51 Gaming machine tax—Act, s 312

- (1) This section prescribes percentages for section 312(3) of the Act.

- (3) For category 2 licensed premises, the percentages are as follows—
 - (a) for the first \$9,500 of monthly taxable metered win—nil;
 - (b) for the amount of the monthly taxable metered win that is more than \$9,500 but not more than \$75,000—17.91%;

- (1) This section prescribes percentages for section 316B(3) of the Act.
- (2) The percentages are as follows—
 - (a) for the first \$100,000 of the monthly taxable metered win—nil;
 - (b) for the amount of the monthly taxable metered win that is more than \$100,000 but not more than \$140,000—3.5%;
 - (c) for the amount of the monthly taxable metered win that is more than \$140,000 but not more than \$180,000—5.5%;
 - (d) for the amount of the monthly taxable metered win that is more than \$180,000 but not more than \$220,000—7.5%;

 - (f) for the amount of the monthly taxable metered win that is more than \$260,000—20%.

54 Penalty for late payment—Act, s 319

For section 319(1)(a) of the Act, the prescribed percentage is 5%.

55 Crediting of payments—Act, s 319

- (1) For section 319(1)(b) of the Act, the amount is to be credited in the following order—
 - (a) subject to subsection (2), in payment of any outstanding gaming machine taxes and health services levies, payable by the licensee under section 312 or 316B of the Act;
 - (b) in payment of any outstanding penalty payable by the licensee under section 319(1)(a) of the Act.
- (2) If the licensee is liable for payment of gaming machine tax and health services levy, any amount received from the licensee must be apportioned between the amount owing for gaming machine tax and the amount owing for health services levy in the same ratio the amount owing for gaming machine tax bears to the amount owing for health services levy.

Example of subsection (2)—

If a licensee owes \$10,000 for gaming machine tax and \$5,000 for health services levy and pays \$3,000, the gaming machine tax debt must be credited with \$2,000 and the health services levy debt must be credited with \$1,000.

56 Fees

- (1) The fees payable under the Act are stated in section 56A and schedule 5.
- (2) A fee stated in schedule 5, item 50, 52 or 53 may consist of, or include, an amount for part of an hour that is the equivalent of the relevant proportion of the hourly rate, stated in the schedule, worked out using 15-minute periods (wholly or partly completed).

56AA Rounding of amounts expressed as numbers of fee units

- (1) This section applies for working out the amount of a fee expressed in this regulation as a number of fee units.
- (2) For the purpose of the *Acts Interpretation Act 1954*, section 48C(3), the amount is to be rounded—

- (a) if the result is not more than \$100—to the nearest multiple of 5 cents (rounding one-half upwards); or
- (b) if the result is more than \$100 but not more than \$1,000—to the nearest multiple of 10 cents (rounding one-half upwards); or
- (c) if the result is more than \$1,000 but not more than \$5,000—to the nearest dollar (rounding one-half upwards); or
- (d) if the result is more than \$5,000 but not more than \$100,000—to the nearest multiple of 10 dollars (rounding one-half upwards); or
- (e) if the result is more than \$100,000—to the nearest multiple of 100 dollars (rounding one-half upwards).

Example for paragraph (a)—

If a fee were 35 fee units and the value of a fee unit were \$1.015, the number of dollars obtained by multiplying 35 by \$1.015 would be \$35.525. Because \$35.525 is halfway between \$35.50 and \$35.55, it is rounded upwards, so the amount of the fee would be \$35.55.

- (10) A failure by the commissioner to comply with subsection (7)(a) or (b) as soon as reasonably practicable after the investigation does not affect the recovery of the amount of any shortfall mentioned in subsection (7)(b)(ii).
