- (3) Section 27, as in force immediately before the commencement of the *Retail Shop Leases Amendment Act 1999*, continues to apply to a retail shop lease entered into before the commencement, and any extension or renewal of the lease, as if that Act had not commenced.
- (4) Subject to subsection (5), section 27, as amended by the 2000 amendment Act, applies only to a retail shop lease entered into after the commencement of this subsection.
- (5) Section 27(8) applies only to a retail shop lease entered into after 28 October 1994.
- (6) Part 6, division 8A, applies only to a retail shop lease entered into after the commencement of the division.

Note—

Part 12 also contains provisions about the application of this Act.

- (9) In this section—

- (a) the lease's original term;
- (b) any periods for which the lessee has a right to extend the lease.

14 Continued application of certain provisions of former Act to existing retail shop leases

- (1) The following provisions of the former Act continue to apply (to the extent that they applied immediately before the commencement of this section) to an existing retail shop lease as if this Act had not been enacted—
- part 1, other than section 5A
 - part 2
 - part 3, other than the following sections—

-
- section 10B
 - section 10C
 - section 15A
 - section 56
 - section 57
 - section 58
 - schedules 1 and 2.
- (2) For the purposes of applying a provision of the former Act to an existing retail shop lease, a reference in the provision to—

- (a) a lease of premises that become a retail shop after the commencement of the lease; or
 - (b) an assignment of the lease; or
 - (c) a renewal of the lease under an option under the lease.

Example of subsection (1)(a)—

On 1 April 1995 a person enters into a 3-year lease for the conduct of a business from premises that are not in a retail shopping centre. On 1 September 1995, the business is prescribed by regulation as a retail business. Under the subsection, this Act does not apply to the lease even though the premises have become a retail shop.

- (2) This Act continues to apply to—

- (a) a lease of premises that cease to be a retail shop after the commencement of the lease; or
- (b) an assignment of the lease; or
- (c) a renewal of the lease under an option under the lease.

Example of subsection (2)(a)—

On 1 April 1995 a person enters into a 3-year lease for the conduct of a business from premises in a retail shopping centre. Under the subsection, this Act continues to apply to the lease even though the premises are no longer a retail shop.

- (1) This Act does not apply to leases—
 - (a) entered into before the commencement of this section between the owner of an exempt enterprise under the former Act and a tenant of premises in the enterprise; and
 - (b) to which the former Act did not apply because of the exemption of the enterprise from the provisions of the former Act.
- (2) However, part 8, division 2 applies to a lease mentioned in subsection (1) if the lease would be a retail shop lease if entered into after the commencement of this section.

17 Application of Act to leases of service stations

- (1) This Act does not apply to a retail shop lease for the carrying on of the business of a service station if the *Trade Practices (Industry Codes—Oilcode) Regulations 2006* (Cwlth) applies to the carrying on of the business under a franchise agreement within the meaning of that Act.
- (2) This Act (other than part 6) applies to a retail shop lease (whether entered into or renewed before or after the commencement of this section) for the carrying on of the

business of a service station if the *Trade Practices (Industry Codes—Oilcode) Regulations 2006* (Cwlth) does not apply to the carrying on of the business under a franchise agreement within the meaning of that Act.

18 Act's provisions implied in leases

If, under this Act, a duty is imposed or an entitlement is conferred on a lessor or lessee under a retail shop lease, the duty or entitlement is taken to be included in the lease.

19 Contracting out of Act prohibited

A provision of a retail shop lease is void if it purports to exclude the application of a provision of this Act that applies to the lease.

20 Act prevails over inconsistent leases

If a provision of this Act is inconsistent with a provision of a retail shop lease, the provision of this Act prevails and the provision of the lease is void to the extent of the inconsistency.

- (2) Subsections (3) and (4) apply if—
- (a) the lessor does not comply with subsection (1); or
 - (b) the disclosure statement when given to the prospective lessee under subsection (1) is a defective statement.
- (3) The lessee may terminate the lease by giving written notice to the lessor within 6 months after the lessee enters into the lease.
- (4) The lessor is liable to pay to the lessee the reasonable compensation decided by way of the dispute resolution process for loss or damage suffered by the lessee because of the noncompliance or defective statement.
- (5) The lessee can not terminate the lease under subsection (3) on the ground that the disclosure statement is a defective statement if—
- (a) the lessor acted honestly and reasonably and ought reasonably to be excused for giving the defective statement; and
 - (b) the lessee is in substantially as good a position as the lessee would have been if the disclosure statement were not a defective statement.
- (6) For subsection (2), the lessor is taken to have given the disclosure statement to the prospective lessee within the disclosure period if—
- (a) the prospective lessee—
 - (i) is a major lessee; and

- (ii) gives the lessor written notice stating that the prospective lessee—
 - (A) has received appropriate financial and legal advice about the lease; and
 - (B) waives the entitlement, under subsection (1), to receive the disclosure statement within the disclosure period; and
- (b) the lessor gives the disclosure statement to the prospective lessee before the prospective lessee enters into the lease.
- (7) Termination of the lease under subsection (3) does not affect any right, privilege or liability acquired, accrued or incurred under the lease for any period before the termination.
- (8) In this section—

defective statement, for a disclosure statement, means a statement that is incomplete or contains information that is false or misleading in a material particular.

22A Prospective lessee's disclosure obligation to lessor

Before entering into a retail shop lease, the prospective lessee must give the lessor a disclosure statement.

- (1) An assignor of a retail shop lease must give a prospective assignee a disclosure statement at least 7 days before asking the lessor to consent to the assignment.
- (2) The prospective assignee must give a disclosure statement to the assignor before the lessor is asked to consent to the assignment.

22C Lessor's and prospective assignee's disclosure obligations to each other

- (1) At least 7 days before an assignment of a retail shop lease is entered into (the *disclosure period*), the lessor must give the prospective assignee a disclosure statement and a copy of the lease.
- (2) The lessor is taken to have given the disclosure statement to the prospective assignee within the disclosure period if—
 - (a) the prospective assignee—
 - (i) is a major lessee; and
 - (ii) gives the lessor written notice stating that the prospective assignee—
 - (A) has received appropriate financial and legal advice about the assignment; and
 - (B) waives the entitlement to receive the disclosure statement within the disclosure period; and
 - (b) the lessor gives the disclosure statement to the prospective assignee before the prospective assignee enters into the assignment.
- (3) The prospective assignee must give a disclosure statement to the lessor before the assignment is entered into.

22D Financial and legal advice reports

- (1) A prospective lessee of a retail shop who is not a major lessee must, before entering into the lease, give the lessor—

- (2) A retail tenancy dispute exists between the persons, and the receiving person, within the relevant period, may apply, as provided under the QCAT Act, to QCAT for an order that the disclosing person give the document to the receiving person.
- (3) In this section—
relevant period means—
 - (a) for section 22A or 22D(1)—within 2 months after the lease is entered into; or
 - (b) for section 22B, 22C or 22D(2)—within 2 months after the assignment is entered into.

23 Lessor to give lessee certified copy of lease

Within 30 days after a retail shop lease is signed by the parties, the lessor must give the lessee a certified copy of the signed lease.

Maximum penalty—40 penalty units.

Part 6 Minimum lease standards

Division 1 Preliminary

24 Lessee's obligations to make particular payments

- (1) A retail shop lease must not contain a provision requiring the lessee to make any payment other than for the following—
 - (a) rent;
 - (b) if specified in the lease, the following—
 - (i) the lessor's outgoings, or the specified part of the lessor's outgoings, for the retail shopping centre or leased building in which the leased shop is situated;
 - (ii) damages for breach of a term of the lease;
 - (iii) an indemnity given by the lessee to the lessor for loss or damage suffered by the lessor as a result of the actions or omissions of the lessee or a person acting for the lessee;
 - (iv) subject to subsection (3), interest on arrears of rent or outgoings;
 - (c) the lessor's reasonable legal or other expenses incurred in responding to a request by the lessee for—
 - (i) a variation of the lease, including, for example, a rent concession; or
 - (ii) the lessor's consent to the lessee entering into a sublease or licence with another person in relation to the leased shop.
- (2) Subsection (1) applies whether the provision requires payment to be made—
 - (a) to the lessor or someone else; or
 - (b) by the lessee or someone else.

Example of subsections (1) and (2)—

A provision of a retail shop lease requiring a lessee to pay the lessor's land tax or to reimburse the lessor for land tax (regardless of by whom, or to whom, the payment is to be made) is void under section 20.

- (3) A retail shop lease may contain a provision requiring the lessee to make a payment for interest on arrears of rent or outgoings only if the interest rate, or the way in which the interest rate is to be calculated, is stated in the lease.
- (4) Subsection (1) has effect subject to the following sections—
 - section 24A
 - section 34
 - section 39(2)
 - section 40
 - section 41
 - section 48.

24A GST payments

- (1) Nothing in this Act prevents a lessor from requiring a lessee to pay an amount (the *GST amount*) that is directly or indirectly attributable to GST payable for a supply made by the lessor to the lessee under the lease.
- (2) If a lease provides that the GST amount is to be paid by the lessee to the lessor as an outgoings item, the GST amount is a specific outgoing.

Division 2 Turnover rent

25 Requirements if rent a percentage of turnover

- (1) This section applies if, under a retail shop lease, the rent is or may be calculated either in whole or part as a percentage of the turnover of the lessee's business carried on, or to be carried on, in or from the leased shop.

- (2) The lease must specify the formula to be used to calculate the rent.
- (3) During the term of the lease, the lessee must give to the lessor—
 - (a) at the end of each month or at the other times agreed between the parties, a certificate specifying with reasonable accuracy the turnover of the business; and
 - (b) at the end of each year or at the other times agreed between the parties, and at the termination of the lease, a statement of the turnover of the business prepared by a registered auditor.
- (4) If the lessee complies with subsection (3), the lessee is taken to have fully complied with any obligation under the lease to give the lessor the turnover of the lessee's business.

Division 3 Confidentiality of turnover information

26 Lessor not to disclose turnover information

- (1) A lessor must not, whether directly or indirectly, disclose to anyone else information obtained by the lessor about the turnover of the lessee's business (whether under the lease or under section 25) without the lessee's agreement.
Maximum penalty—60 penalty units.
- (2) However, the lessor may disclose information—
 - (a) in a document giving the aggregate turnover of businesses, or a class of business, in the retail shopping centre in which the leased shop is situated if the disclosure is made in a way that does not disclose information about the turnover of an individual lessee's business; or
 - (b) specifying the turnover of the lessee's business to—

-
- (i) a prospective purchaser or mortgagee of the retail shopping centre in which the leased shop is situated; or
 - (ii) a professional adviser to, or properly appointed agent of, a prospective purchaser or mortgagee mentioned in subparagraph (i); or
 - (iii) the lessor's professional advisers; or
 - (iv) a court under a court order; or
 - (v) a mediator under this Act or QCAT; or
 - (vi) a specialist retail valuer under section 30.
- (3) A person who is given information under subsection (2)(b)(i) or (ii)—
- (a) may use the information only to enable the prospective purchaser or mortgagee to make a decision whether to purchase the lessor's interest in, or to obtain financial accommodation on the security of, the retail shopping centre; and
 - (b) must not, whether directly or indirectly, disclose the information to anyone else without the lessee's agreement.

Maximum penalty—60 penalty units.

- (4) A person who is given information under subsection (2)(b)(iii)—
- (a) may use the information only to determine the lessee's rent on the basis of the turnover of the lessee's business carried on in the leased shop or to advise the lessor on the centre's trading performance; and
 - (b) must not, whether directly or indirectly, disclose the information to anyone else without the lessee's agreement.

Maximum penalty—60 penalty units.

- (5) If a person discloses information in contravention of subsection (1), (3) or (4) and the lessee suffers loss or damage

[s 27]

because of the disclosure, the lessee is entitled to the reasonable compensation for the loss or damage agreed between the lessor and lessee or, failing agreement, decided by way of the dispute resolution process.

- (6) An agreement under the lease about the disclosure of turnover information or the amount of compensation is not an agreement for the purposes of subsection (1), (3)(b), (4)(b) or (5).

Division 4 Rent review

Subdivision 1 Timing and bases of rent reviews

27 Timing and bases of rent reviews

- (1) If, under a retail shop lease, the rent payable under the lease or any renewal or extension of the lease is to be reviewed during the term of the lease or under an option to renew or extend the lease, the lease must state the timing of the reviews and the basis on which each review is to be made.
- (2) The rent may not be reviewed more than once in each year of the lease.
- (3) Subsection (2) does not apply to the first year of the lease.
- (4) The rent may be reviewed using different bases during the term of the lease, but each review must be made using only 1 basis.
- (5) The basis for a rent review must be a single basis consisting of 1 of the following—
 - (a) the current market rent of the leased shop;
 - (b) an independently published index of prices, costs or wages;
 - (c) a fixed percentage of the base rent;
 - (d) a fixed actual amount;

-
- (e) if the rent is determined as a base rent plus an amount equal to a percentage of the turnover of the lessee's business—the average rental paid over the previous year, or the stated number of previous years, of the lease;
 - (f) another basis prescribed by regulation;
 - (g) a single basis formed by a combination of 2 or more bases mentioned in paragraphs (b) to (f).
- (6) If the rent is determined as a base rent plus an amount equal to a percentage of the turnover of the lessee's business the review of the base rent must be made in accordance with subsections (4) and (5).
- (7) If, under a retail shop lease, the rent is to be reviewed during the term of the lease or any renewal or extension of the lease, the rent payable for the rental period after the timing of an invalid review is—
- (a) for an invalid review mentioned in subsection (11), definition *invalid review*, paragraph (a)—the same as the rent payable before the timing of the review; or
 - (b) for an invalid review mentioned in subsection (11), definition *invalid review*, paragraph (b)—the rent worked out on 1 of the bases, chosen by the lessee, on which the review was made; or
 - (c) for an invalid review mentioned in subsection (11), definition *invalid review*, paragraph (c)—the rent worked out on 1 of the bases, chosen by the lessee, on which the review was to be made under the void provision.
- (8) Subsections (2) to (7) do not apply if—
- (a) the lessee is a major lessee; and
 - (b) before the lessee entered into the lease the lessee gave the lessor a written notice stating that the lessee received appropriate financial and legal advice about the lease; and

- (c) the lease provides for the timing and basis for each review of the lease.
- (9) To remove any doubt, it is declared that neither of the following is a rent review—
 - (a) an adjustment of the rent merely to enable the lessor to recover GST from the lessee;
 - (b) a rent concession.
- (10) Nothing in this section prevents a retail shop lease limiting the amount by which the rent payable under the lease may be increased.
- (11) In this section—
 - invalid review*, of rent under the lease, means—
 - (a) a review in a year of the lease, other than the first year, in which the rent is to be reviewed under the lease more than once; or
 - (b) a review made under the lease using more than 1 basis; or
 - (c) a review under a provision of a lease that is void under section 36(d) or (e).

year, of the lease, means a period of 12 months starting on—

- (a) the day the lease is entered into; or
- (b) an anniversary of the day the lease was entered into; or
- (c) if, for a particular 12 month period, there is not an anniversary of the day the lease was entered into—the last day of the month corresponding to the month the lease was entered into.

Editor's note—

Paragraph (c) deals with a lease entered into on the last day of February in a leap year.

Subdivision 2 Current market rent

27A Lessee may require early determination of current market rent

- (1) This section applies if a retail shop lease provides for an option on the lessee's part to renew or extend the lease at the current market rent of the leased shop.
 - (1A) However, this section does not apply if—
 - (a) the lessee is a major lessee; and
 - (b) before the lessee entered into the lease the lessee gave the lessor a written notice stating that the lessee received appropriate financial and legal advice about the lease; and
 - (c) the lease provides for the timing and basis for each review of the lease.
 - (2) Unless the current market rent has already been agreed between the lessor and lessee, the lessee may, by written notice given to the lessor in the early determination period, ask for the current market rent to be determined.
 - (3) Sections 28(2) and (3) and 29 apply to the determination.
 - (4) The current market rent must be determined as at the date the request is made under subsection (2).
 - (5) The rent payable under the renewal or extension is the current market rent determined under this section.
 - (6) Despite any other provision of this Act or the lease, the last day on which the option mentioned in subsection (1) may be exercised is the earlier of the following—
 - (a) 21 days after the lessee receives written notice of the current market rent determined under this section;
 - (b) the day the lease ends.
 - (7) In this section—

early determination period means—

- (a) for a lease of not more than 1 year, the period—
 - (i) starting 3 months before the option expiry day; and
 - (ii) ending 1 month before the option expiry day; or
- (b) for a lease of more than 1 year, the period—
 - (i) starting 6 months before the option expiry day; and
 - (ii) ending 3 months before the option expiry day.

option expiry day means the last day on which the option to renew or extend the lease may, under the lease, be exercised.

28 Rent review on basis of current market rent

- (1) This section applies if—
 - (a) rent under a retail shop lease is to be reviewed on the basis of the current market rent of the leased shop; and
 - (b) the lessor and lessee can not agree on the current market rent within 1 month after the review date.
- (2) The current market rent is to be determined by a specialist retail valuer agreed by the lessor and lessee, or failing agreement, nominated by the chief executive.
- (3) The valuer may carry out the determination only if the valuer is independent of the interests of the lessor and lessee.

28A Parties' submissions to specialist retail valuer

- (1) For section 28, the lessor and lessee may each make a written submission to the specialist retail valuer about the current market rent of the retail shop.
- (2) A submission must be made within the reasonable period decided by the valuer (the *submission period*).
- (3) A party making a submission must give a copy of it to the other party within the submission period.
- (4) A party who receives a copy of a submission may give the valuer a written response to it.

-
- (5) The response must be given within the reasonable period decided by the valuer.

29 Matters to be considered by specialist retail valuers

In making a determination of the current market rent, the specialist retail valuer—

- (a) must determine the rent—
 - (i) on the basis of the rent that would be reasonably expected to be paid for the retail shop if it were unoccupied and offered for leasing for the use for which the shop may be used under the lease or a substantially similar use; and
 - (ii) on the basis of gross rent less lessor's outgoings payable by the lessee under the lease; and
 - (iii) on an effective rent basis; and
- (b) must not have regard to the value of the goodwill of the lessee's business or the lessee's fixtures and fittings in the retail shop; and
- (c) must have regard to—
 - (i) the terms and conditions of the lease; and
 - (ii) submissions from the lessor and lessee about the market rent of the shop; and
 - (iii) the other matters prescribed by regulation.

30 Valuer may require information from lessor

- (1) The specialist retail valuer may, by written notice, require the lessor to give the valuer any relevant information about leases in the retail shopping centre in which the shop is situated.
- (2) If the lessor does not give the information to the valuer within 14 days after the notice is given to the lessor, the valuer, within 7 days after the lessor fails to give the information, must give the lessee written notice of the lessor's failure.

- (3) If the lessee is given a notice under subsection (2), a retail tenancy dispute exists between the lessor and the lessee.
- (4) This section has effect despite the provisions of the retail shop lease.

31 Requirements of determination

- (1) The specialist retail valuer's determination of the current market rent must—
 - (a) be in writing; and
 - (b) identify the location of the leased shop; and
 - (c) state the matters taken into consideration in making the determination; and
 - (d) state detailed reasons for the determination.
- (2) The determination must also state—
 - (a) whether the current market rent includes GST; and
 - (b) if the rent includes GST, the GST amount.

32 Valuer to give determination to lessor and lessee

The specialist retail valuer must give the valuer's determination to the lessor and lessee within 1 month after the latest of the following—

- (a) the valuer is asked to make the determination;
- (b) the submission period mentioned in section 28A ends;
- (c) if a submission is made to the valuer under section 28A—the period mentioned in section 28A(5) ends;
- (d) if the lessor is required to give the valuer information (*lease information*) under section 30—the lessor gives the lease information to the valuer;
- (e) if a retail tenancy dispute under section 30 proceeds to mediation or QCAT under part 8—the lessor gives the

lease information to the valuer as required by or under a mediation agreement made under the part, or order made by QCAT.

33 Effect of determination

The current market rent of the leased shop determined by the specialist retail valuer is the current market rent of the shop and the rent payable under the lease for the rental period under the review.

34 Parties to share cost of determination

The lessor and lessee must each pay to the specialist retail valuer one-half of the valuer's fee for determining the current market rent of the retail shop under this subdivision.

35 Confidentiality of lease information

- (1) A specialist retail valuer who obtains information under section 28A or 30 must not—
 - (a) use the information for any purpose other than to determine the current market rent for the leased shop; and
 - (b) whether directly or indirectly, disclose the information to anyone else without the agreement of the lessor and lessee.

Maximum penalty—60 penalty units.

- (2) However, subsection (1)(b) does not prevent the valuer from disclosing information in a way that does not identify a particular lease when specifying the matters taken into consideration by the valuer in making the determination.
- (3) If the valuer discloses information in contravention of subsection (1) and the lessor or lessee suffers loss or damage because of the disclosure, the lessor or lessee is entitled to be paid by the valuer the reasonable compensation for the loss or damage agreed between the lessor or lessee and the valuer or,

failing agreement, decided by way of the dispute resolution process.

Subdivision 3 Other provisions about rent review

36 Certain rent review provisions of leases void

A provision of a retail shop lease is void to the extent that it—

- (a) requires the lessee to appoint someone to determine the current market rent of the leased shop other than in accordance with this Act; or
- (b) requires the lessee to pay for a determination of current market rent by a specialist retail valuer other than under section 34; or
- (c) requires the determination of the current market rent of the leased shop to be made other than in accordance with this Act; or
- (d) reserves, or has the effect of reserving, to a party a discretion to apply 1 of 2 or more methods of calculating the rent of the leased shop on a particular review of the rent; or
- (e) provides for the rent of the leased shop to change on a particular review of the rent in accordance with whichever of 2 or more methods of calculating the change would result in the higher or highest rent.

36A Ratchet rent provision void

- (1) Subsection (2) applies if a retail shop lease provides a basis for rent review under which the rent may be varied, including by a decrease, but the lease includes a ratchet rent provision.
- (2) The ratchet rent provision is void.
- (3) In this section—

ratchet rent provision means any provision of a retail shop lease to the extent that it—

-
- (a) prevents, or enables the lessor or another person to prevent, the rent decreasing under a rent review; or
 - (b) limits or specifies, or allows the limitation or specification of, the amount by which the rent may decrease under a rent review; or
 - (c) prevents, or allows the avoidance of, the rent review by the lessor or another person for a purpose mentioned in paragraph (a) or (b).

Division 5 Lessor's outgoings and other payments

37 Requirements when lessee to pay lessor's outgoings

- (1) In this section—
outgoings include maintenance and promotion amounts.
- (2) If, under a retail shop lease, the lessee is required to pay all or part of the lessor's outgoings for the retail shopping centre or leased building in which the leased shop is situated—
 - (a) the lease must specify—
 - (i) the outgoings payable by the lessee; and
 - (ii) how the outgoings will be determined and apportioned to the lessee; and
 - (iii) how the outgoings may be recovered by the lessor from the lessee; and
 - (b) the lessor must give to the lessee an annual estimate in the approved form of the lessor's outgoings, other than specific outgoings—
 - (i) at least 1 month before the start of the period to which the estimate relates; or
 - (ii) if the lessee enters into the lease during the period to which the estimate relates or within 1 month

before the start of the period—when the lessee enters into the lease; and

- (c) the lessor must give the lessee an audited annual statement in the approved form of the outgoings within 3 months after the end of the period to which the outgoings relate.

Maximum penalty—60 penalty units.

- (3) The outgoings shown in the annual estimate and statement must be itemised so that the amount shown for each item is not more than 5% of the total outgoings shown in the estimate or statement.
- (4) However, the amount shown for an item may be more than 5% of the total outgoings if the item relates to—
 - (a) a charge, levy, rate or tax payable under an Act; or
 - (b) a particular outgoing that can not be broken up to comply with the subsection (3).
- (5) The audited annual statement must—
 - (a) be prepared by a registered auditor in accordance with auditing standards generally accepted in the Australian accounting profession; and
 - (b) contain the auditor’s opinion on whether the statement presents fairly the lessor’s outgoings for the accounting period to which it relates in accordance with the lessor’s financial records and this Act; and
 - (c) compare the annual estimates of the lessor’s outgoings with the amount actually spent by the lessor for the outgoings during the period; and
 - (d) compare the total amount actually spent by the lessor for outgoings during the period with the total amounts actually paid by lessees to the lessor during the period.
- (6) If a person becomes the owner of a retail shopping centre or building containing 1 or more retail shops, the first estimate and statement of outgoings given by the person may be made for a period less than 1 year.

38 Lessee's liability to pay proportion of lessor's apportionable outgoings

- (1) In this section—
- apportionable outgoings* include maintenance amounts.
- (2) The proportion of a lessor's apportionable outgoings for a retail shopping centre or leased building payable by a lessee under a retail shop lease who is enjoying or sharing the benefit of the outgoing must not be more than the proportion that the area of the lessee's leased shop bears to the total area of all premises in the centre or building that are—
- (a) leased to or occupied by lessees who enjoy or share the benefit resulting from the outgoing (whether or not they are lessees under retail shop leases); or
 - (b) available for lease to or occupation by lessees who would, if leased or occupied, enjoy or share the benefit resulting from the outgoing (whether or not they would be lessees under retail shop leases).

39 Payment of key money and amount for goodwill prohibited

- (1) A person must not, as lessor or for the lessor, under or in relation to a retail shop lease, seek or accept the payment of key money or any amount for the goodwill of the lessee's business carried on in or from the leased shop.
- Maximum penalty—100 penalty units.
- (2) However, subsection (1) does not prevent a lessor from—
- (a) recovering from the lessee the lessor's costs reasonably incurred in investigating a proposed assignee of the lessee under a retail shop lease; or
 - (b) recovering from the lessee the lessor's reasonable expenses of and incidental to an assignment of a retail shop lease and any necessary consents to the assignment; or

[s 40]

- (c) receiving payment of rent in advance if the amount paid is not more than the rent payable for 1 rental period under the lease; or
 - (d) getting a repayable bond from the lessee to secure the lessee's obligations under the lease; or
 - (e) receiving from the purchaser of the lessor's business conducted in a retail shop payment for the goodwill of the business or the plant, equipment, fixtures or fittings in the retail shop; or
 - (f) receiving payment from the lessee for amounts spent by the lessor for fitting out the leased shop; or
 - (g) seeking and accepting payment for the grant of a franchise in relation to the grant of a retail shop lease.
- (3) If an amount is paid to, or a benefit accepted by, a person in contravention of subsection (1), the person who paid or conferred the benefit may recover the amount or value of the benefit as a debt.

Division 6 Other payments for retail shops

40 Sinking fund for major maintenance and repairs

- (1) This section applies if a lessee under a retail shop lease is required to pay amounts (*maintenance amounts*) into a sinking fund for major maintenance of, or repairs to—
- (a) the buildings, plant and equipment of, and areas used in association with, the retail shopping centre in which the leased shop is situated; or
 - (b) the building in which the leased shop is situated and the plant and equipment of, and areas used in association with, the building; or
 - (c) the leased shop and the plant and equipment of, and areas used in association with, the leased shop.

(2) The lessor may keep only 1 sinking fund for the purposes mentioned in subsection (1).

(3) The lessor must pay maintenance amounts paid by the lessee for the credit of the sinking fund into an interest bearing account kept by the lessor.

Maximum penalty—100 penalty units.

(4) The lessor must only apply amounts standing to the credit of the sinking fund and interest earned on the fund for a purpose mentioned in subsection (1).

Maximum penalty—100 penalty units.

(5) The lessor is liable to pay into the sinking fund any deficiency attributable to a failure by the lessor or any predecessor in title of the lessor to comply with subsection (4).

(6) The total payments into the sinking fund by all lessees of the retail shops to which the fund relates for any year must not be more than 5% of the total of the lessor's estimated outgoings for the retail shops for the year.

(7) The lessor must not seek or accept payments of maintenance amounts from a lessee of a retail shop that would result in the amount standing to the credit of the sinking fund being more than \$100,000.

Maximum penalty for subsection (7)—100 penalty units.

41 Promotion and advertising

(1) This section applies if—

(a) a lessee under a retail shop lease is required to pay amounts for promotion and advertising of the retail shopping centre (*promotion amounts*) in which the leased shop is situated to the lessor or an entity to which the lessee is required under the lease to be a member; and

(b) under the lease, the promotion amounts are not treated as part of the lessor's outgoings.

- (a) the lessee entered into the lease, or a renewal of it, on the basis of a false or misleading statement or misrepresentation made by the lessor or any person acting under the lessor's authority; or
 - (b) the leased shop was not available to the lessee for trading on the date specified in the disclosure statement given under section 22 or 22C because of the default of the lessor or anyone acting under the lessor's authority.
- (3) However, the lessee is not entitled to compensation under subsection (1) or (2) merely because the lessor has prevented the lessee from extending, as permitted by the *Trading (Allowable Hours) Act 1990*, the hours during which the lessee keeps the leased shop open for trading.

[s 43A]

- (4) A false or misleading statement or misrepresentation referred to in subsection (2)(a), if the lessee is an assignee, is a reference to a false or misleading statement or misrepresentation made by the lessor to the assignee that causes loss and damage to be suffered by the assignee.
- (5) A reference in subsection (2)(a) to the lessee having entered into the lease includes, if the lessee is an assignee, a reference to the assignee having entered into the assignment of the lease.
- (6) In this section—
lessee includes an assignee of the lease.

43A When compensation is payable by other parties

- (1) This section applies if a following person (the *disclosing person*), or a person acting under the authority of the disclosing person, makes a false or misleading statement or representation in a disclosure statement given to someone else (the *affected person*) under section 22A, 22B or 22C—
 - (a) the lessee under a retail shop lease;
 - (b) the assignor or assignee of a retail shop lease.
- (2) The disclosing person is liable to pay to the affected person reasonable compensation for loss or damage suffered by the affected person because of the false or misleading statement or representation.

44 Amount of compensation

- (1) If parties cannot agree on the amount of compensation payable under this division, the amount is to be decided by way of the dispute resolution process.
- (2) An agreement under the lease or an assignment of the lease about compensation payable under this division is void to the extent it limits the amount.

Division 8 Lease dealings

45 Lessee's right to deal with lease and business assets

- (1) A lessor under a retail shop lease must not obstruct or hinder the lessee in dealing with the lease or other assets of the business carried on in the leased shop by way of security.

Maximum penalty—40 penalty units.

- (2) However, a lessee under a retail shop lease is not entitled to deal with the lease or other assets of the business carried on in or from the leased shop by way of security without the lessor and the prospective secured creditor entering into an agreement about—

- (a) the times when the creditor or the creditor's agents may enter the leased shop, before or after the end of the lease; and
- (b) the times by or when, and the way in which, the creditor, must or may remove fixtures, fittings or equipment subject to the security before or after the end of the lease; and

- (1) This section applies if a retail shop lease provides for an option on the lessee's part to renew or extend the lease.
- (2) At least 2 months, but not longer than 6 months, before the option date, the lessor must give the lessee written notice of the option date.

Maximum penalty—40 penalty units.

46AA Renewing lease if no option or other agreement

- (1) This section applies if a retail shop lease—
 - (a) does not provide for an option on the lessee's part to renew or extend the lease; and
 - (b) is not the subject of an agreement for its renewal or extension.
- (2) The lessor must, by written notice given to the lessee within the notice period—
 - (a) offer the lessee a renewal or extension of the lease on terms, including terms about rent, stated in the notice; or
 - (b) tell the lessee that the lessor does not intend to offer the lessee a renewal or extension of the lease.
- (3) An offer made under subsection (2)(a) can not be revoked—
 - (a) until 1 month after it is made; or
 - (b) if the lessee accepts the offer within 1 month after it is made.
- (4) If the lessor does not comply with subsection (2), the term of the lease is extended until 6 months after the lessor gives the notice (the *extended period*).

-
- (4A) However, subsection (4) applies only if the lessee, by written notice given to the lessor before the lease would otherwise expire, asks for the extension.
- (5) The lessee may terminate the lease before the extended period ends by giving at least 1 month's written notice of termination to the lessor.
- (6) In this section—

Division 8A Provisions about unconscionable conduct

46A Unconscionable conduct

- (1) A lessor must not, in connection with a retail shop lease, engage in conduct that is, in all the circumstances, unconscionable.
- (2) A lessee must not, in connection with a retail shop lease, engage in conduct that is, in all the circumstances, unconscionable.
- (3) For this section, a person is not to be taken to engage in unconscionable conduct in connection with a retail shop lease only because the person—
- (a) starts legal proceedings relating to the lease; or
- (b) refers to arbitration a dispute or claim relating to the lease; or
- (c) fails to issue or renew the lease.

- (4) This section does not apply to conduct that occurred before the commencement of this section.

46B Matters QCAT may consider in deciding if a party's conduct is unconscionable

- (1) In deciding whether a party to a retail tenancy dispute has engaged in unconscionable conduct in connection with the retail shop lease, QCAT may have regard to the following matters—
- (a) the relative strengths of the bargaining positions of each of the parties;
 - (b) whether, as a result of conduct engaged in by the party, the other party was required to comply with conditions that were not reasonably necessary for the protection of the other party's legitimate interests;
 - (c) whether the other party was able to understand any documents relating to the lease;
 - (d) whether any undue influence or pressure was exerted on, or any unfair tactics were used against, the other party or a person acting for the other party by the party or a person acting for the party in relation to the lease;
 - (e) the amount for which, and the circumstances under which, the other party could have acquired an identical or equivalent lease from a person other than the party;
 - (f) the extent to which the party's conduct towards the other party was consistent with the party's conduct in similar transactions between the party and parties like the other party;
 - (g) the requirements of any applicable industry code;
 - (h) the requirements of any other industry code, if the other party acted on the reasonable belief that the party would comply with the code;

- (2) QCAT may also have regard to circumstances existing before the commencement of section 46A.
- (3) Subsections (1) and (2) do not limit the matters to which QCAT may have regard in making its decision.
- (4) However, QCAT must not have regard to the following—
- (a) any circumstances that were not reasonably foreseeable at the time of the alleged contravention of section 46A(1) or (2);

Division 9 General

Subdivision 1 Relocating lessee's business

46C Provisions implied in retail shop lease

A retail shop lease is taken to include sections 46D to 46G if the lease states that if—

- (a) the lessor proposes refurbishing, redeveloping or extending the building in which the leased shop is situated during the term of the lease or any renewal of it; and
- (b) the works mentioned in paragraph (a) can not be carried out practicably without vacant possession of the leased shop;

the lessor may take action requiring the lessee to relocate the lessee's business (*relocation action*).

46D How lessor takes relocation action

- (1) The lessor takes relocation action by giving the lessee a written notice (a *relocation notice*) under this section.
- (2) A relocation notice must state each of the following—
 - (a) sufficient details of the proposed refurbishment, redevelopment or extension to indicate a genuine proposal that—
 - (i) is to be carried out within a reasonably practicable time after the lessee's business is relocated; and
 - (ii) can not be carried out practicably without vacant possession of the leased shop;
 - (b) details of the reasonably comparable alternative retail shop to be made available to the lessee;
 - (c) the day by which the lessee must vacate the leased shop (the *relocation day*).

-
- (3) The relocation notice must be given at least 3 months before the relocation day.

46E Termination notice by lessee or deemed acceptance

- (1) Within 1 month after receiving the relocation notice, the lessee may give the lessor a written notice terminating the lease.
- (2) If the lessee gives notice under subsection (1), the lease terminates—
- (a) on the day agreed between the lessor and lessee; or
 - (b) if there is no agreement—3 months after the relocation notice is given.
- (3) If the lessee does not give notice under subsection (1), the lessee is taken to have accepted the lessor's offer of a lease of the alternative retail shop mentioned in the relocation notice, or an alternative retail shop agreed between the lessor and lessee, on the terms and conditions—
- (a) agreed between the lessor and lessee; or
 - (b) if there is no agreement—as provided under section 46F.

46F Terms and conditions of new lease

- (1) Unless the lessor and lessee agree otherwise, the terms and conditions of the lease mentioned in section 46E(3) (the *new lease*) are the same as the terms and conditions of the existing lease.
- (2) However—
- (a) the term of the new lease is taken to be the same as the remaining term of the existing lease; and
 - (b) the rent for the alternative retail shop is taken to be the same as the rent for the existing leased shop, adjusted to take into account the difference in the commercial

values of the shops when the lessee's business is relocated.

Note—

This section and section 46G do not prevent the lessee from accepting other arrangements when the details of the relocation are negotiated.

46G Lessee's entitlement to relocation costs

- (1) The lessee is entitled to payment by the lessor of the lessee's reasonable costs of relocation, including, but not limited to—
 - (a) the costs of the following—
 - (i) dismantling and reinstalling any fixtures and fittings;
 - (ii) modifying or replacing any fixtures and fittings to the standard existing immediately before the relocation; and
 - (b) legal costs.
- (2) If the lessor and lessee can not agree on the amount to which the lessee is entitled under subsection (1), the amount must be decided under the dispute resolution process.

Subdivision 2 Demolishing building in which lessee's business is situated

46H Provisions implied in retail shop lease

A retail shop lease is taken to include sections 46I to 46K if the lease provides for its termination by the lessor if the building in which the leased shop is situated is to be demolished, requiring vacant possession of the leased shop.

46I How lessor terminates the lease

- (1) The lessor terminates the lease by giving the lessee a written notice (a *lessor's termination notice*) under this section.

-
- (2) A lessor's termination notice must state—
 - (a) sufficient details of the proposed demolition to indicate a genuine proposal to demolish the building within a reasonably practicable time after the lease is terminated; and
 - (b) the day on which the lease terminates (the *termination day*).
 - (3) The notice must be given at least 6 months before the termination day.

46J Termination by lessee

- (1) If the lessor gives the lessee a lessor's termination notice, the lessee may terminate the lease earlier than the termination day by giving the lessor written notice of an earlier termination day (the *lessee's termination notice*).
- (2) The lessee's termination notice must be given at least 7 days before the earlier termination day.

46K Compensation payable by lessor

- (1) The lessor is liable to pay to the lessee reasonable compensation for loss or damage suffered by the lessee—
 - (a) because of the early termination of the lease, if the demolition is not carried out, or is not carried out within a reasonably practicable time after the termination day; and
 - (b) for the fit out of the retail shop to the extent the fit out was not provided by the lessor, whether or not the demolition is carried out.
- (2) However, subsection (1)(a) does not apply if the lessor proves that when the lessor's termination notice was given there was a genuine proposal to demolish the building within a reasonably practicable time after the termination day.
- (3) The amount of the compensation payable is the amount—

- (a) agreed between the lessor and lessee; or
 - (b) if there is no agreement, decided under the dispute resolution process.

 - (c) the lessor has not given an answer to the lessee within 1 month after the request and the particulars are given to the lessor.
- (2) A retail tenancy dispute also exists between a lessor and lessee under a retail shop lease if, in relation to consenting to an assignment of a retail shop lease, the lessor—

[s 50A]

- (a) purports or seeks to impose on the prospective assignee as lessee, an obligation that is not the lessee's obligation under the lease; or
 - (b) purports or seeks to withdraw from the prospective assignee a right conferred on the lessee under the lease; or
 - (c) purports or seeks to impose, as a condition for consenting to the assignment, a condition that the lessee considers unreasonable.
- (3) To remove any doubt, this section does not limit the circumstances in which a retail tenancy dispute may exist between a lessor and lessee under a retail shop lease.

50A Release of assignor from lease

- (1) This section applies to the assignment of a retail shop lease if—
- (a) the lessor, assignor and assignee (each a *disclosing person*) of the lease have each complied with sections 22B and 22C, or any order mentioned in section 22E(2) and imposed on the disclosing person; and
 - (b) each disclosure statement given under the sections or order by the disclosing person is not a defective statement.

- (5) A lessee under a retail shop lease (the *first lessee*) is not liable under the first lessee's lease for any additional outgoings of the lessor only because an eligible lessee's shop is open for trading outside the core trading hours when the first lessee's shop is not open for trading.

- (6) Subsection (5) applies despite any condition in the first lessee's lease.

Part 8 Retail tenancy dispute resolution

Division 1 Preliminary

54 Parties' rights under this part preserved

To remove any doubt, if a provision of a retail shop lease requires or permits a dispute under or about the lease to be referred to arbitration or be heard by any court or tribunal, the provision does not limit a party's rights under this part.
