reasons, it is not practicable to obtain 2 quotations for subsection (3) or (4), a single quotation must be obtained and considered.

*Example of an exceptional reason—*

The proposal is for the acquisition of goods of a particular characteristic. Goods of that characteristic are only obtainable from 1 source.

- (6) Each quotation obtained under this section must be retained as an attachment to—
- (a) the minutes of the meeting at which the quotation is considered; or
  - (b) the record of the motion voted on other than at a meeting.
- (7) For this section, if a series of proposals forms a single project, the cost of carrying out any 1 of the proposals is taken to be more than the relevant limit for major spending for the scheme if the cost of the project, as a whole, is more than the relevant limit.

## Part 8 Accounts and audit

### 165 Accounts [SM, s 175]

- (1) The body corporate must—
- (a) keep proper accounting records; and
  - (b) prepare for each financial year a statement of accounts showing the income and spending, or receipts and payments, of the body corporate for the financial year.
- (2) The statement of accounts may be prepared on a cash or accrual basis.
- (3) If the accounts are prepared on a cash basis, they must include disclosure of the following—

[s 166]

---

- (4) If the accounts are prepared on an accrual basis, they must show the assets and liabilities of the body corporate at the end of the financial year.
- (5) The statement of accounts must include—

- (6) A copy of the statement of accounts must accompany the notice of the next annual general meeting held after the end of the financial year for which the accounts are prepared.

## **166 Audit [SM, s 176]**

- (1) The body corporate must have its statement of accounts for each financial year audited by an auditor unless—
- (a) the community titles scheme is a basic scheme; and
  - (b) the body corporate resolves by special resolution not to have the statement audited.
- (2) If the body corporate is required under subsection (1) to have its statement of accounts audited, the auditor to be appointed must be agreed to by ordinary resolution of the body corporate.

- 
- (3) The motion for agreeing to the auditor to be appointed—
    - (a) must be included in the agenda for the general meeting at which the motion is to be considered; and
    - (b) must include the name of the auditor proposed to be appointed; and
    - (c) is not voted on if, under subsection (1), it is resolved not to have the statement of accounts audited.
  - (4) Even if the body corporate resolves not to have its statement of accounts for a particular financial year audited, the body corporate may, by ordinary resolution, resolve to have its accounting records for a particular period, or for a particular project, audited and appoint an auditor for the purpose.
  - (5) The following persons can not be appointed to audit the accounting records or the statement of accounts of the body corporate—
    - (a) a member of the committee;
    - (b) a body corporate manager;
    - (c) an associate of a member of the committee or a body corporate manager.
  - (6) On finishing an audit of the body corporate's statement of accounts for a financial year, the auditor must give a certificate—
    - (a) stating whether the statement of accounts gives a true and fair view of the body corporate's financial affairs; and
    - (b) if the statement of accounts does not give a true and fair view of the body corporate's financial affairs—identifying the deficiencies in the statement.
  - (7) A copy of the auditor's certificate must accompany the notice of the next annual general meeting held after the certificate is given.
  - (8) The motion for a special resolution under subsection (1) must be—

[s 167]

---

- (a) in the form ‘that the body corporate’s statement of accounts for the financial year (*state the financial year concerned*) not be audited’; and
- (b) accompanied by a note stating ‘NOTE: If you want the accounts to be audited, vote ‘no’; if you do not want the accounts to be audited, vote ‘yes’.’.

**167 Auditing qualifications and experience—Act, sch 6, def auditor [SM, s 177]**

- (1) For schedule 6 of the Act, definition *auditor*, paragraph (a)(ii), the qualifications and experience in accountancy that are approved for a person are stated in subsection (2).
- (2) The person must—
  - (a) be a member of—
    - (i) CPA Australia and entitled to use the letters ‘CPA’ or ‘FCPA’; or
    - (ii) the Chartered Accountants Australia and New Zealand and entitled to use the letters ‘CA’ or ‘FCA’; or
    - (iii) the Institute of Public Accountants and entitled to use the letters ‘MIPA’ or ‘FIPA’; and
  - (b) have a total of at least 2 years auditing experience, whether or not continuous.

## **Part 9 Miscellaneous**

**168 Reporting particular payments to committee [SM, s 178]**

- (1) A body corporate manager who pays an account on the basis of an authorisation given by the committee, or by the body corporate in a general meeting, must, if required by the committee or body corporate, give the committee a written report on the payment.

- (3) This section does not apply to a body corporate manager acting under a chapter 3, part 5 engagement.

## **Chapter 8      Property management**

### **Part 1              Purpose of chapter**

#### **169      Purpose of chapter [SM, s 179]**

For utility infrastructure included in the common property, see section 20 of the Act.

- (2) To the extent that lots included in the community titles scheme are created under a building format plan of subdivision, the body corporate must—

[s 170]

---

- (a) maintain in good condition—
    - (i) railings, parapets and balustrades on, whether precisely, or for all practical purposes, the boundary of a lot and common property; and
    - (ii) doors, windows and associated fittings situated in a boundary wall separating a lot from common property; and
    - (iii) roofing membranes that are not common property but that provide protection for lots or common property; and
  - (b) maintain in a structurally sound condition the following elements of scheme land that are not common property—
    - (i) foundation structures;
    - (ii) roofing structures providing protection;
    - (iii) essential supporting framework, including load-bearing walls.

- (4) Also, despite anything in subsections (1) and (2)—
- (a) the owner of the lot is responsible for maintaining, in good order and condition, utility infrastructure, including utility infrastructure situated on common property, to the extent the utility infrastructure—
    - (i) relates only to supplying utility services to the owner's lot; and
    - (ii) is 1 of the following types—

- (b) the owner of the lot is responsible for maintaining the tray of a shower that services the lot, whether or not the tray forms part of the lot.
- (5) To avoid any doubt, it is declared that, despite an obligation the body corporate may have under subsection (2), the body corporate may recover the prescribed costs, as a debt, from a person, whether or not the owner of the lot, whose actions cause or contribute to the damage or deterioration of the part of the lot.
- (6) In this section—

***prescribed costs***, recoverable from a person, means the proportion of the reasonable cost to the body corporate of carrying out the maintenance that the body corporate reasonably considers can be fairly attributed to the person's actions.

***utility infrastructure*** does not include utility infrastructure that—

- (a) is a device for measuring the reticulation or supply of water for a community titles scheme established after 1 January 2008; and

- (ii) in relation to a compliance request made after 31 December 2007 under the repealed *Plumbing and Drainage Act 2002*.

### **171 Duty to consider defect assessment motion [SM, s 181]**

- (1) A body corporate must include a defect assessment motion on the agenda for the next annual general meeting of the body corporate that is called after the first annual general meeting.

Under section 163, each owner of a lot must be given copies of at least 2 quotations for proposals to carry out work or supply personal property or services if the cost of the proposal is more than the relevant limit for major spending for the community titles scheme.

- (2) For a body corporate for a scheme that is intended to be developed progressively, the body corporate must include a defect assessment motion on the agenda for the annual general meeting that is called immediately after—
- (a) a request to record a new community management statement for the scheme is lodged under section 56 of the Act; or

- 
- (c) 1 or more lots included in the scheme were created under a standard format plan of subdivision; and
  - (d) on 1 or more of the lots mentioned in paragraph (c), there is a stand-alone building.
- (2) The body corporate may establish a plan (a *voluntary defect assessment plan*) under which it arranges for a defect assessment report to be prepared for stand-alone buildings for the owners of the lots on which they are located.
  - (3) Participation in the voluntary defect assessment plan is optional, and the owner of a lot who wants to take part in the plan must comply with all reasonable requirements made by the body corporate establishing the plan.
  - (4) The owner of a lot who takes part in the voluntary defect assessment plan is liable to pay a contribution levied by the body corporate that is a proportionate amount of the total cost of the plan relative to the defect assessment report undertaken on the owner's lot.

- (4) The body corporate must not lease or license common property if—
  - (a) the lease or licence would interfere with access to a lot, or to a part of the common property over which exclusive rights have been given under a by-law; or

- 
- (b) the common property leased or licensed is land a person has the right to occupy for the person's engagement as a service contractor or authorisation as a letting agent.

  - (d) an adjudicator, under an order made under the dispute resolution provisions, decides the improvements are reasonably necessary for the health, safety or security of persons who use the common property and authorises the improvements.
- (2) However, a body corporate may not pass more than 1 ordinary resolution mentioned in subsection (1)(b) in a financial year for the body corporate.
- (3) For subsection (1), if a series of associated improvements forms a single project, the cost of any 1 of the improvements is taken to be more than the amount worked out under subsection (1) if the cost of the project, as a whole, is more than the amount.

  - (b) the improvement does not detract from the appearance of any lot included in, or common property for, the community titles scheme; and
  - (c) the body corporate is satisfied that use and enjoyment of the improvement is not likely to promote a breach of the owner's duties as an occupier.
- (3) An authorisation may be given under this section on conditions the body corporate considers appropriate.
- (4) An owner who is given an authority under this section—
  - (a) must comply with conditions of the authority; and

## **Part 5 Exclusive use by-laws—Act, section 173**

### **182 Conditions and obligations under exclusive use by-law [SM, s 192]**

- (1) If the owner of a lot included in the community titles scheme, to whom rights are in the first instance given under an exclusive use by-law, agrees in writing, the by-law may impose conditions, including, for example, conditions that require the owner to do 1 or both of the following things—
  - (a) make a payment to the scheme's body corporate or the owners of lots included in the scheme;

- 
- (b) make periodic payments to the scheme's body corporate or the owners of lots included in the scheme.
- (2) An exclusive use by-law is taken, in the absence of other specific provision in the by-law for maintenance and operating costs, to make the owner of the lot to whom exclusive use or other rights are given responsible for the maintenance of and operating costs for the part of the common property to which the exclusive use by-law applies.

*Example of operating cost for part of common property—*

cost of providing lighting to the part of common property

- (3) However, if the lot was created under a building format plan of subdivision, in the absence of other specific provision in the by-law, the owner of the lot is not responsible for—

[s 184]

---

- (2) Without limiting subsection (1), improvements stated in the by-law may include the installation of fixtures on the common property and the making of changes to the common property.
- (3) If the exclusive use by-law does not authorise the owner of a lot to make an improvement, the owner may make the improvement only if the body corporate authorises it to be made.
- (4) If the value of the improvement mentioned in subsection (3) is more than \$3,000, the body corporate's authorisation must be by ordinary resolution.

#### **184 Recovery of amount owed [SM, s 194]**

- (2) If the lot is itself another community titles scheme, the liability is enforceable against the body corporate for the other scheme.
- (3) If subsection (2) does not apply, the liability is enforceable jointly and severally against—
  - (a) the person who was the owner of the lot when the liability arose; and
  - (b) a successor in title for the lot.

- (4) If the body corporate can not comply with subsection (3), the commissioner, on application in writing by the body corporate, may authorise the body corporate to put in place an alternative insurance in a form approved by the commissioner if the commissioner is satisfied that the insurance approved gives cover that is as close as practicable to the cover given by insurance under subsection (3).

*Example of alternative insurance that might be approved by the commissioner—*

insurance giving cover up to an agreed value

- (5) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the reinstatement insurance is not for the full replacement value of the insured property.
- (6) The body corporate need not insure a building or a part of a building under subsection (2) if—
- (a) the scheme is a subsidiary scheme for another community titles scheme (the *other scheme*); and
  - (b) under subsection (2), or an equivalent provision of another regulation module, the body corporate for the other scheme is required to insure the building or the part of the building.
- (7) Also, the body corporate need not insure a building or a part of a building under subsection (2) if—
- (a) the building or the part of the building is scheme land; and
  - (b) the whole of the building is the subject of a building management statement registered under the *Land Title Act 1994*; and

### **189 Insurance for buildings with common walls [SM, s 199]**

  - (c) may give effect, in whole or part, to a voluntary insurance scheme.
- (4) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the reinstatement insurance is not for the full replacement value of the insured property.

[s 190]

---

- (5) The body corporate need not insure a building or a part of a building under subsection (2) if—
  - (a) the scheme is a subsidiary scheme for another community titles scheme (the *other scheme*); and

- (4) The contribution that the owner of a lot is liable for may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.

### **191 Premium [SM, s 201]**

- (1) The owner of each lot that is included in the community titles scheme and is covered by reinstatement insurance required to be taken out by the body corporate is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium for reinstatement insurance that reflects—
  - (a) for a lot created under a building or volumetric format plan of subdivision—the interest schedule lot entitlement of the lot; and

- 
- (b) for a lot created under a standard format plan of subdivision—the cost of reinstating the buildings on the lot.
- (2) The body corporate may adjust the contribution payable by an owner of a lot under subsection (1) in a way that fairly reflects—
- (a) the extent to which the premium relates to fixtures and fittings that—
    - (i) form part of the lot; and
    - (ii) are of a higher standard than the fixtures and fittings of lots included in the scheme generally; or
  - (b) the extent to which the premium relates to improvements made to the common property that benefit the lot; or
  - (c) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner’s lot.

*Example for paragraph (c)—*

In a community titles scheme, the owner of a lot starts a small manufacturing business requiring the use and storage of flammable chemicals. The insurance premium for the body corporate policy is increased by the insurer because of the increased risk of damage through fire. The contribution payable by the owner for the insurance premium will include the amount of the increase.

- (3) The contribution that the owner of a lot is liable for may be recovered by the body corporate as part of the owner’s annual contribution to the administrative fund.

## **192 Improvements affecting premium [SM, s 202]**

- (1) This section applies if—
  - (a) improvements are made to a lot included in the community titles scheme and, because of the improvements—

[s 193]

---

- (i) the fixtures and fittings forming part of the lot are of a higher standard than the fixtures and fittings of lots included in the scheme generally; and
  - (ii) the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase; or
- (b) improvements are made to the common property, including improvements made under a right of exclusive use, licence or occupation authority, and—
  - (i) the improvements are made for the benefit of a lot included in the scheme; and
  - (ii) because of the improvements, the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase.
- (2) The owner of the lot must give the body corporate details of the nature and value of the improvements.
- (3) The notification must be given as soon as practicable after the improvements are substantially completed.
- (4) If the owner of the lot does not comply with subsections (2) and (3), the owner must reimburse the body corporate for any payment that has to be made for the cost of reinstatement or repair of the lot, or any other lot or common property, but only to the extent that the necessity to make the payment can reasonably be attributed to the owner's failure to comply with subsections (2) and (3).

### **193 Excess [SM, s 203]**

- (1) Despite a requirement under this part to insure for full replacement value, the body corporate is not prevented from insuring on the basis that an excess is payable on the happening of an event for which the insurance gives cover.
- (2) However, in putting the insurance in place, the body corporate must ensure the arrangements for the liability for an excess under the insurance would not impose an unreasonable burden

on the owners of individual lots, having regard to subsections (3) and (4).

- (3) For an event affecting only 1 lot, the owner of the lot is liable to pay the excess unless the body corporate decides it is unreasonable in all the circumstances for the owner to bear the liability.

*Example—*

If a shower screen is damaged in a lot and an insurance claim is made under the body corporate's reinstatement insurance, the owner of the lot would be liable under subsection (3) to pay the excess unless the body corporate decides it is unreasonable for the owner to be required to pay it. However, if there is a fire within a lot caused by a short circuit in electrical wiring located in an internal partition, the body corporate might decide it would be unreasonable for the owner to be required to pay the excess.

- (4) For an event affecting 2 or more lots, or 1 or more lots and common property, the body corporate is liable to pay the excess unless the body corporate decides it is reasonable in all the circumstances for the excess to be paid for by the owner of a particular lot, or to be shared between owners of particular lots, or between the owner of a lot and the body corporate, or between owners of particular lots and the body corporate.

#### **194 Insurance for buildings with no common walls [SM, s 204]**

- (1) This section applies if—
  - (a) the community titles scheme is a basic scheme; and
  - (b) lots included in the scheme were created under a standard format plan of subdivision; and
  - (c) on 1 or more of the lots mentioned in paragraph (b), there is a stand-alone building.
- (2) The body corporate may establish an insurance scheme (a *voluntary insurance scheme*) under which it puts in place insurance over stand-alone buildings for the owners of the lots on which they are located.

[s 194]

---

- (3) Taking part in the voluntary insurance scheme is optional, and the owner of a lot who wants to take part in the insurance scheme must—
  - (a) notify the body corporate of the replacement value of the stand-alone buildings to be insured; and
  - (b) comply with other requirements under—
    - (i) the decision of the body corporate establishing the voluntary insurance scheme; or
    - (ii) the policy of insurance.
- (4) The owner of a lot who takes part in the voluntary insurance scheme is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium fairly reflecting—
  - (a) the proportion of the total replacement value of the buildings insured under the voluntary insurance scheme represented by the stand-alone buildings on the owner's lot; and
  - (b) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner's lot.
- (5) The contribution for which the owner of a lot is liable may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.
- (6) If the body corporate does not establish a voluntary insurance scheme and the owner of a lot on which there is a stand-alone building makes an improvement to the common property, the owner must—
  - (a) insure the improvement for full replacement value; and
  - (b) give the body corporate each of the following details—
    - (i) the nature and value of the improvement;
    - (ii) the name of the insurer of the improvement;
    - (iii) the amount of cover under the insurance policy;
    - (iv) a summary of the type of cover under the policy;

*Examples of type of cover—*

  - (vi) the amount of any excess payable on the happening of an event for which the insurance gives cover;
  - (vii) the date the cover expires.
- (7) A policy of insurance taken out under subsection (6)—
- (a) must cover, to the greatest practicable extent—
    - (i) damage; and
    - (ii) costs incidental to the reinstatement or replacement of the improvement, including the cost of taking away debris and the fees of architects and other professional advisers; and
  - (b) must provide for the reinstatement of the improvement to its condition when new.

**195 Combined policy of insurance [SM, s 205]**

- (1) This section applies if the body corporate—
- (a) is required to put in place reinstatement insurance covering lots included in the community titles scheme; and

- (2) The body corporate may arrange with an insurer a single policy of insurance for all insurance mentioned in subsection (1).

**196 Public risk insurance [SM, s 206]**

- (i) at least \$10m for a single event; and
- (ii) at least \$10m in a single period of insurance.
- (4) In this section—

*relevant assets* means body corporate assets for which it is practicable to maintain public risk insurance.

### **197 Use affecting premium [SM, s 207]**

- (1) This section applies if, because of the way that a lot is used, the premium for reinstatement insurance or the premium for public risk insurance required to be taken out by the body corporate is likely to increase.
- (2) The owner of the lot must give the body corporate details of the use.

### **198 Use of insurance money not paid under voluntary insurance scheme [SM, s 208]**

- (1) This section applies if the body corporate receives an amount of insurance money for damage to property, other than an amount paid under a voluntary insurance scheme.
- (2) The body corporate—

- 
- (a) if authorised by a resolution without dissent of the body corporate—may apply the amount for a purpose other than the repair, reinstatement or replacement of the damaged property; or
  - (b) if paragraph (a) does not apply—must apply the amount as soon as practicable to the repair, reinstatement or replacement of the damaged property.
- (3) However, the amount must not be applied to the repair, reinstatement or replacement of the property if the work would, apart from this section, be unlawful.
- (4) If, because of the damage, the community titles scheme is to be terminated, and an order of a court under the Act, or a resolution without dissent of the body corporate, requires the application of the amount for a purpose other than the repair, reinstatement or replacement of the damaged property, the amount must be applied as follows—
- (a) first, the amount must be applied towards the discharge of registered mortgages, but the amount applied towards a mortgage over a particular lot can not be more than the proportion of the total insurance money attributable to the lot;
  - (b) the balance of the amount must be applied as required by the order or resolution.

### **199 Use of insurance money paid under voluntary insurance scheme [SM, s 209]**

If the body corporate receives an amount of insurance money for damage to property under a voluntary insurance scheme, the amount must be paid, subject to the prior claim of a registered mortgagee, to the owner of the damaged property to which the payment relates.

- (2) An occupier of a lot included in the scheme must keep in a clean and tidy condition the parts of the lot readily observable from another lot or common property.
- (3) The owner of a lot included in the scheme must maintain the lot in good condition.
- (4) The owner's obligation under subsection (3) does not apply to a part of the lot the body corporate is required under this regulation to maintain in good condition.
- (5) The owner of a lot included in the scheme must maintain in good condition the utility infrastructure within the boundaries of the lot, and not part of common property, and, if the utility infrastructure is in need of replacement, must replace it.
