**An Act to provide a system of local government in Queensland,  
and for related purposes**

## Chapter 1 Preliminary

### 1 Short title

This Act may be cited as the *Local Government Act 2009*.

### 2 Commencement

- (1) Amendments 20 and 21 of the *Local Government Act 1993* in schedule 1 commence on assent.
- (2) The following provisions commence immediately before the repeal of the *Local Government Act 1993* under section 289—
  - (a) section 284;
  - (b) the remaining amendments of the *Local Government Act 1993* in schedule 1;
  - (c) schedule 2.
- (3) Chapter 9, part 1 commences on 1 July 2009.
- (4) The remaining provisions of the Act commence on a day to be fixed by proclamation.

### 3 Purpose of this Act

The purpose of this Act is to provide for—

- (a) the way in which a local government is constituted and the nature and extent of its responsibilities and powers; and
- (b) a system of local government in Queensland that is accountable, effective, efficient and sustainable.

*Note—*

The system of local government consists of a number of local governments. See the *Constitution of Queensland 2001*, section 70 (System of local government).

#### 4 Local government principles underpin this Act

- (1) To ensure the system of local government is accountable, effective, efficient and sustainable, Parliament requires—
  - (a) anyone who is performing a responsibility under this Act to do so in accordance with the local government principles; and
  - (b) any action that is taken under this Act to be taken in a way that—
    - (i) is consistent with the local government principles; and
    - (ii) provides results that are consistent with the local government principles, in as far as the results are within the control of the person who is taking the action.
- (2) The *local government principles* are—
  - (a) transparent and effective processes, and decision-making in the public interest; and
  - (b) sustainable development and management of assets and infrastructure, and delivery of effective services; and
  - (c) democratic representation, social inclusion and meaningful community engagement; and
  - (d) good governance of, and by, local government; and

- 
- (e) ethical and legal behaviour of councillors, local government employees and councillor advisors.

## **5 Relationship with City of Brisbane Act 2010**

Although the Brisbane City Council is a local government, the *City of Brisbane Act 2010*, rather than this Act, provides for—

- (a) the way in which the Brisbane City Council is constituted and the nature and extent of its responsibilities and powers; and
- (b) a system of local government in Brisbane.

*Note—*

See the *City of Brisbane Act 2010*, section 5.

## **6 Definitions**

The dictionary in schedule 4 defines particular words used in this Act.

# **Chapter 2 Local governments**

## **Part 1 Local governments and their constitution, responsibilities and powers**

### **7 What this part is about**

This part explains—

- (a) what a local government is; and
- (b) what a local government area is; and

- (c) the responsibilities and powers of a local government, its councillors and its employees.

## 8 Local government's responsibility for local government areas

- (1) A **local government** is an elected body that is responsible for the good rule and local government of a part of Queensland.

*Note—*

This is provided for in the *Constitution of Queensland 2001*, section 71 (Requirements for a local government).

- (2) A part of Queensland that is governed by a local government is called a **local government area**.

*Note—*

The Brisbane City Council is the local government for the City of Brisbane. For the local government area of the Brisbane City Council, see the *City of Brisbane Act 2010*, section 7.

- (3) A local government area may be divided into areas called **divisions**.
- (4) A regulation may—
  - (a) describe the boundaries of a local government area; or
  - (b) describe the boundaries of any divisions; or
  - (c) fix the number of councillors for a local government and any divisions of the local government area; or
  - (d) name a local government area; or
  - (e) classify a local government area as a city, town, shire or region.

## 9 Powers of local governments generally

- (1) A local government has the power to do anything that is necessary or convenient for the good rule and local government of its local government area.

---

*Note—*

Also, see section 262 (Powers in support of responsibilities) for more information about powers.

- (2) However, a local government can only do something that the State can validly do.
- (3) When exercising a power, a local government may take account of Aboriginal tradition and Island custom.
- (4) A local government may exercise its powers—
  - (a) inside the local government area; or
  - (b) outside the local government area (including outside Queensland)—
    - (i) with the written approval of the Minister; or
    - (ii) as provided in section 10(5).
- (5) When a local government is exercising a power in a place that is outside its local government area, the local government has the same jurisdiction in the place as if the place were inside its local government area.
- (6) Subsections (7) and (8) apply if a local government is a component local government for a joint local government.
- (7) Despite subsection (1), a local government may not, within the joint local government's area, exercise a power for which the joint local government has jurisdiction.
- (8) However, the local government may exercise the power as a delegate of the joint local government.

## **10 Power includes power to conduct joint government activities**

- (1) A local government may exercise its powers by cooperating with 1 or more other local, State or Commonwealth governments to conduct a joint government activity.
- (2) A *joint government activity* includes providing a service, or operating a facility, that involves the other governments.

- (3) The cooperation with another government may take any form, including for example—
  - (a) entering into an agreement; or
  - (b) creating a joint local government entity, or joint government entity, to oversee the joint government activity.
- (4) A joint government activity may be set up for more than 1 purpose.

*Example—*

Three local governments may create a joint local government entity to manage an aerodrome that services each of their local government areas, and may also enter into an agreement to sell water in bulk to 1 of the local governments.

- (5) A local government may exercise a power in another government's area for the purposes of a joint government activity, in the way agreed by the governments.
- (6) However, if the power is to be exercised under a local law, the local law must expressly state that it applies to the other government's area.

*Note—*

See section 29 for more information about making local laws.

For each local government, the electoral commission must, no later than 1 October in the year that is 2 years before the year of the quadrennial elections—

## Chapter 3      The business of local governments

### Part 1            Local laws

#### Division 1        Introduction

#### 26      What this part is about

- (1) This part is about local laws.
- (2) A *local law* is a law made by a local government.
- (3) Unless there is a contrary intention, a reference in this Act to a *local law* includes a reference to—
  - (a) an interim local law; and
  - (b) a subordinate local law; and
  - (c) a local law that incorporates a model local law.
- (4) An *interim local law* is a local law that has effect for 6 months or less.
- (5) A *subordinate local law* is a local law that—
  - (a) is made under a power contained in a local law; and
  - (b) provides for the detailed implementation of the broader principles contained in the local law.
- (6) A subordinate local law is called that because it is subordinate to the local law under which it is made, so that if there is any inconsistency between the subordinate local law and the local law, the local law prevails to the extent of the inconsistency.
- (7) The Minister may approve, by gazette notice, a local law as being suitable for incorporation by all local governments into their local laws.
- (8) This type of local law is a *model local law*.

## **27 Interaction with State laws**

If there is any inconsistency between a local law and a law made by the State, the law made by the State prevails to the extent of the inconsistency.

## **Division 2 Making, recording and reviewing local laws**

### **28 Power to make a local law**

- (1) A local government may make and enforce any local law that is necessary or convenient for the good rule and local government of its local government area.
- (2) However, a local government must not make a local law—
  - (a) that sets a penalty of more than 850 penalty units for each conviction of failing to comply with a local law, including each conviction when there is more than 1 conviction for a continuing offence or repeat offence; or
  - (b) that purports to stop a local law being amended or repealed in the future; or
  - (c) about a subject that is prohibited under division 3.

### **29 Local law making process**

- (1) A local government may decide its own process for making a local law to the extent that the process is not inconsistent with this part.
- (2) A local government makes a local law by passing a resolution to make the local law.
- (3) If a local government proposes to make a local law about a matter (the *new local law*) and there is an existing local law about the same matter that would be inconsistent with the new local law, the local government must amend or repeal the existing local law so that there is no inconsistency.

*Note—*

The new local law may include the amendment or repeal of the inconsistent law in the same instrument.

- (4) An interim local law must include a provision stating when the law expires.
- (5) A local government must ensure its local laws are drafted in compliance with the guidelines issued by the Parliamentary Counsel under the *Legislative Standards Act 1992*, section 9 for local laws and subordinate local laws.
- (6) To remove any doubt, it is declared that a local government does not have to carry out any public consultation before making either of the following—
  - (a) an interim local law;
  - (b) a local law that only incorporates a model local law and does not contain an anti-competitive provision.

## **29A State interest check**

- (1) This section applies if a local government proposes to make a local law other than the following—
  - (a) a local law that incorporates a model local law;
  - (b) a subordinate local law.
- (2) However, this section also applies to a local law that incorporates a model local law if the local law includes more than—
  - (a) the model local law; or

  - (b) on the local government’s website.
- (2) The notice must be published within 1 month after the day when the local government made the resolution to make the local law.
- (3) The notice in the gazette must state—

  - (c) the name of the local law; and
  - (d) the name of any existing local law that was amended or repealed by the new local law; and
  - (e) if the local law incorporates a model local law—that fact; and
  - (f) if the local law is an interim local law—that fact, and the date on which the interim local law expires; and
  - (g) if the local law is a subordinate local law—the name of the local law that authorises the subordinate local law to be made; and
  - (h) the purpose and general effect of the local law; and

- 
- (i) if the local law contains an anti-competitive provision—that fact; and
  - (j) that a copy of the local law may be—
    - (i) inspected and purchased at the local government’s public office; and
    - (ii) viewed by the public on the department’s website.
  - (5) As soon as practicable after the notice is published in the gazette, the local government must ensure a copy of the local law may be inspected and purchased by the public at the local government’s public office.
  - (6) A copy of a local law must cost no more than the cost to the local government of making the copy available for purchase.
  - (7) Within 14 days after the notice is published in the gazette, the local government must give the Minister—
    - (a) a copy of the notice; and
    - (b) a copy of the local law in electronic form.

### **30 Expiry of interim local law revives previous law**

- (1) This section applies if—
  - (a) an interim local law amends or repeals a local law; and
  - (b) the interim local law expires; and
  - (c) the interim local law is not made (either with or without change) as a local law.
- (2) When the interim local law expires—
  - (a) the local law is revived in its previous form; and
  - (b) any subordinate local law or provision of a subordinate local law, that stopped having effect because the local law was amended or repealed, is revived in its previous form.
- (3) The *previous form* of a local law, subordinate local law, or provision of a subordinate local law is the form it was in immediately before the interim local law commenced.

[s 31]

---

- (1) A local government may prepare and adopt a consolidated version of a local law.
- (2) A *consolidated version* of a local law is a document that accurately combines a local government's local law, as it was originally made, with all the amendments made to the local law since the local law was originally made.
- (3) When the local government adopts the consolidated version of the local law, the consolidated version is taken to be the local law, in the absence of evidence to the contrary.
- (4) Within 7 days after the local government adopts the consolidated version of the local law, the local government must give a copy of the consolidated version to the Minister.

## Part 2                      **Beneficial enterprises and business activities**

### Division 1                **Beneficial enterprises**

#### **39      What this division is about**

- (1) This division is about beneficial enterprises that are conducted by a local government.
- (2) This division does not apply to a business unit of a local government.
- (3) A *beneficial enterprise* is an enterprise that a local government considers is directed to benefiting, and can reasonably be expected to benefit, the whole or part of its local government area.
- (4) A local government is *conducting* a beneficial enterprise if the local government is engaging in, or helping, the beneficial enterprise.

#### **40      Conducting beneficial enterprises**

- (1) A local government may conduct a beneficial enterprise.
- (2) To conduct the beneficial enterprise, the local government—
  - (a) may participate with an association, other than by being an unlimited partner of a partnership; and
  - (b) must not, either directly or by participating with an association, participate with an unlimited corporation; and
  - (c) must not enter into an agreement that does not limit the liability of the local government, as between the parties to the agreement, to the amount committed by the local government under the agreement.

---

*Note—*

Under the *Statutory Bodies Financial Arrangements Act 1982*, a local government may need the Treasurer's approval before entering into particular financial arrangements.

- (3) An **association** is—
- (a) a partnership; or
  - (b) a corporation limited by shares but not listed on a stock exchange; or
  - (c) a corporation limited by guarantee but not listed on a stock exchange; or

## **Division 2                      Business reform, including competitive neutrality**

### **43            What this division is about**

- (1) This division is about the application of the National Competition Policy Agreements in relation to the significant business activities of a local government.
- (2) This includes the application of the competitive neutrality principle if, in the circumstances, the public benefit (in terms of service quality and cost) outweighs the costs of implementation.
- (3) Under the *competitive neutrality principle*, an entity that is conducting a business activity in competition with the private sector should not enjoy a net advantage over competitors only because the entity is in the public sector.
- (4) A *significant business activity* is a business activity of a local government that—
  - (a) is conducted in competition, or potential competition, with the private sector (including off-street parking, quarries, sporting facilities, for example); and
  - (b) meets the threshold prescribed under a regulation.
- (5) However, a *significant business activity* does not include a business activity that is—
  - (a) a building certifying activity; or
  - (b) a roads activity; or
  - (c) related to the provision of library services.

*Note—*

A building certifying activity or roads activity is dealt with under section 47.

### **44            Ways to apply the competitive neutrality principle**

- (1) The competitive neutrality principle may be applied by—

- 
- (a) commercialisation of a significant business activity; or
  - (b) full cost pricing of a significant business activity.
- (2) **Commercialisation** involves creating a new business unit, that is part of the local government, to conduct the significant business activity on a commercial basis.
- (3) **Full cost pricing** involves pricing the significant business activity on a commercial basis, but without creating a new business unit.
- (4) A regulation may provide for—
- (a) matters relating to commercialisation or full cost pricing; or
  - (b) any other matter relating to the application of the competitive neutrality principle to the significant business activities of a local government.

#### **45 Identifying significant business activities**

A local government's annual report for each financial year must—

- (a) contain a list of all the business activities that the local government conducted during the financial year; and
- (b) identify the business activities that are significant business activities; and
- (c) state whether or not the competitive neutrality principle was applied to the significant business activities, and if the principle was not applied, the reason why it was not applied; and
- (d) state whether any of the significant business activities were not conducted in the preceding financial year, i.e. whether there are any new significant business activities.

#### **46 Assessing public benefit**

- (1) This section applies to a new significant business activity that is identified in the annual report of a local government.

- (2) The local government must conduct a public benefit assessment of the new significant business activity.
- (3) A **public benefit assessment** is an assessment of whether the benefit to the public (in terms of service quality and cost) of applying the competitive neutrality principle in relation to a significant business activity outweighs the costs of applying the competitive neutrality principle.
- (4) The local government must conduct the public benefit assessment before the end of the financial year in which the significant business activity is first identified in the annual report.
- (5) The local government must prepare a report on the public benefit assessment that contains its recommendations about the application of the competitive neutrality principle in relation to the significant business activity.
- (6) At a meeting of the local government, the local government must—
  - (a) consider the report; and
  - (b) decide, by resolution, whether or not to apply the competitive neutrality principle in relation to the significant business activity.
- (7) Any resolution that the competitive neutrality principle should not be applied must include a statement of the reasons why it should not be applied.
- (8) If the local government decides not to apply the competitive neutrality principle in relation to the significant business activity, the local government must, within 3 years after making the decision—
  - (a) conduct another public benefit assessment of the significant business activity; and
  - (b) repeat the process relating to a report on the public benefit assessment.

---

## 47 Code of competitive conduct

- (1) This section is about the code of competitive conduct.
- (2) The *code of competitive conduct* is the code of competitive conduct prescribed under a regulation.
- (3) A local government must apply the code of competitive conduct to the conduct of the following business activities of the local government—
  - (a) a building certifying activity;
  - (b) a roads activity, other than a roads activity for which business is conducted only through a sole supplier arrangement.
- (4) A *building certifying activity* is a business activity that—
  - (a) involves performing building certifying functions (within the meaning of the Building Act, section 10); and
  - (b) is prescribed under a regulation.
- (5) A *roads activity* is a business activity (other than a business activity prescribed under a regulation) that involves—
  - (a) constructing or maintaining a State-controlled road, that the State put out to competitive tender; or
  - (b) submitting a competitive tender in relation to—
    - (i) constructing or maintaining a road in the local government area, that the local government put out to competitive tender; or
    - (ii) constructing or maintaining a road in another local government area, that the other local government put out to competitive tender.
- (6) The local government must start to apply the code of competitive conduct—
  - (a) for a building certifying activity—from the start of the financial year after the financial year in which the building certifying activity is first conducted; or

- (b) for a roads activity—from when the roads activity is first conducted.
- (7) A local government must decide each financial year, by resolution, whether or not to apply the code of competitive conduct to a business activity prescribed under a regulation.
- (8) If the local government decides not to apply the code of competitive conduct to the business activity, the resolution must state reasons for not doing so.
- (9) Subsection (7) does not prevent the local government from applying the code of competitive conduct to any other business activities.

#### **48 Competitive neutrality complaints**

- (1) A local government must adopt a process for resolving competitive neutrality complaints.
- (2) A *competitive neutrality complaint* is a complaint that—
  - (a) relates to the failure of a local government to conduct a business activity in accordance with the competitive neutrality principle; and
  - (b) is made by an affected person.
- (3) An *affected person* is—
  - (a) a person who—
    - (i) competes with the local government in relation to the business activity; and
    - (ii) claims to be adversely affected by a competitive advantage that the person alleges is enjoyed by the local government; or
  - (b) a person who—
    - (i) wants to compete with the local government in relation to the business activity; and
    - (ii) claims to be hindered from doing so by a competitive advantage that the person alleges is enjoyed by the local government.

- (4) A regulation may provide for the process for resolving competitive neutrality complaints.
- (5) A local government does not have to resolve a competitive neutrality complaint relating to a business activity prescribed under a regulation.

## Part 3 Roads and other infrastructure

### Division 1 Roads

#### 59 What this division is about

- (1) This division is about roads.
- (2) A *road* is—
  - (a) an area of land that is dedicated to public use as a road; or
  - (b) an area of land that—
    - (i) is developed for, or has as 1 of its main uses, the driving or riding of motor vehicles; and
    - (ii) is open to, or used by, the public; or
  - (c) a footpath or bicycle path; or
  - (d) a bridge, culvert, ford, tunnel or viaduct.
- (3) However, a *road* does not include—
  - (a) a State-controlled road; or
  - (b) a public thoroughfare easement.

#### 60 Control of roads

- (1) A local government has control of all roads in its local government area.
- (2) This control includes being able to—

- (a) survey and resurvey roads; and
  - (b) construct, maintain and improve roads; and
  - (c) approve the naming and numbering of private roads; and
  - (d) name and number other roads; and
  - (e) make a local law to regulate the use of roads, including—
    - (i) the movement of traffic on roads, subject to the *Transport Operations (Road Use Management) Act 1995*; and
    - (ii) the parking of vehicles on roads, subject to the *Transport Operations (Road Use Management) Act 1995* (including the maximum time that a vehicle may be parked in a designated rest area that adjoins a road, for example); and
    - (iii) by imposing obligations on the owner of land that adjoins a road (including an obligation to fence the land to prevent animals going on the road, for example); and
  - (f) make a local law to regulate the construction, maintenance and use of—
    - (i) public utilities along, in, over or under roads; and
    - (ii) ancillary works and encroachments along, in, over or under roads; and
  - (g) realign a road in order to widen the road; and
  - (h) acquire land for use as a road.
- (3) Nothing in subsection (1) makes a local government liable for the construction, maintenance or improvement of a private road.
- (4) A ***private road*** is a road over land that is owned by a person who may lawfully exclude other persons from using the road.

---

## **61 Notice of intention to acquire land to widen a road**

- (1) If a local government wants to acquire land in order to widen a road, the local government must give the owner of the land a notice of intention to acquire land.
- (2) A *notice of intention to acquire land* informs the owner in general terms of this section and section 62.
- (3) However, a local government can not, without the consent of the Planning and Environment Court, serve notice of intention to acquire land on an owner of land after the owner has applied to the local government—
  - (a) for approval to subdivide the land; or
  - (b) for approval, consent or permission—
    - (i) to erect or use a structure on the land; or
    - (ii) to use the land for any other purpose.
- (4) The court may consent to the notice of intention to acquire land being served only if the court is satisfied that the purpose of the notice is to enable the local government to make, in good faith, a reasonable widening of the road.
- (5) After a local government gives an owner a notice of intention to acquire land, the owner must not erect, place, re-erect, replace or repair any structure, or part of a structure, on the land without the local government's permission.
- (6) The local government must lodge a copy of a notice of intention to acquire land with the registrar of titles for registration on the instrument of title to the land.
- (7) The registrar of titles may register the notice of intention to acquire land even if the instrument of title is not produced.

## **62 Compensation for a notice of intention to acquire land**

- (1) This section applies to a person who is served with a notice of intention to acquire land, if the person would be entitled to claim compensation for the acquisition of land.

- (2) The person is entitled to compensation from the local government for injurious affection to the person's interest in the land because of the notice of intention to acquire land.
- (3) However, the compensation is not payable until—
  - (a) the land is sold for the first time after the notice of intention to acquire land was served; or
  - (b) after being served with the notice of intention to acquire land, the owner of the land offers the land for sale in good faith, but can not sell the land for a fair and reasonable price.
- (4) The compensation must be assessed in accordance with the following principles—
  - (a) the amount of compensation must represent the difference between—
    - (i) the market value of the interest in the land immediately after service of the notice of intention to acquire land; and
    - (ii) what would be the market value of the interest in the land, at that time, if the notice had not been served;
  - (b) any benefit that may accrue, because of the realignment of the road, to land adjacent to the land that is affected by the realignment of the road, and in which the claimant has an interest, must be taken into account;
  - (c) the amount of compensation must not be increased because the land that is affected by the realignment of the road has, since the service of the notice of intention to acquire land, become or ceased to be separate from other land.
- (5) A claim for compensation must be made—
  - (a) within 3 years after the entitlement to compensation arose; and
  - (b) to the chief executive officer in the approved form.

- (6) The claim is taken to have been properly made when the claimant has given the local government all the information that the local government reasonably requires to decide the claim.
- (7) If, within 30 days after the claim is made, the local government has not given the claimant notice of its decision on the claim, the local government is taken to have refused compensation on the 31st day after the claim is made.

### **63 Appeal on a claim for compensation**

- (1) A person who is aggrieved by the decision of a local government on a claim for compensation may appeal against the decision to the Land Court.
- (2) The appeal must be started within 30 days after—
  - (a) notice of the decision is given to the claimant; or
  - (b) the decision is taken to have been made.
- (3) However, the Land Court may extend the period if satisfied in all the circumstances that it is reasonable to do so.
- (4) In order to award compensation, the Land Court must be satisfied—
  - (a) if the land has been sold—
    - (i) the seller took reasonable steps to obtain a reasonable price for the land; and
    - (ii) the seller sold the land in good faith; and
    - (iii) the sale price is less than the seller might reasonably have expected to receive had there been no notice of intention to acquire land; or
  - (b) if a local government refused the owner permission to erect, place, re-erect, replace or repair any structure, or part of a structure, on the land—the permission was applied for in good faith.

## **64 Acquisition of land instead of compensation**

- (1) After a notice of intention to acquire land is served, but before the land is sold, the local government may acquire the land instead of paying compensation for injurious affection.
- (2) If, after a notice of intention to acquire land is served, the land is cleared of all structures—
  - (a) the local government may acquire the land; and

#### **Subdivision 1        Introduction**

##### **125    What this division is about**

- (1) This division is about the powers that may be used by an authorised person.
- (2) An *authorised person* is a person who is appointed under this Act to ensure that members of the public comply with the Local Government Acts.

*Note—*

See chapter 6, part 6 for more information about the appointment of authorised persons.

- (5) A **public place** is a place, or that part of a place, that—
- (a) is open to the public; or
  - (b) is used by the public; or
  - (c) the public is entitled to use;
- whether or not on payment of money.

*Example—*

A person uses a room at the front of their home as a business office. While the business office is open to the public it is a public place. However, the home is private property and not part of the public place.

- (6) An **occupier** of a property includes a person who reasonably appears to be the occupier of, or in charge of, the property.
- (7) Force must not be used to enter a property under this division, other than when the property is entered under a warrant that authorises that use of force.

## 126 Producing authorised person's identity card

- (1) An authorised person may exercise a power under this division, in relation to a person, only if the authorised person—
- (a) first produces his or her identity card for the person to inspect; or
  - (b) has his or her identity card displayed so it is clearly visible to the person.
- (2) However, if for any reason it is not practicable to comply with subsection (1), the authorised person must produce the identity card for the person's inspection at the first reasonable opportunity.

## **Subdivision 2      Power to require a person's name and address**

### **127      Power to require a person's name and address**

- (1) This section applies if an authorised person—

- (5) The authorised person may require the person to give evidence of the person's name or address if the authorised person suspects, on reasonable grounds, that the person has given a false name or address.

---

### **Subdivision 3 Powers to enter property etc.**

#### **128 Entering a public place that is open without the need for permission**

- (1) This section applies if an authorised person wants to enter a public place to ensure that the public place complies with the Local Government Acts.
- (2) The authorised person may enter the public place, without the permission of the occupier of the place, if the place is not closed to the public (by a locked gate, for example).

#### **129 Entering private property with, and in accordance with, the occupier's permission**

- (1) An authorised person may enter private property, that is not closed to entry by the public (by a locked gate, for example), in order to ask the occupier of the property for permission to stay on the property and exercise powers under a Local Government Act.
- (2) When asking the occupier for permission, the authorised person must inform the occupier—
  - (a) of the purpose of entering the property; and
  - (b) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
  - (c) that the occupier is not obliged to give permission.
- (3) If the occupier gives permission, the authorised person may ask the occupier to sign a document that confirms that the occupier has given permission.
- (4) The document must state—
  - (a) that the authorised person informed the occupier—
    - (i) of the purpose of entering the property; and

- (ii) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
    - (iii) that the occupier was not obliged to give the permission; and
  - (b) that the occupier gave the authorised person permission to enter the property and exercise powers under a Local Government Act; and
  - (c) the date and time when the occupier gave the permission.
- (5) If the occupier signs the document, the authorised person must immediately give a copy of the document to the occupier.
- (6) If, in any proceedings—
- (a) a question arises as to whether the occupier of a property gave permission to allow an authorised person to stay on the property under this Act; and
  - (b) a document that confirms the occupier gave permission is not produced in evidence;
- the court may assume that the occupier did not give the permission, unless the contrary is proved.
- (7) If the occupier gives permission, the authorised person may stay on the property and exercise the powers that the occupier has agreed to be exercised on the property.
- (8) However, the right to stay on the property—
- (a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and
  - (b) may be cancelled by the occupier at any time.

---

**130 Entering private property with, and in accordance with, a warrant**

- (1) An authorised person may enter private property with, and in accordance with, a warrant.
- (2) An authorised person must apply to a magistrate for a warrant.
- (3) The application for the warrant must—
  - (a) be in the form approved by the department’s chief executive; and
  - (b) be sworn; and
  - (c) state the grounds on which the warrant is sought.
- (4) The magistrate may refuse to consider the application until the authorised person gives the magistrate all the information that the magistrate requires about the application, in the way that the magistrate requires.

*Example—*

The magistrate may require additional information in support of the application to be given by statutory declaration.

- (5) The magistrate may issue the warrant only if the magistrate is satisfied that there are reasonable grounds for suspecting—
  - (a) there is a particular thing or activity that may provide evidence of an offence against a Local Government Act (the *evidence*); and
  - (b) the evidence is at the place, or may be at the place within the next 7 days.
- (6) The warrant must state—
  - (a) the evidence for which the warrant is issued; and
  - (b) that the authorised person may, with necessary and reasonable help and force, enter the property and exercise an authorised person’s powers under this Act; and
  - (c) the hours of the day or night when the property may be entered; and

- (d) the day (within 14 days after the warrant's issue) when the warrant ends.
- (7) The magistrate must keep a record of the reasons for issuing the warrant.
- (8) A warrant is not invalidated by a defect in the warrant, or in compliance with section 131, unless the defect affects the substance of the warrant in a material particular.
- (9) As soon as an authorised person enters private property under a warrant, the authorised person must do, or make a reasonable attempt to do, the following things—
  - (a) inform any occupier of the property—
    - (i) of the reason for entering the property; and
    - (ii) that the warrant authorises the authorised person to enter the property without the permission of the occupier;
  - (b) give any occupier a reasonable opportunity to allow the authorised person to immediately enter the property without using force.
- (10) However, the authorised person does not need to comply with subsection (9) if the authorised person believes that immediate entry to the property is required to ensure the warrant is effectively executed.

### **131 Warrants—applications made electronically**

- (1) An authorised person may make an electronic application for a warrant if the authorised person considers it necessary because of—
  - (a) urgent circumstances; or
  - (b) special circumstances (including the authorised person's remote location, for example).
- (2) An *electronic application* is an application made by phone, fax, radio, email, videoconferencing or another form of electronic communication.

- (3) The authorised person must prepare an application for the warrant that states the grounds on which the warrant is sought, before applying for the warrant.
- (4) However, the authorised person may apply for the warrant before the application is sworn.
- (5) The magistrate may issue the warrant only if the magistrate is satisfied that—
  - (a) it was necessary to make the application electronically; and
  - (b) the way that the application was made was appropriate in the circumstances.
- (6) If the magistrate issues the warrant, and it is reasonably practicable to send a copy of the warrant to the authorised person (by fax or email, for example), the magistrate must immediately do so.
- (7) If it is not reasonably practicable to send a copy of the warrant to the authorised person—
  - (a) the magistrate must—
    - (i) inform the authorised person of the date and time when the magistrate signed the warrant; and
    - (ii) inform the authorised person of the terms of the warrant; and
  - (b) the authorised person must write on a warrant form—
    - (i) the magistrate's name; and
    - (ii) the date and time when the magistrate signed the warrant; and
    - (iii) the terms of the warrant.
- (8) The copy of the warrant sent to the authorised person, or the warrant form properly completed by the authorised person, authorises the authorised person to enter the property, and to exercise the powers, mentioned in the warrant that was signed by the magistrate.

- (9) The authorised person must, at the first reasonable opportunity, send the magistrate—
  - (a) the sworn application; and
  - (b) if the authorised person completed a warrant form—the completed warrant form.
- (10) When the magistrate receives those documents, the magistrate must attach them to the warrant that was signed by the magistrate, and give the warrant to the clerk of the court.
- (11) Unless the contrary is proven, a court must presume that a power exercised by an authorised person was not authorised by a warrant issued under this section if—
  - (a) a question arises, in any proceedings before the court, whether the exercise of power was authorised by a warrant; and
  - (b) the warrant is not produced in evidence.

### **132 Entering under an application, permit or notice**

- (1) This section applies if an authorised person wants to enter a property—

  - (c) to find out whether the conditions on which a permit or notice was issued have been complied with; or
  - (d) to inspect work that is the subject of, or was carried out under, a permit or notice.
- (2) A *permit* is an approval, authorisation, consent, licence, permission, registration or other authority issued under any Local Government Act.
- (3) A *notice* is a notice issued under any Local Government Act.

- 
- (4) The authorised person may enter the property without the permission of the occupier of the property—
- (a) at any reasonable time during the day; or
  - (b) at night, if—
    - (i) the occupier of the property asks the authorised person to enter the property at that time; or
    - (ii) the conditions of the permit allow the authorised person to enter the property at that time; or
    - (iii) the property is a public place and is not closed to the public.
- (5) However, the authorised person—
- (a) must, as soon as the authorised person enters the property, inform any occupier of the property—
    - (i) of the reason for entering the property; and
    - (ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and
  - (b) may enter a home that is on the property only if the occupier of the relevant part of the property accompanies the authorised person.

### 133 Entering property under an approved inspection program

- (1) An authorised person may enter a property (other than a home on the property) without the permission of the occupier of the property, at any reasonable time of the day or night, under an approved inspection program.
- (2) An ***approved inspection program*** is a program, approved by a local government, under which an authorised person may enter and inspect properties in the local government area to ensure the Local Government Acts are being complied with.

*Example of an approved inspection program—*

  - (b) if paragraph (a) does not apply—a provision of a law that regulates—
    - (i) the construction or maintenance of barriers or fencing for the pool; or

- 
- (2) However, the authorised person must, as soon as the authorised person enters the property—
- (a) inform any occupier of the property—

- (4) The *owner* of a thing includes a person in possession or control of the thing.

- 
- (5) If the authorised person believes the damage was caused by a latent defect in the thing, or other circumstances beyond the authorised person's control, the authorised person may state that in the notice.

- (4) A **local government worker** is an employee, or agent, of the local government who is authorised by the local government to act under this division.

*Note—*

Not every employee or agent of the local government would ordinarily be authorised to act under this division.

- (5) However, the local government may authorise an employee or agent to act under this division only if the employee or agent is appropriately qualified or trained to exercise a power or perform a responsibility under this division.
- (6) Force must not be used to enter a property under this division, unless the property is entered under a court order that specifically authorises the use of that force.

---

### **138AA Notices for this division**

- (1) A *remedial notice* is a notice that requires the owner or occupier of a property to take action under a Local Government Act in relation to the property (including fencing a pool, for example).
- (2) A remedial notice may only be given by a local government to the person who, under a Local Government Act, is required to take the action stated in the notice.
- (3) A *reasonable entry notice* is a notice about a proposed entry of a property that states—
  - (a) who is to enter the property; and
  - (b) the reason for entering the property; and
  - (c) the days and times when the property is to be entered.
- (4) A remedial notice and a reasonable entry notice may not be combined unless—
  - (a) the owner of the property is also the occupier of the property; or
  - (b) the occupier of the property is the person who, under a Local Government Act, is required to take the action stated in the remedial notice.
- (5) A notice given under this division in contravention of this section is of no effect.

### **138A Identity card for use under this division**

- (1) A local government is not required to give a local government worker an identity card unless the worker is exercising a power of entry under this division.
- (2) This section does not stop a single identity card being issued to a person for this Act and for another purpose.
- (3) A person who stops being a local government worker must return the person's identity card to the local government within 21 days after stopping being a local government worker, unless the person has a reasonable excuse.

Maximum penalty for subsection (3)—10 penalty units.

**139 Entry with, and in accordance with, permission of occupier**

- (1) Any person may enter a property with the permission of the occupier of the property.
- (2) However, the right to enter the property—
  - (a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and
  - (b) may be cancelled by the occupier at any time.

**140 Entry by an owner, with reasonable entry notice, under a remedial notice**

- (1) This section applies if—
  - (a) a local government gives a remedial notice to the owner of a property; and
  - (b) the owner is not the occupier of the property.
- (2) At least 7 days after the owner gives a reasonable entry notice to the occupier of the property, the owner or the owner's agent may—
  - (a) enter the property (other than a home on the property) on each day at the times stated in the reasonable entry notice; and
  - (b) take the action that is required under the remedial notice.
- (3) If the occupier asks to inspect the remedial notice, the owner must allow the occupier to inspect the remedial notice.
- (4) This section does not affect any rights that the owner has apart from this section.

---

## 141 Occupier may discharge owner's obligations

- (1) This section applies if—
  - (a) the owner of a property fails—
    - (i) to take the action in relation to the property that is required under a remedial notice; or
    - (ii) to pay money that is payable in relation to the property under a Local Government Act (including rates, for example); and
  - (b) the occupier of the property is not the owner of the property.
- (2) The occupier of the property may—
  - (a) take the action that is required, and recover the amount that the occupier properly and reasonably incurs in taking the action as a debt payable by the owner; or
  - (b) pay the money that is payable, and recover the money as a debt payable by the owner.
- (3) For example, if the occupier is the owner's tenant, the occupier may deduct the money from any rent that the occupier owes the owner, without being in breach of the tenancy agreement.

## 142 Entry by a local government worker, with reasonable entry notice, under a remedial notice

- (1) This section applies if—
  - (a) a local government gives a remedial notice to the owner or the occupier of a property who is required to take the action stated in the remedial notice (the *responsible person*); and
  - (b) the responsible person fails to take the action required under the remedial notice.
- (2) At least 7 days after giving a reasonable entry notice to the occupier of the property, a local government worker may—

- (a) enter the property (other than a home on the property) without the permission of the occupier on each day at the times stated in the reasonable entry notice; and
  - (b) take the action that is required under the remedial notice.
- (3) However, the local government worker must, as soon as the local government worker enters the property—
- (a) inform any occupier of the property—
    - (i) of the reason for entering the property; and
    - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
  - (b) produce his or her identity card for the occupier of the property to inspect.
- (4) The local government may recover the amount that the local government properly and reasonably incurs in taking the action as a debt payable by the person who failed to take the action.
- (5) Interest is payable on the debt at the same rate that interest is payable on overdue rates levied by the local government.
- (6) The local government must give the person who failed to take the action notice of the amount of the debt.
- (7) Subsection (8) applies if the person who failed to take the action is the owner of the property.
- (8) If the debt is not paid within 30 days after the date of the notice, the local government may recover the debt as if the debt were overdue rates.

**143 Entry by a local government worker, with reasonable entry notice, to take materials**

- (1) This section applies if, in the circumstances, a local government has no other reasonably practicable way of obtaining materials other than by removing the materials from relevant land.

- 
- (2) **Relevant land** means land, other than protected land, that is—
- (a) within the local government area; or
  - (b) if the local government has the written approval of the Minister, under section 9(4)(b)(i), to exercise its powers outside its local government area—outside its local government area; or
  - (c) if the local government may exercise a power in another local government’s area for the purpose of a joint government activity—within the other local government’s area.
- (3) **Protected land** is land that is—
- (a) the site of, or curtilage around, a home or other structure; or
  - (b) a court, lawn, park, planted walk or avenue or yard; or
  - (c) under cultivation (including a garden, nursery or plantation, for example); or
  - (d) a state forest or timber reserve under the Forestry Act; or
  - (e) a protected area under the *Nature Conservation Act 1992*; or
  - (f) the wet tropics area under the *Wet Tropics World Heritage Protection and Management Act 1993*.
- (4) A local government worker may, after giving a reasonable entry notice to the owner and the occupier of the relevant land within a reasonable period before the land is to be entered—
- (a) enter the land without the permission of the occupier of the land on each day at the times stated in the reasonable entry notice; and
  - (b) search for materials that the local government requires to perform its responsibilities; and
  - (c) remove the materials from the land.
- (5) However, the local government worker must, as soon as the local government worker enters the property—

- (a) inform any occupier of the property—
    - (i) of the reason for entering the property; and
    - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
  - (b) produce his or her identity card for the occupier of the property to inspect.
- (6) The local government worker must not search for, or remove materials from, within 50m of any structure or works on the land (including a home, bridge, dam or wharf, for example).

**144 Entry by a local government worker, at reasonable times, to repair etc. facilities**

- (1) At all reasonable times, a local government worker may enter a property (other than a home on the property) without the permission of the occupier of the property—
  - (a) to investigate the future installation of local government facilities on, over or under the property; or
  - (b) to install local government facilities on, over or under the property; or
  - (c) to inspect, maintain, operate, repair, replace or remove local government facilities, that are on, over or under the property, for their routine operations.
- (2) *Local government facilities* are facilities that are installed by a local government (including sewerage pipes, for example).
- (3) However, the local government worker must, as soon as the local government worker enters the property—
  - (a) inform any occupier of the property—
    - (i) of the reason for entering the property; and
    - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and

- (b) produce his or her identity card for the occupier of the property to inspect.

**145 Entry by a local government worker, at any time, for urgent action**

- (1) A local government worker may enter a property (other than a home on the property), at any time without the permission of the occupier of the property, in a potentially dangerous situation to take urgent action for local government purposes.

*Example—*

A local government worker may enter a property to cut down a tree that was blown over in a storm and is in danger of falling and injuring someone or damaging property.

- (2) However, the local government worker must, as soon as reasonably practicable after the local government worker enters the property—
  - (a) inform any occupier of the property—
    - (i) of the reason for entering the property; and
    - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
  - (b) produce his or her identity card for the occupier of the property to inspect.

**146 Entry with, and in accordance with, a court order**

- (1) A person may enter a property with, and in accordance with, a court order made under this section.
- (2) The person must apply to a magistrate for the court order.
- (3) The application must—
  - (a) be in the form approved by the department's chief executive; and
  - (b) be sworn; and
  - (c) state the grounds on which the court order is sought.

- (4) The person must, as soon as practicable, give a copy of the application to—
  - (a) if the person is not the owner of the property—the owner of the property; and
  - (b) the occupier of the property.
- (5) The magistrate may refuse to consider the application until the person gives the magistrate all the information that the magistrate requires about the application in the way that the magistrate requires.

*Example—*

The magistrate may require additional information supporting the application to be given by statutory declaration.
- (6) If the magistrate is satisfied that entry to the property is necessary to allow the person to take action under any of the Local Government Acts, the magistrate may make the court order.
- (7) The court order must—
  - (a) direct the occupier of the property to allow the person to enter the property and take all action that is necessary under any Local Government Act; and
  - (b) state the hours of the day or night when the property may be entered; and
  - (c) state the day (within 14 days after the court order is made) when the court order ends.
- (8) If the person who applied for the court order is a local government worker, the court order may authorise the local government worker to use necessary and reasonable help and force to enter the property.
- (9) The magistrate must record the reasons for making the court order.
- (10) As soon as the person enters the property under the court order, the person must do, or make a reasonable attempt to do, the following things—
  - (a) inform any occupier of the property—

- (i) of the reason for entering the property; and
  - (ii) that the person is authorised under the court order to enter the property without the permission of the occupier;
- (b) if the court order authorises the person to use force to enter the property—give the occupier a reasonable opportunity to allow the person to immediately enter the property without using force.

### **147 Compensation for damage or loss caused**

- (1) A local government worker who enters a property—
- (a) must not cause, or contribute to, damage to any structure or works on the property; and
  - (b) must take all reasonable steps to ensure that the worker causes as little inconvenience, and does as little other damage, as is practicable in the circumstances.
- (2) If a person incurs damage or loss because of the exercise, or purported exercise, of a power under this division (including the loss of the value of materials removed from a property, or the reduction in the value of the property, for example), the local government must pay the person compensation.
- (3) The compensation equals—
- (a) the amount agreed between the person and local government; or
  - (b) if the person and local government can not agree, the amount that is decided by a court.
- (4) The court may make any order about costs that the court considers just.

### **148 Limitation of time in absence of notice of work done**

- (1) This section applies if work is done on a property without an approval that is required under a Local Government Act.

- (2) For the purposes of any limitation of time for taking any proceedings or doing anything else about the work, the work is taken to have been done when a local government worker first finds out about the work.

- (1) The Minister must make a code of conduct that sets out the standards of behaviour for councillors in performing their functions as councillors under this Act or the *City of Brisbane Act 2010*.

*Notes—*

- 1 See section 4 which requires the Minister, in making a code of conduct under this section, to do so in a way that is consistent with, and provides results that are consistent with, the local government principles. See also section 150CAA in relation to the application of the local government principles.
  - 2 Also, see the obligations imposed on councillors under chapter 6, part 2, division 5 or the *City of Brisbane Act 2010*, chapter 6, part 2, division 5 which apply to councillors in performing their functions as councillors under this Act or the *City of Brisbane Act 2010*.
- (2) The code of conduct may also contain anything the Minister considers necessary for, or incidental to, the standards of behaviour.

### 150E Approval and publication of code of conduct

- (1) The code of conduct does not take effect until it is approved by a regulation.
- (2) The approved code of conduct must be—
  - (a) tabled in the Legislative Assembly with the regulation approving the code; and
  - (b) published on the department's website.

- (a) the procedures must not be inconsistent with the model procedures; and
- (b) if there is an inconsistency, the local government is taken to have adopted the model procedures to the extent of the inconsistency.

## **Division 2                      Unsuitable meeting conduct**

### **150H    What is *unsuitable meeting conduct***

The conduct of a councillor is *unsuitable meeting conduct* if the conduct—

- (a) happens during a local government meeting; and
- (b) contravenes a behavioural standard.

### **150I    Chairperson may deal with unsuitable meeting conduct**

- (1) This section applies if, at a local government meeting, the chairperson of the meeting reasonably believes the conduct of a councillor during the meeting is unsuitable meeting conduct.
- (2) The chairperson may make 1 or more of the following orders—
  - (a) an order reprimanding the councillor for the conduct;
  - (b) an order requiring the councillor to leave the place at which the meeting is being held, including any area set aside for the public, and stay away from the place for the rest of the meeting;
  - (c) if the councillor fails to comply with an order to leave and stay away from the place—an order that the councillor be removed from the place.
- (3) If the chairperson makes an order under subsection (2), the chairperson must ensure details of the order are recorded in the minutes of the meeting or, if minutes are not required for the meeting, in another way prescribed by regulation.

*Note—*

See also sections 150DX and 150DY about recording orders made by the chairperson of a local government meeting under this section in the councillor conduct register.

### **150IA Dealing with unsuitable meeting conduct of chairperson**

*Note—*

See also sections 150DX and 150DY about recording orders under this section in the councillor conduct register.

### **150J Unsuitable meeting conduct that becomes a conduct breach**

If the conduct of a councillor, including the chairperson, at a local government meeting is a conduct breach under section 150K(2), the local government—

- (a) is not required to notify the assessor about the conduct; and
- (b) may deal with the conduct under section 150AG as if an investigation had been conducted.

---

  - (b) a policy, procedure or resolution of the local government.
- (2) Also, the conduct of a councillor is a conduct breach if—
  - (a) the conduct contravenes an order of the chairperson of a local government meeting for the councillor to leave and stay away from the place at which the meeting is being held; or
  - (b) for conduct of a councillor, including the chairperson, at local government meetings—it is part of a course of conduct leading to orders for unsuitable meeting conduct being made against the councillor on 3 occasions within a period of 1 year.
- (3) For subsection (2)(b)—
  - (a) the conduct that led to the orders being made, taken together, is the conduct breach; and
  - (b) orders for the councillor’s unsuitable meeting conduct include any orders made against the councillor as the chairperson of a local government meeting.
- (4) However, a conduct breach does not include conduct that is—
  - (a) unsuitable meeting conduct, to the extent the conduct is not conduct mentioned in subsection (2); or
  - (b) misconduct; or

- (c) corrupt conduct.

### 150L What is *misconduct*

- (1) The conduct of a councillor is *misconduct* if the conduct—

### **150M Dealing with particular conduct if councillor elected or appointed after vacating office**

- (1) This section applies if—
  - (a) the conduct (the *relevant conduct*) of a person who is a councillor is the subject of—

- (e) there is insufficient information to properly make a preliminary assessment of the complaint, notice or information.
- (4) If subsection (2) does not apply or the assessor does not, under subsection (3), dismiss or decide to take no further action for the complaint, notice or information, the assessor must decide—

### **150BY Seizure of property subject to security**

- (1) An investigator may seize a thing, and exercise powers relating to the thing, despite a lien or other security over the thing claimed by another person.
- (2) However, the seizure does not affect the other person's claim to the lien or other security against a person other than the investigator or a person acting under the direction or authority of the investigator.

## **Subdivision 2 Powers to support seizure**

### **150BZ Power to secure seized thing**

- (1) Having seized a thing under this division, an investigator may—

- (2) The investigator must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized—
  - (a) a receipt for the thing that generally describes the thing and its condition; and
  - (b) an information notice about the decision to seize it.
- (3) However, if an owner or person from whom the thing is seized is not present when it is seized, the receipt and information notice may be given by leaving them in a conspicuous position and in a reasonably secure way at the place at which the thing is seized.
- (4) The receipt and information notice may—
  - (a) be given in the same document; and
  - (b) relate to more than 1 seized thing.
- (5) The investigator may delay giving the receipt and information notice if the investigator reasonably suspects giving them may frustrate or otherwise hinder an investigation by the investigator under this chapter.
- (6) However, the delay may be only for so long as the investigator continues to have the reasonable suspicion and remains in the vicinity of the place at which the thing was seized to keep the place under observation.

### **150CD Access to seized thing**

- (1) Until a seized thing is returned, the investigator who seized the thing must allow an owner of the thing—
  - (a) to inspect it at any reasonable time and from time to time; and

  - (b) make efforts if it would be unreasonable to make efforts to return the thing to an owner.

*Example—*

The owner of the thing has migrated to another country.

- (3) Regard must be had to the thing's condition, nature and value in deciding—

### 150EE When does a person participate in a decision

Without limiting when a person participates in a decision, in this chapter, a reference to a councillor of a local government, or other person, participating in a decision includes a reference to the councillor or other person—

- (a) considering, discussing or voting on the decision in a local government meeting; and
- (b) considering or making the decision under—
  - (i) an Act; or

[s 150EF]
