Duties Act 2001

An Act about creating and imposing duties

Chapter 1 Introduction

Part 1 Preliminary

1 Short title

This Act may be cited as the *Duties Act 2001*.

2 Commencement

- (1) This Act, other than sections 306(2), 342(2) and 497, commences on a day to be fixed by proclamation.
- (2) Sections 306(2), 342(2) and 497 commence on the later of the following—
 - (a) a day to be fixed by proclamation;
 - (b) when an arrangement is made under the *Commonwealth Places (Mirror Taxes) Act 1998* (Cwlth), section 9, for Queensland.

Part 2 Interpretation

3 Definitions

- (1) The dictionary in schedule 6 defines particular words used in this Act.

- (2) The definition *spouse* in schedule 6 applies despite the *Acts Interpretation Act 1954*, section 32DA(6).

5 Relationship of Act with Administration Act

- (1) This Act does not contain all the provisions about duties.
- (2) The Administration Act contains provisions dealing with, among other things, the following—
- (a) assessments of duty;
 - (b) collection and refunds of duty;
 - (c) imposition of interest and penalty tax;
 - (d) objections and appeals against, or reviews of, assessments of duty;
 - (e) record keeping obligations of taxpayers;
 - (f) investigative powers, offences, legal proceedings and evidentiary matters;
 - (g) service of documents;
 - (h) registration of charitable institutions.

Note—

Under the Administration Act, section 3, that Act and this Act must be read together as if they together formed a single Act.

Part 3 Application of Act

6 Act binds all persons

- (1) This Act binds all persons, including the State and, as far as the legislative power of the Parliament permits, the Commonwealth and the other States.

Note—

However, under section 426, the State is exempt from duty unless this Act expressly provides otherwise.

- (2) Nothing in this Act makes the State liable to be prosecuted for an offence.

7 Extra-territorial application

This Act applies to impose duty on instruments and transactions regardless of whether they are entered into or made in or outside Queensland.

Note—

This is because instruments and transactions on which duty is imposed have a nexus to Queensland.

7A Declaration of excluded matter for Corporations Act

An interest of a person in a registered managed investment scheme is declared to be an excluded matter for the Corporations Act, section 5F, in relation to section 1070A(1)(a), (3) and (4) of that Act.

Chapter 2 Transfer duty

Part 1 Preliminary

8 Imposition of transfer duty

- (1) This chapter imposes duty (*transfer duty*) on dutiable transactions.

Notes—

- 1 Concessions and exemptions for transfer duty are dealt with in parts 8A to 13. Also, other exemptions are dealt with in chapter 10.
- 2 Additional foreign acquirer duty is imposed on particular dutiable transactions under chapter 4.

- (2) Transfer duty is imposed on the dutiable value of a dutiable transaction.

Part 2 Some basic concepts for transfer duty

9 What is a *dutiable transaction*

- (1) Each of the following is a *dutiable transaction*—
- (a) a transfer of dutiable property;
 - (b) an agreement for the transfer of dutiable property, whether conditional or not;
 - (c) a surrender of dutiable property that is land in Queensland or a transferable site area;
 - (d) a vesting of dutiable property—
 - (i) by, or expressly authorised by, statute law of this or another jurisdiction, whether inside or outside Australia; or
 - (ii) by a court order, of this or another jurisdiction, whether inside or outside Australia;
 - (e) a foreclosure of a mortgage over dutiable property;
 - (f) an acquisition of a new right on its creation, grant or issue;
 - (g) a partnership acquisition;
Note—
See chapter 2, part 7 (Dutiable transactions relating to partnerships).
 - (h) the creation or termination of a trust of dutiable property;
Note—
See chapter 2, part 8 (Dutiable transactions relating to trusts), division 3 (Creation and termination of trusts).
 - (i) a trust acquisition or trust surrender.

Note—

See chapter 2, part 8 (Dutiable transactions relating to trusts), division 4 (Some basic concepts about trust acquisitions and trust surrenders).

- (2) It does not matter whether a dutiable transaction—
 - (a) is effected by an instrument or another way; or
 - (b) involves 1 or more parties.
- (3) Subsection (1) has effect subject to sections 21, 29 and 37.

Note—

Under section 21, the commissioner must decide the applicable dutiable transaction for imposition of duty if a transaction constitutes more than 1 type of dutiable transaction mentioned in subsection (1).

Also, for when transactions for particular dutiable property are not dutiable transactions, see sections 29 and 37.

- (4) Without limiting subsection (1)(d), property is vested under statute law if the law vests property in an entity that the law states is the successor in law of, continuation of or same entity as, the entity in which the property was previously vested.
- (5) However, property is not vested under statute law, on the registration of a company under the Corporations Act, chapter 5B, part 5B.1.

10 What is *dutiable property*

- (1) Each of the following is *dutiable property*—
 - (a) land in Queensland;
 - (b) a transferable site area;
 - (c) an existing right;
 - (d) a Queensland business asset;
 - (e) a chattel in Queensland.

Note—

Section 498 includes provision about references to dutiable property.

- (2) A reference to property in subsection (1) includes a reference to an interest in the property, other than the following—

- (a) a security interest;
- (b) a partner's interest in the partnership;
- (c) a trust interest;
- (d) the interest of a discretionary object of a trust that holds property mentioned in the subsection.

Note—

See the *Acts Interpretation Act 1954*, schedule 1, definition *interest*.

11 What is the ***dutiable value*** of a dutiable transaction

- (1) The ***dutiable value*** of a statutory dutiable transaction is the amount payable for the transaction.
- (2) The ***dutiable value*** of a dutiable transaction that is a partition is determined under section 31.
- (3) The ***dutiable value*** of a dutiable transaction that is the surrender of a lease of land in Queensland is the total of any premium, fine or other consideration payable for the surrender.
- (4) The ***dutiable value*** of a dutiable transaction that is the acquisition of a new right that is a lease of land in Queensland is the total of any of the following amounts payable for the lease—
 - (a) premiums, fines or other consideration payable for the grant of the lease;
 - (b) consideration paid for, or the value of, any moveable chattels taken over by the lessee from the lessor or outgoing lessee;
 - (c) if, on the leased premises, a business is to be carried on and an amount in excess of what would be the rent if a business was not carried on is charged for the lease—the excess amount.
- (5) The ***dutiable value*** of a dutiable transaction that is a partnership acquisition is determined under part 7, division 3.

-
- (6) The *dutiable value* of a dutiable transaction that is a trust acquisition or trust surrender is determined under part 8, division 5.
 - (6A) The *dutiable value* of a dutiable transaction that is an agreement for the transfer of dutiable property that is a farm-in agreement is determined under part 8A.
 - (7) Subject to section 48, the *dutiable value* of another dutiable transaction is—
 - (a) the consideration for the dutiable transaction; or
 - (b) the unencumbered value of the dutiable property or new right the subject of the transaction if—
 - (i) there is no consideration for the transaction; or
 - (ii) the consideration can not be ascertained when the liability for transfer duty arises; or
 - (iii) the unencumbered value is greater than the consideration for the transaction.
 - (8) However, the dutiable value of particular dutiable transactions is subject to apportionment under part 4.

11A References to consideration

To remove any doubt, it is declared that a reference to consideration is not limited to monetary consideration.

12 Consideration for dutiable transactions—general

- (1) The consideration for a dutiable transaction includes—
 - (a) the amount of any liabilities assumed under the transaction, including an obligation, whether contingent or otherwise, to pay any unpaid purchase money payable under an agreement for the transfer of dutiable property; and
 - (b) the amount or value of any debt to the extent it is released or extinguished under the transaction.

- (2) If the consideration, or any part of the consideration, for a dutiable transaction on which duty is imposed consists of an amount payable periodically and the total amount, including any interest, to be paid can be ascertained, the consideration or part of the consideration is the total amount.

Note—

For other provisions relevant to consideration, see sections 501 to 503.

13 Consideration for dutiable transaction—transfer by way of security

The consideration for the transfer by way of security of dutiable property that is land is an amount equal to the unencumbered value of the dutiable property when the liability for transfer duty arises.

14 What is the *unencumbered value* of property

- (1) The *unencumbered value* of property is the value of the property determined without regard to—
- (a) any encumbrance to which the property is subject, whether contingently or otherwise; or
 - (b) any arrangement—
 - (i) the parties to which are not dealing with each other at arm's length; and
 - (ii) that results in the reduction of the value of the property; or
 - (c) any arrangement for which a significant purpose of any party to the arrangement was, in the commissioner's opinion, the reduction of the value of the property.

Example for paragraph (c)—

A owns land that B wishes to purchase. The land is valued at \$1m. Before the purchase, A grants B a 50 year lease of the land. B is not required to pay any rent under the lease. A and B then enter into an agreement to transfer the land for \$50,000, being the value of A's interest in the land taking into account that it is subject to the lease to B.

The unencumbered value of the land is determined without regard to the grant of the lease if the commissioner is of the opinion there is an arrangement under which A or B's significant purpose in entering into it was to reduce the value of the land.

- (2) Also, the ***unencumbered value*** of property held on trust or by a partnership must be determined without regard to the liabilities of the trust or partnership, including for a trust, the liability to indemnify the trustee.
- (3) The ***unencumbered value*** of property that is the goodwill of a business includes the value of any restraint of trade arrangement entered into by the transferor or a related person of the transferor to protect the value of the goodwill acquired by the transferee.
- (4) If, before a dutiable transaction mentioned in section 9(1)(a), (b) or (d) for which the dutiable property is land, improvements are made to the land at the transferee's expense, the unencumbered value of the land must be determined as if the improvements had not been made.

Note—

For provisions about the aggregate minimum value of the shares comprising all of the issued capital of a corporation or society and the unencumbered value of each of the shares, see section 504.

15 When unencumbered value of property is determined

The unencumbered value of dutiable property is determined—

- (a) for a dutiable transaction that is the surrender of the property—immediately before the surrender; or
- (b) for another dutiable transaction—when the liability for transfer duty arises.

Part 3 Liability for transfer duty

16 When liability for transfer duty arises

A liability for transfer duty imposed on a dutiable transaction in schedule 2, column 1, arises at the time stated opposite the transaction in schedule 2, column 2.

Note—

In relation to a dutiable transaction that is an ELN transfer or ELN lodgement, see also sections 156H and 156K.

17 Who is liable to pay transfer duty

- (1) Transfer duty imposed on a statutory dutiable transaction must be paid by the statutory entity under the transaction.
- (2) Transfer duty imposed on another dutiable transaction must be paid by the parties to the transaction.

18 Need for instrument, ELN transaction document or statement

If a dutiable transaction is not effected or evidenced by an instrument or ELN transaction document, the parties liable to pay transfer duty on the transaction must make a statement in the approved form (a *transfer duty statement*) within the time stated in section 19 for lodging the statement.

Maximum penalty—40 penalty units.

19 Lodging instrument, ELN transaction document or statement

- (1) The statutory entity under a statutory dutiable transaction must lodge—
 - (a) the instrument or ELN transaction document that effects or evidences the transaction; or
 - (b) the transfer duty statement for the transaction.

-
- (2) The statutory entity must comply with subsection (1)—
 - (a) within 60 days after the liability arises to pay transfer duty on the transaction; or
 - (b) if the amount payable for the transaction is to be decided by a court or tribunal—within 14 days after the amount is decided.
 - (3) The parties liable to pay transfer duty relating to another dutiable transaction must, within 30 days after the liability arises, lodge—
 - (a) the instrument or ELN transaction document that effects or evidences the transaction or transfer duty statement for the transaction; and
 - (b) an approved form for the transaction.

20 Effect of making or lodging instrument, ELN transaction document or statement by 1 party

The making of a transfer duty statement, or the lodging under section 19 of an instrument, ELN transaction document or transfer duty statement, by 1 of the parties to the dutiable transaction relieves the other parties to the transaction from complying with the requirement to make the statement under section 18 or lodge the instrument, ELN transaction document or transfer duty statement under section 19.

21 No double duty—general

- (1) If a transaction for property constitutes more than 1 dutiable transaction for the property and imposition of transfer duty on all of the dutiable transactions for the property would result in transfer duty being imposed more than once on the transaction, the commissioner must decide the dutiable transaction on which transfer duty is imposed.

Notes—

- 1 For objections and appeals against assessments of duty, see the Administration Act, part 6.

2 For a dutiable transaction that is an ELN transfer or ELN lodgement, see also part 15, division 2.

- (2) For subsection (1), the commissioner must decide the dutiable transaction that is the most applicable dutiable transaction having regard to the provisions of this chapter and the primary purpose of the transaction.

22 No double duty—particular dutiable transactions

- (1) If transfer duty is imposed on a dutiable transaction for periodical payments of consideration, no duty is imposed under this Act on any agreement securing the periodical payments.
- (2) If transfer duty imposed on a dutiable transaction that is an agreement for the transfer of dutiable property is paid, no transfer duty is imposed on the transfer of the property to the transferee under the agreement.

Note—

For a dutiable transaction that is an ELN transfer or ELN lodgement, see also part 15, division 2.

- (2A) Also, if a payment commitment is made for a dutiable transaction that is an agreement for the transfer of dutiable property, no transfer duty is imposed on an ELN transfer of the dutiable property to the transferee under the agreement.

Notes—

- 1 For a dutiable transaction that is an ELN transfer, see also part 15, division 2.
- 2 See part 15, division 3 in relation to the making of a payment commitment for an agreement for the transfer of dutiable property.
- (3) If the commissioner is satisfied—
- (a) a person (the **agent**) is appointed in writing as an agent for another person (the **principal**); and
- (b) under the appointment, the agent enters into a dutiable transaction that is an agreement for the transfer of dutiable property from a person (the **original**

transferor) to the agent on behalf of the principal (the *agreement*); and

- (c) the principal provided all the consideration, including any deposit paid; and
- (d) transfer duty imposed on the agreement is paid; and
- (e) the dutiable property is later transferred to the principal by the original transferor or the agent (the *agency transfer*);

no transfer duty is imposed on the agency transfer or the trust acquisition or trust surrender by the principal because of the agreement or agency transfer.

- (4) For subsection (3)(a), the commissioner must not be satisfied the person was properly appointed as agent unless the original instrument of appointment, or a copy of it, is lodged.

- (5) If—

- (a) there is an agreement for the transfer of dutiable property (the *first agreement*); and
- (b) after the first agreement takes place, 1 or more agreements to transfer all or part of the dutiable property the subject of the first agreement takes place (the *intervening agreements*); and
- (c) to give effect to the first agreement and the intervening agreements, 1 or more transfers of dutiable property (the *transfers*) are effected by 1 or more parties to the first agreement and the intervening agreements; and
- (d) transfer duty imposed on the first agreement and the intervening agreements is paid;

no transfer duty is imposed on the transfers.

Example for subsection (5)—

On 1 July, under an agreement for transfer, A agrees to sell land in Queensland to B for \$100,000. Settlement is to take place on 31 July. On 7 July, under an agreement for transfer, B agrees to sell the land to C for \$120,000. Again, settlement is to take place on 31 July. Before 31 July, B directs A, that at settlement, A transfer the land to C.

The agreement between A and B is the first agreement. The agreement between B and C is the intervening agreement. No transfer duty is imposed on the transfer from A to C if transfer duty on the first and intervening agreements has been paid.

23 When credit to be allowed for duty paid

- (1) If section 14(1)(c) is applied to determine the value of land because of a lease or occupancy right, in assessing the transfer duty payable for the dutiable transaction that is the transfer, or agreement for the transfer, of the land, a credit must be allowed for any lease duty paid under repealed chapter 4 for the lease or right.
- (2) Subsection (3) applies if—
 - (a) transfer duty is paid on a dutiable transaction that is an option to acquire dutiable property (the *first transaction*); and
 - (b) on the exercise of the option, transfer duty is payable on the dutiable transaction for the acquisition of the dutiable property (the *later transaction*); and
 - (c) under the option, the consideration paid for the option is part of the consideration for the later transaction.
- (3) In assessing the transfer duty on the later transaction, a credit must be allowed for the transfer duty paid for the first transaction.
- (4) In this section—

repealed chapter 4 means chapter 4 (Lease duty) as it was in force from time to time before its repeal by the *Revenue Legislation Amendment Act 2005*.

24 Rates of transfer duty

- (1) The rate of transfer duty imposed on a dutiable transaction that is the transfer, or an agreement for the transfer, of an existing right of a holder of the following is \$5—

- (a) a mortgage, including the debt secured by the mortgage, that is solely over land in Queensland;
 - (b) another mortgage, including the debt secured by the mortgage, that is incidental to, and transferred in connection with, a mortgage mentioned in paragraph (a) (a *primary mortgage*) if the primary mortgage is the principal security held by the transferor.
- (2) The rate of transfer duty imposed on another dutiable transaction is stated in schedule 3, column 2, opposite the dutiable value of the transaction in schedule 3, column 1.

25 Payment of transfer duty for deeds of grant and particular freeholding leases

- (1) This section applies if transfer duty is imposed on a dutiable transaction that is—
- (a) a grant of land in fee simple under the *Land Act 1994*; or
 - (b) an acquisition of a new right that is a post-Wolfe freeholding lease under the *Land Act 1994*.
- (2) Within 30 days after the liability for the duty arises, the grantee or lessee must pay the duty to the chief executive of the department in which the *Land Act 1994* is administered.

Part 4 Apportionment of consideration or unencumbered value for particular dutiable transactions

26 Apportionment—head office or principal place of business in Queensland

- (1) This section applies for determining the consideration for a dutiable transaction for or relating to, or the unencumbered value of, dutiable property that is a Queensland business asset, other than a debt or personal property, of a Queensland

business that has its head office or principal place of business in Queensland if, at any time during the 3 financial years preceding the dutiable transaction concerned—

- (a) a supply of land, money, credit or goods or any interest in them, or provision of services, has been made by the business to customers outside Queensland; or
 - (b) the asset has been used, exploited or exercised in, or relates to, a place outside Queensland.
- (2) A reference in this chapter to consideration for the transaction or the unencumbered value of the property is taken to be a reference to the amount (the *apportioned amount*) worked out using the following formula—

$$AA = CUV \times \frac{(TS - OS)}{TS}$$

where—

AA means the apportioned amount.

CUV means the consideration for the dutiable transaction or unencumbered value of the Queensland business asset mentioned in subsection (1).

OS means the gross amount of the supplies and provision of services made by the business to its customers in other States during the 3 completed financial years preceding the dutiable transaction.

TS means the gross amount of supplies and provision of services made by the business to all its customers during the 3 completed financial years preceding the dutiable transaction.

- (3) However, the commissioner may decide the consideration for the dutiable transaction or the unencumbered value of the dutiable property on another basis if the commissioner is satisfied the other basis would be more appropriate in particular circumstances.

27 Apportionment—head office or principal place of business in another State

- (1) This section applies for determining the consideration for a dutiable transaction for or relating to, or the unencumbered value of, dutiable property that is a Queensland business asset, other than a debt or personal property, of a Queensland business that does not have its head office or principal place of business in Queensland if, at any time during the 3 financial years preceding the dutiable transaction concerned—
- (a) a supply of land, money, credit or goods or any interest in them, or provision of services, has been made by the business to customers in Queensland; or
 - (b) the asset has been used, exploited or exercised in, or relates to, Queensland.
- (2) A reference in this chapter to consideration for the transaction or the unencumbered value of the property is taken to be a reference to the amount (the *apportioned amount*) worked out using the following formula—

$$AA = CUV \times \frac{QS}{TS}$$

where—

AA means the apportioned amount.

CUV means the consideration for the dutiable transaction or unencumbered value of the Queensland business asset mentioned in subsection (1).

QS means the gross amount of the supplies and provision of services made by the business to its Queensland customers during the 3 completed financial years preceding the dutiable transaction.

TS means the gross amount of supplies and provision of services made by the business to all its customers during the 3 completed financial years preceding the dutiable transaction.

- (3) However, the commissioner may decide the consideration for the dutiable transaction or the unencumbered value of the

dutiable property on another basis if the commissioner is satisfied the other basis would be more appropriate in particular circumstances.

28 Apportionment of particular dutiable transactions relating to existing and new rights

- (1) This section applies for determining—
 - (a) the consideration for a dutiable transaction for or relating to an existing right or acquisition of a new right on its creation, grant or issue if the right is exercisable or relates to the conduct of a business or activity outside Queensland; or
 - (b) the unencumbered value of dutiable property that is an existing right if the right is exercisable or relates to the conduct of a business or activity outside Queensland; or
 - (c) the unencumbered value of a new right on its creation, grant or issue if the right is exercisable or relates to the conduct of a business or activity outside Queensland.
- (2) A reference in this chapter to consideration for the transaction or the unencumbered value of the right is taken to be a reference to the amount that represents the same proportion of the consideration or unencumbered value that the unencumbered value of the right, to the extent it is exercisable or relates to the conduct of a business or activity in Queensland, bears to the total unencumbered value of the right.
- (3) However, the commissioner may decide the consideration for the dutiable transaction or the unencumbered value of the right on another basis if the commissioner is satisfied the other basis would be more appropriate in particular circumstances.

Part 5

Dutiable transactions relating to dutiable property

29 When transaction for chattel is not dutiable transaction

- (1) If a chattel in Queensland is the subject of a transaction, the transaction is not a dutiable transaction unless—
 - (a) another type of dutiable property is the subject of the same transaction; or
 - (b) under section 30, it is aggregated with a dutiable transaction that is not for a chattel.
- (2) For subsection (1)(b), section 30 applies as if the transaction were a dutiable transaction.

30 Aggregation of dutiable transactions

- (1) This section applies to dutiable transactions that together form, evidence, give effect to or arise from what is, substantially 1 arrangement.
- (2) For assessing transfer duty on each of the dutiable transactions, the transactions must be aggregated and treated as a single dutiable transaction.

Example for subsection (2)—

A conducts a business of manufacturing bullbars. A agrees to sell the business to B as a going concern for \$50,000,000. The property included in the agreement comprises land, plant and equipment, goodwill and the business name.

The land is dutiable property being land in Queensland and each of the other assets are dutiable property being Queensland business assets.

The agreement, so far as it relates to the sale of the land, is a dutiable transaction being an agreement to transfer land in Queensland and, so far as it relates to the agreement to sell each of the business assets, is a dutiable transaction being an agreement to transfer dutiable property that is a Queensland business asset. Accordingly, there are 4 dutiable transactions under the agreement.

Because the dutiable transactions together form 1 arrangement, they must be aggregated under this section for imposing transfer duty.

- (3) For subsection (1), all relevant circumstances relating to the dutiable transactions must be taken into account in deciding whether they together form, evidence, give effect to or arise from what is, substantially 1 arrangement.
- (4) For subsection (3), relevant circumstances include the following—
 - (a) whether the transactions are contained in 1 instrument;
 - (b) whether any of the transactions are conditional on entry into, or completion of, any of the other transactions;
 - (c) whether the parties to any of the transactions are the same;
 - (d) whether any party to a transaction is a related person of another party to any of the other transactions;
 - (e) the time over which the transactions take place;
 - (f) whether, before the transactions take place, the dutiable property the subject of the transactions was used together, or dependently with one another, by the transferor or transferors;
 - (g) whether, after the transactions take place, the dutiable property the subject of the transactions will be used together, or dependently with one another, by the transferee or transferees.
- (5) Transfer duty imposed on the dutiable transaction aggregated under this section must—
 - (a) be assessed on the total of the dutiable values of the transactions when the liability for transfer duty for each of the transactions arose; and
 - (b) be apportioned between the transactions as decided by the commissioner.

Example for subsection (5)—

Under 4 agreements between a builder and a developer, the builder agrees to purchase 4 lots of land from the developer for \$100,000 each. The lots are dutiable property being land in Queensland and each of the agreements is a dutiable transaction being an agreement to transfer land in Queensland.

Even though the sale of the 4 lots was negotiated at the same time, the agreements were signed on different dates over a 10 month period, had different settlement dates and were not conditional on each other.

Under section 24 (Rates of transfer duty) and schedule 3 (Rates of duty on dutiable transactions and relevant acquisitions for landholder and corporate trustee duty), the agreements for lots 1 to 3 have been separately stamped for \$2,350 transfer duty. When the agreement for lot 4 is lodged for stamping, the commissioner decides this section applies because the transactions together formed 1 arrangement.

Accordingly, the transactions must be aggregated under this section for imposing transfer duty and the duty apportioned between them.

Under subsection (5)(a), the total of the dutiable values of the dutiable transactions on which transfer duty is imposed is \$400,000, being the value of each of the lots when the liability for transfer duty arose for each of the transactions, regardless of a variation in the values since the liability arose.

Under section 24 and schedule 3, transfer duty imposed on the aggregated transaction is \$12,475.

If the commissioner decides to apportion the transfer duty equally between the dutiable transactions, the amount of transfer duty payable is \$3,118.75 for each transaction.

Under the Administration Act, part 3, the commissioner will make a reassessment for the transactions for lots 1 to 3. The assessment notice must state the matters mentioned in section 26(2) of that Act.

- (6) Each party to each of the dutiable transactions must, when lodging the instrument, ELN transaction document or transfer duty statement relating to the transaction, give notice to the commissioner stating details known to the party about—
- (a) all of the dutiable property included or to be included in the arrangement mentioned in subsection (1); and
 - (b) the dutiable value of each dutiable transaction.

Note—

Under the Administration Act, the requirement under this subsection is a lodgement requirement for which a failure to comply is an offence under section 121 of that Act.

- (7) This section does not apply to a dutiable transaction to the extent that it relates to an exchange of dutiable property.

31 Partitions

- (1) This section applies to a dutiable transaction under which the following happens (the *partition*)—
 - (a) dutiable property held by persons jointly as joint tenants or tenants in common (each a *co-owner*) is transferred, or agreed to be transferred, to 1 or more of the co-owners;
 - (b) the dutiable property transferred, or agreed to be transferred, includes the interest held by the transferee in the property immediately before the transaction.
- (2) The dutiable value of the dutiable transaction is the greater of the following—
 - (a) the amount by which the unencumbered value of the dutiable property transferred, or agreed to be transferred, is more than the unencumbered value of the interest held by the transferee in the property immediately before the transaction;
 - (b) the consideration paid by any party to the transaction.
- (3) This section does not apply to a transaction if section 48 applies to the transaction.

32 Transfer by way of security—land

- (1) This section applies if the commissioner is satisfied—
 - (a) there has been a dutiable transaction that is a transfer of dutiable property by way of security (the *original transfer*); and
 - (b) the property is land; and
 - (c) transfer duty has been paid on the transaction; and
 - (d) the property has been retransferred to the person who transferred it by way of security (the *retransfer*) or has been transferred to a person to whom the property has been transmitted by death or bankruptcy (also the *retransfer*).

- (2) The commissioner must make a reassessment of transfer duty paid on the original transfer to reduce the duty to the amount that would have been payable if the amount secured by the transfer had been secured by a mortgage for which mortgage duty were imposed.
- (3) Transfer duty is not imposed on the dutiable transaction that is the retransfer.
- (4) Subsection (2) applies to the reassessment despite the limitation period under the Administration Act for reassessments.

Note—

See the Administration Act, part 3 (Assessments of tax), division 3 (Reassessments).

33 Transfer by way of security—other dutiable property

- (1) Transfer duty is not imposed on a dutiable transaction if—
 - (a) the transaction is a transfer of dutiable property by way of security; and
 - (b) the property is not land.
- (2) Subsection (3) applies if—
 - (a) after the transfer by way of security, the transferee, or the transferee's assignee, acquires ownership of the dutiable property free from any interest of the transferor, or transferor's assignee; and
 - (b) the transferee, or the transferee's assignee, were to newly acquire the dutiable property at the time of the acquisition mentioned in paragraph (a), the acquisition would be a dutiable transaction.
- (3) The acquisition of the ownership of the dutiable property by the transferee is taken to be a dutiable transaction and transfer duty imposed on the transaction must be reduced by the amount of mortgage duty, if any, paid on the transfer.

Part 6 **Special provisions about dutiable transactions relating to Queensland business assets**

Division 1 **Some basic concepts about Queensland businesses and their assets**

34 **What is a *Queensland business asset***

A *Queensland business asset* is a business asset of a Queensland business.

35 **What is a *business asset***

- (1) Each of the following is a *business asset*—
 - (a) goodwill;
 - (b) a statutory business licence used for carrying on a business;
 - (c) a right to use a statutory business licence used for carrying on a business;
 - (d) the business name used for carrying on a business;
 - (e) a right under a franchise arrangement used for carrying on a business;
 - (f) a debt of a business if the debtor resides in Queensland;
 - (g) a supply right of a business;
 - (h) intellectual property used for carrying on a business;
 - (i) personal property in Queensland of a business.
- (2) For subsection (1)—
 - (a) a business asset mentioned in subsection (1)(b) that is issued or given under—

- (i) a Queensland Act is used for carrying on a business; or
 - (ii) a Commonwealth Act is used for carrying on a business if it is used, exploited or exercised in Queensland; and
- (b) another business asset is used for carrying on a business if it is used, exploited or exercised in Queensland.

36 What is a *Queensland business*

A *Queensland business* is a business—

- (a) that is conducted on or from a place in Queensland; or
- (b) the conduct of which consists wholly or partly of supplying land, money, credit or goods or any interest in them, or providing any service, to Queensland customers; or
- (c) that has ceased but satisfied paragraph (a) or (b) at any time in the 1 year before a dutiable transaction that is the transfer, or agreement for the transfer, of an asset of the business.

Example for paragraph (c)—

A business conducted from a place in Queensland goes into liquidation. Three months after the business stops trading, the liquidator transfers business assets of the business. For determining whether the transfer of the business assets is a dutiable transaction, the business is a Queensland business because paragraph (a) was satisfied in the 1 year before the transfer.

Division 2 Transactions for particular assets of Queensland businesses

37 When transaction for particular Queensland business assets not dutiable transaction

- (1) If a debt of a business that is evidenced by a negotiable instrument is the subject of a transaction, the transaction is not a dutiable transaction unless—
 - (a) another type of dutiable property is the subject of the same transaction or, under section 30, it is aggregated with a dutiable transaction; or
 - (b) under the transaction, the negotiable instrument is or is to be transferred with all, or substantially all, of the negotiable instruments of the business.
- (2) If a supply right of a business is the subject of a transaction, the transaction is not a dutiable transaction unless—
 - (a) another type of dutiable property is the subject of the same transaction or, under section 30, it is aggregated with a dutiable transaction; or
 - (b) under the transaction, the supply right is or is to be transferred with all, or substantially all, of the supply rights of the business.
- (3) If intellectual or personal property of a business is the subject of a transaction, the transaction is not a dutiable transaction unless, under section 30, it is aggregated with 1 or more of the following—
 - (a) a dutiable transaction for a Queensland business asset, other than intellectual or personal property;
 - (b) a dutiable transaction for land in Queensland.
- (4) For subsections (1)(a), (2)(a) and (3), section 30 applies as if the transaction were a dutiable transaction.

38 When consignment of trading stock of Queensland business is a dutiable transaction

- (1) This section applies if—
 - (a) the owner of a Queensland business transfers or agrees to transfer a Queensland business asset, other than trading stock of the business, to a person (the *new owner*); and
 - (b) the owner places all or most of the trading stock on consignment for sale by a person, whether or not the new owner, (the *consignee*) in the conduct of the business by the new owner; and
 - (c) having regard to the terms of the consignment it is reasonable to conclude that the consignment is, or is part of, an arrangement to avoid transfer duty.
- (2) Without limiting subsection (1)(c), the terms of the consignment include the following—
 - (a) the amount payable to the owner by the consignee and the terms of payment;
 - (b) the price ultimately payable to the owner for the trading stock and the way in which it is worked out;
 - (c) the basis of working out the consignee's commission;
 - (d) the right of the consignee to mix the trading stock with other property not owned by the owner;
 - (e) the right of the consignee to deal with the trading stock as if it were the consignee's or other than as agent of the owner.
- (3) The placing of the trading stock on consignment is taken to be a transfer of the stock.

Note—

Accordingly, the transfer is a dutiable transaction being the transfer of a Queensland business asset because trading stock is a business asset being personal property.

39 Surrender of Queensland business asset so replacement asset may be granted

- (1) This section applies if a Queensland business asset is surrendered by a person (the *owner*) so that a similar business asset may be granted, issued, given to or obtained by another person.
- (2) For imposing transfer duty—
 - (a) the surrender is taken to be a transfer of the business asset by the owner to the other person when the similar business asset is granted, issued, given or obtained; and
 - (b) the owner and other person are the parties to the dutiable transaction that is the transfer of the business asset.

Part 7 Dutiable transactions relating to partnerships

Division 1 Preliminary

40 Interpretation for property held by partnership or trust

A reference to a partnership or trust holding property is a reference to the holding of the property by the partners for the partnership or trustees on trust.

Division 2 Some basic concepts about partnership acquisitions

41 What is a *partnership acquisition*

A person makes a *partnership acquisition* if the person acquires a partnership interest in a partnership that—

- (a) holds dutiable property; or
- (b) has an indirect interest in dutiable property.

Note—

Section 498 includes provision about references to dutiable property.

42 What is a partner's *partnership interest*

- (1) A partner's *partnership interest* is—
- (a) if the partner has a variable partnership entitlement under subsection (2)—the proportion that the value of the partner's entitlements as a partner bears to the value of the entitlements of all partners in the partnership expressed as a percentage; or
 - (b) if the partner is entitled only to share in the profits of the partnership and has given or is required to give consideration, or has made or is required to make a contribution to the capital of the partnership, for the acquisition of the profit-sharing right—the partner's profit-sharing percentage; or
 - (c) if paragraph (a) or (b) does not apply—the greater of the following—
 - (i) the percentage of the capital of the partnership the partner has contributed or is obliged to contribute;
 - (ii) the percentage of the losses of the partnership the partner is required to bear.
- (2) For subsection (1)(a), a partner has a variable partnership entitlement in a partnership if, in the ordinary course of determining the partner's entitlement to share in the profits or obligation to contribute to the capital or losses of the partnership, the entitlement or obligation varies or may vary from time to time.

43 What is a partnership's *indirect interest* in dutiable property

A partnership has an *indirect interest* in dutiable property if—

- (a) through a partnership interest or trust interest there is a connection between the partnership and dutiable property of the other partnership or trust; or
- (b) through a series of partnership interests or trust interests, or a combination of any of them, there is a connection between the partnership and dutiable property of a partnership or trust in the series.

44 Acquiring a partnership interest

- (1) A person acquires a partnership interest if a partnership is formed or the person's partnership interest increases.
- (2) Without limiting subsection (1)—
 - (a) a partnership may be formed on—
 - (i) a change in the membership of a partnership; or
 - (ii) the merger of 2 or more partnerships; or
 - (b) a person's partnership interest may increase—
 - (i) under the terms of a partnership agreement; or
 - (ii) on the retirement of a partner from a partnership; or
 - (iii) on a change in the terms of a partnership agreement effecting a change in the interests of the partners.
- (3) However, a partner's variable partnership entitlement under section 42 does not increase if—
 - (a) the partner's entitlement to share in the profits or obligation to contribute to the capital or losses of the partnership increases merely because of the partner's performance as a partner; and
 - (b) there is no arrangement stating—
 - (i) the extent of the future variation to the partner's entitlement or obligation; or
 - (ii) the consideration for the variation.

Division 3 Dutiable value of partnership acquisitions

45 What is the dutiable value of a partnership acquisition

The dutiable value of a partnership acquisition is the greater of the following—

- (a) the consideration for the acquisition so far as the consideration relates to dutiable property, or an indirect interest in dutiable property, held by the partnership;
- (b) the value of the acquisition worked out under section 46 or 47.

46 What is the value of a partnership acquisition—general

- (1) Subject to subsections (5) and (6), the value of a partnership acquisition is the total of the amounts worked out by applying the partner's partnership interest to the unencumbered value, when the liability for transfer duty arises, of—
 - (a) the dutiable property held by the partnership (the *relevant partnership*); and
 - (b) any indirect interest in dutiable property held by the relevant partnership.
- (2) For subsection (1)(b), the unencumbered value of an indirect interest under section 43(a) of the relevant partnership is the amount worked out by applying to the unencumbered value of the dutiable property held by the entity in which the relevant partnership has a partnership or trust interest, the partnership or trust interest of the relevant partnership in that entity.
- (3) For subsection (1)(b), the unencumbered value of an indirect interest under section 43(b) of the relevant partnership is the amount worked out by—
 - (a) first applying to the unencumbered value of the dutiable property held by the ultimate entity, the partnership or trust interest of the partnership or trust (the *last partner*

- or beneficiary*) that is a partner or beneficiary of the ultimate entity; and
- (b) applying to the amount worked out under paragraph (a), and the unencumbered value of any dutiable property held by the last partner or beneficiary, the partnership or trust interest of the next partnership or trust in the series of partnerships or trusts that is a partner or beneficiary of the last partner or beneficiary; and
 - (c) applying the calculation in paragraph (b) for each of the other partnerships or trusts in the series until the first entity's partnership interest or trust interest is used in the calculation; and
 - (d) applying to the amount last worked out under paragraph (c) and the unencumbered value of any dutiable property held by the first entity, the partnership or trust interest of the relevant partnership.
- (4) Schedule 4 contains an example of how the value of a partnership acquisition is worked out.
- (5) For determining the value of a new partner's partnership acquisition on formation of a partnership, the value of any dutiable property the partner contributed to the partnership on its formation must be disregarded.
- (5A) For subsection (5), a person is a new partner only if—
- (a) the person was not in partnership with any partners of the partnership immediately before its formation; or
 - (b) on the person's partnership acquisition, the person becomes a partner in an additional partnership to a partnership in which the person is a partner with any partners of the additional partnership immediately before its formation.
- (5B) However, subsection (5A)(b) does not apply to a person who makes a partnership acquisition in a partnership that was formed because of a change in the membership of the partners of another partnership (the *old partnership*) if the person had a partnership interest in the old partnership.

- (6) For determining the value of a partner's partnership acquisition that is an increase in the partner's partnership interest, the partner's partnership interest is taken to be the increase in the partner's partnership interest.

47 What is the value of a partnership acquisition—merger of 2 or more partnerships

- (1) This section applies if—
- (a) a person (the *partner*) first makes a partnership acquisition (the *new partnership acquisition*) on the merger of 2 or more partnerships; and
 - (b) the person had a partnership interest (the *old partnership interest*) in 1 of the merging partnerships; and
 - (c) the partner were to make a partnership acquisition for the old partnership interest immediately before the merger, the value of the partnership acquisition would include all or part of the unencumbered value of dutiable property (the *continuing property*) that becomes dutiable property of the merged partnership.
- (2) The value of the new partnership acquisition must be reduced by the lesser of—
- (a) the amount that would be the value of the new partnership acquisition if the dutiable property of the merged partnership comprised only the continuing property; or
 - (b) the amount that represents the value of the partner's partnership acquisition for the old partnership interest mentioned in subsection (1)(c) immediately before the merger worked out as if the dutiable property of the former partnership comprised only the continuing property.

Example for working out dutiable value under this section—

X is a 30% partner in the XYZ partnership that has dutiable property of \$10m. The XYZ partnership merges with another partnership, to form a new partnership (the merged partnership). X has a 40% partnership

interest in the merged partnership. The merged partnership has dutiable property with an unencumbered value of \$12m, including \$2m of the dutiable property of the XYZ partnership (the continuing property).

The value of X's new partnership acquisition is worked out as follows—

Example—

- 1 The value of X's interest in the merged partnership is \$4.8m, being 40% (X's partnership interest in the merged partnership) of \$12m (the unencumbered value of the merged partnership's dutiable property).
- 2 The reduction under subsection (2)(a) is \$800,000, being 40% (X's partnership interest in the merged partnership) of \$2m (the continuing property).
- 3 The reduction under subsection (2)(b) is \$600,000, being 30% (X's partnership interest in the XYZ partnership) of \$2m (the continuing property).

The value of X's partnership acquisition is \$4.2m, being \$4.8m less \$600,000 which is the lesser of the amounts worked out under subsection (2).

Division 4 Dutiable value of other dutiable transactions for dutiable property of partnership

48 Dutiable value of dutiable transaction reduced for transfer of dutiable property to partner on retirement or dissolution

- (1) This section applies if, on a person (the *retiring partner*) ceasing to be a partner in a partnership because of the retiring partner's retirement from the partnership or its dissolution, dutiable property of the partnership is transferred or agreed to be transferred to the retiring partner.
- (2) The dutiable value of the dutiable transaction for the transfer, or agreement for the transfer, of the dutiable property to the retiring partner must be reduced by an amount worked out by applying the retiring partner's partnership interest in the partnership to the unencumbered value of the dutiable property immediately before the retirement or dissolution.

Example for subsection (2)—

A, B and C are in partnership in equal shares. B had a one-third partnership interest immediately before retiring. On B ceasing to be a partner, A and C transfer land to B. The dutiable value of the land acquired by B will be reduced by one-third.

Part 8 Dutiable transactions relating to trusts

Division 1 Preliminary

49 Application of pt 8

- (1) This part applies to all expressly or intentionally created trusts, regardless of how they are created.
- (2) However, this part does not apply to a trust acquisition or trust surrender of a trust interest in a public unit trust other than a majority trust acquisition in a land holding trust.

Notes—

- 1 For subsection (2), see division 7 (Public unit trusts), subdivisions 7 (Majority trust acquisitions in land holding trusts) and 8 (Indirect trust interests).
- 2 An acquisition of an interest in a listed unit trust that is a landholder may be dutiable under chapter 3, part 1 (Landholder duty).

50 Joint trustees

If a trust has 2 or more trustees, the trustees are taken to be a single person for this chapter.

Note—

Under section 65, trustees are jointly and severally liable for transfer duty payable.

Division 2 Some basic concepts about property

51 Interpretation for property held by trust or partnership

A reference to a trust or partnership holding property is a reference to the holding of the property by the trustees on trust or the partners for the partnership.

52 Contracted property and trust interests

- (1) For a trust, contracted property is taken to be dutiable property held by the trust.
- (1A) If a trust has made a purchase or sale agreement for a trust interest, the trust is taken to have an indirect interest in the trust-related dutiable property.
- (2) For determining the dutiable value of a trust creation, trust termination, trust acquisition or trust surrender—
 - (a) a sale agreement made by the trustee is taken not to have been made; and
 - (b) a purchase agreement made by the trustee is taken to have been completed.
- (3) Subsection (3A) applies if—
 - (a) contracted property, or an indirect interest in dutiable property mentioned in subsection (1A), is included in determining the dutiable value of a trust creation, trust termination, trust acquisition or trust surrender; and
 - (b) afterwards, the sale agreement for the property or trust interest is completed or the purchase agreement for the property or trust interest is not completed.
- (3A) The commissioner must make a reassessment as if the contracted property or indirect interest were never held by the trust.
- (4) For the reassessment, the parties liable to pay transfer duty on the trust creation, trust termination, trust acquisition or trust

surrender must lodge the instruments required for the original assessment.

(5) In this section—

purchase agreement includes an uncompleted agreement, whether or not conditional, for the acquisition of a trust interest through which the trust would have, if the agreement were completed, an indirect interest in dutiable property (the ***trust-related dutiable property***).

sale agreement includes an uncompleted agreement, whether or not conditional, for the disposal of a trust interest through which the trust has an indirect interest in dutiable property (also the ***trust-related dutiable property***).

Division 3 Creation and termination of trusts

53 Creating trust of dutiable property

- (1) A trust of dutiable property is created if a person, who has acquired property other than as trustee, starts to hold the property as trustee.
- (2) Also, a trust of dutiable property is created if all the following apply—
 - (a) a person holds dutiable property on trust (***trust 1***);
 - (b) the person is also trustee of another trust (***trust 2***);
 - (c) the person ceases to hold the dutiable property as trustee of trust 1 and starts to hold the dutiable property as trustee for trust 2;
 - (d) when the person starts to hold the dutiable property as trustee for trust 2—
 - (i) a person who has a trust interest for the dutiable property under trust 2 did not have a trust interest for that property when it was held for trust 1; or
 - (ii) a person who has a trust interest for the dutiable property under trust 2 had a trust interest for that

property when it was held for trust 1 and that person's trust interest increases.

Note—

Section 498 includes provision about references to dutiable property.

54 Terminating trust of dutiable property

A trust of dutiable property is terminated if a person, having held the property as trustee, starts to hold the property other than as trustee.

Division 4 Some basic concepts about trust acquisitions and trust surrenders

55 What is a *trust acquisition*

A person makes a *trust acquisition* if the person acquires a trust interest in a trust that—

- (a) holds dutiable property; or
- (b) has an indirect interest in dutiable property.

Note—

Under section 81, an indirect trust acquisition in a land holding trust is taken to be a trust acquisition. An indirect trust acquisition is the acquisition of an interest in a land holding trust through 1 or more corporations, partnerships or trusts, or a combination of any of them. See definitions *indirect trust acquisition* and *indirect trust interest* in the dictionary.

56 What is a *trust surrender*

A person makes a *trust surrender* if the person surrenders a trust interest in a trust that holds dutiable property or has an indirect interest in dutiable property.

57 What is a *trust interest*

- (1) A *trust interest* is a person's interest as a beneficiary of a trust, other than a life interest.
- (2) For a trust that is a discretionary trust, only a taker in default of an appointment by the trustee can have a trust interest.
- (3) Also, for a trust that is a superannuation fund, a member of the fund has a trust interest in the fund.

Note—

For exemption from transfer duty for a trust acquisition or surrender of a member's interest in a superannuation fund, see section 119.

58 What is a trust's *indirect interest* in dutiable property

A trust has an *indirect interest* in dutiable property if—

- (a) through a trust interest or partnership interest, there is a connection between the trust and dutiable property of the other trust or partnership; or
- (b) through a series of trust interests or partnership interests, or a combination of any of them, there is a connection between the trust and dutiable property of a trust or partnership in the series.

59 Acquiring a trust interest

- (1) A person acquires a trust interest if—
 - (a) the person becomes a beneficiary of a trust, whether on creation of the trust or otherwise; or
 - (b) being a beneficiary of a trust, the person's trust interest increases, other than because of the surrender of another person's trust interest in the trust for which transfer duty has been paid.
- (2) If a beneficiary's trust interest is subject to a prior life interest, the interest does not increase merely because the life tenant dies or, over time, the extent of the life interest reduces.

60 Beneficiary's trust interest is percentage of or proportionate to property held on trust

- (1) A beneficiary's trust interest is—
 - (a) for a beneficiary who is a taker in default under a discretionary trust—
 - (i) the percentage of the trust income or trust property the beneficiary would receive in default of appointment by the trustee; or
 - (ii) if the beneficiary would receive both trust income and trust property in default of appointment by the trustee, the greater percentage of the trust income or trust property the beneficiary would receive; or
 - (b) for a beneficiary of a trust, other than a discretionary trust, whose entitlement is solely to income of the property held on trust—the proportion that the value of the beneficiary's entitlement bears to the value of the entitlements of all beneficiaries expressed as a percentage; or
 - (c) for another beneficiary—the proportion that the beneficiary's entitlement under the trust bears to the unencumbered value of the property held on trust expressed as a percentage.
- (2) For subsection (1)(c), the beneficiary's entitlement under the trust is—
 - (a) the amount of the unencumbered value of the property held on trust that the beneficiary could receive as a result of the acquisition of the beneficiary's trust interest determined at the time of acquisition of the interest; or
 - (b) the entitlement stated in subsection (3) if—
 - (i) the beneficiary's entitlement under the trust is not subject to a prior life interest; and
 - (ii) the beneficiary's entitlement under the trust may increase, including from nothing, on the fulfilment of any condition, contingency or the exercise or non-exercise of any power or discretion; and

- (iii) the condition, contingency, power or discretion is part of an arrangement a significant purpose of which is to lessen the amount of the beneficiary's entitlement at a particular time.
- (3) For subsection (2)(b), the beneficiary's entitlement under the trust is the maximum interest in the property held on trust that the beneficiary would have on the fulfilment of the condition or contingency or the exercise or non-exercise of the power or discretion.
- (4) For a majority trust acquisition, a reference in this section to a beneficiary's entitlement under the trust includes the entitlement under the trust of related persons of the beneficiary.

61 Who is a *related person*

- (1) A person is a *related person* of another person if—
 - (a) for individuals—they are members of the same family; or
 - (b) for an individual and a corporation—the person or a member of the person's family is a majority shareholder, director or secretary of the corporation or a related body corporate of the corporation, or has an interest of 50% or more in it; or
 - (c) for an individual and a trustee—the person or a related person under another provision of this section is a beneficiary of the trust; or
 - (d) for corporations—they are related bodies corporate; or
 - (e) for a corporation and a trustee—the corporation or a related person under another provision of this section is a beneficiary of the trust; or
 - (f) for trustees—
 - (i) there is a person who is a beneficiary of both trusts; or

- (ii) a person is beneficiary of 1 trust and a related person under another provision of this section is a beneficiary of the other trust.
- (2) Also, a person is a ***related person*** of another person if the persons acquire trust interests in a land holding trust and the acquisitions form, evidence, give effect to or arise from what is substantially 1 arrangement.
- (3) However, a person is not a ***related person*** of another person under subsection (1), other than subsection (1)(d), if the commissioner is satisfied the trust interests of the persons in a land holding trust—
 - (a) were acquired, and will be used, independently; and
 - (b) were not acquired, and will not be used, for a common purpose.

Division 5 Dutiable value of trust acquisitions and trust surrenders

62 What is the dutiable value of a trust acquisition or trust surrender

The dutiable value of a trust acquisition or trust surrender is the greater of the following—

- (a) the consideration for the acquisition or surrender so far as the consideration relates to dutiable property, or an indirect interest in dutiable property, held by the trust;
- (b) the value of the acquisition or surrender worked out under section 63.

63 What is the value of a trust acquisition or trust surrender

- (1) Subject to subsections (6) to (8), the value of a trust acquisition or trust surrender is the total of the amounts worked out by applying the beneficiary's trust interest to the

unencumbered value, when the liability for transfer duty arises, of—

- (a) the dutiable property held by the trust (the *relevant trust*); and
- (b) any indirect interest in dutiable property held by the relevant trust.

Note—

Under section 52(1), dutiable property includes contracted property. Also, under section 52(1A), the relevant trust may be taken to hold an indirect interest in dutiable property through a trust interest that is the subject of a purchase or sale agreement.

- (2) For subsection (1), the beneficiary's trust interest for a trust surrender is the beneficiary's trust interest immediately before the surrender.
- (3) For subsection (1)(b), the unencumbered value of an indirect interest under section 58(a) of the relevant trust is the amount worked out by applying to the unencumbered value of the dutiable property held by the entity in which the relevant trust has a trust or partnership interest, the trust or partnership interest of the relevant trust in that entity.
- (4) For subsection (1)(b), the unencumbered value of an indirect interest under section 58(b) of the relevant trust is the amount worked out by—
 - (a) first applying to the unencumbered value of the dutiable property held by the ultimate entity, the trust or partnership interest of the trust or partnership (the *last beneficiary or partner*) that is a beneficiary or partner of the ultimate entity; and
 - (b) applying to the amount worked out under paragraph (a), and the unencumbered value of any dutiable property held by the last beneficiary or partner, the trust or partnership interest of the next trust or partnership in the series of trusts or partnerships that is a beneficiary or partner of the last beneficiary or partner; and
 - (c) applying the calculation in paragraph (b) for each of the other trusts or partnerships in the series until the first

entity's trust interest or partnership interest is used in the calculation; and

- (d) applying to the amount last worked out under paragraph (c) and the unencumbered value of any dutiable property held by the first entity, the trust or partnership interest of the relevant trust.
- (5) Schedule 4 contains an example of how the value of a trust acquisition is worked out.
- (6) For determining the value of a beneficiary's trust acquisition that is an increase in the beneficiary's trust interest, other than a majority trust acquisition, the beneficiary's trust interest is taken to be the increase in the beneficiary's trust interest.
- (7) Subsection (8) applies to a majority trust acquisition that is an increase in a beneficiary's trust interest (the ***relevant trust acquisition***) that has happened in the following circumstances—
 - (a) the trust interest of the beneficiary and related persons of the beneficiary was 50% or more immediately before the relevant trust acquisition;
 - (b) transfer duty was previously paid for a majority trust acquisition in the trust made by the beneficiary or related persons;
 - (c) since the majority trust acquisition mentioned in paragraph (b), no other related person of the beneficiary has made a trust acquisition in the trust.
- (8) For determining the value of the beneficiary's trust acquisition that is the relevant trust acquisition, the beneficiary's trust interest is taken to be the increase in the beneficiary's trust interest.

Division 6 Liability to transfer duty

64 Liability to pay transfer duty on creation or termination of trust

- (1) If a trust of dutiable property is created or terminated, the trustee of the trust is the party to the dutiable transaction that is the creation or termination of the trust.
- (2) If the trustee of the trust does not pay the transfer duty, the beneficiaries of the trust are jointly and severally liable for the duty.

65 Liability of joint trustees

If a trust has 2 or more trustees, the trustees are jointly and severally liable for any transfer duty imposed.

66 When no transfer duty on trust acquisition or trust surrender

- (1) If, because of the creation of a trust of dutiable property, a person acquires a trust interest in the property, transfer duty is not imposed on the acquisition if—
 - (a) transfer duty has been paid for the dutiable transaction that is the creation of the trust of the property; or
 - (b) the dutiable transaction that is the creation of the trust of the property is exempt from transfer duty.
- (2) If, because of the acquisition of dutiable property by a trust, a person acquires a trust interest in the property, transfer duty is not imposed on the acquisition of the trust interest if—
 - (a) the trustee has paid transfer duty for the acquisition of the property; or
 - (b) the dutiable transaction that is the acquisition of the property is exempt from transfer duty; or
 - (c) duty is not imposed on the acquisition of the property by the trustee.

- (3) If, because of the termination of a trust of dutiable property, a person surrenders a trust interest in the property, transfer duty is not imposed on the surrender if—
- (a) transfer duty has been paid for the dutiable transaction that is the termination of the trust of the property; or
 - (b) the dutiable transaction that is the termination of the trust of the property is exempt from transfer duty.

67 Parties to trust acquisition and trust surrender

- (1) For a trust acquisition, the beneficiary acquiring the trust interest is the party to the dutiable transaction.
- (2) For a trust surrender, the trustee and the beneficiary whose trust interest is surrendered are the parties to the dutiable transaction.

Note—

Under section 17, the parties to a dutiable transaction are liable to pay transfer duty imposed on the transaction.

Division 7 Public unit trusts

Subdivision 1 Preliminary

68 What is a *public unit trust*

A *public unit trust* is—

- (a) a listed unit trust; or
- (b) a widely held unit trust; or
- (c) a wholesale unit trust; or
- (d) a pooled public investment unit trust; or
- (e) a declared public unit trust.

Subdivision 2 **Basic concepts about listed unit trusts**

69 **What is a *listed unit trust***

A ***listed unit trust*** is a unit trust the units in which are quoted on the market operated by a recognised stock exchange.

Notes—

- 1 Section 498A includes provision about when the quotation of securities is suspended.
- 2 An acquisition of an interest in a listed unit trust that is a landholder may be dutiable under chapter 3, part 1 (Landholder duty).

Subdivision 3 **Basic concepts about widely held unit trusts**

70 **What is a *widely held unit trust***

- (1) A ***widely held unit trust*** is a unit trust, other than a listed unit trust, that is a registered managed investment scheme for which—
 - (a) units in the trust have been issued to the public; and
 - (b) 50 or more persons are beneficially entitled to the units in the trust; and
 - (c) more than 20 persons are beneficially entitled to at least 75% of the total units in the trust.

Note—

Also, under section 71, the commissioner may treat a unit trust as a widely held unit trust.

- (2) However, for a trust acquisition or trust surrender of a trust interest in a trust, a unit trust is not a widely held unit trust if subsection (1)(b) and (c) is not satisfied before and after the trust acquisition or trust surrender.

- (3) For subsection (2), a trust acquisition or trust surrender of a trust interest in a unit trust includes a series of trust acquisitions or trust surrenders under an arrangement.
- (4) If subsection (2) applies to a unit trust, the trust is not a widely held unit trust from immediately before the trust acquisition or trust surrender or the first acquisition or surrender under the arrangement.
- (5) For subsection (1), a person is taken to be beneficially entitled to all units held by the person and related persons of the person.

71 When unit trust may be treated as widely held unit trust

- (1) This section applies if the commissioner is satisfied—
 - (a) units in a unit trust (the *start up units*) will be issued to the public to an extent and with the entitlements mentioned in section 70(1) within 1 year after the first issue of units to the public; and
 - (b) the start up units are the only units in the unit trust to be issued from and including the first issue to the public until the unit trust becomes a widely held unit trust (the *start-up period*).
- (2) The commissioner may treat the unit trust as a widely held unit trust for the start-up period.
- (3) However, if the start-up units are not issued in the way mentioned in subsection (1)(a) or are not the only units issued in the unit trust in the start-up period (the *disqualifying circumstances*)—
 - (a) the trustee must, within 28 days after the disqualifying circumstances happen, give the commissioner notice about the disqualifying circumstances; and
 - (b) the unit trust is taken not to have been a widely held unit trust in the start-up period; and
 - (c) the commissioner must make an assessment for transfer duty for each trust acquisition or trust surrender in the

start-up period as if the trust were not a widely held unit trust in the period; and

- (d) the start date for the Administration Act, section 54(4), is 61 days after the relevant trust acquisition or trust surrender.

Subdivision 4 Basic concepts about wholesale unit trusts

72 What is a *wholesale unit trust*

- (1) A ***wholesale unit trust*** is a unit trust, other than a listed unit trust—
 - (a) that is established and managed by a funds manager; and
 - (b) the units in which are predominantly acquired by, for or on account of, wholesale investors.
- (2) A ***wholesale unit trust*** includes a unit trust that holds land in Queensland, or has an indirect interest in land in Queensland, only if the trust was established, and continues, solely for the investment of funds placed with it by wholesale investors using the funds manager's funds management and investment services.
- (3) However, for a trust acquisition or trust surrender of a trust interest in a trust, a unit trust is not a wholesale unit trust if—
 - (a) the trust is established or managed for a particular person; or
 - (b) subsection (1)(b) or if applicable subsection (2) is not satisfied before and after the trust acquisition or trust surrender.
- (4) For subsection (3), a trust acquisition or trust surrender of a trust interest in a unit trust includes a series of trust acquisitions or trust surrenders under an arrangement.

- (5) If subsection (3) applies to a unit trust, the trust is not a wholesale unit trust from immediately before the trust acquisition or trust surrender or the first acquisition or surrender under the arrangement.

73 What is a *funds manager*

- (1) A *funds manager* is—
- (a) a body corporate that provides funds management and investment services to wholesale investors as its principal business if—
 - (i) the body corporate manages funds of more than \$500,000,000 invested with it; and
 - (ii) the business is not conducted to provide the services only to particular wholesale investors; and
 - (iii) the body corporate is recognised by other funds managers as a competitor with them for the services; or
 - (b) a body corporate that is a member of a corporate group of a financial institution or an insurer whose principal business is providing funds management and investment services to wholesale investors if—
 - (i) the body corporate or the corporate group manages funds of more than \$500,000,000 invested with it by wholesale investors; and
 - (ii) the business is not conducted to provide the services only to particular wholesale investors; and
 - (iii) the body corporate is recognised by other funds managers as a competitor with them for the services.
- (2) Subsection (3) applies if the commissioner is satisfied a body corporate or corporate group will provide funds management and investment services to wholesale investors to the extent mentioned in subsection (1)(a) or (b) within the start-up period.

- (3) The commissioner may treat the body corporate as a funds manager for the start-up period.
- (4) However, if the body corporate or corporate group does not provide funds management and investment services as mentioned in subsection (1) in the start-up period—
 - (a) the body corporate must, within 28 days after the end of the start-up period, give the commissioner notice of that fact; and
 - (b) the body corporate is taken not to have been a funds manager in the start-up period; and
 - (c) the commissioner must make an assessment for transfer duty for each trust acquisition or trust surrender in the start-up period as if the body corporate were not a funds manager in the period; and
 - (d) the start date for the Administration Act, section 54(4), is 61 days after the relevant trust acquisition or trust surrender.
- (5) In this section—

insurer means—

 - (a) a person who is authorised under the *Insurance Act 1973* (Cwlth) to carry on an insurance business; or
 - (b) a life company.

start-up period, for a body corporate, means 1 year after the first acquisition by a wholesale investor of a trust interest in a unit trust established and managed by the body corporate.

74 Who is a *wholesale investor*

A ***wholesale investor*** in a wholesale unit trust is—

- (a) a funds manager, other than the funds manager that established and manages the trust, investing funds of another wholesale unit trust managed by the funds manager; or

- (b) the trustee of another wholesale unit trust investing funds of another wholesale unit trust managed by the trustee; or

- (d) a person who has more than \$10,000,000 invested in wholesale unit trusts.

Subdivision 5 Basic concepts about pooled public investment unit trusts

75 What is a *pooled public investment unit trust*

- (1) A *pooled public investment unit trust* is a unit trust, other than a listed unit trust, widely held unit trust, wholesale unit trust or declared public unit trust, that is a registered managed investment scheme, exempt managed investment scheme or pooled superannuation trust for which—
 - (a) either of the following applies—
 - (i) units in the trust have been issued to the public;
 - (ii) at least 75% of the total units in the trust are held by 2 or more large qualified holders; and
 - (b) at least 50 persons are entitled to units in the trust; and
 - (c) more than 20 persons are entitled to at least 75% of the total units in the trust.

Note—

See sections 77 (Who is holder of units in pooled public investment unit trust) and 78 (Who is entitled to units in pooled public investment unit trust).

- (2) However, for a trust acquisition or trust surrender of a trust interest in a trust, a unit trust is not a pooled public investment unit trust unless—

- (a) if subsection (1)(a)(i) applies—subsection (1)(b) and (c) is satisfied before and after the trust acquisition or trust surrender; or
 - (b) if subsection (1)(a)(ii) applies—subsection (1)(a)(ii), (b) and (c) is satisfied before and after the trust acquisition or trust surrender.
- (3) For subsection (2), a trust acquisition or trust surrender of a trust interest in a unit trust includes a series of trust acquisitions or trust surrenders under an arrangement.
- (4) If subsection (2) applies to a unit trust, the trust is not a pooled public investment unit trust from immediately before the trust acquisition or trust surrender or the first acquisition or surrender under the arrangement.

76 Who is a *qualified holder* and a *large qualified holder*

- (1) A *qualified holder* of units in a unit trust is—
- (a) the trustee of a listed unit trust, widely held unit trust, wholesale unit trust or declared public unit trust; or
 - (b) the trustee of a complying superannuation fund; or
 - (c) the trustee of a complying approved deposit fund; or

 - (f) a person approved under section 76B.
- (2) A *large qualified holder* of units in a unit trust is a qualified holder with more than 50 members.

76A Approval of class of foreign unit holders as qualified holders

The commissioner may, by gazette notice, approve a class of persons as qualified holders of units in a unit trust if the commissioner is satisfied persons of that class hold the units

in a capacity that, under the law of a foreign country or external Territory, corresponds to—

- (a) an entity mentioned in section 76(1)(a) other than the trustee of a declared public unit trust; or
- (b) an entity mentioned in section 76(1)(b) to (d).

76B Approval of particular foreign unit holder as qualified holder

- (1) The trustee of a unit trust may apply to the commissioner for the approval, for section 76(1)(f), of a stated person who holds units in the trust (the *unit holder*).
- (2) The application must—
 - (a) be in the approved form; and
 - (b) be supported by enough information to enable the commissioner to decide the application.
- (3) The commissioner may approve the application if satisfied the unit holder holds the units in a capacity that, under the law of a foreign country or external Territory, corresponds to—
 - (a) an entity mentioned in section 76(1)(a) other than the trustee of a declared public unit trust; or
 - (b) an entity mentioned in section 76(1)(b) to (d).
- (4) If the commissioner reasonably requires advice about a particular matter before deciding the application, the commissioner may refuse to deal further with the application until the applicant pays, or agrees to pay, the reasonable costs of obtaining the advice.
- (5) The commissioner may give approval subject to conditions the commissioner considers appropriate.

Example—

A condition may state that the approval ends if there is a particular change in the circumstances of the person to whom the approval relates.

- (6) The commissioner must give notice of the decision on the application to the applicant.

- (7) If, because of the decision, the commissioner makes an assessment on the basis that a particular person is not approved, or is approved on stated conditions, an objection to the decision may be made as part of an objection to the assessment.

Note—

For objections and appeals against assessments, see the Administration Act, part 6.

- (8) An approval takes effect on the day it is given or on the later day stated in the notice of the decision to give the approval.

76C Approval holders must notify commissioner of material changes

- (1) This section applies to an approval in force under section 76B if there is a material change in the circumstances existing when the approval was given.
- (2) Within 28 days after the approval holder becomes aware, or ought reasonably to have become aware, of the change, the approval holder must give the commissioner notice of the change.

Note—

Failure to give the notice is an offence under the Administration Act, section 120.

76D Cancellation or variation of approvals

- (1) The commissioner may, by notice to the holder of an approval in force under section 76B, cancel the approval or vary it in a stated way if the commissioner considers—
- (a) a condition of the approval is no longer being satisfied or complied with; or
 - (b) there has been a material change in the circumstances existing when the approval was given.
- (2) The cancellation or variation has effect on the day stated in the notice (the *effective day*).

- (3) The effective day may be earlier than the day the notice is given but not earlier than the day the condition mentioned in subsection (1)(a) stopped being satisfied or complied with or the day of the material change in the circumstances mentioned in subsection (1)(b).
- (4) If, because of the decision to cancel or vary the approval, the commissioner makes an assessment on the basis that, at a particular time, a particular person was not approved or was approved on stated conditions, an objection to the decision may be made as part of an objection to the assessment.

Note—

For objections and appeals against assessments, see the Administration Act, part 6.

76E Exempt managed investment schemes

- (1) For section 75(1), a unit trust that is a managed investment scheme is taken to be an exempt managed investment scheme, during the deeming period for the trust, if the scheme has been approved under section 76F as a deregistered managed investment scheme.
- (2) In this section—
 - deeming period***, for a unit trust, means the period—
 - (a) starting immediately before the first trust acquisition or trust surrender of a trust interest in the trust following its deregistration under the Corporations Act, section 601PA; and
 - (b) ending immediately before the time that either of the following happens—
 - (i) the ASIC order mentioned in section 76F(3)(a) ceases to apply;
 - (ii) a unit in the trust is issued or transferred to a person who is not a wholesale client.

76F Approval of unit trust as a deregistered managed investment scheme

- (1) The trustee of a unit trust that is a managed investment scheme may apply to the commissioner for the approval of the scheme as a deregistered managed investment scheme.

Note—

See section 76E(1).

- (2) The application must—
- (a) be in the approved form; and
 - (b) be supported by enough information to enable the commissioner to decide the application.
- (3) The commissioner may give the approval if—
- (a) ASIC made an exemption or declaration under the Corporations Act, section 601QA (the **ASIC order**), enabling an application for deregistration of the scheme (the **deregistration application**) to be made under the Corporations Act, section 601PA; and
 - (b) for the purpose of the deregistration application, all the members of the scheme agreed the scheme should be deregistered; and
 - (c) all the members of the scheme were wholesale clients—
 - (i) when they acquired (by way of issue or transfer) their interest in the scheme; and
 - (ii) when the deregistration application was made; and
 - (d) ASIC deregistered the scheme under the Corporations Act, section 601PA, applying chapter 5C of that Act under the ASIC order; and
 - (e) the scheme is not required to be registered under the Corporations Act, section 601ED because of an exemption from that section under the ASIC order; and
 - (f) the commissioner is satisfied it would be appropriate to give the approval, having regard to—

- (i) the reasons why the members of the scheme agreed the scheme should be deregistered; and
 - (ii) the reasons for the decision by ASIC to deregister the scheme; and
 - (iii) the terms of the ASIC order; and
 - (iv) whether the scheme has ever been a public unit trust and, if so, why it is no longer a public unit trust; and
 - (v) the circumstances of the scheme's operation since it was deregistered by ASIC; and
 - (vi) the purposes of this division.
- (4) The commissioner must give the applicant notice of the decision on the application.
- (5) If, because of the decision on the application, the commissioner makes an assessment on the basis that the scheme is not an exempt managed investment scheme for section 75(1), an objection to the decision may be made as part of an objection to the assessment.
- (6) If the approval is given, it takes effect on—
 - (a) the day it is given; or
 - (b) if the notice of the decision to give the approval states a day on which the approval takes effect—that day.
- (7) The day mentioned in subsection (6)(b) may be earlier or later than the day the approval is given.

76G Approval holders must notify commissioner if deeming period ends

- (1) This section applies in relation to an approval for a unit trust in force under section 76F if either of the following happens (the *notifiable event*)—
 - (a) the ASIC order mentioned in section 76F(3)(a) ceases to apply;

- (b) a unit in the trust is issued or transferred to a person who is not a wholesale client.
- (2) Within 28 days after the trustee becomes aware, or ought reasonably to have become aware, of the notifiable event, the trustee must give the commissioner notice of the notifiable event.

Note—

Failure to give the notice is an offence under the Administration Act, section 120.

77 Who is holder of units in pooled public investment unit trust

- (1) For section 75, a qualified holder is taken to hold the units in a unit trust held for the holder by a custodian.
- (2) For section 75(1)(b) and (c)—
 - (a) a trustee of a complying superannuation fund that has invested in a pooled superannuation trust is taken to hold the number of units in a unit trust held by the trustee of the pooled superannuation trust that is worked out by applying the fund's interest in the pooled superannuation trust to the units held by the trustee; and
 - (b) a member of a pooled public investment unit trust is taken to hold the number of units in a unit trust held by the trustee of the pooled public investment unit trust that is worked out by applying the member's interest in the pooled public investment unit trust to the units held by the trustee.
- (3) For subsection (2)(a), a complying superannuation fund's interest in a pooled superannuation trust is the proportion that the fund's investment bears to the total of all investments in the trust expressed as a percentage.
- (4) For subsection (2)(b), a member's interest in a pooled public investment unit trust is the proportion that the value of the member's entitlement as a member bears to the value of the

entitlements of all members in the trust expressed as a percentage.

78 Who is entitled to units in pooled public investment unit trust

- (1) For section 75(1)(b) and (c)—
 - (a) a member of a large qualified holder of units in a unit trust is taken to be entitled to the number of units in the trust that is worked out by applying the member's interest in the holder to the units in the trust held by the holder; and
 - (b) another holder of units in the trust is entitled to the units held.
- (2) For subsection (1)(a), a member's interest in a large qualified holder is the proportion that the value of the member's entitlement as a member bears to the value of the entitlements of all members in the holder expressed as a percentage.
- (3) For section 75, a person who is entitled to units in the unit trust is taken to be entitled to all units that, under subsection (1)(a) and (b), the person and related persons of the person are entitled.

Subdivision 6 Basic concepts about declared public unit trusts

79 What is a *declared public unit trust*

A ***declared public unit trust*** is a unit trust declared under a regulation to be a public unit trust for this division.

Subdivision 7 Majority trust acquisitions in land holding trusts

80 What is a *majority trust acquisition*

A person who makes a trust acquisition in a land holding trust makes a ***majority trust acquisition*** if—

- (a) the person, or the person and related persons of the person (whether alone or jointly), acquire a trust interest in the trust of 50% or more; or
- (b) the person, or related persons of the person (whether alone or jointly), acquire a trust interest in the trust that, when aggregated with trust interests already held by the person and related persons of the person (whether alone or jointly), is 50% or more.

81 Interpretation for majority trust acquisitions

- (1) This section applies for imposing transfer duty on majority trust acquisitions.
- (2) An indirect trust interest in a land holding trust being acquired by a person is taken to be a trust interest in the trust.
- (3) Also, an indirect trust interest in a land holding trust already held by an acquirer or related person of the acquirer is taken to be a trust interest in the trust.
- (4) For an indirect trust interest in a land holding trust taken to be a trust interest under subsection (2) or (3), the acquirer and any related persons of the acquirer are taken to be beneficiaries.
- (5) An indirect trust acquisition is taken to be a trust acquisition in the land holding trust in which the indirect trust interest is acquired.

81A Particular trust interests disregarded for majority trust acquisitions

- (1) This section applies if—
 - (a) under section 80, a person would have made a majority trust acquisition in a wholesale unit trust; and
 - (b) all the persons who held or acquired the trust interests comprising the majority trust acquisition are group companies of a corporate group; and
 - (c) the funds manager of the wholesale unit trust is a group company of the corporate group; and
 - (d) there is no arrangement to avoid the imposition of transfer duty.
- (2) For section 80, the trust interest of a person mentioned in subsection (1)(b) who is a qualified holder must be disregarded.
- (3) To remove any doubt, it is declared that section 80 applies to other trust interests, including trust interests held through the qualified holder.

82 Deduction—transfer duty for majority trust acquisition

- (1) This section applies if—
 - (a) transfer duty has been paid or is payable on a dutiable transaction that is a majority trust acquisition; and
 - (b) transfer duty or landholder duty is imposed or has been paid on indirect trust acquisitions and trust acquisitions relating to the majority trust acquisition.
- (2) The duty mentioned in subsection (1)(b) must be reduced by the amount of the transfer duty paid or payable under subsection (1)(a) to the extent that the indirect trust interests and trust interests were included in working out the dutiable value of the majority trust acquisition.

Subdivision 8 Indirect trust interests

83 Person's indirect trust interest is proportionate to land holding trust's dutiable property

A person's indirect trust interest in a land holding trust is the proportion that the unencumbered value of the person's entitlement in the land holding trust bears to the unencumbered value of dutiable property held by the land holding trust expressed as a percentage.

Note—

Section 498 includes provision about references to dutiable property.

84 What is the value of person's entitlement in land holding trust

- (1) The unencumbered value of a person's entitlement in a land holding trust is the amount worked out by—
 - (a) if the person has a subordinate interest in an entity (the ***first beneficiary***) that is a beneficiary of the land holding trust—
 - (i) first applying to the unencumbered value of the dutiable property held by the land holding trust, the first beneficiary's trust interest in the land holding trust; and
 - (ii) applying to the amount worked out under subparagraph (i), the person's subordinate interest in the first beneficiary; or
 - (b) if paragraph (a) does not apply—
 - (i) first applying to the unencumbered value of the dutiable property held by the land holding trust, the subordinate interest of the entity (also the ***first beneficiary***) that is a beneficiary of the land holding trust; and
 - (ii) applying to the amount worked out under subparagraph (i), the subordinate interest of the

next entity in the series of entities that is a shareholder, partner or beneficiary of the first beneficiary connecting the land holding trust to the person; and

- (iii) applying the calculation in subparagraph (ii) for each of the other entities in the series until the person's subordinate interest is applied to the amount worked out under the application of subparagraph (ii) for the entity in which the person's subordinate interest is held.

(2) For subsection (1)(b)(iii)—

- (a) the reference in subsection (1)(b)(ii) to the amount worked out under subsection (1)(b)(i) is a reference to the amount worked out under the previous application of subsection (1)(b)(ii); and
- (b) the reference to the first beneficiary is a reference to the next shareholder, partner or beneficiary in the series for which subsection (1)(b)(ii) is being applied.

Part 8A Concessions for farm-in agreements

Division 1 Some basic concepts about farm-in agreements

84A Who is a *farmor*

(1) A *farmor* is—

- (a) a person to whom an exploration authority, is granted under the relevant Act for the authority, even if the person is yet to be registered as the holder of the authority under that Act; or
- (b) another person to whom the exploration authority has been transferred under the relevant Act for the authority,

even if the other person is yet to be registered as the holder of the authority under that Act.

- (2) For subsection (1), the *relevant Act* for an exploration authority is the Act under which the authority is granted.

84B What is an *upfront farm-in agreement*

- (1) An *upfront farm-in agreement* is a written agreement entered into by a farmor and another person (the *farmee*) in relation to an exploration authority, under which—
 - (a) the farmor must make 1 or more transfers to the farmee of a stated interest in the exploration authority, each interest being less than 100% of the total interest in the authority; and
 - (b) on the transfer of each interest, the interest is held by the farmee subject to the farmee spending a stated amount (an *exploration amount*) on relevant exploration or development—
 - (i) after the agreement is entered into; and
 - (ii) on or before the expenditure completion date for the amount; and
 - (c) the farmee must, if the obligation under the agreement mentioned in paragraph (b) is not complied with for the interest transferred, transfer the interest back to the farmor.
- (2) However, if the farm-in agreement is a 100% transfer farm-in agreement, the last interest in the exploration authority to be transferred under the agreement need not be held by the farmee subject to an obligation mentioned in subsection (1)(b).

84C What is a *deferred farm-in agreement*

- (1) A *deferred farm-in agreement* is a written agreement entered into by a farmor and another person (the *farmee*) in relation to an exploration authority, under which—

- (a) the farmee is entitled to 1 or more transfers from the farmor of a stated interest in the exploration authority, each interest being less than 100% of the total interest in the authority; and
 - (b) the entitlement to each transfer arises only if the farmee spends a stated amount (an *exploration amount*) on relevant exploration or development—
 - (i) after the agreement is entered into; and
 - (ii) on or before the expenditure completion date for the amount.
- (2) However, if the farm-in agreement is a 100% transfer farm-in agreement, the last interest in the exploration authority to be transferred under the agreement need not be subject to an obligation mentioned in subsection (1)(b).

84D What is a 100% transfer farm-in agreement

A *100% transfer farm-in agreement*, for an exploration authority, is a deferred farm-in agreement or upfront farm-in agreement under which, on the completion of all the transfers of interests in the exploration authority that are proposed to be made by the farmor under the agreement, 100% of the interest in the exploration authority will be held by the farmee.

84E What is the *expenditure completion date* and an *ECD variation*

- (1) The *expenditure completion date* for an exploration amount for the transfer of an interest in an exploration authority under a farm-in agreement is—
- (a) the day stated in the agreement on or before which the exploration amount must be spent; or
 - (b) if the farmor and farmee agree to vary the day mentioned in paragraph (a)—the day as varied; or
 - (c) if the day mentioned in paragraph (b) is further varied—the day as further varied.

- (2) A variation mentioned in subsection (1)(b) or (c) is an ***ECD variation***.

84F What is *relevant exploration or development*

Exploration or development is ***relevant exploration or development*** for an exploration amount relating to an interest in an exploration authority the subject of a farm-in agreement if—

- (a) the exploration or development is comprised of, or associated with, the carrying out of an activity under the exploration authority; and
- (b) all of the exploration or development is carried out after the farm-in agreement is entered into.

Division 2 Transfer duty for farm-in agreements

84G Farm-in agreement is an agreement for the transfer of dutiable property

- (1) A farm-in agreement is an agreement for the transfer of dutiable property mentioned in section 9(1)(b).
- (2) Section 21 does not apply in relation to the agreement.

84H Exemption—particular transfers to farmor under upfront farm-in agreement

If transfer duty imposed on an upfront farm-in agreement is paid, no transfer duty is imposed on a transfer of an interest in the exploration authority from the farmee to the farmor made because of the obligation mentioned in section 84B(1)(c).

84I Exclusion of s 22(2) for particular dutiable transactions under farm-in agreement

Section 22(2) does not apply to the transfer of an interest in an exploration authority if—

- (a) both of the following apply—
 - (i) the transfer is made under a 100% transfer farm-in agreement; and
 - (ii) the transfer results in the farmee holding 100% of the interest in the exploration authority; or
- (b) the interest is transferred to the farmee for a deferred farm-in agreement, even though the farmee has failed to spend all or part of the exploration amount for the transfer under the agreement in the way mentioned in section 84C(1)(b).

Division 3 Concessions for transfer duty for farm-in agreements

84J How transfer duty is initially assessed on farm-in agreement

- (1) This section applies for assessing liability for transfer duty on a farm-in agreement.
- (2) The dutiable value of a farm-in agreement is the consideration paid or payable to the farmor, or a related person of the farmor, for the farmor entering into the agreement, other than an exploration amount.
- (3) Section 502(1)(a) and (b) and (2)(a)—
 - (a) applies in relation to the consideration mentioned in subsection (2); and
 - (b) does not apply in relation to any other consideration payable under the agreement.

Division 4 Lodgement and notice requirements for upfront farm-in agreements

84K Lodgement requirement on expenditure of exploration amount

The farmee under an upfront farm-in agreement must, within 14 days after spending the exploration amount for each interest in the exploration authority, lodge—

- (a) information, in the approved form, about the expenditure of the exploration amount; and
- (b) the upfront farm-in agreement or a transfer duty statement for the agreement.

Note—

Under the Administration Act, the requirement under this section is a lodgement requirement for which a failure to comply is an offence under section 121 of that Act.

84L Notice requirement for farmee in particular circumstances

- (1) This section applies if—
 - (a) an interest in an exploration authority is transferred to the farmee under an upfront farm-in agreement; and
 - (b) the farmee fails, under the agreement, to spend all or part of the exploration amount for the interest on or before the expenditure completion date for the amount.
- (2) The farmee must, within 30 days after the expenditure completion date—
 - (a) give notice to the commissioner, in the approved form, of the matter mentioned in subsection (1)(b); and
 - (b) lodge the farm-in agreement or a transfer duty statement for the agreement.

Note—

Failure to give the notice mentioned in paragraph (a) is an offence under the Administration Act, section 120. Also, the requirement under paragraph (b) is a lodgement requirement under the Administration Act for which a failure to comply is an offence under section 121 of that Act.

- (3) If the original expenditure completion date is varied under the farm-in agreement, the farmee must comply with subsection (2) in relation to a failure to spend an exploration amount on or before each of the following—
 - (a) the original expenditure completion date for the amount;
 - (b) the original expenditure completion date, as varied under the agreement;
 - (c) each variation to the date mentioned in paragraph (b) made under the agreement.
- (4) In this section—

original expenditure completion date, for an exploration amount for an interest in an exploration authority under an upfront farm-in agreement, means the day stated in the agreement on or before which the exploration amount must be spent.

Division 5 Reassessments

84M When commissioner must reassess transfer duty

- (1) The commissioner must make a reassessment of transfer duty for a farm-in agreement if, under the agreement, either of the following events happen (each a *reassessment event*)—
 - (a) for an upfront farm-in agreement, the farmee is required to—
 - (i) lodge the information and farm-in agreement or a transfer duty statement for the agreement under section 84K; or

- (ii) give notice and lodge the farm-in agreement or a transfer duty statement for the agreement under section 84L(2);
- (b) for a deferred farm-in agreement—an interest in an exploration authority is transferred by the farmor to the farmee.

Note—

See also section 84P for when the commissioner must make a reassessment.

- (2) However, subsection (1)(a)(ii) does not apply if—
 - (a) the farmee transfers the interest back to the farmor under the agreement before the expiry of—
 - (i) the period for complying with section 84L(2); or
 - (ii) if the commissioner considers a longer period is appropriate—the longer period; or
 - (b) both of the following apply—
 - (i) an ECD variation has been made for the expenditure of the exploration amount;
 - (ii) the commissioner is satisfied the ECD variation is not part of an arrangement to avoid the imposition of transfer duty.
- (3) Also, subsection (1) does not apply if—
 - (a) the requirement mentioned in subsection (1)(a) relates to the transfer of an interest in an exploration authority under an upfront farm-in agreement that is a 100% farm-in agreement and, on the completion of the transfer, 100% of the interest in the authority will be held by the farmee; or
 - (b) the transfer of an interest in an exploration authority mentioned in subsection (1)(b) is made under a deferred farm-in agreement that is a 100% farm-in agreement and, on the completion of the transfer, 100% of the interest in the authority will be held by the farmee.

- (4) Subsection (1) applies despite the limitation period under the Administration Act for reassessments.

Note—

See the Administration Act, part 3 (Assessments of tax), division 3 (Reassessments).

84N How transfer duty is reassessed on farm-in agreements

- (1) Subject to subsections (3) and (4), for a reassessment under section 84M the dutiable value of the farm-in agreement includes each of the following, other than an exploration amount—
- (a) the consideration paid or payable to the farmor, or a related person of the farmor, for the farmor entering into the agreement;
 - (b) an amount relating to the transfer of an interest in the exploration authority the subject of a reassessment event, paid or payable on or before the day the latest reassessment event happens;
 - (c) any other consideration under the agreement paid or payable to the farmor, or a related person of the farmor, on or before the day the latest reassessment event happens.
- (2) If subsection (1) applies for a reassessment, section 502(1)(a) and (b) and (2)(a)—
- (a) applies in relation to the consideration mentioned in subsection (1); and
 - (b) does not apply in relation to any other consideration payable under the agreement.
- (3) Subsection (4) applies to a reassessment for a reassessment event mentioned in section 84M(1)(a)(ii) in relation to an interest if the farmee has failed to transfer the interest back to the farmor under the agreement within the time mentioned in section 84M(2)(a) and—
- (a) an ECD variation has not been made for the expenditure of the exploration amount; or

- (b) both of the following apply—
 - (i) an ECD variation has been made for the expenditure of the exploration amount;
 - (ii) the commissioner is satisfied the variation is part of an arrangement to avoid the imposition of transfer duty.
- (4) The commissioner must make the reassessment to impose transfer duty on the transaction that is the agreement mentioned in section 84M(1) as if the transaction were not a farm-in agreement under this part.
- (5) This section applies despite section 84J.

Division 6 Miscellaneous

84O Application of penalty tax under Administration Act

The Administration Act, section 58(1)(c) does not apply in relation to a reassessment made by the commissioner under section 84M, unless—

- (a) section 84N(4) applies for the reassessment; or
- (b) the farmee has failed to comply with—
 - (i) a lodgement requirement for the reassessment event to which the reassessment relates; or
 - (ii) a requirement to give the commissioner notice under section 84L(2) for the reassessment event to which the reassessment relates.

84P Exclusion of arrangements to avoid the imposition of transfer duty

- (1) This section applies to a dutiable transaction that is a farm-in agreement if the transaction is part of an arrangement to avoid the imposition of transfer duty.

- (2) The commissioner must make an assessment to impose transfer duty on the transaction as if the transaction were not a farm-in agreement under this part.
- (3) Subsection (2) applies despite the limitation period under the Administration Act for reassessments.

Note—

See the Administration Act, part 3, division 3.

- (4) If subsection (1) does not apply, the commissioner must make a reassessment to impose transfer duty on the transaction as if the exemption from duty had never applied.

 - (a) give notice of the event in the approved form to the commissioner; and
 - (b) ensure the instruments required for the assessment of duty are lodged for a reassessment of duty on the dutiable transaction.

Note—

Failure to give the notice is an offence under the Administration Act, section 120.

- (3) The commissioner must make a reassessment of duty on the transaction as if the exemption had never applied.

Note—

Unpaid tax interest and penalty tax may be payable under the Administration Act, part 5.

- (4) The reassessment must be made within the later of the following—
 - (a) the limitation period for the reassessment under the Administration Act;

 - (a) an ELN transaction document for an ELN transfer is—

- (a) a charge has been registered over the land under section 156P; and

- (c) third, in payment of the outstanding liability under the Administration Act, section 42;
- (d) fourth, in payment of amounts secured by a security interest or charge on the land recorded before the charge mentioned in section 156Q(1)(a), unless the land is sold subject to the security interest or charge;
- (e) fifth, any balance must be applied as the court orders.

156T Registration of transfer

- (1) If land is sold under the order to sell, the person stated in the order for this section must—
 - (a) sign a transfer in the appropriate form in favour of the purchaser; and

 - (a) in the ELN workspace for an ELN transfer or ELN lodgement; and
 - (b) relevant to this Act or the Administration Act.

Note—

For the consequences of stating anything to the commissioner that is false or misleading, see the Administration Act, section 123.

- (2) In this section—

Chapter 3 Landholder duty and corporate trustee duty

Part 1 Landholder duty

Division 1 Preliminary

157 Imposition of landholder duty

- (1) This part imposes duty (*landholder duty*) on relevant acquisitions.

Notes—

- 1 Exemptions for landholder duty are dealt with in division 5 and chapter 10. Particular acquisitions relating to corporate reconstructions are exempt from landholder duty under chapter 10, part 1.
 - 2 Additional foreign acquirer duty is imposed on particular relevant acquisitions under chapter 4.
- (2) Landholder duty is imposed—
 - (a) for a relevant acquisition in a private landholder—on the dutiable value of the relevant acquisition; and
 - (b) for a relevant acquisition in a public landholder—in the way provided under section 179B.

Division 2 Some basic concepts for landholder duty

Subdivision 1 Some basic concepts about acquiring interests in landholders

158 What is a *relevant acquisition*

- (1) A person makes a *relevant acquisition* if—
 - (a) the person acquires a significant interest in a landholder;
or
 - (b) the person acquires an interest in a landholder and, when the following are aggregated, the aggregation results in a significant interest in the landholder—
 - (i) interests held by the person in the landholder;
 - (ii) interests acquired or held by related persons of the person in the landholder; or
 - (c) having acquired a significant interest in a landholder as mentioned in paragraph (a) or (b) for which acquisition landholder duty was imposed, the person's interest in the landholder increases.
- (2) To remove any doubt, it is declared that for subsection (1)(b), it is not relevant whether, immediately before the person acquires the interest—
 - (a) an interest mentioned in subsection (1)(b)(i) or (ii) is, of itself, a significant interest in the landholder; or
 - (b) the aggregation of any interests mentioned in subsections (1)(b)(i) or (ii), of itself, amounts to a significant interest in the landholder.

159 What are *interests* and *significant interests* in a landholder

- (1) A person has an *interest* in a landholder if the person has an entitlement as a shareholder or unit holder to a distribution of the landholder's property—
 - (a) for a corporation—on its winding up; or
 - (b) for a listed unit trust—on its termination.
- (2) A person has a *significant interest* in a landholder if the person has an interest in the landholder of—
 - (a) for a private landholder—50% or more; or
 - (b) for a public landholder—90% or more.

160 Interest in landholder is percentage of distributable property on winding up of a corporation or termination of a listed unit trust

- (1) A person's interest in a landholder is the person's entitlement expressed as a percentage of the value of all of the landholder's property that would be distributed if, immediately after the person acquires the interest—
 - (a) for a corporation—the corporation were to be wound up; or
 - (b) for a listed unit trust—the trust were to be terminated.
- (2) If the landholder's property includes property held for a partnership of which the landholder is a partner, all of the property held for the partnership is taken for subsection (1) to be property that could be distributed, regardless of the landholder's interest in the partnership.

161 Entitlement on distribution of corporation's property

- (1) Subject to section 161B, the entitlement of a person on a distribution of a corporation's property is the greater of the entitlement of the person as a shareholder, based on a distribution carried out—

-
- (a) under the corporation's constitution and the Corporations Act; or
 - (b) after the person or the person's representative, has, to maximise the person's entitlement, exercised all powers and discretions to do all or any of the following—
 - (i) effect or compel a change of the corporation's constitution;
 - (ii) vary the rights conferred by the shares in the corporation;
 - (iii) pay up any uncalled amount owing to the corporation for the shares;
 - (iv) satisfy conditions in the corporation's constitution relating to the shares;
 - (v) effect or compel the substitution or replacement of shares in the corporation with other shares in the corporation.
- (2) In this section—

representative, of another person, means someone who is accustomed, or under an obligation, or reasonably expected to act under the directions, instructions or wishes of the other person.

161A Entitlement on distribution of listed unit trust's property

- (1) Subject to section 161B, the entitlement of a person on a distribution of a listed unit trust's property is the greater of the entitlement of the person as a unit holder, based on a distribution carried out—
 - (a) under the instrument creating the trust; or
 - (b) after the person or the person's representative has, to maximise the person's entitlement, exercised all powers and discretions to do all or any of the following—
 - (i) effect or compel a change of the instrument creating the trust;

- (ii) vary the rights conferred by the units in the trust;
 - (iii) pay up any uncalled amount owing to the trust for the units;
 - (iv) satisfy conditions under the instrument creating the trust relating to the units;
 - (v) effect or compel the substitution or replacement of units in the trust with other units in the trust;
 - (vi) effect or compel the fulfilment of a condition;
 - (vii) effect or compel the outcome of a contingency;
 - (viii) effect or compel the exercise or non-exercise of a power or discretion.
- (2) The entitlement of a person under subsection (1) must be worked out without regard to the liabilities of the trust.
- (3) In this section—
- representative*, of another person, means someone who is accustomed, or under an obligation, or reasonably expected to act under the directions, instructions or wishes of the other person.

161B Matters about applying ss 161 and 161A

- (1) If the commissioner considers the application of section 161(1)(b) or 161A(1)(b) would be inequitable, the commissioner may decide the entitlement of a person be based on a distribution carried out under section 161(1)(a) or 161A(1)(a).
- (2) Also, if a person makes a relevant acquisition because interests are aggregated under section 158(1)(b)(ii), the entitlements under section 161(1)(b) or 161A(1)(b) of the person and the related persons of the person must not be more than 100%.

162 Acquiring an interest in a landholder

- (1) A person acquires an interest in a landholder if the person obtains an interest, or the person's interest increases, in the landholder regardless of how it is obtained or increased.
- (2) Without limiting subsection (1), a person may acquire an interest in a landholder in the following ways—
 - (a) the purchase, gift, allotment or issue of a share or unit;
 - (b) the cancellation, redemption or surrender of a share or unit;
 - (c) the abrogation or alteration of a right for a share or unit;
 - (d) the payment of an amount owing for a share or unit;
 - (e) if the person holds an interest in the landholder, whether or not as trustee—by changing the capacity in which the person holds the interest.

Example of when the capacity in which a person holds an interest changes—

A person holds a share or unit in a corporation or listed unit trust other than as trustee. The person's capacity changes if the person starts holding the share or unit as trustee.

- (3) To remove any doubt, it is declared that an acquisition of shares or units is not necessary to acquire an interest in a landholder.

163 When is an interest acquired

- (1) This section applies—
 - (a) if a person acquires an interest in a landholder; or
 - (b) for an interest acquired by a person in a landholder when, under section 179(6), definition *excluded interest*, paragraph (b) and 179B(2), definition *excluded interest*, paragraph (b), the landholder did not hold land in Queensland.
- (2) The person acquires the interest—

- (a) if there is an agreement to acquire the interest, whether conditional or not, and paragraph (b) does not apply—when the agreement is made; or
 - (b) if there is an agreement to acquire the interest, whether conditional or not, and the landholder is not a landholder when the agreement is made but is a landholder when the agreement is completed—when the agreement is completed; or
 - (c) otherwise—when the interest is acquired.
- (3) Also, if—
- (a) a person holds a security interest in a landholder; and
 - (b) the acquisition of the security interest was an exempt acquisition under section 190; and
 - (c) the person later acquires the interest free from any interest or equity of the previous holder of the interest (the *later acquisition*);
- the person acquires an interest in the landholder at the time of the later acquisition.

164 Who is a *related person*

- (1) A person is a *related person* of another person if—
- (a) for individuals—they are members of the same family; or
 - (b) for an individual and a corporation—the person or a member of the person’s family is a majority shareholder, director or secretary of the corporation or a related body corporate of the corporation, or has an interest of 50% or more in it; or
 - (c) for an individual and a trustee—the person or a related person under another provision of this section is a beneficiary of the trust; or
 - (d) for corporations—they are related bodies corporate; or

- (e) for a corporation and a trustee—the corporation or a related person under another provision of this section is a beneficiary of the trust; or
- (f) for trustees—
 - (i) there is a person who is a beneficiary of both trusts; or
 - (ii) a person is beneficiary of 1 trust and a related person under another provision of this section is a beneficiary of the other trust.
- (2) Also, a person is a ***related person*** of another person if the persons acquire interests in a landholder and the acquisitions form, evidence, give effect to or arise from what is substantially 1 arrangement.
- (3) However, a person is not a ***related person*** of another person under subsection (1), other than subsection (1)(d), if the commissioner is satisfied the interests of the persons—
 - (a) were acquired, and will be used, independently; and
 - (b) were not acquired, and will not be used, for a common purpose.

Subdivision 2 Some basic concepts about entities and their land-holdings and property

165 What is a *landholder*

A ***landholder*** is an entity that has land-holdings in Queensland, the unencumbered value of which are \$2,000,000 or more.

165A What is a *private landholder* and *public landholder*

- (1) A ***private landholder*** is a landholder that is an unlisted corporation.

- (2) A **public landholder** is a landholder that is a listed corporation or listed unit trust.

166 What is a **subsidiary**

- (1) A corporation is a **subsidiary** of—
- (a) another corporation (the **holding entity**) if, under the Corporations Act, it is a subsidiary of the holding entity; or
 - (b) a listed unit trust (also the **holding entity**) if, under subsection (4), the corporation is a subsidiary of the holding entity.
- (2) Also, each of the following is a **subsidiary** of the holding entity—
- (a) a trustee of a trust, if the holding entity or a subsidiary of the holding entity, whether under this or another subsection, is a beneficiary of the trust (a **relevant trust**);
 - (b) a corporation in which—
 - (i) the trustee of a relevant trust has an interest of 50% or more; or
 - (ii) an interest of 50% or more is held on trust and the trustee of a relevant trust is a beneficiary of that trust.

Example for subsections (1) and (2)—

A Pty Ltd has a 51% shareholding in B Pty Ltd. B Pty Ltd has a trust interest in the C Trust of which C Pty Ltd acts as trustee. C Pty Ltd as trustee of the C trust has a 51% shareholding in D Pty Ltd.

Under subsection (1), B Pty Ltd is the subsidiary of A Pty Ltd because, under the Corporations Act, it is a subsidiary of A Pty Ltd.

Under subsection (2)(a), C Pty Ltd is the subsidiary of A Pty Ltd because B, a subsidiary of A Pty Ltd, is a beneficiary of the trust.

Under subsection (1), D Pty Ltd is the subsidiary of C Pty Ltd because, under the Corporations Act, it is a subsidiary of C Pty Ltd.

Under subsection (2)(b)(i), D Pty Ltd is the subsidiary of A Pty Ltd because C Pty Ltd, a relevant trust, has an interest of 50% or more in D Pty Ltd.

- (3) In addition, a corporation or trustee of a trust is a **subsidiary** of a holding entity if, under subsection (1) or (2), it is a subsidiary of a subsidiary of the holding entity.
- (4) For subsection (1)(b), a corporation is a subsidiary of a listed unit trust if it is a subsidiary of the trust under the Corporations Act, chapter 1, part 1.2, division 6, applied—
 - (a) as if a reference to a body corporate includes a reference to a trustee of a listed unit trust; and
 - (b) as if section 48(2) and (3) of that Act did not apply, to the extent the section disregards shares held or a power exercisable only in a fiduciary capacity; and
 - (c) with any other necessary changes.
- (5) For deciding whether a trustee of a trust is a subsidiary of a holding entity under subsection (2)—
 - (a) a trust interest sale agreement made by the holding entity or a subsidiary of it is taken not to have been made; and
 - (b) a trust interest purchase agreement made by the holding entity or a subsidiary of it is taken to have been completed.

- (6) In this section—

trust interest purchase agreement means an uncompleted agreement, whether or not conditional, for the acquisition of an interest as a beneficiary of the trust.

trust interest sale agreement means an uncompleted agreement, whether or not conditional, for the disposal of an interest as a beneficiary of the trust.

167 What are an entity's *land-holdings*

- (1) An entity's **land-holdings** means the following—

- (a) the entity's interest in land, and anything fixed to the land that may be separately owned from the land (whether or not the entity has an interest in the thing fixed to the land), other than—
 - (i) a security interest; or
 - (ii) an interest in a trust;

Note—

See the *Acts Interpretation Act 1954*, schedule 1, definition *interest*.

- (b) rights held by the entity that—
 - (i) relate to, or affect, the use of the entity's land and other land; and
 - (ii) enhance the value of the entity's land;
 - (c) an interest in land, and anything fixed to the land, that is the subject of a purchase agreement or sale agreement made by the entity.
- (2) Also, an entity's **land-holdings** includes the land-holdings, under subsection (1), held by the entity for a partnership of which the entity is a partner as if a reference in the subsection to land, an interest in land or rights, were a reference to land, an interest in land or rights held by the entity for the partnership.
 - (3) Also, an entity's **land-holdings** includes the land-holdings, under subsection (1) or (2), of a subsidiary of the entity as if a reference in the subsection to an entity were a reference to the subsidiary.
 - (4) Despite subsections (1) to (3), an entity's land-holdings do not include—
 - (a) for a corporation—land-holdings held on trust by the corporation or a subsidiary of it unless the corporation or any subsidiary of it is a beneficiary of the trust; or
 - (b) for a listed unit trust—land-holdings held on trust by a subsidiary of it unless the listed unit trust or any subsidiary of it is a beneficiary of the trust.

168 What is an entity's *property*

- (1) An entity's *property* means the entity's interest in any property other than a security interest or interest in a trust.
- (2) Also, an entity's *property* includes any property under subsection (1) held by the entity for a partnership of which the entity is a partner.
- (3) Also, an entity's *property* includes any property under subsection (1) or (2) of a subsidiary of the entity as if a reference in the subsection to an entity were a reference to the subsidiary.
- (4) Despite subsections (1) to (3), the entity's property does not include—
 - (a) for a corporation—property held on trust by the corporation or a subsidiary of it unless the corporation or any subsidiary of it is a beneficiary of the trust; or
 - (b) for a listed unit trust—property held on trust by a subsidiary of it unless the listed unit trust or any subsidiary of it is a beneficiary of the trust.

Subdivision 3 Some basic concepts about unencumbered values of land-holdings and property

170 Value of co-owned land-holdings

- (1) If an entity's land-holdings include land-holdings in which it has an interest as co-owner, the unencumbered value of the interests of all co-owners in the land-holdings must be included in working out the unencumbered value of the entity's land-holdings for section 165.

Note—

Even though the unencumbered value of the interests of all co-owners of the land-holdings is included for working out whether an entity is a landholder, only the unencumbered value of the entity's interest in the land-holdings is used under division 4 for working out landholder duty

imposed on the dutiable value of a relevant acquisition. See section 184.

- (2) However, subsection (1) does not apply if the commissioner is satisfied that the co-ownership is not intended to avoid the imposition of landholder duty.

171 Value of land-holdings in uncompleted agreement for transfer included

To remove any doubt, it is declared that the unencumbered value of the land the subject of a purchase agreement or sale agreement made by the entity or a subsidiary of the entity must be included in working out the unencumbered value of an entity's land-holdings.

172 Value of land-holdings held for a partnership

If an entity's land-holdings include land-holdings held for a partnership of which the entity is a partner, the unencumbered value of those land-holdings must be included in working out the unencumbered value of the entity's land-holdings regardless of the entity's interest in the partnership.

173 Value of land-holdings and property—business property disregarded

- (1) For an acquisition of an interest in an entity that is a dutiable transaction to which chapter 2, part 10, applies, business property taken to have no value under the part must be disregarded in working out the unencumbered value of the land-holdings or property of the entity.
- (2) For subsection (1), a repealed s 97(1)(f) transaction is taken to be a dutiable transaction to which chapter 2, part 10, applies.
- (3) A ***repealed s 97(1)(f) transaction*** is a transfer, or agreement for the transfer, of a marketable security in a corporation to which the following applies—
 - (a) the property of the corporation includes business property;

-
- (b) the corporation is a family company for the transferee;
 - (c) the transferor or person directing the transfer is—
 - (i) if the business property is used to carry on a business of primary production—a defined relative of the transferee; or
 - (ii) otherwise—an ancestor of the transferee;
 - (d) the transferee does not acquire the marketable security as—
 - (i) trustee, other than as trustee of a trust for the beneficiaries mentioned in subsection (4); or
 - (ii) agent or nominee of another person;
 - (e) the business for which the business property is used is carried on by the defined relative or ancestor whether alone or with others;
 - (f) the business is intended to be carried on by the transferee, whether alone or with others.
- (4) For subsection (3)(d)(i)—
- (a) the beneficiary of the trust is a minor, and—
 - (i) if the business property is used to carry on a business of primary production—the minor is a defined relative of the person creating the trust; or
 - (ii) otherwise—the minor is a descendant of the person creating the trust; and
 - (b) there are no other beneficiaries of the trust, other than a person who would become a beneficiary of the trust on the death of the beneficiary mentioned in paragraph (a).
- (5) In this section—

family company, for a person, means an exempt proprietary company at least 50% of the value of the shares of which are owned by members of the person's family.

Division 3 Liability for landholder duty

174 When liability for landholder duty arises

A liability for landholder duty imposed on a relevant acquisition arises when the acquisition is made.

175 Who is liable to pay landholder duty

- (1) Landholder duty imposed on a relevant acquisition must be paid by the acquirer.
- (2) However, if a person makes a relevant acquisition because interests are aggregated under section 158(1)(b)(ii), the person and the related persons of the person are jointly and severally liable for the payment of the landholder duty.

177 Landholder duty statement

The acquirer under a relevant acquisition, or for a relevant acquisition mentioned in section 175(2), the acquirer or the related persons of the acquirer must within 30 days after the acquisition is made, lodge a statement in the approved form (a *landholder duty statement*).

Maximum penalty—40 penalty units.

178 Effect of lodging landholder duty statement by acquirer or related person

The lodging, under section 177, of a landholder duty statement by the acquirer or a related person of the acquirer relieves the other person from complying with the section.

Division 4 Working out landholder duty for relevant acquisitions

Subdivision 1 Private landholders

178A Rate of landholder duty

The rate of landholder duty imposed on the dutiable value of a relevant acquisition made in a private landholder is the rate stated in schedule 3, column 2, opposite the dutiable value stated in schedule 3, column 1.

179 Working out dutiable value of relevant acquisition

- (1) The dutiable value of a relevant acquisition in a private landholder is the interest in, or total of interests in, the landholder constituting the relevant acquisition, less any excluded interest of the person at the time of the acquisition, multiplied by the unencumbered value of all Queensland land-holdings of the landholder at the time of the acquisition.

Note—

See also section 14 (What is the *unencumbered value* of property).

- (2) Subsection (3) applies to the following relevant acquisitions—
- (a) a relevant acquisition mentioned in section 158(1)(c);
 - (b) a relevant acquisition made by a person in the following circumstances—
 - (i) the person together with related persons of the person had a significant interest in the private landholder immediately before the relevant acquisition;
 - (ii) the interests of the person and related persons were previously aggregated so that duty under subsection (1) was paid for a relevant acquisition in the private landholder;

(iii) since the relevant acquisition mentioned in subparagraph (ii), no other related person of the person has acquired an interest in the landholder.

- (3) For applying subsection (1) to a relevant acquisition mentioned in subsection (2), the interest is the increased interest in the private landholder that is acquired by the person by the relevant acquisition.

Examples for subsections (2) and (3)—

- 1 A and B are related persons. A holds a 30% interest in a private landholder. B acquires a 25% interest and, when aggregated with A's interest, a significant interest. If A acquires another 5% bringing its interest to 35%, for working out the dutiable value, the interest constituting the relevant acquisition is 5%.
 - 2 A and B are related persons. A holds a 30% interest in a private landholder. B acquires a 25% interest and, when aggregated with A's interest, a significant interest. If A acquires B's 25% interest, for working out the dutiable value, the interest constituting the relevant acquisition is 25%.
- (4) For applying subsection (1) to a relevant acquisition, the interest mentioned in section 409(3) must be disregarded.

Note—

Under section 409(3), landholder duty is not imposed on particular interests acquired under a corporate reconstruction.

- (5) This section has effect subject to a deduction allowed under sections 185 to 188.
- (6) In this section—

excluded interest, of a person who makes a relevant acquisition in a private landholder, is any interest constituting the relevant acquisition—

- (a) held by the person, or a related person of the person, on or before the day that is 3 years before the relevant acquisition, unless—
- (i) the interest was acquired as part of an arrangement; and
 - (ii) the arrangement includes the interest most recently acquired as part of the relevant acquisition; or

- (b) acquired by the person, or a related person of the person, at a time when the landholder did not hold land in Queensland.

Subdivision 2 Public landholders

179A Landholder duty

- (1) Subject to section 179B, the landholder duty imposed on a relevant acquisition made by a person in a public landholder is 10% of the amount of transfer duty that would be imposed on a dutiable transaction under chapter 2, if a transfer of all the Queensland land-holdings of the landholder had happened at the time of the relevant acquisition.
- (2) However, for a relevant acquisition to which section 158(1)(c) applies, no landholder duty is imposed for an increase in the person's interest if—
 - (a) landholder duty for a relevant acquisition by the person in the landholder has previously been imposed under this section; and
 - (b) since making the relevant acquisition for which landholder duty was imposed, the interest of the person constituting the previous acquisition has not reduced.
- (3) This section has effect subject to a deduction allowed under sections 185 to 188.

179B Dutiable value of dutiable transaction for s 179A

- (1) For section 179A, in working out the amount of transfer duty that would be imposed under chapter 2, the dutiable value of the dutiable transaction is the unencumbered value of all Queensland land-holdings of the landholder at the time of the acquisition, reduced by the proportion of the value represented by any excluded interest of the person at the time of the acquisition.
- (2) In this section—

excluded interest, of a person who makes a relevant acquisition in a public landholder, is any interest constituting the relevant acquisition acquired by the person, or a related person—

- (a) before 1 July 2011; or
- (b) at a time when the landholder did not hold land in Queensland.

Subdivision 3 Other provisions for working out dutiable value

180 Aggregation of particular relevant acquisitions

- (1) This section applies for aggregating relevant acquisitions that together form, evidence, give effect to or arise from what is, substantially 1 arrangement if a person makes a relevant acquisition mentioned in section 179(2).
- (2) For assessing landholder duty on each of the relevant acquisitions, the acquisitions must be aggregated and treated as a single relevant acquisition.
- (3) For subsection (1), all relevant circumstances relating to the relevant acquisitions must be taken into account in deciding whether they together form, evidence, give effect to or arise from what is, substantially 1 arrangement.
- (4) For subsection (3), relevant circumstances include the following—
 - (a) whether any of the acquisitions are conditional on entry into, or completion of, any of the other acquisitions;
 - (b) whether the parties to any of the acquisitions are the same;
 - (c) whether any party to an acquisition is a related person of another party to any of the other acquisitions;
 - (d) the time over which the acquisitions take place;

- (e) whether, after the acquisitions take place, the acquirers' interests will be used together or dependently with one another;
 - (f) whether, before the acquisitions take place, the interests were used together or dependently with one another.
- (5) Landholder duty imposed on the relevant acquisition aggregated under this section must—
- (a) be assessed on the total of the dutiable values of the acquisitions when the liability for landholder duty for each of the acquisitions arose; and
 - (b) be apportioned between the acquisitions as decided by the commissioner.
- (6) The acquirer must, when lodging the landholder duty statement relating to the acquisition, give notice to the commissioner stating details known to the acquirer about—
- (a) all of the interests of the acquirer and related persons of the acquirer included or to be included in the arrangement mentioned in subsection (1); and
 - (b) the dutiable value of each relevant acquisition.

Note—

Under the Administration Act, the requirement under this subsection is a lodgement requirement for which a failure to comply is an offence under section 121 of that Act.

182 Unencumbered value of land-holdings of subsidiary of landholder

- (1) This section applies for working out the unencumbered value of the Queensland land-holdings of a landholder under section 179 or 179B, to the extent the land-holdings comprise land-holdings of a subsidiary of the landholder.
- (2) The unencumbered value of the Queensland land-holdings of the landholder is the proportion of the unencumbered value of the land-holdings in Queensland of all the subsidiaries to which the landholder would be entitled, if the subsidiaries, at the same time and without regard to their liabilities—

- (a) for subsidiaries that are corporations—were wound up; or
 - (b) for subsidiaries that are trusts—were terminated.
- (3) For subsection (2), the unencumbered value of the Queensland land-holdings of the subsidiary on the winding up or termination of all the subsidiaries is—
 - (a) if the subsidiary is a corporation, the greatest proportion of the unencumbered value of the land-holdings in Queensland that the landholder would be entitled to under sections 161(1) and 161B(1) applied as if—
 - (i) a reference to a person were a reference to the landholder mentioned in this section; and
 - (ii) a reference to a corporation were a reference to the subsidiary; or
 - (b) if the subsidiary is a unit trust, the greatest proportion of the unencumbered value of the land-holdings in Queensland that the landholder would be entitled to under sections 161A(1), (2) and 161B(1) as if—
 - (i) a reference to a person were a reference to the landholder mentioned in this section; and
 - (ii) a reference to a listed unit trust were a reference to the subsidiary; or
 - (c) if the subsidiary is a trustee of a trust other than a unit trust—the greatest proportion of the unencumbered value of the land-holdings in Queensland of the trust that the landholder could derive at any time from the trust without regard to the liabilities of any of the subsidiaries.
- (4) Without limiting subsection (3)(c), land-holdings may be derived by—
 - (a) the fulfilment of a condition; or
 - (b) the outcome of a contingency; or
 - (c) the exercise or non-exercise of a power or discretion.

- (5) If the Queensland land-holdings of a subsidiary of the landholder includes land-holdings held for a partnership of which the subsidiary is a partner, subsection (2) applies to the unencumbered value of the land-holdings held for the partnership regardless of the subsidiary's interest in the partnership.
- (6) To remove any doubt it is declared that land-holdings may be derived by the landholder even if a subsidiary of the landholder is a beneficiary of a trust.
- (7) If there is more than 1 subsidiary of the landholder that is a beneficiary of a trust, for subsection (2), the proportion of the unencumbered value of the Queensland land-holdings that may be derived from the trust must not be more than the whole.

183 Land transferred for shares or units to be disregarded

- (1) This section applies if the relevant acquisition is the issue of shares or units by a landholder to a person in the following circumstances—
 - (a) the shares or units are issued to the person in consideration of a transfer of land to the landholder by the person;
 - (b) transfer duty is paid for the transfer;
 - (c) the land is not the only land of the landholder;
 - (d) the person is not the only shareholder or unit holder of the landholder.
- (2) In working out the unencumbered value of the Queensland land-holdings of the landholder, the value of the land must be disregarded.

184 Value of co-owned land-holdings

For sections 179 and 179B, if a landholder has an interest in land-holdings as co-owner, the value of the land-holdings is

the unencumbered value of the landholder's interest in the land-holdings.

Subdivision 4 Deductions

185 Deduction—corporate trustee duty

- (1) This section applies if—
 - (a) corporate trustee duty has been paid or is payable on a relevant acquisition under part 2; and
 - (b) land-holdings in which the corporate trustee, or relevant corporation for a corporate trustee, has an interest at the time of the relevant acquisition under part 2, has been included in working out the dutiable value of a relevant acquisition under this part; and
 - (c) the relevant acquisitions are part of the 1 arrangement.
- (2) Landholder duty imposed on the relevant acquisition must be reduced by the amount of corporate trustee duty paid or payable for the land-holdings to the extent that the land-holdings were included in working out the dutiable value of the relevant acquisition under this part.

186 Deduction—transfer duty for particular trusts

- (1) This section applies if—
 - (a) transfer duty has been paid or is payable on a dutiable transaction that is a trust acquisition for a trust, other than a discretionary trust; and
 - (b) land-holdings held by the trustee as trustee of the trust at the time of the transaction has been included in working out the dutiable value of the relevant acquisition under this part; and
 - (c) the acquisitions are part of the 1 arrangement.
- (2) Landholder duty imposed on the relevant acquisition must be reduced by the amount of transfer duty paid or payable for the

land-holdings to the extent that the land-holdings were included in working out the dutiable value of the relevant acquisition under this part.

187 Deduction—transfer duty for marketable securities

- (1) This section applies if—
 - (a) transfer duty is paid or payable for marketable securities the subject of a dutiable transaction or an equivalent duty in another State is paid or payable for the marketable securities; and
 - (b) the dutiable transaction is a relevant acquisition.
- (2) Landholder duty imposed on the relevant acquisition must be reduced by an amount worked out using the following formula—

$$R = \frac{LV \times TD}{PV}$$

where—

LV means the unencumbered value of all Queensland land-holdings of the landholder at the time of the relevant acquisition.

PV means the unencumbered value of all the property of the landholder at the time of the relevant acquisition.

R means the amount of the reduction.

TD is the transfer or equivalent duty paid or payable for the marketable securities.

188 Deduction—mortgage duty

- (1) This section applies if—
 - (a) shares or units in an entity are transferred, or agreed to be transferred, by way of security; and

- (b) afterwards, the transferee acquires ownership of the shares or units free from any interest or equity of the previous holder of the shares or units; and
 - (c) the transferee and related persons of the transferee were to newly acquire all of the shares or units they hold in the entity at the time of the acquisition mentioned in paragraph (b), the acquisition would be a relevant acquisition.
- (2) Also, this section applies if—
 - (a) shares or units in an entity are transferred, or agreed to be transferred, by way of security; and
 - (b) the commissioner is not satisfied of the matter mentioned in section 190; and
 - (c) the acquisition mentioned in paragraph (a) is a relevant acquisition.
- (3) For subsection (1), the transferee is taken to have made a relevant acquisition of the shares or units owned by the transferee and related persons of the transferee.
- (4) Landholder duty imposed on the relevant acquisition must be reduced by any mortgage duty paid on the transfer or agreement to transfer.

Division 5 Exempt acquisitions

189 Exemption—particular share or unit issues

- (1) Landholder duty is not imposed on an acquisition by a person of an interest on the initial allotment of shares or units on the registration of a corporation or the establishment of a listed unit trust.
- (2) Also, landholder duty is not imposed on an acquisition by a person if—

-
- (a) the interest was acquired on the issue of shares or units to a person in consideration of a transfer of land to the corporation or trust by the person; and
 - (b) transfer duty is paid or payable for the acquisition of the land by the corporation or trust; and
 - (c) the land is the only land of the corporation or trust; and
 - (d) the person is the only shareholder or unit holder of the corporation or trust.
- (3) In addition, landholder duty is not imposed on an acquisition by a person if—
- (a) the interest is acquired on a dealing in shares or units for all of the shareholders or unit holders of the corporation or trust; and
 - (b) the interests of the shareholders or unit holders after the dealing are, as near as practicable, the same as the proportions in which they held the shares or units before the dealing; and
 - (c) the rights among the shareholders or unit holders have not changed significantly because of the dealing in the shares or units.
- (4) In this section—
- dealing*, for shares or units, means the issue, cancellation, redemption or buy-back of the shares or units.

190 Exemption—security interests

Landholder duty is not imposed on an acquisition of a security interest if the commissioner is satisfied the interest was not acquired with the intention of avoiding the imposition of landholder duty.

191 Exemption—change of trustee

Landholder duty is not imposed on a relevant acquisition for the sole purpose of giving effect to a change of a trustee if—

- (a) the acquisition is not part of an arrangement—
 - (i) involving a change in the rights or interest of a beneficiary of the trust; or
 - (ii) terminating the trust; and
- (b) the acquisition is not part of an arrangement to avoid the imposition of duty; and
- (c) transfer duty has been paid on all trust acquisitions for which transfer duty is imposed for the trust before the acquisition.

192 Exemption—acquisition by liquidator

Landholder duty is not imposed on a relevant acquisition by a person if the interest was acquired solely in the person's capacity as a liquidator.

193 Exemption—compromise or arrangements

Landholder duty is not imposed on a relevant acquisition by a person if—

- (a) the interest was acquired solely because of the making of a compromise or arrangement with creditors approved under the Corporations Act, part 5.1; and
- (b) the commissioner is satisfied the compromise or arrangement was not made with the intention of avoiding the imposition of landholder duty.

193A Exemption—restructure of stapled entities

- (1) Landholder duty is not imposed on a relevant acquisition if—
 - (a) the purpose of the acquisition is to give effect to a scheme that qualifies or would, on its completion, qualify as a roll-over under the *Income Tax Assessment Act 1997* (Cwlth), subdivision 124.Q; and

- (b) when the scheme is completed, the interposed trust will be a listed unit trust or a widely held unit trust; and
 - (c) the acquisition is not part of an arrangement to avoid the imposition of landholder duty.
- (2) Subsection (1) does not apply if—
- (a) the interposed trust is not a listed unit trust or a widely held unit trust when the scheme is completed; or
 - (b) the interposed trust ceases to be a listed unit trust or a widely held unit trust within 3 years after the scheme is completed; or
 - (c) the interposed trust does not retain all the ownership interests in the stapled entities for at least 3 years after the date of the acquisition.
- (3) Despite subsection (2)(c), subsection (1) continues to apply if the commissioner is satisfied the interposed trust did not retain all the ownership interests because 1 or more of the stapled entities ceased to exist other than under an arrangement, a significant purpose of which was to avoid the requirement to retain all the ownership interests for at least 3 years.
- (4) If subsection (1) does not apply, the commissioner must make a reassessment to impose landholder duty on the relevant acquisition as if the exemption from duty had never applied.
- (5) Subsection (4) applies to the reassessment despite the limitation period under the Administration Act for reassessments.

Note—

See the Administration Act, part 3, division 3.

- (6) If an event mentioned in subsection (2) happens, the acquirer under the relevant acquisition must, within 28 days after the event happens—
- (a) give notice of the event to the commissioner in the approved form; and

- (b) ensure the instruments required for the assessment of duty on the acquisition are lodged for reassessment.

Note—

Failure to give the notice is an offence under the Administration Act, section 120.

- (7) Without limiting subsection (3), a company registered under the Corporations Act ceases to exist if it is deregistered under that Act.

194 Exemption—if transfer duty not imposed

- (1) This section applies for a relevant acquisition that would be a dutiable transaction if marketable securities were dutiable property under chapter 2.
- (2) Landholder duty is not imposed on the acquisition if transfer duty would not be imposed on the dutiable transaction because of an exemption under any of the following provisions—
- sections 123 to 126
 - sections 129 and 130
 - sections 130A and 130B
 - sections 134 and 135
 - section 141
 - section 143.

194A Exemption—marketable securities

Landholder duty is not imposed on a relevant acquisition that is a transfer, or agreement for the transfer, of a marketable security to or from a corporation if—

- (a) the corporation is—
- (i) a financial institution; or
 - (ii) a trustee company under the *Trustee Companies Act 1968*; or

- (iii) a related body corporate of the corporation; or
- (iv) a corporation of a class prescribed under a regulation; and
- (b) the corporation's principal business is to hold property as trustee or nominee for another person; and
- (c) whichever of the following is relevant applies—
 - (i) for a transfer to the corporation—
 - (A) the property is to be held on trust solely for the transferor; and
 - (B) the transfer is not part of an arrangement under which the security will be held on trust for another person;
 - (ii) for a transfer from the corporation—the transfer is a retransfer to the owner in the same capacity as the security was previously held by the owner.

195 Exemption—no liability for transfer duty on acquisition in other way

Landholder duty is not imposed on an acquisition by a person if—

- (a) the land-holdings of a landholder could have been acquired by the person without incurring a liability to pay transfer duty for the acquisition of land other than under chapter 10, part 1; and
- (b) the commissioner is satisfied the acquisition would not have been part of an arrangement to avoid the imposition of landholder duty.

196 Interests acquired under exempt acquisitions disregarded for particular purposes

An interest acquired under an exempt acquisition, other than an exempt acquisition under section 195, must be disregarded as an interest in a landholder when—

- (a) deciding whether a person has, under section 158(1)(b)(i) or (ii), acquired an interest in the corporation; or
- (b) aggregating interests under section 158(1)(b)(i) or (ii).

Division 6 Reassessments for landholder duty

197 When commissioner must make reassessment

- (1) The commissioner must make a reassessment of landholder duty imposed for a relevant acquisition if—
 - (a) at the time of the relevant acquisition, the landholder's land-holdings included—
 - (i) land the subject of—
 - (A) a sale agreement that was later completed; or
 - (B) a purchase agreement that was not completed; or
 - (ii) land-holdings of a trustee of a trust that was a subsidiary of the landholder because of—
 - (A) a trust interest sale agreement that was later completed; or
 - (B) a trust interest purchase agreement that was not completed; and
 - (b) the commissioner is satisfied the agreement was not made or was not part of an arrangement made for the purpose of avoiding the imposition of landholder duty.
- (2) Also, the commissioner must make a reassessment of landholder duty imposed for a relevant acquisition if at the time of the relevant acquisition a person is taken to have acquired an interest in a landholder under an agreement to acquire the interest but the agreement is not completed.

- (3) When reassessing landholder duty under subsection (1), the commissioner must disregard the land mentioned in the subsection in—
 - (a) deciding whether the entity in which the acquisition is made is a landholder; and
 - (b) working out the dutiable value of the relevant acquisition.
- (4) When reassessing the landholder duty under subsection (2), the commissioner must disregard the interest mentioned in the subsection.
- (5) For a reassessment under subsection (1) or (2), the acquirer under the relevant acquisition must lodge the landholder duty statement for the acquisition.
- (6) Subsection (1) or (2) applies to the reassessment despite the limitation period under the Administration Act for reassessments.

Note—

See the Administration Act, part 3 (Assessments of tax), division 3 (Reassessments).

- (7) In this section—
trust interest purchase agreement see section 166.
trust interest sale agreement see section 166.

Division 7 Enforcement

Subdivision 1 Charges

198 Charge over land for unpaid landholder duty

- (1) This section applies if landholder duty is not paid by the date by which the duty must be paid.
- (2) The liability to pay the outstanding amount of landholder duty is a first charge on land owned by the landholder concerned in

the relevant acquisition for which the landholder duty is payable and any subsidiary of the landholder.

- (3) The commissioner may lodge, under the Administration Act, part 4, division 5, a request to register the charge over stated land owned by the landholder or its subsidiary.
- (4) The charge has priority over all other encumbrances over the land.

Subdivision 2 Power of sale

200 Commissioner may apply to Supreme Court for order to sell

- (1) This section applies if—
 - (a) under subdivision 1, a charge has been registered over land; and
 - (b) the outstanding amount of landholder duty has not been paid within 18 months after registration.
- (2) The commissioner may apply to the Supreme Court for an order to sell the land stated in the application.
- (3) At least 6 months before making the application, the commissioner must give notice to the person liable to pay the landholder duty and the owner of the land of the commissioner's intention to apply to the Supreme Court for an order to sell the land unless the outstanding amount of landholder duty is paid within 6 months after the date of the notice.

201 When court must order sale of land

- (1) The court must order the sale of the land if it is satisfied—
 - (a) proper notice of the application for the order was given under section 200; and
 - (b) there is an outstanding amount of landholder duty payable to the State.

- (2) However, the court may make an order only for the land the court considers is sufficient to realise proceeds to pay the amounts mentioned in section 202(a) to (d).

202 Application of proceeds of sale

The proceeds of the sale of land sold under the order must be applied as follows—

- (a) first, in payment of the commissioner's expenses on the application to the court for the order;
- (b) second, in payment of expenses properly incurred by the commissioner on the sale or any attempted sale;
- (c) third, in payment of the outstanding amount of landholder duty under the Administration Act, section 42;
- (d) fourth, in payment of amounts secured by a security interest or charge on the land recorded before the charge mentioned in section 200(1)(a), unless the land is sold subject to the security interest or charge;
- (e) fifth, any balance must be applied as the court orders.

203 Registration of transfer

- (1) If land is sold under the order to sell, the person stated in the order for this section must—
 - (a) sign a transfer in the appropriate form in favour of the purchaser; and
 - (b) lodge the transfer with the registrar.
- (2) The registrar must register the transfer as if it had been signed by the registered owner of the land.
- (3) Subsection (2) applies despite non-production of the relevant instrument of title.

204 Landholder or subsidiary may recover proceeds of sale as debt

- (1) The amount equal to the proceeds of the sale of land under the order less an amount paid under section 202(d) is a debt payable to the entity or subsidiary that previously owned the land by the persons liable to pay the landholder duty for which the order was made.
- (2) The entity or subsidiary may recover the debt in a court of competent jurisdiction.

Part 2 Corporate trustee duty

Division 1 Preliminary

205 Imposition of corporate trustee duty

- (1) This part imposes duty (*corporate trustee duty*) on relevant acquisitions.

Notes—

- 1 Exemptions for corporate trustee duty are dealt with in division 6.
 - 2 Additional foreign acquirer duty is imposed on particular relevant acquisitions under chapter 4.
- (2) Corporate trustee duty is imposed on the dutiable value of a relevant acquisition.

206 Interpretation for property held by partnership or trust

A reference to a partnership or trust holding property is a reference to the holding of the property by the partners for the partnership or trustees for the trust.

Division 2 Some basic concepts for corporate trustee duty

207 What is a *relevant acquisition*

A person makes a *relevant acquisition* if—

- (a) the person acquires a share interest in a corporate trustee or relevant corporation for a corporate trustee; and
- (b) the acquisition is part of an arrangement under which any person obtains, directly or indirectly, a benefit relating to the property held by the corporate trustee on trust.

208 What is a *share interest*

A *share interest* is a person's interest as a shareholder in a corporate trustee or relevant corporation for a corporate trustee.

209 What is a *corporate trustee*

A *corporate trustee* is an unlisted corporation, other than an authorised trustee corporation, that is the trustee of a discretionary trust that—

- (a) holds dutiable property on trust for the discretionary trust; or
- (b) has an indirect interest in dutiable property and that interest is held on trust for the discretionary trust.

Note—

Section 498 includes provision about references to dutiable property.

210 What is a corporate trustee's *indirect interest* in dutiable property

A corporate trustee has an *indirect interest* in dutiable property if it—

- (a) has a partnership interest or trust interest in an ultimate entity; or
- (b) through a series of partnership interests or trust interests, or a combination of any of them, there is a connection between the corporate trustee and dutiable property of a partnership or trust in the series.

211 What is a *relevant corporation* for a corporate trustee

- (1) A corporation is a *relevant corporation* for a corporate trustee if the corporation is an unlisted corporation that has an interest in the corporate trustee.
- (2) For subsection (1), a corporation has an interest in a corporate trustee if—
 - (a) it has a share interest in the corporate trustee; or
 - (b) it has a share interest in a corporation that has a share interest in the corporate trustee.

212 Acquiring share interest in corporation

- (1) A person acquires a share interest in a corporate trustee or relevant corporation for a corporate trustee if—
 - (a) the person becomes a shareholder of the corporate trustee or relevant corporation; or
 - (b) being a shareholder, the person's share interest increases.
- (2) However, the acquisition of a share interest by a beneficiary from the personal representative in the administration of the estate of a deceased person is not an acquisition for this part.

213 Contracted property and trust interests

- (1) For a corporate trustee, contracted property is taken to be dutiable property held by the corporate trustee.

-
- (1A) If a corporate trustee has made a purchase or sale agreement for a trust interest, the corporate trustee is taken to have an indirect interest in the trust-related dutiable property.
 - (2) For determining the dutiable value of a relevant acquisition—
 - (a) a sale agreement made by the corporate trustee is taken not to have been made; and
 - (b) a purchase agreement made by the corporate trustee is taken to have been completed.
 - (3) Subsection (3A) applies if—
 - (a) contracted property, or an indirect interest in dutiable property mentioned in subsection (1A), is included in determining the dutiable value of a relevant acquisition; and
 - (b) the sale agreement for the property or trust interest is later completed or the purchase agreement for the property or trust interest is later rescinded.
 - (3A) The commissioner must make a reassessment as if the contracted property or indirect interest were never held by the corporate trustee.
 - (4) For the reassessment, the acquirer under the relevant acquisition must lodge the corporate trustee duty statement for the acquisition.
 - (5) In this section—

purchase agreement includes an uncompleted agreement, whether or not conditional, for the acquisition of a trust interest through which the corporate trustee would have, if the agreement were completed, an indirect interest in dutiable property (the ***trust-related dutiable property***).

sale agreement includes an uncompleted agreement, whether or not conditional, for the sale of a trust interest through which the corporate trustee has an indirect interest in dutiable property (also the ***trust-related dutiable property***).

Division 3 Liability for corporate trustee duty

214 When liability for corporate trustee duty arises

A liability for corporate trustee duty imposed on a relevant acquisition arises when the acquisition is made.

215 Who is liable to pay corporate trustee duty

Corporate trustee duty imposed on a relevant acquisition must be paid by the acquirer.

216 Rate of corporate trustee duty

The rate of corporate trustee duty imposed on the dutiable value of a relevant acquisition is the rate stated in schedule 3, column 2, opposite the dutiable value relating to the dutiable property in schedule 3, column 1.

217 Corporate trustee duty statement

The acquirer under a relevant acquisition, must within 30 days after the acquisition is made, lodge a statement in the approved form (a *corporate trustee duty statement*).

Maximum penalty—40 penalty units.

Division 4 Apportionment of unencumbered value for particular relevant acquisitions

218 Apportionment—head office or principal place of business in Queensland

- (1) This section applies for determining the unencumbered value of dutiable property that is a Queensland business asset, other than a debt or personal property, of a Queensland business that has its head office or principal place of business in

Queensland if, at any time during the 3 financial years preceding the relevant acquisition concerned—

- (a) a supply of land, money, credit or goods or any interest in them, or provision of services, has been made by the business to customers outside Queensland; or
 - (b) the asset has been used, exploited or exercised in, or relates to, a place outside Queensland.
- (2) A reference in this chapter to the unencumbered value of the property is taken to be a reference to the amount (the *apportioned amount*) worked out using the following formula—

$$AA = UV \times \frac{(TS - OS)}{TS}$$

where—

AA means the apportioned amount.

OS means the gross amount of the supplies and provision of services made by the business to its customers in other States during the 3 completed financial years preceding the relevant acquisition.

TS means the gross amount of supplies and provision of services made by the business to all its customers during the 3 completed financial years preceding the relevant acquisition.

UV means the unencumbered value of the Queensland business asset mentioned in subsection (1).

- (3) However, the commissioner may decide the unencumbered value of the dutiable property on another basis if the commissioner is satisfied the other basis would be more appropriate in particular circumstances.

219 Apportionment—head office or principal place of business in another State

- (1) This section applies for determining the unencumbered value of dutiable property that is a Queensland business asset, other

than a debt or personal property, of a Queensland business that does not have its head office or principal place of business in Queensland if, at any time during the 3 financial years preceding the relevant acquisition concerned—

- (a) a supply of land, money, credit or goods or any interest in them, or provision of services, has been made by the business to customers in Queensland; or
 - (b) the asset has been used, exploited or exercised in, or relates to, Queensland.
- (2) A reference in this chapter to the unencumbered value of the property is taken to be a reference to the amount (the *apportioned amount*) worked out using the following formula—

$$AA = UV \times \frac{QS}{TS}$$

where—

AA means the apportioned amount.

QS means the gross amount of the supplies and provision of services made by the business to its Queensland customers during the 3 completed financial years preceding the relevant acquisition.

TS means the gross amount of supplies and provision of services made by the business to all its customers during the 3 completed financial years preceding the relevant acquisition.

UV means the unencumbered value of the Queensland business asset mentioned in subsection (1).

- (3) However, the commissioner may decide the unencumbered value of the dutiable property on another basis if the commissioner is satisfied the other basis would be more appropriate in particular circumstances.

220 Apportionment of particular acquisitions relating to existing rights

- (1) This section applies for determining the unencumbered value of dutiable property that is an existing right if the right is exercisable or relates to the conduct of a business or an activity outside Queensland.
- (2) A reference in this chapter to the unencumbered value of the right is taken to be a reference to the amount that represents the same proportion of the unencumbered value that the unencumbered value of the right to the extent it is exercisable or relates to the conduct of a business or activity in Queensland bears to the total unencumbered value of the right.
- (3) However, the commissioner may decide the unencumbered value of the right on another basis if the commissioner is satisfied the other basis would be more appropriate in particular circumstances.

Division 5 Dutiable value of relevant acquisitions

221 Acquirer's share interest is proportionate to shares in corporate trustee or relevant corporation

- (1) For a relevant acquisition that is an acquisition of a share interest in a corporate trustee, the acquirer's share interest is the proportion that the number of shares the acquirer has bears to the total issued shares in the corporate trustee expressed as a percentage.
- (2) For a relevant acquisition that is an acquisition of a share interest in a relevant corporation for a corporate trustee if the relevant corporation has an interest in the corporate trustee as mentioned in section 211(2)(a), the acquirer's share interest is worked out by applying the acquirer's share interest in the relevant corporation to the relevant corporation's share interest in the corporate trustee.

- (3) For a relevant acquisition that is an acquisition of a share interest in a relevant corporation for a corporate trustee if the relevant corporation has an interest in the corporate trustee as mentioned in section 211(2)(b), the acquirer's share interest is worked out by applying—
 - (a) the acquirer's share interest in the relevant corporation to the relevant corporation's share interest in the other relevant corporation; and
 - (b) the result worked out under paragraph (a) to the other relevant corporation's share interest in the corporate trustee.
- (4) For subsections (2) and (3)—
 - (a) the acquirer's share interest in the relevant corporation is the proportion that the number of shares the acquirer acquires bears to the total issued shares in the relevant corporation expressed as a percentage; and
 - (b) the relevant corporation's share interest in the corporate trustee is the proportion that the number of shares the relevant corporation holds bears to the total issued shares in the corporate trustee expressed as a percentage.
- (5) Also, for subsection (3), the relevant corporation's share interest in the other relevant corporation is the proportion that the number of shares the relevant corporation holds bears to the total issued shares in the other relevant corporation expressed as a percentage.
- (6) However, if the commissioner is satisfied the acquirer's share interest worked out under subsection (1), (2) or (3) does not accurately represent the acquirer's rights and obligations as a shareholder when compared with the rights and obligations of the other shareholders, the commissioner may decide the acquirer's share interest.
- (7) For applying subsection (1), (2) or (3) to a relevant acquisition that is an increase in the acquirer's share interest, the acquirer's share interest is taken to be the increase in the acquirer's share interest.

222 What is the dutiable value of a relevant acquisition

- (1) The dutiable value of the relevant acquisition is the total of the amounts worked out by applying the acquirer's share interest to the unencumbered value, when the liability for corporate trustee duty arises, of—
 - (a) the dutiable property held on trust by the corporate trustee; and
 - (b) any indirect interest in dutiable property held on trust by the corporate trustee.

Notes—

- 1 Under section 213(1), dutiable property includes contracted property. Also, under section 213(1A), the corporate trustee may be taken to hold an indirect interest in dutiable property through a trust interest that is the subject of a purchase or sale agreement.
 - 2 See section 14 (What is the *unencumbered value* of property).
- (2) For subsection (1)(b), the unencumbered value of an indirect interest of a corporate trustee under section 210(a) is the amount worked out by applying to the unencumbered value of the dutiable property held by the entity in which the corporate trustee has a trust interest or partnership interest the corporate trustee's trust interest or partnership interest in the entity.
 - (3) For subsection (1)(b), the unencumbered value of an indirect interest of a corporate trustee under section 210(b) is the amount worked out by—
 - (a) first applying to the unencumbered value of the dutiable property held by the ultimate entity, the trust interest or partnership interest of the trust or partnership (the ***last beneficiary or partner***) that is a beneficiary or partner of the ultimate entity; and
 - (b) applying to the amount worked out under paragraph (a), and the unencumbered value of any dutiable property held by the last beneficiary or partner, the trust interest or partnership interest of the next trust or partnership in the series of trusts or partnerships that is a beneficiary or partner of the last beneficiary or partner; and

- (c) applying the calculation in paragraph (b) for each of the other trusts or partnerships in the series until the first entity's trust interest or partnership interest is used in the calculation; and
 - (d) applying to the amount last worked out under paragraph (c) and the unencumbered value of any dutiable property held by the first entity, the trust interest or partnership interest of the corporate trustee.
- (4) Schedule 4 contains an example of how the dutiable value of a relevant acquisition is worked out.
- (5) If the corporate trustee is trustee of more than 1 discretionary trust, the unencumbered value of the dutiable property of each trust and each indirect interest held on trust by the corporate trustee must be aggregated in working out the dutiable value of the relevant acquisition.

223 Aggregation of particular relevant acquisitions

- (1) This section applies for aggregating relevant acquisitions that together form, evidence, give effect to or arise from what is, substantially 1 arrangement.
- (2) For assessing corporate trustee duty on each of the relevant acquisitions, the acquisitions must be aggregated and treated as a single relevant acquisition.
- (3) For subsection (1), all relevant circumstances relating to the relevant acquisitions must be taken into account in deciding whether they together form, evidence, give effect to or arise from what is, substantially 1 arrangement.
- (4) For subsection (3), relevant circumstances include the following—
 - (a) whether any of the acquisitions are conditional on entry into, or completion of, any of the other acquisitions;
 - (b) whether the parties to any of the acquisitions are the same;

- (c) whether any party to an acquisition is a related person of another party to any of the other acquisitions;
 - (d) the time over which the acquisitions take place;
 - (e) whether, after the acquisitions take place, the acquirers' interests will be used together or dependently with one another;
 - (f) whether, before the acquisitions take place, the interests were used together or dependently with one another.
- (5) Corporate trustee duty imposed on the relevant acquisition aggregated under this section must—
- (a) be assessed on the total of the dutiable values of the acquisitions when the liability for corporate trustee duty for each of the acquisitions arose; and
 - (b) be apportioned between the acquisitions as decided by the commissioner.
- (6) The acquirer must, when lodging the corporate trustee duty statement relating to the acquisition, give notice to the commissioner stating details known to the acquirer about—
- (a) all of the interests of the acquirer and related persons of the acquirer included or to be included in the arrangement mentioned in subsection (1); and
 - (b) the dutiable value of each relevant acquisition.

Note—

Under the Administration Act, the requirement under this subsection is a lodgement requirement for which a failure to comply is an offence under section 121 of that Act.

Division 6 Exempt acquisitions

224 Exemption—change of trustee

Corporate trustee duty is not imposed on a relevant acquisition for the sole purpose of giving effect to a change of a trustee if—

- (a) the acquisition is not part of an arrangement—
 - (i) involving a change in the rights or interest of a beneficiary of the trust; or
 - (ii) terminating the trust; and
- (b) the acquisition is not part of an arrangement to avoid the imposition of duty; and
- (c) transfer duty has been paid on all trust acquisitions for which transfer duty is imposed for the trust before the acquisition.

225 Exemption—relevant acquisition in family trust

- (1) Corporate trustee duty is not imposed on a relevant acquisition if—
 - (a) the trust of which the corporate trustee is trustee is established and maintained primarily for the benefit of the members of a particular family or a family company; and
 - (b) the acquirer under the relevant acquisition is a member of the family who, or is a family company that, does not hold the shares acquired as trustee.
- (2) A trust is established and maintained primarily for the benefit of the members of a particular family or a family company if—
 - (a) the primary beneficiaries of the trust consist only of members of the family or the family company; and
 - (b) the takers in default of an appointment for capital by the trustee of the trust consist only of members of the family or the family company.
- (3) However, subsection (2)(b) is taken to be satisfied if the last taker in default of an appointment for capital by the trustee of the trust is—
 - (a) a person decided under the *Succession Act 1981*; or
 - (b) a charitable institution.

- (4) For applying this section, a person (the *first person*) is a member of the particular family of another person (the *other person*) if—
- (a) the first person is the spouse of the other person; or
 - (b) the first person, or the first person's spouse, is any of the following in relation to the other person, or the other person's spouse—
 - (i) child, stepchild or adopted child;
 - (ii) grandchild or great grandchild;
 - (iii) brother, sister, aunt, uncle or cousin;
 - (iv) parent, step-parent, adoptive parent, grandparent or great grandparent.

spouse includes former spouse.

226 Exemption—if transfer duty not imposed

Corporate trustee duty is not imposed on a relevant acquisition that is a dutiable transaction on which transfer duty is not imposed because of an exemption under sections 123 to 126.

Division 7 Deductions and reassessments

227 Deduction—interstate transfer duty for shares

- (1) This section applies if—
- (a) interstate transfer duty is paid or payable for a transfer, or agreement for the transfer, of shares of a corporate trustee or relevant corporation for a corporate trustee; and

- (b) the transfer or agreement is a relevant acquisition.
- (2) Corporate trustee duty imposed on the relevant acquisition must be reduced by the amount of the interstate transfer duty.
- (3) In this section—
interstate transfer duty means a duty in another State equivalent to transfer duty under this Act.

228 Deduction—transfer duty for trust acquisition

- (1) This section applies if—
 - (a) a person makes a trust acquisition for which transfer duty is paid or payable; and
 - (b) the acquisition is a relevant acquisition.
- (2) Corporate trustee duty imposed on the relevant acquisition must be reduced by the amount of transfer duty paid or payable.

229 When commissioner must make reassessment

- (1) The commissioner must make a reassessment of corporate trustee duty imposed for a relevant acquisition if at the time of the relevant acquisition a person is taken to have acquired a share interest in a corporation under an agreement to acquire the interest but the agreement is not completed.
- (2) When reassessing the corporate trustee duty under subsection (1), the commissioner must disregard the interest mentioned in the subsection.
- (3) For the reassessment, the acquirer under the relevant acquisition must lodge the corporate trustee duty statement for the acquisition.

Note—

An exemption for AFAD is dealt with in part 4A.

- (4) Part 4 provides for how AFAD is calculated.
- (5) The AFAD imposed on a relevant transaction is added to the duty imposed on the transaction under chapter 2 or 3.
- (6) To remove any doubt, it is declared that, unless the contrary intention appears—
 - (a) a reference in this Act to transfer duty is a reference to duty imposed under chapter 2 and AFAD relating to transfer duty imposed under this chapter; and

- (b) a reference in this Act to landholder duty is a reference to duty imposed under chapter 3, part 1 and AFAD relating to landholder duty imposed under this chapter; and
- (c) a reference in this Act to corporate trustee duty is a reference to duty imposed under chapter 3, part 2 and AFAD relating to corporate trustee duty imposed under this chapter.

Part 3 Liability for AFAD

240 Conditions for imposing AFAD

 - (a) the property condition under section 241 applies; and
 - (b) an acquirer under the transaction is a foreign person.
- (2) Also, AFAD is imposed on a relevant transaction that is an agreement for the transfer of dutiable property if—
 - (a) the commissioner is satisfied—
 - (i) a person (the *agent*) is appointed in writing as an agent for another person (the *principal*); and
 - (ii) under the appointment, the agent enters into the agreement for the transfer of the dutiable property from a person to the agent on behalf of the principal (the *agreement*); and
 - (iii) the principal provided all the consideration, including any deposit paid; and
 - (b) at the time the liability for transfer duty on the agreement arises—
 - (i) the property condition under section 241 applies; and
 - (ii) AFAD is not imposed on the agreement under subsection (1); and
 - (iii) the principal is a foreign person.
- (3) For subsection (2)(a)(i), the commissioner must not be satisfied the person was properly appointed as agent unless the original instrument of appointment, or a copy of it, is lodged.

241 Property condition for imposing AFAD

- (1) This section states the property condition for section 240.
- (2) If the relevant transaction is a dutiable transaction, the property condition is that—
 - (a) for a dutiable transaction mentioned in section 9(1)(a) to (e) or (h) for dutiable property other than an existing right—the dutiable property is AFAD residential land; or

 - (ii) a new right mentioned in schedule 6, definition *new right*, paragraph (c) for which the dutiable property is AFAD residential land; or
 - (d) for a dutiable transaction mentioned in section 9(1)(g)—the partnership acquisition is an acquisition of a partnership interest in a partnership that—
 - (i) holds dutiable property that is AFAD residential land; or

 - (b) for corporate trustee duty—the dutiable property held on trust by the corporate trustee, or in which the corporate trustee has an indirect interest that is held on trust, includes AFAD residential land.

241A Imposition of AFAD—pre-incorporation contracts

- (1) This section applies if—
- (a) a transferee enters into an agreement for the transfer of dutiable property for, or for the benefit of, a company proposed to be registered under the Corporations Act; and
 - (b) the company is named in the agreement; and
 - (c) the company, or a company that is reasonably identifiable with it, is registered under the Corporations Act; and
 - (d) under the Corporations Act, section 131, the company ratifies the agreement after it is registered; and
 - (e) the dutiable property is AFAD residential land; and
 - (f) the company is a foreign corporation when the dutiable property is transferred to it.
- (2) AFAD is imposed on the dutiable transaction that is the agreement.

Note—

Under section 116(4), transfer duty is not imposed on the transfer of the dutiable property to the company if transfer duty imposed on the

agreement (including AFAD imposed under subsection (2)) is paid. See also section 231(6).

Part 4 Calculating AFAD

242 Definitions for pt 4

In this part—

foreign acquirer means an acquirer who is a foreign person.

foreign acquirer's interest, under a relevant transaction, means the proportion that the share of the foreign acquirer under the transaction bears to the total of the shares of all acquirers under the transaction.

Example—

Under a relevant transaction that is a relevant acquisition on which landholder duty is imposed, person A (a foreign acquirer) and person B (not a foreign acquirer) each acquire a 45% interest in a public landholder. The proportion of person A's share under the transaction is 50% (a 45% interest of a total interest of 90% acquired under the transaction). Person A's foreign acquirer's interest is therefore 50%.

243 Non-application of concessions

The following provisions do not apply to the calculation or payment of AFAD imposed under this chapter—

- chapter 2, part 9
- chapter 2, part 10
- section 173.

244 AFAD for transfer duty

- (1) This section applies if, under part 3, AFAD relating to transfer duty is imposed on a dutiable transaction.
- (2) AFAD is imposed at the rate of 8% on the following amount—

- (a) for a dutiable transaction under section 9(1)(a) to (e) or (h) for dutiable property other than an existing right—the dutiable value of the transaction to the extent of the foreign acquirer’s interest in the AFAD residential land that is the subject of the transaction;
 - (b) for a dutiable transaction under section 9(1)(a) to (e) or (h) for dutiable property that is an existing right—the dutiable value of the transaction to the extent of the foreign acquirer’s interest in the existing right mentioned in section 241(2)(b) that is the subject of the transaction;
 - (c) for a dutiable transaction under section 9(1)(f)—the dutiable value of the transaction to the extent of the foreign acquirer’s interest in the new right mentioned in section 241(2)(c) that is the subject of the transaction;
 - (d) for a dutiable transaction under section 9(1)(g) or (i)—the dutiable value of the transaction—
 - (i) to the extent the partnership acquisition, trust acquisition or trust surrender relates to AFAD residential land; and
 - (ii) to the extent of the foreign acquirer’s interest in the partnership acquisition, trust acquisition or trust surrender.
- (3) However, if AFAD is imposed on a dutiable transaction under section 240(2) or 241A, AFAD is imposed at the rate of 8% on the dutiable value of the transaction to the extent of the acquirer’s interest in—
- (a) the AFAD residential land that is the subject of the transaction; or
 - (b) the existing right mentioned in section 241(2)(b) that is the subject of the transaction.

245 AFAD for landholder duty

- (1) This section applies if, under part 3, AFAD relating to landholder duty is imposed on a relevant acquisition.

- (2) AFAD is imposed on a relevant acquisition made in a private landholder at the rate of 8% on the dutiable value of the acquisition—
 - (a) to the extent the dutiable value relates to land-holdings of the landholder that are AFAD residential land; and
 - (b) to the extent of the foreign acquirer's interest in the relevant acquisition.
- (3) AFAD is imposed on a relevant acquisition made in a public landholder, to the extent of the foreign acquirer's interest in the relevant acquisition, in the amount calculated in the way landholder duty is calculated under section 179A but with the changes stated in subsection (4).
- (4) For subsection (3), in relation to the calculation of transfer duty as mentioned in section 179A—
 - (a) the dutiable transaction mentioned in that section is treated as being limited to the transfer of the AFAD residential land; and
 - (b) the amount of transfer duty that would be imposed on the transaction as mentioned in that section is calculated at the rate of 8%.

245A AFAD for corporate trustee duty

- (1) This section applies if, under part 3, AFAD relating to corporate trustee duty is imposed on a relevant acquisition.
- (2) AFAD is imposed at the rate of 8% on the dutiable value of a relevant acquisition—
 - (a) to the extent the dutiable property held on trust by the corporate trustee, or in which the corporate trustee has an indirect interest that is held on trust, is AFAD residential land; and
 - (b) to the extent of the foreign acquirer's interest in the relevant acquisition.

Part 4AA Concessions for eligible BTR developments

Division 1 Preliminary

245B Application of part

- (1) This part applies in relation to a relevant transaction that—
 - (a) is the transfer, or agreement for the transfer, of dutiable property that is AFAD residential land; and
 - (b) is entered into on or after 1 July 2023.
- (2) However, this part does not apply in relation to a relevant transaction mentioned in subsection (1) if—
 - (a) the transfer or agreement replaces a transfer, or an agreement for transfer, that—
 - (i) included the dutiable property; and
 - (ii) was made before 1 July 2023; or
 - (b) the transferee had an option to purchase the dutiable property, or the transferor had an option to require the transferee to purchase the dutiable property, that was granted before 1 July 2023 and exercised on or after 1 July 2023; or
 - (c) another arrangement was made before 1 July 2023 the sole or main purpose of which was to defer the making of the transfer or agreement until 1 July 2023 or later so a concession under this part would apply in relation to the relevant transaction.

245C Definitions for part

In this part—

acquisition year, in relation to a relevant transaction, means the financial year during which the liability for transfer duty on the relevant transaction arises.

build to rent development see the *Land Tax Act 2010*, section 58D.

completed stage, of a staged development, see the *Land Tax Act 2010*, section 58E(4).

eligible BTR development see the *Land Tax Act 2010*, section 58E.

ineligible to obtain a BTR land tax concession, in relation to land for a financial year, see section 245D(3).

land used for an eligible BTR development, for a financial year, see the *Land Tax Act 2010*, section 58C.

obtains a BTR land tax concession, in relation to land for a financial year, see section 245D(1).

staged development see the *Land Tax Act 2010*, section 58D(4).

245D When a person obtains a BTR land tax concession or is ineligible to obtain a BTR land tax concession

- (1) A person ***obtains a BTR land tax concession***, in relation to land for a financial year, if the person's liability under the *Land Tax Act 2010* for land tax for the financial year is assessed on the basis that a concession under section 58B of that Act applies in relation to the land.

Note—

See the *Land Tax Act 2010*, section 7 for when a liability for land tax arises.

- (2) To remove any doubt, it is declared that subsection (1) does not apply if the person's liability for the financial year is later reassessed under the *Land Tax Act 2010*, part 6A, division 5 on the basis that the concession under section 58B of that Act does not apply in relation to the land.
- (3) A person is ***ineligible to obtain a BTR land tax concession***, in relation to land for a financial year, if the person's liability under the *Land Tax Act 2010* for land tax for the financial year would be assessed on the basis that a concession under

section 58B of that Act does not apply in relation to the land, whether or not—

- (a) a liability for land tax for the financial year has arisen; or
- (b) the time for making an assessment has arisen.

245E Particular references to land, acquirer and land used for an eligible BTR development

(1) In this part—

- (a) a reference to the land, in relation to a relevant transaction, is a reference to the land the subject of the relevant transaction; and
- (b) a reference to the acquirer, in relation to a relevant transaction, is a reference to the acquirer under the relevant transaction.

(2) Also, a reference in this part to land used for an eligible BTR development at a particular time, rather than for a financial year, is a reference to land to which both of the following apply—

- (a) the land is land used for an eligible BTR development for the financial year during which the particular time occurs;
- (b) during the period starting at midnight on 30 June immediately preceding the particular time and ending at the particular time, nothing has happened that would prevent the land being land used for an eligible BTR development for the financial year starting on the next 1 July.

Examples of matters that would prevent the land being land used for an eligible BTR development for the financial year starting on the next 1 July—

- 1 During the period mentioned in paragraph (b), the percentage of dwellings in the eligible BTR development that are discounted rent dwellings within the meaning of the *Land Tax Act 2010* is less than 10% for more than 30 days.

- 2 During the period mentioned in paragraph (b), the dwellings in the eligible BTR development cease to be managed in compliance with the *Land Tax Act 2010*, section 58M.

Division 2 Concessions

245F Concession—land to be used for eligible BTR development

- (1) This section applies for calculating the amount of AFAD imposed under this chapter on a relevant transaction if—
 - (a) at the time the liability for transfer duty on the relevant transaction arises, a build to rent development is not located on the land; and
 - (b) the acquirer is a foreign acquirer; and
 - (c) the acquirer will—
 - (i) construct a build to rent development on the land on or before 30 June 2030; and

Note—

See the *Land Tax Act 2010*, section 58D for the period during which a building must become suitable for occupation to be a build to rent development and for the modification of that requirement for a staged development.

- (ii) use the land and the build to rent development in a way that makes the acquirer eligible to obtain a BTR land tax concession in relation to the land for at least 5 consecutive financial years; and
 - (d) the acquirer will not transfer or subdivide the land before the acquirer—
 - (i) has obtained a BTR land tax concession in relation to the land for any financial year; or
 - (ii) has obtained a BTR land tax concession in relation to the land for at least 5 consecutive financial years.

- (2) To the extent of the foreign acquirer's interest under the relevant transaction, the dutiable value of the dutiable property must be discounted by 100%.

245G Concession—land used for eligible BTR development

- (1) This section applies for calculating the amount of AFAD imposed under this chapter on a relevant transaction if—
- (a) at the time the liability for transfer duty on the relevant transaction arises—
 - (i) the land is land used for an eligible BTR development; and
 - (ii) if the eligible BTR development is a staged development—each stage of the development is a completed stage; and
 - (b) the transferor obtained a BTR land tax concession in relation to the land for the financial year before the acquisition year; and
 - (c) the acquirer is a foreign acquirer; and
 - (d) the acquirer will use the land and the eligible BTR development in a way that makes the acquirer eligible to obtain a BTR land tax concession in relation to the land for at least 5 consecutive financial years; and
 - (e) the acquirer will not transfer or subdivide the land before the acquirer has obtained a BTR land tax concession in relation to the land for at least 5 consecutive financial years.
- (2) To the extent of the foreign acquirer's interest under the relevant transaction, the dutiable value of the dutiable property must be discounted by 100%.

Division 3 Applications for concessions and rulings

245H Application for concession

- (1) An application for a concession under division 2 for AFAD on a relevant transaction must be made in the approved form.
- (2) The application must be made—
 - (a) when the instrument that effects or evidences the relevant transaction is lodged for assessment; or
 - (b) when the acquirer first applies under the *Land Tax Act 2010*, section 58S to have the acquirer's liability for land tax for a financial year assessed on the basis that the land is land used for an eligible BTR development for the financial year.

245I Application for ruling about concession

- (1) This section applies if—
 - (a) a person proposes—
 - (i) to be a party to a transaction that would be a relevant transaction to which this part applies; and
 - (ii) to construct a build to rent development on the land on or before 30 June 2030 and use the land and the build to rent development in the way mentioned in section 245F(1)(c)(ii); and
 - (b) the person has applied under the *Land Tax Act 2010*, section 58T for a ruling on whether, if the proposed development is carried out, the person's liability for land tax for a financial year will be assessed on the basis that a concession under section 58B of that Act applies in relation to the land.
- (2) The person may apply to the commissioner for a ruling on whether, if the proposed development is carried out, the

concession under section 245F will apply in relation to the relevant transaction.

- (3) The application must—
 - (a) be in the approved form; and
 - (b) be supported by enough information to enable the commissioner to make a ruling.
- (4) The commissioner must give the applicant notice of the commissioner's ruling on the application.

245J Effect of ruling about concession

- (1) This section applies if the commissioner has, on an application for a ruling under section 245I, decided that a relevant transaction will be assessed on the basis that the concession under section 245F will apply in relation to the transaction.
- (2) The commissioner must, on an application under section 245H for a concession under section 245F, decide to assess the relevant transaction on the basis that the concession under section 245F applies in relation to the transaction.
- (3) However, subsection (2) does not apply if—
 - (a) the information given with the application for the concession differs in a material particular from the information given with the application for the ruling; or
 - (b) the circumstances existing at the time the application for the concession is made are materially different from the circumstances existing at the time the application for the ruling was made; or
 - (c) the information given with the application for the ruling was false or misleading in a material particular; or
 - (d) both of the following apply—
 - (i) after the ruling is made but before the application for the concession is decided, a legislative change

takes effect, a judgment of a court is given or a decision by QCAT is made;

- (ii) the legislative change, judgment or decision would, if it had taken effect or been given or made before the ruling was made, have materially affected the ruling made by the commissioner.

- (4) In this section—

information includes a document.

Division 4 Reassessment provisions

245K Reassessment—application for AFAD concession made with application for land tax concession

- (1) This section applies if—
 - (a) an application is made under section 245H, at the time mentioned in section 245H(2)(b), for a concession for AFAD on a relevant transaction; and
 - (b) the commissioner decides the concession applies in relation to the relevant transaction.
- (2) The commissioner must make a reassessment of the relevant transaction on the basis that the concession is applied in relation to the transaction.
- (3) Subsection (2) applies despite the limitation period under the Administration Act for reassessments.

Note—

See the Administration Act, part 3 (Assessments of tax), division 3 (Reassessments).

245L Reassessment—avoidance arrangement

- (1) This section applies if the commissioner is satisfied an acquirer under a relevant transaction has entered into an arrangement, whether in writing or otherwise, to circumvent

limitations on, or requirements affecting, eligibility for a concession under division 2.

- (2) The commissioner may make a reassessment to impose AFAD on the relevant transaction, to the extent of the acquirer's interest in the dutiable property, on the basis that the acquirer was not entitled to the concession.

245M Reassessment—noncompliance with requirements for AFAD concession under s 245F

- (1) This section applies if AFAD is not imposed on a relevant transaction only because a concession under section 245F is applied in relation to the transaction.
- (2) The commissioner must make a reassessment under subsection (3) if the commissioner is satisfied any of the following circumstances apply in relation to the land—
 - (a) the acquirer does not construct a build to rent development on the land on or before 30 June 2030;

Note—

See the *Land Tax Act 2010*, section 58D for the period during which a building must become suitable for occupation to be a build to rent development and for the modification of that requirement for a staged development.

- (b) the acquirer transfers or subdivides the land before the acquirer has obtained a BTR land tax concession in relation to the land for any financial year;
 - (c) if the acquirer has not obtained a BTR land tax concession in relation to the land for any financial year before the 2032–2033 financial year—the acquirer does not obtain a BTR land tax concession in relation to the land for the 2032–2033 financial year;
 - (d) if the acquirer has not obtained a BTR land tax concession in relation to the land for any financial year—an event happens, or does not happen, as a result of which the acquirer is ineligible to obtain a BTR land tax concession in relation to the land for any financial year;

- (e) if the acquirer first obtains a BTR land tax concession in relation to the land for the 2032–2033 financial year or an earlier financial year (in either case the *first concession year*)—
 - (i) an event happens, or does not happen, as a result of which the acquirer is ineligible to obtain a BTR land tax concession in relation to the land for any 1 of the 4 financial years following the first concession year; or
 - (ii) the acquirer transfers or subdivides the land before the acquirer has obtained a BTR land tax concession in relation to the land for at least 5 consecutive financial years.
- (3) The commissioner must make a reassessment to impose AFAD on the relevant transaction as if, at the time the liability for transfer duty on the transaction arose, the concession did not apply in relation to the transaction.
- (4) For subsection (3), the circumstance mentioned in subsection (2)(c) is taken to apply if the acquirer does not make an application under the *Land Tax Act 2010*, section 58S in relation to the land for the 2032–2033 financial year within the period mentioned in section 58S(2)(b) of that Act.
- (5) The reassessment must be made—
 - (a) for a circumstance mentioned in subsection (2)(a)—on or before 30 June 2035; or

- (2) The person is entitled to recover the amount from a following person as a debt, to the extent the amount exceeds the amount that would have been payable if AFAD had not been imposed on the transaction—
 - (a) the foreign acquirer;
 - (b) the agent for the principal who is a foreign person as mentioned in section 240(2);
 - (c) the transferee mentioned in section 241A if the dutiable property has been transferred to the company.

Chapter 5 Mortgage duty

Part 1 Preliminary

247 Imposition of mortgage duty

- (1) This chapter imposes duty (*mortgage duty*) on instruments that are mortgages, particular caveats claiming an interest under mortgages and particular releases of mortgages.

Note—

Concessions and exemptions for mortgage duty are dealt with in parts 6 and 7. Also, other exemptions are dealt with in chapter 10.

- (2) Mortgage duty is imposed on the amount secured by a mortgage.

Note—

See part 4 (Amount secured by a mortgage).

247A Abolition of mortgage duty from 1 July 2008

- (1) Despite anything to the contrary in this chapter, mortgage duty is not imposed—
 - (a) on a mortgage first signed, or that first affects property in the State, on or after 1 July 2008; or
 - (b) in relation to an advance or further advance made on or after 1 July 2008, under a mortgage first signed, or that first affects property in the State, before 1 July 2008; or
 - (c) on an instrument that, on the deposit of instruments of title to property in Queensland, first becomes a mortgage or evidences the terms of a mortgage on or after 1 July 2008.
- (2) This section is subject to chapter 17, part 9, division 1.

Part 2 Some basic concepts for mortgage duty

248 What is a *mortgage*

- (1) An instrument is a *mortgage* if it is—
 - (a) a security by way of mortgage or charge over property wholly or partly in Queensland; or
 - (b) a security by way of a transfer of property wholly or partly in Queensland to a trustee, to be sold or otherwise converted into money, redeemable before the sale or conversion, other than if the transfer is made for the benefit of creditors who accept the transfer in full satisfaction of debts owed to them; or
 - (c) any transfer, or agreement for the transfer, of property wholly or partly in Queensland that is apparently absolute but is intended only as security; or

Note—

See section 32 (Transfer by way of security—land).

- (d) an instrument that, on the deposit of instruments of title to property wholly or partly in Queensland, becomes a mortgage or evidences the terms of a mortgage.
- (2) However, for this chapter, an instrument mentioned in subsection (1)(a) is a mortgage only if it is a security by way of mortgage or charge over property wholly or partly in Queensland at the liability date.
- (3) For sections 262, 268, 269, 276 and 281, a reference to a mortgage or previous mortgage includes a reference to a mortgage first signed before the repeal of the repealed Act.

249 What is an *advance*

- (1) An *advance* is the provision or obtaining of funds by way of financial accommodation by—
 - (a) a loan; or
 - (b) a bill facility that is 1 or more agreements, understandings or arrangements as a consequence of which a bill of exchange or promissory note—
 - (i) is drawn, accepted, endorsed or made; or
 - (ii) is held, negotiated or discounted.
- (2) Subsection (1)(b) applies whether or not the funds are obtained from—
 - (a) the person who draws, accepts, endorses or makes the bill of exchange or promissory note; or
 - (b) a person who is a party to any of the agreements, understandings or arrangements.
- (3) An *advance* includes a contingent liability under section 259.
- (4) However, the term does not include an amount provided or obtained on the security of a mortgage for—
 - (a) insurance of the secured property against fire; or
 - (b) keeping or effecting a policy of life insurance; or

- (c) payment of duty for the security or any loan other than a current account secured by the mortgage.

250 What is a *loan*

Each of the following is a *loan*—

- (a) an advance of money;
- (b) the payment of money for or on account of, or at the request of, any person;
- (c) a forbearance to require the payment of money owing on any account;
- (d) any transaction, whatever its terms or form, that in substance effects a loan of money.

251 Location of property

- (1) For this chapter, the following property is taken to be located in the place stated—
 - (a) marketable securities of a company—in the State the company is taken to be registered under the Corporations Act;
 - (b) units in a unit trust—in the place where the register on which the units are registered is kept or, if the register is not kept in Australia, in the place of residence of the manager or responsible entity of the unit trust;
 - (c) debt securities of a government of a State—in that State;
 - (d) an insured person's interest in, or right to receive amounts payable under, a policy of insurance that is security for a premium funding agreement—the place of residence of the insured person.
- (2) Subsection (1)(a) is declared to be a Corporations legislation displacement provision for the Corporations Act, section 5G, in relation to section 1070A(4) of that Act.

251A Treatment of mortgages affecting property in Victoria or Tasmania

- (1) For this chapter, a mortgage or mortgage package affecting property located in Victoria is taken to have been properly stamped, stamped with similar duty, duly stamped or exempt from duty under the *Duties Act 2000* (Vic) only to the extent the mortgage or mortgage package was properly stamped, stamped with similar duty, duly stamped or exempt from duty under that Act before 1 July 2004.
- (2) For this chapter, a mortgage or mortgage package affecting property located in Tasmania is taken to have been properly stamped, stamped with similar duty, duly stamped or exempt from duty under the *Duties Act 2001* (Tas) only to the extent the mortgage or mortgage package was properly stamped, stamped with similar duty, duly stamped or exempt from duty under that Act before 1 July 2007.

Part 3 Liability for mortgage duty

252 When liability for mortgage duty arises

- (1) A mortgage is liable to mortgage duty when it is first signed.
- (2) A mortgage is liable to mortgage duty on the making of an advance or further advance that results in the total amount secured by the mortgage exceeding the amount secured by it for which it has been properly stamped, or is exempt from duty, under this or a corresponding Act.
- (3) Subsection (4) applies to an instrument of security if—
 - (a) the instrument does not affect property in Queensland when it is first signed; and
 - (b) the instrument affects property in Queensland—
 - (i) for land, other than a security interest—within 1 year after the instrument is first signed; or
 - (ii) for other property—at any time after the instrument is first signed; and

- (c) for other property mentioned in paragraph (b)(ii)—
 - (i) the property is specifically identified, whether or not in the instrument, when the instrument is first signed; and
 - (ii) under an arrangement in place when the instrument is first signed, the property is intended to be secured by the security.
- (4) The instrument of security is liable for mortgage duty when it first affects the property or land unless it is stamped with, or is exempt from, similar duty under a corresponding Act.
- (5) An instrument that, on the deposit of instruments of title to property in Queensland, becomes a mortgage or evidences the terms of a mortgage is liable to mortgage duty on the deposit of the instruments.

253 Who is liable to pay mortgage duty

Mortgage duty imposed on a mortgage must be paid by the mortgagor.

254 Rate of mortgage duty

The rate of mortgage duty imposed on a mortgage is 20c for each \$100, or part of \$100, of the amount secured by the mortgage as determined under part 4.

255 Lodging mortgage

The mortgagor or mortgagee under a mortgage must, within 30 days after the liability for mortgage duty arises, lodge the mortgage.

256 Effect of lodging mortgage by mortgagor or mortgagee

The lodging, under section 255, of a mortgage by the mortgagor or mortgagee relieves the other person from complying with the section.

257 Stamping before advance

- (1) A mortgage may be stamped before an advance whether or not an earlier advance has been made.
- (2) A mortgage mentioned in section 260 or 261 may be stamped to secure any amount exceeding that to which it is already stamped based on the dutiable proportion for the mortgage when it is stamped.

Part 4 Amount secured by a mortgage

258 What is the amount secured by a mortgage

- (1) The amount secured by a mortgage is the amount of advances actually secured by it and recoverable under it.
- (2) However, if—
 - (a) a mortgage has been properly stamped, or is exempt from duty, under this or a corresponding Act for an amount of advances secured by the mortgage; and
 - (b) a further advance secured by the mortgage is made; and
 - (c) the total amount secured by the mortgage exceeds the amount for which the mortgage has been properly stamped;

the amount secured by the mortgage is, for section 247(2), the excess amount mentioned in paragraph (c).

259 Contingent liabilities

- (1) This section applies to a mortgage securing or capable of securing, whether directly or indirectly, an amount contingently payable (the *secured amount*) in connection with an advance (the *primary advance*)—
 - (a) by a guarantor or indemnifying party under a guarantee or indemnity; or
 - (b) by another party under another type of instrument.

- (2) Mortgage duty must be assessed on the secured amount as if it were a separate advance secured by the mortgage.
- (3) For subsection (2), the contingent liability is limited to the amount of the primary advance.
- (4) This section—
 - (a) does not apply if the commissioner is satisfied there is no connection between the mortgage and the primary advance; and
 - (b) does not require mortgage duty to be paid more than once for an advance.

260 Mortgage over property not wholly in Queensland

- (1) Mortgage duty must be assessed for a mortgage over property that is partly in and partly outside Queensland as if the amount secured by it were only the dutiable proportion.
- (2) For subsection (1), the dutiable proportion is the proportion of the amount secured by the mortgage on which mortgage duty is imposed that, at the liability date, the value of property in Queensland affected by the mortgage bears to the value of all property affected by it, other than property located outside Australia or in a Territory or in Victoria or Tasmania.
- (3) The dutiable proportion must be worked out by reference to the property values according to a referable point.
- (4) For subsection (3), a referable point is any of the following prepared in the year before the liability date for the mortgage—
 - (a) an independent valuation of the secured property;
 - (b) a statement of the mortgagee based on information obtained by the mortgagee in deciding to make the advance to the mortgagor;
 - (c) property valuations used by the mortgagor in preparing an annual return to be lodged under the Corporations Act;

- (d) a financial report of the mortgagor, certified by an independent auditor as presenting a true and fair view of a corporation's financial position;
 - (e) agreed property valuations that form the basis of the mortgagor's insurance policies;
 - (f) another document the commissioner considers to be appropriate for working out the dutiable proportion.
- (5) However, if there is more than 1 referable point for a mortgage, the referable point is the later or latest of the referable points.
- (6) Also, the acceptable referable point must be the same acceptable referable point used to determine liability to duty under a corresponding Act.

261 Advances secured by mortgage package

- (1) If—
- (a) at a liability date, 2 or more security instruments secure or partly secure the same amount; and
 - (b) at least 1 of the instruments is a security affecting property wholly or partly outside Queensland; and
 - (c) at least 1 of the instruments is a mortgage;
- the instruments are a *mortgage package*.
- (2) Also, a *mortgage package* includes—
- (a) a mortgage signed after the liability date if the commissioner is satisfied the mortgage was intended to be part of the package; and
 - (b) a mortgage previously collateral to an earlier advance under 1 or more of the other mortgages in the package.
- (3) Mortgage duty must be assessed under this part on the mortgage package as if the instruments comprising the mortgage package were 1 mortgage, first signed on the day the last of the signed instruments was signed.

- (4) One of the mortgages in the mortgage package must be stamped with the mortgage duty paid in Queensland for the mortgage package and all other mortgages in the mortgage package must be stamped as a collateral mortgage.

262 Collateral mortgage

- (1) Mortgage duty is not imposed on the part of the amount secured by a collateral mortgage that is secured by—
 - (a) a mortgage or security instrument that is properly stamped under this Act or a corresponding Act; or
 - (b) a mortgage package that has been properly stamped under section 261 or a corresponding Act.
- (1A) However, a mortgage (a *secondary mortgage*) that secures all or part of the same amount as another mortgage, security instrument or mortgage package that affects property located in Victoria or Tasmania and has been properly stamped under this Act or a corresponding Act is taken not to be a collateral mortgage if the commissioner is satisfied there was an arrangement to avoid the imposition of mortgage duty on the secondary mortgage.
- (2) A collateral mortgage that no longer secures an amount secured by a mortgage, instrument or mortgage package mentioned in subsection (1) is not security for another advance unless mortgage duty for the amount of the other advance is paid.

263 Extent mortgage is enforceable

- (1) A mortgage or mortgage package for which mortgage duty is imposed or a similar duty is chargeable under a corresponding Act is enforceable only to the extent of the amount secured by the mortgage or mortgage package for which duty has been paid, or the mortgage or mortgage package is exempt from duty, under this Act or the corresponding Act.

- (2) For subsection (1), mortgage duty has been paid on a mortgage or mortgage package affecting property that is partly in and partly outside Queensland if—
 - (a) duty has been paid on the total advances under the mortgage or mortgage package when the mortgage duty paid is taken with the duty paid under a corresponding Act; and
 - (b) the dutiable proportion of the mortgage or mortgage package is not incorrect by more than 5%.

Note—

Under section 260(3), the dutiable proportion must be worked out by reference to property values according to a referable point.

- (3) For subsection (1), if an advance is made on or after 1 July 2004 under a mortgage or mortgage package that, before 1 July 2004, affected property located in Victoria and was properly stamped under the *Duties Act 2000* (Vic), the mortgage or mortgage package is taken to be a mortgage or mortgage package for which a similar duty is chargeable under a corresponding Act.
- (4) For subsection (1), if an advance is made on or after 1 July 2007 under a mortgage or mortgage package that, before 1 July 2007, affected property located in Tasmania and was properly stamped under the *Duties Act 2001* (Tas), the mortgage or mortgage package is taken to be a mortgage or mortgage package for which a similar duty is chargeable under a corresponding Act.

264 Limit on security provided by stamped and collateral mortgages

- (1) A stamped or collateral mortgage that was, but is no longer, part of the same mortgage package and no longer secures the same amount secured by the package is not security for another advance unless mortgage duty for the amount of the other advance is paid.

Example for subsection (1)—

A has property in 5 States, each valued at \$150,000. A borrows \$100,000 secured by a mortgage package comprising 5 mortgages. The mortgages secure the full \$100,000 and are stamped under this Act and the corresponding Acts of the other States on the basis that the dutiable proportion for each mortgage is \$20,000.

Under a restructure of the loans, the Queensland mortgage no longer secures the \$100,000 which remains secured by the other mortgages on which duty has been paid in the other States.

Under this subsection, if A takes out a new loan, the Queensland mortgage is not security for the new loan unless mortgage duty imposed on it is paid.

- (2) The fact that the stamped or collateral mortgage is no longer part of the mortgage package does not affect the amounts for which the remaining mortgages in the mortgage package provide security.

265 Multi-jurisdictional statement

- (1) If mortgage duty is imposed on the dutiable proportion of a mortgage, (whether for a mortgage over property not wholly in Queensland, a mortgage package or on original or subsequent advances), the mortgagor or mortgagee must make a statement in the approved form about the location and value of the secured property.

Maximum penalty—40 penalty units.

- (2) The making of a statement under subsection (1) by the mortgagor or mortgagee relieves the other person from complying with the subsection.
- (3) The statement may be taken to be the mortgage, or mortgages comprising the mortgage package.

Part 5

Mortgage duty on particular debenture issues, caveats and releases of mortgages

266 Mortgage duty associated with particular debenture issues

- (1) This section applies if—
 - (a) a corporation offers debentures to the public for subscription; and
 - (b) the corporation is a party to an instrument of trust relating to the debentures; and
 - (c) a mortgage secures the repayment of debentures issued by the corporation.
- (2) Mortgage duty must be assessed on the mortgage for the offer of debentures as if it were a mortgage securing the payment of an amount equal to the total amount of debentures, other than exempt short-term debentures, subscribed for by the public in Queensland from time to time.
- (3) On or before 31 July in each year, the trustee under the instrument of trust must—
 - (a) lodge a statutory declaration stating the total amount subscribed for in Queensland for the corporation's debentures and exempt short-term debentures in the year ending on the previous 30 June; and
 - (b) pay to the commissioner mortgage duty on the amount subscribed for in the year for the debentures, other than exempt short-term debentures.
- (4) If mortgage duty is paid under subsection (3), the instrument of trust and debentures are not liable to duty under this Act.
- (5) In this section, a reference to an amount subscribed for relating to debentures does not include an amount represented by debentures issued on the conversion or renewal of an existing holding of debentures or other marketable securities.

267 What is an *exempt short-term debenture*

- (1) A debenture issued by a public company is an *exempt short-term debenture* if—
 - (a) the amount repayable under the debenture is repayable within 6 months after it is issued or is not repayable within a fixed or certain period but the amount is later paid or repaid within 6 months after it is issued; and
 - (b) the debenture is not part of an arrangement, the effect of which is to extend the period for repayment of an amount to more than 6 months after it is issued.
- (2) If a debenture is reissued or renewed, the combined terms of debentures is taken into account when deciding when the amount under the debenture is repayable for subsection (1).
- (3) Also, for subsection (1), debentures subscribed for by a corporation include debentures subscribed for by a related body corporate unless the commissioner decides otherwise.

268 Caveats

- (1) Mortgage duty is imposed on a caveat claiming an interest in land, or a water allocation, under a mortgage if mortgage duty is imposed, but not paid, on the mortgage.
- (2) The amount of mortgage duty imposed on the caveat is the amount of mortgage duty that would be imposed on the mortgage.
- (3) The mortgagor must pay the duty as if it were assessed on the mortgage.
- (4) To the extent that mortgage duty is paid on the caveat, mortgage duty is not imposed on the mortgage.

269 Releases of mortgages

- (1) Mortgage duty is imposed on a release of mortgage to the extent that mortgage duty is imposed, but not paid, on the mortgage.

- (2) Immediately after the release, the mortgagor must—
 - (a) lodge a statement in the approved form; and
 - (b) pay the duty as if it were assessed on the mortgage.

- (2) For subsection (1), section 86(2)(b) does not apply.
- (3) For subsection (1)(b), section 86 applies as if the reference to a period of 1 year after the person's transfer date for the residential land were a reference to a period of 2 years after the date the mortgage was first signed.

273 Who is a *home borrower* and a *first home borrower*

- (1) A person is a *home borrower* if the person is the mortgagor under a home mortgage.

- (5) Also, for subsections (1) and (2), the qualifying amount is the proportion of—

- (a) for a home mortgage to which section 260 applies or a mortgage package—the dutiable proportion; or

that corresponds to the part of the advances secured by the mortgage that are used or to be used to finance the purchase or construction of the home by the borrowers to whom the concession relates.

- (2) If all of the owners of a home are not home refinance borrowers, mortgage duty is not imposed on the part of the amount secured by the home refinance mortgage up to the amount that is the lesser of the following—
 - (a) home refinance borrowers' interests multiplied by \$100,000;
 - (b) the refinance qualifying amount.
- (3) The total amount of concessions for mortgage duty on all home refinance mortgages must not be more than the maximum amount of concessions applicable to the borrowers under subsection (1)(b) or (2)(a).
- (4) For subsection (2), a home refinance borrower's interest is the proportion that the value of the home refinance borrower's interest in the residential land bears to the value of the land.
- (5) Also, for subsections (1) and (2), the refinance qualifying amount is the proportion of—
 - (a) for a home refinance mortgage to which section 260 applies or a mortgage package—the amount of the dutiable proportion; or
 - (b) for another home refinance mortgage—the amount secured or to be secured by the home refinance mortgage;

that corresponds to the part of the advances secured by the mortgage that are used or to be used to repay the balance outstanding on the previous mortgage by the borrowers to whom the concession relates.

- (6) For subsection (5), advances used to finance the acquisition of a home or first home must be disregarded in working out the advances that are used or to be used to repay the balance outstanding under the previous mortgage.

280 Concession for mortgage duty—particular trusts

- (1) This section applies if—

Division 4 Miscellaneous provisions

281 Further concession for particular home refinance mortgages

- (1) This section applies if the amount secured by a home refinance mortgage, or the dutiable proportion of a home refinance mortgage, is more than—

- (a) the amount determined under section 279(1) or (2); or
 - (b) if there is also a home borrower for the mortgage—the total of the amount determined under section 279(2) and any amount determined under section 274(2) for the borrower.
- (2) The non-concessional balance for the home refinance mortgage is reduced by the amount by which the amount secured for which duty has been paid in Queensland under the previous mortgage is more than—
 - (a) for a mortgage or mortgage package to which section 260 or 261 applies—the balance outstanding under the previous mortgage multiplied by the dutiable proportion; or
 - (b) for another mortgage—the balance outstanding under the previous mortgage.
- (3) For subsection (2), the non-concessional balance for the home refinance mortgage is—
 - (a) the part of the amount secured by the mortgage for which a concession for mortgage duty is not given under section 279; or
 - (b) if there is also a home borrower for the mortgage—the total of the amount mentioned in paragraph (a) and the part of the amount secured by the mortgage for which a concession for mortgage duty is not given under section 274.

282 Application for concession for mortgage duty

An application for a concession for mortgage duty on a home mortgage or home refinance mortgage must be made in the approved form.

Part 7 Exemptions for mortgage duty

- (2) Mortgage duty is not imposed on a mortgage that is—

 - (i) to which the financial corporation or related corporation is a party; and

- (5) In this section—

related corporation, of a financial corporation, means a corporation that is a related body corporate of the financial corporation.

285 Exemption—mortgages under particular Acts

- (3) The mortgagor or mortgagee must, within 28 days of the Tasmanian duty being refunded—
 - (a) give written notice to the commissioner stating that the Tasmanian duty has been refunded; and

 - (a) for a home mortgage given over residential land on which a residence is constructed—1 year; or
 - (b) for a home mortgage given over residential land on which a residence is to be constructed—2 years.

- Note—*
- Failure to give the notice is an offence under the Administration Act, section 120.

$$MD = \frac{C \times (365 - OD)}{365}$$

C means the concession received by the home borrower, being the difference between the mortgage duty that would have been imposed on the home mortgage if the concession had not applied and the mortgage duty assessed on the mortgage.

MD means the further mortgage duty payable on the reassessment.

OD means the number of days between the home borrower's occupation date for the residence and the date of disposal of the residential land, both days inclusive.

- (5) If—

- (b) the advance or part of it is not used for a purpose mentioned in the section (the *noncomplying use*).
- (2) Within 28 days after starting to use the advance or part of it for the noncomplying use, the co-operative must—
 - (a) give notice in the approved form to the commissioner; and
 - (b) ensure the mortgage is lodged for a reassessment of mortgage duty on the mortgage.

Note—

Failure to give the notice is an offence under the Administration Act, section 120.

- (3) The commissioner must make a reassessment to impose mortgage duty on the mortgage as if the exemption from duty had never applied.

Note—

Unpaid tax interest and penalty tax may be payable under the Administration Act, part 5.

- (4) Subsection (3) applies to the reassessment despite the limitation period under the Administration Act for reassessments.

Note—

Division 2 Other apportionments

Note—

For objections and appeals against assessments, see the Administration Act, part 6.

Part 5 Arrangements applying to insurers and WorkCover Queensland

where—

DP means the duty paid or payable on the dutiable transaction that was worked out by applying the rate of transfer duty under schedule 3.

DVDP means the dutiable value of the dutiable transaction relating to the dutiable property on which transfer duty in schedule 3 was worked out.

MVV means the market value of the vehicle or part of the market value of the vehicle mentioned in subsection (1)(b).

R means the amount of the reduction.

Example for subsection (2)—

A dutiable transaction comprises the transfer of the following dutiable property for the consideration stated—

- a statutory business licence (\$5,000)
- personal property (\$15,000) including a vehicle (\$10,000).

Assuming the consideration for the transaction is the dutiable value, transfer duty of \$225 is imposed on the transaction under chapter 2, being the amount worked out at the applicable rate of duty stated in schedule 3.

In working out the reduction—

- factor DP is \$225, being transfer duty on the transaction

- factor MVV is \$10,000, being the market value of the vehicle
- factor DVDP is \$20,000, being the dutiable value of the transaction on which transfer duty is imposed at the applicable rate of duty stated in schedule 3.

Applying the formula, the reduction is \$112.50.

- (3) However, the reduction must not be more than the amount of vehicle registration duty that is otherwise payable under section 382(2).

Part 4 Exemptions for vehicle registration duty

385 Exemption—registration of previously registered vehicle

Note—

Failure to give the notice is an offence under the Administration Act, section 120.

Note—

Unpaid tax interest and penalty tax may be payable under the Administration Act, part 5.

- (4) For subsection (1)(b), the vehicle is taken to stop being trading stock, or stop being used as a demonstrator, on the day

that is the prescribed period after the registration or transfer mentioned in subsection (1)(a), unless the vehicle dealer sells the vehicle in the ordinary course of business before that day.

(5) In this section—

prescribed period means the period, at least 1 year, prescribed under a regulation for this section or, if no period is prescribed, 1 year.

394 Reassessment—noncomplying use by primary producer

Note—

Failure to give the notice is an offence under the Administration Act, section 120.

Note—

Unpaid tax interest and penalty tax may be payable under the Administration Act, part 5.

395 Reassessment of vehicle registration duty

(1) This section applies if the commissioner is satisfied that—

- (a) after an application to register or transfer a vehicle is made, the vehicle is repossessed from a person because it was stolen before it was acquired by the person; or
 - (b) vehicle registration duty was paid for an application to register or transfer a vehicle and the transaction is cancelled within 3 months after the application is made.
- (2) On application made by the person who paid the vehicle registration duty on the application to register or transfer the vehicle, the commissioner must make a reassessment of the duty paid as if it were exempt from vehicle registration duty.

Chapter 10 General exemptions

Part 1 Exemptions for particular duties for corporate reconstruction

Division 1 Preliminary

397 Purpose of pt 1

This part provides for exemptions for particular duties on particular transactions carried out for a corporate reconstruction.

Division 2 Some basic concepts about exemptions for duty for corporate reconstructions

Subdivision 1 Basic concepts about corporate reconstructions

398 What is a *corporate reconstruction*

- (1) A *corporate reconstruction* happens if—
- (a) through a transaction or series of transactions, property is transferred, or agreed to be transferred, for the purpose of changing a corporate structure to make internal adjustments to corporate arrangements; and
 - (b) the transaction or each transaction is necessary to give effect to the purpose and is not undertaken for any other purpose; and

- (c) the transfer, or agreement for the transfer, of the property is not part of an arrangement under which any company involved with any of the transactions will or may cease, at any time, to belong to the same corporate group other than in the circumstances mentioned in section 412(4).
- (2) For subsection (1)(b), a transaction that is 1 in a series of transactions is taken to be necessary to give effect to the purpose if it is necessary for an exemption to apply to the transaction.

Subdivision 2 Basic concepts about companies, group companies, parent companies and subsidiaries

399 What is a *company*

A *company* is a body corporate other than a corporation sole.

400 What are *group companies*, a *group company* and a *corporate group*

- (1) If a company is the subsidiary of another company, the companies are *group companies*.
- (2) Also, if 2 or more companies are the subsidiary of another company, all the companies are *group companies*.
- (3) Each of the group companies is a *group company*.
- (4) All companies that are group companies form a *corporate group*.

401 What is a *parent company*

A company is the *parent company* of another company if—

- (a) it directly owns, other than as trustee, at least 90% of the issued shares in the other company; and

- (b) has voting control over the other company.

402 What is a *subsidiary*

A company (the *first company*) is a *subsidiary* of another company if at least 90% of the issued shares in the first company are owned, other than as trustee, and voting control of the first company is held, by 1 or more of the following companies—

- (a) the other company;
- (b) 1 or more other subsidiaries of the other company;
- (c) the other company and 1 or more other subsidiaries of the other company.

403 Example of corporate group structure

- (1) Schedule 5 contains an example of a corporate group structure.
- (2) The example shows the group companies, the parent companies and subsidiaries in the group.

404 How part applies to particular transactions

For this part—

- (a) an application to transfer a vehicle is treated as an agreement for the transfer of dutiable property to the applicant transferee from the applicant transferor; and
- (b) a vesting of dutiable property by, or expressly authorised by, statute law is treated as a transfer of the property to the person in whom it is vested from its owner immediately before the vesting takes place; and
- (c) a vesting, under a court order, of dutiable property is treated as a transfer of the property to the person in whom it is vested from its owner immediately before the order is made; and

- (d) a surrender of dutiable property is treated as a transfer of the property to the person to whom it is surrendered from the person who surrenders it; and
- (e) a partnership acquisition is treated as a transfer of dutiable property to the partner from the former owner; and
- (f) a trust acquisition, under which a person becomes a beneficiary or the person's trust interest increases because of a transfer, or agreement for the transfer, of a trust interest, is treated as a transfer of dutiable property to the acquiring beneficiary from the transferor.

Division 3 Exemptions for corporate reconstructions

406 Exemption—intra-group transfers of property

- (1) Transfer duty or vehicle registration duty is not imposed on a transfer, or agreement for the transfer, of dutiable property carried out for a corporate reconstruction if the conditions in subsection (2) are complied with.

Note—

See section 404 (How part applies to particular transactions).

- (2) For subsection (1), the conditions are as follows—
 - (a) the transferor did not hold, and the transferee will not hold, the property as trustee;
 - (b) the transferor and transferee of the property are group companies;
 - (c) the dutiable transaction has not been made under an arrangement under which—
 - (i) part or all of the consideration for the dutiable transaction has or is to be provided or received, directly or indirectly by a person other than a group company; or

- (ii) a group company is to be enabled to provide any of the consideration by a person other than as mentioned in subsection (3); or
 - (iii) a group company is to dispose of any of the consideration through a payment or other disposition—
 - (A) to a person other than a group company; or
 - (B) to a person other than by way of loan on ordinary commercial terms;
 - (d) the property transferred is, at the time of the transfer, group property under section 407.
- (3) For subsection (2)(c)(ii), consideration may be provided—
- (a) by a financial institution by way of loan on ordinary commercial terms; or
 - (b) by a group company; or
 - (c) under an offer and sale of shares to the public in the circumstances mentioned in section 412(4)(b).

407 Group property for intra-group transfer of property

- (1) For section 406(2)(d), property is group property if—
- (a) the transferor and transferee—
 - (i) were group companies before the property, or an interest of at least 90% in the property, was first owned by the transferor or another group company; and
 - (ii) have been group companies at all times subsequent during which the property, or an interest of at least 90% in the property, has been continuously owned by the transferor or another group company; or
 - (b) the transferor and transferee—
 - (i) were group companies before the property, or an interest of at least 90% in the property, came into the ownership of the transferor or another group

company by way of a transaction for which transfer duty, or an equivalent duty under a corresponding Act, has been paid; and

- (ii) have been group companies at all times subsequent during which the property, or an interest of at least 90% in the property, has been continuously owned by the transferor or the other group company; or
- (c) the transferor or transferee is the new parent company of the other party to the transfer and the transferor and the transferee became group companies in the circumstances mentioned in section 409(1)(a) to (c); or
- (d) the transferee is the parent company of the transferor and landholder duty was imposed and paid for the transferee acquiring its shares in the transferor; or
- (e) the transferee is the parent company of the transferor, and the transferee acquired at least 70% of the shares of the transferor because of a takeover bid, under the Corporations Act, chapter 6, for the shares if they were quoted securities under that Act; or

Note—

Section 498A includes provision about when the quotation of securities is suspended.

- (f) the transferor and transferee have been group companies for 3 years.
- (2) For section 406(2)(d), property is also group property if—
- (a) the transfer is between a parent company and a subsidiary of it; and
 - (b) either of the following applies—
 - (i) the parent company became the parent company of the subsidiary on its registration;
 - (ii) the parent company became the parent company of the subsidiary after its registration and the subsidiary has been dormant since its registration; and

- (c) the parent company remained the parent company of the subsidiary from its registration or from when it became the subsidiary's parent company until the property is transferred.
- (3) However, for subsection (1)(a) or (b), property that is a lot on a plan of subdivision registered after the transferor and the transferee became group companies is only group property to the extent that the property comprising the lot was group property under subsection (1)(a) or (b) immediately before registration of the plan of subdivision.
- (4) For property mentioned in subsection (3), transfer duty is not imposed on the dutiable value of the part of the lot that is group property, worked out using the following formula—

$$DV_G = \frac{VP}{TV} \times DV_L$$

where—

DVG means the dutiable value of the part of the lot that is group property for section 406(2)(d).

DVL means the dutiable value of the lot.

TV means the total value, immediately before the plan of subdivision was registered, of the property that forms the lot.

VP means the value, immediately before the plan of subdivision was registered, of property that—

- (a) forms part of the lot; and
 - (b) was group property under subsection (1)(a) or (b) immediately before the plan of subdivision was registered.
- (5) In this section—

lot see the *Land Title Act 1994*, schedule 2.

plan of subdivision means—

- (a) a plan under the *Building Units and Group Titles Act 1980*; or

- (b) a plan of subdivision under the *Land Title Act 1994*; or
- (c) a plan of subdivision under the *Land Act 1994*; or
- (d) a plan or scheme, however described, showing the division of, amalgamation into, dedication of or redefinition of, at least 1 lot, that is able to be registered in a land registry under the *Land Act 1994* or the *Land Title Act 1994*.

408 Exemption—trustees

- (1) Transfer duty or vehicle registration duty is not imposed on a transfer, or agreement for the transfer, of dutiable property carried out for a corporate reconstruction if the following conditions are complied with—
 - (a) the transferor of the property holds the property as trustee for the beneficiaries of a fixed trust, including a unit trust;
 - (b) the transferor of the property holds at least 90% of the issued shares of the transferee as trustee for the beneficiaries or, for a unit trust, the unitholders;
 - (c) the conditions mentioned in section 406(2) are complied with.

Note—

See section 404 (How part applies to particular transactions).

- (2) For subsection (1), section 406(2) and division 5 apply as if—
 - (a) a reference to the transferor of the property were a reference to the unitholders or beneficiaries; and
 - (b) the issued shares in the transferee held by the transferor were held other than as trustee.

409 Exemption—landholder duty

- (1) This section applies if—
 - (a) there is a corporate reconstruction constituted by a parent company (the *new parent company*) being

interposed between a company (the *existing company*) and the shareholders of the existing company; and

- (b) there is a transfer, or agreement for the transfer, of shares from a shareholder of the existing company to the new parent company carried out solely for the corporate reconstruction; and
- (c) the following conditions are complied with—
 - (i) the new parent company is a company with limited liability;
 - (ii) the new parent company has been dormant from its registration until the resolution to become the new parent company of the existing company;
 - (iii) under the transaction mentioned in paragraph (b), the new parent company acquires at least 90% of the issued shares, and voting control of, the existing company;
 - (iv) at least 90% of the consideration for the acquisition is the issue of shares in the new parent company to the shareholders of the existing company;
 - (v) each shareholder of the existing company whose shares are acquired by the new parent company receives consideration equal in value to the value of the shareholder's shares in the existing company;
 - (vi) immediately after the transfer of shares in the existing company, at least 90% of the issued shares in the new parent company consists of the shares it issued as consideration for the acquisition of the shares in the existing company;
 - (vii) if the new parent company is interposed between more than 1 existing company and their shareholders—before the acquisition by the new parent company, the same shareholders—

- (A) owned, directly or indirectly, at least 90% of the issued shares in the existing companies; and
 - (B) had voting control of the existing companies; and
- (d) the acquisition of shares in the existing company by the new parent company or the issue of the shares in the new parent company to the shareholders of the existing company is a relevant acquisition.
- (2) This section also applies if, under section 406 or 408, a transfer, or agreement for the transfer, of shares is exempt from transfer duty and the acquisition of the shares by the transferee is a relevant acquisition.
- (3) Landholder duty is not imposed on the acquisition to the extent of the interest acquired by the new parent company or transferee under the transaction.

Note—

See section 179 (Working out dutiable value of relevant acquisition).

- (4) For subsection (2), sections 406, 407 and 408 apply as if a transfer, or agreement for the transfer, of shares were a dutiable transaction.

Division 4 Applications for rulings and exemptions

410 Application for ruling for proposed dutiable transaction or relevant acquisition

- (1) A company that proposes being party to a dutiable transaction or relevant acquisition, may apply to the commissioner for a ruling whether the proposed transaction or acquisition will be exempt from duty under this part.
- (2) The application must—
 - (a) be in the approved form; and

- (b) be accompanied by enough information to enable the commissioner to make a ruling.
- (3) The commissioner must give the applicant notice of the commissioner's ruling on the application.

411 Application for exemption for dutiable transaction or relevant acquisition

- (1) The parties to a dutiable transaction or acquirer under a relevant acquisition may apply to the commissioner for an exemption from duty under division 3.
- (2) The application must—
 - (a) be in the approved form; and
 - (b) be supported by enough information to enable the commissioner to make an assessment.
- (3) On the application, the commissioner must make an assessment of nil duty for the dutiable transaction or relevant acquisition if—
 - (a) the commissioner is satisfied the transaction or acquisition is exempt from duty under division 3; or
 - (b) the commissioner has, on an application for a ruling, decided the transaction or acquisition would be exempt from duty under division 3.
- (4) However, subsection (3)(b) does not apply if—
 - (a) the instruments submitted with the application for exemption differ in a material particular to drafts of instruments lodged with the application for the ruling; or
 - (b) the circumstances existing in relation to the transaction or acquisition at the time of the application for exemption are materially different from the circumstances existing at the time of the application for the ruling; or
 - (c) the information given with the application for the ruling was false or misleading in a material particular; or

- (d) each of the following applies—
 - (i) after the ruling is made but before the application for the exemption is decided, a legislative change takes effect, a judgment of a court is given or a decision is made by QCAT;
 - (ii) the change, judgment or decision would, if it had taken effect or been given before the ruling was made, have materially affected the ruling made by the commissioner.

Division 5 Reassessments for corporate reconstructions

412 Reassessment—exemption for intra-group transfers of property, trustees and landholder duty

- (1) This section applies if—
 - (a) duty is assessed on a dutiable transaction or relevant acquisition on the basis of an exemption under section 406, 408 or 409; and
 - (b) within 3 years after the transaction or acquisition—
 - (i) the transferor or transferee has ceased to belong to the same corporate group; or
 - (ii) part or all of the consideration for the transaction or acquisition is provided or received other than as permitted by section 406(2)(c)(ii) or (iii).
- (2) The commissioner must make a reassessment to impose duty on the dutiable transaction or relevant acquisition as if the exemption from duty had never applied.

Note—

Unpaid tax interest and penalty tax may be payable under the Administration Act, part 5.

- (3) Subsection (2) applies to the reassessment despite the following—

- (a) the limitation period under the Administration Act for reassessments;
- (b) the commissioner's ruling under section 410 for the dutiable transaction or relevant acquisition.

Note—

See the Administration Act, part 3 (Assessments of tax), division 3 (Reassessments).

- (4) However, subsection (2) does not apply—
 - (a) if the transferor or transferee ceases to exist, other than under an arrangement, a significant purpose of which was to avoid the requirement that the transferor and transferee belong to the same corporate group for the 3 years mentioned in subsection (1); or
 - (b) if—
 - (i) the transferor or transferee ceases to be a group company in the corporate group because its shares, or the shares of a new parent company interposed between the transferor and transferee, are offered and sold to the public; and
 - (ii) the shares are quoted on the market operated by a recognised stock exchange within 1 year after the offer to the public; or

Note—

Section 498A includes provision about when the quotation of securities is suspended.

- (c) if less than 5% of the value of the property held, directly or indirectly, by the company that ceases to be a group company is dutiable property.
- (5) Without limiting subsection (4)(a), a company registered under the Corporations Act ceases to exist if it is deregistered under that Act.

413 When parties must give notice for reassessment

- (1) This section applies if an event mentioned in section 412(1)(b) happens within 3 years after a dutiable transaction or relevant acquisition to which an exemption under this part was applied.
- (2) Within 28 days after the event happens, a party to the dutiable transaction or person making the relevant acquisition must—
 - (a) give notice in the approved form to the commissioner; and
 - (b) ensure the instruments required for the assessment for the dutiable transaction or relevant acquisition are lodged for a reassessment of duty on the transaction or acquisition.

Note—

Failure to give the notice is an offence under the Administration Act, section 120.

Part 1A Exemptions for particular duties for small business restructures

Division 1 Some basic concepts for small business restructures

413A What is a *small business entity*

- (1) A *small business entity* is an individual, partnership or discretionary trust carrying on a relevant Queensland business with an annual turnover of not more than \$5m.
- (2) In this section—

relevant Queensland business means a business—

 - (a) conducted on or from a place in Queensland; or

Chapter 11 Avoidance schemes

432 Purpose and operation of ch 11

- (1) The purpose of this chapter is to deter artificial, blatant or contrived schemes to reduce liability to duty.
- (2) Subject to subsection (1), nothing in this Act limits the operation of this chapter.

433 Application of ch 11

- (1) This chapter applies if—
 - (a) an entity (the *avoider*) has obtained, or would apart from this chapter obtain, a duty benefit from a scheme started to be carried out after the commencement of this chapter; and
 - (b) taking into account the matters mentioned in section 435, it is reasonable to conclude that an entity, whether alone or with others, that entered into or carried out the scheme, or part of the scheme, did so for the sole or dominant purpose of enabling the entity or another entity to obtain a duty benefit from the scheme.
- (2) It does not matter—
 - (a) whether the scheme, or any part of the scheme is entered into or carried out inside or outside Queensland; or
 - (b) whether or not the duty benefit the entity obtained is the same kind of duty benefit mentioned in subsection (1)(a).

- (3) However, despite subsection (1), this chapter does not apply in relation to a duty benefit that is attributable to an exemption or concession under this Act for duty, unless an entity entered into or carried out a scheme or part of a scheme for the sole or dominant purpose of creating a circumstance or state of affairs to which the exemption or concession would apply.
- (4) For this section, for deciding what was an entity's sole or dominant purpose for entering into or carrying out a scheme or part of a scheme, any purpose relating to eliminating, reducing or postponing a liability for a foreign tax is to be disregarded.
- (5) In this section—
foreign tax means a tax, duty or other impost imposed under a law of another State, the Commonwealth or a jurisdiction outside Australia.

434 When is a *duty benefit* obtained

- (1) An entity obtains a *duty benefit* if an amount of duty payable by the entity under this Act apart from this chapter is, or could reasonably be expected to be, less than it would have been apart from the scheme or a part of the scheme.
- (2) The amount of the duty benefit is the difference between the amount of duty payable and the amount of duty that would have been payable apart from the scheme or part of the scheme.

435 Matters to be considered in deciding purpose for scheme

- (1) For section 433, the following matters must be taken into account in deciding an entity's purpose in entering into or carrying out the scheme from which the avoider obtained, or would obtain, a duty benefit—
 - (a) the way in which the scheme was entered into or carried out;
 - (b) the form and substance of the scheme, including—

- (i) the legal rights and obligations involved in the scheme; and
 - (ii) the economic and commercial substance of the scheme;
 - (c) when the scheme was entered into and the length of the period during which the scheme was carried out;
 - (d) the purpose of this Act or a provision of this Act, whether or not the purpose is expressly stated;
 - (e) the effect that this Act would have in relation to the scheme apart from this chapter;
 - (f) any change in the avoider's financial position that has resulted, will result, or may reasonably be expected to result from the scheme;
 - (g) any change in the financial position of any person who has, or has had, any connection, whether of a business, family or other nature, with the avoider, being a change that has resulted, will result, or may reasonably be expected to result from the scheme;
 - (h) any other consequence for the avoider or a person mentioned in paragraph (g) of the scheme having been entered into or carried out;
 - (i) the nature of the connection, whether of a business, family or other nature, between the avoider and any person mentioned in paragraph (g);
 - (j) the circumstances surrounding the scheme.
- (2) Subsection (1) applies for considering an entity's purpose in entering into or carrying out part of a scheme from which the avoider obtains, or would obtain, a duty benefit, as if the part were itself the scheme from which the avoider obtains, or would obtain, the benefit.

436 Assessments because of duty benefit from scheme

- (1) If a duty benefit has been obtained, or would apart from this chapter be obtained, by the avoider from a scheme, the

commissioner may decide that the amount of the duty benefit is payable as duty as decided by the commissioner.

- (2) The commissioner must—
- (a) give notice of the decision, and the reasons for the decision, to the avoider; and
 - (b) make an assessment of duty on the basis of the decision.

Note—

For objections and appeals against assessments, see the Administration Act, part 6.

- (3) Subsection (4) applies if the commissioner—
- (a) has made an assessment under subsection (2); and
 - (b) is satisfied—
 - (i) a person, other than the avoider is liable to duty that would not have been assessed if the scheme had not been entered into or carried out; and
 - (ii) it would be fair and reasonable that the amount or part of the amount of duty should not have been assessed.
- (4) Despite the limitation period under the Administration Act for reassessments, the commissioner must, for the other person, make a reassessment on the basis that the amount or part of the amount of duty is not payable.

Note—

See the Administration Act, part 3 (Assessments of tax), division 3 (Reassessments).

- (5) For the reassessment, the other person must lodge the instruments required for the original assessment.

- (2) The application must be in the approved form.

449 Decision on application

The commissioner must approve or refuse the application.

450 Approval of application

If the commissioner approves the application, the commissioner must register the person as a self assessor for duty on the instruments or transactions mentioned in the application.

451 Registration of self assessor without application

The commissioner may, by notice given to a person who, in the ordinary course of business, acts as an agent for parties to instruments or transactions on which duty is imposed, register the person as a self assessor for the duty on the instruments or transactions.

- (4) A matter mentioned in subsection (2) and stated in a document mentioned in subsection (3) is taken to have been stated in the notice.

453 Refusal of application

If the commissioner refuses the application, the commissioner must give the applicant an information notice for the decision.

454 Restriction on assessment by commissioner

- (3) However, a self assessor registered under part 3, does not have to comply with subsection (1) to the extent that the self assessor has not received payment of duty, assessed interest or penalty tax by the persons liable to pay it.

455A Lodging transaction statements

- (1) A self assessor registered under part 2 or 3 must for a standard self assessment—

- (B) otherwise—within 1 day after the self assessor becomes aware that the duty, assessed interest and penalty tax on the instrument or transaction have been paid to the commissioner.

Maximum penalty—100 penalty units.

Notes—

- 1 For provisions about payments by self assessors who are tax agents under the Administration Act, see section 35 of that Act.
 - 2 For when a self assessor is taken to have stamped an ELN transaction document, see subsection (7).
- (1A) Subsection (1)(b) does not apply if the self assessor's notice of registration states that no endorsements are required on the instruments or ELN transaction documents.
- (2) For subsection (1)(a), if the self assessor is registered under part 2, the self assessor must lodge the transaction statement and documents by the date that is 30 days after the date liability for duty for the instrument or transaction arises.
- (3) For subsection (1)(a), if the self assessor is registered under part 3, the self assessor must lodge the transaction statement and documents by the later of the following dates—

- (4) For subsection (1)(b)—
- (a) an instrument or ELN transaction document for which duty is imposed must be endorsed—

 - (b) a transaction number is assigned to an ELN transaction document for an ELN transfer or ELN lodgement, and notified to a self assessor registered under part 2 or 3, by a system administered by the commissioner.
- (7) For subsection (1)(b), the ELN transaction document is taken to have been stamped by the self assessor immediately after the ELN workspace for the ELN transfer or ELN lodgement is locked.

Note—

An endorsement of an ELN transaction document stops having effect if the ELN workspace for the ELN transfer or ELN lodgement is unlocked—see section 156W.

- (8) Subsection (7) does not affect the self assessor's compliance with the requirements mentioned in subsection (4).

456 When self assessor may make reassessments

- (1) A self assessor may make a reassessment only if—
 - (a) the assessor is required or permitted under the assessor's notice of registration; and
 - (b) the assessor is satisfied the duty imposed under a self assessment is not correct.
- (2) A self assessor must not make a self assessment of a reassessment made by the commissioner.

Part 5

**Amendment, suspension and
cancellation of registration of
self assessors**

464 Amendment of self assessor's registration

- (1) The commissioner may amend a self assessor's registration by notice given to the self assessor.
- (2) The notice must state the particulars of the self assessor's notice of registration that are amended.
- (3) If the commissioner amends a self assessor's registration, the commissioner must give the self assessor an information notice for the decision.

465 Grounds for suspension or cancellation

Each of the following is a ground for suspending or cancelling a self assessor's registration—

- (a) the self assessor or a representative of the self assessor has been convicted of an offence against this Act, the Administration Act or the repealed Act;
- (b) the self assessor or a representative of the self assessor has contravened a provision of this Act or the repealed Act (being a provision a contravention of which is not

- an offence against this Act, the Administration Act or the repealed Act);
- (c) the self assessor was registered because of a materially false or misleading representation or declaration;
 - (d) the self assessor has been given a notice under section 488(2) and has failed to pay—
 - (i) the penalty amount by the date for payment stated in the notice; or
 - (ii) if the commissioner enters into an arrangement for payment of the penalty amount by instalments under section 488(5)—an instalment by the date the instalment is required to be paid under the arrangement;
 - (e) if section 470 applies to the self assessor—the self assessor has failed to give notice to the commissioner as required under section 470(3);
 - (f) each of the following applies—
 - (i) the self assessor has endorsed an ELN transaction document on the basis that section 22(2A) applies to the ELN transfer;
 - (ii) the ELN transaction document is registered under the *Land Title Act 1994*;
 - (iii) the commitment amount for the payment commitment made for the relevant transfer agreement was not paid to the commissioner in full as required;
 - (g) the commissioner reasonably believes that, having regard to the self assessor's conduct, the self assessor's registration poses an unacceptable risk that the self assessor will not comply with an obligation under this Act or the Administration Act.

466 Show cause notice

- (1) If the commissioner believes a ground exists to suspend or cancel a self assessor's registration, the commissioner may give the self assessor a notice under this section (a *show cause notice*).
- (2) The show cause notice must state the following—
 - (a) the commissioner proposes to suspend or cancel the self assessor's registration (the *proposed action*);
 - (b) the grounds for the proposed action;
 - (c) an outline of the facts and circumstances forming the basis for the grounds;
 - (d) if the proposed action is suspension of registration—the proposed suspension period;
 - (e) an invitation to the self assessor to show within a stated period (the *show cause period*) why the proposed action should not be taken.
- (3) The show cause period must be a period ending at least 21 days after the show cause notice is given to the self assessor.

467 Representations about show cause notices

- (1) The self assessor may make representations about the show cause notice to the commissioner in the show cause period.
- (2) The commissioner must consider all written representations (the *accepted representations*) made under subsection (1).

468 Ending show cause process without further action

- (1) This section applies if, after considering the accepted representations for the show cause notice, the commissioner no longer believes a ground exists to suspend or cancel the self assessor's registration.
- (1A) Also, this section applies if—

- (a) the ground mentioned in section 465(f) is the only ground for the proposed action stated in the show cause notice; and
- (b) after considering the accepted representations for the show cause notice, the commissioner is reasonably satisfied the reason the commitment amount was not paid to the commissioner in full as required was beyond the self assessor's control.

Example for subsection (1A)—

The commitment amount was not paid because an ELN system occurrence prevented the ELN distributing funds for duty, assessed interest or penalty tax.

- (2) The commissioner must not take any further action about the show cause notice.
- (3) Notice that no further action is to be taken about the show cause notice must be given to the self assessor by the commissioner.

469 Suspension or cancellation of registration

- (1) This section applies if, after considering the accepted representations for the show cause notice, the commissioner—
 - (a) still believes a ground exists to suspend or cancel the self assessor's registration; and
 - (b) believes suspension or cancellation of the self assessor's registration is warranted.
- (2) This section also applies if there are no accepted representations for the show cause notice.
- (3) The commissioner may—
 - (a) if the proposed action stated in the show cause notice was to suspend the self assessor's registration for a stated period—suspend the registration for not longer than the stated period; or

- (b) if the proposed action stated in the show cause notice was to cancel the self assessor's registration—either cancel the registration or suspend the self assessor for a period.
- (4) The commissioner must immediately give the self assessor an information notice for the decision.
- (5) The decision takes effect on—
 - (a) the day the information notice is given to the self assessor; or
 - (b) if a later day of effect is stated in the information notice—the later day.

469A Immediate suspension

- (1) This section applies if the commissioner reasonably believes—
 - (a) a ground exists for suspending or cancelling a self assessor's registration; and
 - (b) the self assessor's registration must be suspended immediately to—
 - (i) ensure the integrity of the self assessment system is not jeopardised; or
 - (ii) remove an immediate, unacceptable risk that the self assessor will not comply with an obligation under this Act or the Administration Act.
- (2) The commissioner may decide to immediately suspend the self assessor's registration.
- (3) The commissioner must give the self assessor an information notice for the decision.
- (4) The information notice must include the period of the suspension.

Note—

See also schedule 6, definition *information notice* for other matters the information notice must state.

- (5) The suspension—
 - (a) starts immediately after the self assessor is given the information notice; and
 - (b) ends on the earliest of the following—
 - (i) the day that is 56 days after the day on which the period started;
 - (ii) a decision is made by the commissioner under section 469 about a show cause notice given to the self assessor;
 - (iii) notice is given by the commissioner to the self assessor ending the suspension under subsection (6).
- (6) During the period of the suspension, if the commissioner no longer believes subsection (1)(a) or (b) is satisfied, the commissioner must end the suspension by giving notice to the self assessor stating the suspension has ended.
- (7) In this section—

self assessment system means the system under this Act and the Administration Act for—

 - (a) the registration of persons as self assessors; and
 - (b) the making of self assessments, payments of duty, and compliance with other obligations under the Acts, by self assessors.

470 Suspension or cancellation of registration—ceasing to carry on business

- (1) This section applies if a self assessor registered under part 1 or 3 permanently ceases to carry on, in Queensland, the business for which the self assessor is registered.
- (2) Also, this section applies if a self assessor registered under part 3 temporarily ceases to carry on, in Queensland, the business for which the self assessor is registered.

-
- (3) Within 14 days after the ceasing to carry on the business, the self assessor must give notice of the ceasing to the commissioner.
 - (4) If the self assessor is a self assessor mentioned in subsection (2), the notice given under subsection (3) must state the period (the *temporary cessation period*) for which the self assessor will temporarily cease to carry on the business.
 - (5) On receiving the notice, the commissioner must give notice to the self assessor stating—
 - (a) for a self assessor registered under part 1—the self assessor’s registration to carry on the business and as self assessor is cancelled effective from the day stated in the notice; or
 - (b) for a self assessor registered under part 3—
 - (i) if the self assessor permanently ceases to carry on the business—the self assessor’s registration is cancelled effective from the day stated in the notice; or
 - (ii) if the self assessor temporarily ceases to carry on the business—the self assessor’s registration is suspended for the period stated in the notice.
 - (6) For subsection (5)(b)(ii), the period stated in the notice must not be longer than the temporary cessation period.

470A Cancellation of registration—type of duty abolished

- (1) The commissioner may cancel a self assessor’s registration if the type of duty to which the registration relates is no longer imposed under this Act.
- (2) If the commissioner cancels a self assessor’s registration, the commissioner must give notice to the self assessor that the registration is cancelled effective from the date stated in the notice.

- (3) Sections 466 to 469 do not apply in relation to the cancellation of a self assessor's registration under this section.

Chapter 12A Provisions for parties to self assessable instruments or transactions

Part 1 Preliminary

471A Who is a *liable party*

A party to an instrument or transaction who is liable to pay duty on it is a *liable party* to the instrument or transaction.

471B What is a *relevant lodgement requirement*

- (1) A *relevant lodgement requirement* for an instrument or transaction is a lodgement requirement, within the meaning of the Administration Act, that applies to the instrument or a document for the instrument or transaction.
- (2) However, a requirement under this Act to lodge a return or transaction statement for a self assessment for the instrument or transaction is not a relevant lodgement requirement.
- (3) For subsection (2), a return for a self assessment does not include another document that is, under a provision of this Act, taken to be a return for a self assessment.

Example of another document taken to be a return—

a statement under section 370(4)(a) or 372(1)(a)

Part 2

Provisions applicable if agent registered as self assessor

471C Application of pt 2

- (1) This part applies to an instrument or transaction for which a liable party engages a self assessor who is—
 - (a) registered under chapter 12, part 3; and
 - (b) required or permitted under the self assessor's notice of registration to lodge returns or transaction statements for the instrument or transaction.
- (2) However, if the self assessor is not permitted to make a reassessment of duty on the instrument or transaction, this part does not apply to the instrument or transaction for the making of the reassessment.

471D Effect of engagement of self assessor on relevant lodgement requirement

A relevant lodgement requirement for the instrument or transaction does not apply for the instrument or transaction.

471E Liable party must give documents, and pay duty, to self assessor

- (1) A liable party to the instrument or transaction must, not later than the date mentioned in subsection (2)—
 - (a) ensure that the self assessor is given all instruments and other documents relating to the instrument or transaction to which a relevant lodgement requirement for the instrument or transaction would apply if section 471D did not apply; and
 - (b) for a return self assessment—pay to the self assessor the amount of the duty, assessed interest and penalty tax on the instrument or transaction.

Maximum penalty—100 penalty units.

- (2) For subsection (1), the date is—
 - (a) for a return self assessment—the return date for lodgement by the self assessor of a return, and any document required to accompany the return, for the instrument or transaction; or
 - (b) for a standard self assessment—the date that is 30 days after the date liability for duty for the instrument or transaction arises.
- (3) The liable party complies with subsection (1)(a) only if—
 - (a) all instruments or documents required to be given to the self assessor under the subsection have been given as required under section 471F; and
 - (b) for a document required under the subsection to be given as an approved form—the form contains enough information for the purpose for which it is given.
- (4) To remove doubt, it is declared that compliance with subsection (1)(b) does not limit the party's liability to pay unpaid tax interest on the duty payable on the instrument or transaction.

471EA Liability not discharged until commissioner receives payment

- (1) This section applies to the liability of a liable party to the instrument or transaction to pay an amount of duty, assessed interest or penalty tax on the instrument or transaction.
- (2) The liability is not discharged until the amount is paid to the commissioner.
- (3) Subsection (2) applies even though the liable party has paid the amount to the self assessor.

471F Giving documents to self assessor

- (1) A document is given by a liable party to a self assessor only if the document is—

- (a) left at an office of the self assessor; or
 - (b) sent by post to the self assessor.
- (2) A document given to the self assessor in the way mentioned in subsection (1)(a) is taken to be given to the self assessor when it is actually received by the self assessor.

Note—

For the time of giving a document by post, see the *Acts Interpretation Act 1954*, section 39A(1)(b).

471G Prohibition on giving false or misleading documents to self assessor

- (1) A liable party to the instrument or transaction must not give the instrument or a document relating to the instrument or transaction to the self assessor if the instrument or document contains information the party knows, or should reasonably know, is false or misleading in a material particular.

Maximum penalty—100 penalty units.

Note—

This provision is an executive liability provision under the *Taxation Administration Act 2001*, section 140.

- (2) Subsection (1) does not apply to a liable party who, when giving the instrument or document to the self assessor—
- (a) tells the self assessor of the extent to which the instrument or document is false or misleading; and
 - (b) to the extent the party has, or can reasonably get, the correct information—gives the correct information to the self assessor.
- (3) It is enough for a complaint against a person for an offence against subsection (1) to state the instrument or document was ‘false or misleading’, without specifying which.

471H Prohibition on giving false or misleading information to self assessor

- (1) A liable party to the instrument or transaction must not state to the self assessor anything relating to the instrument or transaction that the party knows is false or misleading in a material particular.

Maximum penalty—100 penalty units.

Note—

This provision is an executive liability provision under the *Taxation Administration Act 2001*, section 140.

- (2) It is enough for a complaint against a person for an offence against subsection (1) to state the statement made was ‘false or misleading’, without specifying which.

Part 3 Provisions applicable if party registered as self assessor

471I Application of pt 3

- (1) This part applies to an instrument or transaction for which there is a self assessor who is—
 - (a) registered under chapter 12, part 2; and
 - (b) required or permitted under the self assessor’s notice of registration to lodge returns or transaction statements for the instrument or transaction.
- (2) However, if the self assessor is not permitted to make a reassessment of duty on the instrument or transaction, this part does not apply to the instrument or transaction for the making of the reassessment.

471J Effect of engagement of self assessor on relevant lodgement requirement

A relevant lodgement requirement for the instrument or transaction does not apply for the instrument or transaction if—

- (a) the self assessor is required to lodge a return or transaction statement for the instrument or transaction; or
- (b) the self assessor—
 - (i) is permitted to lodge a return or transaction statement for the instrument or transaction; and
 - (ii) includes the instrument or transaction in a return lodged as required under section 455, or lodges a transaction statement for the instrument or transaction under section 455A.

Chapter 13 Internal and external reviews

Part 1 Reviews by commissioner

472 Applying for a review of an original decision

- (1) A dissatisfied person may apply for a review of an original decision.

Note—

For objections and appeals against assessments of duty, see the Administration Act, part 6.

- (2) The application must—
 - (a) be made to the commissioner within 28 days after the applicant receives notice of the decision; and

- (b) state fully and in detail the grounds of the review.
- (3) If the commissioner is satisfied a dissatisfied person has a reasonable excuse for failing to apply for a review within the 28 day period, the commissioner may extend the time for applying for the review.
- (4) The application does not stay the original decision.

473 Deciding review

- (1) After considering the application, the commissioner may make a decision (the *review decision*) to—
 - (a) confirm the decision; or
 - (b) set aside the decision and substitute another decision.
- (2) If the original decision was made by a delegate of the commissioner, the delegate must not decide the application.

474 Notice of review decision

- (1) The commissioner must give notice to the applicant of the review decision.
- (2) The notice must comply with the QCAT Act, section 157(2).

Part 2 Reviews by QCAT

475 Applying for review by QCAT of a review decision

The applicant for the review of the original decision who is dissatisfied with the review decision may apply, as provided under the QCAT Act, to QCAT for a review of the review decision.

476 QCAT to decide external review on evidence given in the proceeding for the review

- (1) This section applies to a proceeding for a review by QCAT of a review decision.
- (2) QCAT must—
 - (a) hear and decide the review of the decision by way of a reconsideration of the evidence before the commissioner when the decision was made, unless QCAT considers it necessary in the interests of justice to allow new evidence; and
 - (b) decide the review of the decision in accordance with the same law that applied to the making of the original decision to which the proceeding for the review relates.
- (3) The grounds for the review by QCAT are limited to the grounds of the review by the commissioner, unless QCAT orders otherwise.
- (4) If QCAT decides, under the QCAT Act, section 139, that the proceeding should be reopened, the issues in the proceeding that are reheard must be—
 - (a) heard and decided by way of a reconsideration of the evidence given in the proceeding for the review of the decision; and
 - (b) decided in accordance with the same law that applied to the making of the original decision to which the proceeding for the review relates.
- (5) In this section—

new evidence means evidence that was not before the commissioner when the review decision was made.

477 Representation of parties before QCAT

- (1) This section applies to a party in a proceeding before QCAT relating to an application under section 475.
- (2) The party may be represented by a lawyer.

Chapter 14 Enforcement and legal proceedings

480 Offences about self assessments—endorsements of instruments

- (1) A self assessor registered under chapter 12, part 2, must not endorse an instrument under section 455 or 455A unless the amount of duty and any assessed interest and penalty tax has—
 - (a) if paragraph (b) does not apply—been paid to the commissioner; or
 - (b) if the self assessor is a financial institution and the instrument is a mortgage under which the self assessor is the mortgagee—been received by the self assessor.

Maximum penalty—200 penalty units.

Note—

This provision is an executive liability provision under the *Taxation Administration Act 2001*, section 140.

- (2) A self assessor registered under chapter 12, part 3, must not endorse an instrument under section 455 or 455A unless the amount of duty and any assessed interest and penalty tax has been paid to the commissioner or received by the self assessor.

Maximum penalty—200 penalty units.

Note—

This provision is an executive liability provision under the *Taxation Administration Act 2001*, section 140.

480A Offences about self assessments—endorsements of ELN transaction documents

- (1) A self assessor registered under chapter 12, part 2 or 3 must not endorse an ELN transaction document for an ELN transfer or ELN lodgement under section 455A on the basis that section 22(2) applies to the ELN transfer or ELN lodgement

unless the duty amount for the agreement for the transfer of dutiable property has been—

- (a) if the self assessor is registered under chapter 12, part 2—paid to the commissioner; or
- (b) if the self assessor is registered under chapter 12, part 3—paid to the commissioner or received by the self assessor.

Maximum penalty—200 penalty units.

Note—

This provision is an executive liability provision under the Administration Act, section 140.

- (2) A self assessor registered under chapter 12, part 2 or 3 must not endorse an ELN transaction document for an ELN transfer under section 455A on the basis that section 22(2A) applies to the ELN transfer unless a payment commitment has been made for the relevant transfer agreement.

Maximum penalty—200 penalty units.

Note—

This provision is an executive liability provision under the Administration Act, section 140.

- (3) However, a self assessor does not commit an offence against this section only because—
 - (a) the self assessor endorses an ELN transaction document for an ELN transfer or ELN lodgement; and
 - (b) either—
 - (i) for an ELN transfer—the ELN transfer becomes an incomplete ELN transfer within the meaning of chapter 2, part 15; or
 - (ii) for an ELN lodgement—the ELN lodgement becomes an incomplete ELN lodgement within the meaning of chapter 2, part 15.

- (4) In this section—

duty amount, for an agreement for the transfer of dutiable property, means the amount of duty and any assessed interest and penalty tax imposed on the agreement.

481 Offence for person other than self assessor to endorse instrument or ELN transaction document

This example shows how the value of a partnership acquisition or trust acquisition or dutiable value of a relevant acquisition under chapter 3, part 2, is worked out in the following circumstances—

- (a) a person acquires a 20% interest in—
 - (i) for a partnership acquisition—a relevant partnership under section 46; or
 - (ii) for a trust acquisition—a relevant trust under section 63; or

- (c) partnership AB holds dutiable property the unencumbered value of which is \$100,000 and has a 50% partnership interest in partnership BC;
- (d) partnership BC has a 50% partnership interest in partnership CD;
- (e) partnership CD holds dutiable property the unencumbered value of which is \$500,000 and is the sole beneficiary in trust E;

The result is \$1,000,000.

Step 2

Partnership BCs partnership interest in partnership CD (50%) is applied to—

- (a) the result under step 1 (\$1,000,000); and
- (b) the unencumbered value of the dutiable property held by the partnership (\$500,000).

The result is \$750,000.

Step 3

Partnership ABs partnership interest in partnership BC (50%) is applied to the amount worked out under step 2 (\$750,000).

The result is \$375,000.

Step 4

The partnership interest of the relevant partnership, relevant trust or corporate trustee in partnership AB (50%) is applied to—

- (a) the result under step 3 (\$375,000); and
- (b) the unencumbered value of the dutiable property held by the partnership (\$100,000).

The result is \$237,500.

- (a) the result under step 4 (\$237,500); and
- (b) the unencumbered value of the dutiable property held by the relevant partnership, relevant trust or corporate trustee (\$100,000).

The value of the partnership acquisition or trust acquisition or dutiable value of the relevant acquisition is \$67,500.
