Part 3 Electoral districts and electoral redistributions

Division 1 Distribution etc. of State into electoral districts

34 Number of electoral districts for the State

There are 93 electoral districts for the State.

35 Redistribution of State into electoral districts

- (1) Division 2 sets out when the need for an electoral redistribution arises.
- (2) Division 3 sets out how the commission undertakes an electoral redistribution.
- (3) As soon as practicable after the need for an electoral redistribution arises, the commission must—
 - (a) redistribute the State into the 93 electoral districts; and
 - (b) publish a gazette notice that states—
 - (i) that the need has arisen; and
 - (ii) the membership of the commission.
- (4) However, the commission must defer undertaking, or any further action in undertaking, an electoral redistribution until after the writ for the next general election is returned if—
 - (a) the need for the electoral redistribution arises—
 - (i) if the last general election was an ordinary general election—more than 28 months after the writ for the election was returned; or

- (ii) if the last general election was an extraordinary general election—less than 20 months before the normal polling day for the next ordinary general election; or
 - (iii) after a writ is issued for a general election but before the writ is returned; or
- (b) a writ for a general election is issued while the commission is undertaking an electoral redistribution.

Division 2 When need for an electoral redistribution arises

36 Need for electoral redistribution arises in 3 circumstances

The need for an electoral redistribution arises if 1 of the following sections applies—

- (a) section 37;
- (b) section 38;
- (c) section 39.

37 Electoral redistribution because of changed number of electoral districts

The need for an electoral redistribution arises if this Act is amended to change the number of electoral districts for the State.

38 Electoral redistribution after 2 general elections or 7.5 years

- (1) The need for an electoral redistribution arises on the later of the following days—

-
- (a) the day that is 1 year after the writ is returned for the second general election held after the previous redistribution becomes final;
 - (b) the day that is 7.5 years after the previous redistribution becomes final.
- (2) In this section—
- previous redistribution* means the last electoral redistribution under this Act that became final.

39 Electoral redistribution because of enrolment changes

- (1) The need for an electoral redistribution arises if the requirement set out in section 45 would not be satisfied in respect of one-third or more of electoral districts for 2 months in a row, assuming that it were applied by reference to the number of enrolled electors and the average number of enrolled electors for electoral districts as gazetted under section 63 for each of the months.
- (2) For the purposes of subsection (1), it is not necessary that the requirement would not be satisfied in respect of the same one-third or more of electoral districts for the 2 months in a row.

40 Situation if need for more than 1 electoral redistribution arises

If, during the period beginning when the need for an electoral redistribution arises under section 37, 38 or 39 and ending when the electoral redistribution becomes final, the need for another electoral redistribution arises under any of those sections (including the same section)—

- (a) the need for the other electoral redistribution does not arise; and
- (b) for the purposes of any later application of section 39, any month occurring wholly or partly during the period is to be disregarded.

Division 3 How electoral redistributions are to be undertaken

42 Inviting suggestions

- (1) As soon as practicable after the need for an electoral redistribution arises, the commission must invite suggestions from persons and bodies relating to the redistribution.

- (2) The invitation must be made by notice published in accordance with section 56.
- (3) The notice must state that suggestions are to be given to the commission in writing within 30 days after the notice is published in the gazette in accordance with section 56.

43 Inviting comments on suggestions

- (1) As soon as practicable after the 30 days mentioned in section 42(3), the commission must make available for public inspection, without fee, copies of all suggestions given to it within the 30 days.

- (4) Suggestions and comments must be made available for public inspection at the commission's office and any other places in the State that the commission considers appropriate.

44 Preparing proposed electoral redistribution

- (1) As soon as practicable after the 21 days mentioned in section 43(2)(b), the commission must prepare a proposed redistribution of the State into electoral districts.
- (2) The proposed redistribution must include proposed names for the proposed electoral districts.

[s 45]

- (a) take into account all suggestions and comments properly made under sections 42 and 43; and
- (b) comply with the following sections—
 - (i) section 45;
 - (ii) section 46.

45 Proposed electoral redistribution must be within numerical limits

- (1) In preparing the proposed redistribution, the commission must ensure that the following requirement is satisfied, as at the end of the 21 days mentioned in section 43(2)(b), for each proposed electoral district—
 - (a) if the electoral district has an area of less than 100,000km²—that the number of enrolled electors does not differ from the average number of enrolled electors for electoral districts by more than 10%;
 - (b) if the electoral district has an area of 100,000km² or more—the sum of the number of enrolled electors and the additional large district number does not differ from the average number of enrolled electors for electoral districts by more than 10%.
- (2) In subsection (1)(b)—
additional large district number means 2% of the number of km² in the area of the electoral district.

46 Matters to be considered in preparing proposed electoral redistribution

 - (a) the extent to which there is a community of economic, social, regional or other interests within each proposed electoral district;

-
- (b) the ways of communication and travel within each proposed electoral district;
 - (c) the physical features of each proposed electoral district;
 - (d) the boundaries of existing electoral districts;
 - (e) demographic trends in the State, with a view to ensuring as far as practicable that, on the basis of the trends, the need for another electoral redistribution will not arise under section 39 before it does under section 38.
- (2) The commission may also consider the boundaries of local government areas to the extent that it is satisfied that there is a community of economic, social, regional or other interests within each local government area.
- (3) The commission may give such weight to each of the matters set out in subsections (1) and (2) as it considers appropriate.
- (4) It is the intention of the parliament—
- (a) that the way in which this section is to be applied in preparing the proposed redistribution should be for the commission alone to decide; and
 - (b) that decisions of the commission relating to the application of this section should be final and conclusive.
- (5) Without limiting subsection (4), a decision of the commission about—
- (a) the existence of any matter mentioned in subsection (1) or (2); or
 - (b) the weight (if any) to be given to each such matter;
- can not be called in question in an appeal under section 57.

47 Publishing proposed electoral redistribution

- (1) As soon as practicable after the commission has prepared the proposed electoral redistribution, it must comply with this section and section 48.
- (2) The commission must—

- (a) make available for public inspection, without fee, at its office a single map showing, or a number of maps together showing, the names and boundaries of all proposed electoral districts; and
- (b) make available for public inspection, without fee, at its office and at any other places in the State that the commission considers appropriate—
 - (i) a description of the boundaries of all proposed electoral districts; and
 - (ii) its reasons for redistributing the State in the way proposed (including the reasons of any commissioner who disagrees with the redistribution in that way).
- (3) The commission must display, in a place to which the public has ready access, and at any other place that the commission considers appropriate, in each proposed electoral district a map showing the boundaries of the proposed electoral district.

48 Inviting objections against proposed electoral redistribution

- (1) The commission must publish a notice in accordance with section 56 that—
 - (a) advises of the availability for inspection, and the display, of the things mentioned in section 47(2) and (3); and
 - (b) states that any person or body may object in writing to the commission against the proposed electoral redistribution within 30 days after publication of the notice in the gazette in accordance with section 56; and
 - (c) is accompanied by a single map showing, or a number of maps together showing, the names and boundaries of all proposed electoral districts.
- (2) At any time before publishing a notice under subsection (1), the commission may make public its proposed electoral redistribution.

49 Inviting comments on objections

- (1) As soon as practicable after the 30 days mentioned in section 48(1)(b), the commission must make available for public inspection, without fee, copies of all objections given to it within the 30 days.
- (2) As soon as practicable after the 30 days, the commission must also publish a notice in accordance with section 56 that—

- (4) Objections and comments must be made available for public inspection at the commission's office and any other places in the State that the commission considers appropriate.

50 Considering objections and comments

If an objection or comment given to the commission within the period allowed under section 48 or 49 raises a matter that has not already been raised, or substantially raised, in a suggestion or comment under section 42 or 43, the commission must—

- (a) consider the objection or comment; and
- (b) make any changes to the proposed electoral redistribution that it considers would be necessary if sections 45 and 46 were being complied with.

51 Making electoral redistribution

- (1) The commission must, as soon as practicable after the end of the 30 days mentioned in section 48(1)(b), publish a gazette

notice stating that the State is redistributed into the electoral districts whose names and boundaries are set out in the notice.

- (2) The names and boundaries set out in the notice are to be the same as those for the proposed electoral redistribution, incorporating any changes made under section 50.
- (3) The commission may, at any time before publishing the notice, make public anything that it intends to publish in the notice.

52 When redistribution takes effect

- (1) At the end of 21 days after the publication of the notice, but subject to section 57(6), the State is redistributed into the electoral districts, and those districts have the names, set out in the notice.
- (2) The State remains so redistributed until the next electoral redistribution becomes final.
- (3) However, until the Legislative Assembly is next dissolved or expires by the passage of time, the redistribution does not affect a by-election for an electoral district to fill a vacancy in the membership of the Legislative Assembly.

53 Advertising electoral redistribution

- (1) As soon as practicable after publishing the notice under section 51(1), the commission must comply with this section.
- (2) The commission must—

 - (b) make available for public inspection, without fee, at its office and at any other places in the State that the commission considers appropriate—

- (2) The Minister must cause a copy of the things given to the Minister under subsection (1) to be laid before the Legislative Assembly within 5 sitting days after the Minister receives them.

55 Commission may hold public hearings

Without limiting its powers under section 7(4), the commission may conduct such public hearings as it considers appropriate for the purposes of this division.

56 How notices are to be published

If, under this division, the commission is required to publish a notice in accordance with this section, the commission must publish the notice in—

- (a) the gazette; and
- (b) a newspaper circulating generally in the State; and
- (c) any regional newspaper, circulating in a part of the State, that the commission considers appropriate.

57 Appeals against boundaries of electoral districts

- (1) An elector may appeal to the Court of Appeal against the boundaries set out in the notice under section 51(1) on the ground that the commission has not complied with this part in making the proposed electoral redistribution.
- (2) The appeal must be made—

- (5) Any person having an interest in the appeal may apply to the court to be joined as a party to the appeal.

- (7) On the hearing of the appeal under this section, the court may—

- (a) by order—
 - (i) quash the notice, in whole or part, and, subject to such directions as it considers appropriate, order the commission to make a fresh or amended notice under section 51(1); or
 - (ii) dismiss the appeal; and
 - (b) make any ancillary order as to costs or any other matter that it considers appropriate.
- (8) The court may make an order quashing the notice, in whole or part, only if the court is satisfied that—

 - (b) the noncompliance has had, or may have had, a significant effect on the boundaries of the electoral districts into which the State is to be redistributed under the notice under section 51(1); and
 - (c) the interests of justice require the making of the order.
- (9) The validity of the electoral redistribution may only be called in question in an appeal under this section.
- (10) An appeal against the boundaries must—

 - (b) can not be challenged, appealed against, reviewed, quashed, set aside or otherwise called in question in any court or tribunal on any ground; and

- (c) is not subject to mandamus, prohibition, certiorari, injunction or any declaratory or other order of any court on any ground.

Note—

Judicial Review Act 1991, section 41—

- (1) The prerogative writs of mandamus, prohibition or certiorari are no longer to be issued by the court.
 - (2) If, before the commencement of this Act, the court had jurisdiction to grant any relief or remedy by way of a writ of mandamus, prohibition or certiorari, the court continues to have the jurisdiction to grant the relief or remedy, but must grant the relief or remedy by making an order, the relief or remedy under which is in the nature of, and to the same effect as, the relief or remedy that could, but for subsection (1), have been granted by way of such a writ.
 - (3) In an enactment in force immediately before the commencement of this Act, a reference to a writ of mandamus, prohibition or certiorari is taken to be a reference to an order of a kind that the court is empowered to make under this section.
- (12) In this section—
decision includes a failure to make a decision.

Part 4 Electoral rolls

 - (c) includes the word ‘independent’; or
 - (d) is a public body name; or
 - (e) so nearly resembles a public body name that it is likely to be confused with or mistaken for the public body name; or
 - (f) is obscene or offensive.
- (3) The commission may also decide that a person who has changed his or her name is not properly nominated if the commission considers the name could cause confusion.

Example—

If a person’s name is ‘Informal’, the commission may consider that the name could cause confusion to electors.

- (4) If the commission decides a person is not properly nominated for an election, it must give the person—
- (a) the decision; and

- (1) This section applies if—
 - (a) a registered political party nominates a person as a candidate for an election under section 88(1)(a); and

 - (b) changes to the endorsement or proposed endorsement.
- (2) The registered officer of the registered political party must notify the commission, in the approved form, of the withdrawal of the endorsement.

Maximum penalty—40 penalty units.

- (3) If the notification is given to the commission before noon on the cut-off day for the nomination of candidates, the nomination of the person is of no effect.
- (4) If the notification is given to the commission after noon on the cut-off day for the nomination of candidates, a ballot paper is taken to comply with section 102 even if the name, or an abbreviation of the name, of the registered political party is printed adjacent to the candidate's name on the ballot paper.

- (5) As soon as practicable after the commission receives the notification, the commission must give the candidate a notice that states—
 - (a) the contents of the notification; and
 - (b) when the commission received the notification; and
 - (c) if subsection (3) or (4) applies in relation to the notification—the effect of the subsection.

92 Withdrawal of consent to nomination

- (1) A person nominated as a candidate for election may withdraw consent to the nomination by notice signed by the person and given to the commission or the returning officer, as the case requires, before noon on the cut-off day for nomination.
- (2) If this happens, the nomination is of no effect.

93 Announcement of nominations

 - (a) displayed in a conspicuous place at the returning officer's office; and
 - (b) published in such ways as the returning officer considers appropriate.
- (3) On the display of the names at the returning officer's office, the persons become candidates for the election for the electoral district.

- (4) A person is properly nominated for election for the purposes of this section if—
- (a) the provisions of this division relating to nomination have been complied with or, if there is a formal defect or error in the nomination, the provisions have been substantially complied with; and
 - (b) neither section 91 nor 92 applies to the person's nomination.

94 Election of sole candidate

- (2) The function includes doing the things required by the remainder of this division.
- (3) The commission must arrange for the appointment and employment of appropriate members of staff for the conduct of elections.

98 Setting up and operating polling booths

- (1) The commission must ensure that appropriate polling booths are established for elections.
- (2) In deciding the number, kind and location of polling booths, the commission must take into account, in addition to any other matters that it considers relevant, the desirability of the booths being the same as polling booths for the purposes of the Commonwealth Electoral Act and of their being accessible to voters with disabilities.
- (3) The commission must ensure that each polling booth is provided with an adequate number of voting compartments and ballot papers.
- (4) In the case only of a mobile polling booth mentioned in section 99(8), the commission must, if requested by a candidate, ensure that 'how to vote' matter supplied by the candidate is distributed at the polling booth.
- (5) The commission must advertise, in the ways the commission considers appropriate, including, for example, on the commission's website, the following information about each polling booth for an election—
 - (a) the electoral districts for which an ordinary vote may be made at the polling booth;

-
- (b) the location of the polling booth;
 - (c) the voting hours of the polling booth.
- (6) The commission must not—
- (a) establish a polling booth on polling day; or
 - (b) abolish a previously established ordinary polling booth during the period beginning when the writ for an election is issued and ending on polling day, unless it is necessary to do so for circumstances beyond the commission's control.
- (7) The commission must advertise the establishment and abolition of ordinary polling booths in the ways the commission considers appropriate, including, for example, on the commission's website.
- (8) The commission must ensure that—
- (a) electors are allowed to enter ordinary polling booths between 8a.m. and 6p.m. on polling day and to stay until they have voted; and
 - (b) appropriate electors are allowed to enter mobile polling booths, at times determined in writing by the commission, during the period referred to in section 99(4) and (9) and to stay until they have voted.

99 Kinds of polling booths

- (1) There are 3 kinds of polling booths—
- (a) ordinary polling booths; and
 - (b) mobile polling booths; and
 - (c) pre-poll voting offices.
- (2) An ordinary polling booth is a building or other structure, or a part of a building or other structure, that the commission arranges to be available on polling day in relation to an election for the purpose of enabling electors in general to vote.
- (3) A mobile polling booth is—

- (a) an institution declared under subsection (4) to be a mobile polling booth; or
 - (b) a building, structure, vehicle or other place declared under subsection (8) to be a mobile polling booth.
- (4) If the commission considers that patients or residents of an institution should be able to vote at the institution, the commission may declare the institution to be a mobile polling booth for the election.
- (5) The commission may require an issuing officer visiting an institution declared under subsection (4) to present how-to-vote cards to electors at the institution and present the cards in a particular way.

Example—

The commission may require an issuing officer to give how-to-vote cards to electors at a declared institution or to paste the cards on a manila folder and show it to the electors.

- (6) The issuing officer must comply with the requirement.
- (7) If the commission declares the institution to be a mobile polling booth, the person in charge of the institution must allow access by members of the commission's staff, and by patients, residents or inmates of the institution, for the purpose of enabling voting to take place at the election.
- (8) If the commission considers an area is too remote to have enough electors to establish an ordinary polling booth, the commission may—
- (a) arrange for a building, structure, vehicle or other place to be available as a mobile polling booth for electors in the area to vote at the election; and
 - (b) declare the building, structure, vehicle or other place to be a mobile polling booth for the election.
- (9) The commission, a returning officer or an issuing officer may change the arrangements made under subsection (8) at any time.
- (10) If the arrangements are changed, the commission, returning officer or issuing officer must take the steps that are practical

and appropriate to give public notice of the changed arrangements.

- (11) The result of the election is not invalidated only because an issuing officer failed to visit a mobile polling booth as arranged.
- (12) A declaration made under subsection (4) or (8) must state—
 - (a) the electoral districts for which electors may make an ordinary vote at the mobile polling booth; and
 - (b) the days, during the period that starts 11 days before polling day and ends at 6p.m. on polling day, when electors may vote at the mobile polling booth; and
 - (c) the voting hours for the mobile polling booth on those days.
- (13) The commission must publish a declaration made under subsection (4) or (8), and otherwise advertise the information stated in the declaration about the mobile polling booths, in the ways the commission considers appropriate, including, for example, on the commission's website.

99A Pre-poll voting offices

- (1) The commission may declare for an election—
 - (a) a stated place (a *pre-poll voting office*) to be a place where an elector may—

 - (ii) make a declaration vote for the election; and
 - (b) the electoral districts for which a pre-poll ordinary vote may be made at the place; and
 - (c) the times during which electors are allowed to make a vote at the place.
- (2) The commission must publish a declaration under subsection (1), and otherwise advertise the information stated in the declaration about the pre-poll voting offices, in the ways

the commission considers appropriate, including, for example, on the commission's website.

99B Suspension of poll

- (1) A returning officer may suspend the poll at a polling booth on polling day for not more than 4 hours if the returning officer is satisfied the taking of the poll is, or is likely to be, temporarily interrupted or obstructed by—
 - (a) a serious threat of a riot or open violence happening; or
 - (b) a serious risk to the health or safety of persons at the polling booth; or
 - (c) another emergency.
- (2) The returning officer must ensure an elector who attends the polling booth while the poll is suspended is given information to assist the elector to make a vote, including—
 - (a) the time the poll is expected to resume at the polling booth; and
 - (b) the location of other polling booths.
- (3) The returning officer must adjourn the conduct of the poll at the polling booth to another day if—
 - (a) for any reason, taking of the poll at the polling booth can not resume on polling day; or
 - (b) the returning officer is satisfied that it is unreasonable for an elector who would have otherwise cast a vote at the polling booth while it was suspended to have cast a vote at another polling booth.

100 Adjournment of poll

- (1) A returning officer may adjourn the poll at a polling booth to another day if the returning officer is satisfied the taking of the poll at the polling booth is, or is likely to be, interrupted or obstructed by any of the things stated in subsection (2) to the

extent that the taking of the poll can not start or continue at the polling booth.

- (4) The commission must publish notice of the day fixed for taking, or resuming, the adjourned poll on the commission's website and in other ways the commission considers appropriate.
- (5) If an adjourned poll is held, only electors who are enrolled in the electoral district for which the polling booth is established and who have not already voted in the election are entitled to vote.
- (6) The adjourned poll is taken to have been held on the polling day.

101 Register of candidates

- (1) As soon as practicable after the commission advises the returning officer of an electoral district of the names of the candidates for an election for the electoral district, the commission must enter, in a register called the register of candidates, the information, and a summary of the content of any statement, set out in the nomination in relation to each of the candidates under section 88(3).

- (2) The register of candidates is to be kept in such form and way as the commission considers appropriate.

- (4) The register of candidates must be open for public inspection, without fee, at the commission's office.
- (5) If any name or address entered in the register of candidates in relation to a candidate ceases to be correct, the candidate may apply to the commission to have the entry corrected.

102 Form of ballot papers

 - (b) for a ballot paper other than a ballot paper reproduced under section 102A, be attached to a butt that—

 - (ii) is perforated in such a way that the ballot paper may be easily detached from it; and

 - (d) contain the names of all candidates for election, set out in the order determined under section 103; and
 - (e) if the commission considers that a similarity in the names of 2 or more candidates is likely to cause confusion—contain a description or addition that the commission considers will sufficiently distinguish the names; and
 - (f) contain a square opposite the name of each candidate; and
 - (g) if a candidate endorsed by a registered political party was nominated under section 88(1)(a)—contain, printed adjacent to the candidate’s name—

- (3) If the ballot paper is accepted, the person must take it out of the envelope and, without unfolding it or allowing another person to unfold it, put it in—
- (a) if the envelope was received by the returning officer and not sent to the commission to be dealt with under this section—a sealed ballot box; and
 - (b) if the envelope was received by the commission—a sealed ballot box in which ballot papers for the appropriate electoral district, and no other ballot papers, are placed.

- (4) If a declaration envelope received by a returning officer is for a different electoral district, it must be sent to the commission or the appropriate returning officer without being examined under this section.

126 Preliminary and official counting of votes

The commission must arrange for votes to be counted—

- (a) on polling day—in accordance with section 127; and

 - (i) all formal ballot papers (including ballot papers printed for electronically assisted votes) that are not in a declaration envelope; and
 - (ii) all declaration envelopes; and
 - (iii) all informal ballot papers (including ballot papers printed for electronically assisted votes) that are not in a declaration envelope; and
 - (c) for each electoral district for which ordinary votes are to be counted at the polling booth—
 - (i) arrange, and place in separate parcels under the names of the candidates for the electoral district, all formal ballot papers (including formal ballot papers printed for electronically assisted votes) on which a first preference vote is indicated for the same candidate; and
 - (ii) count the first preference votes on formal ballot papers for each candidate; and

- (iii) count, and keep in a separate parcel, the informal ballot papers; and
 - (iv) prepare and sign a statement, in the approved form, setting out—
 - (A) the number of first preference votes for each candidate; and
 - (B) the number of informal ballot papers; and
 - (v) advise the returning officer for the electoral district of the contents of the statement; and
 - (d) for each electoral district to which paragraph (c) does not apply, identify and keep in a separate parcel—
 - (i) all formal ballot papers, including ballot papers printed for electronically assisted votes; and
 - (ii) all informal ballot papers, including ballot papers printed for electronically assisted votes; and
 - (e) for each separate parcel of ballot papers or declaration envelopes—
 - (i) seal the parcel; and

 - (iii) sign the description; and
 - (iv) if a scrutineer wishes to countersign the description—allow the scrutineer to do so; and
 - (f) send the parcels, and the statements mentioned in subsection (2)(c)(iv), to the returning officer for the appropriate electoral district.
- (3) Also, the staff must—
- (a) identify all envelopes containing spoilt ballot papers for each different electoral district; and
 - (b) keep the envelopes in a separate parcel; and

- (c) deal with the parcel in the way stated in subsection (2)(e) and (f) as if the reference in that subsection to ballot papers were a reference to envelopes containing spoiled ballot papers.
- (4) This section also applies, in the way stated in subsection (5), to the following votes received by the commission—
 - (a) votes received under section 125 for an electoral district;
 - (b) pre-poll ordinary votes for an electoral district made at a pre-poll voting office;
 - (c) ballot papers printed for electronically assisted votes at a place other than a polling booth.
- (5) This section applies to the votes mentioned in subsection (4) in the same way it would apply if an office of the commission, or a pre-poll voting office, were a polling booth for an electoral district—
 - (a) to the extent it is reasonably practicable to count the votes on polling day; and
 - (b) subject to any changes prescribed by regulation and any other necessary changes.
- (6) If the commission considers it appropriate for gaining an indication of the candidate most likely to be elected for an electoral district, the commission may require the commission's staff to—
 - (a) count the preference votes in the way required by the commission; and
 - (b) prepare and sign a statement of the number of preference votes (other than first preference votes) for each candidate; and
 - (c) advise the returning officer for the electoral district of the contents of the statement.

128 Official counting of votes

- (1) As soon as practicable after polling day, the returning officer for each electoral district must ensure that the commission's staff follow the procedures set out in this section and made under section 130A.
- (2) Firstly, the staff must—
 - (a) open all ballot boxes in relation to the electoral district that have not previously been opened; and
 - (b) identify and keep in separate parcels for each different electoral district—
 - (i) all formal ballot papers (including ballot papers printed for electronically assisted votes) that are not in a declaration envelope; and
 - (ii) all declaration envelopes; and
 - (iii) all informal ballot papers (including ballot papers printed for electronically assisted votes) that are not in a declaration envelope; and
 - (c) for each parcel for an electoral district other than the returning officer's electoral district—
 - (i) seal the parcel; and
 - (ii) write on the parcel a description of its contents, including the number of ballot papers or declaration envelopes in the parcel; and
 - (iii) sign the description; and
 - (iv) if a scrutineer wishes to countersign the description—allow the scrutineer to do so; and
 - (d) send the parcels to the returning officer for the appropriate electoral district.
- (3) Secondly, the staff must—
 - (a) open—
 - (i) the parcels mentioned in subsection (2)(b) for the returning officer's electoral district; and

- (ii) all sealed parcels of ballot papers and declaration envelopes sent to the returning officer under section 127; and
 - (b) follow the procedures set out in section 125 for all declaration envelopes; and
 - (c) arrange all formal ballot papers under the names of the candidates for the election by placing in a separate parcel all those on which a first preference vote is indicated for the same candidate; and
 - (d) count the first preference votes for each candidate on all of the formal ballot papers.
- (4) Thirdly, the staff must—
- (a) open all ballot boxes on hand in which ballot papers from declaration envelopes have been placed under section 125(3); and
 - (b) arrange all formal ballot papers under the names of the candidates for the election by placing in a separate parcel all those on which a first preference vote is indicated for the same candidate; and
 - (c) count the first preference votes for each candidate on all of the formal ballot papers and add the number to that obtained under subsection (3)(d); and
 - (d) reapply paragraphs (a) to (c) as more envelopes are placed in ballot boxes under section 125(3), until there are no more envelopes required to be placed in ballot boxes under that section.
- (5) If, because of final counting under subsection (4), a majority of the first preference votes is for 1 candidate, that candidate is elected.
- (6) If not, then a second count must take place.
- (7) On the second count—
- (a) the candidate who has the fewest first preference votes must be excluded; and

- (b) each ballot paper recording a first preference vote for that candidate must be transferred to the candidate next in the order of the voter's preference; and
 - (c) that ballot paper must be counted as a vote for that candidate.
- (8) If, on the second count, a candidate has a majority of the votes remaining in the count, the candidate is elected.
- (9) If not, the process of—
 - (a) excluding the candidate who has the fewest votes; and
 - (b) transferring each ballot paper of that candidate to the continuing candidate next in the order of the voter's preference; and
 - (c) counting it to that candidate as a vote;must be repeated until 1 candidate has a majority of the votes remaining in the count.
- (10) The candidate who, under subsection (9), has a majority of the votes remaining in the count is elected.
- (11) Despite subsections (7) and (9), the process of transferring a ballot paper to a continuing candidate and counting it to the candidate as a vote must not be repeated if there is only 1 continuing candidate, but that candidate is elected.
- (12) If, on any count at which the candidate with the fewest number of votes must be excluded, 2 or more candidates have an equal number of votes and that number is fewer than the number of votes of any other candidate—
 - (a) the candidate who had the fewest number of votes at the last count at which the candidates did not have an equal number of votes must be excluded; or
 - (b) if the candidates had an equal number of votes at all earlier counts—the candidate whose name is on a slip chosen under subsection (13) must be excluded.
- (13) For the purposes of subsection (12)(b), the returning officer must—

- (a) write the names of the candidates who have an equal number of votes on similar slips of paper; and
 - (b) fold the slips to prevent the names being seen; and
 - (c) place the slips in an opaque container; and
 - (d) mix the slips; and
 - (e) raise the container so that its contents are not visible and choose a slip at random.
- (14) If, on any count at which the candidate with the fewest number of votes must be excluded, 2 or more candidates have an equal number of votes and the candidates are the only continuing candidates—
- (a) the returning officer must refer the matter to the commission, which must refer it to the Court of Disputed Returns; and
 - (b) the court must determine the validity of any disputed ballot papers and recount all of the ballot papers by applying subsection (3)(b) and (c) and subsections (5) to (12); and
 - (c) if the determination and recount results in a candidate being elected—the court must declare the candidate elected; and
 - (d) if not—the court must order that a fresh election be held.
- (15) Subsection (14) does not affect the jurisdiction of the court under part 8 in relation to the disputing of an election.

129 Objections by scrutineers

- (1) If, while a member of the commission's staff is complying with section 127 or 128, a scrutineer objects to the member's treatment of a ballot paper as informal, the member must mark on the back of it 'formal' or 'informal' according to whether the member's decision is to treat it as formal or informal.

-
- (2) If, while a member of the commission's staff is complying with section 127 or 128, a scrutineer objects to the counting of a vote for a particular candidate, the member must mark on the back of the relevant ballot paper the name of the candidate for whom it is counted.

130 Recounting of votes

- (1) At any time before—
- (a) a returning officer notifies the election of a candidate under section 131; or
 - (b) the commission refers a matter to the Court of Disputed Returns under section 128(14);

the commission may direct the returning officer, or another member of the commission's staff, to recount some or all of the ballot papers for the election.

- (2) A returning officer may recount some or all of the ballot papers for an election at any time before the returning officer notifies the election of a candidate.
- (3) A person carrying out a recount of ballot papers must, so far as practicable, ensure that the requirements of section 128 are complied with.
- (4) This section does not limit by implication section 31(4) or 32(10).

130A Prescribed procedures for counting of absentee votes

- (1) The commission must make procedures about how, subject to this division, absentee votes at an election are to be counted.
- (2) The procedures must provide for—

Division 4 Election funding

Subdivision 1 Preliminary

- (1) For this division, electoral expenditure is taken to have been incurred for an election—
 - (a) if the expenditure is incurred for a campaign purpose that relates to the election; and
 - (b) whether or not the expenditure is incurred during the capped expenditure period for the election.
- (2) For this division, if a registered political party and a candidate endorsed by the registered political party both claim to have incurred the same item of electoral expenditure, the electoral expenditure is taken to be electoral expenditure incurred by the party.

Subdivision 2 Entitlement to election funding

223 Entitlement to election funding—registered political parties

- (1) A registered political party is entitled to election funding under this section for all elections held on the same day if, in relation to a candidate whom the party endorses in an election, the total number of formal first preference votes given for the candidate is at least 4% of the total number of formal first preference votes made in the election.
- (2) The amount of election funding to which the registered political party is entitled is the lesser of—

- (a) the election funding amount calculated under section 225 for each formal first preference vote given for a candidate mentioned in subsection (1); and

 - (i) if the entity entitled to the funding is a registered political party—\$6.00; or
 - (ii) if the entity entitled to the funding is a candidate—\$3.00; or

-
- (b) for each subsequent financial year, the amount worked out (to 3 decimal places) under subsection (2).
- (2) The election funding amount is adjusted for each financial year on 1 July using the formula—

where—

A is the election funding amount immediately before 1 July in a year.

B is the CPI number published for the March quarter in the year.

C is the CPI number published for the March quarter in the previous year.

- (3) However, if, for a particular financial year, adjustment of the election funding amount would reduce the amount, the amount is not to be adjusted for the year.
- (4) If an amount would, if calculated to 4 decimal places, end with a number more than 4, the amount is taken to be the amount calculated to 3 decimal places and increased by 0.001.

 - (ii) relate, directly or indirectly, to a matter being audited; and
 - (b) other information, or an explanation, the auditor reasonably requires about a matter being audited.

322 Appointment conditions and limit on powers

- (1) An authorised officer holds office on any conditions stated in—

- (a) the authorised officer's instrument of appointment; or

324 Resignation

- (1) An authorised officer may resign by signed notice given to the commissioner.

Subdivision 2 Identity cards

325 Issue of identity card

- (1) The commissioner must issue an identity card to each authorised officer.
- (2) The identity card must—

326 Production or display of identity card

- (1) In exercising a power in relation to a person in the person's presence, an authorised officer must—
 - (a) produce the authorised officer's identity card for the person's inspection before exercising the power; or

- (2) However, if it is not practicable to comply with subsection (1), the authorised officer must produce the identity card for the person's inspection at the first reasonable opportunity.

If the office of a person as an authorised officer ends, the person must return the person's identity card to the

commissioner within 21 days after the office ends unless the person has a reasonable excuse.

Division 15 Entry of places by authorised officers

Subdivision 1 Power to enter

330 General power to enter places

 - (a) an occupier at the place consents under subdivision 2 to the entry and section 333 has been complied with for the occupier; or
 - (b) it is a public place and the entry is made when the place is open to the public; or
 - (c) the entry is authorised under a warrant and, if there is an occupier of the place, section 340 has been complied with for the occupier; or

 - (i) a document issued to a person under this part;
 - (ii) a document required to be kept by a person under this part.
- (2) For subsection (1)(d), a *place of business* includes an office or other place at which a political party, elected member or candidate carries out political or administrative activities but does not include a part of a place where a person resides.
- (3) If the power to enter arose only because an occupier of the place consented to the entry, the power is subject to any conditions of the consent and ceases if the consent is withdrawn.
- (4) If the power to enter is under a warrant, the power is subject to the terms of the warrant.

-
- (5) The consent may provide consent for re-entry and is subject to the conditions of consent.
 - (6) If the power to re-enter is under a warrant, the re-entry is subject to the terms of the warrant.

Subdivision 2 Entry by consent

331 Application of sdiv 2

This subdivision applies if an authorised officer intends to ask an occupier of a place to consent to the authorised officer or another authorised officer entering the place under section 330(1)(a).

332 Incidental entry to ask for access

For the purpose of asking the occupier for the consent, an authorised officer may, without the occupier's consent or a warrant—

- (a) enter land around premises at the place to an extent that is reasonable to contact the occupier; or
- (b) enter part of the place the authorised officer reasonably considers members of the public ordinarily are allowed to enter when they wish to contact an occupier of the place.

333 Matters authorised officer must tell occupier

Before asking for the consent, the authorised officer must give a reasonable explanation to the occupier—

- (a) about the purpose of the entry, including the powers intended to be exercised; and
- (b) that the occupier is not required to consent; and
- (c) that the consent may be given subject to conditions and may be withdrawn at any time.

334 Consent acknowledgement

- (1) If the consent is given, the authorised officer may ask the occupier to sign an acknowledgement of the consent.
- (2) The acknowledgement must state—
 - (a) the purpose of the entry, including the powers to be exercised; and
 - (b) the following has been explained to the occupier—
 - (i) the purpose of the entry, including the powers intended to be exercised;
 - (ii) that the occupier is not required to consent;
 - (iii) that the consent may be given subject to conditions and may be withdrawn at any time; and
 - (c) the occupier gives the authorised officer or another authorised officer consent to enter the place and exercise the powers; and
 - (d) the time and day the consent was given; and
 - (e) any conditions of the consent.
- (3) If the occupier signs the acknowledgement, the authorised officer must immediately give a copy to the occupier.
- (4) If—
 - (a) an issue arises in a proceeding about whether the occupier consented to the entry; and
 - (b) an acknowledgement complying with subsection (2) for the entry is not produced in evidence;

the onus of proof is on the person relying on the lawfulness of the entry to prove the occupier consented.

Subdivision 3 Entry under warrant

335 Application for warrant

- (1) An authorised officer may apply to a magistrate for a warrant for a place.
- (2) The authorised officer must prepare a written application that states the grounds on which the warrant is sought.
- (3) The written application must be sworn.
- (4) The magistrate may refuse to consider the application until the authorised officer gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

Example—

The magistrate may require additional information supporting the written application to be given by statutory declaration.

336 Issue of warrant

- (1) The magistrate may issue the warrant for the place only if the magistrate is satisfied there are reasonable grounds for suspecting that there is at the place, or will be at the place within the next 7 days, a particular thing or activity that may provide evidence of an offence against this part.
- (2) The warrant must state—
 - (a) the place to which the warrant applies; and
 - (b) that a stated authorised officer or any authorised officer may with necessary and reasonable help and force—
 - (i) enter the place and any other place necessary for entry to the place; and
 - (ii) exercise the authorised officer's powers; and
 - (c) particulars of the offence that the magistrate considers appropriate; and

- (d) the name of the person suspected of having committed the offence unless the name is unknown or the magistrate considers it inappropriate to state the name; and
- (e) the evidence that may be seized under the warrant; and
- (f) the hours of the day or night when the place may be entered; and
- (g) the magistrate's name; and
- (h) the day and time of the warrant's issue; and
- (i) the day, within 14 days after the warrant's issue, the warrant ends.

337 Electronic application

- (1) An application under section 335 may be made by phone, fax, email, radio, videoconferencing or another form of electronic communication if the authorised officer reasonably considers it necessary because of—
 - (a) urgent circumstances; or
 - (b) other special circumstances, including, for example, the authorised officer's remote location.
- (2) The application—
 - (a) may not be made before the authorised officer prepares the written application under section 335(2); but
 - (b) may be made before the written application is sworn.

338 Additional procedure if electronic application

- (1) For an application made under section 337, the magistrate may issue the warrant (the *original warrant*) only if the magistrate is satisfied—
 - (a) it was necessary to make the application under section 337; and

-
- (b) the way the application was made under section 337 was appropriate.
- (2) After the magistrate issues the original warrant—
- (a) if there is a reasonably practicable way of immediately giving a copy of the warrant to the authorised officer, including, for example, by sending a copy by fax or email, the magistrate must immediately give a copy of the warrant to the authorised officer; or
- (b) otherwise—
- (i) the magistrate must tell the authorised officer the information mentioned in section 336(2); and
- (ii) the authorised officer must complete a form of warrant, including by writing on it the information mentioned in section 336(2) provided by the magistrate.
- (3) The copy of the warrant mentioned in subsection (2)(a), or the form of warrant completed under subsection (2)(b) (in either case the *duplicate warrant*), is a duplicate of, and as effectual as, the original warrant.
- (4) The authorised officer must, at the first reasonable opportunity, send to the magistrate—
- (a) the written application complying with section 335(2) and (3); and
- (b) if the authorised officer completed a form of warrant under subsection (2)(b)—the completed form of warrant.
- (5) The magistrate must keep the original warrant and, on receiving the documents under subsection (4)—
- (a) attach the documents to the original warrant; and
- (b) give the original warrant and documents to the clerk of the court of the relevant magistrates court.
- (6) Despite subsection (3), if—

- (a) an issue arises in a proceeding about whether an exercise of a power was authorised by a warrant issued under this section; and
 - (b) the original warrant is not produced in evidence;
- the onus of proof is on the person relying on the lawfulness of the exercise of the power to prove a warrant authorised the exercise of the power.
- (7) This section does not limit section 335.
 - (8) In this section—
relevant magistrates court, in relation to a magistrate, means the Magistrates Court that the magistrate constitutes under the *Magistrates Act 1991*.

339 Defect in relation to a warrant

- (1) A warrant is not invalidated by a defect in—
 - (a) the warrant; or
 - (b) compliance with this subdivision;unless the defect affects the substance of the warrant in a material particular.
- (2) In this section—
warrant includes a duplicate warrant mentioned in section 338(3).

340 Entry procedure

- (1) This section applies if an authorised officer is intending to enter a place under a warrant issued under this subdivision.
- (2) Before entering the place, the authorised officer must do or make a reasonable attempt to do the following things—
 - (a) identify himself or herself to a person who is an occupier of the place and is present by producing the authorised officer's identity card or another document evidencing the authorised officer's appointment;

-
- (b) give the person a copy of the warrant;
 - (c) tell the person the authorised officer is permitted by the warrant to enter the place;
 - (d) give the person an opportunity to allow the authorised officer immediate entry to the place without using force.
- (3) However, the authorised officer need not comply with subsection (2) if the authorised officer believes on reasonable grounds that entry to the place without compliance is required to ensure the execution of the warrant is not frustrated.
- (4) In this section—
warrant includes a duplicate warrant mentioned in section 338(3).

Division 16 General powers of authorised officers after entering places

341 Application of div 16

- (1) The power under this division may be exercised if an authorised officer enters a place under section 330(1)(a), (c) or (d).
- (2) However, if the authorised officer enters under section 330(1)(a) or (c), the powers under this division are subject to any conditions of the consent or terms of the warrant.

342 General powers

- (1) The authorised officer may do any of the following (each a *general power*)—
 - (a) search any part of the place;
 - (b) inspect, examine or film any part of the place or anything at the place;
 - (c) place an identifying mark in or on anything at the place;

- (d) take an extract from, or copy, a document at the place, or take the document to another place to copy;
 - (e) produce an image or writing at the place from an electronic document or, to the extent it is not practicable, take a thing containing an electronic document to another place to produce an image or writing;
 - (f) take to, into or onto the place and use any person, equipment and materials the authorised officer reasonably requires for exercising the authorised officer's powers under this division;
 - (g) remain at the place for the time necessary to achieve the purpose of the entry.
- (2) The authorised officer may take a necessary step to allow the exercise of a general power.
- (3) If the authorised officer takes a document from the place to copy it, the authorised officer must copy and return the document to the place as soon as practicable.
- (4) If the authorised officer takes from the place an article or device reasonably capable of producing a document from an electronic document to produce the document, the authorised officer must produce the document and return the article or device to the place as soon as practicable.
- (5) In this section—
- examine* includes analyse, test, account, measure, weigh, grade, gauge and identify.
- film* includes photograph, videotape and record an image in another way.
- inspect*, a thing, includes open the thing and examine its contents.

343 Power to require reasonable help

- (1) The authorised officer may make a requirement (a *help requirement*) of an occupier of the place or a person at the

place to give the authorised officer reasonable help to exercise a general power, including, for example, to produce a document or to give information.

- (2) When making the help requirement, the authorised officer must give the person an offence warning for the requirement.

344 Offence to contravene help requirement

- (1) A person of whom a help requirement has been made must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty—50 penalty units.

- (2) It is a reasonable excuse for an individual not to comply with a help requirement if complying might tend to incriminate the individual or expose the individual to a penalty.
- (3) However, subsection (2) does not apply if a document or information the subject of the help requirement is required to be held or kept by the defendant under this part.

Note—

See, however, section 371.

Division 17 Seizure by authorised officers and forfeiture

Subdivision 1 Power to seize

345 Seizing evidence at a place that may be entered without consent or warrant

An authorised officer who enters a place the authorised officer may enter under this Act without the consent of an occupier of the place and without a warrant may seize a thing at the place if the authorised officer reasonably believes the thing is evidence of an offence against this part.

346 Seizing evidence at a place that may be entered only with consent or warrant

- (1) This section applies if—
 - (a) an authorised officer is authorised to enter a place only with the consent of an occupier of the place or a warrant; and
 - (b) the authorised officer enters the place after obtaining the consent or under a warrant.
- (2) If the authorised officer enters the place with the occupier’s consent, the authorised officer may seize a thing at the place only if—
 - (a) the authorised officer reasonably believes the thing is evidence of an offence against this part; and
 - (b) seizure of the thing is consistent with the purpose of entry as explained to the occupier when asking for the occupier’s consent.
- (3) If the authorised officer enters the place under a warrant, the authorised officer may seize the evidence for which the warrant was issued.
- (4) The authorised officer may also seize anything else at the place if the authorised officer reasonably believes—
 - (a) the thing is evidence of an offence against this part; and
 - (b) the seizure is necessary to prevent the thing being hidden, lost or destroyed.
- (5) The authorised officer may also seize a thing at the place if the authorised officer reasonably believes it has just been used in committing an offence against this part.

347 Seizure of property subject to security

- (1) An authorised officer may seize a thing, and exercise powers relating to the thing, despite a lien or other security over the thing claimed by another person.

-
- (2) However, the seizure does not affect the other person's claim to the lien or other security against a person other than the authorised officer or a person acting for the authorised officer.

Subdivision 2 Powers to support seizure

348 Power to secure seized thing

- (1) Having seized a thing under this division, an authorised officer may—
- (a) leave it at the place where it was seized (the *place of seizure*) and take reasonable action to restrict access to it; or
 - (b) move it from the place of seizure.
- (2) For subsection (1)(a), the authorised officer may, for example—
- (a) seal the thing, or the entrance to the place of seizure, and mark the thing or place to show access to the thing or place is restricted; or
 - (b) require a person the authorised officer reasonably believes is in control of the place or thing to do an act mentioned in paragraph (a) or anything else an authorised officer could do under subsection (1)(a).

349 Offence to contravene other seizure requirement

A person must comply with a requirement made of the person under section 348(2)(b) unless the person has a reasonable excuse.

Maximum penalty—50 penalty units.

350 Offence to interfere

(1) If access to a seized thing is restricted under section 348, a person must not tamper with the thing or with anything used to restrict access to the thing without—

- (a) an authorised officer's approval; or
- (b) a reasonable excuse.

Maximum penalty—50 penalty units.

(2) If access to a place is restricted under section 348, a person must not enter the place in contravention of the restriction or tamper with anything used to restrict access to the place without—

- (a) an authorised officer's approval; or
- (b) a reasonable excuse.

Maximum penalty—50 penalty units.

Subdivision 3 Safeguards for seized things

351 Receipt and information notice for seized thing

(1) This section applies if an authorised officer seizes anything under this division unless—

- (a) the authorised officer reasonably believes there is no-one apparently in possession of the thing or it has been abandoned; or
- (b) because of the condition, nature and value of the thing it would be unreasonable to require the authorised officer to comply with this section.

(2) The authorised officer must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized—

- (a) a receipt for the thing that generally describes the thing and its condition; and
- (b) an information notice about the decision to seize it.

- (3) However, if an owner or person from whom the thing is seized is not present when it is seized, the receipt and information notice may be given by leaving them in a conspicuous position and in a reasonably secure way at the place at which the thing is seized.
- (4) The receipt and information notice may—
 - (a) be given in the same document; and
 - (b) relate to more than 1 seized thing.
- (5) The authorised officer may delay giving the receipt and information notice if the authorised officer reasonably suspects giving them may frustrate or otherwise hinder an investigation by the authorised officer under this part.
- (6) However, the delay may be only for so long as the authorised officer continues to have the reasonable suspicion and remains in the vicinity of the place at which the thing was seized to keep it under observation.

352 Access to seized thing

- (1) Until a seized thing is forfeited or returned, the authorised officer who seized the thing must allow an owner of the thing—
 - (a) to inspect it at any reasonable time and from time to time; and
 - (b) if it is a document—to copy it.
- (2) Subsection (1) does not apply if it is impracticable or would be unreasonable to allow the inspection or copying.
- (3) The inspection or copying must be allowed free of charge.

353 Return of seized thing

- (1) This section applies if a seized thing has some intrinsic value and is not forfeited or transferred under subdivision 4 or 5.
- (2) The authorised officer must return the seized thing to an owner—

- (a) generally—at the end of 6 months after the seizure; or
 - (b) if a proceeding for an offence involving the thing is started within the 6 months—at the end of the proceeding and any appeal from the proceeding.
- (3) Despite subsection (2), if the thing was seized as evidence, the authorised officer must return the thing seized to an owner as soon as practicable after the authorised officer is satisfied—
- (a) its continued retention as evidence is no longer necessary; and
 - (b) it is lawful for the owner to possess it.
- (4) Nothing in this section affects a lien or other security over the seized thing.

Subdivision 4 Forfeiture

354 Forfeiture by commissioner decision

- (1) The commissioner may decide a seized thing is forfeited to the State if an authorised officer—
- (a) after making reasonable inquiries, can not find an owner; or
 - (b) after making reasonable efforts, can not return it to an owner.
- (2) However, the authorised officer is not required to—
- (a) make inquiries if it would be unreasonable to make inquiries to find an owner; or
 - (b) make efforts if it would be unreasonable to make efforts to return the thing to an owner.
- Example for paragraph (b)—*
- The owner of the thing has migrated to another country.
- (3) Regard must be had to the thing's condition, nature and value in deciding—
- (a) whether it is reasonable to make inquiries or efforts; and

-
- (b) if inquiries or efforts are made—what inquiries or efforts, including the period over which they are made, are reasonable.

355 Information notice about forfeiture decision

- (1) If the commissioner decides under section 354(1) to forfeit a thing, the commissioner must as soon as practicable give a person who owned the thing immediately before the forfeiture (the *former owner*) an information notice about the decision.
- (2) The information notice may be given by leaving it at the place where the thing was seized, in a conspicuous position and in a reasonably secure way.
- (3) The information notice must state that the former owner may apply for a stay of the decision if the person appeals against the decision.
- (4) However, subsections (1) to (3) do not apply if the place where the thing was seized is—
 - (a) a public place; or
 - (b) a place where the notice is unlikely to be read by the former owner.

Subdivision 5 Dealing with property forfeited or transferred to State

356 When thing becomes property of the State

A thing becomes the property of the State if—

- (a) the thing is forfeited to the State under section 354(1);
or
- (b) the owner of the thing and the State agree, in writing, to the transfer of the ownership of the thing to the State.

357 How property may be dealt with

- (1) This section applies if, under section 356, a thing becomes the property of the State.
- (2) The commissioner may deal with the thing as the commissioner considers appropriate, including, for example, by destroying it or giving it away.
- (3) The commissioner must not deal with the thing in a way that could prejudice the outcome of an appeal against the forfeiture under this part.
- (4) If the commissioner sells the thing, the commissioner may, after deducting the costs of the sale, return the proceeds of the sale to the former owner of the thing.

Division 18 Other information-obtaining powers of authorised officers

358 Power to require name and address

- (1) This section applies if an authorised officer—
 - (a) finds a person committing an offence against this part; or
 - (b) finds a person in circumstances that lead the authorised officer to reasonably suspect the person has just committed an offence against this part; or
 - (c) has information that leads the authorised officer to reasonably suspect a person has just committed an offence against this part.
- (2) The authorised officer may require the person to state the person's name and residential address.
- (3) The authorised officer may also require the person to give evidence of the correctness of the stated name or address if, in the circumstances, it would be reasonable to expect the person to—

- (a) be in possession of evidence of the correctness of the stated name or address; or
 - (b) otherwise be able to give the evidence.
- (4) When making a personal details requirement, the authorised officer must give the person an offence warning for the requirement.
- (5) A requirement under this section is a *personal details requirement*.

359 Offence to contravene personal details requirement

- (1) A person of whom a personal details requirement has been made must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty—50 penalty units.

- (2) A person may not be convicted of an offence under subsection (1) unless the person is found guilty of the offence in relation to which the personal details requirement was made.

360 Power to require production of documents

- (1) An authorised officer may require a person to make available for inspection by an authorised officer, or to produce to the authorised officer for inspection, at a reasonable time and place nominated by the authorised officer—
- (a) a document issued to the person under this part; or
 - (b) a document required to be kept by the person under this part; or
 - (c) if a document or information required to be kept by the person under this part is stored or recorded by means of a device—a document that is a clear written reproduction of the stored or recorded document or information.

- (2) A requirement under subsection (1) is a ***document production requirement***.
- (3) For an electronic document, compliance with the document production requirement requires the making available or production of a clear written reproduction of the electronic document.
- (4) The authorised officer may keep the document to copy it.
- (5) If the authorised officer copies the document, or an entry in the document, the authorised officer may require the person responsible for keeping the document to certify the copy as a true copy of the document or entry.
- (6) A requirement under subsection (5) is a ***document certification requirement***.
- (7) The authorised officer must return the document to the person as soon as practicable after copying it.
- (8) However, if a document certification requirement is made of a person, the authorised officer may keep the document until the person complies with the requirement.

361 Offence to contravene document production requirement

- (1) A person of whom a document production requirement has been made must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty—200 penalty units.

- (2) It is not a reasonable excuse for a person to fail to comply with a document production requirement on the basis that complying with the requirement might tend to incriminate the person or expose the person to a penalty.

Note—

See, however, section 371.

- (3) The authorised officer must inform the person, in a way that is reasonable in the circumstances—

-
- (a) that the person must comply with the document production requirement even though complying might tend to incriminate the person or expose the person to a penalty; and
 - (b) that, under section 371, there is a limited immunity against the future use of the information or document given in compliance with the requirement.
- (4) If the person fails to comply with the document production requirement when the authorised officer has failed to comply with subsection (3), the person can not be convicted of the offence against subsection (1).
- (5) If a court convicts a person of an offence against subsection (1), the court may, as well as imposing a penalty for the offence, order the person to comply with the document production requirement.
