    - (ii) the day 90 days after the licence is suspended.

- (3) If a licensee whose licence is suspended under this section holds a permit to acquire, the permit is also suspended.
- (4) However, if the authorised officer is acting on the basis of criminal intelligence or other information of the kind mentioned in section 10B(1)(f) or 10C(1)(c), the authorised officer may suspend the licence because the licensee is not a fit and proper person only if the commissioner or deputy commissioner, acting personally, approves the licence be suspended on that basis.

**28A Revocation or suspension of licence and related matters after protection order is made or police protection direction issued**

- (1) If a person is a licensee and is named as the respondent in a protection order or police protection direction, the licence is revoked.
- (2) If a person is a body's representative and is named as the respondent in a protection order or police protection direction—
  - (a) any authority the respondent has to possess a weapon because the respondent is the body's representative is ineffective; and
  - (b) the body's licence is suspended 7 days after the day the licensee is given the protection order or the direction takes effect unless, in that period, another individual is endorsed on the licence as the body's representative in substitution for the respondent.
- (3) Subsections (1) and (2)(a) take effect—
  - (a) if the respondent is present in court when the protection order is made—on the making of the order; or
  - (b) if the respondent is present when a police officer issues and explains the police protection direction—when the police officer issues the direction; or
  - (c) otherwise—when the respondent is given the protection order or is personally served with the direction.

- (4) A suspension under subsection (2)(b) ends on the earlier of the following—
  - (a) when another individual is endorsed on the licence as the body's representative in substitution for the respondent;
  - (b) the protection order or police protection direction is no longer in force.
- (5) If the licensee of a licence revoked under subsection (1) or suspended under subsection (2)(b) holds a permit to acquire, the permit is revoked or suspended while the licence is revoked or suspended.
- (6) Despite a suspension under subsection (2)(b), an authorised officer may suspend the licence under section 28.

## **29 Revocation of licence by giving revocation notice**

- (1) An authorised officer may, by a revocation notice given to a licensee, revoke the licensee's licence if the authorised officer is satisfied of any of the following things—
  - (a) the licence has been obtained through fraud or deception;
  - (b) the licensee has been convicted of an offence against any law in force in Queensland or elsewhere involving the use, carriage, discharge or possession of a weapon;
  - (c) the licensee has contravened a condition, participation condition or special condition of the licence;
  - (d) the licensee is no longer a fit and proper person to hold a licence;  
*Note—*  
See sections 10B and 10C.
  - (e) the licensee no longer has a reason mentioned in section 11 to possess a weapon;
  - (f) for an armourer's licence, dealer's licence or theatrical ordnance supplier's licence—

  - (ii) the premises where the collection is usually kept are no longer satisfactory for the safekeeping of weapons.
- (2) Also, if a licensee reports or states to a police officer that a weapon or 1 or more weapons of which the licensee is the registered owner were lost or stolen, an authorised officer may, by a revocation notice given to the licensee, revoke the licensee's licence if—
  - (a) the licensee fails to satisfy the authorised officer that the licensee took reasonable precautions to prevent the loss or theft; or
  - (b) the authorised officer reasonably believes that the licensee has unlawfully disposed of the weapon.
- (3) If the authorised officer is acting on the basis of criminal intelligence or other information of the kind mentioned in section 10B(1)(f) or 10C(1)(c), the authorised officer may revoke the licence because the person is not a fit and proper person only if the commissioner or deputy commissioner, acting personally, approves the licence be revoked on that basis.
- (4) If a licensee whose licence is revoked under this section holds a permit to acquire, the permit is also revoked.
- (5) This section does not prevent an authorised officer reinstating a licence that is revoked by the authorised officer because of a mistake of fact.

*Examples for subsection (5)—*

- 1 J was charged with an offence and although no conviction was recorded for the offence, police records indicated a conviction had been recorded.
  - 2 A was required to be a member of a pistol club but the club failed to tell the commissioner that A had joined the club before the revocation happened.
- (6) A licence reinstated under subsection (5) is taken not to have been revoked.
- (7) The licence may be reinstated by—
- (a) returning the licence; or
  - (b) issuing a fresh licence.
- (8) The authorised officer must also ensure any entry made in the firearms register because of the revocation is corrected.

- (2) The authorised officer must—
- (a) consider the circumstances of the employment; and

  - (c) consider the employment arrangements and whether there is an effective individual within the employing

entity to whom to give a copy of the order, direction, notice or conditions to ensure the respondent does not possess a weapon as part of the respondent's employment; and

- (d) if the authorised officer considers there is an effective individual within the employing entity—give a copy of the order, direction, notice or conditions to the effective individual.
- (3) The effective individual may disclose information about the order, direction, notice or conditions to another person within the employing entity to the extent necessary to ensure the respondent does not possess a weapon as part of the respondent's employment.
- (4) However, the effective individual must not disclose information about the order, direction, notice or conditions to anyone else, other than as permitted under subsection (3) or expressly permitted by a court or magistrate under the *Domestic and Family Violence Protection Act 2012*, section 159.

    - (ii) otherwise—the order, direction, notice or conditions are given to the respondent;
  - (c) arrange with a police officer to give to a police officer any weapon the respondent possesses, or to otherwise surrender the weapon, as soon as practicable, but no later than 1 day, after—

Maximum penalty—10 penalty units.

- (1A) If a reason an authorised officer suspends or revokes a licence is criminal intelligence or other information that is not publicly available, it is enough that the notice states the specific reason as ‘confidential information’.
- (2) A suspension or revocation notice may have effect immediately only if it, or a copy of it, is given personally to the licensee or a person endorsed on the licence as representing the licensee.
- (3) A person who is given a suspension or revocation notice must comply with the directions in the notice.

  - (b) if 1 of the classes is a class for high calibre weapons, at least 4 of the club organised shoots for a weapon from the class must be accredited events; and

- (c) each club organised shoot for the classes must be conducted on different days.

*Example for paragraph (c)—*

If a licensee uses category H weapons from 2 classes in club organised shoots conducted on a single day, only 1 of the shoots is to be taken into account for the licensee's participation record because the shoots are not conducted on different days.

*Note—*

Under section 134, the licensee must keep a participation record. The licensee's participation in club organised shoots must be entered in the record and endorsed by a range officer of the shooting club conducting the shoot.

- (5) If the licensee is the registered owner of a single category H weapon in a particular class for less than 12 months in a particular financial year, the relevant participation condition for use of a weapon from that class applies proportionately, based on whole calendar months, for that financial year, after rounding down to the nearest whole number of competitions.

*Examples for subsection (5)—*

- 1 If the licensee has 1 category H weapon for 6 months during a particular financial year, the licensee must participate in 3 club organised shoots to satisfy the participation condition for that weapon in that financial year.
  - 2 If the licensee has 1 category H weapon for 5 months during a particular financial year, the licensee must participate in 2 club organised shoots to satisfy the participation condition for that weapon in that financial year.
- (6) However, if the licensee is the registered owner of a single category H weapon in a particular class for less than 3 months in a particular financial year, the relevant participation condition for use of a weapon from that class does not apply for that financial year.
- (7) Also, if in a particular financial year the licensee satisfies an authorised officer that the licensee is, or was, unable to comply with a relevant participation condition for the year for reasons outside the licensee's control, the authorised officer may decide the number of times, if any, that the licensee must use, or was required to use, a weapon in a club organised

shoot for the particular year to satisfy the participation condition.

(8) A decision under subsection (7) must be made on a proportionate basis, based on whole calendar months, having regard to the period that the authorised officer is satisfied the licensee is, or was, unable to comply with a relevant participation condition for reasons outside the licensee's control.

(9) In this section—

***high calibre weapon*** means a category H weapon, other than a black-powder pistol, having a calibre of more than .38 inch but not more than .45 inch.

### **134 Licensees to keep participation record**

(1) If a licensee is the registered owner of a category H weapon, it is a special condition of the licensee's licence that the licensee—

(a) advise each approved pistol club of which the licensee is a member of the participation conditions, and any change to the participation conditions, to which the member's licence is subject; and

(b) keep a record of the licensee's participation in handgun shooting competitions (***participation record***).

(2) The advice under subsection (1)(a) must be given in writing within 28 days after the happening of any of the following—

(a) the start of a financial year;

(b) the licensee becoming a member of an approved pistol club;

(c) a change to the participation conditions to which the licensee's licence is subject.

(3) The participation record must contain the information prescribed under a regulation.

- (4) The licensee must enter the prescribed information immediately after the licensee's participation in a club organised shoot has ended.
- (5) The licensee must have the entry endorsed, in the way prescribed under a regulation, as correct by a range officer of the approved pistol club conducting the club organised shoot on the day of the shoot before the shoot ends.
- (6) If the club organised shoot is a handgun shooting competition conducted outside Queensland, the licensee may have the entry endorsed, in the way prescribed under a regulation, as correct by an official supervising the competition.
- (7) An endorsement under subsection (5) or (6) must clearly identify the person making the endorsement.
- (8) An entry properly endorsed under this section is evidence of the licensee's participation in the club organised shoot.
- (9) In this section—  
*registered owner*, of a category H weapon, means the person entered in the firearms register as the owner of the weapon.

### 135 Show cause notice

- (1) If an authorised officer reasonably suspects that a licensee has failed to comply with a participation condition, the authorised officer may give the licensee a written notice (*show cause notice*).

- (2) The authorised officer must consider all written representations (the *accepted representations*) made under subsection (1).

### 137 Notice to dispose

- (1) If, after considering the accepted representations, the authorised officer is not satisfied that the licensee has complied with a participation condition, the authorised officer may, by written notice (*notice to dispose*) given to the licensee, require the licensee to dispose of a particular category H weapon or class of category H weapon within 3 months after the date of the notice.

*Note—*

If the authorised officer is satisfied that the licensee's failure to comply with a participation condition was for reasons outside the licensee's control, the authorised officer may, under section 133(7), decide the number of times the licensee was required to use the weapon to satisfy the participation condition.

- (2) The licensee must dispose of the weapon within 3 months after the date of the notice to dispose—
  - (a) to a person lawfully acquiring the weapon under a permit to acquire; or
  - (b) by delivering the weapon to a licensed dealer; or
  - (c) by delivering the weapon to a licensed armourer; or

- (d) by surrendering the weapon to a police officer under arrangements made for the surrender.
- (3) The licensee may acquire a weapon delivered to a licensed dealer or licensed armourer under this section only if the licensee has a current permit to acquire the weapon issued after the weapon was delivered to the dealer or armourer.  
Maximum penalty—100 penalty units or 2 years imprisonment.
- (4) The licensee must provide evidence of the disposal to an authorised officer within 4 months after the date of the notice to dispose.  
Maximum penalty—60 penalty units.
- (5) If a weapon is surrendered to a police officer under this section—
  - (a) on the surrender, the weapon is State property; and
  - (b) no compensation is payable for the weapon.
