For section 107(1) of the Act, a machine mentioned in schedule 1 is declared to be an approved machine.

5A Requirements for notices—Act, s 129AG

For section 129AG(1) of the Act, a notice given under section 129AD(1)(a) or 129AF(1)(a) of the Act must include the following—

- (a) a statement as to whether the party giving the notice seeks to adduce tendency evidence or coincidence evidence;
- (b) the substance of the evidence to which the notice relates;
- (c) particulars of the conduct or event to which the evidence relates, to the extent known by the party giving the notice;
- (d) the name of each person who saw, heard or otherwise perceived the conduct or event to which the evidence relates, to the extent the identity of the person is known by the party giving the notice.

6 Fee for inspecting etc. a document—Act, s 134A

- (1) For section 134A(2) of the Act, the prescribed fee for inspecting a document and taking a copy of, or an extract from, the document is the total of—
 - (a) an amount calculated under subsection (2) for inspecting the document; and
 - (b) if a copy of, or extract from, the document is given—an amount calculated under subsection (3) for giving a copy of, or extract from, the document.
- (2) The amount payable for inspecting the document is—
 - (a) if the document is an article or material from which sounds or visual images are capable of being reproduced—the amount the agency considers reasonable for making arrangements to hear or view the document; or
 - (b) otherwise—52 fee units for each hour, or part of an hour.

- (3) The amount payable for giving a copy of, or extract from, the document is—
 - (a) if a copy or extract is a photocopy in A4 size, the following—
 - (i) first copy—2.95 fee units for each page, to a maximum fee of 76.75 fee units;
 - (ii) additional copy—0.65 fee units for each page, to a maximum fee of 30.50 fee units; or
 - (b) otherwise—the amount the agency considers reasonable.
- (4) Subsection (5) applies for working out the amount of a fee under subsection (2) or (3).
- (5) For the purpose of the *Acts Interpretation Act 1954*, section 48C(3), the amount is to be rounded to the nearest multiple of 5 cents (rounding one-half upwards).

Example—

Subsection (3)(a)(i) prescribes a fee of 2.95 fee units. If the value of a fee unit for this regulation were \$1.50, the number of dollars obtained by multiplying \$1.50 by 2.95 would be \$4.425. Because \$4.425 is halfway between \$4.40 and \$4.45, it is rounded upwards, so the amount of the fee for subsection (3)(a)(i) would be \$4.45.

- (6) An amount mentioned in subsection (2)(a) or (3)(b) must not be more than the amount that reasonably reflects the cost of making the arrangements or giving the copy or extract.

7 Person or body not an agency because Right to Information Act 2009 does not apply to the person or body—Act, s 134A

- (1) An agency is declared not to be an applicable agency for a particular document if an Act expressly provides that the *Right to Information Act 2009* does not apply to—
 - (a) the document; or
 - (b) information that is contained in the document; or
 - (c) an activity that the document concerns.

Example for subsection (1)—

Right to Information Act 2009, schedule 1

- (2) Also, if an Act expressly provides that the *Right to Information Act 2009* does not apply to a person or body, then that person or body is declared not to be an applicable agency.

Example for subsection (2)—

Right to Information Act 2009, schedule 2, part 1

- (3) However, if an Act expressly provides that the *Right to Information Act 2009* does not apply to a person or body in relation to a particular function, then that person or body is declared not to be an applicable agency only in relation to that function.

Example for subsection (3)—

Right to Information Act 2009, schedule 2, part 2

- (4) In this section—

applicable agency means an agency for the definition *agency* in section 134A(7) of the Act.

8 Transitional provision for references to Evidence Regulation 2007
