- (1) This section is about the application of the *Public Sector Ethics Act 1994* (the *Act*) to a school council.
- (2) For the application of the Act—
 - (a) a school council is a public sector entity; and
 - (b) a member of the council is a public official of the entity; and
 - (c) the chief executive is the chief executive officer of the entity.
- (3) For section 15 of the Act, the chief executive must ensure a code of conduct is prepared that, after approval under section 17 of the Act, applies to a school council.
- (4) For section 23 of the Act, a reference to the entity's annual report is a reference to the department's annual report.

Part 8 Starting up

108 Purpose and application

- (1) This part is about the establishment and initial operation of a school council.
- (2) If there is an inconsistency between this part and another provision of this chapter, this part prevails to the extent of the inconsistency.

109 Initial constitution

- (1) A State school's principal must prepare a draft constitution for a proposed school council for the school.

- (2) Section 95(1) to (3) and (5) apply to the preparation as if a reference to a school council amending its constitution were a reference to the school's principal preparing the proposed council's draft constitution.
- (3) In preparing the draft constitution, the principal—
 - (a) must consult with—
 - (i) the parents of children attending the school; and
 - (ii) the school's staff and students; and
 - (b) may consult with other appropriate entities.
- (4) If there is an association formed for the school, the president of the association must, under the association's constitution, call a special meeting of the association (the **association meeting**) for approving the draft constitution.
- (5) The principal must call the following meetings for approving the draft constitution—
 - (a) if there is no association formed for the school—a meeting of the parents of children attending the school (the **parent meeting**);
 - (b) a meeting of the school's staff (the **staff meeting**).
- (6) The chief executive may not establish a school council for the school unless the association meeting or parent meeting, and the staff meeting, are called and the draft constitution is approved as follows—
 - (a) if there is an association formed for the school—by secret ballot by a majority of the association's members attending the association meeting;
 - (b) if there is no association formed for the school—by secret ballot by a majority of the parents attending the parent meeting;
 - (c) by secret ballot by a majority of the staff attending the staff meeting.

-
- (7) However, the chief executive may establish a school council for the school, even though the draft constitution is not approved under subsection (6), if the chief executive—
- (a) is satisfied of each of the following—
 - (i) if there is an association formed for the school and the association did not approve the draft constitution under subsection (6)—there were at least 3 association meetings held to discuss the draft constitution during a 3-month period;
 - (ii) if there is no association formed for the school and the parents of children attending the school did not approve the draft constitution under subsection (6)—there were at least 3 parent meetings held to discuss the draft constitution during a 3-month period;
 - (iii) if the school’s staff did not approve the draft constitution under subsection (6)—there were at least 3 staff meetings held to discuss the draft constitution during a 3-month period; and
 - (b) has had regard to the concerns of the association, parents or staff raised at the meetings at which the draft constitution was not approved.
- (8) The approved constitution applies to the council on its establishment.

110 Initial membership

- (1) On its establishment, a school council consists only of its official members.
- (2) However, a school council consisting only of its official members may only perform the functions necessary for the election of the council’s elected members.

111 First elected members and appointed members

- (1) As soon as practicable after a school council is established, its official members must, under the council's constitution, organise the election of the council's elected members.
- (2) After the election, the council, as constituted by its official members and elected members, may appoint the council's appointed members.

Part 9 Dissolution

112 Dissolution of a school council

- (1) A school council is dissolved—
 - (a) if the school for which it was established is closed; or
 - (b) in other circumstances prescribed under a regulation.
- (2) On dissolution, the members of the council immediately before the dissolution go out of office.

113 Records

- (1) As soon as practicable after the dissolution of a school council for a State school, the school's principal must ensure the council's records are given to the chief executive.
- (2) In this section—

records, of the council, includes all documents held by the council that it has created or acquired in the course of performing its functions.

Part 10 Miscellaneous

114 **School council not to establish committee or subcommittee**

A school council must not establish a committee or subcommittee.

115 **Expense of attending meetings**

The chief executive may—

- (a) decide the allowance payable to compensate a member of a school council in attending a meeting of the council, the amount of which is dependent on the class of membership of the council; or
- (b) reimburse a member of a school council the whole or part of the reasonable expenses incurred by the member in attending a meeting of the council.

116 **Minister's power to give directions in the public interest**

- (1) The Minister may give a school council a written direction about a matter relevant to the performance of its functions under section 81 if the Minister is satisfied it is necessary to give the direction in the public interest.
- (2) Without limiting subsection (1), a direction may require the council to comply with—
 - (a) a policy, standard or other instrument of a public sector unit; or
 - (b) another document, including, for example, another policy, standard or instrument.
- (3) The council must comply with the direction.
- (4) A direction to a school council must be addressed to its chairperson and may be sent by post, facsimile or similar facility to the school.

[s 117]

- (5) The Minister must give a copy of each direction, given under this section, to the chief executive.
- (6) The department's annual report for a year must include copies of all directions given under this section during the year.

117 Protection from liability

- (1) A member of a school council does not incur civil liability for an act done, or omission made, honestly and without negligence under this Act.
- (2) If subsection (1) prevents a civil liability attaching to a member of a school council, the liability attaches instead to the State.
- (3) This section does not apply to a member of a school council if the member is a prescribed person under the *Public Sector Act 2022*, section 267.

Note—

For protection from civil liability in relation to prescribed persons under the *Public Sector Act 2022*, section 267, see the *Public Sector Act 2022*, section 269.

relevant decision-maker see section 245(1).

Division 2 Power to grant exemption

244 Chief executive may grant exemption

- (1) The chief executive may grant an exemption fully excusing a young person from participation if the chief executive is reasonably satisfied—

 - (b) it would be unreasonable in all the circumstances to require the young person to participate in any eligible option.
- (2) The chief executive may grant an exemption partially excusing a young person from participation if the chief executive is satisfied—
 - (a) the young person can not participate in any eligible option at a full-time level; or
 - (b) it would be unreasonable in all the circumstances to require the young person to participate in any eligible option at a full-time level.
- (3) Despite subsection (1) or (2), the chief executive may not grant an exemption for a young person under this section if—
 - (a) the young person is participating in an eligible option for which a non-State school is the provider; and
 - (b) the period of the exemption would not, if it were granted, cause the total of the periods of exemptions granted under this section or section 244A for the young person to be more than 110 school days in a year.

244A Non-State school's principal may grant exemption

- (1) A non-State school's principal may grant an exemption fully excusing a young person from the requirement that the young person participate in an eligible option if—

- (a) the non-State school is the provider for the eligible option; and

 - (c) the period of the exemption would not, if it were granted, cause the total of the periods of exemptions granted under section 244 or this section for the young person to be more than 110 school days in a year.

Division 3 Application process

245 Application for exemption

- (1) A young person, or a parent of a young person, may apply to the following person (the *relevant decision-maker*) for an

exemption from the requirement that the young person participate in an eligible option—

- (a) for an application for an exemption under section 244—the chief executive;
 - (b) for an application for an exemption under section 244A—the principal of the non-State school that is the provider for the eligible option.
- (2) The application must—
- (a) state the period for which the exemption is sought; and
 - (b) for an application by a young person—include the signed consent of a parent of the young person.
- (3) However, subsection (2)(b) does not apply if the relevant decision-maker is satisfied it would be inappropriate in all the circumstances to require the signed consent of a parent.

Example—

an application by a young person living independently of the young person's parents

- (4) The applicant must provide any other relevant information reasonably required by the relevant decision-maker to decide the application.

Example—

If an exemption is sought because the young person is ill, the information required under this subsection may include stated medical evidence.

246 Lapsing of application

- (1) The relevant decision-maker may make a requirement under section 245(4) by giving the applicant a notice stating—
- (a) the required information; and
 - (b) the time by which the information must be given to the relevant decision-maker; and

[s 247]

- (c) that, if the information is not given to the relevant decision-maker by the stated time, the application will lapse.
- (2) The time stated must be reasonable and, in any case, at least 14 days after the requirement is made.
- (3) The relevant decision-maker may withdraw the requirement, or part of the requirement, at any time.
- (4) Before the stated time ends, the relevant decision-maker may give the applicant a further notice extending the stated time if the relevant decision-maker is satisfied it would be reasonable in all the circumstances to give the extension.
- (5) If the applicant does not comply with the requirement within the stated time, or any extension, the application lapses.

247 Temporary exemption until application is decided

- (1) If the application is made before the young person starts the person's compulsory participation phase, section 239(1) does not apply to a parent of the young person until—
 - (a) 14 days after the relevant decision-maker gives notice to the applicant under section 248; or
 - (b) the application lapses.
- (2) If the application is made while an existing exemption under this part is in force for the young person, the existing exemption continues to apply until 14 days after the relevant decision-maker gives notice to the applicant under section 248, or until the application lapses.

248 Decision

- (1) The relevant decision-maker must consider the application and either grant, or refuse to grant, the exemption.
- (2) If the relevant decision-maker decides to grant the exemption, the relevant decision-maker must as soon as practicable grant the exemption to the applicant.

- (3) If the relevant decision-maker decides to refuse to grant the exemption, the relevant decision-maker must as soon as practicable give the applicant an information notice about the decision.

249 Contents of exemption

- (1) This section applies if the relevant decision-maker decides to grant an exemption from the requirement that a young person participate in an eligible option.
- (2) The exemption must state—
 - (a) the day it is granted; and
 - (b) the young person to whom it relates; and
 - (c) whether it is full or partial and, if it is partial, the extent to which the person is excused from participation; and
 - (d) whether it applies until the end of the person's compulsory participation phase or only until a stated earlier time; and
 - (e) any conditions on which it is granted; and
 - (f) whether the relevant decision-maker has granted any other exemptions for the young person in the year in which the exemption is granted, and, if so, the period of each exemption.

250 Imposition of conditions

- (1) The relevant decision-maker may, in granting the exemption, decide to impose conditions on the exemption that are relevant and reasonable.
- (2) If the relevant decision-maker decides to grant an exemption on conditions, the relevant decision-maker must as soon as practicable give the applicant an information notice about the decision.

251 Lesser period of exemption than that applied for

- (1) The relevant decision-maker may, in granting the application, decide to grant the exemption for a lesser period than that applied for by the applicant for the exemption.
- (2) If the relevant decision-maker decides to grant an exemption for a lesser period than that applied for by the applicant for the exemption, the relevant decision-maker must as soon as practicable give the applicant an information notice about the decision.

Division 2 Suspension of students by principal

Subdivision 1 General provisions

281 Principal's power to suspend

- (1) The principal of a State school at which a student is enrolled may, under this division, suspend the student from the school if the principal is reasonably satisfied a ground exists for the suspension.
- (2) The principal may act under this division whether or not the student has already been suspended or excluded under this part.
- (3) In this division, a reference to suspension is a reference to suspension of a student in exercise of the power under subsection (1).

 - (c) conduct that adversely affects, or is likely to adversely affect, other students;
 - (d) conduct that adversely affects, or is likely to adversely affect, the good order and management of the school;
 - (e) the student's attendance at the school poses an unacceptable risk to the safety or wellbeing of other students or of staff;
 - (f) the student is charged with a serious offence.
- (2) It is also a ground for suspension if—
 - (a) the student is charged with an offence other than a serious offence; and

- (b) the principal is reasonably satisfied it would not be in the best interests of other students or of staff for the student to attend the school while the charge is pending.
- (3) To remove any doubt, it is declared that, for subsection (1)(c) or (d), conduct may be a ground for suspension even if the conduct does not happen on school premises or during school hours.
- (4) Each of the grounds under subsection (1)(f) or (2) is a *charge-related ground*.

283 Duration and notice of suspension

- (1) Suspension may be—
 - (a) generally—for not more than 10 school days; or
 - (b) on a ground other than a charge-related ground and if the principal is reasonably satisfied the ground is so serious that the suspension should be for more than 10 school days—for not more than 20 school days; or
 - (c) on a charge-related ground—until the day the principal makes a decision under section 288.
- (2) The suspension starts when the principal tells the student about it.
- (3) As soon as practicable after telling the student, the principal must give the student a notice in the approved form about the suspension.
- (4) If the student is suspended under subsection (1)(b) or (c), the notice must state that the student may make a written submission against the suspension to the chief executive.

284 Continuing education during suspension

A principal who suspends a student must take reasonable steps to arrange for the student's access to an educational program that allows the student to continue the student's education during the suspension.

285 Submission against suspension

- (1) This section applies for suspension under section 283(1)(b) or (c).
- (2) The student may make a written submission against the suspension.

286 Dealing with submission against suspension

- (1) If a submission is made to the chief executive under section 285(2), the chief executive must, as soon as practicable after receiving it, review the principal's decision to suspend the student and—
 - (a) confirm the decision; or
 - (b) vary the decision; or
 - (c) set aside the decision and substitute another decision.
- (2) As soon as practicable after making the decision under subsection (1), the chief executive must tell the student and the principal—

- (3) As soon as practicable after telling the student and the principal, the chief executive must give each of them a notice in the approved form about the decision.

Subdivision 2 Charge-related suspensions

- (3) The principal must tell the student about the decision and that the suspension has ended.

- (1) This section applies if the principal of a State school, or the chief executive, reasonably believes it would be appropriate for the chief executive to exercise the suspension power.

Example—

It would be appropriate for the chief executive to exercise the power if the principal was prevented from doing so by the principles of natural justice relating to bias.

- (2) The chief executive may exercise the power.
- (3) Each provision of this division applies as if a reference in the provision to the principal were a reference to the chief executive.

Division 3 Exclusion of students by principal

291 Principal's power to exclude

- (1) The principal of a State school at which a student is enrolled may, under this division, exclude the student from the school if the principal is reasonably satisfied a ground exists for the exclusion.

if suspension of the student under division 2 is inadequate to deal with the disobedience, misbehaviour, conduct or risk.

- (2) It is also a ground for exclusion if—
 - (a) the student has been convicted of an offence; and
 - (b) the principal is reasonably satisfied it would not be in the best interests of other students or of staff for the student to be enrolled at the school.
- (3) To remove any doubt, it is declared that, for subsection (1)(c) or (d), conduct may be a ground for exclusion even if the conduct does not happen on school premises or during school hours.

293 Suspension pending final decision about exclusion

- (1) This section applies if the principal of a State school proposes to exclude a student.
- (2) The principal must give the student a notice in the approved form about the proposed exclusion and—
 - (a) if the student is already suspended—tell the student that the suspension continues until the principal makes a final decision about the proposed exclusion; or
 - (b) if the student is not already suspended—suspend the student until the principal makes a final decision about the proposed exclusion.
- (3) The suspension starts when the principal tells the student about it.

294 Continuing education during suspension

A principal who suspends a student pending a final decision about exclusion must take reasonable steps to arrange for the student's access to an educational program that allows the student to continue the student's education during the suspension.

- (3) If the principal decides to exclude, the principal must exclude the student either permanently or for a period of not more than 1 year.
- (4) However, the exclusion can not be longer than the period stated in the proposed exclusion notice.
- (5) The principal must, as soon as practicable after deciding to exclude, give the student a notice in the approved form about the exclusion.
- (6) The notice mentioned in subsection (5) must state that—
 - (a) the student may make a written submission to the chief executive asking the chief executive to review the decision under division 6; and

- (b) if the student is excluded permanently—the student may make a periodic written submission to the chief executive under division 7.

296 Effect of exclusion on enrolment

If a student is excluded from a State school at which the student is enrolled, the enrolment is taken to be cancelled.

297 Chief executive may exercise exclusion power

- (1) This section applies if the principal of a State school, or the chief executive, reasonably believes it would be appropriate for the chief executive to exercise the exclusion power.

Example—

It would be appropriate for the chief executive to exercise the power if the principal was prevented from doing so by the principles of natural justice relating to bias.

- (2) The chief executive may exercise the power.
- (3) Each provision of this division applies as if a reference in the provision to the principal were a reference to the chief executive.

Division 4 Exclusion of students from certain State schools or all State schools by chief executive

if exclusion of the student under division 3 is inadequate to deal with the disobedience, misbehaviour, conduct or risk.

- (2) It is also a ground for exclusion if—
- (a) the student has been convicted of an offence; and
 - (b) the chief executive is reasonably satisfied it would not be in the best interests of other students or of staff for the student to be enrolled at the schools.
- (3) To remove any doubt, it is declared that, for subsection (1)(c) or (d), conduct of the student may be a ground for exclusion even if the conduct does not happen on school premises or during school hours.

 - (b) as soon as practicable after telling the student about the decision—give the student a notice in the approved form about the decision.

- (3) If the chief executive decides to exclude, the chief executive must exclude the student either permanently or for a period of not more than 1 year.

Note—

See chapter 15, part 4 for review of the decision by QCAT.

Chapter 14 Transfer notes

Part 1 Preliminary

383 Definition for ch 14

In this chapter—

relevant person, for a student of a State school or non-State school, means—

- (a) if the student is a child—a parent of the student; or
- (b) if the student is an adult—the student.

384 Meaning of *transfer note*

- (1) A *transfer note*, for a former student or continuing student of a State school or non-State school, means a document in the approved form containing the information, including personal information, about the former student or continuing student of the type prescribed under a regulation.
- (2) Without limiting subsection (1), a *transfer note*, for a former student or continuing student of a State school or non-State school, may include information about—
 - (a) the results of the assessment of the former student or continuing student in school studies; and
 - (b) behavioural issues relating to the former student or continuing student identified during the former student's, or continuing student's, attendance at a State school or non-State school.

- (3) Information in a transfer note must be factual, succinct and objective.

385 Purpose of giving transfer note

The purpose of giving the principal of a State school or non-State school a transfer note about a former student or continuing student of another State school or non-State school under this chapter is to provide information to the principal that will help the principal—

- (a) ensure continuity of the student’s educational program; and
- (b) meet the principal’s duty of care obligations in relation to the student and the school community.

Part 2 Request for transfer notes

386 Cessation of enrolment

- (1) Subject to subsection (3), subsection (2) applies if—
 - (a) the enrolment of a student (the *former student*) of a State school or non-State school is ceased at the request of the relevant person for the former student; and
 - (b) the relevant person for the former student, at the time of the request to cease enrolment, asks the school’s principal to give the relevant person for the former student a transfer note for the former student.
- (2) The school’s principal must, as soon as practicable after cessation of the enrolment, prepare a transfer note for the former student and give the relevant person for the former student—
 - (a) the transfer note; and
 - (b) copies of the documents relating to the former student mentioned in the transfer note.

-
- (3) However, subsection (4) applies if—
- (a) the relevant person for the former student is a parent of the student; and
 - (b) the principal is reasonably satisfied it would be inappropriate to allow the parent to request that the enrolment cease or receive the transfer note and copies of the documents; and
- Example—*
- It may be inappropriate for the parent to request that the enrolment cease or receive the transfer note and copies of the documents if the former student is living independently of his or her parents.
- (c) the enrolment is ceased at the request of the former student; and
 - (d) the former student, at the time of the request to cease enrolment, asks the school's principal to give the former student a transfer note for the former student.
- (4) The school's principal must, as soon as practicable after cessation of the enrolment, prepare a transfer note for the former student and give to the former student—
- (a) the transfer note; and
 - (b) copies of the documents relating to the former student mentioned in the transfer note.

387 Application for enrolment

- (1) Subsection (3) applies if—
- (a) the enrolment of a student (the *former student*) at a State school or non-State school (the *previous school*) has ceased and the former student has not been enrolled at a State school or non-State school since the cessation; and
 - (b) an application for the enrolment of the former student at a State school or non-State school (the *new school*) has been made.

- (2) Subsection (3) also applies if—
 - (a) the enrolment of a student (the *continuing student*) at a State school or non-State school (also the *previous school*) is continuing; and
 - (b) an application for the enrolment of the continuing student at a State school or non-State school (also the *new school*) has been made.

 - (a) the transfer note; and
 - (b) copies of the documents relating to the former student or continuing student mentioned in the transfer note.
- (5) The new school's principal must, at the time of giving the first notice, also notify the relevant person for the former student or continuing student that the first notice has been given.
- (6) However, if the relevant person for the former student or continuing student is a parent of the former student or continuing student, subsection (5) does not apply if the new school's principal is reasonably satisfied it would be inappropriate in the circumstances to notify the parent that the first notice has been given.

Example—

It may be inappropriate, in certain circumstances, to notify a parent of the former student or continuing student that the first notice has been given if the former student or continuing student is living independently of his or her parents.

- (7) If subsection (6) applies, the new school's principal must notify the former student or continuing student that the first notice has been given.

- (a) a copy of the transfer note; and
 - (b) copies of the documents.
- (9) However, if the relevant person for the former student or continuing student is a parent of the former student or continuing student, subsection (8) does not apply if the new school's principal is reasonably satisfied it would be inappropriate in the circumstances to allow the parent to receive a copy of the transfer note and copies of the documents.

Example—

It may be inappropriate, in certain circumstances, to allow a parent of the former student or continuing student to receive a copy of the transfer note and copies of the documents if the former student or continuing student is living independently of his or her parents.

- (10) If subsection (9) applies, the new school's principal must, as soon as practicable after receiving the transfer note and copies of the documents mentioned in subsection (4)(b), give the former student or continuing student—
- (a) a copy of the transfer note; and
 - (b) copies of the documents.

- (1) This section applies if the enrolment of a student (the *former student*) at a State school (the *previous school*) has ceased and the former student is later enrolled at another State school (the *new school*).
- (2) This part does not prevent the former school's principal transferring records, in the possession of the former school's principal, relating to the former student to the new school's principal.
